

Uh-huh..

It seems like I need to let my mother's body rest for a while. It's more enjoyable to masturbate with my own cock! Oh oh oh so cool! Ever since I came to this resort, I have had many romantic encounters.

I felt a little uncomfortable watching this! As for that guy Lao Shao, even if he was teasing the bad-tempered Shen Zhining, he still had so much fun using his mother's body.

Yes, why am I not addicted to the pleasure of sex? Now let me enjoy it! Too bad... never mind,

go out

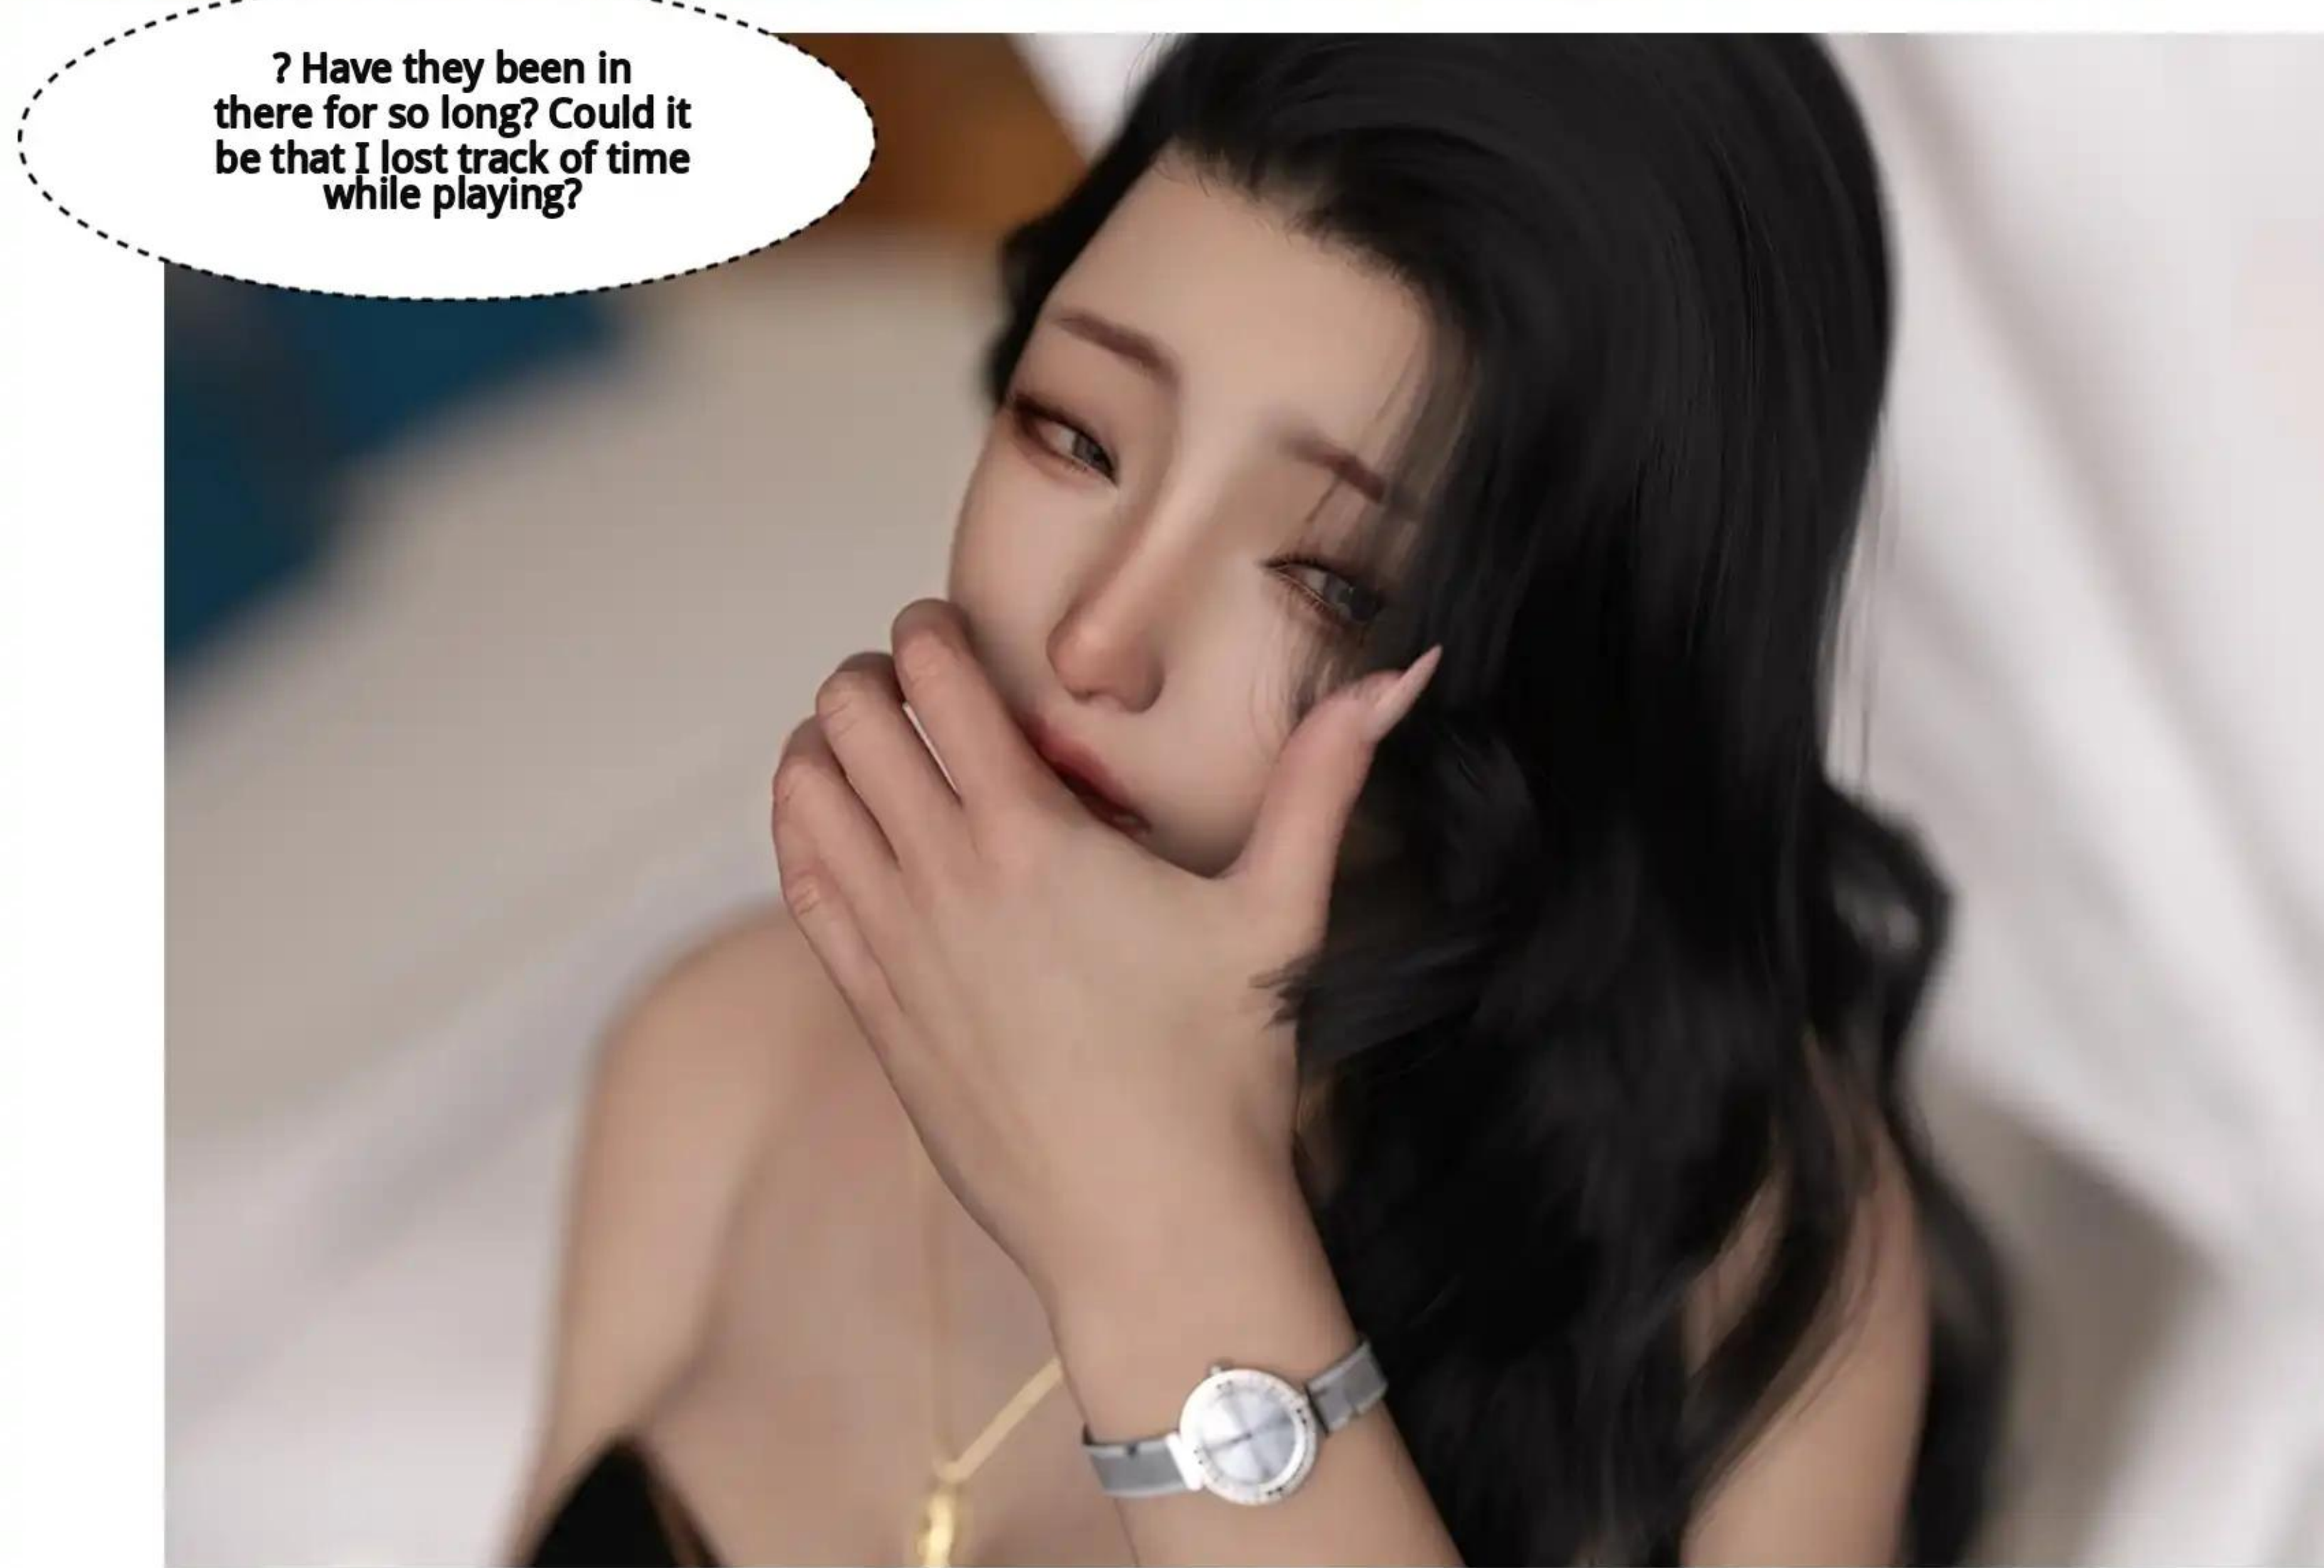

You think so, my dear daughter? Haha, I feel really refreshed! My tired body and mind have been restored.

Uh-huh...yes, mom

? Old... where did that cleaning lady go?

? Have they been in there for so long? Could it be that I lost track of time while playing?

What, what should I do? Do you want to go out? Let's pretend to be dead first? But if I stand out like this, I will definitely be asked to do strange things again, and I will be laughed at by Lao Shao.

Can you let me go back to my room and rest for a while? Mom, Ning Ning is a little tired after training.

Otherwise, mom will help you go back to your room to rest first! Of course there is no problem. My good daughter, you are relatively weak now.

close

Lao Shao must
have forgotten me,
right? Um? Are they
gone?

I finally have
time to masturbate!
To avoid being
dragged into doing
sneaky things again,
hey, forget about it.

oh? I thought you
liked my good buddy?
What about these
sneaky things?

Ahhhhhh!

You, you, didn't you accompany Shen Zhining back to the room? Why did you suddenly appear here again?

And I can't run around in this outfit, right? Just ask her to go back to the room and wait! I think she's in good spirits,

What really makes me sad is that you... are hiding and masturbating, right? Okay, Zhou Ming, you ungrateful brat!

I'm just resting
aside...this...no, you
listen to me

Okay, okay,
this kind of thing
is fine no matter
what. Come on!
Catch it!

Ah! What
the hell did
you throw
here?

snap

This is not Mrs. Shen's... You took it off too quickly! What else do you want to do?

After all, it's still not as good as my own stinky skin! Huh~ the fresh air that I haven't seen in a long time! No matter how comfortable it is to wear women's skin,

Don't think
I'm so scary!
And Lao Zhou,
I just want to
ask you for a
small favor.

Of course sweetness is
indispensable hahahaha!
Don't worry,

Is it really
no
problem?

Why...

I can finally
have a good rest.
My whole body is
sore and painful. I
am exhausted. !

I don't have the slightest sense of reality. Those things that happened not long ago now seem like a nightmare-

Same ,

However, if that was really just a nightmare. ...

It's like...why is the skin all over my body trembling?

It's like my body is still longing to be violently violated! Oh, I want more, I want more!

I hate it. Touching it by yourself like this is not as good as mom's training. Instead, the more you rub it, the more you want it!

Mom, I can't wait!

Da da da

yes,

It's my mother's fault that I'm like this now. She has to be responsible for me! At least teach me one or two more ways to become more comfortable.

Look where are you going in such a hurry? What's the matter, Ning Ning?

open

Mom, mom, are you here? I just thought of you! Come in, come in,

You shouldn't have heard the sound of me masturbating just now, right? Mom, how long has she been standing outside the door?

Say hello!
In fact, my
mother also
invited a guest
in.

Hi there! Sure enough, rich people are different! Do you still remember me, Miss Shen? Wow, your room is so big.

What are you doing here? Aren't you the poor guy making noise at the counter? Sorry, who are you? You...ah!

Is this what your mother taught you? Shen Zhining! How could you say such things to your guests?

You, your reckless personality really makes me worry!

You have to learn more from him! Listen to him first! Unlike Yuchen, he is young but thoughtful

I'm so embarrassed. Hey, madam, please don't praise me.

Doesn't my mother
always look down on these
poor people the most? When
did they become so close? How,
how could it happen? Are you
trying to kill me because
of this man?

But regarding your comments about me and my mother, I hope you can also express your gratitude to me! Miss Shen, my tone was not good at that time, so I would like to apologize to you in advance.

Mom, I hope you can sincerely kneel down and apologize to this classmate Shao! Ning Ning, don't forget what I said. Children of the Shen family must be able to understand their mistakes and be magnanimous. The image of the Shen family is the most important. Your behavior is indeed excessive.

You want me to kneel down to this poor guy? I might as well just hit him to death! What a joke!

She is serious!
What should I do,
what should I do?
But I have seen that
expression on my
mother's face.

Hold
tight

Kneel
down

**Kneel down, just
kneel down! I don't
want my mother to
hate me anymore!**

"classmate"? Can you forgive me in this way? Yes, no, get up!

Wow...this is really humiliating...

But I always feel
that something is
missing... What is it?
Well...it's okay to
forgive,

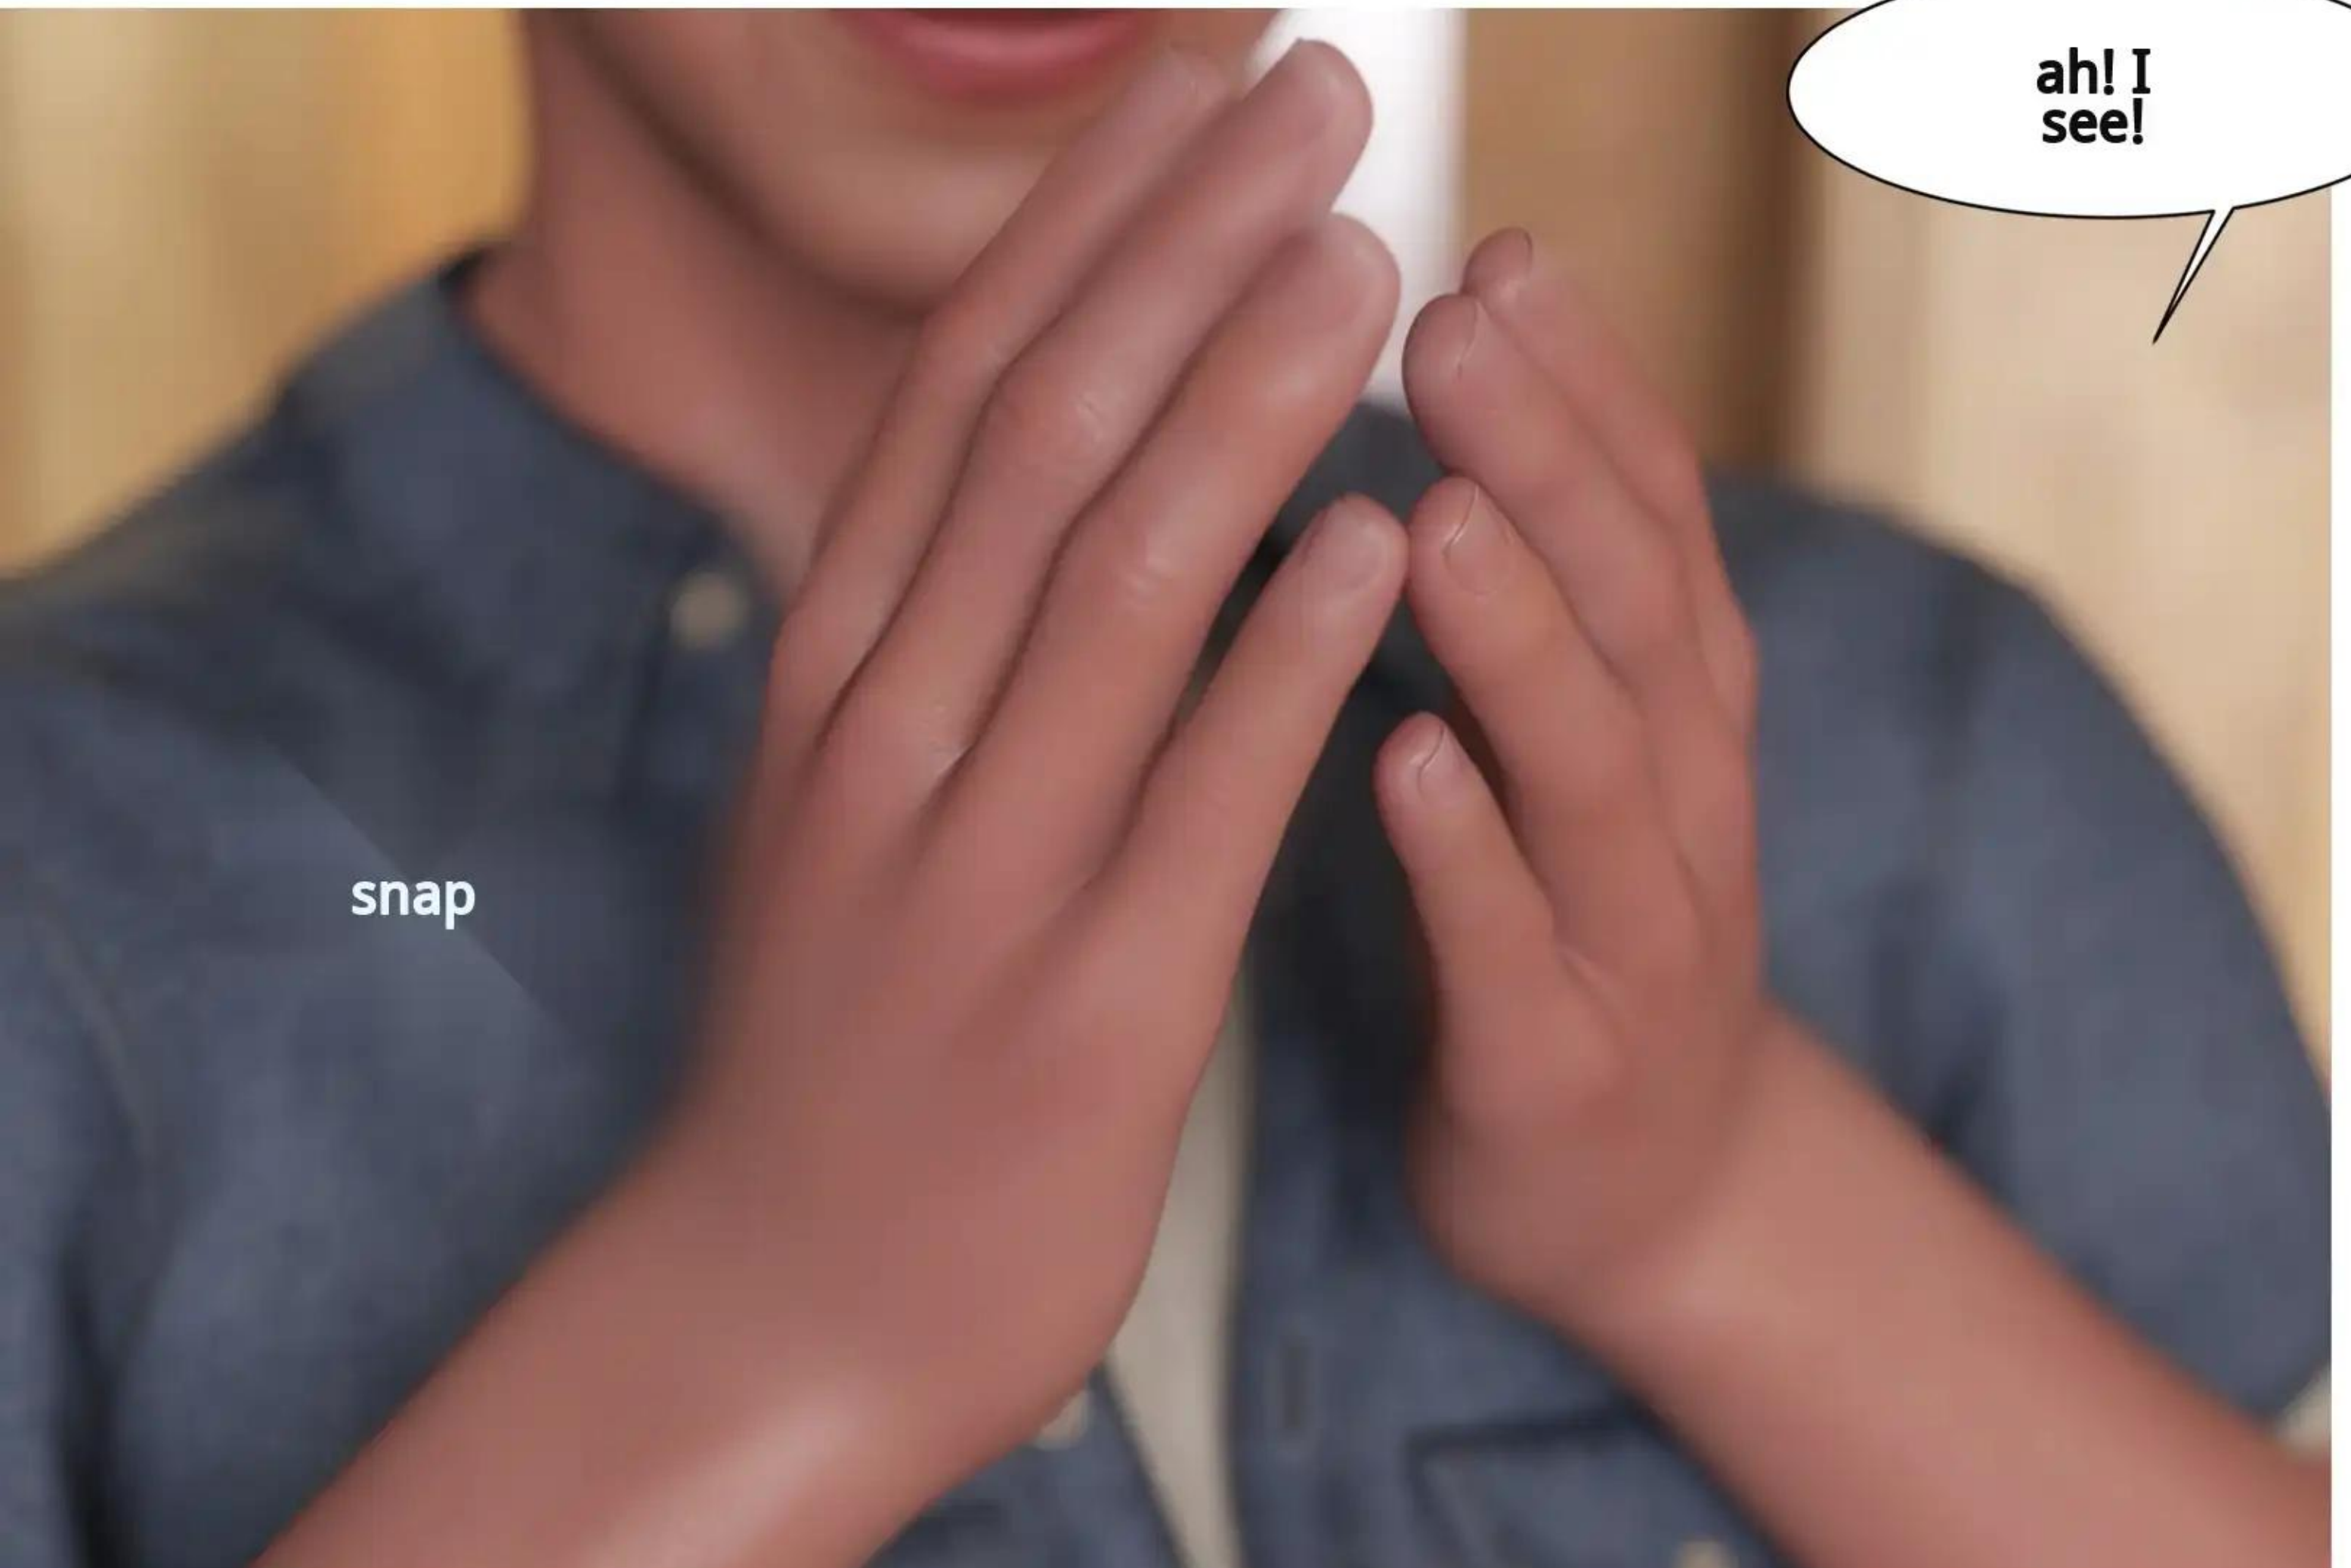

Okay, you should be nice if you get a bargain, right? Don't get frustrated just because your mother praises you a few times!

ah! I see!

snap

Isn't there a saying that an apology must show your breasts to be sincere? Just let you give me a blowjob to reconcile! Since Ms. Shen has spoken harshly to our mother and son, there is no point in just kneeling down and apologizing.

What's going on? I really don't understand why I would invite such a person into my room! ah? If you have the guts, say it again! Mother

Do you have to use
curse words? Didn't
mom make it clear
enough? Oh, Ning
Ning,

I actually
had a lot of fun!
This guy, Lao
Shao, threw this
kind of trouble
to me again.

Shen
Zhining,

I think you've been taught
a lesson, haven't you? Do you
want to suffer again? If you do
something wrong, tell me!

...Mom,
don't be angry,
I, I just need to
be obedient, ..

Hey~ are
you ready? I
am fully
prepared
here!

Let us make
peace as soon as
possible! Ta-la~
Come on, come
on! Classmate
Shen,

Is this
another
unknown test? I
can't believe my
mom actually
wants me to
do this

You want me to eat...eat this dirty thing? I've obviously never even touched a man's body.

Oh oh oh oh!
The long-awaited scene is finally coming true! The Shen family's golden little hands are holding my cock,

Ugh...Why does
it smell weird? I was
so heartbroken that I
really wanted to spit
it out. ..

Ah, my cock was caught in Classmate Shen's little mouth! The warm touch felt so comfortable, I still want more.

Woo
hoo hoo
hoo!

压

Eat it in!
Since you have
to apologize,
show your
sincerity!

Cough, cough, it hurts to have my throat pressed... It's too rough! This man is finished, I will definitely kill him later!

mouh

Did you enjoy your stay at this resort? How are you, Miss Shen? You must enjoy ruining and humiliating others, right?

However, I know that based on this alone, I can barely help you! Lessons won't last long in your memory

**Am I being
held to the head
with a gun? What is
going on? Mom,
save me!**

emission

Oh no,
no, no!

Like a deflated
rubber ball. I always
feel weak and weak...
Am I dead?

My body...I can't feel it
anymore...Mom...Save....

Now you can't
put on that stinky
air anymore! Hey,
you've finally
become
honest.

**Do you think so,
Lao Zhou? Let us
help you repent!
Seriously, you
deserve all this**

Also, don't forget
the sweetness you
just mentioned! Don't
drag me here! Play
however you like

The fun is just about to begin! Yes, yes, don't worry, I didn't forget,

Hey
hey...

Why is this man's skin so difficult to wear? It took me a long time to get in! Ouch,

After all, the skin of a young girl and a mature woman are different, so fresh! It's been a long time since I've worn such tight leather.

If you smell it up close,
you can still smell a light body
fragrance! Mmm~ It feels so good
to have these warm little hands
and your whole body being
tightly wrapped

I always feel a little disgusting for no reason... If you want to wear it, put it on quickly! Are you dressed? Look at your fascinated look,

Got it~
I'm coming
right now!

**Ta-ta! Now
I am also the
eldest
daughter of a
wealthy
family!**

It's really a good piece of material, I have a lot of potential in the future! Hum hum, it's just as I expected,

oh? What
are you
planning
again, Lao
Shao?

Doesn't Lao Zhou also want to have a good time? There is a great opportunity right in front of us! hey-hey,

ah!

push

What are you doing? Let me go quickly! Ouch...you are so good,

**She is simply a born slut.
This girl's body is several times
more sensitive than ordinary
people, so don't leave in a
hurry! You listen to me,**

Release them all now! I've been holding it in for so long,

Your clothes are in the way, take them off! Oh...oh, it feels so good!

It's reached a good place inside. Ahhhhhh! Fingers. Fingers thrust back and forth in the pussy,

Is this going to die soon? Let me tell you, the exciting things are yet to come!

Yo! See what escaped?

Slide out

The cock
went out of
my lady
pussy! Oh oh
so cool!

If you really get in,
wouldn't something
happen? It feels so comfortable
just to hang out outside, hmm...
It feels so good to me.

**Stop whining, it's
making me anxious!
If you want to do it,
do it quickly!**

**I'm ready to
be penetrated by
a cock, come on!
Look how wet
your pussy is,**

sit

As soon as it was inserted,
it felt so good that I almost peed!
What happened to this little slut's
body? She's going to die... She
shouldn't have been penetrated
so deeply all at once.

My cock is so swollen that I feel uncomfortable, it feels so comfortable! God...Miss Shen's pussy is too tight!

Stop calling me
Miss Shen! Be a little
like a mother to me
and call your daughter
to listen! You are now
my lady's mother. How
long have you been?

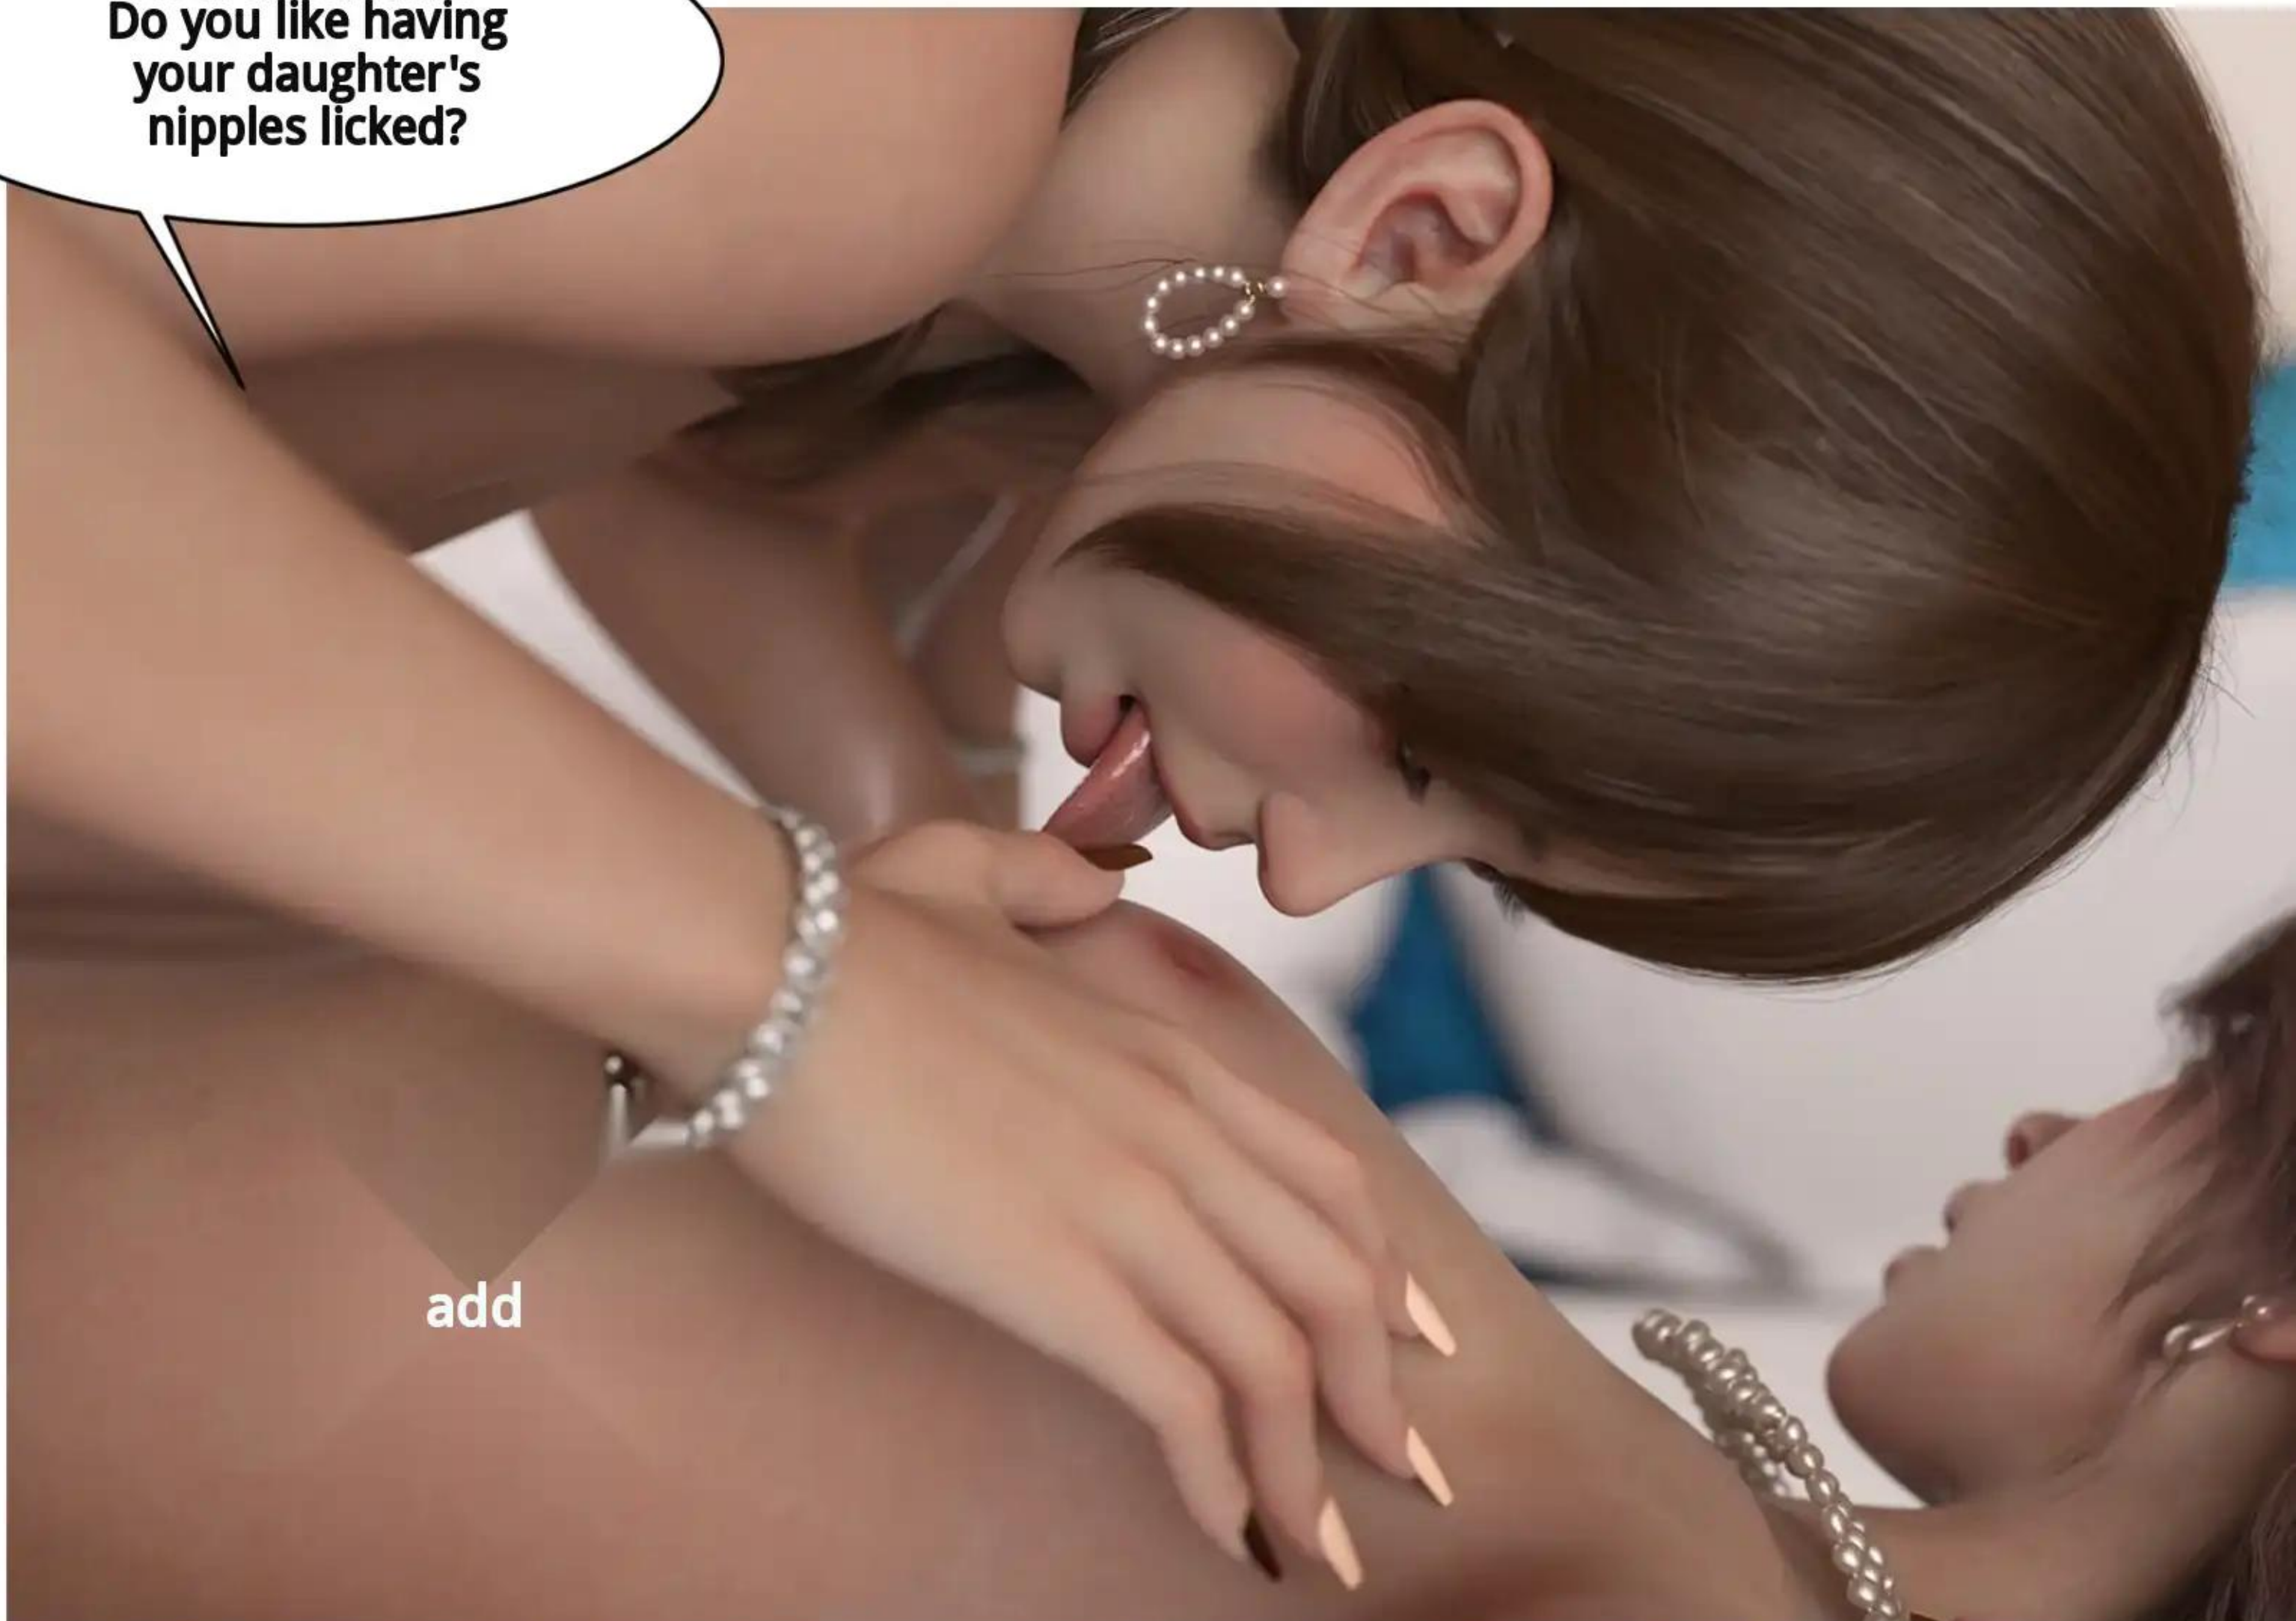

That sounds too stupid! What are you talking about again?

I know you won't be able to put down your dignity, look at me!

How about this? Do you like having your daughter's nipples licked?

add

Ah, my whole body
is getting hot! Oh oh oh!
I won't be able to bear
licking my nipples
suddenly like this.

Not bad, the reaction is quite honest! I forgot that my cock still has tasks to complete! But you patronize and enjoy,

After just a few gentle movements, the pussy starts to tremble, oh oh oh, it feels so good! Hmm...I want more!

It would be unbearable to experience the pleasure of a man and a woman at the same time! Mingming, he shook his butt so hard. His cock rubbed his pussy back and forth,

I can't let
you continue
to be so
arrogant!

top

Yeah!
Suddenly it
was
inserted so
deep!

**Fuck me harder!
Fuck your daughter
harder! My good
mother!**

How can a mother just sit idly by and do nothing! Ha... there are, there are bad daughters like you,

Why don't you let
mom check and accept
the results now? After
training for so long

Oh oh oh
oh! Your pussy
will be damaged!
You can't suddenly
slam into death,
it's going to
break.

top

**Mommy, I can't stop
fucking you until my waist...
It's so exciting for me! Ah
hiss! I said, daughter, your
pussy is too wet**

Once I get into the act, I'm quite serious about it. It's so frustrating... I won't be able to hold it in anymore! This, this old Zhou is usually reluctant

climax

Gone
ah ah
ah ah!

I can't ejaculate inside my classmate! If your pussy is clamped hard like this, you'll ejaculate! Oh oh oh,

Ahhhhhh
I can't
help it!
Got it!

You, what are you doing? You are so dirty!

ejaculation

Why did it happen
at this time... oh oh,
Shen Zhining's memory...
these damn mother and
daughter ah ah ah!

Haha,
haha...
So that's
it?

laugh

What
bullshit glory
of the Shen
family?
Bah!

That person's name is Yan Chengxun, Mr. Yan, right? We, the Shen family's mother and daughter, are here to serve you! Just wait,
