

Looking at your
expression, you wouldn't
have thought that I would
betray you, right?

A woman with long, wavy red hair is sitting on a yellow and black bench. She is wearing a brown, textured, sleeveless dress and sheer black stockings. She is holding a sword with a black hilt and a long, dark blade. The background is a blue wall with vertical lines. A speech bubble is positioned above her head, and another is at the bottom right of the image.

I didn't expect you to be so stupid. How could you not treat me as a companion? Are you loyal to me?

I turned into skin, and you were too unsuspecting. In the end, I can only blame you for being naive and good at any time even if you have the ability.

, but you still didn't let me go and didn't realize that I was dissatisfied with you. Besides, during this period, you weren't in the eyes.

There is nothing missing from these!

When did you
pretend to be my
companion? ?

When did you
plan all this? ?

A woman with long, wavy red hair is standing in a dimly lit room, possibly a bar or restaurant. She is wearing a form-fitting, brown, textured dress. She has her left hand on her hip and is holding a sword with a black hilt in her right hand. The background is blurred, showing wooden tables and chairs. There are two speech bubbles: one in the upper left and one in the lower right.

You look really noisy
and don't worry.
You yelling and
yelling are ugly.
Don't I have to
explain it to you
now?

Obediently lend me the
leather blade and you
won't get up. If you had
done these things in the
first place.

A baby wearing a white long-sleeved onesie is lying on its back on a grey and white patterned blanket. A green smartphone is lying on the blanket next to the baby's head. The background is a dark, textured surface.

For the sake of skin
blade, but you didn't
know it earlier when
I first approached
you? No intention of
lending it to me.

So I have been
looking for
opportunities.
Every time you play
until you fall
asleep, I will test it.

At that time, Xing Jing didn't know your ability to take out the knife with a knife to see if you knew it, so he could only cut the skin off first.

Will notice.

, if you found out
that it was indeed
very clear at first,
I'm afraid it would
be difficult for me
to receive the blade
again.

So I only dare to take
it out for a little while
and carefully observe
your reaction.

A woman with dark hair, wearing a black dress, is seen from behind, looking towards a baby lying on a couch. The baby is wearing a white onesie and is lying on its back. A green smartphone is lying on the couch next to the baby. The couch has a patterned cover with a floral design in shades of blue and white. The background is a dark, textured wall.

It was the same, and when you woke up later, you not only slept as if you were dead, but you didn't notice that I had touched the blade.

I changed my arms and went to do it, and then I took the leather blade and there was no reaction at all, so it was farther, you still have to try one more.

Next time I plan
to restore my
eldest sister...

The old man's schedule was also figured out. He would probably sleep for several hours.

There are many more common people. Unfortunately, he is in a baby's skin and wakes up more easily than usual.

The old man can't die, but he still needs to be more careful. I'm a skin-wearer.

, I didn't expect that I was doing all these little things behind his back while watching him sleep peacefully.

call...! Wearing
rainwear is really
tricky! I don't know
how long it will take
to take off this
pieces of
leather.

After knowing that
many people had the
ability to eat the old
man to death in the
ability user before,
he could not let go.

I still don't want to see it at all. I have seen many leather clothes, but the eldest sister's... ah.....

It's almost successful. My eldest sister...my plan...will definitely protect you.

Let's go see the second sister together. You know we have to go home together. The second sister cried for a long time before.

Comfort him, and then... we have to go on a trip together safely, okay?

A woman with long dark hair is lying on her back on a white tiled floor. She is looking towards the camera with a slight smile. Her arms are raised and bent at the elbows, with her hands near her head. A large, dark shadow is cast over her from the left side of the frame. In the background, there is a blue and white patterned rug. The scene is lit with soft, natural light.

When everything is over, my son, we will continue to live together as before.

Damn it, I won't ruin our family reunion with these seventy-eight people with skins and blades.

A woman with long black hair is lying on a white table, her eyes closed. A medical professional's hands are visible, one holding a dark, cylindrical instrument against her back. The scene is dimly lit, with a focus on the woman's face and the instrument. A purple speech bubble is in the upper left, and a dark blue thought bubble is in the lower left. The word 'prick' is written in white text near the instrument.

Just be patient a little longer and I will restore you right away.

prick

I don't know how to describe my current mood at all. I've been waiting for this moment for a long time,

, guilt and uneasiness,
and even the expectation
that a long-held wish is
about to come true, and
I also have experience in
facing my eldest sister.

Sister, wake up
quickly, please
wake up soon...

The human skin has dried up, become hollow, and has returned to a body with blood... and is slowly becoming fleshy.

Damn it, my heart is so crazy... my hands are shaking so much that they are beating, sister... you have to wake up safely...

A woman with long, straight black hair is lying down, her head tilted back and eyes looking upwards. She has a surprised or questioning expression on her face. The background is a bright, slightly blurred outdoor setting with a white ledge and a blue sky. Two speech bubbles are overlaid on the image, one in the upper left and one in the lower right.

Where is it?
How can I...
ah... my head...
feel so...
suitable for this
amount...

This is...is...what?
You...you are?
What's going on?

A photograph of two nude women in a room. One woman is sitting on the floor, looking towards the camera with her hand near her face. The other woman is kneeling behind her, looking at her. The room has a blue patterned rug, a grey bench, and a window with blue curtains.

sister! Sister!
You finally woke
up! I...I miss you
so much!

Wrong person? I
don't know you,
wait...you...are you,
and...why are we
not wearing any
clothes?

A woman with blonde hair styled in a high bun is embracing a woman with black hair. The blonde woman is leaning over the black-haired woman, who is looking away. The blonde woman's hands are on the black-haired woman's head and neck. The background is a blurred indoor setting with blue tones.

It took me so long to say I'm sorry...I'm sorry...I and you are recovering, it's all my fault... ·It's all my fault!

Miss...you...calm down, I don't understand what you are doing, can you let me go first?

Sorry, I'll explain
it to you slowly.

A woman with long dark hair, wearing a dark swimsuit, is seen from the back, talking to a nude woman with long dark hair who is sitting on the floor. The scene is set in a bathroom with white tiled walls and a blue patterned rug. The woman in the swimsuit is gesturing with her hand towards the nude woman.

Then little by little I
and my eldest sister
discovered that he was
replaced by skin and
told what happened,
me, to the baby.

I can't take off this
piece of skin, so I can't
prove my identity.

But my sister is
still busy with
the future plans,
so he has to
trust me no
matter what.

The eldest sister's expression was so shocking that only us siblings remained silent, but I knew something happened again.

, if it were me, I would definitely feel that he was confused, and things were too bizarre to accept.

But maybe it's
because we are a
family where my
sister seems to feel
that my true blood is
thicker than water,
and it's Aha.

I look like my sister
who has watched me
grow up since I was a
child. If not, what
would I become?
of.

In the end, he chose to trust his own instincts, or maybe he should trust me.

He hugged me distressedly, and I finally had the real feeling that I was reunited with my eldest sister. My eldest sister... was really back.

**But our crisis
is not over
yet.**

A 3D-rendered scene showing two women in a room. The woman on the left has long black hair and is wearing a black sleeveless dress. The woman on the right has blonde hair in a bun, is wearing a white short-sleeved top and a black patterned skirt, and is holding a large black knife. They are standing on a patterned rug in a room with wooden walls and a white wall. A blue oval text box is in the top left, and another blue oval text box is in the bottom right.

I continued to observe the old man's reaction for the next day, fearing that he would notice something was wrong. After I was sure that he was not suspected...

When the old man played until he fell asleep again, I immediately ran away with my sister.

**Came to the hiding
place I had prepared
in advance.**

Far away, but I otherwise had chosen to compare as we were able to take off the baby smoothly.

o The baby can survive until now. There must be other means that I don't know about. I must be fully prepared.

, I also told him more, so my sister and I discussed in detail what we knew about the next actions.

Sister, you can pretend to be me and you won't be able to tell the truth when you come to me.

Next...in order to
better understand
the baby's
movements

and my sister and I
found you lying on
the baby.

A man with short blonde hair is lying on a grey tufted chair, wearing white briefs. He has his eyes closed and a pained expression, with his hands resting on his chest. A woman in a white top and a black pleated skirt stands to the left, holding a black strap that is attached to the man's chest. The scene is set in a room with a light-colored carpet and a potted plant in the background.

Next, after a period of unpreparedness, he finally took off the baby's skin and fell asleep.

I approached quietly, but he didn't notice the danger at all and even slept until he snored.

He didn't wake up until he turned into skin, and then he put on that guy and returned to the Baby Helper to watch you.

Hide back to the stronghold and wait for you. The eldest sister is carrying a leather blade.
Come to your door.

A woman in a brown, textured, form-fitting dress is shown from the back, holding a large, curved knife. She is standing in a social setting with other people in the background, including a woman in a gold dress. The scene is brightly lit, possibly at a party or event.

, and kept telling
the news to my
eldest sister that
this was the case
while I was
pretending to be
your companion.

He has known for a
long time that the
reason why you are
here is to invest in the
network yourself.

Okay, are all your questions solved? I should be clear.

Which one do you want to continue to resist? It's better to be diligent and don't waste your efforts.

A man and a woman are lying on a light-colored wooden floor. The woman is on the left, wearing a black dress, and the man is on the right, wearing a black suit. They are both looking towards the camera with neutral expressions. The background shows a dark blue wall and a wooden floor. A grey rug is visible in the bottom right corner.

Your only
companion has
been changed,
and you are
here without
any victory.

Old man, even if you
want to escape, you
are the only one
here who can't
escape, right?

There is no way to deal with me, that's right, you, an old man, belong to us, so surrender obediently.

You...you...how dare...

A woman with dark, wavy hair, wearing a white, form-fitting, sleeveless dress, stands in a modern living room. She is looking slightly to her right with a serious expression. The room features a large window with a view of a city, a brown leather armchair, and a glowing lamp. A starburst-shaped speech bubble is positioned above her head.

Otherwise,
what do you
think?

The room features a large window with a view of a city, a brown leather armchair, and a glowing lamp. An oval-shaped speech bubble is positioned below her.

Life! At worst, you
and I can't even
imagine how
desperate I am now,
I will drag you to the
ground even if I die!

I have forced you into a corner, as long as you are willing to be my subordinate, no need to worry about it, I don't think about it, just use it for me,

I can wear the baby's skin with you, but the skin blade belongs to me, how about it?

he? The old Ah Hao... How could Ah Hao want to let things go when he clearly disliked this kind of thing the most?

Ah Hao...isn't this bad?

What if we let this guy go? His mother will be deceived. What will happen to the baby's life?

In the drum.

It's so unbearable to give all your maternal love to someone who takes away your child's identity!

A baby's life has just begun, and he hasn't even had time to know the world.

Under such circumstances, everything will be taken away from someone who doesn't even know where he is, and he will be toyed with...

It shouldn't be done, but there is nothing more important than the safety of my family, which I also know is ridiculous.

To make good use of this old man's many dangers, we need the ability that we will definitely return to in the future.

! How could it
become like this...
Damn... Damn it!
Damn it, my son...

That's all I promise!
You'd better keep
your word!

, as for the baby's
it's good to
restore the
mother's door to
its original state,
next I want his
member...

, this guy's ability
is quite useful,
just put it away
and you can take
off the skin.

I don't have a blade
or a companion now,
so what else can I
do?

Don't think about it
after you are babies,
otherwise I will do
something wrong even
if you think about it.
You'd better not have
other thoughts and
turn into skin.

You win, okay? I agreed to be your subordinate, so what should I do now?

Anyway, I just let you and I put on baby skins and cloth, as long as we can, that's fine.

I won't do anything to you. I just need you and me to find some clothes and put them on. It's time for us to go back.

, you just stay like a baby until I need your abilities, don't you want to turn back into a baby?
Don't come.

Then we put away
the skin of the
baby gang.

Then the mothers
were restored one by
one, and everything
was restored to its
original state.

Uh-huh...:Strange...□
I...why has my
video been
disconnected
recently? Did I
fall asleep just
now? ah...?

A photograph of a baby lying in a white crib. The baby is wearing a white long-sleeved onesie and is lying on a white blanket with a small grey star pattern. The crib has white vertical slats. In the background, a grey pillow is visible. The overall scene is brightly lit.

As for the dead old man, he put it back on his original baby skin and continued his disguise.

Eating, drinking, sleeping, everything is so boring... Now I can only be a real baby, and can do nothing else.

She lost her job as a nanny and the guy hired his sister as a nanny. Although my mother tried to retain her and promised a salary increase, it was of no use.

Counterattack, give that bastard a hard look, and you'll find an opportunity. I'm actually glad no one fixes him!

But before leaving her job, his sister also made sure that I, the mother in baby clothes, had a monitor installed for my safety.

They will definitely use this. I am so angry that they are watching every move I make. There is nothing I can do!

A photograph of a man and a baby lying in a white crib. The man, on the left, is balding with some grey hair, looking upwards with a thoughtful expression. The baby, on the right, is also balding and looking towards the camera. They are both wearing white long-sleeved shirts. The crib has white vertical bars and a white sheet with a small grey star pattern. Two thought bubbles are overlaid on the image: one above the man and one below the baby.

In the past, I could play mobile games, but now, apart from drinking milk, I am just a bit of a hypodermic mother, and the fun is gone!

How did I end up here? It's better than being an old man who can't live for many years...but there's nothing I can do about it.

From then on, I really had no chance to turn over, and the whole baby was included in it.
power.

, and I will not be able to enjoy the status of a woman who can live my life again in the future.
Too much.

Ah Hao, what
are your plans
next?

Things need to be dealt with, right? Although you have come to an end now, there are still many things from before...

People, how do you plan to solve those problems that prevent you from taking off your skin? Tell me your plan and I will come to you too.

They are all a bunch of bad guys, you can't have anything to do with their sister, please don't worry about those things!

, just leave it to me. I can rest assured only if you are safe and it is too dangerous for me to contact them.

The person I will save next is the top news girlfriend in the country, Bai Wei, she is a student.

I will introduce you to her later. She is in danger because of me, and I must rescue her.

A big brother left, he also helped me a lot, he was a person who was taken along with Wei and had a great sense of justice.

, if I had the chance, I would also think that all the children fell into the hands of evil people, but... he and his wife rescued them.

A woman with blonde hair styled in a bun, wearing a grey spaghetti-strap dress with a high slit, is talking to a man whose back is to the camera. The man is wearing a dark shirt. They are in a modern interior with a blue wall and a white circular light fixture. A purple speech bubble is positioned above the woman, and a pink speech bubble is positioned below her.

After taking care
of them, you can
stay here with
peace of mind. I
will bring them
back soon!

, How can I rest
assured that you
are in danger?
How about you
and me, who are
your sisters?

I'm sure I can
help too.

See what I am capable of? Now that the leather blades are all in our hands, maybe we can take a look first but the chance is not high.

Who? If this is the case, there will be many places where I can be sent but I may not have the ability to play, right?

This guy's ability is to control the time when others change skin, right? Quite useful.

And the leader of the Baby Gang, maybe I can also have the ability to sense the position of the blade without thinking?

, I want to know,
Sister Skin Piercer,
what will happen if
you stab me with the
skin blade first?
Well...it's indeed
possible,

If it turns into skin
too, I can take off this
piece and return to
my original
appearance!

Okay, if you feel uncomfortable in any way, tell me immediately. Don't force me to know?

prick

I know...hehe!
So icy!

Ah Hao? ! Are you okay?

It seems that the skin blade did not turn into skin on the person who penetrated the skin, so...it's okay...throat! Doesn't work....

A woman with dark hair in a ponytail is kneeling on a grey rug, looking down at a man lying on his back on the floor. The man is shirtless and appears to be in a state of distress or unconsciousness. The scene is set in a living room with a blue sofa and brown ottomans in the background.

Let's test the next one.
If you don't know how
to put on a person with
special abilities, forget
about it for now.
After the
skin,

Can this family
use his ability
without risking
it? If we could,
we would be
restored.

, but when I wear someone else's skin, my abilities can still be used. I don't know what he would do if he puts on someone who has never worn my abilities..."

? Should I be able to use all of them, or can I only use my ability? Or can I only use his ability?

Use it?

A shirtless man with a goatee is shown from the chest up. He has a pained or frustrated expression, with his hands pressed against his temples. The background is a blurred indoor setting with blue and yellow tones.

The more abilities
you can use? It's
not a time traveler
with multiple
abilities. If that's
the case... that's too
scary...

Okay, I really want to
ask, sister, what do
you think? sister? Are
you moaning... finally
done

?

I just came into contact with these not long ago, no, I'm just still thinking... me? Oh...I know it very well..."

Pi, how come... I feel like... it's a bit strange for no reason, the feeling of looking at Hao who can't put it on, is it familiar?

Especially when I saw this man, my feelings became stronger and stronger, and my genitals... felt strangely dark. What was going on?

I felt that it was definitely not the first time I had seen that thing, but why did it grow on my body?

A woman with long dark hair, wearing a black blazer, is shown from the waist up. She has her eyes closed and her right hand is resting on her forehead, suggesting a state of stress or confusion. The background is a blurred outdoor setting with a blue sky and a grey structure.

I'm obviously a woman, so why do I feel like I should be yin? How abnormal!

Is Tao sick? It's so hard to hiss...ha! My head... suddenly felt dizzy! I... feel uncomfortable...

A woman with dark hair, wearing a black dress, is lying on her back on a wooden floor. She is looking towards the camera with a slight smile. In the background, there is a dark-colored sofa with cushions. The scene is lit with soft, natural light.

Strange...what painting comes to mind? Then...noodles? Why is it suddenly there?

Is it me? Have I turned into skin? Didn't I...have been restored by Hao?

My skin is
there...and my
thick body...is it
still there? ...?
Is there yin? !

Is it a man's body?
Have I become a
man? In the
end...what
happened!

A photograph of a woman with dark hair, wearing black shorts, being embraced from behind by a man. The woman is looking down and to the side, and the man's hands are visible on her shoulders and arms. The background is a blurred indoor setting with a white surface and wooden flooring.

I, I can't control
his actions at all,
so why did I see
this writing?
No...this man is
not

People put it on! Is
Ah Hao better?
don't want! Stop it,
you're trying to
wear me... I don't
want to be easily
manned...

A woman with long dark hair is sitting on a bed, wearing a black lace-trimmed bra and matching high-cut underwear. She is looking directly at the camera with a thoughtful expression. Her right hand is resting on her chest, and her left hand is resting on her lap. The background is a plain, light-colored wall.

? Who am I now? I really want to touch and squirt? I. What am I doing with my body..."

No! How could I have such a thought? You actually have desire for yourself, are you crazy?

A woman is lying on her back on a bed with white sheets and a dark grey blanket. She is wearing black lace-trimmed underwear and black stockings. Her hands are resting on her hips and thighs, and she appears to be touching her body. The background is a dark, textured wall.

I want to touch my
body, but... it's
normal to feel sexy
like this, right?

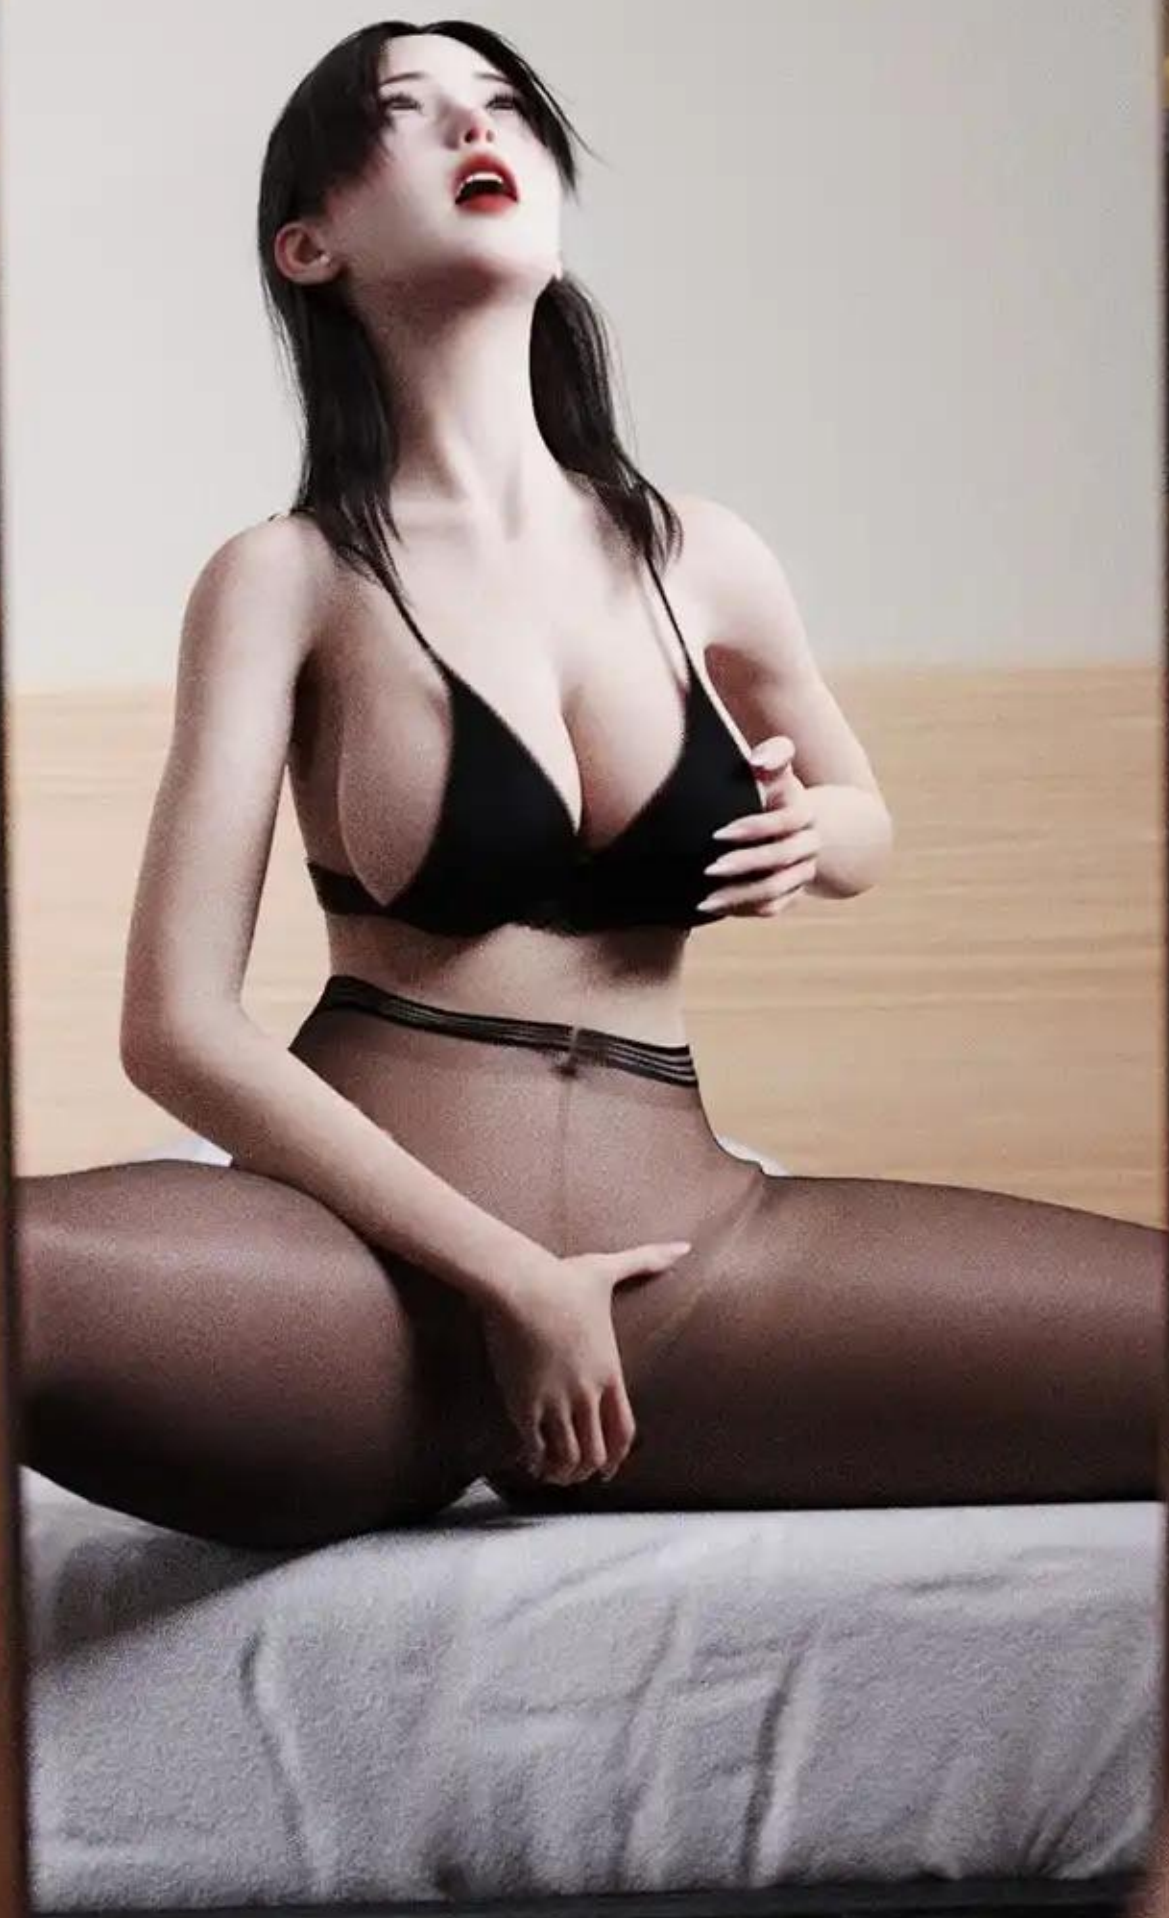

My breasts turned
out to be plump,
and my legs in
black stockings
were so charming!
So beautiful!

I... I really want
to touch it... I
just... have
normal desires
and my pussy is
so excited...

Body...masturbation
is not a big
deal, it's not
like I have
never done it
on my own
body.

How exciting! So comfortable! So comfortable! It's obviously a familiar pleasure...how could it be too much!

? Or maybe it's not because I haven't masturbated for a long time... It's so comfortable!

My smile...is so
sweet! How
could I reveal
that it was...
mine? Out of
this...:

...It shouldn't be
like
this...but...it's so
comfortable
that I can't resist
it! I can't do this!

strangeness?
Where is
this place?

Where to go?
Wasn't it me...
walking just now?
Want a room?

I don't
understand... I
really don't
understand at all!
Wake up! Give me
your body back!

Is this? What
are you doing
to me? Let go!
Don't touch me!

I don't want this!
Why are you so
kind... kind! Can't
move! Run!

The feeling of touching
that thing became more
and more obvious, and
the goosebumps were
so... so... that they
almost came out when I
stepped on them!

...There's no way I
would worship like
this...You don't
want me to do
such a thing...I
don't want to do it
at all!

enjoy? The man
was panting so
hard... that he felt...
so comfortable?

Not now, my mood
becomes...a pleasure I
have never
experienced before,
an inexplicable sense
of conquest, so
comfortable...

As the other person
begged me, it turns out
that trampling people
under my feet is such a
happy thing?

It's incredible. It
feels so good to
control others. I'm
such a terrible
woman.
people?

We should get back to normal soon, we should wait for a waiter...but...so happy and enjoyable!

, the sense of superiority keeps increasing. Watching this man become my dog and serve me like a queen, am I lost?

Okay... I became
curious. My body is
so hot... Is it weird
to bear it?
This...really
I?

Something... this
feeling... is so
hot... it feels like
my body is really
touching that...

Don't... As expected,
no one does this
kind of thing! Not
feasible! I don't want
to be with strangers
by!

I feel it.. Come
in! So
comfortable...
No! No! This is
not my idea!

Don't... don't
make that sound!
Those lewd
screams are not
mine! Open your
mouth!

Don't want to
stop...quickly
release Why is the
pleasure so intense?
If you can't stop,
pass me by!

A woman with long black hair, wearing a black blazer and black stockings, is riding a man on the floor. The man is shirtless and lying on his back, looking up at the woman. The woman is looking up and to the right. The background is a modern interior with a grey wall, a window, and a dining table with chairs.

Being penetrated hard
by cock! My mind is
going weird! So
comfortable, I want
more... I want it so much
Accepted!

! I want to be
fucked harder, I
want more, and
I can't control
my pleasure at
all!

That girl is? Why...
Looking at her
naked body, I...
Where is this?
There is movement
in the street.

She is obviously a
woman like me, but I
really want to touch
her! So beautiful...so
cute...I really want to
kiss her!

Ah! My lower
body... what is
this!

How could such a
well-intentioned
person grow a
man's genitals!

A woman with long, straight black hair is leaning over a woman with short, vibrant red hair who is lying on a bed. The woman with red hair is looking up at the other woman. The scene is dimly lit, with a focus on the two women. The woman with red hair is wearing a gold bracelet and a ring. The woman with black hair is wearing a dark, form-fitting top. The background shows a bed with pillows and a blanket.

**Come down!
Can't pass! I stop!
Please stop... I
am a woman...
How can I...**

**Give it back to
me.. Please, how
can you have sex
with that thing!
stop! Do it again!**

Heart! My
expression
doesn't look like
me at all... Okay!
But...it's so
comfortable!

I can't stand it
anymore! It feels so
good to fuck a
woman's pussy!
Already...no more! Shu

A woman with long dark hair, wearing a black long-sleeved blazer and a black mini skirt, stands in a room with light-colored curtains. She has a somber expression. A green starburst speech bubble is in the upper left, and a pink oval thought bubble is in the lower left.

Already? What
a shame!
Sister, why are
you ugly?

The thing under the
man's penis has
been restless... It
feels so
uncomfortable...
It's like it's about
to...:

, I just nodded suddenly...? I...I'm fine, just take a rest.

Is...really okay?

Those faces just now... how come you seem to feel that reality? I feel...

I...should
be fine...:
