

I'm
back~

Now that the college entrance examination is around the corner, there's no point in not being diligent and cautious! Hey, I'm so tired after writing papers in the library all day long. But a while ago, I was too behind on my study progress because I was fooling around with Lao Shao.

Son, are you back?
Go wash your hands
and come and eat!
Dinner is ready.

Is she really my mother? Mom... what's in front of me now

What nonsense are you talking about? Put your things down first! Silly boy,

Mom ~ I miss you so much!

Hey, don't make trouble! The food will be spilled! careful!

Let's get started!

Mom, let me pick up the vegetables for you. Come on! It's so rich!

Thank you!
When did my son
become so filial?
Hahaha,

I almost forgot what
my mother tasted like... so
delicious! Mingmingwu..My
mother is finally back! That guy
Lao Shaoyin occupied the
magpie's nest for so long

Lao Shao finally agreed to let my mother return to her original state. After returning from the resort, our family also ushered in a long-lost stable life. I finally no longer have to endure my mother being abused!

Most probably
I'd better go around
with a leather gun for
fun! I wonder where
Lao Shao is enjoying
himself now... Hum,

Um? I said, what are you doing there with your certificate? Could it be that your mother was stunned?

Dear, do you think so? Of course everyone would want to take a look at it more, hahaha, your mother is so beautiful

What to say in front of children! I don't even know how to be ashamed!

-What a beautiful scene when the family comes together safely! Mom's life is back on track, and Dad's business trip is over

A lot of things really happened... and then I put on her skin... I, I had sex with my beautiful mother. Ever since Lao Shao got that magical "leather gun", it would be no exaggeration to say that my supposedly ordinary high school life has been turned upside down, because of the leather gun.

There are so many tricks
I have played with her, hehe!
Because Lao Shao was obstructing
me, I even got involved with the
witch Jiang who frightened the
students in school. Now that I
think about it, not only my
mother,

The scene of playing with his family, and that bastard Brother Yong! Even my sister was not spared! It still makes people's hair stand on end. It's enough to bully my mother and me.

Let's thank him for his help! We were able to join forces to subdue Brother Yong, but it was also because of our full cooperation with him. Although I once blamed Lao Shao for all this.

I also have to pack my mind and prepare for the college entrance examination. Now those frightening days are behind me.

Ouch!

What does this mean? Just be respectful, okay? I said to you, forget it if you don't eat well, your hands are restless under the table

I just touched it
as usual...the children
were watching...wife,
don't you like it too?
Hehe, wife, don't, don't
be angry,

stand up

Who likes to be manipulated like this! Don't be playful again! I'm full. You can continue eating first. Zhou Ming, after you're done eating, hurry up and do the questions. I'll clean up the kitchen.

how so?
Weren't they doing
well just now?

I wonder if you are
too tired from work? My
parents are always quarreling
these days, and my mom's
personality has been a bit weird
lately. It seems like dad is always
hot-faced and cold-butt-butt.
Alas, you were studying in
the library and didn't
see it.

-This will cause chaos. I feel sorry for my dad. He must be confused, right? Let her be played with like a doll, no, it's all my fault! I didn't protect my mother well-

Let me bring order to
the chaos this time! You
have to plan carefully what to
do first. It gives me a headache.
I don't want to think about it!
It's useless to blame
yourself blindly

Although I was a bit reluctant to ask his opinion on such a matter, I didn't know who to discuss it with. After thinking about it for a long time, I finally sent a distress message to Lao Shao. The person who tied the bell had to be untied.

Hey, what are you standing in the room muttering about? It looks terrible!

SELOVE

Haven't you
already gone out for
an appointment? It
turned out to be my
sister. I was
shocked.

ELFIOVESELOMSELOVI

Are you thinking about your parents? I just want to care about my younger brother! You are about to take the college entrance examination, so you should concentrate on your studies! Look at your sad face

I felt so uncomfortable... But seeing them make such a fuss when they rarely get together, I knew I had to concentrate on preparing for the exam;

touch

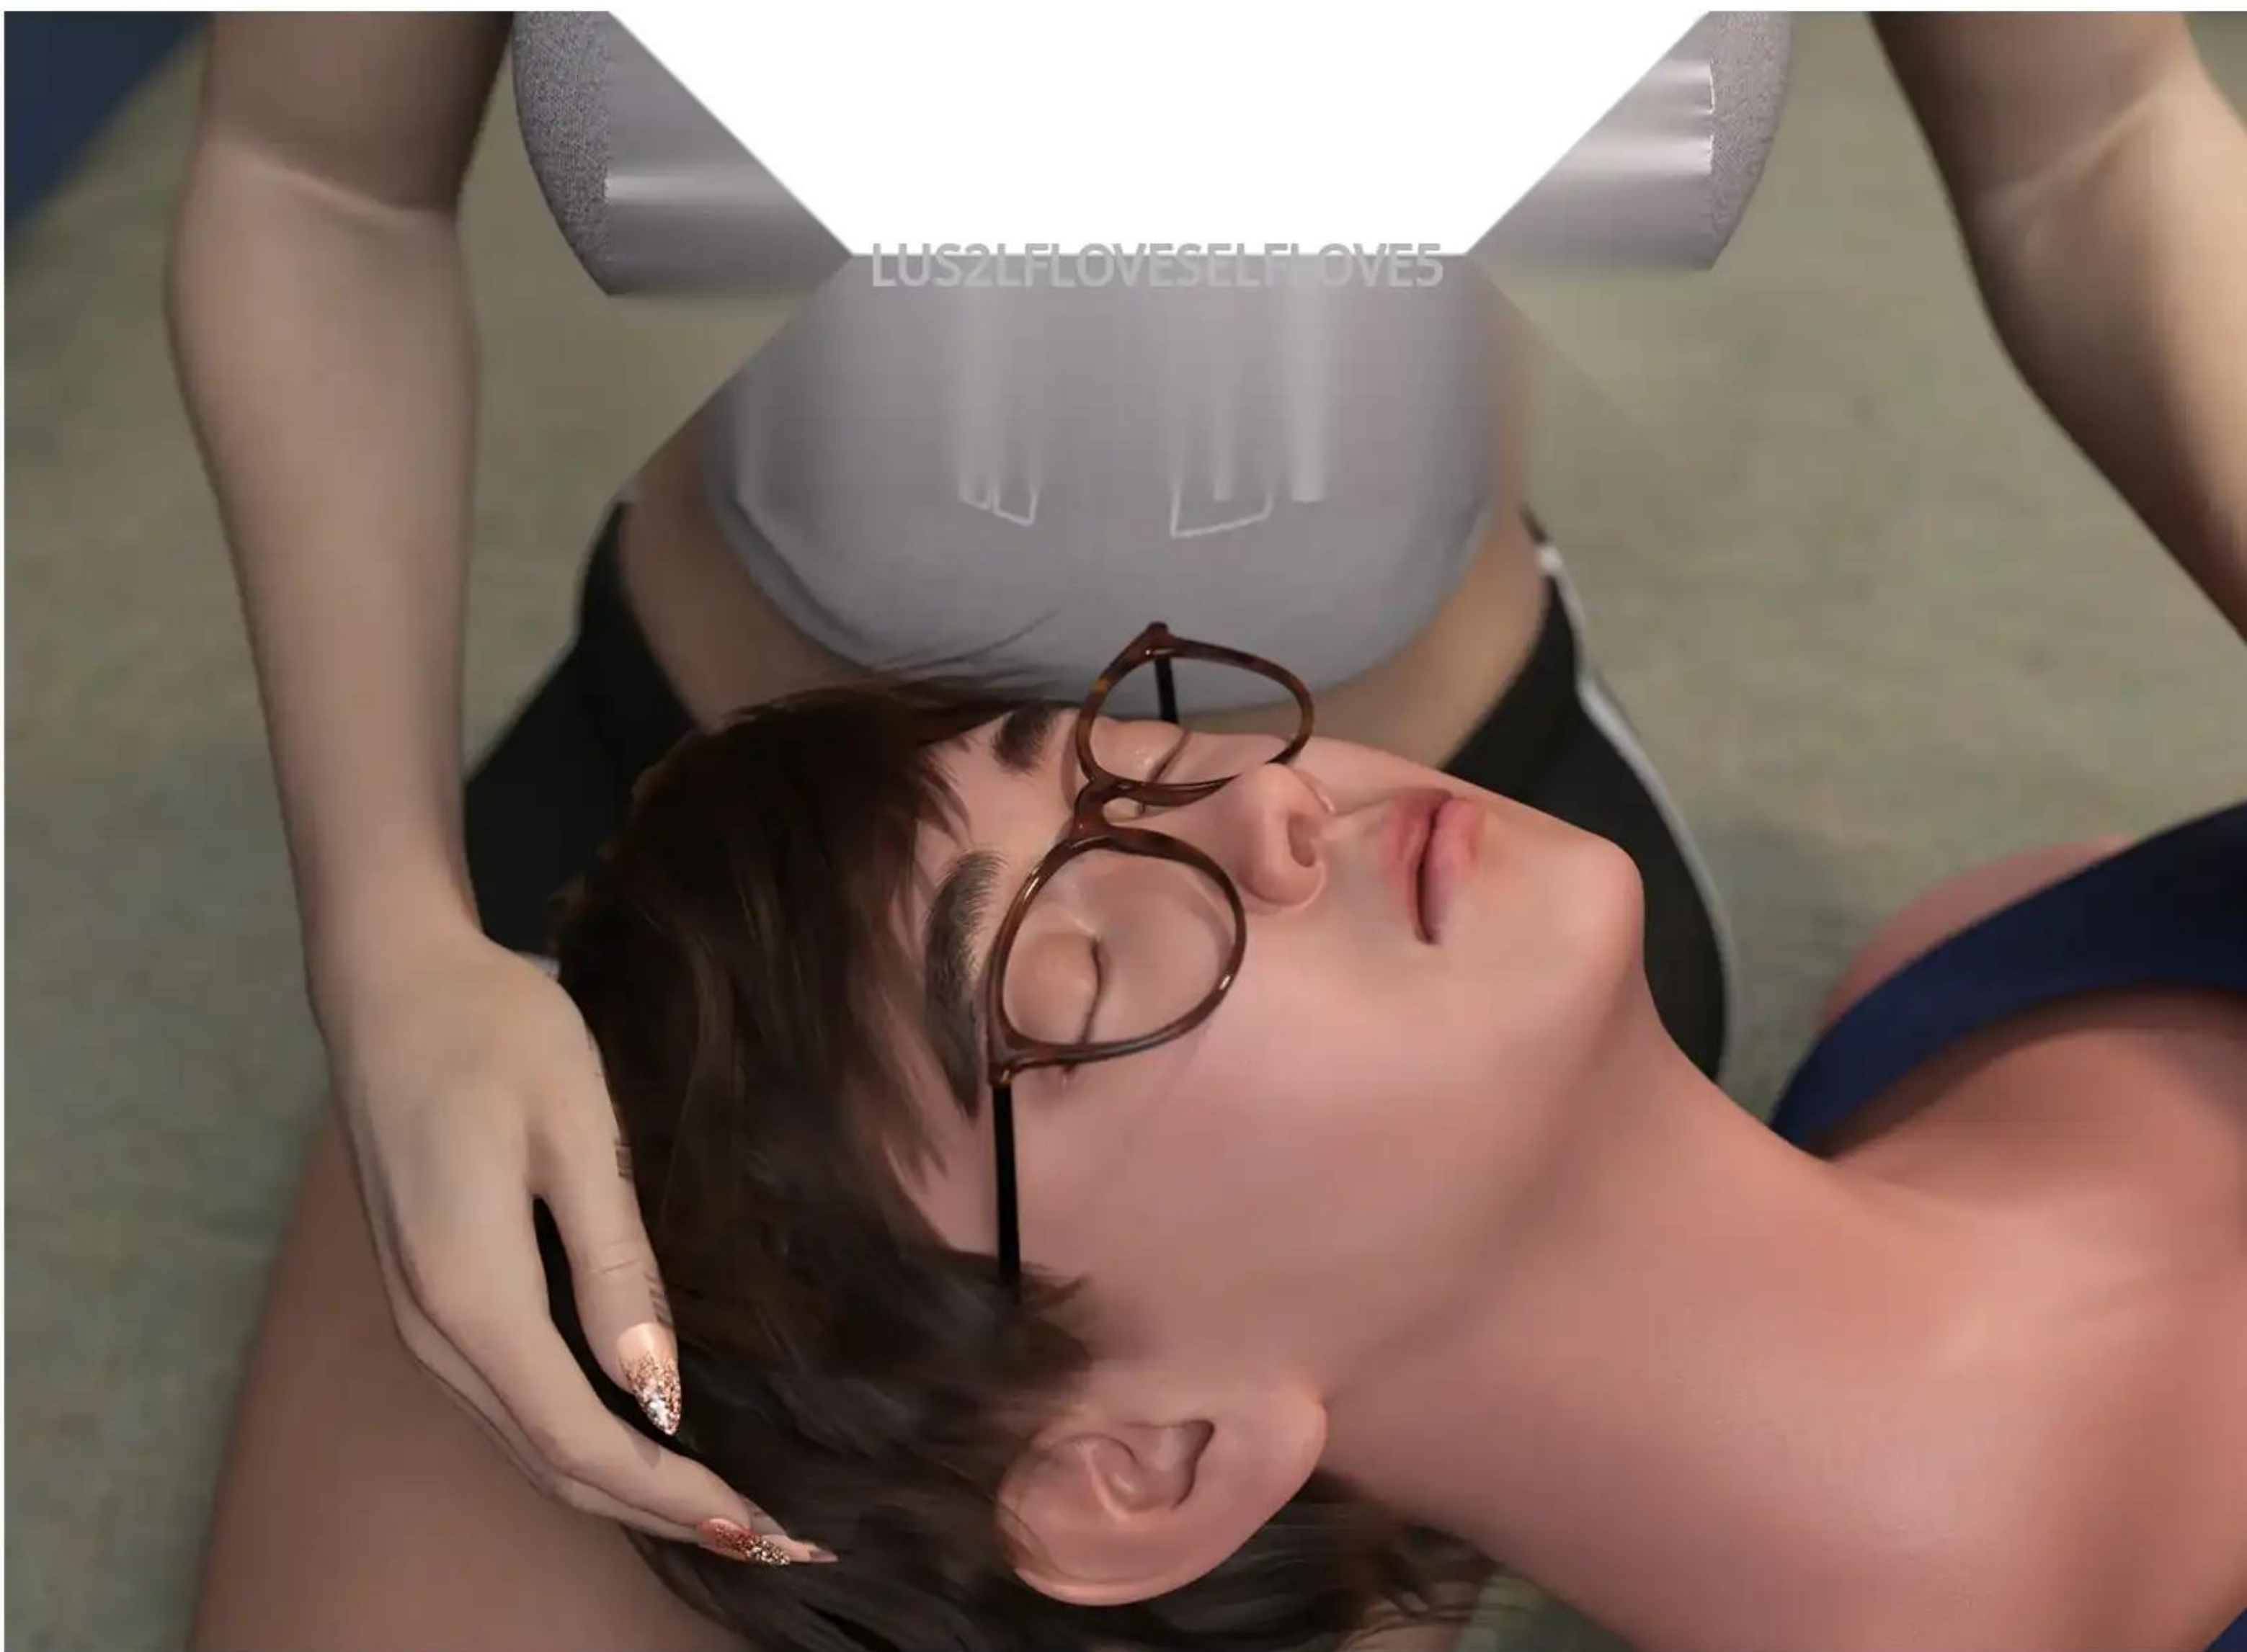

Don't feel bad, okay? It's my sister's fault. Thank you for your hard work. You shouldn't have to worry about this.

Do you feel more relaxed? Is it comfortable to lie down like this? Yes~ So good, come on, lie down here.

ILONSELF
LOVESELFTOVESELFLOVE5

Yes, my family loves me no matter what! My mood has really calmed down! Hmm~ So comfortable,

LUS2LFLOVESELFLOVE5

My sister is as gentle as ever to me...I will protect this smile!

Why does my neck feel weird...huh? Did your sister put something in her pocket?

扭

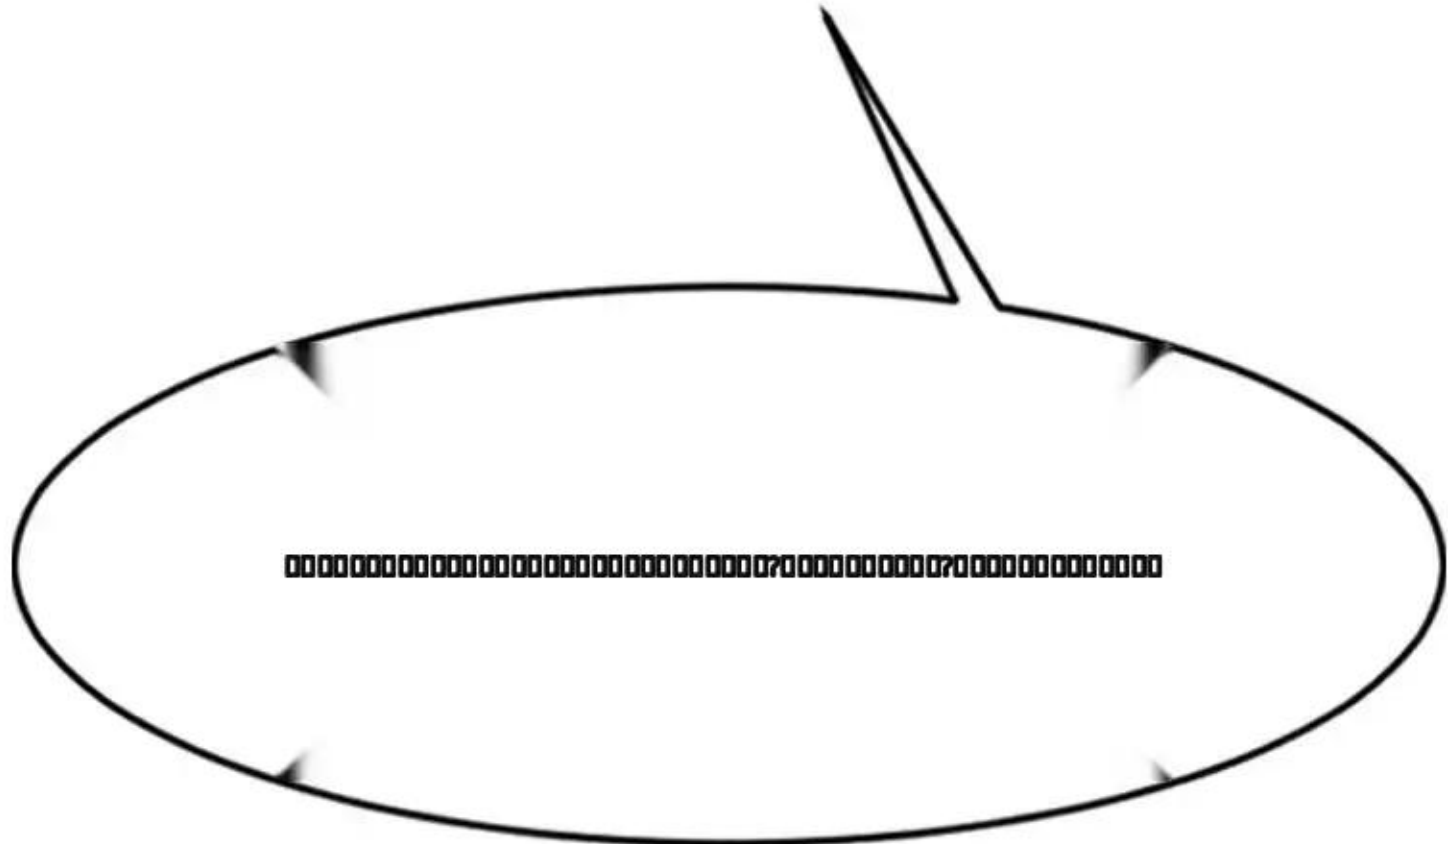

Sister,
you...Lao
Shao? Is it you?
This feeling...
wow!

**The condition
for releasing the
transformation is to
have sex and have an
orgasm? Hehe, what
if I tell you**

Ha? You want to
blackmail me again,
right? I won't be
fooled by you!

Believe it or not, you just need to try it once and you will know! I only know this one way to return to the original state.

My cock can't hold it anymore! Seeing your mother's sexy figure right in front of you, you're babbling.

insert

Yeahhhhhh!

Oh no!
Slow down,
slow
down!

It felt like my pussy
was stretched open all of a
sudden.. Why is my cock so
thick? It's so painful.

Is it because
it's been too
long since I've
tasted the pleasure
of a woman's body?
My body started to
move on its own,
so comfortable.

Ahhh, it's so wet...
Auntie's mature pussy is
indeed one of the best in a
million! I feel so happy!

Take the move,
Ola Ola Ola! I want
to speed up.

啊啊啊啊啊啊!

Ah...ah...

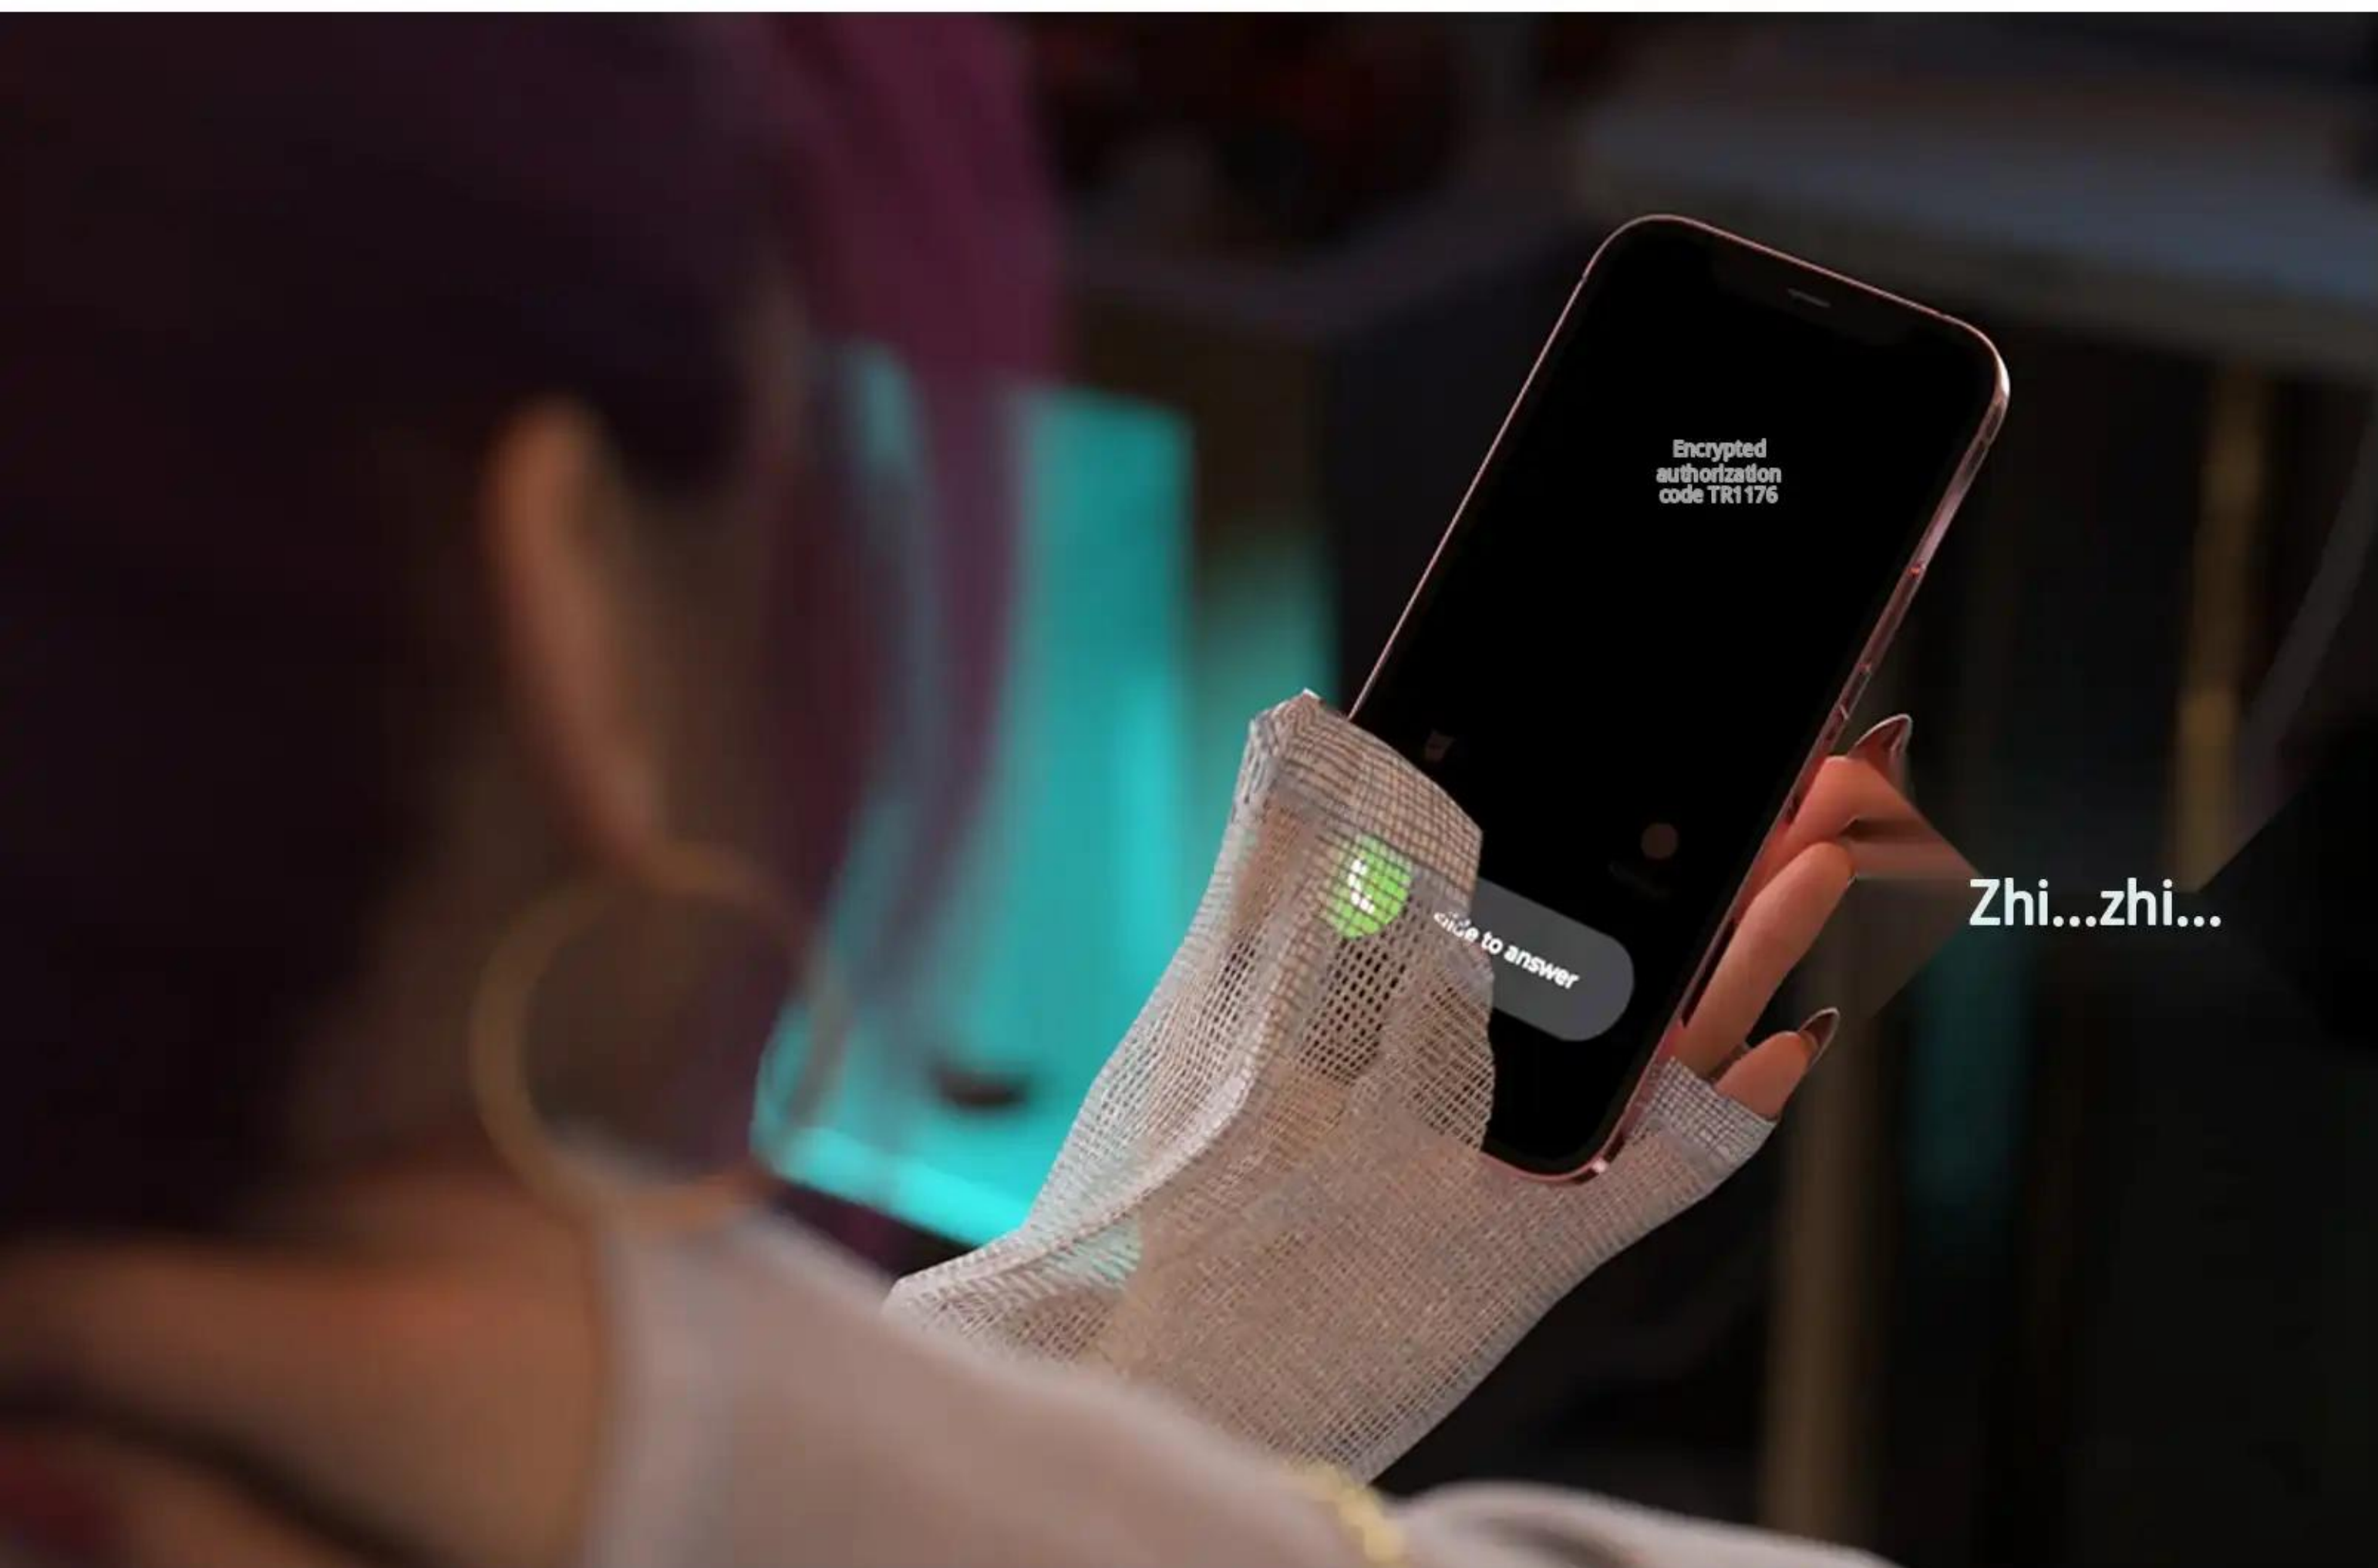

Ahhhh...that's too strong.

Spray!

Things are getting more and more interesting! He actually broke through the usage restrictions on his own. Hehehe, these idiot high school students who are in heat all day long seem to be right.

Zhi...zhi...

This number is...Risk Management Department? Why are they calling at this time? I'm still on a surveillance mission!

I am constantly monitoring the movements of experimental type 004...what! Want to send someone over to supervise? Who gave this order? This is KR979. Excuse me...isn't it experimental type 004 and has been given full responsibility to me?

Don't let those idiots cause trouble again! Just do your job. This is the decision of the top management of the organization. You must not disobey it.

rattling

! What? What a rude guy! You still hung up on me,

A woman with vibrant purple hair styled in a high ponytail is looking down at a rose gold smartphone. She is wearing a white, off-the-shoulder, long-sleeved top with a ruffled cuff. The background is a blurred office setting with a bulletin board on the left.

Ahhh, I have to go, I have to go...ahhh!

However, the risk management department has been dispatched. How many people have these idiots alarmed? Hehe, I can't wait to see how it will develop in the future!

Zhou
Ming's
room

Ahhhh, it
feels so good!
I'm going, I'm
going, ah!

squirt

**It feels like
something is
leaking...Ming...Strange,
something is about to rush
out of the body?**

How amazing,
Lao Shao...? Have I
really changed back?
By the way, where
did my clothes go?

Have you seen my pajamas..Wow! You put on your clothes pretty quickly! When did you get this outfit?

Oh, didn't I tell you? Awesome, hahaha! These are my practical experience. If you don't want to be naked, you have to prepare in advance. The replica skin will dissolve the clothes.

Damn it, couldn't you have said this earlier? How do you want to compensate me? My favorite pajamas! That's what I wore since I was little

Can I buy you a new one later? Okay, okay! But it's just clothes. Rather than that, let's go find your mother!

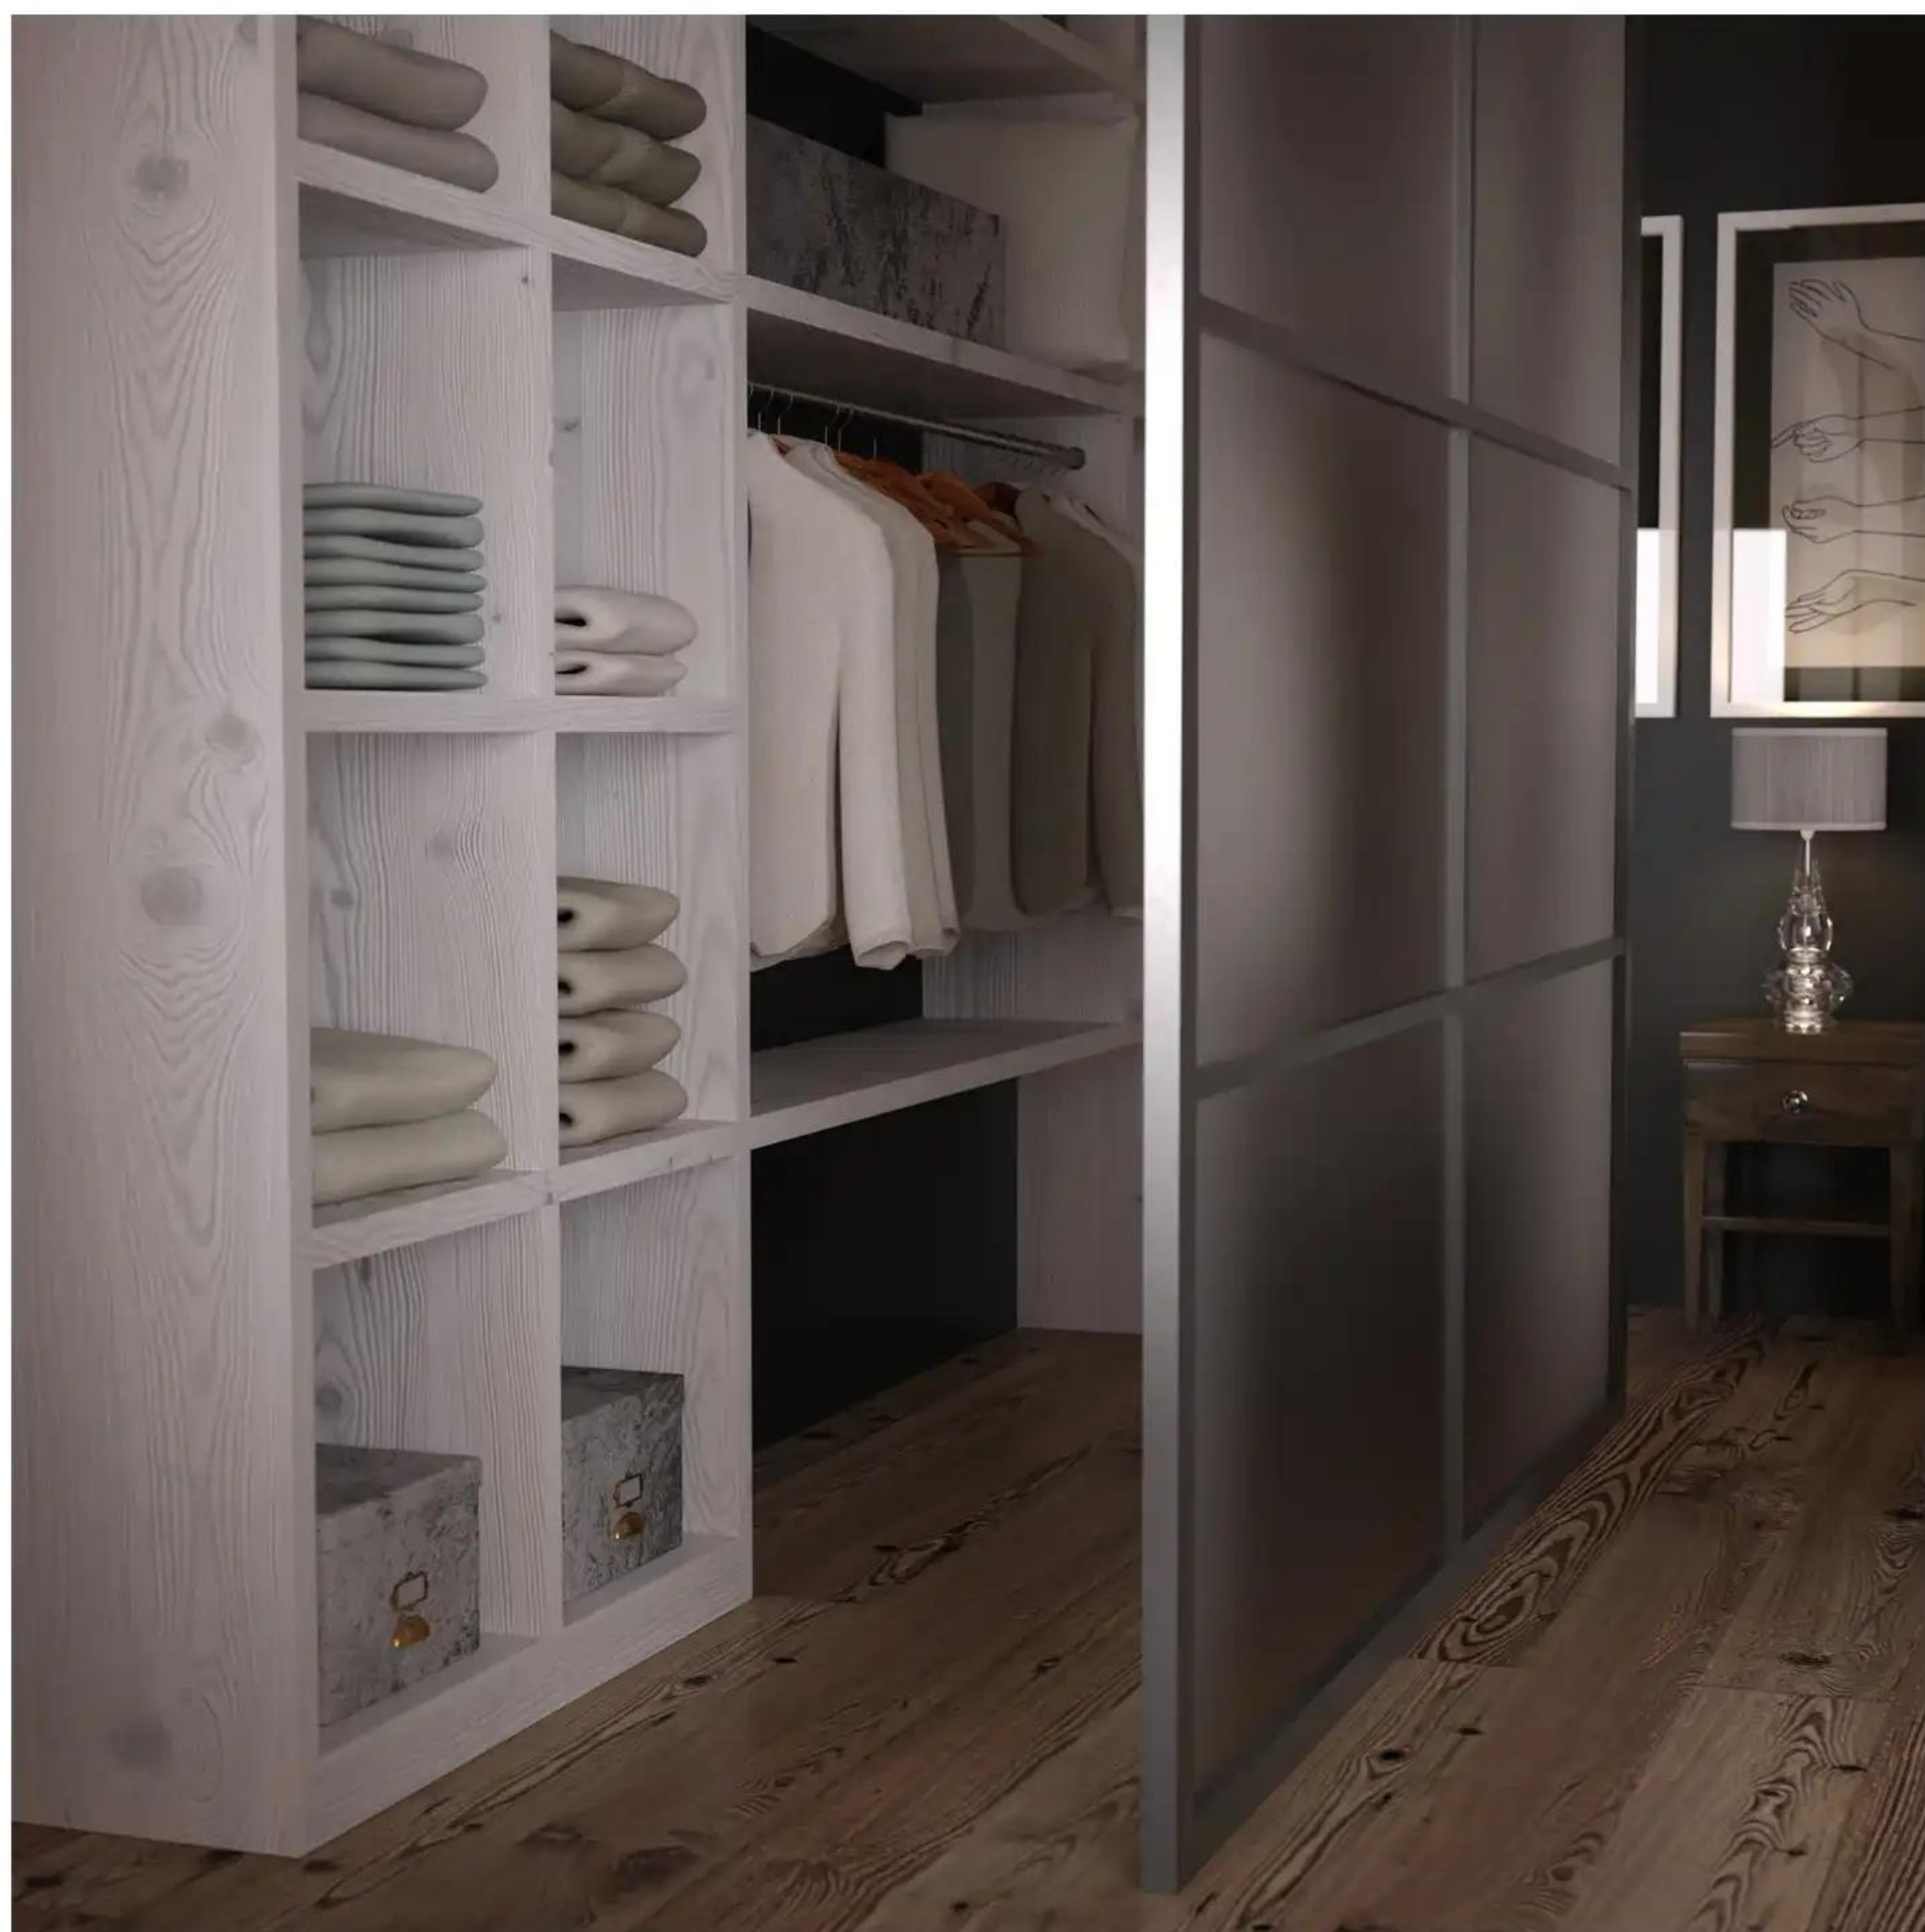

Wouldn't that be a problem? So fast? We haven't formulated any countermeasures yet.

Isn't it said that it is better to choose a day than to hit it? Isn't that why you came to me for this? I'm familiar with your mother's body, leave this matter to me, gun in hand~ follow me!

bedroom

When did these fine lines on the face appear? I'm really old! Tsk, really, I don't have any impression at all.

Thinking about it,
my head seems to be
hurting again, and that's not
all. Although everything seems
to be fine, I still have obscene
nightmares from time to time...
Oops, but I know something is
not right, and my memory
often goes wrong.

What happened to my life? He was obviously a serious person before, right? Don't be ashamed to be affectionate in front of your children! It's weird, you keep telling me to wear something like this, and my husband is really saying it too! How old are we?

Hey, men are all
the same, so give him
some comfort! For the
sake of his hard work
on a business trip,

My whole body is covered with coldness, how shameful! When you wear this clothes, it looks like you are not wearing any clothes.

However, putting
on these unruly clothes,
which I had hardly worn
before, gave me an
inexplicable sense of
familiarity.

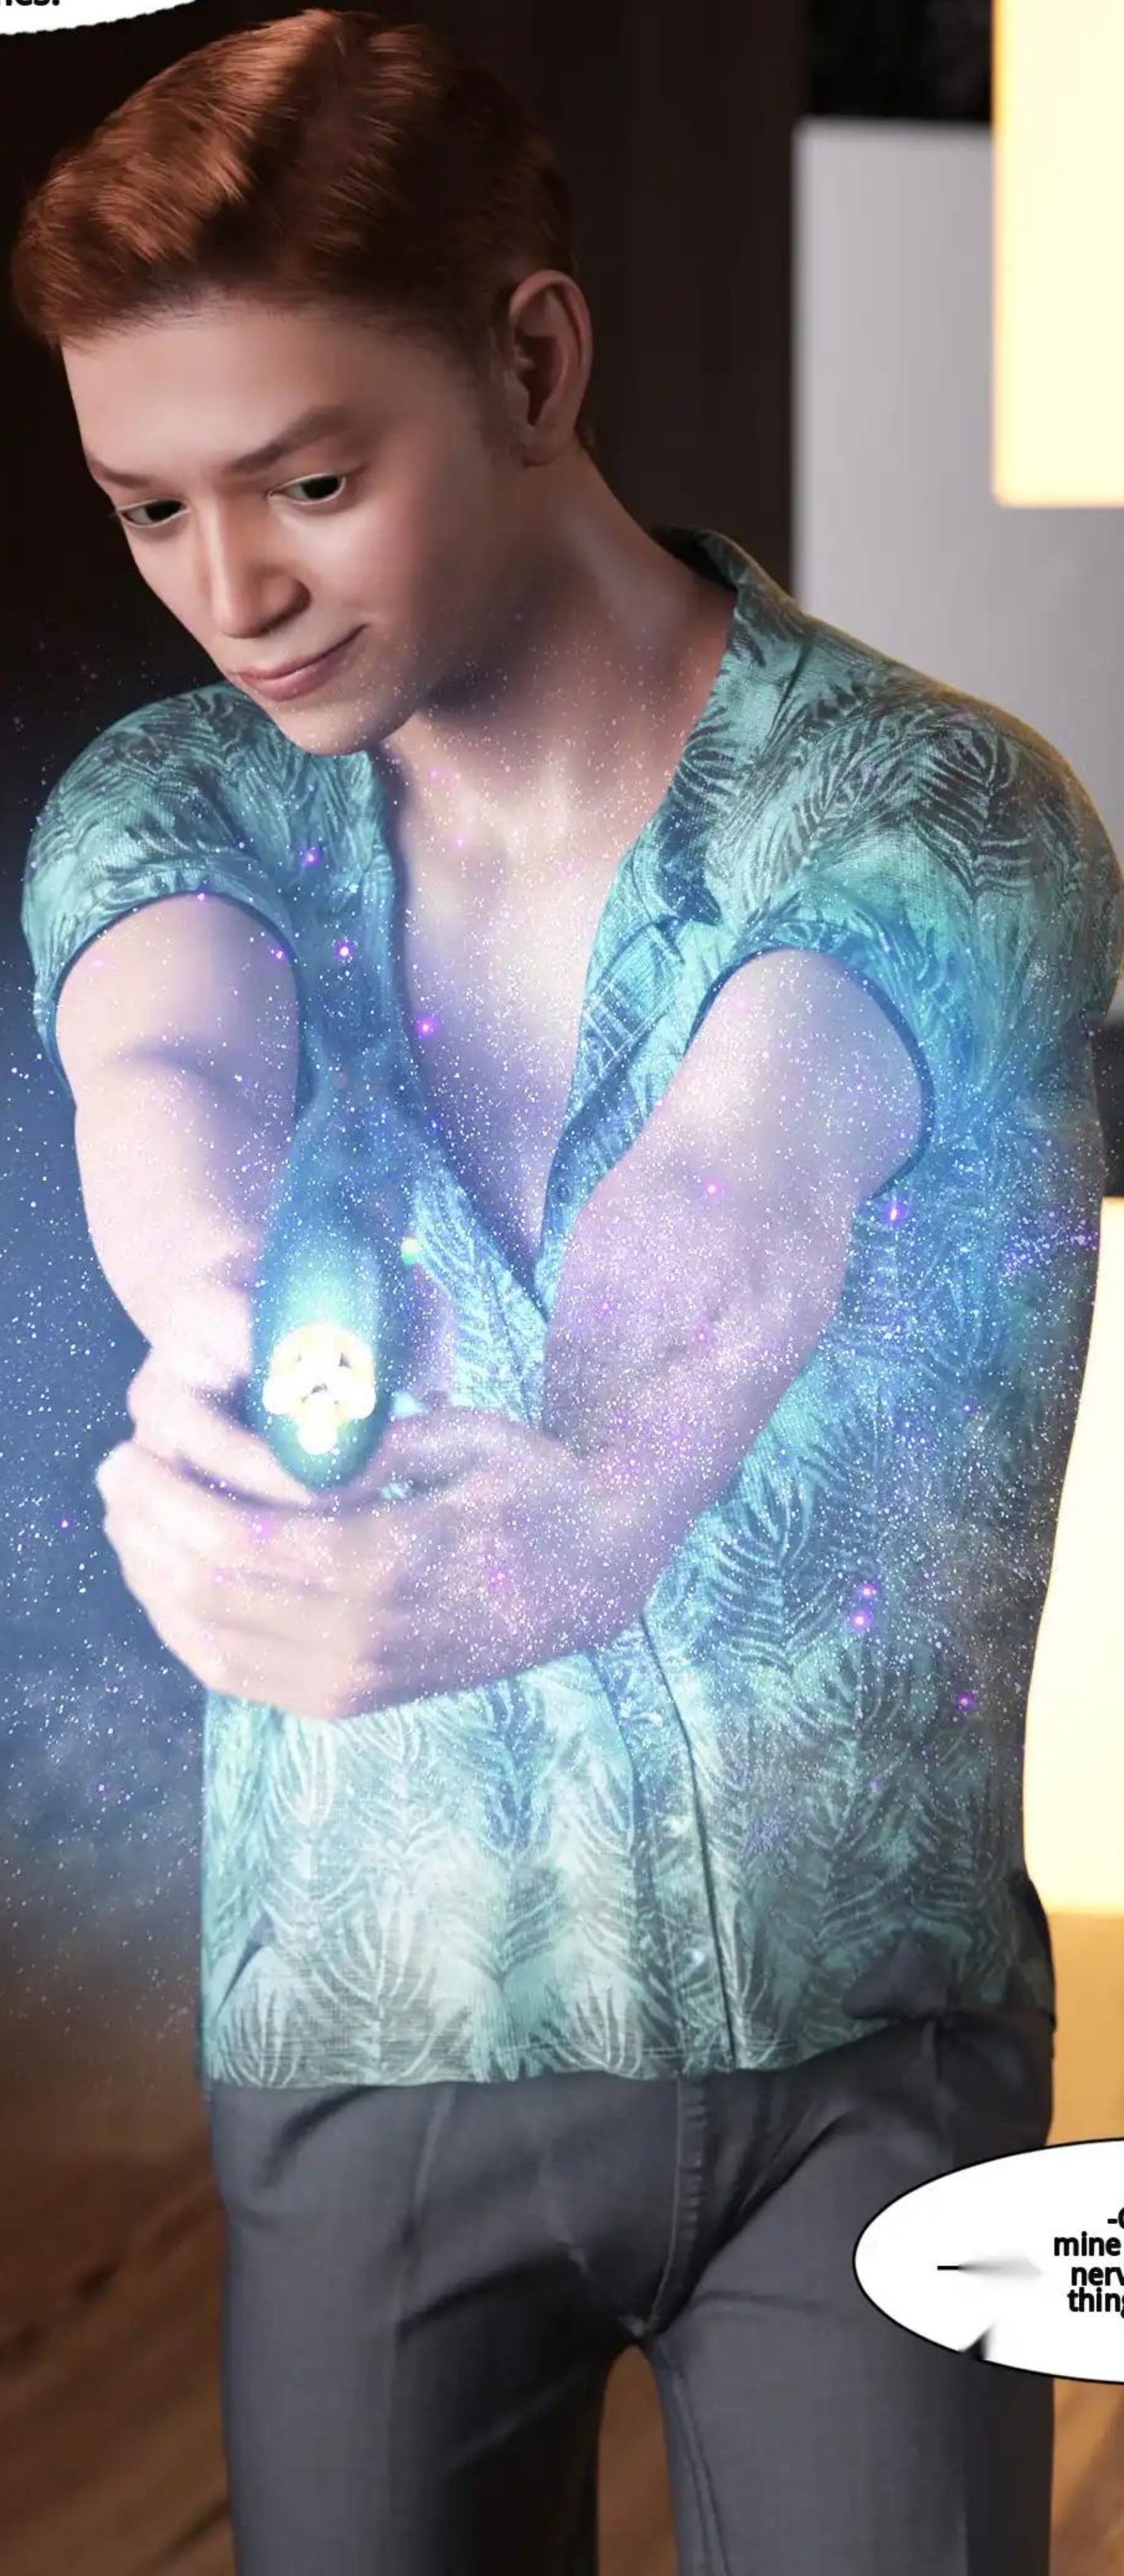

The layout of your room is still as cozy as ever! This outfit really suits you! You seem to be more beautiful than before! Wow! Long time no see, aunt

Are you... Zhou Ming's
classmate? How did you get
in? You know this is my room,
why don't you get out!

It seems...I
don't know
why (this
person's frivolous
smile makes me
feel chills in my
heart);

Something is going to happen! It felt like I had seen this scene before me countless times. ..

-She will be mine soon, don't be nervous~ Are the things here ready anyway?

ah! This is the feeling. I'm about to melt again. I'm about to...become someone else's plaything. ...

Qingzhong

Auntie's temper
is still so hot and the
fragrance is so fragrant!
Hmm~ This mature
woman's smell is
really nostalgic,

Oh oh oh! This leather case looks like my aunt and I are getting better and better in physical compatibility! It feels so comfortable just to put it in! Just like it was tailor-made for me,

Thinking of the beautiful woman in front of me, my pussy was so excited that it heated up for several hours. Hahahahahaha, what a lustful body! She was fucked by me before and she begged for mercy.

Who do you think was fucked to the point of begging for mercy? I'm not asking you to play with my mother's body! I'm asking you to help repair the relationship between my parents.

Hahahahaha! What a big talk! I think you're the one who wants to play with mom's body, right? I don't even want to see what my erection looks like anymore.

You...you have the nerve to say it! That's why I became like this! I'm not a pervert like you! Isn't it because you always tease me like a mother?

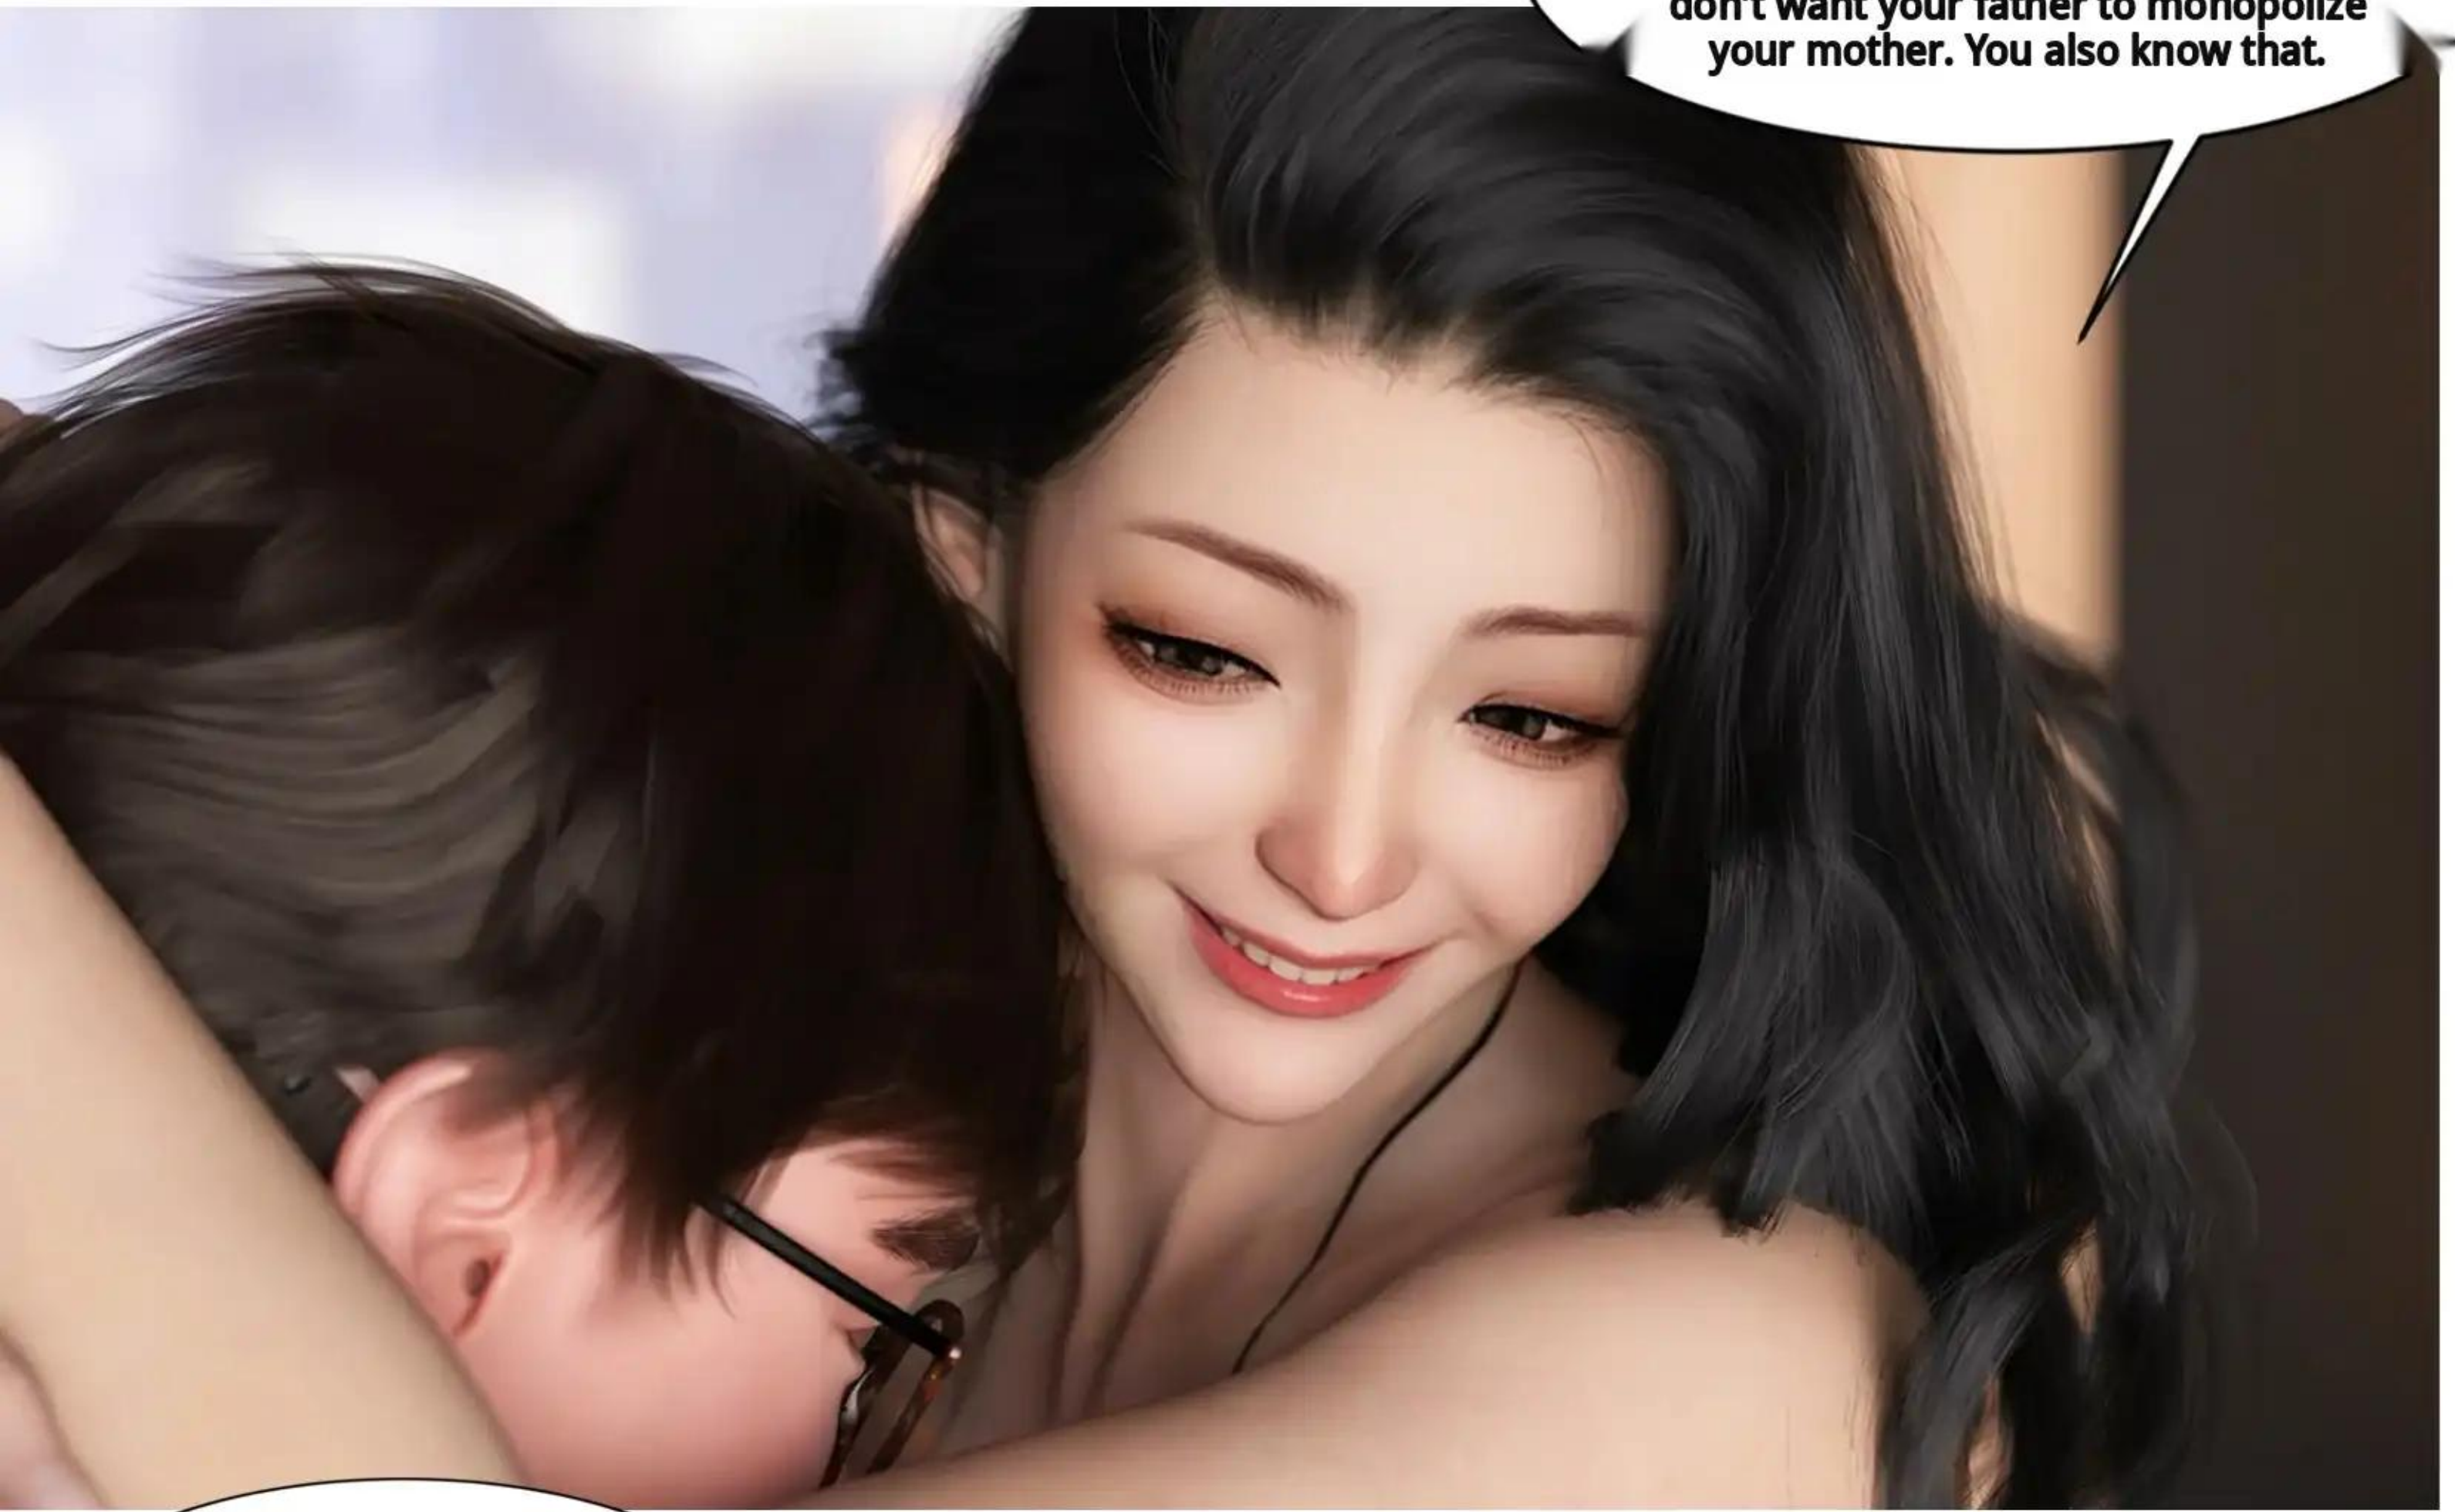

**Hahahahaha!
What a big talk! I think
you're the one who wants
to play with mom's body,
right? I don't even want to
see what my erection
looks like anymore.**

Come on, don't be angry, my precious son, your mother knows how much you miss her! Thank you so much for all your hard work.

It also stems from this selfishness. Is mom right? The reason why you let your friends wear your mother's skin is that you really don't want your father to monopolize your mother. You also know that.

Love your mother well! In this case, don't be patient anymore

Okay, okay... I miss my mother, and I miss my mother's body even more! Mom, please let me have sex with you! I really want to have sex with my mother!

To be continued
