My wife seems to be back to her old self. However, recently, for some reason, when I reached out to touch her body and wanted to be intimate like usual, it seemed as if the intimacy during this period had never happened. I really don't understand this woman... She actually scolded her so hard that she told me to sleep in a separate room and not allow me to touch her... I looked at my wife's disgusted eyes.

...Honey,
what
should I
do?

Handsome
guy~

A woman with short dark hair, wearing a red halter-neck dress, is looking towards the camera with a slight smile. She has a white bandage on her right index finger and is wearing a diamond bracelet, a ring, and several necklaces. A speech bubble is positioned in the upper right corner of the image.

Could you please
help me look for it?
Handsome brother, I
accidentally lost my car
key just now

I, I'm almost late for work... I'm sorry, ma'am, I may not be able to help.

I lost half of my soul
when I saw the breasts.
Haha, they say that a tiger
father has no dog son. This
father and son really look like
they were carved from the
same mold. They usually look
serious. I want to see how
you pretend to be
reserved next.

Just accompany me
to look for it! Finding one
will reward you! Hey, it'll
be fine in no time

This, this
won't work...
little lady!

Do you want to be naughty with me? Hee hee, brother is so polite. He has obviously set up a small tent in his crotch.

I...I have a wife...No, no,

You were right, right?
It seems like your wife
doesn't use this cock very
often lately. Hmm...it's such a
strong flavor. What a pity.

舔

What's going on now? Is it possible that this woman is here? ..

take off

The original
panties that are
hot and ready to be
taken off are the
best! It's this
familiar aroma

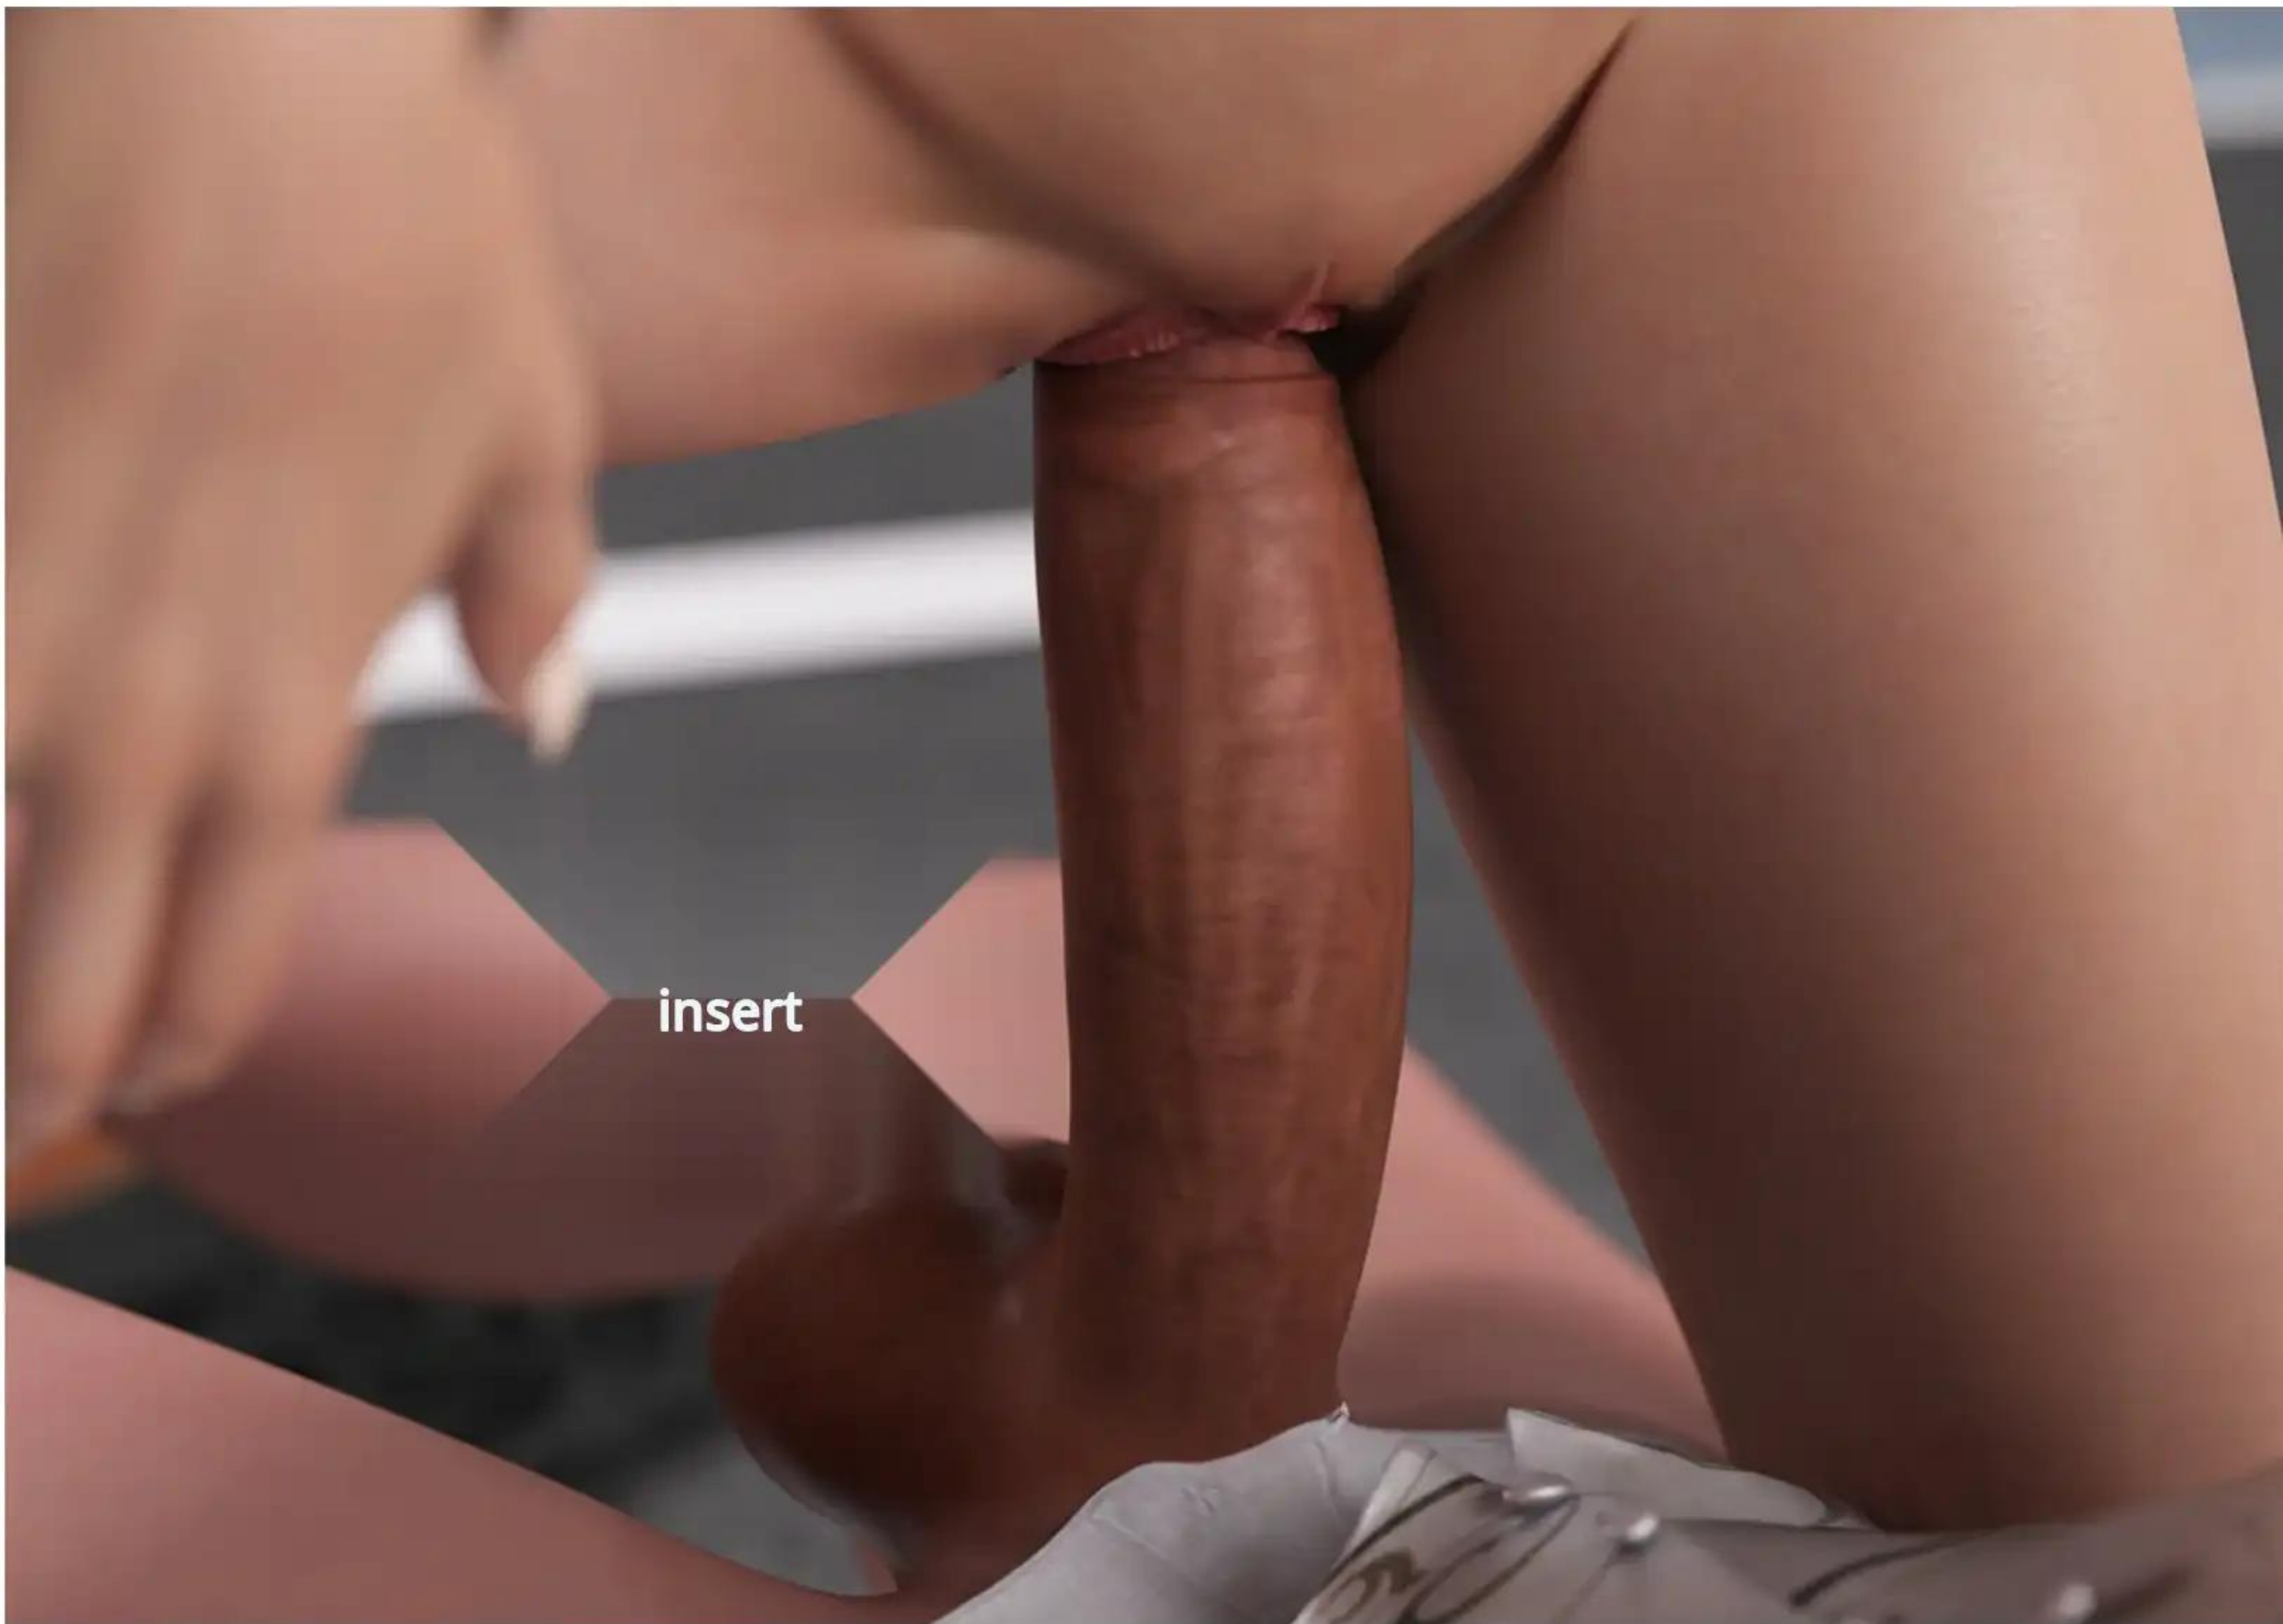

smell

Are you ready to fuck me, honey? Hey, my pussy is already so greedy that my mouth is watering!

No! I am a married man!
Wait, doesn't this, this mean that ...

insert

Wife, I'm
sorry! Isn't
this
cheating?

Is it okay if you lend me a ride? Don't cry and look sad! Anyway, your wife doesn't need this cock. You're lucky to be able to have sex with a beauty like me.

Just give her
pussy a few
more hits! Oh oh
oh! My brother's
big cock makes
me feel so
comfortable

But...ahhh...so tight!
I haven't felt this good in
a long time! This is wrong,
you have to ask her to
stop immediately!

As long as...as
long as you pull it
out before
ejaculating...

touch

Ah hiss...this woman has so much water! I really can't help it! Sorry, wife! Just give it a shot

top

Be more vigorous! My pussy wants to be fucked by my brother's big cock! Oh oh oh so cool! My brother finally showed his energy!

bang
bang bang
bang

Ahh...no! I-I
can't bear it
anymore!

draw
out

How long have you been saving? Ah! Why did you cum so quickly! I'm not even happy yet! And he ejaculated so much...

I'm really sorry
I have to rush to
work! Good luck
finding the key!
Miss, walk
slowly

Are you
moving too fast?
Wow! Ran away?
Let's talk, don't
leave in a hurry!

What a waste! What an irresponsible scumbag! Fortunately, I specially borrowed this beautiful sister's body to serve you. After cumming all over her body, she turned around and left.

**Dad Zhou, just think
of it as doing a good deed
tonight! Hahaha! Make it up to
your wife! It's nerve-wracking;
it's hard to clean up now**

that
night

bedroom

**But it's okay, my wife
should have gone to bed
long ago. But because she
was late and worked
overtime, she didn't come
home until now.**

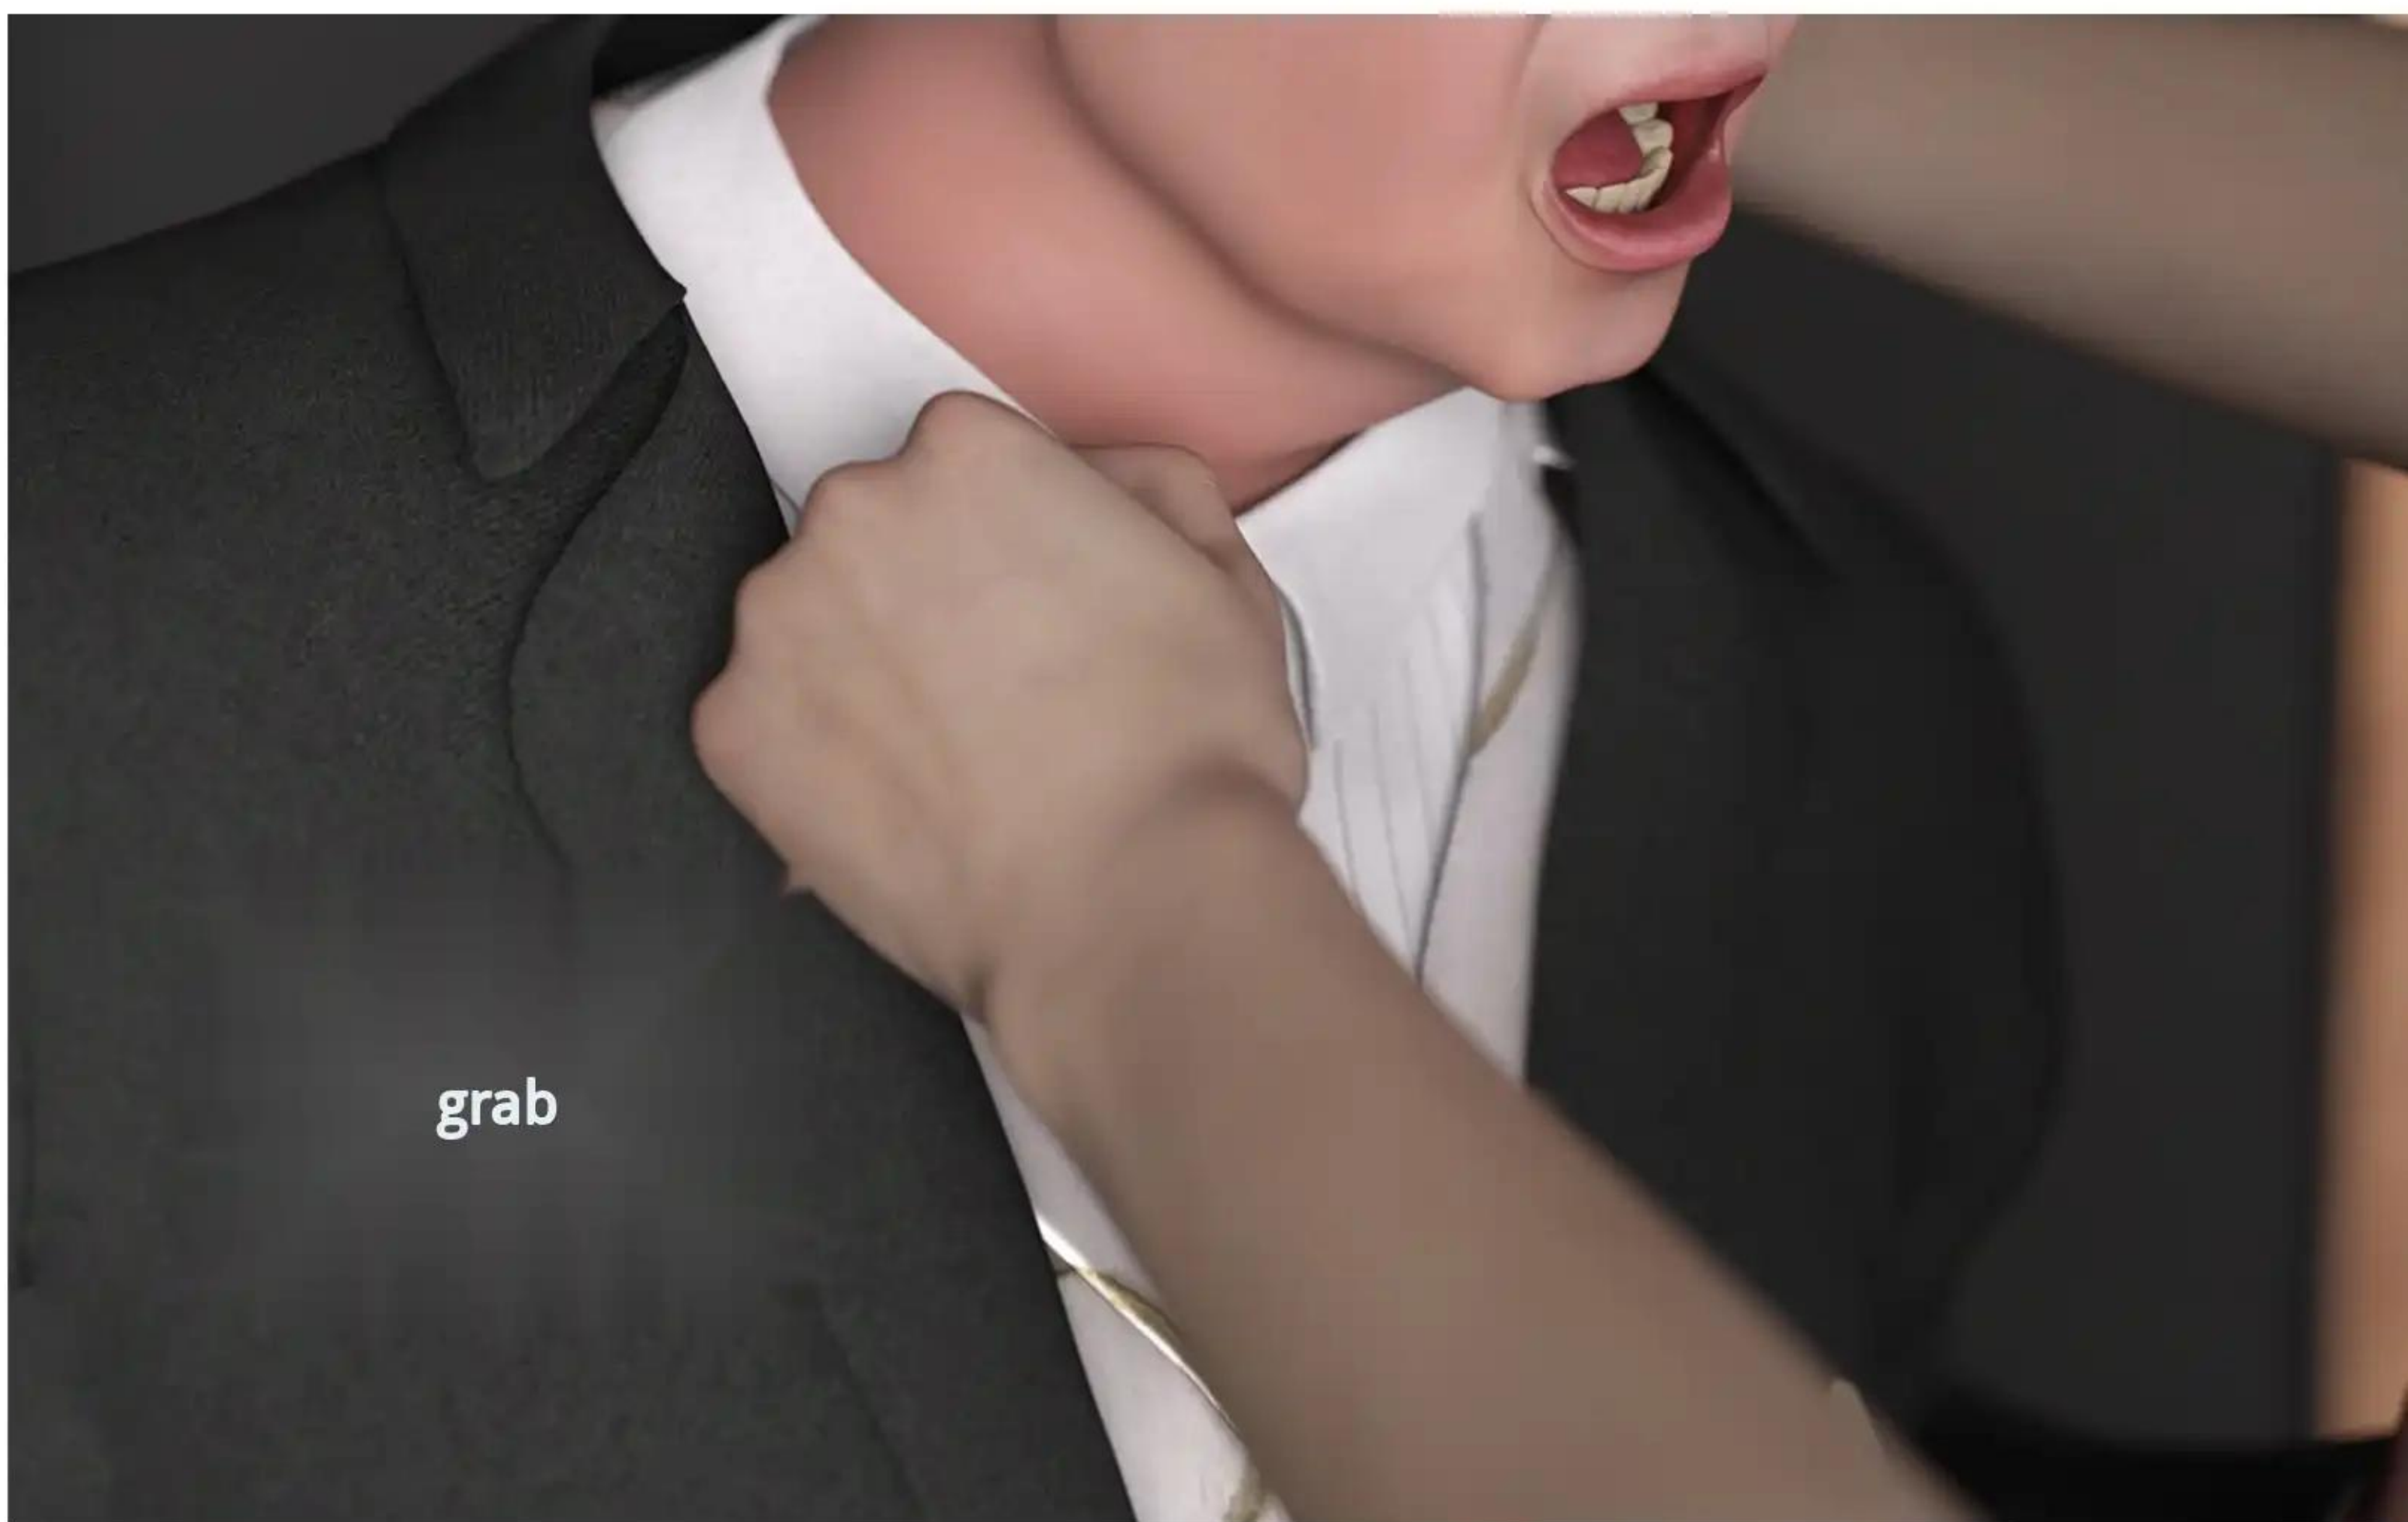

Then how should I
face her in the future? what
to do? Are you going to pretend
this morning never happened?
Wife... I'm really sorry for you.
If I can make up for it, I will.

You worked overtime so late, it's been a hard day! Husband, are you back?

grab

A close-up illustration of a man and a woman. The man, on the left, has short dark hair, wears glasses, a gold ear cuff, and a black suit. He is looking towards the woman. The woman, on the right, has long dark hair styled in an updo, light-colored eyes, and a slight smile. She is wearing a black lace dress. A speech bubble is positioned above her head.

Could it be that you
came home late because
you ate behind my back?
hehe! Why do you look
so panicked?

How
could I...how
could I do
such a thing?
Sigh, no, no!

impossible!
She can't possibly
know...Don't panic,
don't panic!

This is a joke! Of course
I know you don't dare, haha!
Hahahahaha! Look how
nervous you are

Should I get a reward? People wait so late for you, husband~ We haven't done it for a long time, okay, don't talk about this anymore,

I turned
back into that
sweet and lovely
wife... What on
earth am I
doing?

How could I
continue to cheat
on my beloved
wife? No, I have to
say it honestly...

Hold
tight

I was attacked by a strange woman on my way to work today, and she did... something I'm sorry to you, my wife! I, I have to tell you something honestly! But please give me a chance to make up for this mistake! I really appreciate it. Although I am not qualified to beg for forgiveness, I am willing to give everything for you! Wife, I love you!

kneel

I hope this family
won't be torn apart because
of this. Anyway, I deserve it.
Feel free to be angry with me.
It's over. There's no going
back now.

touch

**! Gonna
get beat
up!**

**And take off my
pants...? Wife? It
was the woman who
came up on her own
initiative, no, my wife,
please listen to my
explanation.**

Otherwise I will feel bad, you know? Fool, what did I think it was? Since you have admitted that you made a mistake, I will forgive you! My good husband, don't blame yourself too much

A man with short black hair and glasses, wearing a black suit jacket over a white shirt, looks towards a woman. The woman is seen from the back, with her dark hair styled in an updo. The scene is set against a dark background.

Too...too
gentle...Wife...are
you willing to
forgive me??

A close-up of a woman's face. She has long, dark hair and is looking slightly to the side with a neutral expression. Her skin is fair, and she has red lipstick. The background is dark and out of focus.

Oh my God, do
you believe this? Could
this stupid look be passed
down from ancestors? As
expected of Lao Zhou's
dear father

Don't be too happy too early! You said you wanted to compensate me, right? I've been waiting here for a long time! Then let you pay with your flesh now! whee

A close-up photograph of two women. The woman on the left is wearing a black, long-sleeved, form-fitting dress. She is pulling the hand of the woman on the right. The woman on the right is wearing a black, form-fitting bodysuit with a high-cut leg. She is looking towards the woman on the left. The background is a dark, solid color.

Wow!
Wife, what
are you
doing?

pull

Hold

Gently rub it in
circles and slowly...it
feels so comfortable!
Ha...yeah, that's it

**This is
too...too erotic!
After more than ten
years of marriage, I
have never seen my
wife show such a
naughty look.**

**However, the
spring scenery in
front of me makes
me excited.**

Auntie, this is what you really want, right? Having your private parts gently touched by your loved one like this

Haaaaaaaaaaaaaaaaaaaaaaaa

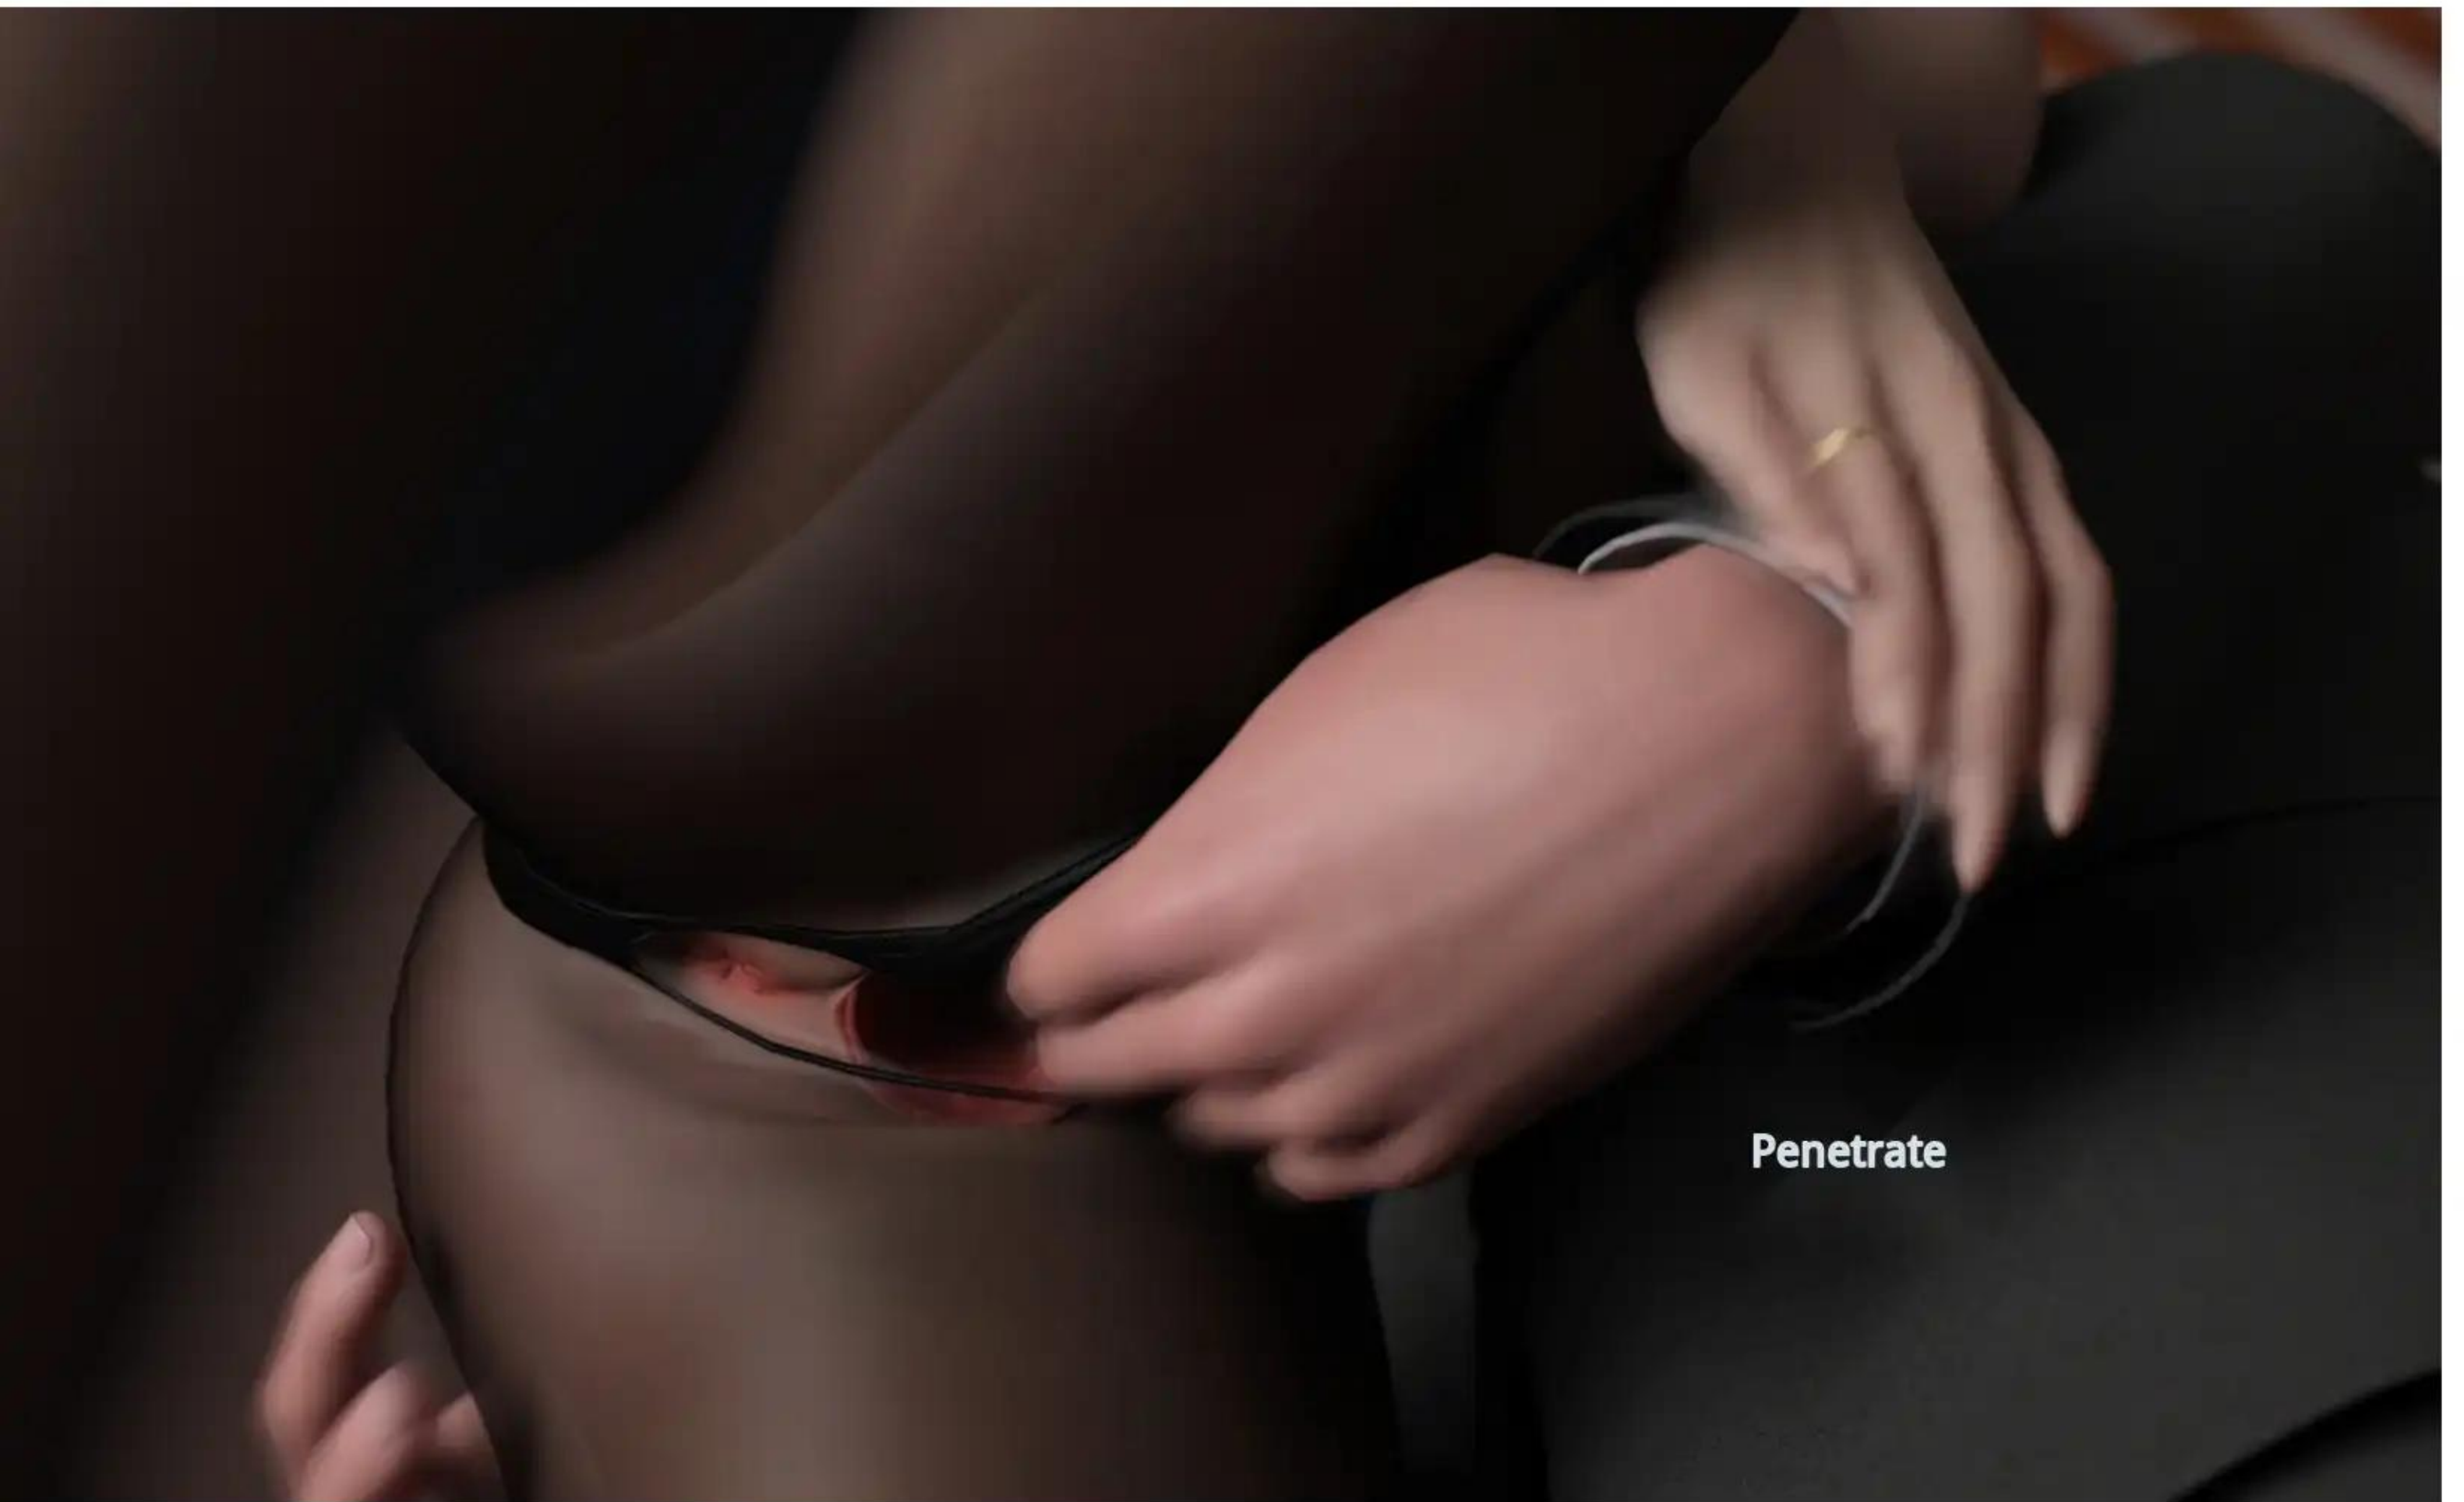

If it were me, I would have gone to find a man and have a good time! You are fighting against your strong sexual desire every day. You cannot be satisfied without climaxing seven or eight times a day. I am really lucky that you can bear it. After all, this body has been completely developed by me. I have seen it from my aunt's memory. During this period of time when I no longer turn into skin and return to daily life.

But he strongly resists his own needs because of unnecessary shame. How stubborn! He even immediately ran back to the room to masturbate. Oh, he was defeated by his sexual desire after all! Doesn't it feel good to be caressed by your husband? You are obviously in heat until your underwear is wet. The reason why you are angry with your husband is very simple. I know it. The irony is that after you scolded your husband,

**Let me tell you,
because...why is it that no matter
how many times you masturbate to
orgasm, you are never satisfied?
Auntie, you must be confused
because you don't know how to
vent your sexual desire!**

Penetrate

Because what you really want is to be gently touched by the man you love and then violently attack the sensitive zone. !

It's so amazing, just being fucked by fingers makes me feel so good! Husband, yes! That's it! Dig out your wife's cunt!

Let me teach you how to use foreplay to make your wife climax. No wonder Auntie is so horny and dissatisfied! There is no way to know from aunt's memory that this man had premature ejaculation.

I, I'm so excited... My wife sticks out her tongue and gasps. It's so beautiful... My fingers are sucked by my wife's pussy.

What a worthless man...ahhh! I actually watched my wife masturbating on her own. Her pussy was so swollen when her husband dug it... It feels so good. I want to go. ...

Went there!

squirt

This smell is too tempting! Oh oh oh!
This is my wife's juice. ..
Haha, my wife never lets me taste it.

Very good, I'll let you come closer and eat as much as you like! Are you so happy to have your wife pee all over your face?

From now on, I have to kneel and lick my pussy like this! Your wife really likes it, sticking her tongue out! Remember it for me:

My cock is so swollen, and the smell of my wife's cunt is filling my nose. But I don't hate it...ah, is this, is it like this? My wife is so strong today

Tongue

After all, he had been ejaculated several times by Lao Zhou Nei in the morning... The person in front of him was actually his son's high school classmate, right? Hahaha, this old man never dreamed of standing there, hahaha, it made me laugh to death! You might even lick your son's semen!

Autumn

My pussy is dripping.
Honey, let's get to the bed.

Ahh... go
forward a
little...

bang bang
bang bang

Insert it deeper,
my good husband! A
little further...yes! This is
it! It's so cool! People
really like this pose

Instead, they are guiding me on how to make sex more comfortable! Wife, you are so gentle...oh my waist! Yes, frankness and acceptance are the ways for couples to get along. I understand. My wife is not being assertive.

A woman with dark hair and red lips is lying on a patterned sofa. She is looking towards the camera with a slightly open mouth. A hand is visible on the right side of the frame, touching her breast. A speech bubble is positioned above her head.

Yeahhhhhh!
Use your strength,
I push my pussy
hard, oh oh oh !

Hahahaha

Can I also make my
wife so satisfied? Thank you,
wife! I won't let you down! It turns
out that as long as you use the
right method, your wife will still
show this expression...it's so
erotic

There should be a limit for diaosi, right? Do you want me to teach you how to have sex with your wife? Oh, there is really nothing we can do against you father and son! Hey hey hey! I said you, a grown man, are obsessed with a high school boy.

**Let me show
you a few more
hands! Check it out
for me! For the sake
of your son,
please, please**

Yeahhhhhh! I love you the most, husband! Rubbing her breasts while fucking her to death! It feels so good to me, rub it harder!

啪啪啪啪

7 To live up to my wife's expectations, I must hold back... My wife's cunt is clamped even tighter! No! at least tonight

If you wear the skin of a beautiful mature woman every day, you will enjoy watching it anyway, right, Lao Zhou? It will definitely be too much for you to play with your body like this! Hehe, just think of it as doing good deeds... I'm so satisfied today. Oh my god, this old man is really full of energy.

Haah,
haha

trick

Such a lewd look...
Lao Shao oh oh oh, he
actually let his mother !
show such a

Although I was still conflicted when I asked Lao Shao for help... I expected these things to happen, but when I saw Lao Shao wearing my mother's skin and having sex with my father,

How I wish... I am the only one who can enjoy this erotic side of my mother... Mom, Mom, ah!

To be continued
