

Smoking Hypnosis

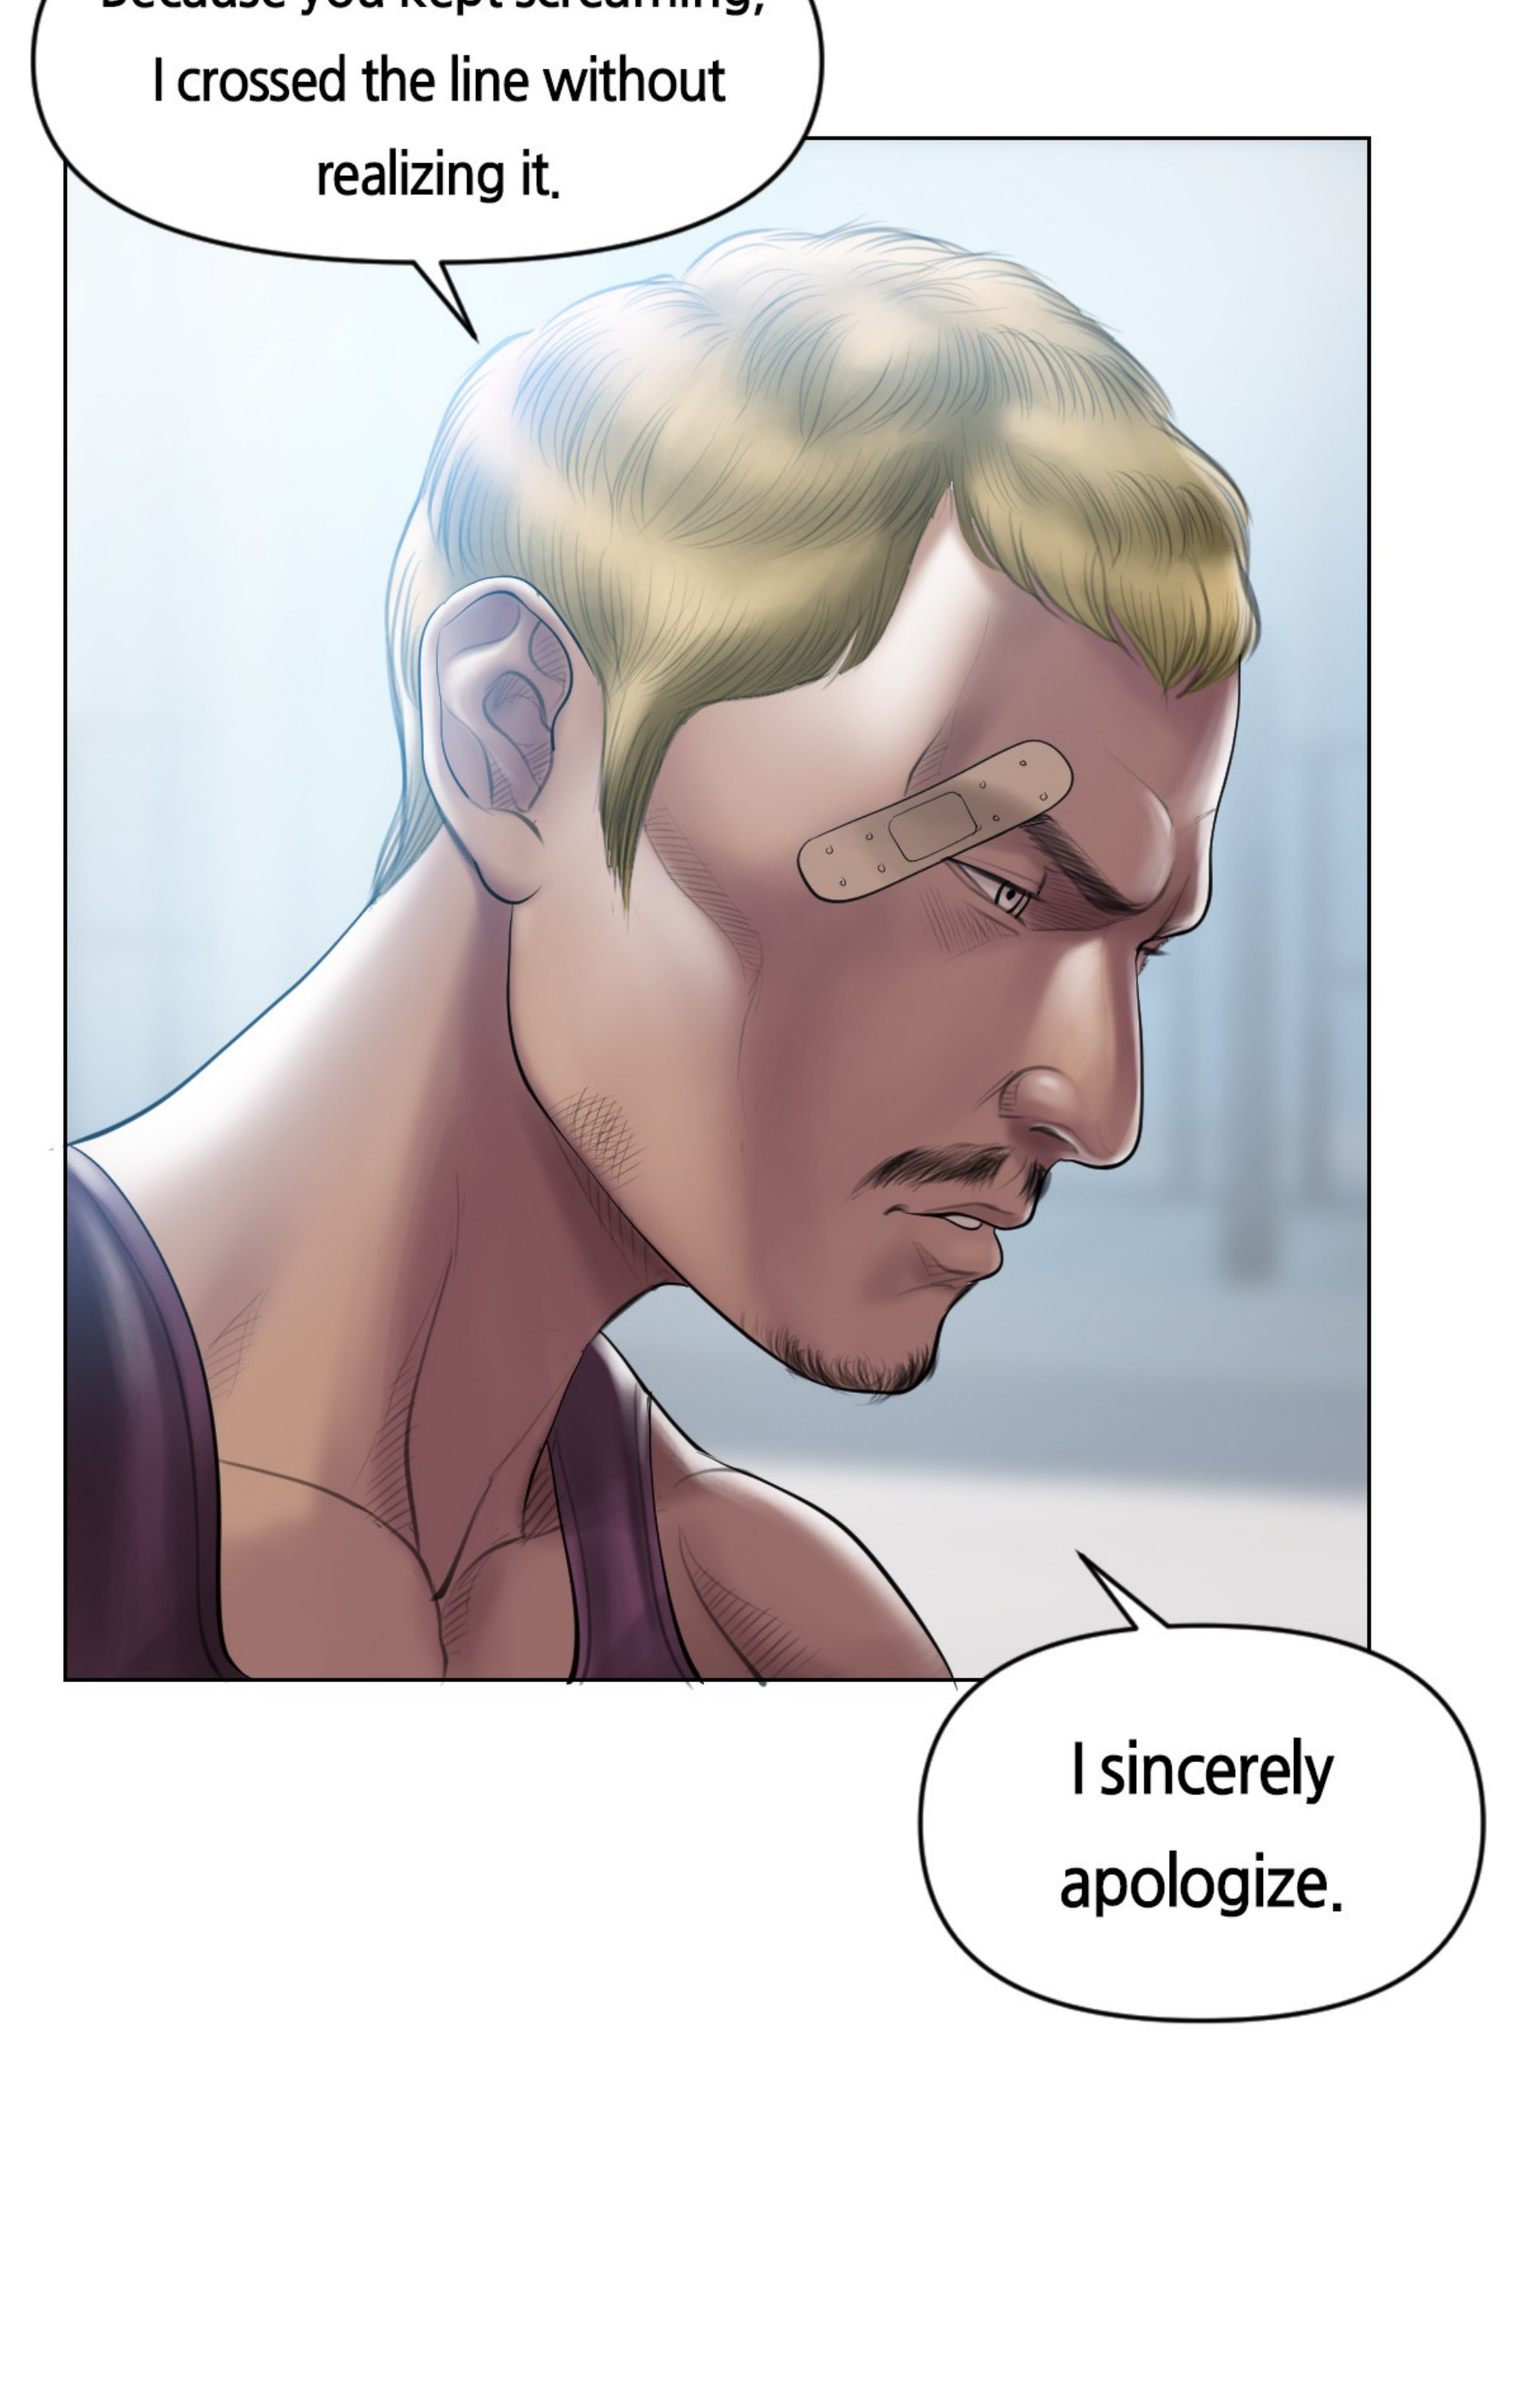

pheuw~

I was
sorry then.

Because you kept screaming,
I crossed the line without
realizing it.

I sincerely
apologize.

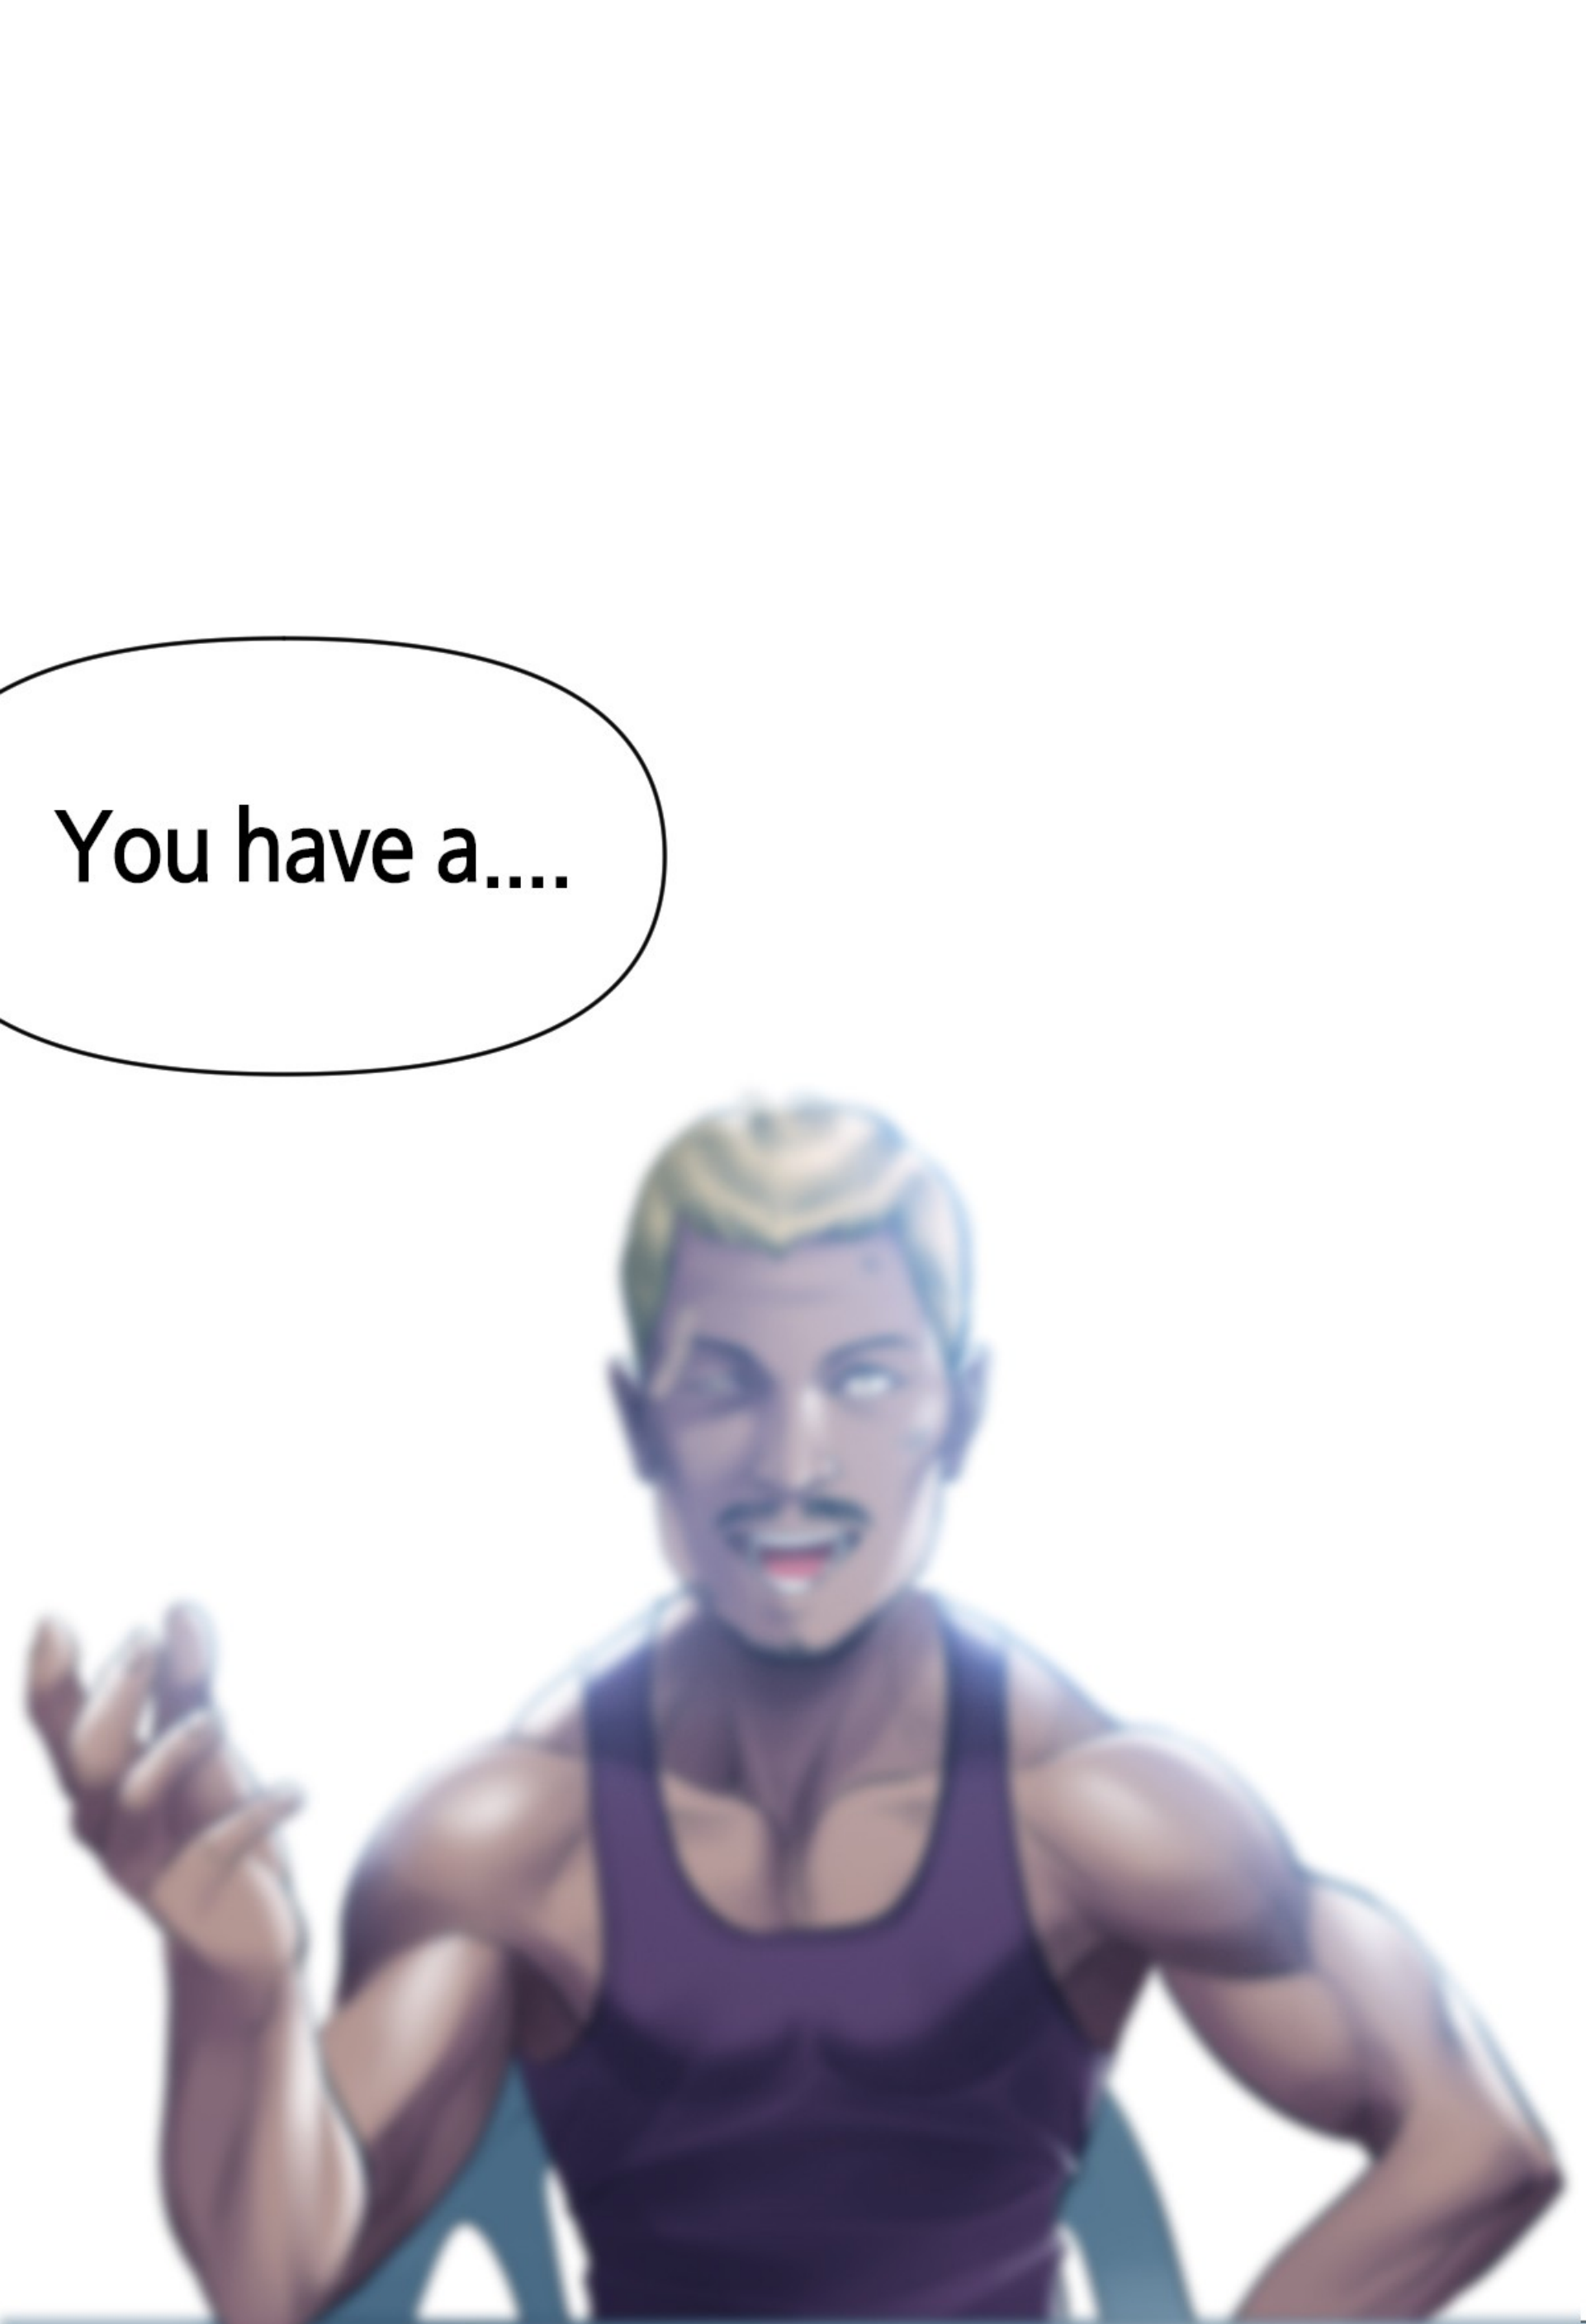

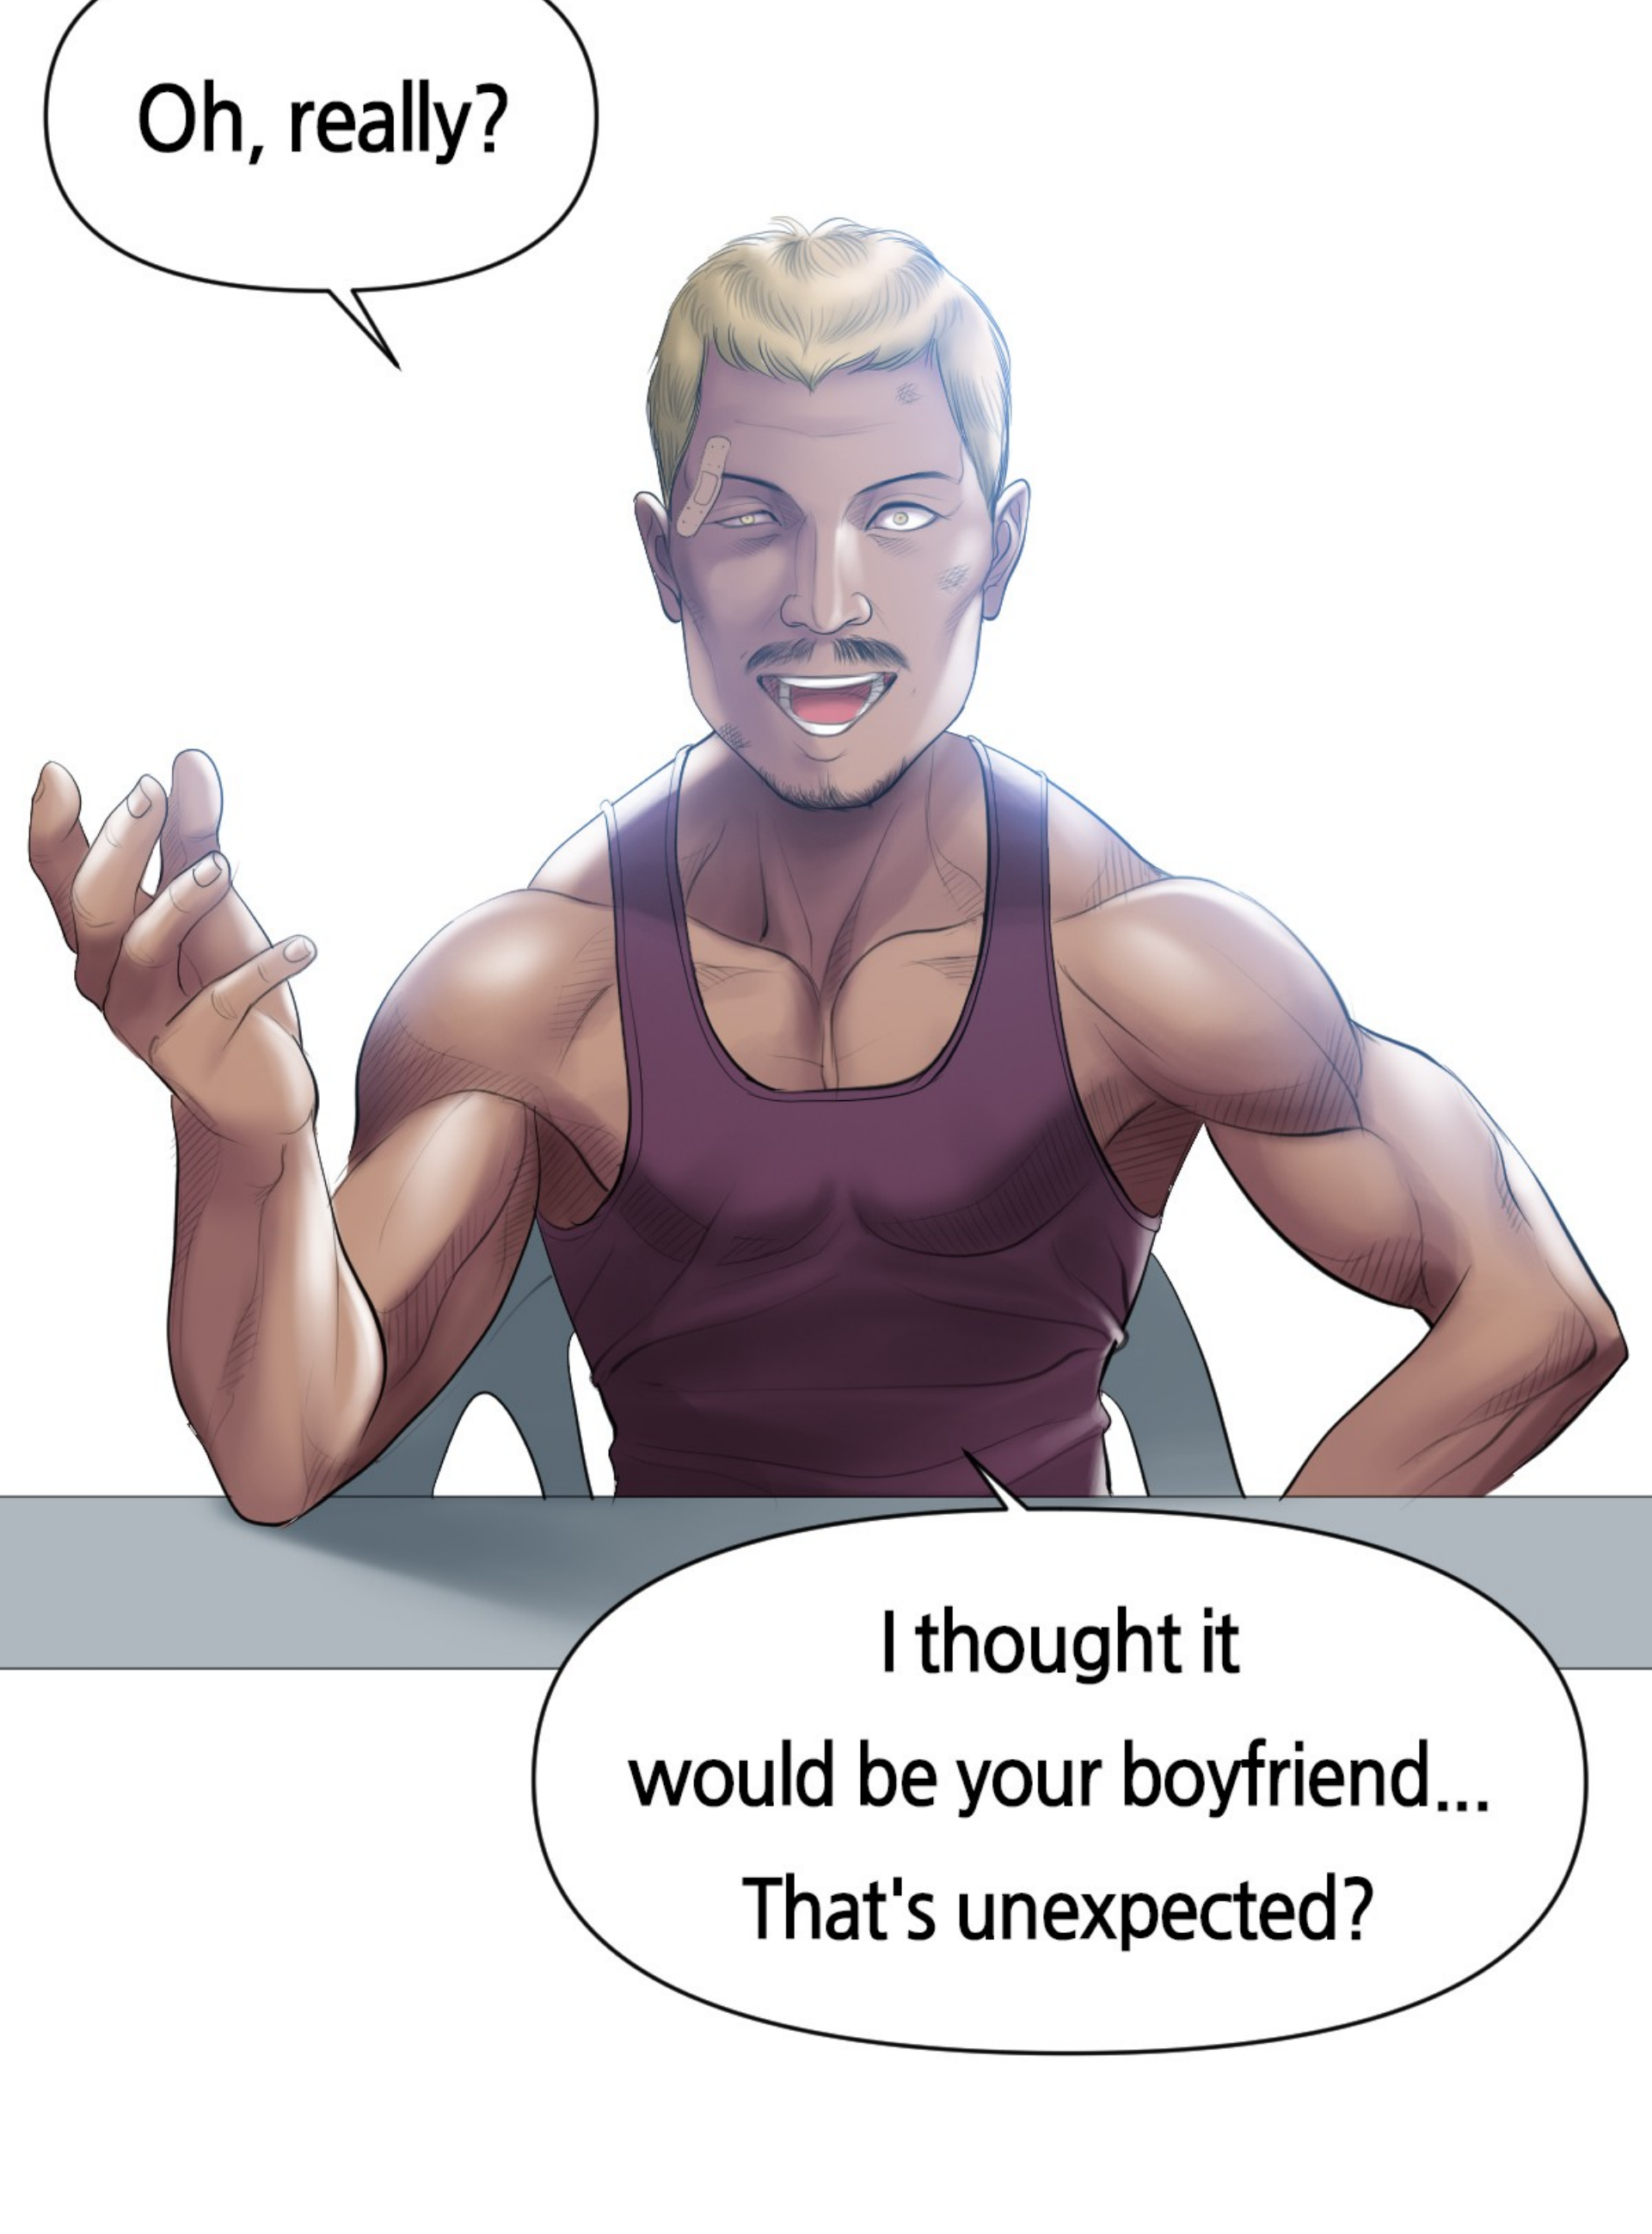

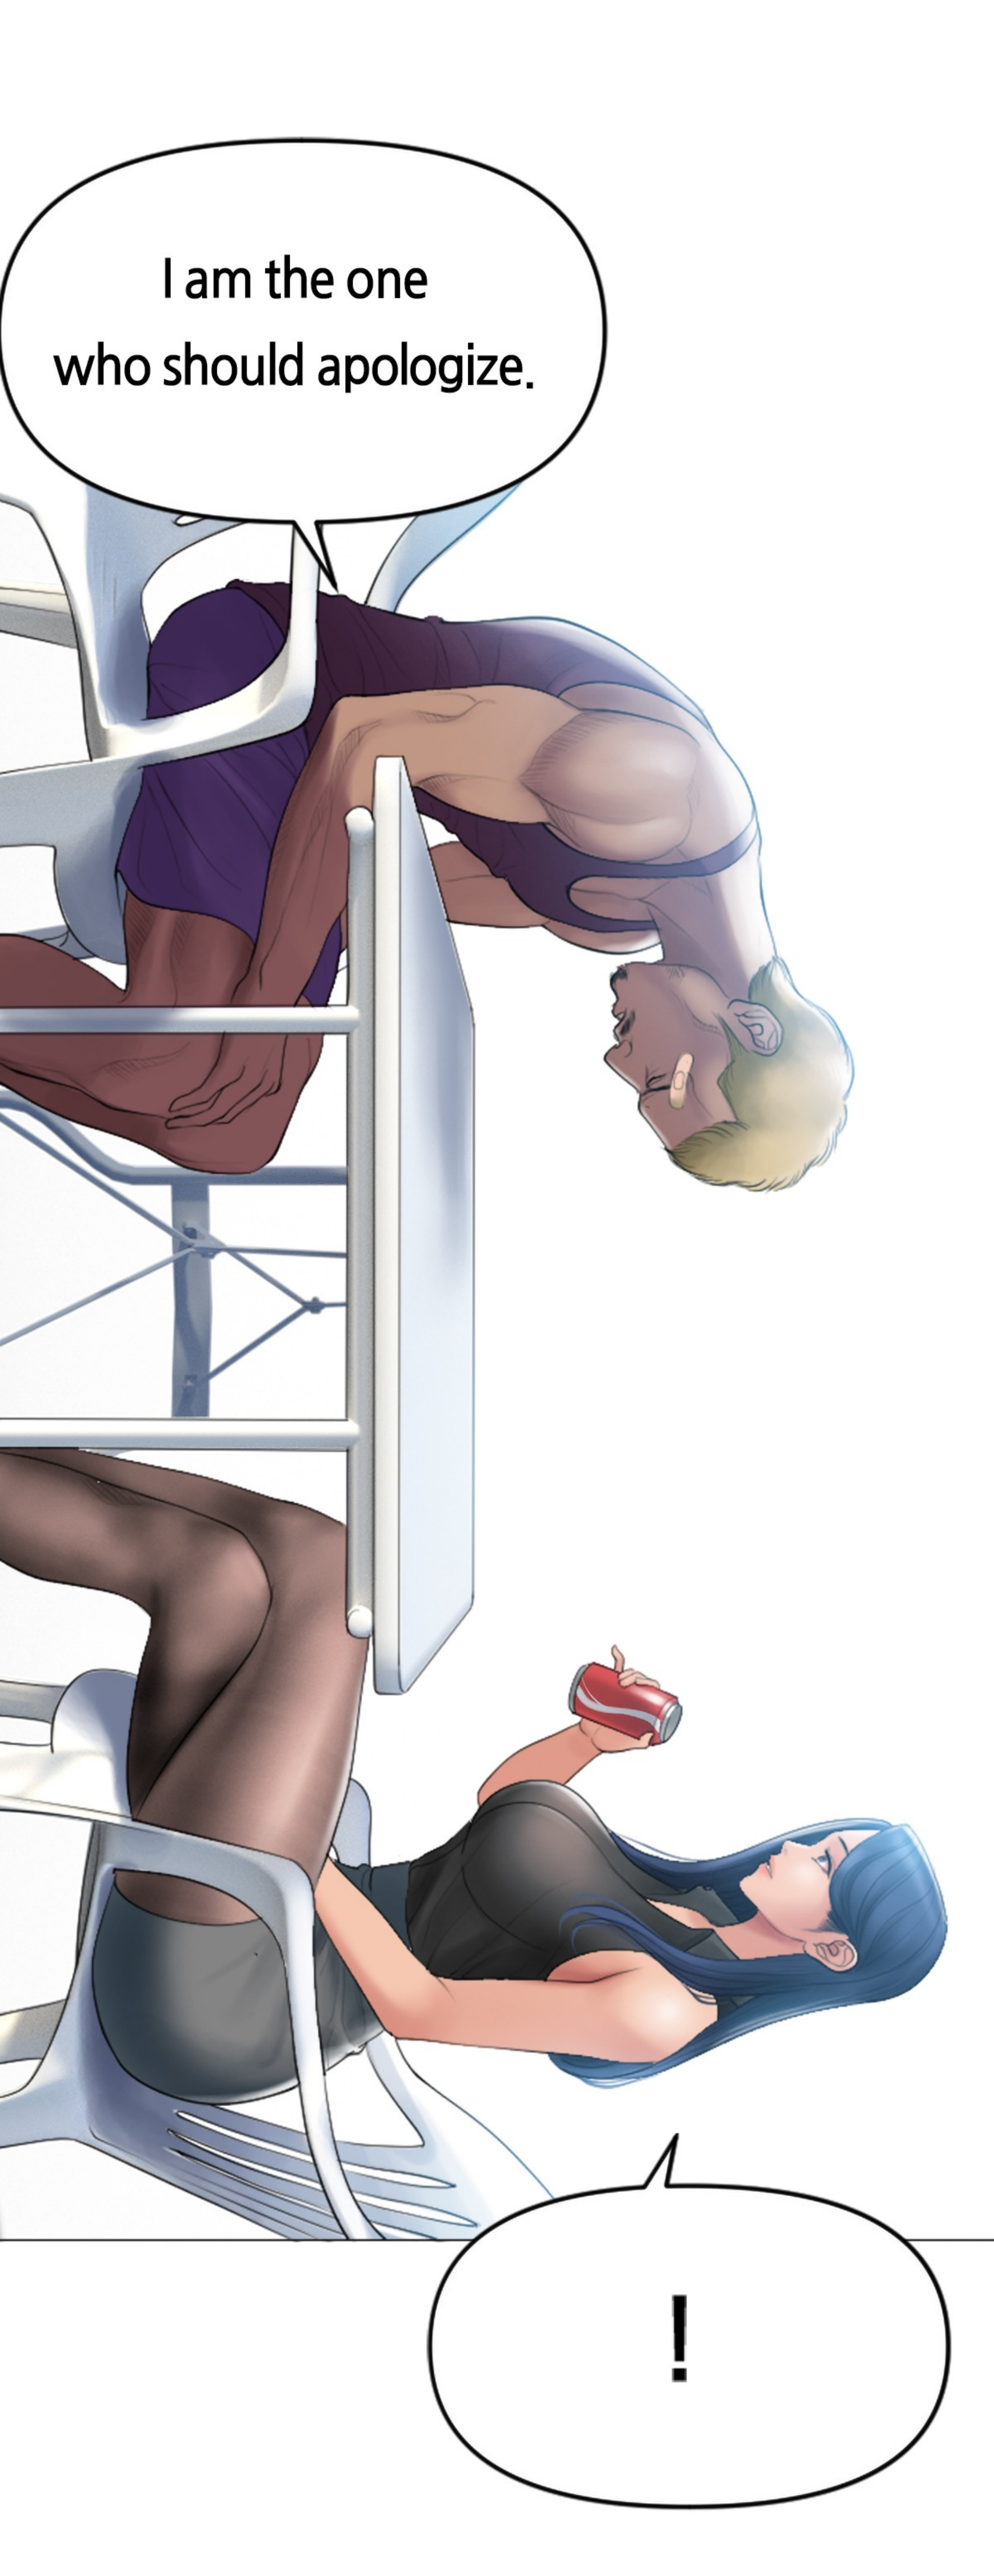

Surprising...
I thought he'd call the police.

Okay.
I'm sorry my friend hit you.
I'll apologize instead.

No, no,
he deserved it enough.

Getting beaten up
by your boyfriend made me
reflect on my behavior.

Oh.....

Why am I
so dizzy?

What did he
put in my drink?

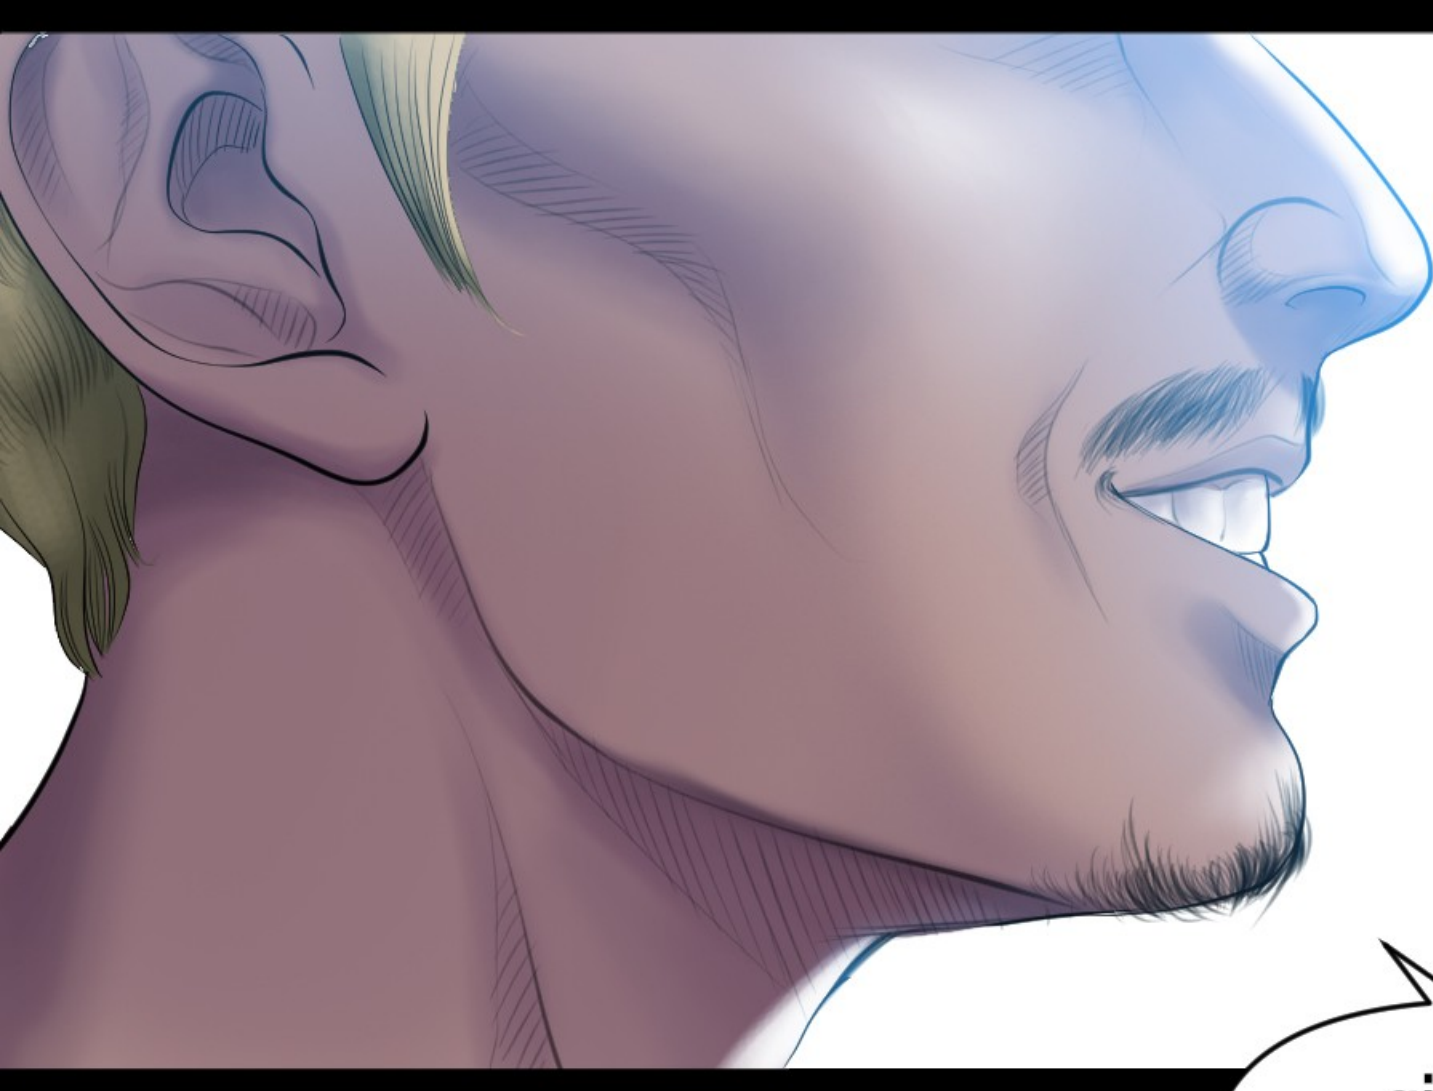

It's kind of strange.
I have to get up.

I've got
something urgent to do,
so I'm going to get up.

Ok! Bye~
Let's get along well
from now on! hehe~

Don't
offend me...

with cigarette smoke
from now on.

giggle~
don't worry.

From now on,

you won't be able to
last a day without cigarettes!

From now on,
my words will be deeply
imprinted in your
unconscious.

.....

All right,
the hypnotic induction was
successful. What's the name?

작

M...ia.....

Mia. What do you
think of smoking?

It's a nuisance
to others....

I hate it...

No, it's not.
You longed for smoking
at heart.

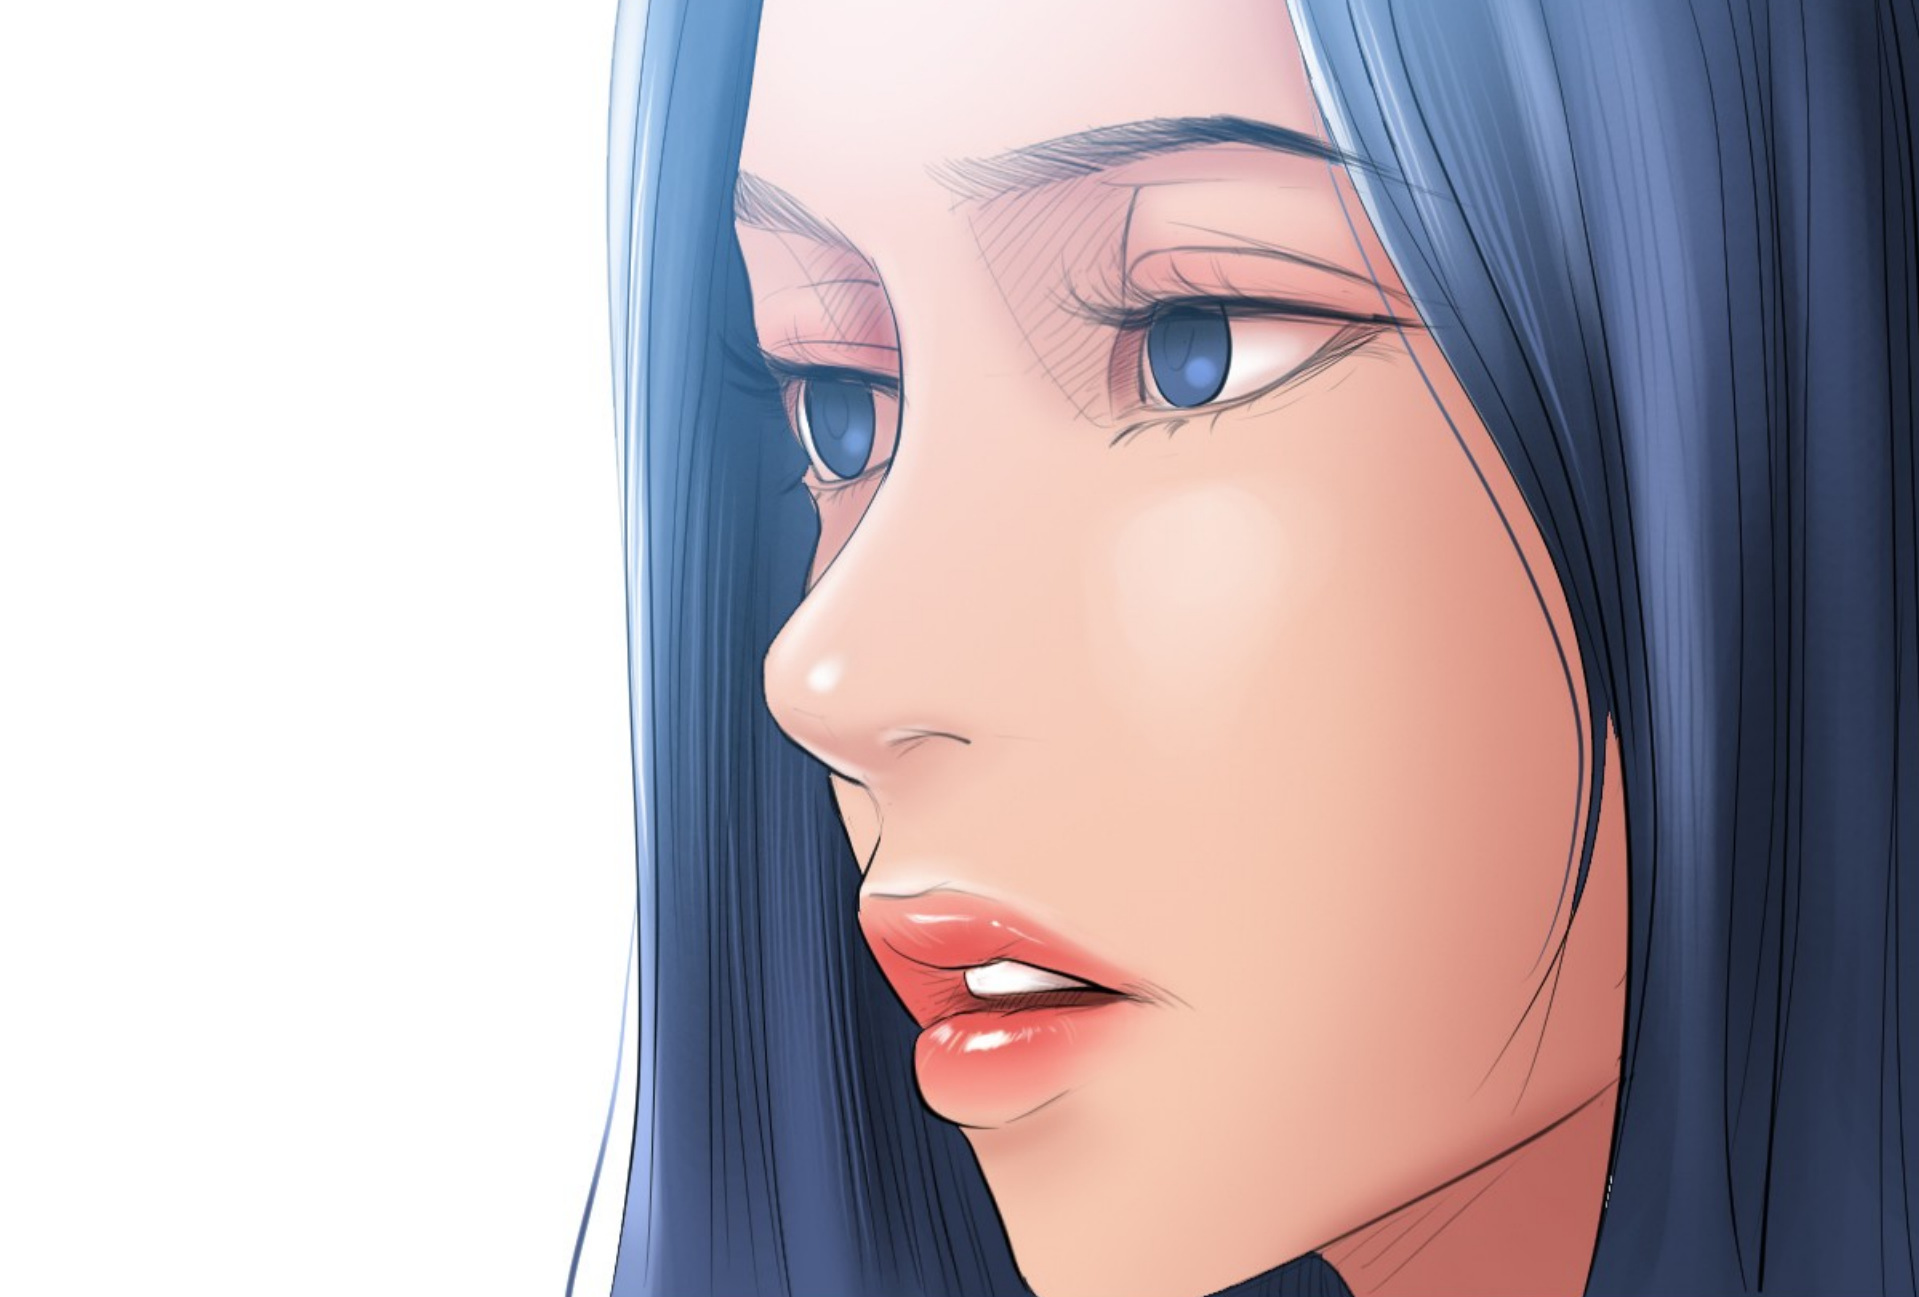

...What? No way...
I've never.....

You are not
a ordinary smoker.

You love cigarettes enough to
have an orgasm when you
smell them.

You don't reject
nicotine anymore.

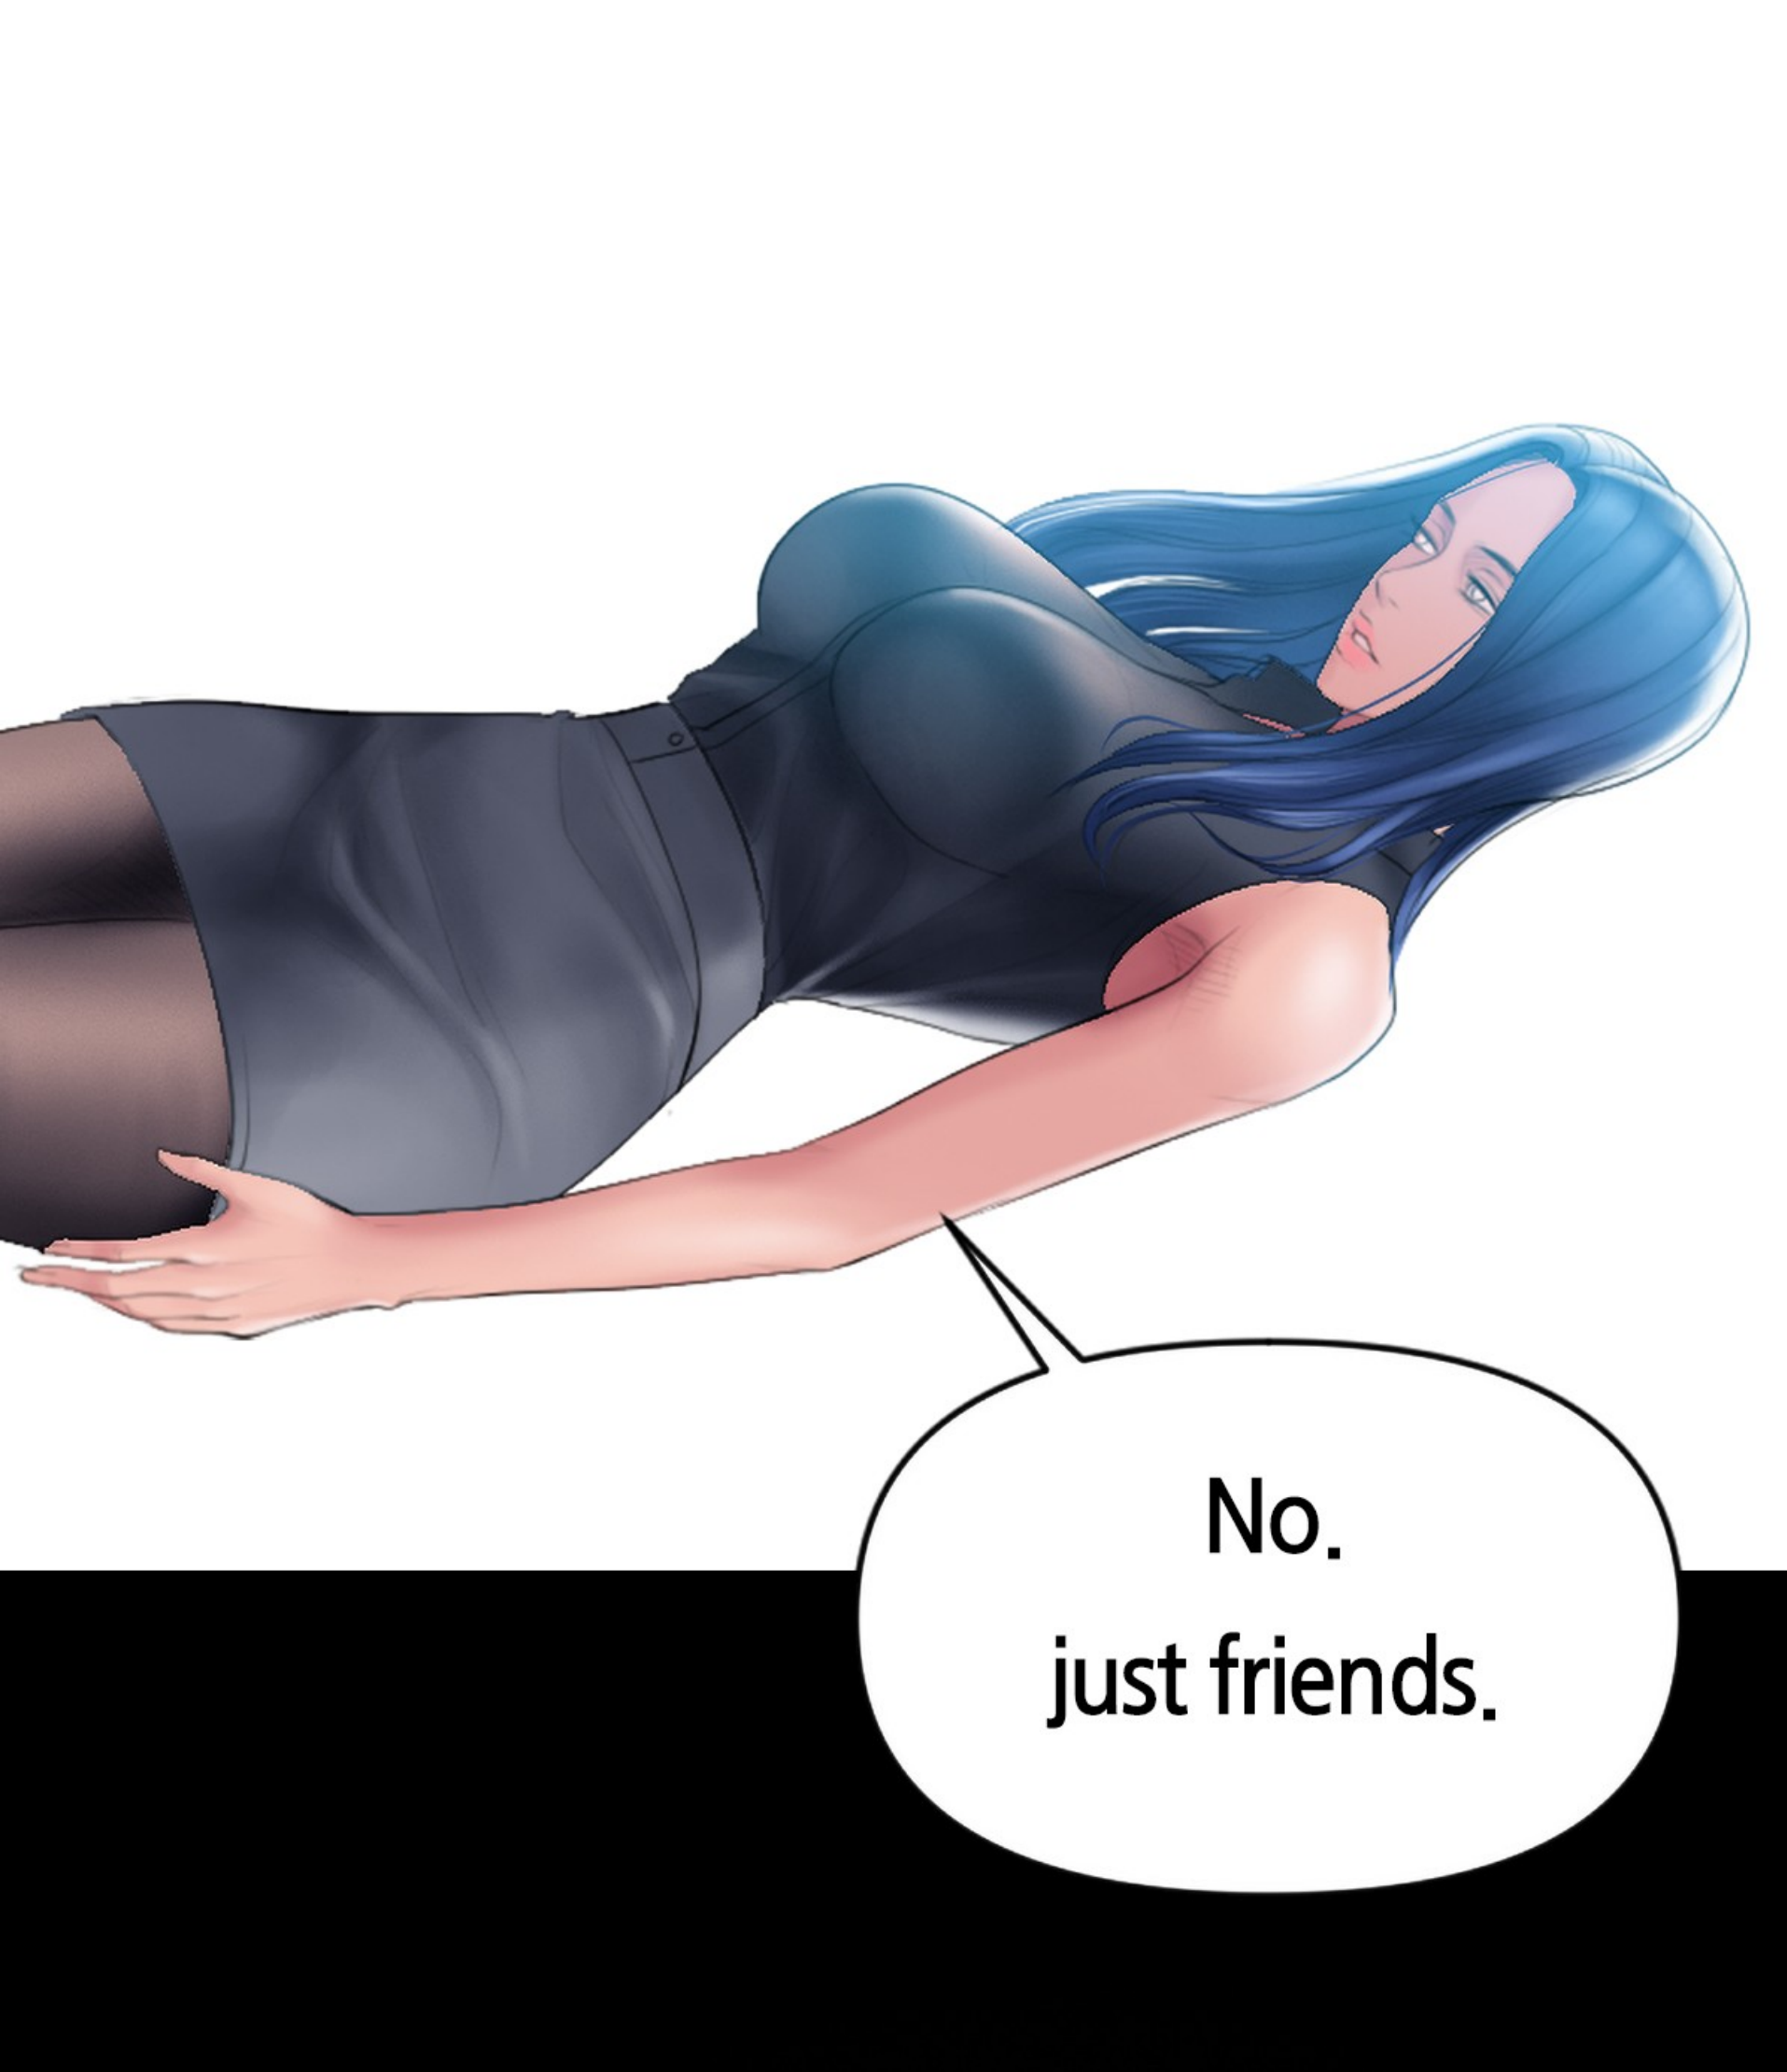

The cigarette
you hated....

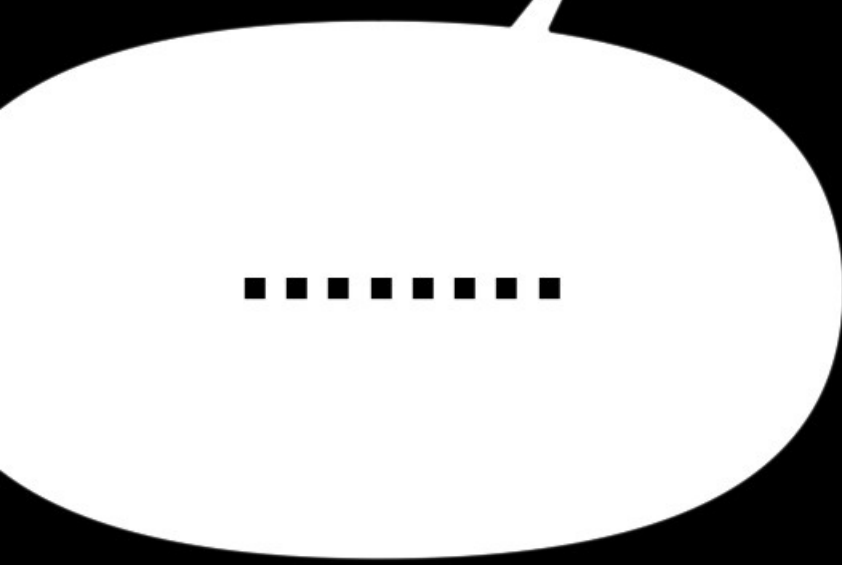

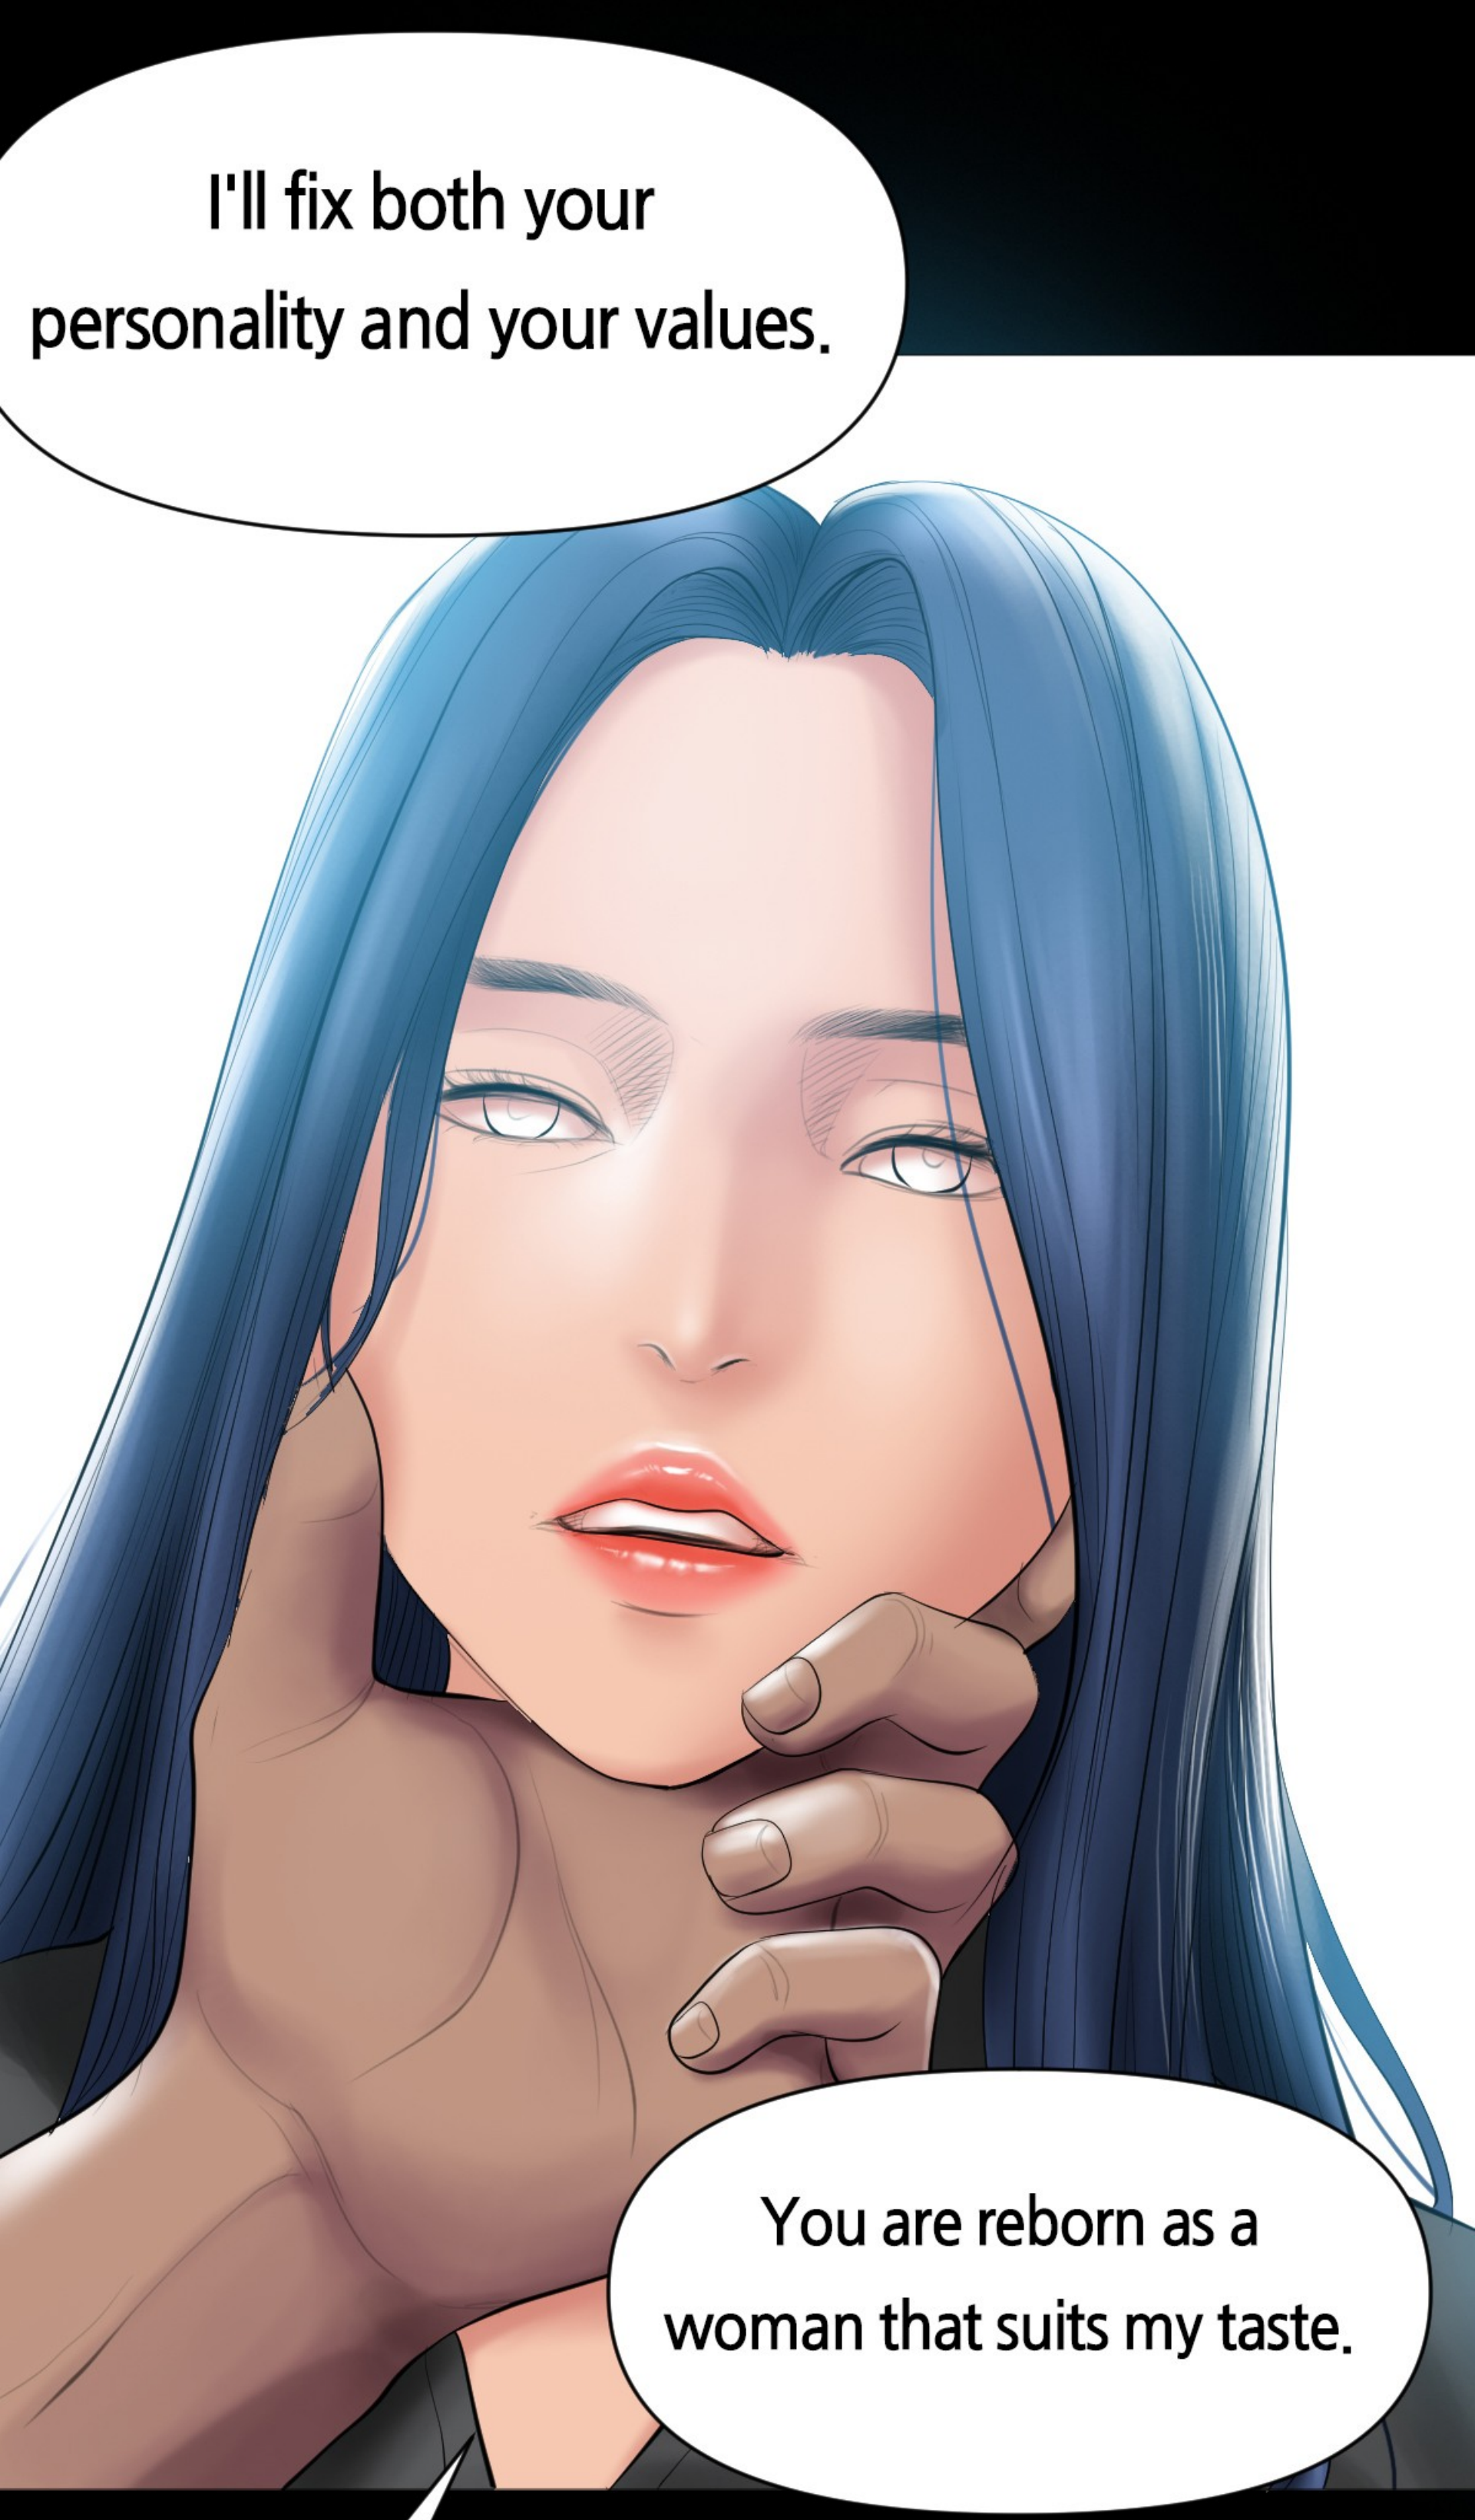

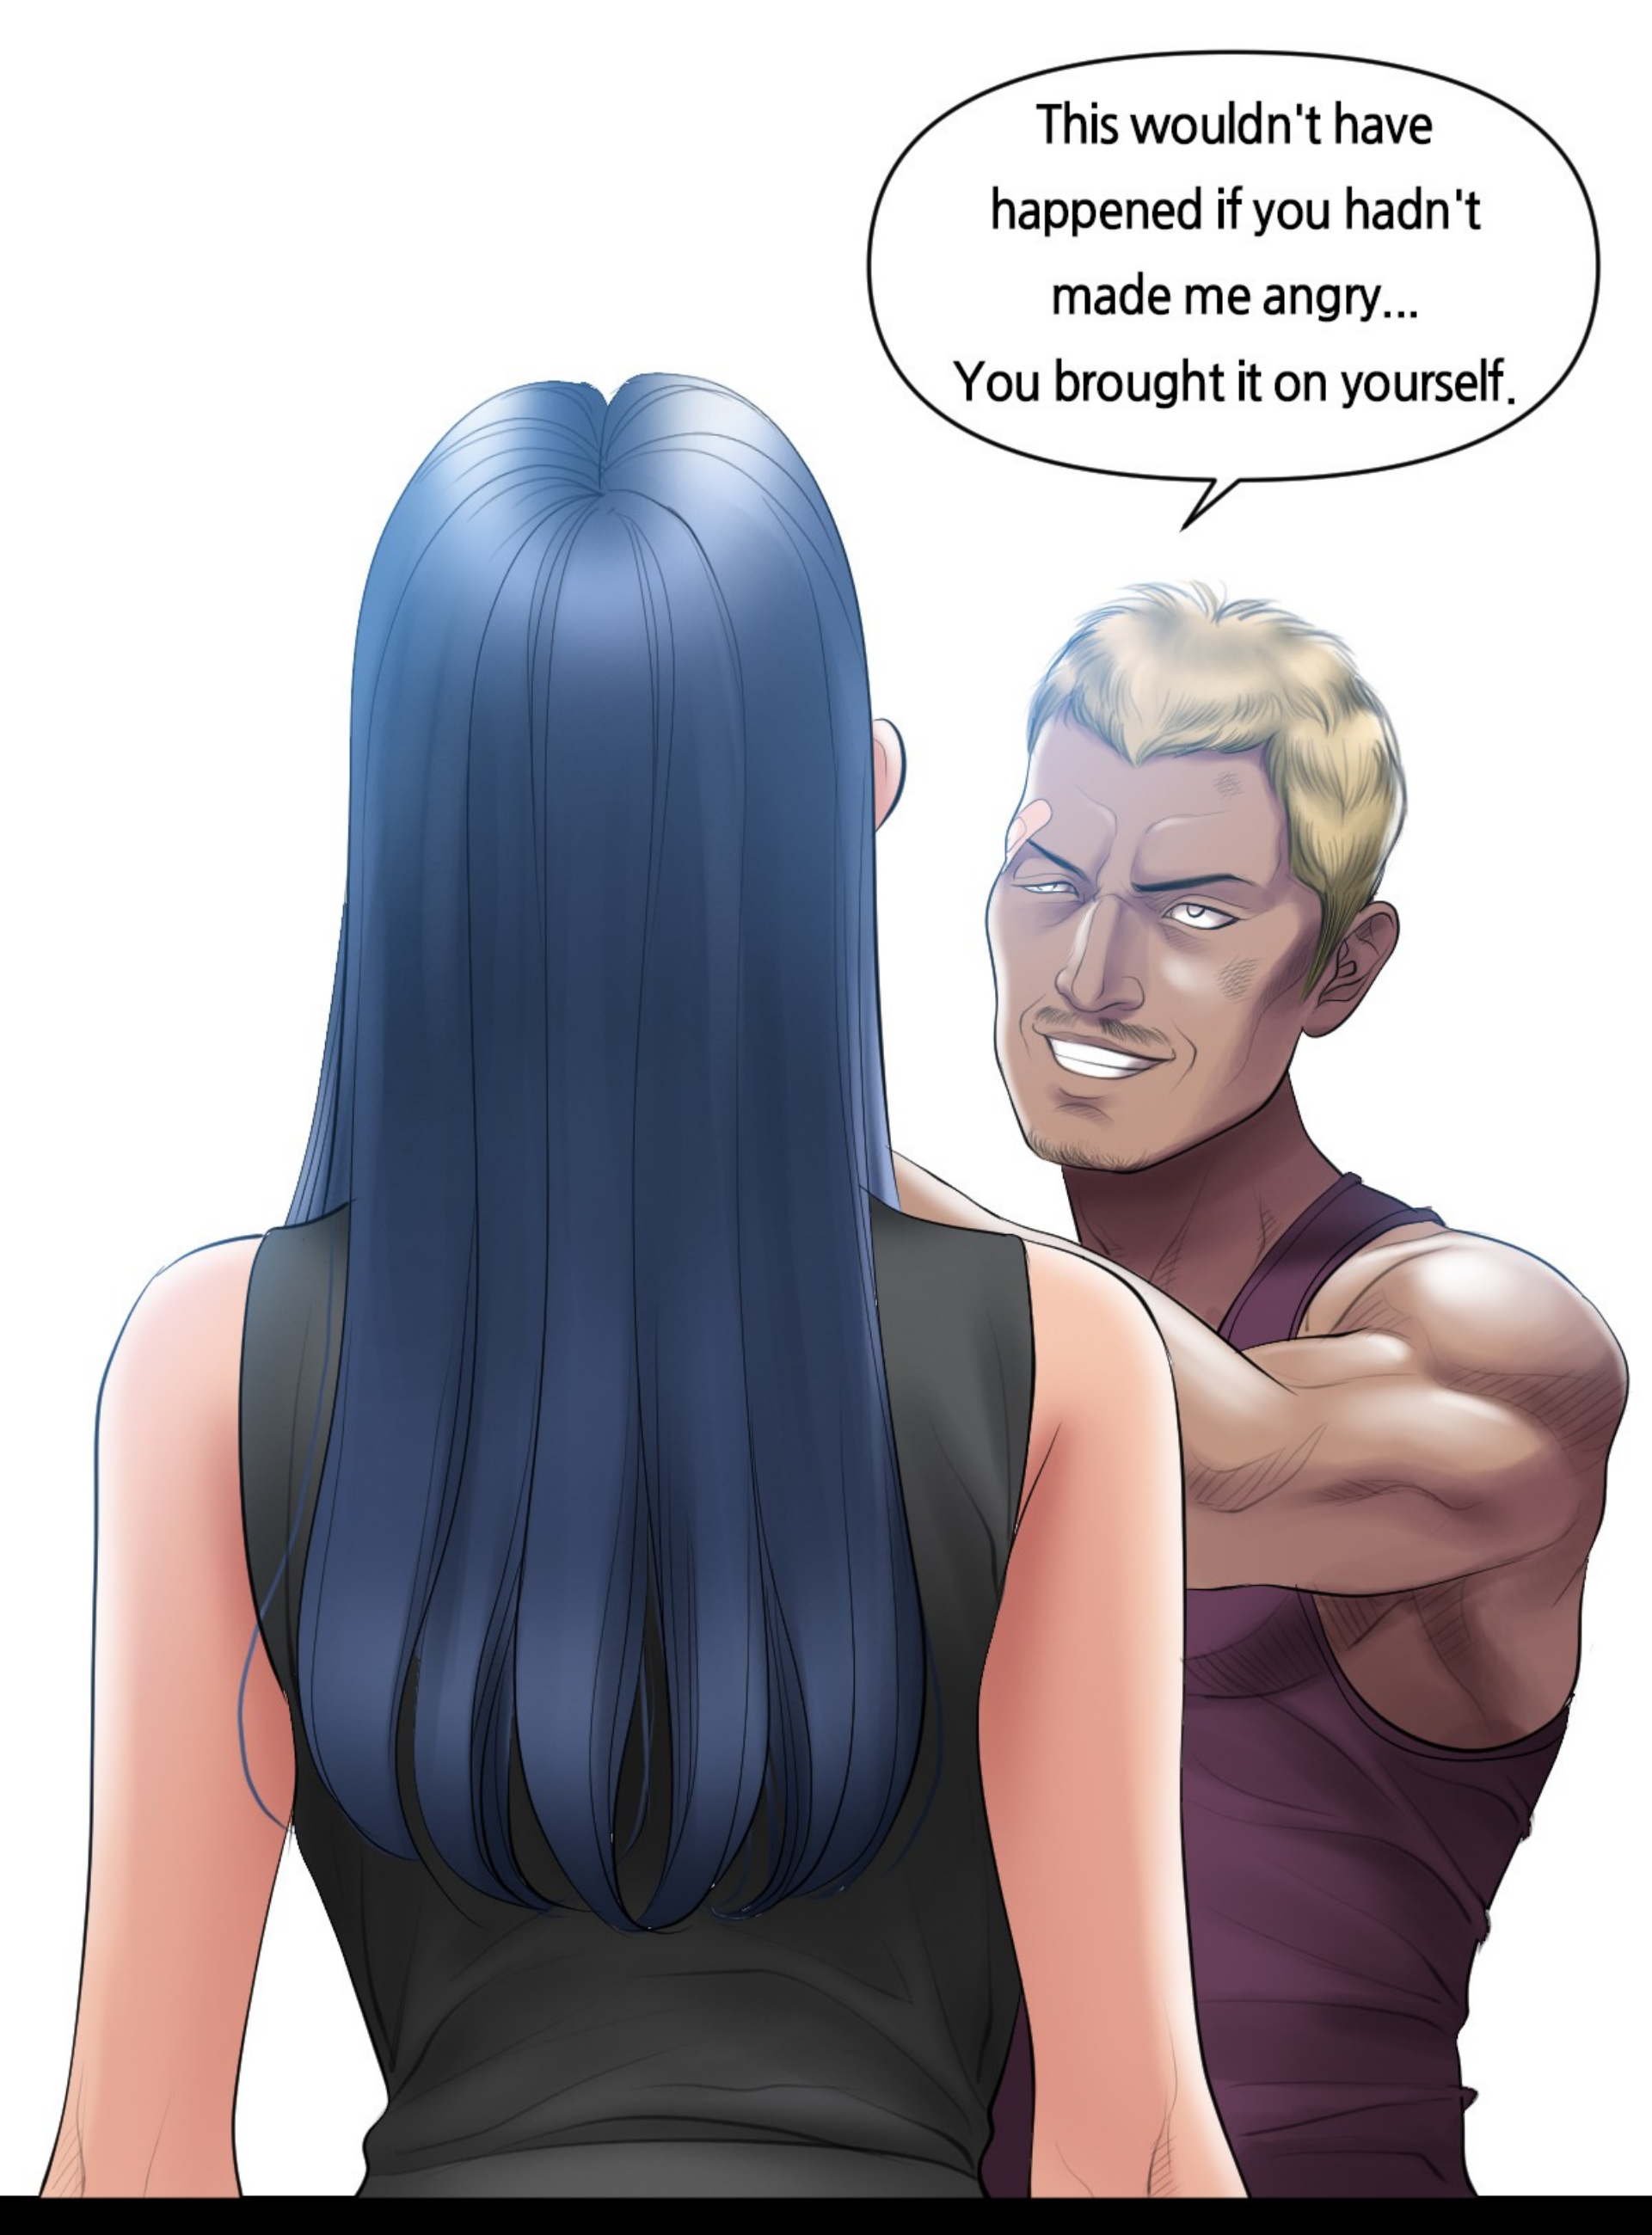

feels more ecstatic than
anything else in
the world

from today.
