

Come, let me introduce  
to you the latest of this  
super harmful  
product....attribute

This high-tech artificial vagina is the latest foreign product, and its main feature is that it is lightweight and comfortable!

After a boy wears it, not only can he hide his lower body perfectly, but it can even allow him to feel the pleasure of women. Transvestites abroad are going crazy!

Don't you know that the old dildo panties used to be thick and fake, making you gain weight when you put them on? They also felt plasticky and heavy!

Especially with your ass as plump as it is now, except for the one I have, there really is no better one  
Chosen!

Isn't it just a fake vagina that really has the magic of Azin? Always feel a bit too big That's not true!

And if it is really so harmful, where did Ajin get it? He couldn't have worn it himself. Let's get through it.....

Although my lower body is not majestic now, it is probably the average size of an ordinary man!

Is there really a way for me to hide that fake vagina panty? I really don't want to wear soft clothes....

Hmm... It's really light after I bought it. It feels smooth and a little oily. Feeling?

Let me take a look... there is a special tube for the cock inside, even the labia. It is very realistic!

hiss! Wait, this is much more than I thought! It's so loud...

put on

And when you put it on, the silky surface of the fake vagina will always touch your skin. It feels so weird...

Huh~ I finally put it on, it does look flat, there are no protrusions or unnatural places on the dick.....

Just look carefully and you can still see the bad side of sex, right? My swimsuit can't cover those areas, what should I do?

A person wearing a white dress shirt and a dark tie is holding a tube of liquid foundation. The tube is light orange with a black cap. The person's hands are visible, and they are holding the tube vertically. The background is slightly blurred, showing what appears to be a window or a bright area.

Okay~ How could I not have thought of this? I have brought you not only liquid foundation, but also a waterproof model specially selected for you!

I'll use a foundation brush to apply an even layer on it to make sure that edge disappears without a trace!

You see, the marks are gradually disappearing, it is almost impossible to see them at all!

smear

With this fake vagina, combined with your current good figure, you now look like a sexy beauty!

Wow! The original bulge is really invisible. The rain has wiped it away!

Now when I put the swimsuit on again, the camouflage of my lower body will be even more perfect.....

A woman with long, light-colored hair is standing in the center of the frame, wearing a black bikini. She has her hand to her face in a thoughtful or slightly embarrassed expression. In the background, a man in a white shirt and dark tie is looking towards her. The setting appears to be a modern living room with a patterned rug and a grey sofa.

Perfect, now no  
one will doubt  
that I am a man.  
GIVE  
birth!

Even Xiaoyi would never  
have thought that her  
boyfriend would be  
wearing a bikini!

It's just that I seemed too addicted to the pleasure of masturbating in women's clothing before, especially now that I'm still wearing this sexy swimsuit.....

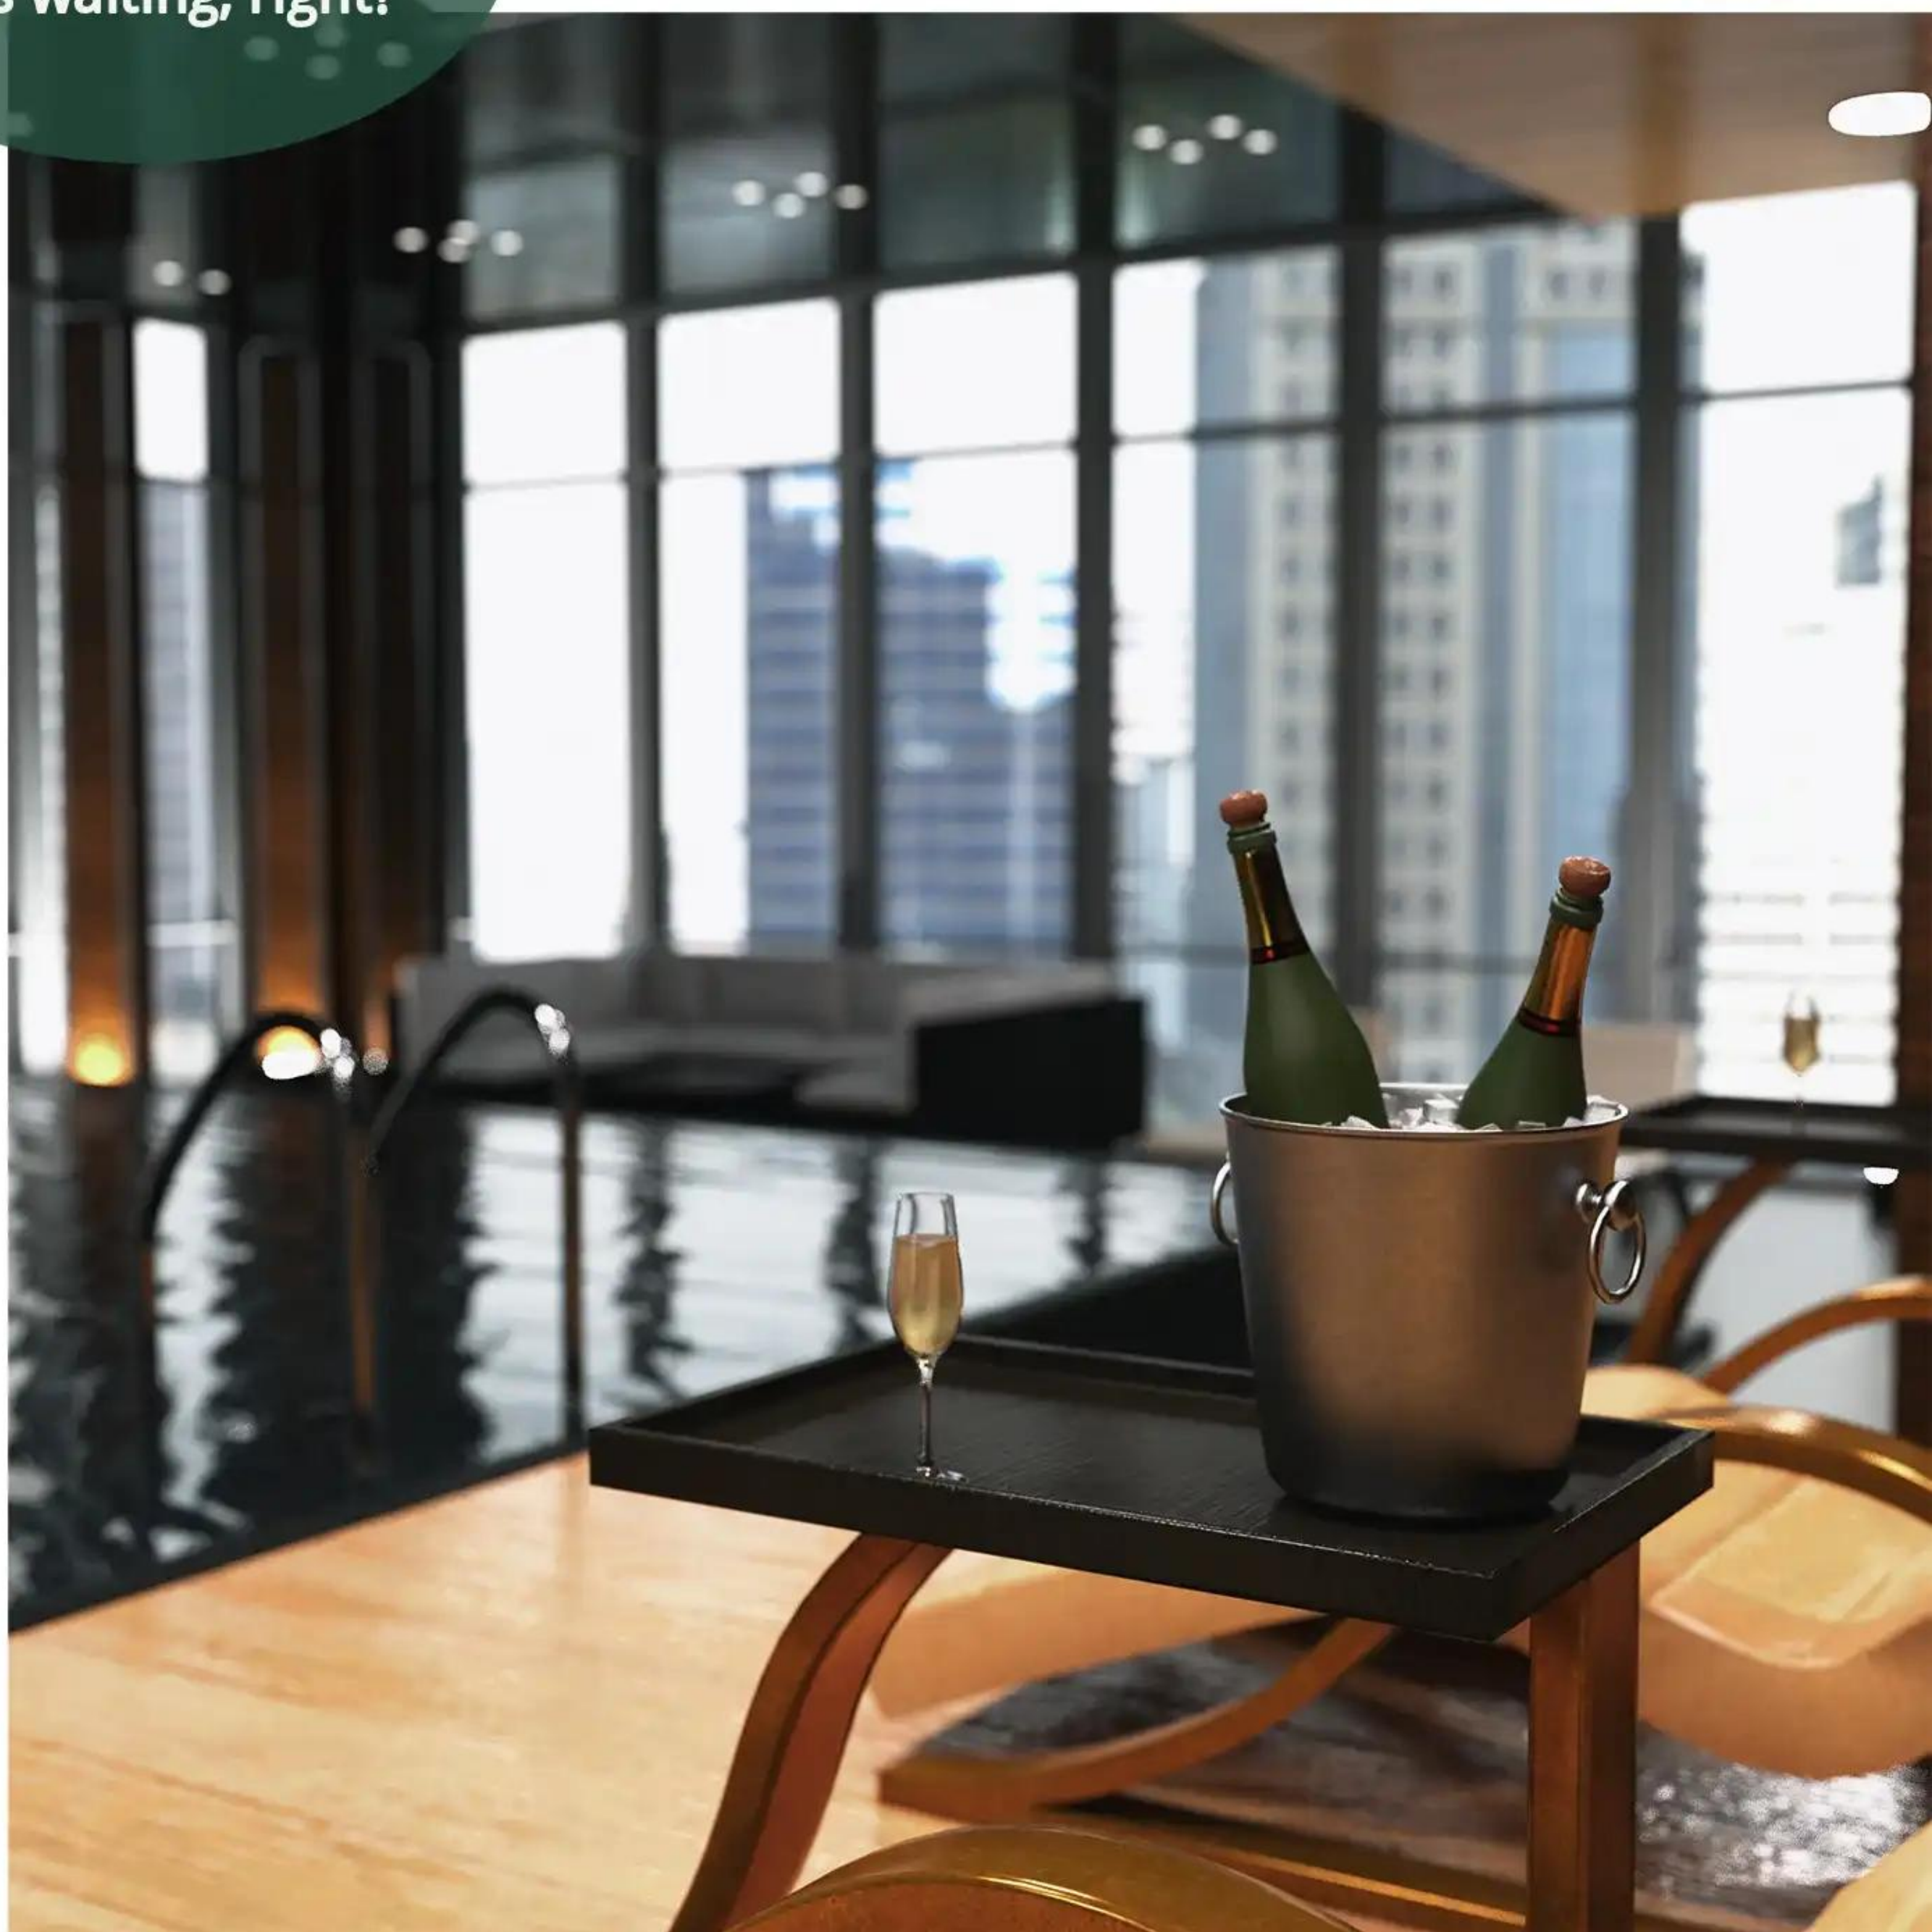

I have to hold back my desire for a while, otherwise I'm afraid I'll wear it out once I get an erection!

Okay, let's go then, Xiaoyi and the others might already be there Waiting!

Let's take a closer look and see what happened to Xiaoyi and the boy friend she brought. What's going on!

Oops, sorry, sorry,  
I didn't keep you  
guys waiting, right?

I accidentally stuffed my swimming trunks into the back of my suitcase and couldn't find them for a while, which is why it took so long, I'm sorry!

But it seems that we are very lucky. There are no other guests at this time, so the four of us booked the venue!

A woman with long black hair, wearing a red bikini, is the central focus. She has a confident expression and is looking slightly to her right. Her hands are clasped near her chest, and she wears a ring on her finger. In the background, a shirtless man is visible, slightly out of focus. The scene is set in a dimly lit room with warm lighting. There are several white oval shapes in the upper right corner, resembling a film strip or a decorative element. Two speech bubbles are overlaid on the image: one in the upper left and one in the lower right.

That's right! We are really lucky, now we don't have to worry about others hitting us!

But now I realize, sister Xiaojing, this bikini of yours is so hot and so harmful~ It looks so good on you!

Um? Oh, thank you,  
thank you, Xiaoyi,  
yours is also very  
beautiful.

I didn't expect this man  
to have such a good  
figure after taking off his  
clothes! Compared with  
him, my previous figure  
was too thin, damn it!

Now that everyone is here, let's get into the water. Some people there can't wait for a long time, haha!

Oops, Ayan, you have to forgive me. How can I be like that? I just like to bully others, huh!

Wait, that person  
named Ah Yan  
actually put his  
hand on Xiao Yi's  
shoulder? !

And Xiaoyi  
laughed and hit  
him like that,  
could they really...

A man with short, light brown hair is in the foreground, shirtless and looking towards the right. In the background, a woman with long, light-colored hair is wearing a black bikini top and yellow bottoms. The background is dark and out of focus, suggesting an indoor swimming pool setting.

Hahaha, not even Xiaoyi, even I can't wait. It's rare for four people to enjoy this big swimming pool to themselves.

Let's seize the opportunity today and let the fun go. You can't leave until you're happy, haha!

...well! However, the purpose of doing all this in disguise was to find out whether Xiaoyi had cheated on her.....

But seeing Xiaoyi being so close to other boys with my own eyes made me feel really uncomfortable!

Xiaoyi, is she  
planning to break up  
with me? Or, there is  
nothing between her  
and that boy. Is it  
me?

But how close do  
ordinary wing-sex  
friends usually get? But  
in my current situation,  
I can't question her as  
my boyfriend...

Hey, why are you sitting here all alone and looking miserable, instead of going swimming with everyone else?

Search  
and  
live

If you are wearing foundation and a fake vagina, don't worry, no matter how you move in the water, the broken ingot will not be exposed!

No, that's not what I'm doing. Anyway, I didn't come here just to swim.

oh? In this case, are you still angry about the fact that I was your boyfriend in front of Xiaoyi just now?

I will sue them like this to lower their guard, so that they can see what they are doing....

Are you taking my word for it?  
AI, AI?

This is the first time I have seen Xiaoyi's swimsuit. I felt so bad just now that I didn't even calm down to take a look.....

This swimsuit looks so sexy. I feel like I can almost see Xiaoyi's butt. I really want to open the fabric.....

Get up, I've been busy with women's clothing these days, and I haven't been intimate with Xiaoyi for a long time....

I really miss her soft and smooth skin, and the way she moaned softly on the bed.

hiss! No, thinking about the crossdressing and Xiaoyi, the desire suddenly reignited! I, I can't bear it anymore!

Um...Atsu, I-I'll go to a place!

....call! Azin and the others shouldn't have noticed anything, right? I almost had an erection in front of everyone  
The stuffing is exposed!

But recently, it seems that a new world has opened up. Once I put on women's clothing, it is difficult to suppress my body's desires. I want it anytime, anywhere....

A close-up photograph of a woman's midsection and hips. She is wearing black, thin-strap lingerie. Her right hand is holding a black vibrator against her body. The background is dark and out of focus.

I can feel that my cock  
is screaming under  
the dildo, wanting to  
be taken off.  
come  
out.....

But if I take off my  
dildo and masturbate  
now, wouldn't I have  
to put on foundation  
again? Is this too  
late?

Wait a minute, Ajin just passed by. This fake vagina can be connected to the penis to simulate female pleasure....

This means I don't need to take off the dildo, I can just wear it and use it masturbate?

A close-up photograph of a person's midsection and legs. They are wearing black, thin-strapped lingerie. Their hands are positioned to adjust or pull down the front of their black underwear. The lighting is soft, highlighting the contours of their body.

Ugh... I'm used to masturbating in women's clothing, but this is my first time using a fake vagina to masturbate!

touch

And maybe it's because the way I masturbate is to turn my penis into a fake vagina, I feel a new sense of shame....

Just looking at my appearance, I look nothing like a real girl, and yet I am secretly masturbating like this.....

It's like I took that beautiful woman's body and played with a girl's private parts without permission. I feel like I've become even more bearish!

Not to mention that this is a public space with people coming and going, and I actually masturbated in a place like this.....

Tear  
and  
touch

If Ajin, Xiaoyi or anyone else sees me, I will be regarded as an exhibitionist pervert. She's a girl!

Uh-huh! It's so shameful but it's so easy to turn into a bear, it's so bad, it's so good!

It's obviously just rubbing the outside of the fake vagina, but it already looks like masturbating!

I can't stand it anymore.  
Once I get sexually aroused,  
I don't want to worry about  
anything except  
masturbation.

Yes!

At first I was very  
resistant to inserting  
my fingers into a  
fake, but now I can't  
wait to feel the taste  
of a girl's pussy!

Woohoo! Fingers,  
fingers were inserted,  
and the fake vagina  
sucked the fingers  
firmly....

insert

The tip of the  
finger seemed to  
be touching the  
cock inside.....

Ugh.....But that feeling of being touched and not being there is so torturous!

It seems... I have to go a little deeper to reach it, but my fingers have reached their limit.....

Damn it, this kind of pleasure is far from enough!

What should I do? Do I have to take off the fake vagina?

If you don't need this  
hemp, it's because you  
haven't mastered the  
lack of...

The structure of this  
dildo panty is  
precise, so you can't  
feel pleasure just by  
messing with it  
haphazardly!

How to use this dildo to  
masturbate and  
produce female  
orgasm-like pleasure, let  
me tell you  
Let me  
teach you!

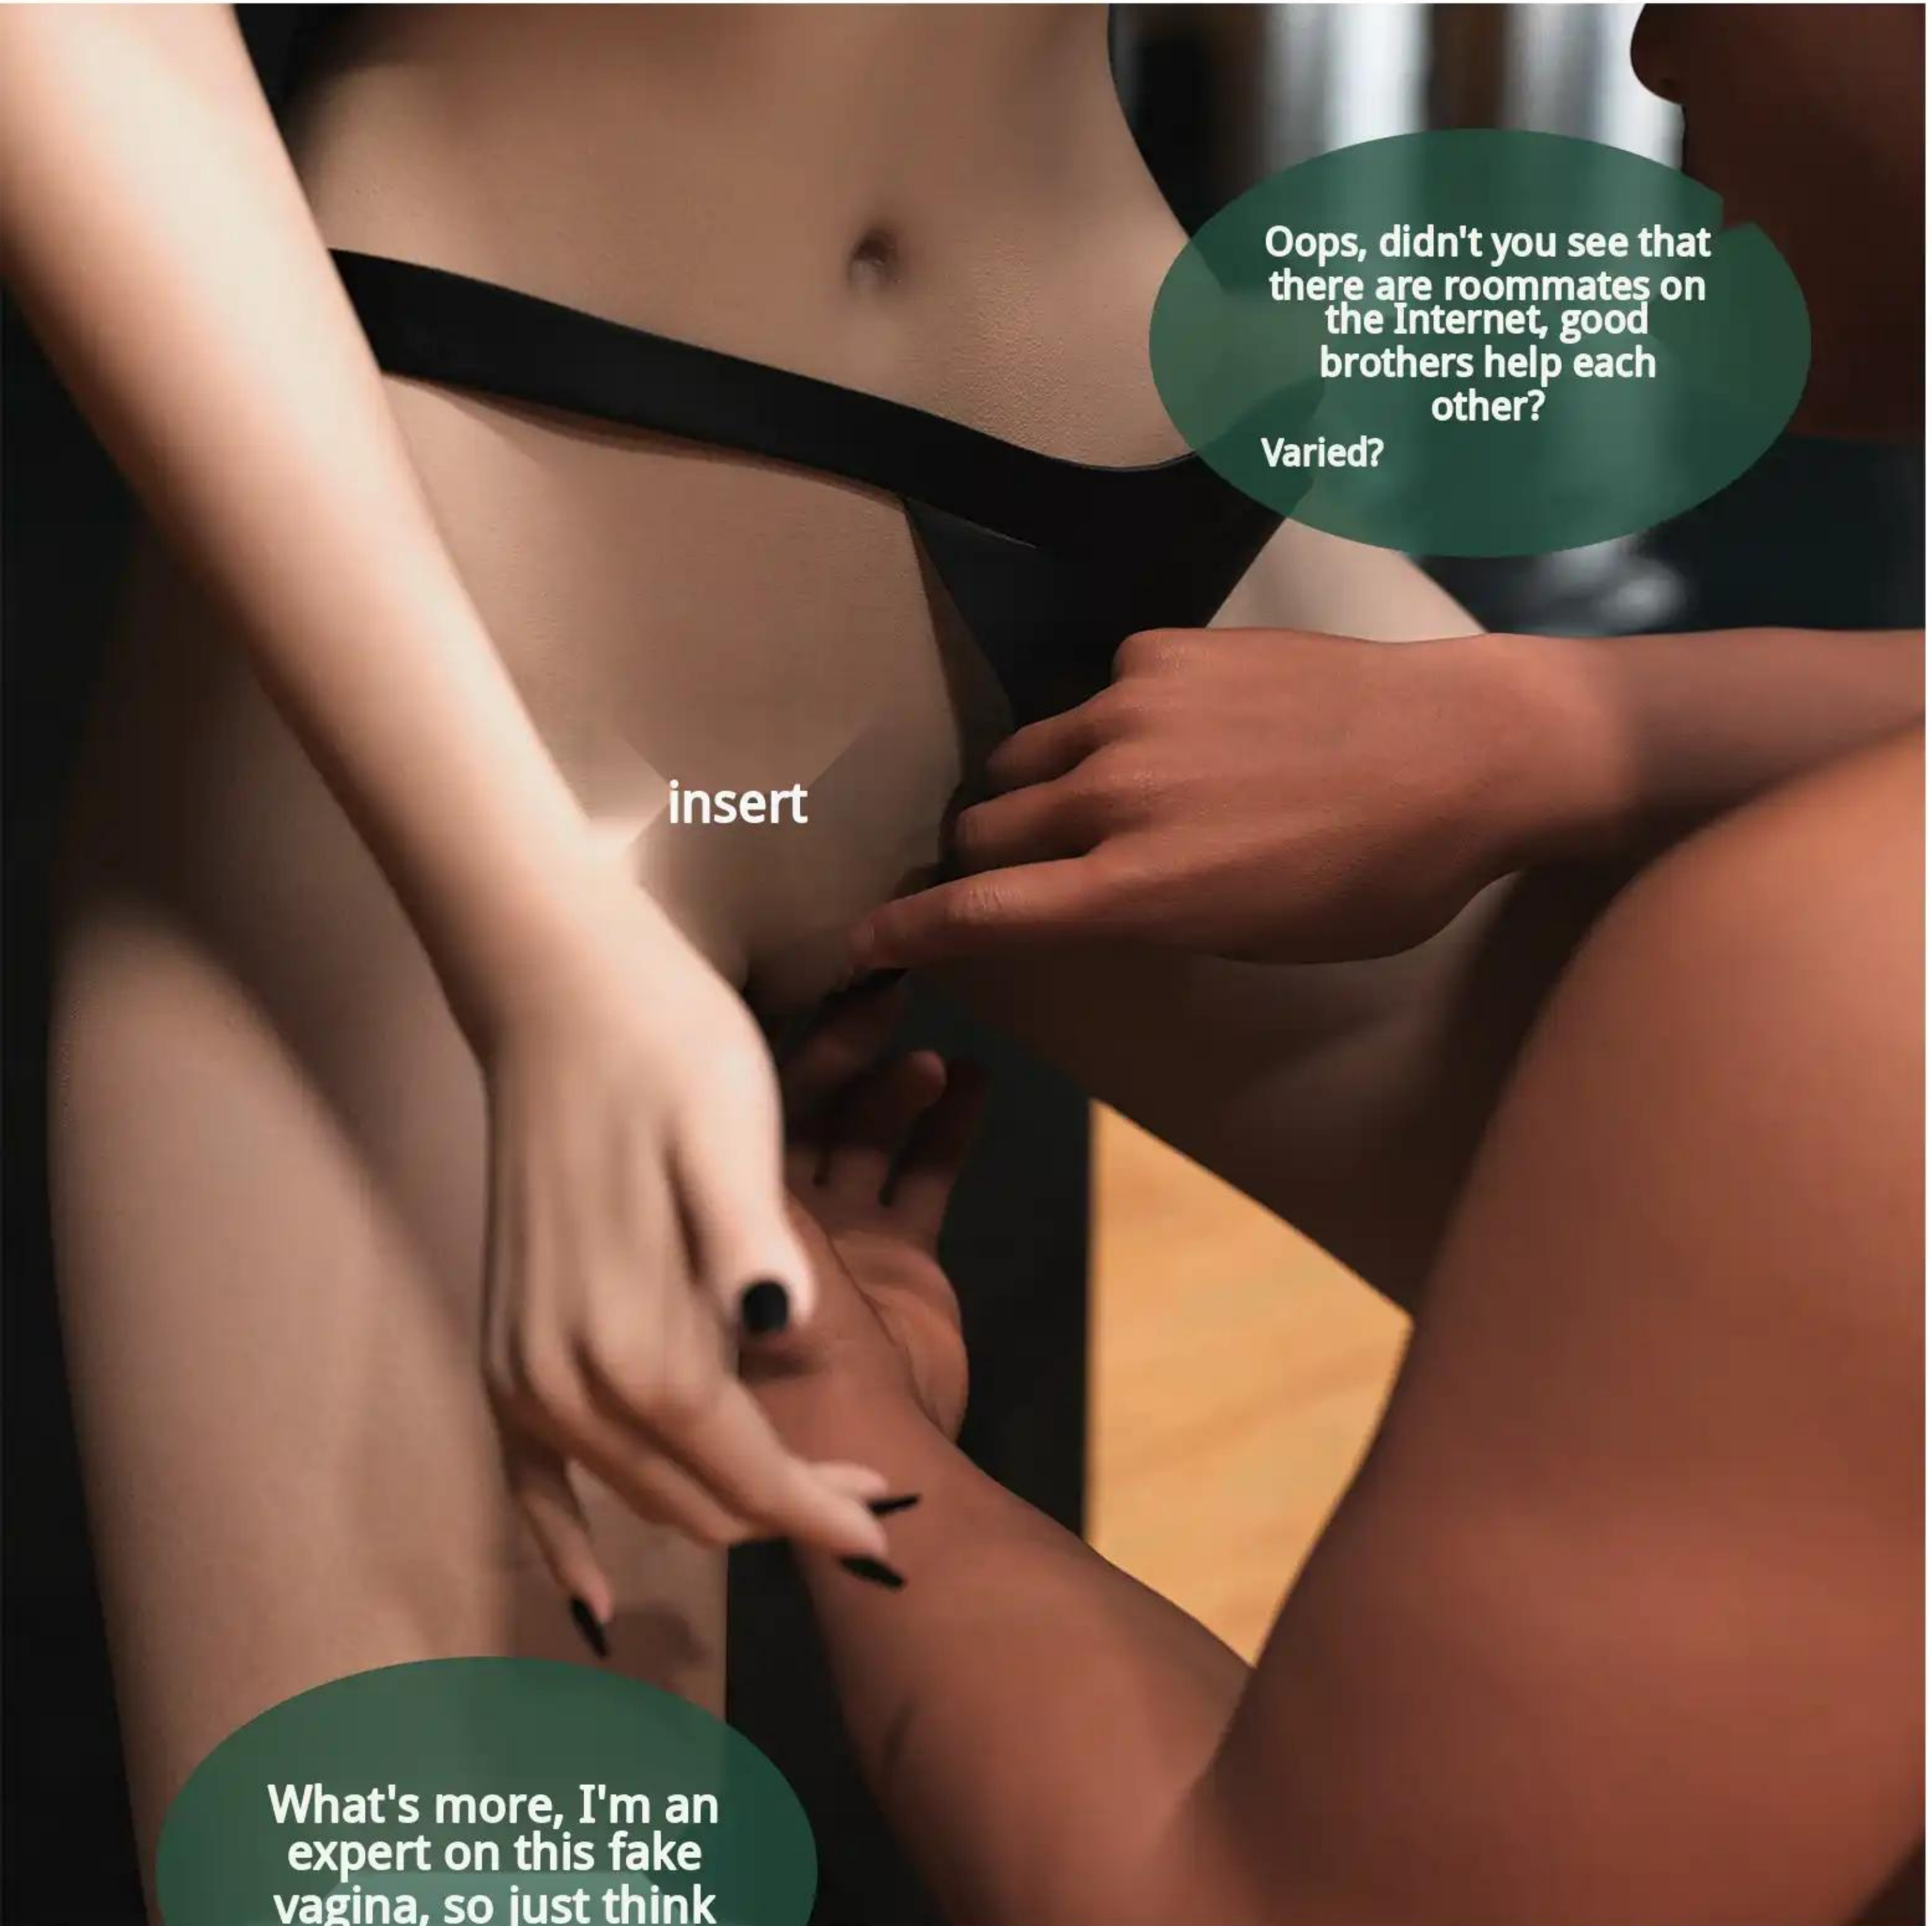

ah! Azin, when  
did you come  
here?

You... you  
see me  
here... here...

A woman with blonde hair, wearing a black bikini, is standing and talking to a shirtless man whose back is to the camera. The scene is set in a dimly lit room with vertical light streaks in the background.

Isn't this because you haven't been back for a long time? And it's just to teach you how to play with a fake vagina, not to help you get sex!

But, but, it's a bit too weird for you to teach me how to play this.....

Oops, didn't you see that there are roommates on the Internet, good brothers help each other?

Varied?

insert

What's more, I'm an expert on this fake vagina, so just think of this as a tutorial!

A photograph of a man with short brown hair, shirtless, looking towards the right. In the foreground, a woman's legs are visible, wearing a black bikini bottom. A white, realistic-looking fake vagina is attached to her legs. The background is a warm, textured wall.

Come on, feel it for yourself, insert your finger into this part of the fake vagina, and then press it up.....

At about this point, you will touch the tube that discharges the vagina. If you rub it here, your head will feel the pleasure of being sucked. Do you feel it?

Uh oh oh oh!  
Wait, it's so, so  
exciting and  
refreshing there!

Hehe, and you can put  
your other hand between  
the buttocks and press it  
with the outside, which  
will make it even better!  
Come and try it...

I took off Ningshi's swimsuit, and I tell you it was the ultimate pleasure!

Wait, wait, Azin,  
it's not good for  
us to be here in  
the rain, right?

In case someone  
passes by and  
sees it, or Xiaoyi  
and the others  
come over.....

Look around, is there anyone else here? As for Xiaoyi and the others, they are having fun in the swimming pool, so don't worry!

What's more, do you think that based on your current situation, there is still a way to do it again? Bear it?

, look at this round butt, it's hard to believe that this is a boy's butt!

Sure enough, the effect of the drug was harmful. When he put on the fake vagina pants, he was already a sexy and slutty woman!

Put your fingers in from this position. Can you feel the feeling of your lower body being penetrated and being restrained?

thrusting

Then, by raising your knuckles in this place, you can rub your head with your fingertips and rub the roots with your fingers.....

Hmm... Hmm... It feels so strange, but, it feels so comfortable!

Wait, that feeling of being tugged on your dick and being fucked is so, so exciting!

Wait, wait a minute,  
Atsu, I have...I don't  
have the strength to  
stand anymore, it's so  
good.....

Let's, let's just play here  
first, and if we continue,  
it feels like something  
will happen.....

Oh, are you sure? You probably haven't climaxed yet. Don't you want to experience the pleasure of a girl's orgasm?

This...I have indeed not climaxed yet...but...but.....

My head was all messed up by the pleasure, and Ajin was obviously familiar with it, but when I looked at him, I felt a little red for no reason.....

I really want my body...but if I continue like this, I feel like I will cross a taboo boundary...

Azin and I have been friends for many years. He has helped me a lot, even though my father is unmoved by his bad attitude...

Do I really want to put aside my years of friendship with him just for the sake of temporary pleasure?

A man and a woman are standing close together, looking at each other. The man is on the right, wearing a white t-shirt and dark pants, with his hand on the woman's waist. The woman is on the left, wearing a black dress with a white collar, and has long black hair. The background is a dark, textured wall.

What's more, I still have Xiaoyi! Zou Azin's behavior of playing with the fake vagina always feels like betraying her and betraying our feelings...

And come on, the reason why I started dressing up as a woman was not to find out whether Xiaoyi betrayed me?

And Dad, he has already been suspicious of my changes before. If...if I really experience a female orgasm.....

Dad, who values masculinity the most, will definitely find something is wrong, and then it will be difficult to end it...

Yes, I can't forget that  
just like I thought when  
I started taking the  
medication, this is all  
just a temporary  
change!

I will change back  
soon and return to  
my normal male life.  
I can't sink here.  
Go!

Azin, let's stop first. If we continue playing like this, I always feel like there's still something weird.....

But thank you for teaching me how to use this fake vagina. When today's business is over, I will clean it and return it to you.

ah? ! This, that's  
it, okay, since  
you're like this,  
let's get this  
first....

I think Xiaoyi and the  
others have almost  
finished playing. Why don't  
we go back to the room  
first?

You can still hold back your desire without sinking. It seems that I underestimated your willpower...

But it doesn't matter, there will be opportunities for you to overcome obstacles later, let's take our time haha!

By the way, why am I sharing a room with you?

Logically speaking, shouldn't all rooms be divided according to gender? Xiaoyi and I will live together?

If you, Xiaoyi, share a room with that man, if they really get into trouble, that's not....

Isn't this because you are afraid that you will know how to wear something when you change your clothes, and Xiang Xiaoyi will find out?

What's more, the soundproofing of this store is average. I specially chose the room next to them, so we can detect any movement immediately!

ah! So that's it? As expected of you, Azin, you are more thoughtful than me!

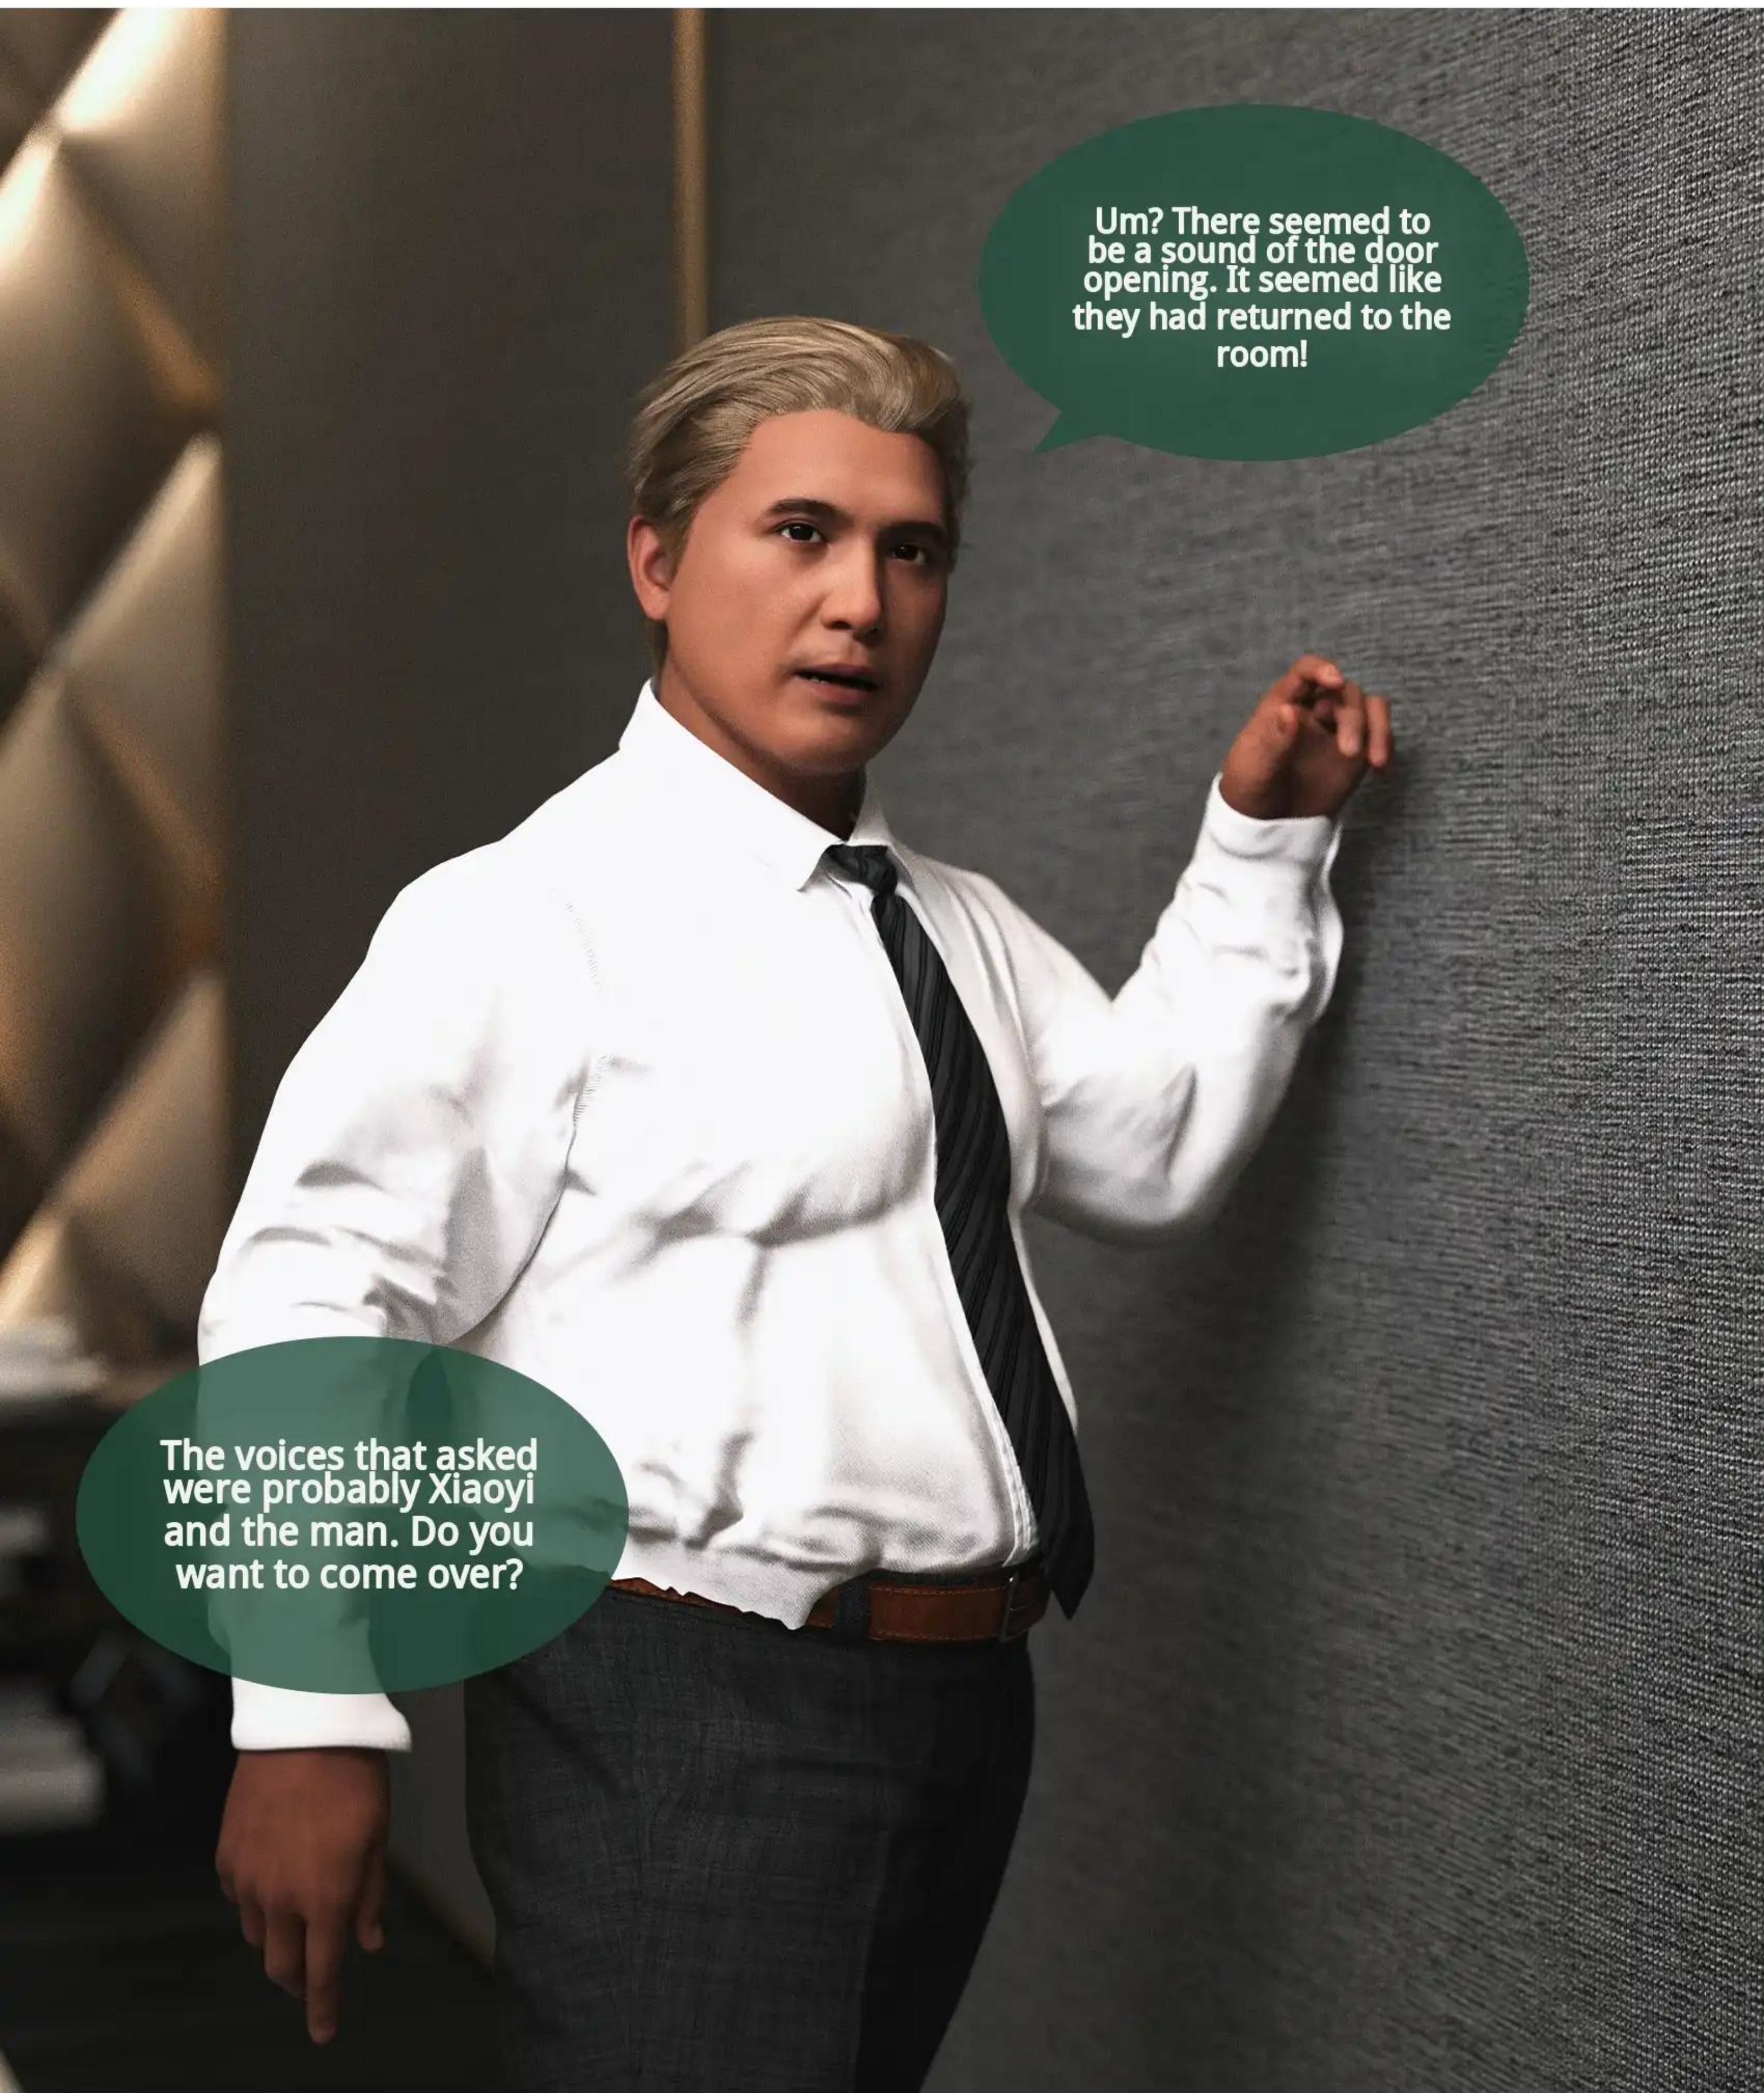

I didn't expect you to even think about this. Without you, I really don't know what to do!

According to the floor location map, their room is on this side. On the other side. ....

Taste

You, this wall is so thin, if you pay close attention to the sound next door, you can almost hear it clearly!

Um? There seemed to be a sound of the door opening. It seemed like they had returned to the room!

The voices that asked were probably Xiaoyi and the man. Do you want to come over?

real? Can you  
hear the sound of  
them raining?

I want! I want to  
know if Xiaoyi has  
done anything  
sorry to me!

trot

Well...it's a bit vague, but it is indeed Xiaoyi's voice, she, she is...

Hee  
hee...please...I...don't  
have...an  
egg...

Damn... my favorite... I... don't want... him... hahaha!

Hiss... Damn it, I don't know what they are doing, but Xiaoyi is smiling so happily!

Are they cuddling and hugging each other like they were in the swimming pool?

Did that boy take the opportunity to eat Xiaoyi's tofu again? And Xiaoyi laughed so loudly, could it be that she was enjoying the other person's behavior?

Damn it, does that man know that Xiaoyi has me as her boyfriend?

And Xiaoyi, how can she be so close to other boys when she already has me?

**No, I must find out  
what the relationship  
between Xiaoyi and  
that man is!**
