

But I'm exhausted! Haha~ I'm still so sleepy, I can't help it after struggling with the old man all night yesterday

Made with 

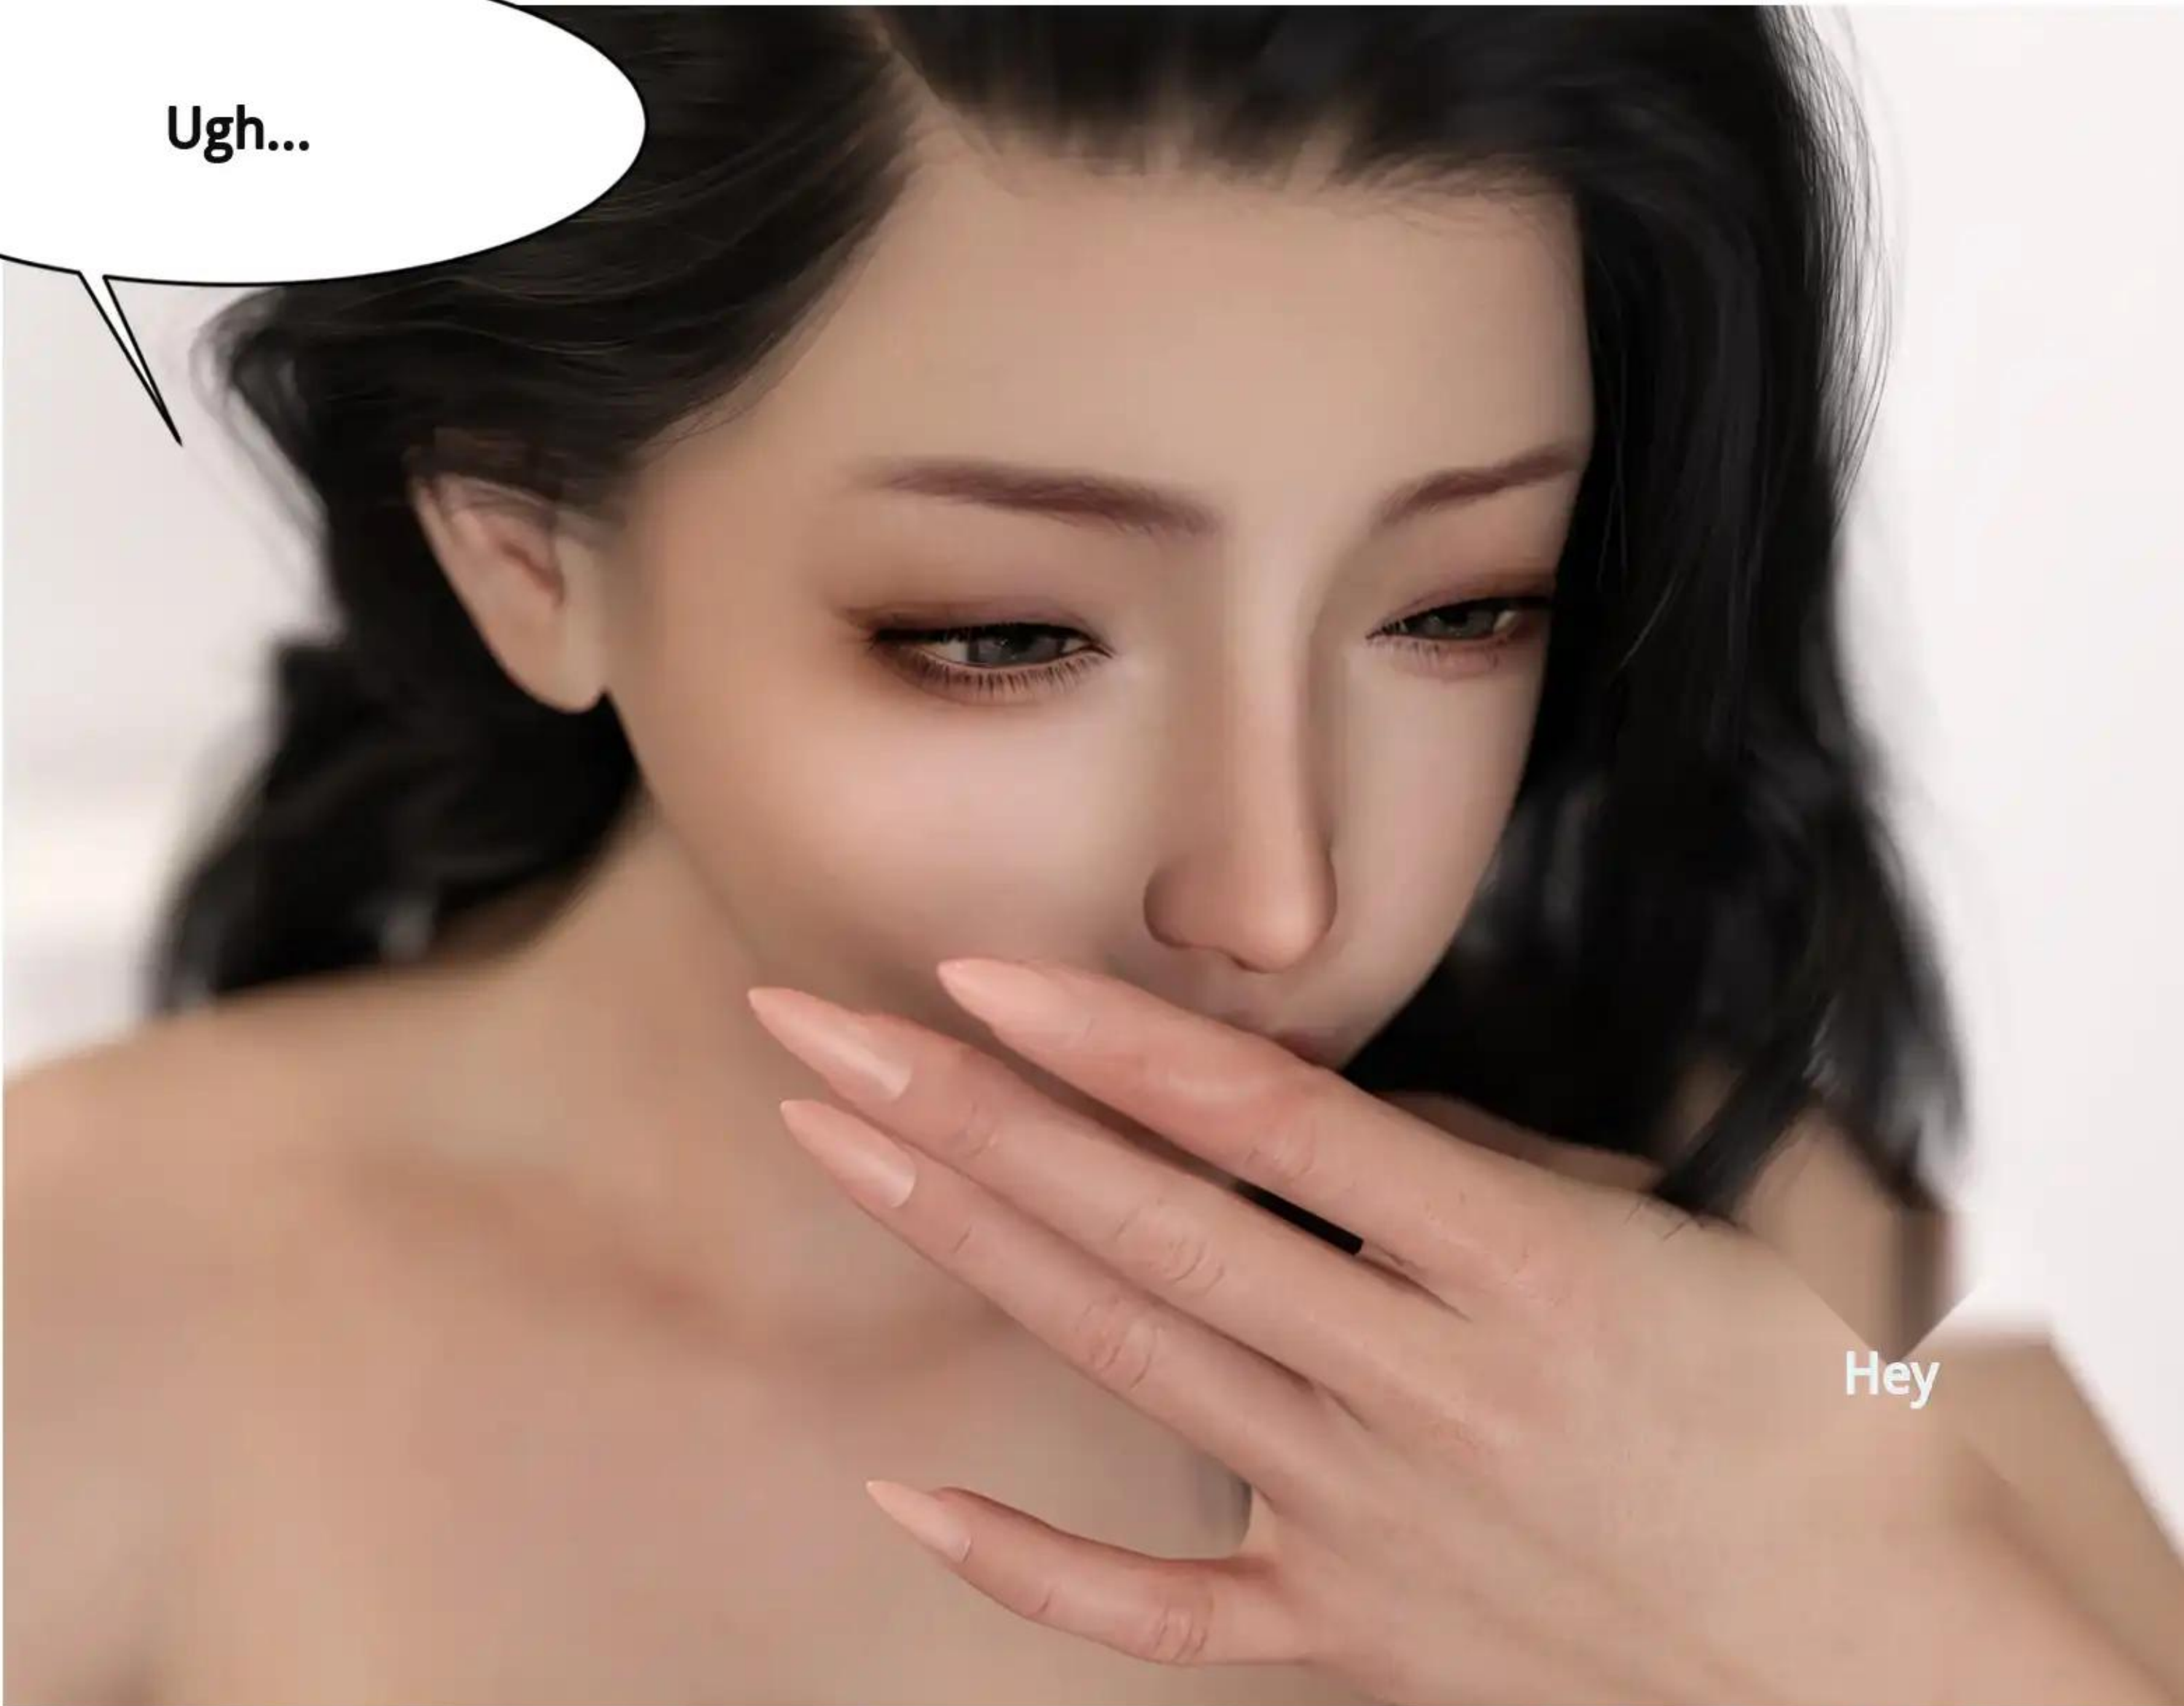

If possible, I really want to remain a mature woman for the rest of my life! The sexy body of my aunt is wearing it! Hehe, Lao Zhou will never get tired of playing with these fucking breasts.

Calculating the days and menstruation, I'm already several days late. I've been feeling that my breasts have been swollen lately.

Ugh...

Hey

What's wrong with me? Could it be... Ouch... Why do I suddenly feel like vomiting?

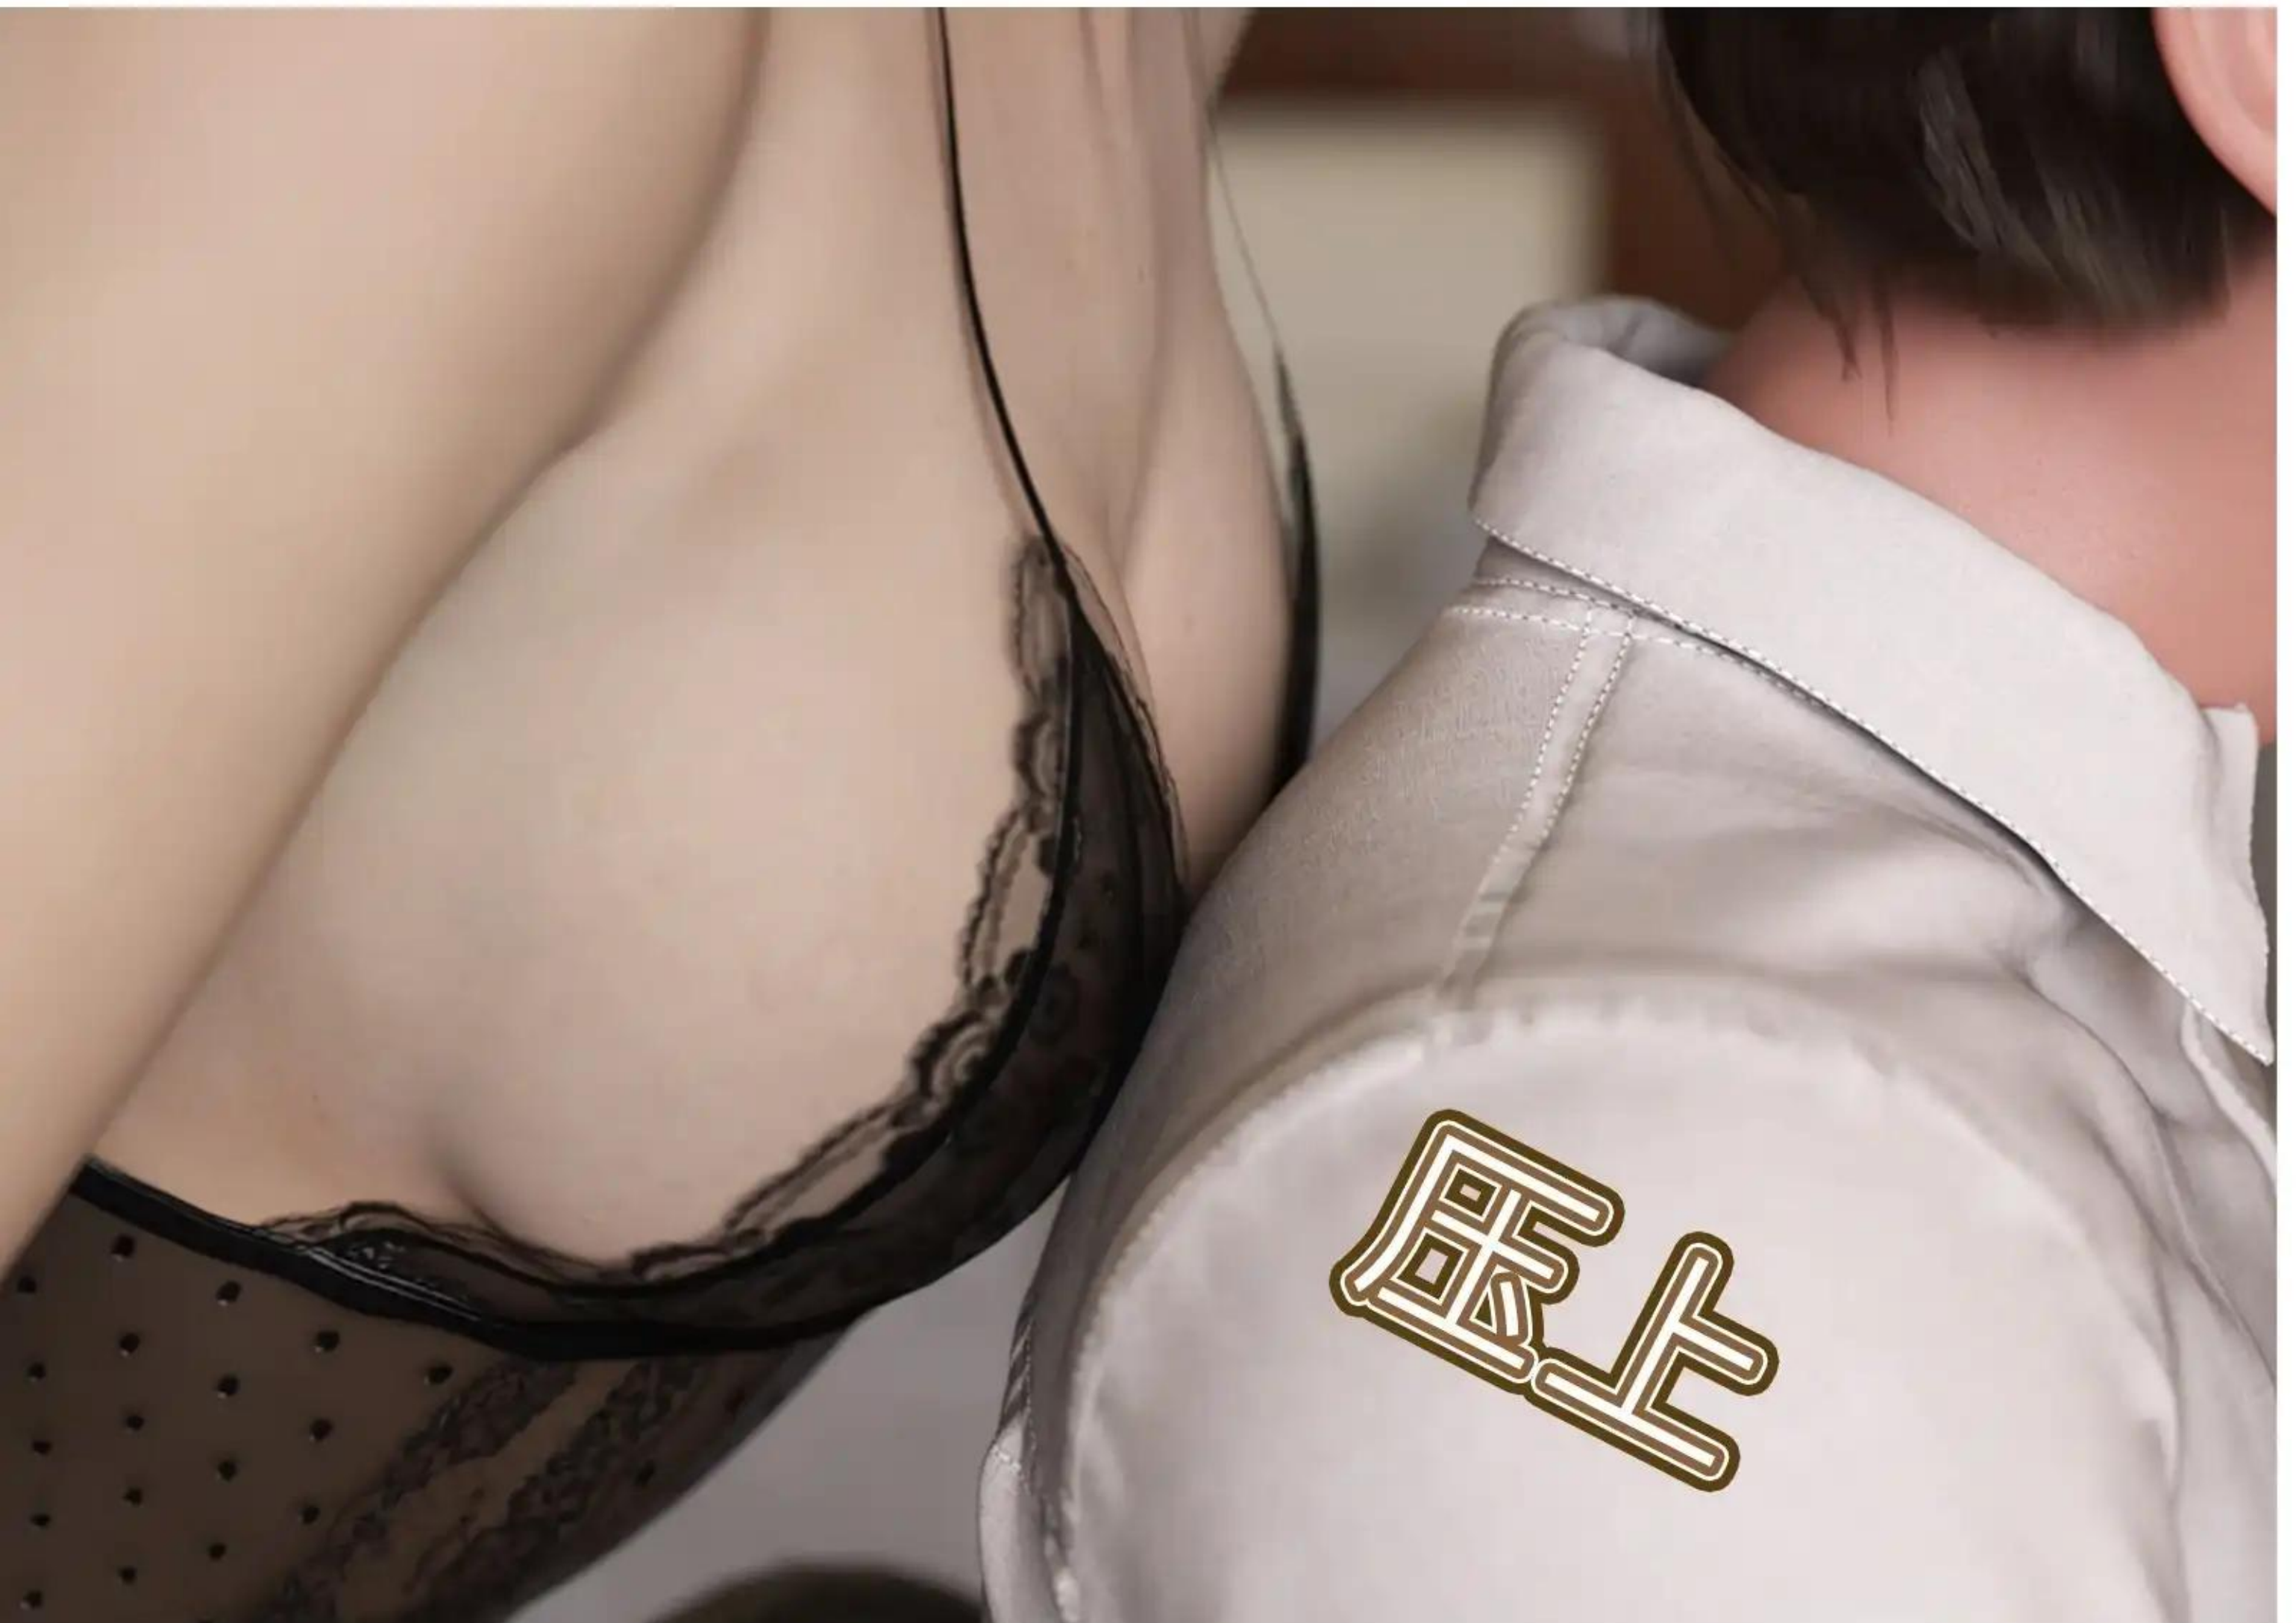

No way?
Please don't
be what I
think.

It's time for him to get up too, right? Isn't it almost time for school? My dick is swollen... Where is Lao Shao? I'm so tired. I watched my parents having sex and masturbated all night long.

That guy might be masturbating with his mother's body! Huh, I'm so envious

I have something to show you! Something big happened, Old Zhou, Old Zhou! You, you, come here quickly !

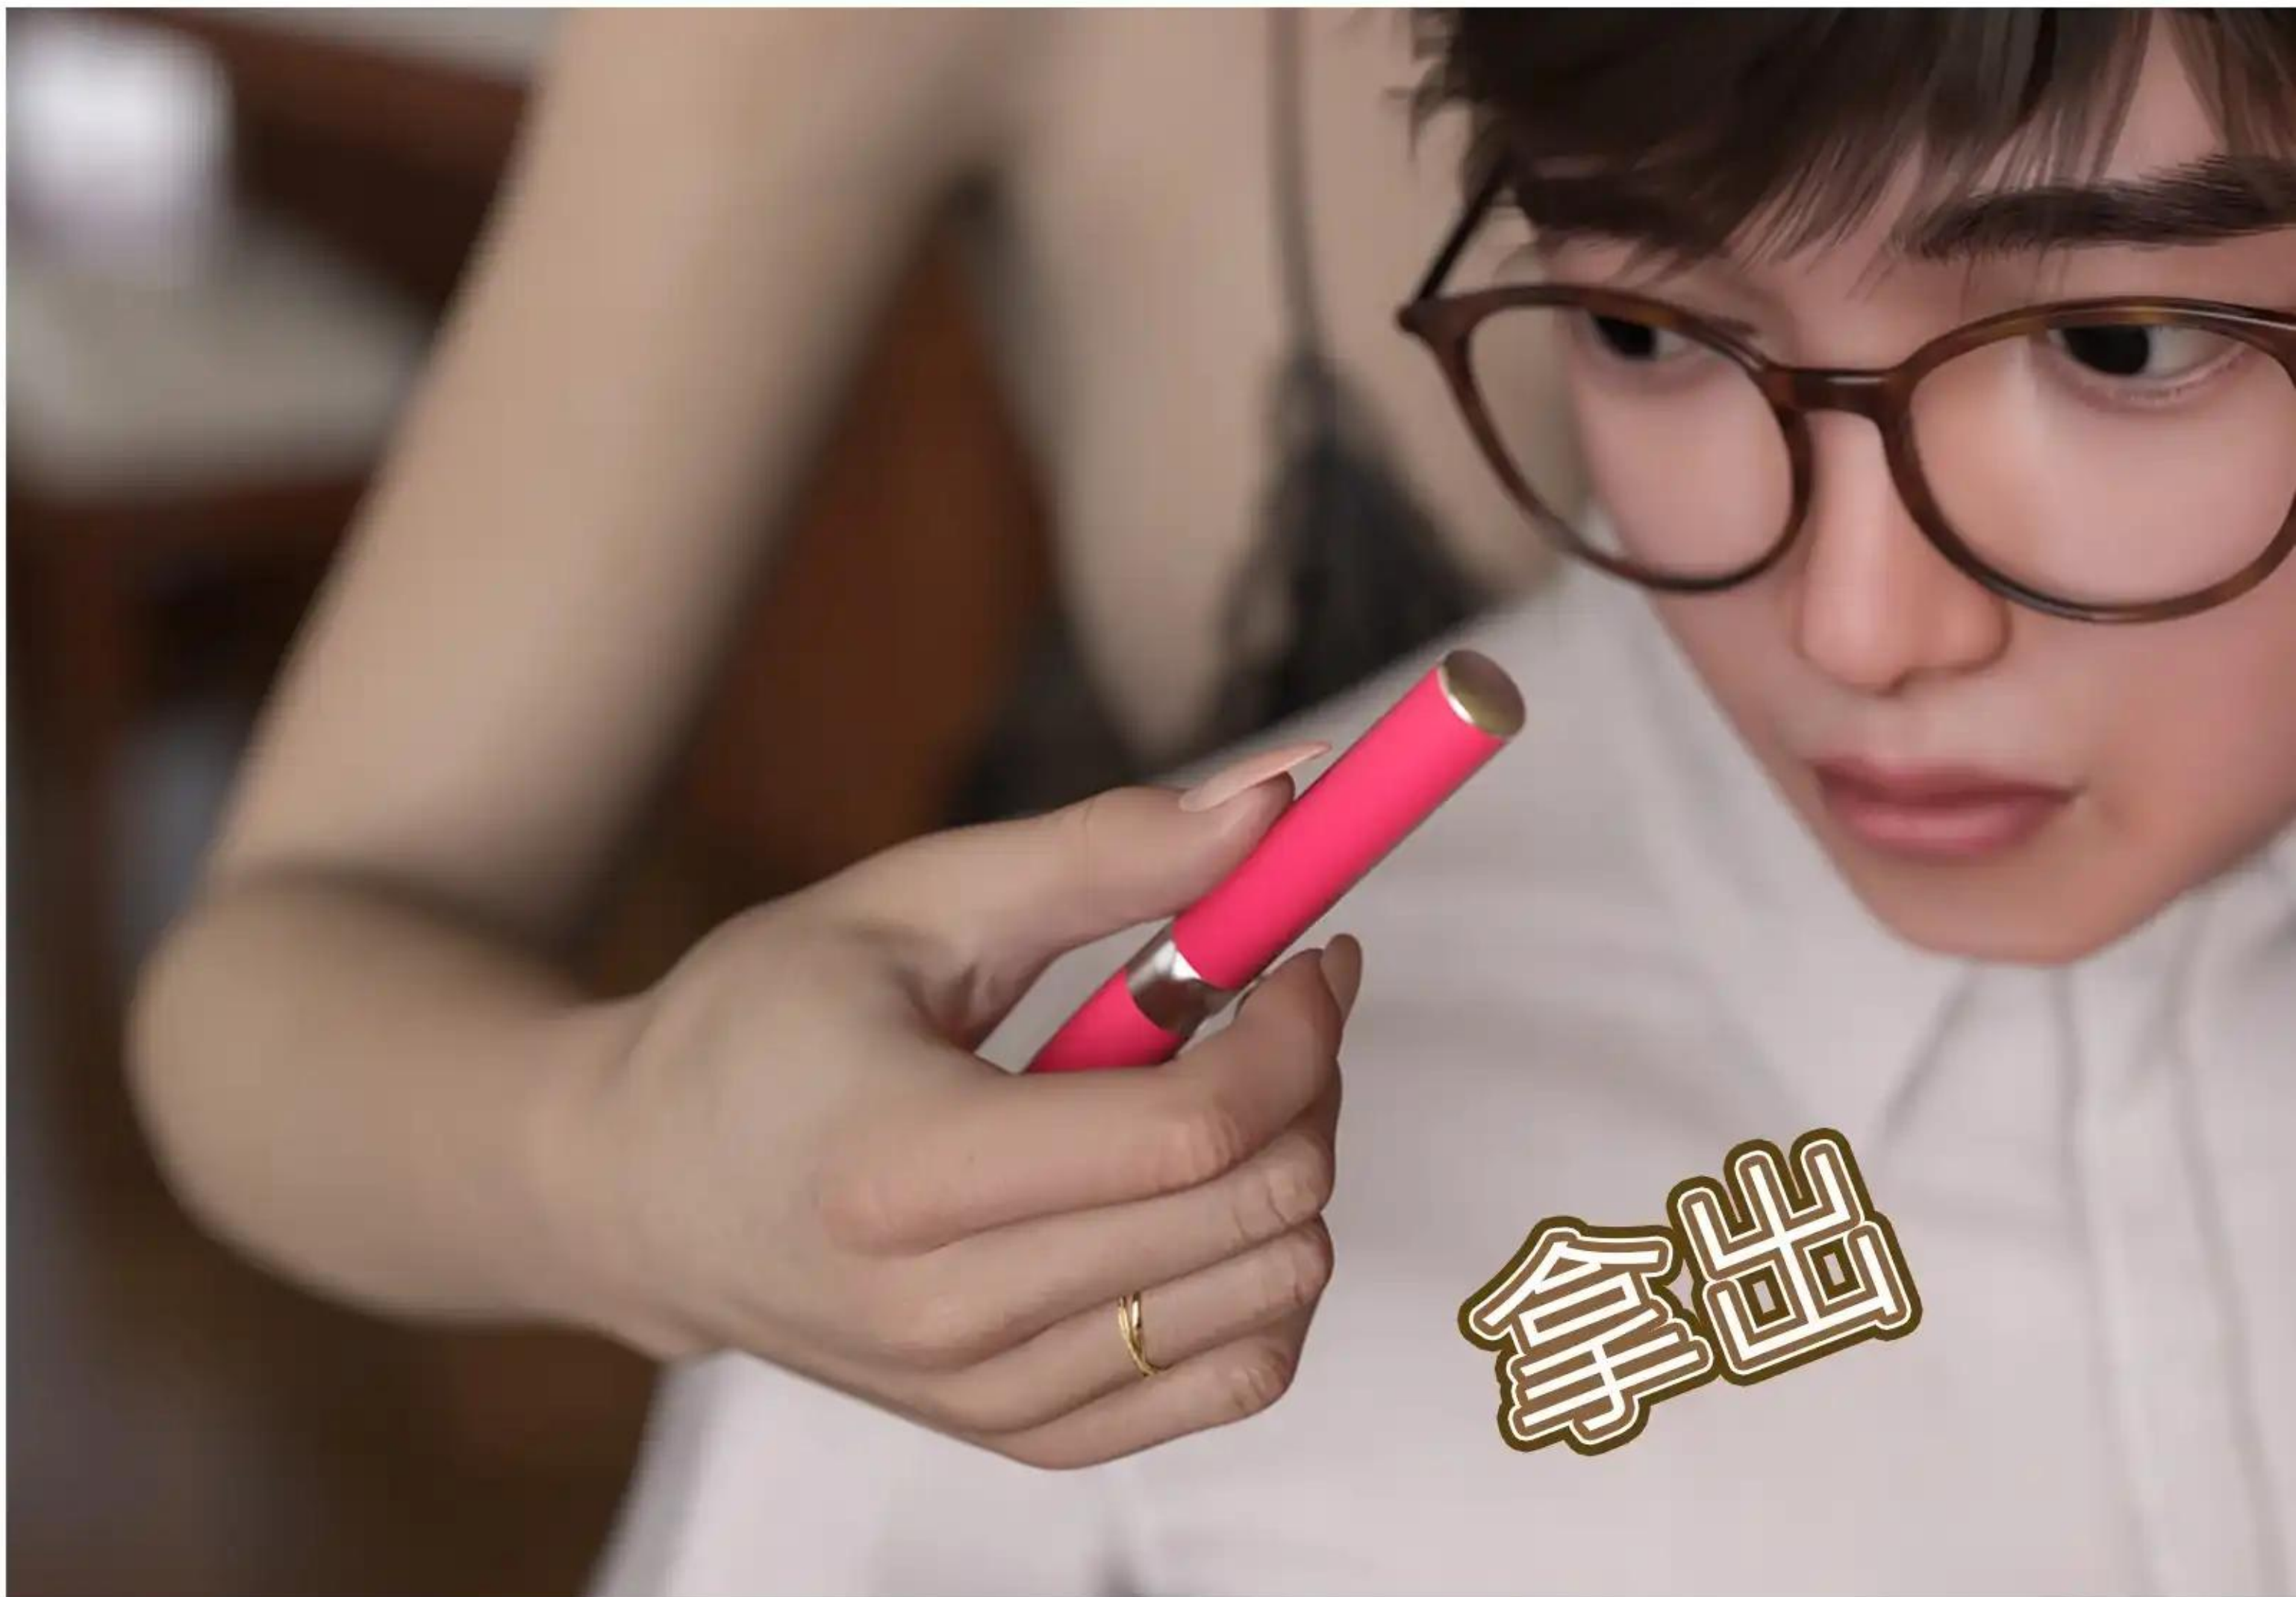

Wow, why are you crazy, Lao Shao?? I don't have time to fool around with you! I'll be leaving for school soon

Tits, tits! I can feel my mother's breasts pressed against my back: ah, they are so soft...please press them a few more times.

Look at this... don't panic yet! No, something really happened this time

拿出

Holy shit... this, this is a joke, right? How can there be such a thing in the world! Lao Shao? Are you trying to tease me again? I...I won't be easily fooled by you!

A woman with dark hair styled in an updo is leaning forward, looking towards the viewer. She is wearing a black lace bodysuit with a polka-dot pattern. The background shows a window with a view of a city skyline at dusk or dawn. A speech bubble is positioned in the upper right corner of the image.

Maybe this is one of
them, believe it or not~
Do you still remember how
much fun we had at the
resort a while ago? Where's
the waiter's cock! Hee
hee hee!

Good times are ahead~ Lao Zhou, Lao Zhou, don't look so miserable! As a good friend, I will work hard to take care of you together! As the saying goes, distant relatives are not as good as close neighbors, and close neighbors are not as good as good friends. Now you have a new sibling.

At this age, is your body able to handle it? Mom, she's...pregnant? This, does this make sense? And if it's really a bad pregnancy outside and your mind is in a mess.

Come on, old Zhou, touch it and see!

stick

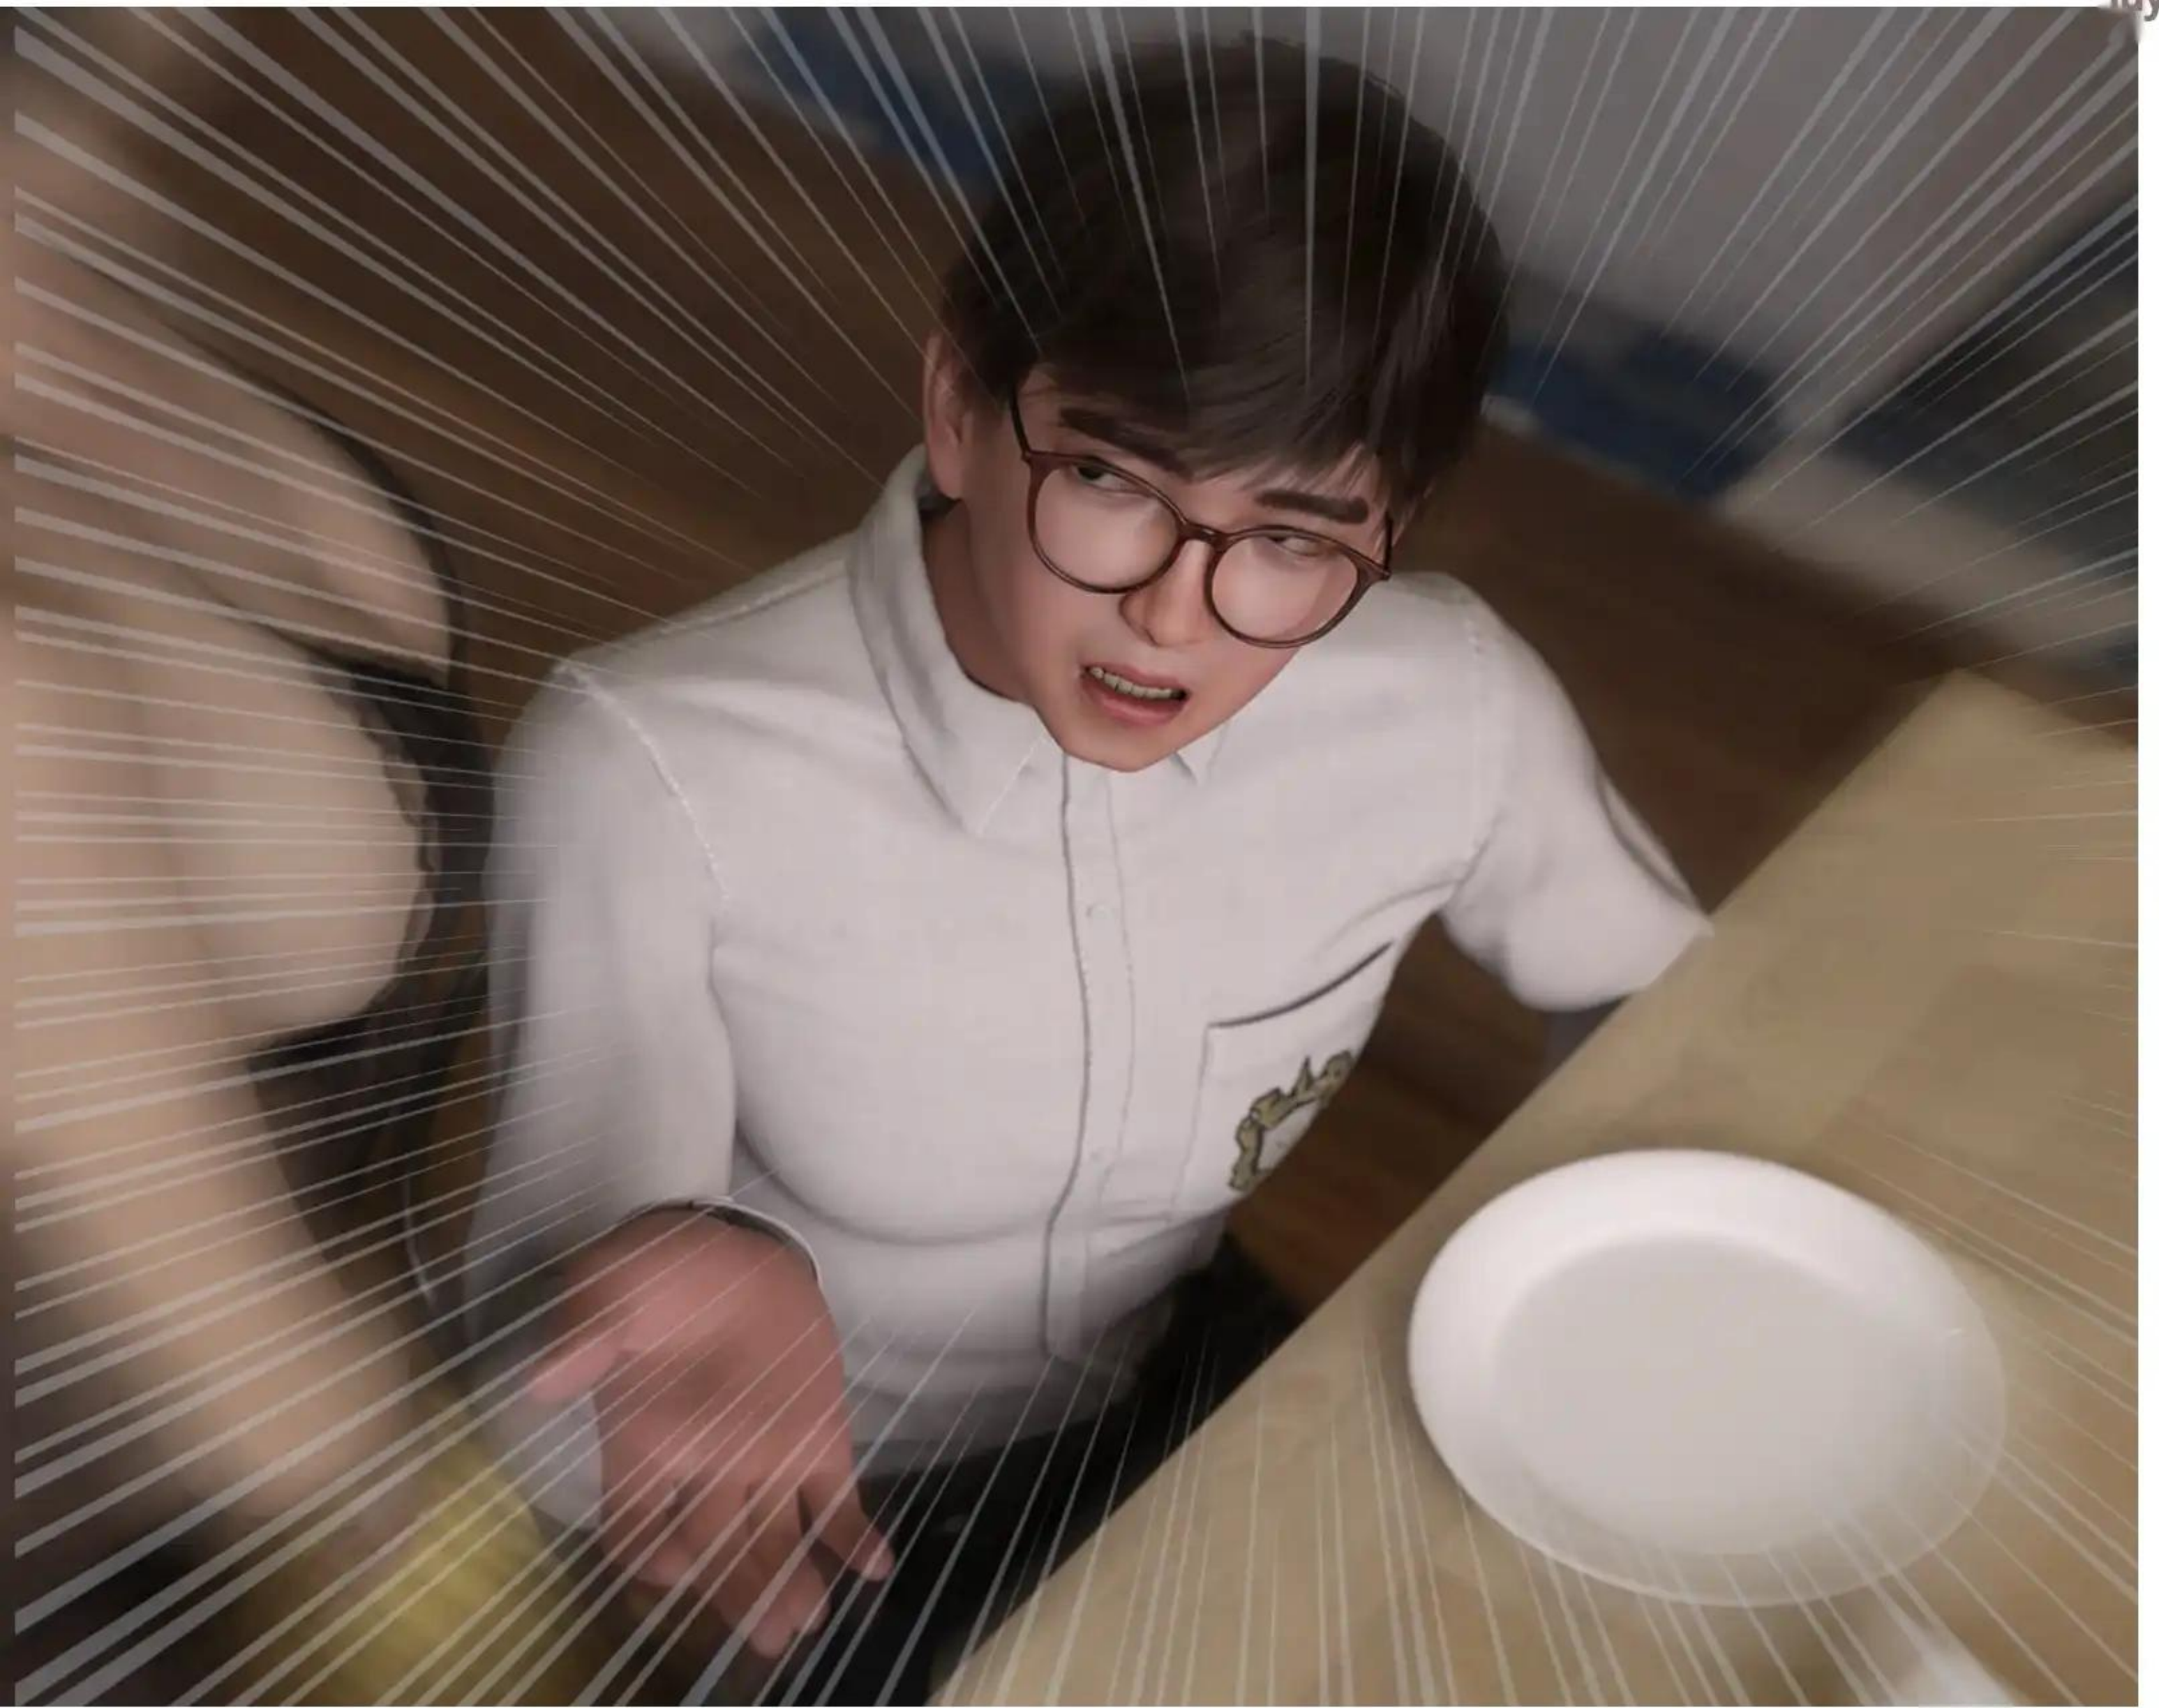

The little life in my mother's belly...Is this how I was born? This is really unpleasant... but it is a strange feeling to think that the childish ghost Lao Shao is in my mother's body now.

Not only has my pussy become more sensitive, it's also wetter than usual! Touch here too...ah, it feels so comfortable! I don't know if it's because of pregnancy.

Stop it! Where is the time for joking now? I don't even know who my biological father is, but you can help me figure it out! We screwed up! My mother's belly was enlarged

Otherwise, would you
be willing to let your
mother have an abortion? For
fear of hurting the fetus, I don't
even dare to take off the leather
condom now! It must be born,
what else can be done?
Now that I'm pregnant

Wouldn't it be over if we let him take over naturally? If any daughter-in-law gives birth to a baby, then that baby is hers! I'll work harder these days and fuck your dad a few times. As for whose child it is... that's simple.

Do you want to cum in your mother's pussy? I will definitely not get pregnant now ~ Hehehe, let's not talk about that. My good son now has a once-in-a-lifetime opportunity.

I'm so excited when I think about my mother looking like a pregnant woman! Damn, even though I really don't want to say this, is this really okay? I'm so worried about my mother's body, but it would be nice if I was the one who put on my mother's body.

evening

I'm a little tired.
Let's go back to the
room and rest first!
Husband, please help
me tidy up the living
room later.

Don't worry,
leave it to me,
wife! No, no
problem

My wife seems
to be in a good mood
today and I feel like I
have a chance now if
I bring it up. ?

Do you want me
to...um...my wife, we
haven't slept together for
a long time tonight?

Shhh

Come to the room
and find me after you've
finished packing, my dear! I
have been waiting for your
words for a long time!

怦怦、怦怦

Could it be that I got excited because of my wife? I'm really ashamed. I'm not a child, but my body is getting warm for no reason. My mouth seems to be getting drier and drier.

bedroom

Hehehe,
this should be
enough, right?
That old man
likes silk feet
the most!

Put
on

Don't be afraid, Mommy will protect you! I have to trouble you to accompany Mommy for a while: little baby, for the sake of Lao Zhou and their family happiness.

Why don't you go get another one? You will catch a cold if you wear such thin clothes, my wife, here I come...
Wow! Wife, you

Why don't you just come over and give me a hug? You can play whatever you want tonight. If you are really worried about me being cold, haha, my husband really loves to joke.

To be honest, I just want to lie down and rest... The bed is so comfortable! I'm so tired from work today... I'd better forget about it tonight.

I'll wait and see how he continues to delay! Just to be on the safe side, I added enough aphrodisiacs to the meal. Fortunately, I had known earlier that he was a male with premature ejaculation and impotence! If you're nice to this old man, he'll rub his nose on his face.

Please help me warm my feet! Husband, my feet are so cold

Uh-oh!

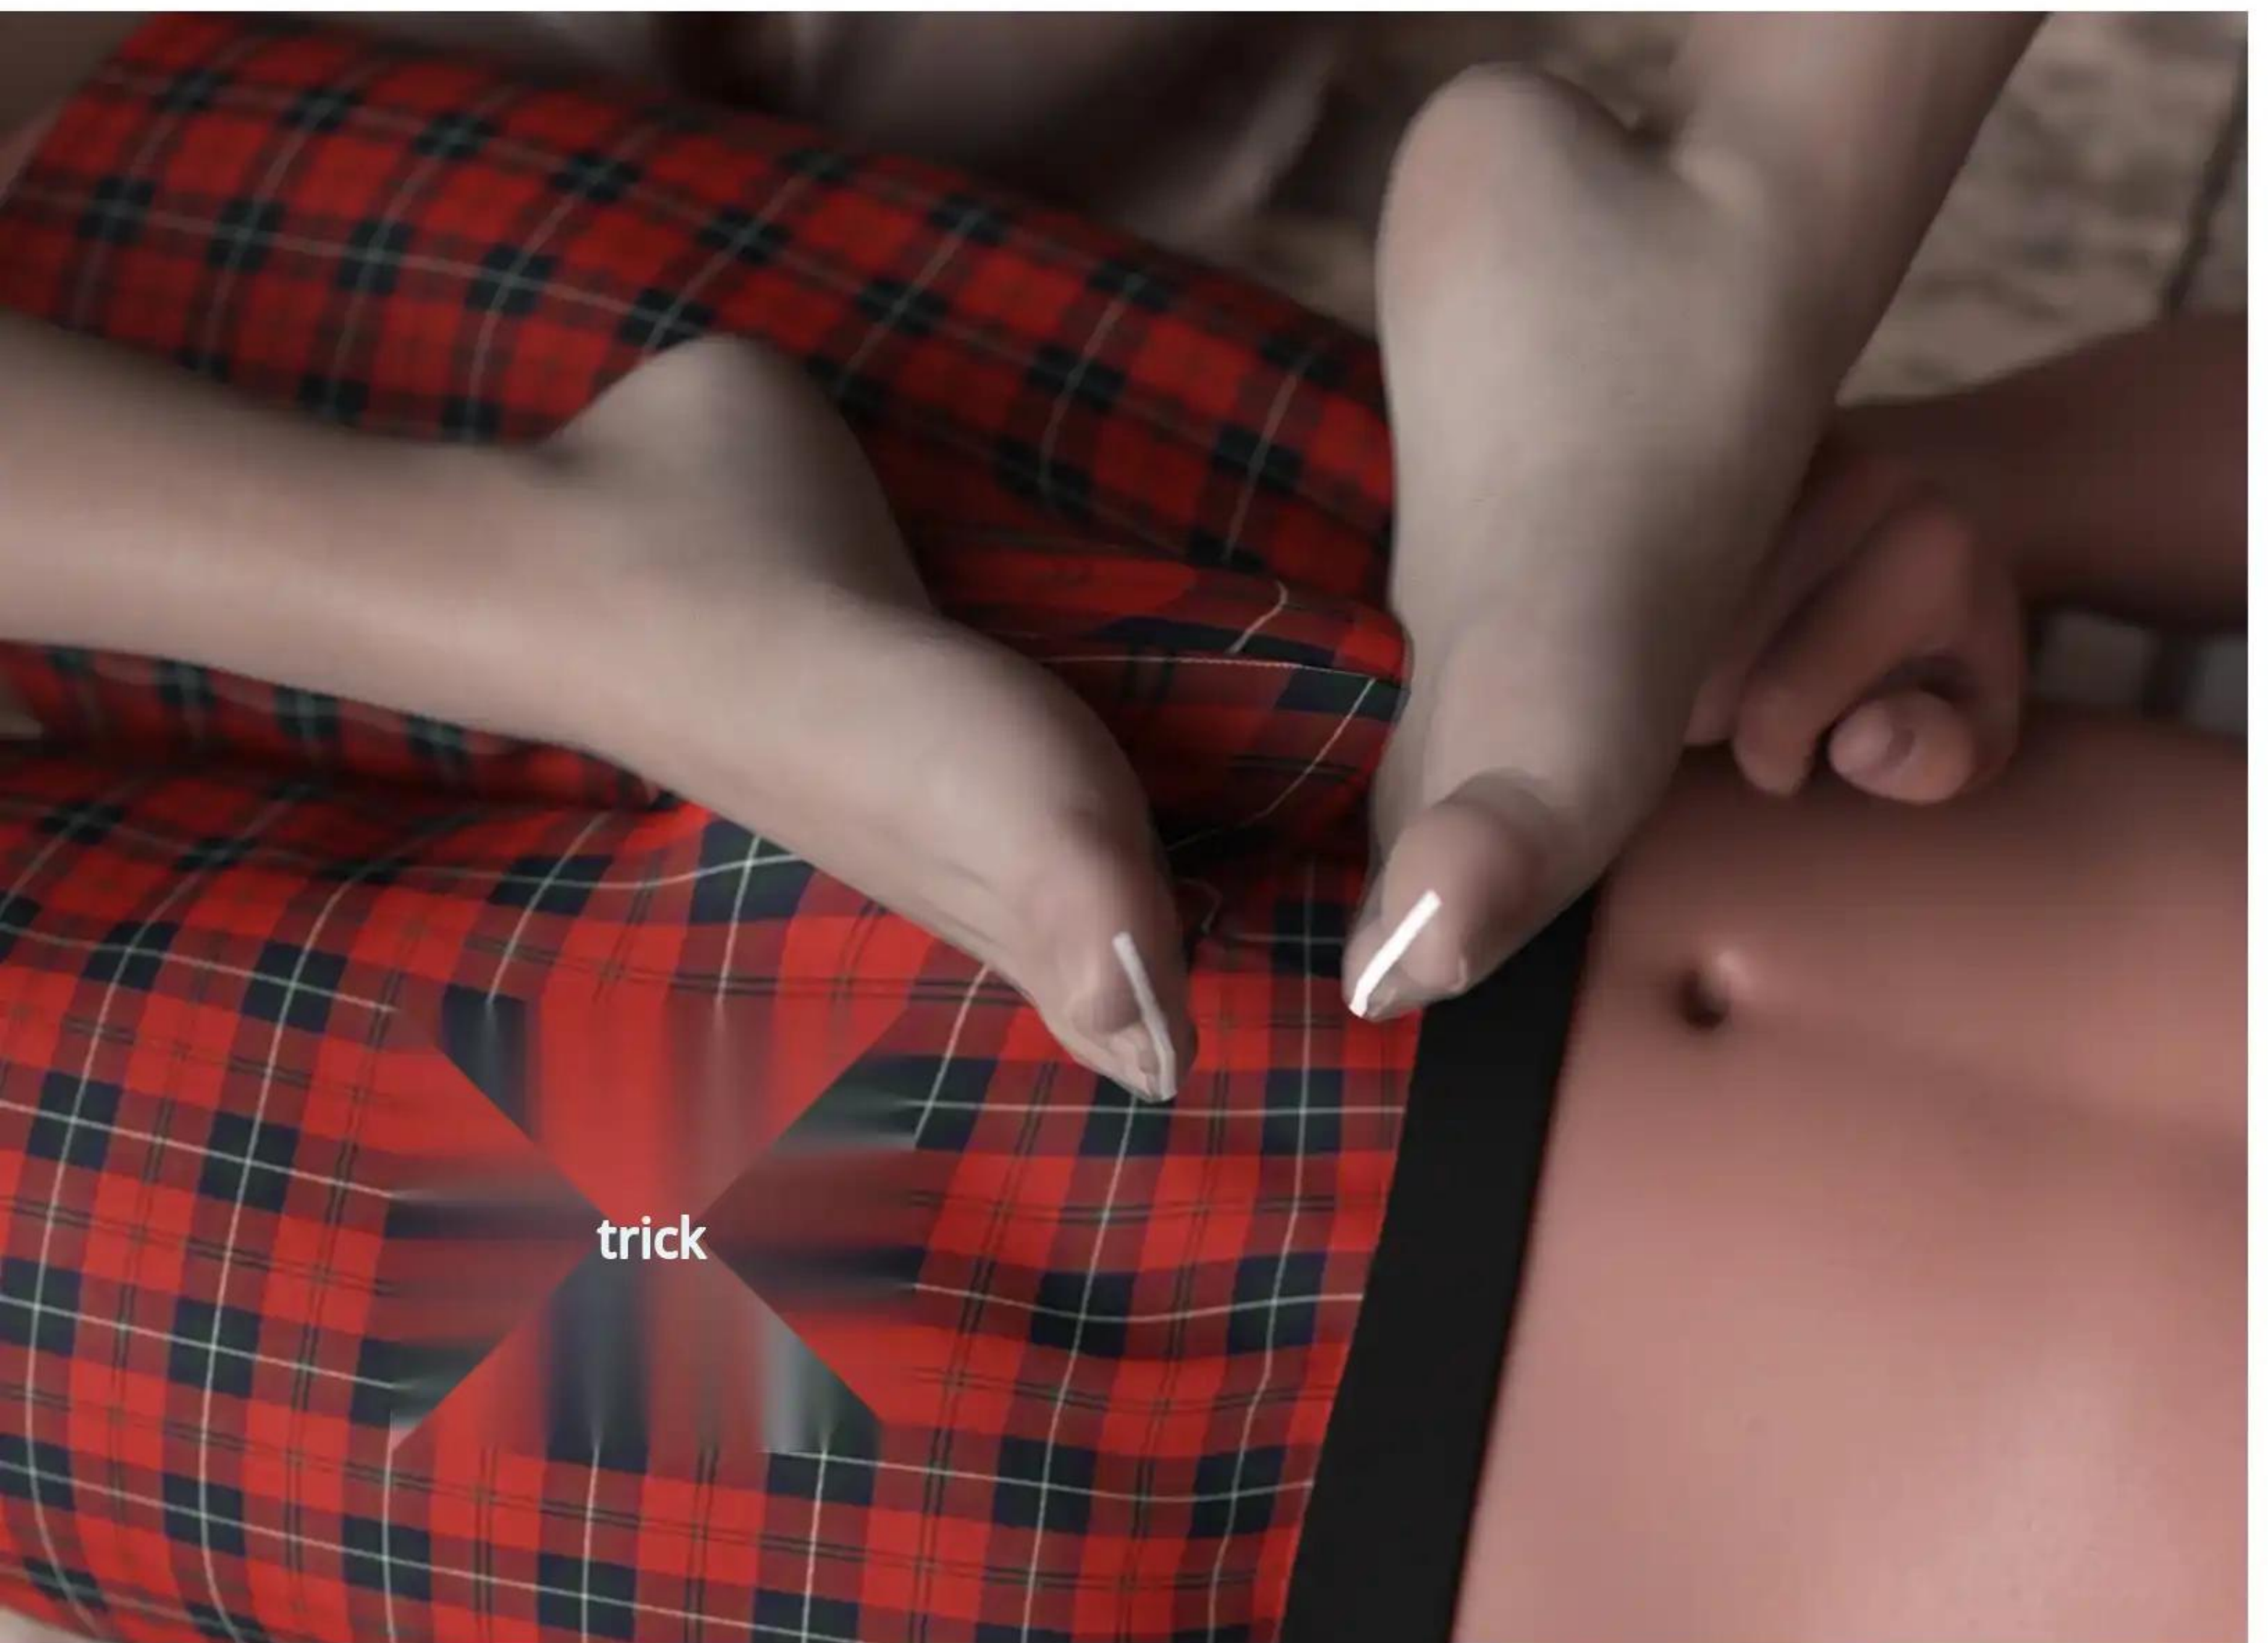

-Thinking that my usually elegant and dignified wife was teasing me with her silken feet, she actually stretched her feet over! My cock immediately stood up...Ah, my underwear is about to be taken off! You can feel the cool touch of stockings through your underwear

Husband, you are obviously looking forward to it! Haha, isn't this cock hard enough?

Do you really like
having your wife's
stockings and beautiful
legs holding your cock
and rubbing it? How
about this?

trick

Ah, yes...that's it,
my wife is amazing!
Then, masturbate a few
more times, wife! The
stockings were covered
with heat: the cock was so
sensitive from being
rubbed by the soles
of the feet,

I don't want you to be so happy! You half-hearted old pervert, weren't you still lacking in interest just now?

Why? Your cock actually gets harder when a woman steps on it? You pervert is enjoying it!

If you continue
to rub against the
stockings like this, you
won't be able to bear
it! Oh oh oh... my cock
is so swollen and
sensitive

Ah, I can't
bear it
anymore!
Cum!

ejaculation

, The devil wants to ejaculate without saying a word! My legs were all sticky! but.

Here is a way to compensate!

Hee hee, I'm still very energetic after ejaculating today! Let's get comfortable together! dear! It's so unfair that you are the only one enjoying it.

**My wife must
be starving, right?
I have to serve my
wife well! I just made
myself comfortable...
my wife's pussy is
soaked, right?**

But the force of the tongue
when licking the pussy is quite
enough! He is indeed a good licking dog
that I brought out with my own hands!
Oh oh oh! Although this old man is
often slow to respond,

It's hot and itchy,
it feels so good... the
hot breath from my
mouth is blowing on my
pussy, it seems I have to
work harder here
too! Ahhh

Haha, should I give him this medicine in the future? By the way, this medicine is really good. It's rare that this old man's cock can be so hard that I can have more fun. Ah, it makes me so happy.

Puff puff
puff

**My mind is getting weird.
It feels so good to have my cock
sucked back and forth in the hot
and wet mouth. Oh oh oh, my
wife's mouth seems to be more
powerful than before.**

Why? Finished, finished? I'm just getting excited.

Your pajamas are in the way, so take them off by the way.

hold

I want to see if you can hold on this time! hehe! I know, I know~ Look how anxious you are

Penetrate

Ah hiss... He actually sat on it! My cock was eaten by my wife's pussy, good, good.

It feels
so good,
I cum!

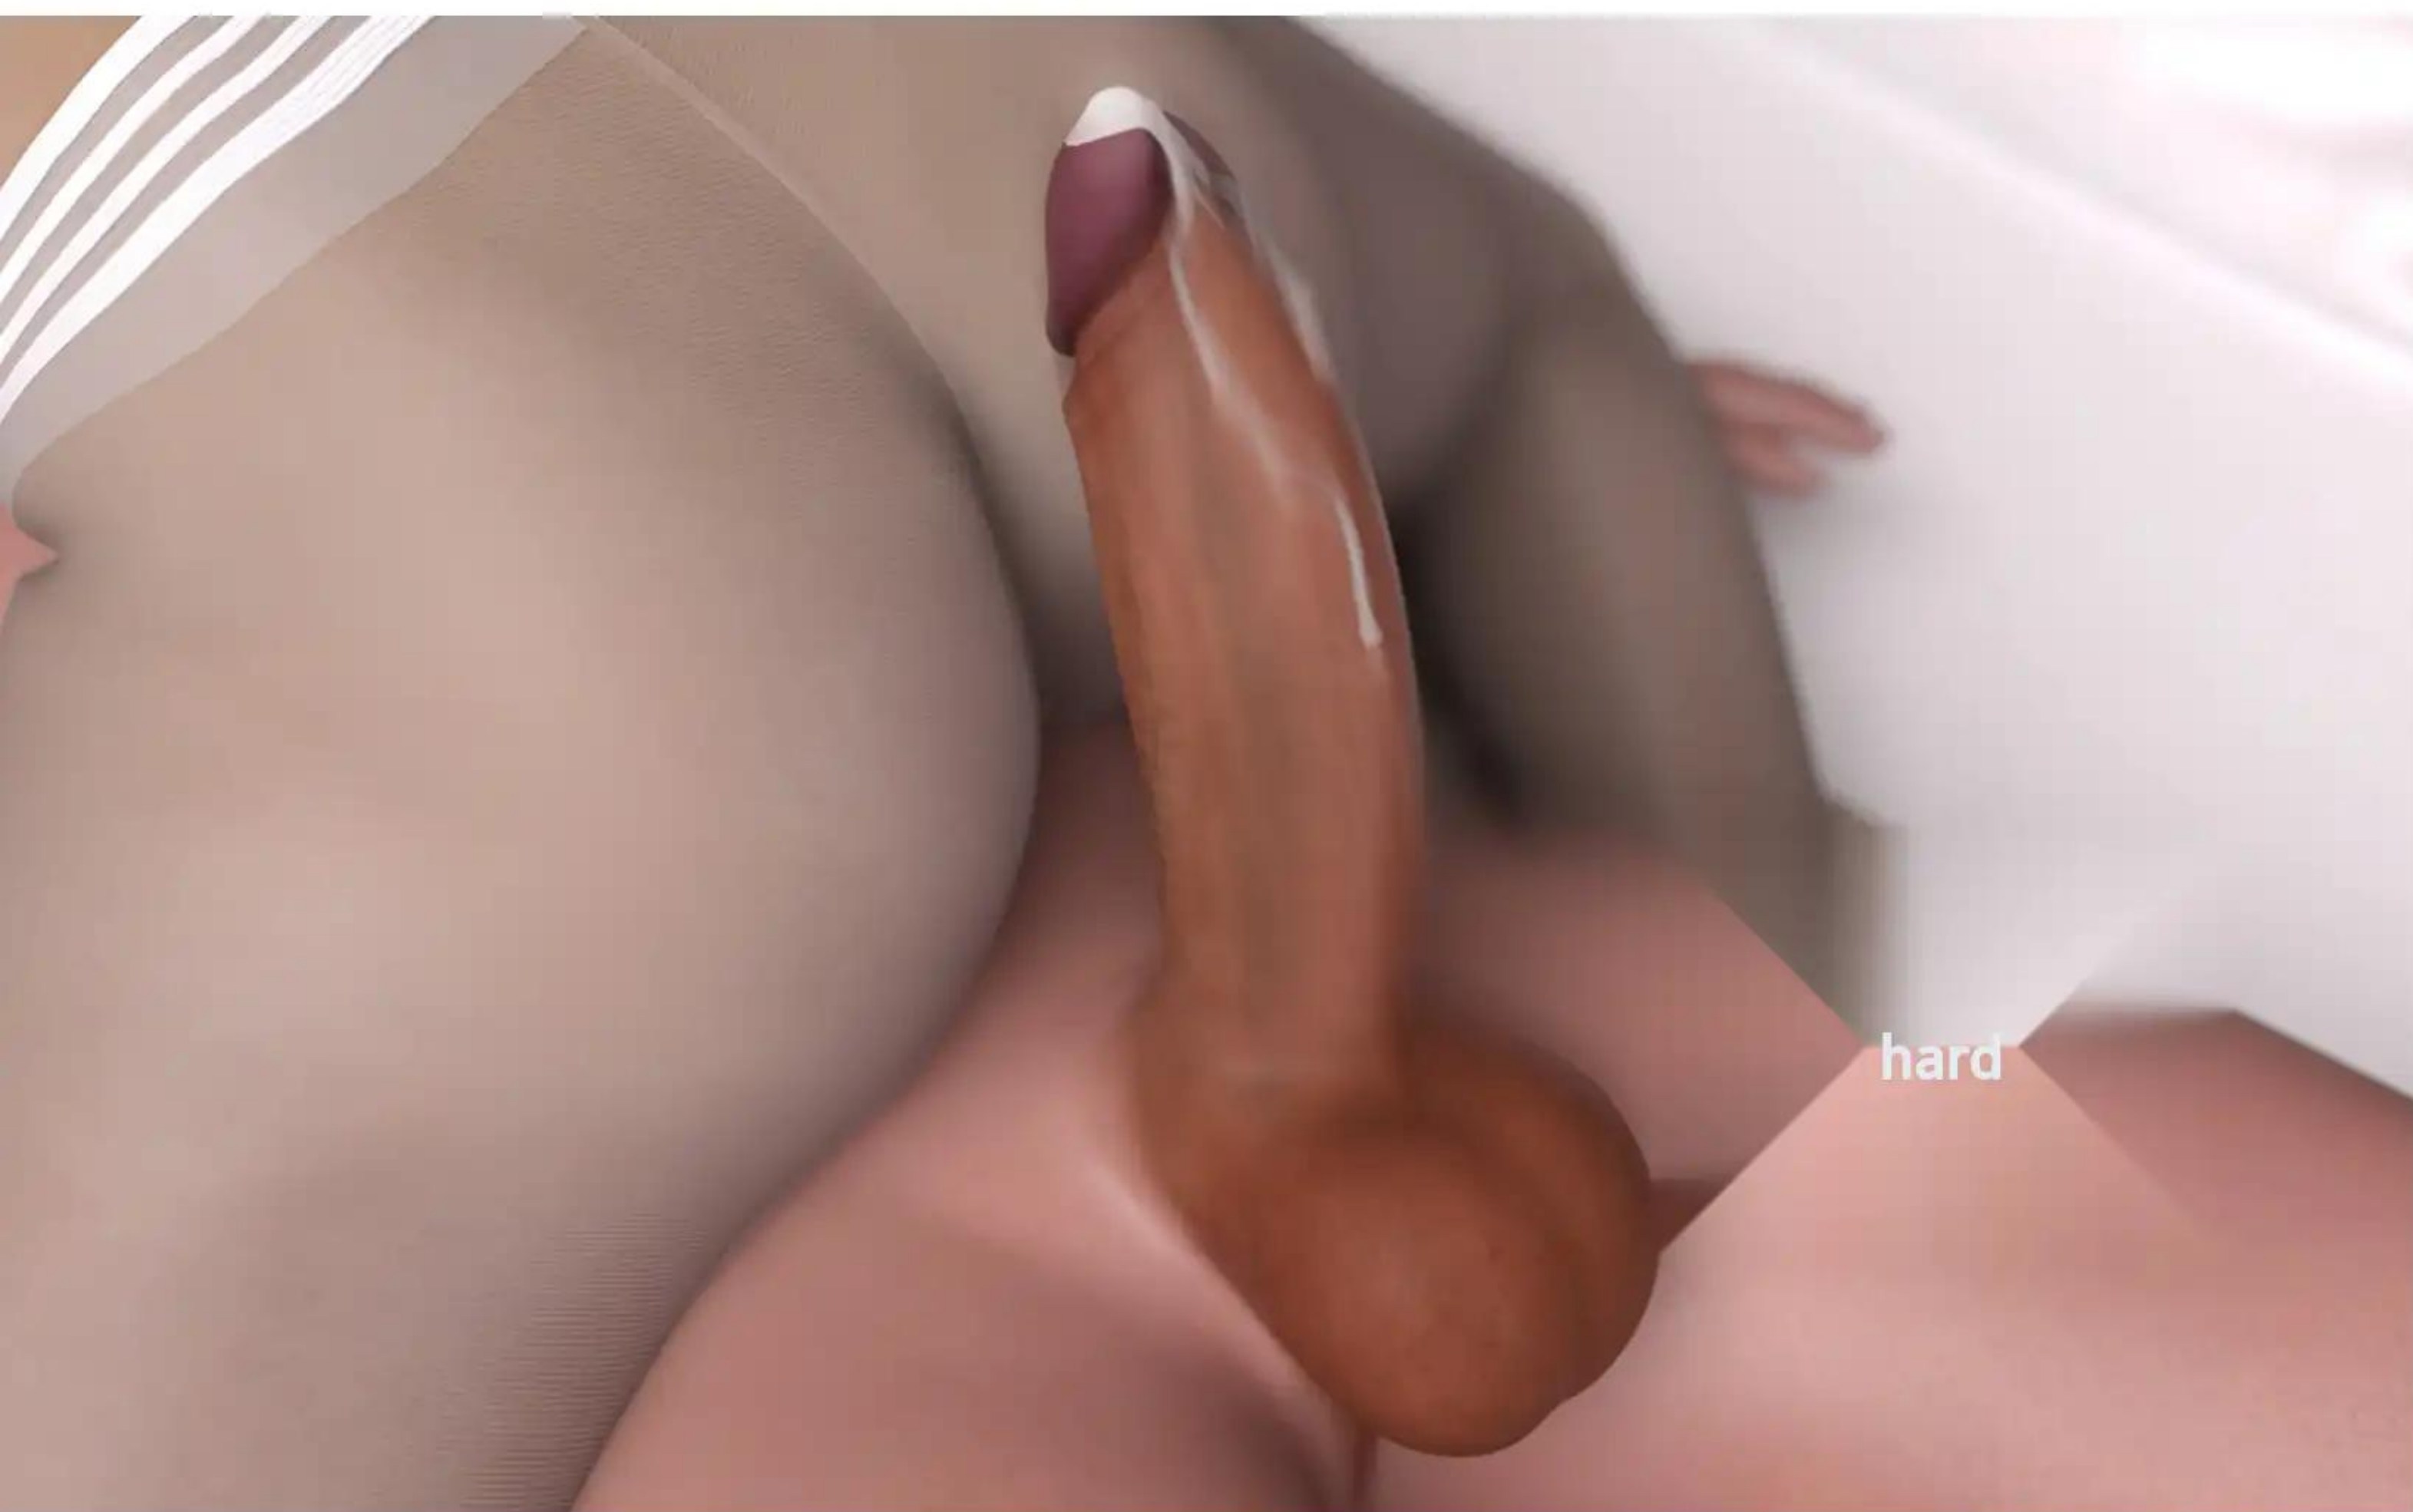

ejaculation

Hee hee, my husband has the best pussy! Let's try a few more poses later! Cum filled with my husband's semen

, Wife...I'm sorry, I probably really can't survive this time

hard

Why? Weird, why is my little brother so energetic today? But I am obviously exhausted and out of breath...

What are you talking about, dear? Aren't you still very sexually active? What do you want me to do next? In this case, I have no choice but to accompany him to the end! Let's get comfortable together ~ Husband!

next
morning

Um...

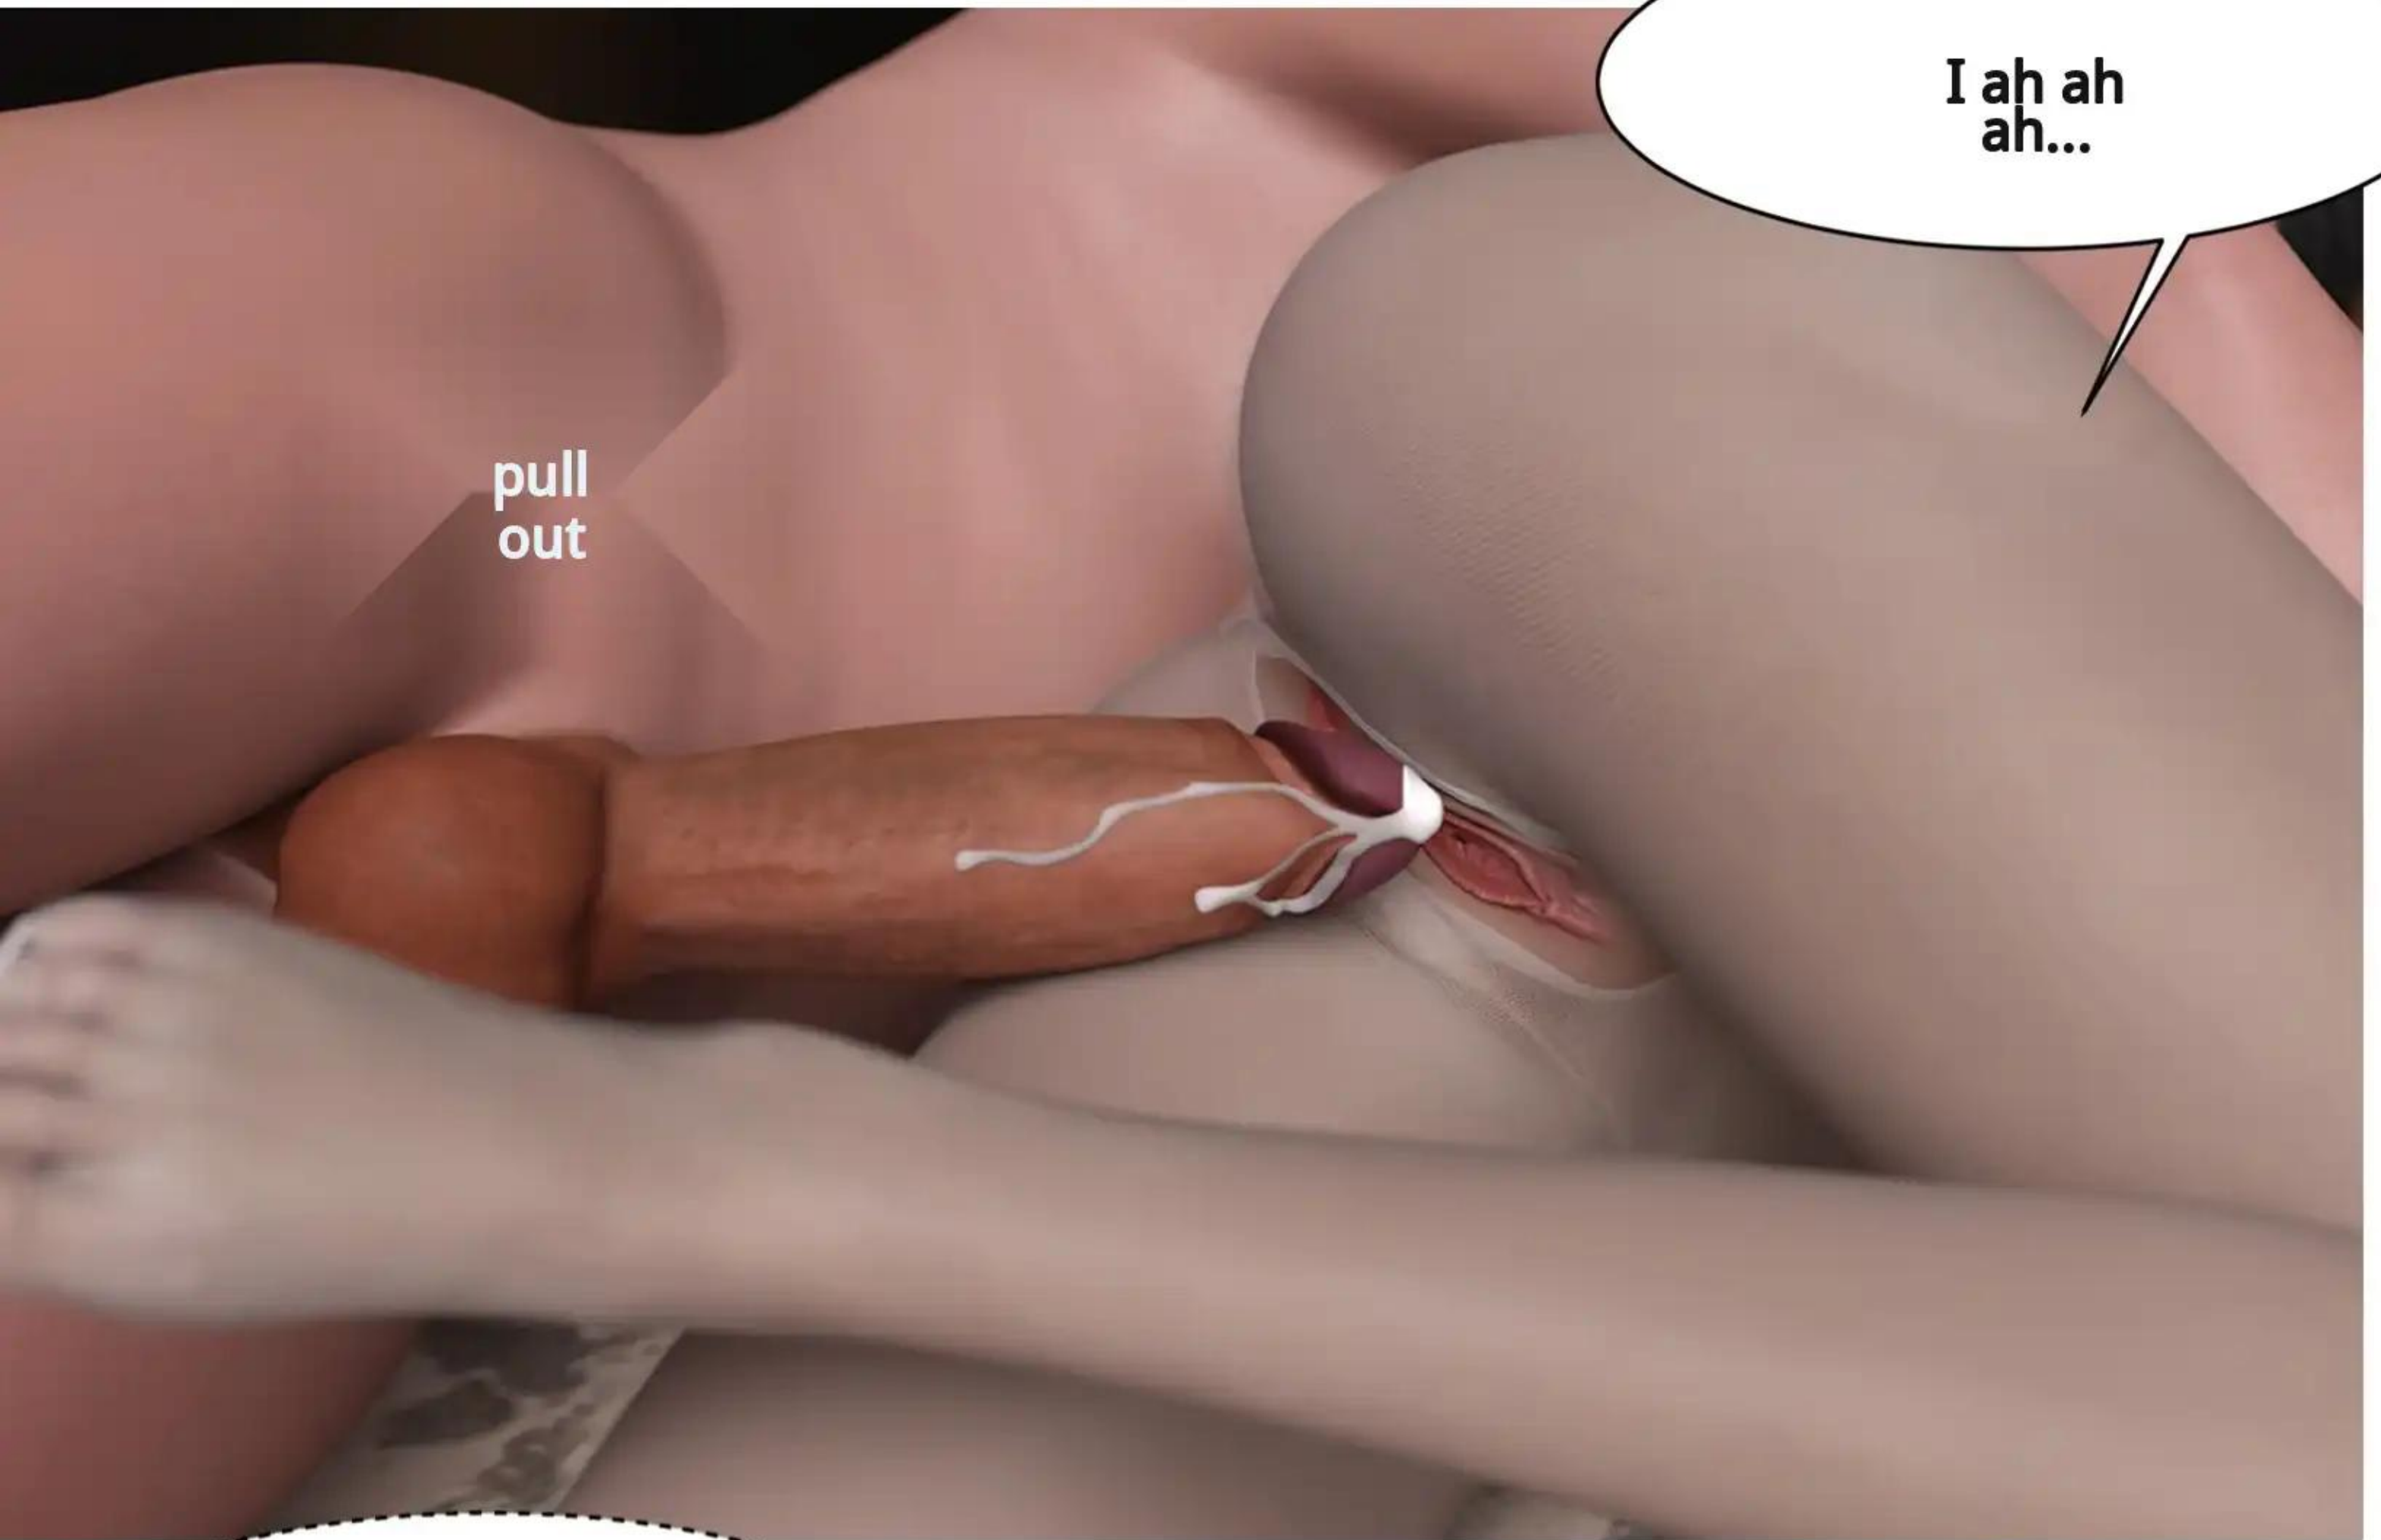

erection

? Is it morning already?

My cunt is wet with cock again! Still have the energy to have a morning erection in the morning? I said that the effect of that medicine is so strong, my God! There won't be any side effects from fucking that old man so many times last night... I hate it.

I ah ah ah...

Too sensitive after a night of intense fighting! Obviously I just pulled out my cock, but it felt like I was getting an electric shock inside my pussy.

My bladder feels like it's about to explode. Lao Zhou will definitely scold me again! If you accidentally peed in the leather case, it's a pity that I'm so full of urine now that I can't take care of you later! wheel Let me let you sleep more first, old man.

呼啦呼啦

Hmm...who
got up so
early...? Lao
Shao you.

..

Ah hiss... finally
liberated! As
expected, it's most
enjoyable to pee on
your own little
brother, hahaha!

Lao Shao!
What the
hell are you
doing! ?

Oh, Lao Zhou, are you up? good morning~

Good morning ghost! Do you think my mother is a wild dog that pees everywhere? Hurry up and put away the dirty things!

Okay, okay, I'll stuff it
back right now! The cock
was eaten by the pussy... ah! I
had no choice just now, I
almost peed my pants...oh
oh oh I went in

By the way, I also worked hard in bed all night! Do you want to check and accept the results? They're all here!

My mother's body is gone! stop! Stop playing around

A close-up, high-angle shot of a woman with dark hair styled in a bun. She is looking down and to the left, with her hand near her mouth as if in a state of contemplation or desire. The background is softly blurred, showing a white ceramic cup on a wooden surface.

Mmmmm~ The smell of the pussy is so strong! how? Want to add a little flavor of your own, Lao Zhou? It looks like a sow in heat! The smell of semen and slut mixed together

Yes, no one will notice
if I secretly ejaculate a few
times at this time. If even I start
to mess around, then who else
can protect my mother? No, I.
But my mother is
pregnant now

Hahaha, your expression is too serious, right? I'm just kidding, it's not your turn yet and your dad is still lying on the bed waiting for me to come over and take care of you! See you later ~

This change is really interesting... I always feel that Lao Shao is wearing his mother's skin these days. I don't know if it's because of his pregnancy. Alas, I was tricked by Lao Shao again... But he seems to be more feminine than before.

?

Ahem!

Ouch, it hurts...what's wrong with my waist?

My precious husband is up?

Husband, you were
so brave last night! What
a blessing it is to be your
wife! Remember this outfit? I
put this on specially for you!
It's been a long time since
I've enjoyed this much,

**I like this set of
white stockings the best!
The one you wore on our
wedding night, right? You
actually still remember.
My wife, this is**

Wife, please let me hug you... Ugh!

踩

no! Don't be so impatient, my dear! Don't you want to appreciate it a few more times?

My wife's feet are so fragrant and soft. I really want to lick them and taste them...ah...the familiar touch and smell envelope my nostrils.

Tongue

Hey, don't lick the soles of my feet, they are so dirty!

Hey, how come my wife's silky feet are dirty? I can't wait to taste more!

I don't know if he
would still look like this.
If he knew that the
beautiful wife in front of him
was licking my feet, it would
be quite interesting! In fact,
what if it's a high school boy
who enjoys sucking my
toes? Hehehehe,
looking at a grown
man like a dog-

羊

It's so happy to have both sides of your body being rubbed against beautiful stocking legs at the same time! , oh oh oh! The other foot is also stretched out! My cock is pressed by the soles of my silken feet

When did my wife's feet become so powerful? Ah, my cock is so sensitive! Ah, his white and rosy silk feet are rubbing my cock! This technique simply understands men's sensitive zones better than men.

Mmm~ So hard!
It seems like it's time
to give my dear more
rewards~ My husband's
cock has been
performing very well
since last night!

trick

If my cock is played with like this so early in the morning, I will be extremely sensitive every time it is played with the soles of my feet! The cock is as hard as an iron rod, eh! My dick is so hot when rubbed by my silken feet ...

I was cummed on
my wife's silken
buttocks again. !

ejaculation

My beautiful wife! I can't help it anymore. I'm so dizzy that I can't tell what I'm doing now. All I want to do is continue to be immersed in the pleasure of stockings and footjob.

I'm doing pretty well, right? Let me help you strengthen your body during these days! Hum hum, I really look forward to the future development of this home! After all, you are about to be the father of three children. It's not okay to be so weak.
