

Haah,
haah..."

My own sister
masturbated until she
ejaculated, secretly
stimulating her
orgasm!

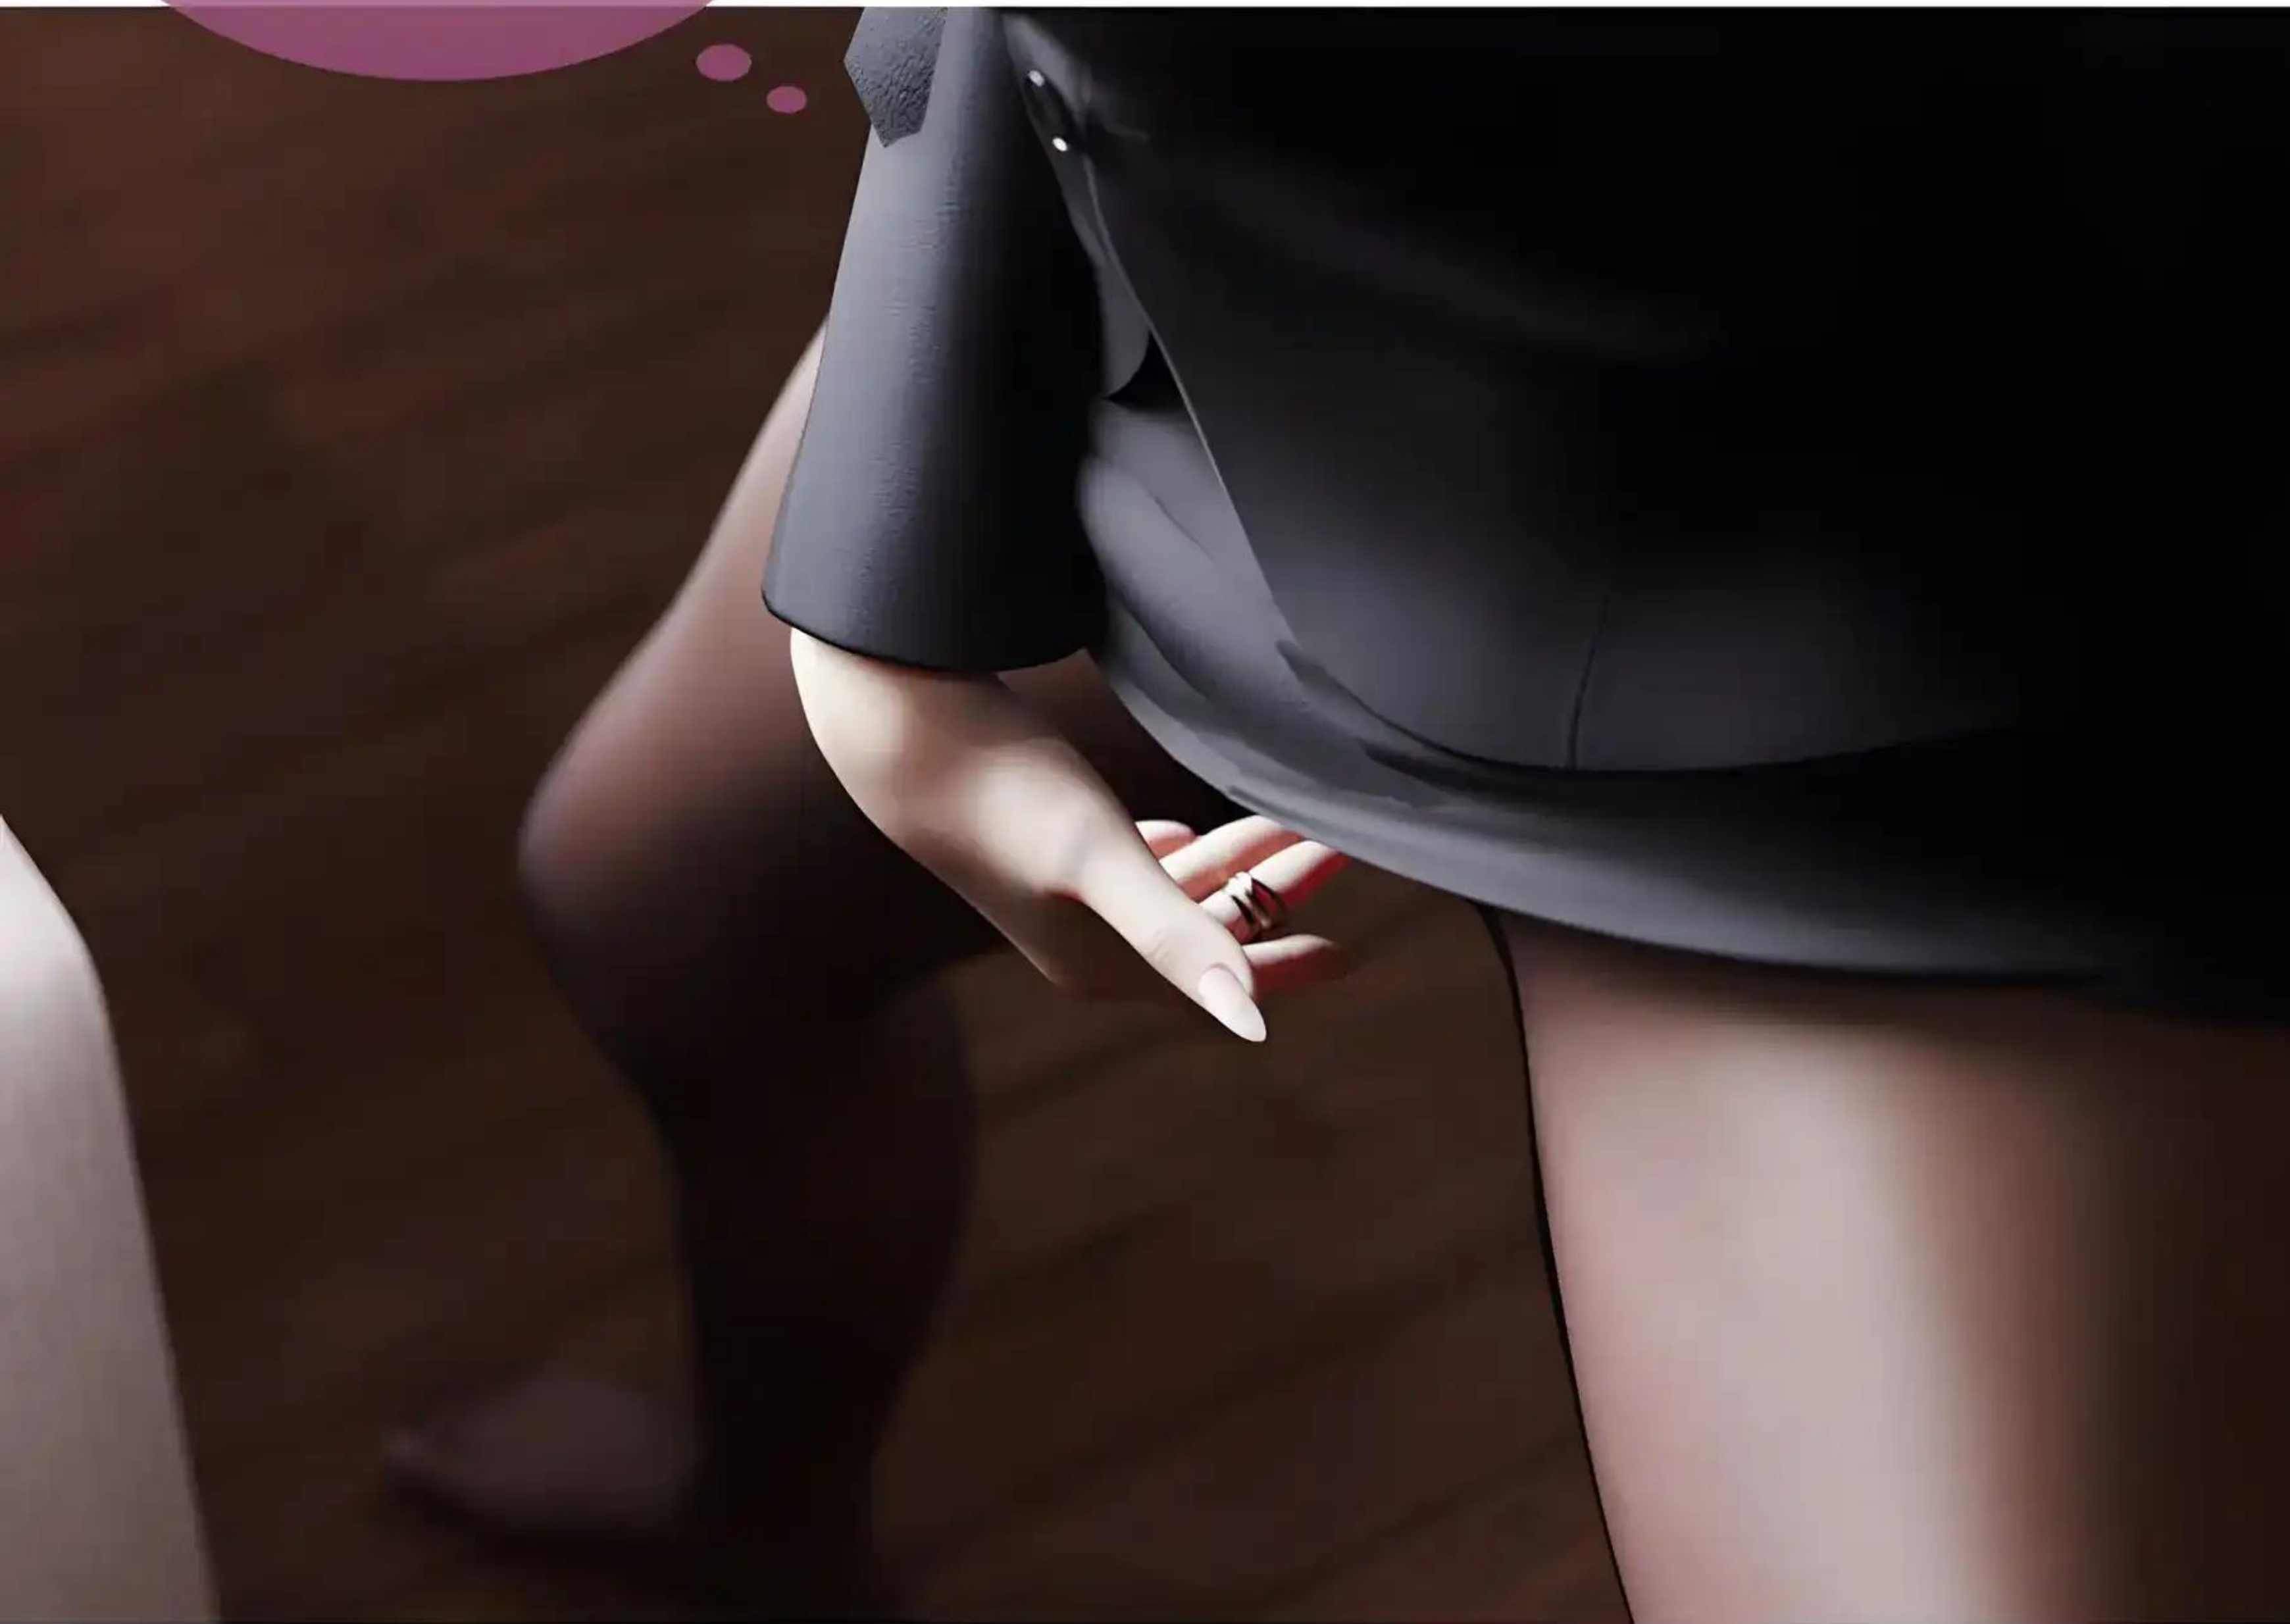

Merely lusting
after her isn't too
bad, I really want
to fuck her over!

It was served as a side dish, and even my silly sister even took it without me noticing.

She, who trusts me, would never imagine these thoughts in my mind...

I want to jerk off so much! I really want to... I really want to continue! cock...

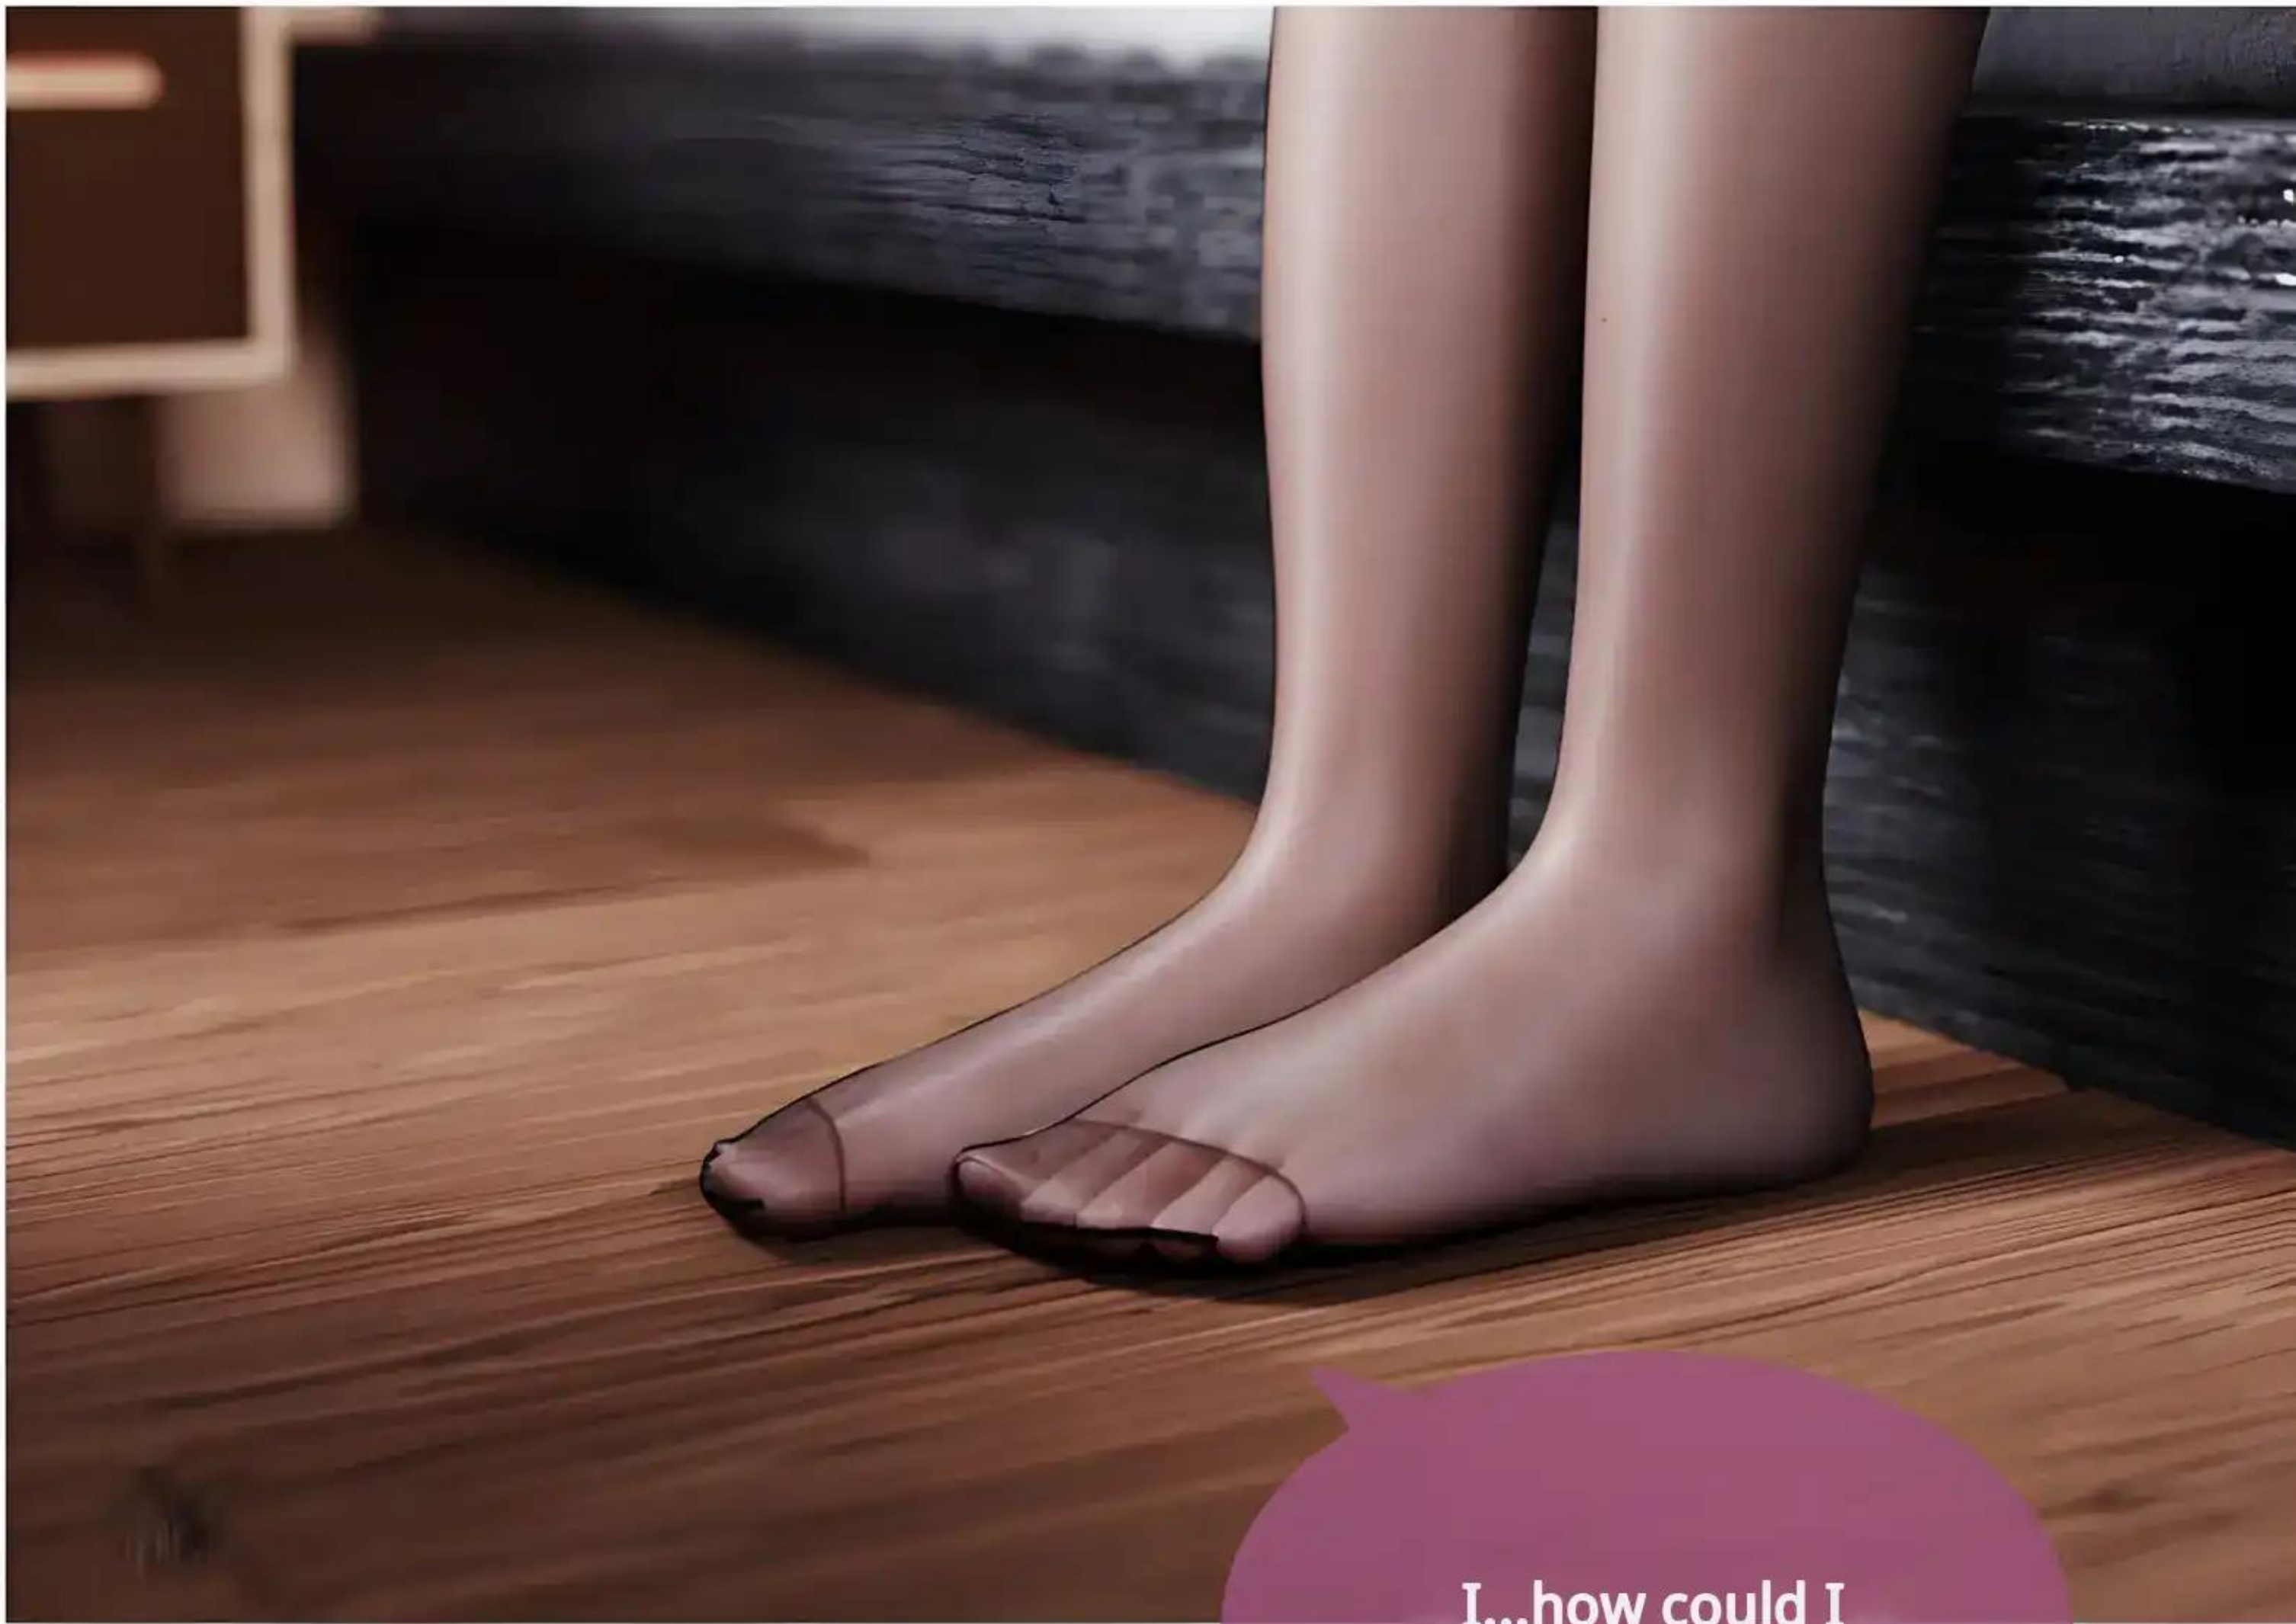

I...no...I don't have a cock at all...

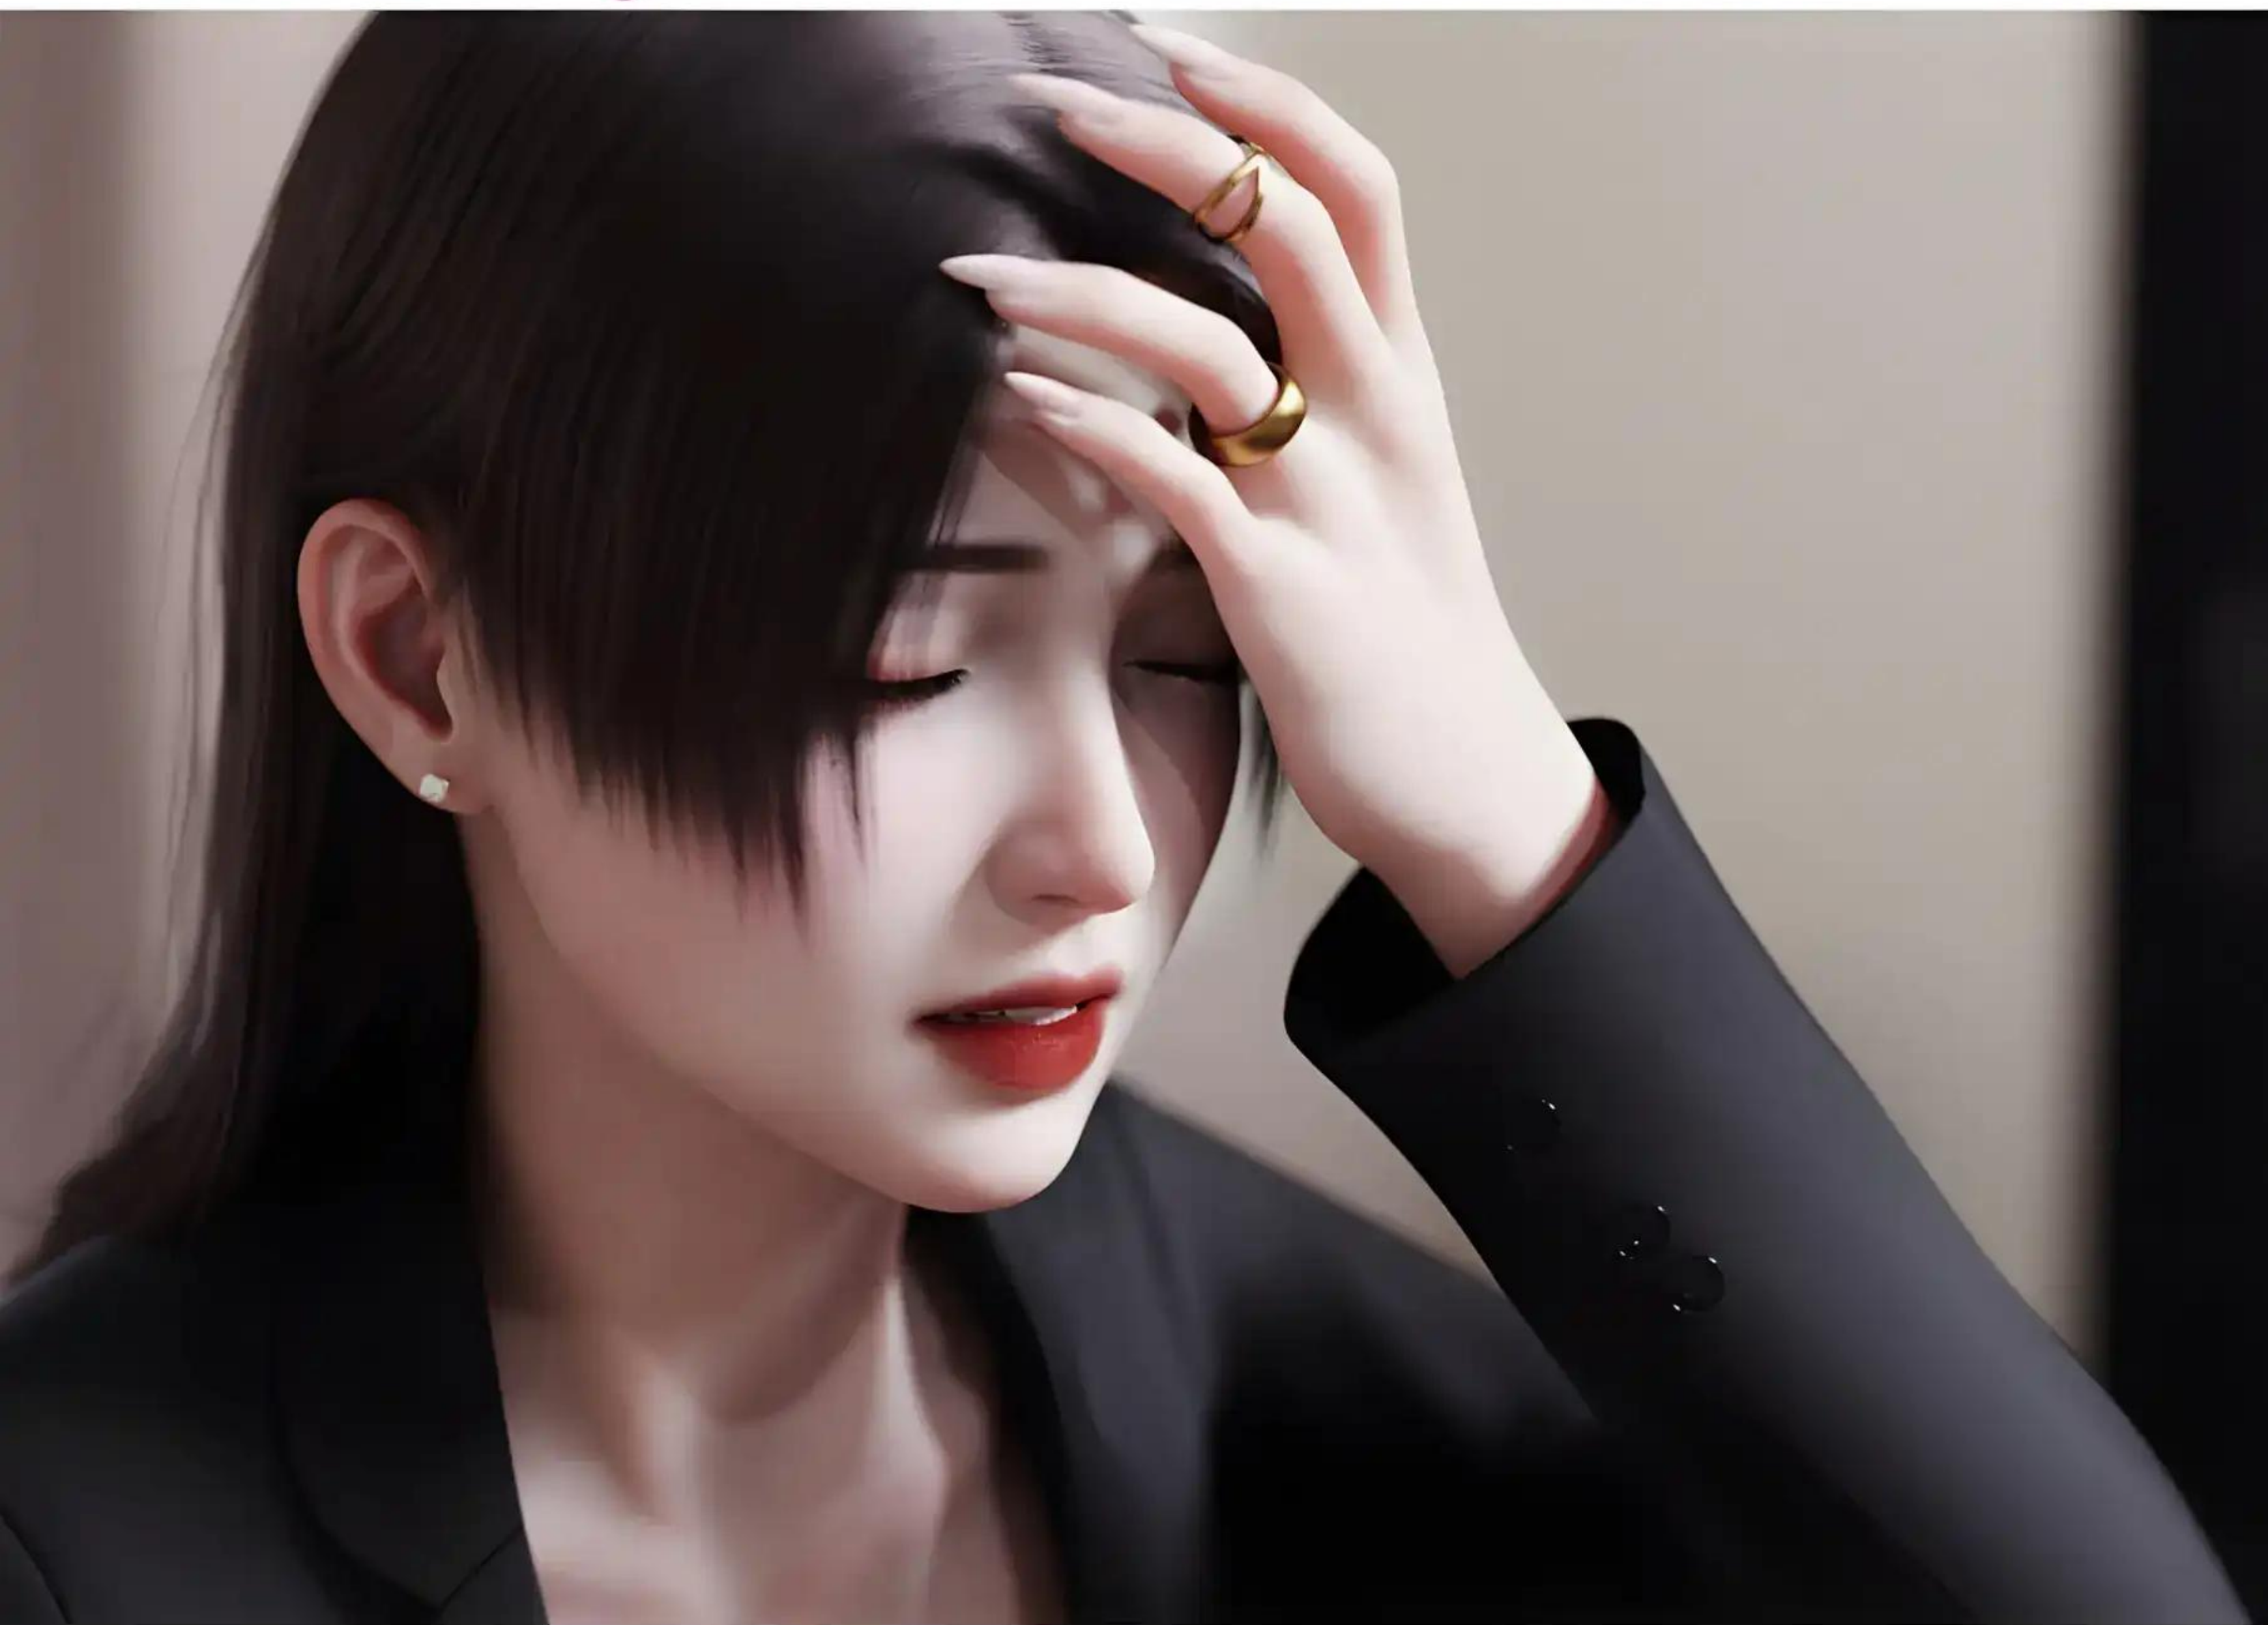

It feels so empty down
there... The pleasure I
felt just now disappeared
in an instant.
Lost.

I feel so
lost...so good!
How could I
be like this?

I...how could I
become like
this...

How could you do
this to your own
sister? Too wild
Damn
It!

Even if it's just a
fantasy...it's not normal!
This doesn't look like
me at all...how could I
possibly do this?

It's
not
me

A woman with long dark hair, wearing a black long-sleeved top and a black skirt, is sitting on the edge of a bed with white linens. She is looking down and to her left, with her right hand raised to her face in a thoughtful or nervous gesture. The bed has a light-colored wooden headboard. To the left of the bed is a wooden nightstand. The floor is made of dark wood. The scene is lit with soft, warm light.

Big sister! When I got there, I didn't know what to do...

How should I face her? This can't go on...

It's like I'm a
perverted man, and I
have a strange
feeling when I think
about violating a girl.
妹，還、還.....

It's going crazy..I
don't want this
desire to grow a
cock! So good!

It feels strange...
like a man, but I
can't control it...
There is always a
strange feeling
down there...

Sister, are you okay? The color is so bad.

ah! I, I'm fine...just a little tired...

Just leave the
moving to me
and have a
good rest!

My eldest sister
used to take care of
me, now it's my turn
to reciprocate
You got it.

Thank you,
second sister.
..

She... still regards
me as that
reliable sister...

A woman with short brown hair, wearing a white, ribbed, off-the-shoulder dress, stands over a woman with long black hair, wearing a black, long-sleeved, low-cut blazer. The woman in black is sitting on a bed with white sheets. The woman in white has her hand on the shoulder of the woman in black. The background shows a window with curtains and a doorway.

Why are you so

Why are you so polite? We are the closest family

And I actually want to do those mean and excessive things to her...

Zhixu becomes a sister.... "I am still qualified like this"

Is this
it?

It feels much bigger than the previous one. Will the rent be expensive?

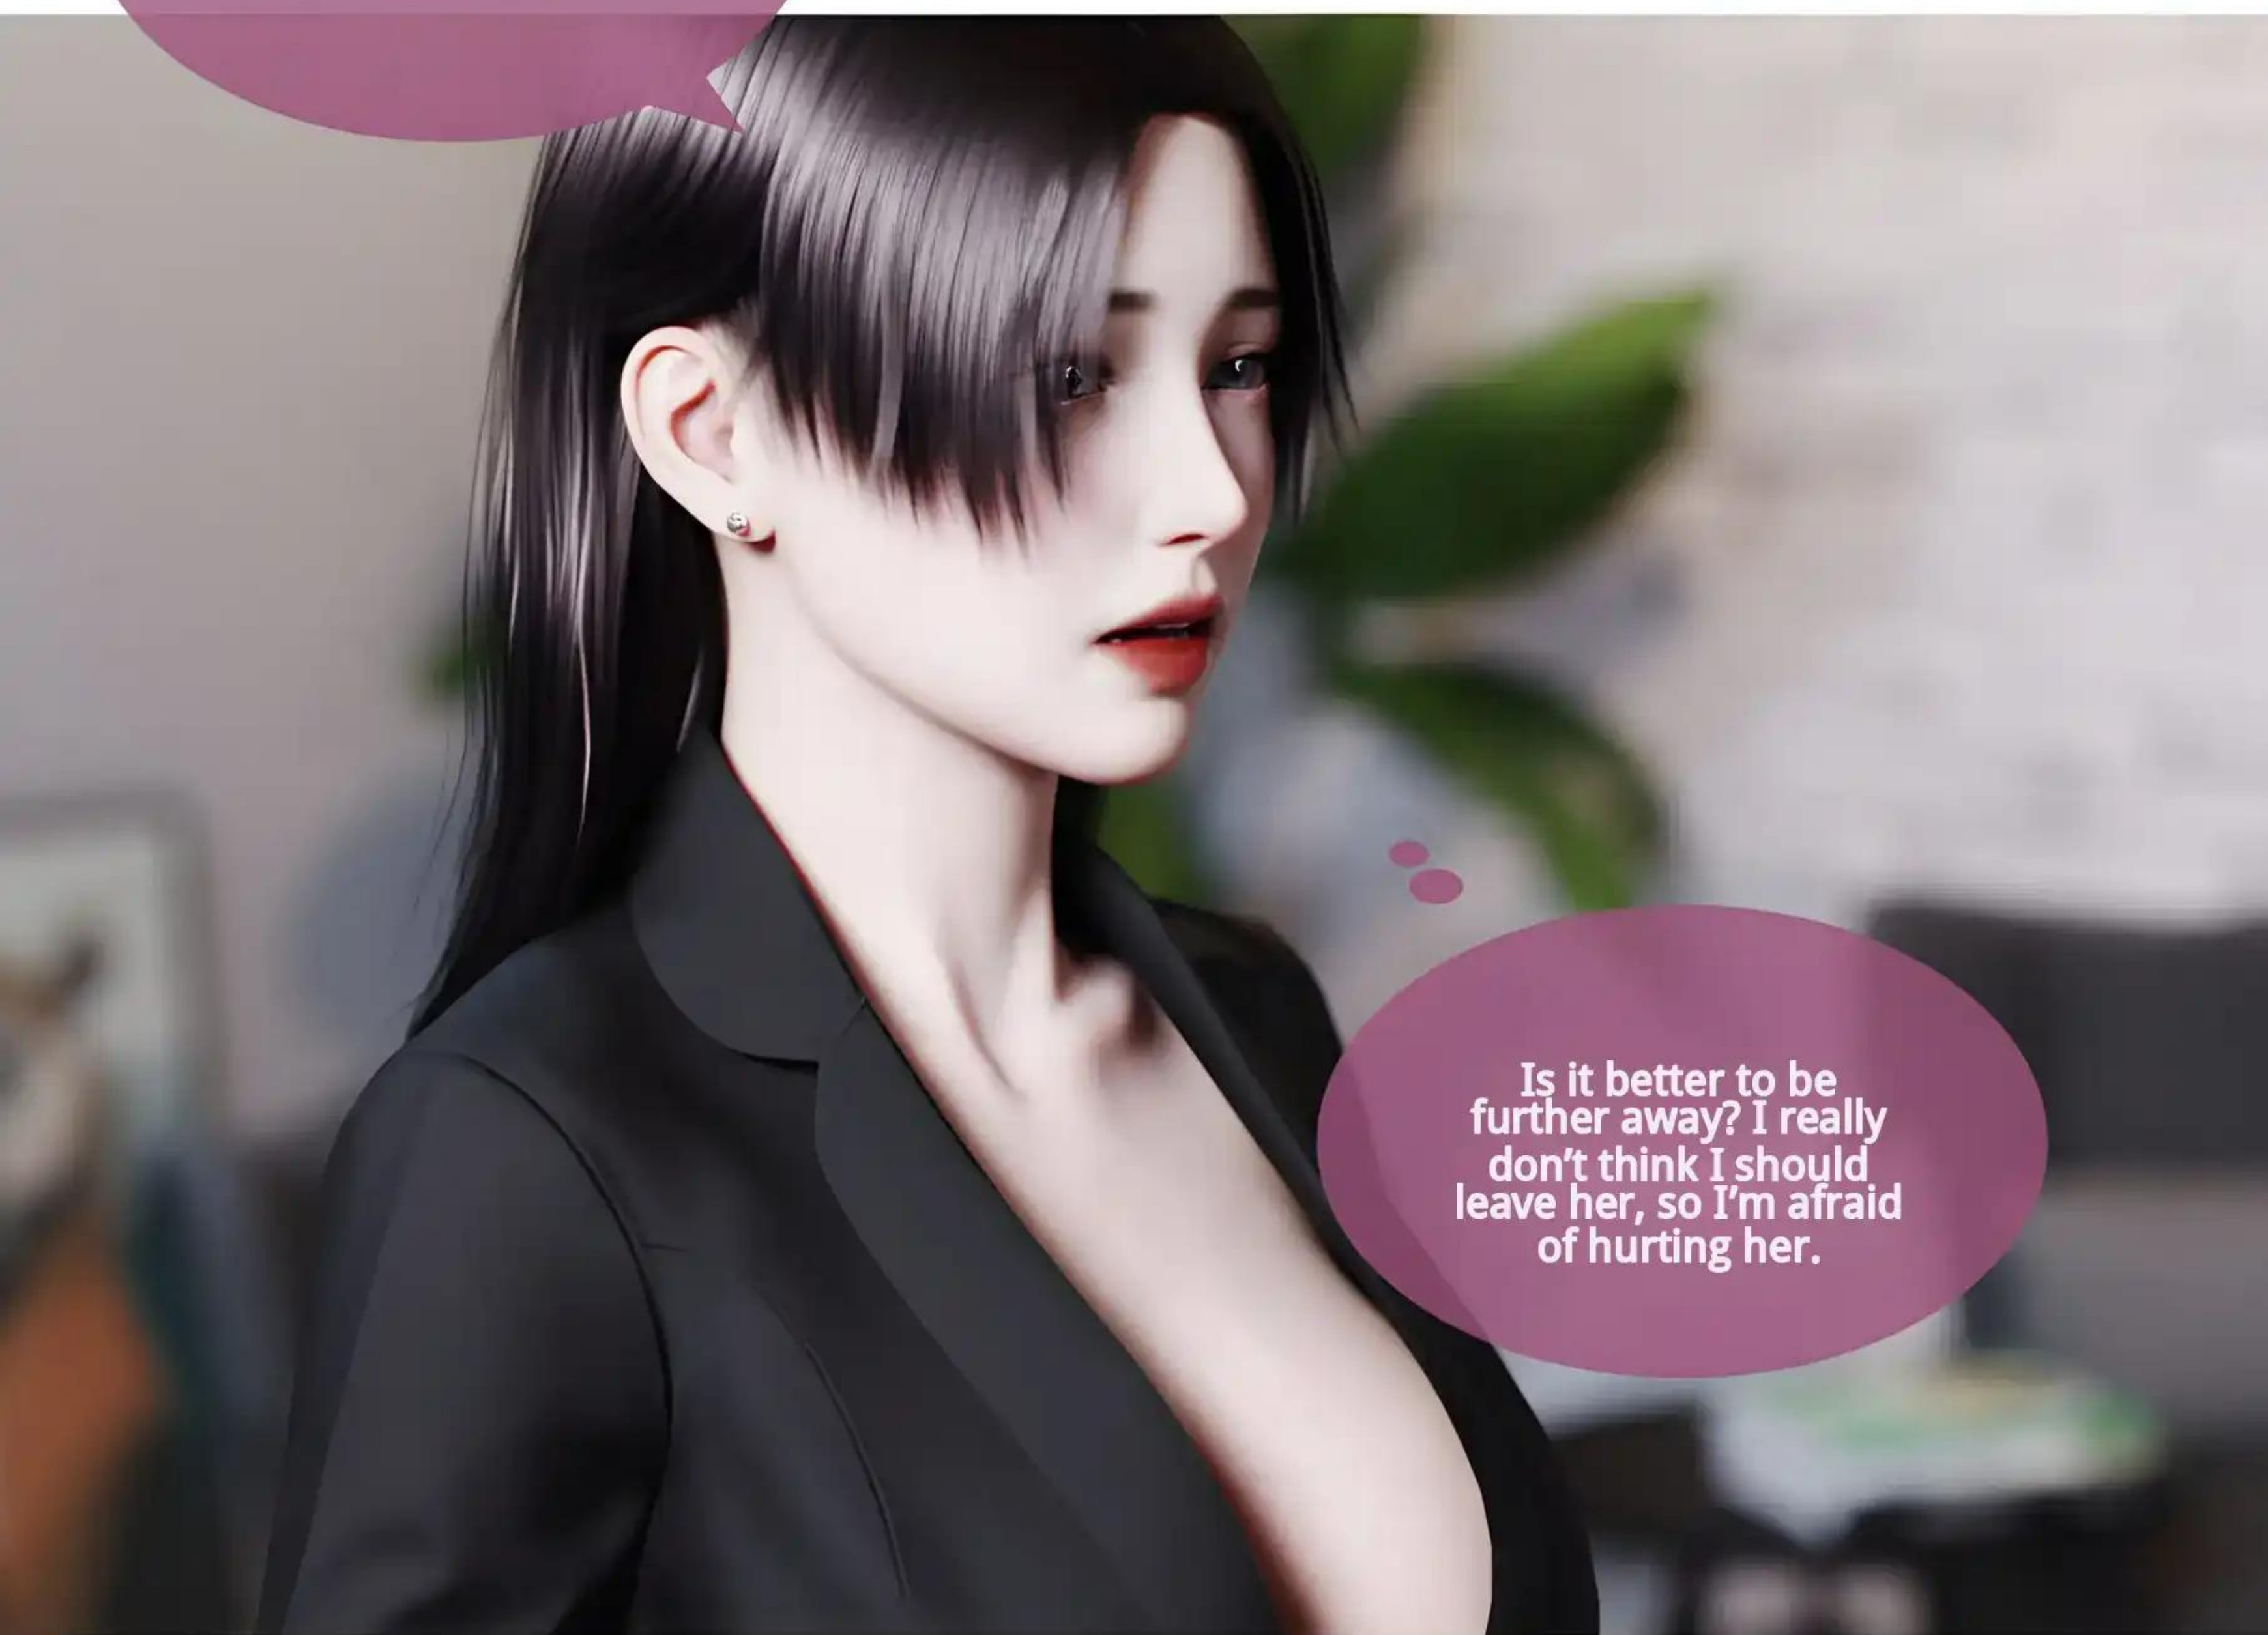

Don't worry, it's not too expensive.

A woman with short brown hair, wearing a white, ribbed, off-the-shoulder dress, is seen from behind, looking towards a dining table. The room has white brick walls, a large window with a black frame, and a modern black metal dining table with two black chairs. A blue speech bubble is positioned above the woman, and another blue speech bubble is at the bottom right of the image.

When Hao comes back, there will be more information~
The search is not bad! It's hot!

, let's go shopping together to buy some furniture, but it's a bit too empty, let's take a look, shall we?

Well,
okay...

Is it better to be
further away? I really
don't think I should
leave her, so I'm afraid
of hurting her.

I hope... I can't hurt
her... Tsubasa has a
perverted feeling and I
must suppress that
weird feeling.

A woman with short brown hair, wearing a white, ribbed, short-sleeved dress, stands in a modern kitchen. She is barefoot and has her right hand raised in a gesture. The kitchen features a white countertop, dark wood cabinetry, and a stainless steel refrigerator. Track lighting is visible on the ceiling. A speech bubble is positioned above her, and a thought bubble is at the bottom right.

Come here quickly!
It's so beautiful here.
What are you doing?

Bright!

She is this cute and
innocent girl who gets
dragged into this
cruel
innocence...must not
world...

A woman with long black hair, wearing a black blazer and a black mini dress, is walking towards the camera. She is in a modern, minimalist interior with a white floor and walls. In the background, there is a grey armchair, a small black table with a green box on it, and two framed pictures on the wall. One picture is a landscape, and the other is a stylized animal. A large pink thought bubble is positioned above her head, containing text. The scene is lit with soft, ambient light.

I have to be more careful and stay rational at all times!

I...I can't ruin everything she relies on and trusts so much!

Okay, next... I have
to search, quickly
collect information
and find clues.
come
out!

A woman with dark hair in a high ponytail, wearing a grey, form-fitting, sleeveless dress with a high slit, stands on a cobblestone street. She is looking slightly to her left. The background shows a European-style street with buildings and blurred figures of people. A dark blue thought bubble is positioned above her head, containing white text. Another dark blue circle is at the bottom right of the image, also containing white text.

Okay, next...we have
to collect
intelligence, look for
clues, and get rid of
Wei quickly.
come
out!

At present, we know that
the ability can be
increased, but other
Leather Blade
organizations should have
discovered it as well.

That place...that is to say, I really want to go to the defector's stronghold immediately to inquire about it.

Information,

But I can't take off the skin on my body, so if I go directly, I will definitely be raped.

There may not be many people who can make the point focus on them, using multiple abilities.

To face them, I need more resources and preparation.

There may not be many people who can make the point focus on them, using multiple abilities.

To face them, I need more resources and preparation.

First, I need to find someone else to put it on, but...

I can't even see you on this seat. I've been looking for this for so long. Are you a roadie?

That little
bastard and the
baby all took a
while to meet.

According to the
proportion, there
must be other
skin-wearers
lurking in society...

I feel like something's
not quite right, so I'll go
and ask the human
world about it.

A dimly lit bar scene. A male bartender with dark hair, wearing a dark t-shirt and a light-colored apron, stands behind a dark wooden bar. He is looking towards a customer whose back is to the camera. The customer has long, dark hair and is wearing a dark, sleeveless top. On the bar in front of the bartender is a white coffee cup on a saucer. Behind the bartender are several beer taps with colorful handles. The lighting is warm, coming from pendant lamps hanging above the bar.

oh! You and
the
others...

Sorry, have the
girls who were
sitting there been
here recently?

There are three
girls, one has a
blonde hair, one
is younger, and
the other one
should be an OL.

I'm impressed!
They used to come
here often to chat,

But I haven't been
here for a while and
haven't seen him
yet.

Didn't see all
three of them?
What happened?

That's it,
thank you

The organization of
Leather Blade has this bear
who is easy to change his
life? Their previous
conversation,

Their life will not
disappear suddenly.
They should be very
satisfied now.
It's right to
lose.

It won't go too far,
and even if I
change my body, I
will still be found
by my ability.

A woman with blonde hair in a bun, wearing a grey tank top and a gold watch, is shown in a dark setting. She has a thoughtful expression, with her hand near her chin. The lighting is dramatic, highlighting her face and upper body against a dark background. Two blue speech bubbles contain text related to her thoughts.

**, just escaped? Or is he
being targeted by others
and putting on other
skins to go far away?
Flying?**

**Or maybe there was a
fight with another group
and they were
eliminated?**

I have an ominous feeling... If there are other organizations to deal with, I will have more strength.

Just having a baby may not be enough, but now I also have a skin blade.

We need other information, and we need more chess pieces that we can use!

What I want
to do next
is...

, in such a chaotic place, you may not be able to find skin-wearers who have been to other normal places where they are alone.

They are all from the bottom of society. Homeless man, picking up girls at the station...

If you want to escape,
this place is quite
suitable. I don't know
if there is one.

like...huh?

Why is there such a formal and elegant girl in this place?

People who come here

It's impossible for a

wrong with her!

Huh? How, how
could this happen?
She wasn't pierced?

Am I thinking too
much? I thought
I had a clue...:

A woman with her hair in a bun, wearing a grey tank top and a gold bracelet, looks thoughtful. A speech bubble above her head contains the text: "Could it be that he was just passing by, or walked in accidentally?". In the background, another woman in a blue dress is visible, holding a lit cigarette.

Could it be that he

If we come here, no one will hit us. If you don't say anything, I won't be polite!

No...this behavior and expression are not what ordinary female operators should have at all...

Could it be another person with special abilities? But the number of ability users is impossible in this big city. ah...

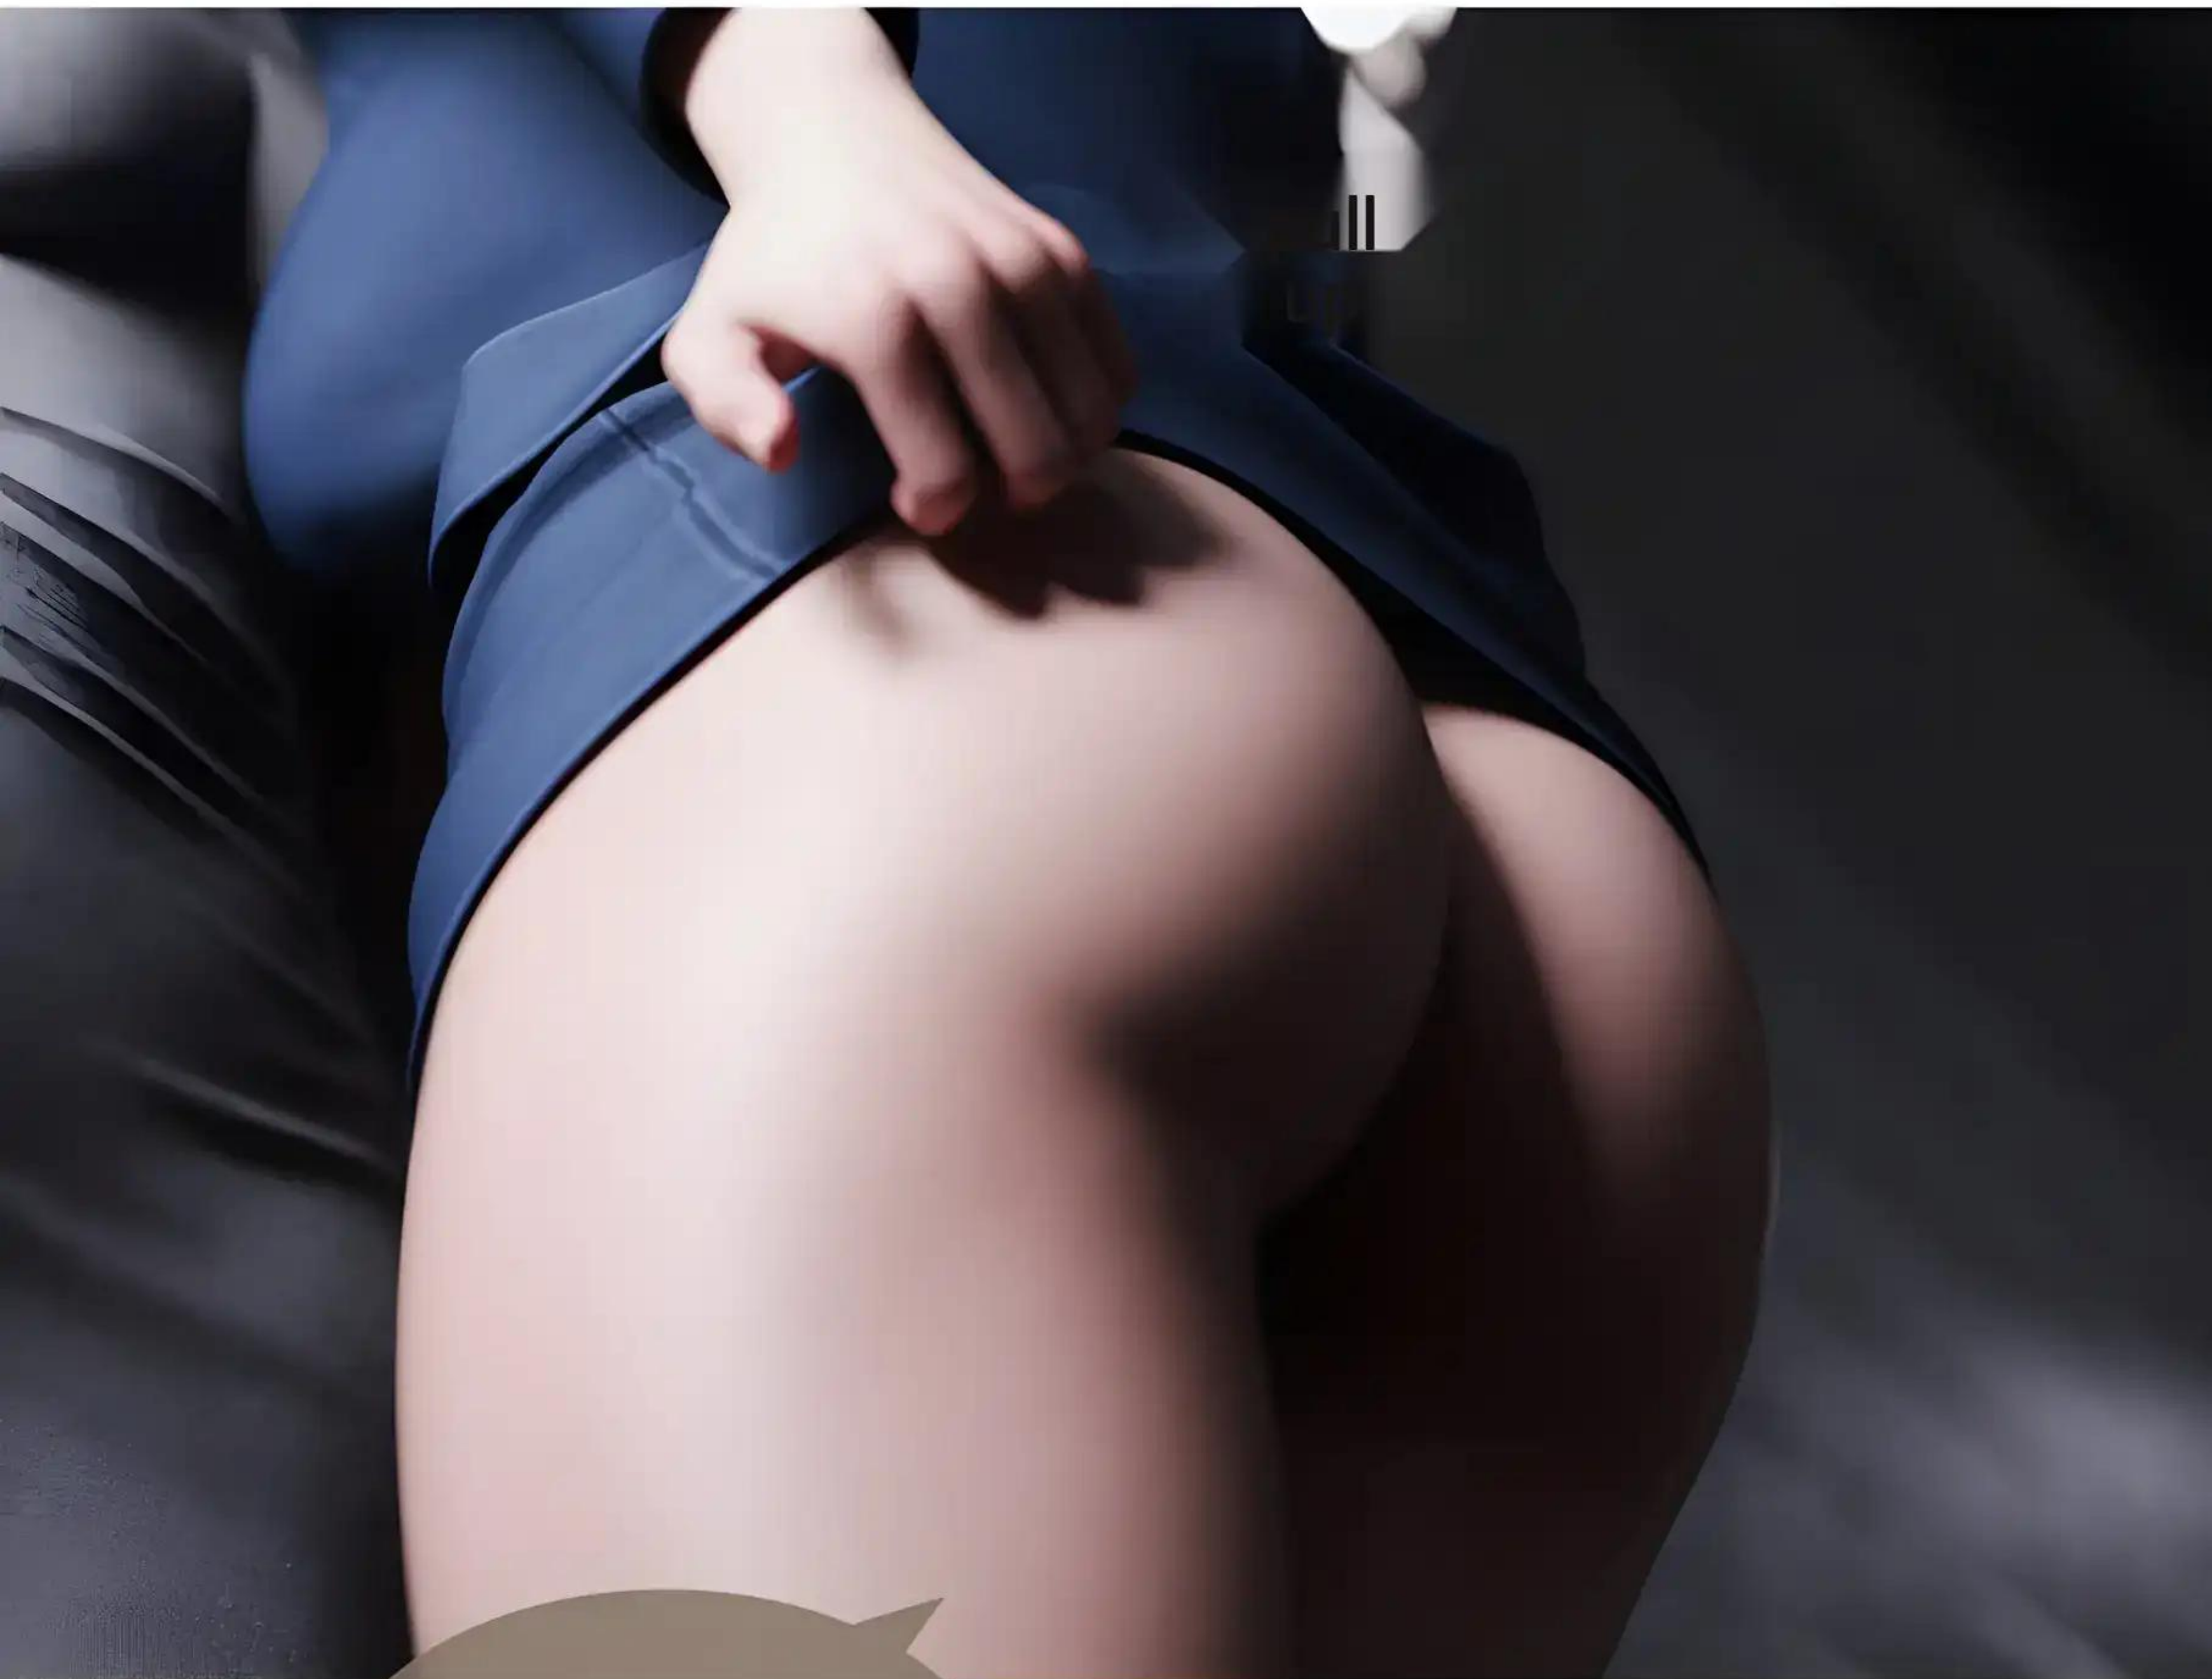

Your body fucking
smells so good, so
tender and tender.

I really want to

You just want to do
it for me. You come
here to share it
with me like this. I
can't bear it.

Already...

A woman is lying on her back, wearing a blue silk dress. Her legs are spread apart, and the dress is pulled down to her ankles. The lighting is soft and focused on her body. A speech bubble is overlaid on her right leg.

It's really baffling...I

it.
Do?

Hey hey

You can never get tired of touching a woman's lower part, it's so wet and soft...

And these nipples...
It's so damn cool to
have a dog!

A woman's body is really sensitive to licking and feels a little comfortable...ah...being suddenly touched by him feel...

Judging from her familiarity, she must have played with many girls like this, and she is definitely not innocent...

I'll try my abilities once.
There must be
something wrong with

Sure

skins also a

And he
looks kind...

A scene from an anime or manga showing two women in a dark, narrow hallway. The woman on the left has long, light-colored hair and is wearing a grey, form-fitting dress. She is looking towards the right with a concerned expression. The woman on the right has dark hair and is wearing a blue suit. She is leaning in towards the first woman, appearing to be in a physical struggle or a moment of intense conversation. The background is dark and blurry, suggesting a confined space. Three speech bubbles are overlaid on the image, containing text in white font on a dark blue background.

? Otherwise, how can I hide from this guy? Is he a person with abilities that exceeds my ability...

There are so many of those bastards hiding in Wei, and they are wrong... How many ability users have the same number of abilities?

There must be some secret in this. The chance is really low...

There must be key

A woman with short brown hair, wearing a blue long-sleeved uniform with a white collar and a black skirt, is sitting on a black toilet in a bathroom stall. The walls are covered in grey square tiles. A white vent is visible on the wall to the left. She is looking towards the camera with a slight smile. Her legs are spread apart, and she is holding a small, dark object between her legs.

Huh... I can't be cummed so soon... Put it on my head first and start enjoying it..

After all, I am also a Silvi addict. Every time I look down and see this body wearing a uniform and Silvi, I get so excited!

A woman with a muscular physique is posing in a dark, tiled room. She is wearing a blue, long-sleeved, form-fitting dress. Her right leg is raised, and she is looking towards the camera. A speech bubble is positioned above her head.
