**Woo hoo hoo!  
It's too, too deep!  
The child won't be  
able to bear it! Be  
gentle, please be  
gentle, Old Zhou!**

Do you think I won't dare you when you mention the baby in my belly? If you like being fucked so much, I will make it happen for you! snort! How dare you say it! I see you've been having a lot of fun using my mother's body these days.

I just got into it with your dad...ohhh it feels so good! After pregnancy, the vagina seems to become more and more sensitive! Lao Zhou, you are so heartless! Anyway, I, I did it for the sake of your family harmony.

Mom is indeed the best! I didn't expect that after becoming a pregnant woman, I would be able to reach a higher level. I thought my mother's body was already a top-notch device... It's so tight! Lao Shao was right. After my mother became pregnant, her vagina became wetter and hotter than before.

bang  
bang bang  
bang

When I think that the person who is in my mother's body can only use this method to relieve boredom, although I also know that this is wrong, but it is not me but that guy Lao Shao, I feel depressed for a while, oh, I miss my mother so much.

Who can bear it! Look at this erotic body in front of you

STOP!!

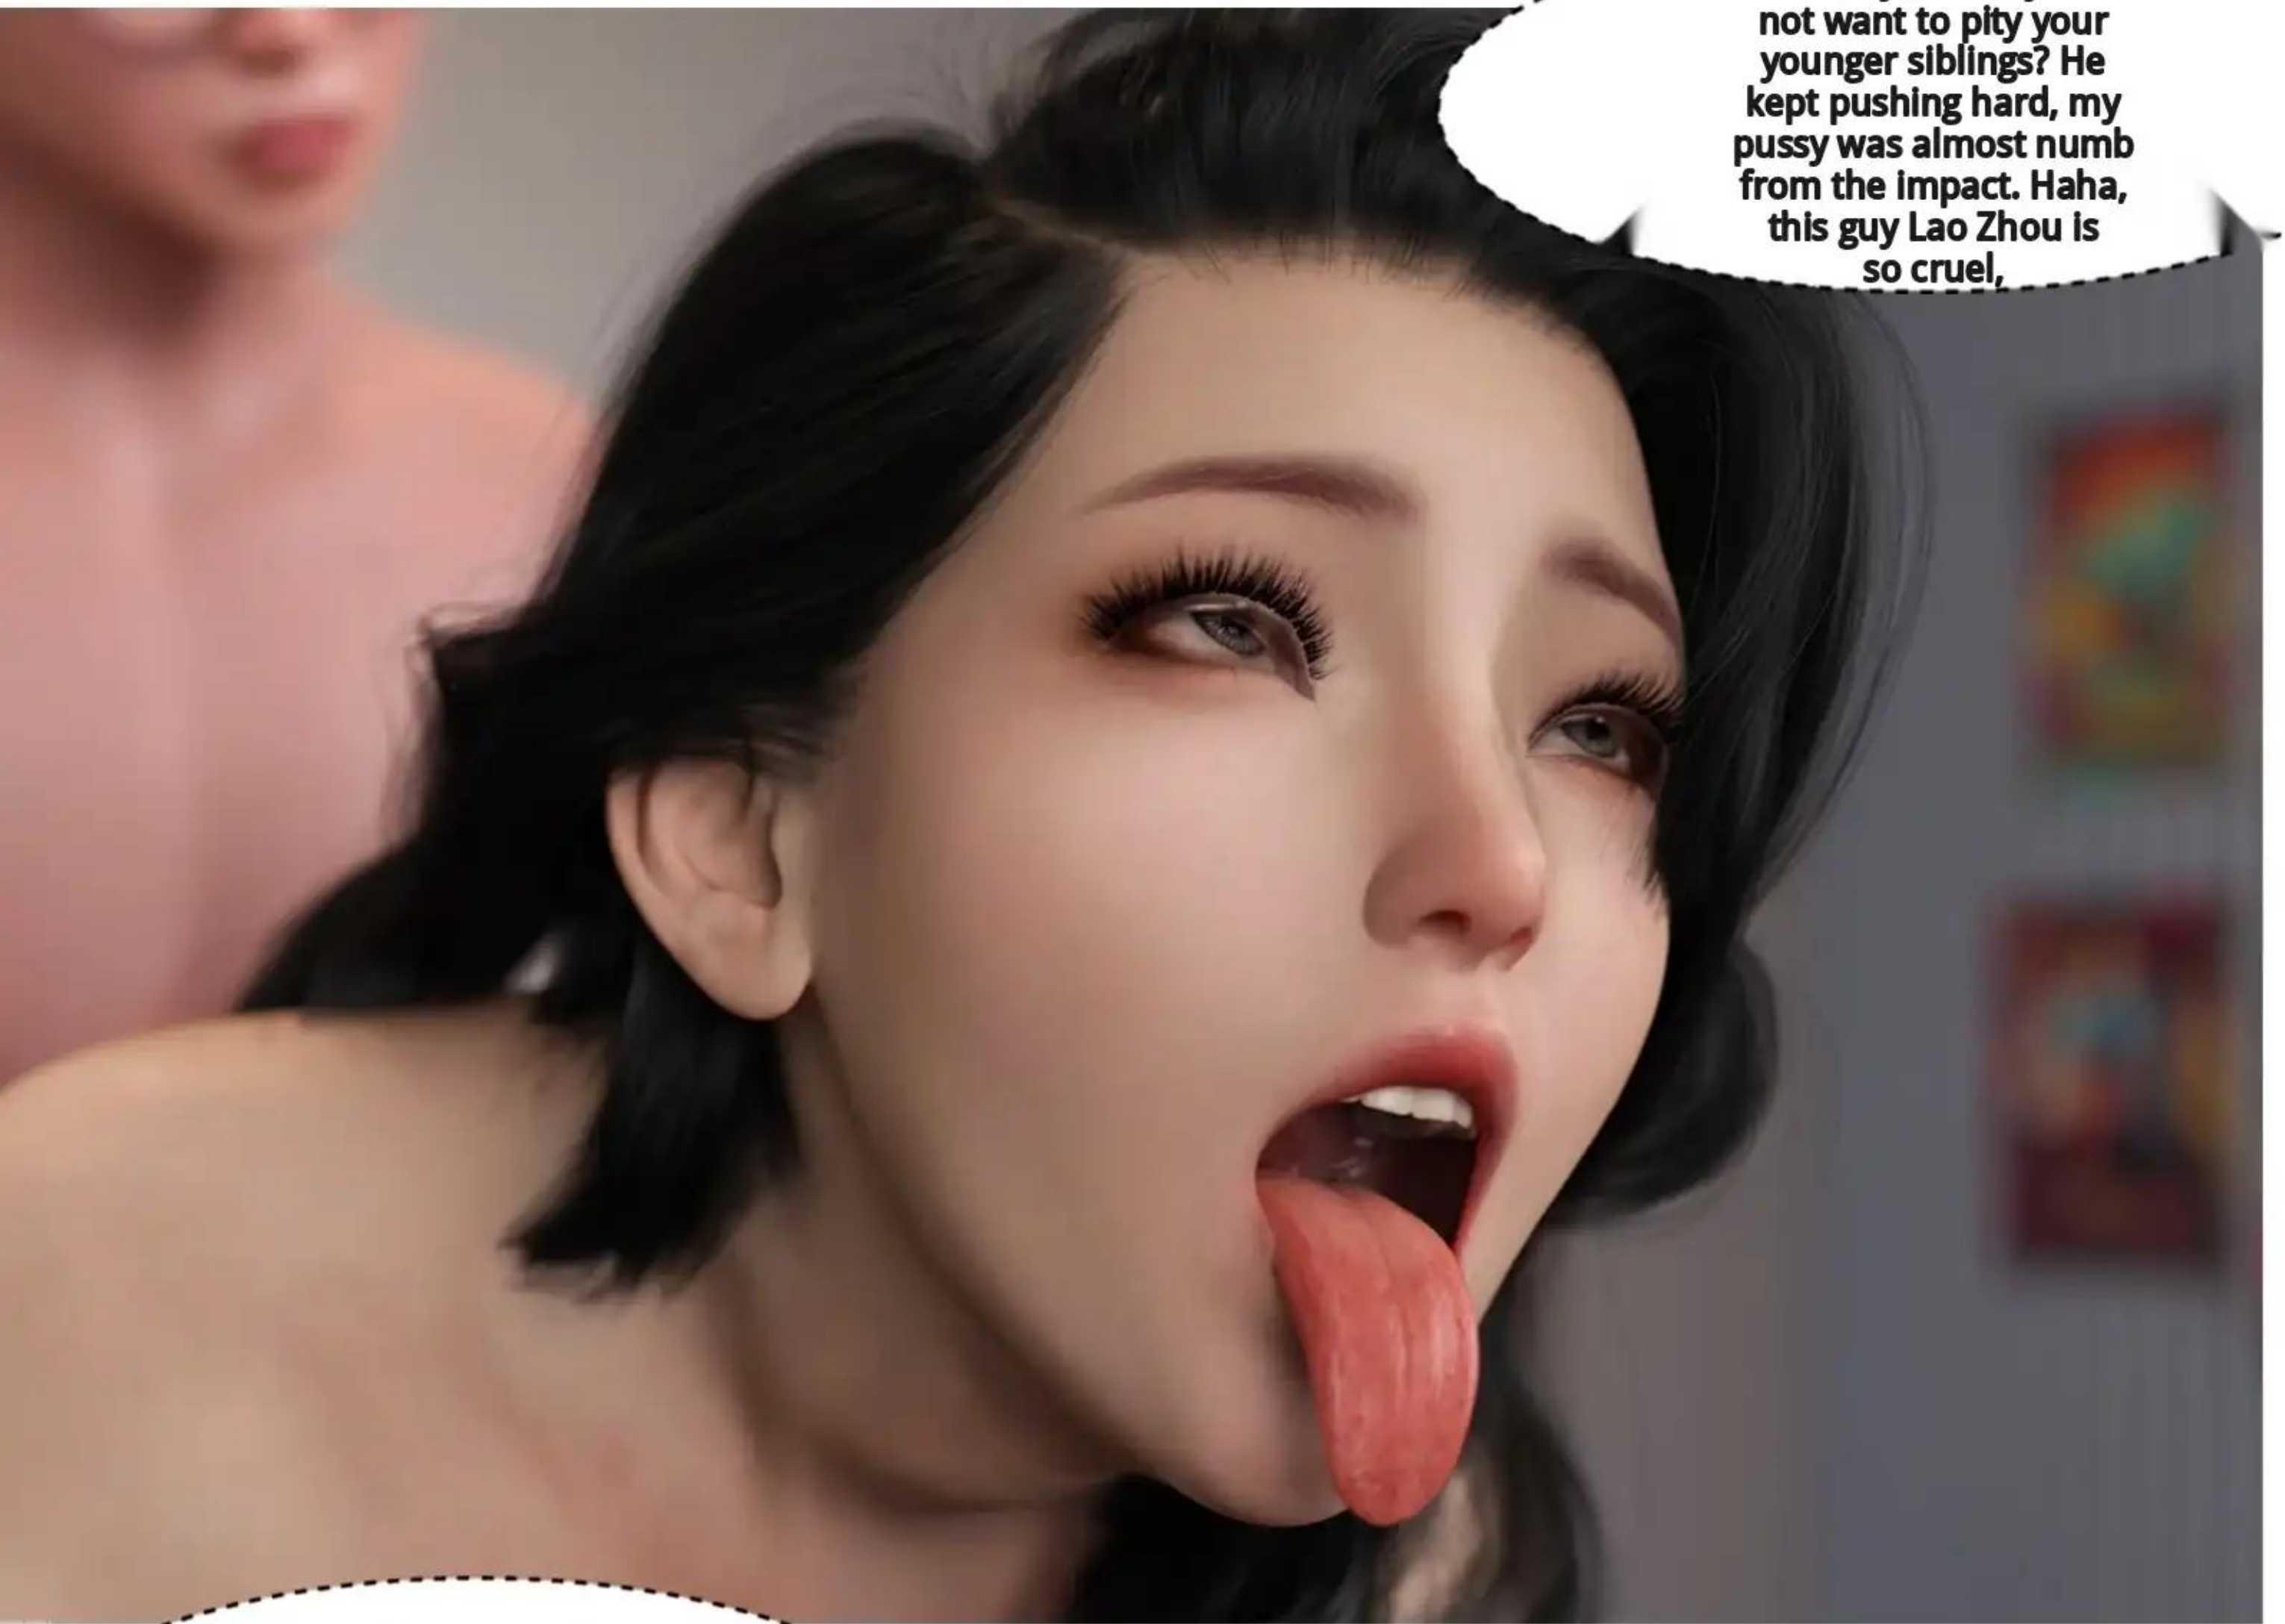

啪

You slut! How dare you say it's for the sake of my family harmony? Don't you admit that you want to be fucked? Say it quickly! If you don't tell me, I won't let you go!

Yeah! I feel so happy!  
Fuck mom's pregnant pussy  
until it's broken! I want both my  
father's cock and my son's cock!  
Yes, that's it! Mom's cunt  
loves cocks the most

shake

Do you really not want to pity your younger siblings? He kept pushing hard, my pussy was almost numb from the impact. Haha, this guy Lao Zhou is so cruel,

You can't leave him alone like this, it's up to me!

sit

Twist

It's so meaty, mommy feels so comfortable! Now let mom serve you! Well, he is indeed my good son

Mom's pussy is  
pinched and twisted,  
it's so exciting! Oh oh  
oh! My cock was eaten  
by my mother's big  
ass

TOP

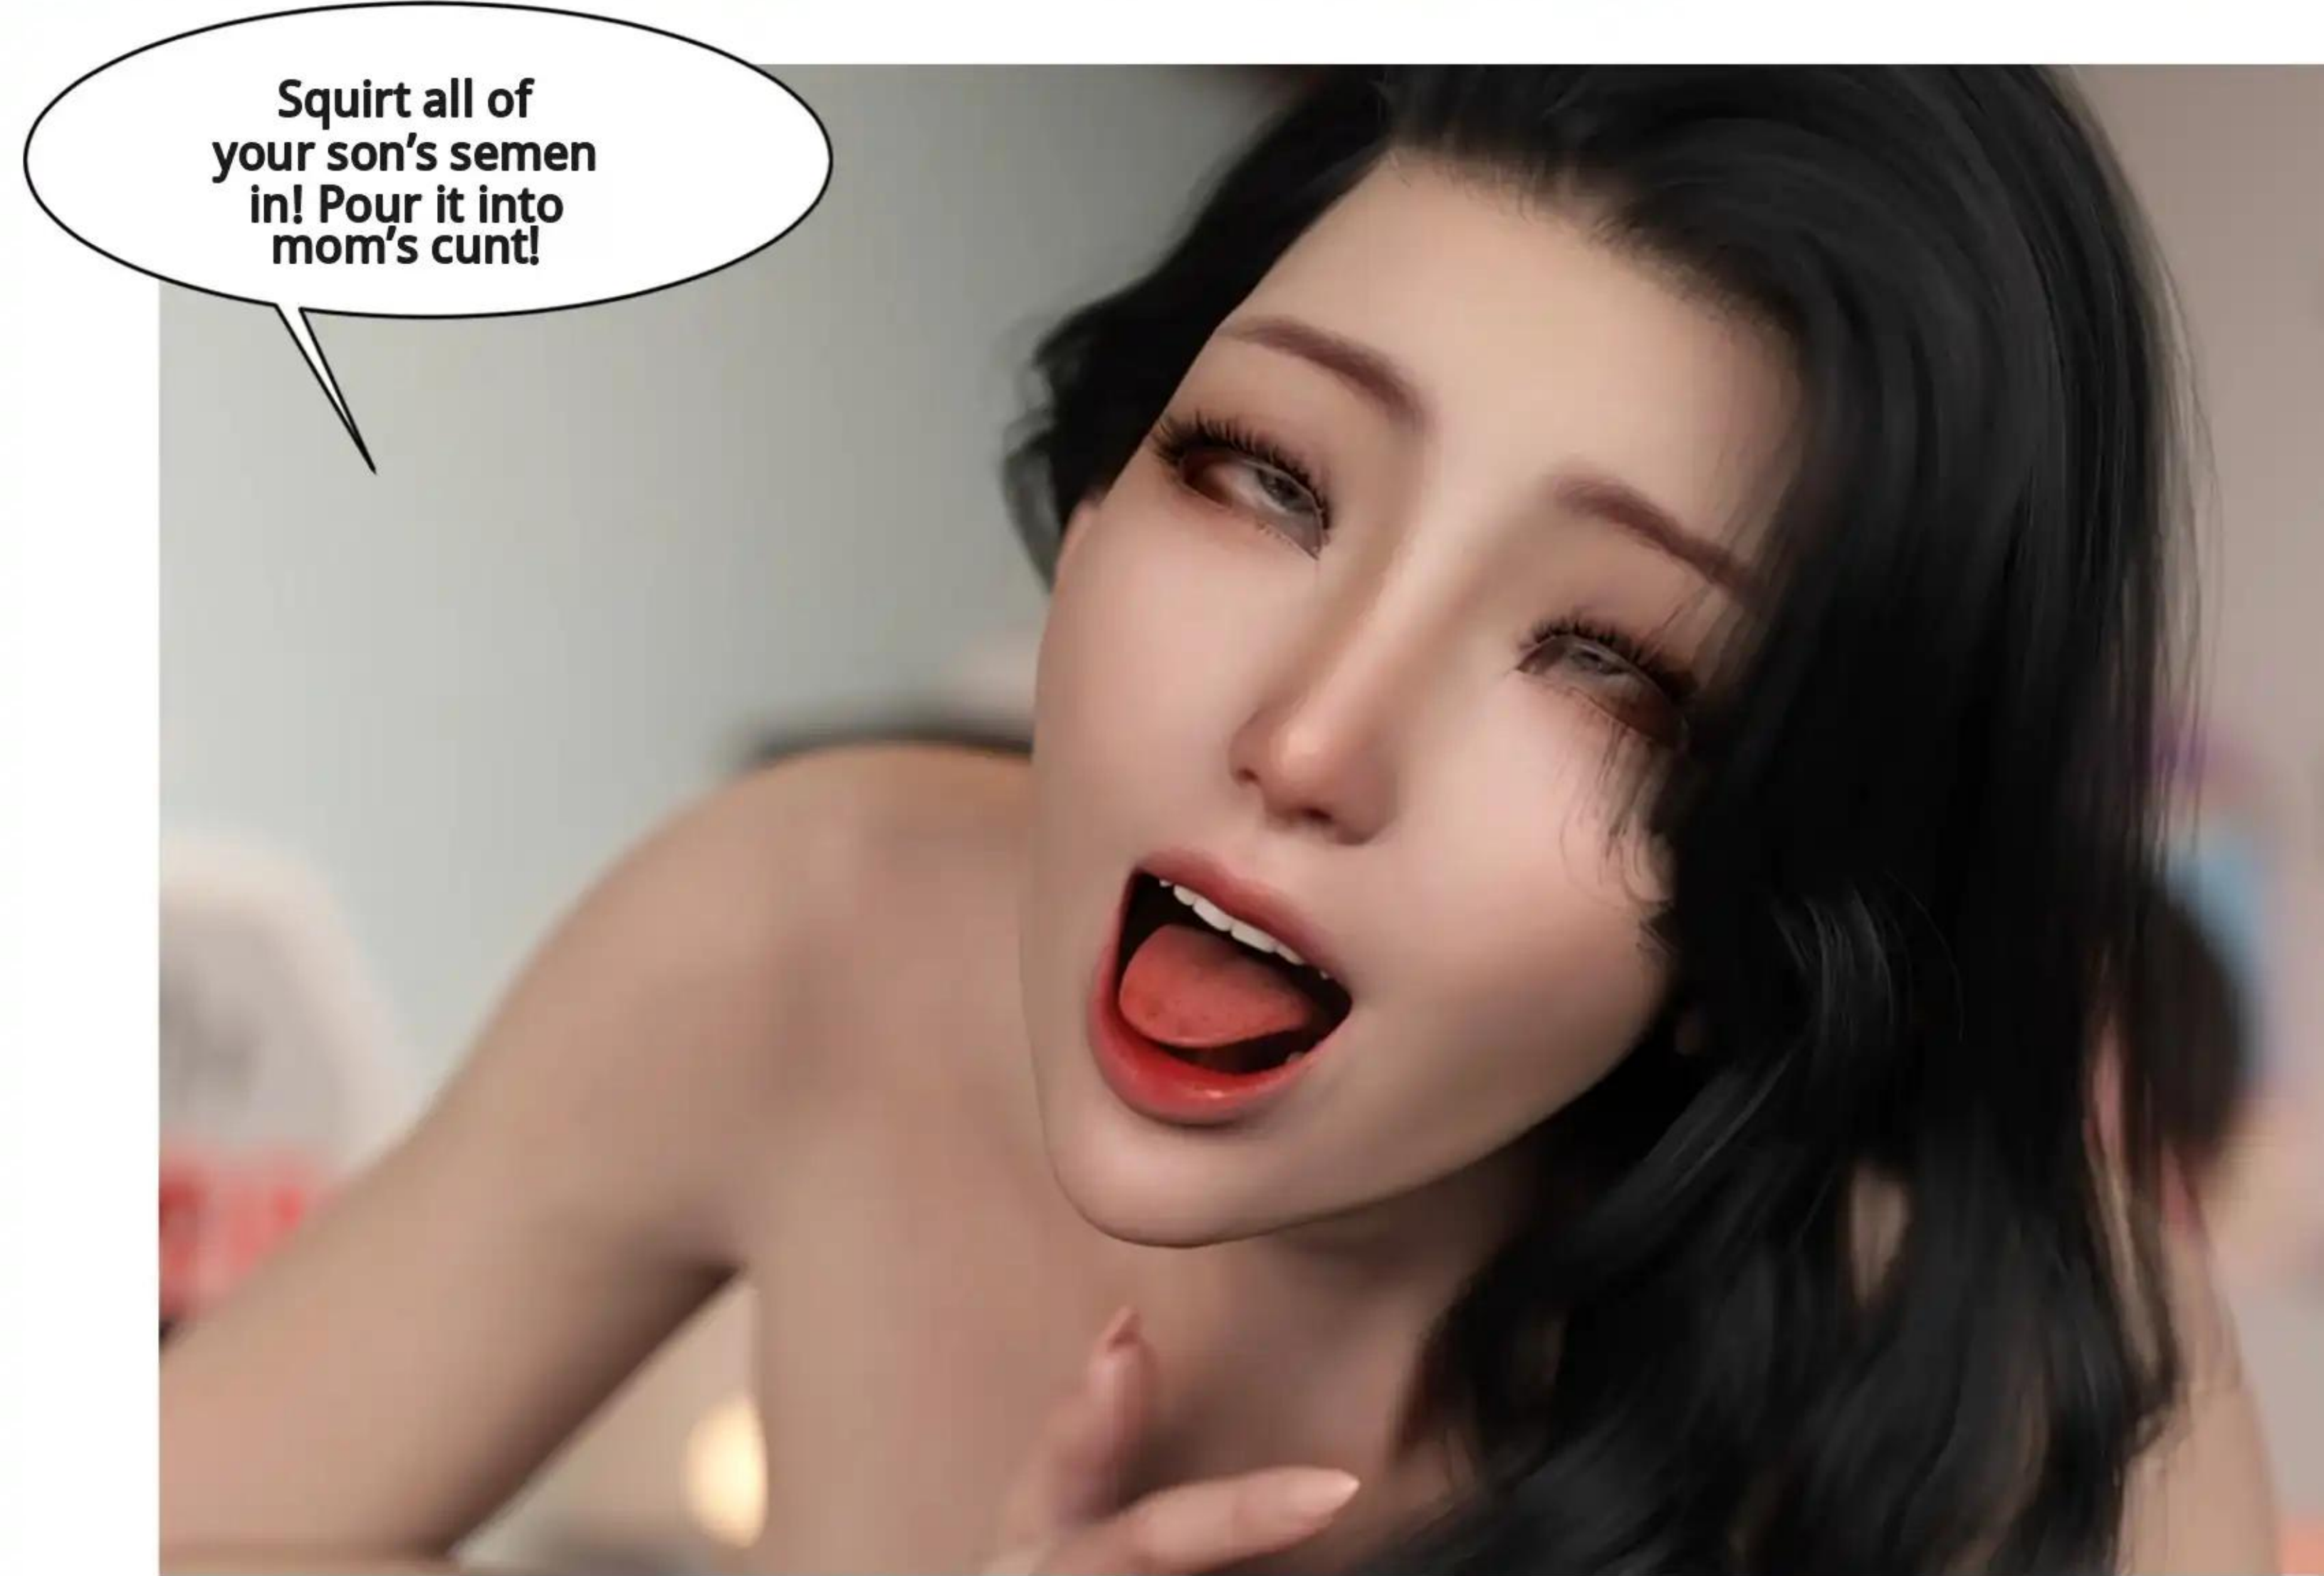

Mom hasn't used her full strength yet! Who was saying just now that you don't have sex with other people? Hehe, look at how stupid you are.

Uh-oh! This posture is so illegal! What a blessing it is to be able to enjoy this view! My eyes were almost occupied by my mother's buttocks, which was covering her pussy and being fucked up and down.

bang  
bang bang  
bang

Ouch, I can't bear it anymore! Oh my cock has become so sensitive!

Squirt all of your son's semen in! Pour it into mom's cunt!

ejaculation

Cum!

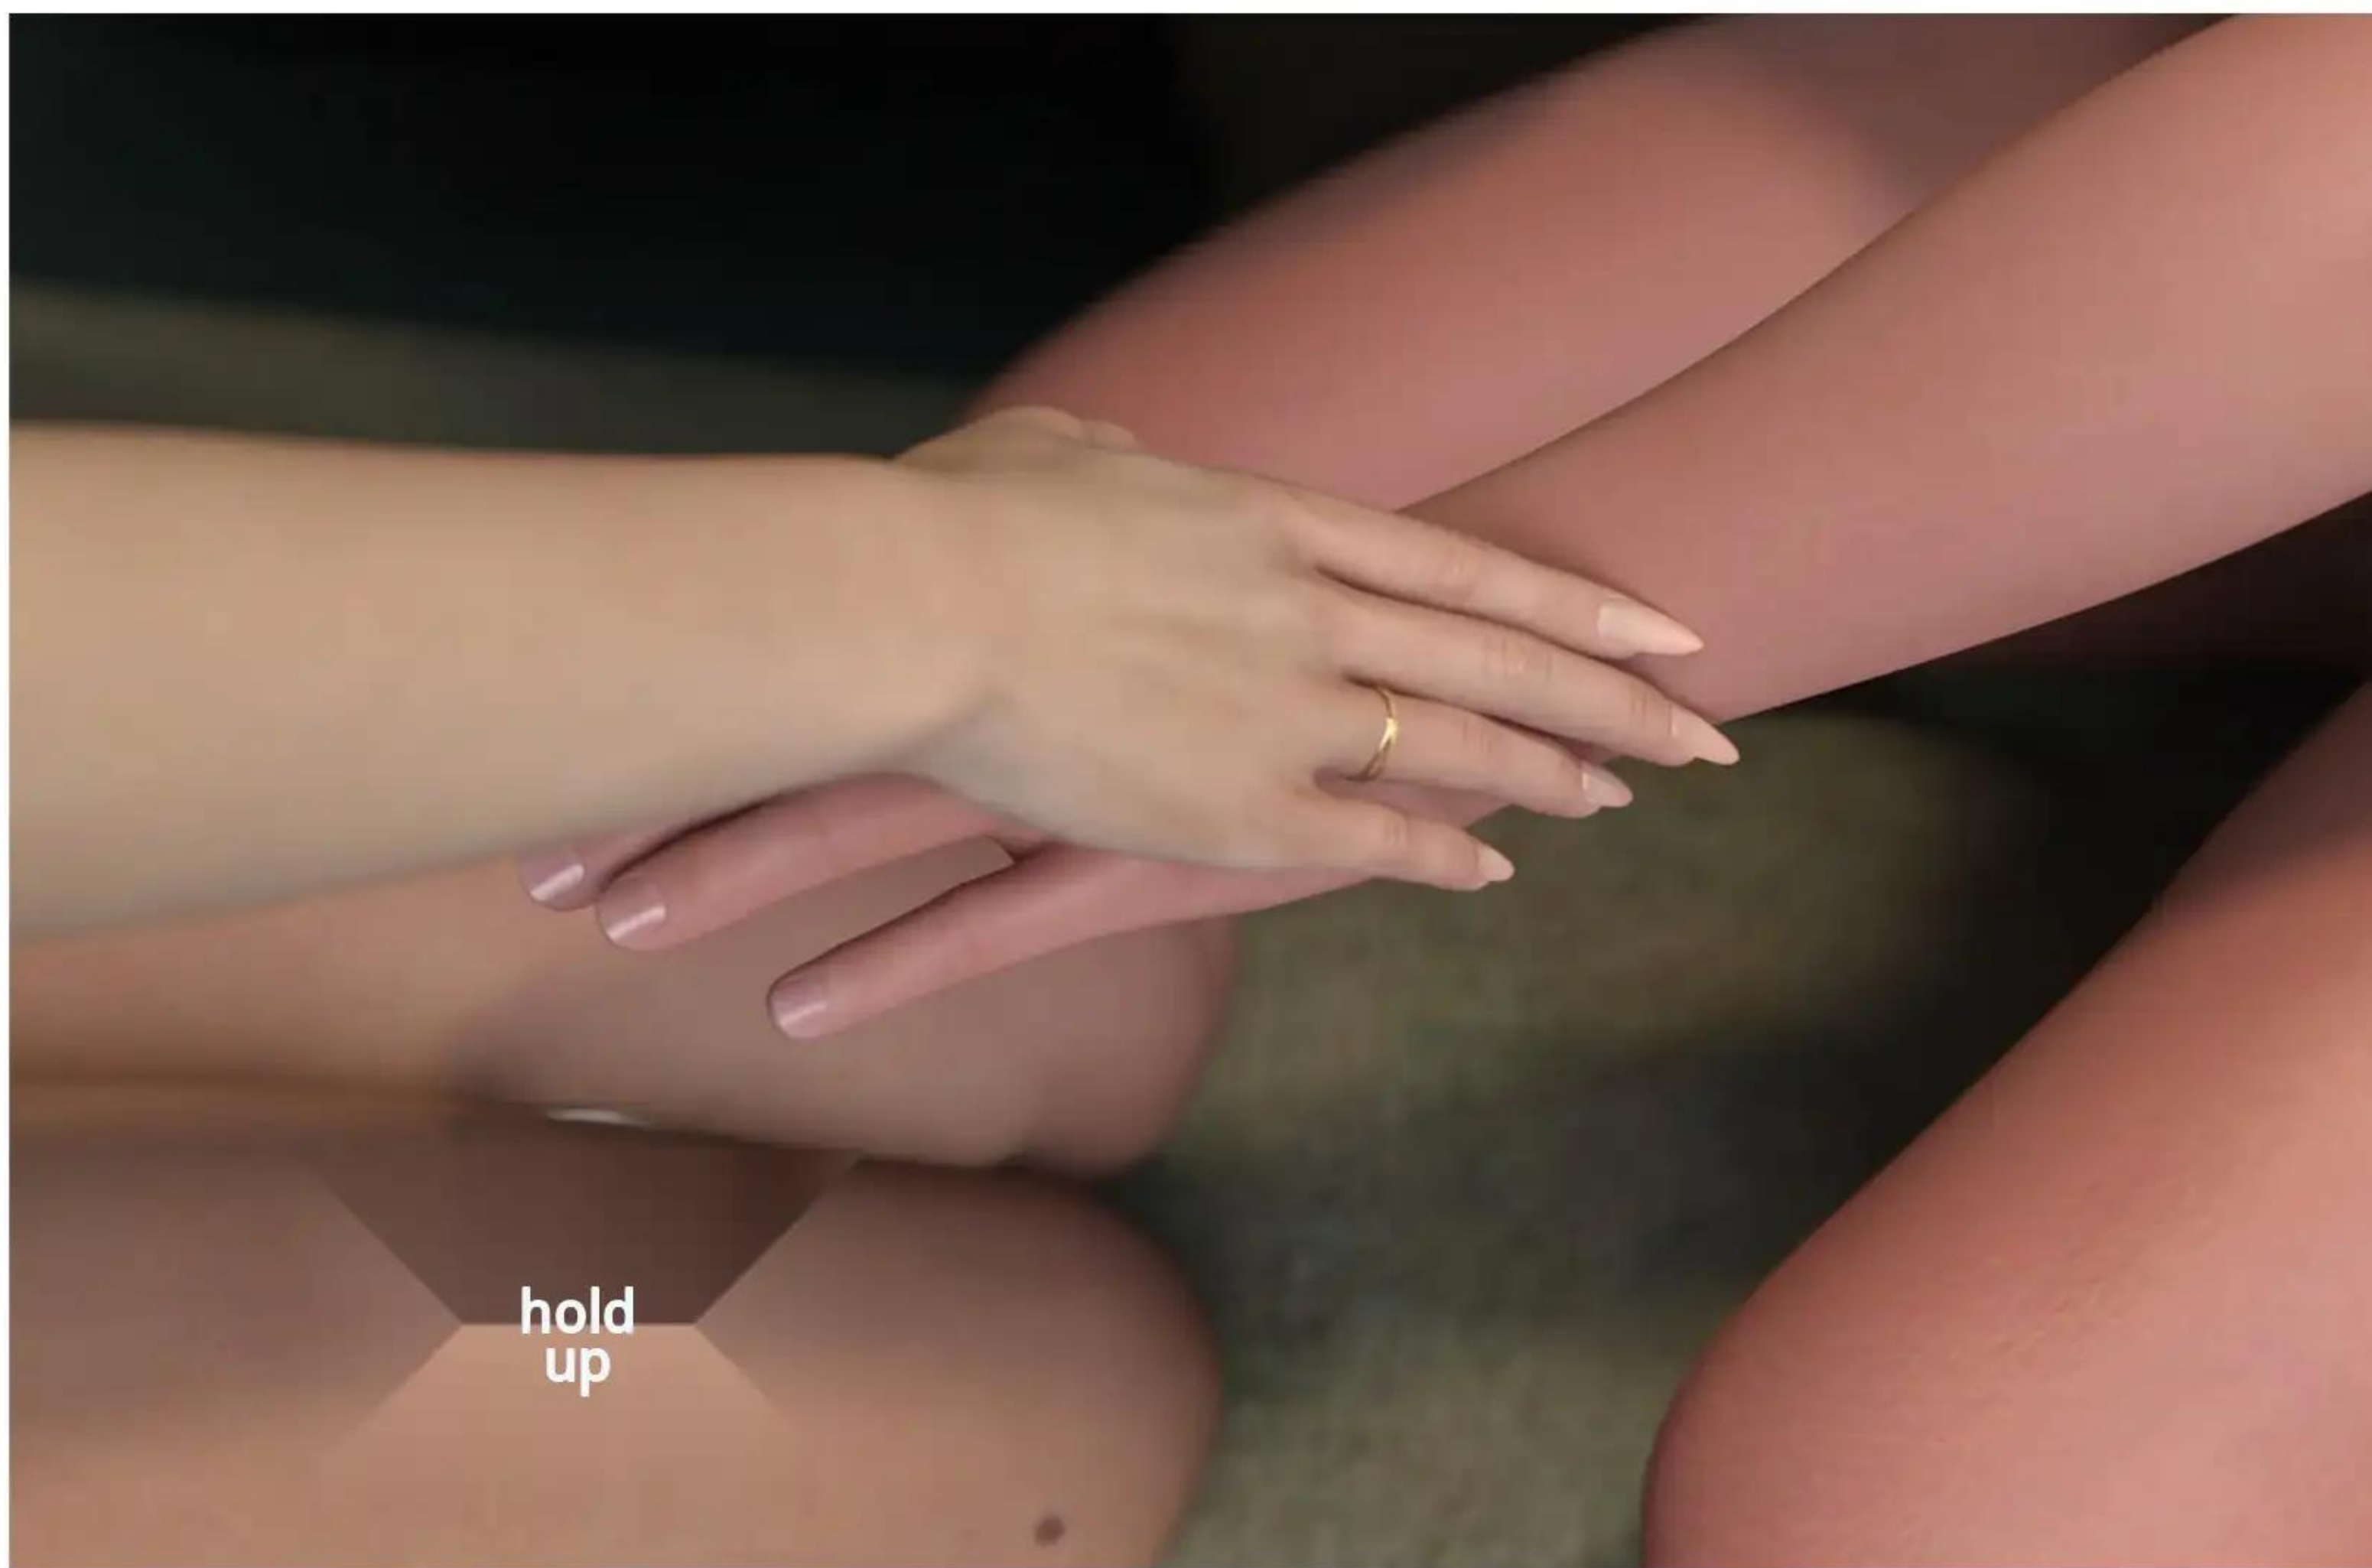

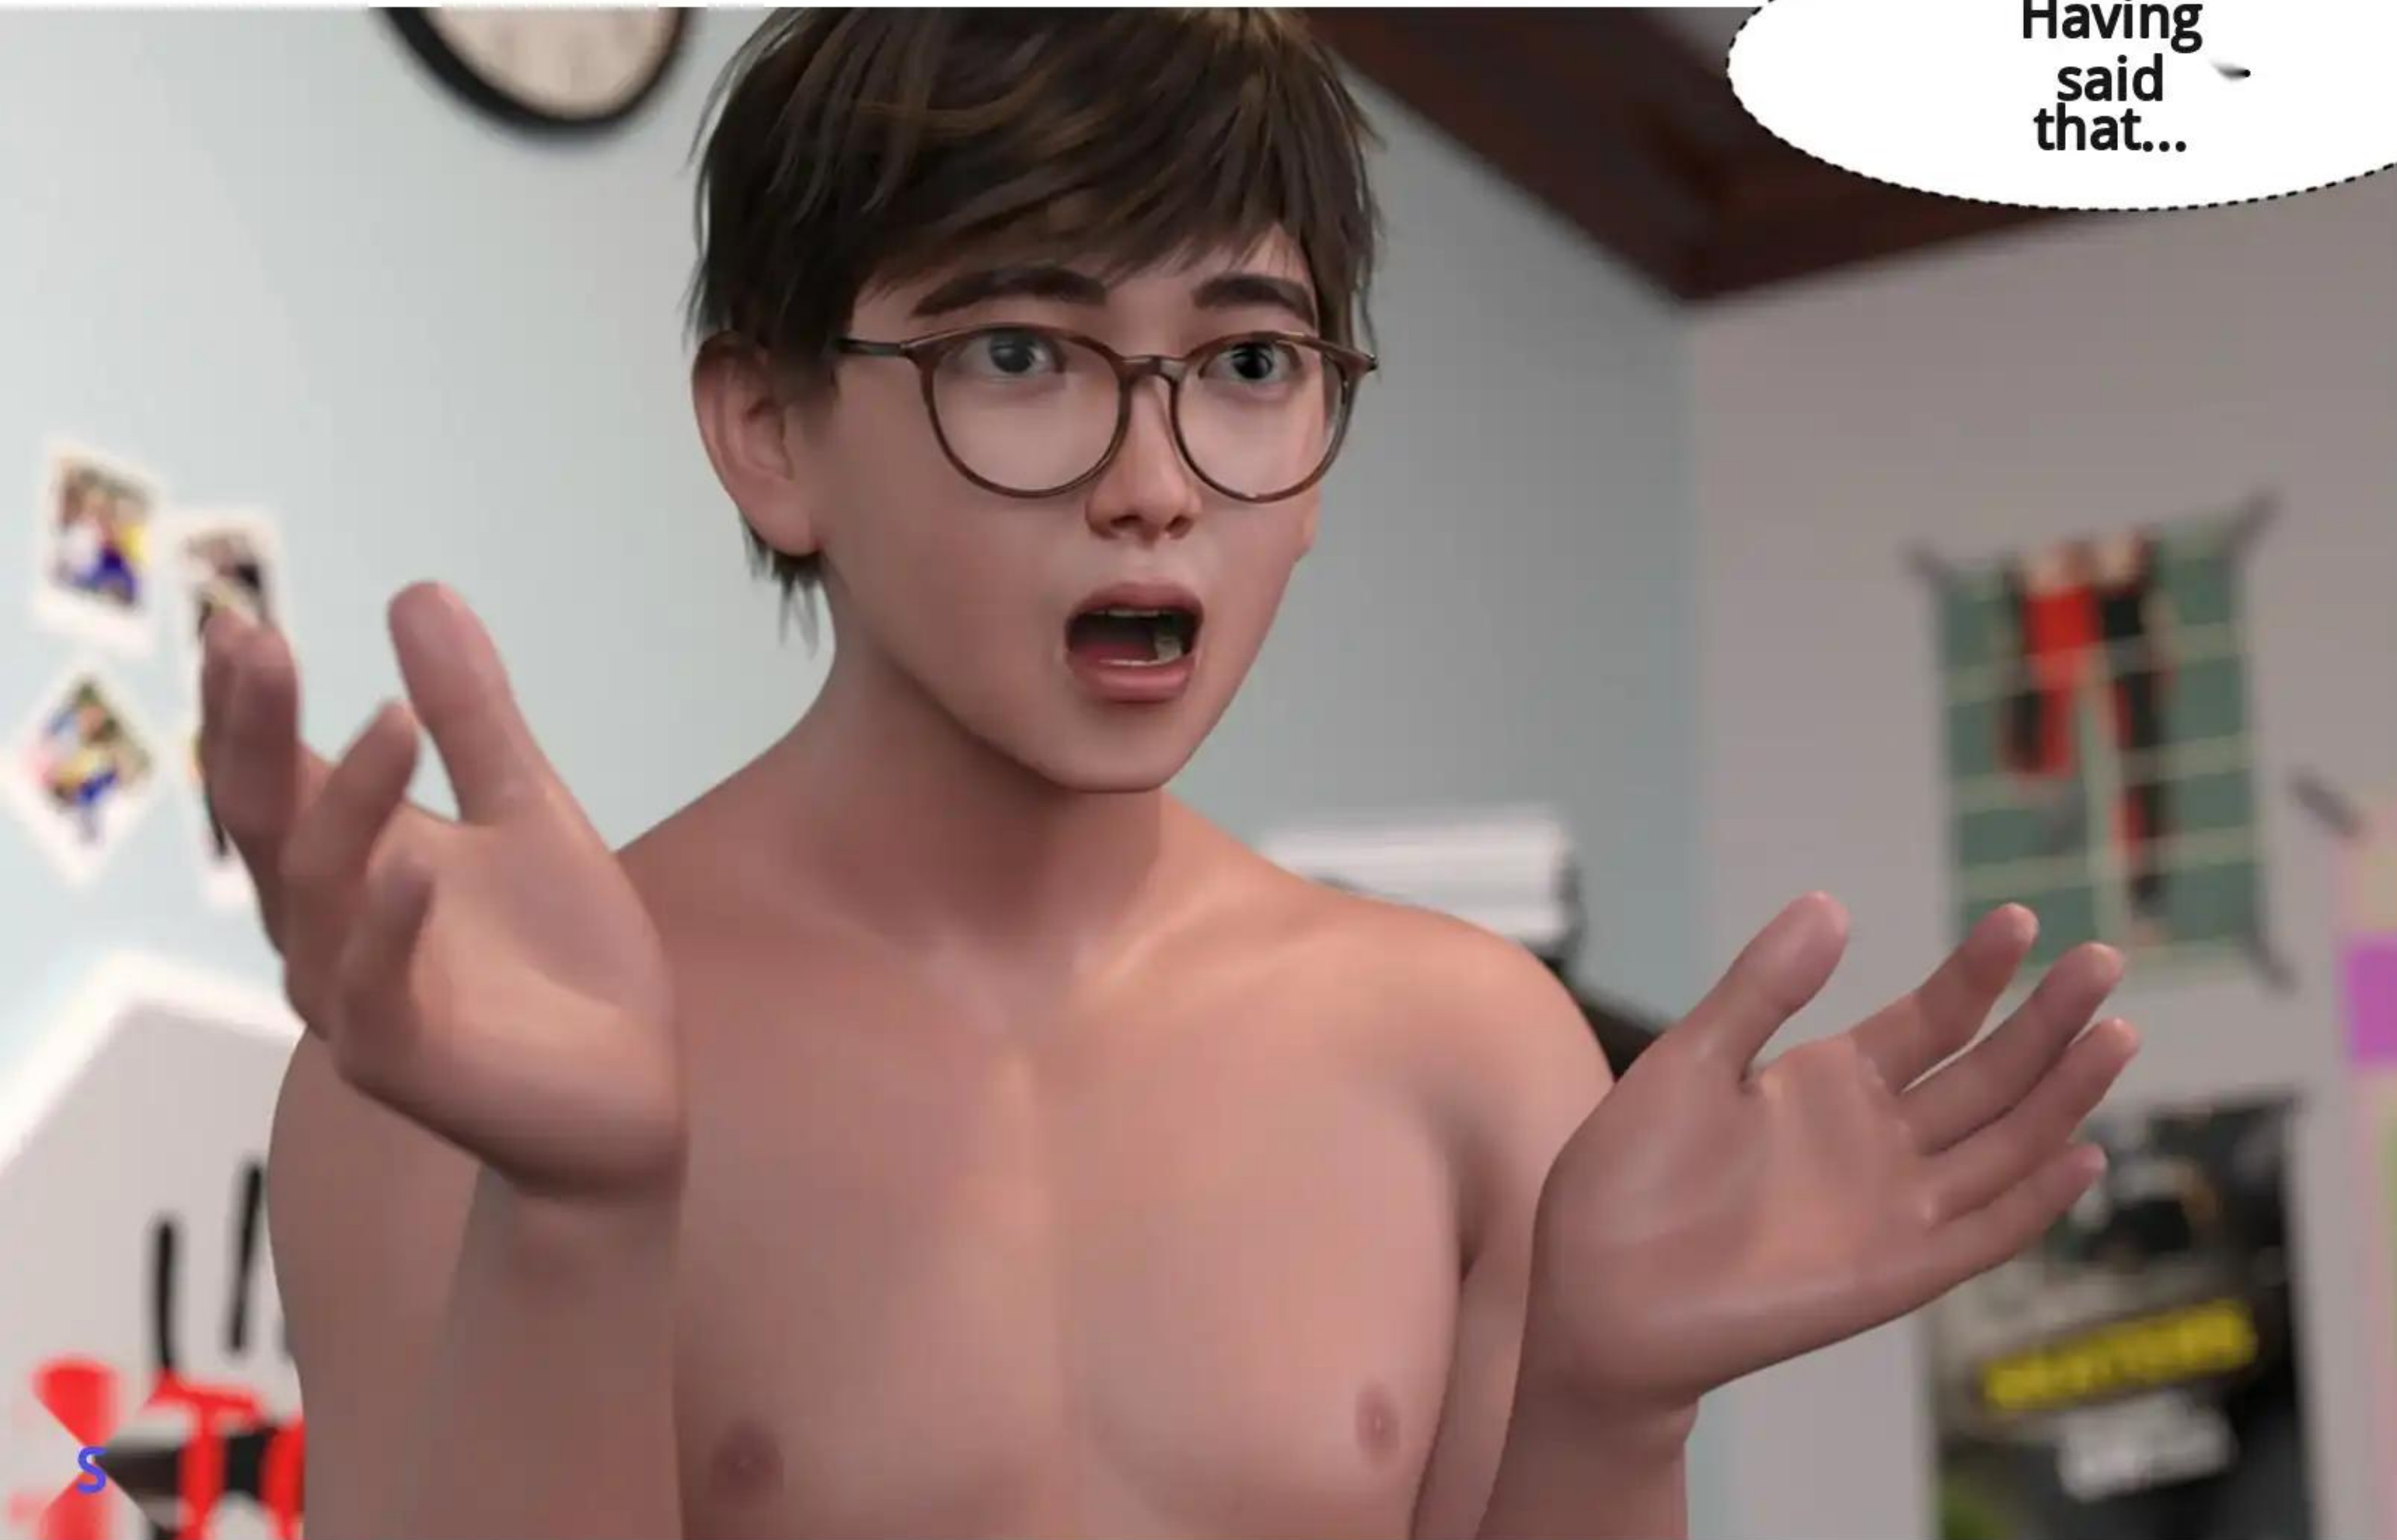

**hateful! Why is it always out of control? I'm so terrible! Wow...I've defiled my mother's body again**

**Lao  
Zhou, Lao  
Zhou!**

All the  
semen is  
flowing out of  
your mother's  
cunt! Hee hee,  
look, Lao Zhou!  
So lustful,

Having said that...

hold up

Let me rub your back! Come on, come on, let's take a shower with mom!

I always feel that this guy Lao Shao is becoming more and more feminine... Is it my imagination? After becoming pregnant, I became more and more naughty,

living  
room

I'm going to be late for school! Wow! Lao Shao, why did it take you so long to take a shower?

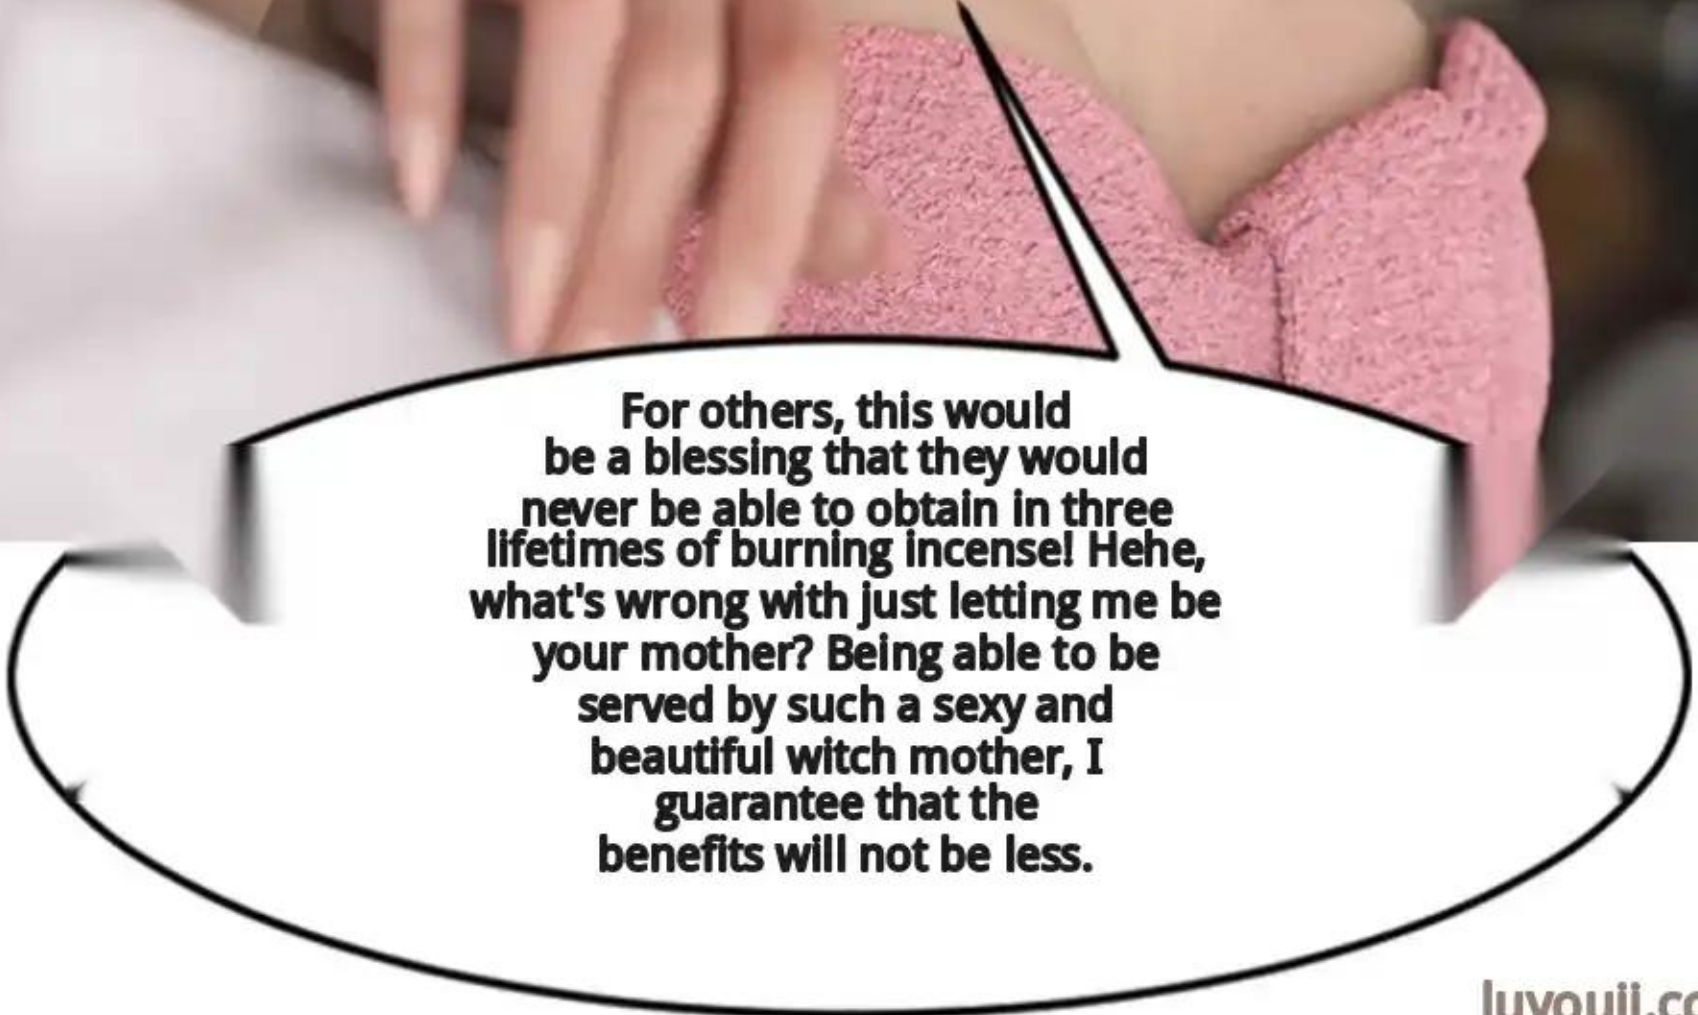

How comfortable it is to take a hot shower after a session in the morning! You are indeed a moodless man like your father. Haha, no wonder the relationship with women is so bad. Go slowly.

By the way, how long do you plan to keep like this? are you mad at me! Do we really have to wait until the child is born? What will my father and my mother do then?

**The boat will go straight to the bridge! You have to be mentally prepared to maintain the status quo for the rest of your life! There is nothing I can do. If I really want to say it, I have tried all kinds of methods, but the skin just can't be taken off. It's you who started it.**

I warn you, this is no joke! You have to try your best to give your mother back to me! Then, how is that possible!

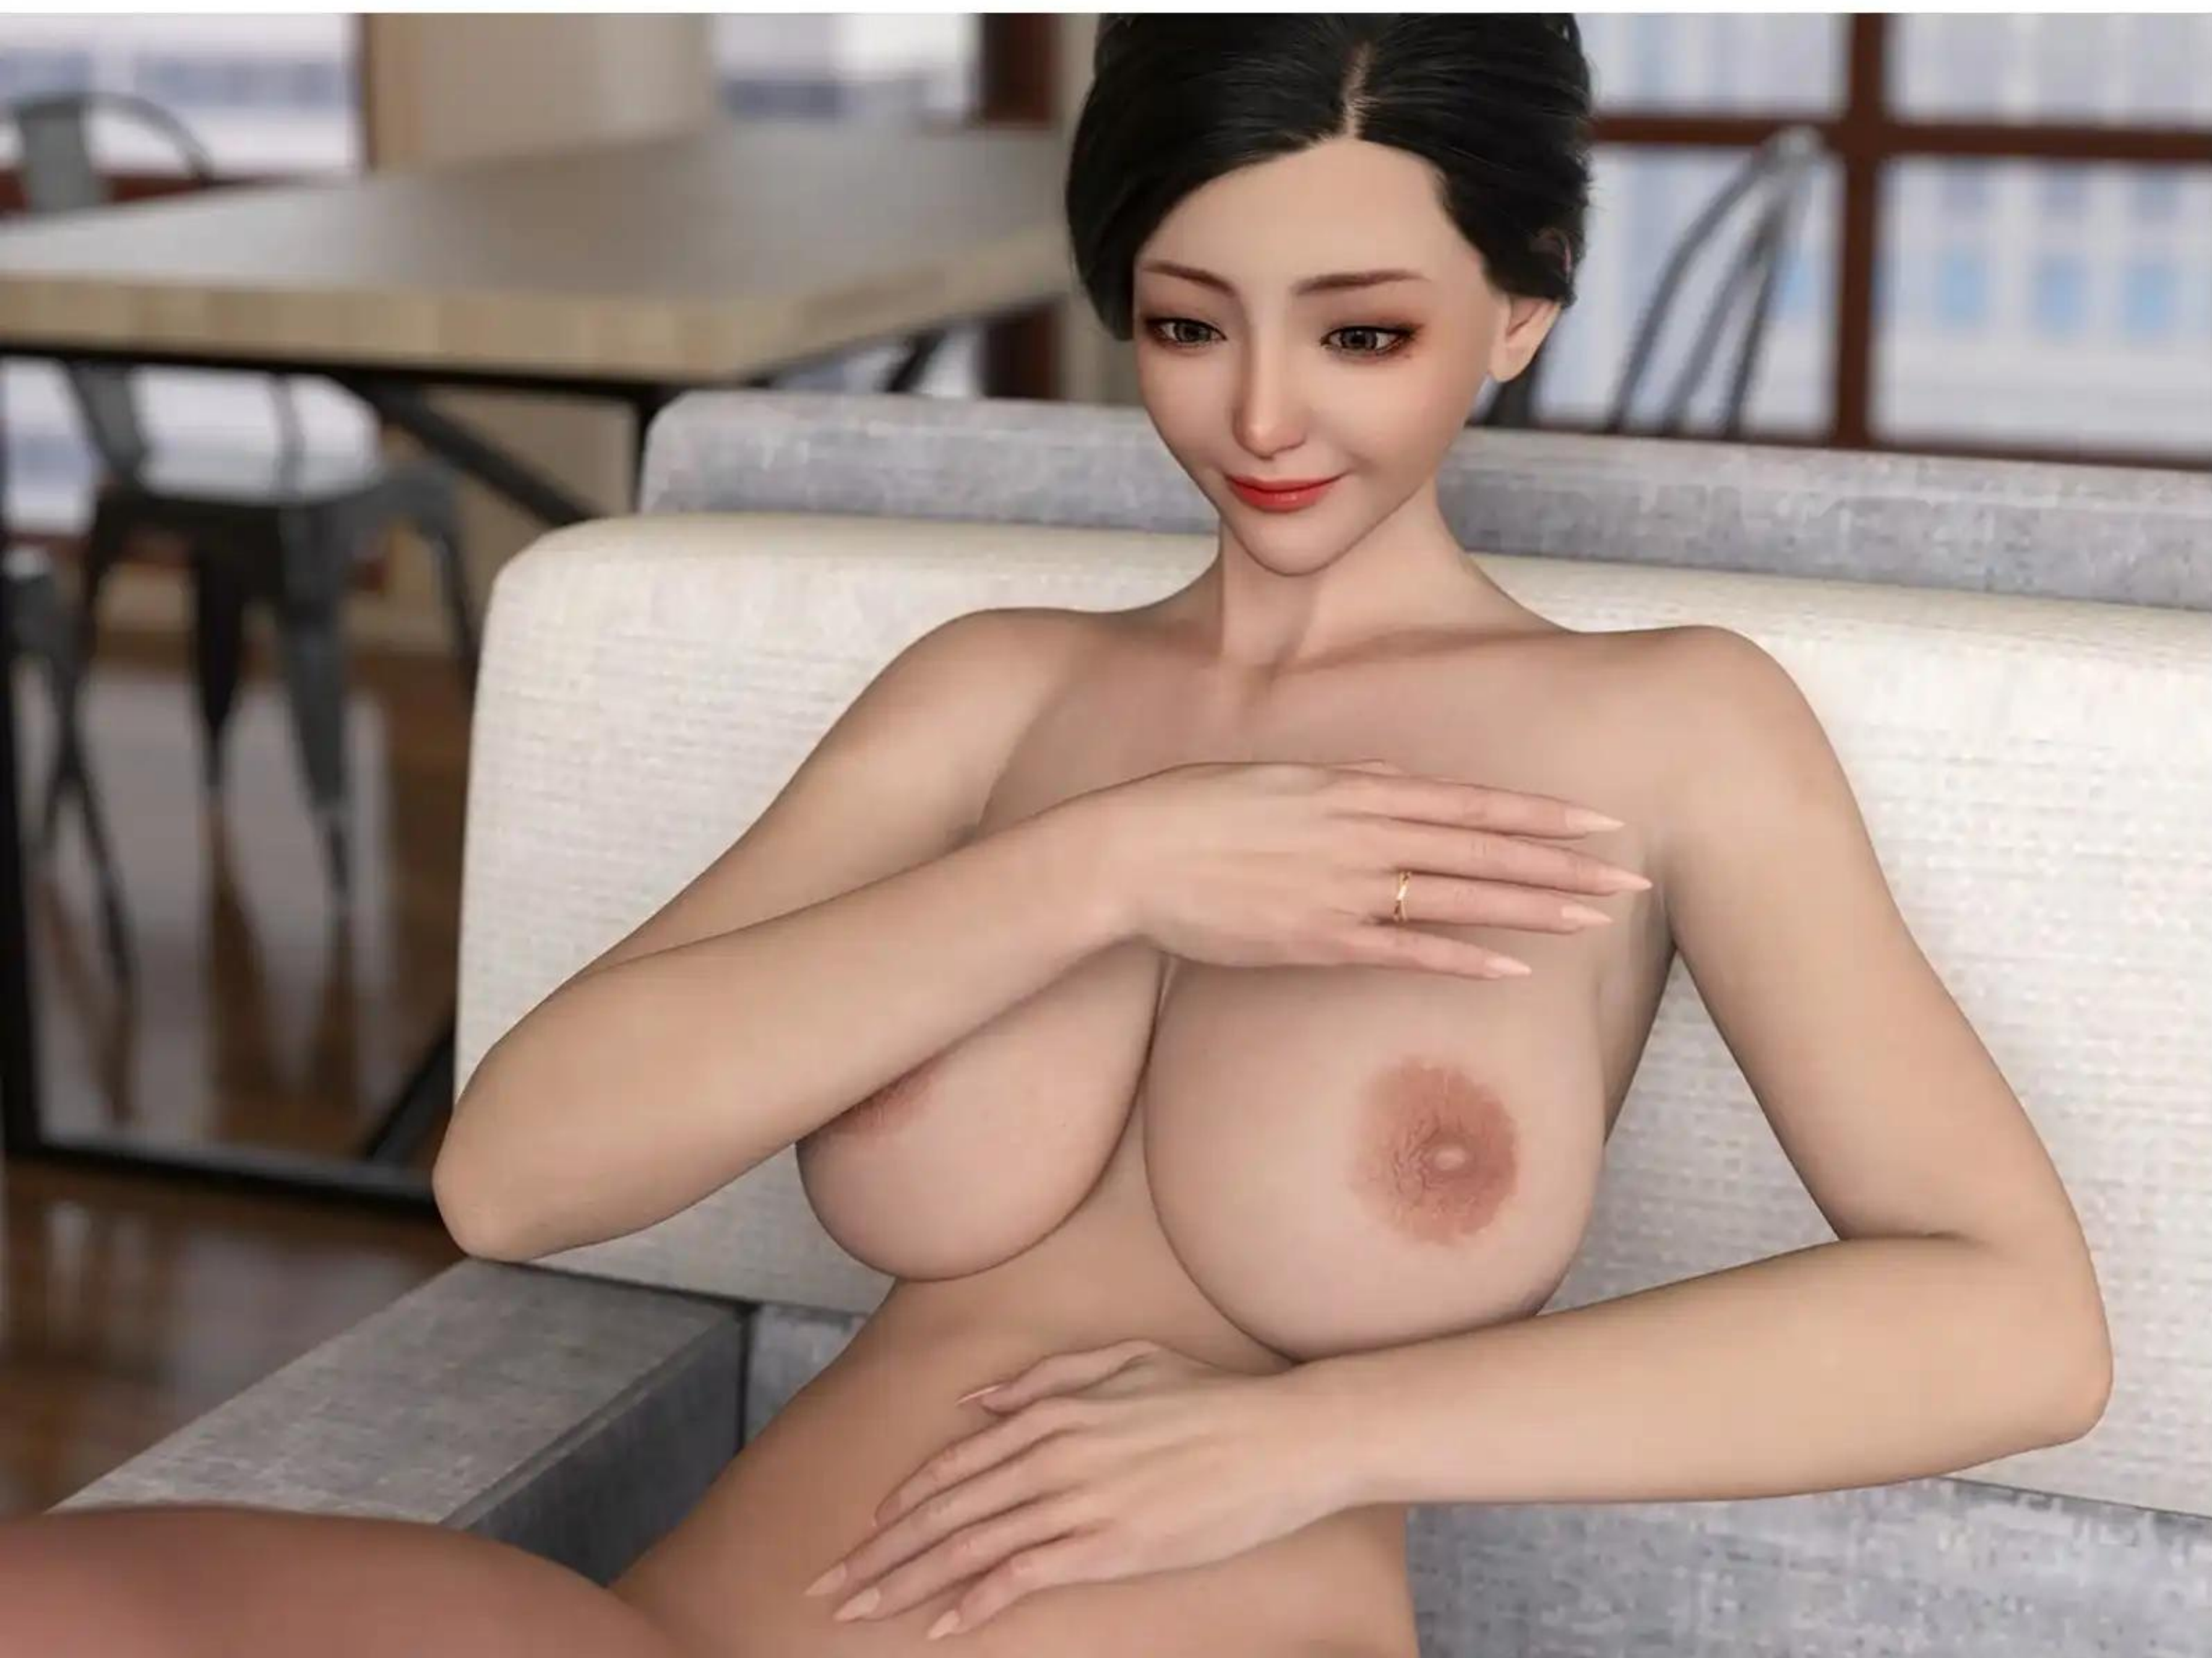

You have to be a good boy and your mother will reward you! Stop talking about this and go to class! Okay, okay

She looks more like a mother than me! Lao Zhou is really good at talking, phew~ I can finally be quieter.

ka

How to play with this sexy pregnant woman's body? Hey hey hey, next is my alone time

**-I feel inexplicably excited when I think about how this smooth and flat belly will swell! Hey hey hey! My belly doesn't feel any different! Hmm~ Even though I'm several weeks pregnant**

I didn't even dare to let Lao Zhou touch it just now! I have suddenly become very sensitive these days, but my breasts are obviously swollen.

pinch

Will there  
be milk leaking  
out? Haha, if you  
squeeze it  
gently,

Yeahhhhh!  
So  
exciting!

Haha,

Haha

**What's going on? When did my breasts become so sensitive? I should already know this woman's body like the back of my hand, it's just a slight squeeze**

Well,  
I feel a wave of  
heat passing through  
my lower body... Wow!  
My cunt has become  
wet again!

**The water keeps flowing like a faucet! But my pussy feels hot and swollen, what a lustful body! Obviously just touching it casually a few times**

Desire is so bottomless!  
I just want to masturbate after  
a long time! I just finished my  
fierce battle with Lao Zhou and  
I want it again

insert

**It's like there is a  
small mouth sucking...  
The female body is really  
the best! The shape of the  
fingers has become so  
obvious, ah... the pussy  
seems to be getting  
hotter.**

This is all so  
erotic! The living  
room is filled with the  
sound of thrusting water  
and the smell of pussy is  
so obvious, ahh, it feels  
so good... I can hear  
it so clearly,

Pretending to be a housewife, oh oh oh, I got excited too! This sense of betrayal is so exciting! Masturbating like crazy in an empty home,

It's almost there...ahhhh...it's almost...

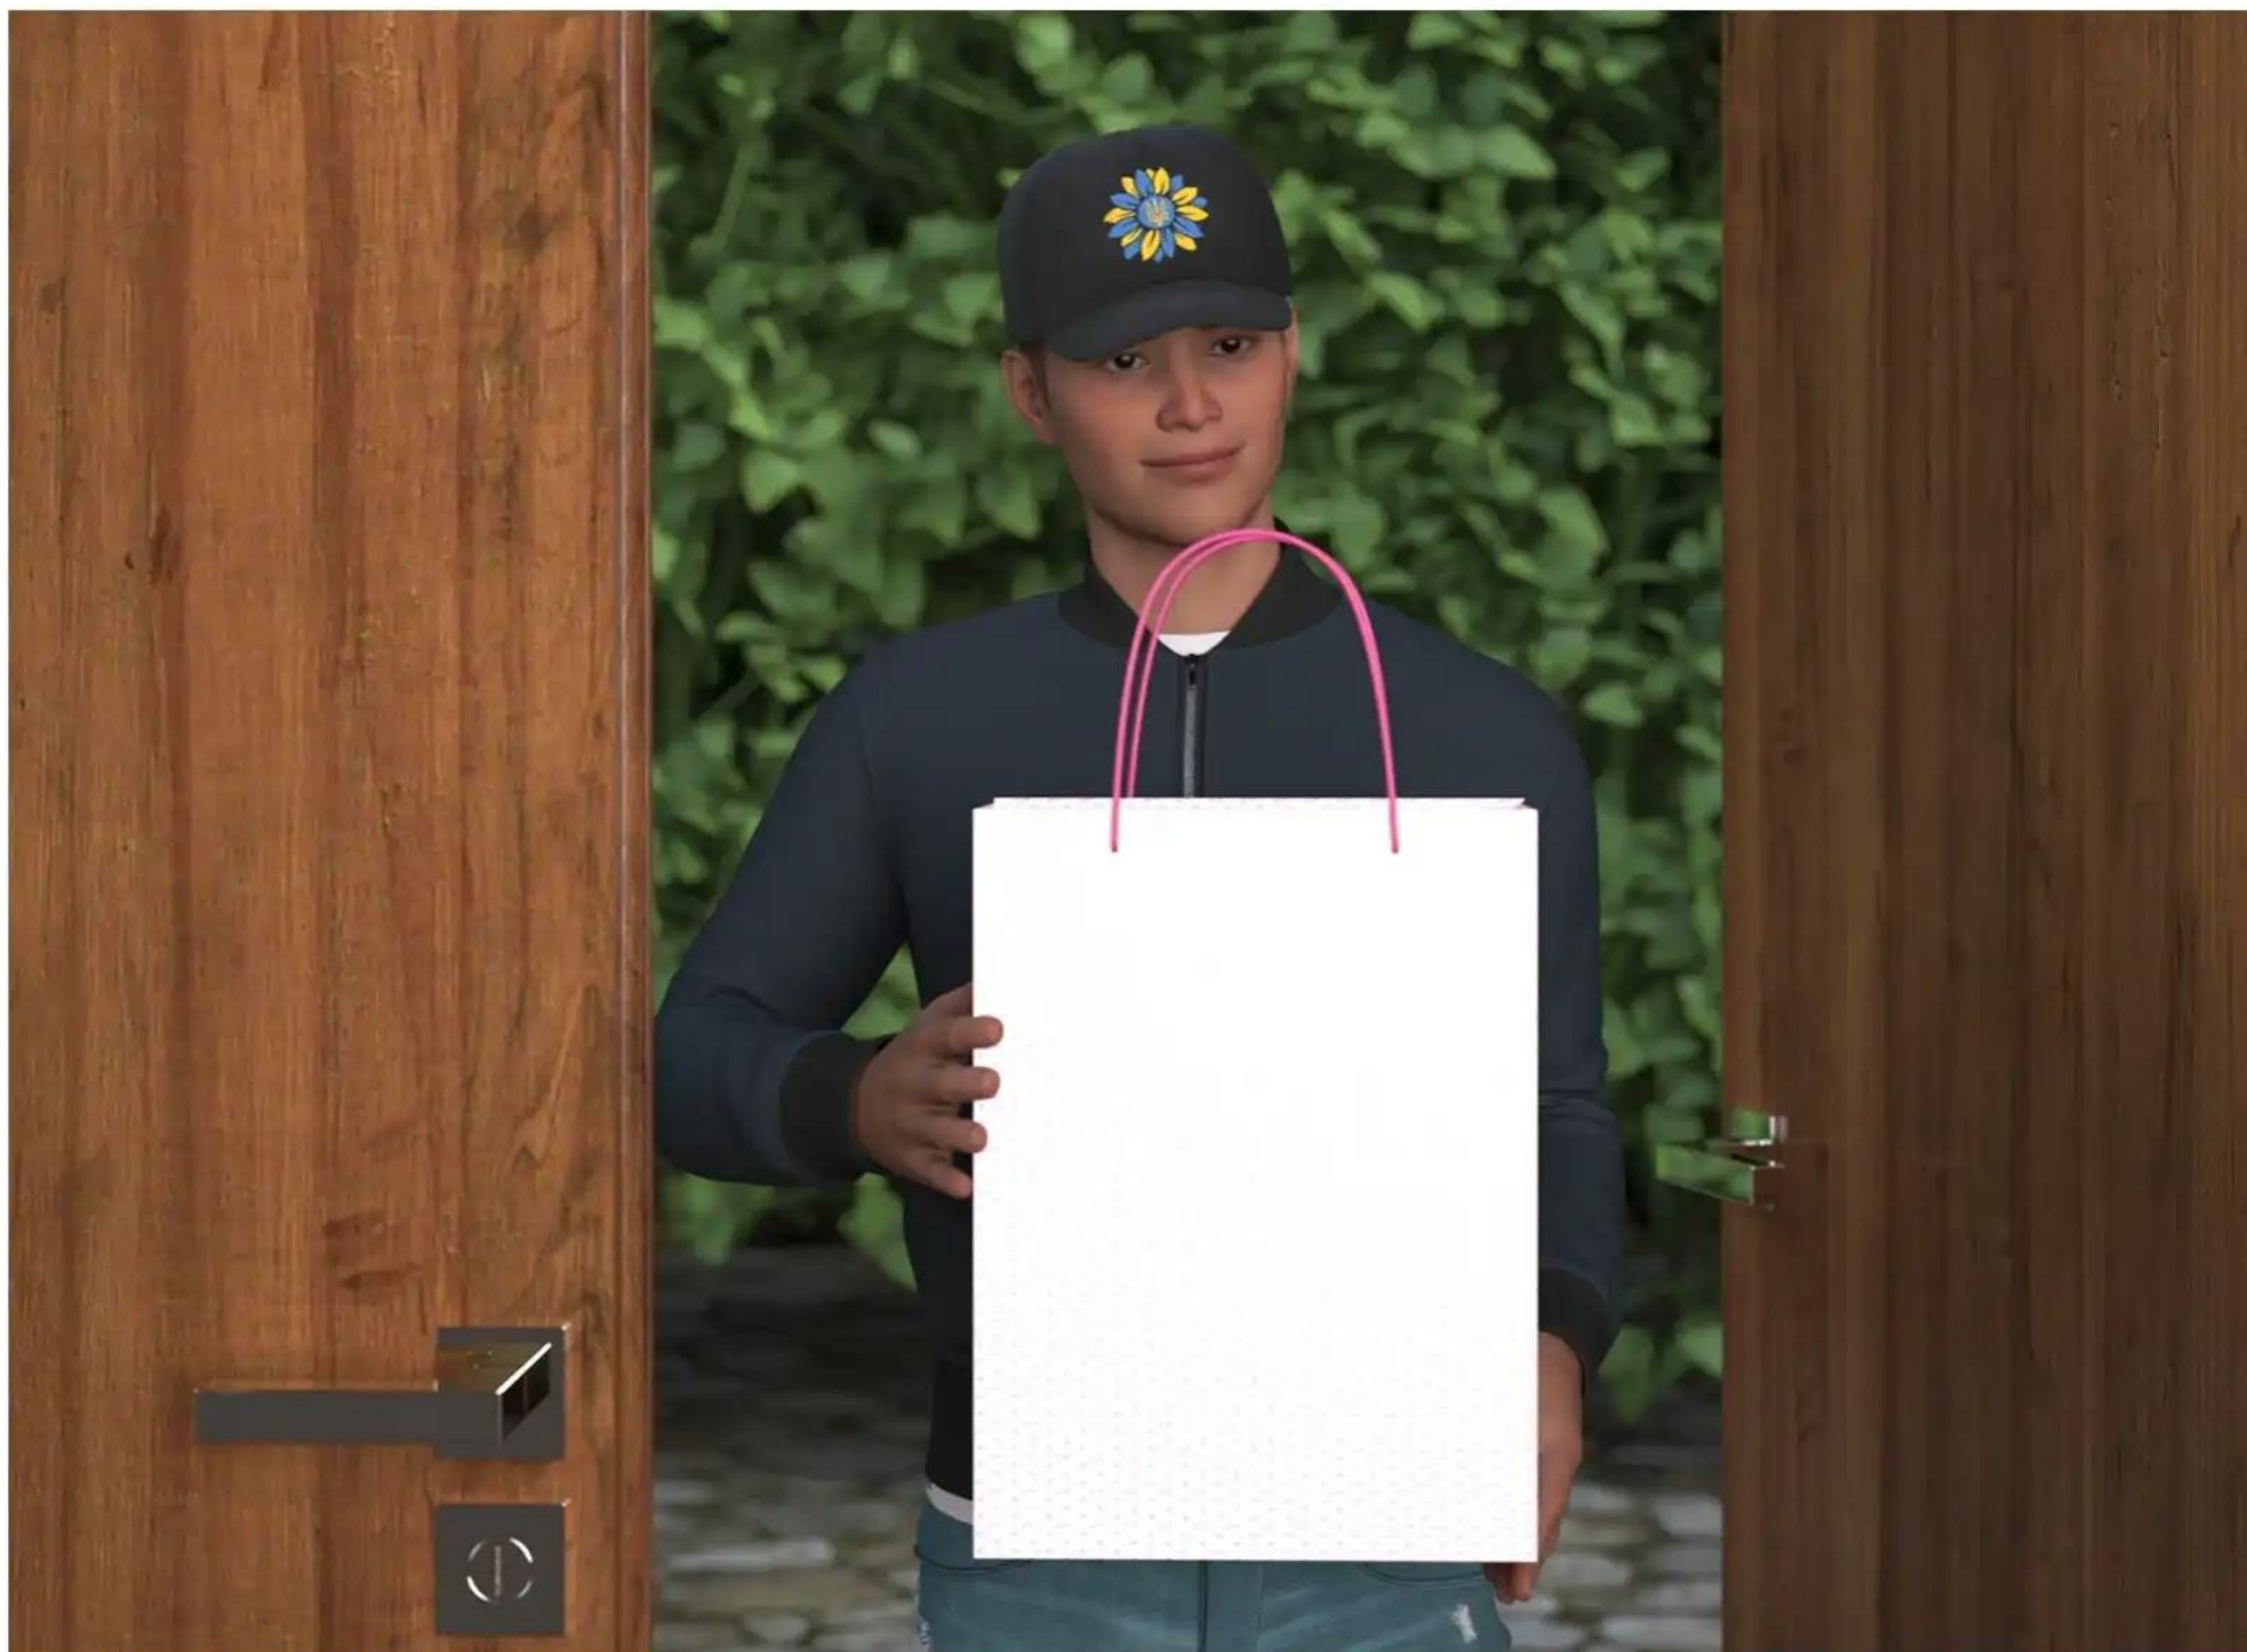

Could it be that that idiot Lao Zhou forgot to bring something again? Shouldn't someone be coming at this time? Wow! Scared me to death! Who is ringing the doorbell?

How dare you  
ruin my good  
deeds!□□□□□□□□□□□□  
hateful!□□□□□□□□□□

Hello! Your  
takeaway  
order has  
arrived!

Still?  
...takeout?

Is this also due to pregnancy? Damn it, I really forgot that I called out.

Let's see...It's the shrimp wonton face, right? Yes, the order you placed half an hour ago

Hahaha, I'm so  
sorry! I took a shower  
so much that I forgot I  
ordered takeout, oops!  
I'm so confused

It must be hard after running outside all day, right? Can my sister make a pot of tea for you? You came just in time! Come in quickly!

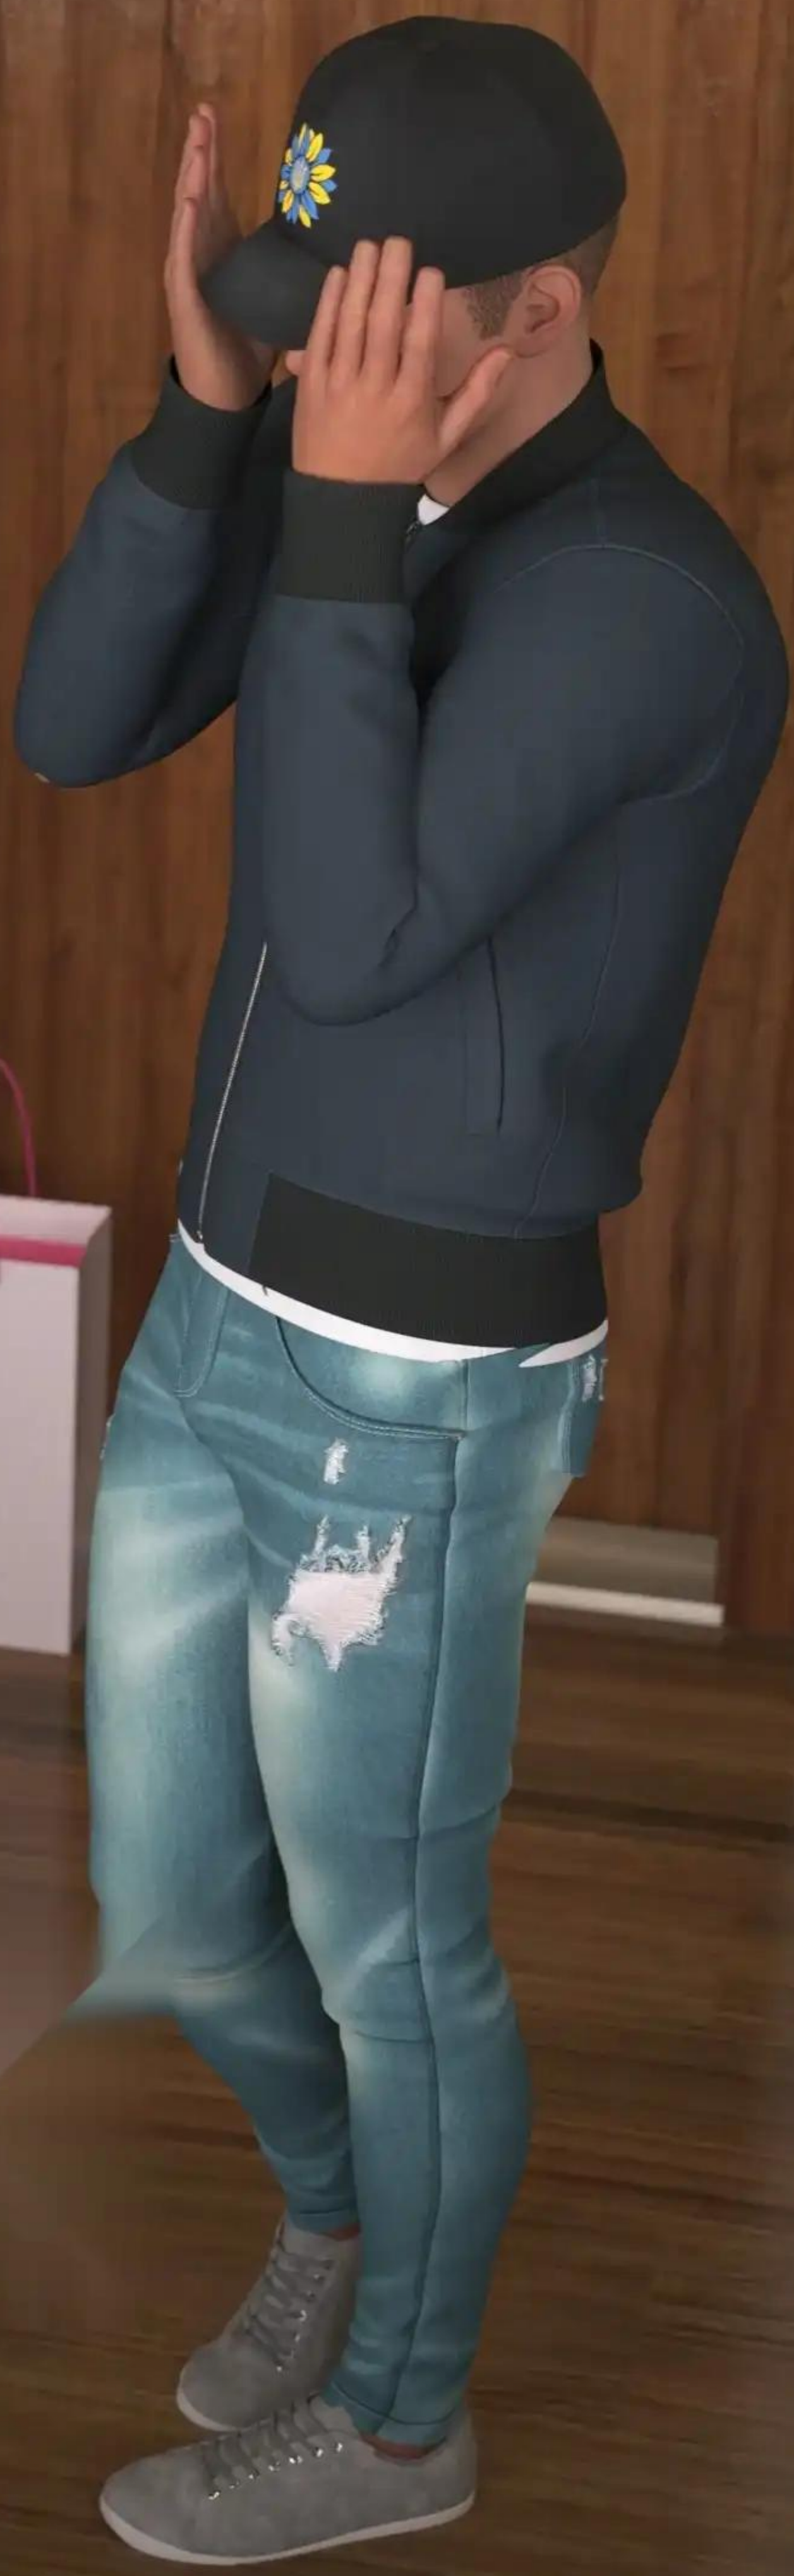

? How embarrassing is that!

I'm afraid this is inconvenient...but I still have work to do, and I appreciate Madam's kindness.

I'm afraid this is inconvenient...but I still have work to do, and I appreciate Madam's kindness.

Yeah!  
Hate it,  
it's  
gone!

slide

Don't worry, madam! I...I didn't see anything!

She's a slut with a first-rate figure! She really made the right choice in the food delivery business! Oh oh oh! Not only is she a beauty, she is really a feast for the eyes.

? Husband,  
madam, what  
are you  
doing!

Little brother, isn't  
this asking questions  
knowingly? Hee hee, my  
dick is so hard

Get ready for  
the lust of both a  
pregnant woman and  
a high school boy! I'm  
so sorry, takeaway  
boy, but this is what  
you started.

fragrant  
spit

I want to be stuffed  
hard by a cock! It's like  
drooling, ah ah... my pussy  
has been so wet for a  
long time

He actually started playing with my pussy while sucking my cock! I really want to fuck this slutty woman in front of me to death! This woman is so sexy, she was probably masturbating not long ago! Oh oh... my dick was so hard after being licked

Are you satisfied with your dick being eaten? Haha, my tongue is very flexible, right? I was a bit abrupt just now, so this is a small apology.

My mouth is so sour,  
it's time for you to do the  
work! Sister, today is my safe  
period, I can let you cum as  
much as you want! Hey, it's all  
because my little brother's  
big cock is too thick.

If something happens, I will definitely be doomed! But this, this once-in-a-lifetime opportunity, do I still have such a good thing? etc,

I don't care! Oh oh oh oh!

insert

Yeah, ah, ah, it's coming in!

Use your big  
cock to fuck me! My  
dick is so hard, hmm,  
it feels so good,

Haa,  
haaa

Um? Why do you  
feel...there seems to  
be something weird?

You're such a  
coward and you  
want to cum in me?  
Why don't you get  
out of here!

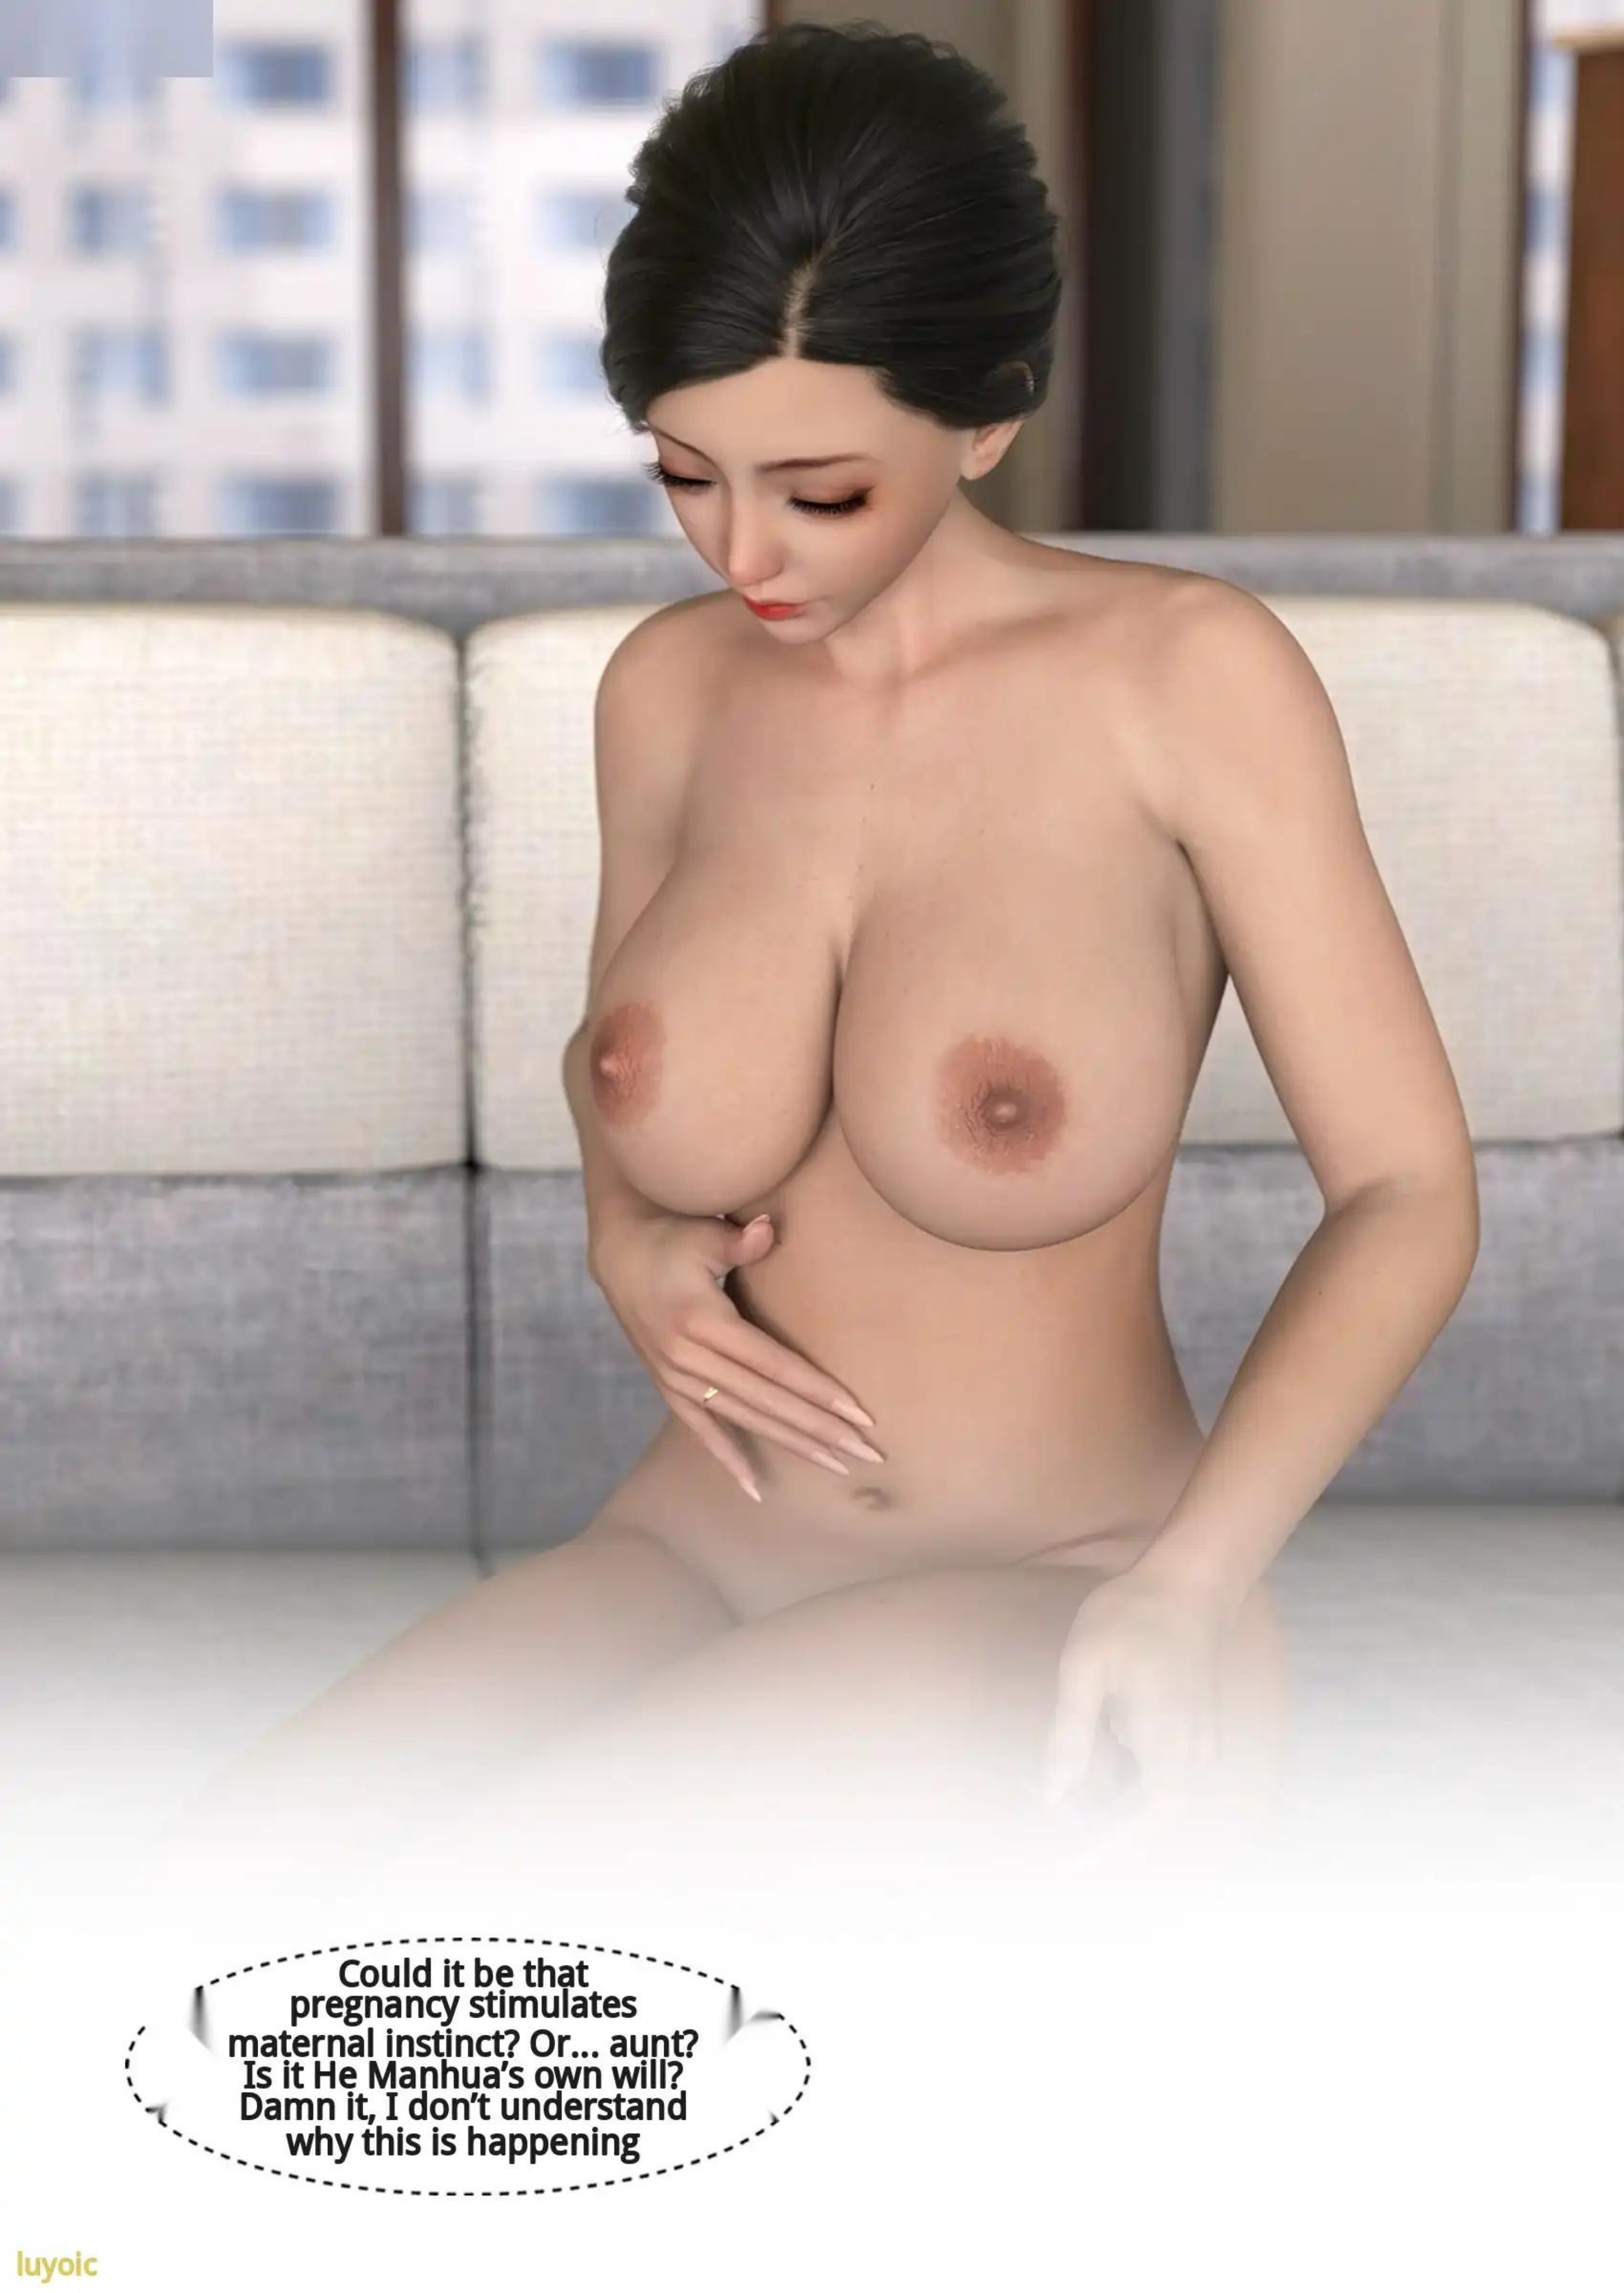

Does your body  
move involuntarily?  
error? What's wrong  
with me? This...has  
never happened  
before?

**Whoaaaaahhhhhhhhhh  
run away! Encountered  
a mental illness!**

Sister didn't mean it! Come back and play with others for a while! ? etc! Don't go!

Could it be that pregnancy stimulates maternal instinct? Or... aunt? Is it He Manhua's own will? Damn it, I don't understand why this is happening

Oops, today's work is really tiring...Honey, I'm back!

**There are leftovers  
in the kitchen that can  
be heated up and eaten.  
Are you back so early  
today?**

Do it a few more times? Like...like the day before yesterday? Hehe, my wife is still wearing the same sexy clothes today! Then we can do it again today

**It will definitely  
be okay to wait! In  
order to give my wife  
a night of sexual bliss, I  
even took medicine  
that would make me a  
pillar of strength.  
Hum, I'm all ready.**

**It's only been a day since you've had your acupuncture point, and you're already feeling itchy? Aren't we having sex every day these days? how? This is not a safe period, please bear with it for a few more days!**

Otherwise, you  
can rub it with your  
feet for me, please!  
Wife! I...I can't bear it  
anymore! Look, it's  
become so hard!

**! Don't you see that I'm  
upset? Difficult old man! But  
you can't drag it until your belly  
gets really big! But then again...it  
seems like I should let him  
know that I'm pregnant.**

Dear husband~ I will use your favorite silk feet to give you a good time! Okay, I really can't do anything to you!

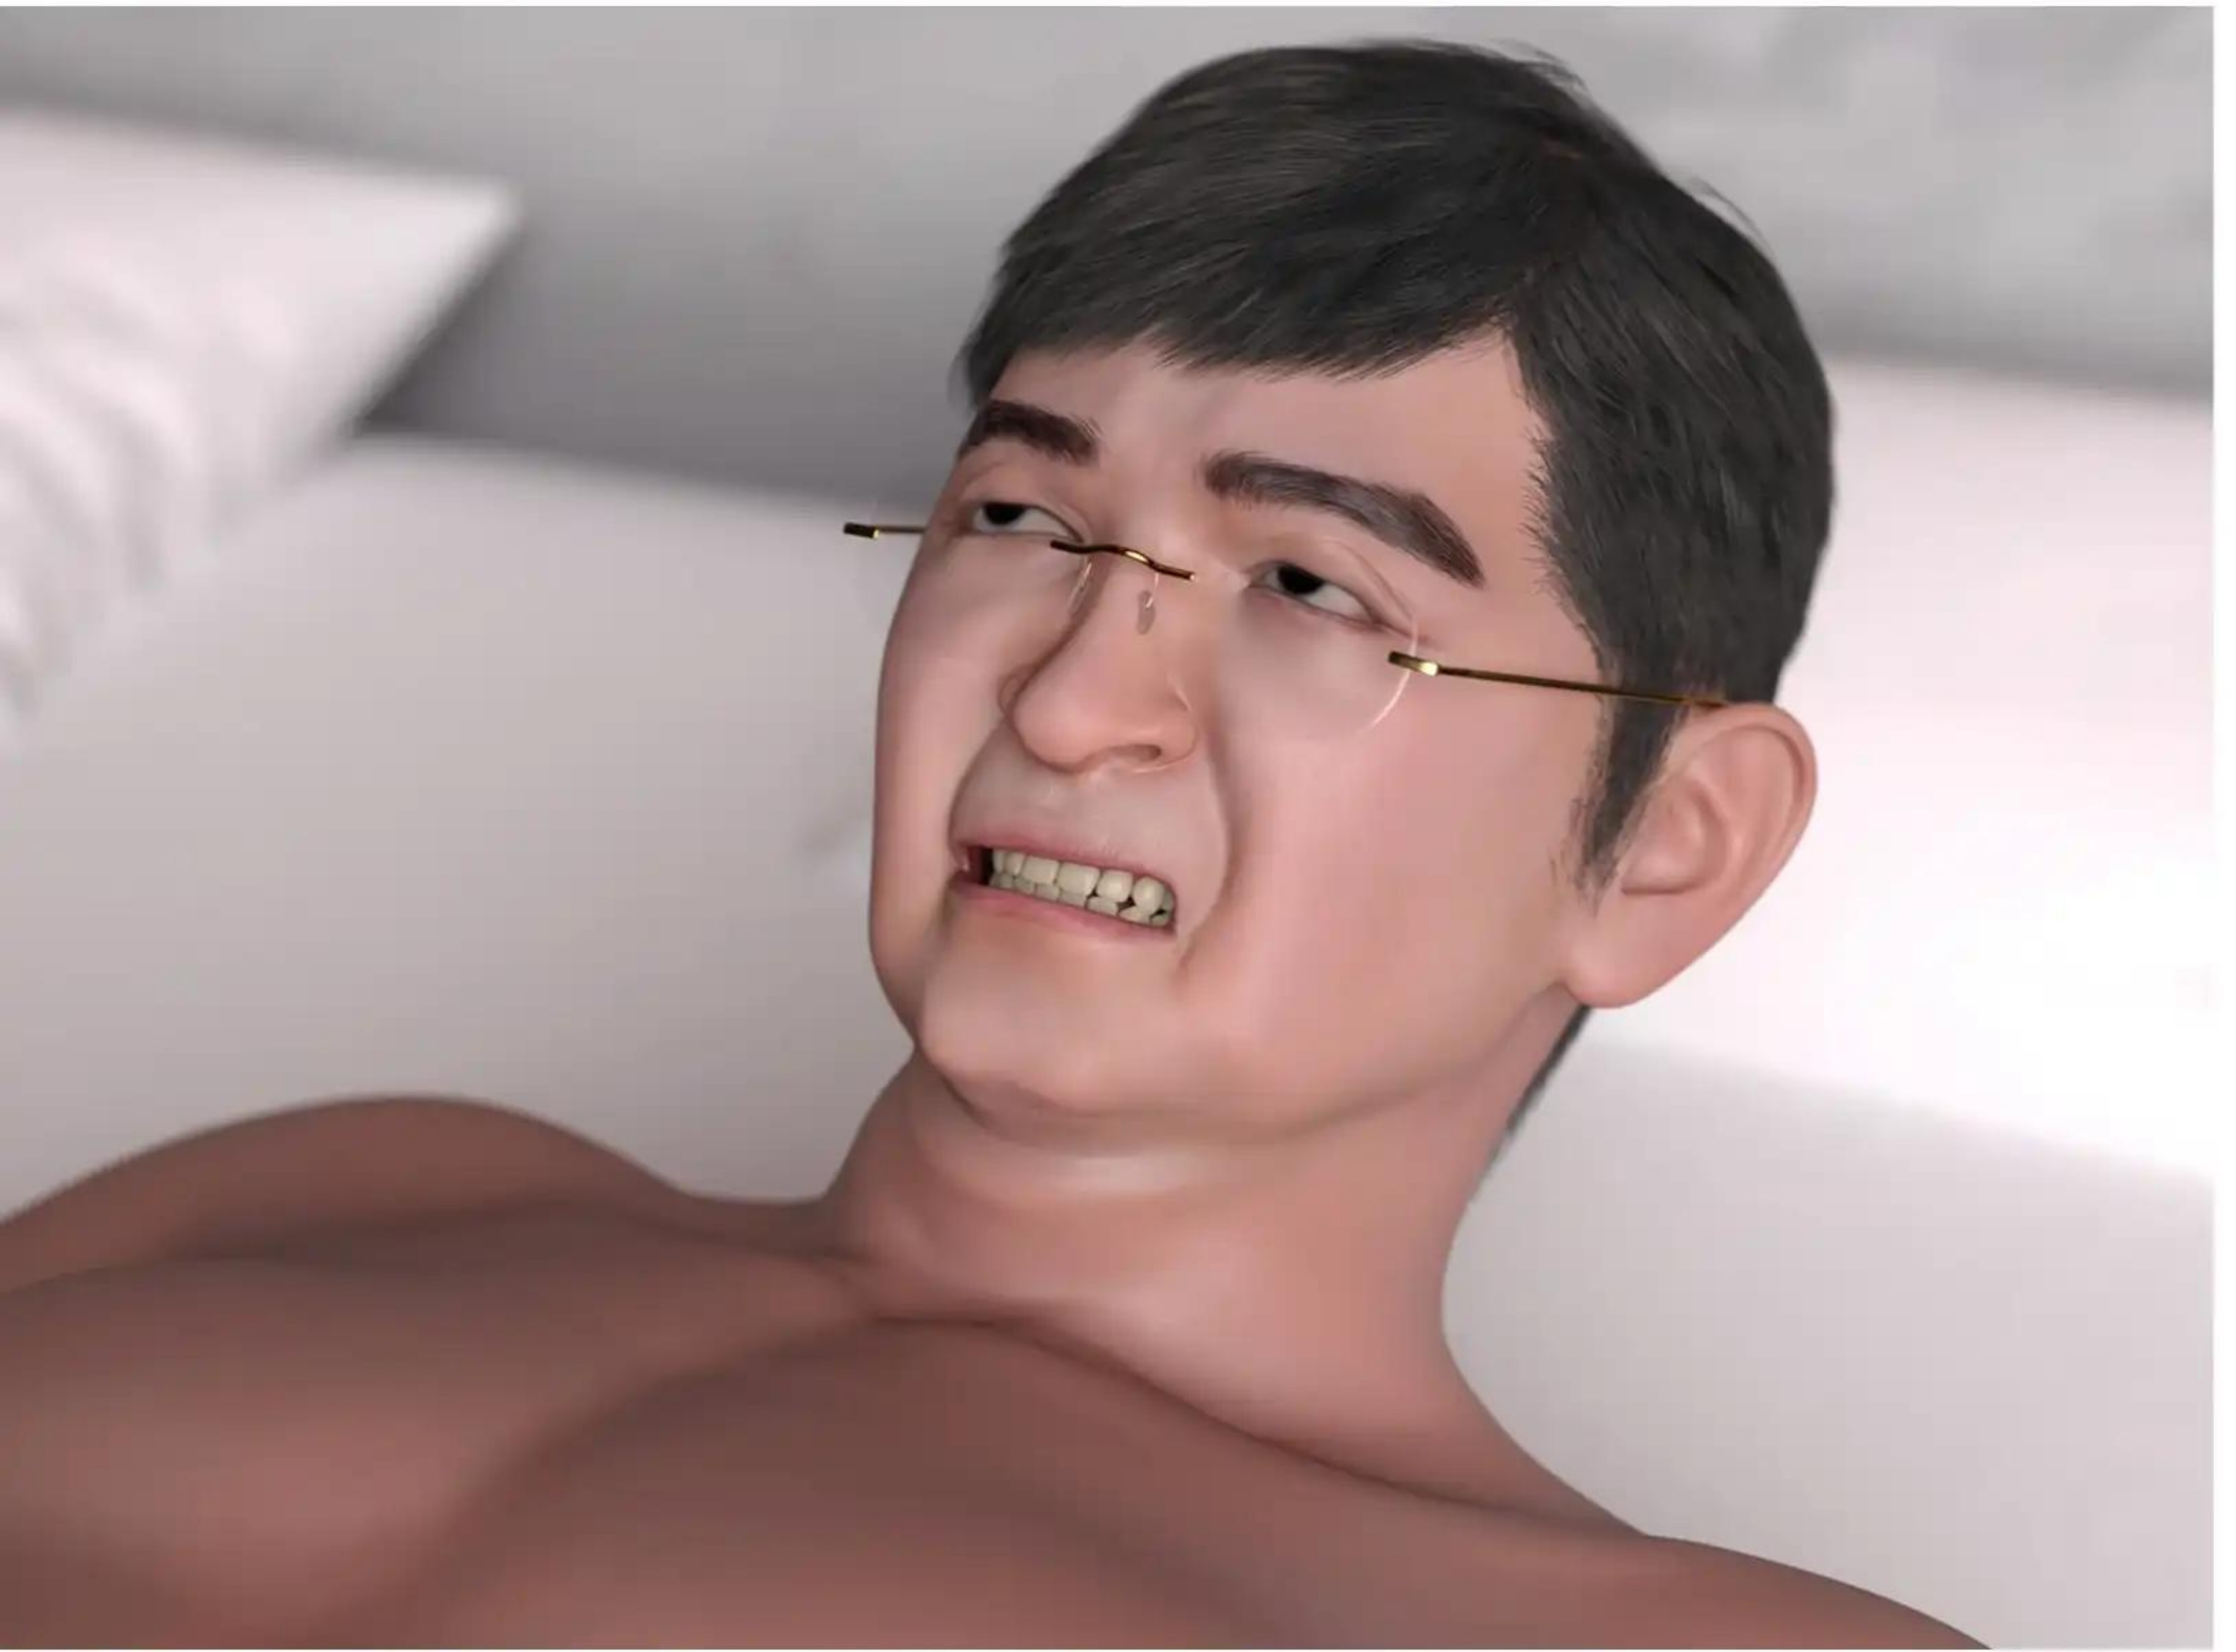

? My husband seems to be very excited today! It's rare to see your cock so hard. How much do you miss me? Hahaha!

Does having your  
dick jerked by stockings  
really make you feel so good?  
Come on, it's my husband's  
favorite foot hole! Hee hee,  
it's getting harder! What a  
perverted man!

Uh oh oh oh so good! Is it because of the medicine? I can feel the touch of black stockings pressing on it, my cock has become hard and swollen, and it's even more sensitive than before, as if I can still smell the fragrance of my wife's beautiful feet.

Ahhh...it  
feels so  
comfortable,  
I accidentally  
ejaculated  
again!

The entire sole of the foot became sticky! You don't say anything when you're about to cum, it's true! You useless old pervert, ugh! kindhearted

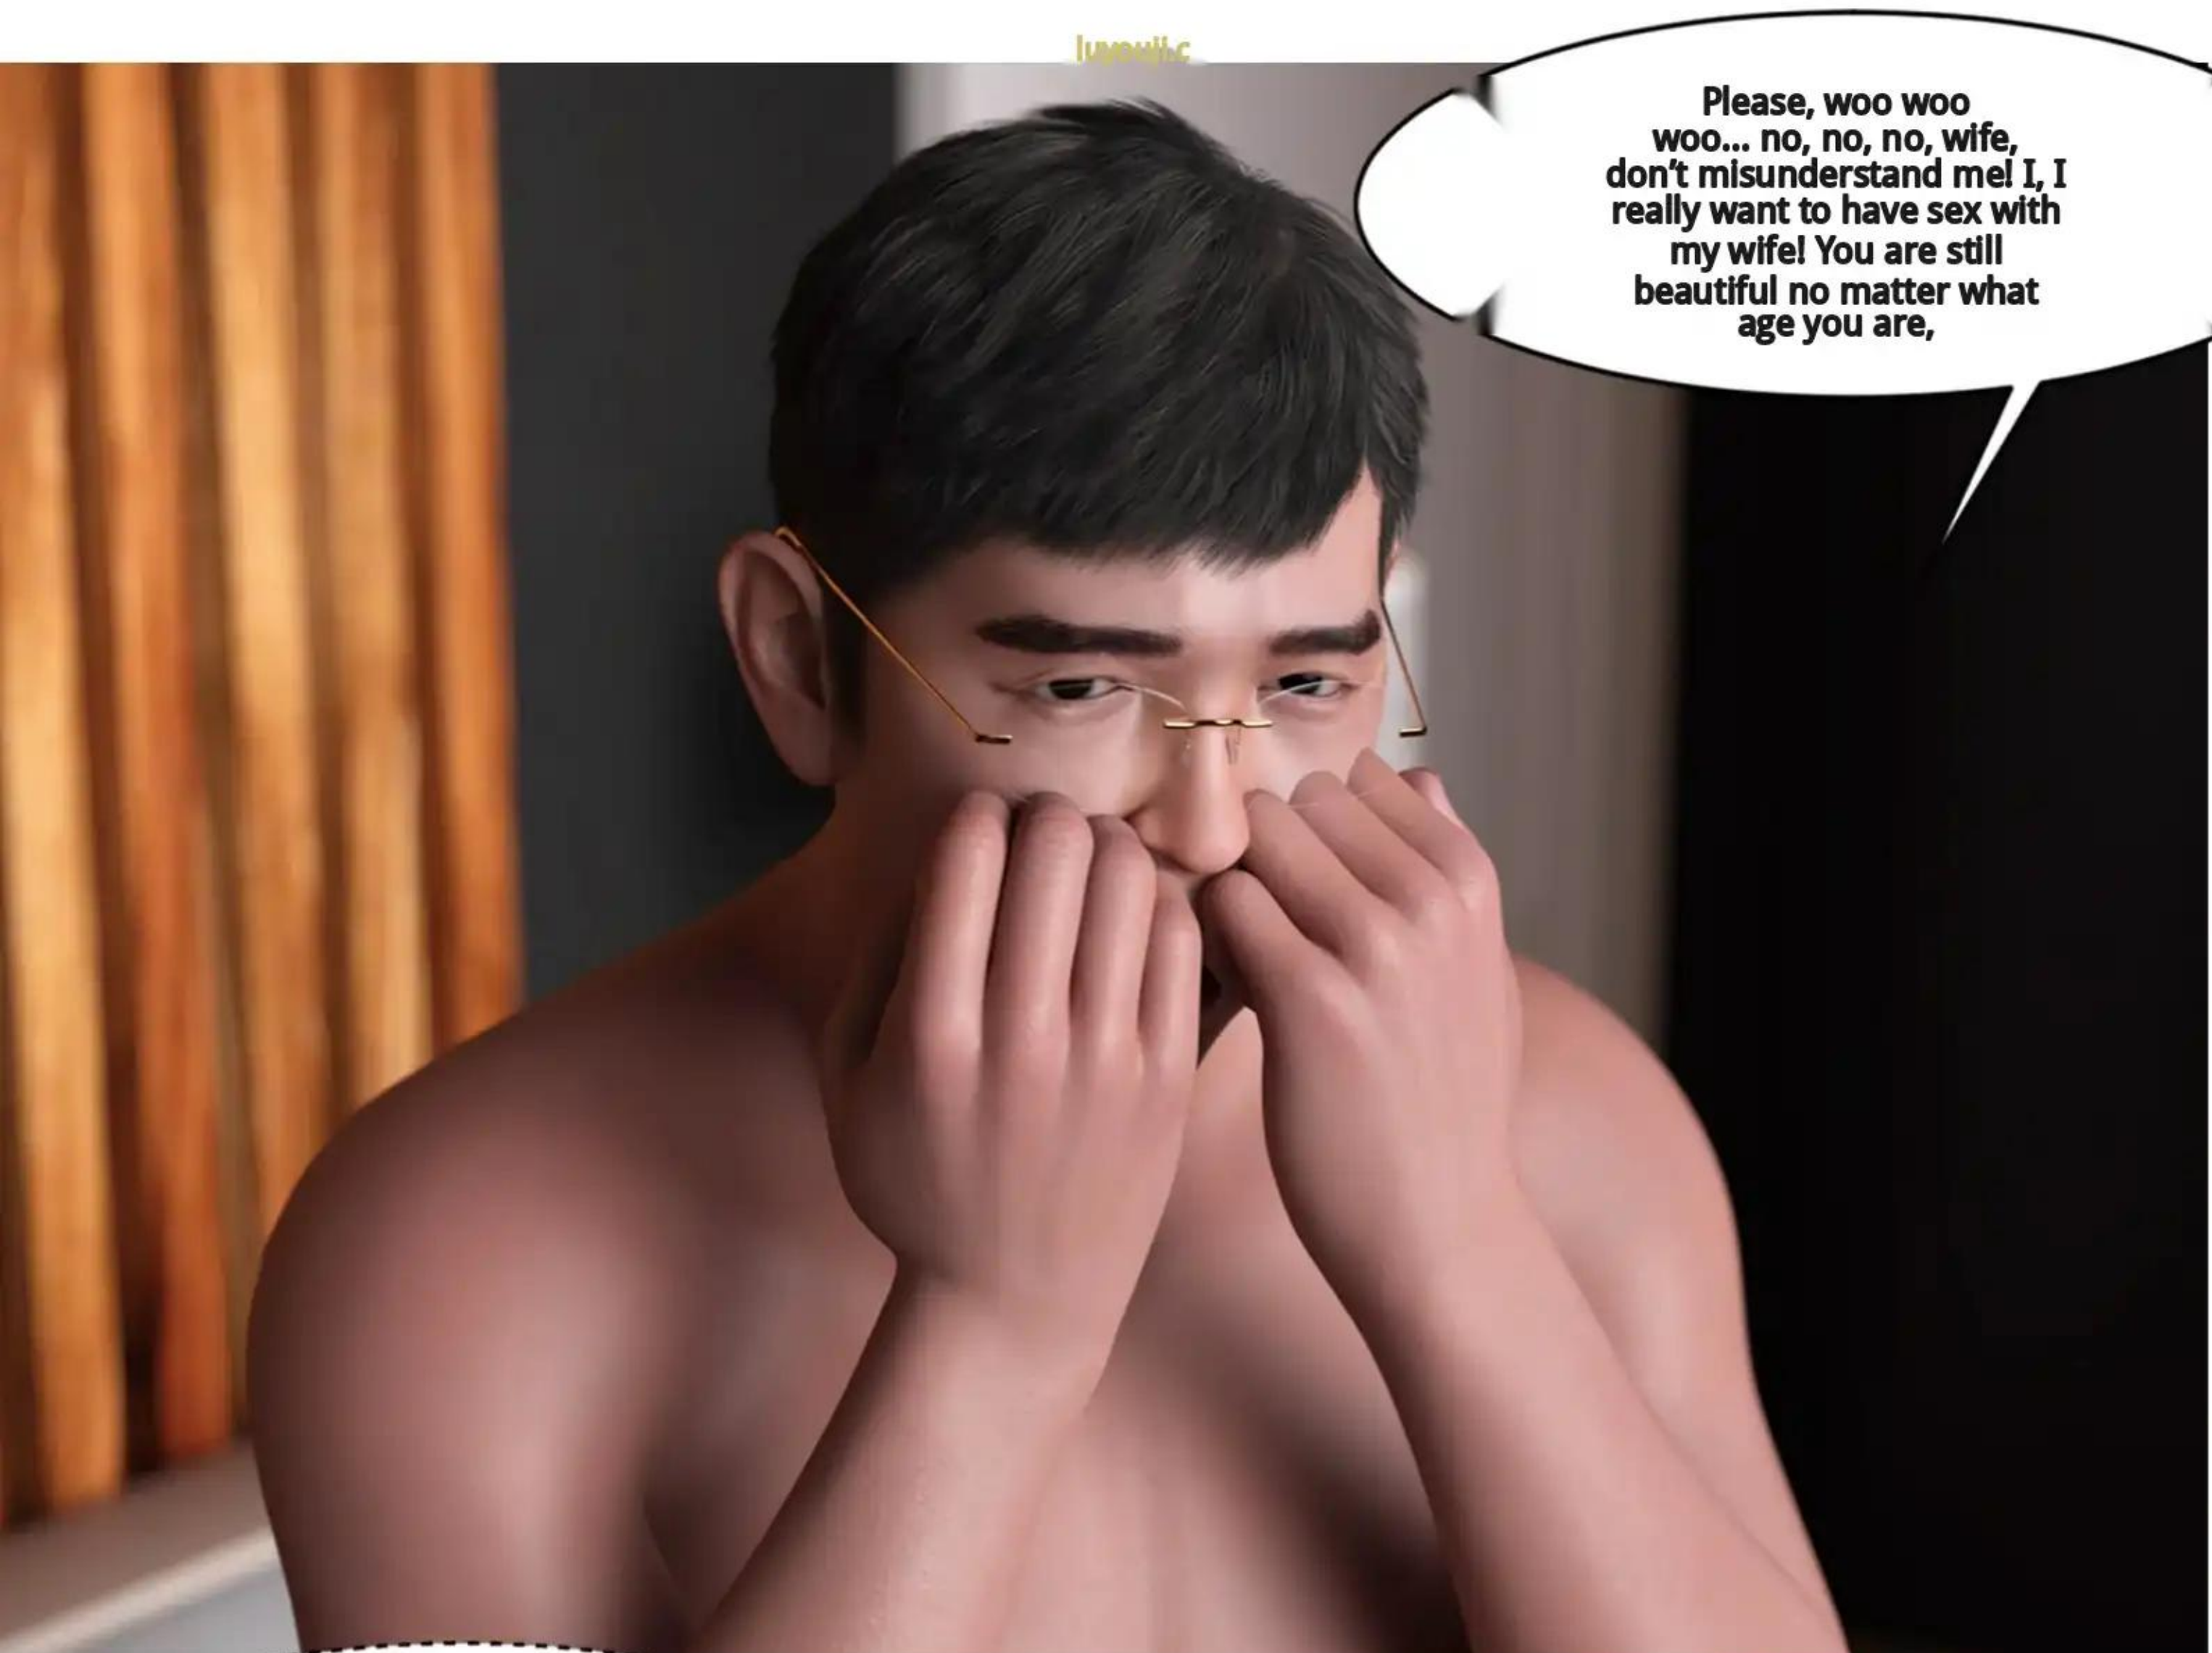

How about we give it a real shot? Are you worried about the safety period? You won't be able to get pregnant! I will try my best to make my wife comfortable! Dear wife! We are already this old

How dare you think I'm old! Just never come back! Then you just keep going back to find that woman, what? Am I that old? OK,

Please, woo woo woo... no, no, no, wife, don't misunderstand me! I, I really want to have sex with my wife! You are still beautiful no matter what age you are,

Could it be that you really want to fuck your pussy so much that you go crazy? My dick is still hard? This old ghost is crying like a bear.

pat

What does it look like? Come if you want! Don't act pitiful all the time. Okay, okay, how old are you?

Wife, I  
love  
you!

Is this what it  
feels like to be  
needed by a loved one? I  
always feel that it's good  
to continue like this. This  
experience of married life  
is surprisingly good... I  
don't know why my  
heart feels warm.

Yeah~  
Husband!  
!

Now they are going to suffer again! Woo Ming ~ Look for yourself what good thing you have done! It's all because you love to mess around,

? Real or fake?  
Am I going to be a  
father again?

Isn't this a happy event? We will definitely raise this child well. Hey, wife, don't worry ..

Wu Ming Ming... You have to be nicer to me, you know?

To be continued
