

Then I'll sue you first. Why should you be wary? No secret!

I have the ability to sense that the other person is actually a skin blade. mood...

You can tell from your reaction that you are a skin-piercer or an insider. You actually saw my cock running out. You were very calm.

A man and a woman are shown in a tense, intimate moment. The man, on the left, is shirtless and has a serious, questioning expression. The woman, on the right, is also shirtless and has a look of defiance or challenge. She has her hair pulled up in a bun and is looking directly at the man. The background is dark and indistinct, focusing attention on the characters.

You... knew I had  
a purpose from  
the beginning?

Then why don't you  
feel free to pick me up  
here, and aren't you  
afraid that I will do  
something bad to you?

Woolen cloth! You  
do have a  
purpose: Hey...I'm  
not that stupid  
but.....

meaning! Don't  
underestimate my  
power. I can also feel  
that you are powerless!  
Just like now,

Full of wariness!  
I can still feel  
this, right? Let  
me tell you my  
story first...

To show my sincerity  
in my original  
appearance, I  
Bar.

I really can't  
bear to take off  
this skin!

We're divided, so I  
take off my hood, but  
I love my body as a  
pilot and that's my  
limit!

pull  
apart

Wait a minute...  
I'll look for it... I  
remember the  
opening was  
here... There it is!

A man in a blue suit is shown from the chest up, leaning forward with his tongue sticking out and touching the hair of a woman whose head is tilted back. The man has a playful, slightly mischievous expression. The woman's face is partially visible, looking upwards. The background is dark and out of focus.

OK! Hehe...  
Her hair smells  
so good, I can't  
stand it...

I have my own  
voice, what a dog  
haha! It's been a  
long time since it  
was difficult!

A man with a mustache, wearing a blue suit jacket over a light-colored shirt, is holding a woman in a blue bodysuit. They are in a room with grey square tiles on the walls and floor. The woman is sitting on a black cylindrical pedestal. The man is looking up and to the right with an open mouth, as if speaking or reacting. The woman is looking down. There are two starburst-shaped callouts with text. One is in the top left, and the other is in the bottom right.

Phew~ But  
it's much  
cooler

Sure enough, it's  
more breathable  
this way!

I didn't expect that this  
guy could seem to be  
just a lower version of  
me, but his ability

That's  
all...

Let's see if we  
can get anything  
out of him first.  
Report  
it...

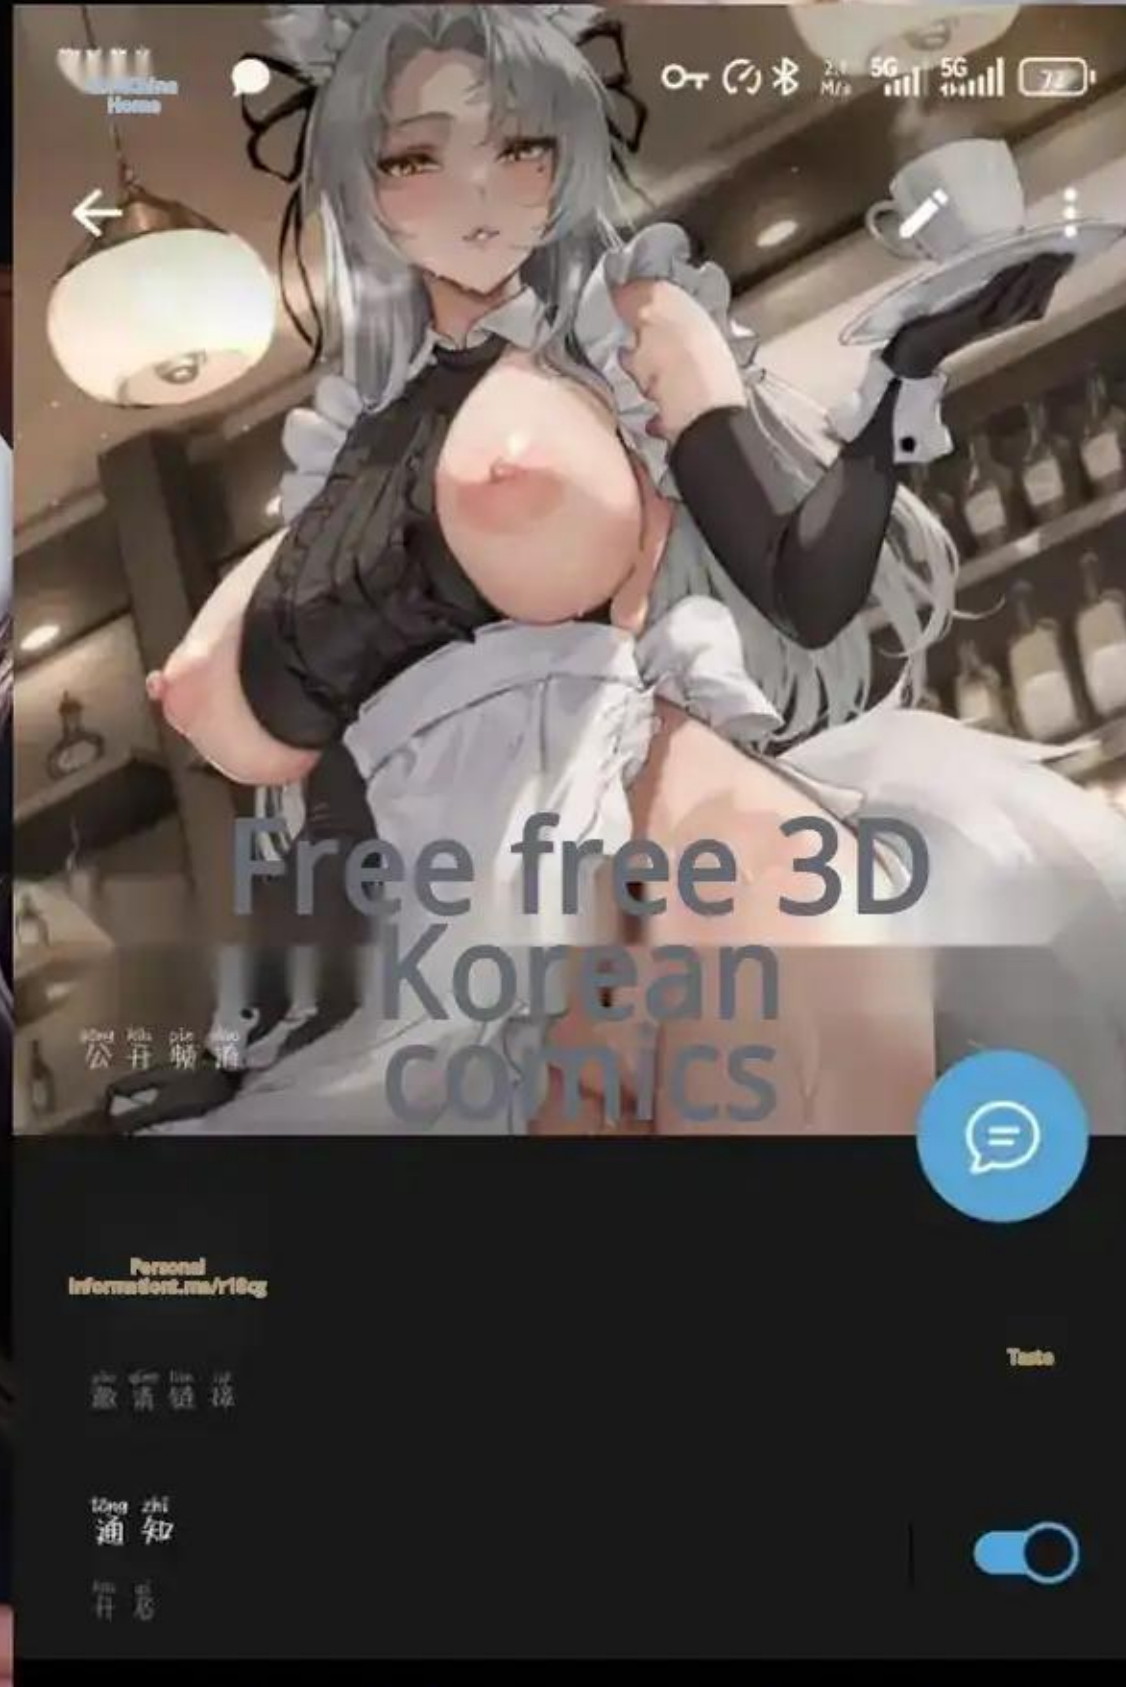

Are you playing with  
dogs? Don't you  
want to sue me?

A man with dark hair and a goatee, wearing a blue long-sleeved shirt, is holding a woman with long, wavy, light-colored hair. They are in a room with white tiled walls. The man is looking at the woman with a slight smile, and his hands are gently holding her. The woman's hair is styled in a large, voluminous bun. The lighting is soft, highlighting the man's face and the texture of the woman's hair.

Love does not  
require ability, hey!  
Don't worry, you  
can feel it already!

Let me tell you

Let me tell you my story...

A construction worker is shown from the waist up, wearing a high-visibility yellow safety vest over a dark jacket and a plaid shirt. He is wearing brown work gloves and holding a silver adjustable wrench. The background is a construction site with steel beams and scaffolding. The scene is dimly lit, suggesting an indoor or shaded area.

**My original identity  
was a rough laborer  
on a construction site.**

**He was still covered  
in sweat, was dusty  
all day long, and  
smelled bad.**

I thought this was the end of me, but one day when I went to a hot stir-fry restaurant for dinner after work,

A beautiful woman suddenly came to talk to me. No woman has ever approached me like this before!

At that time, I  
couldn't get  
together, and I was  
still in a state of  
tension, but I  
couldn't think of it,  
at the back!

Former good brother!  
How come that  
beautiful woman here  
is actually one of mine?  
possible!

I originally thought  
the beauty was  
drunk and mentally  
disturbed, but...

He can do things that  
only my brother and I  
know, and he knows  
all the people who  
worked on the  
construction site  
together before us!

, this kind of thing  
would not be possible,  
but I still have some  
doubts that I would  
believe it!

But that  
beautiful  
woman showed  
me how to  
understand, so  
I followed her...

, this kind of thing  
would not be possible,  
but I still have some  
doubts that I would  
believe it!

But that  
beautiful  
woman showed  
me how to  
understand, so  
I followed her...

A woman with dark, wavy hair is lying on her back on a blue, textured surface. She is looking up towards a man's torso, which is positioned above her. The man's torso is shirtless, showing his chest and stomach. The background is dark and out of focus.

As a result, do  
you know what I  
saw?

mistaken! This is the  
leather jacket that  
can change my life!

It was on the skin  
that she became  
the beautiful  
woman she is now.  
He wore this look.

, I am addicted to  
it, and it feels so  
good to have him  
urge me to put it  
on quickly!

To be honest, when I  
saw the leather  
jacket, I thought I had  
met  
madman!

Maybe the  
beauty was not  
drunk but on  
drugs, but I  
couldn't help but  
pick up the thing.

If I had the opportunity to take off my status as a low-class person, of course I would!

Damn, what a treasure... the process of wearing the skin was really enjoyable, even if I was raped, I wouldn't be hurt!

Wrapped in warmth,  
sucked into the ugly  
skin: attached...and  
then looked at myself

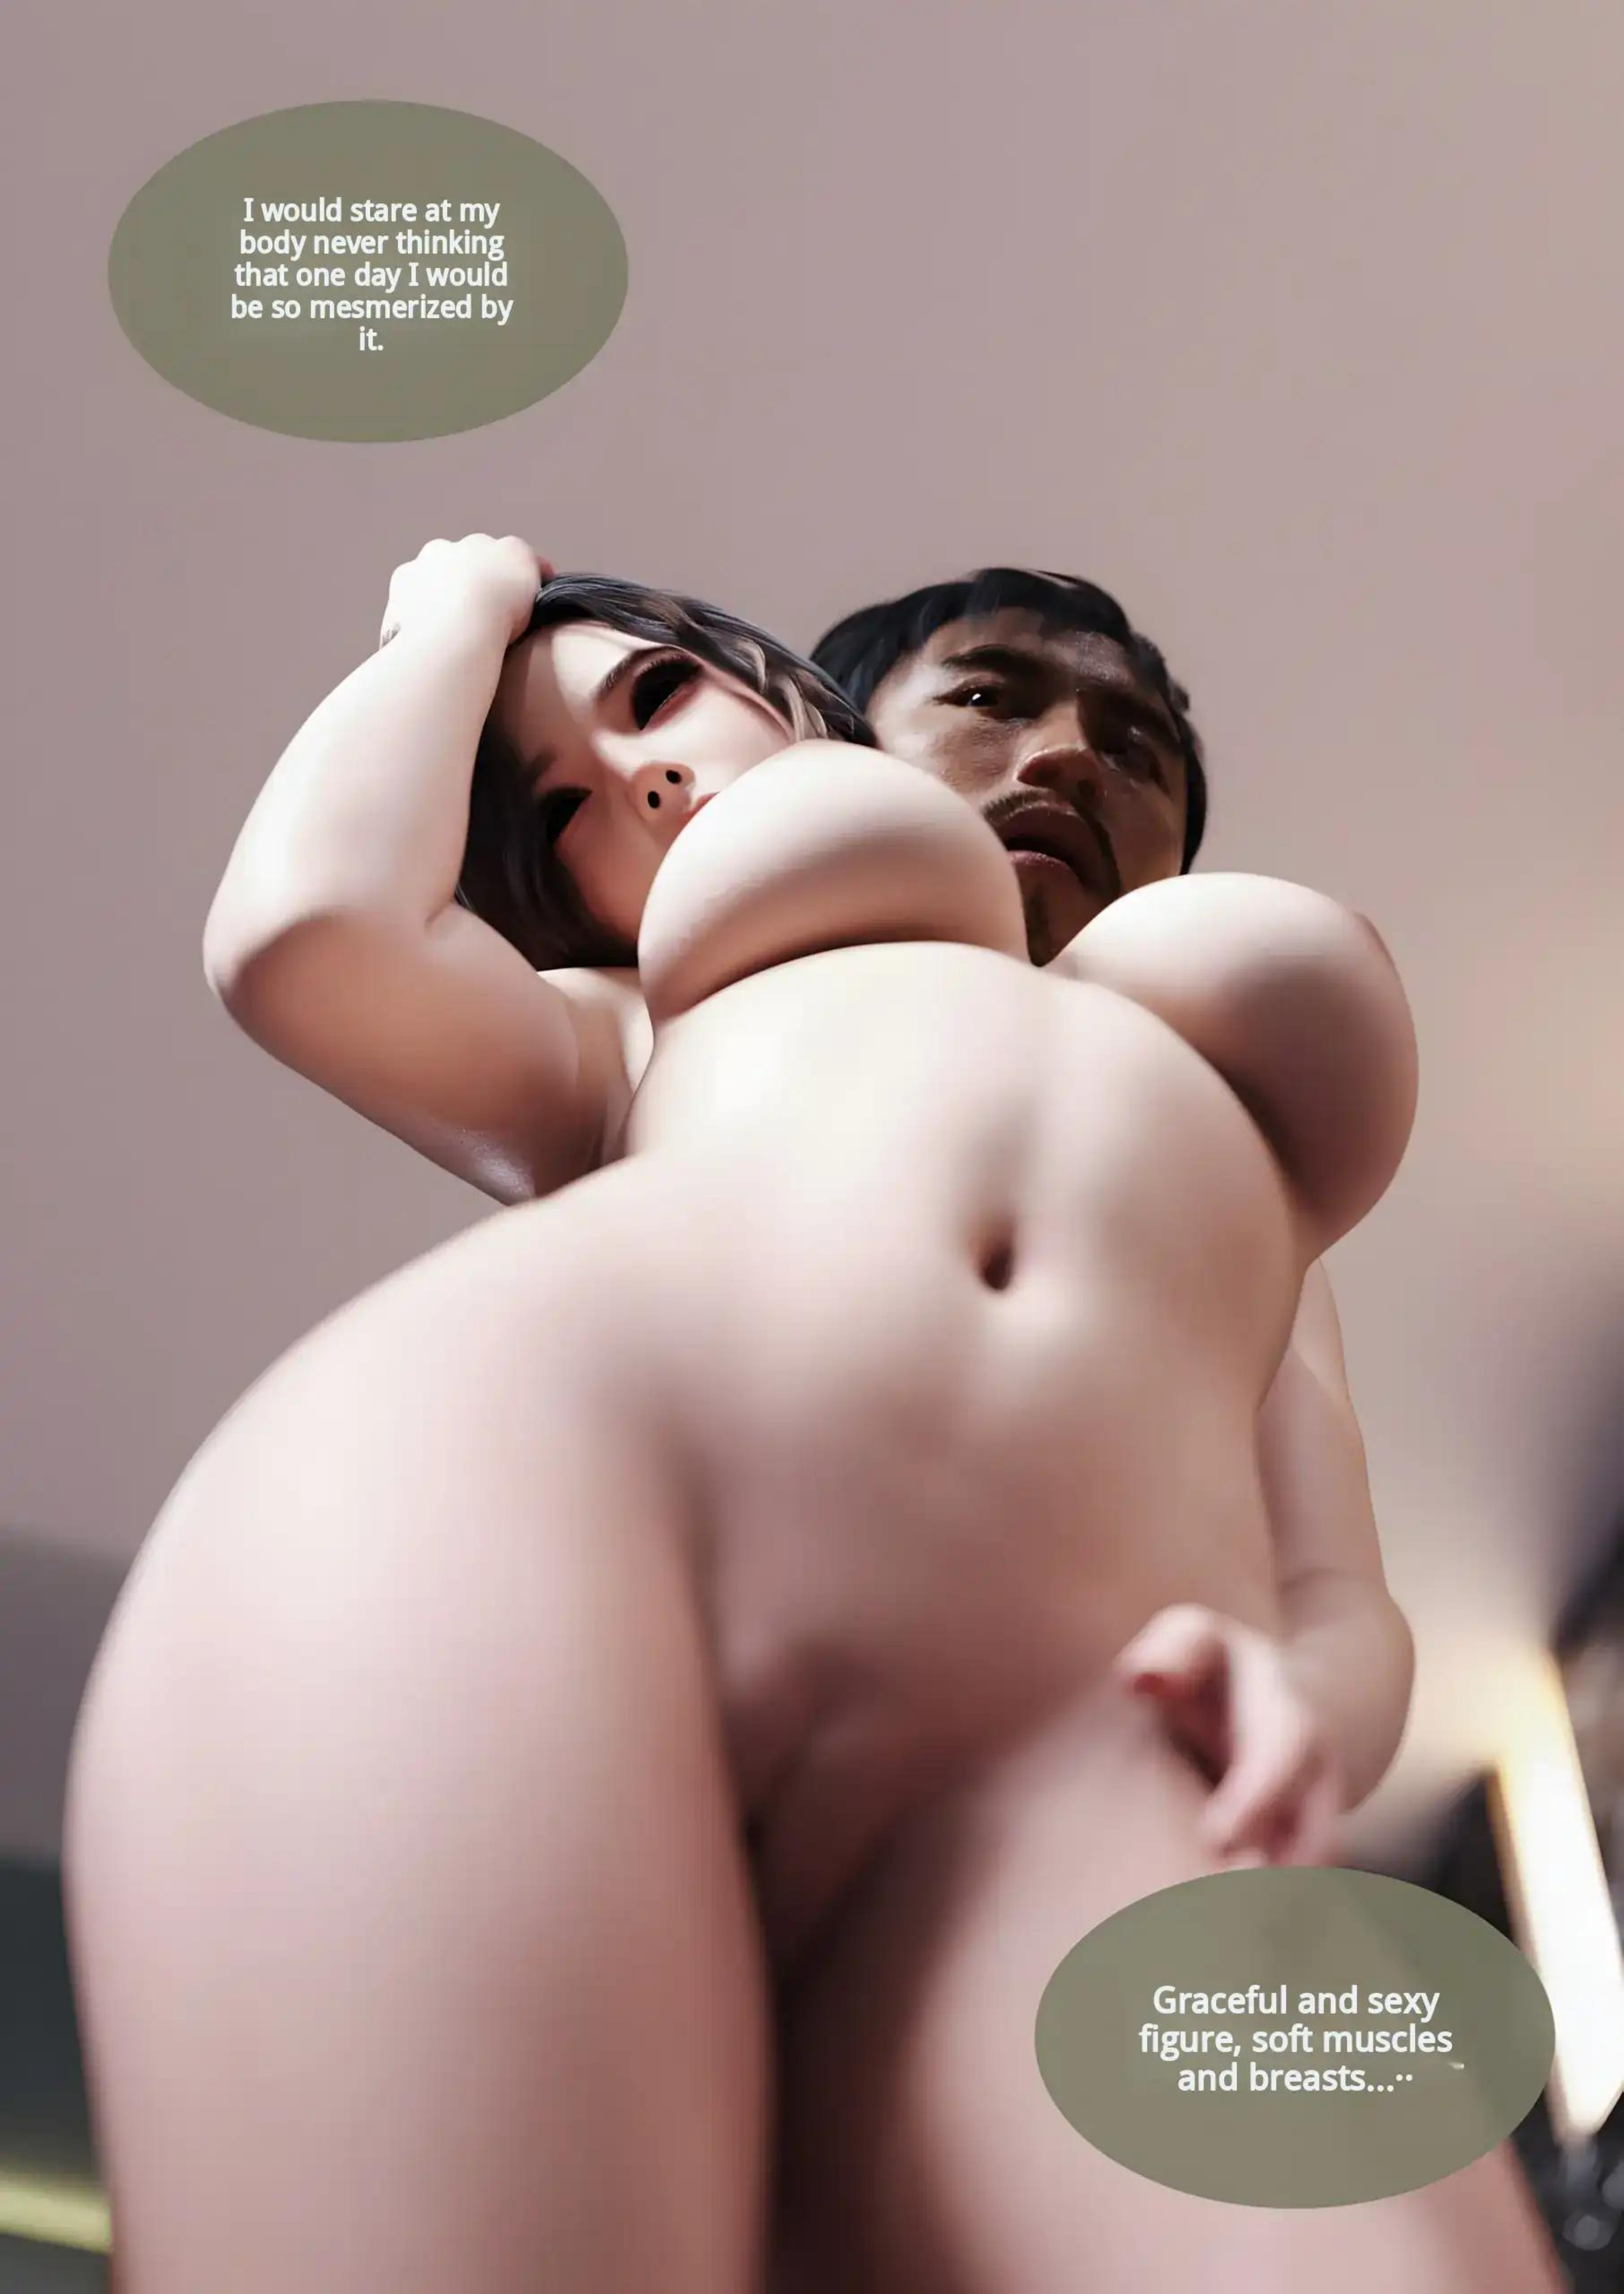

It becomes  
smoother and whiter  
little by little, and  
you can even control  
those beautiful legs!

Even my hands,  
which are  
rough and full  
of scars due to  
long-term work,

All can become  
flawless! Like a  
work of art!

A photograph of a woman and a man posing together. The woman is in the foreground, seen from the back, with her hands raised behind her head. She has dark hair and is wearing a dark top. The man is behind her, looking towards the camera. He has dark hair and a mustache. The background is a plain, light-colored wall. The lighting is soft and even.

I would stare at my  
body never thinking  
that one day I would  
be so mesmerized by  
it.

Graceful and sexy  
figure, soft muscles  
and breasts..."

Simply  
amazing! It's all  
about me!  
Damn!

It's just that the bottom  
becomes a woman's  
vagina, and it's still very  
uncomfortable to be  
empty, haha.

Body, I can touch  
this exquisite  
beauty at any time  
So cool,

Feeling, I really enjoy  
it, I can still feel the  
pleasure of a woman  
Great!

Not only that, I'm  
even more  
fascinated by what's  
behind!

When I put on the  
hood, I could clearly  
smell the body  
scent of the leather  
jacket...

Not only that, I'm  
even more  
fascinated by what's  
behind!

I can clearly see the  
leather-clad man  
wearing a hood and  
then I can smell the  
fragrance...

Make her voice heard! It's true that after wearing it, I can still look cute and playful.

My voice, which is getting harder because of smoking and drinking, is nothing compared to that!

Finally... when I  
put on my  
uniform...

A digital illustration of two women in blue business suits standing in a modern office hallway. The woman on the right is taller and has her hands behind her head, while the woman on the left is shorter and stands with her hands at her sides. The hallway features wood-paneled walls and vertical light fixtures on the right side.

I can't even spot it.  
Judging from my  
appearance, even I  
look like a beautiful  
employee!

My good brother  
also started to  
encourage me to  
enjoy the life of an  
employee and stop  
being a hard  
worker.

But I don't know how to be a salesperson, so I'm sure I really want to agree! Will wear it.

Fortunately, before I officially went to work, the organization gave me some training and taught me some of the knowledge I would need to play an employee.

A photograph of a family of four sitting on a light-colored sofa in a living room. The man is in the center, wearing a dark ribbed sweater and jeans, with his back to the camera. The woman is on the right, wearing a blue suit, with her hand on the man's shoulder. A young girl is on the left, wearing a striped dress, and a young boy is in front of her. In the background, there is a fireplace with a fire, a bookshelf, and framed photos. The room is lit with warm, ambient light from lamps.

Not only that, they  
also investigated  
the leather jacket's  
identity,

I can completely  
help me integrate  
into her family  
and replace her!

So I came to the bank  
where their organization  
had completely  
penetrated successfully.  
OK..

Unexpectedly, in this  
bank branch with so  
many beauties, all  
the female clerks are  
men like me  
disguised in leather!

Just like that...I  
started my life as  
a clerk.

Instead of being exposed to the wind and sun and getting covered in sweat, you can use the air conditioner.

You can also earn more than before by sitting indoors with more suspicion!

Looking at the  
glamorous beauty,  
no one noticed it,  
the female pilot,

, who can only do  
rough work is  
actually an  
uneducated  
worker!

A high-angle, top-down photograph of a woman in a blue business suit sitting at a white desk. She is looking at her reflection in a computer monitor. Her hands are resting on a blue folder on the desk. A white keyboard is visible on the left side of the desk. The floor is a light-colored, textured surface. Two dark green circular callouts with white text are overlaid on the image.

I was so excited  
that I was shaking!  
It's so exciting!

Especially when I see  
myself wearing a short  
skirt and exposing my  
beautiful legs, it makes me  
restless and intolerable!

Hello sir, what business do you want to handle today?

I want to remit money, and the form has been filled out. Damn you, beauty.

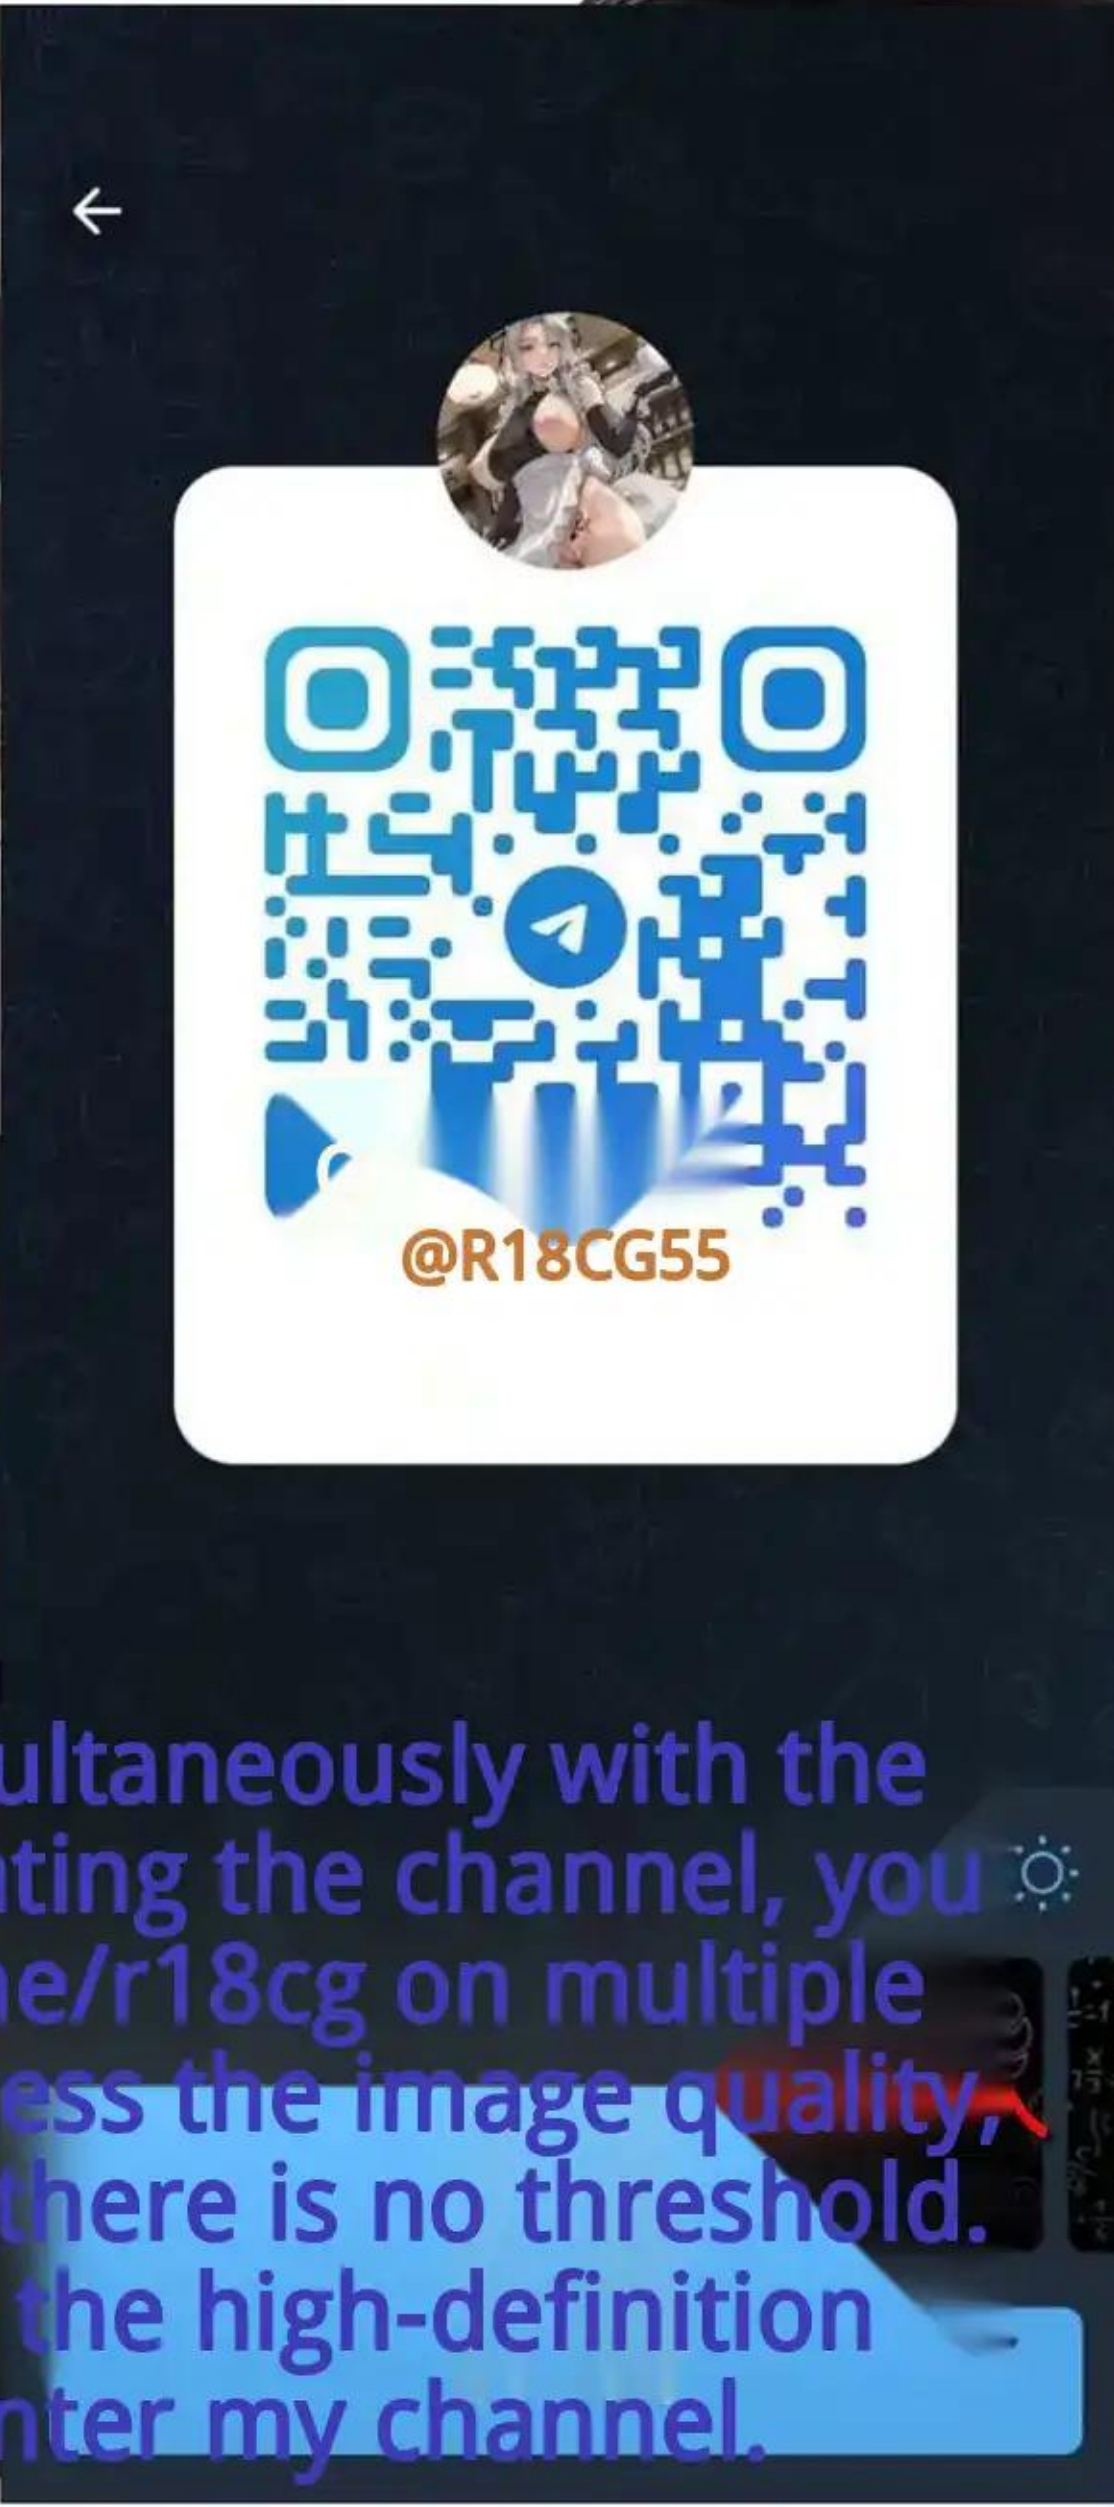

It's not like being  
yelled at and scolded  
at the construction  
site.

The guests here are  
quite polite and treat  
my bear very well.  
very good.

It's not like being yelled at or criticized at the construction site.

A woman in a blue uniform is sitting on a train seat. She is holding a white shopping bag with a blue handle. The background shows other train seats and a blurred interior. The image is split into a dark blue top and bottom section.

But it must be  
because I didn't  
get it right, they  
are too beautiful!  
Even if I don't get  
impatient.

Even if you  
secretly treat me  
as a professional

Those guests  
never expected  
that while I was

My own hole, I  
can't stop playing,

playing like crazy!

A photograph of a woman with dark hair, wearing a blue dress and black high-heeled shoes, sitting on a white chair. She is leaning forward with her hands near her groin area. The background is a light-colored, textured wall. Two dark green circular callouts with white text are overlaid on the image.

I feel so excited every time, it makes me shed a lot of vaginal fluids!

, the pussy and vaginal fluids will sometimes be played too much and make noises.

I myself couldn't  
help but gasp  
many times.

But none of the  
guests noticed  
anything wrong, so  
I played even  
crazier!

A woman with brown hair tied in a bun, wearing a blue business suit with a white scarf, stands in an office. She is looking at a computer monitor. The office background is blurred, showing desks, chairs, and a trophy.

The only person who discovered these is my good brother, he taught me!

I know his identity, but he looks like this now. Otherwise, it would be eye-opening for me to know his true identity!

A woman with long, slender legs is sitting on a white office chair in a gym. She is wearing a blue dress and black high-heeled shoes. The background shows other gym equipment, including treadmills, which are slightly out of focus. The lighting is bright and even.

Those long  
and sexy legs  
are like  
seducing me!

It makes me even  
more excited and  
intolerable!

A person wearing a blue uniform is sitting on a white chair. A vibrator is inserted into their rectum. The person's hands are resting on their lap. The background is a plain, light-colored wall.

It often makes me so excited that my cock pops out. Do you know that feeling?

Push it out!

The pleasure coming out of the cock hole... oh oh, just imagining it is unbearable!

A woman with dark hair tied back, wearing a blue flight attendant uniform with a white scarf and a name tag, is sitting in a white office chair. She is looking towards the left of the frame. The background is a light-colored wall with a faint, abstract pattern. In the foreground, there is a control panel with various buttons and a coiled telephone cord.

Only we, the skin  
wearers, can  
experience the  
pleasure of  
wearing them!

You can also use the  
hands of a beautiful  
operator. I love that  
kind of gameplay!  
Help me masturbate!

Everything is  
incredibly  
beautiful.

Life can be such a  
blessing. I discovered  
for the first time that  
it turns out to be a  
happy life!

...You can still go to  
work and have fun  
with it, and it's  
comfortable, and  
this woman's body is  
So cool!

You had a lot of fun  
just now! Still using  
me as a match

I can't help it, call  
my good brother  
this sexy.

Oh, no, now is the  
time to call you  
my good sister!

, let's have some  
fun while there's no  
one around here.

.....

Looking at you looking like  
this, you haven't played with  
fungi yet, right? Even if it's  
not open, I'm just looking  
for someone to have sex  
with!

, let's have some fun while there's no one around here.

.....

Have you ever played Tumor? It doesn't matter, just look at the show you were making, and I'm just looking for someone to have sex with!

The image shows two women in blue uniforms with white bows, sitting on a dark couch. The woman on the left is leaning forward, and the woman on the right is looking towards the camera. The scene is lit from the side, creating soft shadows.

Oh..Hmm! Your  
pussy is so  
wet!

bang bang !  
bang

Did you really  
want to be  
fucked by me  
just now?  
Hahaha!

Oh shit! good! My  
cock feels so  
good

La!

The pleasure of  
the cock and this  
woman's pussy  
blended  
together!

Uh-oh! Oh..Yeah,  
it feels so good!  
So comfortable  
ah!

bang bang shoot!

..I never want to  
go back to my  
old life now that  
I can find such a  
top-notch  
beauty!

Eee! Oh...so deep! Try harder!

Fuck you!  
Uh-huh, it feels so good!

ah! I can't help  
it... I cum!

Yeah! The  
uterus is full!

For a while, my  
identity and  
body became too  
much for me, so  
I just used this  
woman's life...

, playing with the  
bodies of these  
female pilots who  
have sex with their  
brothers every day...  
until...

, Regarding our organization...Brother...I have something very important to tell you recently.

You should be very satisfied with your current life these days, right?

Some dangers, if we don't force our organization, we won't be able to enjoy it anymore if we encounter it now!

, Regarding our organization...Brother...I have something very important to tell you recently.

You should be very satisfied with your current life these days, right?

Some dangers, if we don't force our organization, we won't be able to enjoy it anymore if we encounter it now!

What do you mean? I don't want to go back to being a worker.

Please explain  
it to me  
quickly!

Sigh. I don't want to go back to my old life either, okay?

But we may be being targeted, according to intelligence

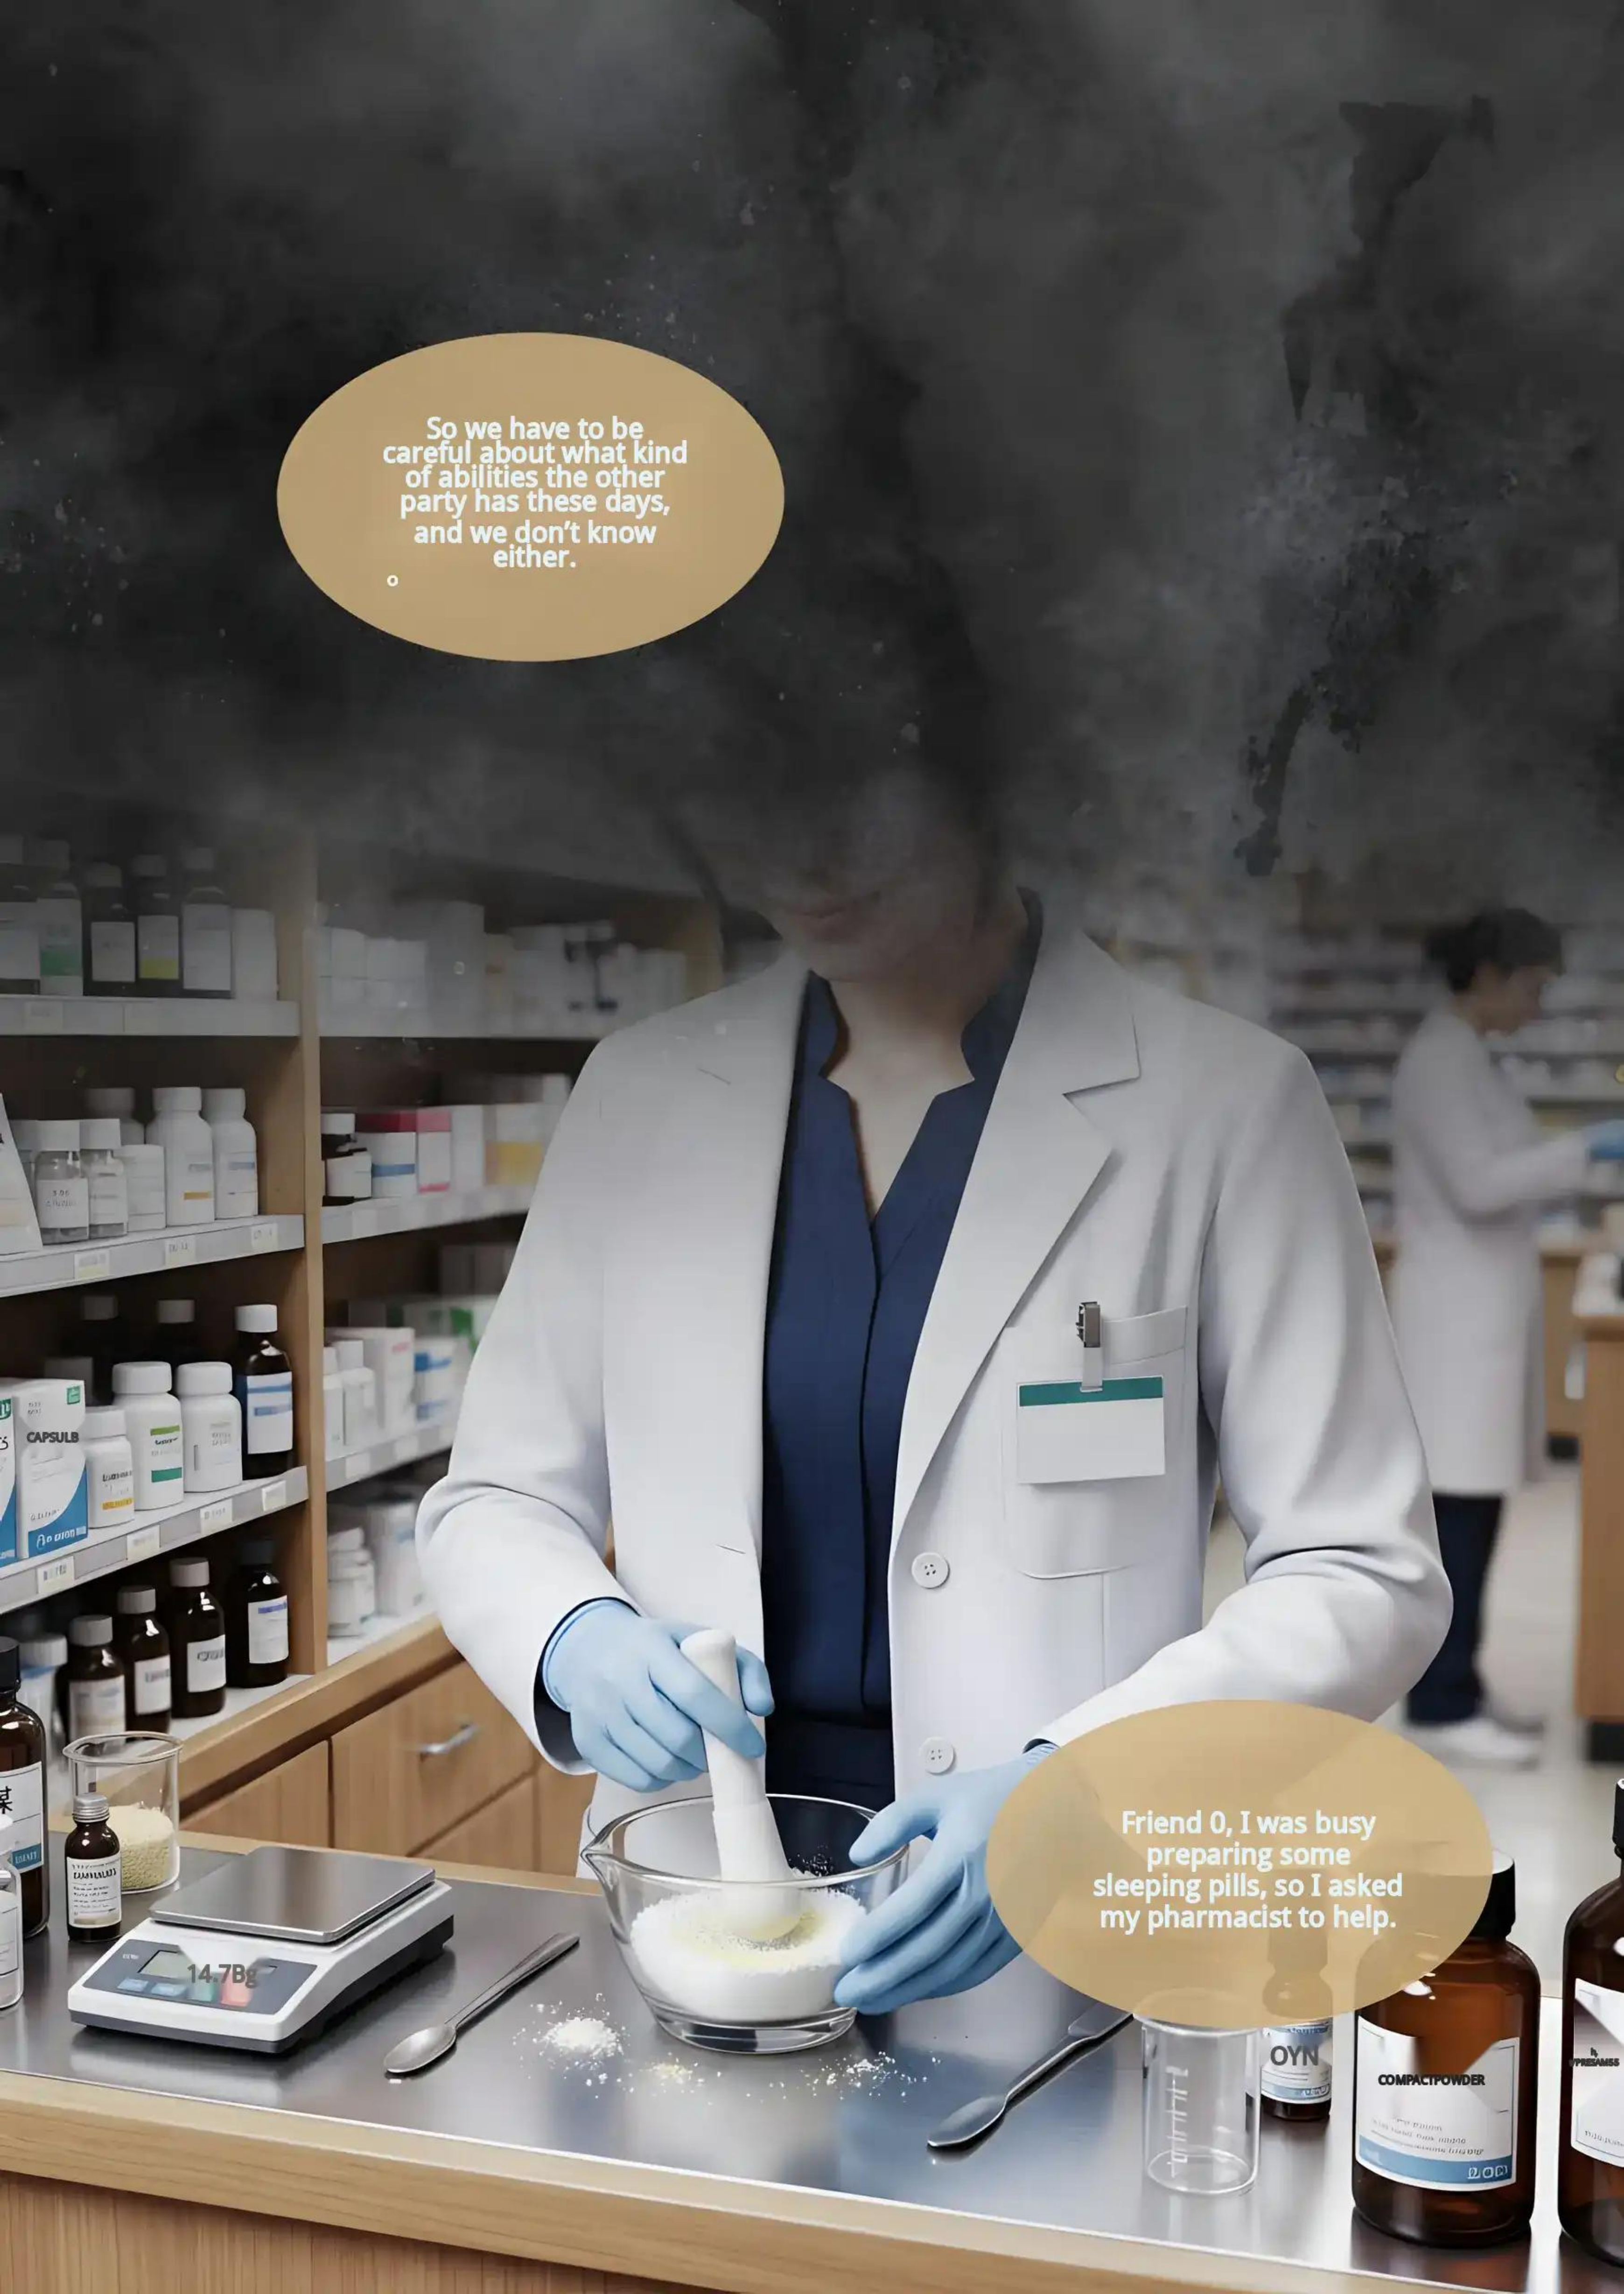

A hand holding a handgun against a city skyline at night. The background is a blurred cityscape with various lights and buildings. The hand is in the foreground, holding the handgun. The text is in a yellow oval in the upper left and lower right.

The forces that were friendly to our organization suddenly lost contact with us, and one of our people also disappeared.

It should have been reduced by other forces. It seems that someone is targeting the Pier Blade group.

So we have to be careful about what kind of abilities the other party has these days, and we don't know either.

Friend 0, I was busy preparing some sleeping pills, so I asked my pharmacist to help.

·As long as you take this very special sleeping drug in its original form, it will be lost if you put it back into your skin.

To realize...

Those with relevant abilities who are not able to identify themselves will then be able to hide in this body and return their consciousness to the original owner. In this way, the body will detect that we are skin piercers.

body, but when I am stimulated, I usually let my deity take control of my body and then I can regain control.

Okay, after the limelight passes, this is the best way for us at the moment. You can play wherever you want.

A man with dark hair and a mustache, wearing a blue suit jacket over a white shirt, is shown in profile. He is holding a lit cigarette in his right hand. A woman's hand is visible on his left shoulder, suggesting a supportive or intimate relationship. The background is a plain, light-colored wall.

Sorry...well,  
that's all I can  
do...

I often have more  
fun time...but this  
reduces the number  
of non-I don't want  
to be secretly done

Lose...

Go back...I seem to  
have started to feel a  
little heavy in my head.  
I will wear the skin  
after taking the  
medicine.

Already...

Strange, what  
happened to  
me...?

I can't remember a lot  
of things after that,  
why I felt so dizzy...  
Then  
Come...

Are you too  
tired?

Nightmare, I seemed to  
have done something  
weird in the dream, it  
seemed like I had a  
very long  
thing...

Oh, don't think about  
it, I have to take care  
of my little baby.  
Cheer up, I still have  
it.

...

I don't know what happened in the room. I have to get up quickly and find a way to keep up.

That's it...

People from that time to this day have been trying to avoid the limelight, and the entire organization has been like this, just for the sake of the situation...

Human consciousness  
will not appear until it is  
safe to return the body  
to the original owner's  
place or when the  
person wants to play  
and is stimulated.

...

This can be regarded as  
a compromise and  
transitional  
breakthrough for the  
organization to find  
opportunities to learn  
tricks after facing pursuit  
and reduce the risk of  
being discovered...

Therefore, in addition to organizing private investigations, we also hope that we will contact and find some new capable people or useful talents.

Let's see if there's any chance we can find the person who's hunting us.

...

So that's it... No wonder my ability couldn't tell that he was a skin-wearer at first...

, no wonder I want to find him. If the entire organization is like this, the chance of them is extremely low...

If they also want to find the ability user who is chasing them, maybe our interests are temporarily aligned...

, instead of you giving  
me your information,  
I already have so  
much information,  
right?

Well...just like you  
said, I am also  
capable  
who.

I have the same way to distinguish myself as you, but I was attacked by other people with abilities before...

I can't take it off. Now I can't restore the outer layer of skin that I had before. It's so bad. Identity...

I'm now searching everywhere for information that can help restore my health. method.

A man in a blue suit is shown from the chest up, holding a woman's head in his hands. The woman's head is tilted back, and her eyes are closed. The man has a surprised or intense expression. They are in a dark, industrial-looking environment with a wire mesh cage in the background. Two speech bubbles are overlaid on the image.

I'm very similar!  
Seems right? It seems  
that your ability is  
very helpful to us...

Let's work together?  
Why don't you help us  
search for information  
about people with our  
organization?

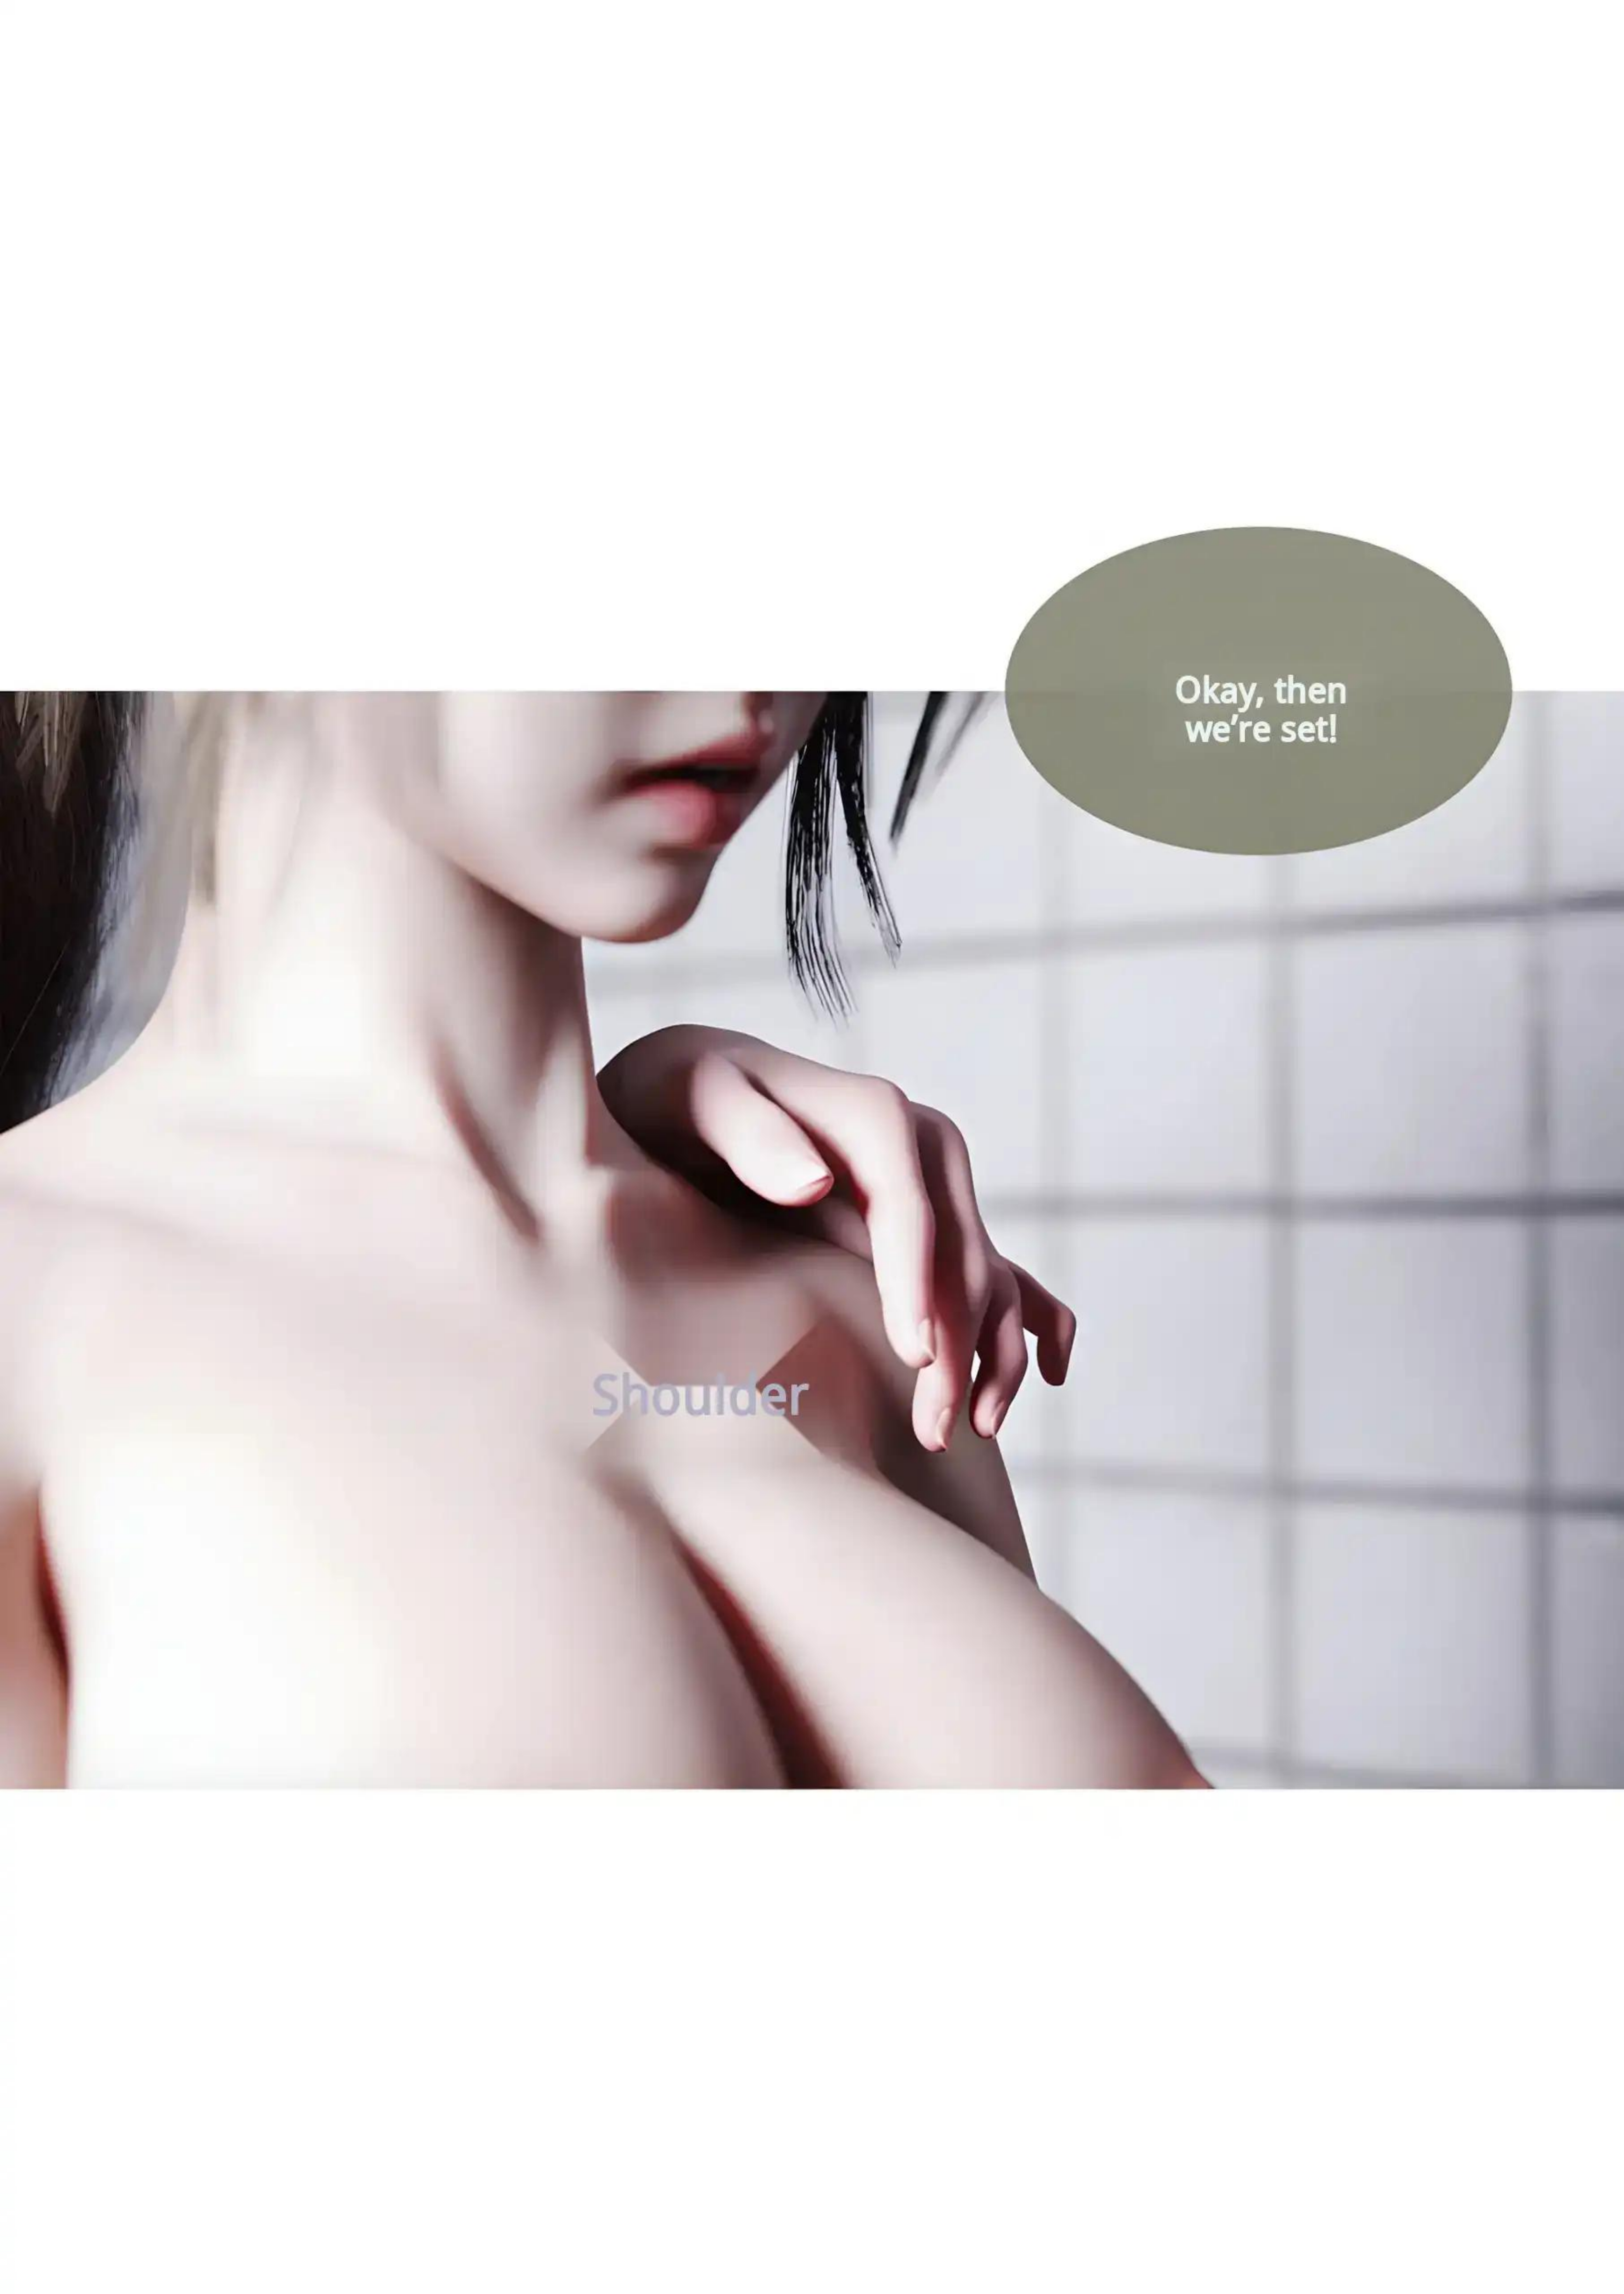

Our organization can provide information for you to recover your body.  
...

It's a good idea that we can help each other create. I Win-win!

, I really hope I  
can recover soon.  
Let's work  
together to  
recover...

Huh, I won't tell you  
that I can, this guy is  
definitely still  
fighting against me,  
and you know his  
true purpose...  
Besides, what am I  
hiding...

Okay, then  
we're set!

A woman with long dark hair in a high ponytail, wearing a blue business suit, is sitting in a grey office chair. She is looking down at a small white pill held in her right hand. Her left hand is resting on her lap. A purple speech bubble is positioned above her head, containing the text: "Is this the sleeping pill? Do you really want to eat this...?".

Is this the sleeping pill? Do you really want to eat this...?

Just swallow it and  
you'll be fine. Don't  
be afraid. I'll be  
eating it all day long.  
You  
of!

I'll be here  
in the hall  
With

I think something is  
weird...forget it, let's  
ignore it for now..

Just put it on  
after eating like  
Okay? this

Will my  
consciousness fall  
asleep directly?

That's right! Just  
trust me and leave  
the rest to me  
La!

Throw!

I swallowed it in front  
of people and it's  
unclear how to hum...  
Take it for granted, I  
won't stupidly take  
unfamiliar medicine...

If I really swallow it,  
I'll be completely  
fooled by you.

Wei is still waiting for  
me to rescue her. I  
don't have the money
