

early  
morning

bedroom

A woman with long black hair, wearing black lace underwear and black stockings, is sitting on a bed with a white headboard. She is looking down and has her legs raised. A speech bubble is positioned above her head.

It's great to  
wake up early and  
do a hand-drying  
first... My pussy is  
so sensitive...

Haa, haaa

**I think it's quite cool!  
Hehehe, after taking maternity  
leave, I just stayed at home and  
did nothing. It was so happy! I've  
always heard how hard it is for  
women to be pregnant.**

But I haven't been idle these days. Not only do I help Lao Zhou vent his sexual desire whenever I get the chance during the day, but for a pregnant woman, it's a very satisfying day for me! At night, I also have to satisfy his dad's various peculiar sexual fetishes.

**That's not what ingratitude is, right? Obviously I asked him to touch my breasts, but that guy Zhou Ming didn't know what was wrong with him recently, and his pussy was touched by him, but the tone he spoke to me became worse and worse.**

Are you afraid that you miss your mother while masturbating every day? Pity this mother-in-law who has no medicine. These years of being friends are not fake. Alas, how could I not know what Lao Zhou is thinking?

**That feeling of emptiness can never be filled no matter how many times I climax! Damn, bastard old Zhou, how can he understand my hard work! Because I was worried about hurting the fetus in my belly, I couldn't touch my dick for three months.**

Ah... my cunt is so hot... I need to go... At least I won't ruin this sexy mature woman's body...  
What's wrong with letting me be your mother?

climax

Went there!

But the orgasmic pleasure in the female vagina is still so good! Hehe, I know! Let me give Lao Zhou a surprise after a long time! Phew...even though I can't touch my cock

later

дрдрдр

Lao Shao? What time is it and why are you still sleeping? Didn't you agree that it's your turn to make breakfast today? Don't think that just because you're pregnant, you can just stay at my house and eat and drink for free.

..

Could it be that you were up late at night doing something stupid, right? By the way... doesn't Lao Shao usually get up very early? Oh oh oh! Saw something good! It's rare to see him sleeping until this time,

Humming...Mom, I miss you so much...My mood has become complicated again...Mom's sleeping face is still as beautiful as a picture! But as soon as I think that the person inside is Lao Shao,

Why does it feel like I  
have had a long dream...  
How long have I been  
sleeping? Uh-huh? It's my  
son... strange...

**Do you think I can't see  
that you are pretending to be  
confused? Ha, stop doing this  
with me, Lao Shao! Don't try to  
fool me with my mother's  
beauty!**

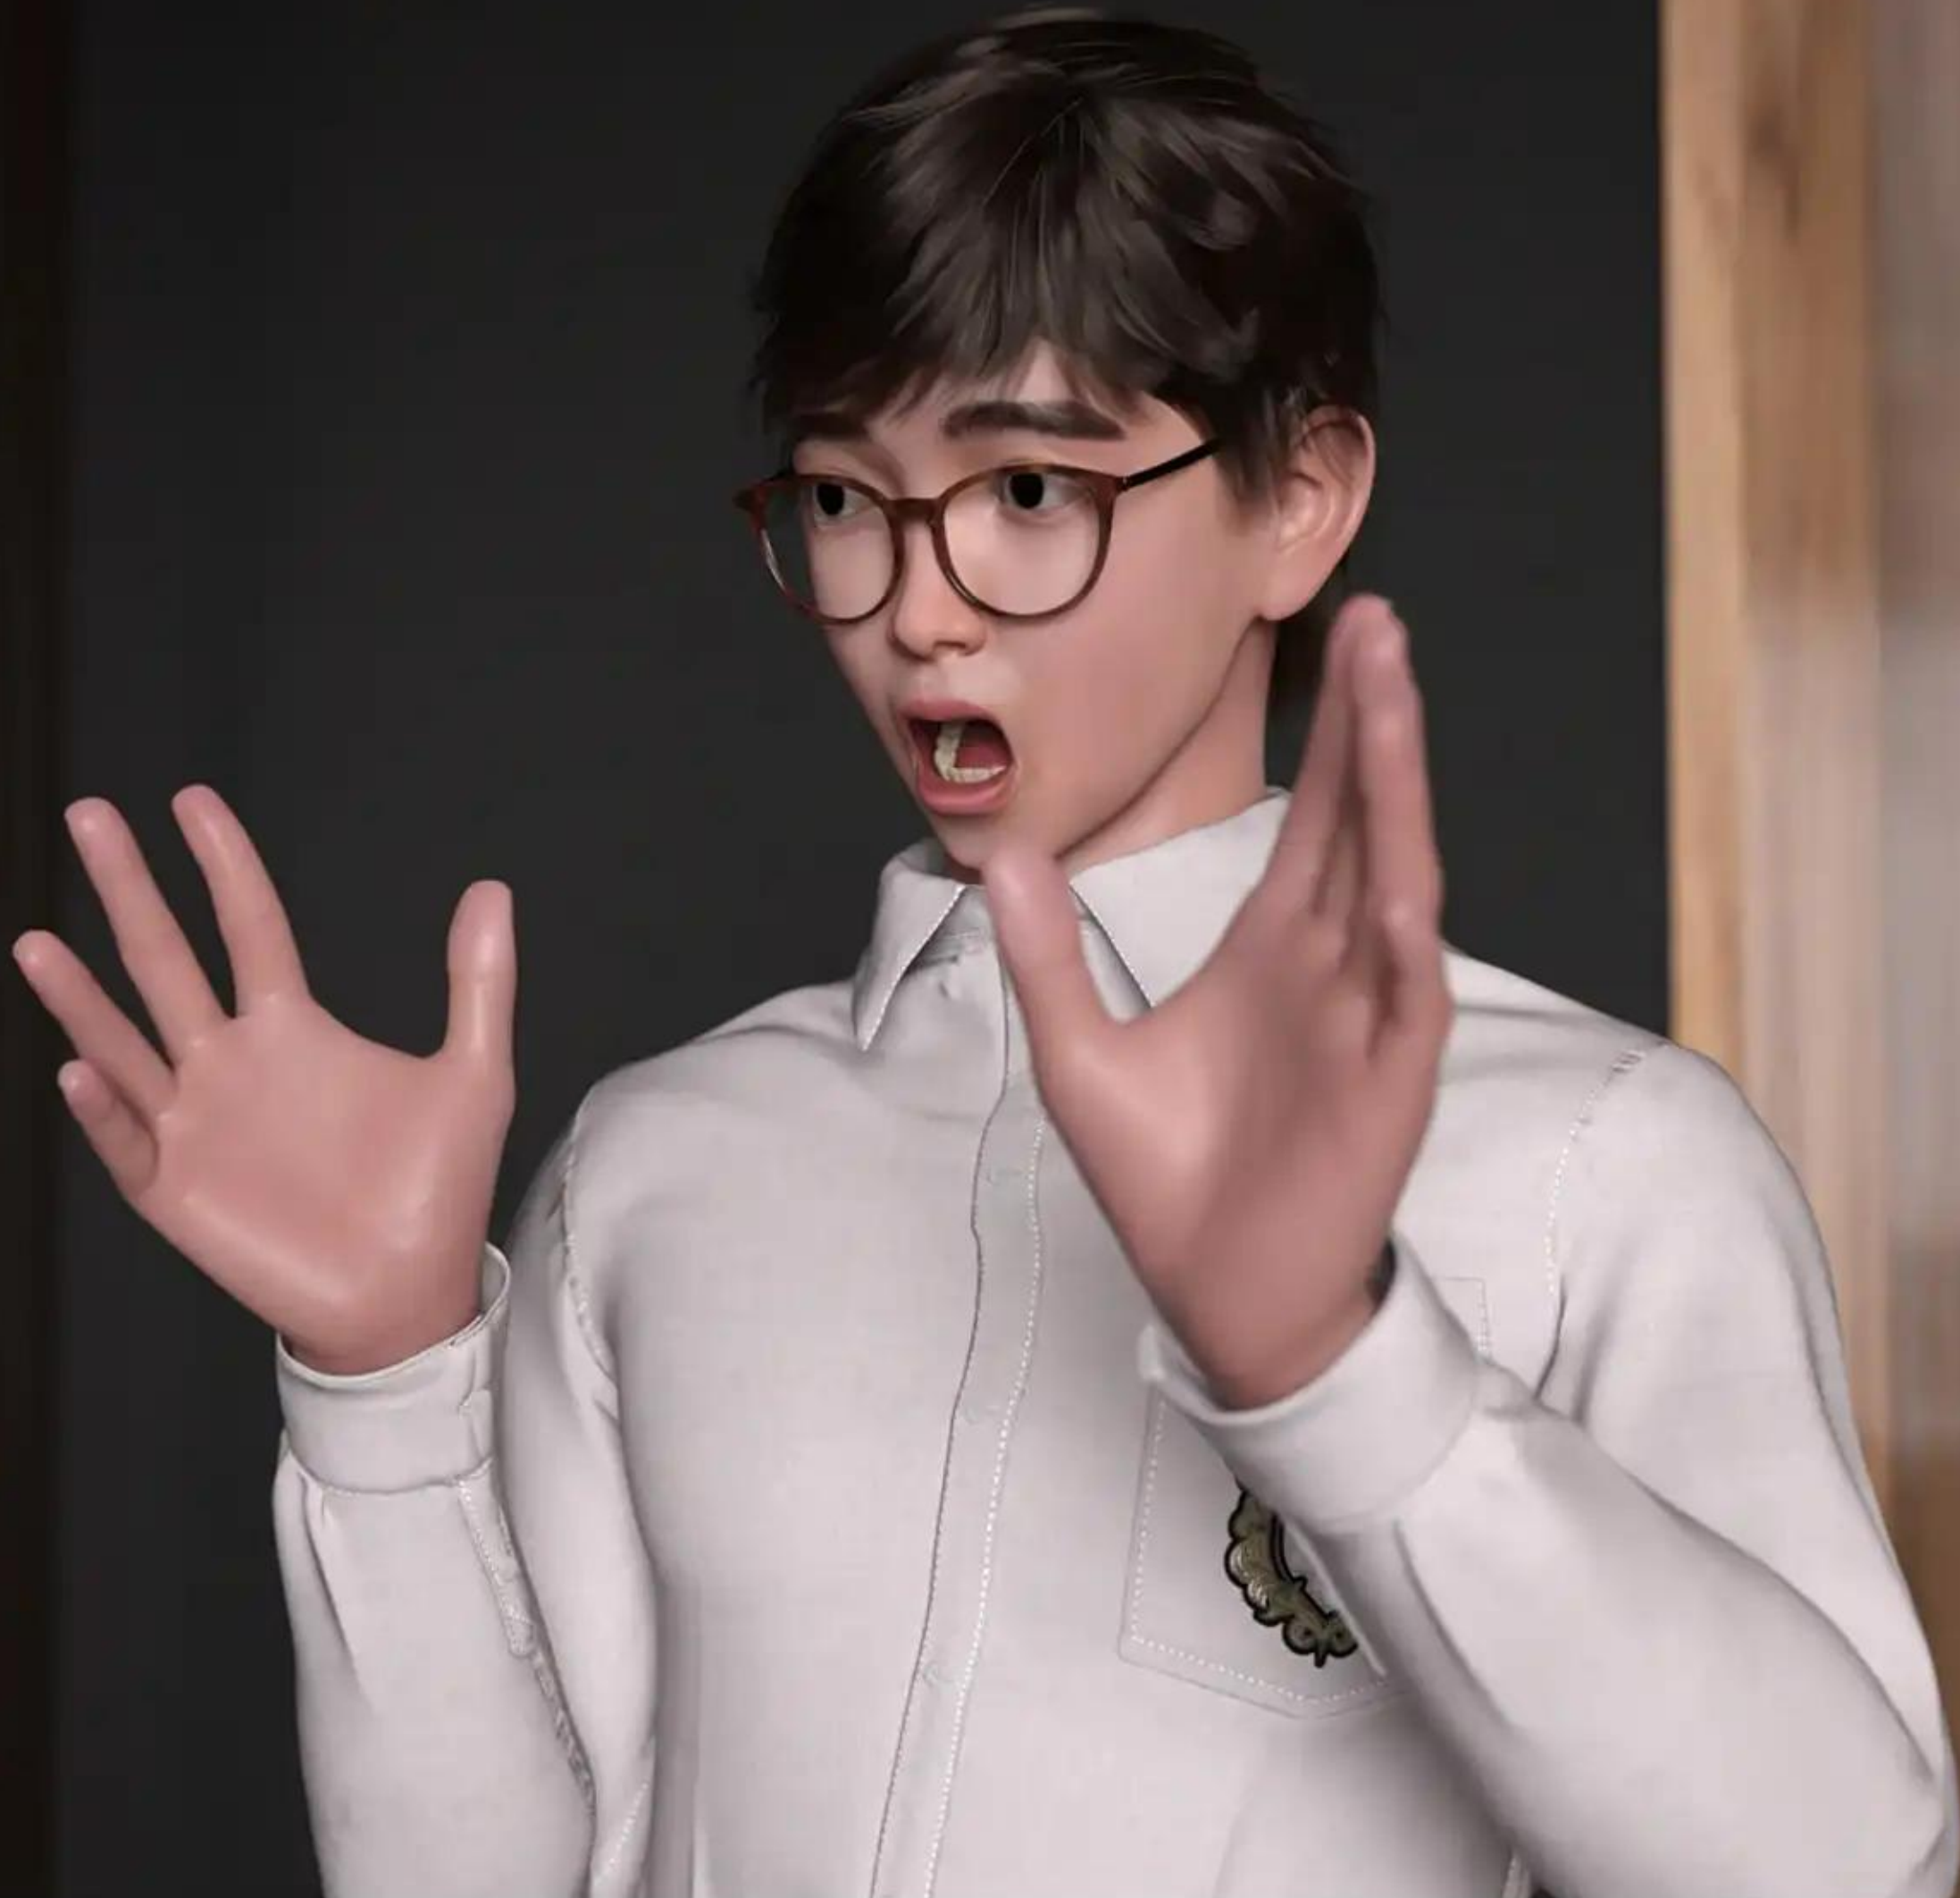

You...what's your attitude! ? Is this the way you should talk to your mother? ah? Zhou Ming! I don't remember teaching you this!

What's going on?  
This feels familiar...  
wasn't that a dream? You  
just... vomited... um...  
suddenly felt nauseated  
and dizzy... and my  
stomach... is weird.

**This familiar tone  
and tone...can't it? Could  
it be that mom... could it be  
that the mom I miss day and  
night is back? You're not  
lying to me, are you?**

Is it really  
you? Are you...  
okay?  
Old...ahem,  
mom?

What nonsense are you talking about? Who else could be sleeping in this bed than your mother? Oops, I have a headache... I need to take some painkillers later. ...

Hey, I got tricked!  
How about it? I imitate  
your mother's speech very  
well, right? What stupid  
expression will he show  
this time? Hahaha!

**But for now, let's worry about my mother's condition first! Although I don't know how Lao Shao achieved this tone...it can't be wrong! Mom is finally back with me!**

But...how should I explain my pregnancy to my mother? Do I have to take responsibility and tell everything? Mingming is so scary

laugh

A woman with long, wavy black hair is shown from the chest up. She is wearing a black, low-cut, lace-trimmed dress. Her arms are raised, with her hands clasped together above her head. She has a thoughtful or slightly pained expression on her face. The background is a dark, out-of-focus interior space.

**Should I do some exercise to stretch my muscles? Hmm~ Not only do I have a headache, but my whole body seems to be aching.**

Oh oh oh oh! You can see your breasts clearly! It seems that my mother's inadvertent exposure excites me more! I thought I had been seduced by Lao Shao's sex for a while and I had no feelings for it.

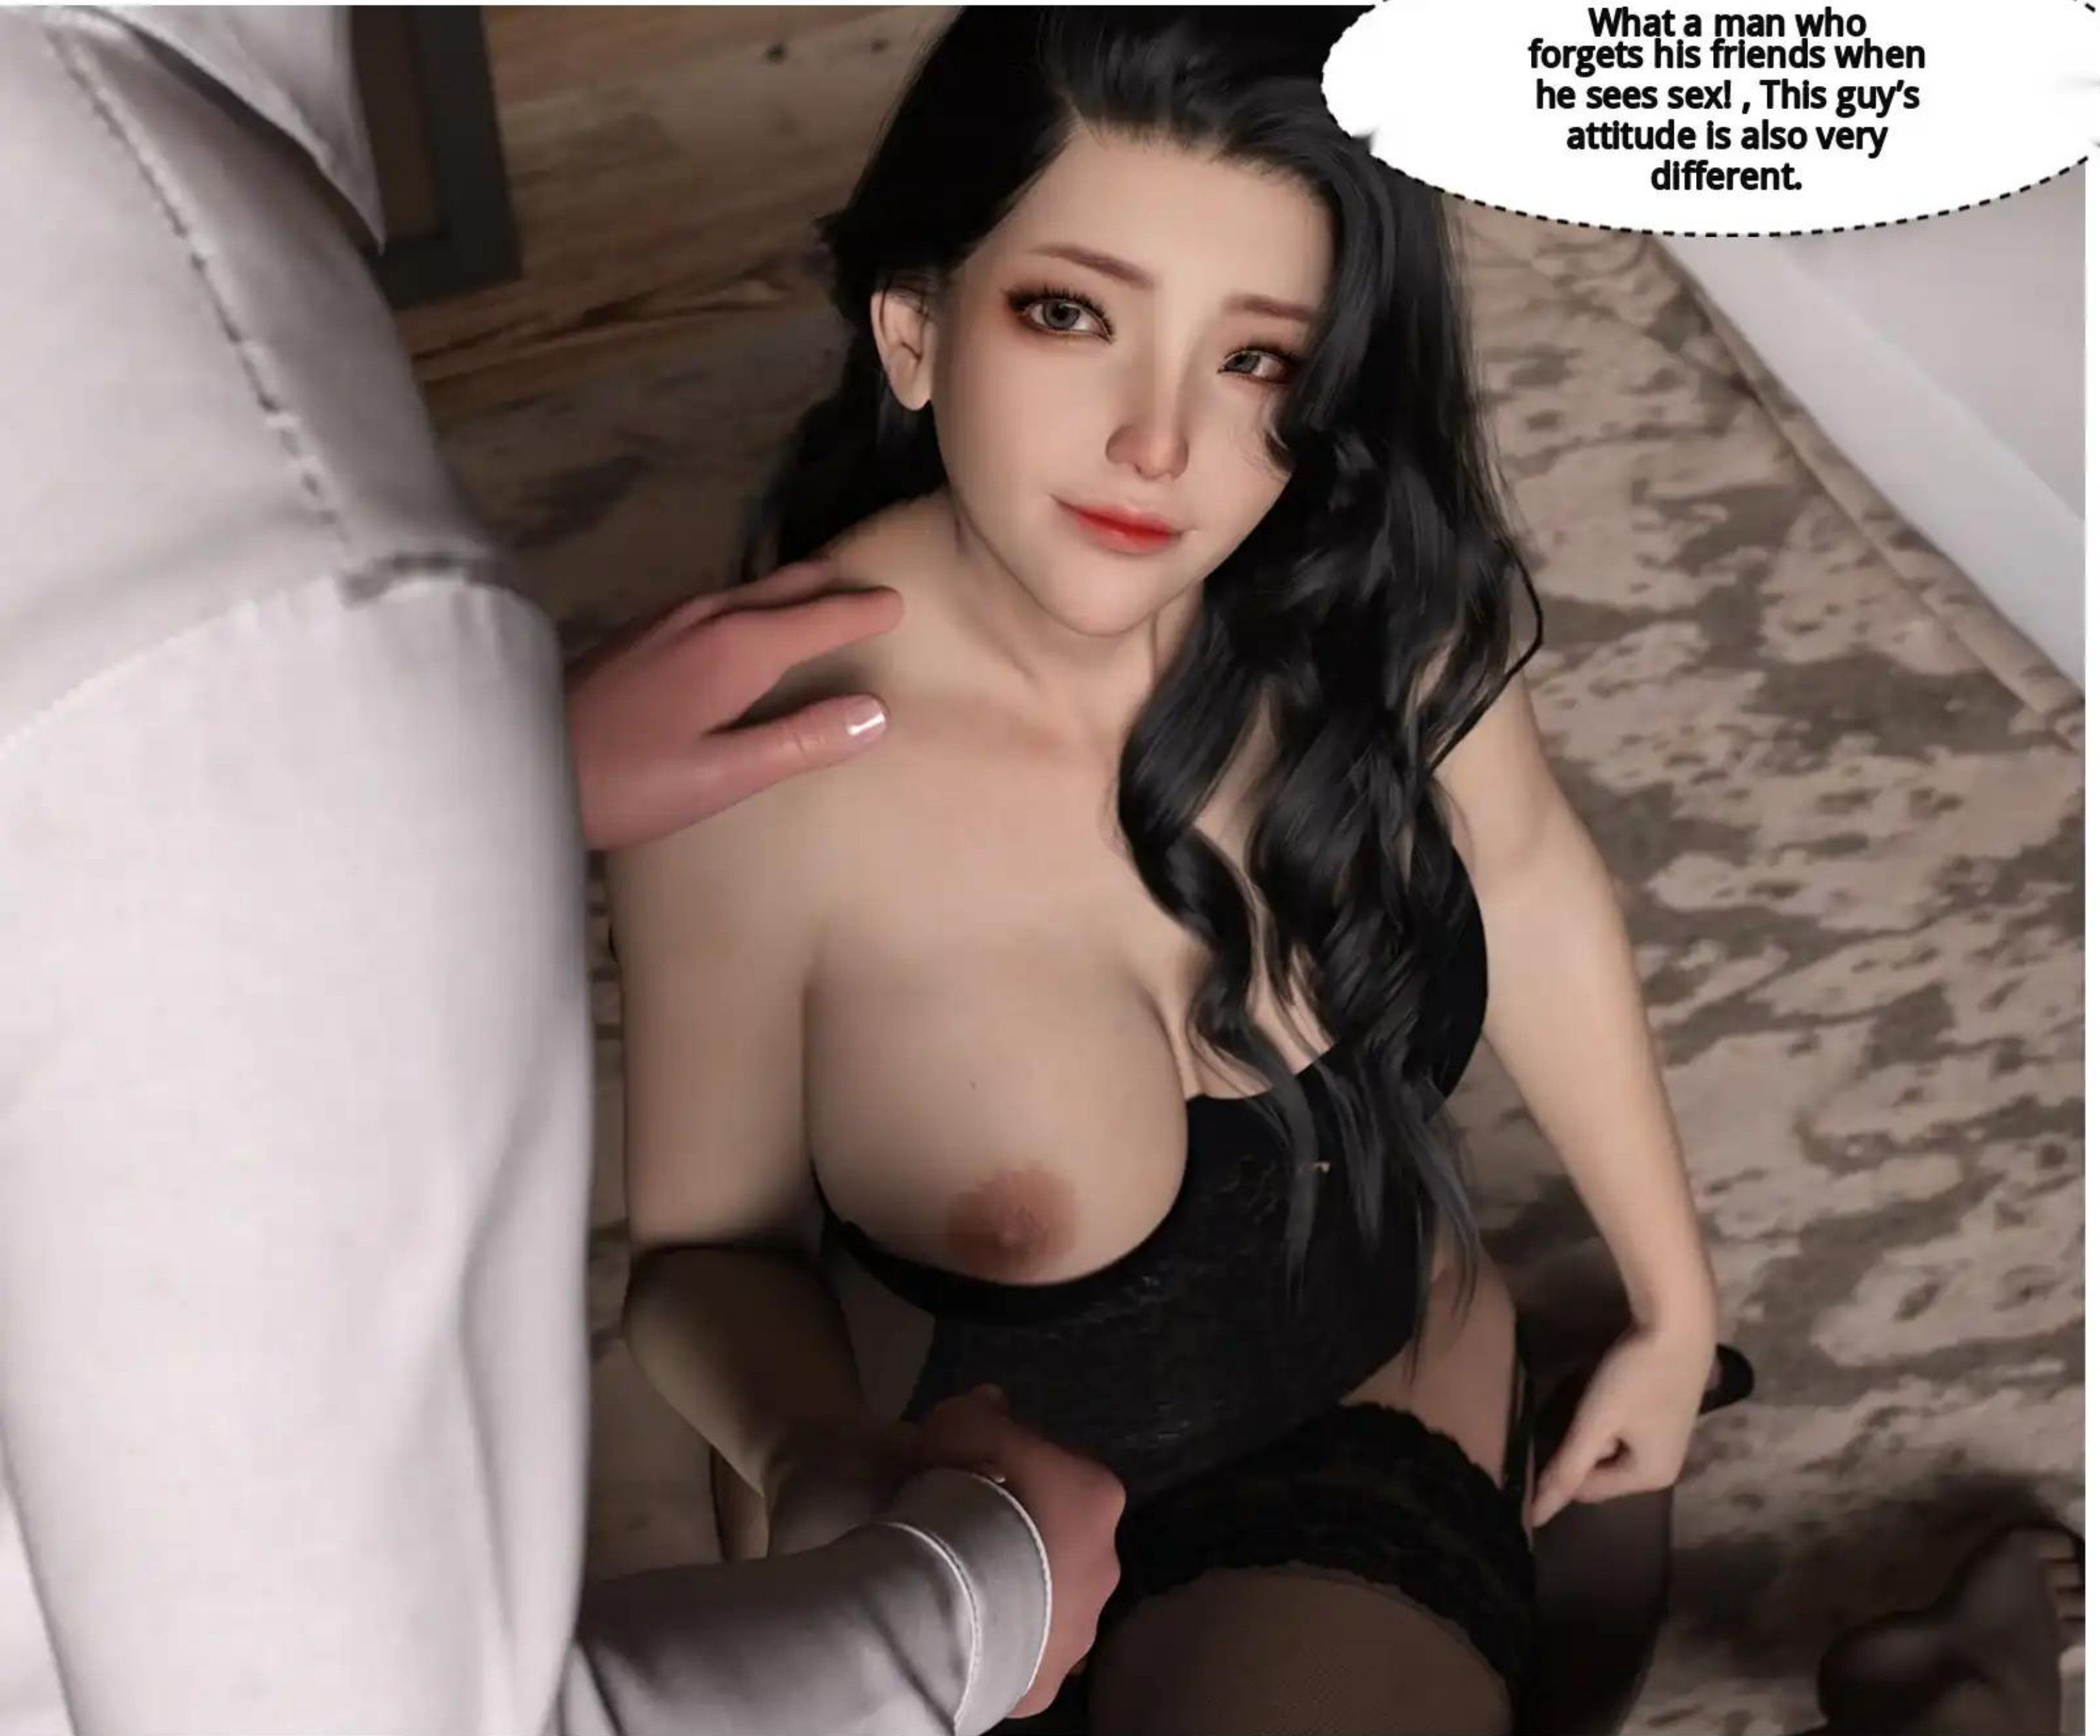

slide

A man with dark hair and glasses, wearing a white long-sleeved shirt and a dark tie, is leaning over a woman. The woman has long, dark, wavy hair and is wearing a black, strapless, form-fitting dress. She is sitting on a bed or couch, looking up at the man with a slightly concerned or questioning expression. The man's hands are near her chest, and he appears to be adjusting something. The background is a dark, modern interior with a lamp visible in the upper left.

**wrong! Zhou Ming, now is not the time to act wrongly!**

**aim**

**You... need more mom, rest now. Why don't you stay in bed for a while? Don't rush to exercise. I'll get whatever you need!**

What a man who forgets his friends when he sees sex! , This guy's attitude is also very different.

Hey, why is my good son so considerate today?  
Do you want pocket money again?

How about I give you some pocket money when you feel comfortable? Come and massage mom's feet, okay. I'll give you a chance to be filial.

**My mother, who never asks for anything, actually asked me to massage her feet. She must be still not used to the changes in her body... That's great! Now is my chance to redeem myself!**

It feels as tender as tofu! If you want to adjust the strength, just tell me...Mom, you take good care of your skin. I dare say that the legs of the girls in my school are not as good-looking as yours!

How can it compare to those young girls? Just give me more pocket money, and you have to press it carefully! Silly son, your mouth is so sweet today, hehehe, stop talking nonsense, how old is your mother?

I'm lucky to be able to press it a few times, hehehe! That's not nonsense! Such shapely and slender legs

rub

**I'm so excited!  
Ah hiss... Mom's feet  
are so soft and tender,  
so comfortable to rub.  
Just thinking about the  
scene of these feet  
stepping on the cock  
until ejaculation,**

Otherwise it won't be explained clearly! Oops, I accidentally raised my cock again! Oops, I can't be discovered by my mother now

The techniques are getting more and more erotic!  
I only pressed it two or three times, um... so comfortable, for this little pervert like Lao Zhou,

Just let me give you a push! whee!  
If you really can't hold it back,

teased

**But my cœck is so hard that it's hot... Is this the power of true love? Uh-oh, it feels so good! how so? It was obviously just a slight nudge from my mother's feet.**

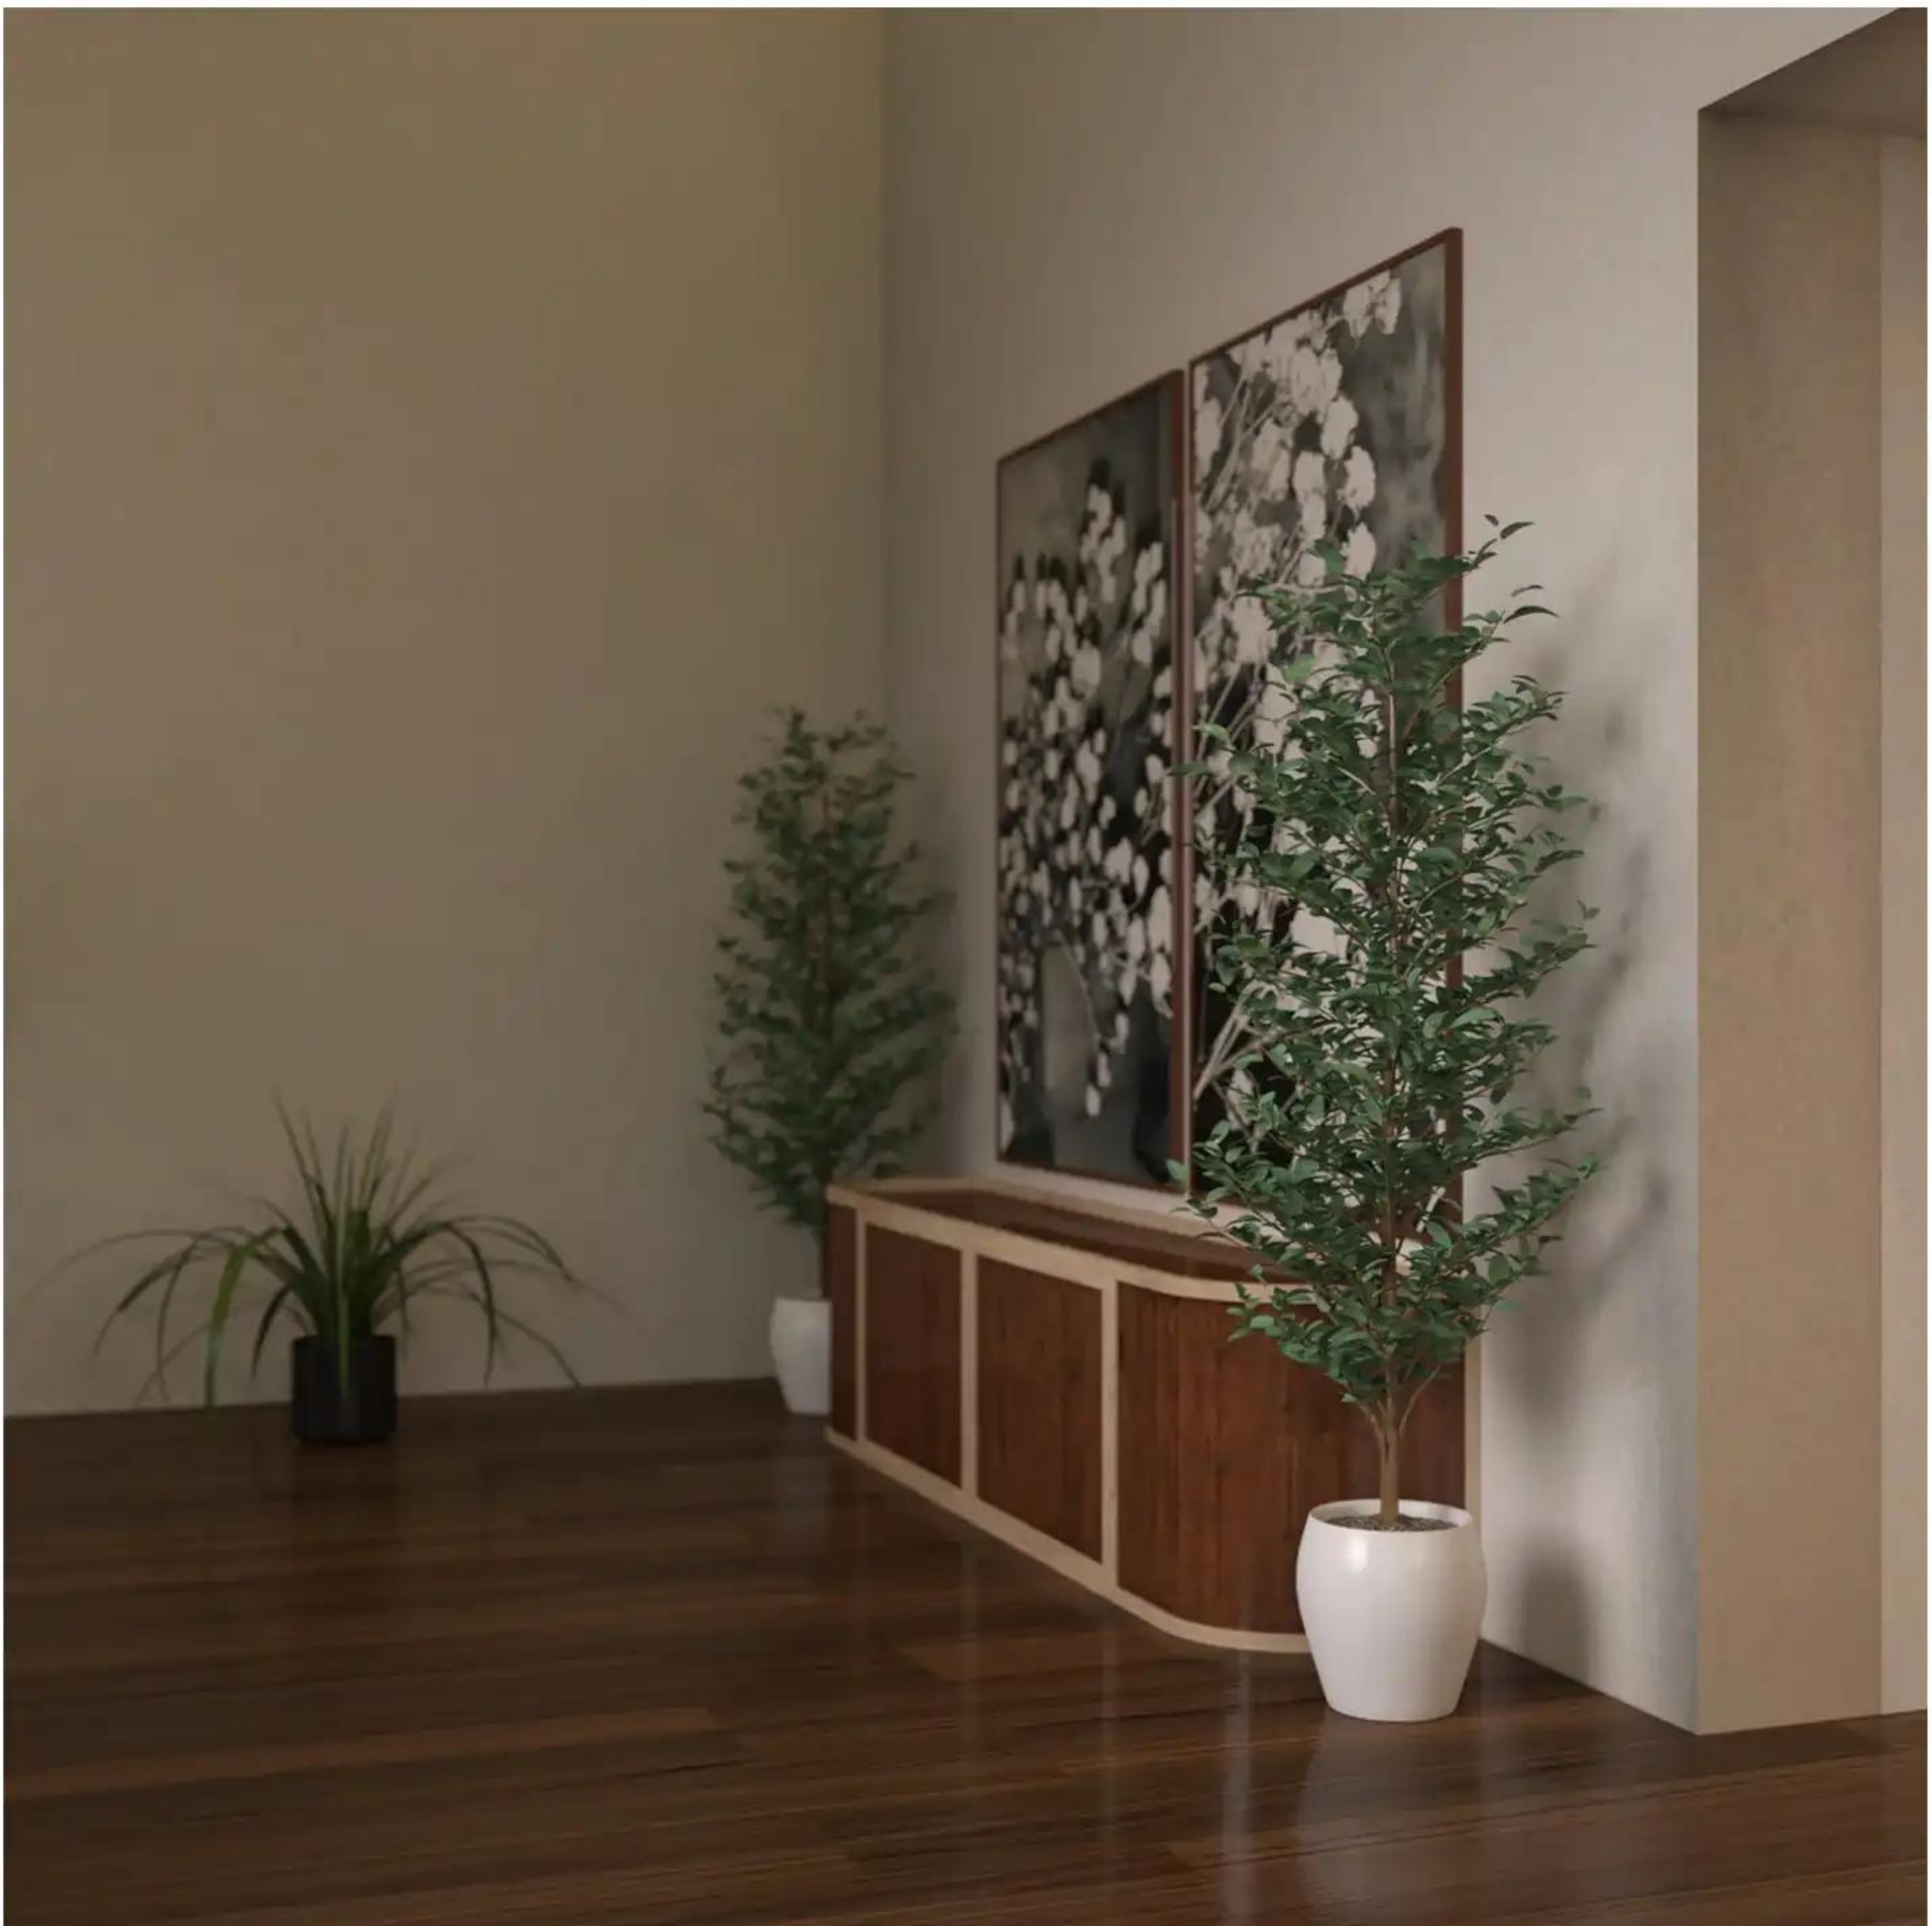

**I really want to fuck my  
mother's cunt like I did before...  
insert my cock directly into my  
mother's pussy and thrust it hard.  
Ahhh... I really want to, I really want  
to grab my mother's long legs.**

It must be Lao Shao who caused it! what to do? Want to go? The person in front of me is my real mother! Do I...do I really want to take that step? My mind is so confused. Damn it, all I can think about is pussy again.

After a  
while...

**I will definitely dress up more seriously, I'm so sorry! If I knew it was a young and beautiful girl coming, yo, are you here? Welcome welcome! My son is really good at choosing.**

**It's an honor to serve you! I'm going to prepare some supplies first. Please wait a moment! Thank you Miss He for your praise. My name is Xiaohan and I am your beautician today. Your appointment this time is a full body acupressure massage.**

**I hope it can relieve my mother's physical discomfort. But after all, I still didn't dare to cross that taboo line, so I quickly made an appointment for an in-home massage service. Alas, if I had continued just now, I would definitely not be able to bear it.**

**I was looking forward to some interesting developments! I actually gave in at the last moment! It's really, go, old Zhou's useless thing.**

The masseur that Lao Zhou called over even though he was wearing that simple work clothes was really in good shape! It's so uneven, you can feast your eyes on it! But then again

**We are about to start this treatment session! Come, Miss He, we're here to invite you!**

**This girl is pretty good, she's my type! Oh oh oh! This voice is also very sweet, and it feels really comfortable to my ears.**

Little sister, please  
feel free to touch me!  
Just kidding hahahaha!  
Hey hey hey! Don't  
worry, I'll be fine

**Okay, then  
please ask  
Miss He to lie  
down first!**

**Like a little  
hooligan... is it my  
imagination? Just now,  
Miss He seemed to have  
suddenly changed into  
a different person.**

Could it be related to this? It's strange to say that when I entered the house just now, I said I shouldn't mention pregnancy in front of my mother, and Miss He's son came here to make a weird request.

Maybe there is something hidden, but it is too hard to have a child at this age. After all, her son is already so old, although Miss He is a frozen beauty.

Please take off  
your clothes...Ms.  
He, let's start with  
the shoulders and  
neck.

I have already  
taken it off~  
Master, look!

Why don't you give it to me first? Also, this place has been sore and swollen recently. I don't know what's going on. This place on my chest

Next, how about dredging the lymphatic system in the chest? I'll start with the shoulders and neck. It should be that a lot of metabolites have accumulated... It does feel a bit blocked to the touch.

Just rubbing it a few times like this makes people feel so relaxed. The professional ones are really different, wow... the young lady's hand actually reached out to rub my breasts,

Is this your first time to experience massage service? Ms. He seems to be looking forward to it.

But as long as the guests like it... you can still wear underwear. In fact, according to the rules, you don't have to take off all your clothes.

But for such a cute girl, please be gentle to me later! This is the first time that I touched my whole body openly. Hehehe, have you pressed it before?

Okay, okay, is this strength okay?

It sounds like you're flirting with me! Miss He's way of speaking is so interesting

Hmm...  
not bad...

This technique is so powerful.  
It feels like the joints have been  
opened, so relaxed. Every time you  
press on the most sore point, ...

**My whole body began to become more and more sensitive, and I could feel my nipples slowly getting hard. My breasts were being rubbed back and forth by my fingertips... my fingers came over me.**

6

**How does it feel?  
It's okay to cry out if it  
hurts! This not only relaxes  
and soothes, but also has  
the effect of regulating  
hormone secretion. Your  
muscles here are a bit  
stiff.**

Not bad...

Ahh... I almost screamed because I felt so good... I guess you didn't do it on purpose, right? Now my whole body is so sensitive that it feels like I got an electric shock... My fingers touched my nipples

I hate it. Is this supposed to be just a normal massage? My whole body heats up... Oh, it feels so good. No... Old Zhou Tie is definitely watching too, I can't reveal my secret too early! The pleasure runs up my spine. How come...how can my body feel so comfortable?

**Little sister! This, I've pressed enough here, let's move to another place first. Please help me clear it, Miss! My lower back and butt are very sore.**

**It also has a very good detoxification effect! Okay, let me help you relax your lower body. The acupuncture points on the waist and hips can help the circulation of qi and blood.**

Ouch, this feels so good, right? I'll definitely have to ask Lao Zhou to rub it for me more in the future! It turns out that rubbing one's buttocks can have this effect. The area touched by the young lady's hand feels so relaxed.

It seems like something is coming out. Is it because the acupuncture points are pressed? Ah, it feels so comfortable...I feel like there is a heat rising in my lower abdomen.

poke  
out

Oh oh oh... this  
familiar feeling...  
shouldn't it be...

Memories  
ah ah ah  
ah!

Long time  
no see, my  
dear cock! Ha  
ha ha ha! It's  
finally out!

Did I press too hard and hurt you? Huh? Is Ms. He okay?

No, it's okay, the strength is just right, I just... felt so comfortable that I couldn't help but scream, haha, I'm really sorry... please continue!

It's such a close call,  
the young lady shouldn't  
have discovered it, right?  
Phew...fortunately, I  
immediately covered my  
dick with a towel

**Haha, because I am worried about hurting the fetus, the leather sheath always brings me surprises! So I never dared to pull my cock out, but I didn't expect it to be pulled out right now.**

**Ahhh... my cock  
is so hard that I really  
want to masturbate! , If  
it's just a few light  
touches, it shouldn't  
matter, right?**

**My cock is so sensitive now! How can I secretly masturbate? Ooooooh! Oops, I haven't masturbated in three months. I feel like my waist is going weak just by doing it a few times.**

When fucking her, she rubs her pussy back and forth, it's so exciting! My cock is now hard and swollen. I wonder if it's because of the massage effect.

Look, the young lady is still concentrating on the massage. It's so exciting, hehehe! Ahhhh... I have been free and at ease in Lao Zhou's house for a while. I feel like I haven't masturbated secretly and hidden from others for a long time.

We are going to  
massage our tummy  
now! Then the lower  
back comes here  
first,

Wait...little  
sister, it  
doesn't  
work  
there!

wiped

A woman with dark hair in a bun, wearing a grey dress with white cuffs, is shown in a state of shock. She is leaning forward with her hands near her face. The background is a blurred indoor setting with a couch and a plant. The entire image is overlaid with a pattern of white diagonal lines, suggesting motion or a specific visual effect. A speech bubble is positioned above her head.

What I just touched...is yours...how could this happen? ? Miss He,

**Why don't you  
come and give me  
a haircut? , there is  
nothing you can do  
if you are seen**

**Grasp**

**Miss He,  
what are  
you doing?  
No!**

Oh oh oh! My big  
cock is so different  
compared to masturbating by  
myself for a long time! I haven't  
been touched by another  
woman. The young lady's  
hands are soft and tender.

But I seem to be a little excited...What is going on now? Miss He's penis actually grew...what? Although it feels like she's helping a man with his penis now, looking at Miss He's lustful and panting appearance

Don't...  
hate... how  
it gets  
harder!

啊啊啊，  
little  
sister,  
please hurry  
up!

If I continue to jerk off,  
I...I want...my whole body  
will feel so comfortable that it  
will almost melt...ahhh...it has  
really been held in for too long,  
my cock is so sensitive as never  
before...I can't do it  
anymore.

Haa,  
haaa

ejaculation

I'm going to be  
jerked off by the  
young lady!

This...  
was shot all  
over the  
face...how  
could it  
be...

**Sorry Miss He!  
I, I'm going to  
wash my face!**

**Come back!  
Hey, what the  
hell...little sister, I  
didn't mean it!**

Really, I thought I could finally have some fun. I have to let Lao Zhou comfort her later. Oops... This time it's really nerve-wracking. I see the young lady is frightened by me.

Should I report this to my manager? But...what happened just now?

?  
Master,  
why did you  
come  
here?

You are  
Miss  
He's...ahhhhhh. ..

shot

**I was really looking forward to seeing my mother moaning in comfort. I was so angry! Damn it! My broken belly is really good at choosing the right time! I didn't see anything! It just happened that when my mother started massaging, it started to hurt.**

I'll give it back to you soon.  
After all, I'm not as scoundrel as  
Lao Shao. I really can't bear to give it  
to you! Lend me your body. This is a  
rare opportunity to serve my mother  
in person. Hey, I'm sorry,  
masseuse sister.

To be  
continued
