

Room

Okay, just
take off all
your
clothes...?

Weird, the holster split into two parts? God knows how many more tricks he has that I haven't seen yet. Did Lao Shao change the settings of the holster? I didn't do anything just now. It's really a bad taste.

Why do I look more and more like the old man? Now that I see this leather holster, I feel an inexplicable sense of intimacy... Alas, but since my mother's unexpected pregnancy, I have never seen Lao Shao playing pranks with a leather gun.

This, this is all for my mother! Just be patient for now, and I will definitely help you get back to your original state! My lovely masseuse sister, I really feel sorry for you and me for making you suffer like this...I usually wouldn't do this kind of thing, I'm just a filial high school student,

Thinking that I was violating the body of a strange girl, my chest couldn't help but tremble... It felt more like wearing clothes like this... Ahem

I will be able to use my little sister's good skills to let my mother enjoy it later! Wow! My arms instantly became whiter, softer and firmer, it's just a professional difference! Hey hey hey,

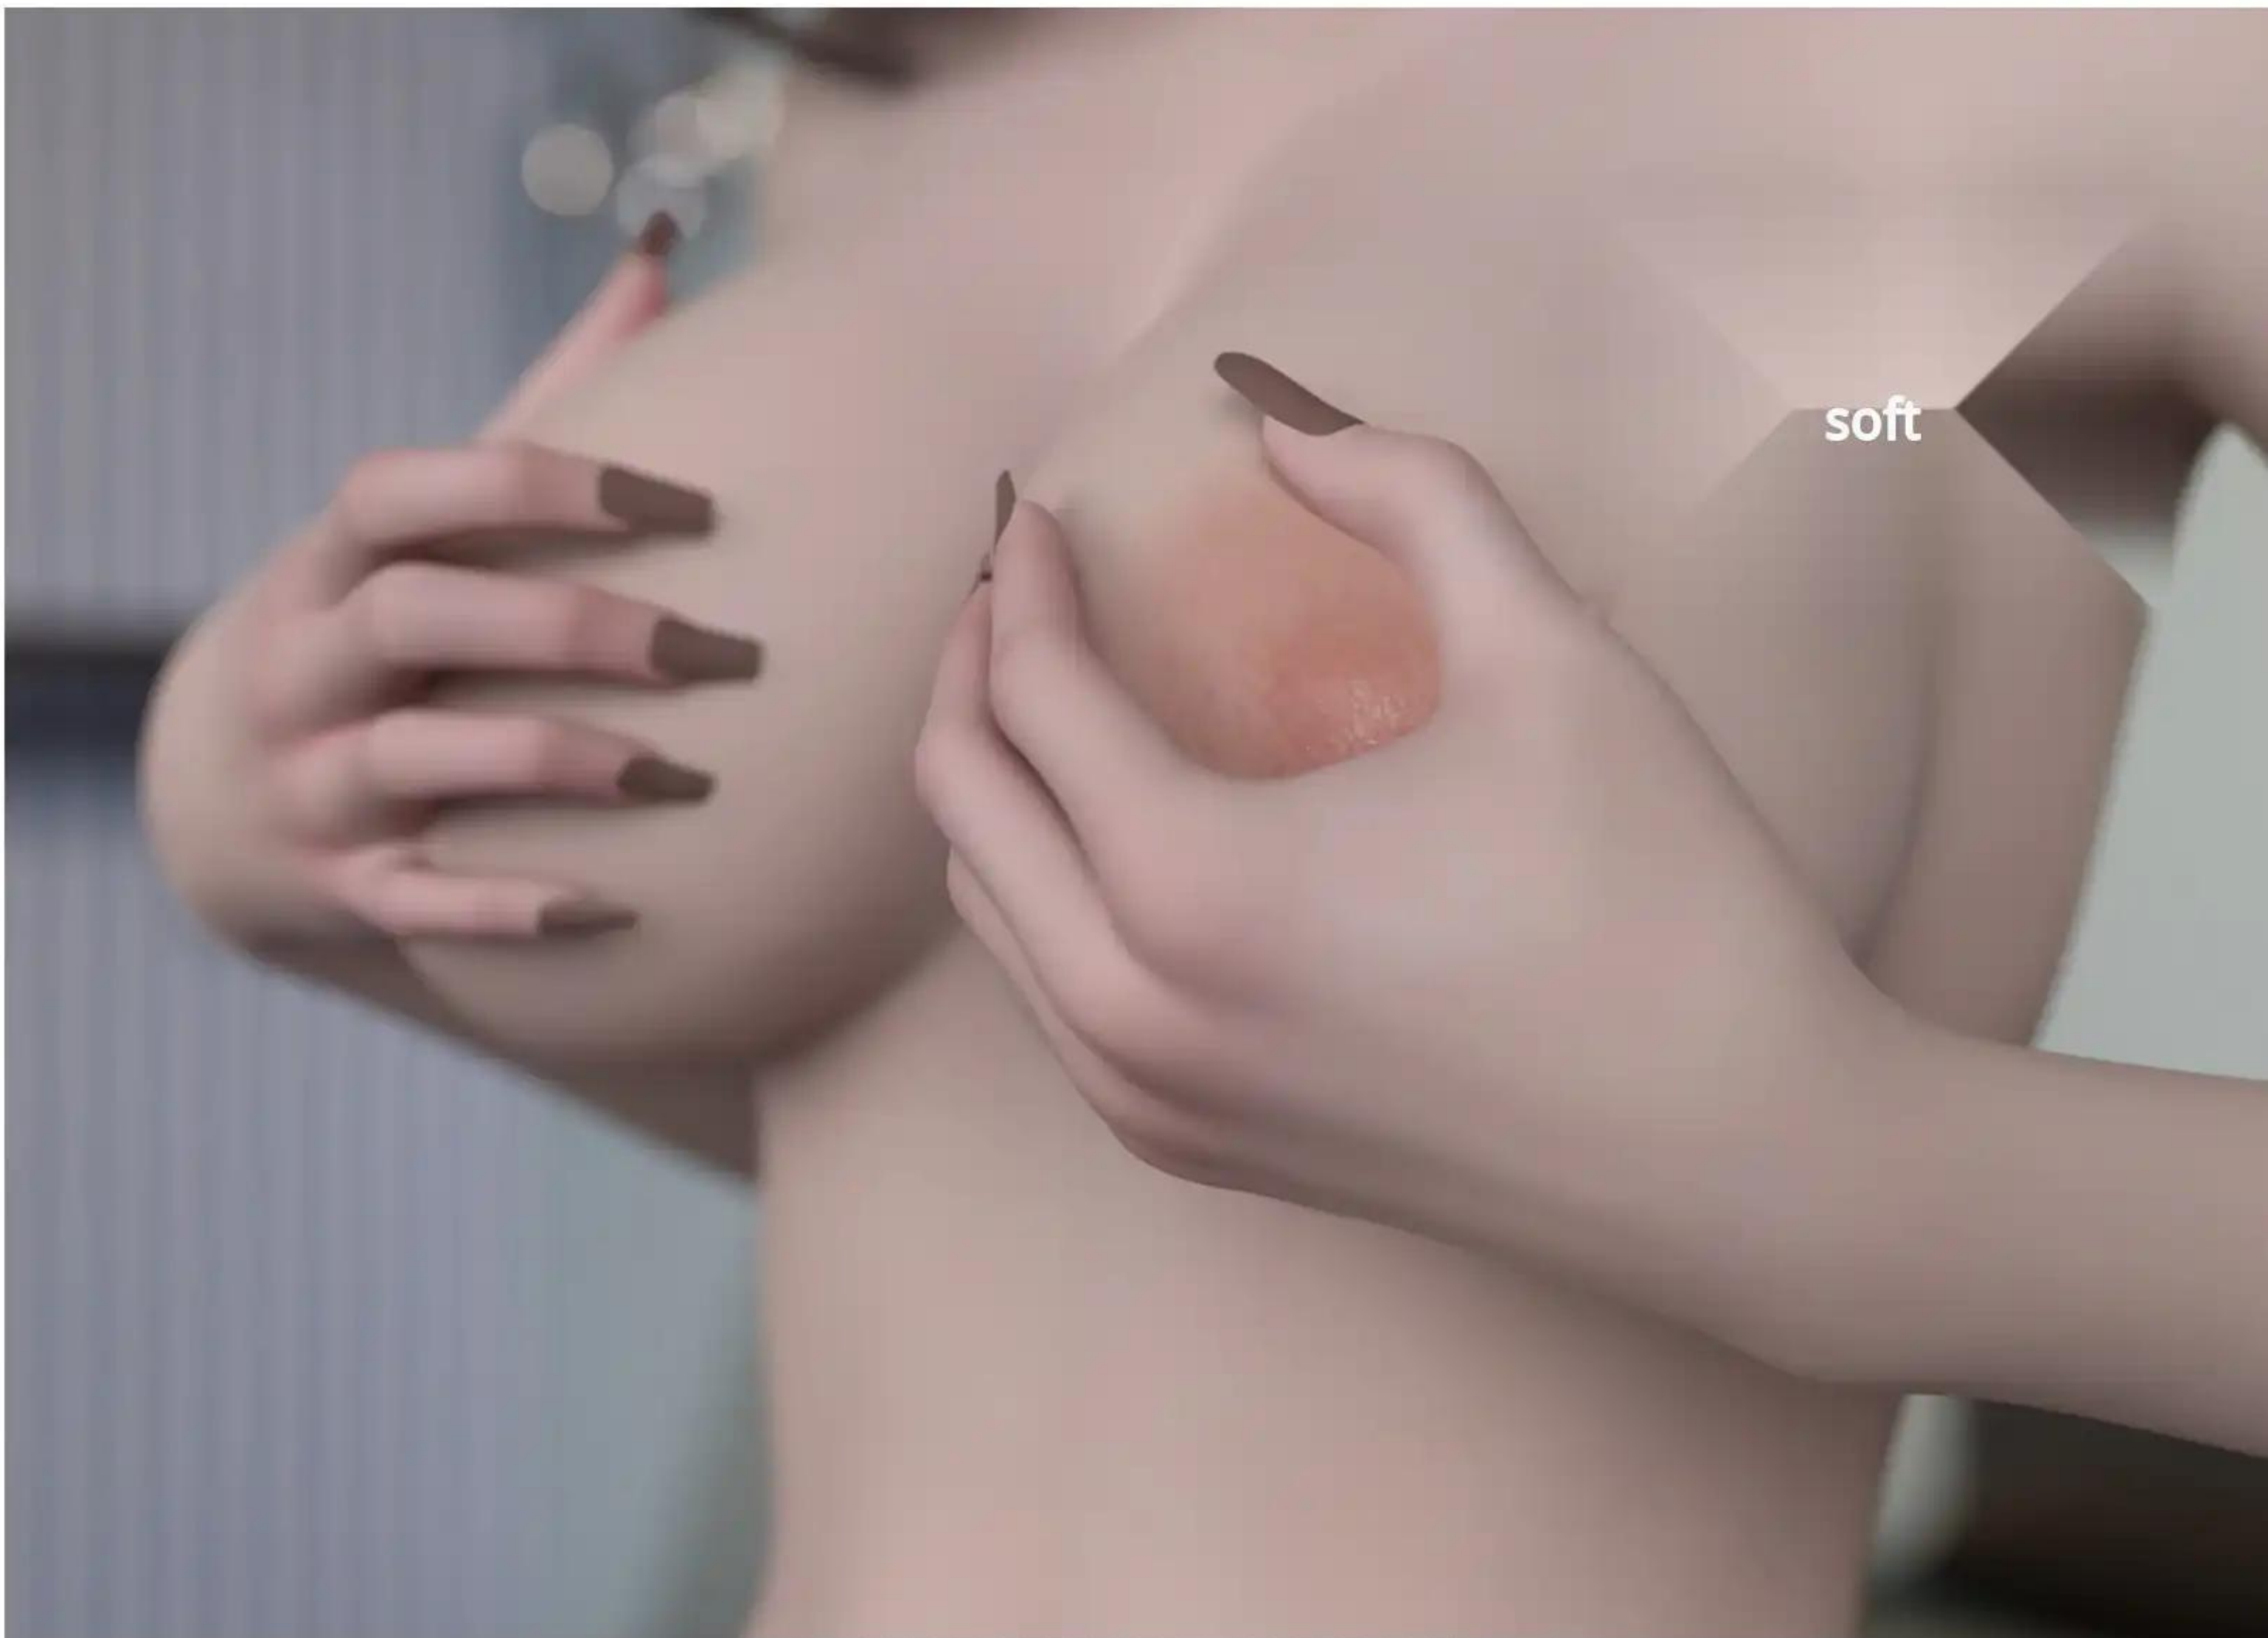

Zhang
Da

It feels like my nipples
are about to stand up, it's
amazing! Oh oh oh! The leather
straps on the chest are up!
Breasts are slowly returning to
their original elasticity

Little sister,
please let me touch
your breasts... ahh...
how can I hold back
looking at these big
breasts?

**But those white and soft
big breasts are still very
exciting to rub! Ha ha ha ha! It's
so cool to be able to touch your
breasts so unscrupulously! Hey hey
hey! Although I have known for a
long time that the young
lady's bust is proud**

A close-up photograph of a woman with dark hair styled in a bun, sitting in a white bathtub. She has her eyes closed and her mouth wide open in a yawn or a gasp. Her hands are near her face, with one hand resting on her chin and the other near her ear. The background is softly blurred, showing the interior of the bathroom with warm lighting. A speech bubble is positioned in the upper left corner of the image.

Let me take a look...
This should all be aligned,
right? Mom is still waiting for
me outside. What if I catch a
cold? Oh, I don't have time
to think too hard.

**It makes me
feel happy to hear
it! Hee hee hee, what
a sweet laugh, and the
voice has become
softer, um~ it's done!
The little sister's face
is so nice to touch,**

Otherwise, he will definitely make fun of him again! It's really nondescript. Fortunately, Lao Shao didn't see it... What the hell does this look like? Ha ha ha ha

ST

**No matter what, you
can't show off and dangle
your dick in front of your
mother. Okay, quickly put
on your lower body
as well.**

She is truly my beautiful witch mother! Like two big steamed buns, hehe, my little sister's butt is white, tender and plump, but in comparison, my mother's butt is more uptuned.

My cock accidentally tilted up again! You have to get your cock in quickly! But I don't have time to stroke my hair again now, ah~ It's annoying! When I think of my mother's sexy figure,

But it feels so comfortable that it feels like masturbating...ah, it feels so good. It's obvious that I just moved my cock a little bit...my cock is pressed so tightly by the leather sheath. ..

Adjustment

The pleasure
keeps flowing from the
lower body, it's so exciting!
Oh oh oh...I'm in! The cock
was eaten by the pussy

Skin piercing is as exciting as ever, hahaha! Phew...the pleasure of my cock being covered by my pussy was so intense that I almost ejaculated.

DLEARVAB

Hum hum, now I am also a sexy little beauty! But now I'd better let mom enjoy my good skills. Although I really want to spend more time exploring my little sister's body.

A photograph of a woman with long black hair lying on her side on a light-colored sofa. She is unclothed. A speech bubble is positioned above her head, containing text. The background shows a window with a view of buildings.

**It's nerve-wracking...
could you really be scared
away by me? Do you want to
ask Lao Zhou to go and see
what's going on? Hasn't it been
too long for the young lady
to go to the toilet?**

scratch
itching

Don't worry, I'll make up the hours for you later! Changing clothes took some time. Miss He, I'm sorry to keep you waiting! I wasn't feeling well just now

Oh, it's okay!
The clothes you're
wearing... look
pretty good!

Wow, the lady didn't
dress so hot before, did
she? Otherwise, I would
definitely be restless again
now! Fortunately, I had
already stuffed my cock
back in

**This is also part of
our beauty experience!
Of course I have to dress
up well, hahaha, in order
to serve beautiful guests
like Miss He**

**After all, this one
looks better than what the
little sister originally wore...
Mom shouldn't be suspicious,
right? Hmm...I accidentally put
on the sexy pajamas I had
hidden earlier.**

**There are no pores at all, which is really enviable!
Next, we have to perform
shoulder and neck pressure
massage. Well, Ms. He's
skin is so delicate.**

**The young lady has
such a sweet mouth...
Ouch... It's so
comfortable here!**

The young lady's expression seems to have become too cheerful. Well... every time I click on the spot, the young lady's skill is really extraordinary compared to just now, but... there seems to be a sense of violation somewhere,

Haha

Haha

It seemed to be that it was sliding across my sensitive zone. Hiss... And the way the young lady's hands started to act was like an obscene uncle eating tofu. Could it be?

It would be great if I could switch bodies with you! It's not like me who is already old and yellow. Oops~ If you take a closer look like this, you can see that this young lady has a top-notch figure and good looks. I'm so envious of girls who are still in their prime.

How, how could it be! ? Mom...Miss He! Even though I am pregnant, I am still as beautiful as a fairy. How can I compare to her? Miss He, who has an angelic face and a devilish body, please never say such things!

Who would come to me, an old woman? If you don't believe it, ask my lusty, stupid son? Haha, as the saying goes, youth is your capital! If there are young girls to choose from

hold tight

[top](#)

Did I hear it wrong? Mom actually called me stupid and lustful? Is she angry with me...? What's pushing me...wait, this is...how could this happen?

And...how did you know that I am Zhou Ming? You are...Lao Shao! When did it start? Didn't mom come back from the beginning? You, you are not my mother!

Hey hey, what do you think, Old Zhou? Are you trying to trick me by wearing skin? You are a hundred years too early! Don't even think about who taught you this trick? Go ahead and dream!

Who asked you to talk
about your mother all day long?
See how I can take care of you for
your mother! I didn't expect you to
be so evil-minded, you old Zhou.
I just wanted to relax.

suppress

Let me see...what kind of slutty clothes are you wearing? You're a masseur, is that cool? Take it off for me!

tear off

Hey! Wait a minute, don't take it off!

Lao Shao...
Just wait. I'm not
ready yet... Listen
to me! This young
lady is innocent!

insert

Be patient, I'm
going in now!
Hahahaha who
cares about
you!

Yeahhhhhh!

It was indeed as exciting as I remembered! So happy! Hahaha! I didn't expect that after my cock was recovered, there would be someone immediately wearing it and waiting to be fucked by me, oh oh oh! I don't know how long ago it was the last time I used my dick.

bang bang
bang bang
bang

啊啊啊啊、啊啊啊啊

Ahhhhh it's too deep! You, please move softly! The child will be dizzy by you! Don't keep pushing for death,

But let the situation become like this... falling into Lao Shao's trap so casually! I obviously just want to reunite with my mother... I'm so stupid

Haa,
haaa

don't
want! Stop!
Damn it!

Bang
bang bang
bang
bang!

Mom... I miss
you so much...
When will you
come back?

Are you so happy that you have forgotten all about your mother? In fact, you feel very comfortable too, right? Hee hee hee, be careful to make your voice hoarse! Even though he said no, the screams never stopped! Shouting so loudly,

Haa,
haaa

**Nonsense...I
don't
feel
comfortable.**

**I almost couldn't
hold it anymore... The
long-lost pleasure in the
female pussy made my head
dizzy, ahhhhh, I can't stand it
anymore... Every thrust was
so deep that my pussy
was stretched open.**

No?
Isn't this
comfortable
enough?

搔

bang
bang bang
bang
bang

Lao Shao, please be gentle,
your pussy is getting more and more
sensitive... Oh, it makes me so happy...
It's so illegal to grab your breasts and
fuck them hard like this! Yeahhhhhh!
I know, I know!

The pleasure of being violated turns out to be so nostalgic... My lower body felt numb, as if there was a stream of heat flowing around. I remembered... this long-lost feeling of being out of control. The thick and hard cock filled the pussy until the inside and outside were filled with juice.

Snap, snap,
snap

People want to be
conquered by a big
cock I really want to be
fucked hard... Yes, this is the
place! Use your big cock to
turn me over! I don't want
to care about anything!
My cunt is so hot

Ah hiss...why are you clamping so tightly all of a sudden? It's so wet, hot and comfortable! What's the matter, Lao Zhou? Are you about to climax now? I can feel my cunt sucking the cock hard

Haah,
haah,
haah

But my body is extremely sensitive now. This pleasure is simply more exciting than 3P! The cock was clamped between the pregnant woman's pussy and rubbed violently... Although I wanted to continue to teach Lao Zhou a lesson, every thrust was like having sex with two women at the same time.

It feels so good... Oh
oh... Who allowed you to
keep shrinking your pussy?
What a hopeless slut! Is your
cunt ready to catch my cum?
Okay, I'll make it happen
for you right now.

Oh oh
oh, all of
it came
inside!

ejaculation

No,
ah, ah,
ah!

I don't know how
to pity the beauty and
cherish the jade at all.
Ming-ming-ming... my legs
are so soft from the flesh!
This bastard Lao Shao is too
rough. How could he be like
this... He was so violently
violated that he even
ejaculated inside?

tremble

Ah... I'm so bad... It seems like something is leaking down... The lower body keeps shaking... Guan is disgusted in his heart.. but his pussy is still eager to be penetrated.

I said, Lao Zhou, you are too irresponsible, right? I want to play it a few more times! ? No way? I actually fell asleep after feeling so good!

**How about it?
Didn't you feel that
you enjoyed having me
come just now? Oops,
don't put on such a dead
face! Being your mother
is actually pretty cool,
right? Ha ha ha ha!**

Stop gloating over your misfortune, I'm not done with you yet! I will definitely settle this account with you. How dare you lie to me about my mother?

Hey, stop nagging! Lao Zhou, look here!

Hee hee hee! You see, I put my cock back, is it convenient? Insert it hard into your mother's mature pussy! Now I have become your favorite sexy mother again! My good son, take out your big cock

kitchen

It's almost time, I'm going to take a taste of the taste in my memory! I am so talented! I can perfectly replicate my aunt's specialty dish. How is this soup stewed? Yeah, it's so fragrant.

I didn't expect that my impromptu prank was so fun. It felt so good to be able to take out my cock and play with it at will! Now I can masturbate everywhere again like before! Ha ha ha ha! He actually lost his cock and found it again

wobbly

I seem to have drank too much during today's social gathering... Can you serve me a bowl of hot soup? Wife...I, I'm back...I feel dizzy.

..

A woman with dark hair, wearing a light grey, ruffled, halter-neck dress, stands in a modern kitchen. She is holding a large metal ladle with a black handle. The kitchen has dark wood cabinets and a white countertop. In the background, there are framed abstract art pieces and a window showing a cityscape at night. A speech bubble is positioned above her head, and another one is at the bottom right of the image.

? Husband, you are home so soon. I will bring it to you in a moment! Okay, okay, you go and sit there first, I just cooked your favorite garlic chicken soup.

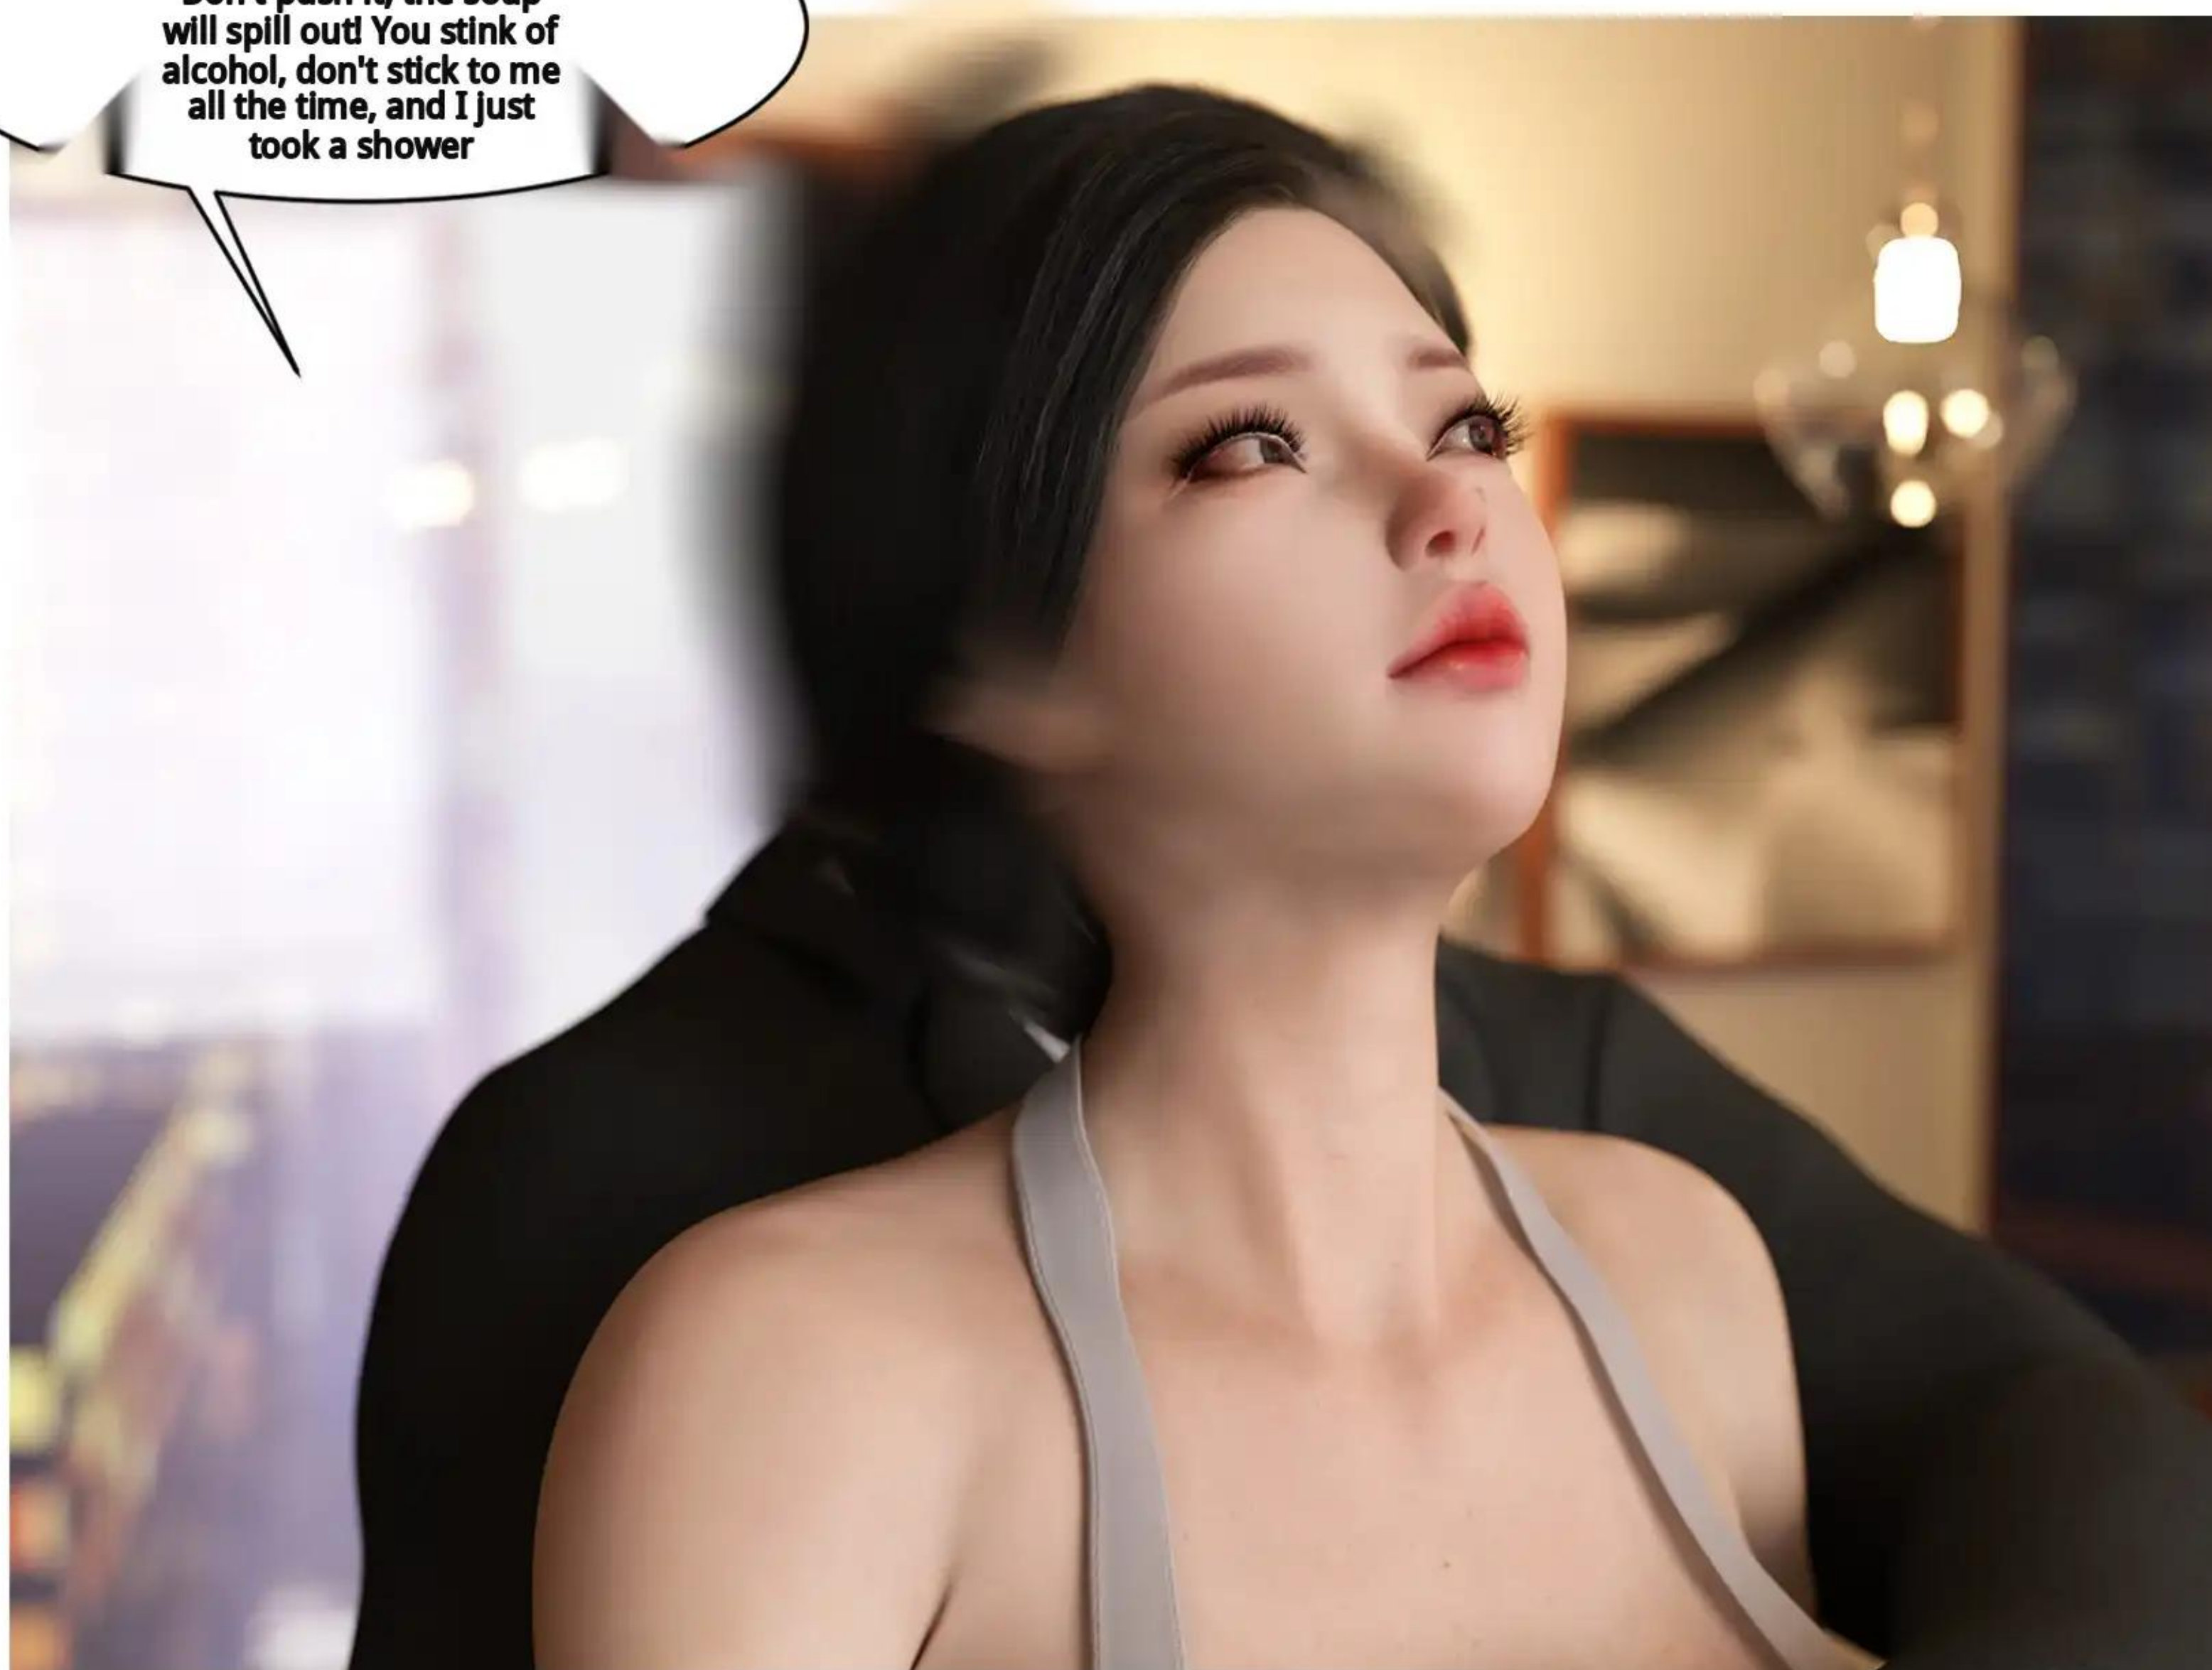

Fortunately, I wasn't discovered. I was so scared that I broke out in a cold sweat... Oh my god! Why did this old man come in so silently?

Are you wearing it just for me? Hey hey hey, then I want to touch a few of them without any courtesy! My wife is dressed so sexy today

clinging

**Go as you go!
Don't push it, the soup
will spill out! You stink of
alcohol, don't stick to me
all the time, and I just
took a shower**

**Then find an
opportunity to put
the cock back... That's
good, that's it... stall
for time first**

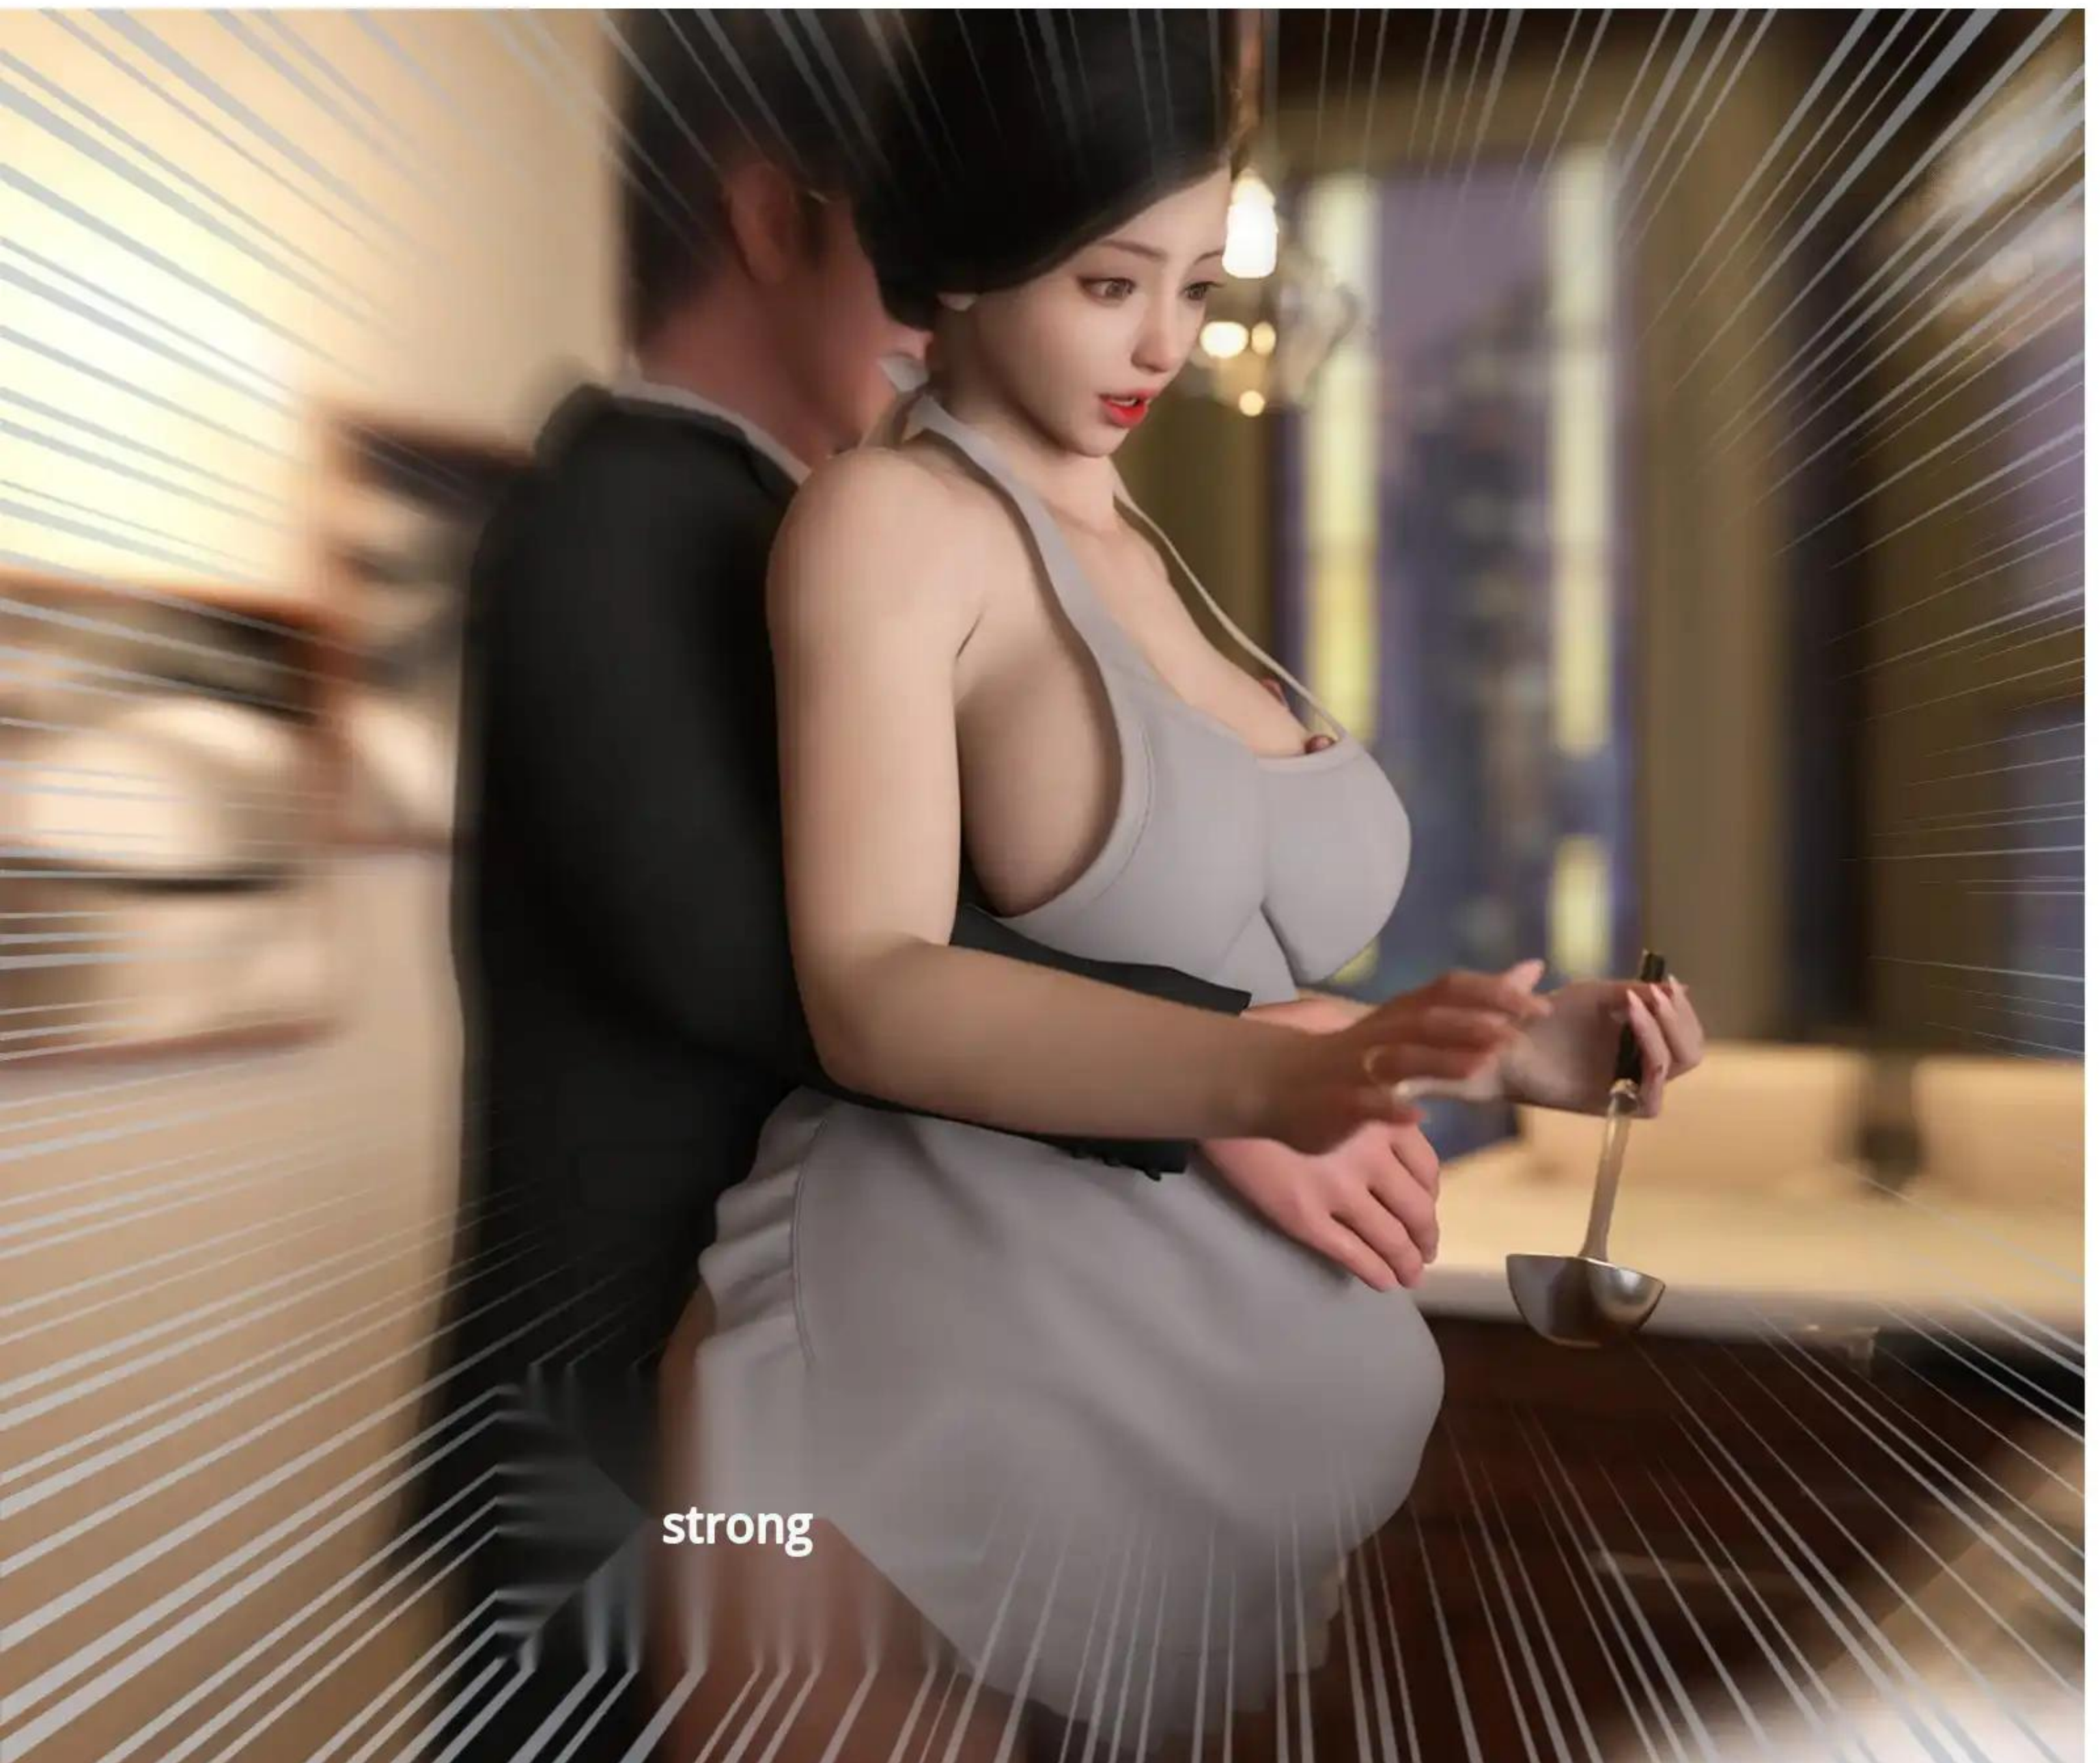

Oh, my good wife,
don't always be so cold!
Should I be rewarded? Come
on, let me rub your breasts.
After all, I only drink and
socialize because of this
family.

**Big rub,
special
rub**

If this continues, it will get excited. This old man usually acts like a shrunken turtle, but after drinking, he becomes bolder and actually rubs and squeezes her in ...no, such an obscene way.

This way the cock will be exposed immediately! what to do? Looking for an excuse to run away? Damn it, I didn't even have time to hide my cock, and now this perverted old man got me out of control again.

strong

Hehehe, I am so happy! I must have grown several cup sizes during this pregnancy, right? Hmm... my wife's breasts feel too full.

take
off

Hey, wait a minute!
What kind of pants are
you taking off? I'm warning
you not to mess around!
Whatever you want to do,
you have to wait until you
enter the room. This is
the kitchen.

Just one time is enough, let's start right here! I, I really can't stand it any longer! I'm begging you. When I came home from get off work and saw my wife dressed so hot, wife... no matter what, I am still a man.

My little brother is also ready to take action! Oh oh oh! My wife's plump buttocks are exposed! It's such a touching sight. Once the apron is lifted, you can see her round and plump buttocks.

fold
open

I'm about to go in...? Why can't it be inserted? Wife, relax your butt.

top

They are not ready yet!
Yeahhhhh!
Don't, don't say no!

**Fucking perverted
old man! If your
premature ejaculation
cock doesn't show off,
you'll just treat me like a
sick cat, right? It's hitting
my cock! I told you to
wait a moment**

Clamp

Oh oh oh!
My cock was
eaten by my
wife's ass!

If you hold your dick like this, how can I insert it? It can actually cover my entire cock... It's really a big ass like my wife's and it feels pretty good... It's just my wife.

**Who said I want you
to insert it? Isn't this how
sperms rush into the brain?
Humph, stop talking to yourself
over there! You impatient old
pervert, my dinner is only
half cooked.**

Sure enough, the upper beam is not straight and the lower beam is crooked! As a father, you behave like this all day long. I must punish you well. Don't cum too soon! No wonder my son grew up like that coward

twist

The contrast between swearing and twisting your waist is so erotic! Oh, it feels so good... My cock is clamped so tightly by my buttocks. Although my wife scolded me fiercely, my butt kept shaking.

My wife, who is usually serious and dignified, is now obedient and her cock is getting more and more sensitive... Thinking of this makes me so excited... Oh, it feels so good... What a white, tender, round and beautiful butt! Lift your ass and let my cock rub against it

Poof,
poof

Ah hiss...I
can't stand it
anymore...I'm
going to cum!

ejaculation

After you lick it
hard, do you want a
second round? ah? Cum
so quickly? How long has
it been? Hehe, otherwise
I will help you lick
your dick now,

Go take a shower first...
Hehehe... This...
I'm a little dizzy...
I'll go first

It's better to leave before you get scolded!
No, my wife gets angry every time I ejaculate too early.

In the end, he only cared about himself! Did you say it's not too much? Let's just ignore dad's premature ejaculation guy from now on, okay? I'm serving your father at the risk of being discovered. Oh, my little baby, it's up to you to judge.

Otherwise, I really don't know what to do in this situation! But... this time, I was really lucky that Lao Zhou's father had premature ejaculation.

I will definitely let you pay back tenfold later! Hahaha! Humph, after all, people still have to rely on themselves! Old man, please wait for me

To be continued
