

bedroom

It's most comfortable to take a hot shower after drinking wine! Haha~ my whole body is relaxed

The thought suddenly made me a little excited again! I seem to be getting more and more slutty. She even used her big ass to clamp my cock until I ejaculated in the kitchen... Hehehe, by the way, my wife's belly is getting bigger and bigger.

A man with a muscular physique is standing in a dimly lit room, wearing a grey towel around his waist. A woman with dark hair is blindfolding him with her hands. The man has a questioning expression on his face. The scene is set in a room with a dark background and a glass vase on a table to the right.

live
in
darkness

Wrong delivery?
Why can't I see my
wife all of a sudden?
is it you?

Go and lie down on the bed, my dear~ Hee hee, who else could it be if it wasn't your wife? Now it's my turn to have some fun! I just let you have so much fun in the kitchen,

I...I'm afraid of the dark...Please help me take the things off my eyes first, please? Oh, my good wife...I will listen to you whatever you want.

Do you want to be stepped on harder? Why is this useless cock still so limp? Stop talking nonsense there! Being rubbed by my wife's beautiful legs like this

Ooooooh!

I'm just too tired from work and need to take a rest. Ah, ah, honey, please be gentle. If you keep stepping on it so hard, your dick will be broken. ...

Do you like
being treated
roughly so much? As
he said this, his cock
became harder and
harder the more he
stepped on it,
haha,

rub

Then I will help you! If you ejaculate prematurely again this time, I won't forgive you! Since my husband likes stockings and footjobs so much,

If you want to cum...
you have to wait until I'm
done feeling good before
cumming! Hee hee hee!

take
out

Now look at this couple.
Hey, you perverted old man
must not have imagined that
there is a male high school student
secretly playing with a cock in front
of you, right? The way I want you
around is really worth the price of
admission! It was so profitable to
wear Lao Zhou's skin. Originally, I
was worried about the physical
inconvenience of pregnant
women.

My cock immediately became so sensitive again...I wanted to cum again...My wife's silk feet were so tender...so comfortable...

no! Who said
you can ejaculate? If
you cum now, you
won't be allowed to
touch me for this
month! Bear
with me!

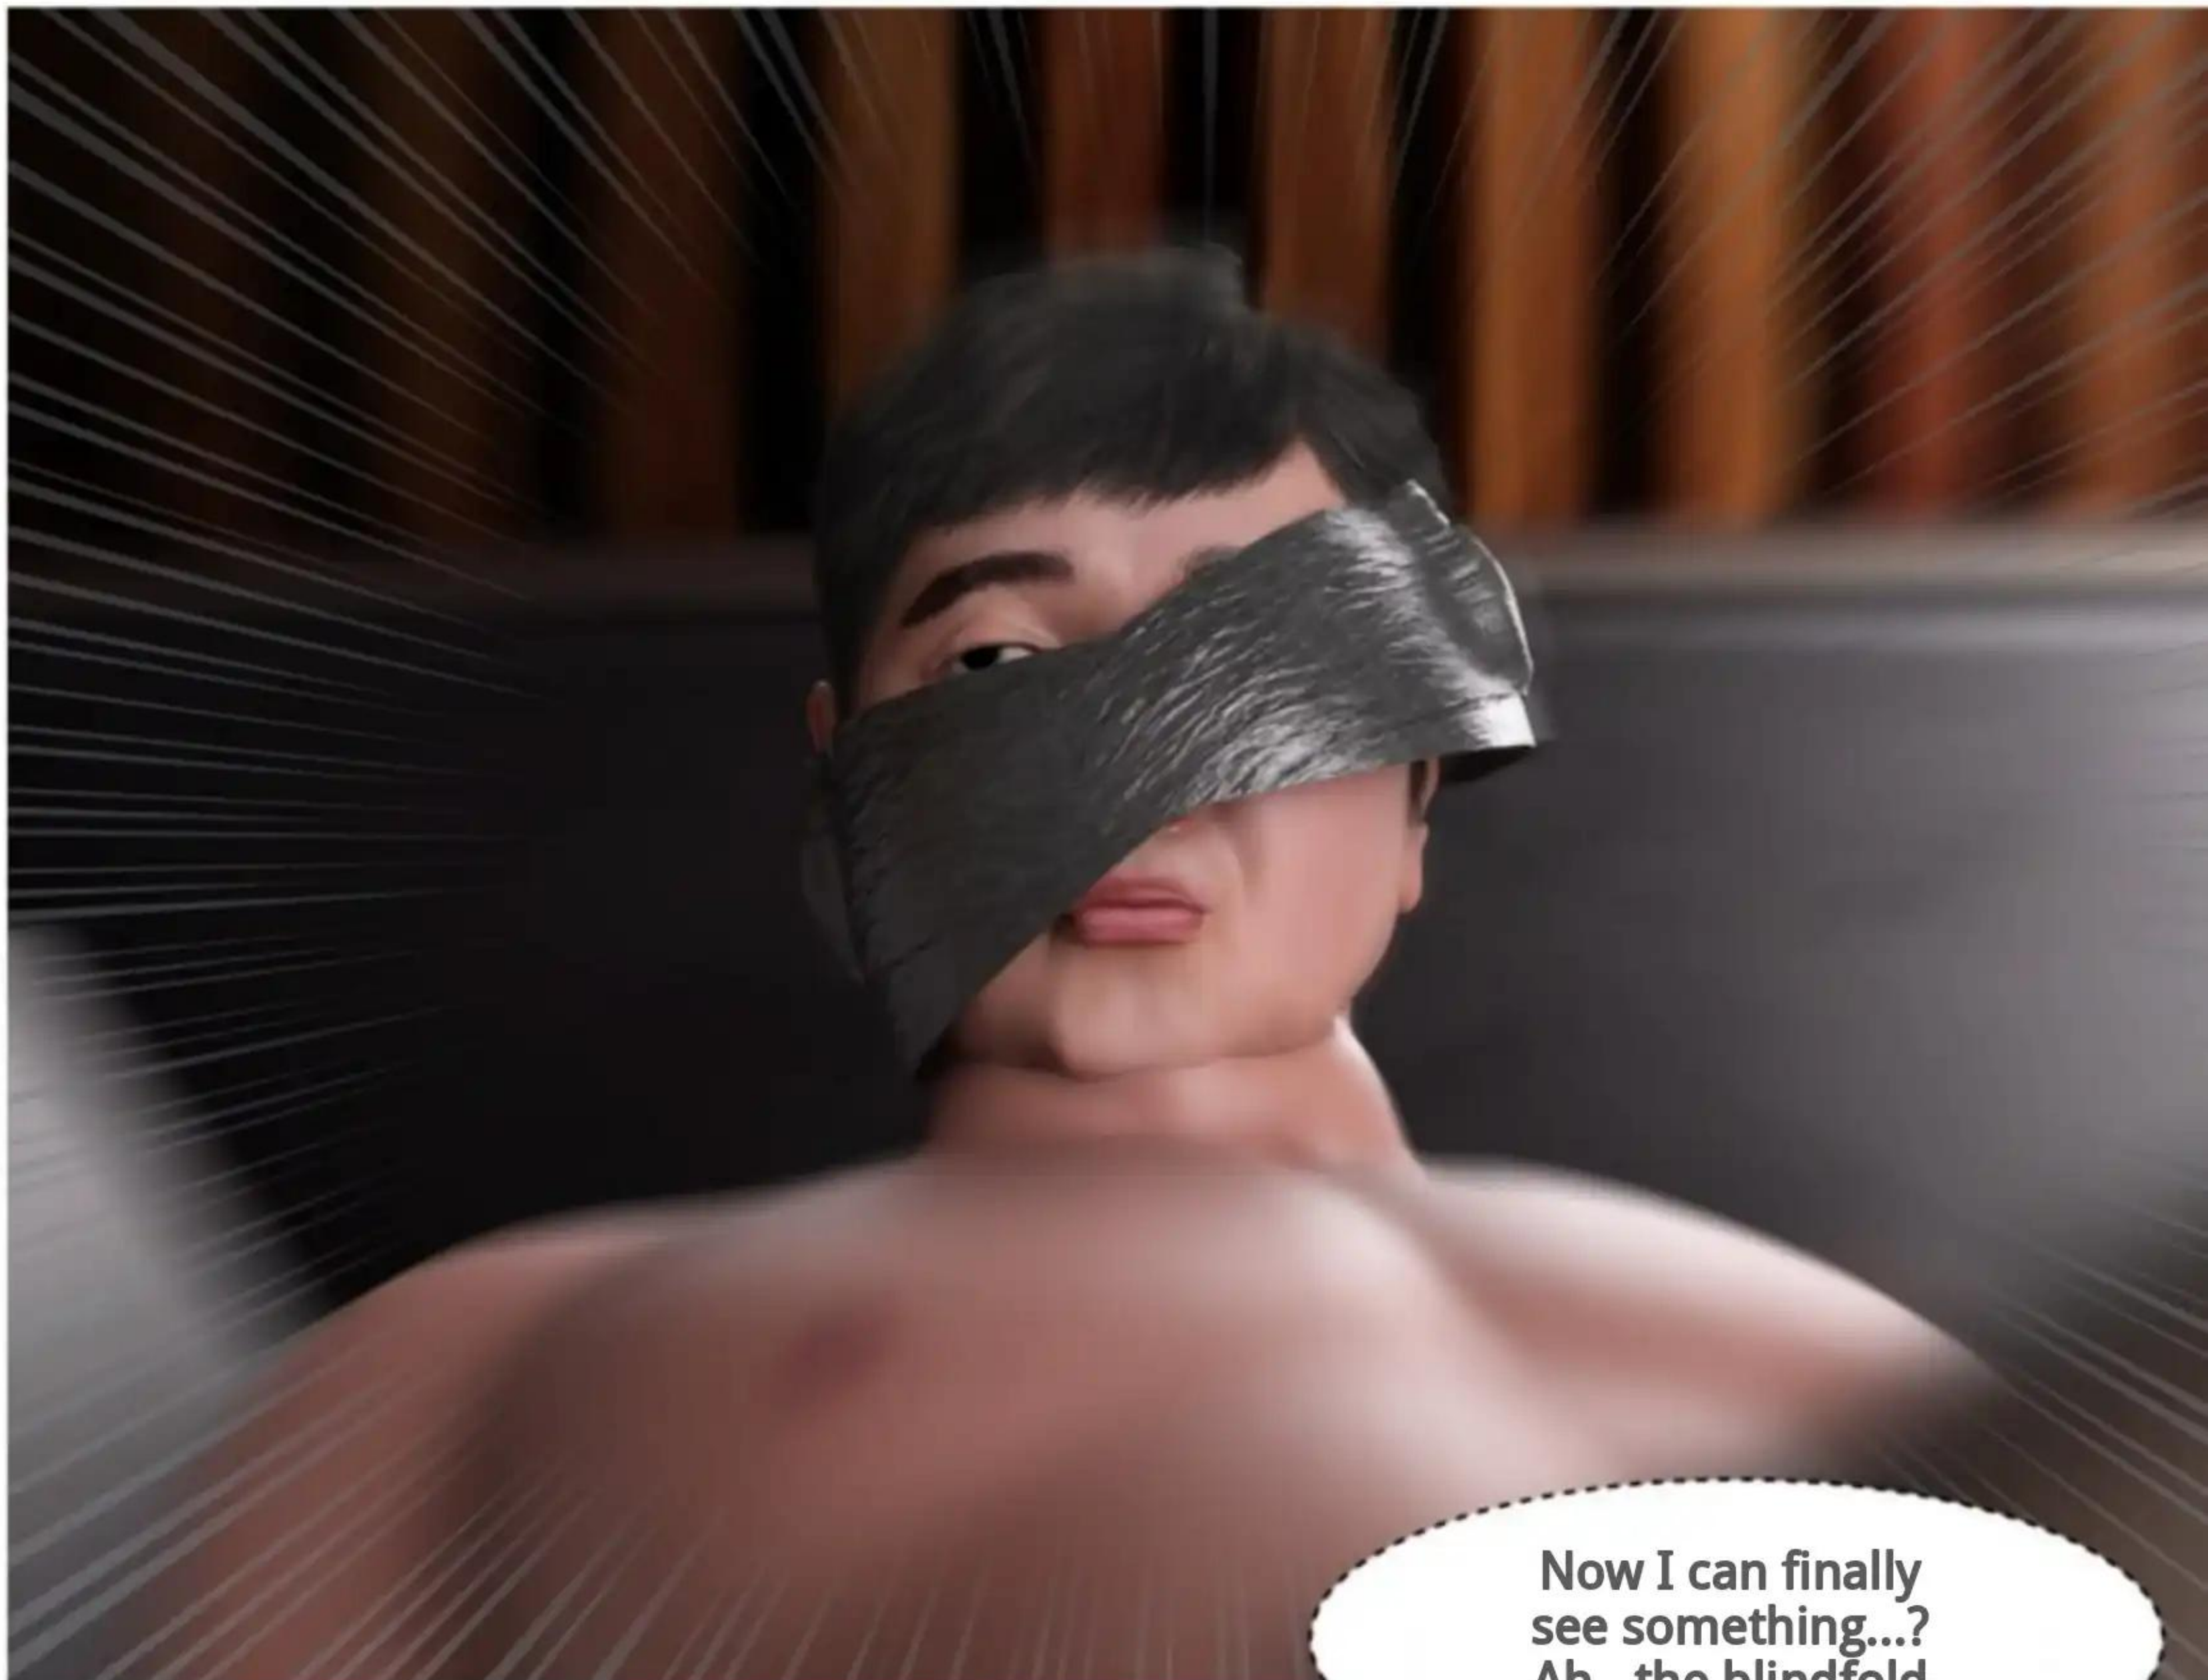

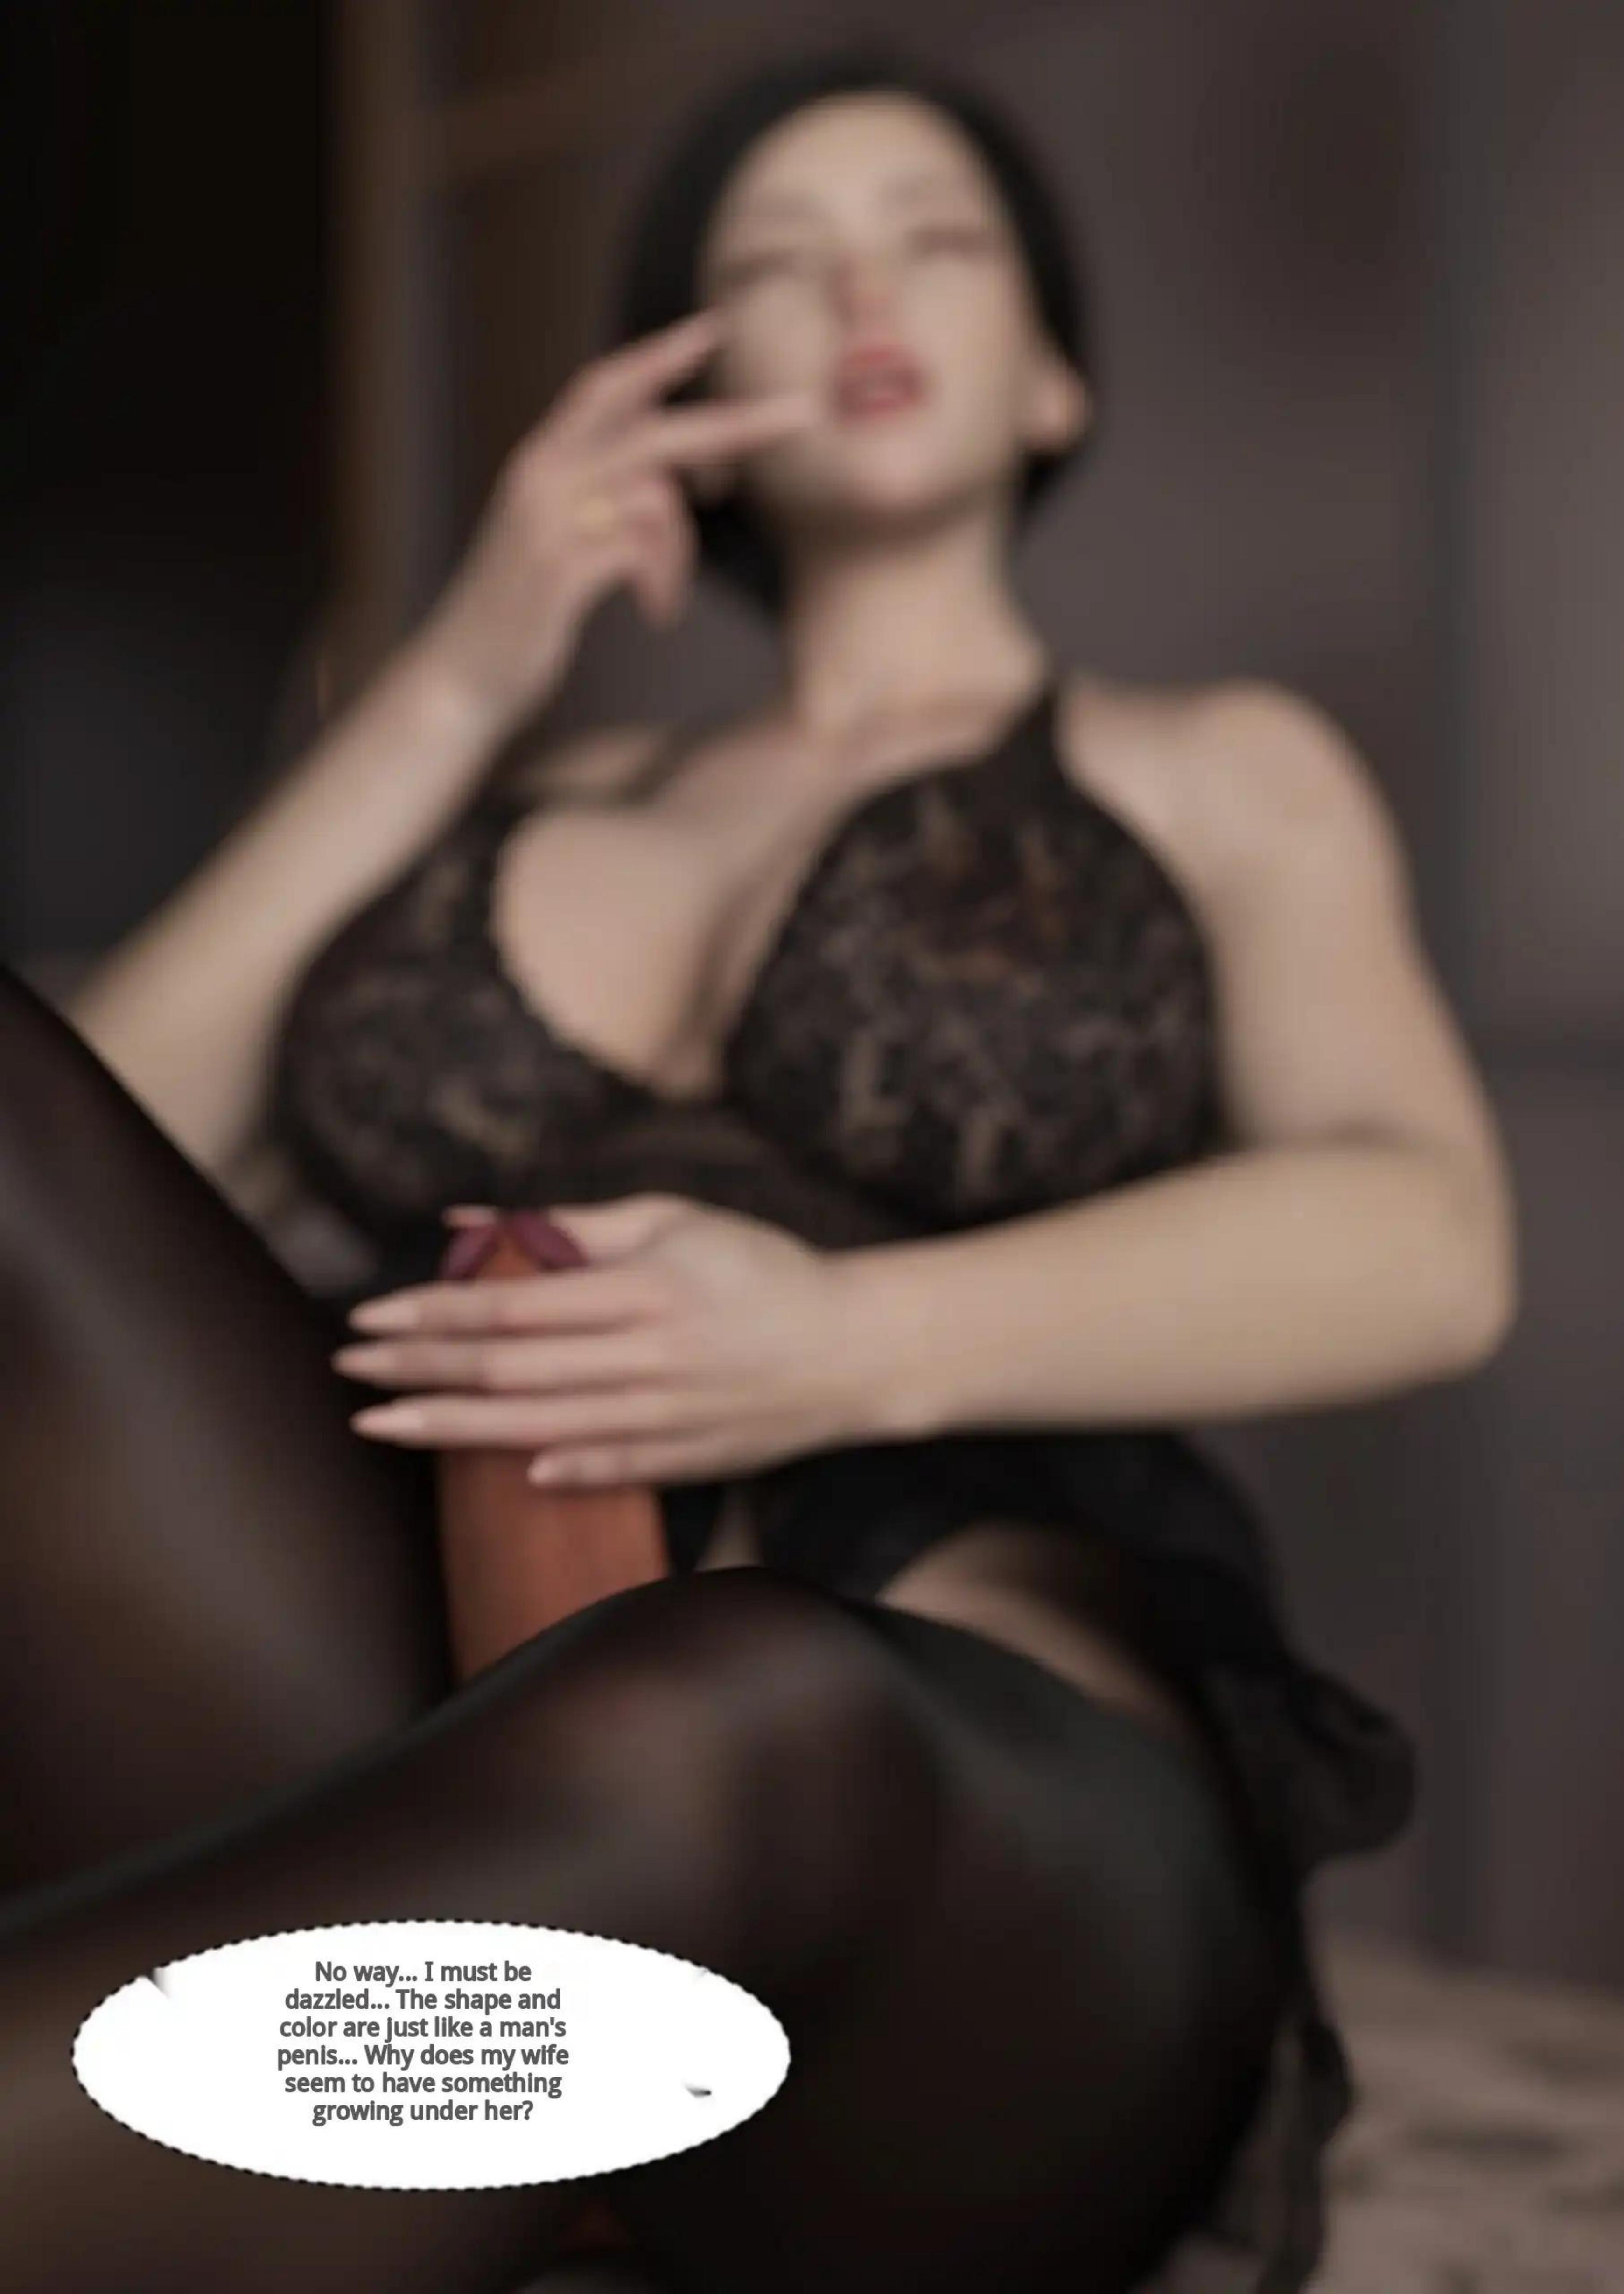

Uh-huh...uh-huh

Hā ha ha ha! It made me laugh! Why don't you just shoot it in his face later? Hahaha! Old Zhou, Old Zhou, you really should come and see what kind of character your father is now. He is so pitiful that he is exactly the same as you.

Uh-oh...please, my wife. My cock is too sensitive from the stockings. Please let me cum!

Now I can finally see something...? Ah...the blindfold came loose.

A woman with long dark hair is sitting on a wooden chair. She is wearing a black lace top and black stockings. Her right hand is raised to her face, with her index finger pointing towards her eye. Her left hand is resting on her lap. The background is a plain, light-colored wall. A white thought bubble with a scalloped edge is overlaid on the bottom left of the image, containing text.

No way... I must be dazed... The shape and color are just like a man's penis... Why does my wife seem to have something growing under her?

Where are you looking,
dear? It seems that having your
dick stepped on is not enough, so
you need to increase the force!
You're still not paying attention
at this time

Oh, oh,
oh, oh, oh,
oh, oh!!

So sensitive... I can't stop feeling pleasure... Ahh... the smell of my wife's silky feet... my cock has been being touched repeatedly by my wife's feet. It's so good that I can't think of anything else... This is fine.

next
morning

wake
up with
a start

Is it morning
already?
Waaaah! I told
you to stop
poking my
asshole..Hello?

Um? Why are you still in bed? If you delay any longer, you will be late! Don't forget that you have to accompany me for a prenatal check-up today.

A close-up shot of a hand reaching out to touch the hem of a black, textured skirt. The hand is positioned on the left side of the frame, and the skirt is on the right. The background is dark and out of focus.

Let me first confirm what you are hiding here... Everything else is fine... Wife...

touch

A close-up of a man's face. He has a wide-eyed, open-mouthed expression of shock or disbelief. He is looking slightly to the right. The background is dark with some vertical lines, possibly curtains.

...Nothing...so was it just a dream? Also...how could my wife have that thing growing on her lower body?

Are you still awake?
Don't touch it! How can
anything be hidden here?
Now is not the time to ask
for treasures, why don't
you go get dressed!

Don't
hit me! I
just...I...

never
mind,

This will definitely
get scolded by my wife
again. I can't tell my wife
that I saw her
masturbating with a
penis last night, right?
I'd better shut up.

Father and son are like a pair of treasures... Go wake yourself up and get ready to go out! Okay, okay, no need to explain, I still have to wake Zhou Ming up! Oh, I'm so exhausted,

My wife is still
the same wife! It's
just...last night's dream
was really realistic. I felt
relieved when I heard
this impatient tone.

gynecology
clinic

Did your mother choose well? You must be as excited as mom, right? No wonder the online reviews are so high! My good son, um~ the decoration style of this clinic is really nice

Why do you have to bring me here? I don't want to watch you show off your affection all day long during this rare holiday! So excited! Just ask dad to accompany you to your prenatal check-up.

Damn it... I really want to find someone to give him a good scolding. You are clearly the culprit of my mother's pregnant belly! Damn old Shao, stop making sarcastic comments.

Please give him some advice! Husband, what your son said! How old are you to have such a lack of empathy? If he continues like this, no girl will like him.

A man with short black hair and glasses, wearing a white shirt and a dark suit jacket, is looking towards a woman. The woman has her hair pulled back and is wearing a black sleeveless dress with a patterned design. They are standing close together in what appears to be an indoor setting with a blurred background.

A mature man must know how to understand a woman's hard work. You must be more considerate of your mother, do you know? Ahem...Zhou Ming, it wasn't easy for your mother when she gave birth to you and your sister.

Don't talk nonsense
all the time, or else I'll put
you back one day! Hahaha!
From now on, you will do
whatever I tell you to do, do
you hear me? Don't forget
that you also popped out
of my belly

Hello! Is Ms. He who made an appointment for the 30th week prenatal check-up today available? Please come to the front desk with your manual and ID to check in!

It's my type!
The nurse
sister at the
counter is so
cute! Yo, I just
discovered,

If you need ID, you
can get mine! I am Ms.
He's son, hehe! Hello,
little sister,

Please don't be offended, haha! My adolescent son gets stupid when he sees a pretty girl. I'm so sorry, nurse.

Madam, you are so funny, how can I compare to a beauty like you? This guy also has handsome features and really has good genes! Hee hee, please call me Xiaoyun.

Ah...the
little
sister's
smile is so
sweet.

beating
heart

But I still feel very
comfortable after
listening to it...even
though I know that
what she said was
just polite.

It's really uncomfortable to act like a pig brother. Ugh...looking at his mother's expression...Looking at Lao Shao's expression...doesn't he also care about the naughty nurse sister?

He
Manhua...Ms.
He?

You must be Ms. He,
right? Please go inside with me
first and let's do a basic check!
Hello, I am the director of this
maternity center. Just give the
registration information of
Wang to Xiaoyun.

It seems like this opportunity is going to be given to you! I also want to deepen my relationship with the young lady. Hey, it's my turn so soon?

Go, go, go, hurry up and finish the check so I can go home quickly! Bah, who thinks as much as you do all day long?

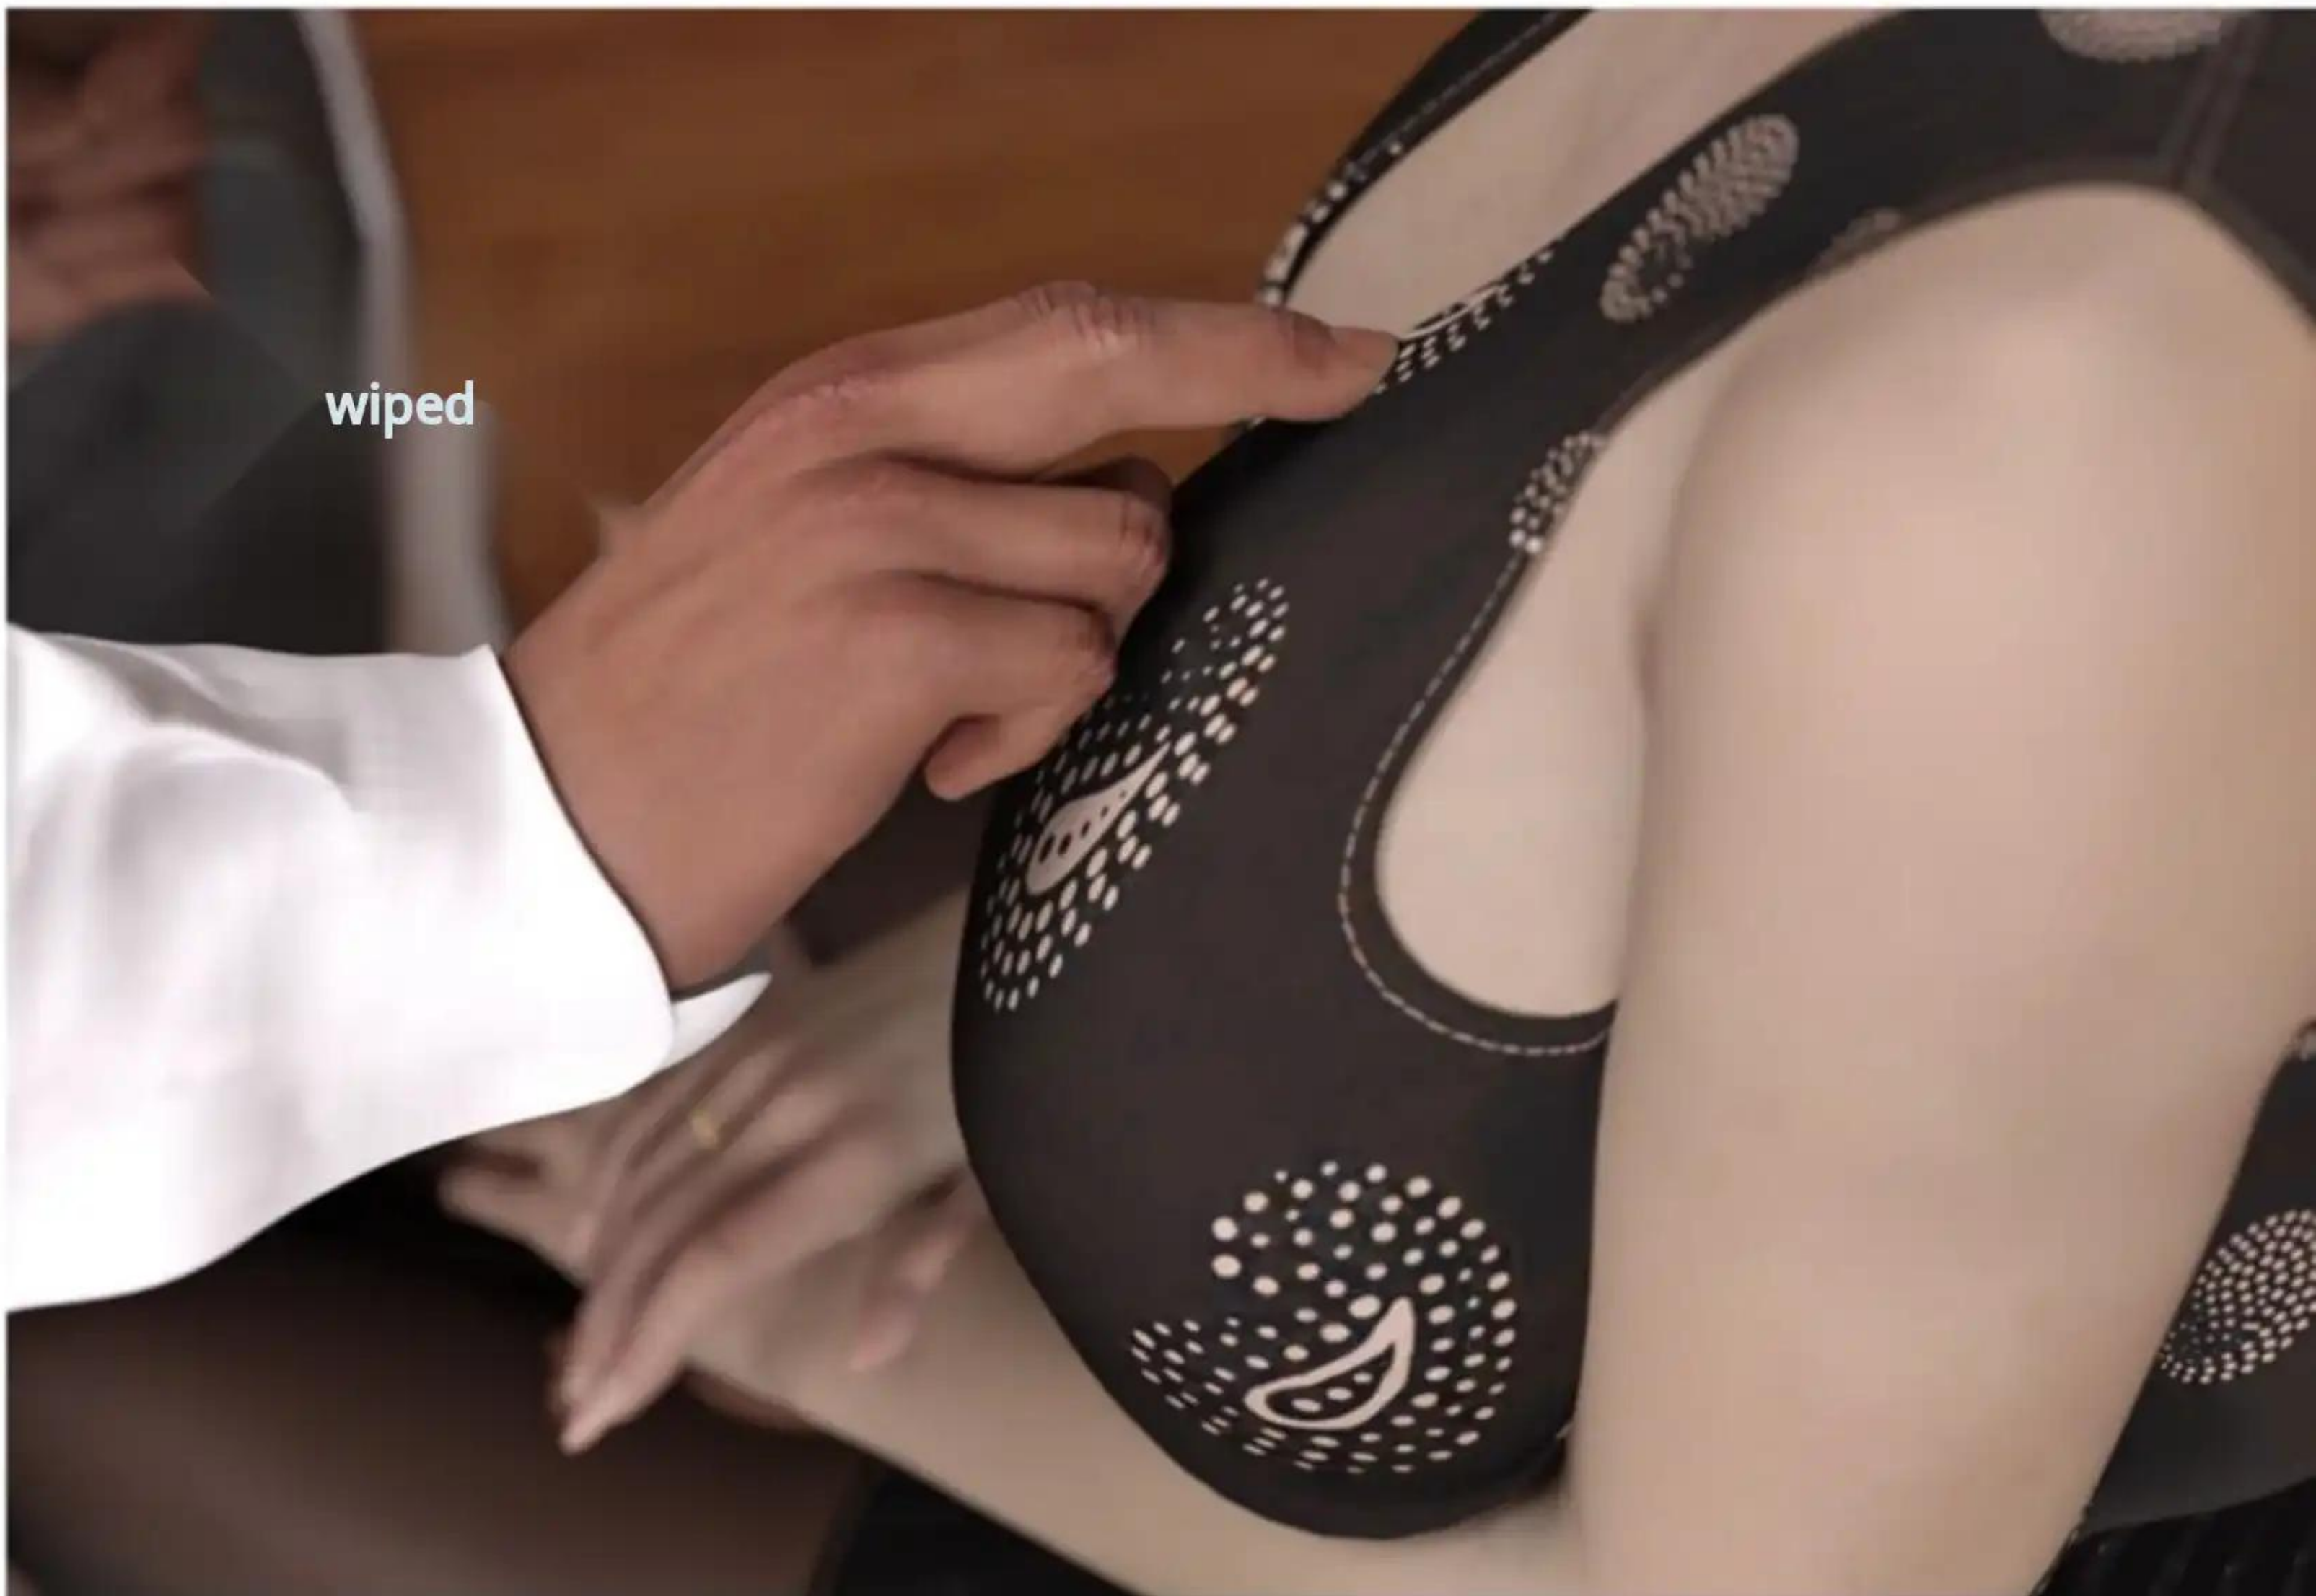

Clinic

The consultation is quite attentive, but well... this doctor seems to be very experienced.

wiped

How is Ms. He
feeling physically
recently? Hey hey
hey,
hey,

This Dean Wang's hands
and feet are really dirty...
Sigh... If I had known better, I
wouldn't have believed the
online reviews. ...

I would like to see this
pervert doctor just go with
the flow. Is there a bottom line
that even pregnant women
dare to touch? Forget it, I
feel good anyway,

Can you help me find out
what's going on? Speaking of
which... Dean Wang, I have been
suffering from chest tightness
since last month.

It seems like I
need to arrange
more tests for my wife!
Hmm~ It feels quite soft
to the touch, and there
is no abnormality in
the report results.

ha! This
bastard
really took
the bait!

Ming
um... Then...
I'll leave it to
Dean
Wang...

It's a shame that he can
talk nonsense seriously... This
old man is really good at pleasing
women. He rubs her breasts and
feels so comfortable, and his lower
body starts to feel hot. But
there is one thing to say,

This technique is too superb... I'm going to scream! Oops! This man must be a habitual sexual offender!

Haa, haaa

tease

Yeahhhhhh! Your
nipples are too sensitive
to play with like this!

Lao Shao, you fucked me again. What should I do? Do you want to rush in directly? That gasp just now was from my mother! I heard it right

You think so,
Ms. He? We can't
scare them,
shush...be careful,
your family is still
out there,

Dean, you are so bad,
you just like to tease others!
If you hold it back and break
your body, you have to take
responsibility! How could I
possibly hold back when you
play with my nipples
like that?

Dean, can you
check it for me too? My
panties are soaked
through, and there is a lot
of water coming out of my
pussy, haha... Dean, look,
I have been touched
by you for a while,

If you want to go back
to the lobby, please go there!
? I'm sorry, sir, this is a clinic,
you can't just walk in.

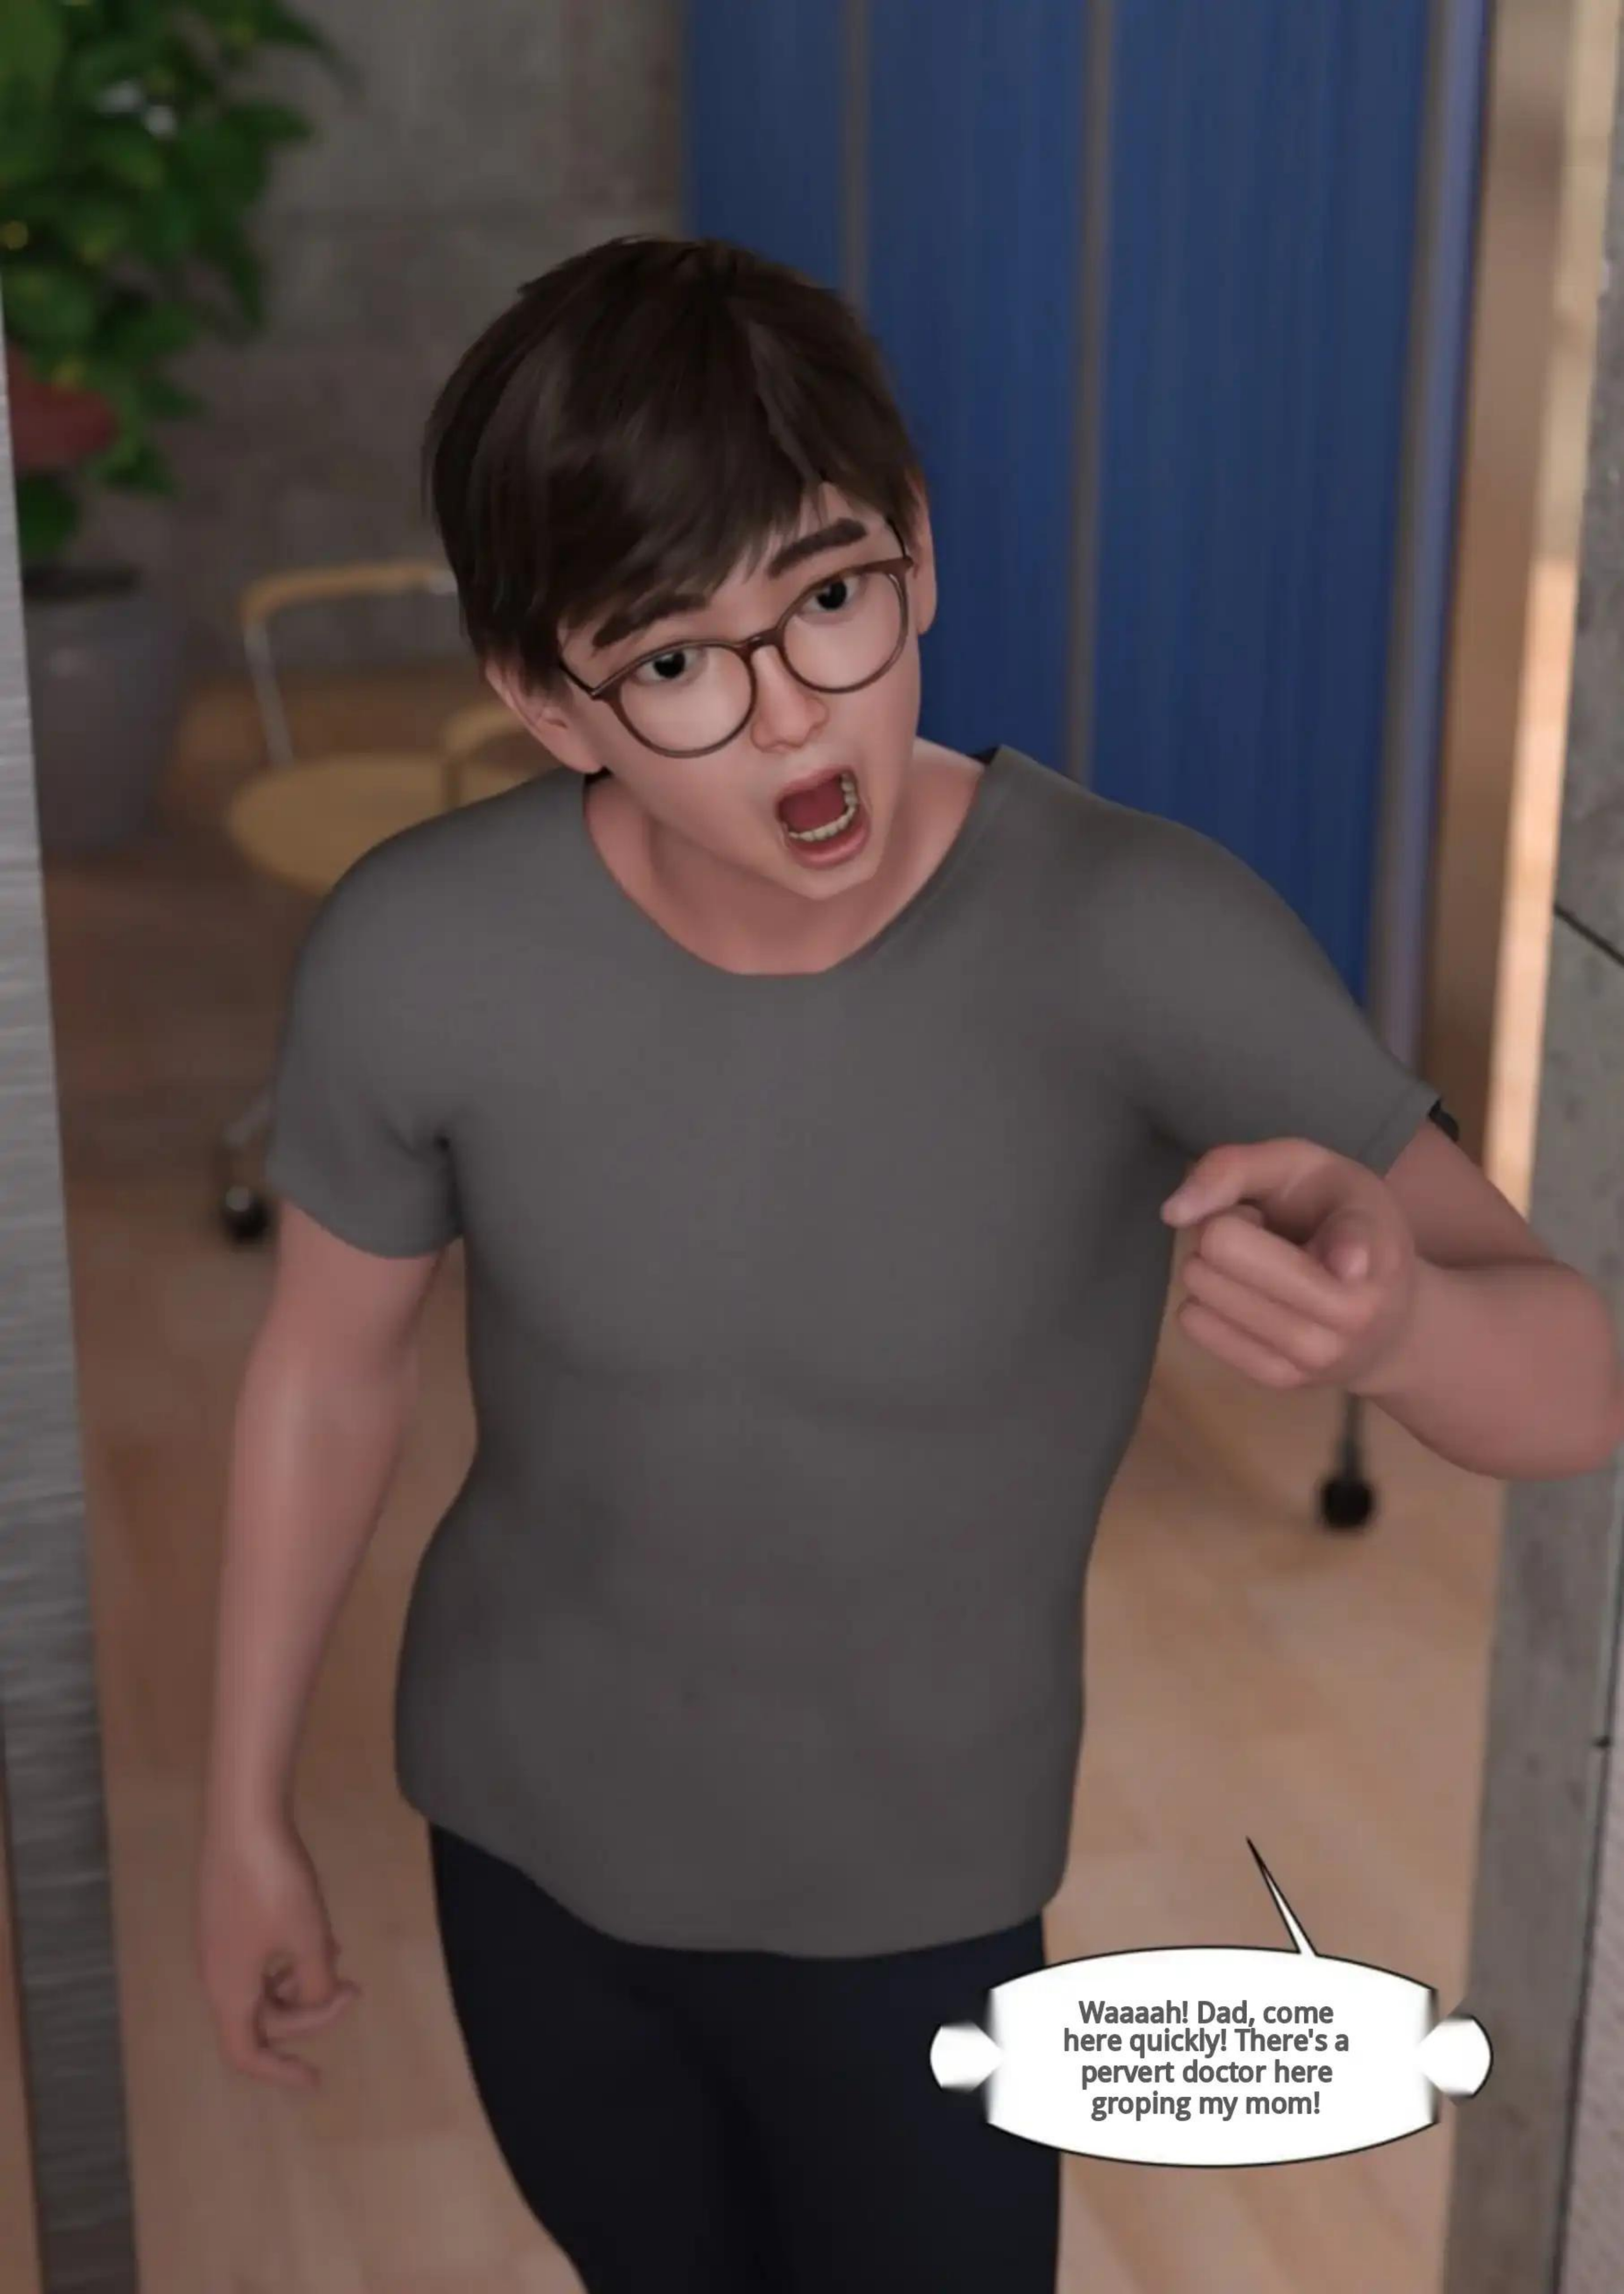

Hahaha... This, this place is really big...
Ahhh... This... I just got lost in the toilet.

Oh shit! I don't care about that anymore! Lao Shao...you forced me to do this!

Hold tight

Waaaah! Dad, come here quickly! There's a pervert doctor here groping my mom!

Why did you come here by yourself? How embarrassing it is to yell and scream! Good son, I haven't even called you yet

Just when it's about to get exciting, you make trouble for me again! Damn Lao Zhou,

Just be fine, mom!
I heard my mother's
voice crying in the
distance. I came here
because I wanted to care
about my mother's
physical condition.

Humph, will you
eat this time? I won't let
you succeed every time!

You are still shouting so loudly, what happened? I'm coming, I'm coming...? Zhou Ming, why are you here?

I also happened to see... Dean Wang touching my mother's breasts. But I got lost in there... I just wanted to go to the toilet.

But this will at least stop him from messing around with my mother's body! Although I can't expose Lao Shao's true face on the spot

It's all mentioned in this manual, am I right, Ms. He? At this stage of pregnancy, it is very important to check whether there are lumps in the breasts. I was helping Ms. He do the palpation just now. Hahaha, I'm really sorry that my little brother misunderstood.

I really can't feel at ease... My chest has been sore these days, haha... Yes, if I hadn't checked it with Dean Wang

I didn't know you were feeling so uncomfortable. Why didn't you tell me earlier? Oh, thank you for your hard work, my wife.

I just saw him touching my mother's...what? Is this okay? Dad, don't be fooled by that perverted old man!

Zhou Ming! Don't shut up yet! Do you want to see where this place is? To be so ignorant at such an old age seems like we need to have a good talk after we get home!

...Don't
you even
believe
me?

Why does it look
like I'm causing
trouble now? There is
no justice! Oh shit! I
obviously arrested
current criminals,

Wooooo! I don't want to care anymore! You can do whatever you like

Still? Where are you going, Zhou Ming? Come back!

Strange...what happened to that child? He doesn't usually lose such a temper.

Please accompany me too! Oh, don't worry about him, the internal consultation will start soon

Please lie
down on the
treatment bed!
Okay, Ms. He,

Oh oh oh! Is there a curtain next to the bed? Hehe, having a baby is so fun! This is the first time I'm lying on it.

I remember
there was no
such thing when I
checked before?
Huh? What is
this curtain
used for?

Ah, that's it. On the one hand, the curtain serves as a partition. Please stay behind the curtain to accompany Mrs. He during the diagnosis and treatment! On the other hand, it can reduce the face-to-face pressure and allow the mother to relax, which is to maintain the privacy of the mother.

Inhale...exhale...yes,
good, ready
to start
checking! Ms.
He, please take
a deep
breath
now

It's very slow, and the gloves are well lubricated. If you feel uncomfortable, you can stop at any time! Okay...relax your body slowly...my movements will be very light at first,

caress

Ah, it feels so comfortable... Even though I can't see anything through the curtain when my vagina is being touched gently, I feel that my body has become more sensitive.

I'm so nervous. Can you hold my hand? I have to open my legs for the man to see, husband...I can't see anything now,

Ahhhhhhhhhhh...it feels so good...I squeeze my fingers so tight in my cunt! Oh oh oh! The doctor's fingers began to penetrate the pussy!

But it's not fixed yet.. The condition is very good, Ms. He! The texture is a bit soft... The internal opening is closed and the fetal head is positioned low. Well... the cervix is 2.7 cm.

The technique is too skilled... Thinking about it carefully, this doctor must have been a duck doctor before, right? Damn it...this is not the method of gynecological

internal diagnosis. I don't know how much perversion he has achieved through this curtain, it's really admirable! Men have played with their wives in front of them

Huh
huh...
huh
huh...

Poof,
poof,
poof

Why is this doctor so brave? Aren't you afraid that Lao Zhou's father will hear it? The sound of water being inserted into the hole with fingers is getting louder and louder. Ahh... the water keeps flowing out...

A photograph of a man with glasses and a balding head, wearing a white shirt, leaning over a woman. He is licking her buttocks. The woman is wearing a black thong. The background is a blue curtain.

Let's clean it up by the way! Let me add some lubricant for you.

lick

Ah, the taste of love juice is so strong. Sure enough, the hot and sticky vagina of pregnant women tastes the best! Having tasted so many women's cunts,

Licking and sucking the pussy like this will make it too sensitive! Ooooh! Why did this perverted old man put his mouth directly to his hole?

take
off

Oh oh
oh! The
cock is
inserted!

insert

Ms. He, please
relax and be patient!
There may be slight
discomfort. Now I need
to put in the
equipment for
examination.

Haha... I really want to be pressed on the bed and banged by the doctor's big cock! I pushed it all the way to the inside without mercy. My pussy was filled to the brim... Every time I thrust it in, it would be stretched open.

Wu Ming...
Oh oh oh.

Wife, are you okay?
Dean Wang...Is my wife
okay? Why are you
breathing like this?

Sir, please rest assured, if Ms. He's cervix needs it, we can take a break first, Ms. He? It is normal to feel some swelling and pain during internal examination because pregnancy makes you softer.

Dean Wang, let's continue checking, the baby is still waiting! Ahh... I'm fine. It was so exciting just now that I thought I was going to faint... Hehe

at the
same
time

000

Ta, da, da

Hello...hey? Isn't this Ms. He's son? That's great. You ran out of the door just now. Your father was very anxious! He is currently accompanying the patient in the clinic. You can go see him later!

Can you please
take me in? The nurse
sister's name is...Xiaoyun,
right? I'm really sorry for
losing my temper just now.
I wanted to see how my
mother was doing.

I'll let you know
and take you in! That's
it...I understand, then
please follow me

I will definitely
thank you well later,
hehehe! Yeah~ Sister
Xiaoyun is so nice!

To be continued
