

Clinic

If you come here
again, I will scream...yaaaah!
W-what do you want to do?
Don't come here!

I just need your memory..Shh! Didn't I tell you to keep your voice down? Really, I'm not a bad person

We must not let that old man continue to defile my mother's body! Hurry up and put on your leather holster and finish the job. Okay, then all that's left is the familiar work.

Hee hee, girls' skin is so easy to touch! The soles of my feet were tickled so much that my legs gradually became slender. Hey, the leather cover immediately attached itself.

The little sister's figure turns out to be so good! I always feel that I have been quite lucky recently, hehe! I really can't tell when I'm wearing a nurse's uniform. Damn, the waist-to-hip ratio is amazing.

After wearing the leather,
my breasts also swelled up! It feels
so hot and itchy all over! Next up is
the upper body...oh oh! The skin
on my chest is so sensitive.

Hehehe, a woman's
breasts will never get
tired of being rubbed! By
the way...there's something
I've wanted to try for a
long time.

I have to have a
curvy figure to be able to
afford this outfit! Finally
put on a genuine nurse
uniform! Hahaha!

It's so enviable... I wonder how many people will be fascinated by it when walking on the street? Haha, this sexy figure coupled with the young lady's delicate face

Otherwise, I really want
to imitate Lao Shao and go out
to have some fun! All this belongs
to me now! Hehe! No matter how
sexy or beautiful you are, it's a pity
that I don't have the time

Hehe, I can't just leave this alone! Hmm~ Her pussy has become wet from the beginning. It seems that the nurse sister's body is also very sexy.

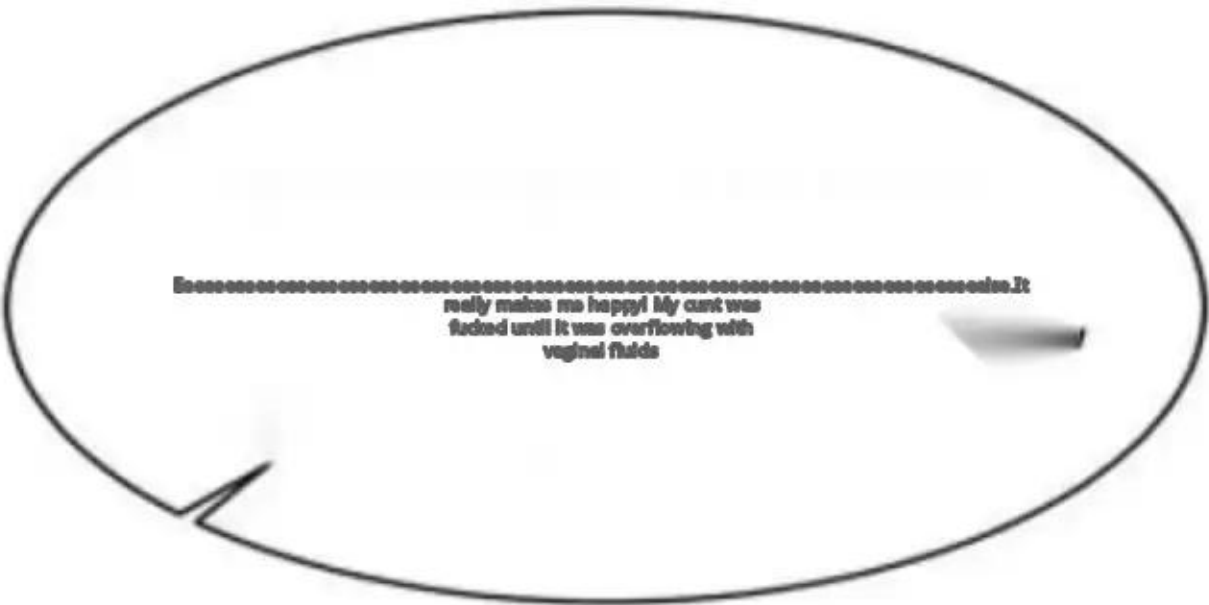

Ahh... insert it! So awesome! It feels so good to move just a little bit! The nurse sister's cunt is tightly clamped with her fingers

Insert

Haah,
haah,
haah

Yeahhhhhh! My pussy
still wants to go faster...but
my body is becoming more
and more sensitive! I hate it,
just rubbing my breasts

Poof,
poof,
poof

Ahh... I'm so, so close. The inside of my pussy is so numb with the fingers that I'm so happy that I'm about to float. Haha... I can't, I can't.

I'm
about
to
climax!

climax

So that's what
happened... Humph!
Old man, don't think I
can't cure you, we'll see!
Oops, I feel so dizzy...I
finally saw the memory
of the nurse sister.

Time
goes back
half an
hour...

I'll be back to see you soon... Dean Wang, please help me with everything! The boss called. I have to answer the phone first. I'm so sorry, wife.

Please rest assured, sir!
I will definitely be careful.
Mrs. He, was everything going
well during the prenatal check-up
just now? Mrs. He did the most
comprehensive examination!

Why don't you put your
dick in quickly? People are
almost dying of anxiety! Hehehe,
stop talking nonsense, we don't
have much time left.

A sexy pregnant woman shaking her butt in front of her, is there any reason why she shouldn't be attracted to her? I'm going in now! This is the first time I have met a straightforward woman like Mrs. He. Haha, I have been in this business for more than 20 years.

A woman with short black hair, wearing black stockings and a black strapless top, is lying on a red medical examination table. She is looking up with her mouth open, appearing to be in pain or pleasure. A doctor in a white lab coat and blue gloves is standing over her, with his hands near her legs. The scene is set in a clinical room with a wooden floor and a white wall.

Yeah, ah, ah, come
in! Oh, it feels so good.
Fuck me hard! My
pregnant pussy was
stretched open by the
doctor's big cock!

It feels so damn good to
have an affair in front of my
husband, hahaha! I've been
holding it in for so long, and I
can finally scream out
loud.

You slut...are you afraid of being heard outside by shouting so loudly? I can't stop my waist at all... I like to penetrate the pussy of pregnant women the most! Oh oh..My pussy is tightly wrapped around the cock

Haha,

Yeah, ha,
ha, ha

Bang
bang bang
bang bang
bang!

Ah...this old man's
hands are so strong. Is it
so comfortable to be
strangled? My body seems to
be unable to exert its
strength...it's strange, my mind
is light-headed...and now I
just want to be fucked
hard by a big cock.

Ahhh, it feels so comfortable...

You see, my pregnant
breasts were sucked by the
doctor before the baby could
drink them. What a waste! Play
until the milk drips down

Let me give the baby a taste! Hey hey hey, how about that? Not a drop of the most precious breast milk of pregnant women should be wasted. Our hospital attaches great importance to the sustainable use of resources.

A close-up photograph of a man with short brown hair and glasses, wearing a white shirt. He is leaning in and kissing a woman's shoulder. The woman's skin is fair and has some freckles. The background is slightly blurred, showing a blue wall.

And the sweet and warm milk... I really made the right choice in this business! Ha ha ha ha! As expected, pregnant women and married women are what I like the most! I have played with so many women in my life, hum! This plump body, huge breasts,

A photograph showing the lower half of a man. He is wearing dark blue trousers and grey dress shoes with a white stripe and a tan sole. He is standing on a light-colored wooden floor. The background is out of focus, showing a white wall and a dark object.

Hey hey hey! Are you exaggerating too much?

Are you embarrassed?
Old man, let go of your stinky
mouth! Mom's milk belongs to
me...my siblings! At such an old
age, you still compete with
children for milk.

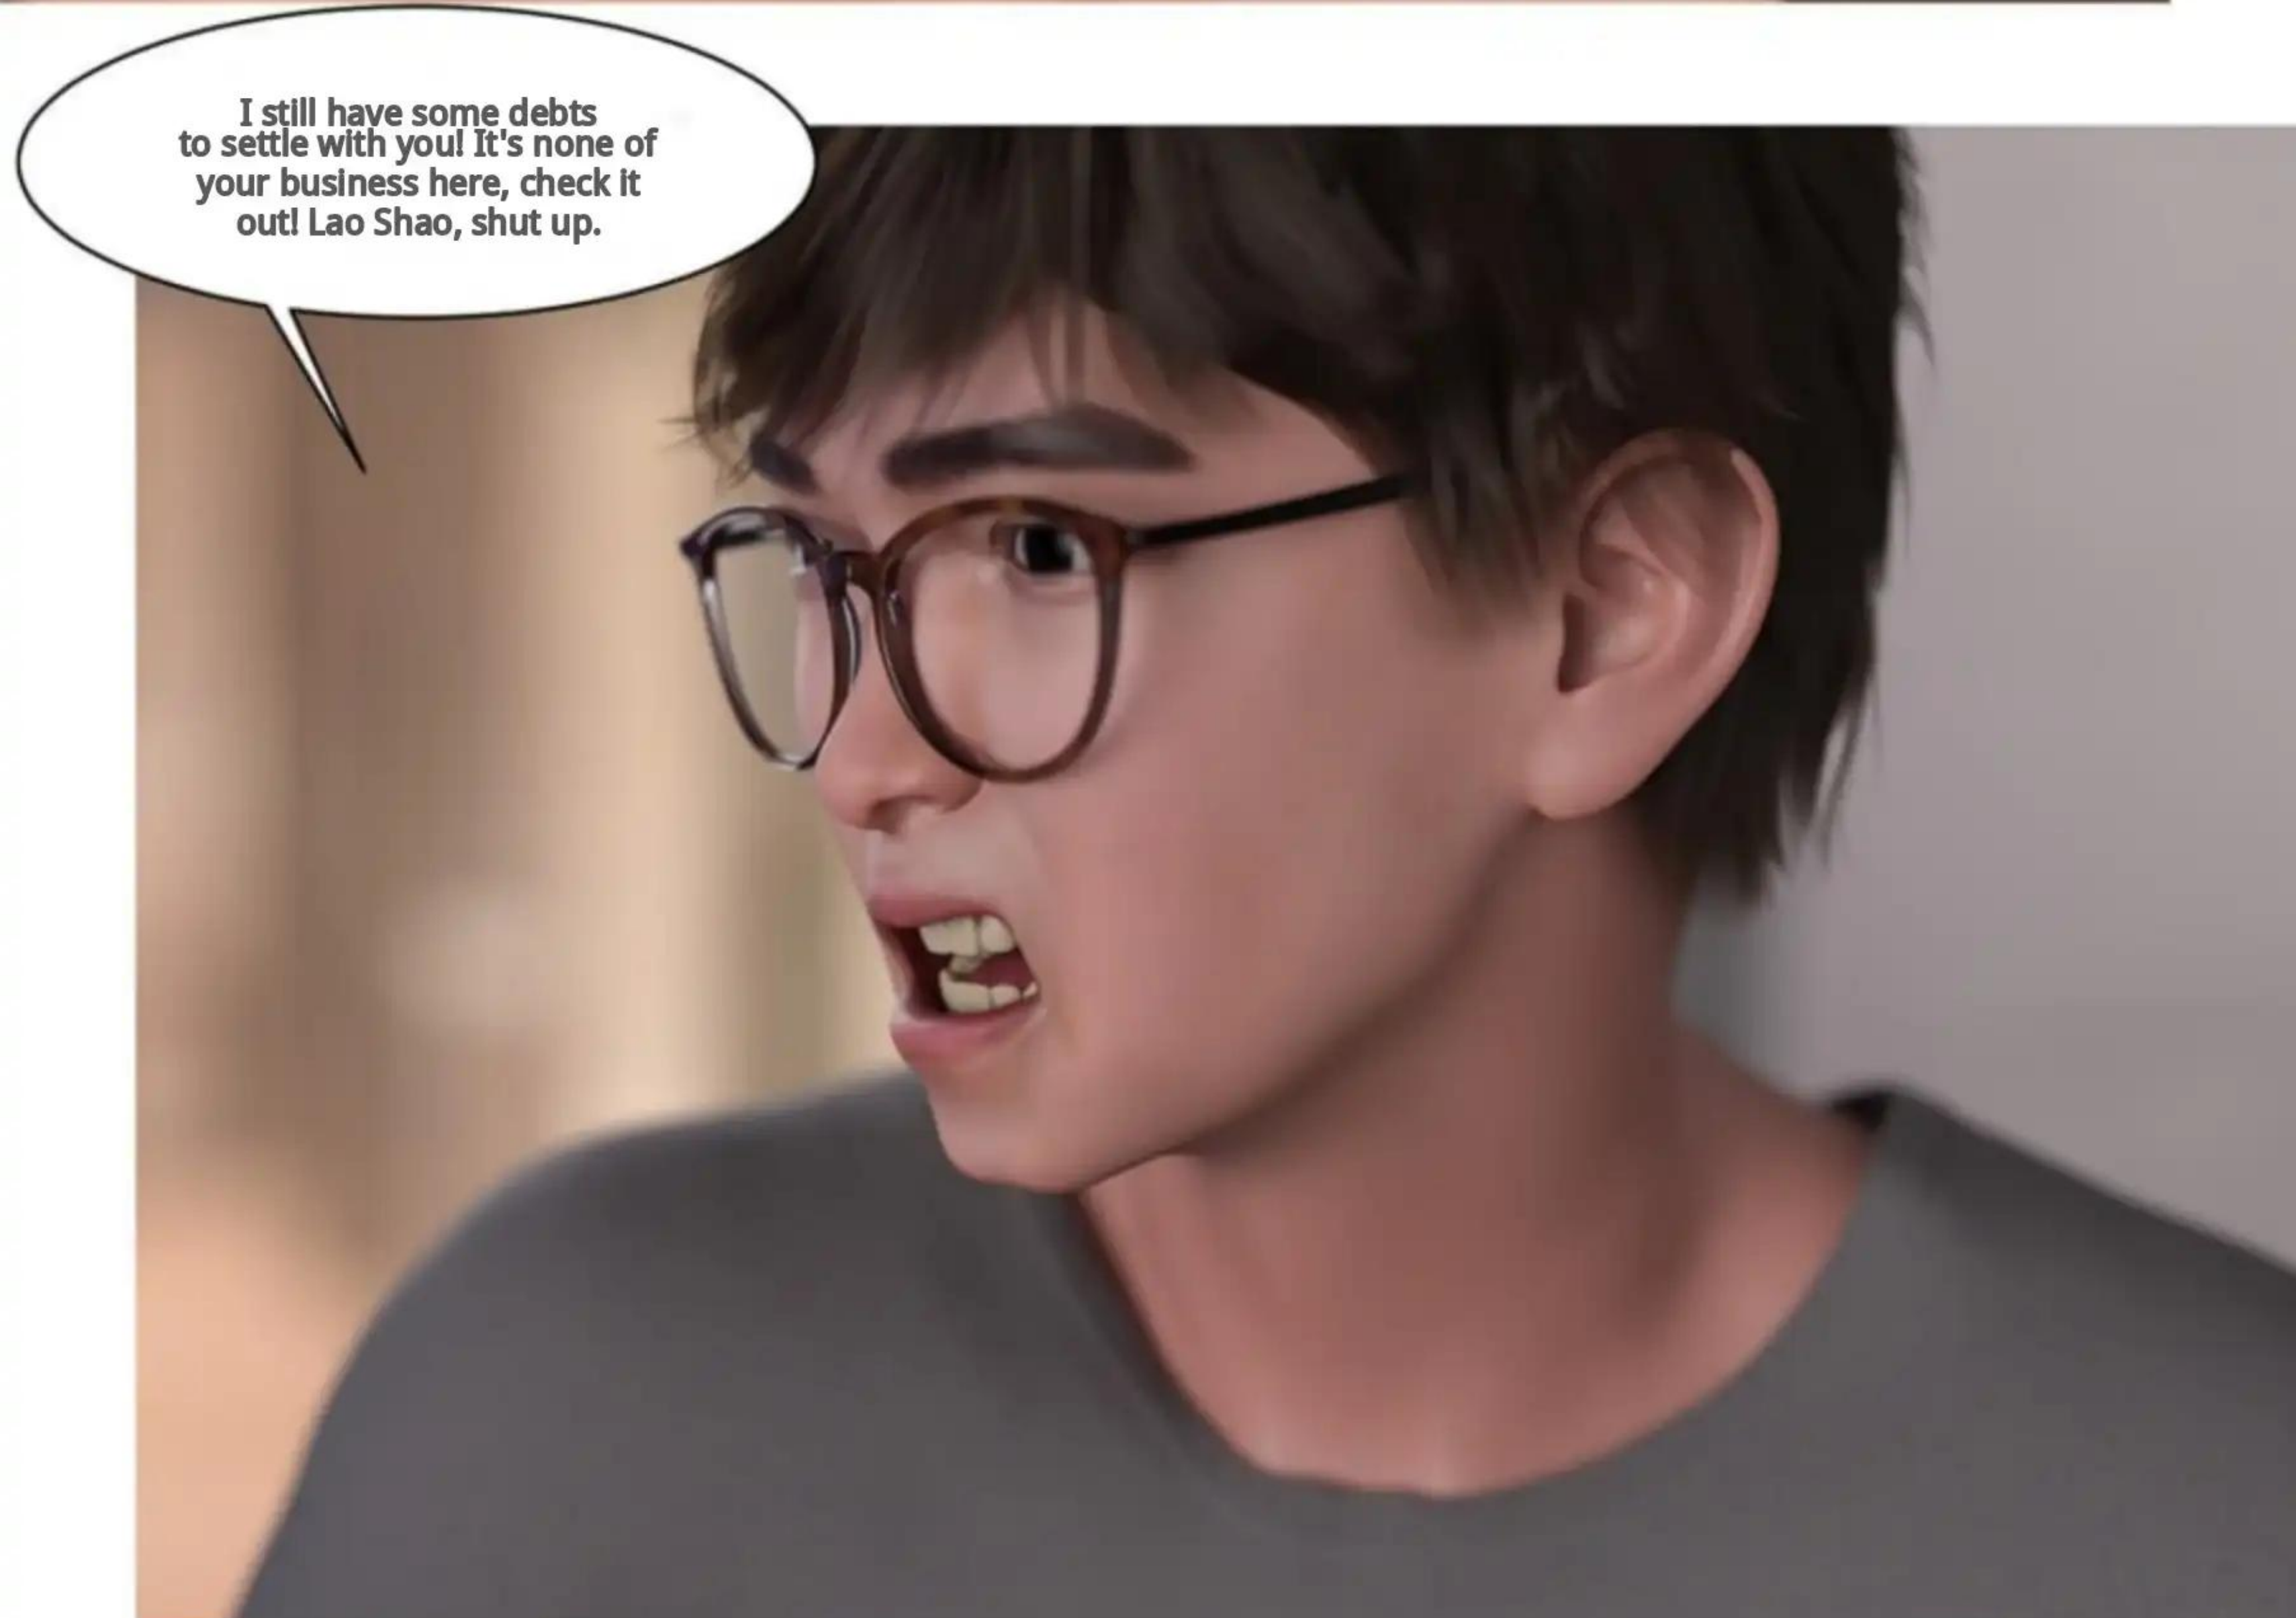

You'd better go
and stay with dad first!
Isn't this Mrs. He's good
son? Mom's prenatal
check-up is almost over.
Hey, hey, I thought who
broke into the clinic so
rashly.

Just let the doctor
uncle continue the
examination. Mom, there is
nothing wrong with you, yes,
yes, my good son,

I still have some debts
to settle with you! It's none of
your business here, check it
out! Lao Shao, shut up.

There's no use
pretending to be stupid!
This time I want to see if
you still dare to tell lies in
front of my family! Sexy old
man! I recorded everything
that just happened

A woman with dark hair styled in a bun is shown from the chest up. She has a thoughtful or slightly nervous expression, with her hands clasped near her mouth. She is wearing a gold ring on her finger. The background is a soft-focus indoor setting with a plant visible on the left.

Did I push him into a hurry... But if this... really gets too big, it won't be easy to deal with, right? Let me go, is Lao Zhou serious this time? I just wanted to tease him a little bit

Now that you've recorded it as evidence, you should have thought about what you want to ask for, right? Young people, don't be angry. We have something to talk about. Come on, how much pocket money do you want? My uncle definitely gave me more than my father! Okay, okay...I know,

Snap!

If you put on this holster, kneel down in front of me and apologize, I will forgive you! Otherwise...you go to jail! I just want you to show sincerity! So be it, bah! Our family doesn't care about your dirty money.

What kind of
joke is this? Mrs. He,
your son... there should
be nothing wrong with
his brain, right? ah? Don't
want money? You want
me to kneel down while
wearing this thing.

Just think of it as a way to lighten the mood, okay? I think this kid is quite serious. Alas, don't joke at this time. Since he has brought it, doctor, you'd better put it on first.

You two, mother and son, can't be shameless later! I'm going to delete the video myself after I apologize, do you hear me? Go, it's just a toy leather case, just wear it!

Damn...it's
really
shocking...does that
kid want to kill me
alive? ! How can I
wear this crappy
leather case that
is so small?

And there is a
familiar scent...
strange... whose
scent is it? Um? If you
look closely, you will
see that this leather
case really feels
like real
human skin.

Hmm...Is this
where your feet go
in? Women's stockings
aren't that difficult to
put on, right? I had to
exert all my strength to
get it in. The inside of
the holster was too
tight.

It feels like I'm
fucking a woman...ahh, it
feels so good. What's going
on with this thing...the leather
sheath wraps the cock tightly,
oh oh oh! My cock seems to
be sucked by something.

Even these big breasts look like real ones when you rub them... Wow! Why is my big cock missing? This leather holster is awesome! Where did you get that guy? Her vagina is quite realistic.

I always feel that my body has become lighter and stronger, hehe! I can't wait to see the difference after wearing the hood! Hey! The opening closed automatically in the blink of an eye. I don't know if it was an illusion.

Hiss... my scalp is
so tight... the wrinkles
on my face are almost
flattened.

Um...this,
this is
not...

caress

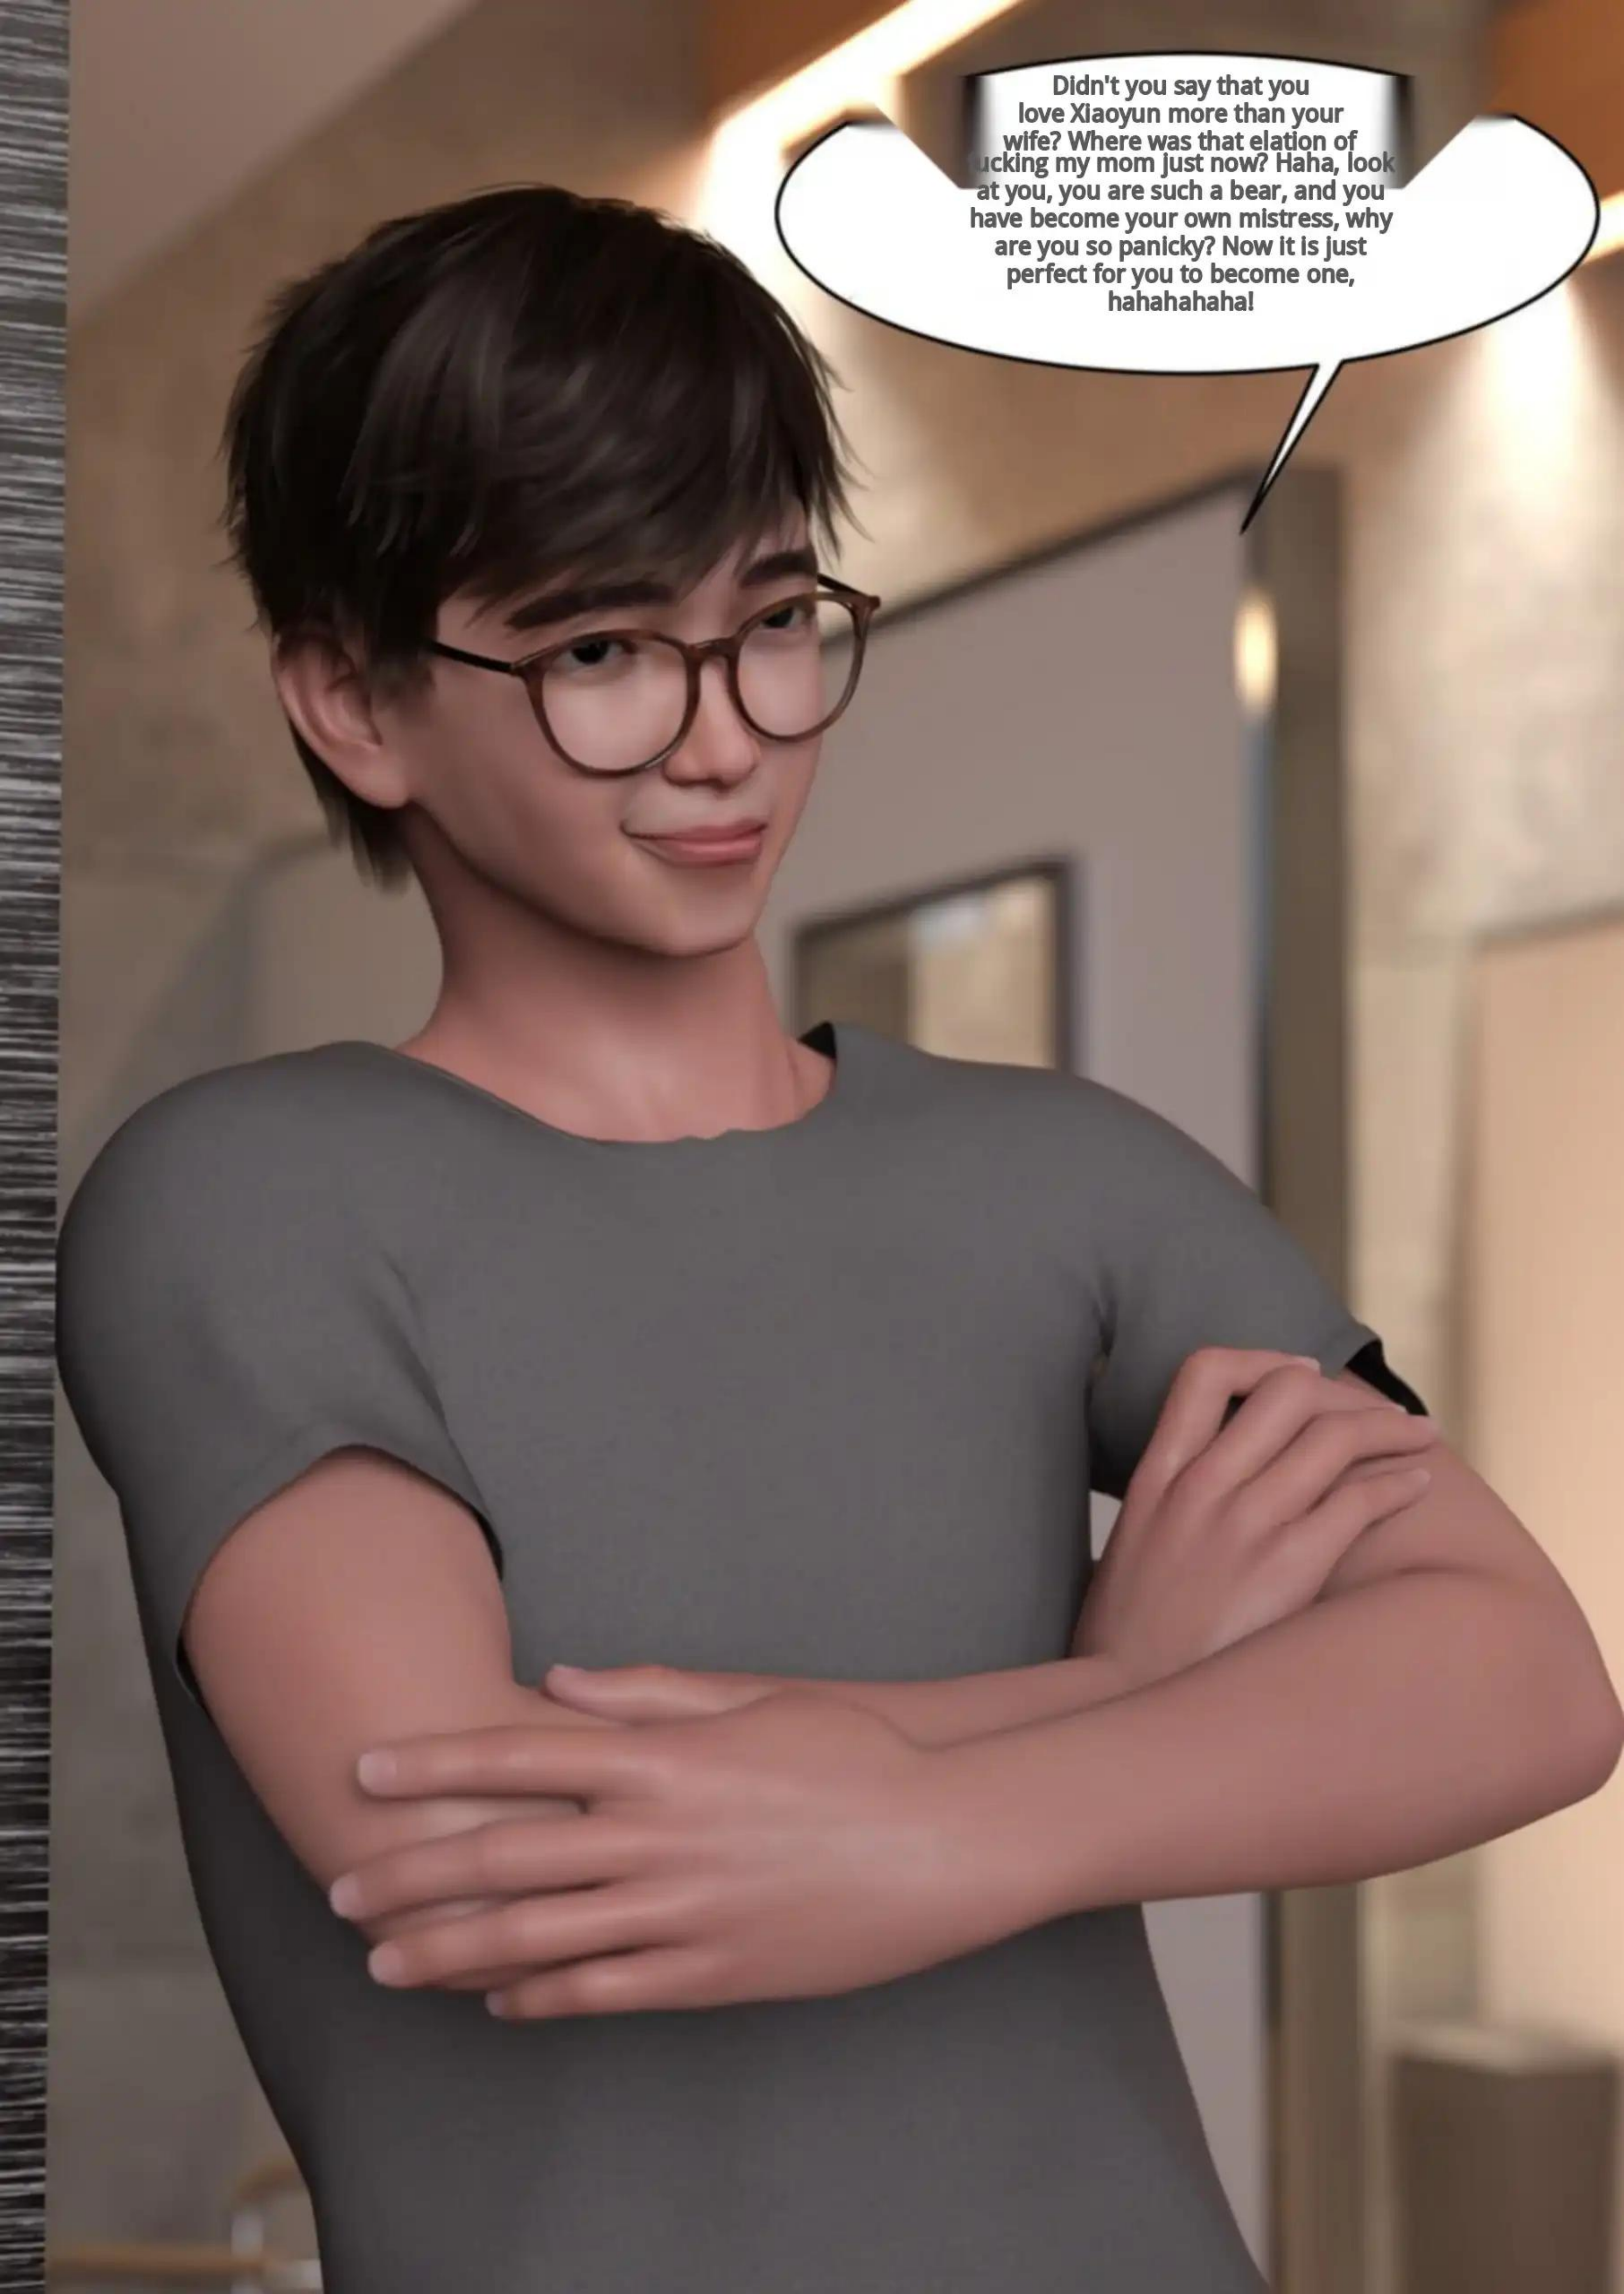

I...I really turned into Xiaoyun? Xiaoyun!? Isn't this Xiaoyun? What the hell? Even the voices are exactly the same.

Xiaoyun, where
are you? Come to
me...I don't believe
it! Xiaoyun!

Your little Yun
is being worn by
you! Hey, don't
waste your
energy,

Didn't you say that you
love Xiaoyun more than your
wife? Where was that elation of
fucking my mom just now? Haha, look
at you, you are such a bear, and you
have become your own mistress, why
are you so panicky? Now it is just
perfect for you to become one,
hahahahaha!

Back

How did you know about this? Xiaoyun, she promised me that she would keep it a secret! What the hell did you do to Xiaoyun!

As someone who has experienced this, I would like to advise you, otherwise it could be fatal if you are not careful! Hahaha, as the saying goes, a woman's heart is like a needle in the seal! It's best not to underestimate a woman's thoughts.

Mrs.
He! ?

It doesn't
work there...
Oh oh... What
do you want...
ah ah ah...

I have never
experienced... ah... my body
is so sensitive. Can it be so
comfortable to be caressed
by a woman's hand?

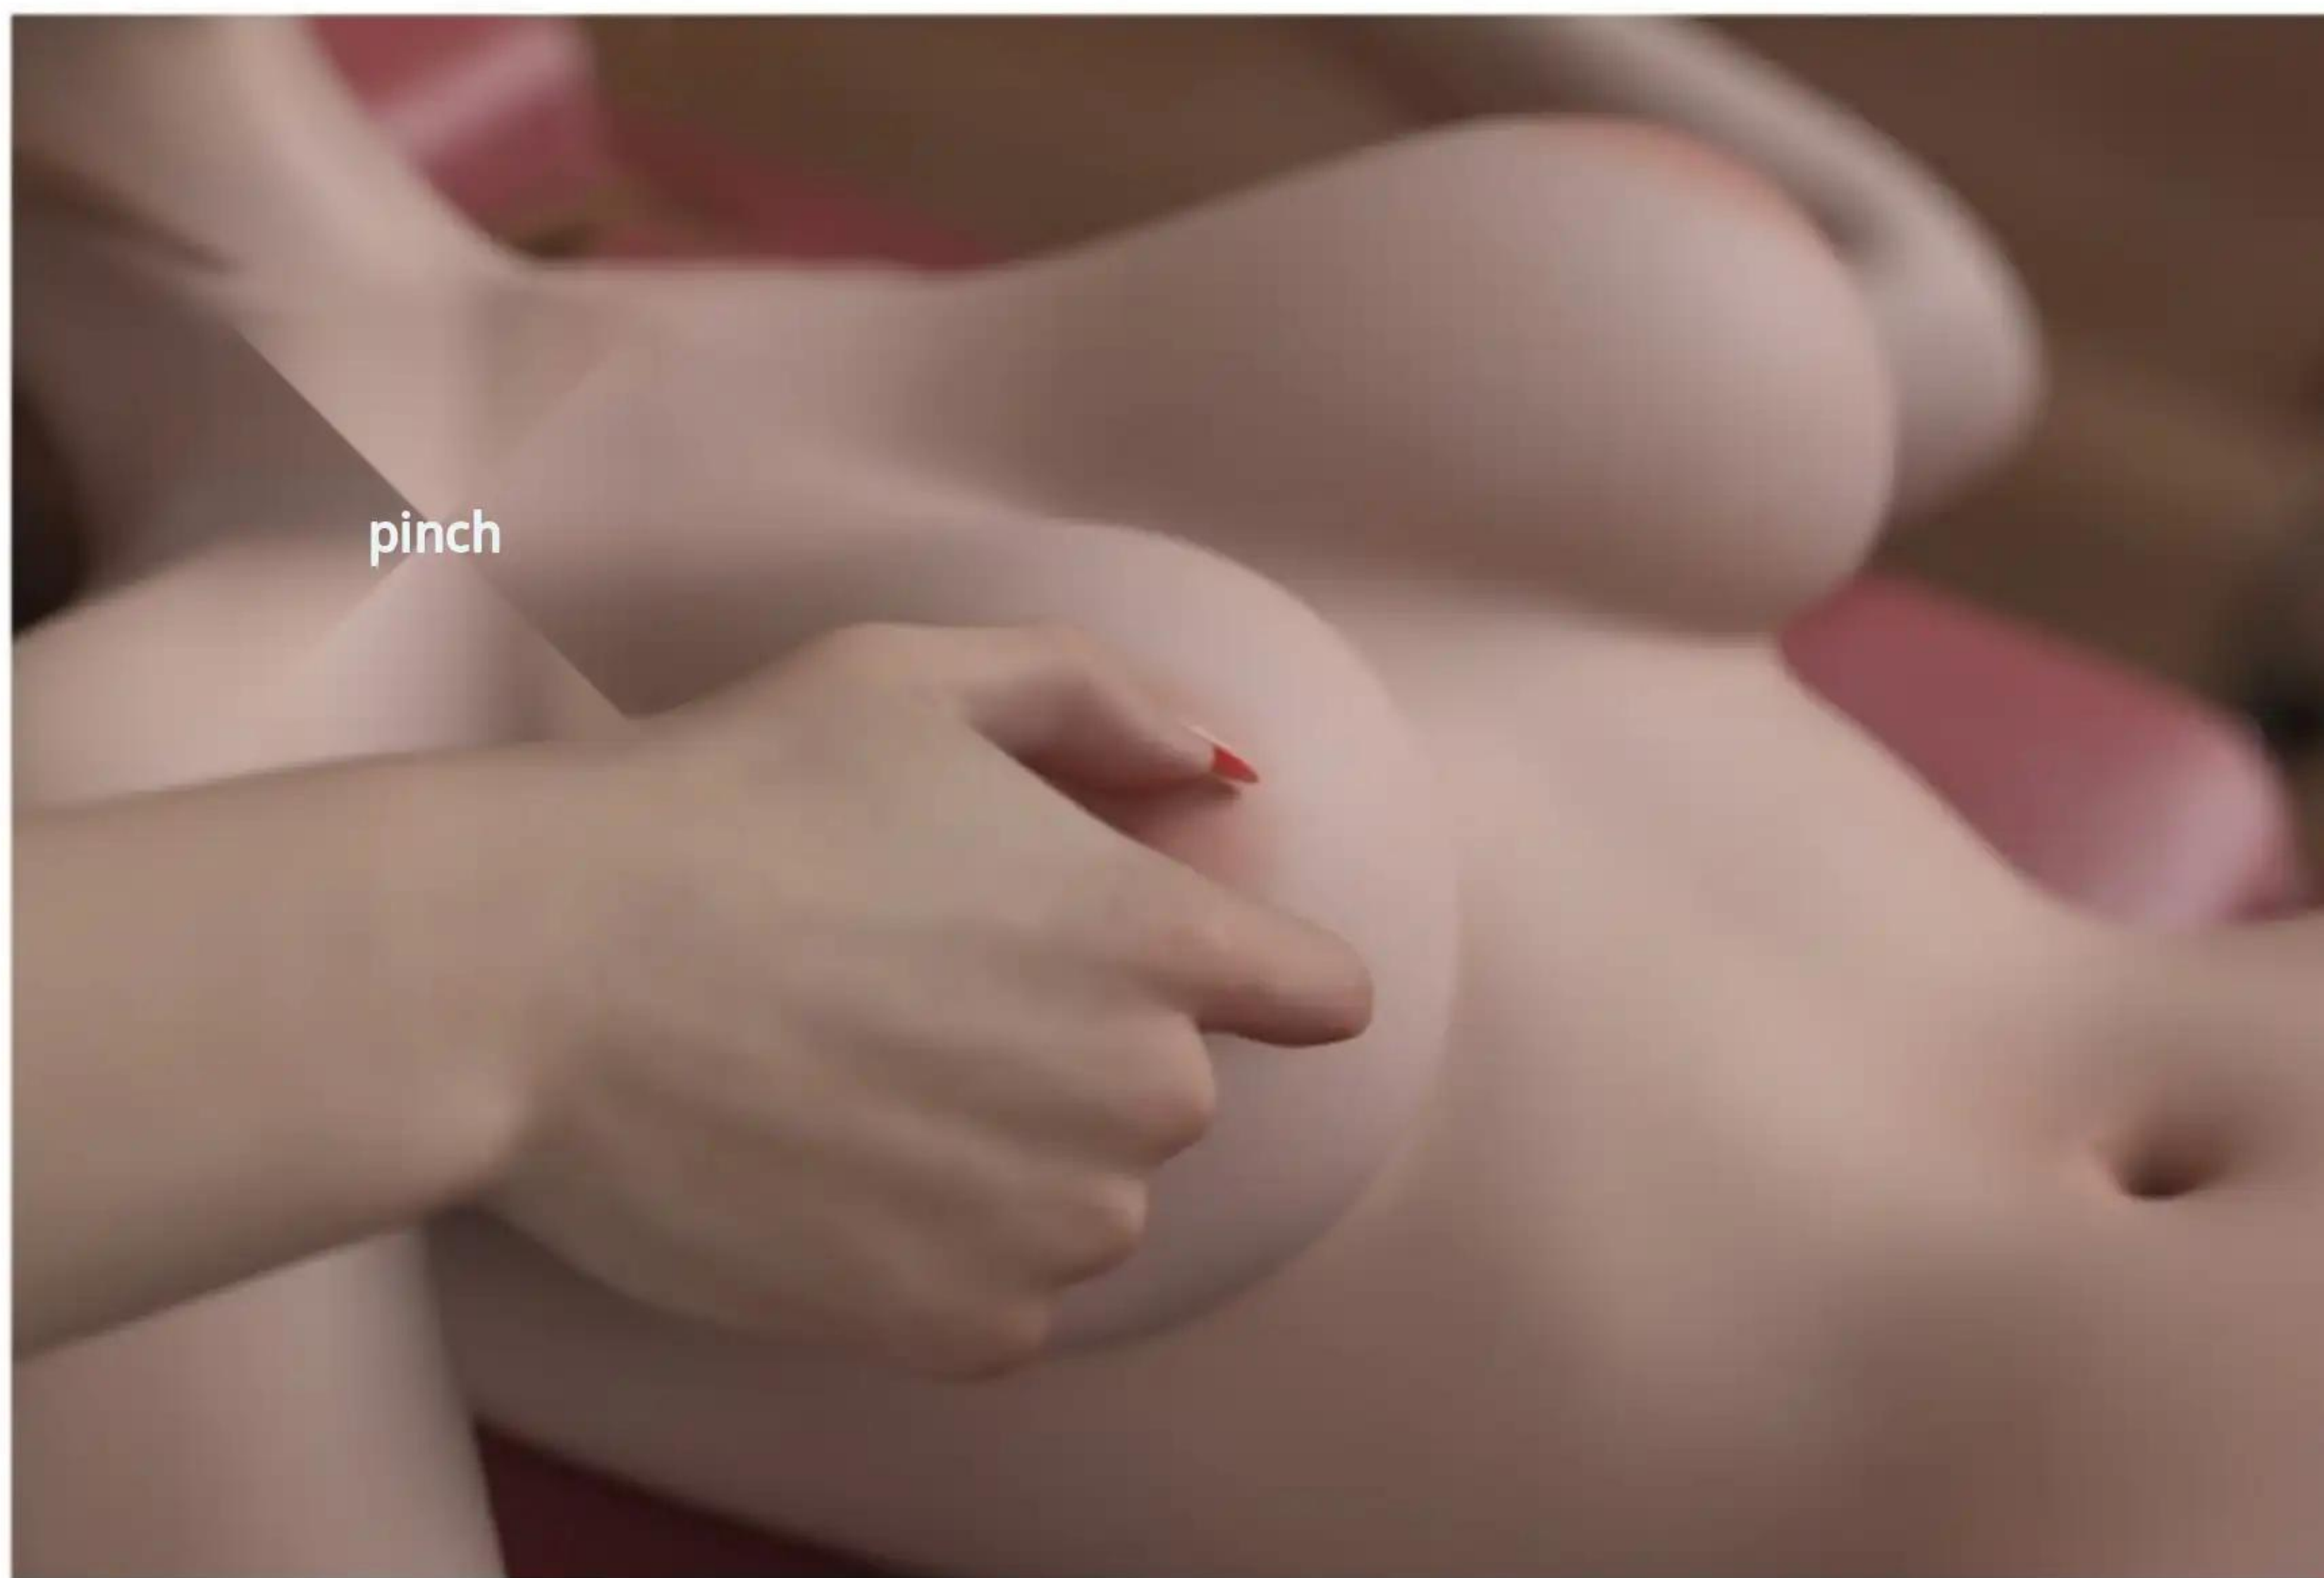

Come on, let's lie down
on the bed... Anyway, you've
had a good time, so just let him
calm down, right? My son's
temper is always so stubborn,
hehe, I'm so sorry, Dean

Brat! You are
not allowed to
touch my woman!
What? don't want!
Don't touch me!

You greedy old pervert,
you already have a wife and
this slut, but you still want to
attack my mother? Humph, you
two bitches deserve to be taught a
lesson together! Hmm~ Very good,
the development is indeed
completed, the water is flowing
non-stop!

Wow, that's
so cool!
Pee...pee
came out!

There seems to be
some scene popping
up... This is... Xiaoyun's
memory...? My mind is
dizzy...? I hate it...the
pleasure in my lower
body is still going
on.

Haha,

Haha

Let's use my big cock
to practice it later! After
becoming a woman, she is no
longer a pussy with premature
ejaculation! What? I thought
you were so brave.

Xiaoyun was really
put on by me...how
could this happen?

Even the words
are starting to sound
decent! I knew you were
talented! Ha ha ha ha!
You boy can do it. Not
only can you do
things efficiently,

Who gave
me a good
teacher? Hey
hey hey,

Why don't you just
come to me? No...what
on earth did you do to
Xiaoyun! She, she is
innocent!

The child in my
mother's belly deserves
your bullying of my family, yet
you dare to say such things!
Got fucked by your blind dick?
You speak! innocent?
Shameless old thing,

It's time for you, this pair of bitches, to learn a lesson! Hum, Lao Shao is right, sometimes you just have to treat others with their own medicine.

Taste my
righteous
thrusts! !

insert

Help me,
Mrs. He!
Ear, Ear,
Ear!

The pussy is stretched
so wide...how could it
be...just the insertion feels so
good...oh oh oh...the cock is
pushing in...ahhhh.

Haha,

Haa,
haaa

..It's so strange. It's rare to see Lao Zhou playing with a leather gun so well. You boring gourd, now you finally know the joy of sexual transformation, right? It seems like this guy has finally figured it out after hanging out with me for so long.

How about it? Doesn't it feel good to be raped by a high school student's big cock? Just enjoy this feeling together, hahaha!

Ahhhh!
Don't...
don't insert
it
anymore!

Anyway, my son suffers
from premature ejaculation
just like his father, so he can just
tolerate it and get over it! Okay,
okay, we are all mature adults,
so don't argue with children.

Oh, it feels so good...
My nipples are so sensitive...
I am the director of this
hospital... Ahhh... What nonsense
is this woman talking about? He
was toyed with by a pair of idiot
mother and son until he was
shaking all over

Lao Shao, stop talking nonsense! I, I won't ejaculate prematurely. Oh oh oh... The cock is clamped so tightly... The nurse sister's vagina feels so exciting... She is indeed a slut selected by the doctor!

How can I stand it...
I want to join in too! Lao
Zhou, you are having so
much fun by yourself,
squirt, this was originally
my game.

Why don't you try mine too?
This one of mine is a good product
that has been through many battles!
Hahaha! It's different from my son's
premature ejaculation cock. Look,
the dean's mouth is still free.

Woo,
woo, woo

I still want... I want
more... My cock is so
thick... My mouth feels so
uncomfortable...? My pussy
felt numb after being hit by
the cock... Where did this cock
come from... Oh oh. It's
obviously annoying... but
my body is getting
more and more
comfortable.

Being a woman feels
so good... No!
Ahhhhhhhhhhhhhhhhhh... the
pleasure is coming up in an
endless stream... no... I am
really going to be fucked. I
never thought that one day I
would be raped by a cock, I
am a man! I...ah, it feels
so good to me.

Poof,
poof,
poof

It's so exciting... my tongue
is licking the dick flexibly! Oh oh oh
hehe, even though the dean looked
unwilling to have his cock fucked by
the dean's cherry mouth,

Let's cum in
it together! Hey
hey hey, my good
son, it's rare to
have such fun
this time

Uh-huh-huh-huh-huh!

What should Xiaoyun
do if she is pregnant?
What? Creampie? Can't
cum inside!

I can't bear it anymore!
Doctor, you must be feeling
very comfortable too, right? The
semen flowed from the pussy to
the thighs! Let us climax together
hahaha! Oh oh oh! The pussy
sucks the cock so tightly!
Even if you don't say it

Pah,
pah,
pah!

ejaculation

I'm going
to cum in
the nurse
sister's
pussy!

It's so comfortable...
My whole body is soft... It
seems like something is
flowing down from my vagina...
It's humming... It's thick and...
My mouth is filled with the taste
of semen. Strange... Why
does this smell make me
excited... Ahh!

A woman with brown hair is lying on her back on a red medical examination table. She has a pained or intense expression on her face. There are several droplets of a yellowish substance, presumably semen, on her upper chest and one on her forehead. In the background, the legs of another person wearing black socks and grey sneakers are visible. A potted plant is in the top left corner.

Apart from the
pleasure of being
fucked...I can't think
of anything else...I
still want it.

Sure enough, this doctor
is also a slut at heart! The semen
and semen are flowing all over the
floor! After being fucked and
creampied inside, I actually felt so
good that I squirted hahaha, look
at it, Lao Zhou

If we're discovered,
we're doomed! Ming
wow...we have made a
mess here.

Let's clean
up together!
What are you
panicking about?
This is not the first
time this has
happened.

after a
while

Where did the mother
and son go? Waaaah! Can't
cum in...? Why am I lying
naked on the ground?

yawn

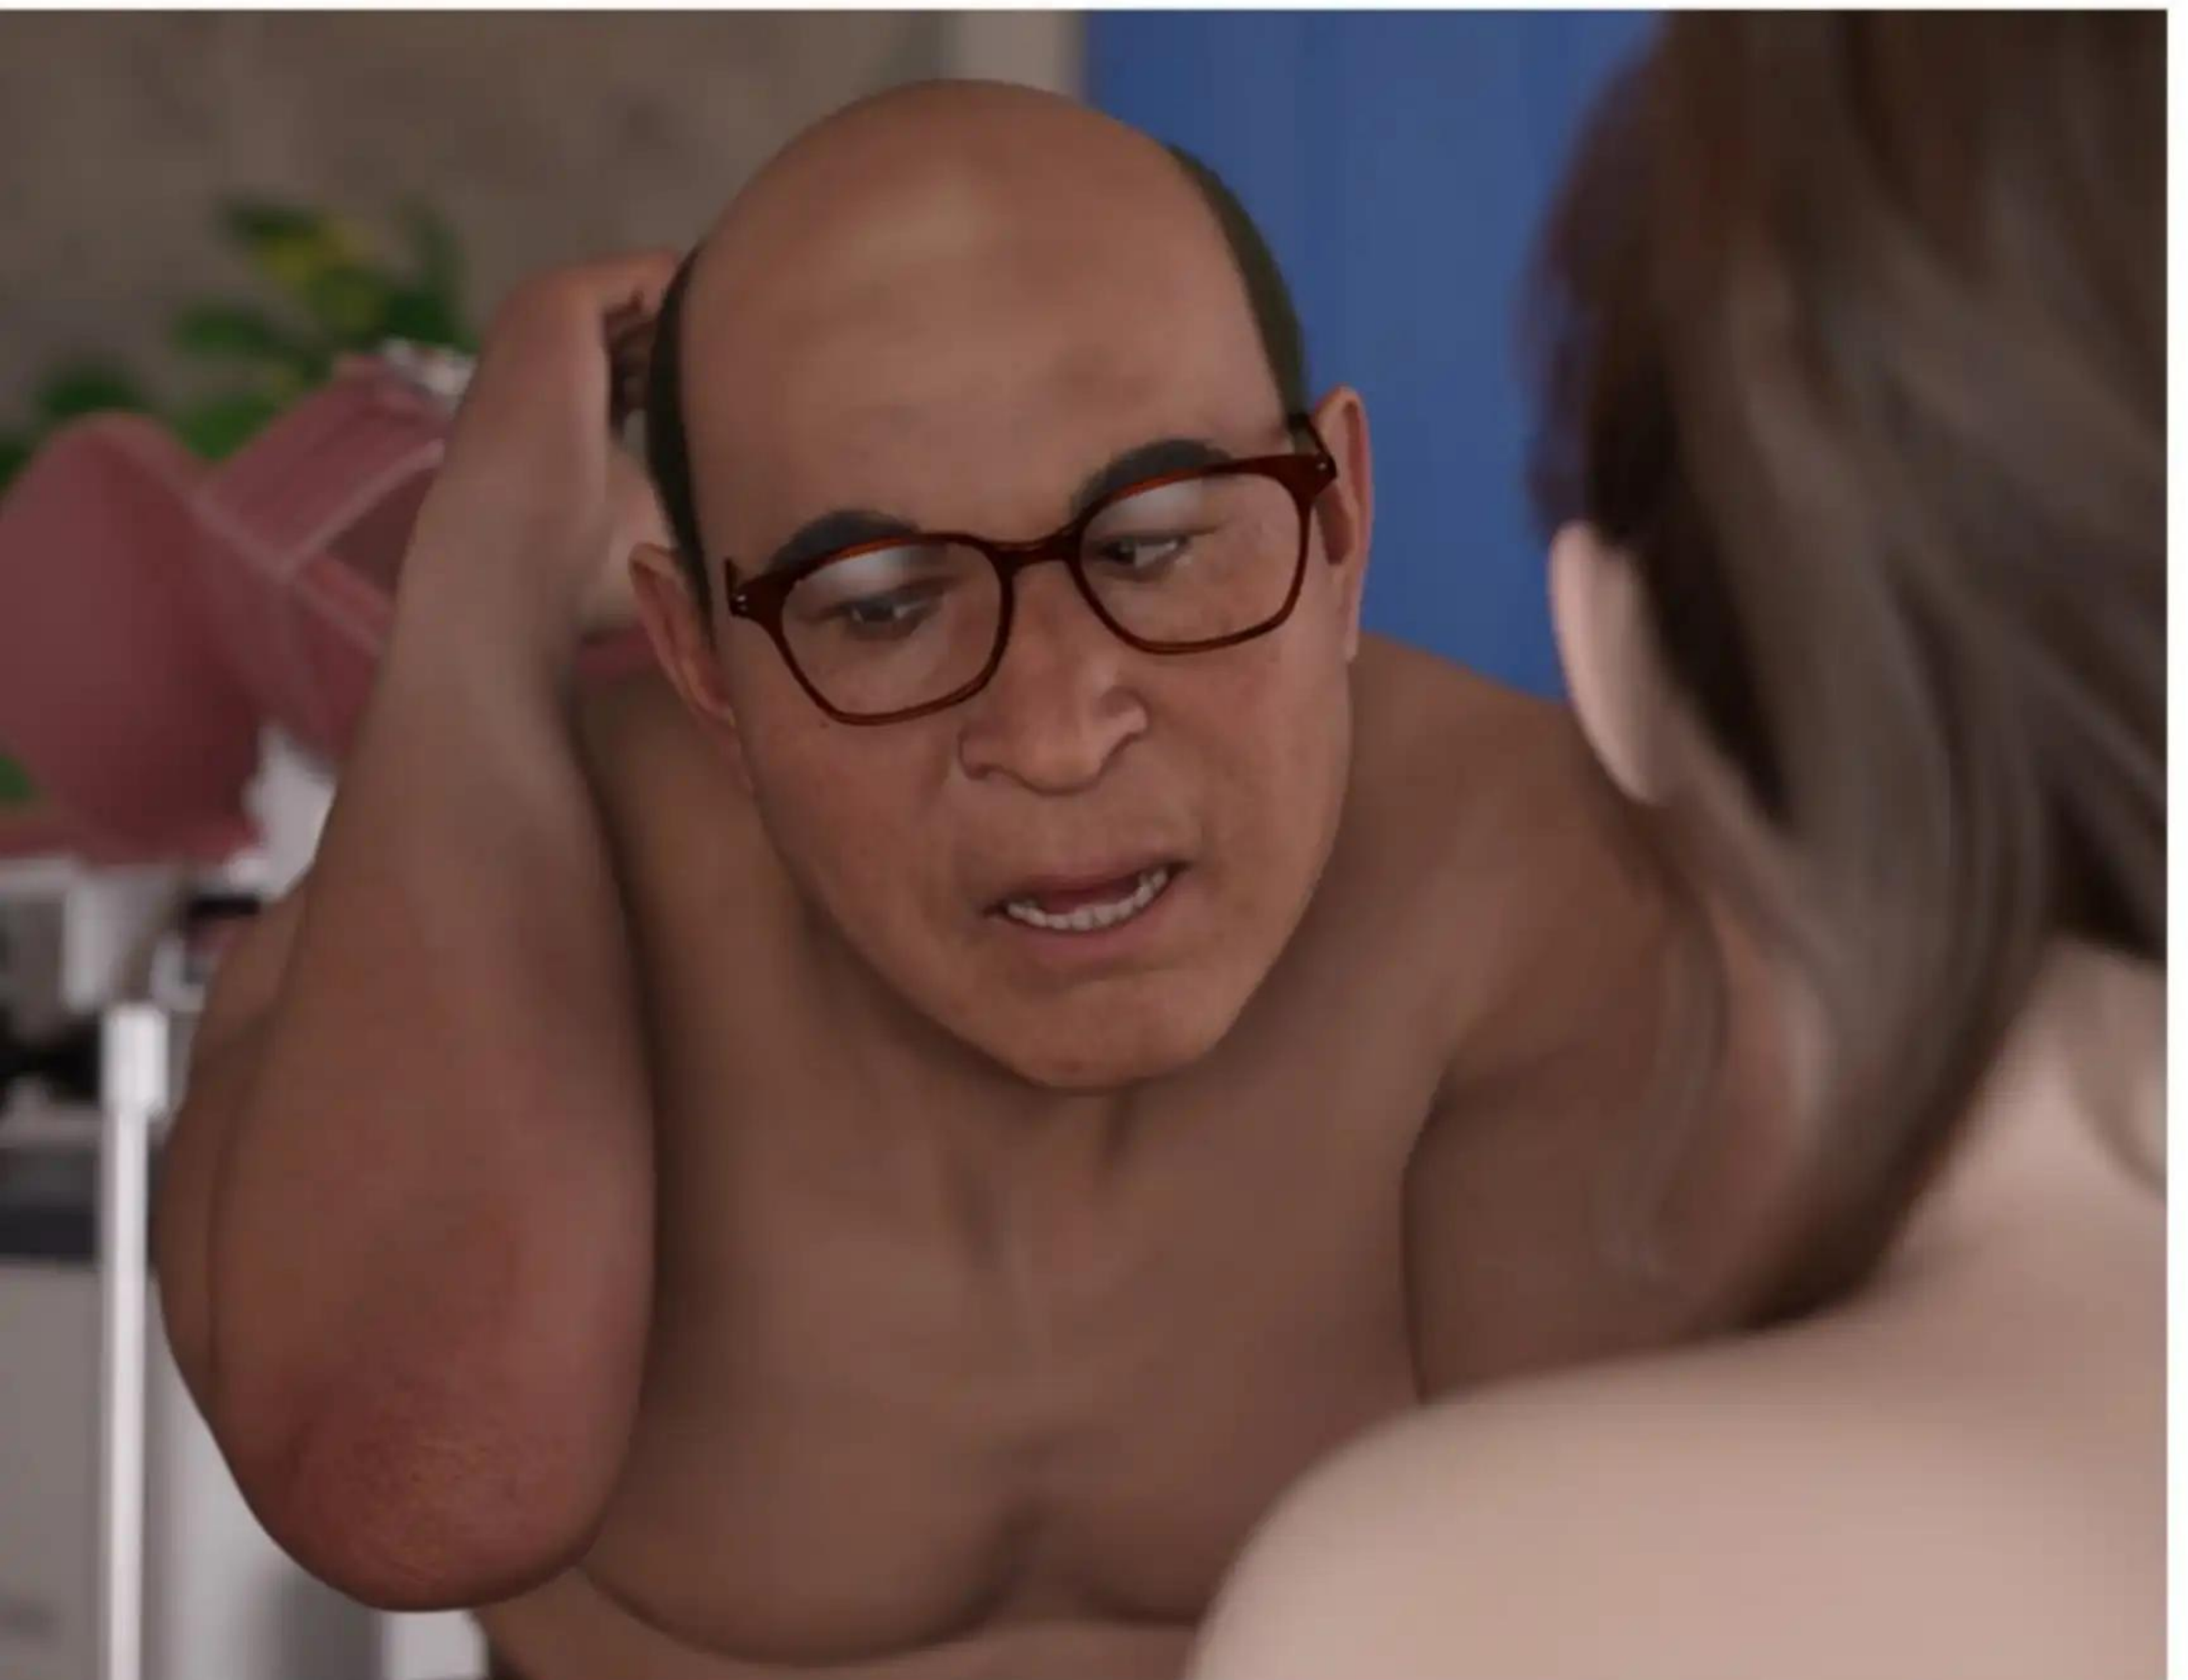

Why did you take off other people's clothes again... You'll catch a cold like this... Hmm... It feels so sore... Dean?I hate it..

Xiaoyun? Xiaoyun,
are you okay? Is there
any discomfort? Do you
want to check it out
now?

Maybe my aunt
is coming soon...why
are you so panicked?
Had another nightmare?
? Am I okay? I just have
a little stomachache.

What a
strange dream...
Haha, just fine,
fine, fine... No... I
don't know... Was
that a dream?

Should we do it again now? The whole person is so silly and so cute! Hee hee hee, Dean, you are so weird today.

I wonder if the baby in my belly will be as smart as me? Look, isn't this a satisfactory solution? I really look forward to the day when he is born, hahaha! I am indeed a genius!

To be continued
