

at
night

The missing persons are all men... They were seen having contact records with the suspect on the day of the incident... The police have the latest clues, and they are significantly related to the recent serial disappearances. This woman is not only suspected of the recent attacks

It is not ruled out that the woman is a member of a criminal group... At present, the police have initially targeted several suspected activity areas.

It's great that the prenatal check-up ended successfully! Hehe, my wife has worked hard today and her palms are sweaty. Fortunately, Director Wang is very experienced. I saw you frowning all the time during the prenatal check-up.

Hahahaha I was laughing so hard! Are these men too useless? I can't even deal with a woman,

Hmm...but I can't see clearly...Am I overthinking it? Huh? This person looks like Witch Ginger, right?

Waaaah! Who is
back? Are you going
to scare me to death
by slamming the
door so hard?

bump!

Don't talk to
me... Let me go to
sleep for a while.
It's me... I'm
back... Haha...
I'm so tired.

My good daughter,
why are you free to go home
today? Internship must be very
tiring, right? How about I go
heat up a dish for you?

No...? Wait...
you, your belly
is...?

Stare
wide

Why didn't anyone tell me? Have you forgotten that you have me as your daughter? What the hell is going on here? Dad? Really? Are you pregnant? ! Mom, you've been pregnant for several months now.

~~How could I forget~~
my baby girl, don't you
think? I think it would be a
good idea to just wait until you
find out by yourself and treat it
as a surprise. Hehe, Yingying,
don't worry, dad knows that
you are busy with internship
this semester and have
no time to go home.

She shouldn't mind too much, right? It's really hard to be a mother... Anyway, female college students have so many things to do... I haven't seen Lao Zhou's sister for so long that I really forgot to contact her....

Wuwuwuwu...No one in this world takes me seriously! I'm done!

Why? What's wrong with you? What's there to be upset about? Really, it's just more siblings,

Did something happen? You'd better go over and ask? Wife, Yingying rarely loses her temper like this.

...I...Okay...I'll go upstairs right now...

**Come on, mom?
Don't make your
sister cry again!
Hahaha!**

**How dare you
laugh at me? I think
it's been too long since
you've been taught a
lesson! Damn...you
old Zhou,**

Room

Just thinking about those pictures makes my dick so hard! Ah... I couldn't help but start masturbating again... I couldn't help it. What happened at the gynecological clinic today was too exciting.

STO

trick

The leather gun is basically under my control. Hehehe. Anyway, Lao Shao can't wear leather now. I might as well have some fun occasionally like Lao Shaoyin.

Ta, da

A woman with short black hair, wearing a dark blue spaghetti-strap top, is peeking from behind a light-colored wooden door. She is smiling and looking towards the camera. Her right hand is resting on the door frame. To the left of the door is a white light switch on a light-colored wall. The door has a silver doorknob.

Hehe, what are you busy with, my good son?

Wow ah ah ah screamed to death!

Don't throw things here suddenly! Why did you come here? As for my sister... Wow!

Lao Shao, you want to mess with my family again? No way! This, isn't this my sister's skin?

I also have my own reasons. Oh, don't rush to blame me. ..

In the end, I really
couldn't ask, so I had to...
She just refused to speak. I still
don't know why she was unhappy.
You don't even know how angry she
was with me when I went to care
about your sister just now! I've
been coaxing her for a long
time

What can I do? Do you have to turn my sister into a skin again? You have to do it with my sister, right? Stop talking nonsense to me! It's not enough to take over my mother's body;

It's so perverted to
be so excited because of
my sister's skin! Just wear this
skin, it's for your own family!
Shhh... keep your voice down,
your dad just fell asleep, we
can't let him see us like this...
Hehe, what a hard cock

But I still have to face this kind of thing, I am really useless! I can share the worries for my sister, what should I do? Damn it, it's rare for my sister to go home, but Lao Shao was right, as long as she puts on the skin and gets her memory

take
off

It's so shameless. If I had known it, I would have given him a beating! He dared to say that he wanted to stay and admire me wearing my sister's skin. I was so angry! That bastard old Shaoyin always makes his own decisions

When was the last time you saw your sister this close? My sister's face seems to be getting thinner again. But...it's been a long time since I've been alone with my sister-for so long.

She looks so handsome and cute, she is indeed my good sister! Over the past year, my sister has been busy with internships and job hunting. Despite this, whenever I see my sister who is dressed maturely and is as smart and capable as my mother, she spends less and less time at home.

Even the colorful life
of a female college student
belongs to me! Yes...this skin is
simply the ladder for adults.
Since my mother has been taken
away by Lao Shao, it's better for me
to come too. Speaking of which...in
fact, as long as I wear my sister's
skin, not only my sister's
beautiful appearance

**It's so bad! No, no!
What am I thinking? That's
my biological sister! How
could I do this? When my
sister was sad and helpless,
she only thought about
how happy she was,**

No, I've thought it through!
Absolutely no wrongdoing! Yes...It's
enough for me to have a mother! I will
definitely find a way to get my mother
back as soon as possible! I did all
this just to help my sister

My body is also changing...but I really want my sister to experience the fun of wearing skin! Although it's a bit unethical to say this, ahh... the lower body is tightly covered by my sister's skin.

My body is also changing...but I really want my sister to experience the fun of wearing skin! Ah hiss...the lower body is tightly covered by my sister's skin, although it's a bit immoral to say so.

I really want to wear it slowly and savor it all carefully... But the process of gradually occupying other people's bodies is always so exciting. If there is nothing serious to do, phew... Even though it is my own sister

The pleasure of violating others, and the guilt in your heart... No one except Lao Shao can understand this kind of abnormal psychology, right? My good sister, can you understand my mood?

We are about to become one! Ah... my sister's face is close to my face, the tender and soft touch is really amazing... sister

**Yahoo~ I've become a
sister again! My sister's
leather is still so
comfortable to wear!
After so long**

Let me think about...
my sister's usual outfit.
Hmm... I always feel that
something is missing.

Put
on

But compared with leather cases, they are still much easier to wear, hehehe! Hehe, this is right! Although these stockings are a little tight,

Isn't it too sexy? What if you meet a bad guy who wants to do something to your sister? , Does my sister really wear this set of black stockings when going out?

I hate it, my sister won't feel so good... Then I put my hands into my clothes and rub them wantonly... Ahhh... damn... those bad men's hands will definitely be like this... ummm... touch all over my sister's body.

Haha... I can't stand it anymore... Just imagining it makes me so sensitive that I can't bear it... Sister... how can you bear it? Could it be that you would also put your hand into your pussy like this?

He is indeed my
perverted best friend
Lao Zhou! Have you almost
forgotten your mother? Hey,
even my own sister is so
horny, hahaha! If I don't
speak out anymore,

I don't care
about my own sister!
No...I-I'm just cultivating
the atmosphere! In this
way, you can get the
memory faster later..
Efficiency is the first.

A hemp

Could it be that
he has been peeking?
Oh shit! This guy really
knows how to show up
at the right time.

It's a shame that you're the only one enjoying it! Then let mom help too! Hehe, since it is a nurturing atmosphere, it is rare to see my daughter dressed up.

STOP!

Anyway, you just want to take the opportunity to eat my sister's tofu, right? Why! No, no, no!

You...what
do you
want to
do?

I can feel it here. Just ask
your mother to help! But believe
me once. Your mother is anxious
about your sister now. Lao Zhou, I
know that in your heart I am a
trouble-making bastard.

Hee hee hee! Then
ask your daughter to serve
her mother's big cock first!
Well done! She is indeed
my good daughter!

Damn...when
did you take out your
dick? ? Don't even
think about messing
around!

My cock feels so stuffy inside, I'm not doing this just for my own pleasure! Now your mother's belly is growling more and more every day. Don't get me wrong.

Can you do your mother a favor? My good son? If you don't vent properly, you might even put pressure on the fetus! Just do it

It's really unbearable... I feel so confused inside... But looking at my mother calling me pitifully, it's disgusting... Even though I know the person in front of me is not my mother, you old Shaol After learning how to imitate women, they become more and more presentable.

!

If you dare to challenge my sister again in the future, you will be dead! Did you hear that? Only this time! Listen up! I'll only help you this time,

step
on

She is truly a good daughter whom I trained with my own hands! Oh my god...It makes me so happy! This foot stepped on it just right. The cock was pressed under the soles of the silk feet and became even harder.

Hehehe, the black stocking OL who was taken advantage of by Lao Zhou's sister before is really not something to be underestimated! Having served my body so many times, I only now know how powerful these little feet are.

Wow... my cock is so stepped on that it's leaking juice... If I step on it like this, it shouldn't press on my mother's belly, right?

By the way, should I start masturbating soon? Just stepping on the dick can't get your sister's memory at all.

Didn't you learn from it after I made you happy so many times before? Why is it that the more you step on it, the more boring it becomes? Be enthusiastic when serving others! Hee hee, I told you, Lao Zhou, stop keeping such a straight face.

Clam?
W-what
did you
say?

Lao Shao, you
bastard...you have
the nerve to ask me to
be more enthusiastic?
Okay... In this case, I
don't want to think
about who caused
this situation.

How about this?
Don't tell me to stop
later! snort! You think
I'm stepping too
hard, right?

live in
gray

Poof,
poof,
poof

My silky feet were all wet and sticky, so kind! The soles of the stockings were stepped on so hard, squirt, look whose perverted cock this is, even the juice is flowing down.

Oh oh oh... you
can't do this suddenly...
it feels so good... your cock
is clamped tightly by the silk
feet... it will be too exciting if
it continues to be rubbed
by the stocking soles.

Haah,
haah,
haah

My cock is getting more
and more sensitive...ahhhh...no,
I can't break free...I feel like my
whole body is heating up.

snap

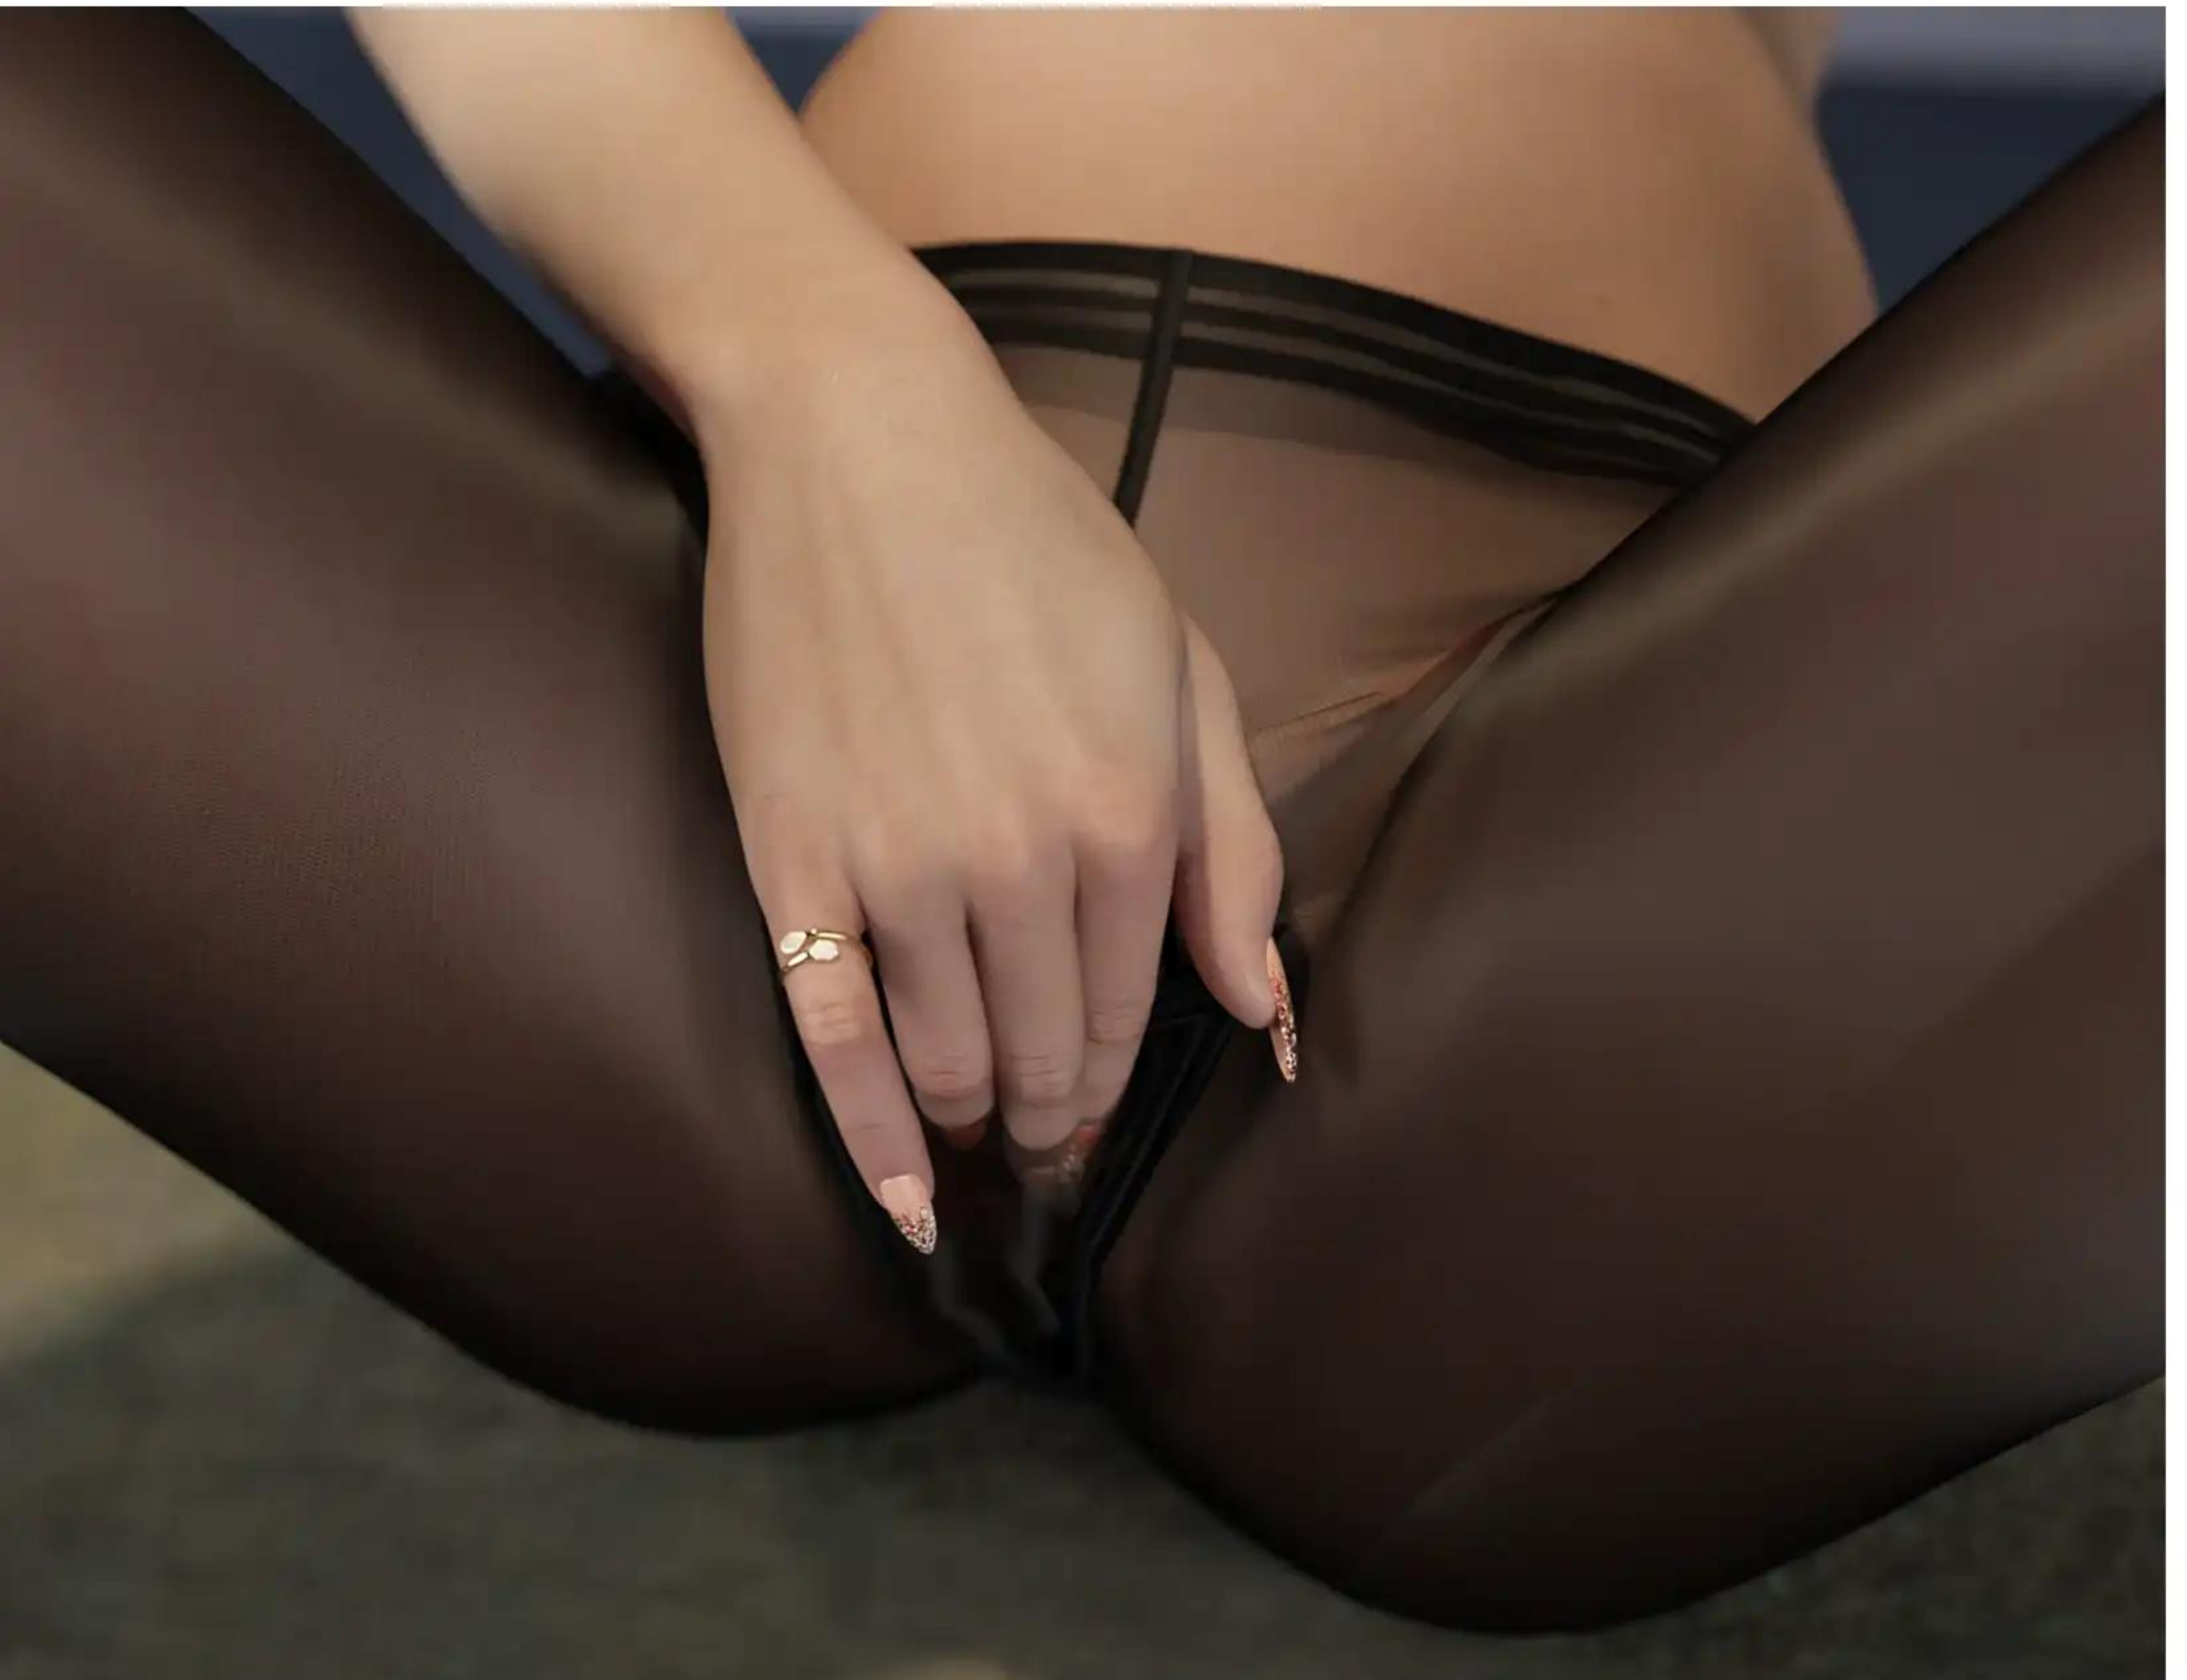

Hehehe, there shouldn't be another pair of pervert mother and daughter as lustful as us in this world, right? My good daughter, look! You played with your mother's pregnant breasts until they dripped with milk.

No way... Mom was so happy in front of me that her milk dripped out. Is a footjob with black stockings really so comfortable? Ah...this picture is so erotic, I can't stand it anymore

Why is my pussy still
so wet? I clearly know in
my heart... why... no... the
woman in front of me is not
my mother. My mother would
never show such a lustful
expression... ah hiss

Mom, Mom...
We haven't tried
this position yet...
Is it
comfortable?

Turn
over

No, no, no... I
can't continue to face
my mother's arrogance...
I obviously just want my
mother to smile... I really
won't be able to stand it if
I keep looking like this.

The cock is wrapped by the soles of the silk feet... It's really better than the last... oh oh oh... It feels so good... just like in Rui Heisl's pussy... Hehehe, good job! Lao Zhou, you have a lot of tricks up your sleeve.

!!STOP

How can I bear it? Such beautiful scenery is right in front of you,

Wow, why did you suddenly ride up? No! My sister already has a boyfriend!

Sure enough, both mother and daughter are born to be cock holders! Ha ha ha ha! Ahhh... she is indeed my daughter. Even if she is not a virgin, her pussy is still so tight.

It's too thick... Being penetrated by such a thick cock makes... no, it can't be done so hard... ah... my sister's pussy will be damaged!

My body doesn't obey my orders. All I want to think about is being fucked hard by a big cock. I can't stand it anymore... My butt is numb from the impact.

**Knock,
knock**

**Wife? are you
in it? Why haven't
you gone back to
your room to
sleep so late?**

You should have
fallen asleep, right?
I...I'm about to sleep too!
Only, only me! After my
mother finished chatting
with me, she left

Um? Is it Yingying? How
are you, mother and daughter,
doing now? Dad, can you go in
and see if you are okay?

I...I'm tired and want to sleep...ahh...and I'm not wearing any clothes! This... this is so exciting! Hey... Dad, don't come in!

Haah,
haah,
haah

My dad is right outside
the door...haha...can you
show some respect? Lao Shao!
You...uh huh...don't move any
more!

Fuck
quietly

Haha, how could I let go of
such a good opportunity? Just keep
your mouth shut if you're afraid of
being discovered, hee hee hee!

Ha...Dad...Everyone has been busy all day...just go to bed first...Oh oh. I will make a delicious breakfast for you tomorrow. Hum...I love you!

Okay, if nothing happens, I'll go back to sleep! Haha, Yingying is so considerate!

Haha... I'm still so
sleepy... Go to sleep...
Auntie? Why did I get out of
bed in the first place? I
forgot...forget it...let's talk
about it tomorrow...

bang
bang bang

Yeahhhhhh! No more, no more! My daughter loves having her pussy filled with big cocks! Being pressed against the door and being fucked like this, I...ahhhh...how can I hold it back! My good mother! Hurry up and hit someone's butt hard!

Sure enough, I inherited
the sass from my mother!
Xiao Gui Xiao, letting mom hold
Rui's acupoint feels quite good! Ha
ha ha ha! My good daughter twists
her waist so much. It's a pity that
she didn't inherit her mother's
big breasts... Hehe,

Pah,
pah,
pah!

Ahhhh... it feels so good... my cunt is sucking the cock tightly... but my cunt is undoubtedly a sperm extraction machine. I can hardly move my waist! Uh oh oh... I'm going... I'm going to be sucked out. Although Lao Zhou's sister is not as tall as her mother,

Ah hiss... cum, cum!
Creampie in my
daughter's pussy!

ejaculation

tremble

Ming Ming Ming... I can't stand it anymore... My feet are so weak... I can't stand anymore... If this doesn't help my sister... Lao Shao... I'm not done with you... It's too much... I actually ejaculated in my sister's pussy...

**The target is...Witch Ginger?
How is that possible! ? Uh-oh...my
sister's memories flowed in...huh?
What the hell...My sister's boyfriend
disappeared after cheating on her?**

Snort...snort...

squeak-

Snort...um...snort...

..
Such a big thing happened, and you actually said you didn't expect it? What was the result? Everything was smashed! This has all made the news. You see, I trust you so I entrust you with this important task.

Yes...I'm really ashamed...This is all my dereliction of duty...

Yes, I know, I will take care of the problem!

Wow!

In the end, you have to rely on yourself... Oh, really, I accidentally made a joke. Speaking of which, that little brat named Akai is useless! I can't even manage a woman, and I got scolded by my boss! Humph, I still have high expectations for him.

Do you think so?
Mr. Husband? Or
should I call you
Subject 16?

Haha...wife...it
doesn't
work over
there...

Hulu...Hulu.

Hee hee, how sweet
your sleep is... probably
you won't be able to sleep...
if you knew what would
happen next to the
person next to you,

It's not easy to
make ends meet
these days... Hehe, but
if I don't do this well, it
should be my turn to
be the loser... ,

There are still a bunch of female teachers waiting for me to catch them! Hahaha! Let's finish the work here quickly. Well, I don't want to think about it anymore.

To be continued
