

Room

It seems like something is flowing out from the vagina again. I feel dizzy...wait...it's too confusing...ahhh.

Did you see anything exciting in your sister's memory? Um? Lao Zhou, are you okay? The reaction this time seems to be particularly intense.

My legs are so soft
from your flesh... How
can it be okay... Damn...
You still have the nerve to
say... My sister's slender
figure is not as durable
as my mother's.

Now I'm more concerned about the scene I saw in my sister's memory. It makes me unable to concentrate... But compared to this, the disgusting and orgasmic feeling continues, and my pussy is numb.

Why does my sister's boyfriend get together with...Witch Jiang? This is the first time I've met my sister's boyfriend. I never thought it would be in this way. The two of them were talking and laughing, and they looked so close... having said that.

My sister's boyfriend cheated on her with the witch Jiang? Isn't this too strange? Is this why my sister is sad? But...Witch Ginger?

..I always feel like
I've seen Witch Ginger
somewhere...ah! Strange
woman on TV news! That
must be the Witch Ginger!
This makes sense!

ah?
Where is
the witch
ginger?

PP

But do you look like
Witch Ginger? It's the
latest serial disappearance
case! My sister's boyfriend
must be with the witch ginger!
Maybe he was kidnapped!
Didn't you just read the news
report? Look! Although
this video is very blurry,

I don't know what to do now...huh? Wait... Could it be that... the last time I saw him, he seemed to be having fun wearing Witch Ginger's skin, um... Witch Ginger... Speaking of which, I haven't contacted Akai for some time.

Could it be that
something happened
to Akai and Witch
Jiang??

Go find him now and ask him clearly! How can that work! After all, Akai is a good friend who has been with us through thick and thin, and this is also related to the matter of my sister's boyfriend. We must not sit here and wait for death.

I think we should...
recuperate our energy and
fight again tomorrow, right? If
something really happened and
there wasn't even a soul outside,
it wouldn't be a bad night! Hee
hee, hey, don't be too anxious
first, it's midnight now

I'm almost drained...You, how can you recharge your batteries like this?

But I really have no energy... Damn it, this bastard Lao Shao doesn't care about my sister at all. His hands and feet can't obey the command... Okay... Just have another night's rest.

next
morning

Hello~I'm
coming
in~

Are you still
sleeping? Akai? Akai?
Why doesn't anyone
answer the doorbell
after I've been ringing
it for a long time?

To save him from making things more troublesome after seeing Akai... Sigh, I feel so sleepy... But I have to go back and catch up on my sleep later while Lao Shao is asleep! Come over and take a look while it's sweet

? Strange... She should still be at home at this time, right? Could it be that something really happened? Why is it so quiet at home?

真

Huxuan

Why did
someone fall
here...? Akai?
Is it you! ?
Waaaah!

Why are you lying
naked on the ground?
Is that really you in the
news? Akai? What
happened to you? Akai?
Hello! Wake up!

Bang
bang!

Uh-huh...um...

Hey, wake up!
Akai? Can you
hear my voice? I
almost thought you
passed out! Great,
you are too
asleep,

Hoooooooooo!

Depend on! Akai, are you crazy? Let me go! How could anyone hit someone as soon as they woke up?

Wait, what are you doing... Hey! Don't you recognize me? Akai? I am your good friend Zhou Ming!

Black silk pussy oh oh oh!

When did your cock
get to this size? Wow! So,
so big! And don't point
your dick at me!

erection

Roar
oh oh

I'm going to be
penetrated by that big cock... Oh
my God! Is this guy really Akai? I
can't seem to understand people
either... Oops, did I mess up
again? He looks like a wild
beast

I don't want to be rejected by this imbecile! Unexplained rape! Get out of here! It's okay to be taken advantage of by Lao Shao in various ways.

I can't get away no matter what...ahhhh...it's disgusting, my pussy is so wet again! Oh shit! This guy is really strong and hard... I can feel the thick and hot cock rubbing against my hole.

dawdle

I'm going to cause your body to suffer again...Sister...Zhou Ming can't help you...Is it really going to be violated? Wu Ming Ming... If I had known earlier, I would have called Lao Shao together.

Ta, da

Where are the bad boys who bully others? The strongest pregnant woman in the universe is here! Ha ha ha ha! Don't be afraid, kids! Get ready to be caught and spanked by me! Hee hee hee!

Lao Shao! You really came to save me! You are the smartest and most powerful friend I have ever met in my life... Ah yes! Shoot him with your gun! Hurry! This witch Jiang is fake, he is definitely not Akai! I take back the bad things I said about you before,

Otherwise I won't save you next time! As for this crazy little bitch. Hehe, what are you talking about? Lao Zhou, the smartest and most talented best friend, remember this for me. I have always been the most handsome and handsome person you have ever met in your life.

Sizzle!

Let's try the power
of the leather gun first!
The fun is yet to come! Pooh!
I don't care who you are,
anyone who dares to bully
my friends deserves to be
severely punished.

Do you look
as neat and
stylish as a movie
star? Hehehehe,
how about it? Is my
rescue effort
powerful?

..Lao
Shao...something
doesn't seem
right...

Oh hoo hoo hoo hoo
hoo hoo hoo hoo hoo hoo
hoo hoo hoo hoo hoo hoo
hoo hoo hoo hoo hoo hoo
hoo hoo hoo hoo hoo hoo
hoo hoo hoo hoo hoo hoo
hoo hoo hoo

He, isn't he supposed to turn into skin? Why did you get up like nothing happened? He was still staring at us, so scary!

Back

How could it not work? Damn...
I don't understand why... As long as you
are hit by this beam, your true form will
appear? No, impossible! I had obviously
adjusted the parameters of the leather gun
before I came here. No matter who is
wearing the leather gun,

knock

Still? When did I back into a corner? Not good..I always feel like something bad is going to happen.

Damn... watch out! Didn't you see there was a baby in my belly? Lao Zhou, come here and help! Yeah! I knew this guy was going to get me!

Bang!

stiff

Damn it... I don't care about that anymore! Um...you want me to help? What can I do? But even Lao Shao couldn't do anything to him.

Snap!

...Huh?

Ahem!
Crazy
woman! Look
here!

Ahhhh! Let my mother go! Whatever you want to do, come to me! Look, this is the fresh pussy of an active female college student!

No matter what, he cannot be allowed to attack a pregnant mother! Now only I can protect my mother,

Oh oh
oh oh...
fart...
pussy...

Oops... I still want
to experience how
powerful that big cock
is...? Is that all?

Don't just go all the way in...get in!
Help! Yeahhhhhh! Slow down, slow down, your cock is too big

insert

The pussy is stretched open... Haha... the neck is strangled so tight... I feel like my body has become light and airy... so, so comfortable... It can be inserted directly into the deepest part... so thick

The inside of the pussy is so numb...
No, the big cock keeps hitting my sister's butt
hard and it will break if it continues to be
penetrated by the big cock... My sister has
never experienced such a huge cock!

Bang
bang bang
bang
bang!

Haah,
haah,
haah

I can't bear it anymore...ahhhhhhhhhhhhhhhhhhhhhhh... harder.. Use your big cock to penetrate your sister's pussy! What I like most is being fucked by a big cock! Oh oh oh so cool! Every thrust goes so deep! No more

It seems pretty exciting now, right? Damn it, what medicine did Lao Zhou take today? I was still crying for help just now,

caress

moist

Gee, Lao Zhou, this sultry little pervert... Look at how good he is being fucked by the big cock. Ahhh. My pussy is getting wet just by looking at it.

Watching Lao Zhou being
fucked hard... But I don't know
why... Wait, I should go and help Lao
Zhou now... Screaming oh oh oh. It
seems to make me more excited...
Ahhh, it feels so good... My pussy
is getting more and more
sensitive!

Puff,
Puff,
Puff.

Otherwise, you will miss this great show! Hahahahaha! It was really exciting. I hid first to check the situation. Fortunately, I was smart just now.

...Excuse me...Who the hell are you?

Ta da, da
da, da da

A digital illustration of three nude women with dark hair styled in buns. They are standing in a room with a brick wall on the right. The woman on the left is speaking to the other two. The woman on the right is looking at the woman in the middle.

Don't be anxious,
everyone...take your
time one by one...don't
crowd!

Damn...I
can finally go
out...my legs
are so
numb.

I'm hungry.
When will
breakfast
come?

Where did
so much witch
ginger come
from! ? Damn it!
It's so scary!

Lao Shao! You
are Lao Shao, right?
He is the one who
turned me into this!
This is all the fault of
that crazy woman. I
am Akail you listen
to me

He forced us to
be fucked by Lao Li all
night long...ahem...oh
my god, my pussy is still
swollen even now! He
locked us all up here

You said that the
witch Jiang who is holding
on to Lao Zhou now is actually
Lao Li? What is this? ? I almost
thought you were crazy! ah?
Are you Akai? Then the
other people...wait

You look better in person than in the photo! There must be a strong baby inside! Hee hee, this must be classmate Shao, right? I've been looking up at you for a long time, look at how round my belly is.

Forgot that I'm
still suffering
here...Mom,
damn...what a
hell...are
you...oh oh oh...

Snap,
snap, snap,
snap!

I still have many stories to tell you two... Oops! Isn't this classmate Zhou? How could I have forgotten you? You are our noble one! It's just...now I might have to trouble you to hold on.

Can't you see my friend
is suffering? Hello! Stop
talking nonsense! Let's talk
about saving him first!

I haven't finished
speaking yet! Ah ah ah ~
Madam, don't worry,

Ahem...that experimental subject...you call him Lao Li, right? In short, your friend Akai is right because something went wrong in the leather gun experiment. We will explain the detailed process later.

It will not stop until you are completely exhausted! As a result, Lao Li mutated. Not only did he grow a ferocious cock, but he also rode on anyone he saw like a wild beast.

Lao Shao? What are you still doing there? Come, come and save me!

You must also be wondering what all this is about, right? It should be over soon! In order to prevent Lao Li from getting entangled with everyone, I can only ask your friend to be patient for the time being. We already spent the entire night with Lao Li.

Should I believe what this woman says? Hmm... I don't understand what's happening at all. Akai said that she was responsible for everything, so this woman definitely knows about the leather gun. This is a good opportunity to ask questions... Hmm... What should I do?

after a
while

000

I had no choice but to bring everyone here to avoid the limelight... That's basically what happened.

Oh my god...a leather gun can actually do such a thing? I said your organization is too awesome! It's a shame you can still mess this up! Having said that, I have so much high-tech equipment in my hands

How hard it is to collect them one by one... Hey, don't you know that I am dealing with these people? Hehe, don't say that,

Speaking
of which...it
should be
almost over
over there!

snap,
snap

Wu Ming can't stand up... I beg you... I'm really dying... You should, you can let me go, right? Ah...have you finished talking?

Last night, Akai and the others were so fucked that they begged for mercy! Congratulations, it's successfully concluded! As expected of classmate Zhou who has experienced many battles, he managed to drain this beast dry in just a few strokes.

Lao
Zhou? Lao
Zhou, are
you okay?

My sister's pussy
is still not closed
yet...is this okay? You
guys are so cruel...
wuwuwu. You actually
left me alone to be
fucked.

It's time for you to keep your word and restore us to our original state! The story is over and Lao Li is at peace. Hello! Xia Yinyin! Now everything is done as you said

But
now...well...that's
really what I
originally
planned...

Ha ha ha ha! Let's have another grand party! How could I pass up this great opportunity to collect data? What a pity, I changed my mind! It's rare to bring so many experimental subjects together,

Chirp!

Let me think about it...how can I have fun playing it? How about letting all Jiang teachers grow futanari cocks? Or should we simply wake up Lao Li and find someone to insert into him? What about others? Hehehe, let's start the experiment with the most tolerant classmate Zhou first...?

Holy shit,
this came out
of nowhere...
What are you
doing? Let, let
go!

pull

Oh shit! I
knew it
wouldn't end so
easily! you! Why
don't you hurry
up and catch
him!

Oops, my legs
and feet are not very
good...you guys should
be gentle...hehe...don't
get excited...we have
something to say.

I can't touch the
equipment...squirt,
now...I can't move my
hands and feet.

You can't do any more tricks before you change everyone back to how they were before! Humph, what are you looking for? You lying bitch

That's fine...
It's my own
fault... What, what
do you want to do?
Are you going to
shoot me with a
leather gun?

Great...just
pull the
trigger...and
then switch
to me.

insert

Huh, do you think I will be fooled by the same thing? I want him to have a taste of what this feels like! Help me spread this woman's legs. Don't think that I just ignored you and didn't hear what you said. I heard you clearly! Listen, everyone

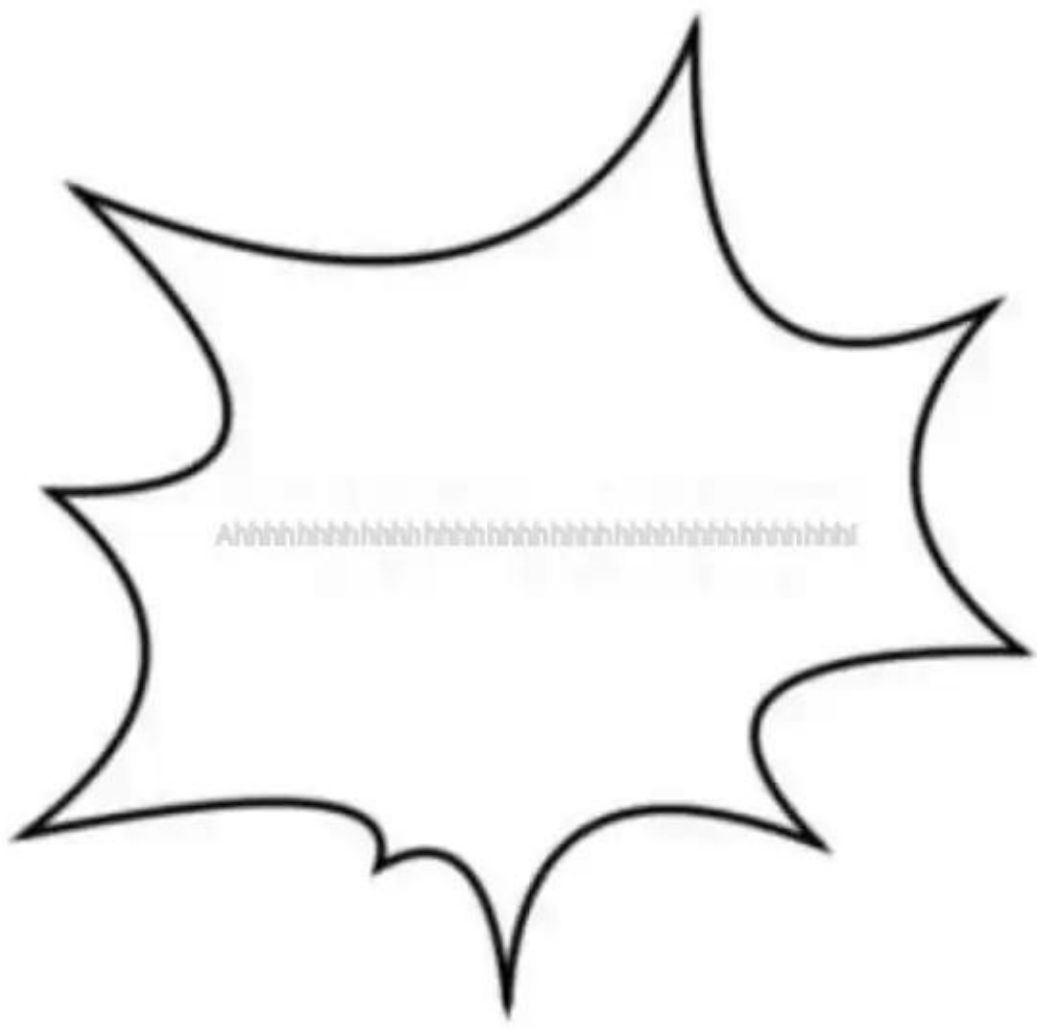

fall

You want to restore it to its original state, right? I've already prepared it! How about I let you change back to your original bodies now? Still? Is anyone listening to me? Don't get excited...wait...I-I'm joking!

It's too late! If you have anything else to do, wait till I insert you until you squirt!

Being caught with such a strong piece of meat actually makes you feel so happy, right? Humph, you slut, stop pretending to be pitiful.

Finally let me wait for this day! Damn this stinky bitch! Kill her to death!

Especially Lao Zhou, he showed a great expression! This feeling of watching him grow up all the way... is this youth? Look what everyone is laughing at, haha, what an exciting scene.

After a while

Akai~Have you dressed yet? Everyone is waiting for you!

Hey, don't make any noise, I've just started!

Why do I still need to wear skin? I'm really fed up with all this. I thought she was so capable, what! That woman said she wanted to change us all back to our original state.

Sure enough, I'm still a little resistant... I'm really tight-skinned. Have I gained weight these days? But I think about wearing my own leather cases in my life from now on, even though I have worn them countless times.

It's good to be back...nothing else matters...those days without dick were so
difficult.....
My dick is finally back! Woo hoo hoo... I don't know how long I've been waiting for this day.

"When the birds look up and smile, the days are wonderful."
Hahaha! Everyone had a great time playing with cocks! Sure enough, as the saying goes: Hehe, you are right! I see that after other people put on their own skins, nothing is more important than their own lives.

Uh-huh. Lao Shao...
please don't do it to Lao
Zhou. Where are the
others? How about dangling
your dick in front of me? I'm
still a little scared when I
see the Futan cock...?

His tendency to worry has not changed! Lao Zhou? He has already gone to find his sister's boyfriend! He said he was worried that the man would go crazy after waking up, so he rushed over to comfort his sister before she even took off her skin.

Where is that crazy woman
Xia Yinyin? So...what do we do now?
Should we just go back and live our
original life? I never saw her again. I
can't just let her go, right? Ever
since we forced her to hand
over our holsters,

Of course we're going to have a great celebration party! How about it? Sounds good? Hehehe, when did you worry so much? Things finally ended

Memories! I told you not to swing your dick and stick it against me!

The origin of the leather gun, the true purpose of the organization... What exactly do you mean by what you said in Yangshi? And that woman...Xia Yinyin, is the matter finally over...? The mysteries become more and more numerous

Humph, I will definitely find out... Did they expect all this? That's too much. How dare you make fun of my child! I thought the baby in my belly was just an accident

To be continued
