

Room

Qiyi—

Mingming? Have you slept?

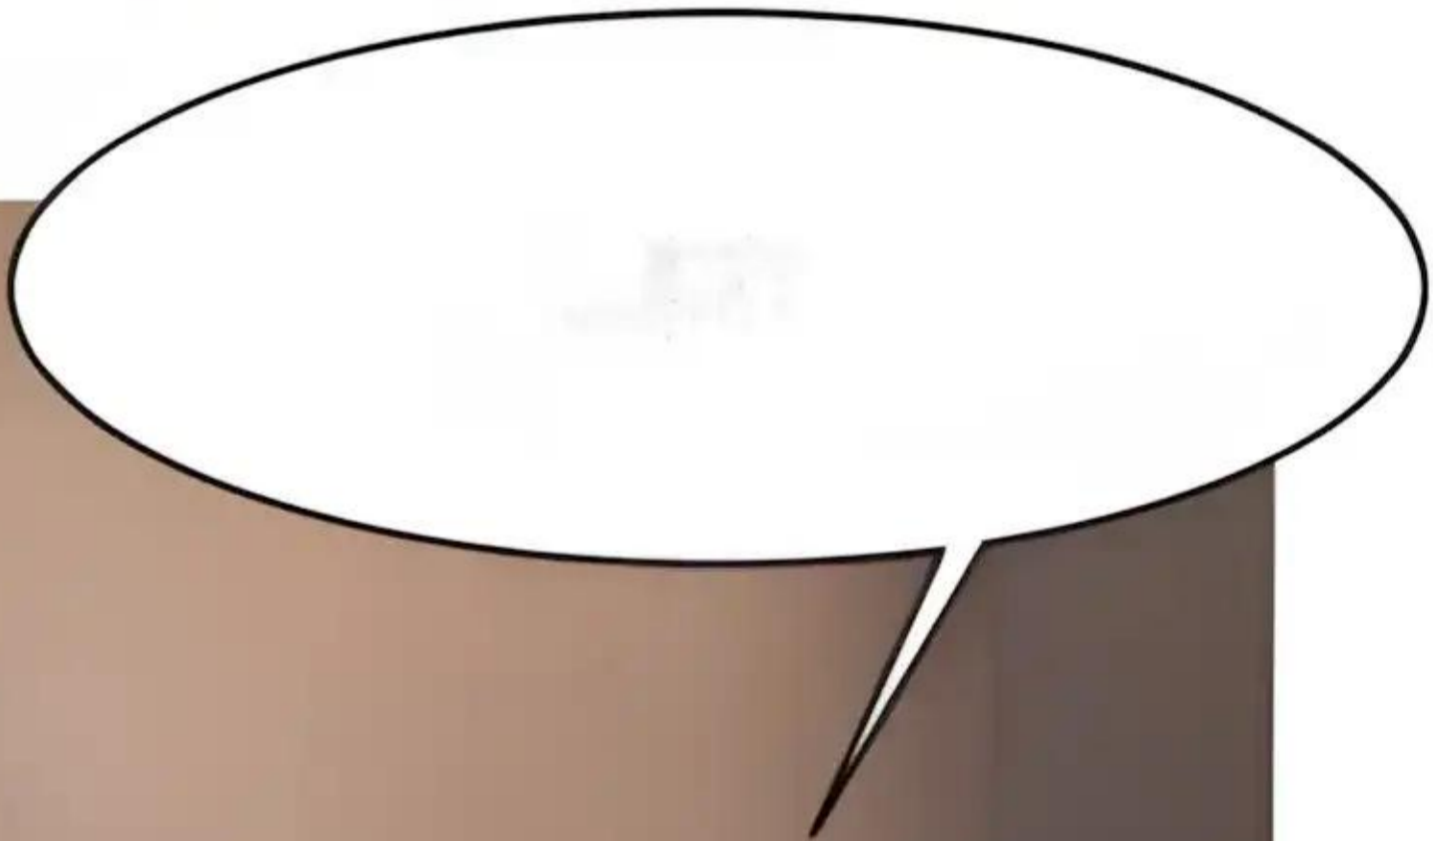

Didn't I tell you not to come to my room in the middle of the night...um...who is it? Lao Shao?

I felt inexplicably depressed, so I came to see you. Mom didn't know it was so late, oops...did she wake you up? Sorry, sorry, I woke up suddenly just now,

I won't disturb your rest. It's okay...just keep sleeping.

A 3D rendered woman with short black hair and a shocked expression, wearing a red, off-the-shoulder, lace-trimmed dress. She is standing in a room with a wooden headboard and white bedding. Her hands are clasped near her chest, and she has a gold ring on her finger. The background features a grey wall with a radial pattern.

Have I bought  
this style before? I  
didn't find it just  
now...? Hate it, why  
did I run out of the  
room wearing only  
my  
underwear?

Don't keep fooling me with the same tricks, okay... but can you pick the time? I'm really exhausted today. I said, Lao Shao, you can tease me if you want.

Belly...why is your belly missing? ? Has the child been born? Mom...no, Lao Shao!

What's wrong with my tummy...um...baby? Where are the children? My good son, are you sleepy?

Hmm...Looking at it this way, have you eaten too much recently? Why! Are you saying that mom is fat? My lower belly seems to have gotten really big.

ah? What kind of reaction is this?  
Do you think I'm a fool? Humph,  
you old Shao, I won't be fooled  
again! No matter how vividly you  
imitate your mother's expression,

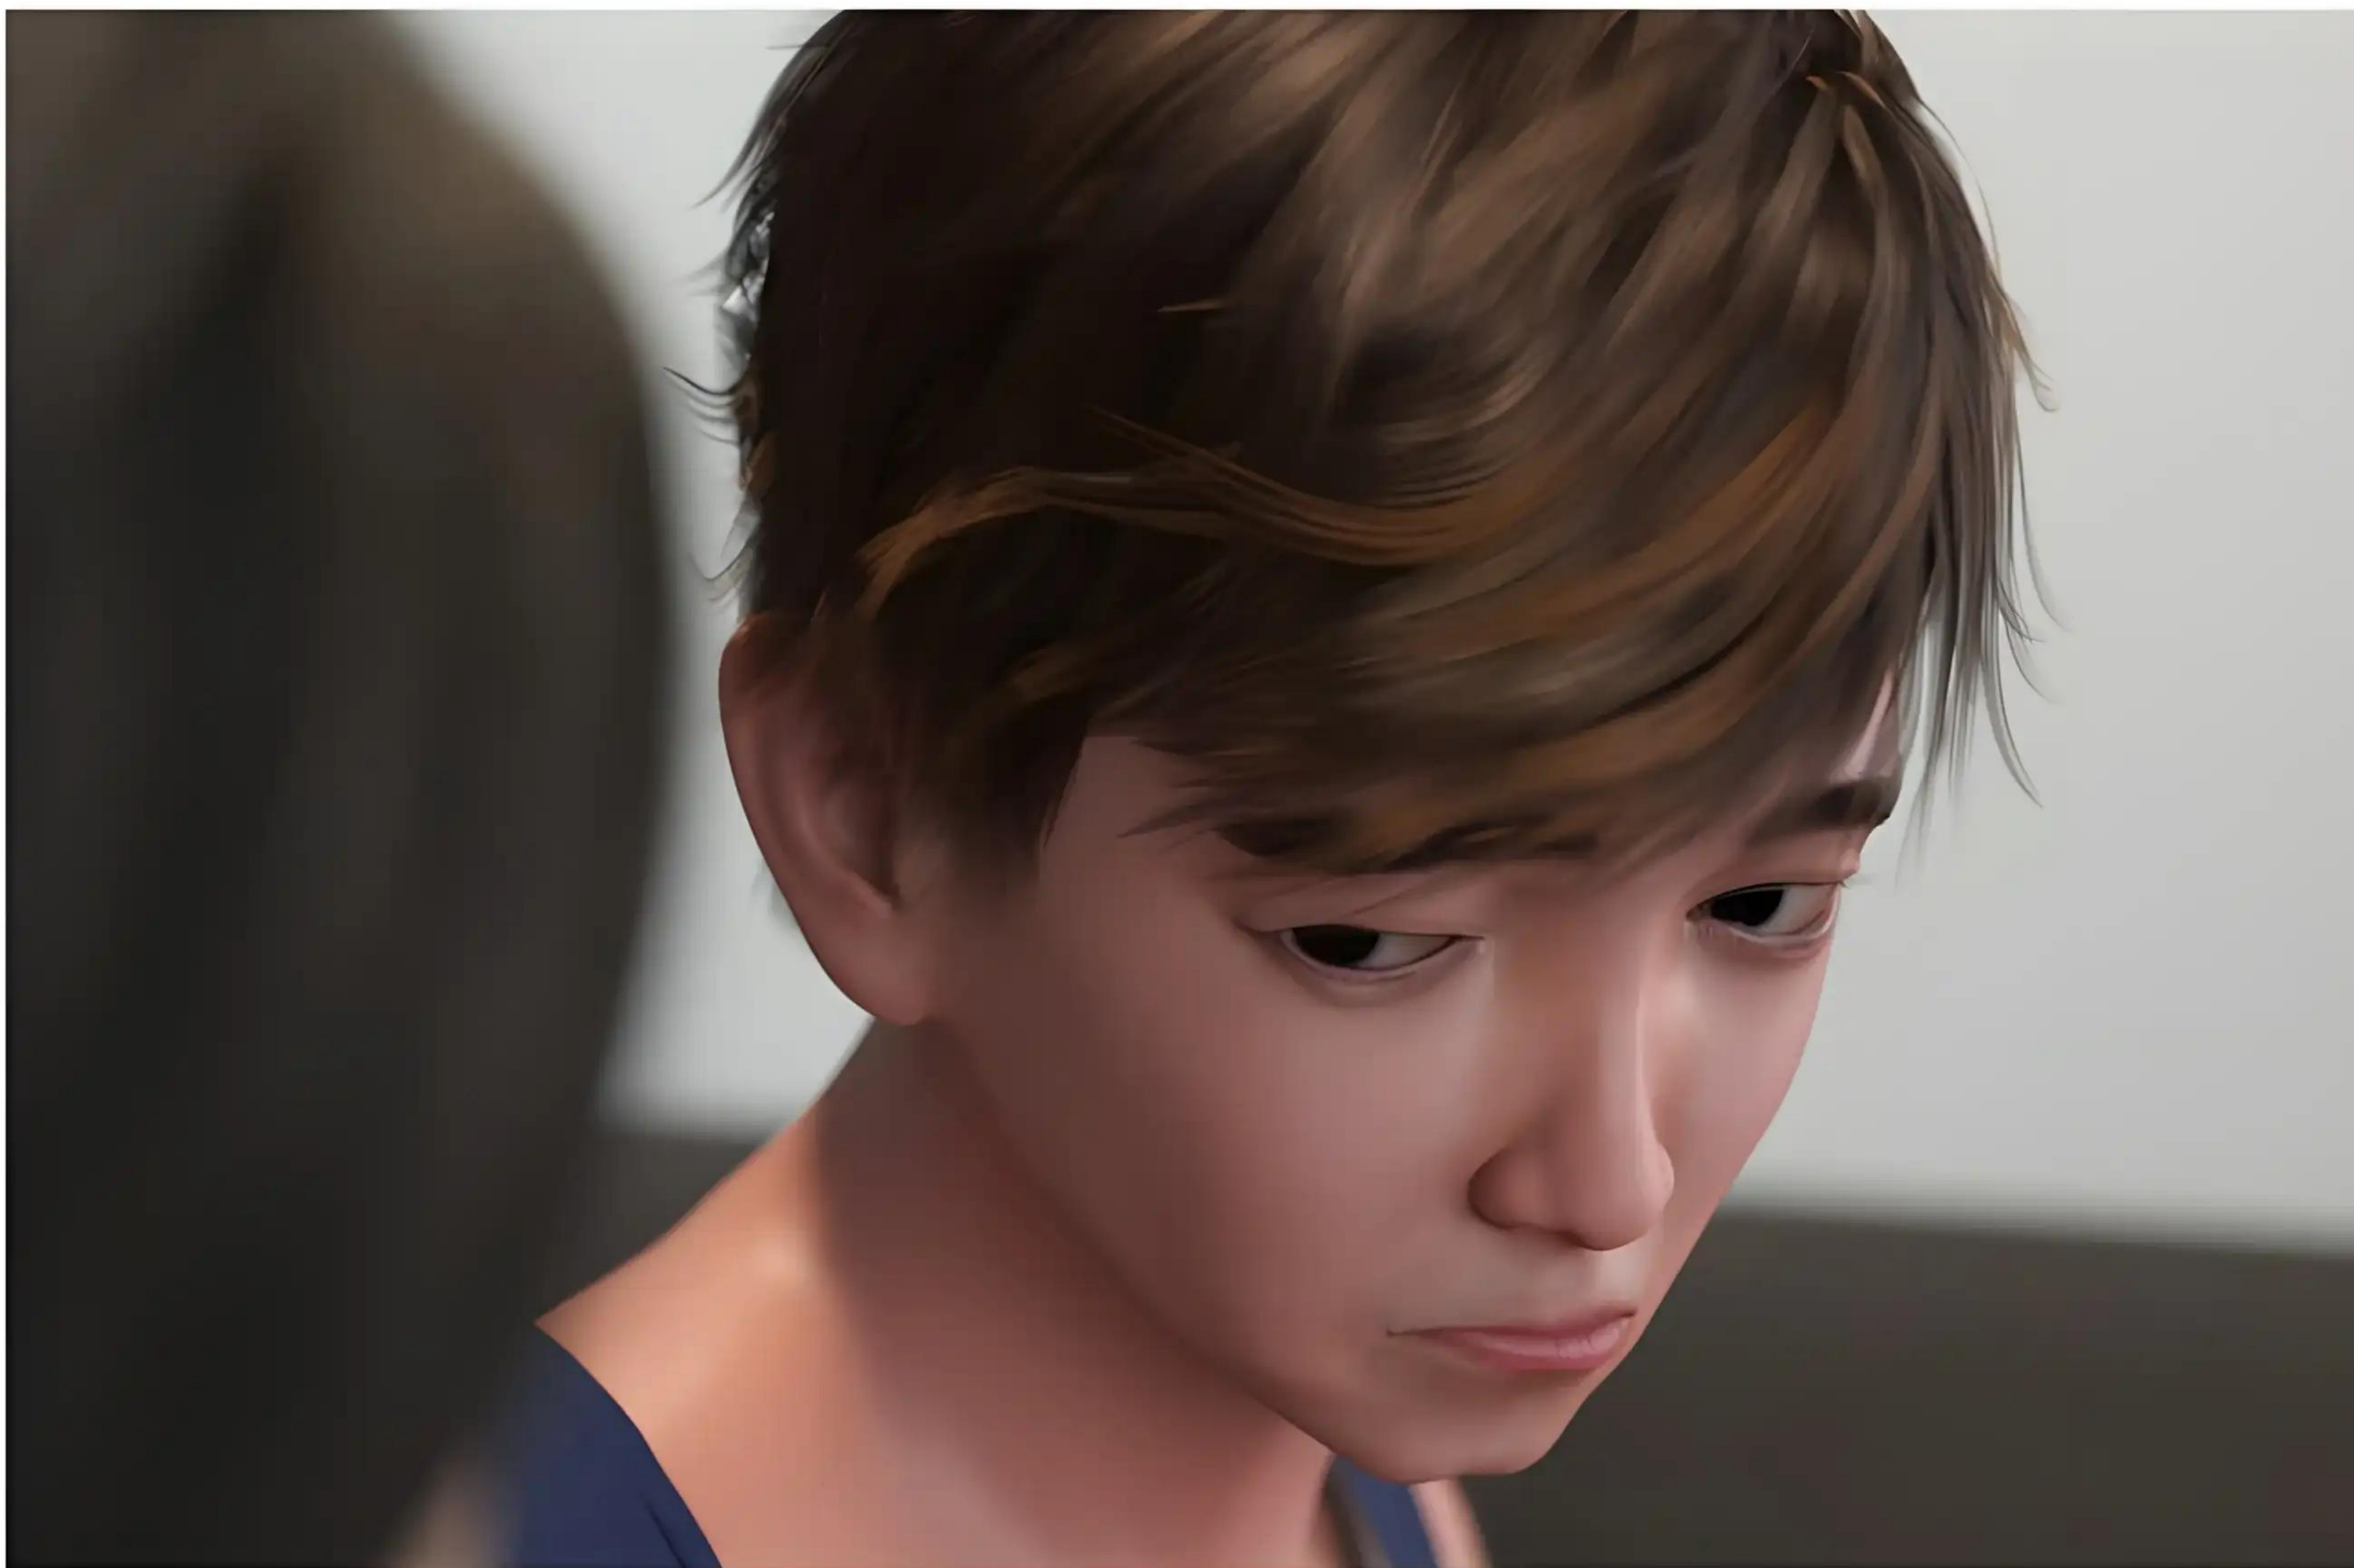

I've been looking at my pregnant belly for several months. Is it possible that this is Lao Shao's new trick? But to say this was staged... would be too weird! It's impossible to just disappear

But I always feel that something is wrong... My good son, why don't you look so good? Are you having nightmares and being scared like your mother? Although I have almost forgotten about it, I seemed to have had a particularly long dream just now.

Sigh... maybe it's really a nightmare... Are all the Jiang teachers running around just a dream? How can there be so many ridiculous things in real life? Well... What are you talking about in a dream... Could it be that my mother is pregnant?

You're not lying to me again...Mom...Are you really the mother?

Don't always scare yourself, you know? That's why I told you to watch less horror movies. Haha, silly boy, you really are having a nightmare.

This way of speaking...my mother is really back! It must be mom!

Mother! My mother... wu ming ming.. I miss you..

Hey, how old are you and are you still acting like a baby? There's really nothing you can do... Take... Mom is here

I won't let my mother be played with by others again... I will protect my mother well this time... Great... My mother is not pregnant... Finally everything is fine.

I'll scratch  
it  
first...sss...strange,  
why it suddenly  
started to itch  
down  
there...I'm  
sorry, son.

It's just  
like...this...how  
could my mother  
do such an  
indecent move  
in front of  
me...

Lao Shao! You fucking stop it! I won't let you continue to insult my mother! I'm serious!

It must be Lao Shao who is teasing me again! hatefull That's right, this person is not my mother,

Is this what I  
taught you...  
Hiss... It's so itchy... I  
have to see what's  
going on first... Hey!  
What are you  
yelling at your  
mother?

Why does it feel like it's getting hotter and hotter... Well... when was the last time I put my finger in it... Oh my God... is there always so much water in here?

Ahh... I feel more and more comfortable... Ah hiss... yes... right here... I think I've almost found it ...

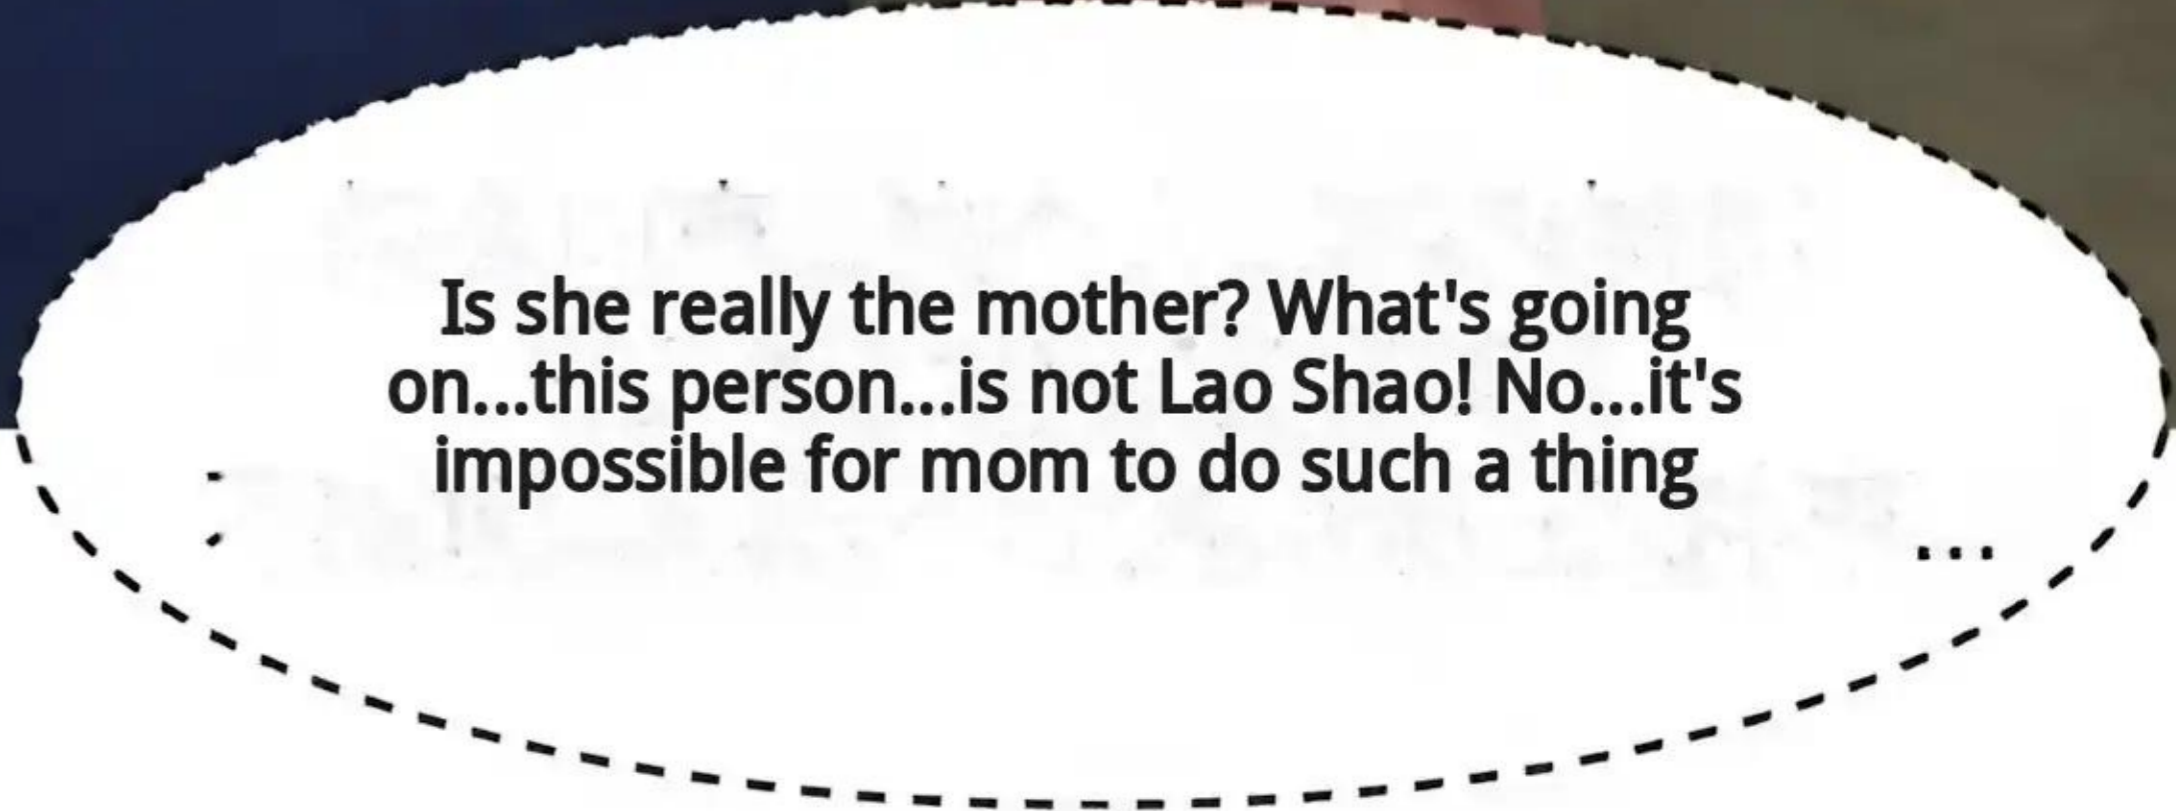

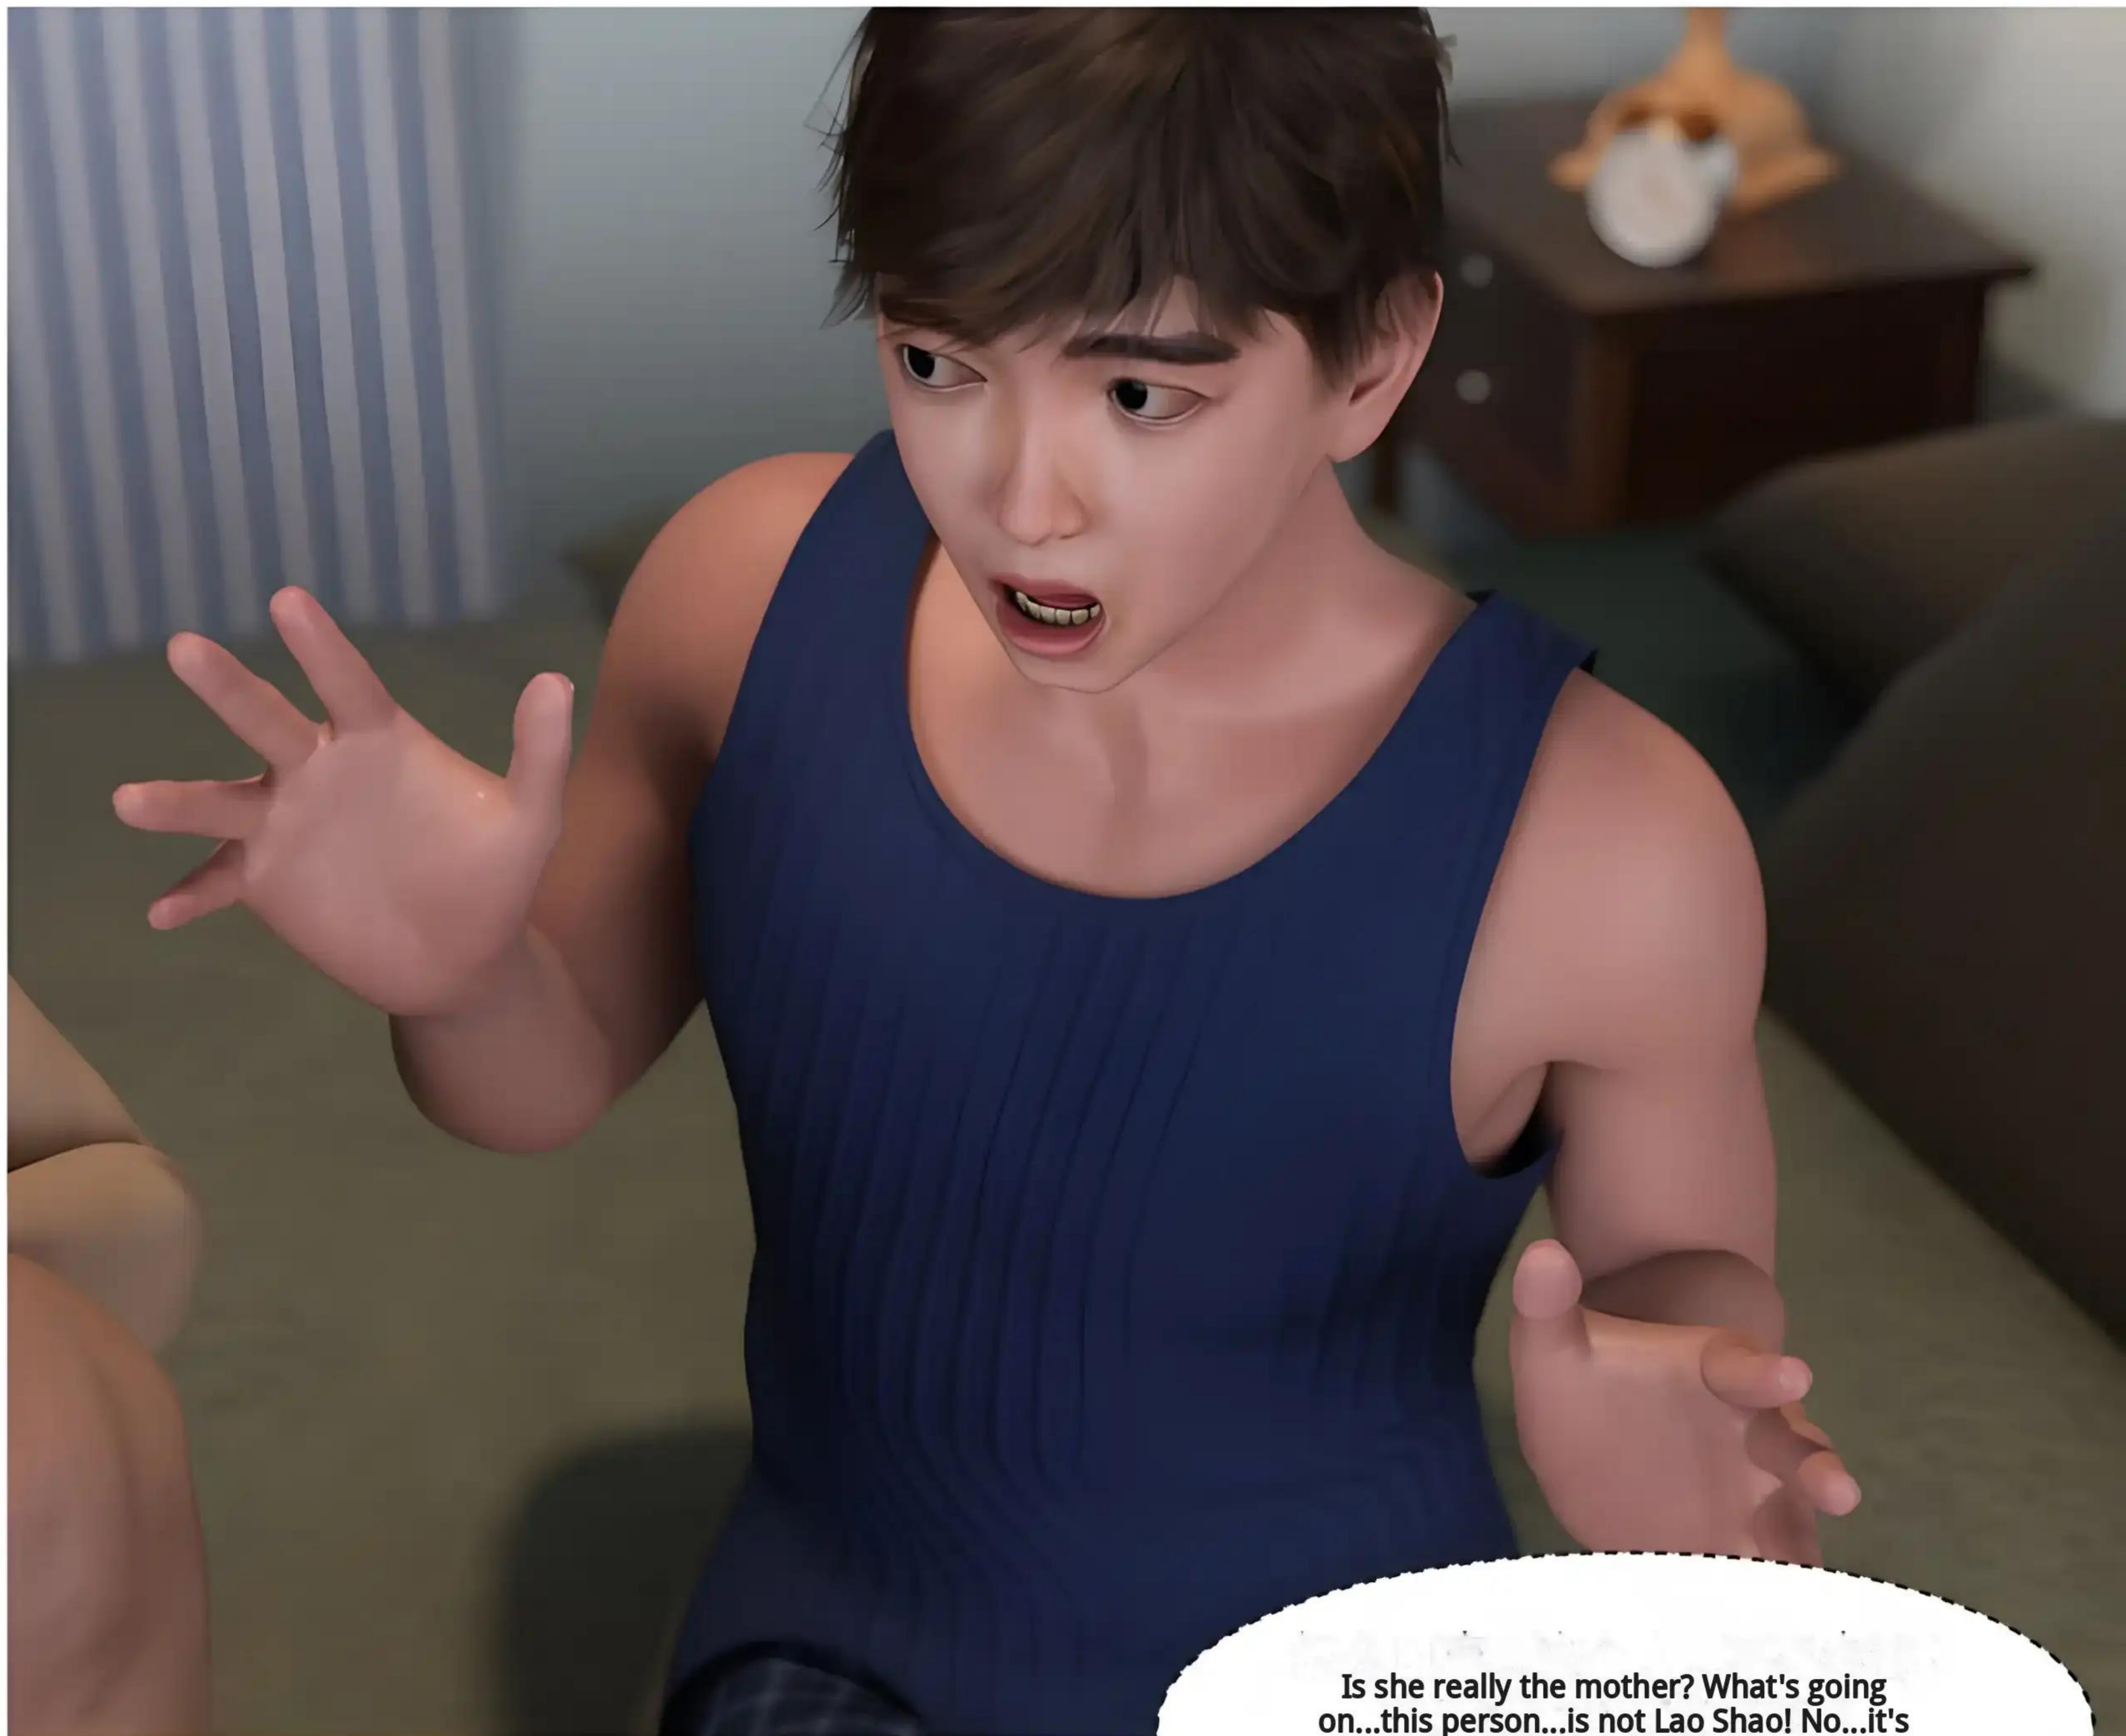

Pah, pah,  
pah, pah, pah,  
pah, pah, pah,  
pah, pah.

啪嗒 啪嗒 啪嗒 啪嗒

My pussy won't be itchy anymore...ah, it feels so good...Mingming...let your mother pick it for a while...the more you touch it, the more it will reach your vagina...oh oh oh oh! So awesome! It turns out that all it takes is a few taps like this

You can even  
pronounce your  
own mother's name  
wrong... Haha... So  
my juice tastes like  
this... It smells so  
good. I see you are  
really sleepy. ...

Hey,  
Mingming, do  
you want to taste  
mommy?  
Surprisingly  
delicious, haha!

I don't  
want... don't,  
don't come over!  
Waaaah! Mom,  
what are you  
doing?

Eat it~ Eat it~  
Are you so  
unwilling to eat  
mommy's semen?  
What's the matter?  
Is my good son  
shy?

No...this person is not Lao Shao, nor is he  
mother...but it seems like these two people...are  
integrated into one? I don't understand at  
all...what to do...who can help me?

Woohoo...don't...

惊醒  
wake up  
with a  
start

No ah ah ah ah! Mother!!

Hmm... Lao Zhou, what are you doing... Is it dawn yet?

Mom's pregnant belly...is back...so was that just a dream?

Hey, what are you doing? Hee hee... so itchy..

Great...it turned out to be just a dream!  
I can hardly tell which side is reality...  
It's so scary. There are so many  
ridiculous things happening these days.

A woman with dark hair, wearing black lace lingerie, is sitting on a bed. She is smiling and looking towards the camera. A speech bubble is positioned above her head, containing text. In the background, there is a wooden nightstand with a lamp.

Come on, tell me, what do you want to do to your mother? My son is so horny! I hate it. I just wake up and pounce on people.

Lao Shao, stop making trouble now, I have something serious to tell you! Do you still remember what that crazy woman Xia Yinyin said? The day before yesterday when we went to Witch Jiang's house to find Akai,

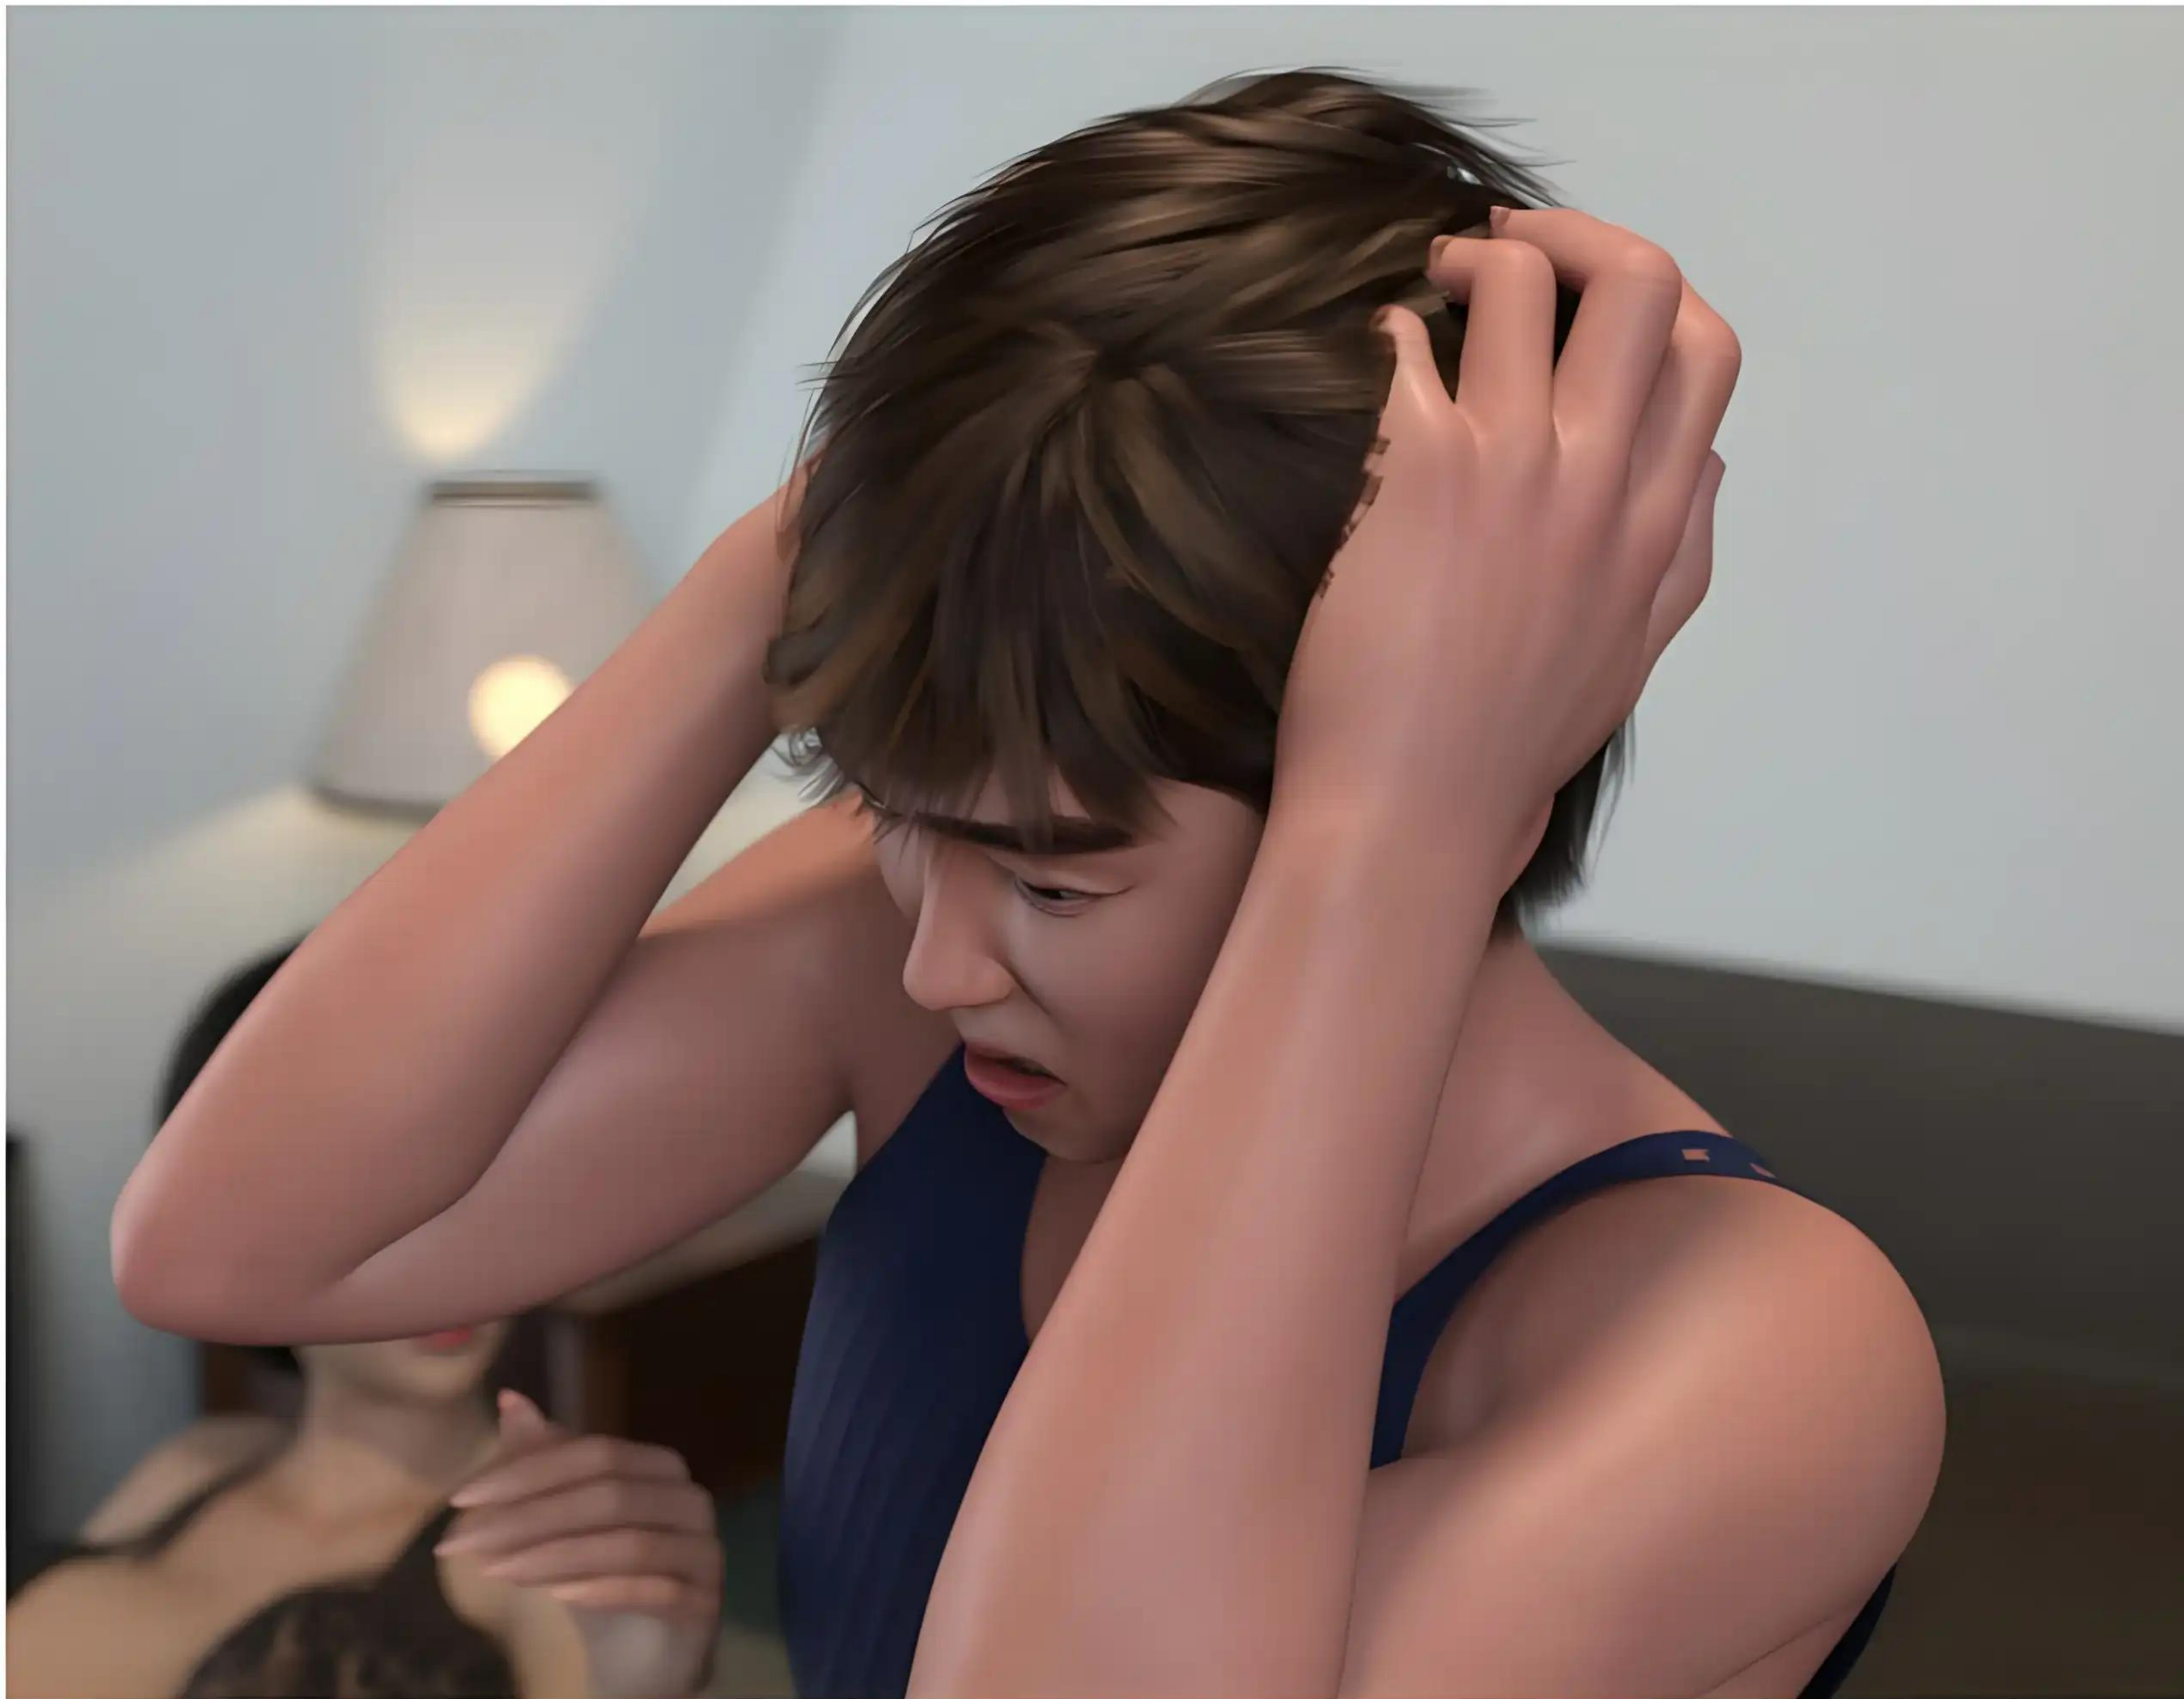

Did you think of something?  
Remember,  
remember...what's wrong?

What happened to Lao Zhou... He suddenly felt like he was a different person...

Could it be that Lao Zhou heard my conversation with Xia Yinyin? And why did he suddenly mention Xia Yinyin? It's impossible... we should have been the only ones present at that time,

Are you still watching us at this time? I always feel that the organization is not over yet, just like Xia Yinyin played around with Akai, Lao Shao, what kind of organization do you mean?

Even the leather gun you picked up was probably a trap... Do you think we are in big trouble? Should I go to the police?

Ahaha... So that's what you meant... Your worry-loving personality really hasn't changed at all. ...

Lao Zhou will definitely not be able to accept it! Penpeng, as expected, I still have to hide it from Lao Zhou. If he knows about my agreement with Xia Yinyin,

Everything will be fine, just listen to me! whee! I know you're worried about our safety, but don't think too much about it. I've already made arrangements. No matter what organization they are, they can't take advantage of us.

God knows if this will have any impact on my mother's body... Now that her belly is so big, that's not the problem! It's my mom I'm worried about! I don't know if the people in the organization are secretly doing this. It's a bit strange that my mother got pregnant when she was turned into a leather sheath.

After all, my mother's memory has been confused before. In fact, what I'm most worried about is my mother's mental state.

It makes me uncomfortable just thinking about it... But how should I say this to Lao Shao? What if my mother didn't return to normal after Lao Shao took off the skin?

Look, Lao Zhou! I can now express breast milk easily! It seems like your mother's body is ready for the baby! Before, it was obvious that it only leaked out when I was excited.

Hee hee, this scene is really indescribably erotic! Look! A lot of breast milk comes out with just a pinch!

流出  
flow out

There are indeed more than what I saw before... When I think about it, I was like this at the beginning... my mother's breast milk flowed down...

Suddenly I felt a little excited. I put my mouth to my mother's nipple and drank milk.

Hmm... Breast  
milk tastes sweet...  
The taste is a bit lighter  
than I expected... Do you  
want to take a taste too?  
Lao Zhou? The ending  
rhyme also has a  
nasty  
smell...hehe,

Stop drinking. What if the baby is hungry in the future? How can I steal other people's food? How is that possible! Breast milk is what babies need to drink.

I can't help but think of the nightmare in the morning...it's exactly the same as Lao Shao's current expression...I feel so uneasy, damn it...Now whenever I see Lao Shao playing with my mother's body again, my mother's face in the dream is too real, ...

Oh, I told you to stop drinking! Let go of my mother's breasts!

拉扯  
pull

What a waste to waste it like this! How about we find a bottle and put it in it? Hehehe, you won't help me drink it. ...

Aha! I thought of  
it! Let's go to the mall!  
I have long wanted to visit  
a baby product store! I'm so  
excited when I'm  
surrounded by pacifiers  
and children's clothes!  
When I think of being  
sucked into a  
bottle,

It sounds really uncomfortable... Huh... Why do you think baby product stores are no different from sex shops?

Don't procrastinate, I have to study later! I don't want to stay at home and have to mess around with you. Go and change your clothes. Oh... I'm really impressed by you... Okay, I might as well go out for a walk.

Very good... I've been fooling around for the time being... It would be bad if it messed up my plan... Hmm... It's really difficult to handle... It seems that this matter still has to be done... If one day something unexpected happens suddenly, but Lao Zhou doesn't know what he is thinking now, there is no guarantee that he won't think about it all day long.

Mall

Although it is a bit inconvenient to carry a big belly, hehe, I just remembered that this seems to be the first time I have visited a mall like this.

It feels really good! Dress up beautifully and go shopping, but you can wear women's clothes,

Hee hee hee!  
Don't be too  
anxious...can't wait to  
come out and have a  
look, right? Ouch, what is  
my little baby doing?  
Could it be that you know  
your mother is going to  
help you buy new  
furniture?

But could you please restrain yourself?  
We'd better keep a low profile, you  
know? Lao Shao, I know you are very  
excited now. There are many  
acquaintances of my mother in the mall.

Even at this time, you still act like it has nothing to do with you! If it weren't for Lao Shao, this idiot Lao Shao would be squirting! What's going on with this irritable feeling?

Does he have any self-awareness? My family won't be involved in organizing these weird things

This map  
is really  
poorly  
drawn...oh...where  
should this  
store go?

Will Lao Shao really  
return my mother to me  
honestly? By the way, what  
did Lao Shao think? Although  
it was all a joke, he did say  
many times after the child  
was born that he wanted to  
replace his mother.

I'm very familiar with the terrain here... Hey, stop looking, that's where the store you're looking for goes, right? When I was a child, my mother often took me to the mall

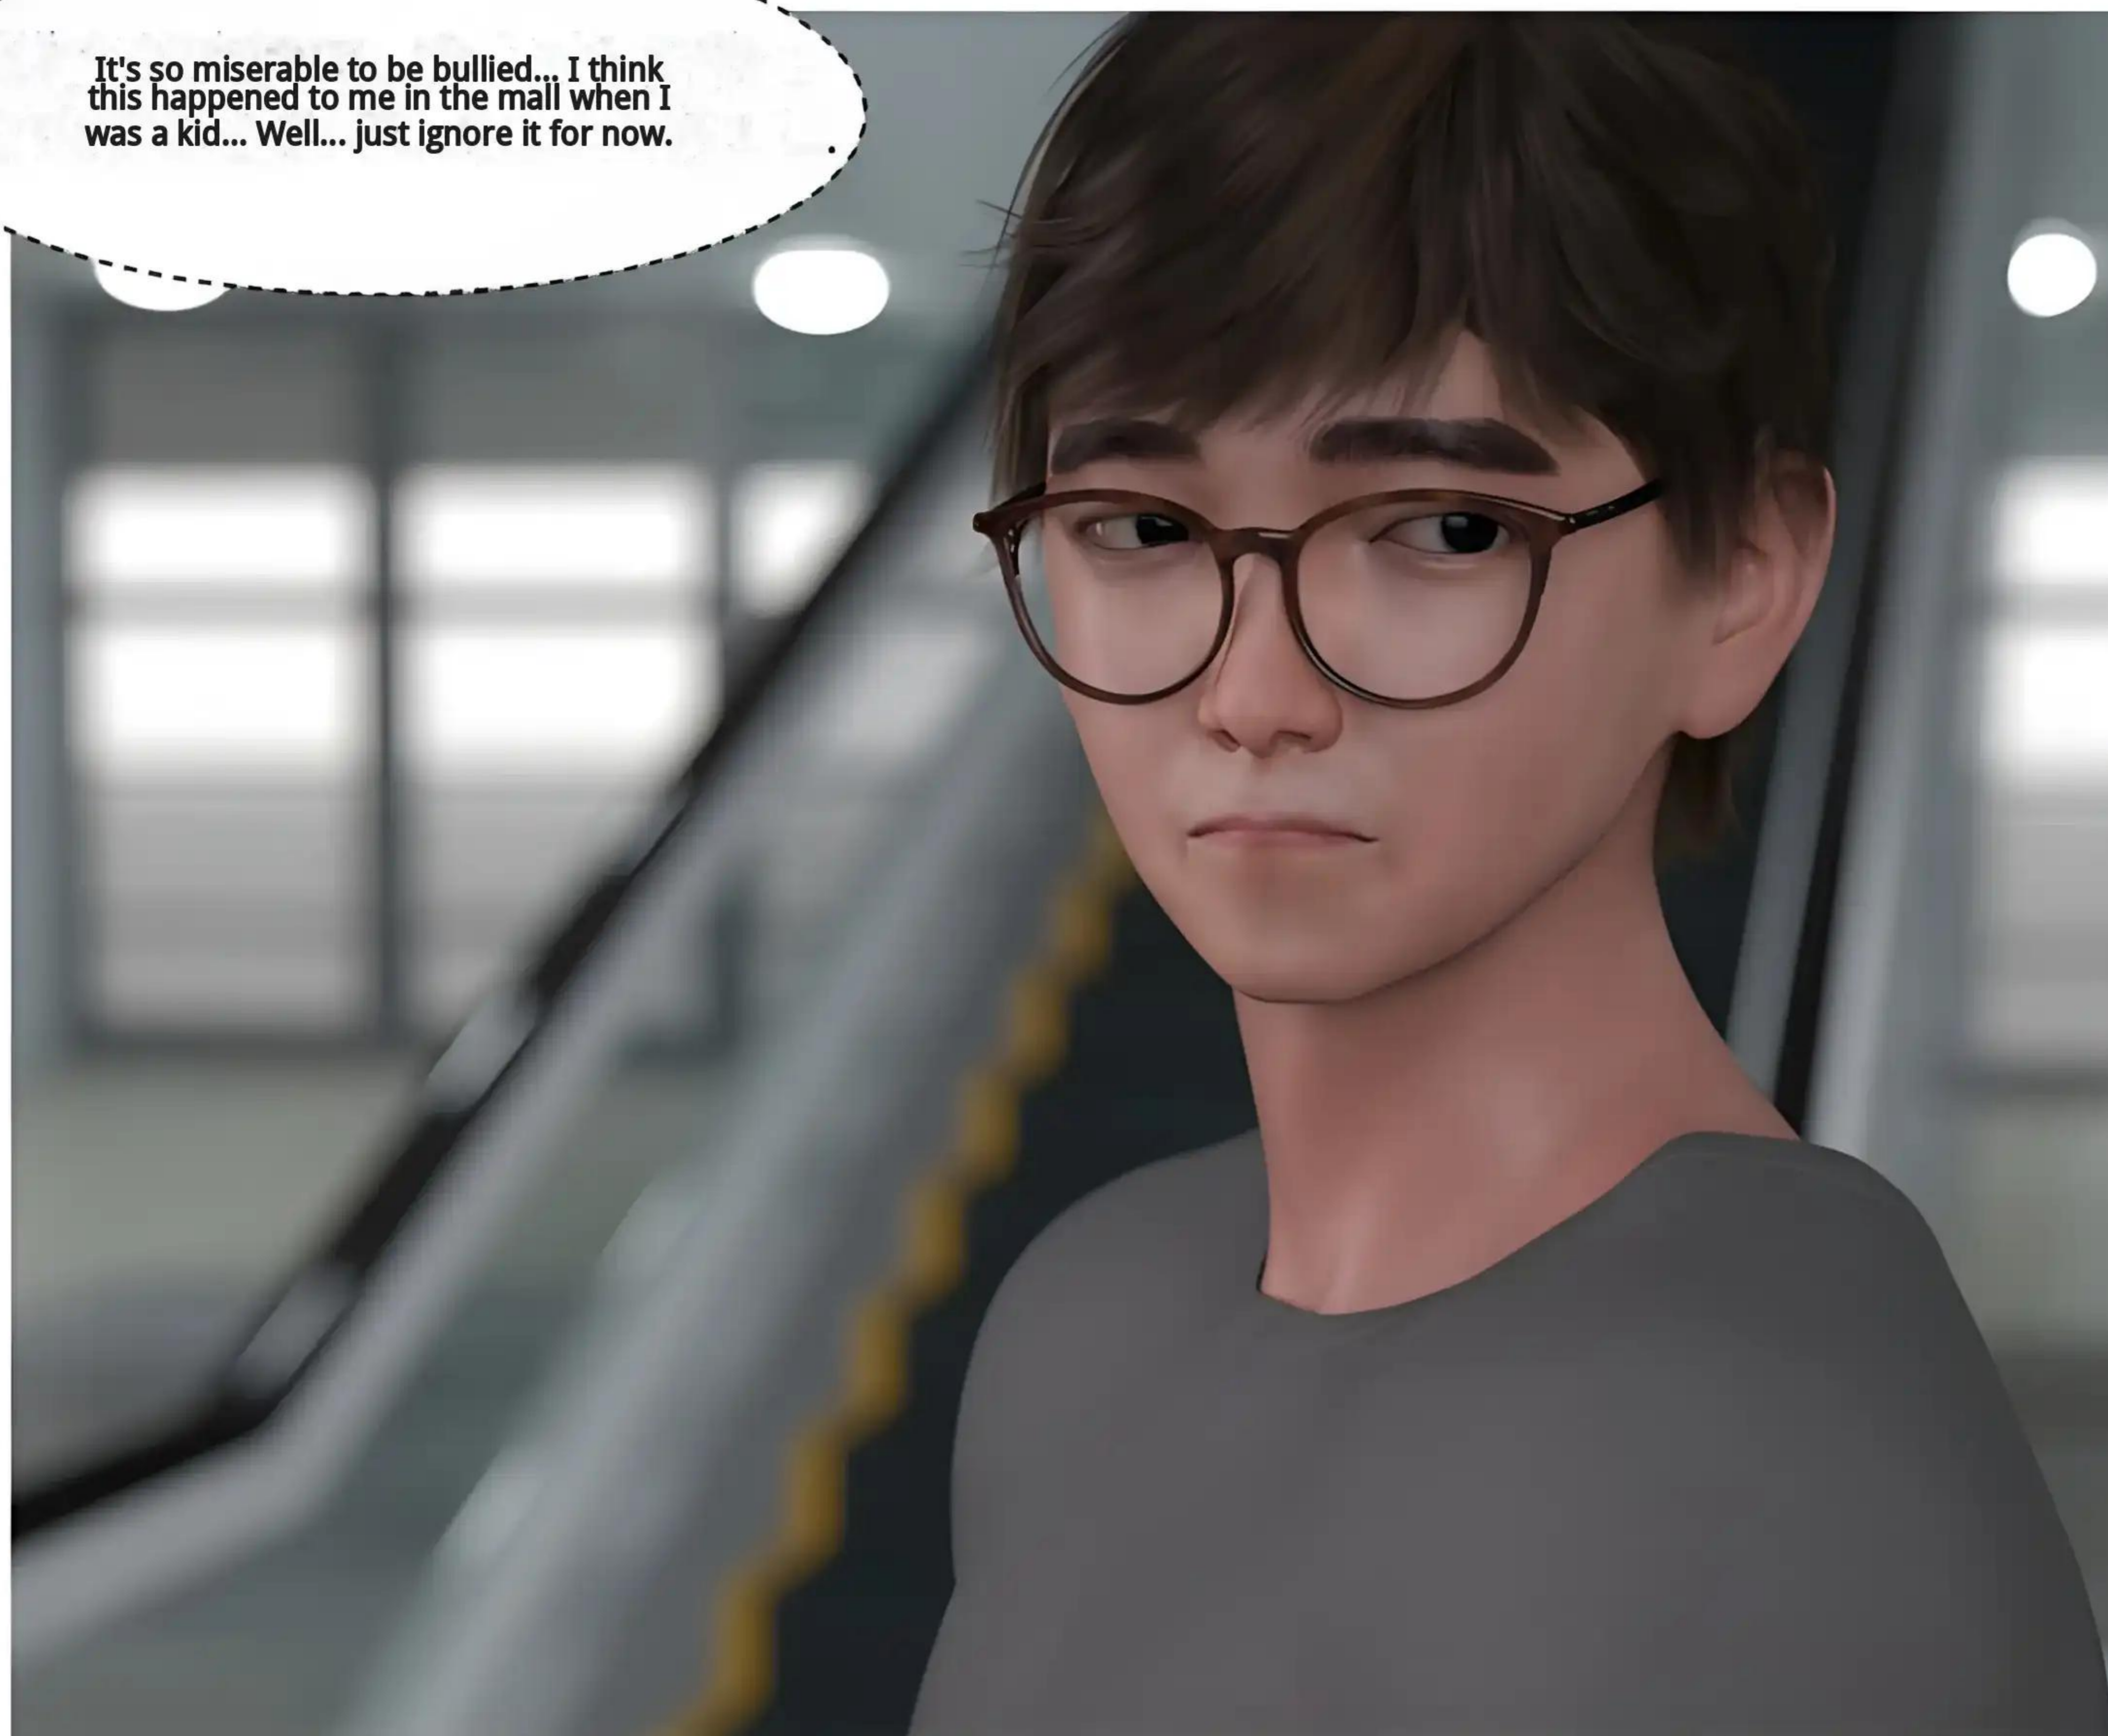

Aihao

Yeah! Let, let me go!

It's all because of  
you that I was scolded  
so miserably! Pooh!  
Didn't we agree not to tell  
our parents about this? It  
seems that if I don't teach  
you a lesson, you won't  
be able to remember  
it long!

Yiyi! I know  
I was wrong... I  
won't dare to do  
it next time!  
Please don't  
hit me!

It's so miserable to be bullied... I think this happened to me in the mall when I was a kid... Well... just ignore it for now.

Hello! What are you doing? Why don't you let him go quickly? You guys are allowed to mess around here, don't worry, I'll file a complaint with them! Where have your parents gone?

Xiaokang, is this  
another relative of  
yours? Clam? Who is  
this pot-bellied aunt?  
Are you going to  
make a report  
again?

I don't know this person...  
No, no, no... I don't...

Go aside! If you pick up minors like this, be careful and commit a crime! Hello! I don't know where this strange aunt came from! Hey hey hey! I'm having fun with my brother, it's none of your business here

Oh...that's  
right...I  
know...children  
nowadays are so  
arrogant in their  
speech...haha...

You don't  
care about your  
life when you talk  
like this.  
Hum...even if  
you are  
young

Hold tight

A woman with dark hair styled in a bun, wearing a black dress with a white paisley pattern, is shown in a close-up, confrontational pose. She is looking directly at a man whose back is to the camera. She has her right hand on the man's shoulder and her left hand clenched into a fist. The background is a blurred indoor setting with a ceiling light.

Believe it or not, I will pull out your dirty tongue and wash it immediately? Damn it, what did you just call me? Auntie with a big belly? You dare to speak to me like this, I think you are really tired of living! If you have the guts, just say it again.

A normal adult would think  
shit when this happens...Am I  
meeting a lunatic? Why is this  
aunt more fierce than my dad?

It's so scary... I feel like I'm going to  
be killed in the next second! Grabbing  
a kid you don't know and yelling?

Why don't we withdraw first? If you make such a big noise, you will attract the guards, Lao Shao. Don't get excited. There are many people in this place.

Don't you always look upright and upright?  
Why don't you let me administer justice now?  
What are you talking about, you hypocritical  
bastard!

Hey, why do you  
curse? Are you out  
of your mind? Are you  
responsible if you get  
my mom into trouble?  
I said there are too  
many people  
here,

Someone has to  
come and teach this  
ignorant brat a lesson.  
But I will never stand  
idly by...even though  
what you say is  
reasonable.

Children~Auntie will take you there hehehe! Let's go, let's go~ A fun and cool place, okay? The brother in front will help us lead the way!

W-what do you want to do to us...don't...

?

Woo hoo  
hoo...I think  
mom...how  
could this  
happen...Are we  
going to be  
sold?

Someone will  
definitely come  
to save us! Huh... You  
don't have to be  
afraid of that guy! If  
something happens,  
all we can do is  
scream.

Is this the so-called...hammock effect? You two have already reconciled. A confined space can really enhance your relationship. Hehe, I haven't done anything yet.

Are you talking about the suspension bridge effect? Don't embarrass yourself in front of the kids, okay? Haosui, we were also in the same school.

And...what on earth do you want to do by dragging these two little brats into the toilet? Let them out quickly before things get too big. ...

Really, don't do it one by one. Of course I only have one purpose for doing this...Do you usually see me like this, Lao Zhou? They all treat me like a kidnapper!

That is to let the  
children play  
together  
happily!

Hey hey  
hey? Lao  
Shao, what  
are you  
doing...

Hey hey hey? Lao Shao, what are you doing...

Watch carefully,  
it's demonstration  
time~ Children~ Do  
you want to know how  
to do something  
comfortable? First, hold  
it gently like  
this...gently move it  
up and down

有技巧  
trick

From the tip to the base...haha...like eating ice cream that is about to melt...then lick every corner of the cock with the tip of your tongue...

Hee hee, will this allow you to learn? Everyone's cocks are getting hard!

Ahh... don't... stop sucking... I can't help it if you lick it like this...

This aunt is too, too horny. She is completely different from the girl I saw on my dad's phone before. I really want to have my dick licked like this... The level... Damn, my crotch has become so tight...

脱下

But the aunt's body looks really different from the mother who took off her clothes in front of everyone... Is this a pregnant woman?

Coupled with the aunt's naughty smile...it makes people feel so erotic inexplicably. Those big breasts, round belly,

It doesn't matter if you come up and touch a few! Don't just watch! Hee hee, it's rare to meet a sexy pregnant woman like me

!?! Wait, wait...

Does it feel comfortable to the touch?  
Here...this is a woman's pussy, a shy child...come on

Touch, touch the pussy! ! So soft...is the vagina so soft to the touch?

Oh oh oh... Just touch it back and forth with your hands... Mmm... your pussy will feel so good... yes... right here... it feels so good to touch me... You are already an outstanding adult!

Hmm... Just rubbing it gently with my hands caused such a big reaction... Is it really so comfortable to touch the vagina? If I touch other places, what kind of expression will Auntie show? I really want to know ...

I also want to play with Auntie's pussy! Unfair!  
Haohao, how can you monopolize Auntie!

spray!  
Xiaokang, you stepped aside! It was obviously my aunt who came to me first!

This will make  
people very sad!  
Hee hee hee,  
children, please  
don't quarrel  
over me.

I really want to  
pounce on them  
immediately... By the  
way, where are Lao  
Zhou and others? Ah...  
the innocent eyes of  
children are really  
unbearable

So you were hiding aside and masturbating? What a dishonest kid, haha, I wanted to say why there was no sound at all. It's just as long as we come together and have fun.

My good children,  
do you know why you  
should love each other  
with good friends? Don't you  
want to experience how  
comfortable it is inside your  
pussy? Because this way  
we can do a lot of  
comfortable things  
together! whee

It's up to  
you, Lao Zhou...  
I'll let you see as  
much as you  
want!

I have to make good use of it, hehehe...ahhh...I accidentally became too excited, and my breast milk dripped down again. The pregnant woman's body is so addictive...I don't have much time.

To be continued
