

I have to
click a little
closer.

Wait...don't...uh
huh! Okay...there...I
want... Again...

Are
you...yue...or...?

They continued, but they felt too ambiguous. Where did Xiaoyi touch that man? Damn, I really want to go there right now.

Um.....? It seems like something has happened! Feng Yue? Sounds so familiar, where did I live.....

A man with light brown hair, wearing a white dress shirt and a dark striped tie, is pointing his right index finger upwards. He has a serious expression. The background is a blurred indoor setting with a lamp and some furniture.

**You Feng Yue? !
Could it be that
famous sensual
place?**

**Many business
people go to Fengyue
to sing and discuss
business, because the
hostesses there are
quite playful. Does
your girlfriend also
work there?**

Don't be ridiculous!
Xiaoyi has always been
good at playing
Guaiguai.
student!

Excited

How could it be
related to that kind
of improper place?
relation?

Calm down, she may be cheated. Recently, many girls have been tricked into going there, and the amount is much more than the normal work!

Moreover, Xiaoyi has a lot of men these days, and they always have a lot of luxuries...

I have a friend who is familiar with these things. I called him to go to the room. Ask.

You wait for me in the room, I'll be back soon.

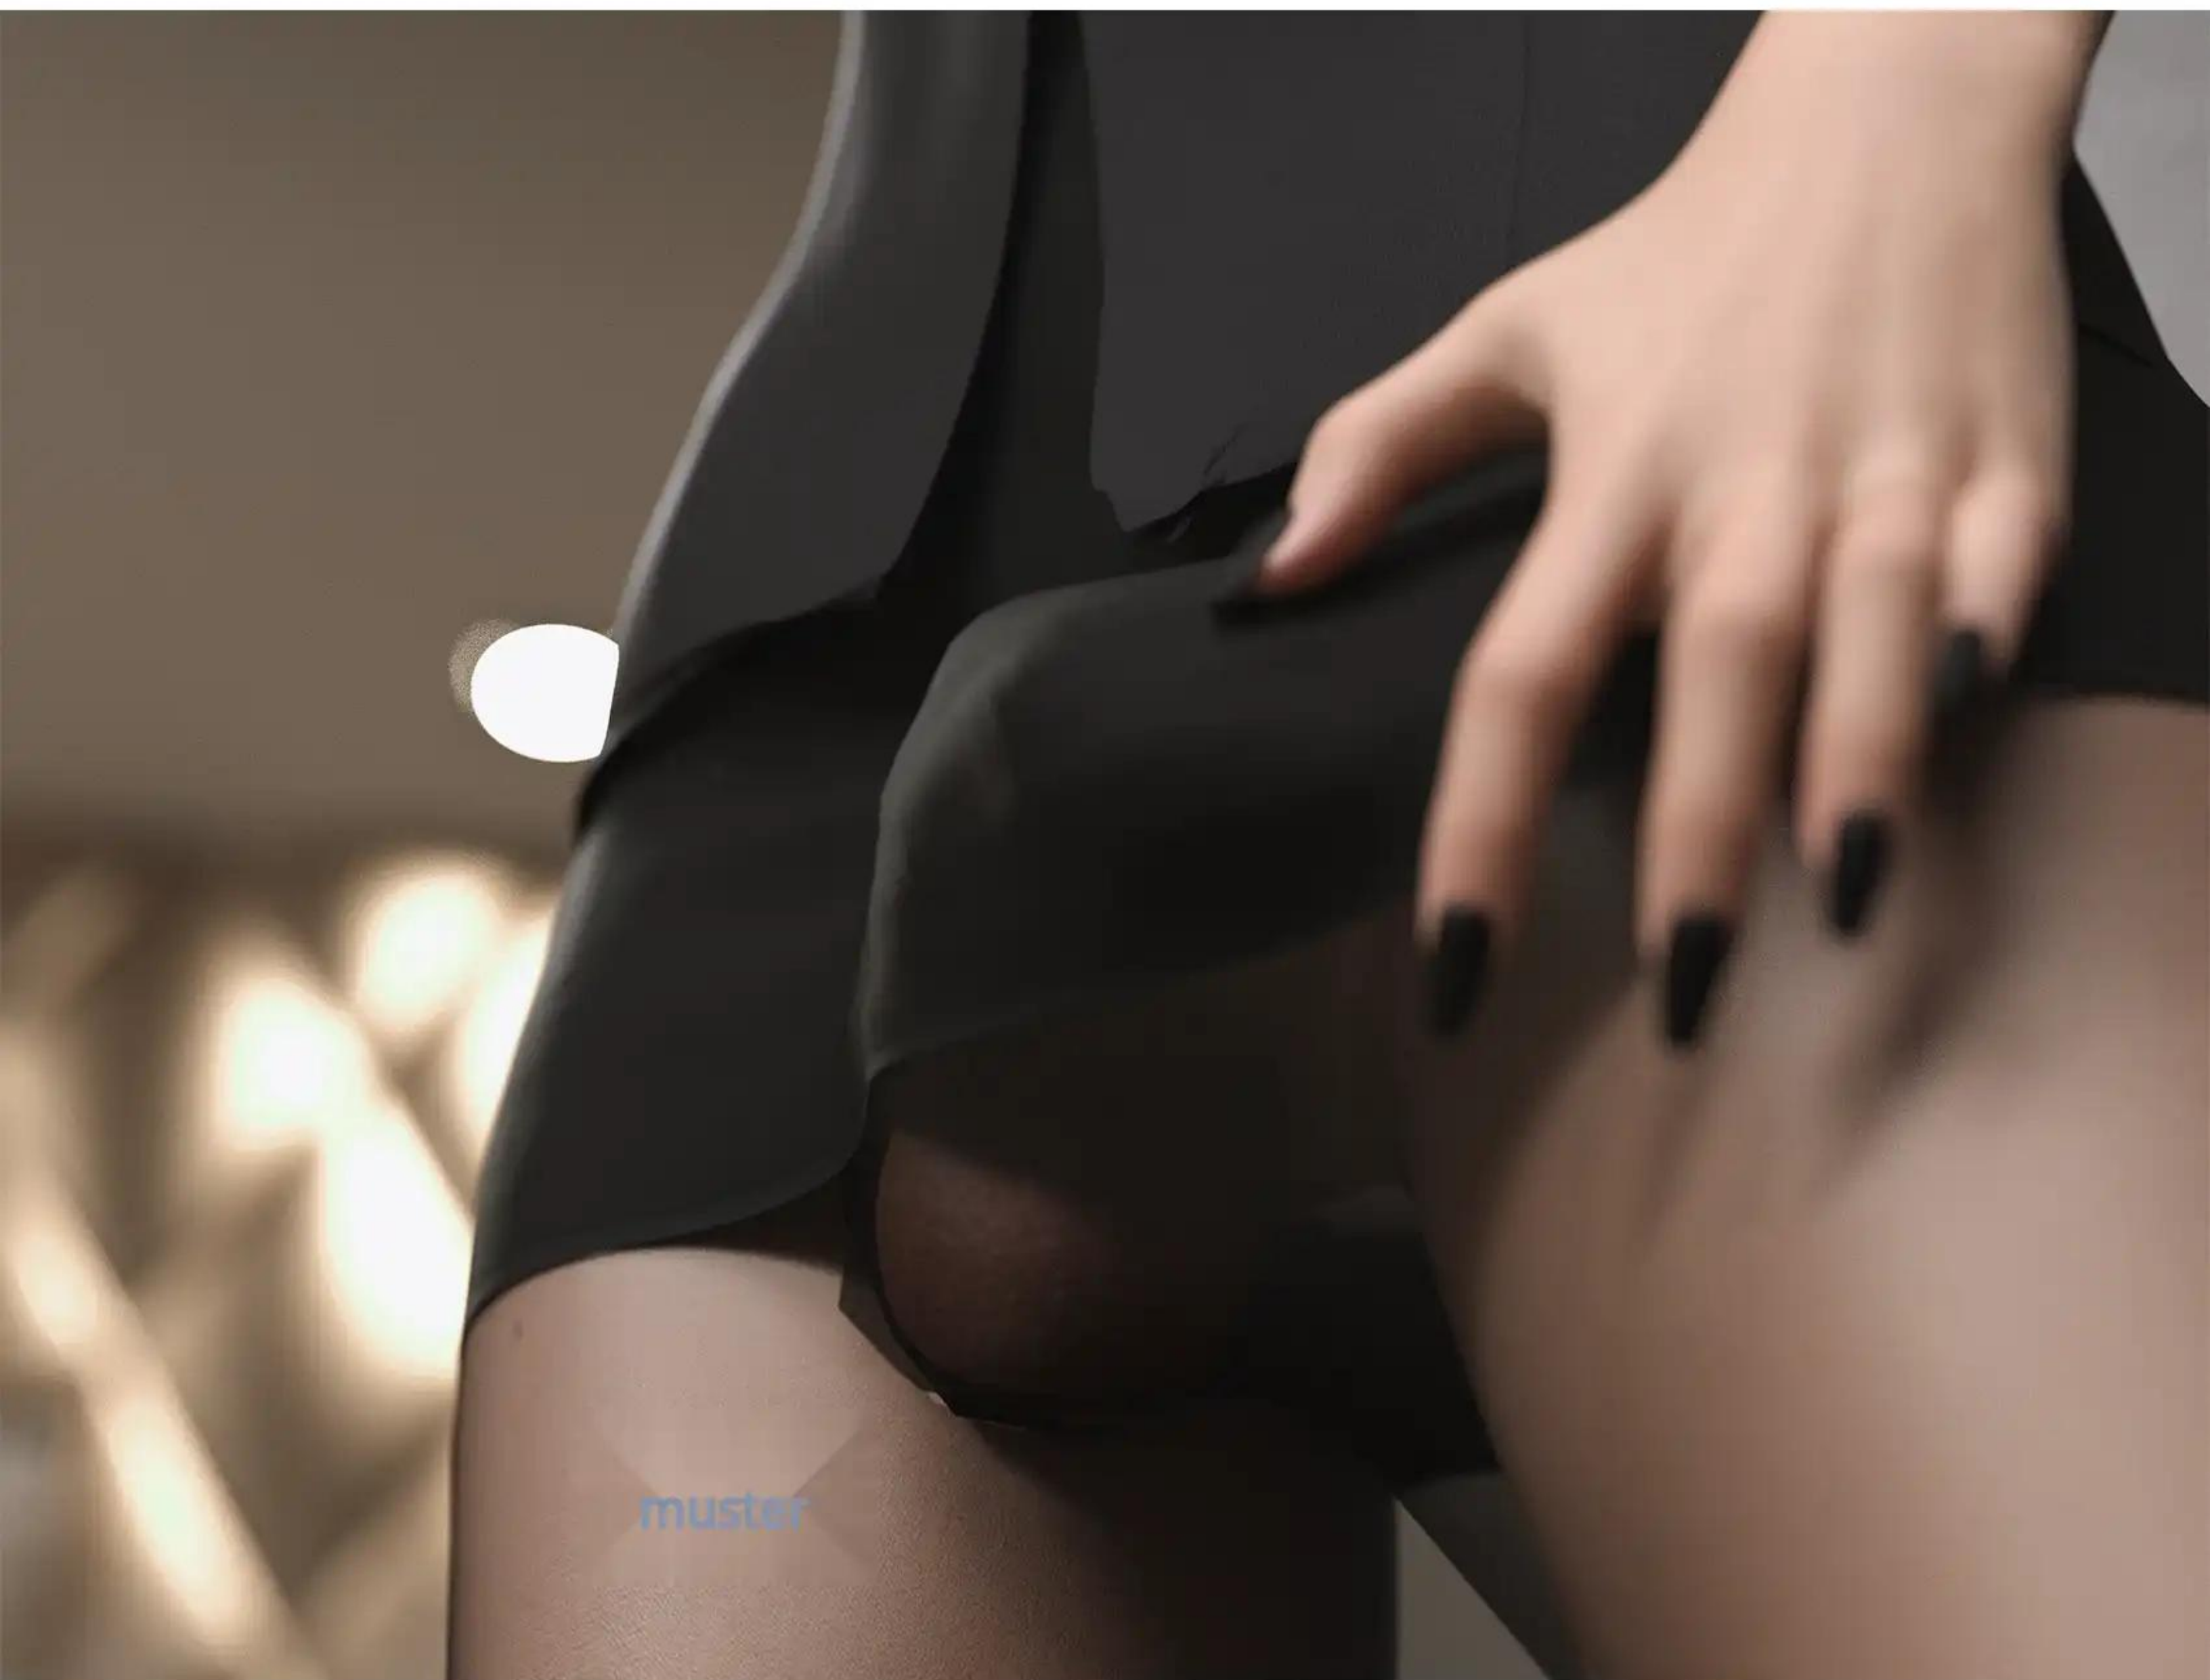

My head is spinning, I
really want to believe
Xiaoyi, how could my
own girlfriend not be
able to

untle?

But the voice from
the other side kept
coming... Although it
was blurry, I could
tell that Yu Ren was
very happy and
enjoying...

It's been a long time since I heard Little Isaac's tone. How long have she known that man?

muster

Xiaoyi is actually so close to someone other than me...

A woman with blonde hair, wearing a black long-sleeved blazer and a black skirt, stands against a grey textured background. She has her right hand raised to her hair and a slightly distressed or questioning expression. A blue starburst speech bubble is positioned to her left, and a blue oval speech bubble is at the bottom right.

How come I
have an
erection?!

I should feel
angry and
heartbroken...how
could the devil...

As the commotion
next door became
more and more
tense, my body
became hotter.

Comfortable...
great... ah... also...
give it to me...

A man with dark hair, shirtless and muscular, is kneeling on a grey bed, massaging a woman's back. The woman is lying on her stomach, her head resting on the bed. The room has a modern aesthetic with a wall featuring a diamond-shaped pattern and a lamp on a bedside table. A woman with long blonde hair is partially visible in the foreground on the right. A blue thought bubble is positioned above the man.

The heat in his body coupled with the doubt in his heart made it seem as if the scene next door appeared in front of his eyes.

Xiaoyi looks happy under other men.....

It seemed like she could see Xiaoyi feeling comfortable under the man's thrusts again and again.

Immersed in the pleasure of sex, allowing other men to invade at will commit...

It felt like they were
having sex right
under my watch...

I don't know
why my dick got
harder when I
saw this scene...

It's so
uncomfortable,
I, I too...

take

What's going on?

like this below!

It looks like my cock
is about to get wet!
Hard and painful.

I can't look away,
Xiaoyi, Xiaoyi is so

by other men!

My girlfriend was
enjoying another

Bang bang bang!

So comfortable! Oh oh~ It won't work anymore! It's almost orgasmic!

So exciting... □ ...Xiaoyi screamed so obscenely, she seemed more comfortable than when she was having sex with me.....

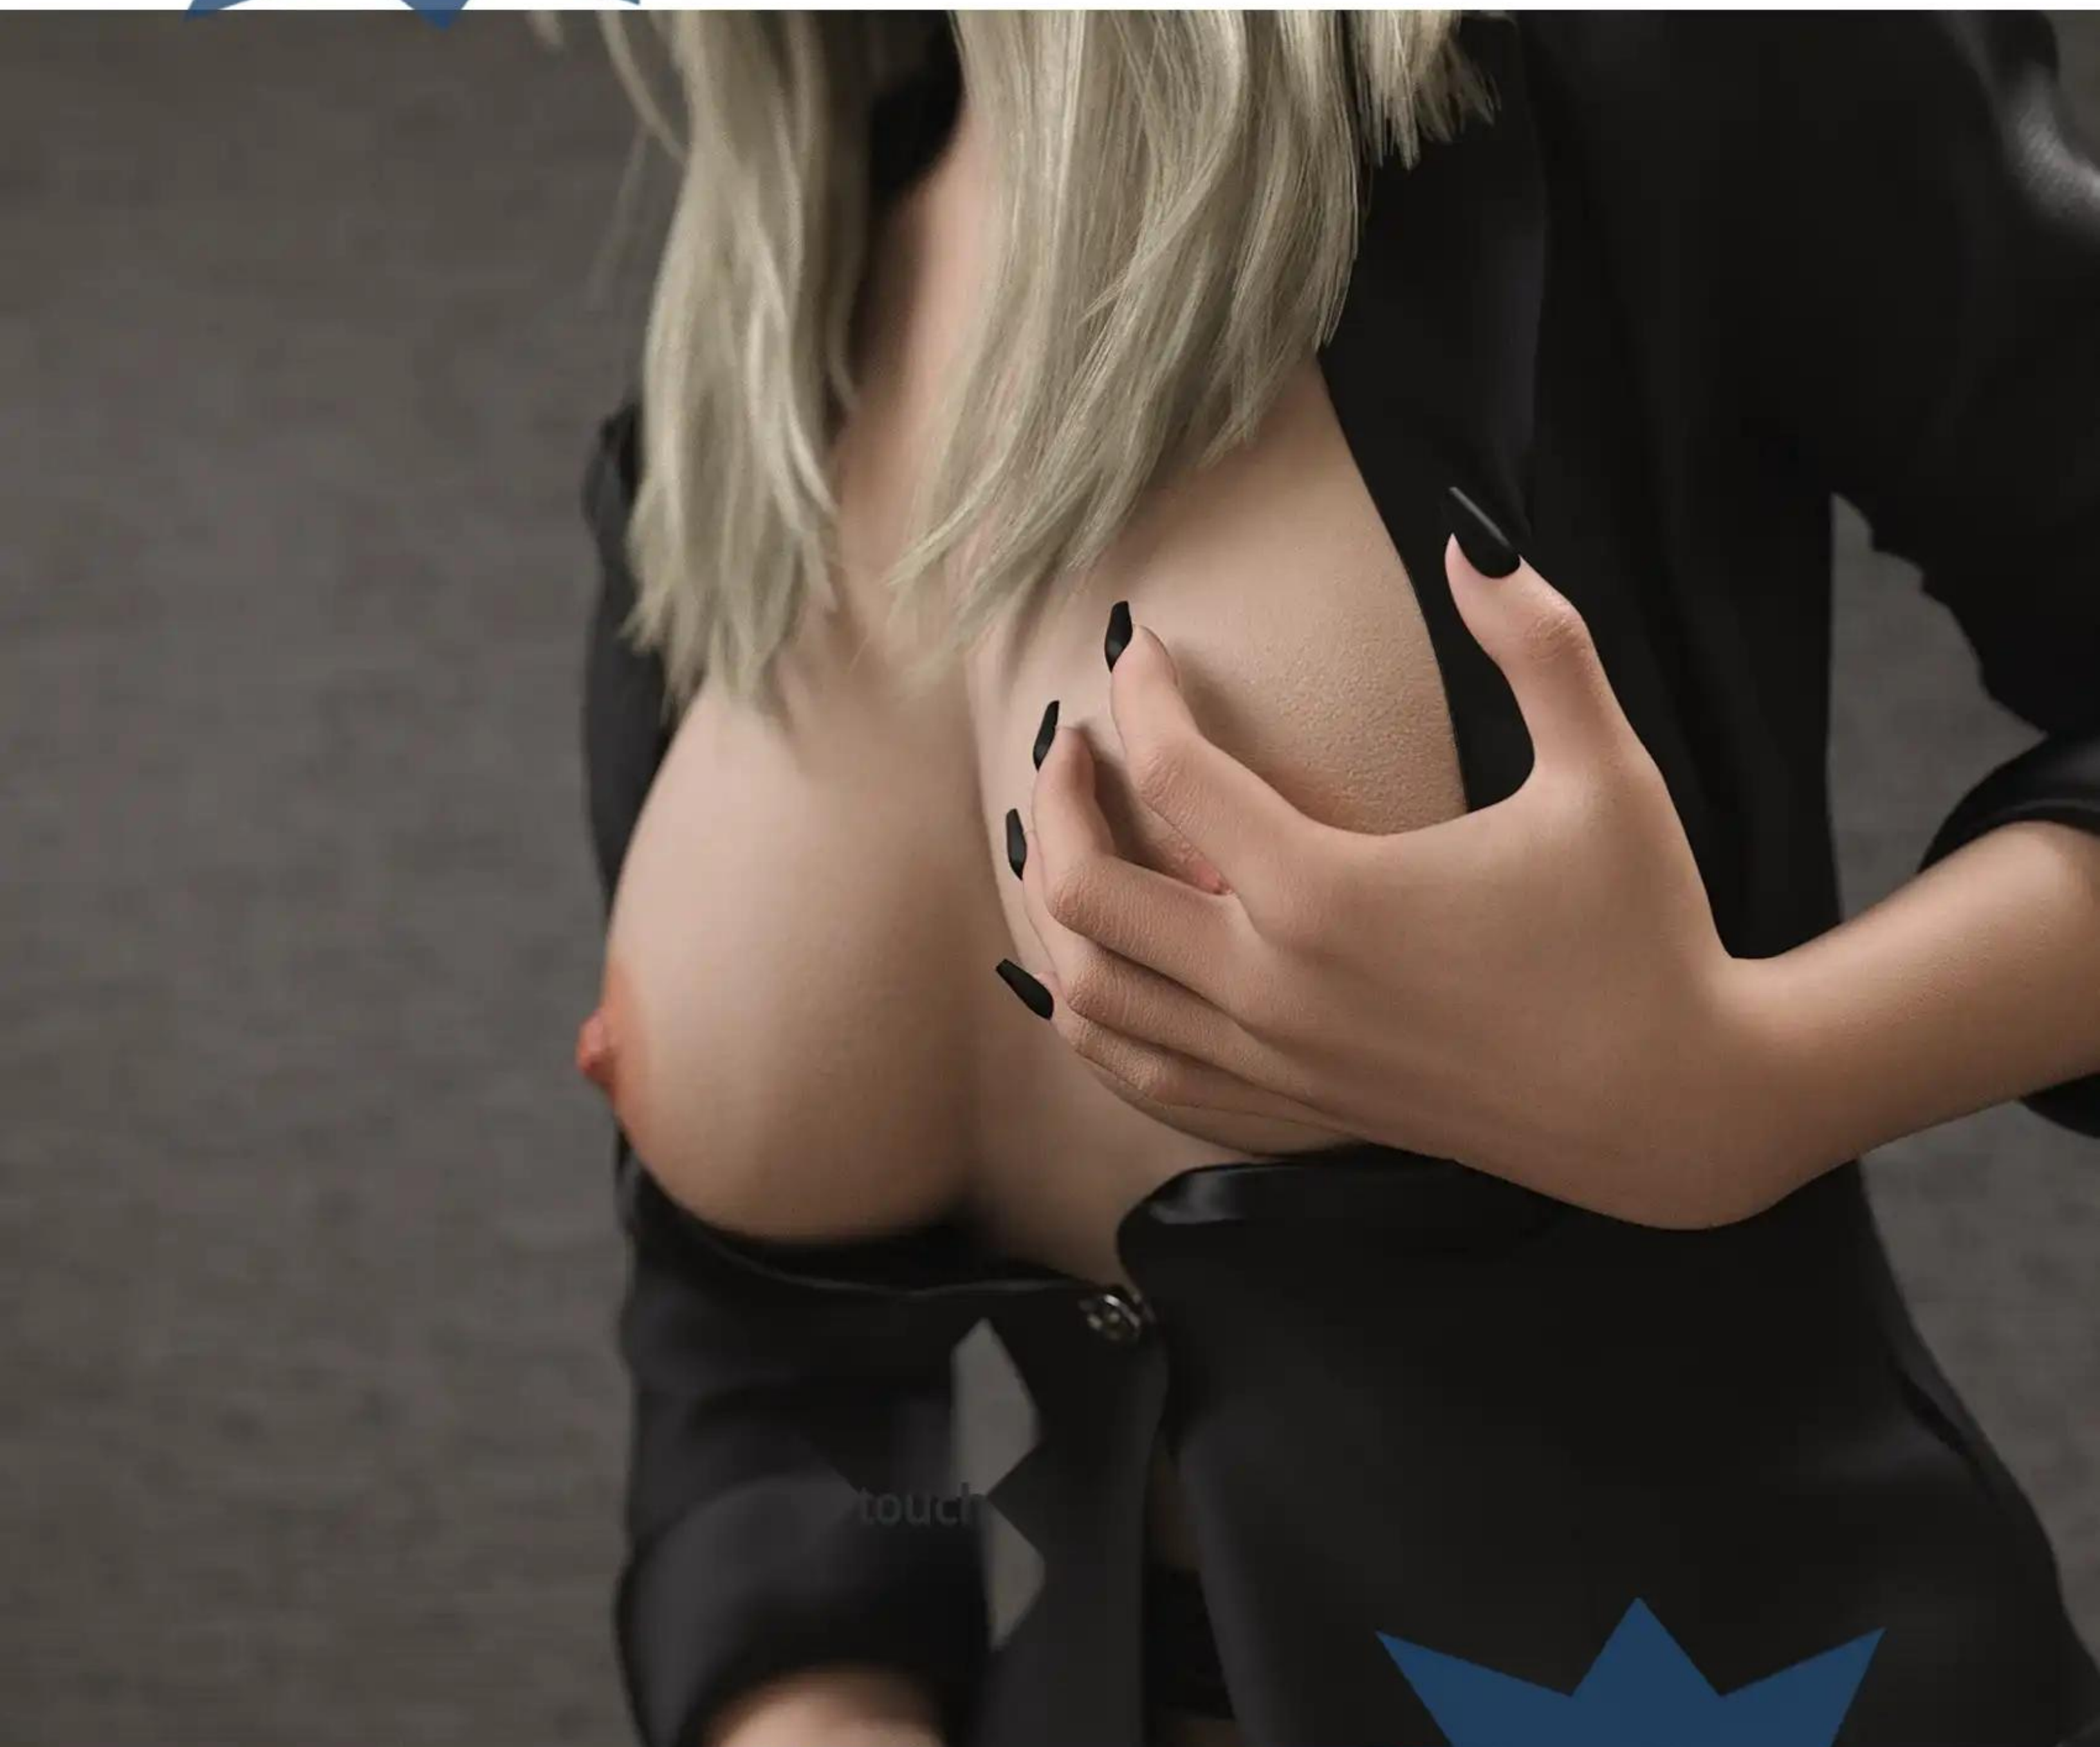

Ahhhh! The cock is so comfortable wrapped around Silvi! Xiaoyi! Xiaoyi! Is that man's cock better than mine?

My beloved
girlfriend's
pussy is being
fucked hard...

Yuren actually
leaned together
like this, and their
vaginas were so
wet that they kept
leaking..

Her nipples are
incredibly hard, and her
breasts really want to be
touched!

Oh oh ~ great! It feels
even more comfortable
when you rub your
breasts and dick!

How come your
breasts are so
sensitive!

The cock feels so

touch my breasts,
my legs become so
soft that I can hardly
stand. My body is in
the end...!

Siwei was wet by
the cock and even
more sticky!

His cock looks big and thick, and his body is tall and strong, which makes me look like a Girls...

Bang bang bang!

I can only watch helplessly as my girlfriend is being fucked from behind by the wall ...

Oh oh ~ no

Watching my
girlfriend being

so happy that I
almost ejaculated!

Cum! All the
semen comes

Ahhhh! All the

Huh... It's my first
time to have a
handjob. I've never
felt this good
before.....

I imagined that I
was being raped,
and that I lost
control and
couldn't stop. Am I
not a little
abnormal?

I'm back. You haven't waited too long, right?

噠噠

Um? What are you doing? My clothes are almost gone, but...

Ah, Ah Jin? ! Why
did you come back
suddenly? And also
No
knocking!

驚嚇

I-I'm just
sorting
out...No,
I'm...just...

A man with light brown hair, wearing a white dress shirt and a dark striped tie, is shown from the chest up. He has a thoughtful expression, looking slightly to the left. The background is a blurred office or indoor setting with warm lighting.

It's okay, I understand.
You haven't had sex with
your girlfriend for a long
time, and we are all
brothers, so don't mind.

I don't know
why I couldn't
control myself,
but suddenly...

Which man is not like
this? Don't think too
much. When desire
comes, you should
become shallow. Staying
for too long is not good
for your health.

A man with short brown hair, wearing a white dress shirt and a dark tie, is shown from the chest up, embracing a woman with long, straight blonde hair. He has a slight smile and is looking towards her. The background is a blurred indoor setting, possibly a hotel lobby or office.

You have encountered too many things recently, and you are under pressure and want to release it. normal.

That's not all. I have knowledgeable people in Fengyue, and we have already asked for some information.

That's how
it is

Although I know
someone in Fengyue,
I asked about the
news
Not
much.

I described Xiaoyi's
appearance, and he did
have a young lady who
looked very similar to
her.

It's just that the ladies who work at Fengyue all use flower names, so the other party can't be sure whether it's Xiaoyi or not.

My friend promised to help find out other information, but I think you still have to sneak into Feng Yuebi yourself.

Relatively safe

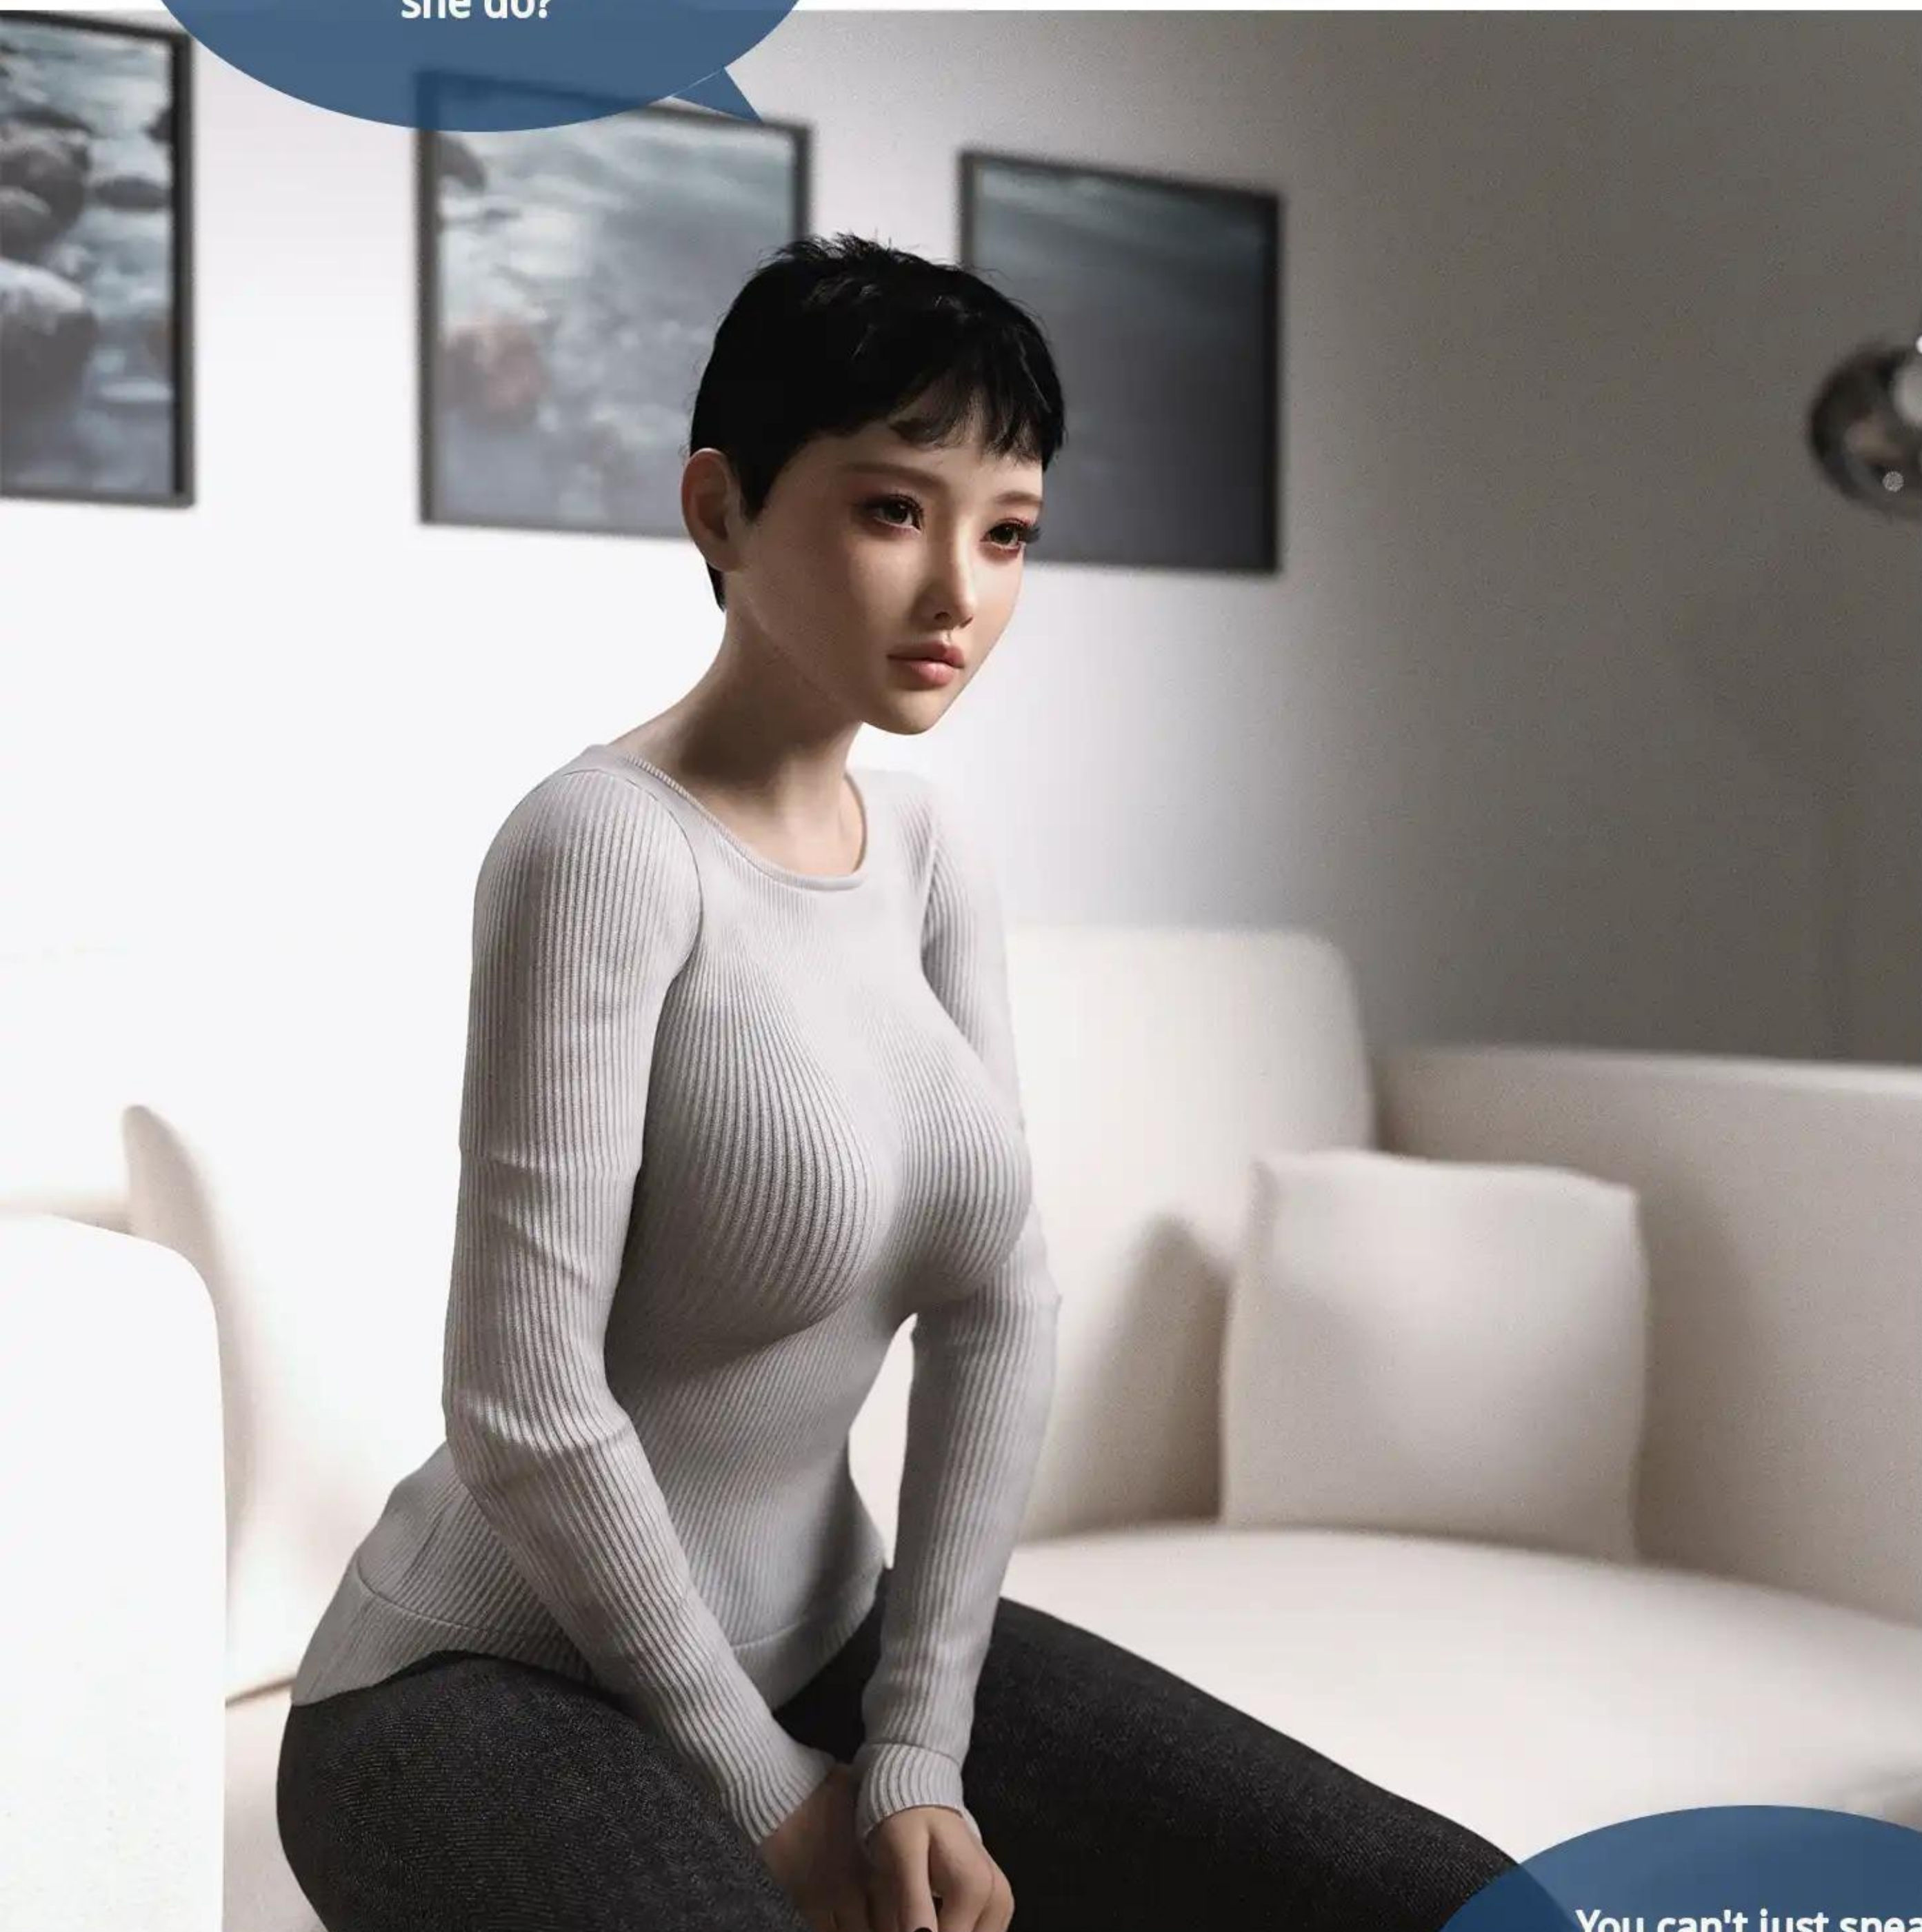

You want me to sneak into a sensual place and work as a waitress? There is no way I can do it, but Azin has helped me so much.....

It even numbed other people, so how could I back down? I had to face it and find out the truth!

That's next

She said she wanted to pretend to be a hostess, but what should she do?

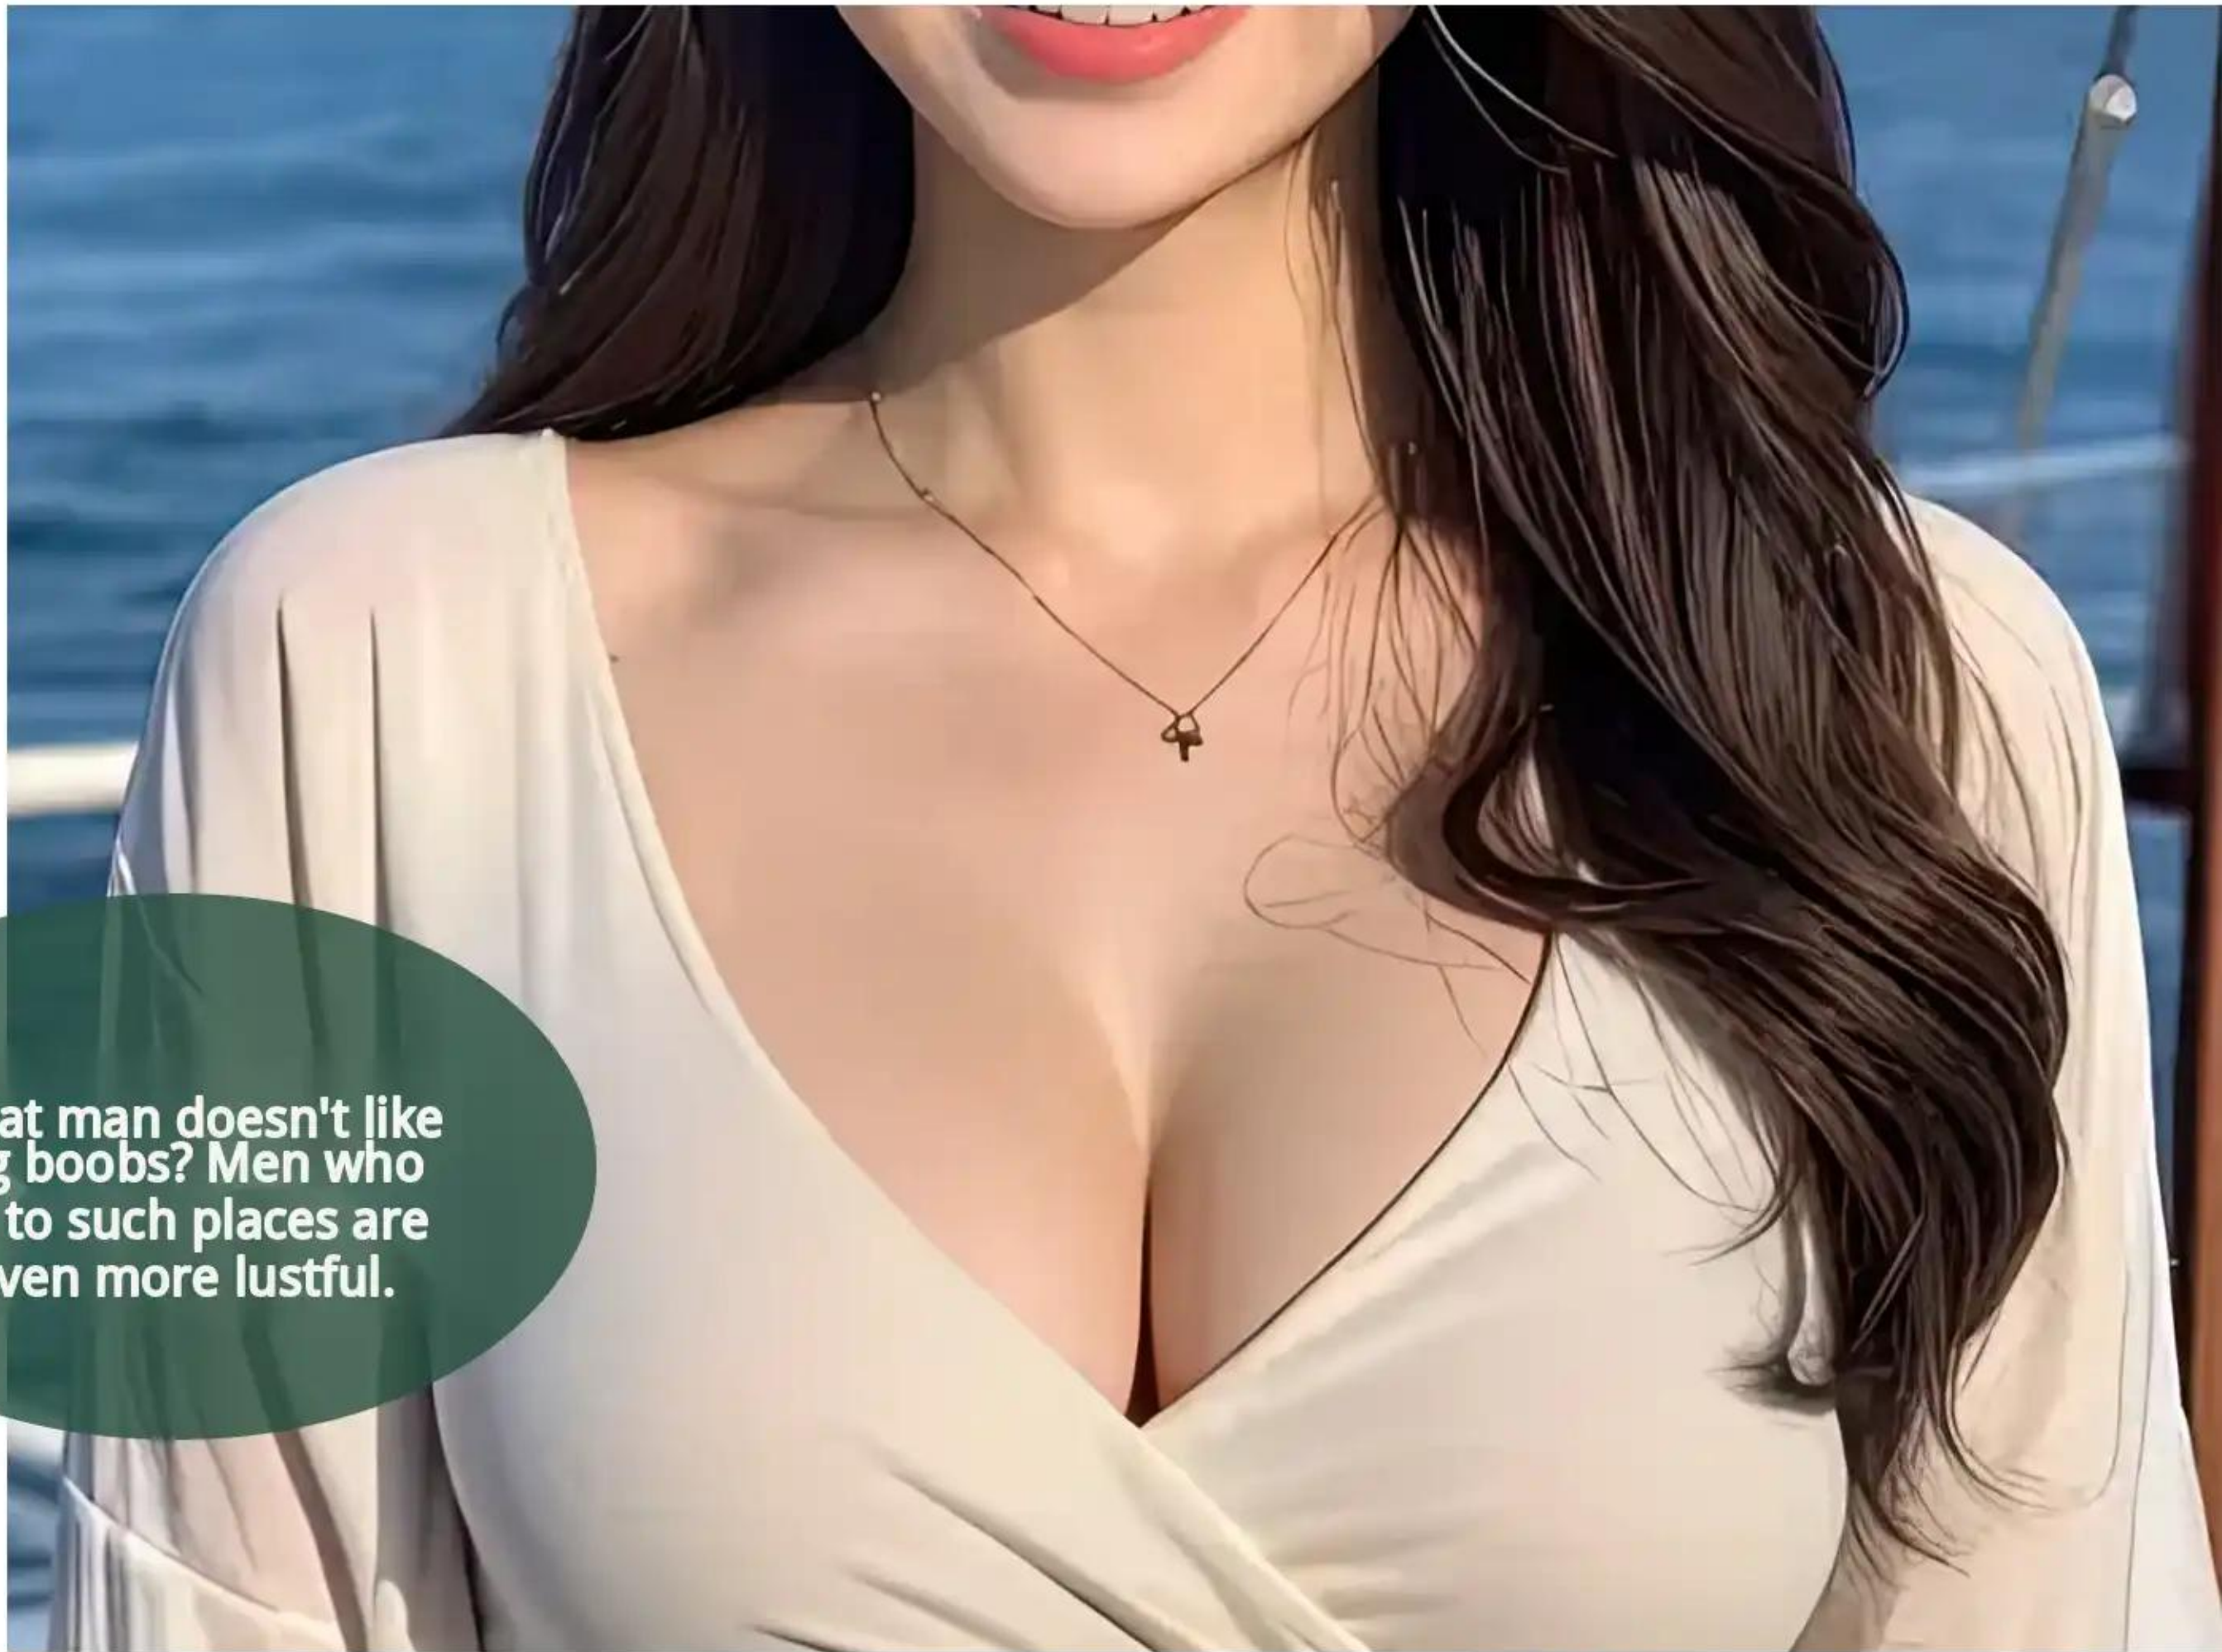

You can't just sneak in, right? I'm not familiar with that kind of place either. If I wear help.....

Don't worry about this, as long as you dress up, no one will come out.

First of all, you need to enlarge your breasts to better match the atmosphere of the sensual place.

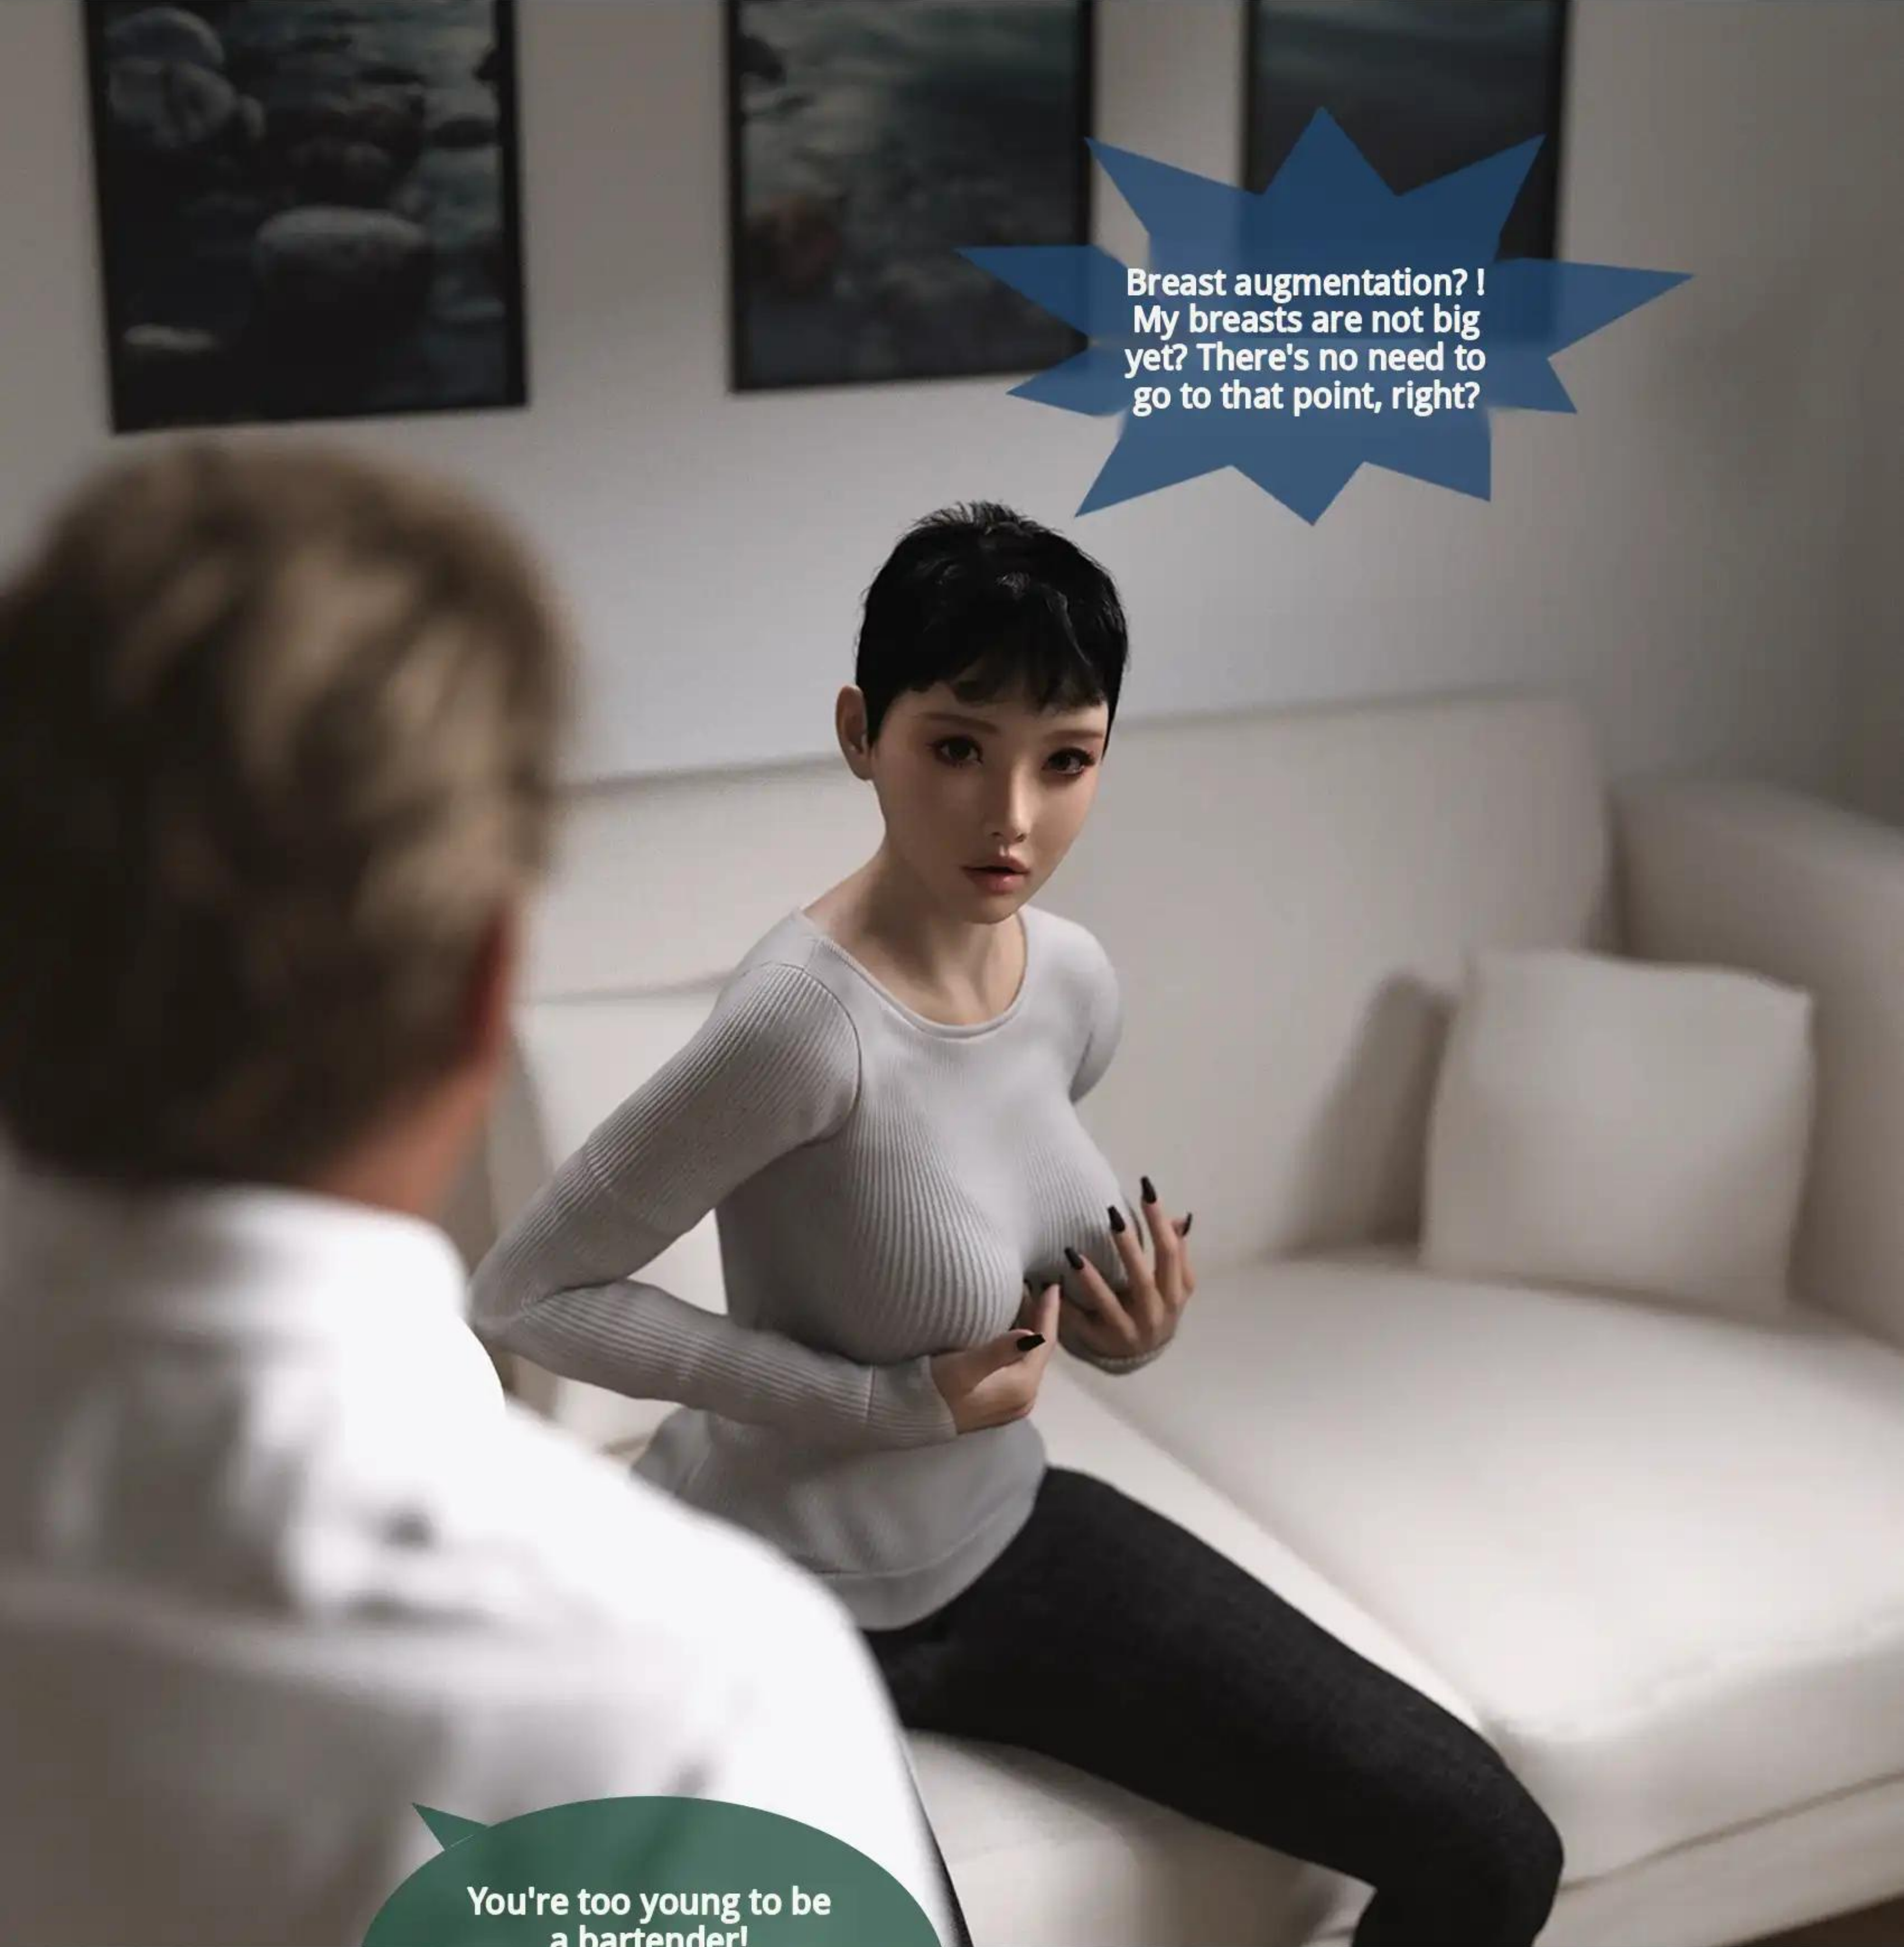

Quality.

What man doesn't like big boobs? Men who go to such places are even more lustful.

It is also very common for escort girls to have breast augmentation in order to win the favor of men.

Breast augmentation? !
My breasts are not big
yet? There's no need to
go to that point, right?

You're too young to be
a bartender!
Moreover, the
prosthesis filled in can
be removed at any
time, and it can be
restored in an instant.

Would surgery be too much? Now I can no longer tell you that I am a man on the outside, and I am starting to look more like a woman on the inside.

It's like there are souls tearing at me in my body. One wants me not to forget my identity as a man, and the other wants me not to think too much and just enjoy the moment.

If my dad finds out about this, I will lose my skin even if I die! But we haven't seen him since that day when he had to go to work.

It's his turn,

Although the disappearance of Jiubao is a bit embarrassing, it is also a good opportunity for me. What I can do is to take advantage of now.

.....

I don't want to let go of the chance to find out the truth. If Xiaoyi is really killed, I must rescue her!

All right! Breast augmentation means breast augmentation! Anyway, it can be restored at any time! And there is no such thing as being half-way. reason.

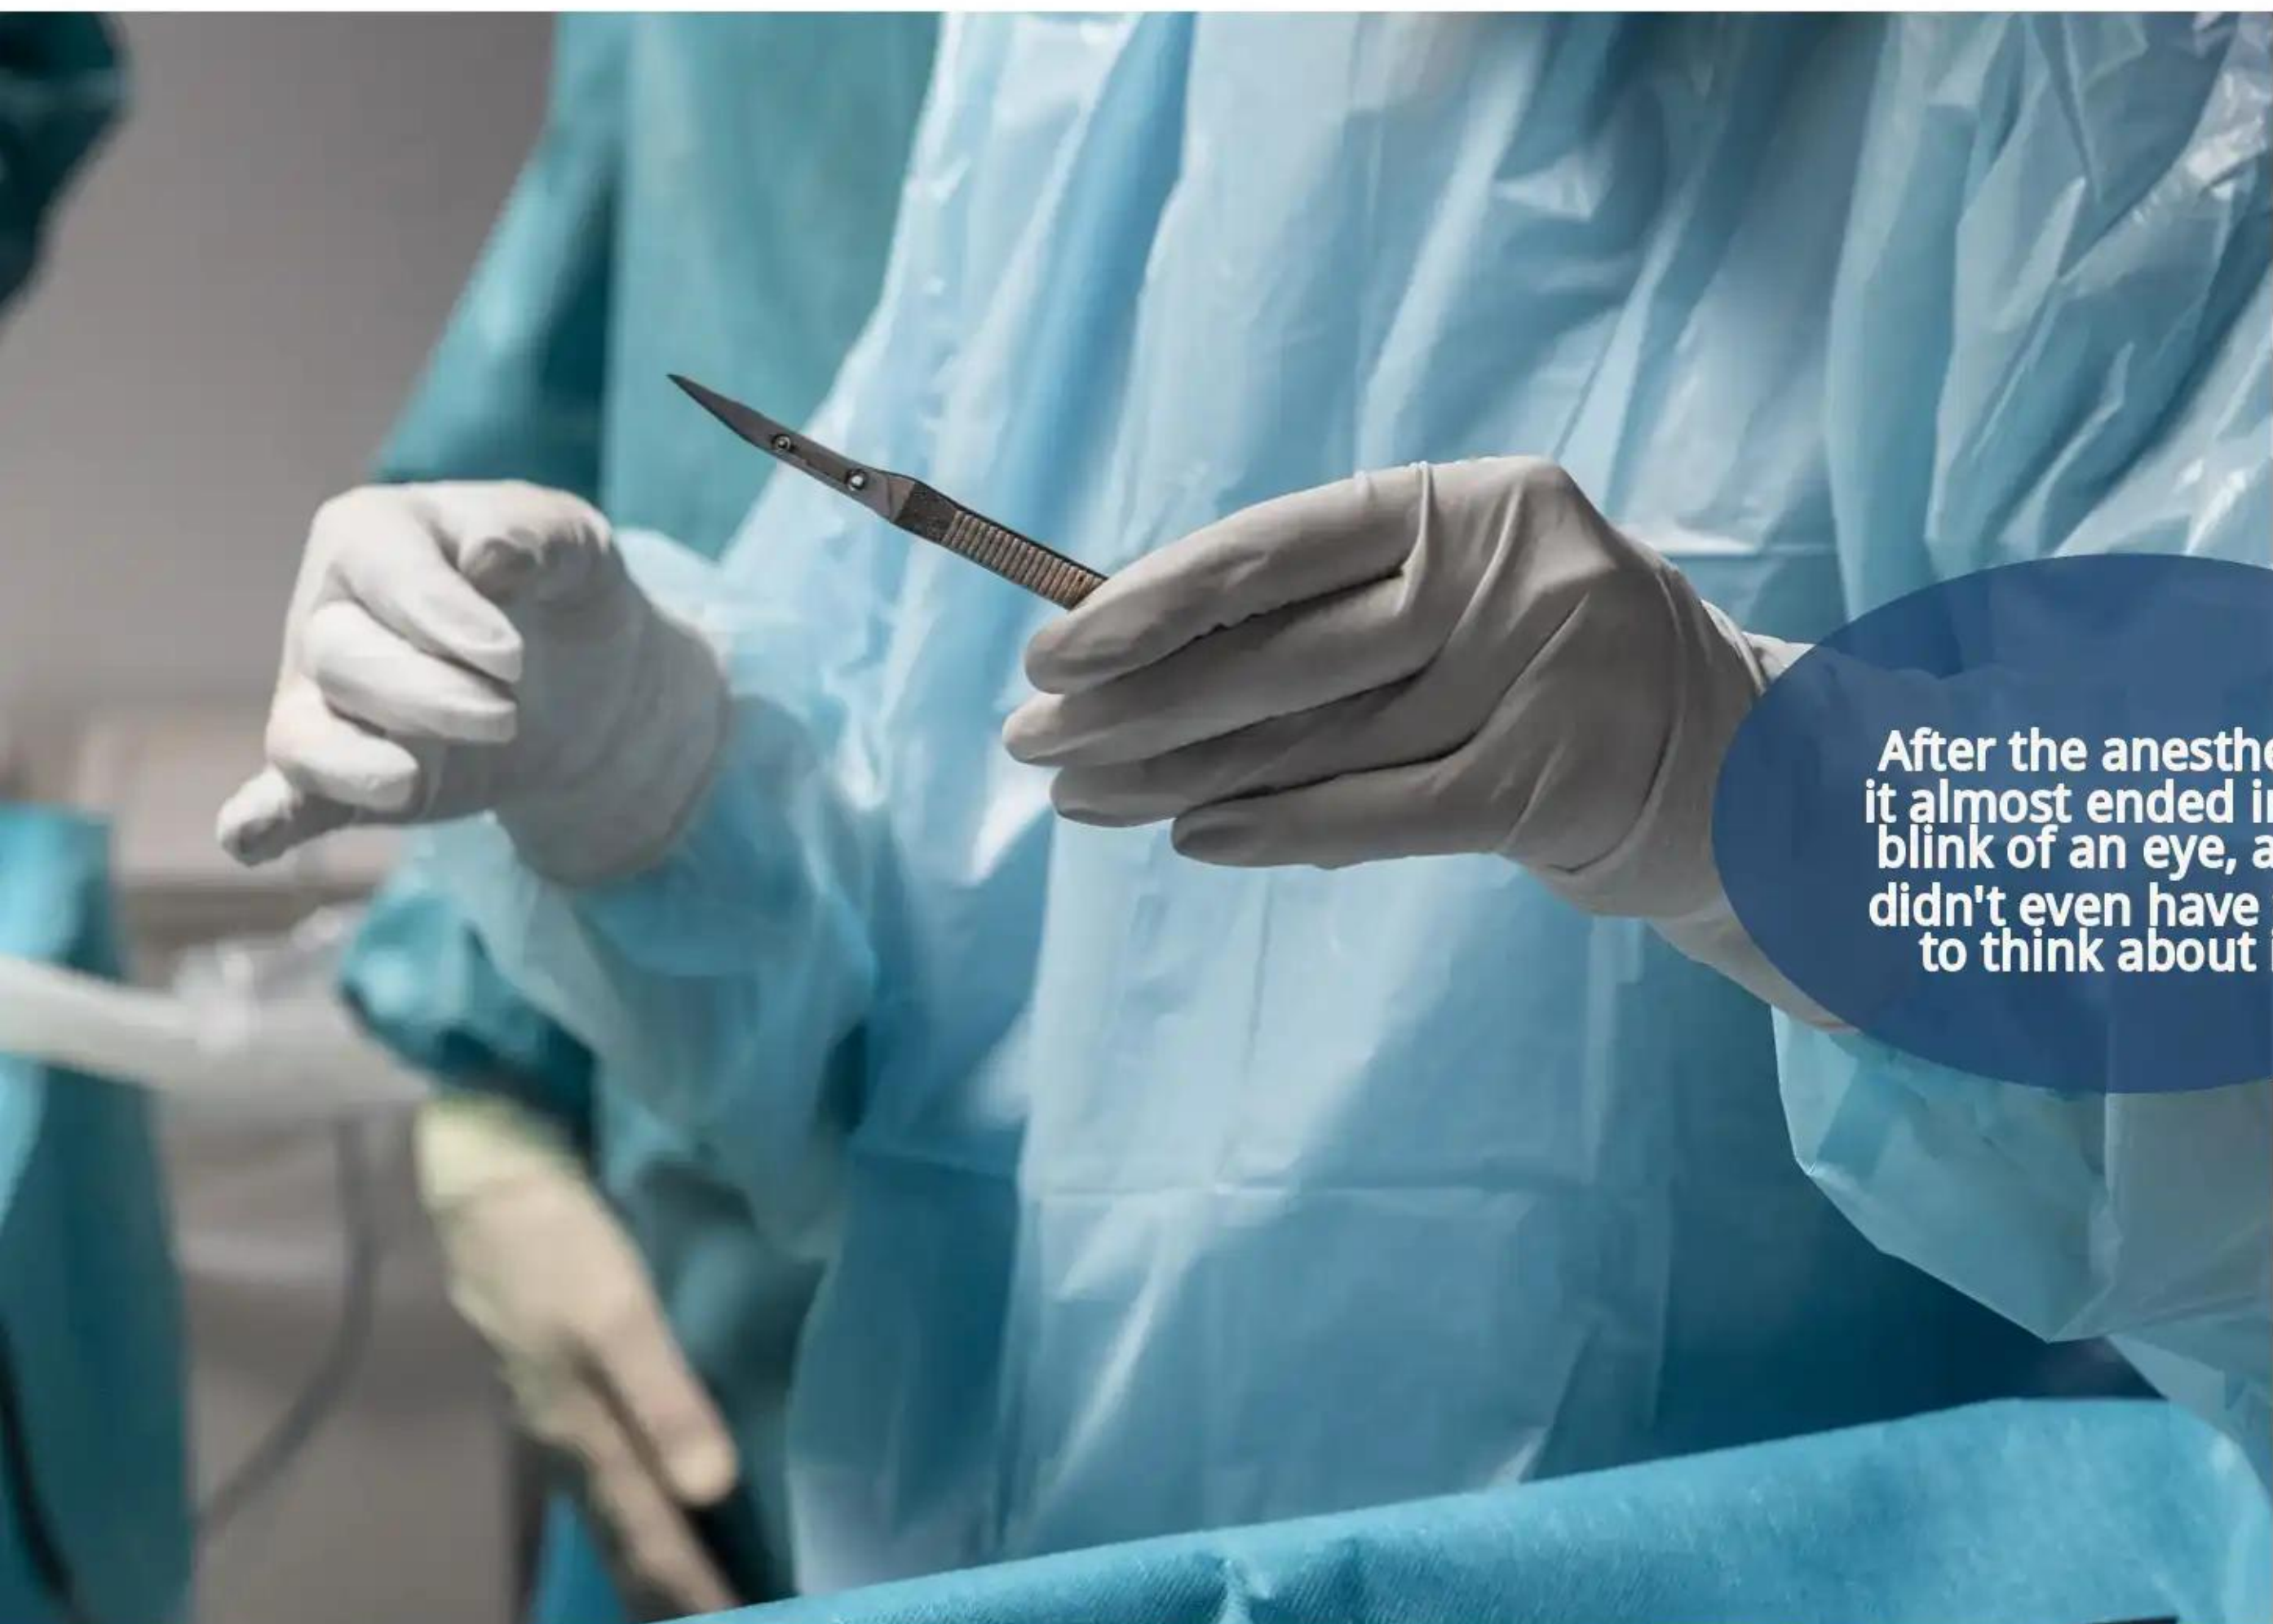

Well done! This is like the AI I know. You must not have Problem!

So we found a well-known plastic surgery clinic and made an appointment for breast augmentation surgery.

Today's technology is really advanced. The operation time is not only short but also leaves no trace behind. sequelae.

After the anesthesia, it almost ended in the blink of an eye, and I didn't even have time to think about it..

Wow, this is so natural! The shape is so natural that no man-made traces can be seen, as if it was born on my body.

No wonder so many people here go for breast augmentation, but AjInde really doesn't.

Wow! It's too big! I
didn't expect the

But...but it's really twisted, and it feels different from the previous women's clothes.

Can't I exchange it for something else? The difference between wearing this and not wearing it is not much different. few.

The clothes are so uncomfortable and so short that if you move casually, will be exposed.

I feel so insecure. Do all the escort girls really dress like this? It's hard to walk, what should I do? Going to work?

Of course, even if you change it to something else, it will still be of a similar style.

And if you think Ye Cheng is like this, you actually like him, right? It's hard down there, but the body is more honest.

What, what?

I, when will
I!

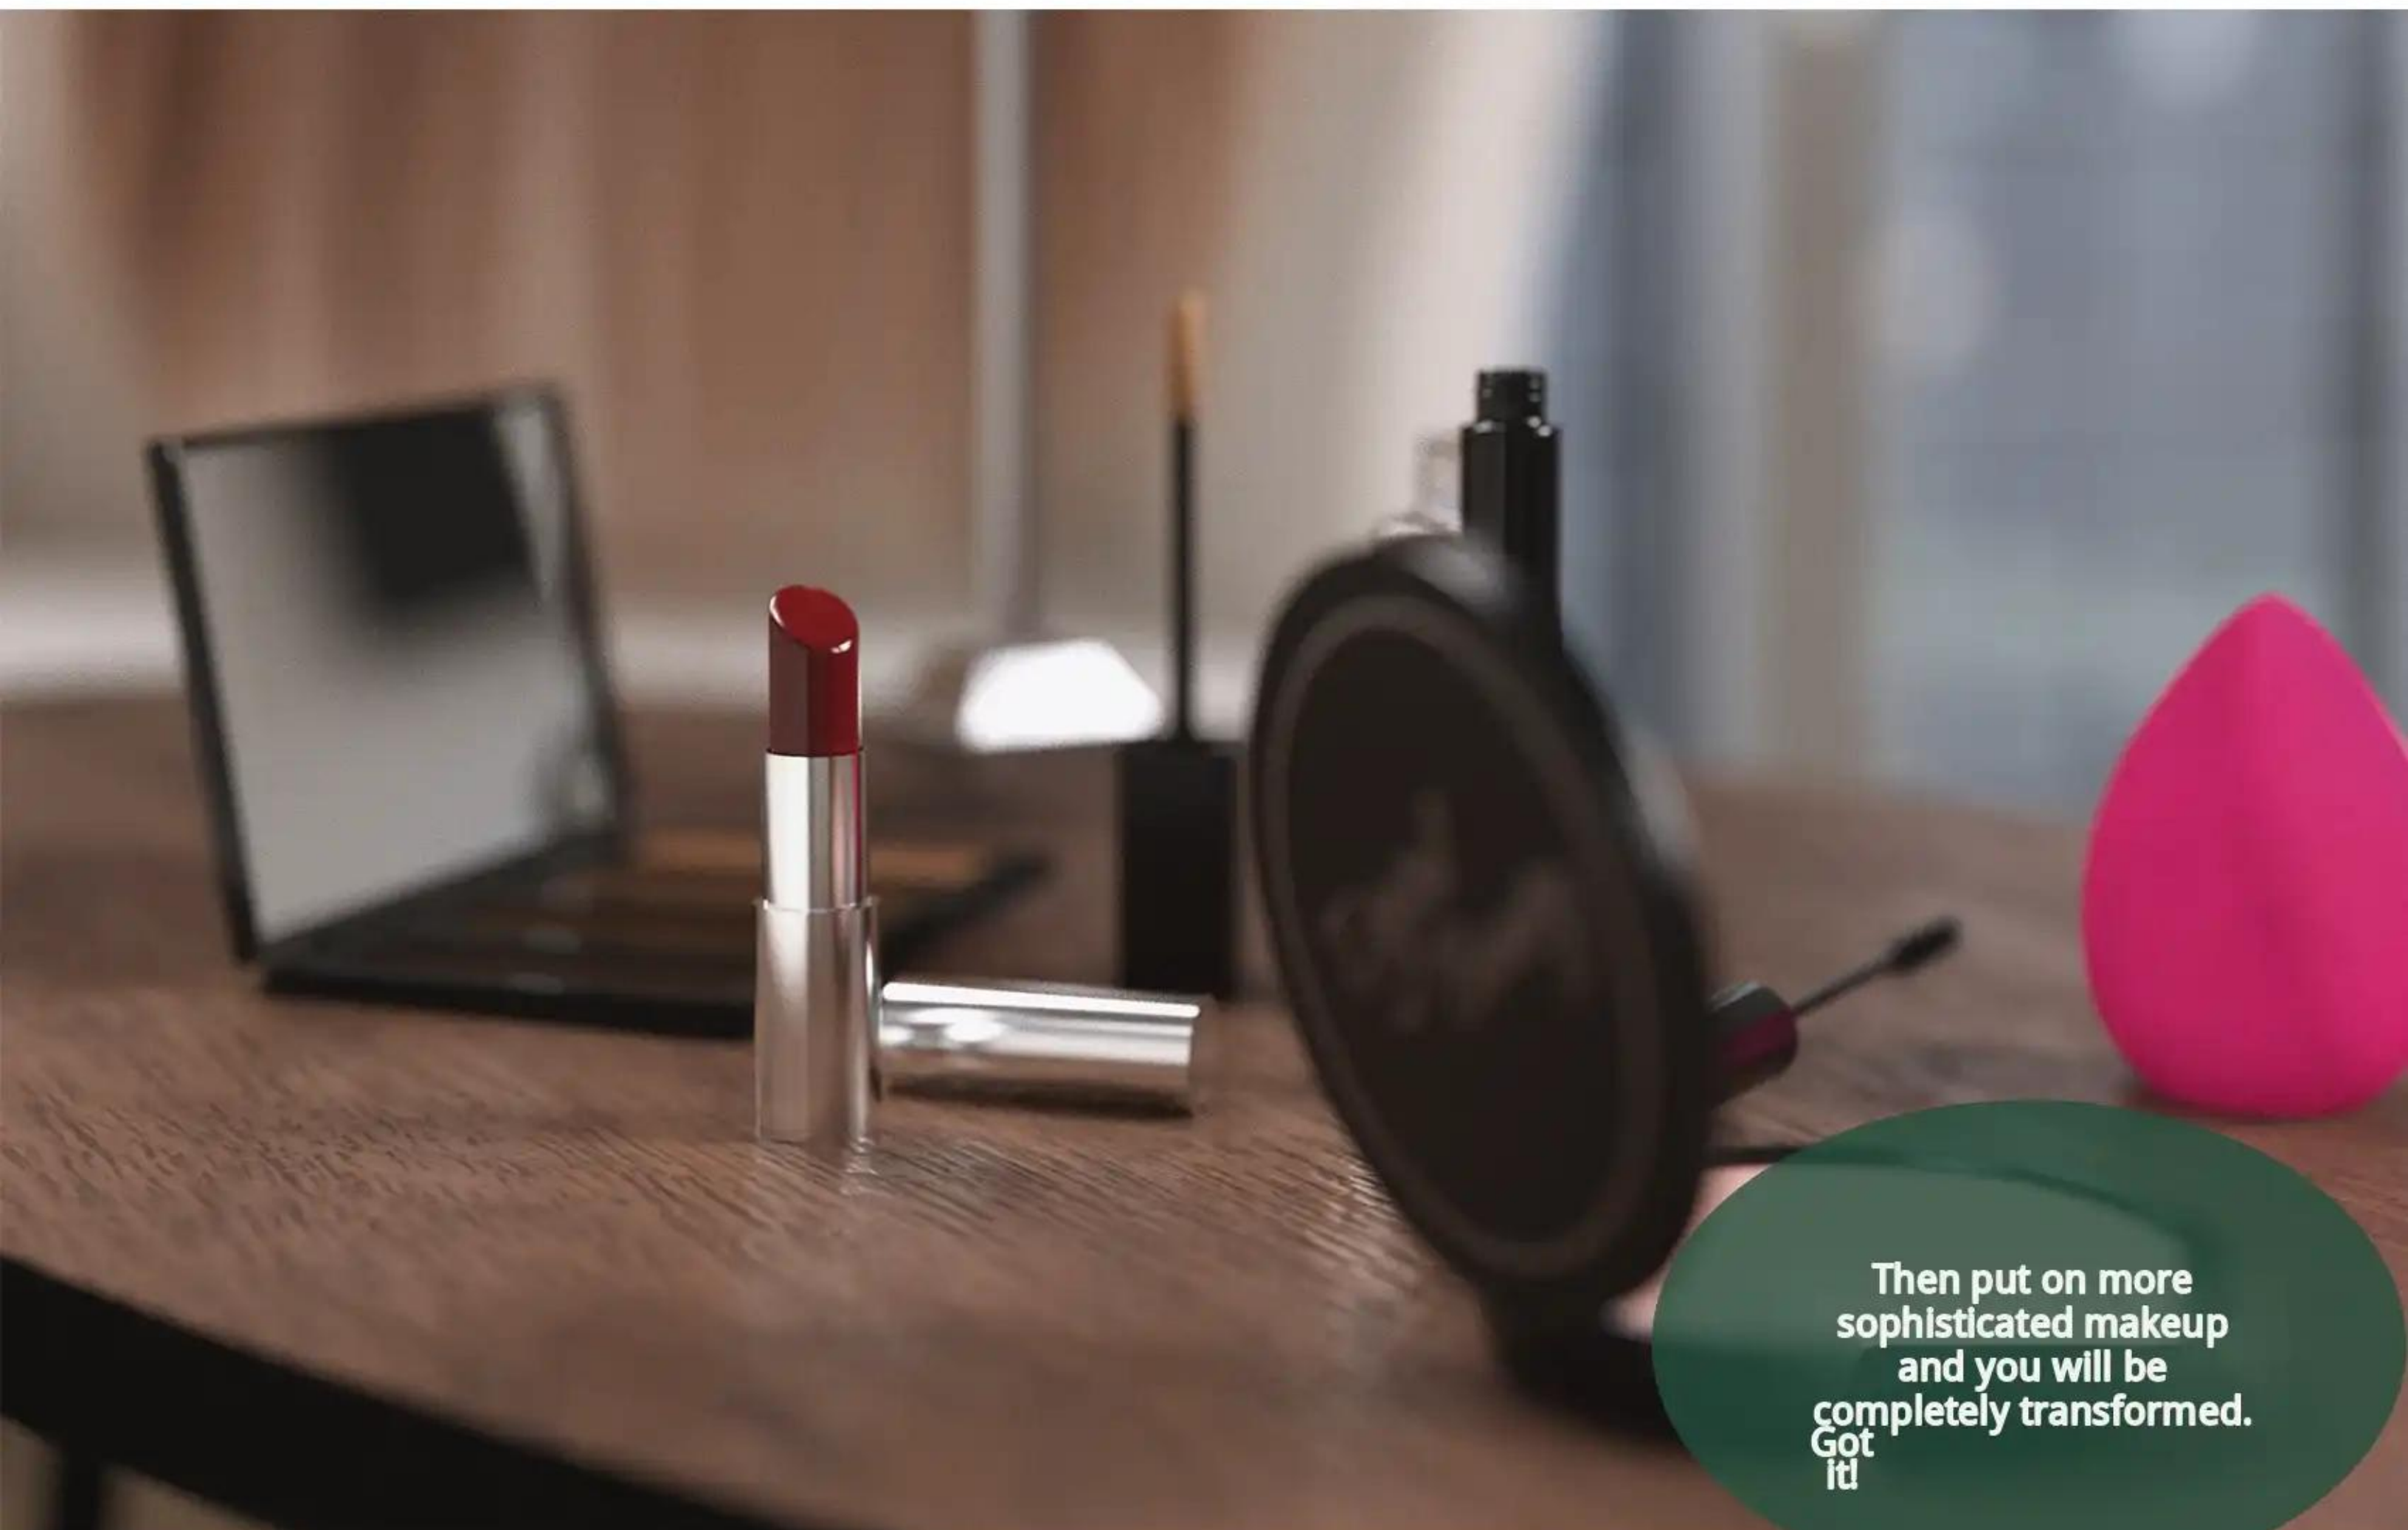

I don't like it! It's because the skirt is too bunched up!

You know it as a man! There's no way to control this!

It will suit you if you wear these accessories too!

She has red lipstick and is looking slightly to the side. She is wearing a purple top. Her right hand is raised, with black nail polish on her fingers.

Oh my God! It's so pretty, it's just an accessory, and it has a different temperament!

It's like a money-worshipping girl kept by a rich man, wait...how can I treat myself like this....

It's a fact that it looks good! The more it looks like a woman who lives in private, the better it is for us to infiltrate.

Come! I'll take a photo of you, and then I will introduce you to work with my friends.

A woman with long blonde hair, wearing a shiny, form-fitting pink dress, is posing for a photo. She is looking back over her shoulder at the camera. Her hands are positioned near her face and waist. It's okay, but I'm not sure I can do it again. The shame that disappeared just now is back....

How can that work?
After you go to work

You have to get used to

Just be patient and get over it, and you won't lose a piece of meat. As a grown man, don't worry about it. You are fake down there anyway.

That's right...ah! No matter what, let's wait until we meet again. What should we do next?

I also need to teach you how to use the fake vagina. You should lift your skirt first when you have a chance to use it.

You're too close! The

and there is no need to
use it down there,
right?

Things are
unpredictable, so I'd
better check the

to get used to being

this sensual place is not
a serious place.

No, no, I have a bottom line! As a man I cannot accept being fucked.

Think of some way to avoid pig hands...Fake vaginas are just to avoid being discovered...

Fall to

Why are you pushing me?!

etc! What do you want to do! Don't come here!

I am teaching you the truth. No matter how ruthless you are, you will still encounter this kind of situation at the scene. Could it be that you want to beat up the guest and then be taken out?

As a man, once you open your eyes and bite your teeth, is there anything you can't accept?

Wait Atsu... Do you really want to fuck your brother? Even though it's just a fake vagina, it still feels weird!

Surprisingly, the feeling of false vagina is still connected with my vagina... I don't think so...

Why did you take
off your pants? !
And it's hard
Like this!

Al, I'm with you, I'm with you, you will definitely have the opportunity to use a fake vagina after you look like a bitch now.

If the Koreans there find out, you won't be able to finish eating and walk around. Now you and I will test it and you will thank me!

Wait...at least I'll be mentally prepared before doing it...don't do it suddenly...!

Top!

Don't worry about that much. Don't forget that boys are thinking creatures with their lower body. Things!

Push

It hurts...it hurts so much! Azin, stop it!
It hurts me to death
ah!

No way! You must be too big down there!
