Catalyzed

strong

and
alcohol,
throw all
the
suppressed
emotions
in your

onto the
dance

Under
the
catalysis
of
alcohol,
people
will
elicit
another
personality

It's really
good
wine. If I
hadn't
worked
here, I
wouldn't
have had
the chance
to come
across it.

If I
hadn't
been at
work, I
would
have
had a
few
more
drinks.

This
bright
rose-like
color is
fragrant
and exudes
a fruity
aroma, just
like a
mature
woman. The
more you
drink, the
more
delicious
it
becomes.

I have never stepped into a nightclub for the first time since I was so old. How fresh and exciting it all is

咻
咻
咻
咻

This is one of the top nightclubs in the city. Sure enough, we came to the right place. It feels like there are quite a lot of people.

(I
don't
know
what
kind
of
things
I will
encounter.
It's so
exciting

It's not
easy to
get a
chance to
get this
beautiful
skin. She
always
comes
and
borrows
her
identity to
play
around

Otherwise,

Yeah,
yeah,
come
and
have a
good

Hello, would
you like to sit

What do you
need? Do you
want me to
introduce it
to you?

Yeah! -Yes,

have really
good
eyesight so I
can guess
right.

SPXXX

Is there
a
martini?
Give
me a
drink

I have
to
order
two
drinks
when I

drama
and go
to a
nightclub)

Okay: I will help you make it right away. Please wait. It seems that this is a girl who has just left the novice village. It's really brave to come to the nightclub alone. He will probably be unconscious a little later.

Why

were
surrounded
by
suitors

Just

But
does
this

have
anything
interesting
about
this

Most of the
people who
come here
are
high-end
elites
because
there is a
sky
swimming

open-air
room
upstairs. For
guests who
don't like to
be

else is

Hello,

Do you
know the
beautiful
woman
in red
sitting

there? It
would be
really
cool if I
had a
chance
to have

her

You're
talking
about the
beautiful
lady
sitting at
the bar
wearing a
long and
gorgeous
red
dress?

yes! What I'm
talking about is
that she
watched the
entire
audience. Only
her
appearance is
online. Is there
any way to get
to know her?

Let me give you some advice if you see a big guy in a nightclub

If you need
it, I can
make two
cups for
you and
send them
over for
you. Do
you agree?

Okay...Okay,
I'll ask my
little
brother
to make
me two
more
drinks
and send
them
over. By
the way, I
can tell
her that
we can be
drinking
companions.

Really

Should
I call

Ask if
you can

the
end.
This

I met a

meet a
beautiful
woman.
Looking at

really
makes me
feel proud.

What's
that in

that
makes
it taste
better...olives?

Did
you
surprise
me

What
happened?

SP_XXX

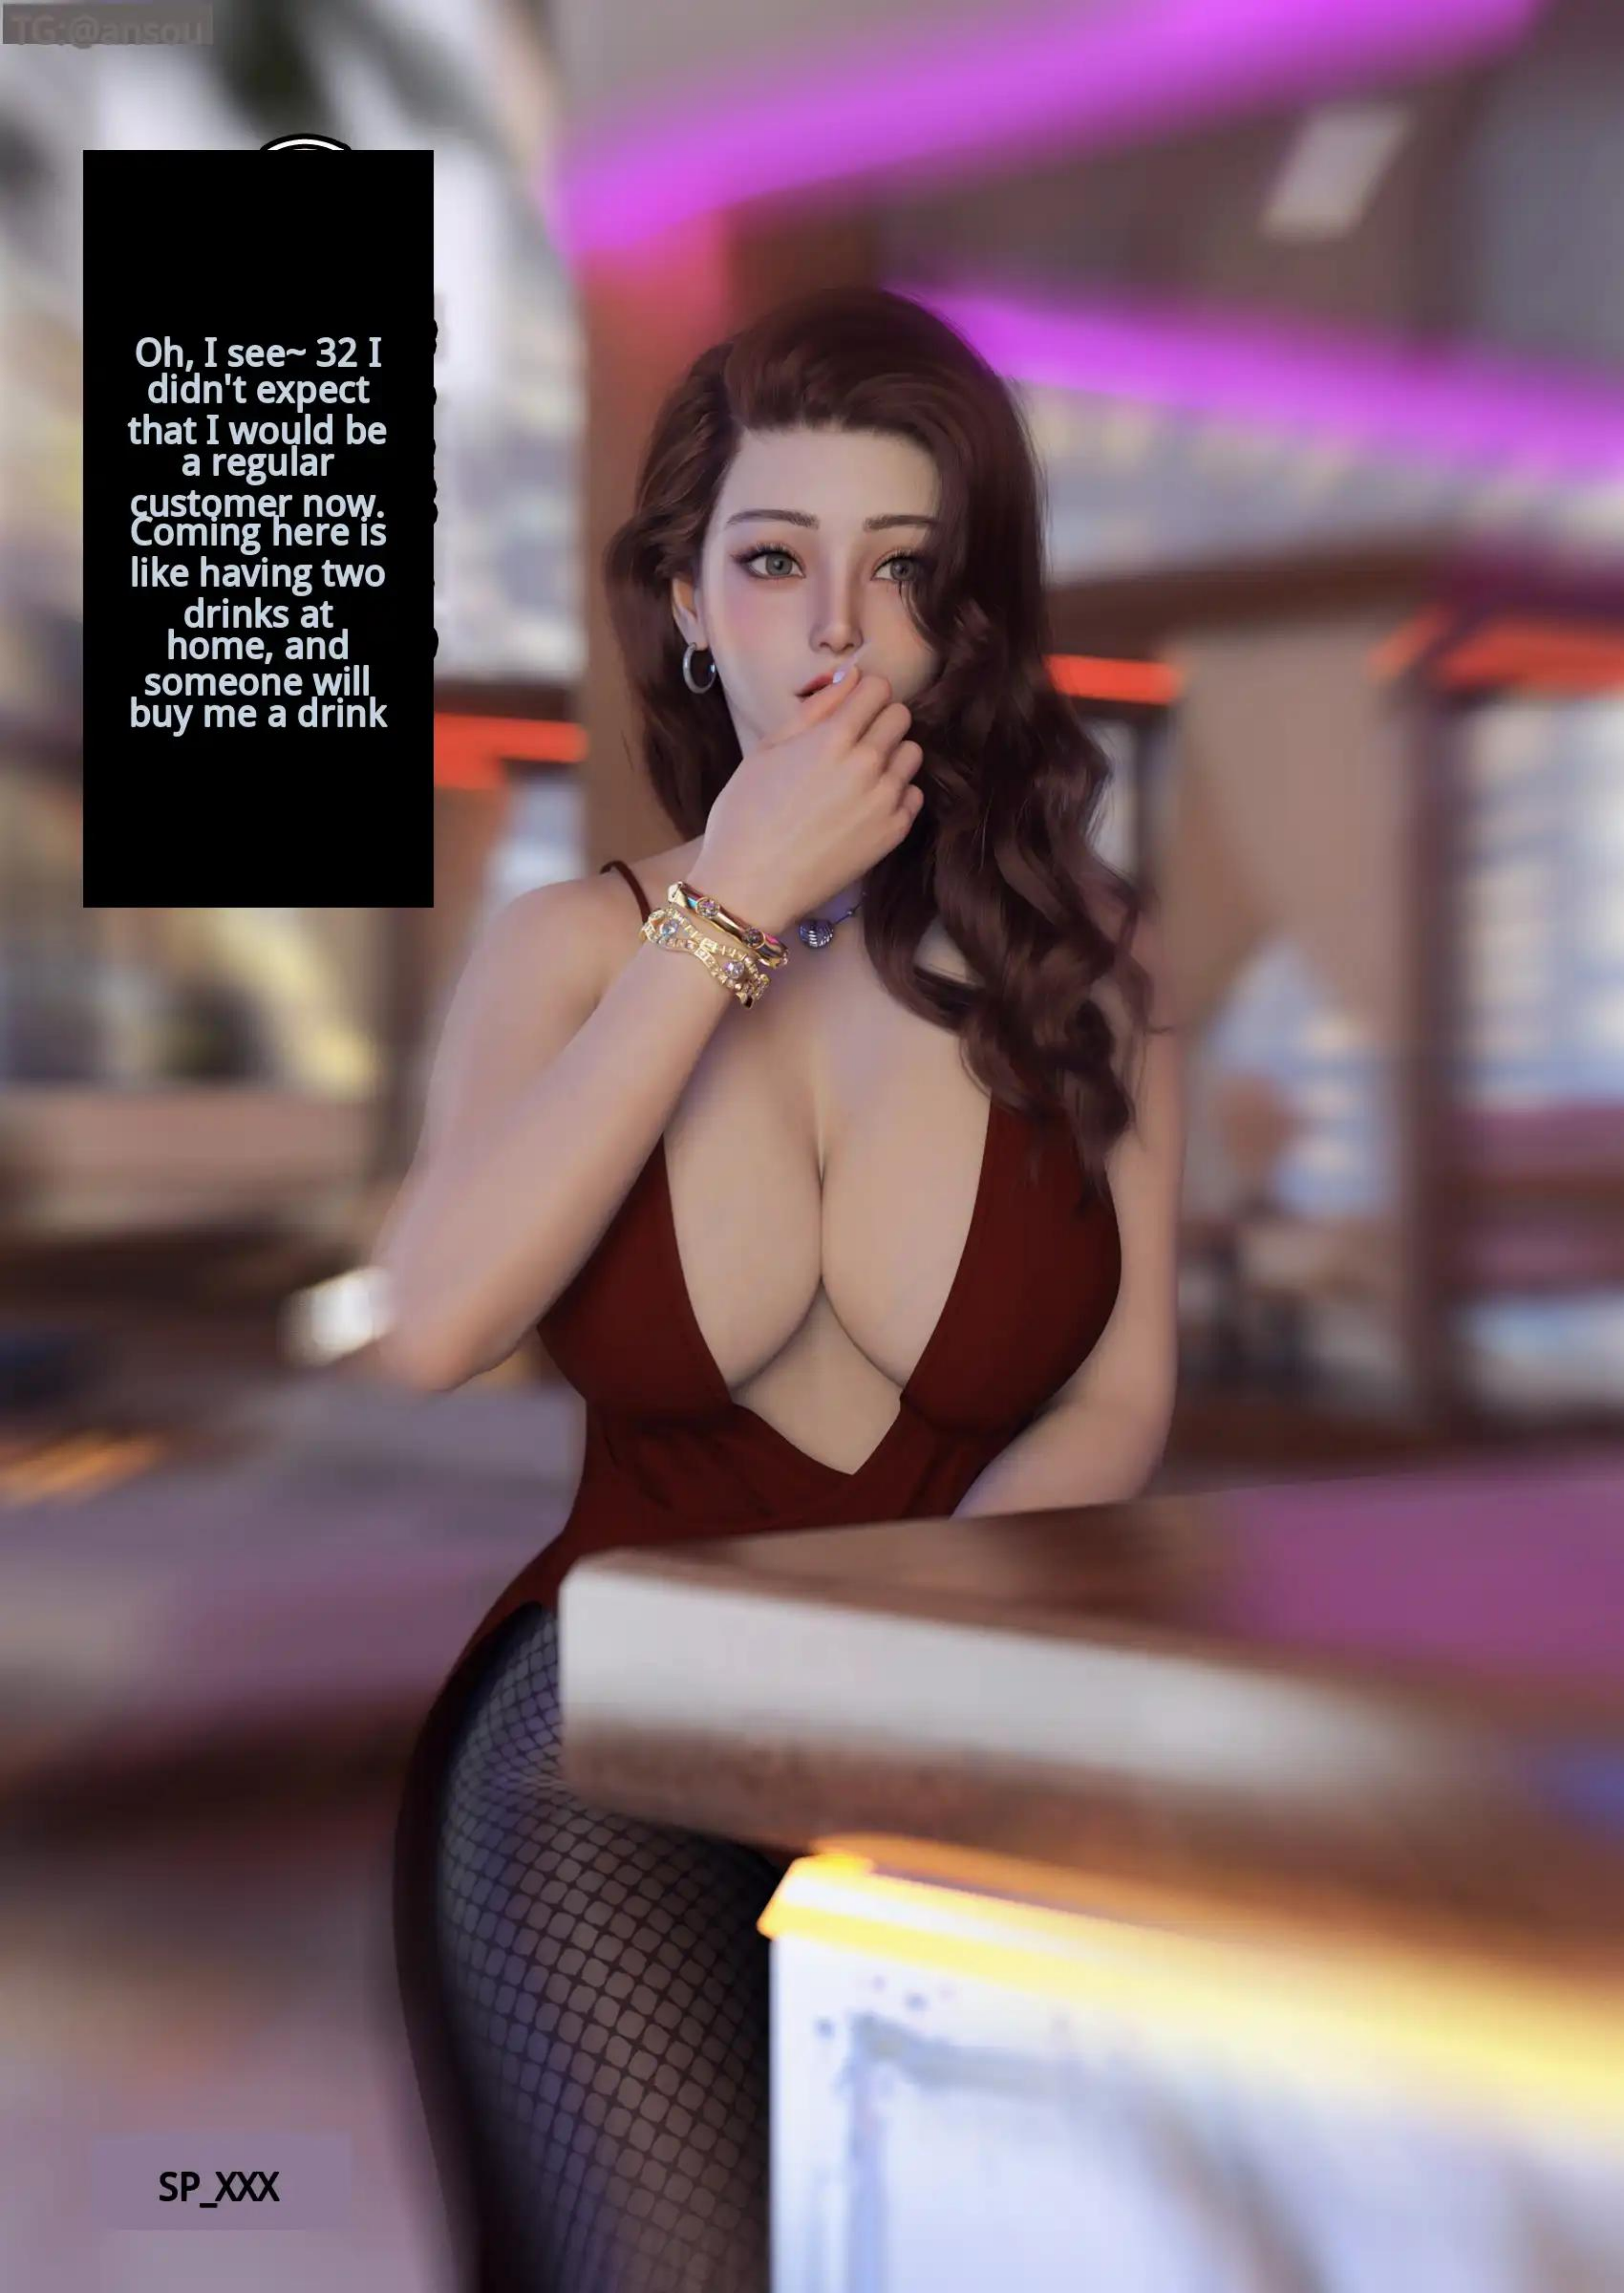

Sorry? ~
Miss Du,
the lady
over there
wants to
meet Na.
She asked
me to mix
a glass of
wine and
bring it to
you.

Oh, I see~ 32 I
didn't expect
that I would be
a regular
customer now.
Coming here is
like having two
drinks at
home, and
someone will
buy me a drink

If it
doesn't
bother
you. Can
I tell her
to come
over and
have a
drink
with
you?

It won't bother me, I have nothing to do anyway. It would be nice to have someone to drink a couple of drinks with.

Hey,
hey,
he's
hooking
up
with
the
beautiful
witch.
Maybe
there
will be
some
drama
later.

I feel
relieved
to hear
you say
that. I
was
afraid
you
would
accuse
me of
being
nosy

I
should
be
more
generous
and
walk
over.
This
feels
quite
embarrassing.

A woman with long, wavy brown hair and green eyes is looking towards the camera. She is wearing a dark red, low-cut dress and a necklace with a large diamond pendant. She is holding a glass of red wine in her right hand, which is adorned with a large gold bracelet and a ring. Her left hand is raised, palm facing forward, with a black wristband on her wrist. The background is a blurred bar or club setting with warm, yellow and orange lights.

Look carefully, this young lady looks quite unique. The figure is also second-rate. If I were a man, I would definitely do it if she didn't want it.

Xiaolan~ You and Mommy are really destined. Wait until Paul mixes the wine~ I will definitely drink with you three times on the night of 37. This novice village girl wants to come and drink and see how I can make you bloom.

Her right hand is raised to her face, with her fingers partially covering her mouth. She is holding a martini glass with a lemon wedge in her left hand. In the foreground, another person's hand is visible, also holding a martini glass with a lemon wedge. The background is a blurred bar scene with warm lighting and other patrons.

Haha~ Do you have something to do at night now? I hope Xiaoshi understands what mommy means. Don't miss such a good opportunity?

An artistic illustration of two women on a rooftop at night. One woman, with long brown hair and wearing a blue dress and high heels, is leaning over the other. The second woman, with dark hair and wearing a red dress and fishnet stockings, is sitting on a pink sofa and looking shyly at the viewer with her finger to her lips.
