That bastard Lao Shaoyin must have done it on purpose... He couldn't stop his hands... Damn it... A good shopping trip has turned into this again... He knew that I couldn't stand seeing my mother's body... Ahhh ...

Hee hee, drink slowly...be careful not to choke...

She actually looked full of motherly love...what...using her mother's body to do such a shameless thing

Ahhh... That kid's mouth has been sucking on his mother's breasts... he must be slurping his mother's breast milk, right?

**Why don't you let me drink
it...ah...that's too much...that's
precious breast milk for the baby!
Instead of giving it to this strange brat,**

**I wish I was the one holding my mother's breasts in my
mouth at this moment. I will definitely swallow every drop.**

Hehehe, I always feel like there is a fiery gaze staring at me from behind... I'm sorry, Old Zhou... Just play by yourself for a while. ...

唰!

After all, I still have business to do here!

Why did you take off my pants all of a sudden...ahhh...it feels so comfortable...wahhhh! Auntie, what are you doing?

I'm helping him breathe! Silly boy, Auntie is afraid that your dick will feel uncomfortable in your crotch.

Oh oh oh... Auntie's hands are so soft...
Ahhh... Speaking of well-off people,
what about others? The cock is getting
harder...? Being covered by warm palms
and being fucked up and down like this

ah! Well-off?
Who allowed you
to take off your
pants? goat!

It's all you... that
makes my cock so
hard! You, you are not
qualified to talk about
me! You should tell
me what to do!

Like, like you did for Haohao... Auntie... My cock is so swollen and uncomfortable. Can you please rub it for me?

PEACEMISSION

Just using my hands
doesn't feel enough... How
could I have the heart to
refuse such a request? Hee
hee, what a polite boy! But
since I have to vent
my anger,

Auntie's mouth is so hot...ahhh...ohhhhh!
My cock was eaten by my aunt! It feels so
good to have my dick licked back and
forth with my tongue. ..

I can't think anymore... It's so powerful... My cock is being pushed back and forth by my aunt's lips... I have never experienced such a comfortable feeling... Ahhh...

Don't keep getting into trouble! Good friends should play together happily like this, otherwise we won't be able to do comfortable things together in the future. Hehehe, that's right! You all have memorized it

~

Ah... what kind of son am I? And I kept masturbating like crazy... It was so embarrassing. My mother was naked in front of me, serving two little brats with her hands and mouth. ...

**Mom's pussy is still empty... Well...
I'm already so excited that I can't
stand it anymore... How about I get
in front of those two brats?**

It's not enough to just use your hands! Auntie... can you teach me more new ways to play? Humph, I don't want to share my aunt with the good-for-nothing Xiaokang!

扑倒
throw down

How could you do this to her? Haohao, what are you doing? Auntie is kind enough to play such a fun game with us

Didn't you see that Auntie was smiling and coaxing us just now? Be careful, auntie is angry and will never play with us again! Now you make me like this

Not like an adult at all! But this woman... I don't know what's going on. Humph, how dare I be so presumptuous at ordinary times? I can only peek a few times and have to shrink my neck and pretend to be good.

That look seems to be seducing us all the time... I feel like even if I go too far with her, I will seize the opportunity... to climb the ladder of adulthood! Maybe she won't be really angry...I am different from Xiaokang

If you don't want to share it with your friends... I'll give it to you! Since you are so greedy, let Auntie use these feet to let you experience the ultimate happiness! Hee hee, young people are really motivated. I underestimated you... Okay.

How can you use your feet...haha...such...what? I This is different from what I thought... No, it's not clean... Ah... It's so exciting...

Hmm...I was actually pinched and rubbed by a strange aunt's cock until I was so sensitive. I stepped on the cock until I became excited...Ahhhh...hahhh...I can't bear it anymore...A woman's soles are so amazing...soft and fragrant...

Do you really like having your dick stepped on by your aunt? Look how excited you are, you are such a naughty boy, you can't cum yet! Auntie hasn't had enough fun yet, hehe, she's become wet and sticky. ...

Wu
Ming...unfair...Auntie...Auntie
is partial! Leave me alone to
stare at you again! Every time,
Haohao has exclusive access
to all the benefits. ...

Don't worry, don't worry~it will be
your turn later! Maybe Auntie will
give you special benefits! Be more
courageous and don't be so shy
all the time.

Hey hey hey,
are you ready, kid?
I'm going to eat that
hard cock! Auntie's
cunt is so hungry,

No, no... It really can't... If I insert it into my pussy now, it will... It will break... My cock has already been played with and is too sensitive.

A woman with large breasts is lying on top of a man who is wearing a black and white striped shirt. They are on a blue and white patterned rug. The woman has her eyes closed and a slightly open mouth, while the man has his mouth wide open in an 'O' shape. Two speech bubbles contain text related to the scene.

The bad boy's big, hard
cock is inserted into the
pussy! Yeahhhhhh!
Come in!

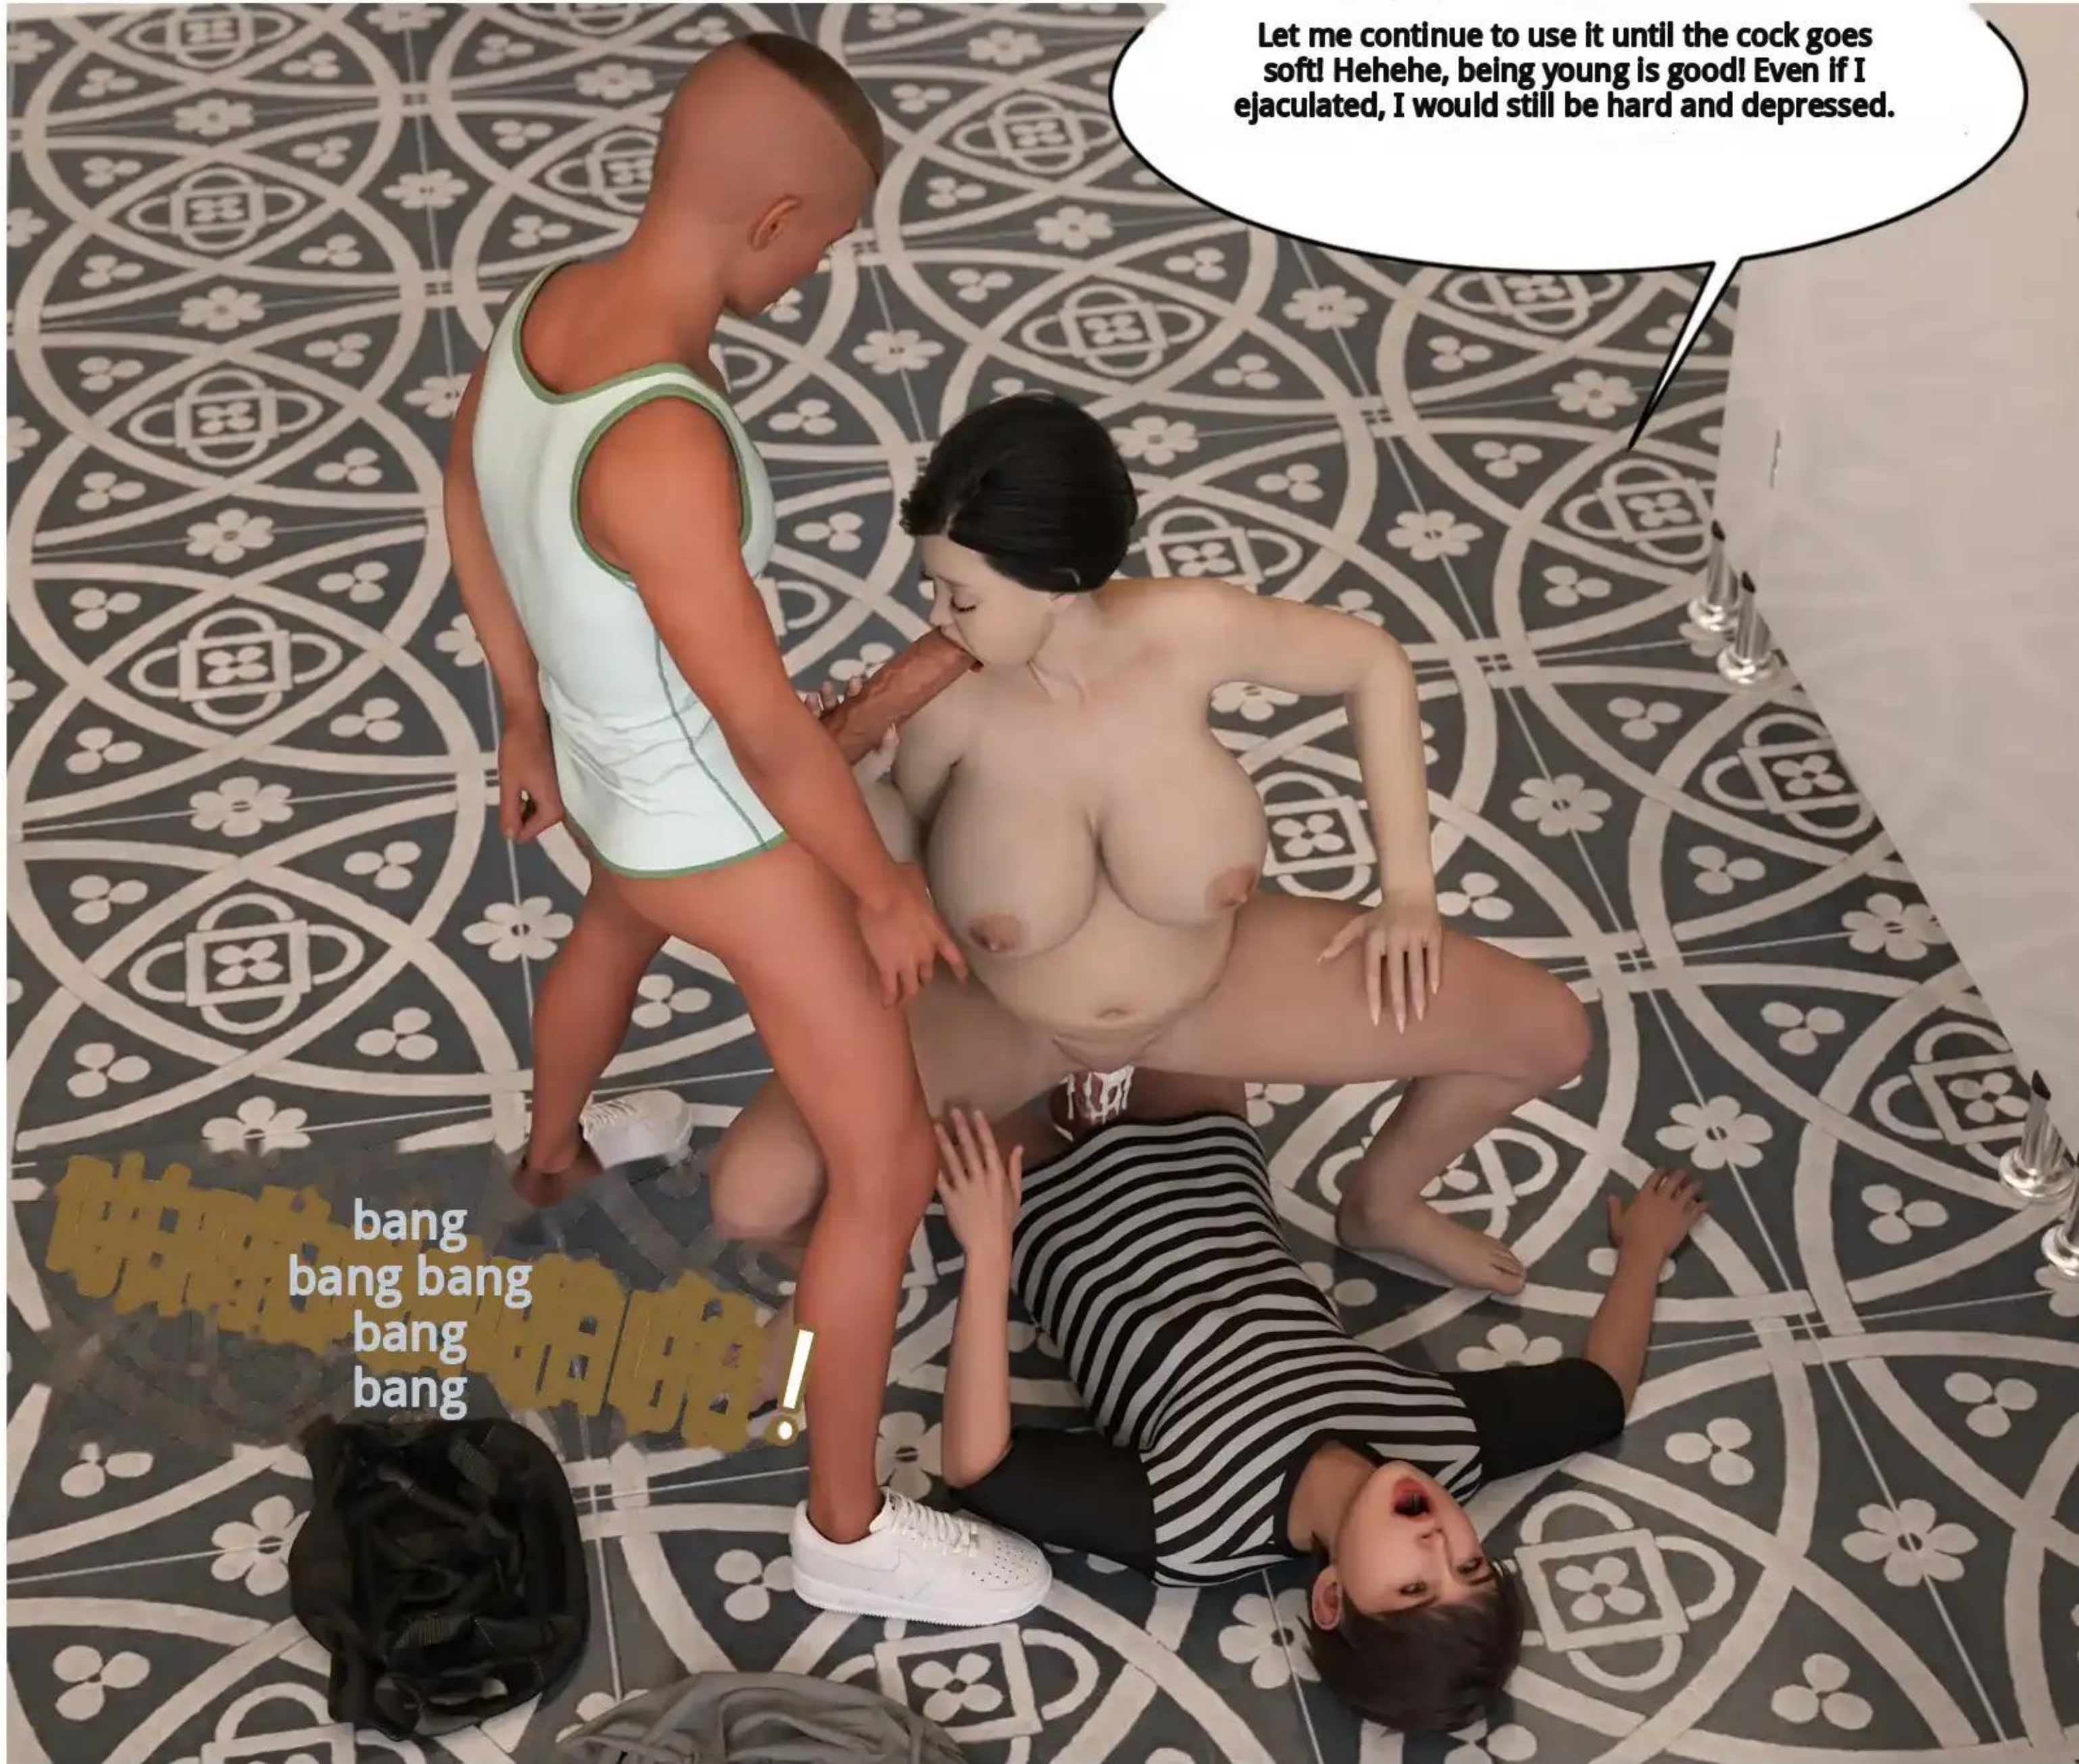

Oh oh
oh...no

Squirt...I told you not to ejaculate so quickly...Oh...you're cumming now? It seems you still need to exercise more, young man!

Let me continue to use it until the cock goes soft! Hehehe, being young is good! Even if I ejaculated, I would still be hard and depressed.

bang bang bang bang

Woo hoo hoo... I can't do it anymore... I really can't do it anymore. ..

Hmm...so far everything is going well...it's really confusing...Xia Yinyin. Is this your so-called plan?

I will never do this kind of work a second time, it's too frustrating! Haha... I'm exhausted. I finally got the whole family back to their original state.

Humph, you are so embarrassed to say it...it's obvious that this mess was all caused by you alone...

You must have something else to say, right? Xia Yinyin? Or should I call you a cadre of the "organization"? But...you specifically sent the others away to call me here.

I really didn't make a mistake! Okay, let's not go around in circles, let's get straight to the point! He's obviously just an empty-headed student, but he's quite smart at times like this.

Haha, it must be hard for a boy to carry such a big belly, right? To be honest, we are all very interested in the little baby in your belly.

The fetus born due to the mutation of the leather gun may become the most important part of the organization's plan!

I have no interest in your plans at all! Huh, who told you to touch it casually? Sorry,

What's more, it's a baby that hasn't been born yet... Didn't my friend just suffer a big loss? God knows what you will do!

We already have a relationship where we can be honest with each other... It doesn't matter, it's always better to be cautious in everything. Oh my... It's really sad when you say this. I thought that after these things

The only thing that can save you and the little guy in your belly right now is that you have to weigh it carefully yourself! Hahaha! I'm afraid I'm the only one left. As for whether you listen to my proposal or not, it's just... My dear, think about it carefully. ...

□□□□□□□□□□...□□□□□□□□□□...□□□□□
Want to save me and the
baby? Let's figure out what
she wants first!

If you have listened to me explain the origin of the leather gun, you must understand it, right? To put it in the simplest way, the female body you are wearing now,

It didn't belong to you from the beginning, but was a product of our organization. That's right... you are all "experimental subjects"! and the child in your belly,

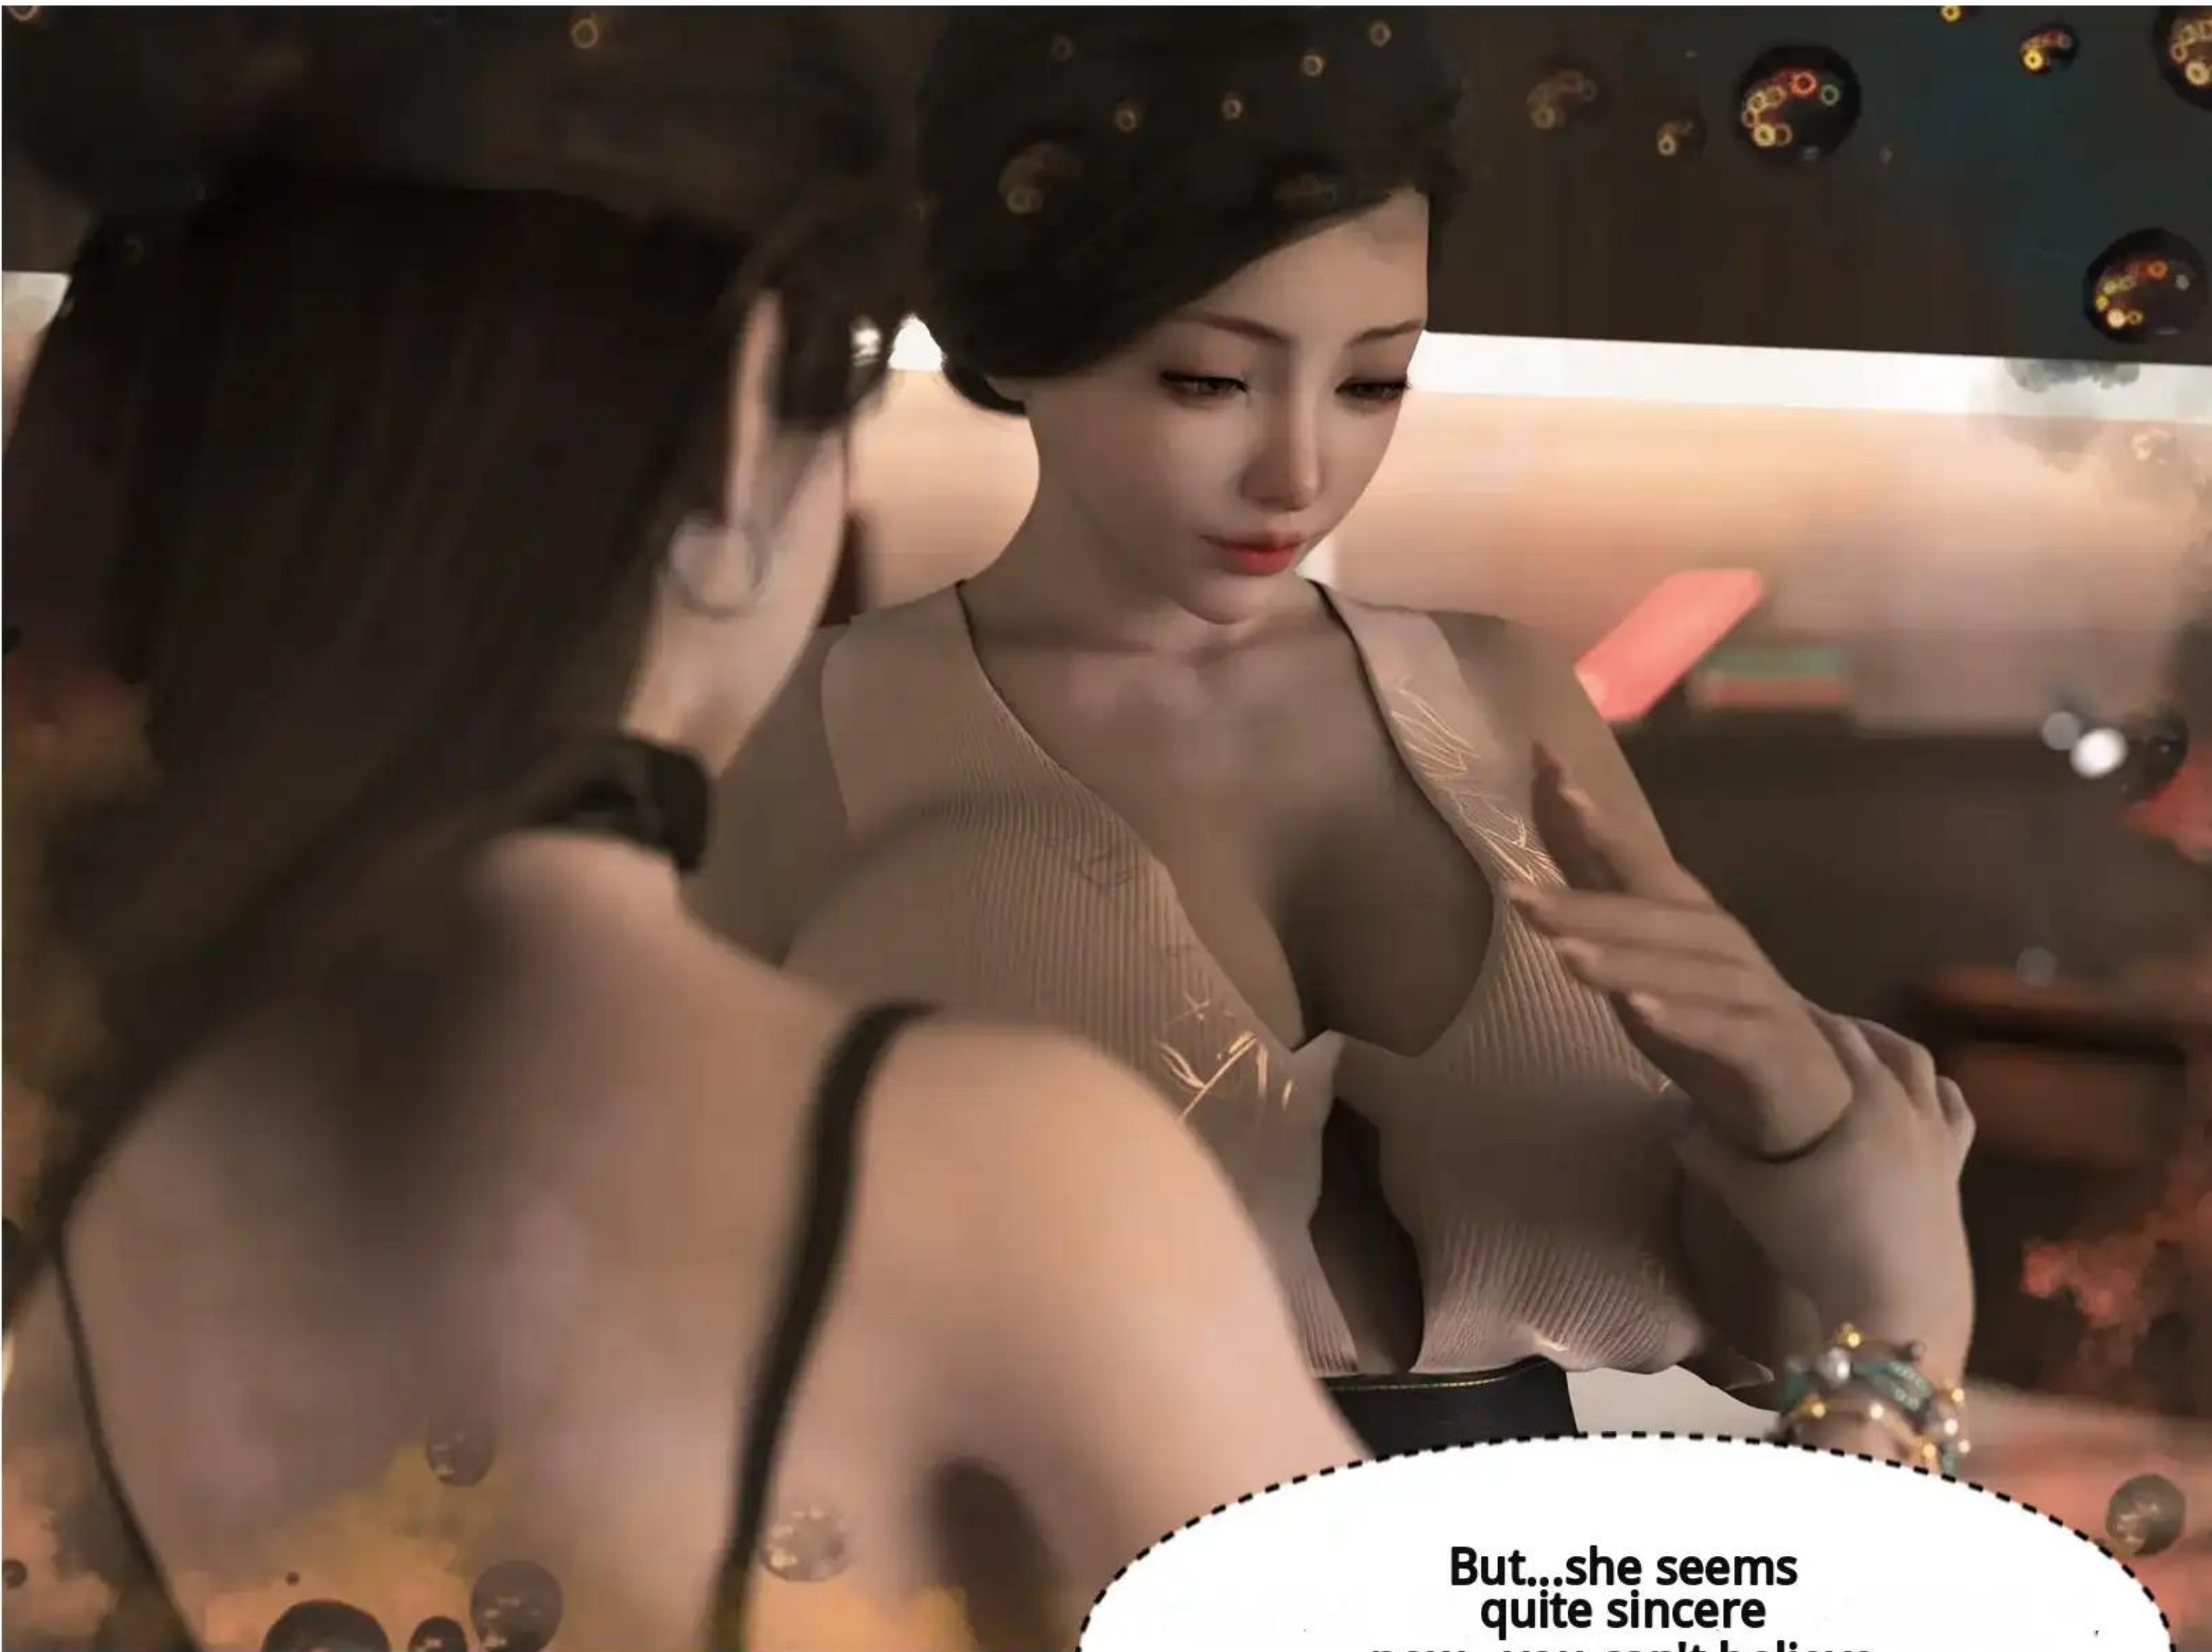

From my personal point of view, but... you also know that I have never followed the rules. I hope you can have a different ending... So according to the organization's regulations, the experimental subjects will eventually be recycled.

It's a win-win situation in order to preserve your and your child's freedom! As long as you are willing to do what I say, we can both get what we want, let's cooperate! In order not to be manipulated by the organization,

This, this is too exaggerated... So what do you want me to do specifically?

But...she seems quite sincere now...you can't believe anything she says. Akai said that this woman is a liar,

As for the other tasks...you will naturally know about it then! Hehe, it's not a big deal. You can just find a different man to have sex with and ejaculate as usual. At this stage, I just need a lot of semen samples and data.

ah? What nonsense requests...what are you going to do to me? Then, what if I still refuse?

Then I can only take the child back to the organization for experiments as planned! Well...if you really refuse to cooperate, please, you must collect semen seriously and actively.

Just think of it as doing it for the baby in your belly! I will also keep a close eye on you, hehehe! Naturally, the more samples, the better.

children as hostages... Talking
about win-win cooperation.

actually said such terrible
words with a smile,**

Hello? What's the matter, dear? I'm
going shopping with Mingming...?
How can I...Okay, okay, I'll go back

Don't sleep, it will be too late if you don't leave! Hello! Wake up, old Zhou!

What's going on? What happened?

What happened?
what's going on?

In the end, I still couldn't hold it back... You can't blame me! The mother who took the initiative to stick up to me was so foul and seductive. Damn it... I clearly swore that I would never lose control again. ...

I almost forgot to attend the company's annual dinner today! Hahaha! I was having too much fun without paying attention. If your dad hadn't called me,

We can't hang around any longer, let's go, let's go! I still have to go home and change clothes! I heard that all the big bosses will attend this time.

...Wait, wait...
Then... can we just
leave it alone?

We don't need to
worry about this kind
of thing! Let's go! Oh,
from today on, they
are all adults.

Just think of all this as just a ridiculous dream... Sigh... I'm really sorry for you... It would be great if you could wake up and find that this was a dream. ...

This posture is so majestic... Hey, look... Isn't that Team Leader He?

I'm afraid you saved the
earth in your previous life, right?
Hahaha. Hmm... I really envy her
husband... He has such a turtle
body and can still marry such a
beautiful wife.

But the fabric and tailoring are really amazing... Although I have no impression of this dress, hey, I hope you have discernment! Tonight, I am still the most dazzling woman in the room! It was so nice to dig this dress out of the closet at the last minute before heading out.

Does what
I wear suit
you? Hee hee,
dear,

Haha, do you need to say that?
Everyone in the audience is staring
at you! My wife naturally looks
good in whatever she wears.

The big guys in the industry are all here. This is a good opportunity for me to show off... This dinner is indeed the company's annual big event.

You have to give me some face tonight! There will be many people waiting for us to toast later! Well, our seats are right here. Wife, please sit down first. Hey, it's rare for us and my husband to show up together these days.

I want to give birth to the baby on the table... If you hang around like this for one more night, I'm afraid, you are such an inconsiderate man, you just want to hold up the scene, and you don't even look at how big my belly is.

Wife, just take a break. See you later~ OK OK~ I understand, then you should stop moving around. I will help you cover the drinks later. You can just stay at the table and laugh! I'll go say hello to the old directors first.

Sigh... I'm finally feeling better. Did the old man take the wrong medicine today? Isn't it just a bunch of boring old men getting together to drink and brag? I really can't stand this kind of situation... Can you do something interesting? What's so exciting about coming to a place like this?

shake

But it's not a bad idea to pass the time, there are still some good stuff here! Although your figure is not as sexy as mine, hey, if you take a serious look at it ...

I seem to be getting excited for no reason... Do you secretly fantasize about me being creampie'd by Father Zhou in your mind? Thinking about it carefully, when the people in the venue saw my pregnant belly, ahhh... they thought of how these serious people were so promiscuous and dirty in private.

A woman with long dark hair, wearing a black lace bra and black stockings, is sitting on a patterned carpet in a banquet hall. She is looking down with a slightly sad or contemplative expression. The background is filled with out-of-focus lights and the legs of people seated at tables.

Ah... I suddenly had the urge to take off my clothes, squat in the middle of the banquet hall, and dig my holes and masturbate wantonly in front of everyone.

It ended up being a slutty group sex feast...how wonderful...until someone couldn't help but pounce on them and enjoy everyone's lustful gazes

Haha, if it really comes to that, it will definitely be very troublesome, right? In this way, not only will I feel great, but I will also be scolded half to death by Lao Zhou... But then again,

It's really the best of both worlds... Oh oh oh... The woman was shocked that she met the standard early, and she might be able to collect a lot of semen data by the way. Thinking about it, her body started to heat up.

凸起 bulge

That's enough... Why is my cock still not satisfied after being fucked so many times today? Are you always full of energy at times like this? Damn it! Isn't it? Hard again?

what to do? Should I rush to the toilet and take a shot? As soon as I stand up and move around, I'll be discovered immediately... It's difficult, no, no... This dress can't cover my erection at all. ...

Squirt... Since we can't leave, there is only one way left. Let's solve it quietly under this table! Always pay attention to your surroundings. No one will notice. Just act natural.

For an elegant and beautiful pregnant woman like me, ahhh... the thrill of masturbating in public is really exciting. Are you masturbating your big cock under the table? Hehehe, they must not have guessed it at all.

I just saw a familiar figure and thought I saw it wrong.
Haha, I was shocked... It turned out to be you, Manual!

I didn't expect you to still be so beautiful even
though you're pregnant...I haven't seen you for so
many years, but your temperament has become
more mature. Ahem...Anyway...congratulations!

A man in a dark suit is shown from the back, with his right hand resting on the left shoulder of a woman. The woman has long, dark, wavy hair and is wearing a dark, patterned, sleeveless dress. She has a surprised or concerned expression on her face. The background features a red upholstered chair with gold trim and a dark wood wall.

Well...I'm

you...?

Who the hell is this?
?Now is not the time to

here! It's so familiar as soon

I'm so happy... Manhua... By the way... I see you still have this outfit... and the days when we were companions... I often think of you...

What's going on with this man? It doesn't sound like he's here to climb a mountain... Xiao Yi... I seem to have heard this name somewhere...? Xiao Yi? Could it be... Is he an old friend of auntie?

ah! I remembered...this man was He Manhua's boyfriend in college! She foolishly thought that she had met true love. Not only did she give him her cherished first night, but she was coaxed around by this man with just a few sweet words. At that time, He Manhua was simple-minded.

She turned around and dumped He Manhua, not even bothering to say goodbye... From then on, this past incident became a wound in her heart that she didn't want to recall. But not long after, the surnamed Xiao fell in love with a rich girl somewhere.

Damn it... But this bastard still dared to run up to me with a smile on his face, pretending to be nonchalant and try to get close to me?

stare

You must be wearing this outfit today because you are still thinking of me, okay? Remember me? I'll just say it

Sorry, I have something else to do, so excuse me!

I don't have time to deal with a bastard like you right now... Humph, good luck to you!

Get up

But you have to give me a chance to apologize! Manhua? We haven't seen each other in years, can you just stop avoiding me? Why? Don't go, Manhua! I know you feel aggrieved in your heart. I am sorry for you.
