hall

A man with short, dark hair, wearing a dark grey suit jacket over a dark blue polo shirt, is looking towards the right with a surprised expression. He is standing in a bar with a wooden back wall and shelves of liquor bottles. A woman's arm, wearing a gold bracelet, is visible in the foreground, reaching towards him. The scene is lit with warm, ambient bar lighting.

Where are  
you taking me?  
Send it away?  
Manhua...you

Stop talking  
nonsense! Just  
follow me!

I don't feel safe at all.  
It's really troublesome...  
Let me see... I can just hide in  
this corner, right? Alas, with  
this big belly, people stare at  
me wherever I go.

Anyway, I have too much free time, so let's chat casually with this man! I guess I won't be able to come back for a while... Humph, very good... The old guy has already started drinking and seems to be having a great time chatting.

Are you blind or possessed by an evil spirit... I really don't understand why Aunt He fell in love with this man in the first place? But to be honest...look at this guy's piggy face, even I feel down

Hehehe...you must still be thinking about me, right? Hmm~ It's so nice... This familiar touch. Manhua... I didn't expect you to take the initiative to hold my hand!

甩开!  
Shake  
it off!

**Try fucking me again!  
When you're done, get out  
of here! I don't have time to  
listen to your nonsense! Didn't  
you mean to apologize? Now  
tell me clearly one  
sentence at a time**

Then I understand what you mean, just like before...hehehe...your temper is still as hot as ever, you have obviously dragged me here...ahem...okay

抓!

Grasp!

You just like me to be tougher on you... Oh oh oh... Manhwa... This is what you really want... right? Sure enough, you are the best! Manhwa...after all these years, these big breasts are still so addictive to rub. ...

搓揉 rub

You, can't you understand human language? ! I told you not to touch me... Why don't you let go!

He actually held on to me for dear life... Damn it... I couldn't escape... I couldn't use my strength at all with this belly! Damn it, is this guy crazy?

Can I get pregnant again...  
Squirt... Do you have to orgasm  
again and again every day? Manhwa...I  
understand...you actually have a hard  
time holding it in, right? After all, your  
two children are so old. You and your  
good-for-nothing husband must  
not be idle at night.

Let me bring you the familiar pleasure... Your dissatisfied eyes tell me all that... Hehe... You don't need to say it, or should I say... He can't satisfy you, a slut?

There's no way to break away right now... It'll be in trouble if this guy touches me... What should I do? Oops! I haven't put my dick back in yet!

As long as you are  
a man, you have to be  
honest after taking this  
trick! Hum! I'm such a  
fucking genius!

**Believe it or not, I'm going to yell right now and ask him to tear this thing off with his own hands? It's a shame you had the guts to touch it directly...shameless thing! Don't be too loud. My husband is nearby. I advise you to be more sensible.**

Can you... loosen your hands first... please... I'm in so much pain that I can't hold back my voice... I'm wrong... I'll listen to whatever you say... ahhhh! Lightly, gently...Okay...I,

But you are too

Oh my god... I'm

Although I am

A woman with long, wavy black hair and a dark, patterned halter top is shown from the chest up. She has a serious expression and is looking slightly to the right. Her arms are crossed, and she is wearing a gold watch on her left wrist. The background is a blurred, ornate interior with gold accents and a red patterned surface.

**Not everyone can tease me! Just this one blow will be considered an advantage to you. When the pain is over, get out of here and don't appear in front of me in the future! Humph, a frivolous pervert like you** !

Slowly...slowly...there's  
one more thing...you  
have to let me...finish  
my words before  
leaving...

That's right..that's me! I am no longer the poor boy I used to be. Now I am standing in front of you, Manhua... You may have forgotten the changes in me in the past few years, but your company has found a sponsor with great difficulty... Haha

So annoying! Even if you become the richest man in the world, it's none of my business, okay? ah? so what? Can you stop showing off to me?

Why are you so proud...go on...you are just a second-rate person who has climbed up by eating soft food!

If it leaks out  
accidentally, your husband will  
go to jail for ten years! Now it's all  
in my hands, hehe, let's put it this  
way...those shady materials in  
your company

**When the time comes,  
the child in your belly... won't  
know who to call daddy...  
Doesn't that sound good? If  
this really happens,**

What do you  
want to do? Damn  
you... using such  
dirty tricks,

We can't let him  
succeed... This bastard... dares  
to threaten me with the company...  
What should I do? Lao Zhou's whole  
family will be implicated... No, if the  
trouble really gets big, not only will  
the old man lose his job, but also  
the old man will lose his job.

**It depends on my mood... Oh, don't be nervous  
~ I didn't say what I'm going to do to you! I just  
want to remind you how this will develop next**

Tell me to get lost, right? As for my mood...what did you just say? Sigh...it's really sad. I'm good at everything, but I'm a little petty. I'm very good at holding grudges. ..

A pregnant woman is shown from the waist down, wearing a dark, patterned dress. Her hand is resting on her belly. A speech bubble is positioned above her hand, containing text. The background is softly lit with warm tones.

Now you understand what to do, right? Hahaha, the big butt of a pregnant woman is really heavy when rubbed! My dear Manhua...find a way to make me happy!

I really want to push him to the ground and give him a beating... squirt... damn... this bastard is more evil-minded than I expected! No...don't be impulsive...It will only make things worse

...

Or change the place? If you continue to stay, my husband will see you. There is really nothing you can do about it. There are so many people here.

Let's go there and have a good time! ha! Just waiting for your words! My room is upstairs

Being a sexy mature woman is quite difficult...  
Anyway, since this guy has to do it like this, I will let him see the true side of his sweetheart...  
Even if you sit upright in your seat, you can encounter such a mess.

Guest  
room

**It's hard for most people to even take a look at it, let alone live there... Hehehehe... This place looks quite stylish, right? They are all custom-made specially designed for me. Let me tell you, the ornaments in this room are not just bought randomly.**

As long as you are willing to come with me...how about it? Manhua

pant

Man...manhua?  
!!

I was worried that I wouldn't be able to find an opening, but luckily this guy was too busy showing off and didn't even look at me. Oh my god...it was so tiring...I finally put my cock back in. ...

Something seems different...wait...this posture...isn't it too unrestrained? Not even the slightest bit wary...Is this woman really the Manhwa I know? Although I took the initiative to invite her here, this big thorn lay there as if she were at home.

Do you have anything to eat here? If you have any, bring it to me~ Pregnant women can't go hungry! Ah...what...I'm hungry again

**Eat as much as you can! You can eat as much as you want! Well...then, of course, there are some snacks on the table**

**I didn't expect pregnancy to have such a big impact on women. Well... I'm more relaxed than I originally expected! But that's okay, I just want to see Manhua looking at ease**

Then I'm welcome~  
I often feel like I can't  
get enough no matter how  
much I eat! I eat a lot now,  
hehehe, you are the most  
considerate to others

狼吞虎咽 wolf

Ouch, let me go...why is this snack so delicious! Hehe, I happen to be hungry...it's so delicious!

The elegant and dignified mother  
in my memory! This is such a good  
eating scene... where has this  
heroic and perfect woman gone?

I can still control her! No matter what  
Manhua becomes, no no...calm down...I  
have never forgotten why I came here

Should we... take a good rest first? Hey hey hey! Manhua, if you eat it so fast, your stomach will hurt.

I haven't finished eating yet... It's given away... Are you in such a hurry?

By the way, I can save my husband's future... Sigh...  
won't this scare him away? This man's obsession is  
really terrifying... Forget it, this body has been fucked  
by so many people, including him, so just think of it as  
collecting semen for the child in your belly. ....

later

**Don't get it wrong!  
Don't bother us again after  
these things are over! Let me  
start by saying this, I am doing  
this to protect my family.**

**Just like before...serve me comfortably...hehehe! Okay, okay~ Just do what you say!**

And she's dressed so coquettishly... It makes people more and more excited the more they look at her... That cold expression... the Manhua I've longed for is back! That lace underwear looks so charming on her body...that's right...the soft touch of her little hands

You have to work harder, let me help you.  
Ah hiss... Manhua... have you forgotten how  
I taught you before? If you want to make me  
happy, just masturbating with your hands is  
not sincere enough... Hehehe,

I miss your soft  
and coquettish  
tongue! Come on,  
open that little  
mouth of yours!

Even Lao Zhou  
didn't dare to press my

It makes me so angry... The more I think about it, the more unhappy I become... Why should I serve such rubbish? It still hurts a little now when I step on it! I don't have to rush to stuff my cock back, damn...if he hadn't been so anxious just now

**If you don't want your husband to lose his job,  
use your breasts to make amends! Why? Who  
are you showing off to? That is one of your great  
advantages! Ha ha ha ha! What a bummer...it  
won't end well if you make me angry!**

It's time to let him know that he messed with the wrong person... Damn it... He really rubbed my nose in my face... Does this idiot think he can do whatever he wants to me with just a weak excuse?

Go...Are  
you  
satisfied?

Oh oh oh oh! So awesome! After taking off the bra, my breasts look bigger and firmer! Hurry up, use your breasts to hold my dick! I can't wait!

Ahhh...it's so warm, and the dick is covered by a soft touch...this is breast sex for pregnant women...it's so comfortable that it's addictive...

Hehe, I want to eat it! It's still hot...it looks delicious! Haha...why is this big cock so thick and hard?

Instead of confronting him head-on, just use my sexy mature body to make him surrender completely... It's so easy! Haha... we have to deal with this kind of narcissistic idiot man

Look, if you go first, the juice is dripping out. Watch me squeeze this cock completely in minutes! No man can escape if caught between these big breasts

If you continue to trick me... I'm going to... oh oh oh! Wait, wait a minute...this is so exciting...

Huh?

That's too cheap for you! Now it's finally my turn! Humph...yeah...I won't let you end it so soon...

I didn't expect to do such a trick... So what are you going to do next? Hum hum... Manhua, Manhua... you are really a woman full of surprises,

If you still don't think it's enough... Hehe, didn't you say that just masturbating with your hands is insincere? You even used your feet this time, you are sincere enough, right?

Isn't this exciting enough? !

Be gentle...don't do this...your dick will be stepped on and broken! Haaah! Wait...Manhua, you're so light

tremble

**Damn it...did I feel so good that I screamed out just now? If this spreads out, how will it be seen? I'm a grown man and he groaned when he was stepped on.**

My cock is obviously being pressed tightly...ah...I'm inexplicably excited...but I only feel the cold touch of my silk feet...but...what's this pleasure that I've never experienced before?

**Have you never been served by a woman with silk feet before? My cock is so hard, hehehe, he really looks like a loser... Look.**

Who do you think I am? How can I let someone touch my dick with their feet! That's so...that's so much stolen goods...ahhh...hahhh, for a big shot like me...what, ..

Hmm... no... I won't be able to control myself if my dick is being teased by my silky toes like this. It will make me more and more sensitive!

What are you doing... ooooooooooool

Didn't you just think someone else's feet were dirty? I love teasing men like you who are too polite! I see that your expression is quite satisfying! Hee hee hee, this is me

But... there seems to be a  
smell in my mouth... ah... um...  
it's so embarrassing... I should spit it  
out immediately... how could this  
happen... I really want to taste a  
few more bites...

Hehe, it made me a little excited... This guy actually succeeded like this... It seems that he is also a hopeless and perverted foot control at heart! Hahaha...I just did a few random touches

Hee hee hee... Are you licking too hard too? Seeing how sincere you are, I'm going to take action! Do you like other people's silky feet that much?

How is it? It feels so good to have your cock clamped by silk feet, right? Just be obedient and be jerked off until you ejaculate! Ha ha ha ha!

**Hahaha...Manhua,  
thank you for your  
hard work! Come and  
lie down with me to

a new pair later.**

**This scene is so erotic...um...Manhua's  
stockings are covered with my semen...haha**

It's rare for us to meet again after a long absence, so of course we have to seize the time to reminisce a few more times before it's worthwhile! ? Who said it was time to take a break? This is just the first shot.

Everyone has already warmed up, and now... comes the main event! whee!

Are you kidding... Manhua... she still has such a big belly... When did her physical strength become so good?

I would really ascend to heaven on the spot... Oops... if we do it again right now... is this woman really the Manhua I know?

To be continued
