

Of course. Now, how were the last two years of school for you? I heard you lived with three cuties...

One was Kevin right?

A little short of stature...

but anything but small where it counts.

At one point, I HAD your roommate Owen.

What a sweetheart. A real teddy bear.

Y-Yeah. A real teddy bear...

A real gentle soul.

Clumsy at first...

But with a little experience...

An incredible sensitive... person.

We're actually dating exclusively now.

Courtney...

Courtney?
You in there?

Mmm...
big arms.

Oh yeah,
sorry. I umm...

Haha! You
don't need to
apologize. I can
see a girl in
the throws of
cum brain.

So
not Gabe,
huh?

I mean,
the guy's like
my best
friend,

and he's
ace, so
barking up
the wrong
tree.

Doesn't
mean I
don't
fantasize.

The guy's
built like a
brick shit
house.

I don't
blame you.

So... Kevin,
is his dick
REALLY
that big?

Can you
introduce
us?
