The semen flowed down to my thighs... I hate it... It feels so good to have a pregnant woman's cunt touched by a big cock.

It's so comfortable to have your cock stirring around in your pussy! Yeahhhhhh! Yes, that's it! Ahhhh! More! People still want it! Push the big cock in quickly!

抽搐
thrusting

Oh oh oh...Man, Manhua...wait a minute. Are you sure this is really okay?

Why do I feel like I'm getting lazy the more I work... Hehe, are you tired? What's the matter? Didn't you just say that you were going to kill someone?

**You are still thrusting so
fiercely when you have a big
belly... What if you hurt the child...
That, that would be bad... Oops...
That's not the problem, I'm
worried about your body!**

**Hmm... my dick is so sore... I'm really tired
and almost dying... but I won't admit it!**

Hee hee hee, naughty bad boy... You don't have to worry about your child... Do you think I don't know you are making excuses? Controlling depth is my specialty!

Do you have the nerve to say you are worried about my health? I want to see how well you can hold on... Huh... What are you talking about, a bragging bitch? With your fighting power, even Lao Zhou is more capable than you.

Yeahhhhhh! I'm going to die, I'm going to die! Pour all the semen in! It feels so good...the big cock is so strong...don't stop! Cum all over someone's uterus

Snap!
Snap!
Snap!

Oh
oh oh
oh!

If you continue like this, it will really... break... Ooh... ahh... slow down, slow down... the inner rod is already extremely sensitive.

Oh my god...it's so scary. Why are you so good at sucking...Who can help me...

Got...saved!
The
savior is
here!!

I-I have to
take a super
important call
first! Sorry,
dear!

push
away

Hey, what are
you doing? I am
enjoying myself!

A man is sitting on a bed, talking on a mobile phone. He is shirtless and has a surprised expression. Behind him, a woman with long black hair, wearing a black top and stockings, sits with her arms crossed, looking at him. The bed has a blue tufted headboard and a black and gold patterned blanket. The background wall is light blue with white floral patterns.

Haha... I drank too much and was resting... Why did you call me suddenly? Hey~ It's you, wife!

Damn...it turned out to be my wife calling...this timing is just perfect...it's really disappointing... ..

Take a breath before leaving...I have to get out of the way quickly, you...just take a good rest here for a while...Manhua...my wife suddenly said she wanted to come to the venue to find me.

What we didn't
finish this time, let's
continue next time!
Remember, don't go
out too quickly!

Hey...
wait... you
should at
least...

Turns out he's just a coward who's afraid of his
henpecks...go...although I'm not surprised at
all...fuck...leave now? Isn't that too irresponsible?
Fortunately, he has been bragging for a long time
about how skilled and durable he is.

I've got today's amount of semen, so I'm just going to be lazy for the time being. Oh...forget it...it feels good anyway.

B3

Hmm... I seem a little sleepy
again. If I sleep here for a
while... it should be fine. ...

After a
while...

Right
now

P.

**There's no way you
can see anyone in this kind
of clothes... Why are they all in
bikinis and this... What on earth
is Xiao Dong doing all the time?
...What's going on in Xiao
Dong's wardrobe?**

It was during the wedding and honeymoon... unlike now... He didn't even bother to touch me. My husband would take the initiative to hug me when I was young. Speaking of which, the last time I wore something like this ...

爽紧
clamp

Hee hee... I didn't expect your boss to have
a private hehehe... he's really perverted...
he has a fetish for sexy lingerie, right?

Um? That set you have... Hehe... do you want to change into it with me now? It feels like it will look great on you!

Guest...guest!
?

If Director Xiao finds out, I will be fired... You'd better... put on your clothes first... Haha... You are joking... How dare I wear the clothes here?

**I really... really
have to leave first...
Sorry, I have other
work to deal with
here.**

**We can't mess with her anymore... something is
wrong... This person can't be sent by Mr. Xiao.**

A woman with long, wavy black hair and a large, reddish-brown bruise on her left breast is shown from the chest up. She is looking towards a man whose back is to the camera. She has a gold ring on her finger and a gold bracelet on her wrist. The background is a dark room with gold-colored trim.

Hey, do you really know what's happening now? I also took the clothes inside! Just now I "opened the closet by myself",

I just want to say one thing... You should know better than me what the consequences will be, right? Said you messed with Mr. Xiao's personal belongings... Hehe

And...you think I can't see it? The way you were staring at those clothes just now, you actually want to dress up for once, right? Full of longing...seriously

After all, we are all
"women" ~ I am on your
side! I won't tell anyone.
Haha, don't worry, it's just
you and me here.

But...but...what does she want? How could it become like this...Am I being plotted? Do you just want me to change clothes with her? Don't understand at all

But if I really get complained, my current life will be ruined. No! I can't lose this job!

Okay, okay...just wear it...I will do whatever you say...

It's unlikely that anything will really happen... Anyway, the other party is a pregnant woman.

nailed it! The status of a pregnant woman is really useful...it's unlucky for you, I just got pissed off by your boss.

She is still a hidden beauty... Hee hee hee! I would feel sorry for myself if I didn't vent to you! You just delivered it to your door yourself

later

Hey...why are these swimming trunks so tight...am I gaining weight again?

It looks really embarrassing... So this is what it feels like to put on a bikini... Haha,

Hmm...why am I
so happy? I can't let
go! I don't know what
the woman outside is
planning. Now is
obviously not the time
to do such a thing.

What a big bathtub... If I didn't encounter so many troubles, I could take a bath and relax... Oh, don't expect it. I really want to stay in this luxurious bathroom. ...

Hey hey hey, can't you wait? Yo, have you changed it already? It's pretty fast

Come on, let me see it! Sure enough, my vision of women is not wrong! Ha...what a beautiful scenery,

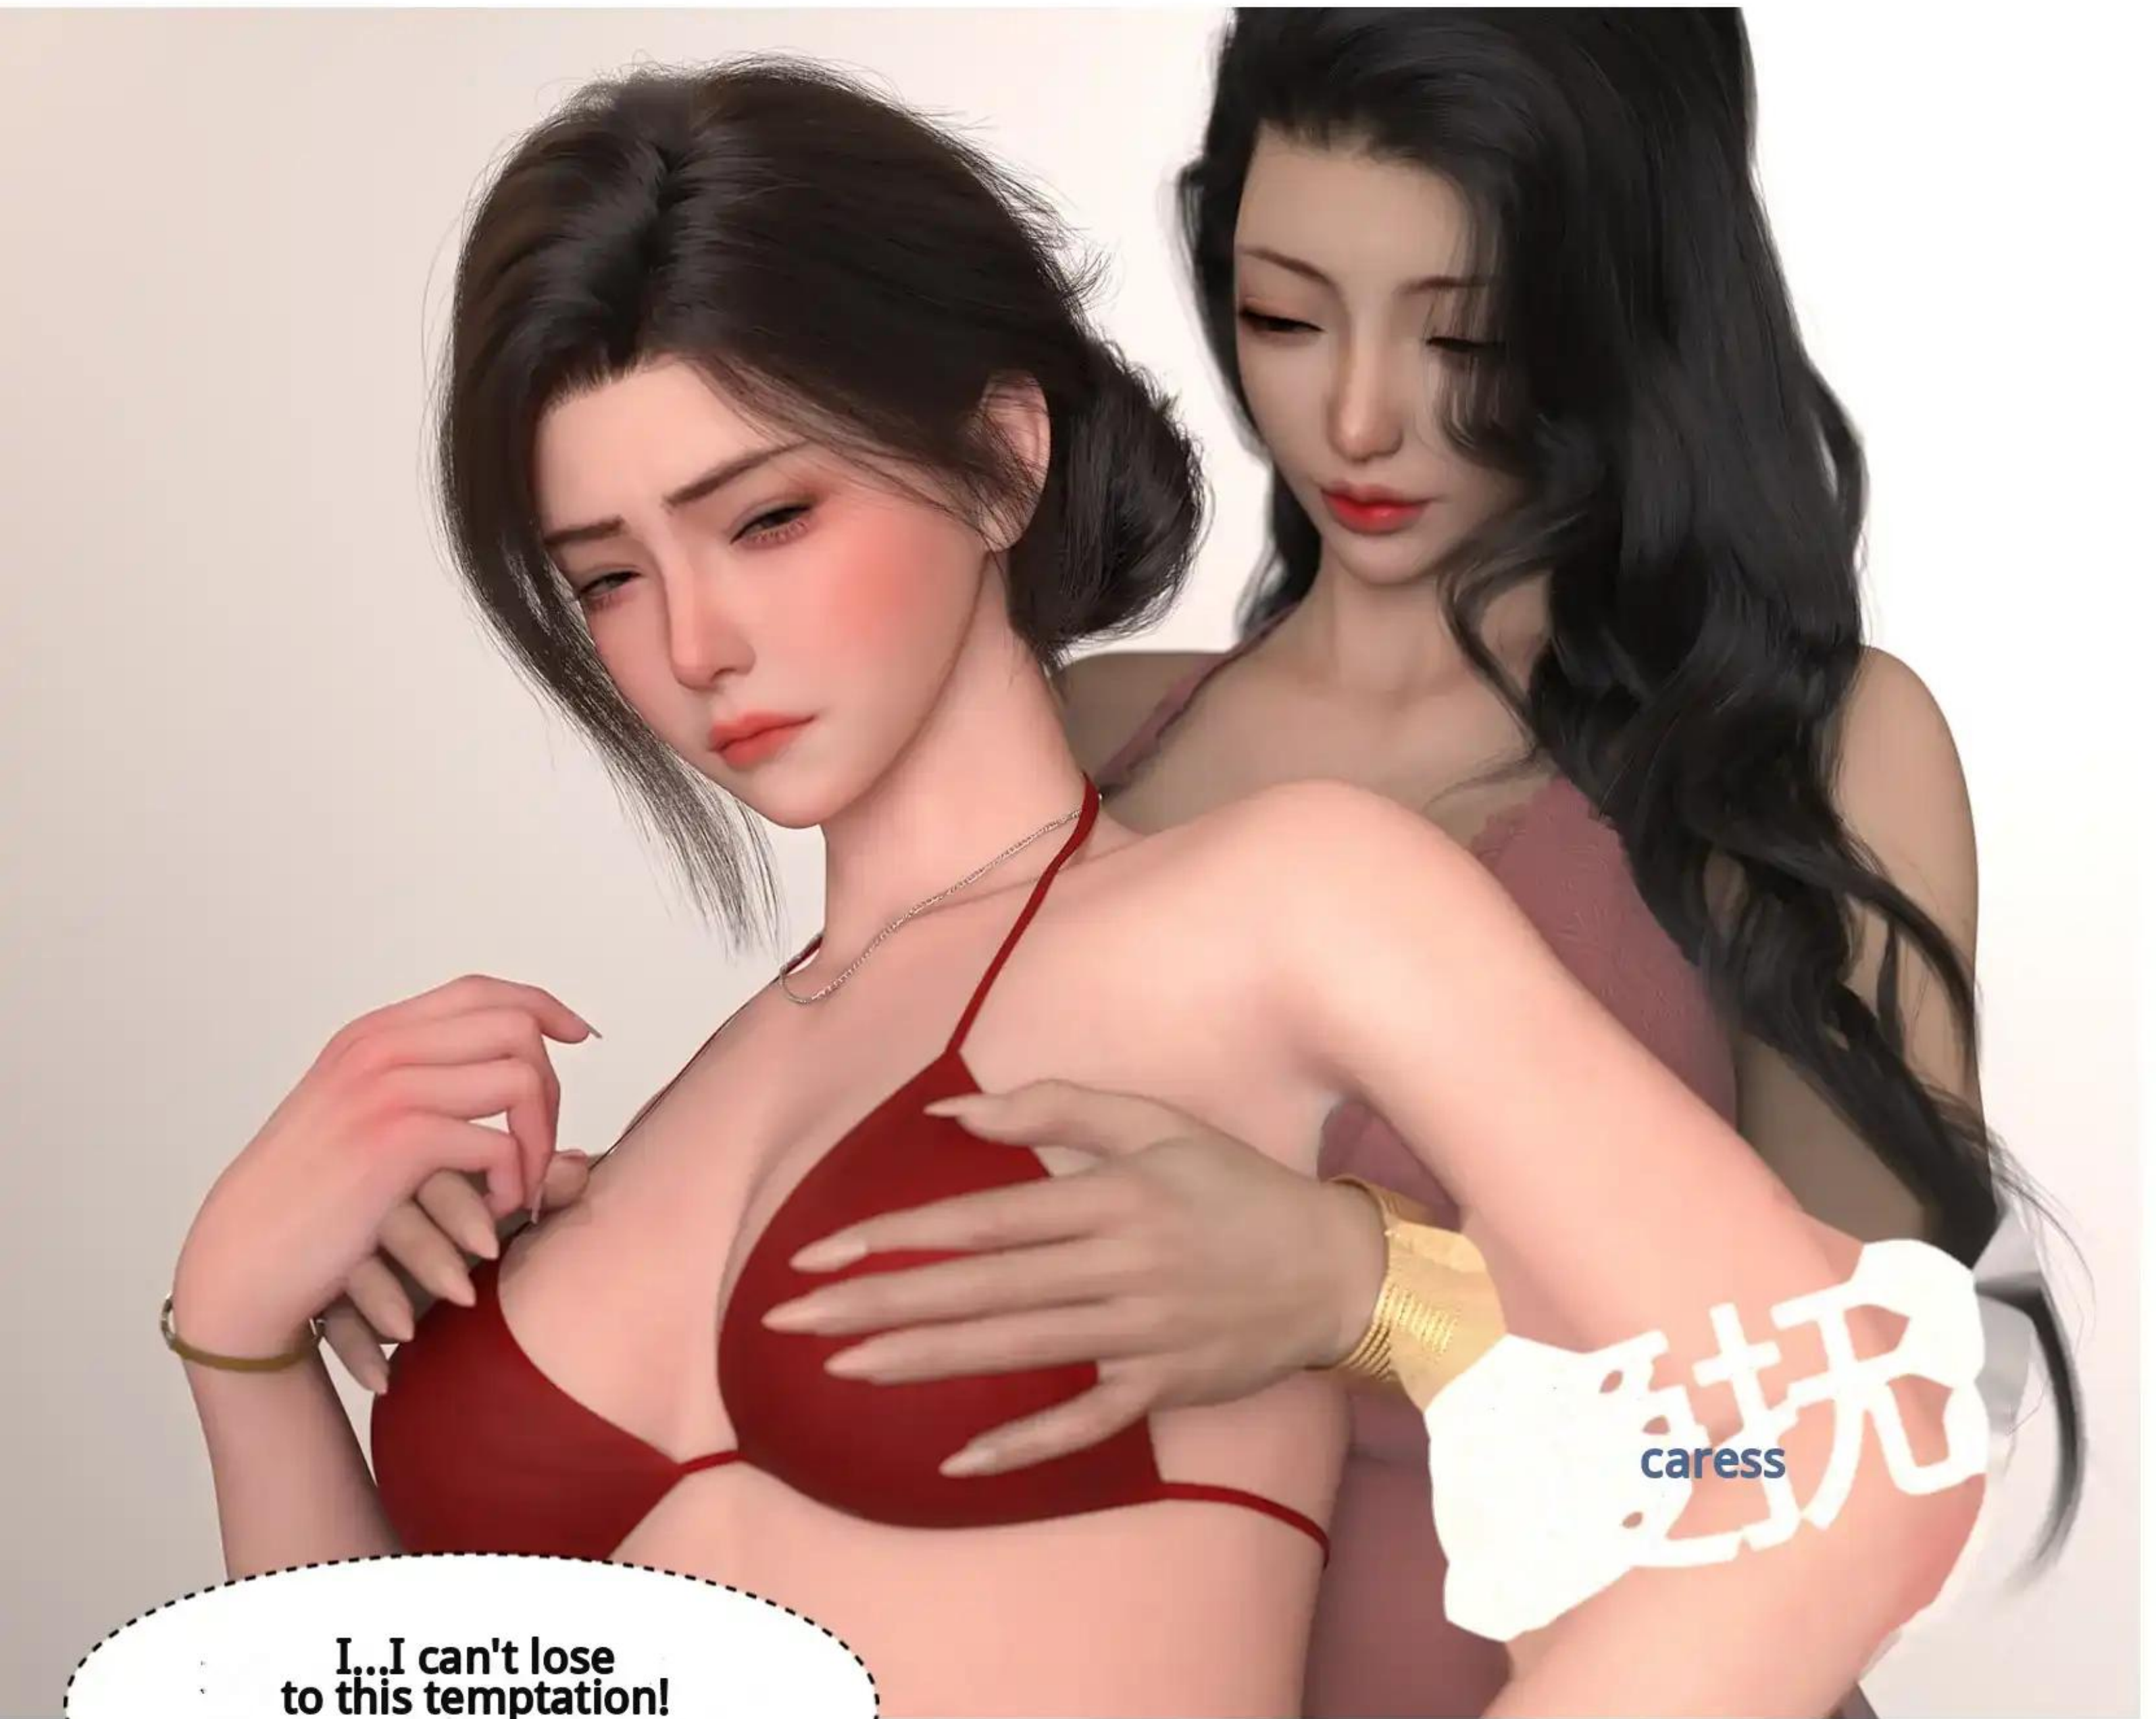

Wait, wait... Where are you touching?!

But she is as careless as a perverted old man... Who is she to Dong Xiao? Here we go again...there's really no sense of propriety at all, she's obviously a woman

Hehe~ It feels very comfortable, right? You wouldn't treat this beautiful body badly, right? Us women, this is how we should pamper ourselves

I...I can't lose to this temptation! I can't let her lead me away anymore.

Ah... I touched my
breasts... I hate it, my
body is getting hot... Why is
it so irresistible? So
shameful... This warm
skin-to-skin contact,

Hee hee hee, I'm really lucky...it softens like this with just a touch. I think she really enjoys it! It's been a long time since I've met such an easy-to-handle woman.

On the surface, she looks serious, but as long as you use the right method and gently tease... I have seen many such unsatisfied sluts.

搓揉
rub

No way!
That, it's so
sensitive
there!!

Haha...it feels
so comfortable to
be rubbed gently
like this, right? So
cute...my body is
honestly shaking!

No...that's
not it...I
didn't...

Hmm...how could it
be...so comfortable...ahhhh.
My whole body is feeling hot. I
really want...to feel more
comfortable. ...

Haha, you're just pretending. I know everything... You've been waiting for this day for a long time, right? Don't worry, no one will find out.

I promise I'll make you so good that you beg me not to stop...just give your body to me,

Hahaha... This woman should never have guessed that she was making fun of a male high school student, right? I can't help it anymore...I really want to take my dick out right away! Watch her being casually played with between my palms

Haaah...ohhhh!

啊啊、

Naah, Naah, Naah

My sister's toys are so harmful! Her hole is so full! Ahhhh! Yes, that's it! Oh oh oh so cool!

Damn, my pussy is so tight... Oh oh oh oh! This waist twist makes me feel numb! It makes me so happy...You are such a complete slut!

Bang bang bang bang!

啪啪啪啪!

Is there anything in this world that can stop me from fucking you? It's so damn hard to push up! This cunt is clamped so tightly, it's worth it no matter how tired you are! Ah hiss...it feels so good, but this pregnant woman's belly is really too big...hehehehe

She actually believed me after I lied a few words, and even raised her buttocks on her own initiative. Haha, I really don't know what this woman is thinking in her head.

Yeahhhhhh~

She was just like a naughty sow... letting a stranger use a "toy" to penetrate her pussy from behind... But she seemed to be enjoying it.

Oh oh oh oh! Push
it, push it to the inside! If
you keep thrusting like this,
your body will be damaged!
Haaaah... No, no, no... the
depths of her pussy are
stretched open

Pah, pah,
pah!

It's so good that I can't think
anymore...
feeling...my head is blank...I
really want to be fucked like this
forever...only the feeling of being
filled...so comfortable

The pussy is so wet from the meat, and the semen water is flowing everywhere! How about it? Doesn't this feel good? Oh oh oh! So much water...this slut is so slutty

流出
flow out

Hee hee hee, isn't it too exaggerated to have such a moral character? Or did you actually urinate because of me? Ha ha ha ha!

And my stomach...
doesn't feel right...?
Wait... isn't this amount of
water normal? Even the
dick ran back by itself...
What's going on?

缩回
retract

It's not urine...It's...amniotic fluid! ? No way...my water broke? Baby! The baby is about to be born! ! Memories! ! This...this is not pornographic water

Fuck...it hurts...I'm starting to have contractions...send me to the hospital quickly! No more delay!

疯狂柔软
Crazy stuffed soft

Why do you look so bad all of a sudden? Are you okay?

Well...wait a minute...where's your husband's phone number? Should I tell him first? Okay, okay...don't panic...I'll take you to the hospital

Husband... we'll talk later... Ming... stop, stop talking nonsense... It's important to take me to the hospital first...
time here it comes again! Hurry, hurry up...

God bless you, baby, you have to hold on...
otherwise Lao Zhou will definitely not forgive me!
Damn it...I really lost it this time...I didn't even
feel good enough, but the amniotic fluid broke
first...ah...please don't have any accidents.

delivery
room

OMG... I have never
felt so painful in my life...
Huh... Huh... Huh... I can't
stand it anymore... It
really... really hurts...

Don't think about anything, just breathe... It'll be okay this time, come on, look at me... We already have two children, oh... my wonderful wife... I'm here

Of course you can stand and talk without backache... If you want, lie down on this bed and spread your legs in front of a room full of people and try it! Embryos...useless old man...you didn't give birth to any of the three.

Take a deep breath, don't rush...the contractions are coming! follow me

Damn...what are you doing...Why do I, a high school boy, feel like my lower body is about to burst! Yeahhhhhh! Fuck you! This really hurts! Are you going to suffer in this hellish place now?

Giving birth is really not fun at all...squirt, squirt...it's so terrible...it feels like I'm going to faint from the pain.

This kind of bad thing should never happen again... She really should let Lao Zhou's mother experience this kind of torture once. If there is a next time... No, there will be no next time!

哈哈 Haha

啊啊 Haa, haaa 啊啊

Just count to ten! Sir, you can help her count together! OK, wait until the next contraction comes and then push harder.

Ooh...ok...ok...let
me
count!

No way...how
is it possible...why
is this nurse's voice
so familiar?

Stare wide

Come on,
count with
me, one,
two,
three...

I'm so excited right now... Hehehe, long time no see~ Do you and the baby miss me? I have been looking forward to this day for a long time, dear classmate Shao!

To be continued
