Yeahhhhhh! So amazing...I haven't encountered such a hard cock in a long time! Then, go deeper... I just want to be fucked hard!

Hahaha... Even though he is trapped in the body of a pregnant woman and encounters a woman who exudes the glory of motherhood, he has no resistance at all. Alas... If only everyone could be as easy to deal with as him. After experiencing so many bad things this year, Lao Zhou has not changed at all.

Haha... I hate it... Lao Zhou, what are you doing~

Grasp

Hmm...wait a minute...there seems to be something different about Lao Zhou's expression?

how? Are you the only one qualified to be happy? Shut up! Oh, it's so noisy! I'm sucking breasts right up to my head!

What do you think I am? You didn't even call me when you were with me during the delivery, she was my own mother! So are you, so is dad...I got pregnant when I said I was pregnant, damn...the more I think about it, the angrier I get...no one ever cares about my feelings!

Hey, hey... Lao Zhou, please slow down... Ahhhh!

A woman with dark, wavy hair is lying down, smiling broadly. She is unclothed. A hand is visible on the left side of the frame, touching her chest. The background is a dark, textured surface, possibly a couch or bed.

Isn't your mother and her son safe now? Hey hey hey...what's wrong with you? We've already talked about this. Your dad didn't tell you because he was afraid that you would be worried.

But it feels good to feel like this sometimes... Ouch... Lao Zhou is quite strong today...

Thanks to the way you said it, you really made me look like an idiot, didn't you? Mother and son are safe! My mother is still lying in bed!

I don't want you to feel too
but e

Ahhh... the cock
goes so deep all of a
sudden... it feels so
good... When did that
guy Lao Zhou become
so powerful?

How dare you quibble! Damn it...you made my mother look like that...can I not feel uncomfortable? Don't even look at how old my parents are!

Damn it... I'm so angry... Why are you the one enjoying it every time? I...I haven't rubbed these big breasts hard yet!

Where did the old Zhou I knew go?
Hmm...c-couldn't this have been trained by me? Oh
my god...the man in front of me is just like a beast.

I can't help it... My breasts are so soft... Hmm...
Why did my head get so hot just now...
Ahhhhhhhhhhh... it smells so good... I'm almost
going to be overwhelmed by the pleasure...

Ah hiss...I
can't stand it
anymore...I need
to cum!

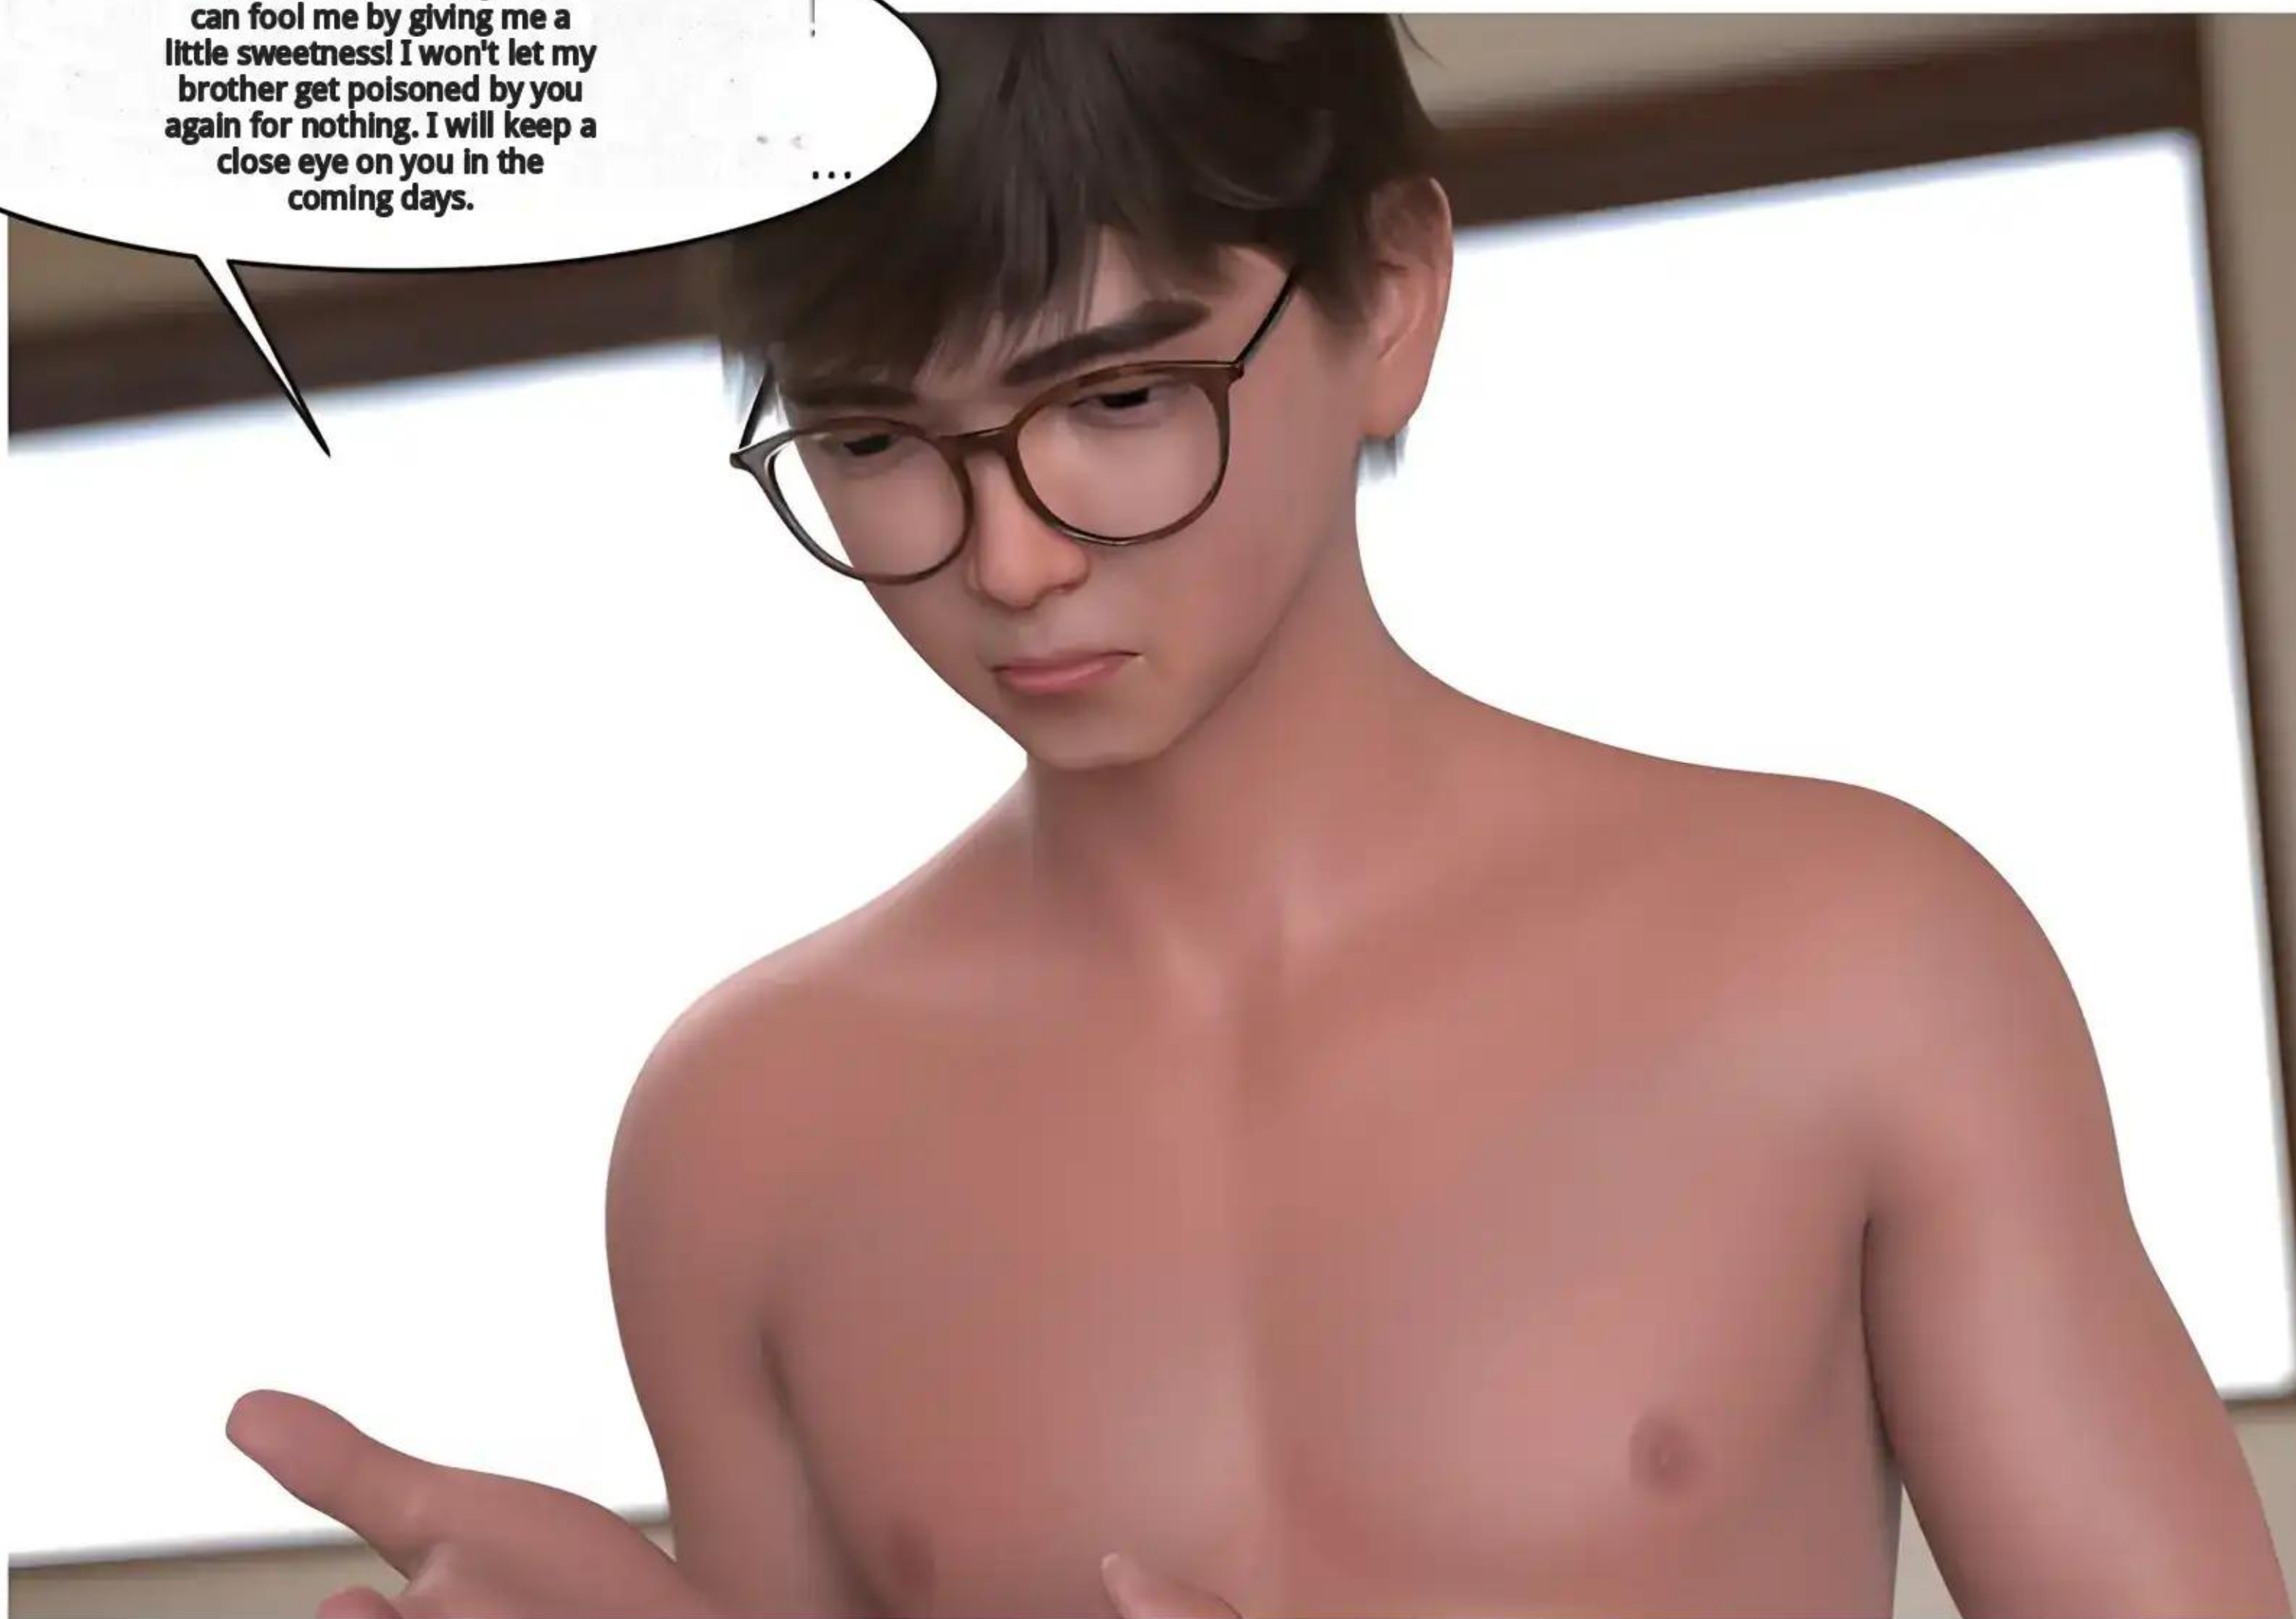

射精
ejaculation

Yeahhhhhh!
Cum in...
cum all
into her
pussy!

This delicate body is almost torn apart by you!
I really don't know who I learned it from... Hehehe!
Ha...really...look at your fierceness today

Huh... don't think you can fool me by giving me a little sweetness! I won't let my brother get poisoned by you again for nothing. I will keep a close eye on you in the coming days.

Ming ah
ah ah
ah

Let's just take him out to relax, shall we? It never hurts for kids to get some sunshine! Oops...now that the children are awake,

It's just Lao Shao...
You're not still having any
bad ideas, are you? Going
out to bask in the sun?
Hmm...sounds good

How could I be
disadvantageous to him?
Hahahaha...what are you talking
about...it's so hurtful! Zhou Di is
like flesh and blood to me

Sigh... Trouble... Lao Zhou is really angry this time. But his temper comes and goes quickly. Let's coax the brothers out for a while and then find a chance to help him vent his anger.

Girls'
school
gate

I'm quite talented as a nanny, right? But you have to admit, look, how soundly did Didi sleep? Huh huh... I said, Lao Zhou, you are always talking about the same thing.

I'm just responsible... responsible for watching the scenery! The child will be left to you to take care of, okay, okay... just be the most careful and gentle

I almost couldn't recognize who the person in front of me was. If my demeanor hadn't changed, I didn't expect that having a child would change me so much. To be honest, Lao Shao really has a knack for taking care of children.

Da da da

A young woman with long, wavy brown hair is standing on a street at night. She is wearing a white long-sleeved blouse, a brown plaid pleated skirt, white knee-high socks, and brown loafers. She is looking towards the camera with a slight smile. The background shows a building with a grid-like facade and a street with a textured surface.

? This uniform... why are you running on the street at this time? Isn't today a holiday? Is it from the girls' school near my home?

She is probably the kind of academic who goes back to school to study on her own during holidays, right? It's really hard work... Sigh, I should learn from others... But the college entrance examination is coming soon.

Why? Wait... is it true? This is the street! ? Is she planning to light up a cigarette?

Didn't you see that I still have a baby here? Hello! Girls over there! Stop it!

You won't get away by yourself! I just love to smoke here, what can you do to me? Ah? Where did this little devil come from? It's none of my business if you have a baby

?

What? !
You, you
are going
too far...!

Let me do it! Now, take a breath
and hug your brother first! Hee
hee hee, Lao Zhou, you are so
anxious that you are speechless.

Otherwise...do you want me to call your parents over for you? If you understand, just put out your cigarette obediently, otherwise there will be no good fruits to eat! Do you understand? If you want to move around in society, little sister, you must not be an adult yet, right? My sister advises you to know how important it is to respect adults.

It's so ugly that I can't even see it! elder sister? I still want to know where the aunt is from! Huh... I always like to point fingers at others, so I'd better put on the makeup on my face first, just like the old woman in my family who is different from what she looks like! Before preaching

**You haven't had any trouble, have you?
I think you won't shed tears until you
see the coffin! You...what did you just
say? ! If you have the guts, say it again!**

**Want to attack a
female student on the
street? I want to see who
has a worse end! Go on, you
still claim to be a grown-up,
who is afraid of whom? If
you can, just fight.**

what to do? Isn't this near the school? Is there anyone coming...hey? No...Old Shao is going to be angry.

Woo...baby
baby
baby...

呜哇啊啊啊啊啊啊~

大哭
cry
loudly

Eeyore...what
are you
doing...ahhhhhh!

ah? What's your
ghost's name? Don't
you want to get into
trouble? I...I haven't
done anything yet!

Hey, hey...how
could this happen?
No ah ah ah! No, no,
no... come back... my
beautiful leather
case,

Ming woo
ah ah ah ah
ah

Damn it... Damn it... This guy is so good. I have never encountered anything like this... Could it be that someone else is causing trouble here? Why did it suddenly become a leather case?

Don't cry, don't cry, oh, darling, darling, my good little brother,

Why don't you quickly restore people's homes to their original state? Don't think about blaming others, this is on the street, it's not fun to cause trouble! Hello! Still want to act stupid? There were only three of us around here just now

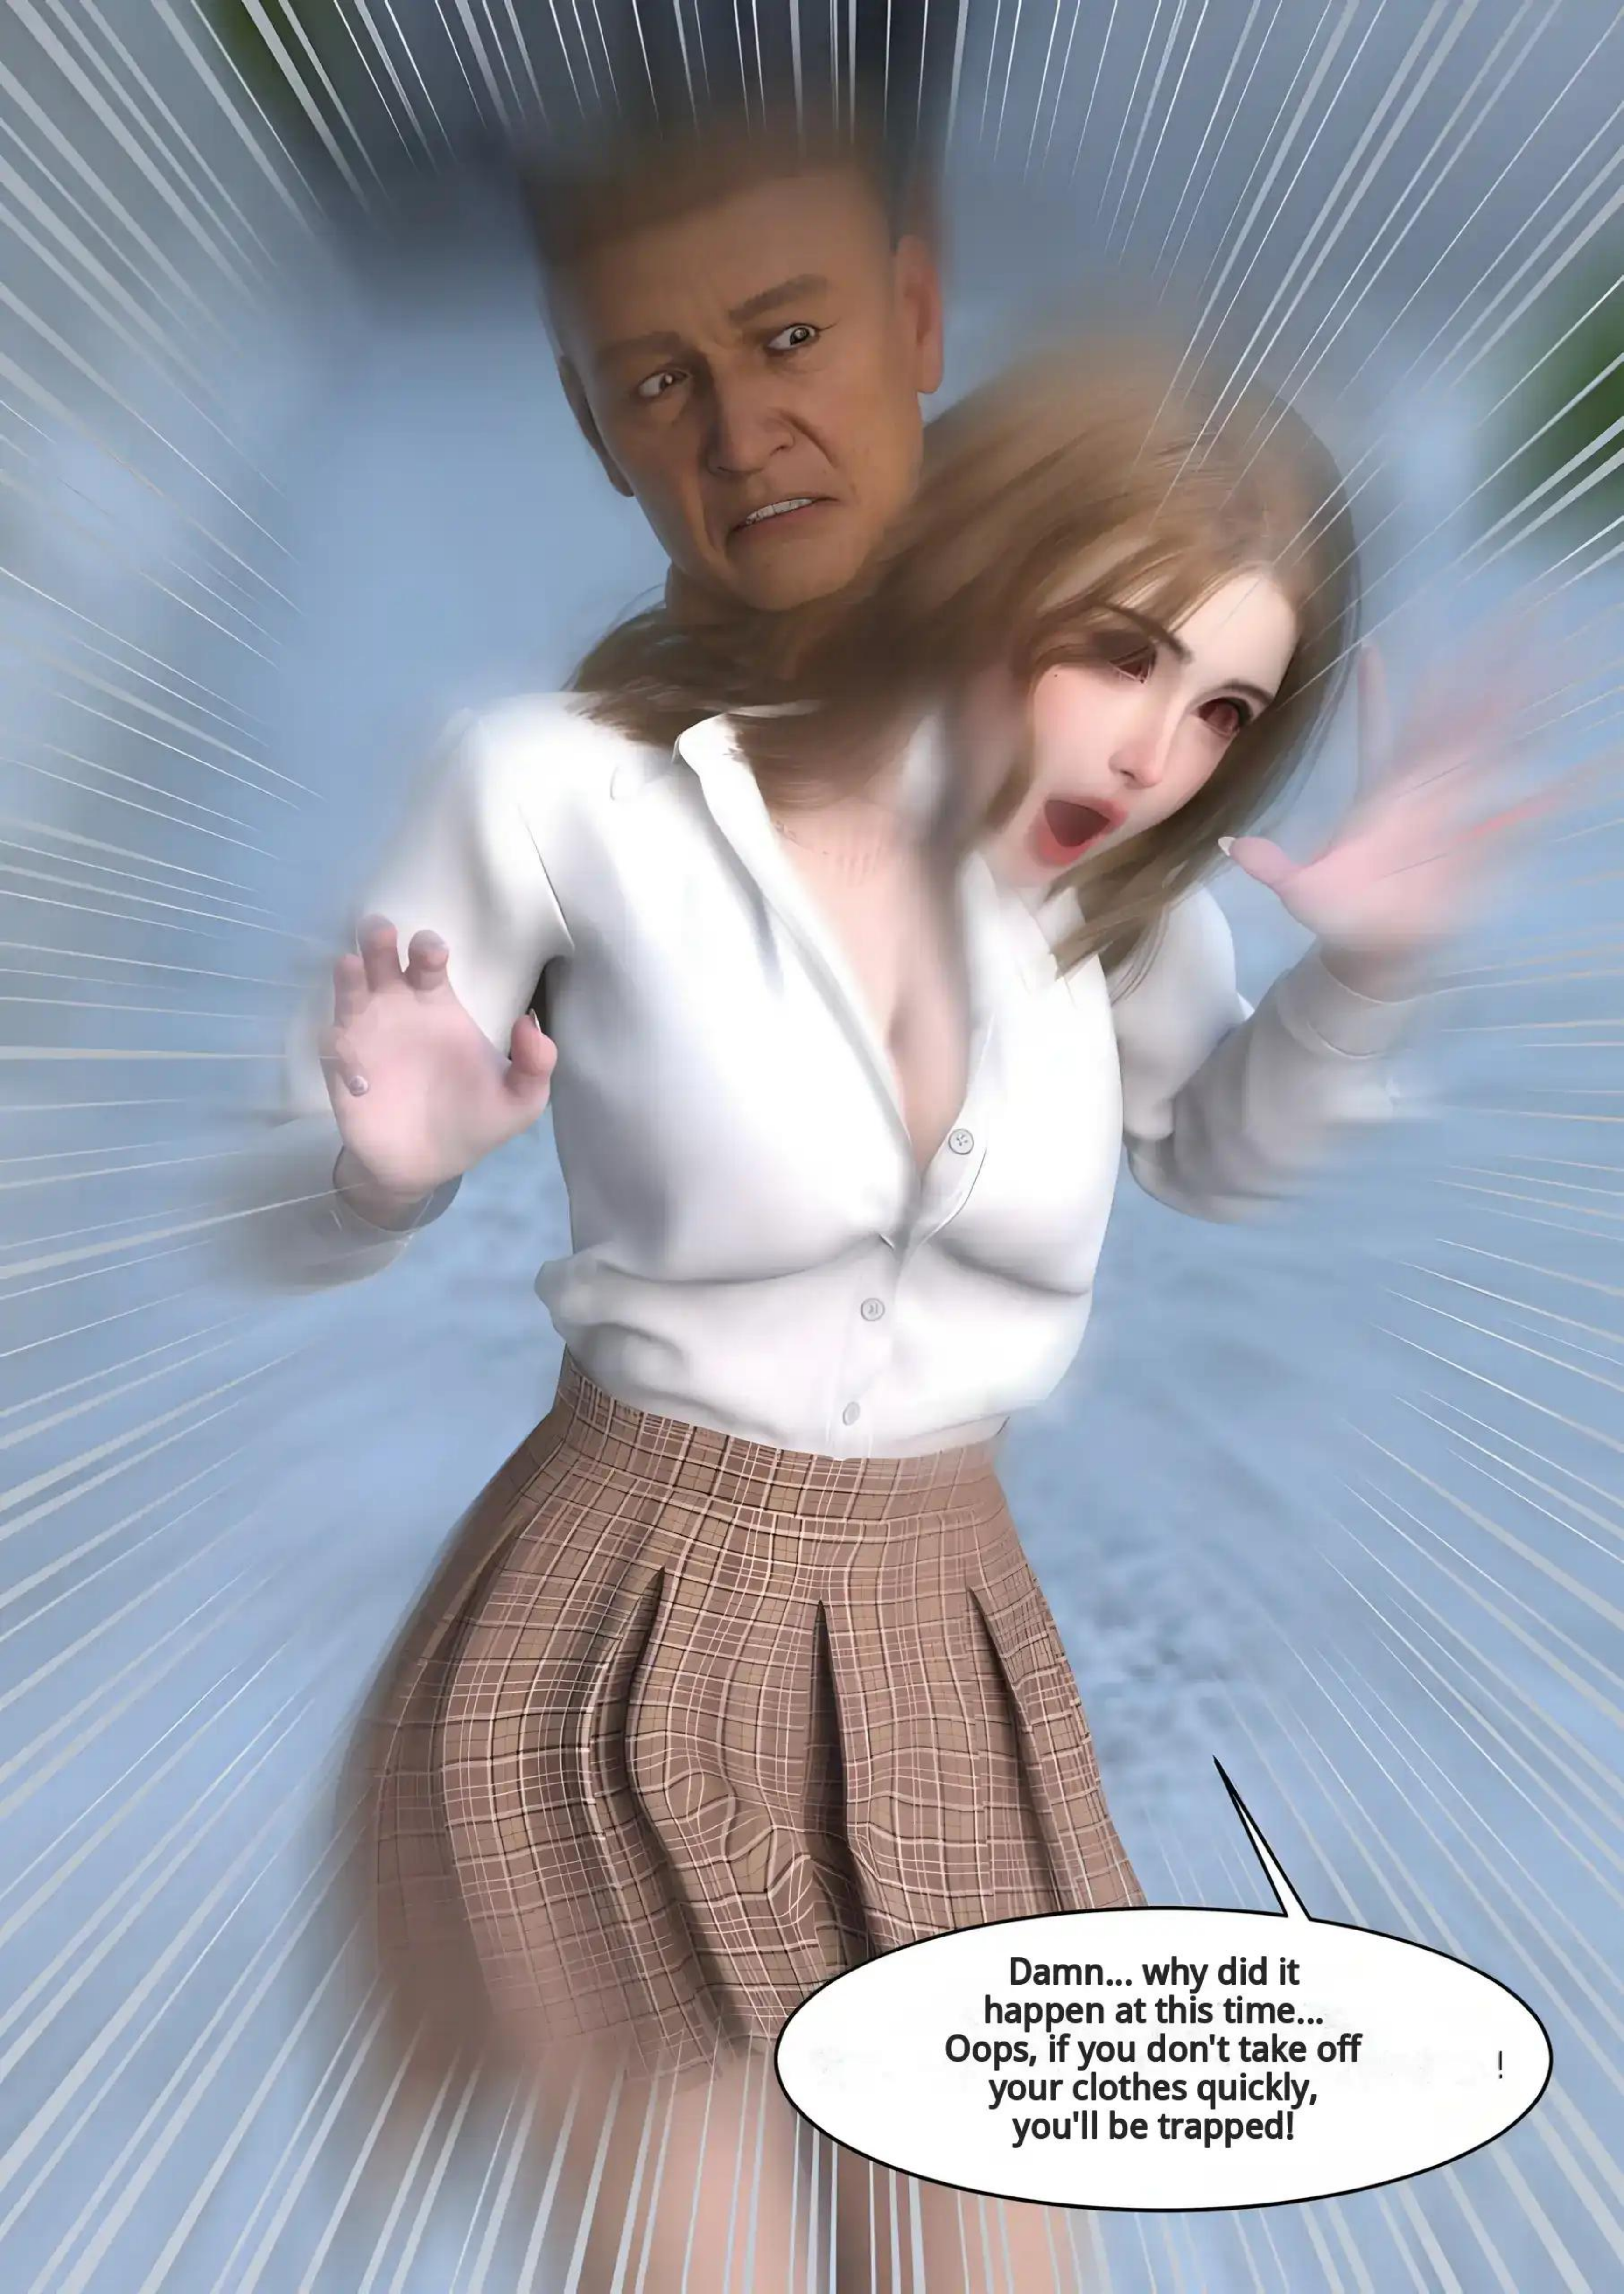

I swear I really didn't do anything this time! Hey! It's not me who caused this, it was the woman herself...Anyway, you have to believe me

Hmm...really? You're not trying to play another trick on me, are you?

You, look at the front... Oh my god... where is... Lao Zhou... Lao Zhou? Stop staring at me yet

**Damn... why did it happen at this time...
Oops, if you don't take off your clothes quickly, you'll be trapped!**

晚下
take off

No... darling... my lovely Jingru... fuck... don't do it... Why, why can't you put it back on? Be obedient and let me put it back on!

...
Didn't you have a tough mouth just now? Pfft hahahaha! Look at his bearish behavior, let's eat it now!

I said Lao Shao... isn't this the time to cheer? We still have children with us, so we should move away first before talking. This situation will be troublesome if others see it. ...

Is it possible that these two things are really related? By the way...if I remember correctly, when Didi cried just now, the leather sheath on that person fell off.

I don't understand... Sigh... I hope I'm overthinking it. But if that's the case, then why didn't Lao Shao have any problems?

Damn it...it's
you...what did you
do to me! ? Hurry
up and say it!

Haha, where did this pervert come from? Wait for the cold wind to blow when you enter the game! Hehehehe! Who knows how you got yourself into such a ghostly state? All I know is... the police officer will definitely be very interested in you.

You... are very good... I will remember you! I'll figure out what's going on, we'll see

Just ran away? Why? ! He, he's not even wearing any clothes,

Oops...what should I do now? You can't just leave her on the ground and ignore it, right? This Haolie is also a girl,

Hmm... Look at the direction that guy ran in, most likely to hide back at the girls' school. That's interesting.

What if other female students are victimized? ah? That, that's not okay! We...we have to call the police quickly!

What's the use of calling the police? Don't you understand yet? The police can't catch anyone! Although I don't know how he did it, that person has the ability to turn people into leather cases just like us.

Let's go to the girls' school now! In my opinion, this matter can only be handled by us.

...What are you talking about? It's a girls' school there. I, I think I'd better go home and take care of the kids... How can I go in... It's up to you to go!

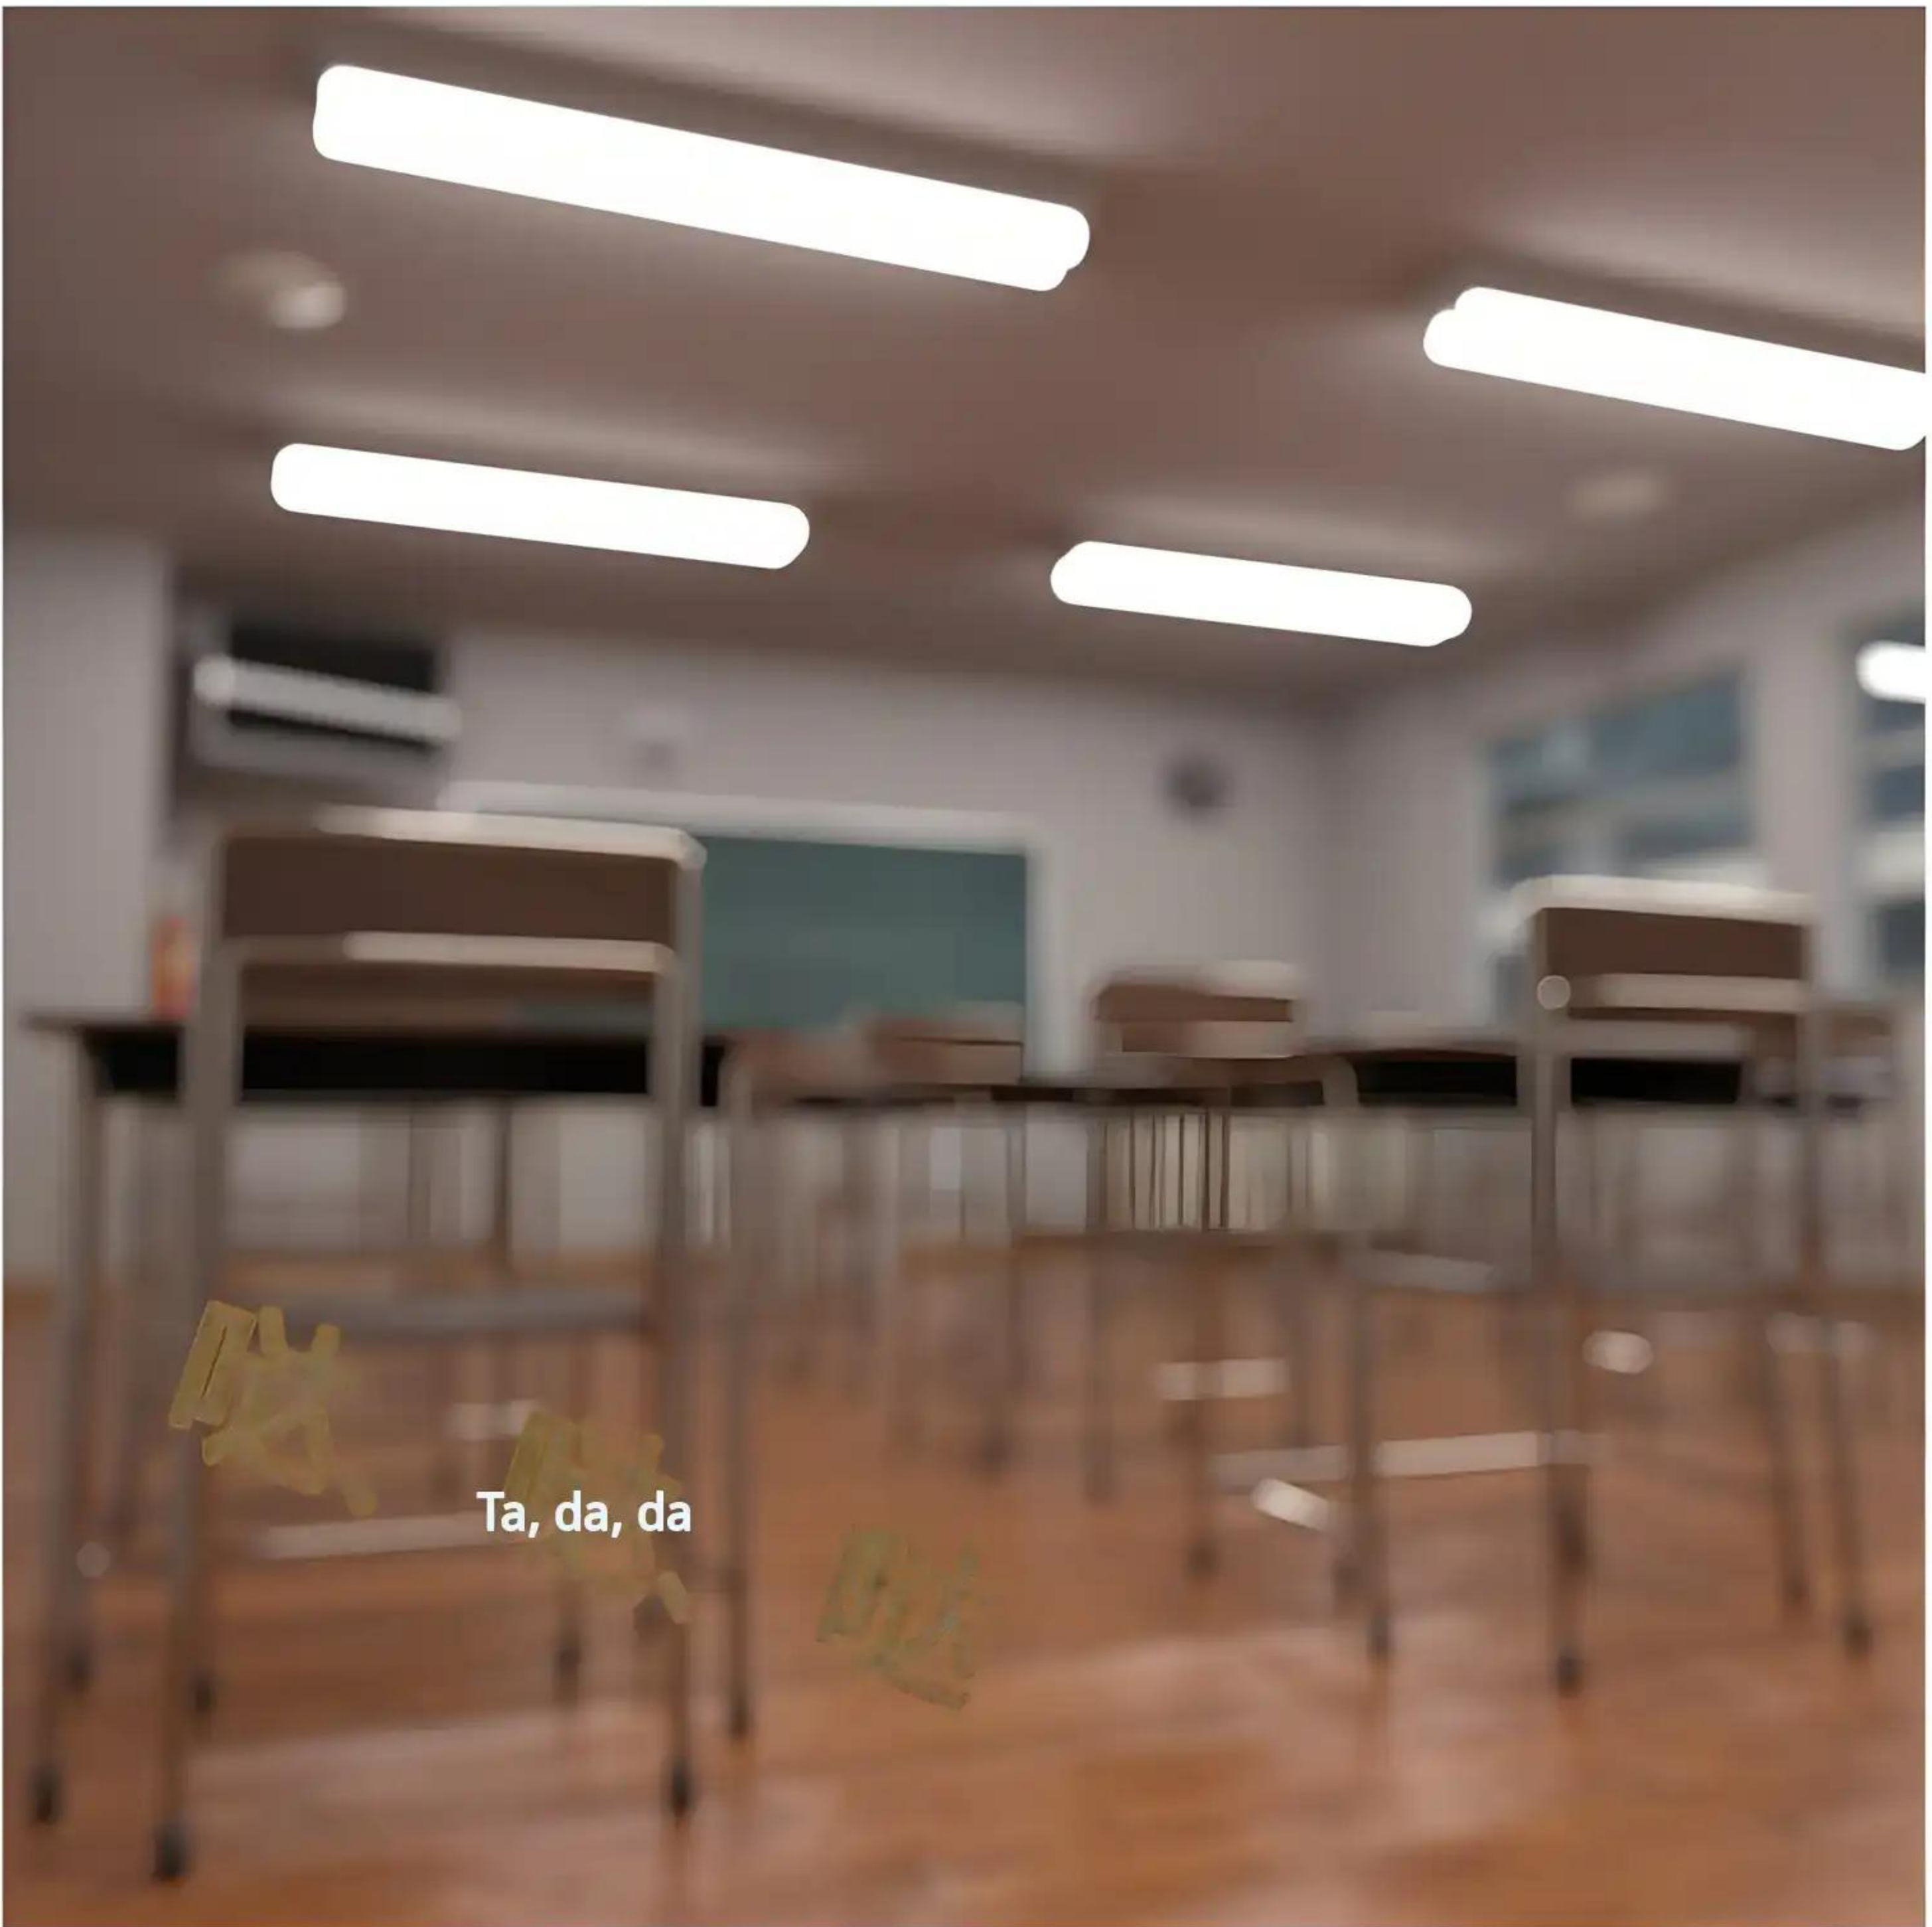

Isn't there a ready-made disguise here? Just put it on and no one will know who you are! Hehehe, don't try to act stupid,

Aren't you just worried that some female students will suffer? Let's go together to uphold justice! Hey hey hey! It just so happens that I also have something I want to figure out.

A 3D rendered man with dark hair and glasses, wearing a dark grey jacket over a white shirt, is holding a baby. The baby is wearing a light blue diaper and is lying back. The man has a serious expression. In the background, there is a white lattice structure. A speech bubble is positioned above the man's head.

Only we can handle
this matter... Damn it...
Didn't we just agree to go out
for a walk? Why did it become
like this again... But what
Lao Shao said is right

classroom

Ta, da, da

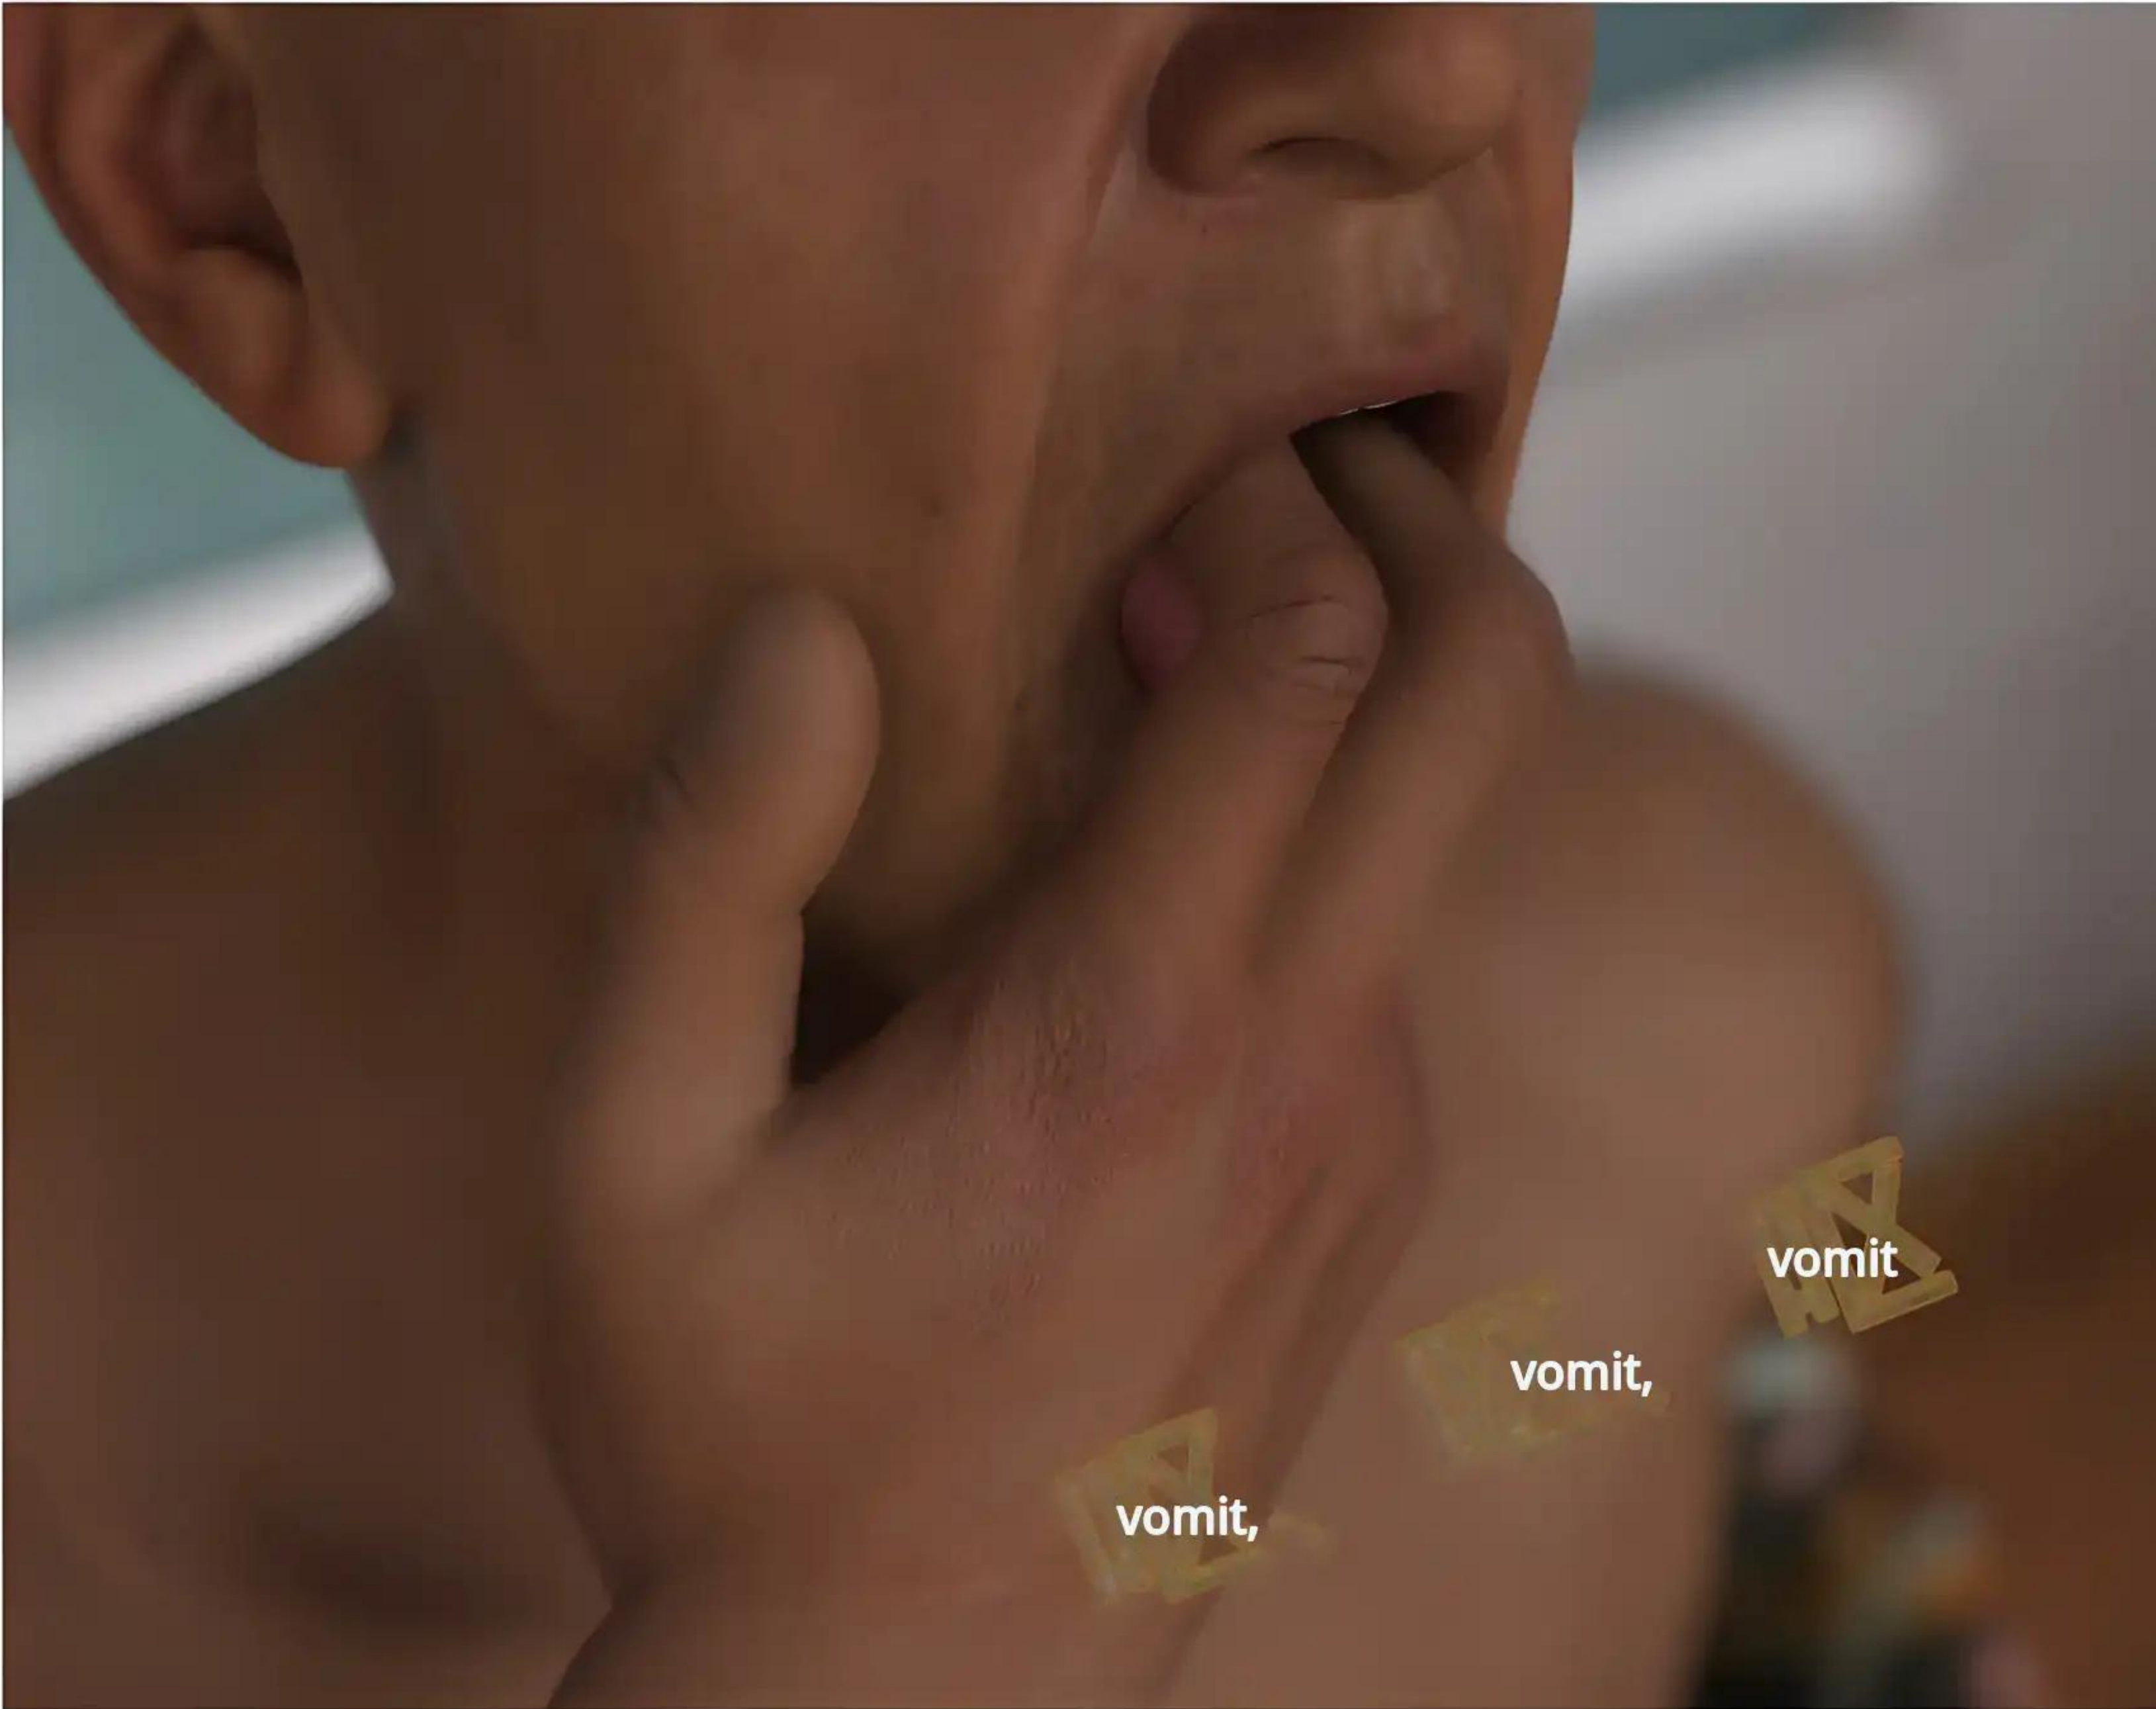

Otherwise, I really don't know where to hide... Huh... Huh... There should be no one following, right? Fortunately today is not a school day, the whole school is empty

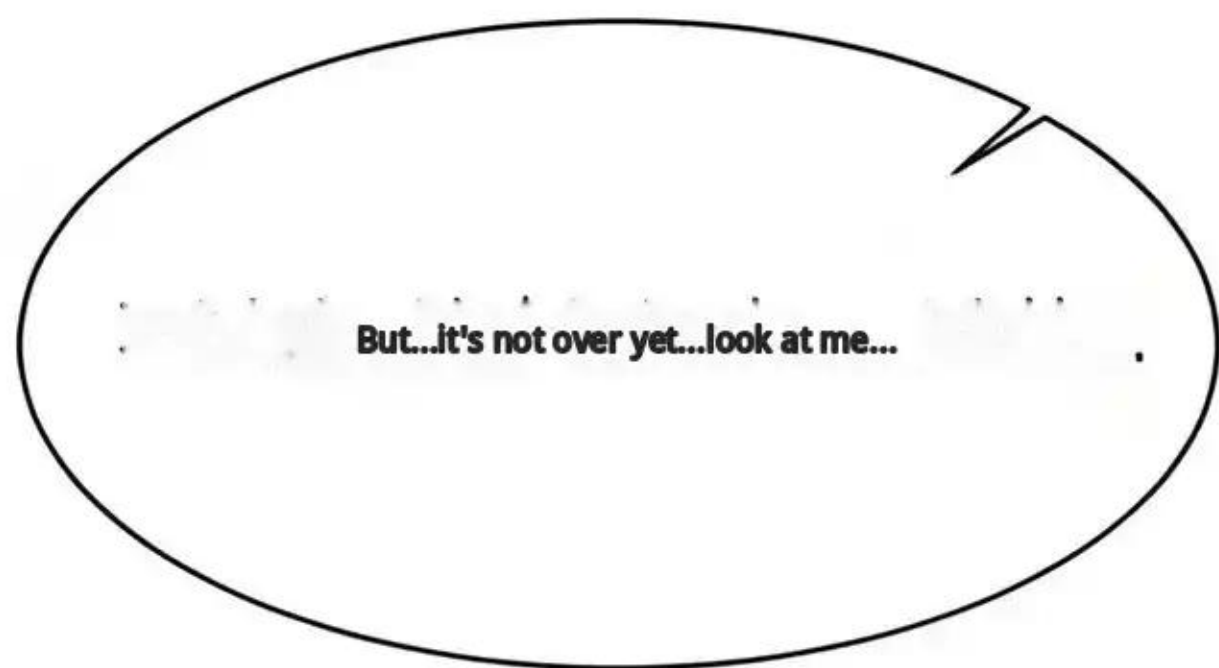

hateful! How on earth did those two bastards do it? ! How dare you snatch Jingru away from me... I'm so angry!

Boom!

But...it's not over yet...it depends on me...

After all, I'm in this girls' school.
Hey, luckily I hid quickly... I've
been observing for a long time...
Haha! I can have as many lovely
schoolgirls as I want, as long as
this ring is still in my hand,

No, no, no... If I get caught now, it's over! Damn it! Could it be that they were really chasing us?!

No one from the class should come to school except me? Why did it seem like someone was talking just now? □□□□□□□□...□□□□□□□□

Hehehe... I'm so lucky
today! Haha...what!
Who do I think I am?

This is not Jingru, that would be my school girl

Xuanxuan?

? This is...when did there be an extra ring here?

The shape is not that unusual...did some teacher forget it here? Hmm...that's weird...I've never seen anyone in the class wearing this kind of ring?

着上
Put on

Suddenly and inexplicably I want to try it on... It shouldn't matter if I take it off soon, right? Don't know why,

A woman with long dark hair, wearing a light brown suit jacket, a white collared shirt, and a pink and white striped tie, is looking at a man's hand. The man is shirtless and has a serious expression. The woman's speech bubble is in the top left, and the man's speech bubble is in the bottom right.

Hahaha,
congratulations!
This ring is
perfect
for you!

Why are you
naked...don't
come here!!
Yeahhhhhh!
Who are
you?!

In exchange...please let me take it off. Since you like it so much, I will give it to you generously! This beautiful school uniform, hehehe!

Don't...how could this happen...I can't use my hands and feet...

limp

Tight

Ah hiss... I can feel Xuanxuan's skin slowly absorbing. The female students' bodies are very elastic. Every time they wear their skin, the pleasure is really addictive! The whole person seems to have become younger,

I can do whatever I want under the skirt... I'm so happy... I love this feeling! Now I can directly touch the pink pussy of the female student... The lower body has become a living girl! Normally when walking on the road, I would even sneak a peek at their underwear.

吸吮

suck

Female students are indeed the best!
Let me have a taste...hmm~that's the
smell! There is so much love juice that
it almost flows out, but the inside of
the pussy is wet, hahaha... Xuanxuan
looks well-behaved and honest on the
outside.

A girl with a sexier figure will fall from the sky right away... Humph, this can be considered a blessing in disguise, right? How does Xuanxuan feel when wearing it? I can't wait! Unexpectedly, after losing Jingru's skin,

While rubbing my pussy vigorously... oh oh oh... Xuanxuan's little hands... Xuanxuan, you... haha... you are such a bad boy... while caressing my face,

I am about to become
one with Xuanxuan...um...why
are they so tight! Hurry up and
put it on your face, ah...while the
feeling of your pussy is still
there

It's like my whole body is being hugged tightly by Xuanxuan...ahhh...such full and strong breasts...oh oh oh oh! This is what it feels like! Young girls' bodies are so sensitive! Xuanxuan's skin is adsorbed on my body,

My vagina is so itchy that
I can't bear it... Oh oh oh! It feels
so good, my cunt wants more!
Haaah...haaah...I can't stand it
anymore...every part of my body
is feeling hot.

dawdle

噗，噗
Poof, poof

The more I grind on it, the more I can't stop. Oh oh oh... Just thinking of that scene makes me want to stop. Does Xuanxuan usually secretly play with her pussy like this? Disgusting...the semen is everywhere!

A photograph of a person's midsection and hands. The person is wearing a light-colored, possibly white, top. Their hands are positioned near their waist, with fingers slightly spread. The nails are manicured with a white base and a small, colorful floral or abstract design. The background is a warm, brownish-orange color with a subtle, repeating pattern of thin, light-colored lines. A speech bubble is located in the lower right corner of the image, containing text.

My dick is so hard that it bulges out... What should I do now? Hee hee... I accidentally got into trouble again.

Just pull the dick out like
cock is so tight when it slides through the cunt.

Haha,

Haa, haaa

Yeahhhhh! It's out...The thick and hard cock slipped out of the pussy!

As the orgasmic pleasure flooded into my mind...ahhh...coming, coming...the memories of high school girls...Xuanxuan's joys, sorrows and joys...all of them are mine now! Hahaha...Xuanxuan's daily life,

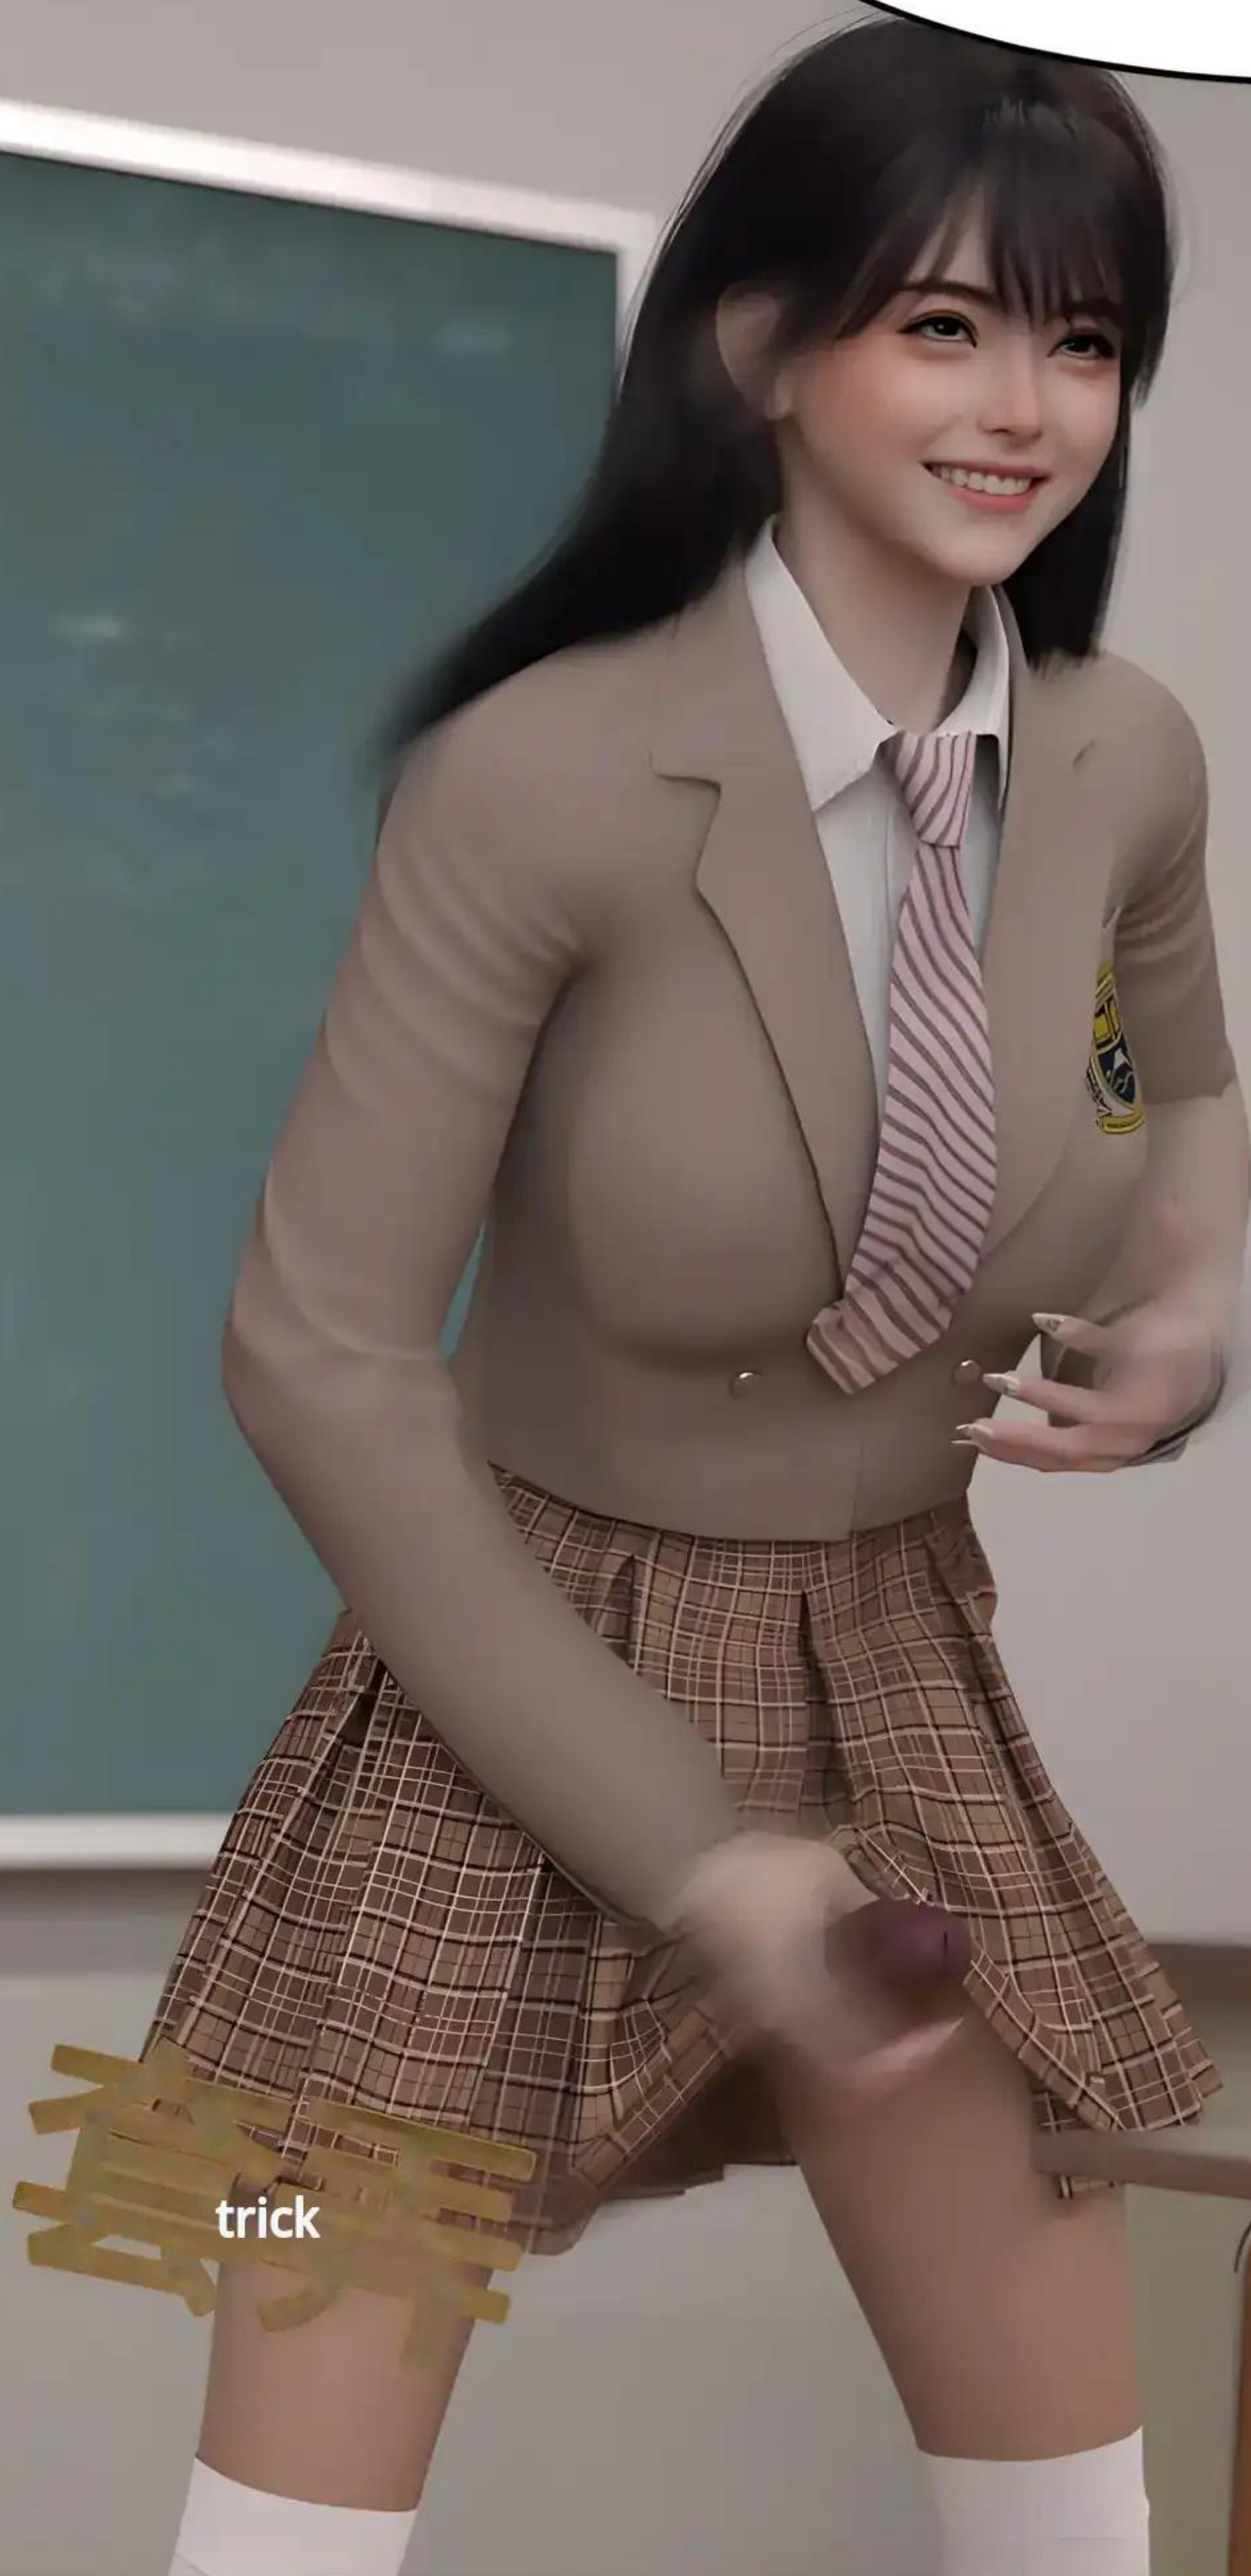

That person will automatically turn into a holster... I'm sure no one will believe this! If I hadn't personally experienced it, as long as a woman wears it voluntarily... I really didn't expect it... It turned out to be real at the Japanese stall... What the woman who sold me this ring said,

How could I have the chance to play with a young girl at such a close distance? Phew...thanks to this gadget, if it weren't for it

I feel like I'm getting younger,
and this feeling is really addictive! Hee
hee hee... It's exciting to think about
playing with a cock like this openly in a
girls' school classroom! After putting
on this school uniform,

trick

Whoever dares to rob
me...I will make him regret it!
Ha ha ha ha! No one can touch
me! These female students have all
been under my control for a long
time! snort! Did you see that? As
long as I stay in this girls'
school and hang out

To be continued
