If you don't adjust it, it will definitely wear out immediately! How about it? I'm pretty handy, right? Hahaha! Let's take a look.. Is this right? It was all sticking up just now.

My whole body has become so sensitive...especially down there...I can feel the leather sheath tightening again, ahh...how could this happen...I was pulled like this by Lao Shao just now

He always chooses a time like this to stir up trouble! This kind of comfortable and uncomfortable pleasure is so torturous, damn it! I knew it! This disobedient thing... the dick is so tight with the leather condom ...

Hey, what's  
going on with you?  
Reacted so quickly?  
Let me see ~

ah! Don't,  
don't touch! Can  
you stop making  
trouble?

Ahem...Is there anyone in there?

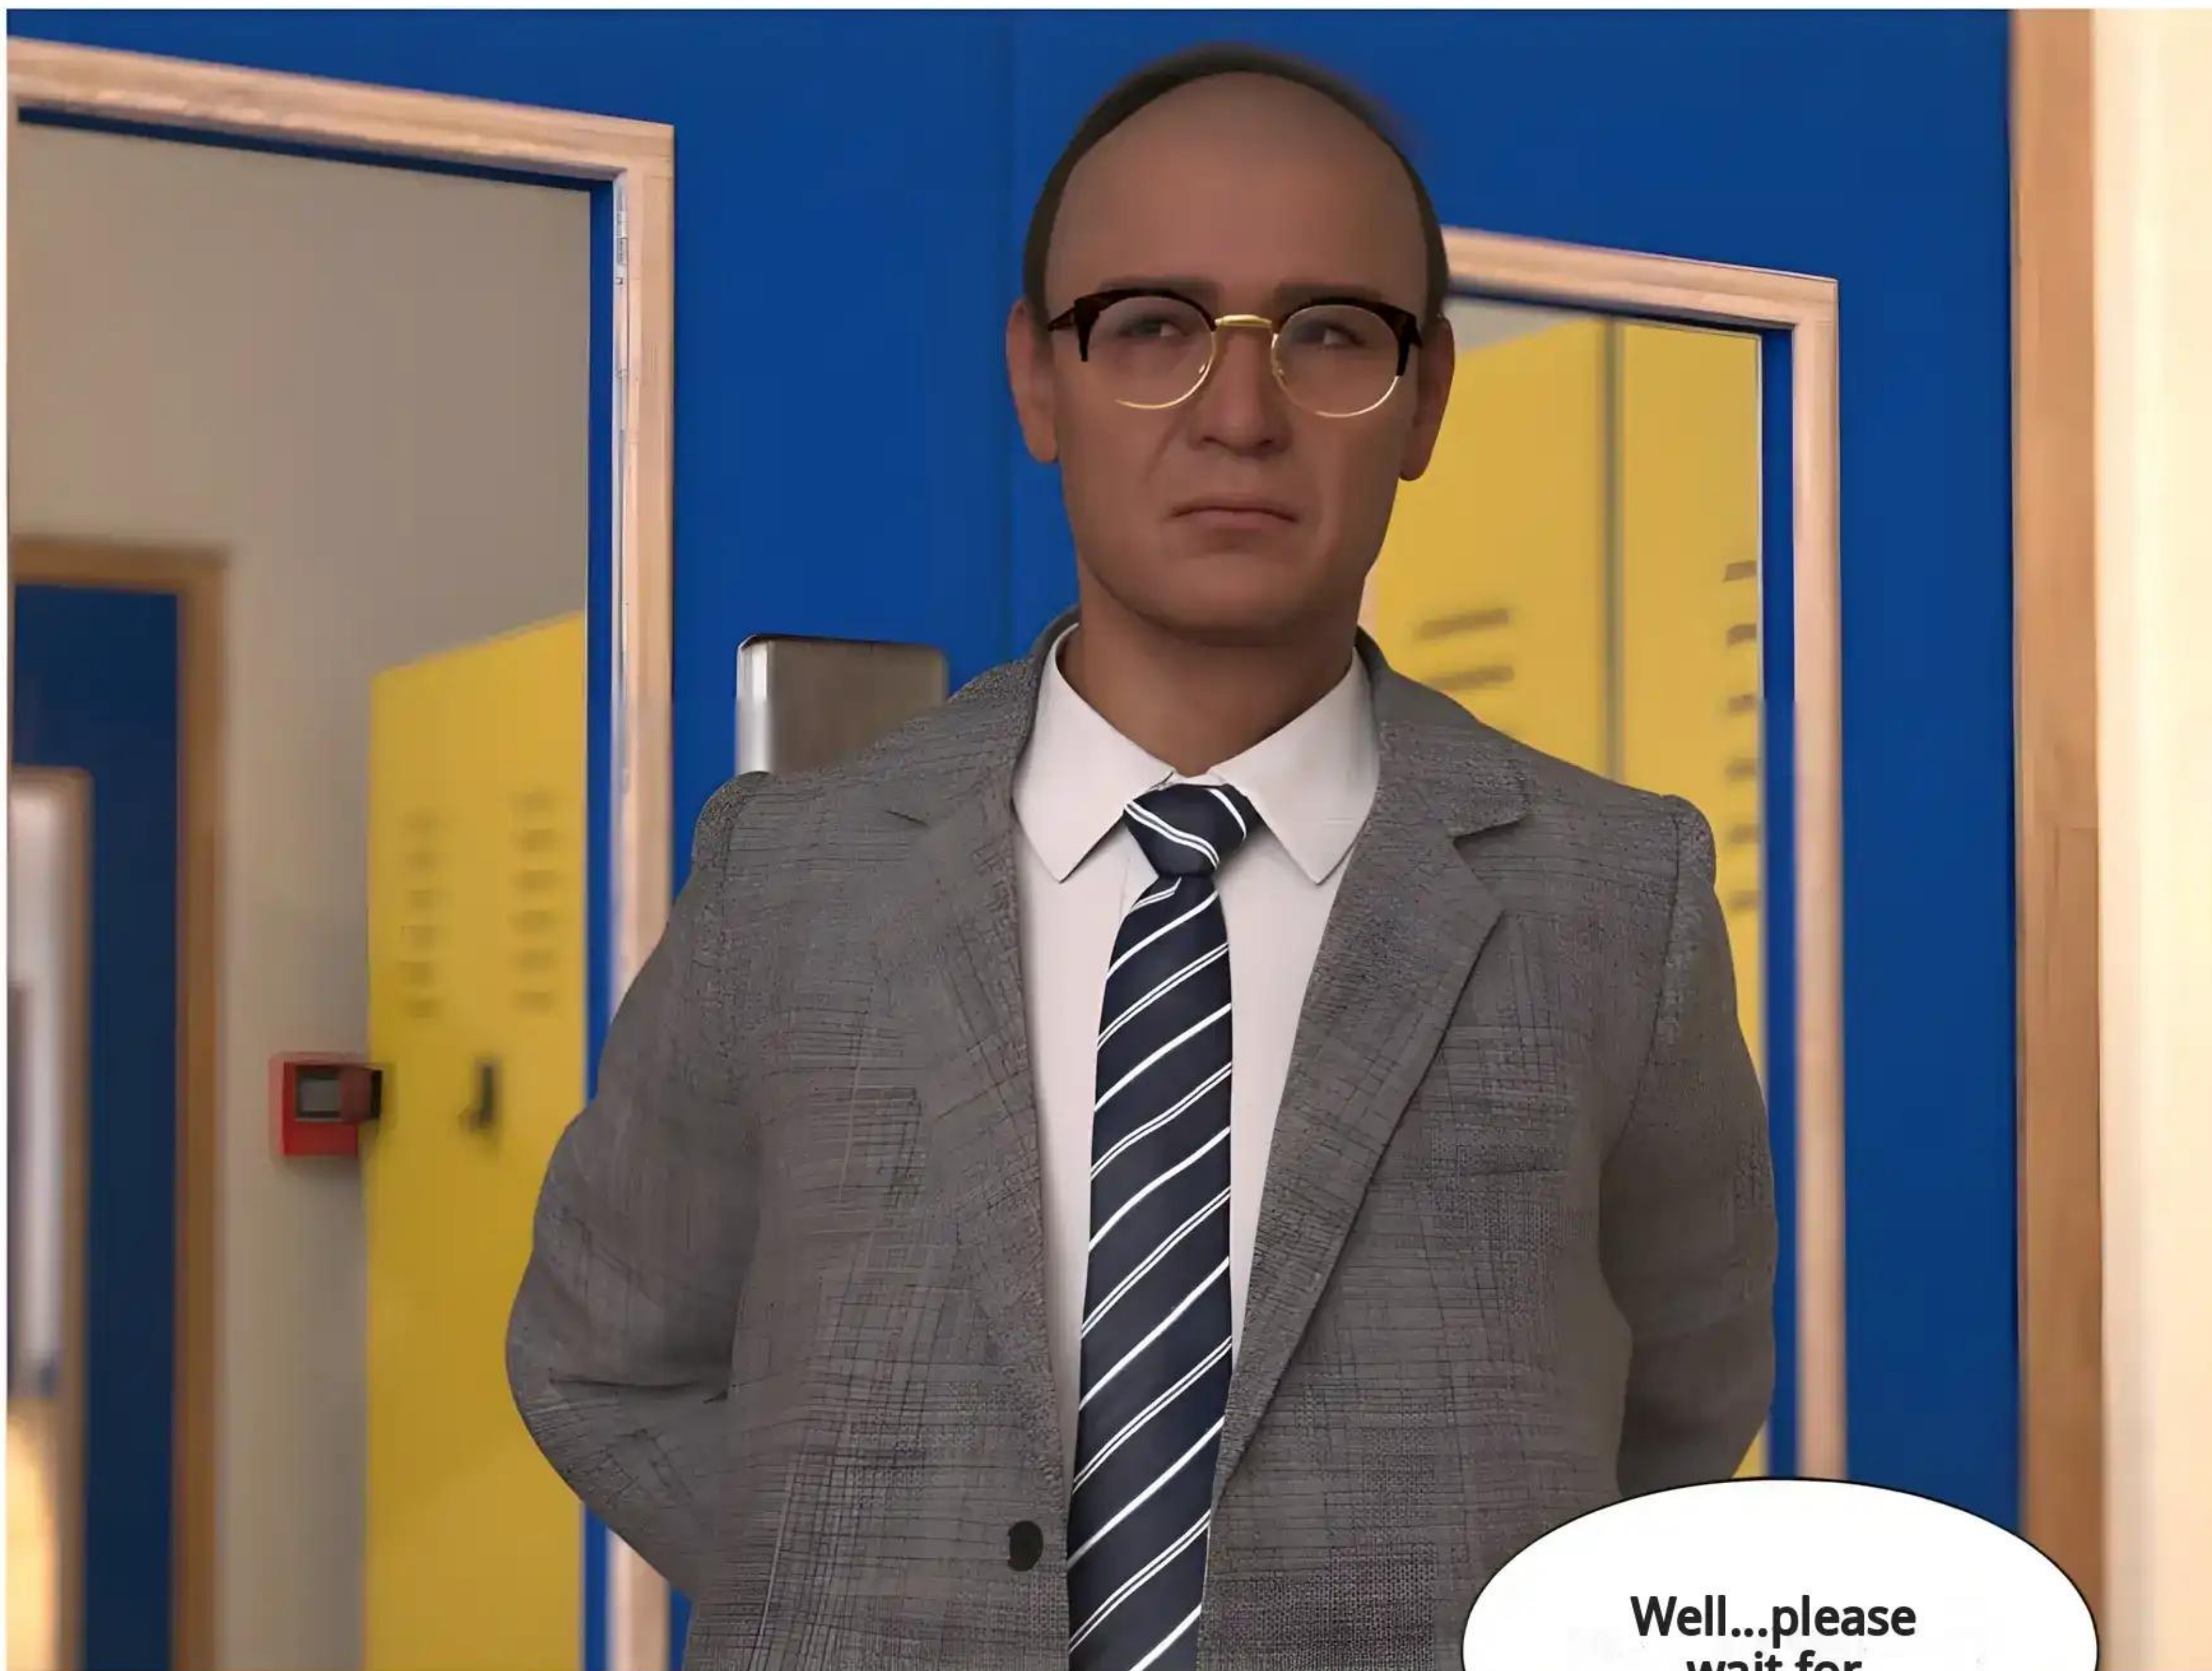

Prprpr!

I don't even have any clothes on yet! what to do? Oops! Someone is really coming!

哒 Taste 哒 Ta, da 哒

**This is not a place for you to play!  
Classmate, come out quickly**

**Well...please  
wait for  
me!**

I didn't come here on purpose... My skirt is a bit dirty too, so I just wanted to find a place to change it. I'm sorry... I, I accidentally got my socks wet just now.

I'll be fine soon!  
Sorry,  
teacher

What tricks do you want to play  
this time? Oh...it's you...Jingru,

How many times have I said, you'd better be  
honest in front of me, I will keep an eye on you!

talk? What, what does this mean? Why do you look like you have a grudge against me? What is this man's background?

I have no memory of this man in my mind. It's so unlucky... I just put on the holster and was caught.

Um? Did you hear anything? It seems like someone is laughing...Old Zhou? Did you hear that?

It would be terrible if they were discovered later! What's even more troublesome is...why is my cock still so hard? If you don't stuff it back into your pussy quickly

Woohoo...so, so tight...I'm just a little bit closer to going in.

extrusion

Huh, what's hidden in your hand? Take it out and let me see!

Now, it can't work now... Then I will... Yeah! Wait a moment...

If you move around now, your body will become too sensitive! Oops, I just took the cock into my pussy

Disgusting...I was made to orgasm by a stranger in this way...I feel so bad

tremble

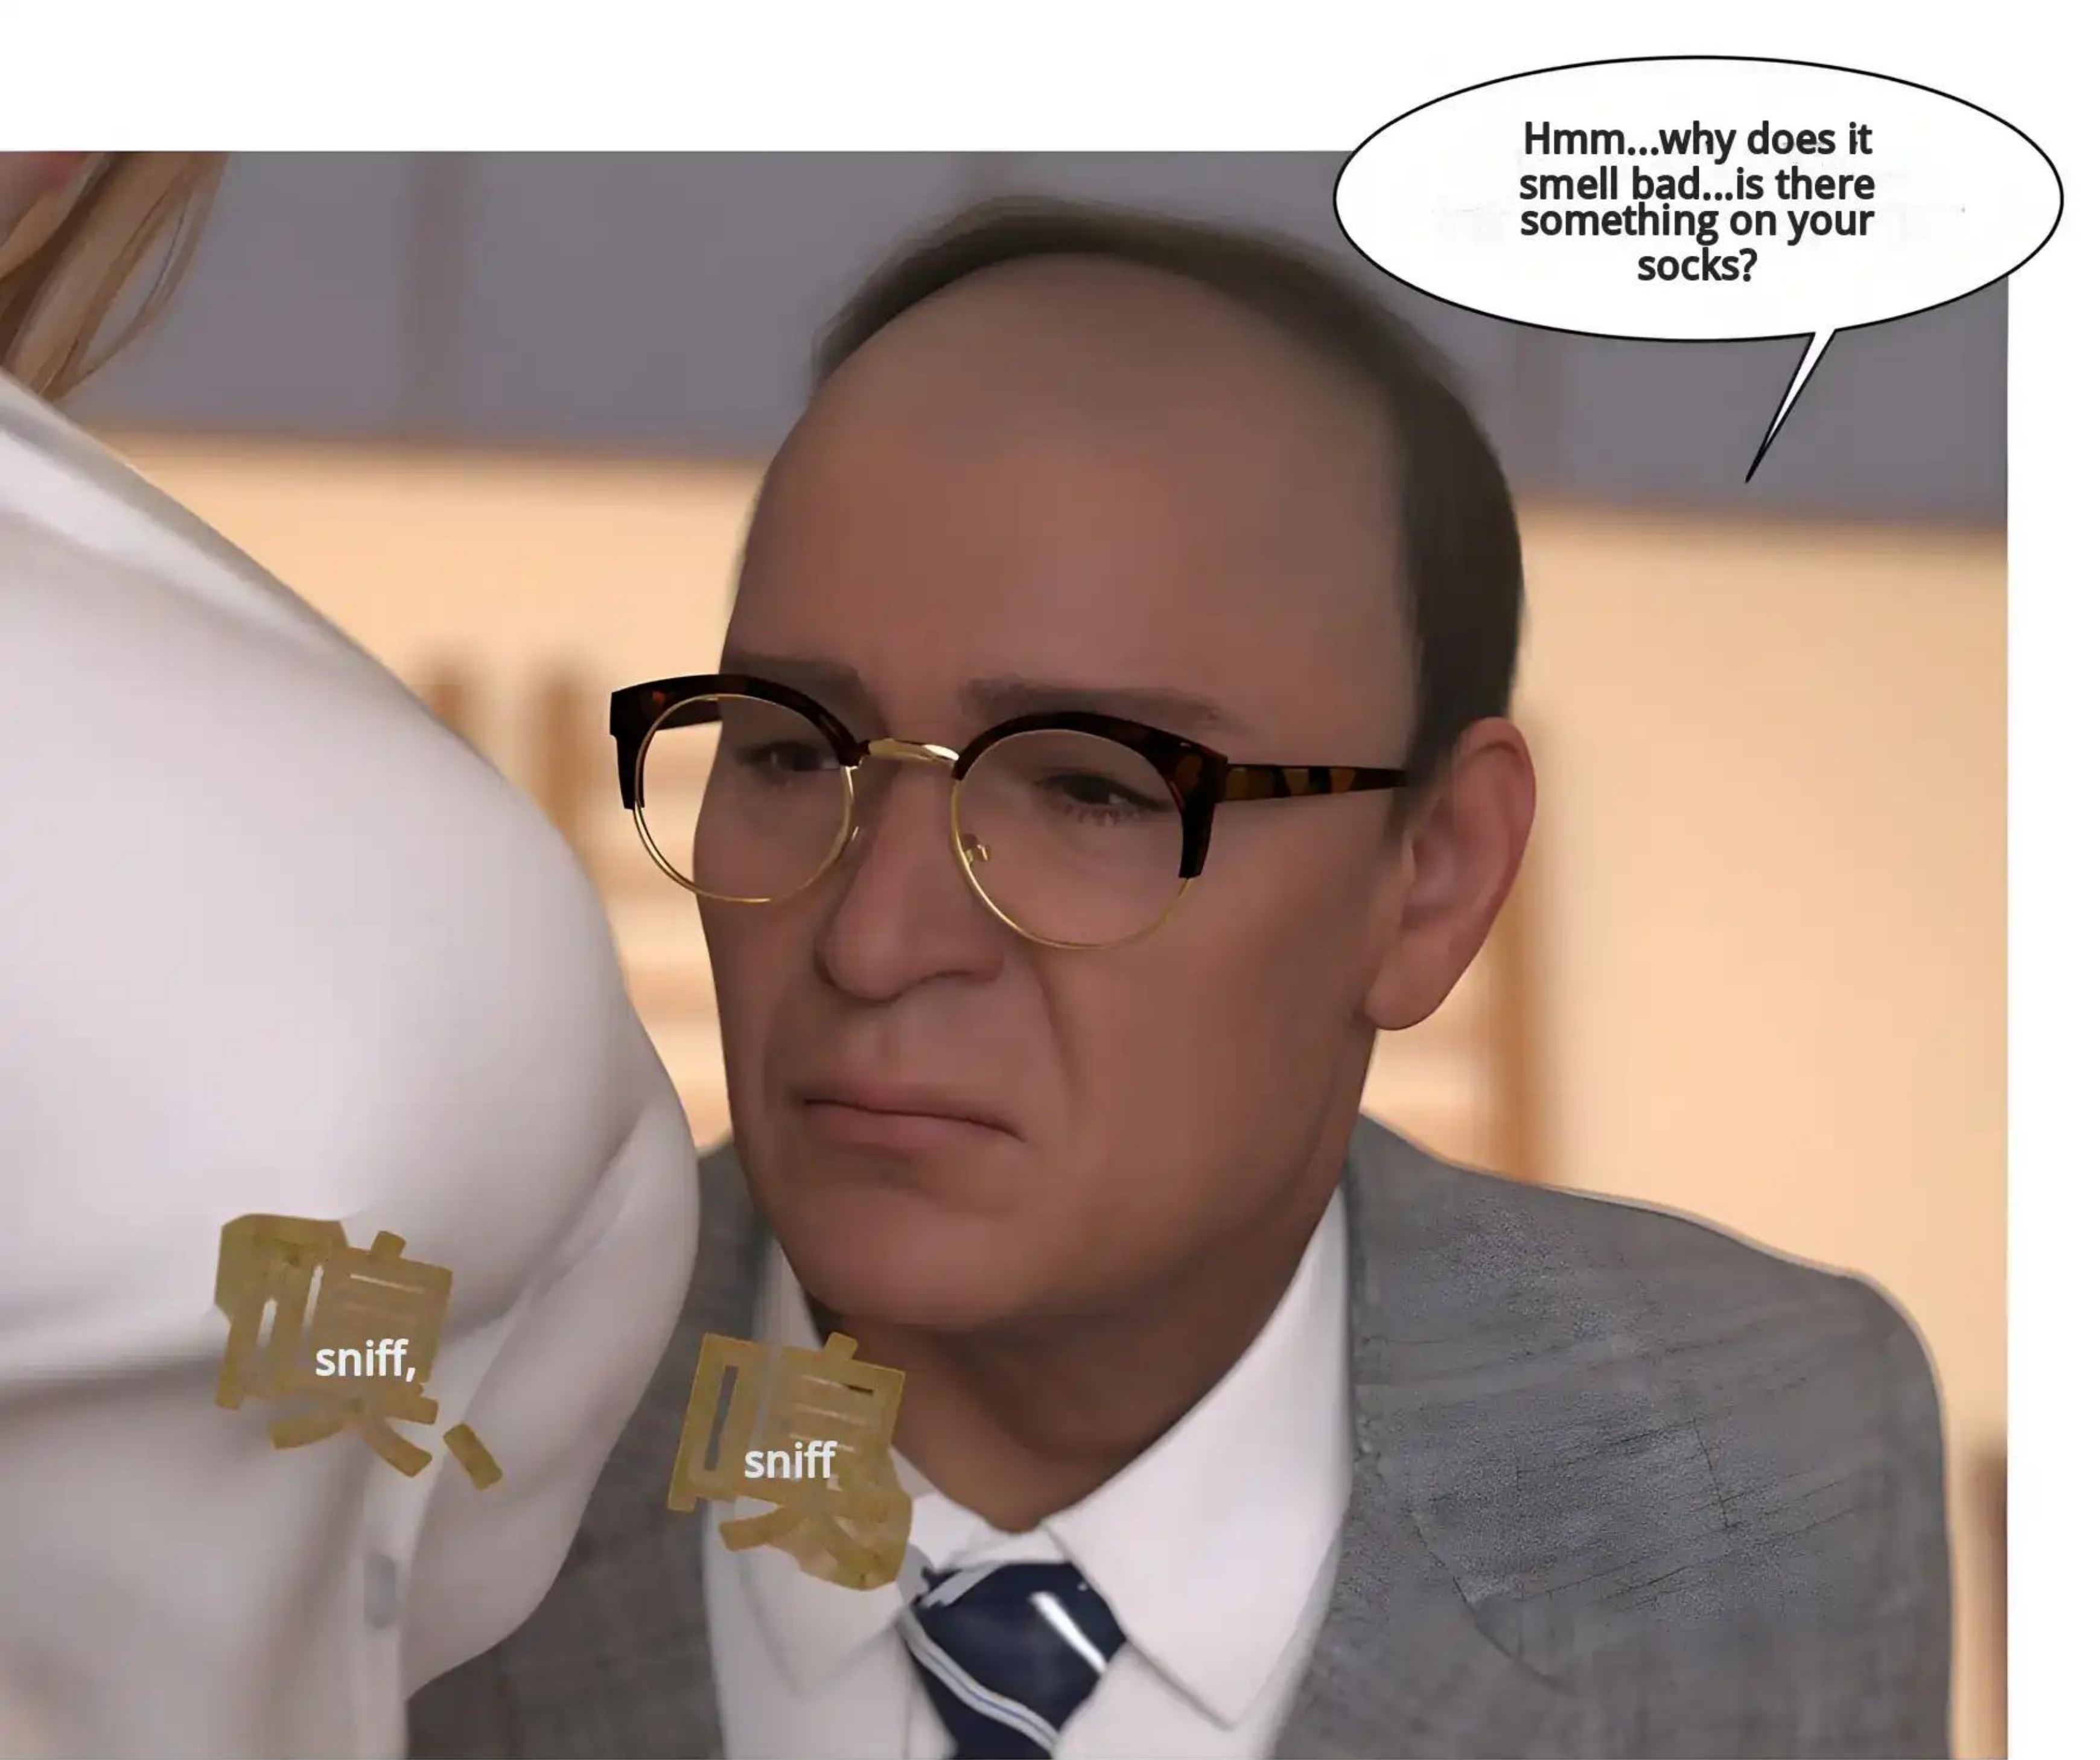

Are you feeling uncomfortable somewhere? kindness? Why are you shaking so hard?

So that's it, this boy is from this girls' school... Jingru's memories flowed into her mind... the strictest dean

Jingru has also been caught breaking the rules many times by him, and he loves to cause trouble for students. Everyone calls him Lao Zhuang. ...

Hmm...why does it smell bad...is there something on your socks?

嗅、  
sniff,

嗅  
sniff

Moreover, Lao Zhuang is also a pervert who likes to bully female students behind Jingru's back, and he always uses various excuses to steal tofu...! Oh shit! Why do you meet the most difficult person to deal with?

Don't I know your temper yet? Hey hey hey, shy? Jingru, now here is a more exciting way for us to play than this. How many times have we had sex? Don't pretend to be innocent with me.

Tell me, are you hiding something from me? Stop tempting me!

Haha...  
Director... don't get  
so close and smell  
girls... That will make  
them shy!

Lao Shao...please take  
this opportunity to take Zhou  
Di away! Although I really don't  
want to face this man, I can only  
think of ways to attract his  
attention now.

No matter how big of a mistake you make, as long as you are sincere enough...big things can be reduced to small things! Hey hey hey, let's just follow the old rules, don't be nervous~ With my friendship with you

That bastard... he was wearing damn clothes before... why did he become like this again? What good thing did Jingru's skin do? Why is the dean of students flirting with me now? ,

ah? Where is the sound? You should concentrate on helping me look out for you first! I only heard you slurping next to me,

抓紧

Hold  
tight

We must not be held back here, I, I want to strike first! no!  
Before I catch that bad guy pretending to be a schoolgirl

Does it have to be explained so clearly? I just... want to find a chance to be alone with you! I hate it~ Director, how good are you?

揉 knead, hang  
揉 rub

Is your pussy so itchy that you can't stand it? That's right, this is the Jingru I know! You little slut is going to be great when you grow up! Hahaha... we haven't seen each other for just a few days.

Ahhh... Bad, bad guy, where are you touching... Oh oh... Not there!

Haah, haah, haah

I have no choice but to pin my hopes on Lao Shao! Well...it looks like I won't be able to get out of this room for a while.

Go find that bastard! Lao Shao, I will ask you to take care of Zhou Di.

I really want to go down and have fun together! Poor old Zhou, thank you for your hard work. If I hadn't been holding the child in my arms, hehehehe, I would have seen a good show by accident.

classroom

Haah,  
haah,  
haah

So..where to find someone next? Let's wander  
around first and see if anything is wrong!

Go to sleep, go to sleep, good boy,  
don't cry or make a fuss later!

Pah, pah,  
pah!

ぱぱぱ

Haaah...haaah...

I can't stop my hands...  
Haaaah... not enough, not  
enough... Haaahhh... so  
comfortable... so good.

Haah,  
haah,  
haah

Oh oh oh oh... Every time the condom was pushed back and forth inside Xuanxuan's body... the vagina was stretched open... and it became wetter and wetter...

I can't stand it... This kind of pleasure that feels like violating a high school girl is so exciting... I, I want to...

It's true... I'm always asked to do this kind of thing... Why do I have to get into this muddy water when I go out for a walk normally?

Is it really reliable to leave my brother in his care...? That guy Lao Shao... still looks like he is carefree and doesn't take anything seriously.

I...ahhh...I'm  
going to  
cum!!

ejaculation

自射精

I can't help myself every time I put on a new skin! I made the classroom confused again, hahaha...really,

There's  
so much  
slut

Alas, there is no way! After all, this is the charm of high school girls! There is so much youthful flesh that you can never use it up! Hey hey hey hey! As long as I continue to stay in this little nest,

Huh?  
Xuanxuan?  
Is it  
Xuanxuan?

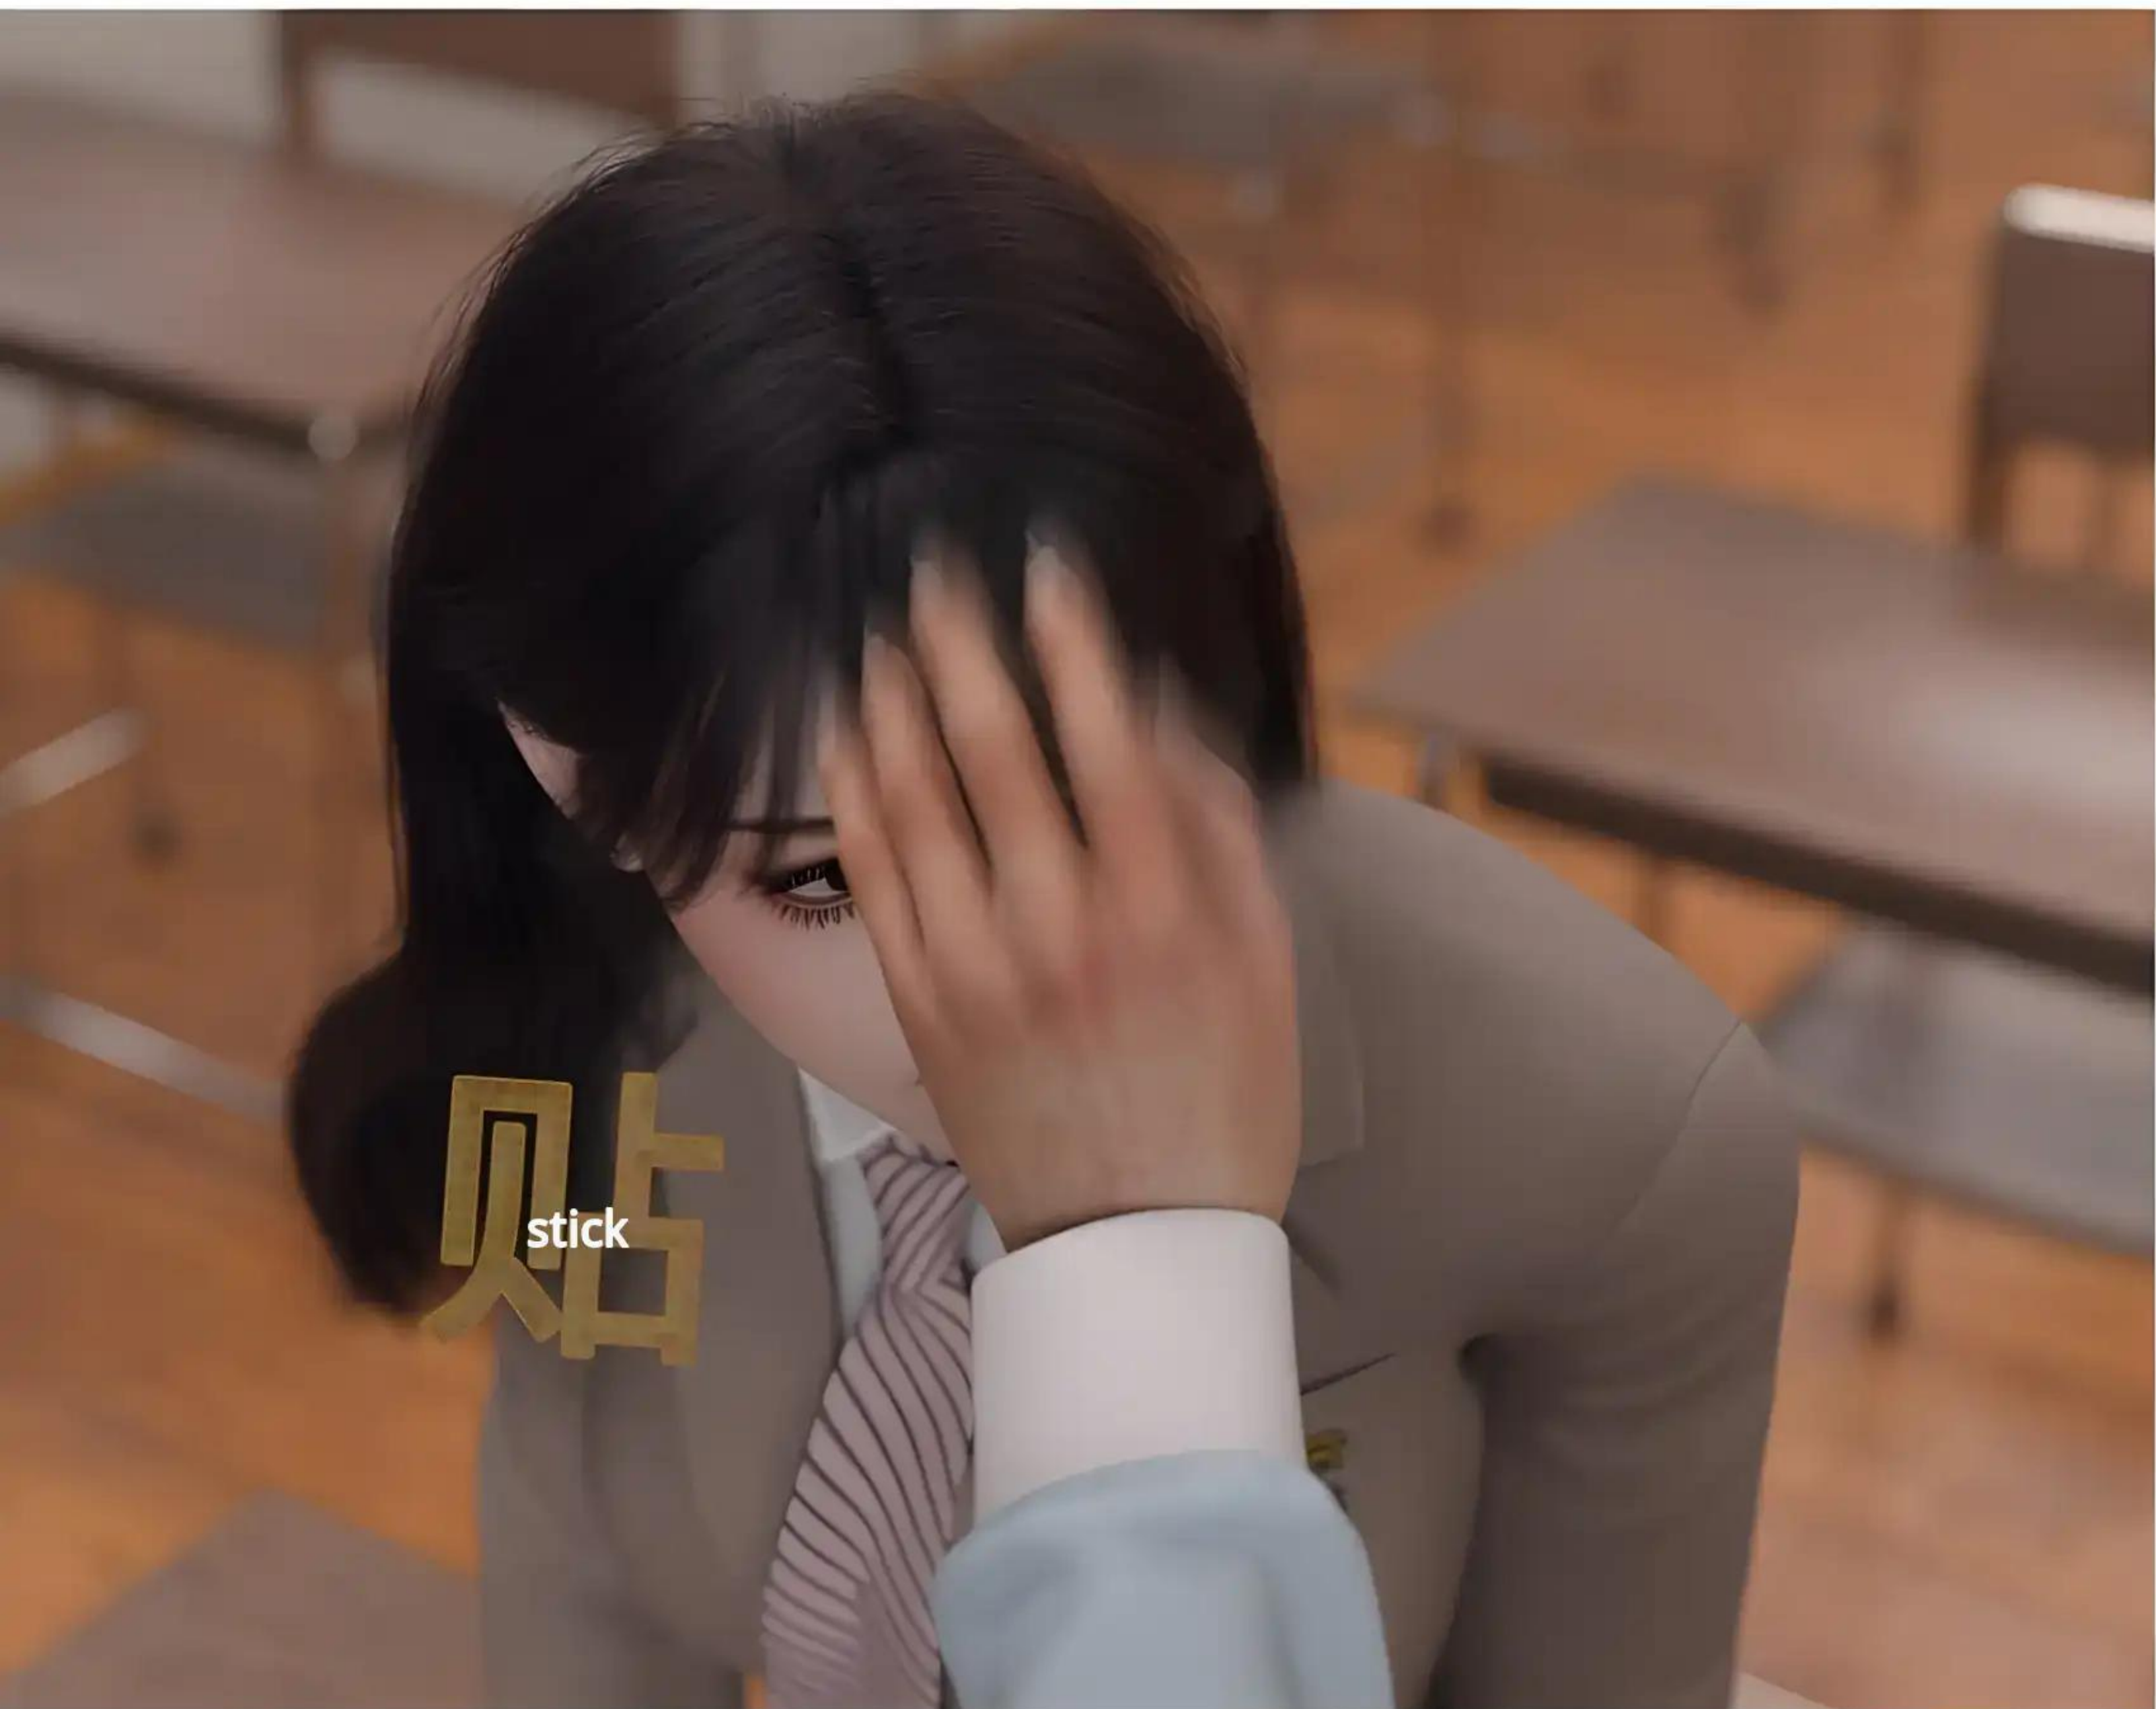

Don't you want to come back to get the reference book? So you are staying here! I'm just wondering why there's been no movement for a long time.

And...why did you sit on the table? Be careful, don't accidentally fall again!

Damn...this woman is the new teacher this semester...Li Xinjie! If this continues, the secret will be exposed, right? I also have a good relationship with Xuanxuan. I remember her as a nosy woman.

Li Xinjie seems to really care about people...squirt...this hand is too soft...it feels really good. However, in Xuanxuan's memory

? Xuanxuan, why is your face so red? Are you feeling uncomfortable somewhere?

My body is obviously sweating...It's strange...It doesn't feel like I have a fever? If you feel uncomfortable, don't hold on and go to the infirmary with the teacher, right?

No, no, teacher, I just... felt a little tight in my chest. Maybe the classroom was too airtight.

Until then... Just lend me your appearance and voice! I will definitely restore you to your original state immediately. When we catch the bad guy who caused you to become like this, this classmate... I'm sorry.

If she knew... I was laughing and joking in the classroom just now, wouldn't it be too easy to fool her? I don't know what expression he will show? Play with your cock until your face turns red and your heart beats,

Why!  
Xuanxuan!  
? Are you  
okay?

fall

Why not... just come and tease this stupid woman!

Teacher Xinjie... lend me a hand...  
Hmm... Oops, my head feels so dizzy...

Pain, pain, pain...-...Xuanxuan? ! How are you? Did you fall somewhere...?

Hee hee hee...I'm fine,  
thanks to the teacher who is  
my meat pad...Hmm~ By the  
way, the quality of this meat  
pad is really good. ...

...?  
Xuanxuan?  
W-where are  
you  
touching?

There must be many men who wish they could lie in the teacher's arms like me, right? Hehe, it's so soft...I really envy the teacher's good figure

Knead

Watch me take off your underwear in three seconds! How about it? I'm very good at fishing in troubled waters!

Or...knead the teacher's body wantonly  
like this...touch the sensitive areas all  
over the teacher's body...

Ahh... strange...  
there seems to be  
something pushing  
against me... Haaah... Yi  
Xuan, you... how could  
you do this...

Hehehe, there's nothing strange about it, we are all girls!

Is it weird for the teacher to be wearing a hee hee under the teacher's uniform? Such sexy underwear, who are you trying to charm to death?

解开  
untie

But this smooth and tender touch... squirt...  
No wonder people say girls are made of  
water, they are so beautiful. Although my  
mother's skin is already so good, I can't say  
anything... But there is one thing to say, ...

Ahhh...this is...teacher's body odor...ahh...so powerful...it's so fragrant that it makes my head spin. ...

Woo hoo hoo...  
Rubbing the  
teacher's breasts like  
this... the teacher will  
become too sensitive!  
Haha...Xuanxuan...No,  
not like this

top

The legs are really tight around me! My big cock is almost too hard to bear! Ah...this way of refusing to welcome is so seductive...this little slut, she said no

Can you lend me  
some help... um...  
teacher... I'm dizzy  
now... just give it a  
try... don't move!

Why don't  
you get up soon?  
Yeahhhhhh! What  
are you doing,  
Xuanxuan?

Haaah... no... don't take off my pants...

I was really bumped into... Damn it, I just wandered around randomly

Looking at this familiar scene, where did the female teacher appear from? That female student inside is probably the one we're looking for, right?

The situation is a bit troublesome...  
Let's go back to find Lao Zhou first. I don't know how he is playing with the old man.

groping

摸索

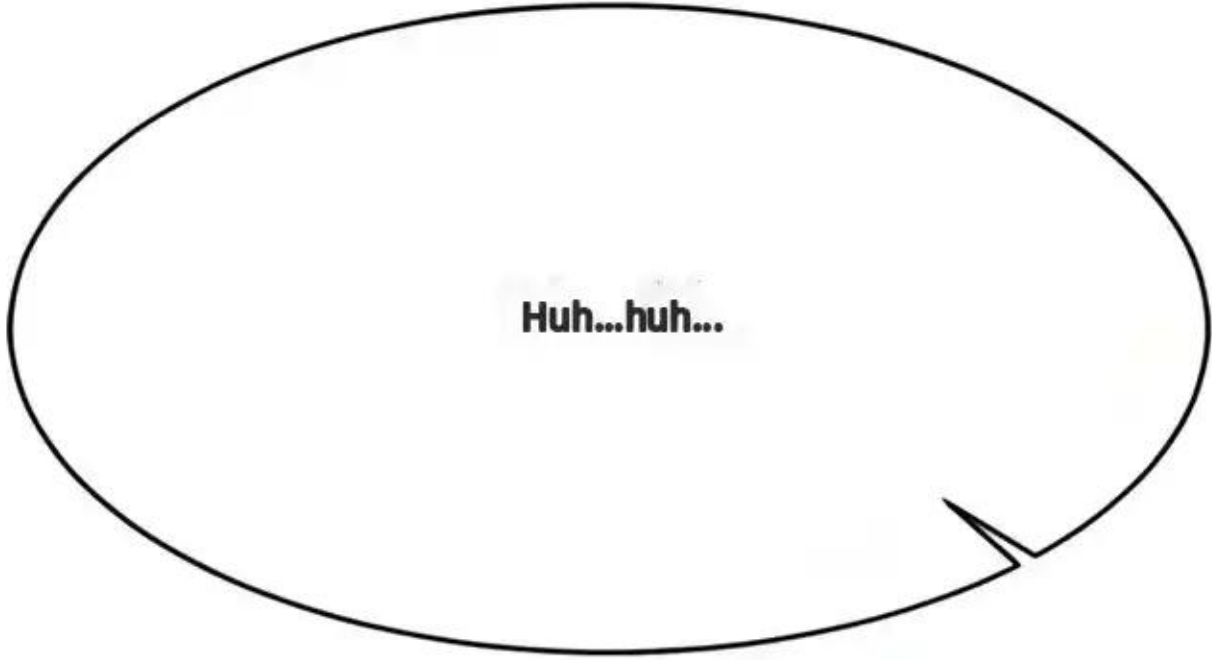

What does it look like...?  
Wait...there's something wrong  
with the female teacher's hands.

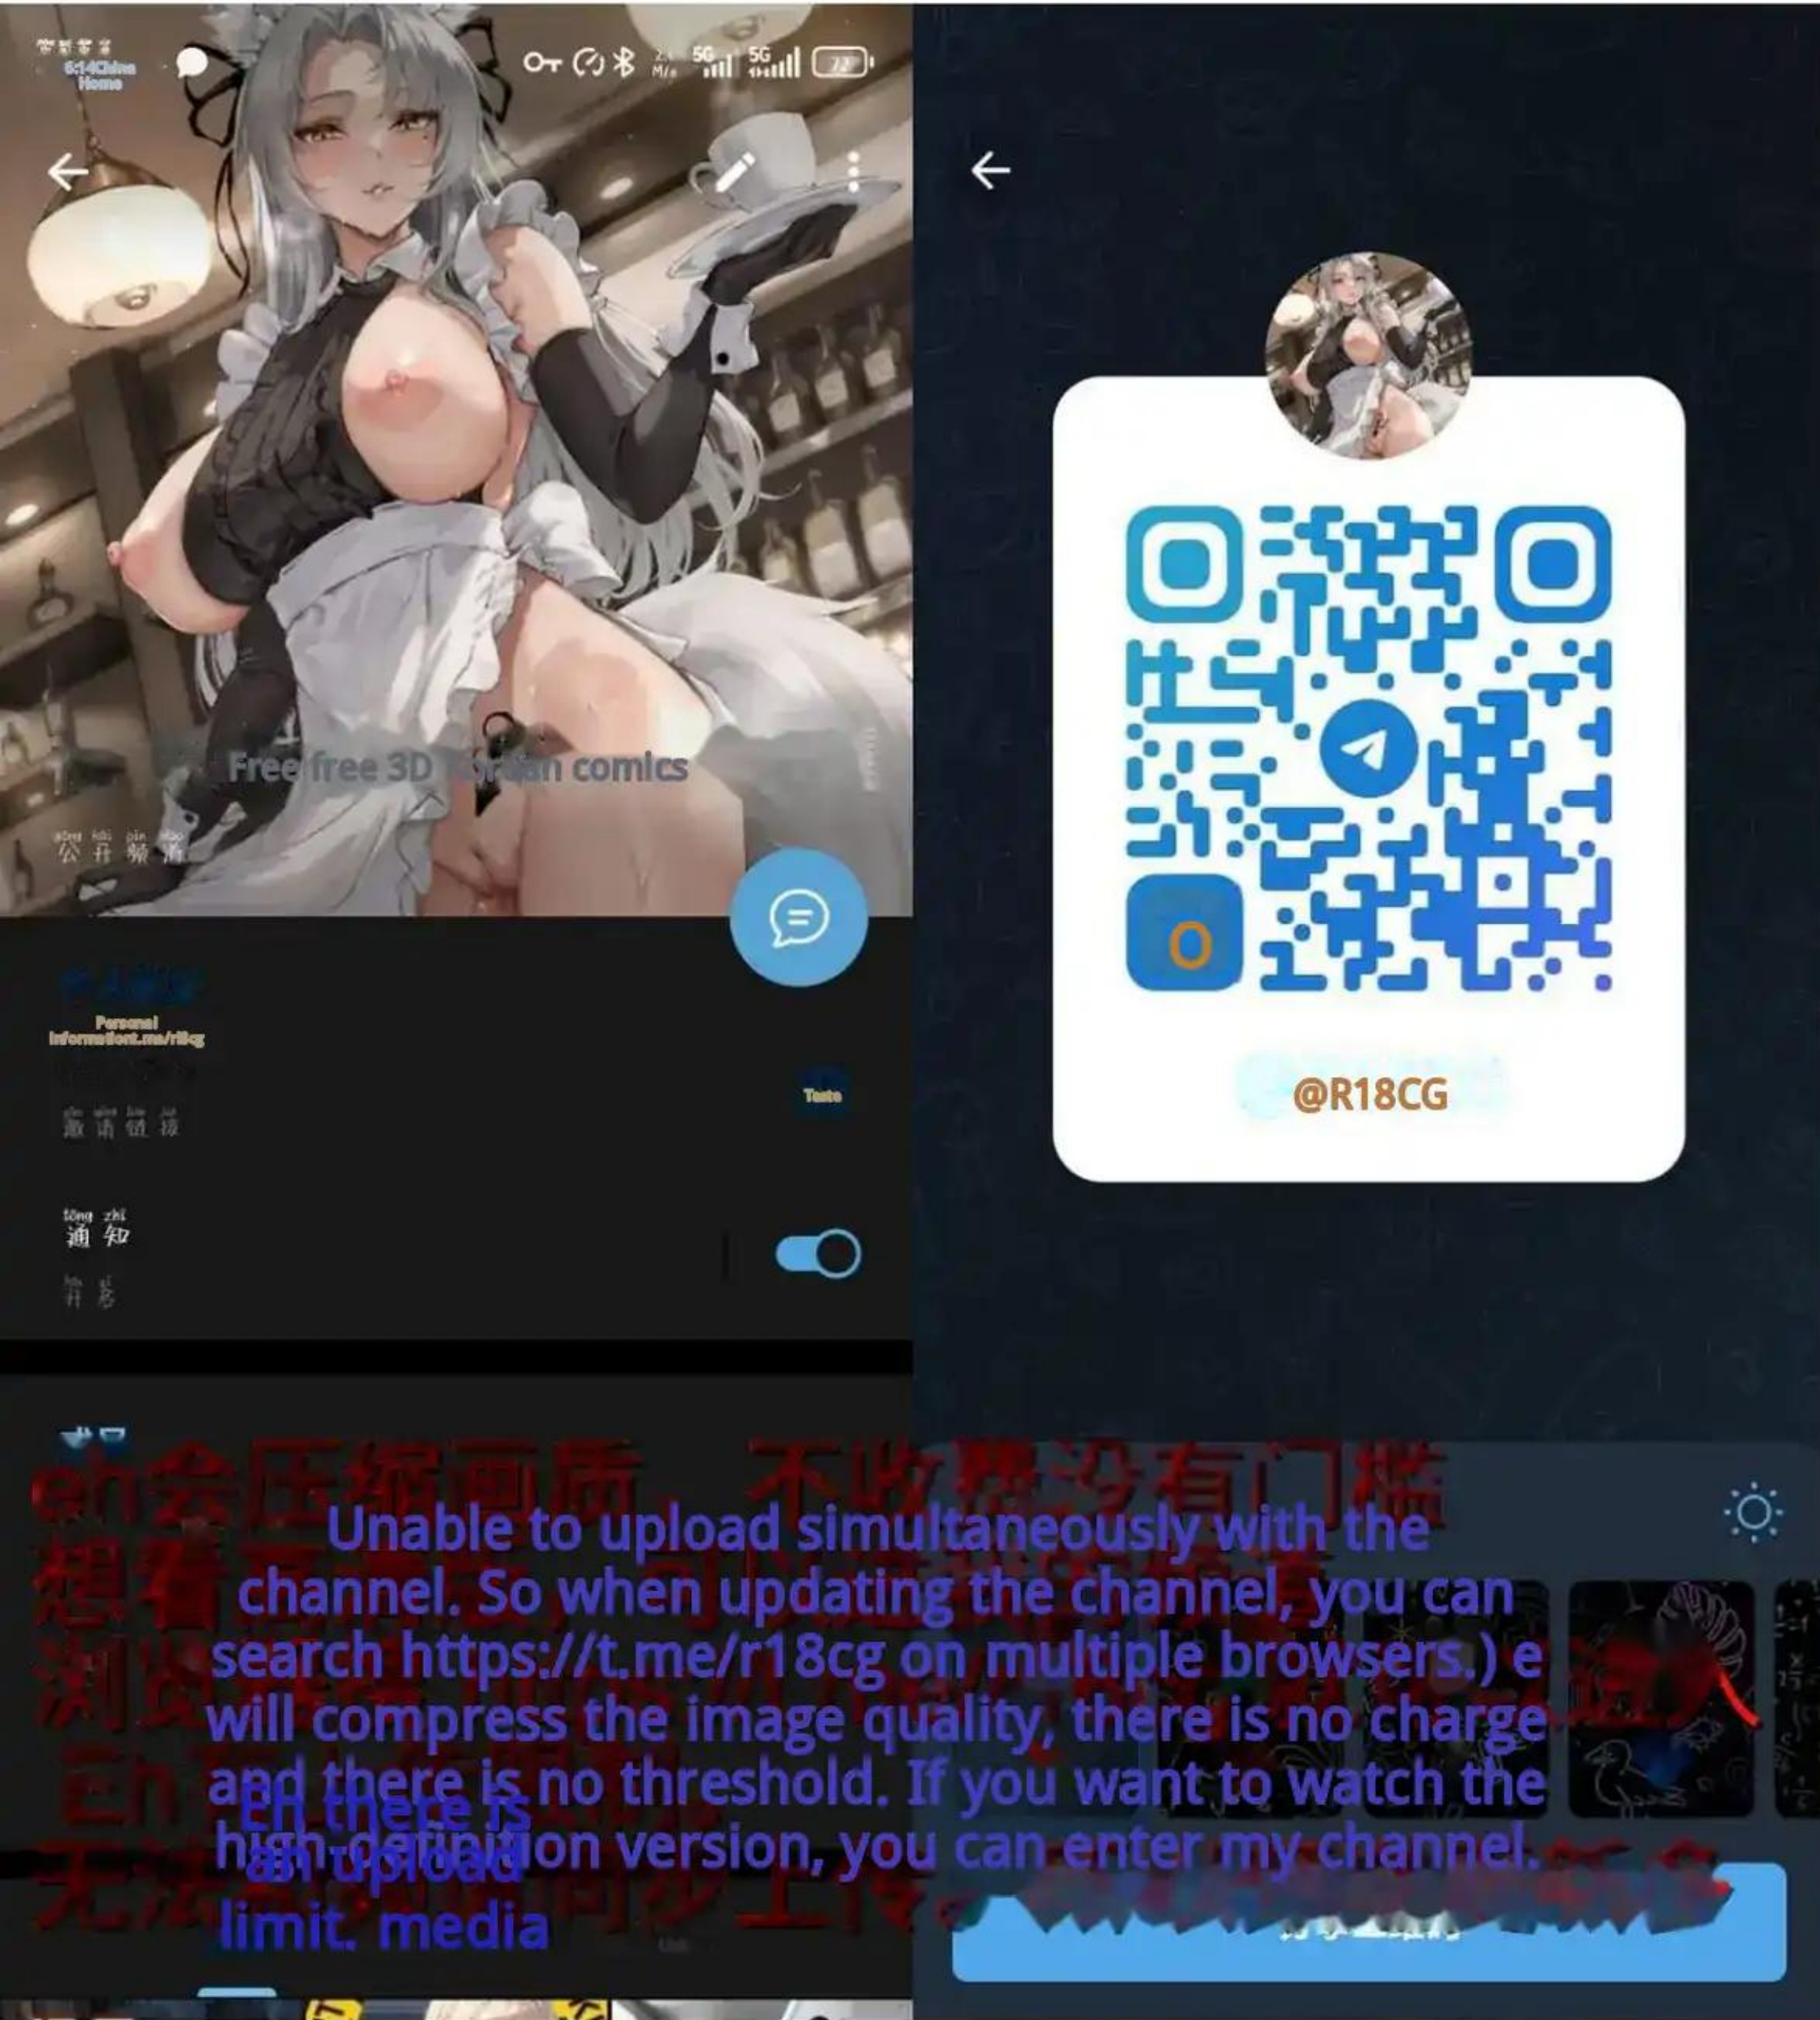

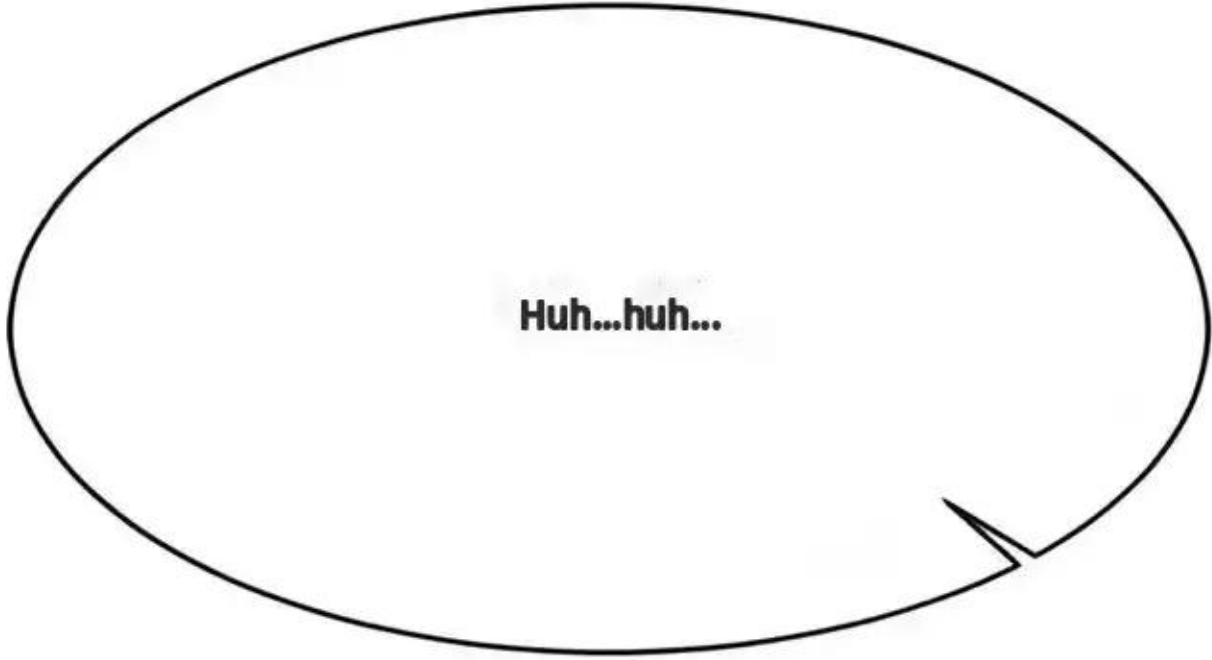

Damn...then, isn't that a leather gun? Why does this female teacher have this thing in her hand?

**This is really  
troublesome... things  
are not simple... what  
should I do? Do you  
want to take  
action now?**

Da da da

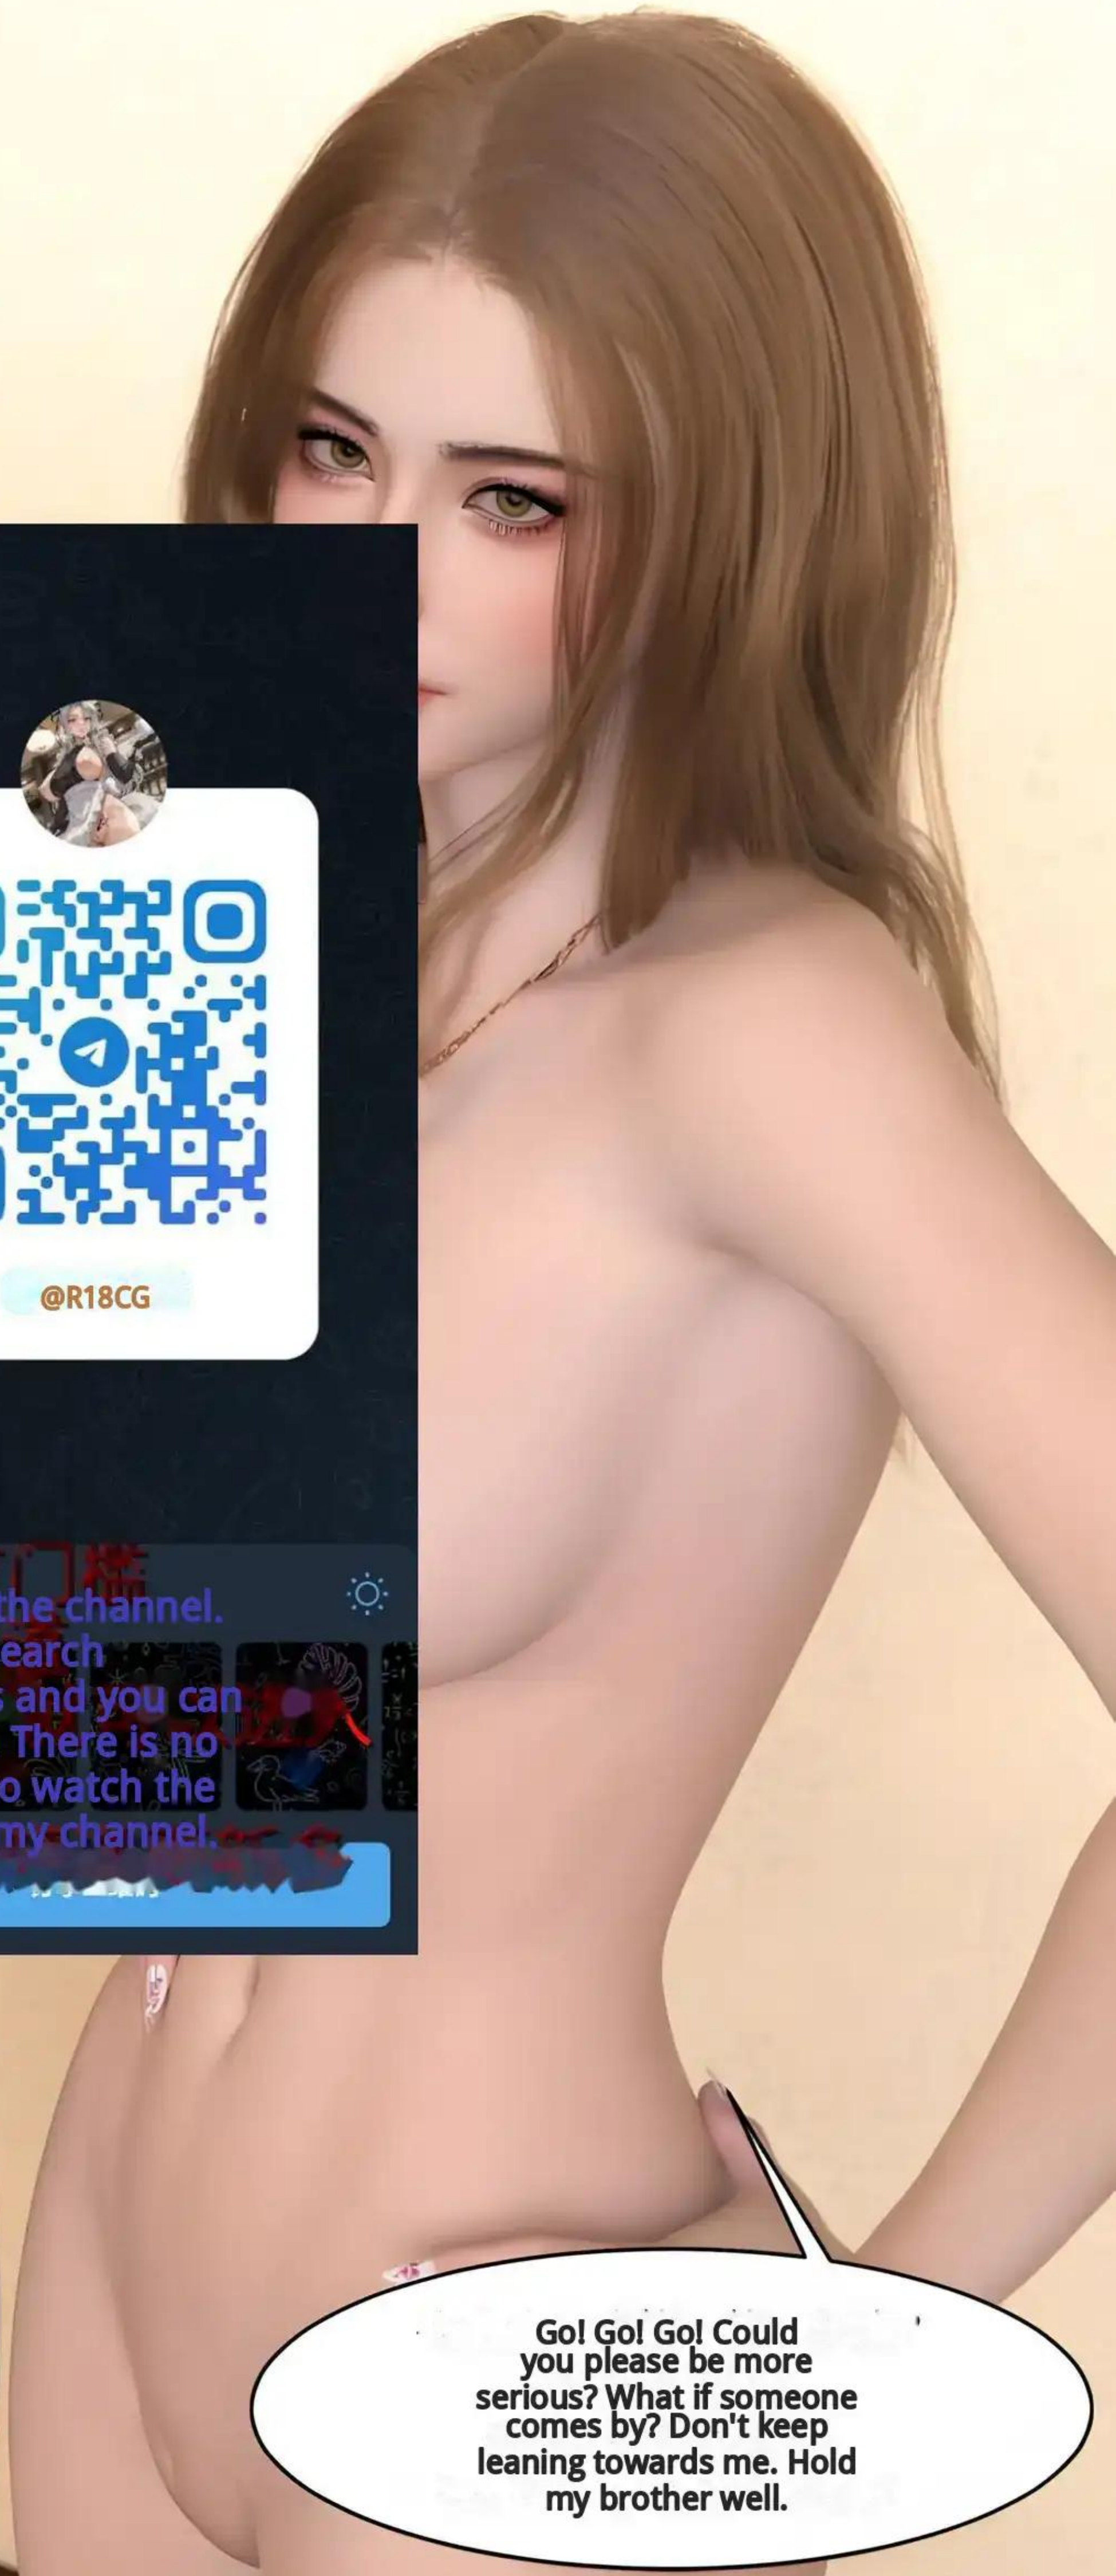

Are you admiring  
her good figure?  
Hehe, what are you  
looking at when you  
look so carefully?

Go! Go! Go! Could  
you please be more  
serious? What if someone  
comes by? Don't keep  
leaning towards me. Hold  
my brother well.

Go! Go! Go! Could you please be more serious? What if someone comes by? Don't keep leaning towards me. Hold my brother well.

**Get out of the way! Damn...this, this girl is absolutely crazy...I am so unlucky, right?**

I've only played a few games and I can't stand it anymore? how? Weren't you quite good at talking nonsense just now? What a thing! snort! If you have the guts, don't fucking run away!

Pheew... What a relief, I've had enough of these guys who love to eat girls. How are you doing here? Did you find anyone?

**If you want to punish him in the future, it seems you have to restrain yourself... Damn... Lao Zhou is really letting himself go more and more now.**

Hey, let me ask you how are you doing here? Has anyone been found? Speak! What are you doing?

It's strange... there's so much commotion here... why is there no reaction at all in the classroom?

Wait, wait a minute... Look over there...

A young woman with long dark hair and bangs, wearing a grey school blazer over a white collared shirt and a pink and white striped tie. She is smiling and holding a chocolate penis in her hands. The background is a blurred classroom setting with wooden desks and overhead lights.

I can't leave the classroom for the time being...Teacher, can you stay with me for a while? Hey, it's so lively outside, but it's a pity that my head is still dizzy

I was able to take advantage of it easily, how lucky you are! Hehe, this Li Xinjie is easier to deal with than I thought.

? W-what's  
going on...teacher?  
Why are you pointing  
a toy gun at me?

**You don't even know what a leather gun is...is it really some kind of magic item? You don't really think that the ring you used to fix your life is exactly what the intelligence said...**

**What a piece of shit luck! Just with your level, you can successfully change your skin one after another.**

Teacher...did you misunderstand something...hehehe...what are you talking about, teacher? This ring was given to me by my grandma!

How could...and...fuck...Ji Xinjie know about the ring? What is the origin of that "leather gun"?

A woman with brown hair in a bun, wearing glasses, a pink lace bra, and black stockings, is holding a black handgun. She is standing in front of a chalkboard. A speech bubble is positioned above her head.

Huh, save it, I'm not what you think your acting skills are of no use to me! That silly teacher Baitian, please understand the situation. Ever since I was sent to this school as an undercover agent by the organization, please come back with me! Your happy days have come to an end,

No one wants to peek at you changing clothes! Don't worry, there's not even a ghost in this place. I've seen it all before.

Come on, let me help you adjust it~ Are you feeling rusty because you haven't worn leather for a long time? Ouch...you are not dressed properly in many places.

I will listen to you in everything, you can let me go with you... But tell me if you are good enough, oh my god... ok, ok... I surrender! What happens next? ! Isn't it okay if I surrender?

Anyone who dares to steal the organization's secrets will stay there forever! Huh...you don't want to know,

buckle

Didi was woken up by you, don't push me... Oh, don't push me!

nonsense! I, I don't have it! You were obviously the one who pushed it first!

buckle

.....  
Didi was woken up by you, don't push... Oh, don't push me!

nonsense! I, I don't have it! You were obviously the one who pushed it first!

Yeahhhhhhhh!

闯入  
break in

Lao Zhou,  
you idiot!  
You exposed  
us!

Wow ah ah... you're awake, right?

Then... let's go!  
Didi! It's up to you!

Wow  
ah ah  
ah ah

Again, it's  
this ghostly  
voice again! ?  
Oh, shit!

Hiss...my  
head...what's  
going  
on! ?

The holster... fell off...  
How is this possible?!

I have to...complete the task...I'll just put myself back into shape...Oh no...I accidentally dropped the gun on the ground just now! My leather gun... As long as I can get my leather gun back

Hehehe...are you looking for this?

Another leather gun  
I've never seen before...  
Could this thing be  
mass-produced? Where  
did they get it?

Two bad guys were  
caught at once! Hum  
hum, indeed it was right  
for us to follow you.

You can't really come here to grab the gun, right? And I'm not a bad guy! I'm an undercover agent sent by the organization! Who are you...? How do you know about the leather gun?

Wait... that baby... aren't you the brat student who managed to make a whole child out of you? ! Those two were fooling around with pistols,

I didn't expect that I actually met him. I thought it was just a rumor.

Hey!

tension

Yeahhhhh —!

Who is the brat? Try saying it again?  
Hello! Keep your mouth clean!

Who is wearing a woman's skin like a pervert now?  
Huh, don't look at yourself in the mirror either

Wrong...  
According to what  
he said just now... this  
guy should be from the  
organization, right? Are  
we that famous? I didn't  
expect that someone  
would recognize us.

Ah, yes...I almost forgot about this if you didn't tell me..I  
thought he had stolen that leather gun from somewhere...

The way you looked  
just now, you don't look  
like a good person... OK, I  
misunderstood you just now,  
I'm sorry! But you can't  
blame me entirely.

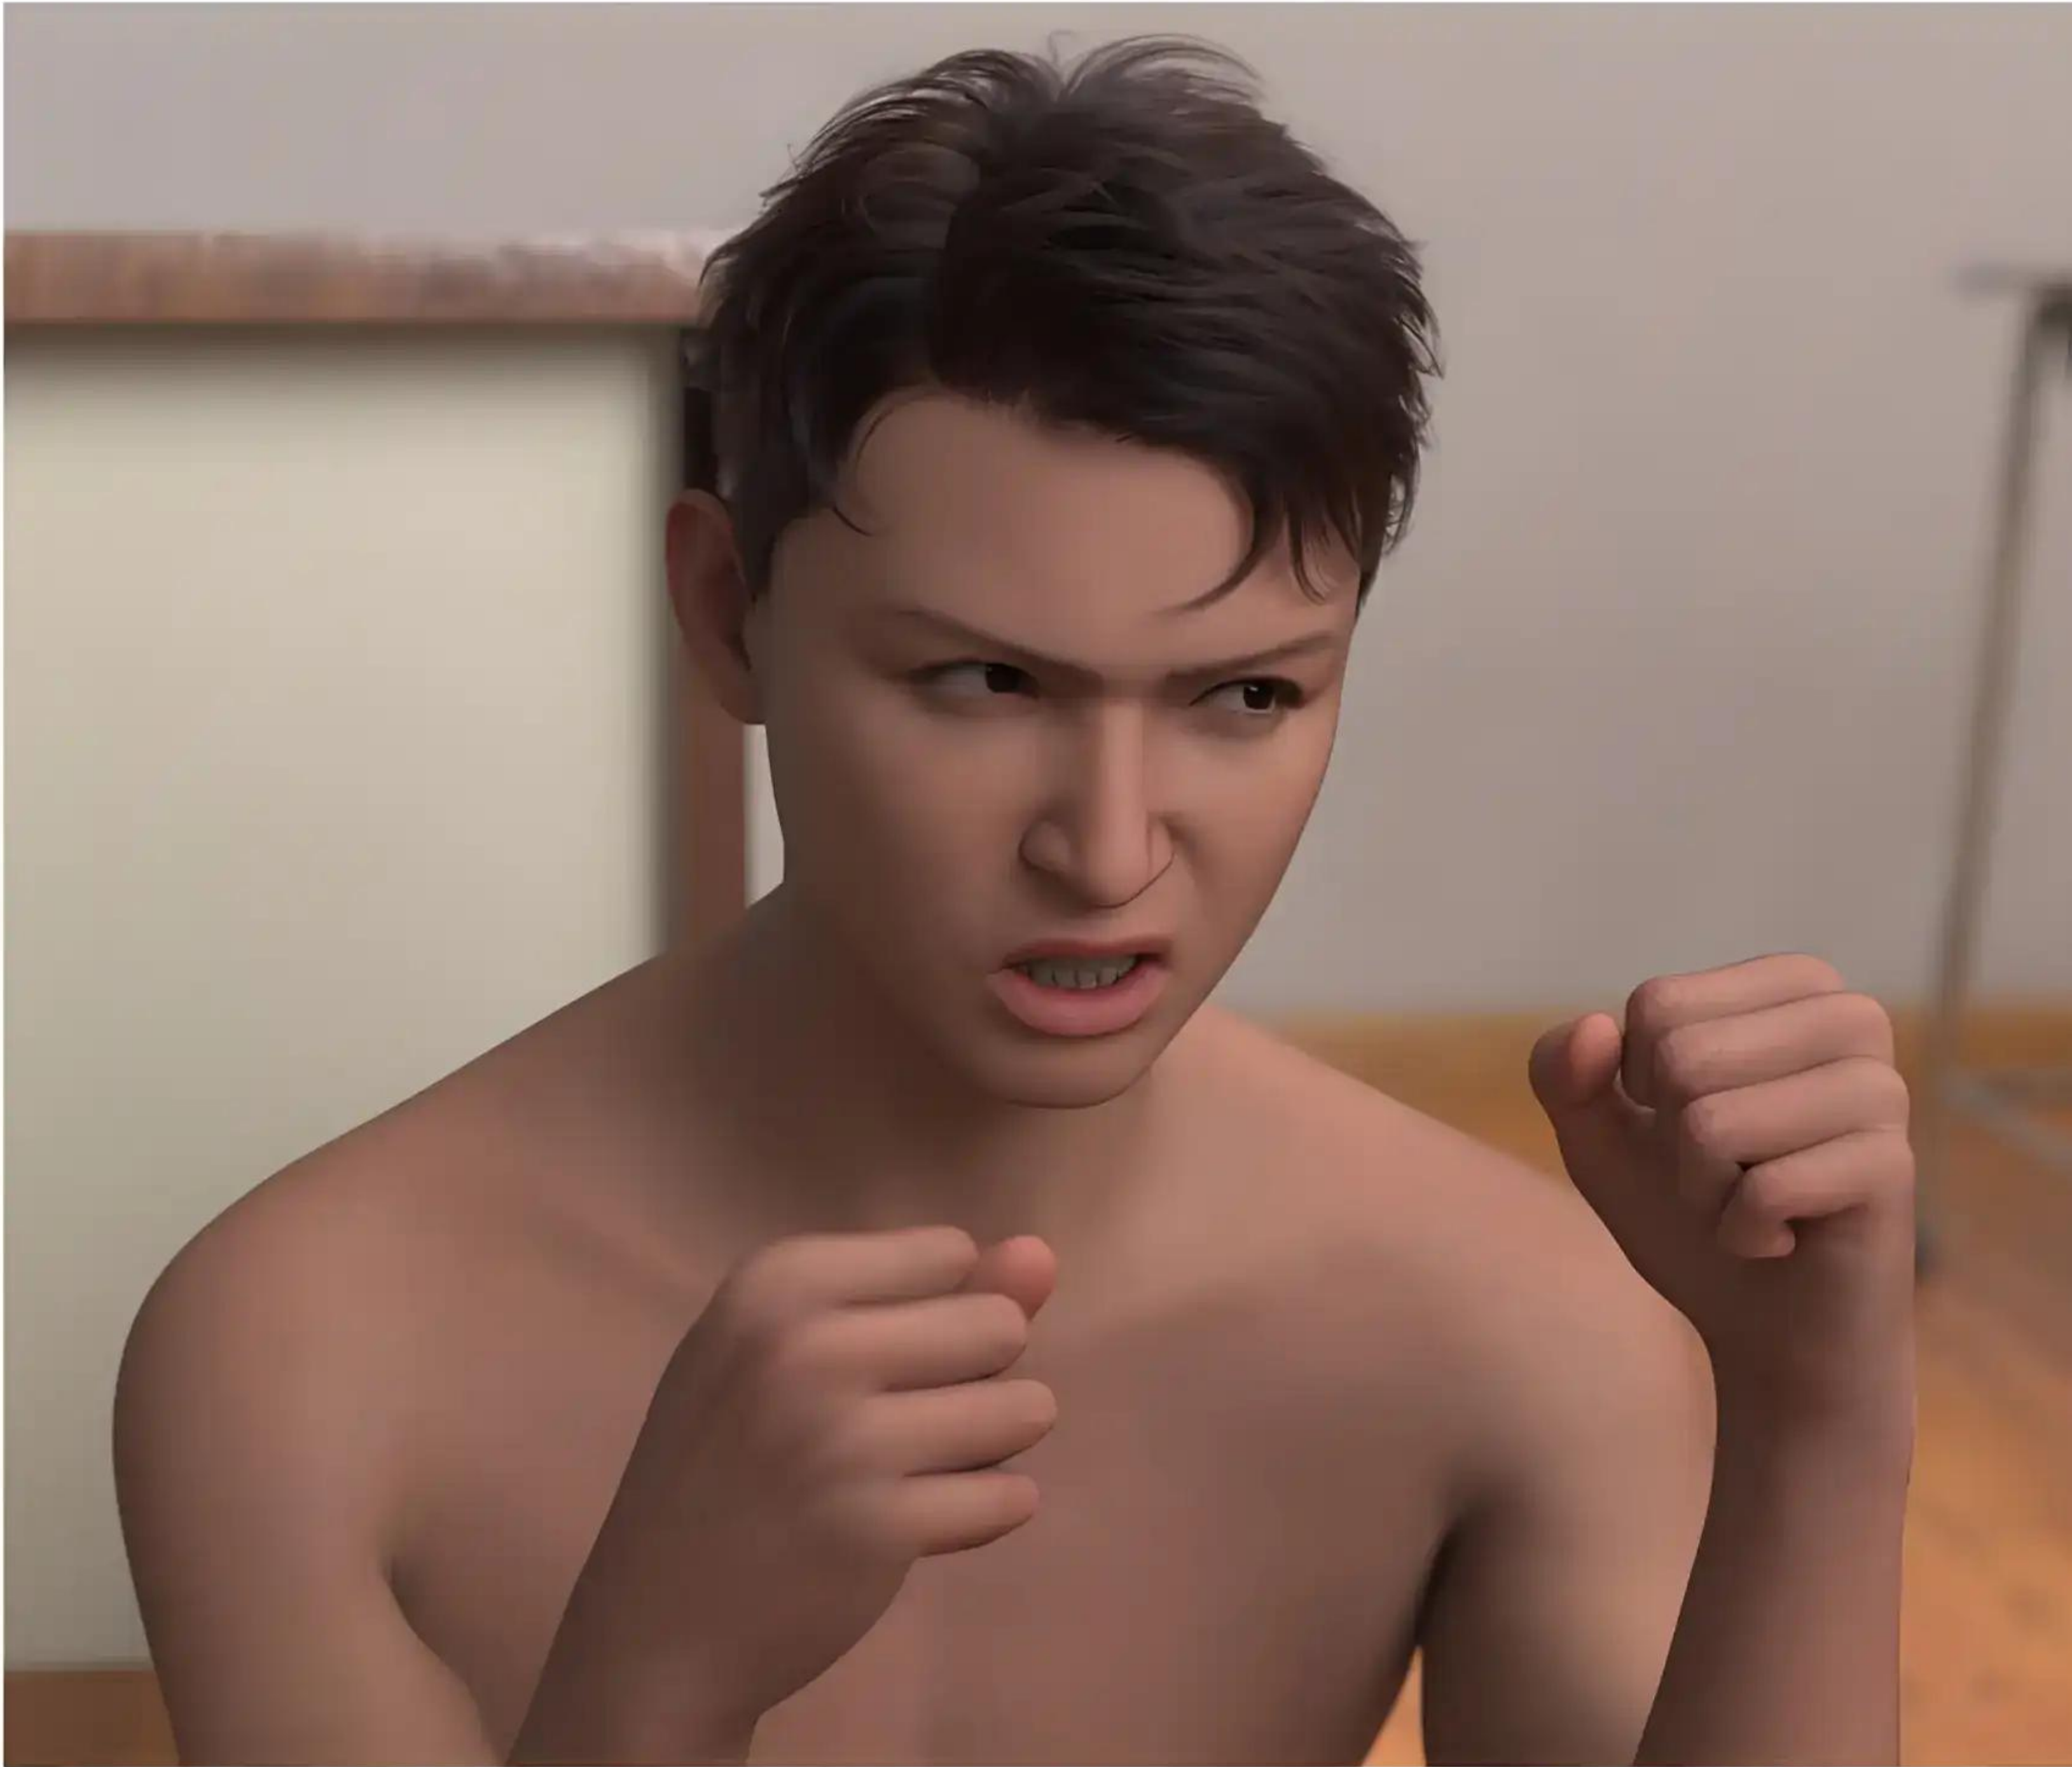

Where did that ring bastard go?  
Ahem...it doesn't  
matter...compared to this,

Are you talking  
about the old man  
you were entangled  
with just now? ah?  
Ring bastard? As soon  
as I came to my  
senses, his skin  
was gone. ..

That guy is a very thief, I have been chasing him for more than half a year...sigh...now I have to start all over again! Oh shit! Sure enough, he still let him run away!

A woman with long, wavy brown hair is looking down at a gold ring she is holding in her left hand. She is wearing a pink lace bra and a thin gold chain necklace. Her right hand is raised to her chin, resting against her cheek. The background shows a classroom or library setting with bookshelves and a desk.

How could he  
make such a big  
fuss? Is this the ring?  
Looks ordinary,

It's really concerning...how  
much truth does that guy Lao

involved behind this? There are so  
many weird things in circulation. In
