

Chapter 46: Lucky Day

Art, Story and Editing by Giginho
Proofreading by Willibrordus
<https://giginho3dcomics.blogspot.com/>

So, going to the house of your buddy to fuck doesn't seem absurd to you? Or this is normal in your world?

In my world? This is the first time in my life that I KNOW that I'm going to get laid. Other times were always surprises...

Right, surprises. First at Tommy's house, then here... this girl is stalking you, basically.

No, wait. At Tommy's she wasn't her, she was the one that gives the best head. Don't you remember? We told you about her!

Not the girl with the killer tits, the girl that gives the best head. I fucking hate you.

Tommy should have a video of that day... a killer ass... you should see her!

Why girls like them are so eager to fuck guys like me, you and Tommy? Did you figure that out?

Not going to ask them. As long as they keep doing it.

Amen. But if I weren't here with you Friday night, I wouldn't have believed a single word of this.

Well, I'm content being here waiting for her, and still not having a clue.

What exactly did she tell you when she called?

She asked for a date when we would be available for another evening together... and today my house was free.

And for "we" you mean you and me?

Sure, she asked me about you.

I am here! Are you both in already?

Since yesterday!
We're waiting for you!

She has keys? How did she get in the house?

Your friend gave me his keys, in case I would fancy another visit...

Tell me again your parents won't barge in here anytime soon...

It's nice that your parents love to travel so much, buddy.

They are on another continent. I think we're safe.

We would have settled for your house, in that case...

I've got two roommates...

We would have found something for them to do... Now take off all your clothes, neatly.

It will only take a moment.

Tah daah!

Hay, I haven't even touched you yet. Too much.

We're counting on the "yet" part.

Me too. Now just close your eyes and open them only when I tell you to.

Danny... you look so happy to be here...

Happy as hell... aaah... couldn't wait... mmh...

I could have made you wait a month... but you were available today, so...

A hand is shown reaching towards a black bra that is draped over the back of a black chair. The chair is positioned in a room with light-colored walls and a wooden floor. To the left of the chair, there is a grey mechanical structure, possibly a desk or a piece of equipment, with a vertical pole and some horizontal components. The scene is lit with soft, indoor lighting.

*I thought to come here
and have fun with you, and
have you tell me how it went with
your friend, while the memory
is still young...*

*We had a great time
together...*

*Did she use her tits
on you? Were you brave
enough to ask her?*

*Didn't need to ask... she
did it, regardless!*

A woman's legs are shown from the knees down, walking on a light-colored wooden floor. She is wearing red nail polish. The background is a dark blue or black wall. To the left, there is a white vertical pipe and a black bag on the floor. Four speech bubbles are overlaid on the scene, containing text.

*Without the night spent
with you I would have cum in no
time... I was able to enjoy that,
instead...*

*She also congratulated
me... told that nobody ever
lasted that long, between
them.*

*I'm happy the training I
gave you did help. I only hope
she didn't wear you out too
much...*

*Today you'll have to
work twice as hard as
the last time.*

I'm supercharged,
I'll do my best.

After the way you came
last time, my expectations
are high... not going to go
easy on you, today.

Who should I start with?

You can do him first... but please, let me watch!

Last time we met you felt strange looking at your pal's cock... Already got over that?

Sure... a woman like
you must be looked at...
keeping my eyes closed would
be a crime...

Just be patient
my boy... it will be
worth it.

All right...

lick

Mmh... thank
you...

aaah... that
should be my
line...

MMGNH!

GGHN!

Holy shit... YOU'RE INCREDIBLE!

chupa!
chupa!

What is she doing to him? Without using hands or mouth?

SUCK!

SUCK!

I can't believe you met a girl better than her in this... my god...

I swear... haaa... but today she seems so fired... She's putting so much passion into it...

Wait!

#ME

But she's sucking me!

Ehm...

Uh uh... Now
Lucia gets mad...

Did I tell you to
open your eyes?

Who are you? Aaah...
no introductions?

It's her Danny...
She's the one I...
aaah...

I'm introducing
myself right now!

suck!

suck!

suck!

I figured that out on my own... just want to know her name...

Hllh! Mh nmh sh Mhr!

Talked her into this? When I told her about Friday, she begged me!

My God... You talked her into this... you really did it!

Great Scott...
come on the bed
with me...

If it were up to her, she
would have come here
Saturday night...

HAA

HAA

mmnghhh!

Let's see if she'll be able to go easy on him like she promised...

Fuck... fuck... what are you doing?

THE PERFECT
BLOWJOB... aaah... my
God... you were right...

You'll see how much
you'll like it, as soon as I
get more serious...

MMMMH...

It looks like I will
have to work twice as
hard too, today... Or I'll
lose face...

We told ya...
aaah...

You're too kind to me... Lucy, shall we take a break?

Slap!

No... no breaks... why?

Didn't you want me to introduce myself? I'm Maria, and I hope I'm not one too many... Lucia told me you would appreciate...

I was using an Alias... but don't worry, tell him my name.

Appreciate?
Fuck... I love you... I'm Danny!

Come on, Lu... I think it took Danny thirty seconds to find you on Instagram...

You're on Instagram too... and still you kept you other name for weeks...

We didn't know how to search her... with you is a lot easier.

You would have told him anyway, right?

Maybe... You've nothing to do with it??

Why should I risk making you angry?

Actually, it took two minutes to find you... you're following Wally! I hope it wasn't rude...

You just stripped away the surprise... Let's take off our clothes now. We have a program to follow.

A program?
Where can I find the schedule?

You'll see it step by step... Let's start from the beginning: I'm Lucia, and she's Maria.

And today we're going to have a lot of fun.

Could you suck me together?

He asked me! I wanted to tease him first... You were right about the boy, Lu: really assertive. I like him.

Should I not have asked? With the both of you here, it seemed obvious.

On the contrary... It's good, for once, for a man to ask what he wants right away... Wally only started doing it on the third fuck with us...

I don't know if I'll have
the third one, I've got no
time to lose.

Right... Ask, and
maybe you will get it. Just
tell your friends...

Just a taste though...
Your friend is hosting, don't
want to neglect him for too
long.

Let's see what they will ask, today... Don't know about you, but I'm feeling generous...

Let's take it easy though... don't want him to cum in the warm-up...

So, you're taking it easy, right now?

Very easy...
You'll see...

TICK

WMMH...

HAA
Gosh... Can't
wait for you to give it
all...
HAA

When we'll be serious, you'll know... don't worry.

lick!

mmm!

What should I worry about? Aah...

Mmh... ok... I'm
going to play with
Danny now...

Come up here then, let
me take a better look at
that ass...

Since you're here, could you lick me? You'd be the first bearded man going down on me, I'm curious...

Was going to ask you... You smell so good...

Luckily, you're not one of those "Don't get mad at me babe, but this grosses me out" men.

People are crazy... Eating pussy is so good...

I don't suck dicks for the taste, but for the effect on the guys. Some guys just lack the basis...

Such guys exist?
Really?

My first two partners were
allergic... But I got luckier with
men in the last few years...

Overall I'm on eight
"yay" and two "nay"...
can't complain.

suck!
suck!
suck!

Idiots... giving up to sixty-nines... it makes no sense.

You seem to love it, instead... especially if Maria is involved.

And I don't need to restrain either... His tongue is not missing a beat...

suck
chupa

mmphh

slap! slap!

slap! slap!

Must be why to have a good sixty-nine with you we'd need a foot-long dick... and most of us don't have one.

Your cocks are perfect the way they are... Fuck me.

mmpfh

mmpfh

I'd stay in this position all day long... She's fucking awesome.

FUCK! YES!

Three times! In a month! With LUCIA!
FUCK! FUCK!

SBAM!

SBAM!

SBAM!

ooh... ooh... you
too... gosh...

Wally... God, I'm so sorry... totally forgot about you, and we're fucking on your bed.

Don't worry, he wasn't bored...

I'm happy... but if you want to make it up to me, I'm ready.

lick!

HAA

HAA

Girls, I'm going to
explode... fuck...

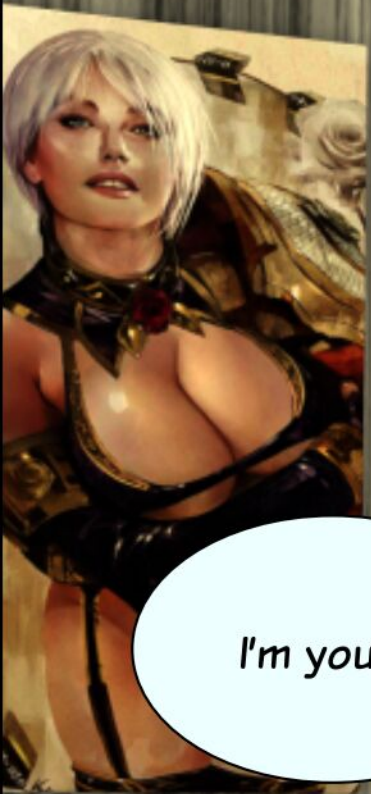

HAA

Lu, what do you
think? Shall we make
plans?

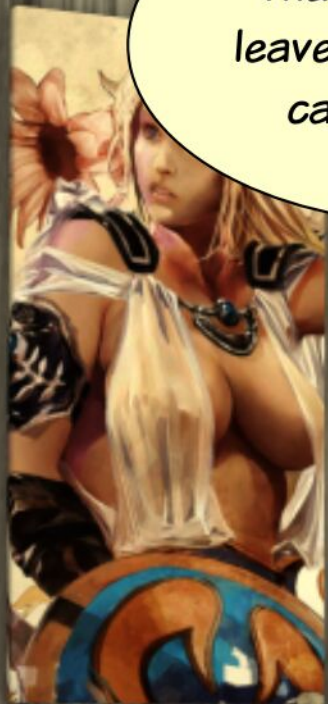

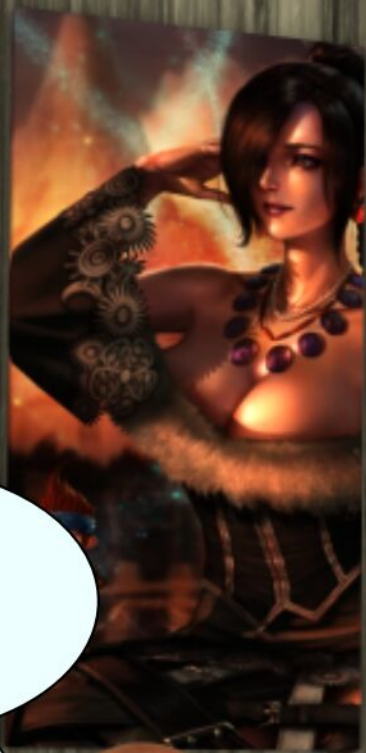

What do you mean?
Should we focus on Wally
together, or just swap
partners?

Actually, I **NEED** a cock
inside me right now, and I think
Danny needs some time to
breathe... Wally?

I'm yours.

Thanks... Lucia, I'll leave Danny to your care. Have fun.

That was the plan all along.

Fuck, I forgot to ask you.

You'd like to have sex with me, right?

"Eeww, so gross! I don't want to have sex with you, Lucia! Let's play chess!"

Lucia... that would be beyond my dreams...

If you want, I can limit myself to boobs... I brought them, after all.

Lucia, don't mess with me. I WANT to fuck you. That's the thing I want more in the world.

Wally, you have condoms for me, right? RIGHT?

You won't need them... We both take the pill.

You just need to try to cum as late as possible, and hopefully not on each other... apart from that, have fun!

I am afraid the problem will be the "as late as possible" part...

Your ass is godly, fuck. I'll do what I can.

Are you ready, or
do you need more
time?

After your number on
my dick, I'd need half an
hour...

But I've never ever
been so ready for
anything.

Wally... mmh... can't believe how good you got since the first time I fucked you...

That was my first time... I'm learning some tricks!

What? So, the other day at Miriam's was only your **SECOND** time? Seriously?

You were great, Wally... and you are going to get a LOT of it, I swear.

I'm sorry, I wish I had so much more experience...

Danny... you're so hard... you had a lot of experiences, I think...

Normal experiences... I'm still a virgin to THIS.

Let's see how you do in the first Leagues, so...

Wally... keep your fingers at bay...

Your ass is as hypnotic as Lucia's boobs.

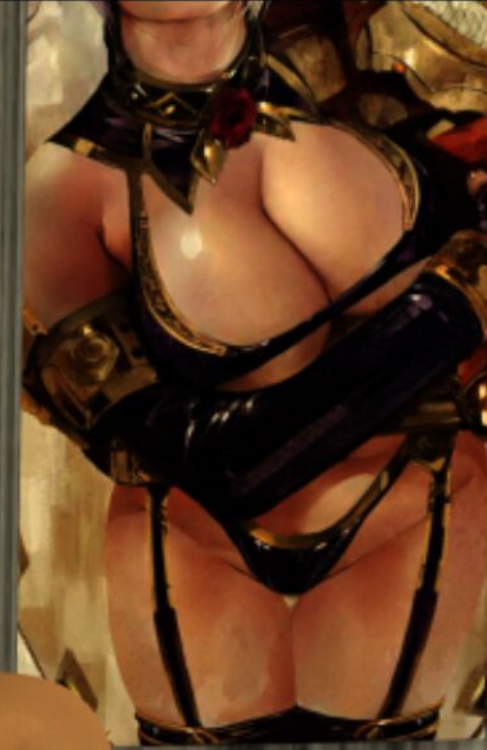

Touch me.

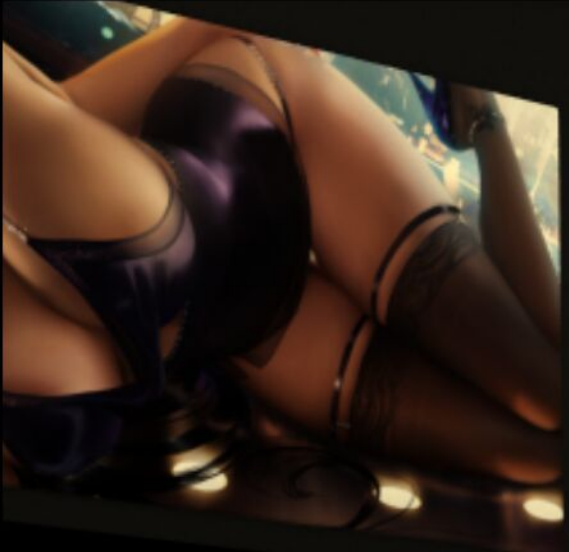

You're so hot...

I'm not going crazy, right? I'm laying next to Wally, and two amazing women are riding us. Is this really happening?

You'll get access to my
ass as soon as I cum... not a
second earlier...

Turn around,
then. Let me look
at your face.

Hard cock...
strong hands... I
like it...

Now I'll start
moving... Can you
make it?

I can make it.

Wally... did you really survive thirty minutes of this?

No... he survived to much more than this... and I was the one who got tired...

More than this?

If you're so good I can kick it up a notch too?

You can try.

I rode him for half an hour... with no mercy... with no stops... want to try?

SBAM!
SBAM! SBAM!

Want.

Wally... you're still with me?

Maria... my god...

If you must cum just tell me, but don't stop me.

Ok.

WHYDY!

WHYDY!

WHYDY!

WHYDY!

WHYDY!

Girl, you just stay ready...

I'm always ready... mmh... but warn me... aaah... not looking at you, right now...

WHY?

WHY?

3, 2, 1... Let's jam.

Go...

WHY?!
WHY?!
WHY?!

What did you do to him
Lu? He's not coming!

Nothing... just
gave it to him...
haaa...

Maybe it'll work
with me too...

WHY?

WHY?

WHY?

WHY?

WHY?

You're doing great
too, big guy...

Really?
Aaah...

WHY?
WHY?

You still didn't
come... mmh... you're
above average...

A lot above average...
aah...

WHY?

WHY?

How is that so low?
Mmh...

First time with me
boys don't last a lot...
then they usually get
better in time...

I would get better
too... haa...

WHY?
WHY?

We'll see...

Go faster now...
move...

HAA

My god... slow
down, please...

HAA

Do you want
to cum?

Just want to
breathe...

SBAM!

LUCIA!
LUCIA! FUCK!
YES!

SBAM!

SBAM!

A 3D rendered female torso, shown from the neck down to the waist. The skin is a smooth, light brown color. Two speech bubbles are overlaid on the image. The background is a simple, brightly lit room with a white wall, a window with a dark curtain on the right, and a wall-mounted vent with a car wheel icon on the left.

*Grab them... grab my
boobs, Danny...*

*Weren't you
scolding your friend
on Friday?*

Wally... aaah... you
just earned my ass...
hug me...

Yeah... great...
Danny... keep doing
this...

Not going to take
my hands off them
anytime soon...

I think Lu must have had a lot of fun with you last night... She usually takes more time to give it to a new guy...

I'm pretty sure we had more fun than she had...

hqa...

hqa...

WHY!
WHY!

WHY!

WHY!

WHY!

Lucia!
Lucia!

And you didn't regret not keeping your gift all to yourself?

Not at all... everything is awesome...

If you're part of a team?
So you won't get mad when I'll jump off your dick, in a moment?

What?

It was supposed to be a secret, but...

Lucia wants me to suck him as he cums between her tits.

Yeah...
Yeah...

Wow... may I have that too?

Sure... but now pardon me.

Lucia! Can't do... can't do this anymore...

Danny... did you
want to cum inside her?
Looks like you'll have to
settle for this...

mnh...

This is perfect...
perfect... look at her...

Do you really think I got off your friend's dick just to look?

SLAP

mmmh

Oooh... do you want to help her?

You were so good; you deserve a prize!

Lucia's boobs and Maria's mouth together? This is the super prize...

Please, let me cum like this...

This is your prize, Danny.

And what are you doing stroking your cock? Fuck her!

Are you sure that...

Trust me.

Don't forget she's
sucking a dick,
though...

Last time I fucked
her while she was
sucking a dick nothing
bad happened...

Did you cum
this way too?

You're the first among
your friends, actually... I'm
sure Carl would love this,
actually...

slurp!

Carl? Did you...
meet him too?

Yeah... but he didn't
impress me too much,
actually... I prefer you and
Wally...

Could I be the
second among our
friends, please?

My god... this
is crazy... Maria...
Lucia...

You'll have everything you want, Wally... the day is ours...

HA! HA!
HAAAAAAA!
GOD!!!

Leave her to him,
now... come here.

You know her... She'll
keep sucking him until he gets
hard again... It could take a
while.

Suck
Suck

gulp!

HAAA

HAAA

First he should
stop cumming...

glom!

glom!

gulp!

What? Keep
sucking? Aah... aah...

AAAH!!!

Until they are done,
we should have some
fun of our own.

Lucia... still can't
believe it... you're naked,
on my carpet...

**Maria!
Maria!**

mnh

suck

You stare at me,
and ask me to fuck you...
I must be dreaming...

It won't take long...
mmh... he's still stone
hard.

mmh...

mmh...

Maria... your tongue...
your mouth... you're
awesome...

A last
swallow...

MMNGHH!

HAAAAA!

Lucia... Lucia... how many lives did you and your friends change?

WHYD!
WHYD!

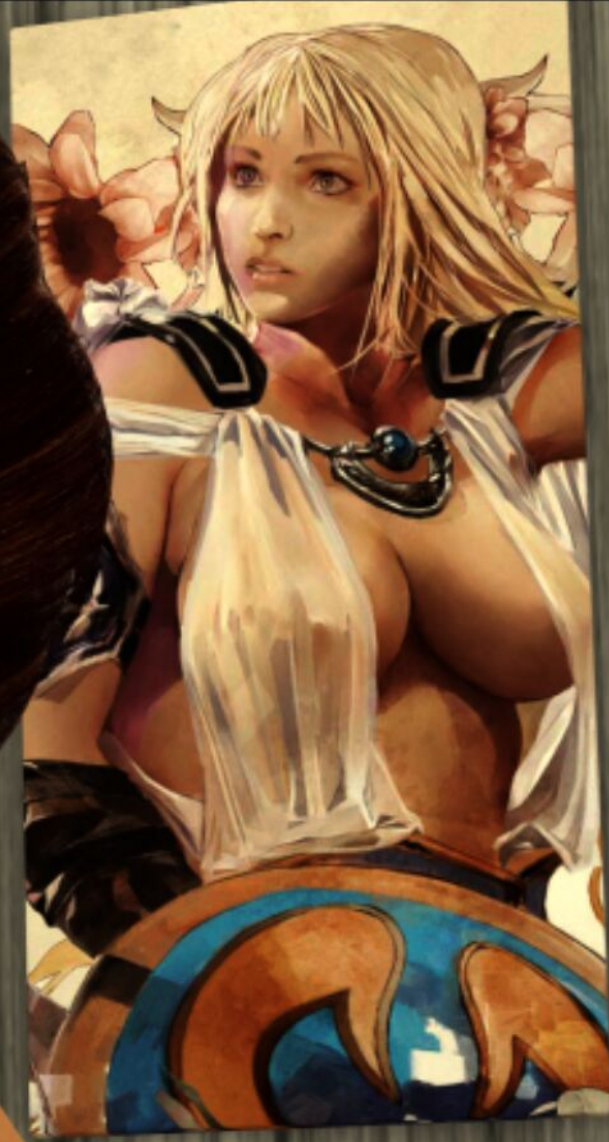

ah...

Stop talking...
fuck me...

WHYD!
WHYD!

ah...

Here you are!
Ready for round
two.

SLURP!

Holy moly...
I think I'm in
love.

Holy moly... I think I'm in love.

Now I understand why Tommy has been euphoric for months... you're amazing.

And I'm just getting started.

You just came... do you feel like giving me a ride?

Hop on.

Do you like having me on top, even if I don't have Lucia's boobs?

God, don't stop...

You still have the second most beautiful boobs I've ever seen... Lucky bastard Tommy...

WHDD WHDD WHDD

WHDD

SPAW!

SPAW!

Would you like to
fuck me while I suck
your friend off?

Everything you
want.

Wally, come here and stick it in my mouth.

No, Maria! Not now! A moment... wait just a moment...

WALLYM!

FLOP!

FLOP!

FLOP!

Now is time?

Now look at me...
look at me while I suck his
cock...

Do you really like
sucking dicks so
much?

HAA...
HAA...

You can tell she's loving it...

Have you ever seen her eyes, while she keeps your cock in her mouth?

If you ask, it means you don't know me enough yet...

That's why she's so good at it? Because of the passion put in to it?

I love comic books,
but I draw like a fifth
grader... It takes talent to
be Bachalo.

mmh
mmh

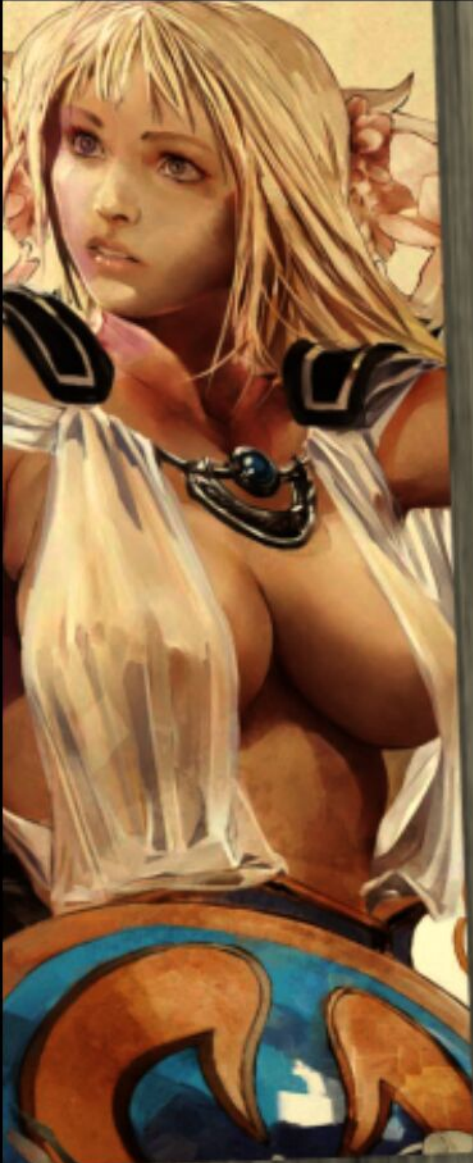

And Maria's got
a lot of talent...

And you've got talent too, my boy... I'm surprised at how much I love fucking with you, you know?

Can I ask you to do a gift to me?

Suck

mhmh

Everything you want,
Lucia... No need to ask.

One day or another I'll come pick
you up at school, and I'll take you to my
house. I'll introduce you to my boyfriend,
and then we'll have a good fuck.

I want the both of
you together. Are you
up for that?

Come on, don't
distract him like that!

Why would that
be a gift from me to
you?

Because I'm the
one asking you. Up
for that?

If... If he's ok, no
doubt.

Do you really have to
make plans right now? It's my
turn now, let them focus on
me.

Sorry, honey... I got carried away.

You're forgiven... Let's get straight to the next level, then.

Wally, you already know what I want.

Same thing I
want too...

Double
penetration? My
god...

Could you? Doesn't
this gross you out?
Wanna try?

Maria... I'm gonna
try everything with
you, today.

You could feel your pal moving inside me... don't move abruptly...

Let him do the most of fucking, while you're the bottom guy... Otherwise you risk touching each other...

That wouldn't be that bad anyway, right?

You can't imagine how many times my boyfriend and his pal slipped out, fucking me...

They got better in time, fuck after fuck...

HAA
Haa... don't worry... Wally is already good enough... **HAA**

WHYD!

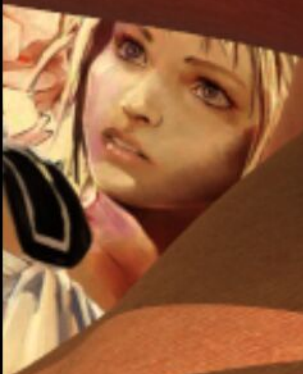

WHYD!

WHYD!

And I like this so much... Luckily you don't have any issue with DP, my friend...

This is why you insisted so much about calling him... did you hope to do this to me too...

Friday, I wasn't...
today I really hope we
will... Do you want to?

I think you're lucky,
my boy... I'm dying for
it.

WHY!
WHY!
WHY!

Do you like this, stud?

I'm loving it... can I fuck your ass too later? Never did that, in my life...

First times are my soft spot... aaah... can never say no to this...

Last night I
proposed that to
you... and you
passed!

Dibs on the
first... wait your
turn...

I chose your tits...
aah... Don't regret
it...

WHY?

WHY?

Fucking your ass is so good, Maria... I love it...

qah... qah...

Don't cum right now, please... resist... do it for me...

WHYY

WHYY

Fuck, this is so hot... but if the girl in the middle were my girlfriend, I don't think I could do this.

Almost there... almost there...

But with someone else's girlfriend this is top... Does Lucia really want to do this too? Fuck...

Yeah...
yeah...

Haaa... haaa... you
boys are so good... Run
to the bathroom. Now.

Wouldn't this be the
perfect moment to do that?
Do we need to wait for him
to come back?

You can't wait,
right? Ok...

Get behind
me...

Not side by side? I
thought that...

Trust me, I did it a
couple of times
already...

You were quick...
just in time for the
show.

I've got the show
here between my hands...
Holy cow, your ass is out of
the world.

Is she an
exclusive, now?

Come on, don't be
jealous... Sit on your
favorite chair, come
here.

What
should I do?

What do you
think? Push. You know
the tune.

That's it...
bravo... shove it all
the way in, now...

Haaa... fuck...
fuuck... this is so
good...

Let's see if I
manage to hold his focus
on me, or if the voyeur's
call is too strong...

Fuck, you're so tight...

sh/shh

You're so strong, beefy... you can do better...

Let me help.

WHDD!

WHDD!

WHDD!

**Ooooh!
My God! My
GOD!**

**Yeah!
Bravo! Bravo!**

Mmh... Lucia...
wow...

mmngh!

This is not
enough.

WHDD!
WHDD!

Mmh... why did
you stop?

**I LOVE
YOUR ASS!
MARIA!**

**FUCK ME,
DANNY! FUCK MY
ASS!**

HAAA!

HAAA!

HAAA!

I'm better with
my tits than with my
mouth...

And I want a better
view on you.

O... ok... but
that was
awesome...

Let's see if I can
make you look at me.

WHDD!

WHDD!

WHDD!

Fuck! Fuck! Now
you're gonna cum!
You're gonna cum!

Here we are... look at me, boy... look at me.

Do you want me to cum inside you?

Fuck, YEAH! Cum in my ass!

FLOP!

FLOP!

FLOP!

FILL ME UP,
DANNY! FILL ME
UP!

Maria... my
God... Maria...

SBAM!

SBAM!

SBAM!

SBAM!

Lucia!

Aaah...
yeah... yeah...

I won!

SUCK
SUCK

WHY?
WHY?

WHY?

WHY?

AAAAAH!

Maria...
maria...

You're still at
first shot, right?
Good boy.

Aaah... aaah...
aaaah...

gulp!

gulp!

gulp!

suck!

suck
suck

Wally, come here
on the bed... haa...

And you, go wash
and come back as soon
as possible.

What a day,
girls... What a
wonderful day...

Shall we do that when
Danny comes back, Lucia?
You still want to?

You must be rock hard
to fuck her ass... Let us
suck you, first...

mmh...

lick

No... mmh... why don't you take him in the butt, this time? You promised him...

You don't think you're being too selfless, right now? It's strange...

Selfless? I WANT to be under you... And he must try... aah...

As you want... But don't forget to think about your pleasure too...

You're already thinking about that for me... aah... my God...

I don't know if your friend will have enough energy for a third round... he already came twice, and he's taking his time in the bathroom...

I think he will... But there's enough of us to continue the party anyway.

I won't be able to keep up forever too... aah... I'm not Tommy...

Still at it? Fuck,
won't you never stop?

Not until you
need to.

I think he's ready...
gonna check.

Don't check too
hard.

How can I help you, inspector?

Come closer.

Can I ride you, in the meantime?

Sure...

mmh... we already know this works, I think...

You feel hard enough to do anything... but let's make sure.

mmh...

mmh...

Maria... you get better
and better... how the fuck is
this possible?

mmghhh!

Don't move, now...
mmh...

Maria... can you send him over?

Per express.

Does she want
me in her ass?

If you want
to...

I'M ON MY WAY!

Today anal, double penetrations, double blowjobs... Holy shit, this is THE BEST DAY EVER!

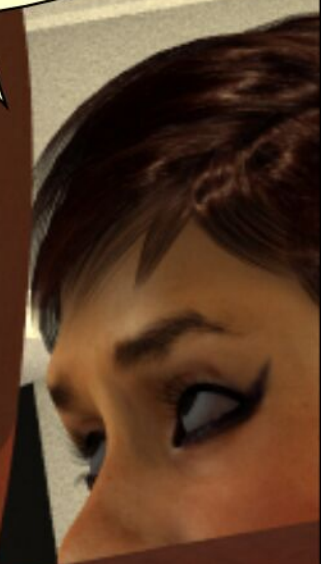

You've got a taste for anal, huh? Do you want to cum inside her too, now?

HAA!

She's yours, buddy... I'm here just for the view.

HAAA

Don't bang her like you did with me... You could hurt her, while she has another man inside...

God, Lucia...
this is different...
and so good...

Yeah, Danny...
like this... you're
great...

But it looks like
everybody is natural,
now.

Look at this... on
my bed... what is
happening...

haa! haa! haa!

WHYD! WHYD! WHYD!

You just love watching, don't you? Do you like to look at her while she touches and fucks her!

Look at her... Look at the way he plays with her boobs... Sure I love it... don't you?

I still believe that all your friends would be rather touch than look.

I like to touch too... but sometimes I just want to relax and enjoy the show.

Let me think about the show... mmh...

This must be it... When you're able to "relax" and you really like the show, you do great...

I wonder how he'll manage with her and Nico...

Do you really love them, right? Aah... don't cum inside my ass...

I want to use them to make you cum... better than the last time...

Yes, please... my God...

You know... I was
thinking of making you
cum using my mouth while
Lucia supertitfucks your
pal...

I like it...

Let's take a spare sheet, like the last time...

I swear you'll explode.

But I think I just had
an idea you'll like even
more.

I trust you...

Haa... I'm
close...

Go! Go! Clean up and come
back to me! That's enough!

Let me think
about the grand
finale!

When I first knew
him, thirty seconds in my
mouth were enough to
make him cum...

Now he's been
driving LUCIA crazy for
a whole afternoon. Go
figure it.

FUCK!

Lucia... if you don't come here quick, I'll make him cum on my own.

Aaah... almost there... just... a moment...

I will wait for you...

Today it won't be like the first time... Today you made me cum, and I want to reciprocate... How long do you think you have?

Just a few seconds... I'm about to blast off...

*Few seconds? Wow...
They must be very intense
seconds...*

*Do you want to cum
all over me, like Friday
night?*

*In your mouth... I'd
like to cum in your
mouth...*

And what about you?

In the way you want...

Mouth it is... And smile, my man! I just decided that my boobs aren't ready to say goodbye to your penis yet.

Really?

Yeah... I think you and I will meet again.

FATALITY!

Did you see that? She made him cum just with her words.

I think most of the job was still made by her boobs.

gulp! gulp!

SPLAT!

SPLAT!

gulp!
gulp!

mmp!

LUCIA!
LUCIA!

I swear I tried... I
was drowning on your
cum...

Don't move an inch!
Let me take care of
this.

God... you're making fun of me...

lick

I don't want your pal to get jizzed on.

So, it's my turn,
now?

God... I'll
make way for
you, mate.

My God... this is on par with the super-duper-titfuck-blowjob-cumshot I had before.

You come up with something new each odd minute.

Nothing new... My boyfriend must have had this done hundreds of times - and his, too.

Girls... I think I'm dying... almost there... My God...

Could you make me cum like you did for him? Pretty please?

Don't you want to cum all over around either? We have the sheet on the ground!

Come on, Maria... he was so good today, we should give him what he wants.

Cumming! I'm cumming!

This... hundreds of times? I'm feeling ill...

Well... Today you both had this done to you... It was a good day...

gulp!
gulp!

HAHA!
HAHA!

For your boyfriends
this is everyday life...

For the both of us,
this is just a lucky day.

HAAAAAAA!

END OF CHAPTER...
