Haha... After a whole day of tossing...I'm going to be so bored if I keep being bored any longer!

It's almost time to return your body to others. We don't have to mess around anymore, right? But now that we know that there are professionals who are hunting him, I mean, Lao Shao... Even though I let that pervert escape,

Huh...professionals? You mean that idiot who can't even hold a leather gun? Don't be ridiculous, I don't believe that guy has this ability!

It would be more interesting for us to do this ourselves... In my opinion... Since we have such an interesting opportunity in our hands, we can't let go in vain. We already have a "secret weapon",

..

You... aren't you making some crooked ideas again? I won't accompany you to fool around anymore! I'll say it first, the most important thing now is to take care of my brother

Look, look, how soundly he sleeps in my arms! We are all in the same boat now, and I won't let anything happen to Didi! Ouch, don't always think of me so badly

I really can't feel at ease for a minute! Squirt...stay with this guy

I really want to know how this person's brain circuit works. It was really like that when he took care of Didi. But then again

I don't want
to listen to them
nagging again...
huh? Who?
Please...don't be
the organizer.

could it be
him?!

Damn...Old
Zhou! Please help me
hold the baby first!
hurry up! I have an
emergency here!

?! What
happened
again?

Hey...cough, cough...yes, I am...what do you want from me...dad?

I've never seen him so nervous...oh? This is quite new. I have known Lao Shao for so long.

But I remember that his father has never been home a few times in the past few years... By the way, did he just... call him "Dad"?

That...Old Zhou...

? Finished so quickly?
What happened?

Lao Zhou! You must help me this time!
Something big happened in my family! Please!

hold on tight

Wow...what are you so crazy about? Can you talk calmly? If you have anything to say, tell me! Otherwise...let's take off the holster first

**It will be over soon! Just
come home with me. It
doesn't matter if you take
Didi with you. No, we don't
have time! That's fine now**

Can I still not help?
What's going on? What
he said was
meaningless...Oh, but he
was already so anxious.

But...I always thought of it
as a visit before...I didn't
have the chance to go to
Lao Shao's house.

Shao
family

Dad~ I'm back~
Where are you? Dad?

If I had known earlier, I wouldn't have had to be in such a hurry to replace the skin! Really, it happens every time! Squirt...that damn old man went somewhere to fool around again.

A woman with long, wavy brown hair and a white button-down shirt is holding a baby. The baby is wearing a light blue shirt. The woman is looking slightly to the right with a neutral expression. The background is a wooden door with a grid pattern. There are two speech bubbles: one at the top right and one at the bottom left.

Isn't it bad to speak ill of your father like this? I said you...we have all entered the house

I also want to change into cooler clothes... It's suffocating me. Why are you still asking me to wear Jingru's skin? Also, you have changed your clothes specially.

Hmm... By the way, the layout of Lao Shao's house looks like no one has taken care of it... It's more monotonous than I originally expected... Do they really live here, both father and son?

By the way... Lao Shao doesn't seem to have told much about his mother. I'll find a chance to ask later.

Hey hey hey, let
you wear this leather
suit, look how good it
looks when we stand
together like this? Isn't it
right? Of course I
have my reasons,

Huh...huh?
Wait...w-what
did you say?
?

If you don't show up again, your future daughter-in-law's father~I'm bringing my girlfriend back to find you~and he's going to run away~~

Hello! What are you talking about? What if your dad really misunderstood? I...I don't want to be a girlfriend! Don't mess around with me!

推开
push away

I won't really ask you to do anything out of the ordinary, don't worry ~ Don't take it too seriously, I also called it to my dad... it's just a title

It's me who's acting! I've really had enough of you... Huh, you said it easily. If you want to tell the truth in front of your dad, isn't it just a father-son chat? Why do you have to tell such a lie?

It's rare that he comes back on his own initiative, so I can't give in... You don't understand... This old man has disliked me since he was a child. He thinks I'm a mess, right?

Think about it... how decent it would be for him to see that I have such a beautiful partner!

Your mind is getting more and more outrageous...pretending to be your girlfriend? Shao Yuchen, so... you are going to let me dress like this and hold the child

What are you going to do? Then what if your dad asks about Didi?

Hehe, isn't this simple? Just say that Zhou Di is brought by your relatives to accompany you. How reasonable! I asked you to take care of me temporarily. As for me,

I promise I won't bother you again!
Please, please, just help me this time!

I really don't understand what you are thinking...it's so reasonable...this rhetoric can deceive fools, right?

I won't make trouble with you this time. Sorry, I want to take Didi home to rest first.

...Hey, Xiao Shao, are you at home?

**He has a lot of potential... He is indeed my son.
Haha... He also brought a beautiful woman back?**

Hehe... she's just normal... I brought her here today to show you... Dad, this is my girlfriend,

This is the first time I have ever seen my father become so happy after just saying a few casual compliments. Lao Shao was completely manipulated!

Shao Yuchen...you little...huh? Why is this girl holding a baby?

You bastard... you're so good that you don't learn from others. You start learning from others at a young age... You must have not been taught a lesson by me for a long time... Did you make that girl's belly bigger? Look what trouble you've caused me!

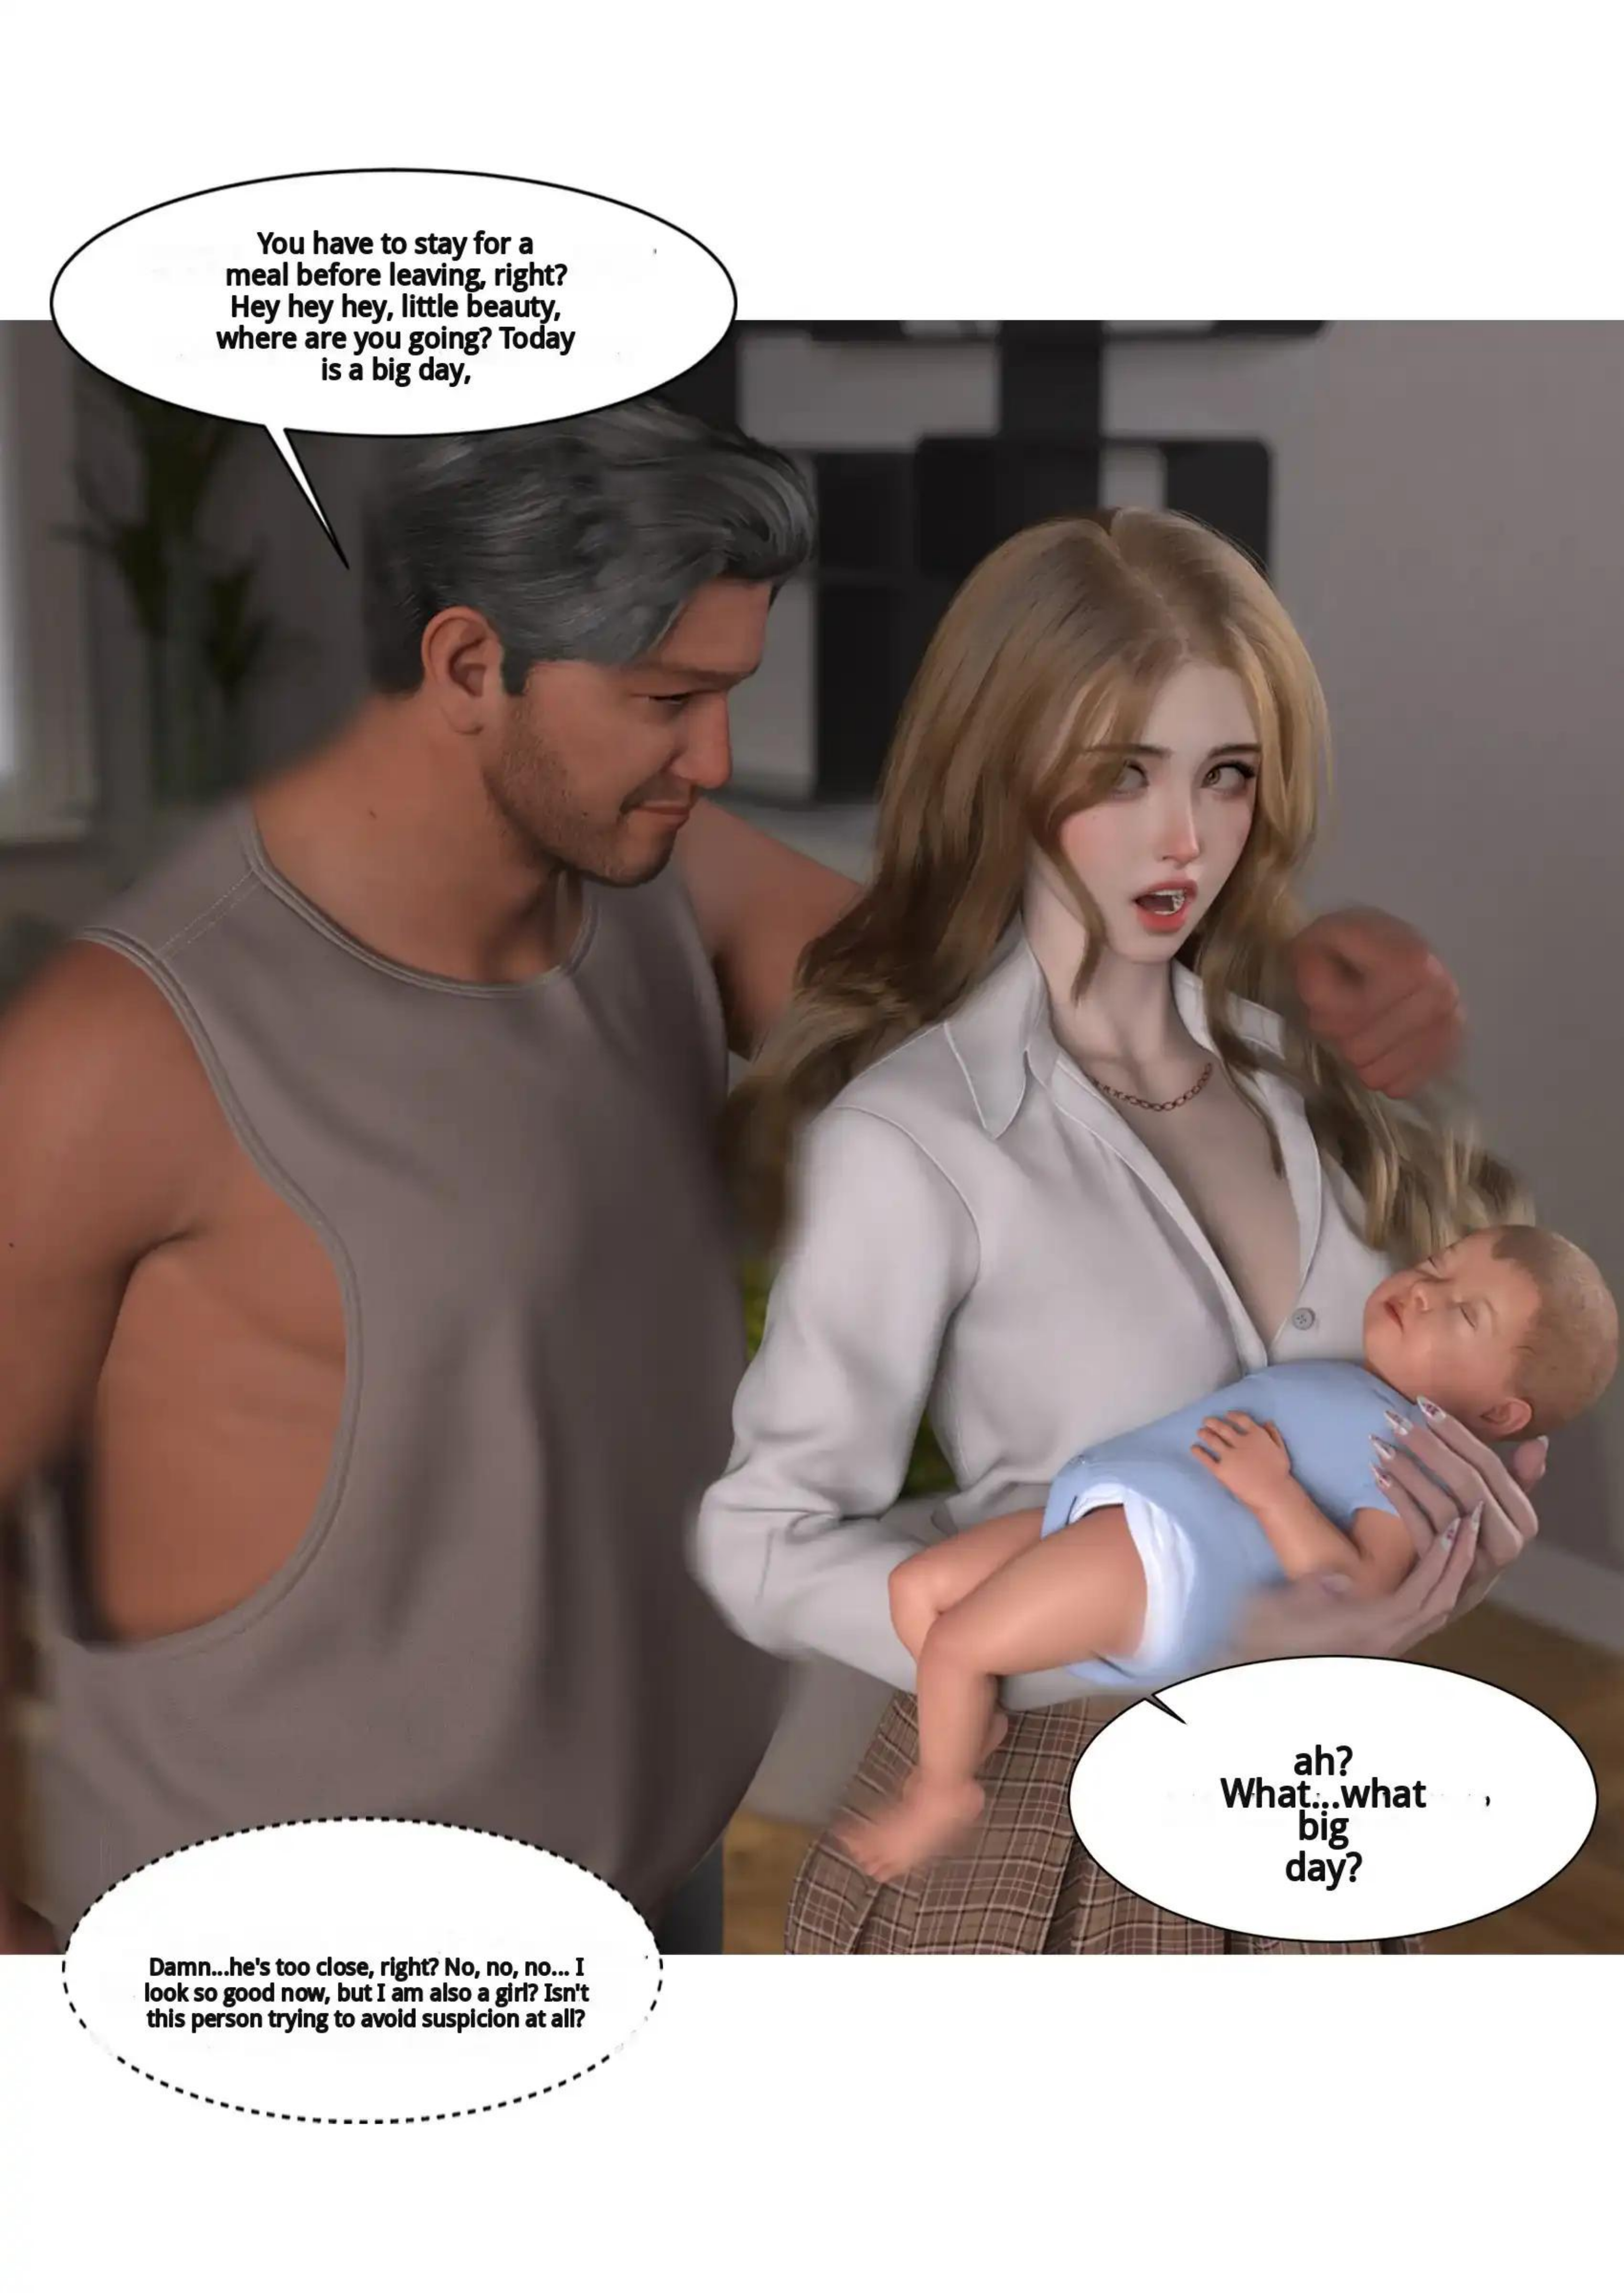

**Ooohhhhhh!
It hurts...Dad!
That's not my
child!**

Is this Lao Shao's father? It looks quite refreshing... Lao Shao, who is usually so arrogant, actually covered in front of him.

Let's run away first... Two of them come at once... Hmm... I definitely can't handle it, but one Lao Shao is hard enough to handle.

You have to stay for a meal before leaving, right? Hey hey hey, little beauty, where are you going? Today is a big day,

ah?
What...what
big day?

Damn...he's too close, right? No, no, no... I look so good now, but I am also a girl? Isn't this person trying to avoid suspicion at all?

**We need to have a good time! Hahaha! Um?
Didn't Xiao Shao tell you? Today is my birthday!
It's rare that I have arranged all the wine shops.**

**You... why didn't you tell me
earlier? You didn't even
mention a word about this?**

I originally wanted to wait for a suitable atmosphere before speaking... Oops... Isn't this, I haven't had time to say it yet?

You can shut up! Is there any appropriate atmosphere for this kind of thing? You fucking made it clear that you just wanted to kidnap me here ...

啪!

white!

**Much better than those coy little sluts!
Not bad, I like it! Ha ha ha ha! The little
girl has a good temper. To get a wife,
you have to find someone like this.**

I really want to take off the holster and leave right away... Oh oh oh oh! It pisses me off...who the hell is a little girl? The father and son are exactly the same! How dare you spank me as if nothing happened?

Girls, if you have a stronger aura, you won't be bullied, hehehe! Hahaha... Dad is right, it's better to have a fierce personality

Maybe he'll be unconscious later... But it's a rare trip for him to go home. I just want to make him happy. Please bear with me a little longer. The old man is already drunk. Listen to me, Old Zhou... I know my dad's dead look is very annoying.

Otherwise, don't blame me for not giving him face! Hum...Okay, you'd better ask your dad to calm down.

Don't keep standing at the door talking, let's sit down and have a good chat! Hahaha! Okay, okay, we are all a family.

Come on, come on, you're welcome, treat it as your own home!

It's not okay to be so thin. You can't even feel it when you hold it. Hey, little girl, eat more. ...

Here we go again... This old man has been eating my tofu ever since he sat down. Damn it, it makes me feel like I'm here to accompany you.

This man is really hopeless...by the way...he even dares to touch his own son's girlfriend

抚摸
caress

Neither father nor son has anything to worry about!
One is messing around, the other is pretending to
be dead, that bastard Lao Shao, he's still pretending
to be fine even after he's gotten to this point.

Stop just making Jingru happy,
talk to me too! Oops...Dad, it's
rare for you to come home

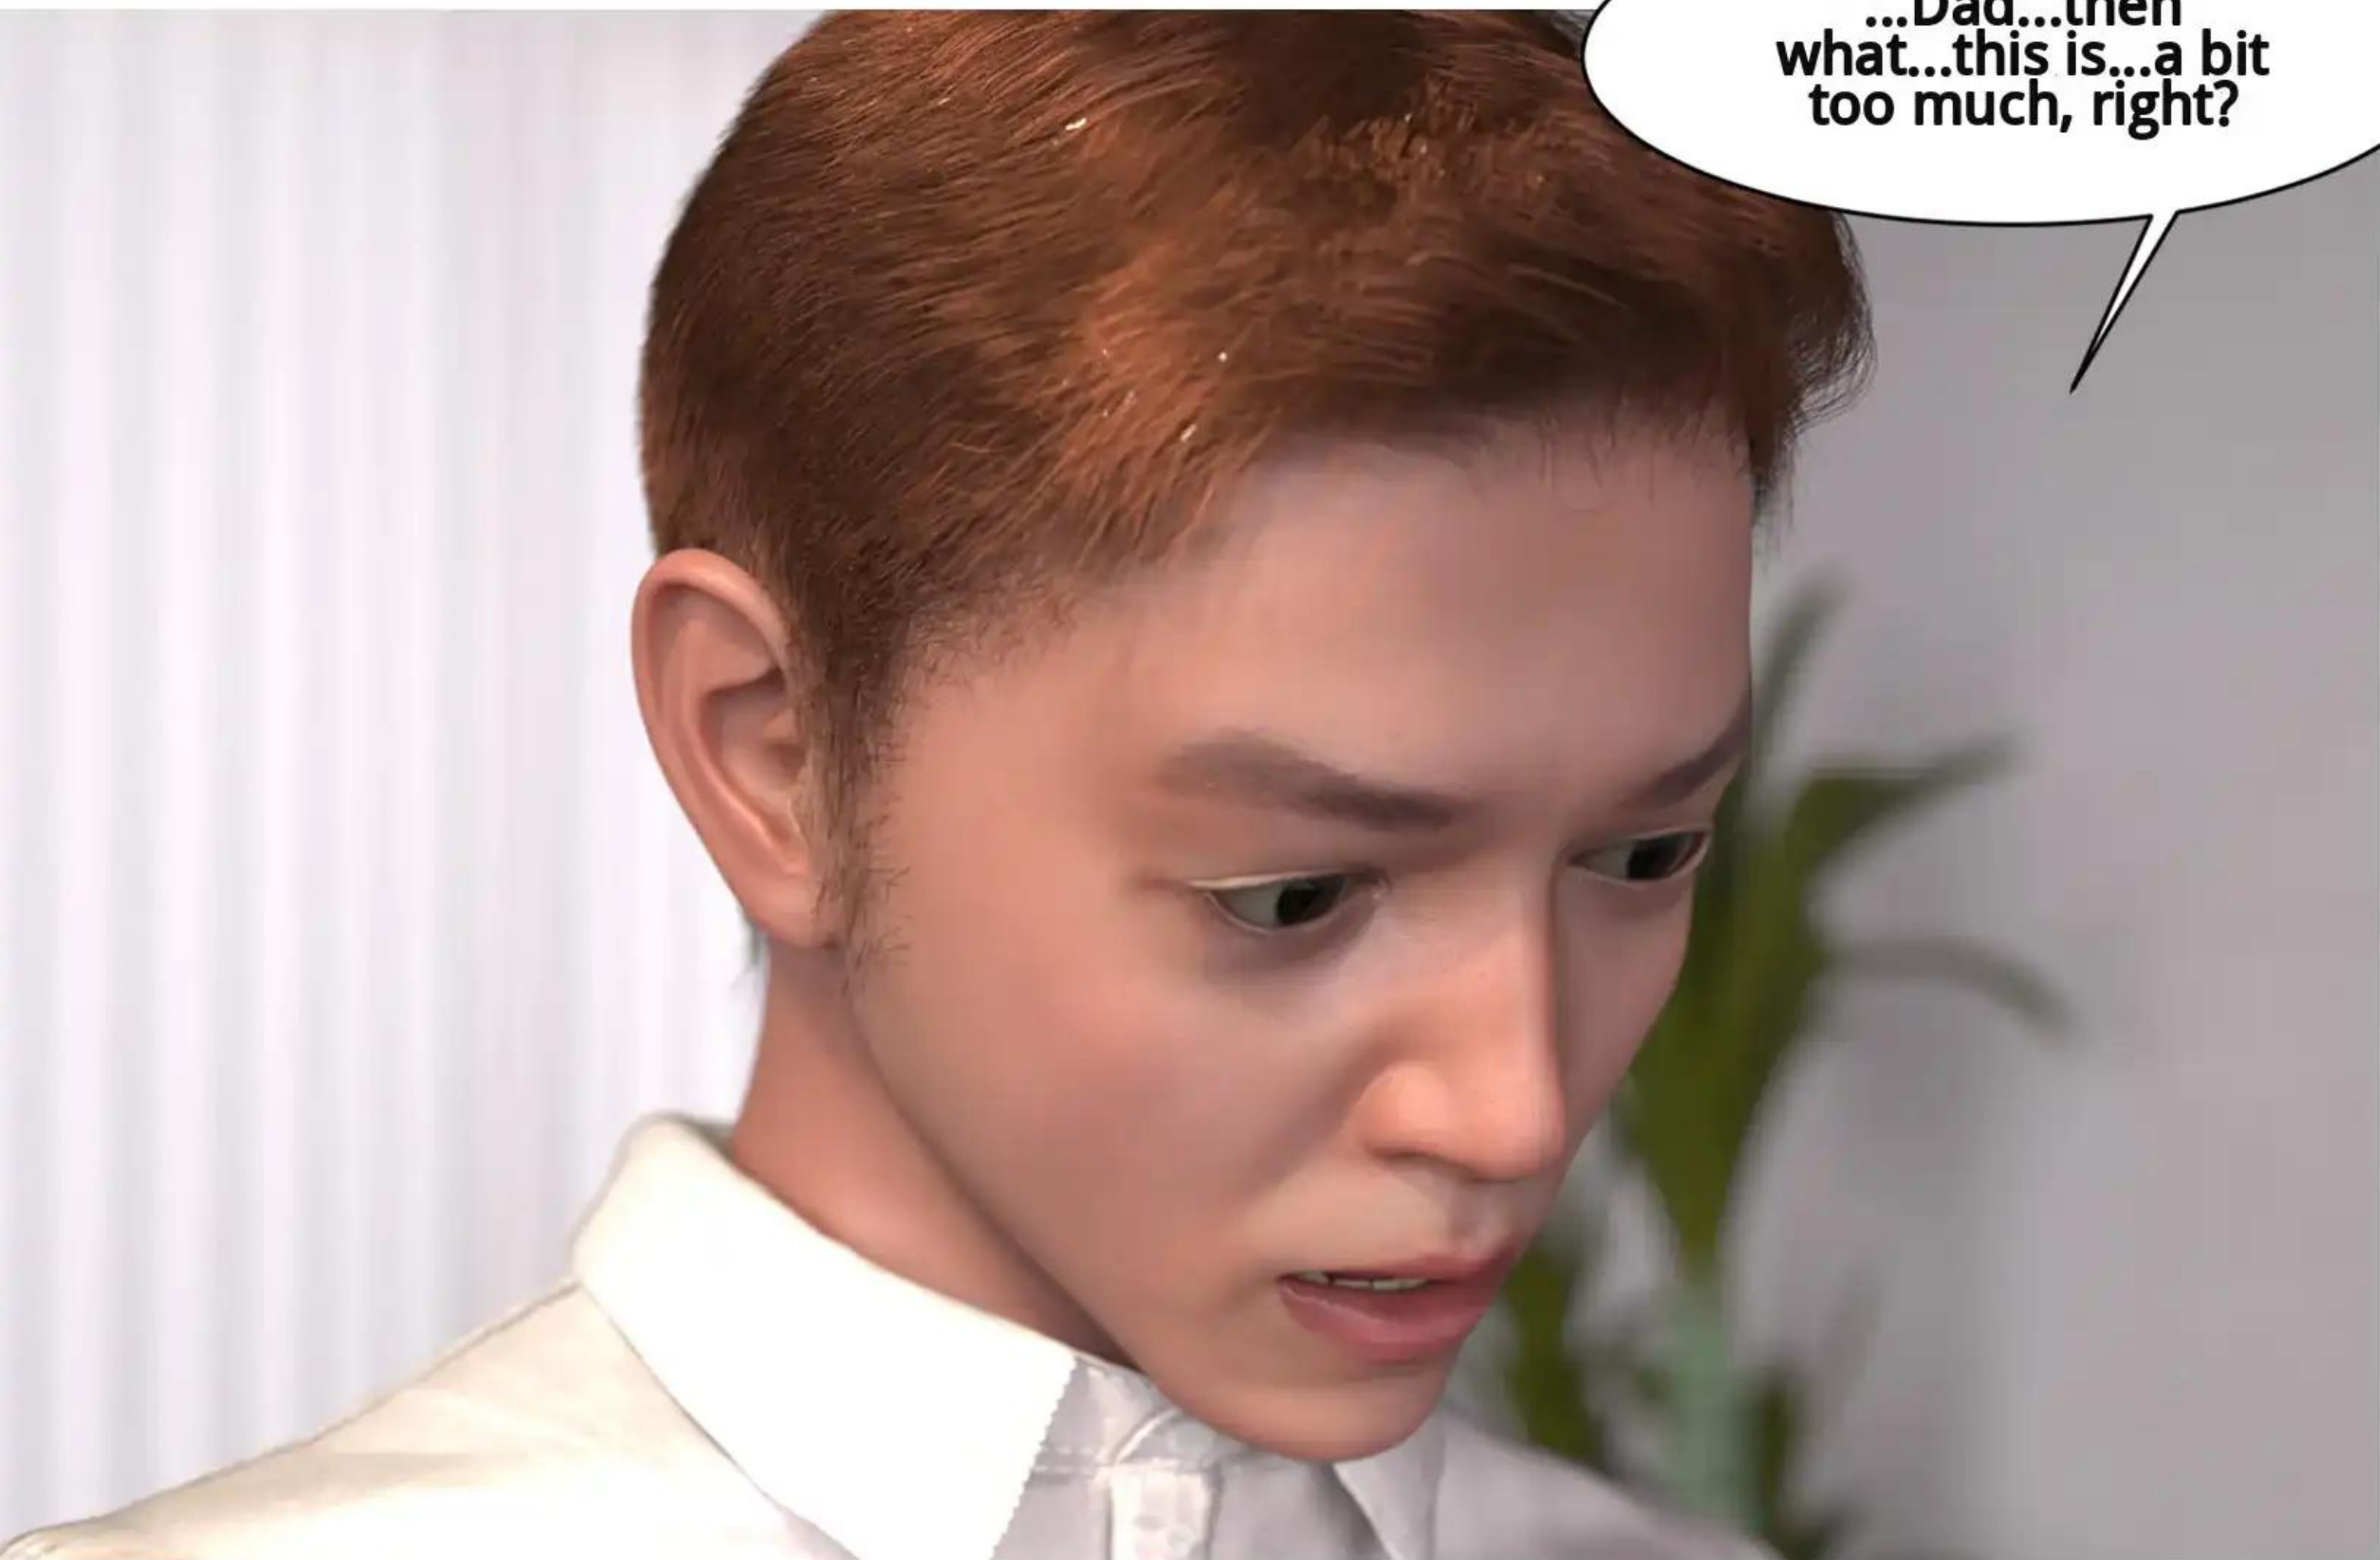

You see, I have made much progress recently than before!

Haha...your father and I...the conditions back then were much better than yours...but I have never met a girl as special as her. ...

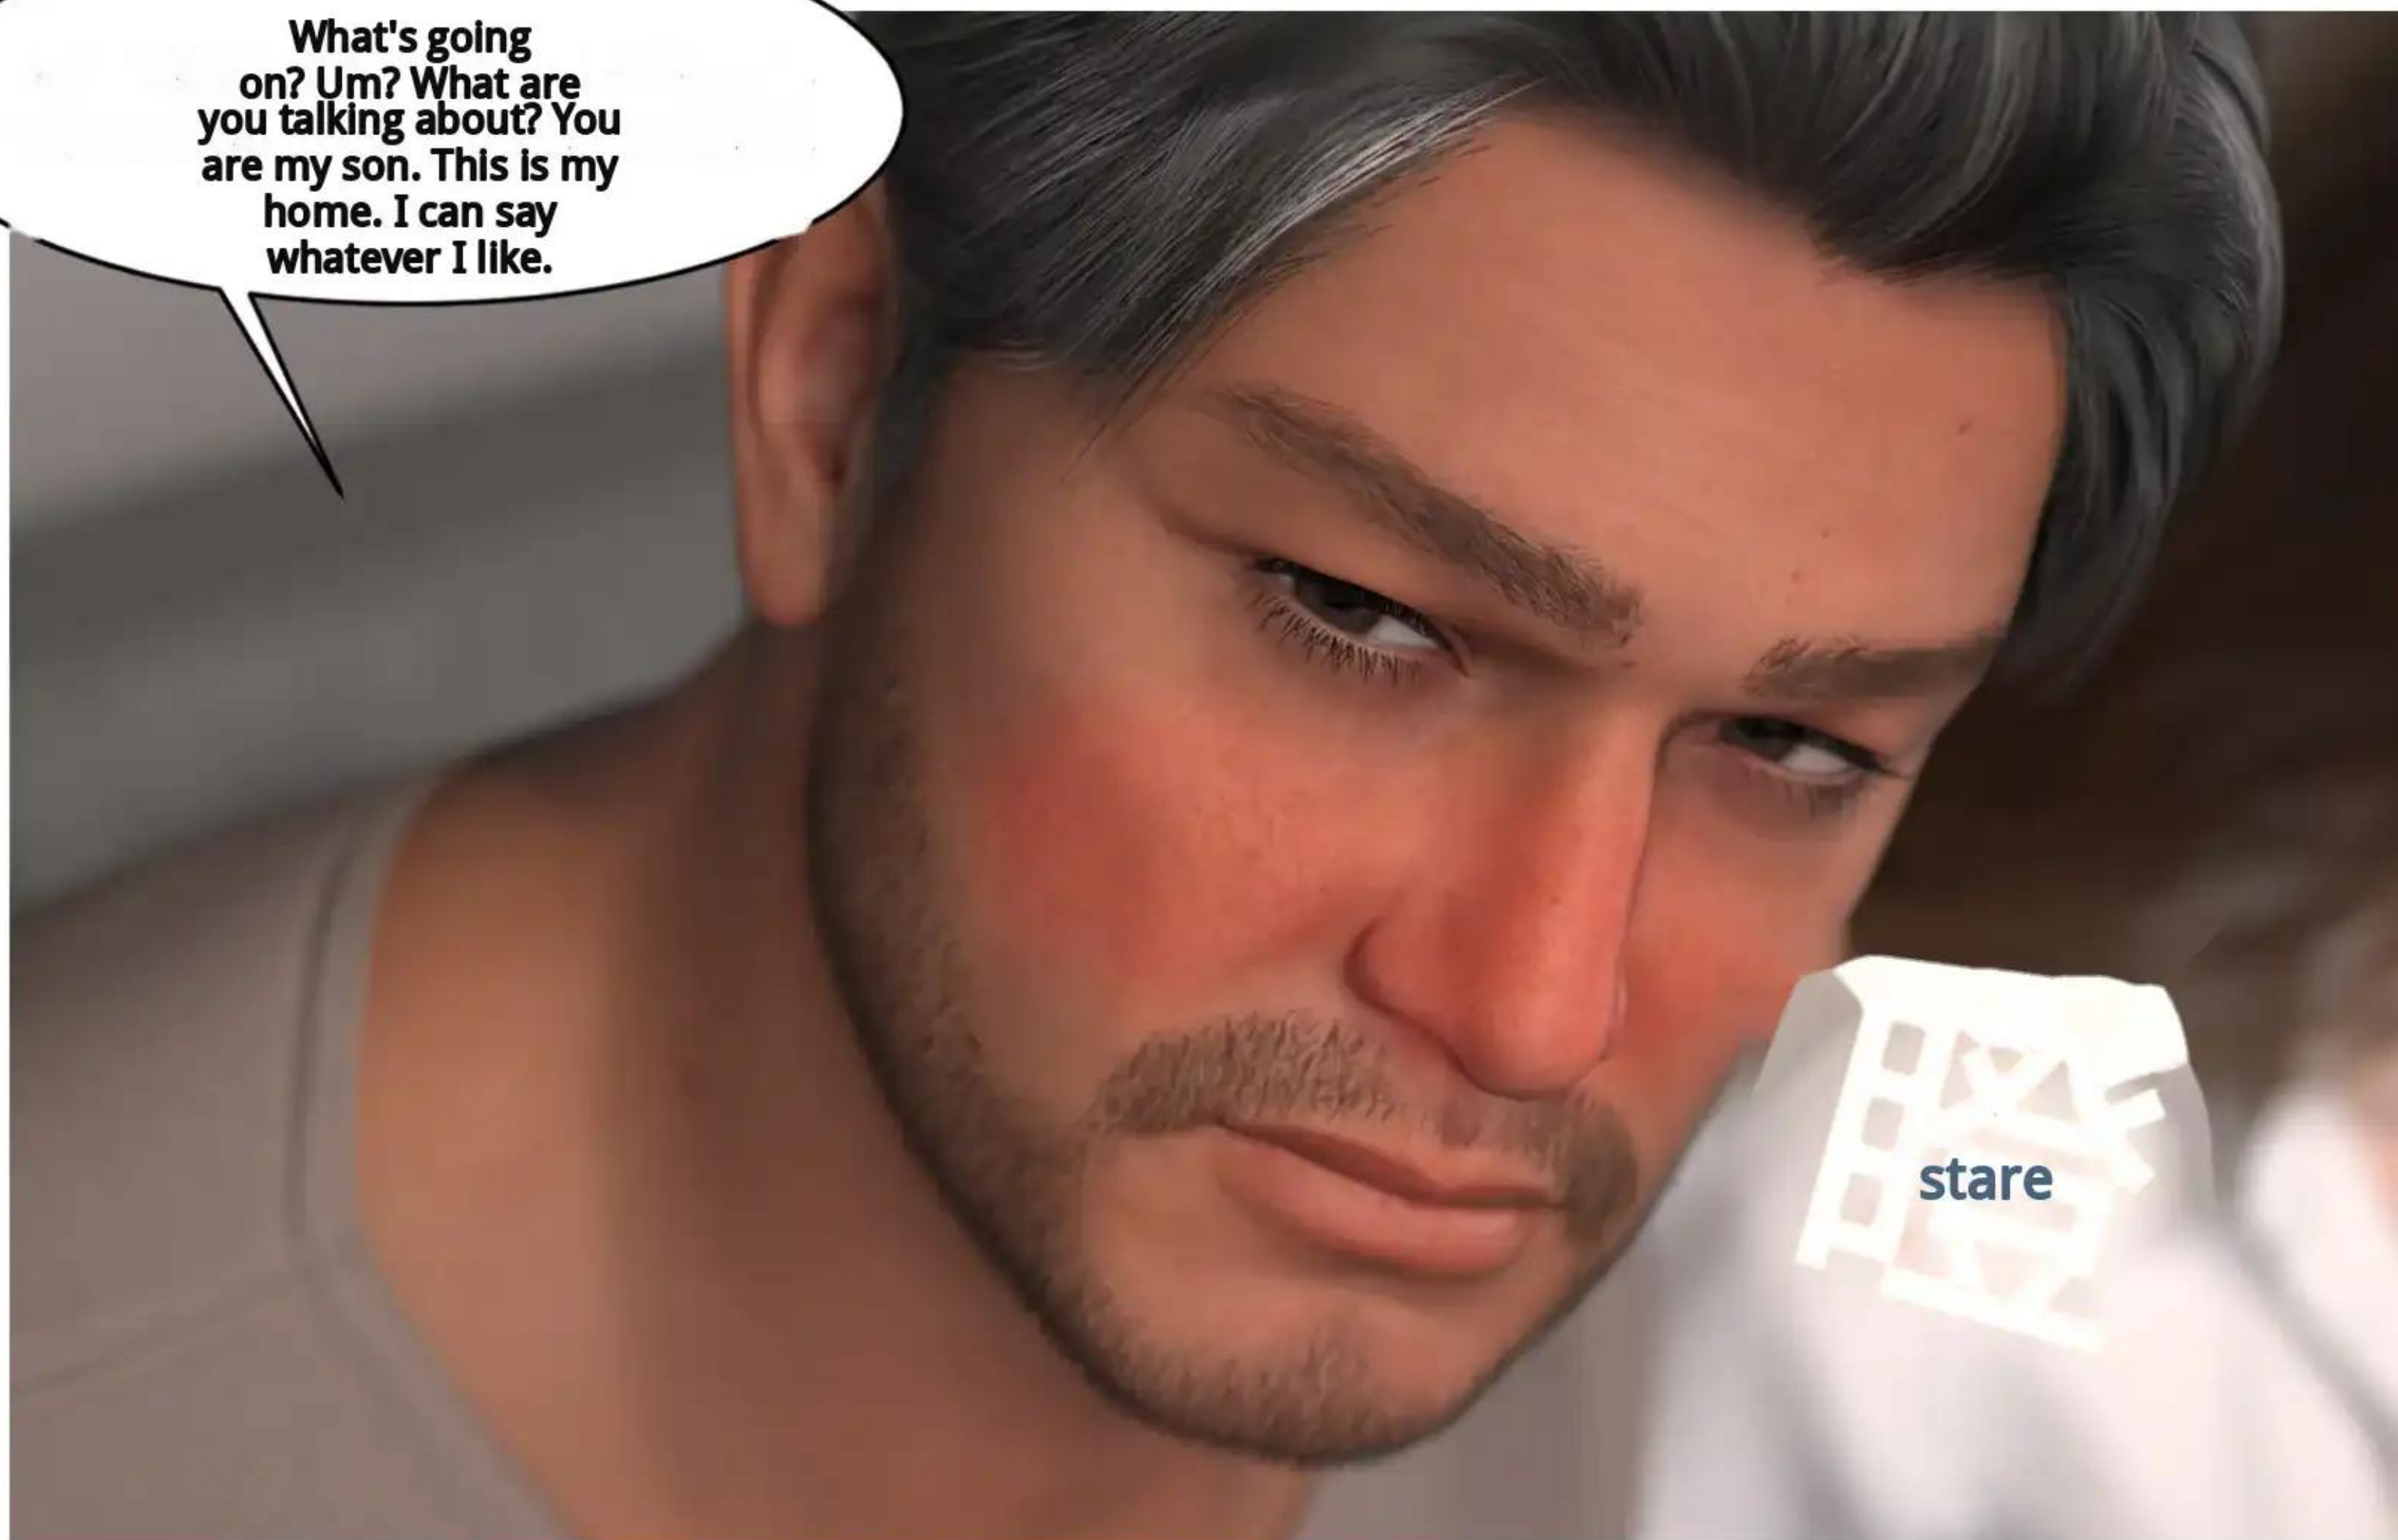

Let me also enjoy the blessing? Hey hey hey... How about... lend me a few days? Haha... Xiao Shao, your girlfriend is really good

...Dad...then what...this is...a bit too much, right?

What's going on? Um? What are you talking about? You are my son. This is my home. I can say whatever I like.

stare

Hehehe, do you want to play with uncle? little girl...

搓揉
rub

Yeah! Let me go! Don't...Shao Yuchen! Your dad started drinking like crazy! You should think of a way!

Dad, don't be like this...Auntie...but...I...I don't know...

**Damn...I've
had
enough...**

**Or...do you want to
play something more
exciting with your uncle?
What's the matter, little
girl? Are you angry?**

Hold! Get out of here, old man!

**You, you,
you...why did
you really do
it?**

**Hiss...it hurts
me to death...this
girl...has too much
strength...**

This old pervert just kept touching me, hum, I hit him to give him a long memory! It would be nice of you to keep silent, which is really interesting! You two, father and son, are more disobedient than the other.

You can think whatever you like, I'm going back! I won't apologize anyway

Hmm...why is this...it seems that
Lao Zhou is really angry this
time...I...went a little too far this
time, but what he said is right.

mouth

Hello...Old
Zhou...

what?
What else
do you have
to say?

My dad seemed to have been beaten unconscious by you... Do you want... to clean up with me? So what...you didn't use all your strength in that moment just now, right?

You were praised by him and treated as his good son... All I could think about was how to use Lao Zhou. I really couldn't help you this time, ever since I received the call from my dad.

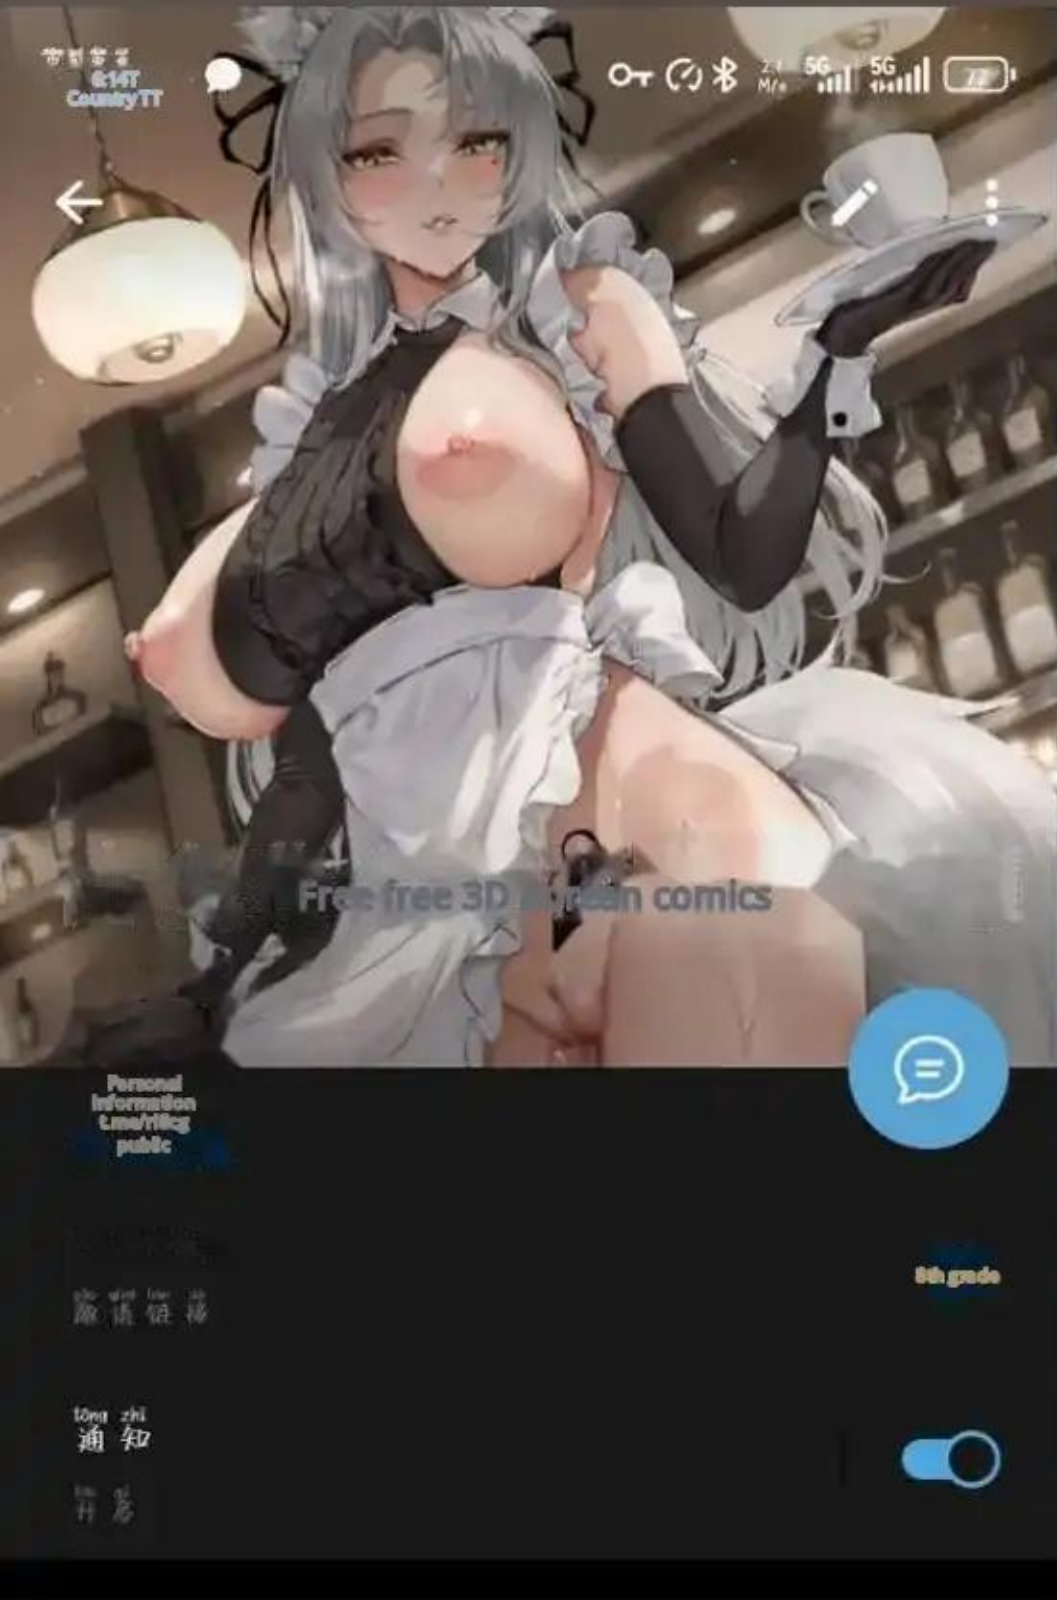

I did something wrong...Can you forgive me? Can you give me a chance to make amends? I clearly saw him being stupid there, but he still left you alone.

Huh, don't do this,
do you think I'm so easy
to fool? Otherwise, tell me,
how are you going to
compensate me?

You can't be so quick to
relent! Otherwise, this guy
will definitely take advantage of
it next time! Hmm... The apology
seems quite sincere, so I guess
I'm not pretending... No,

Huh, don't do this, do you think I'm so easy to fool? Otherwise, tell me, how are you going to compensate me?

You can't be so quick to relent! Hmm... The apology looks quite sincere, otherwise this guy will definitely take advantage of it again next time! It's probably not pretending... No,

I suddenly thought of a good idea! Don't leave in a hurry yet! Well... just wait for me.

I had a hunch it would come in handy! Hehe, luckily I brought it here

Da La ~ Didn't you just say that you want my dad to have a long memory? If we give him a good deal, let's just let him wear this leather holster.

Is this compensation enough to relieve anger? I guarantee that he will never forget it in his life!

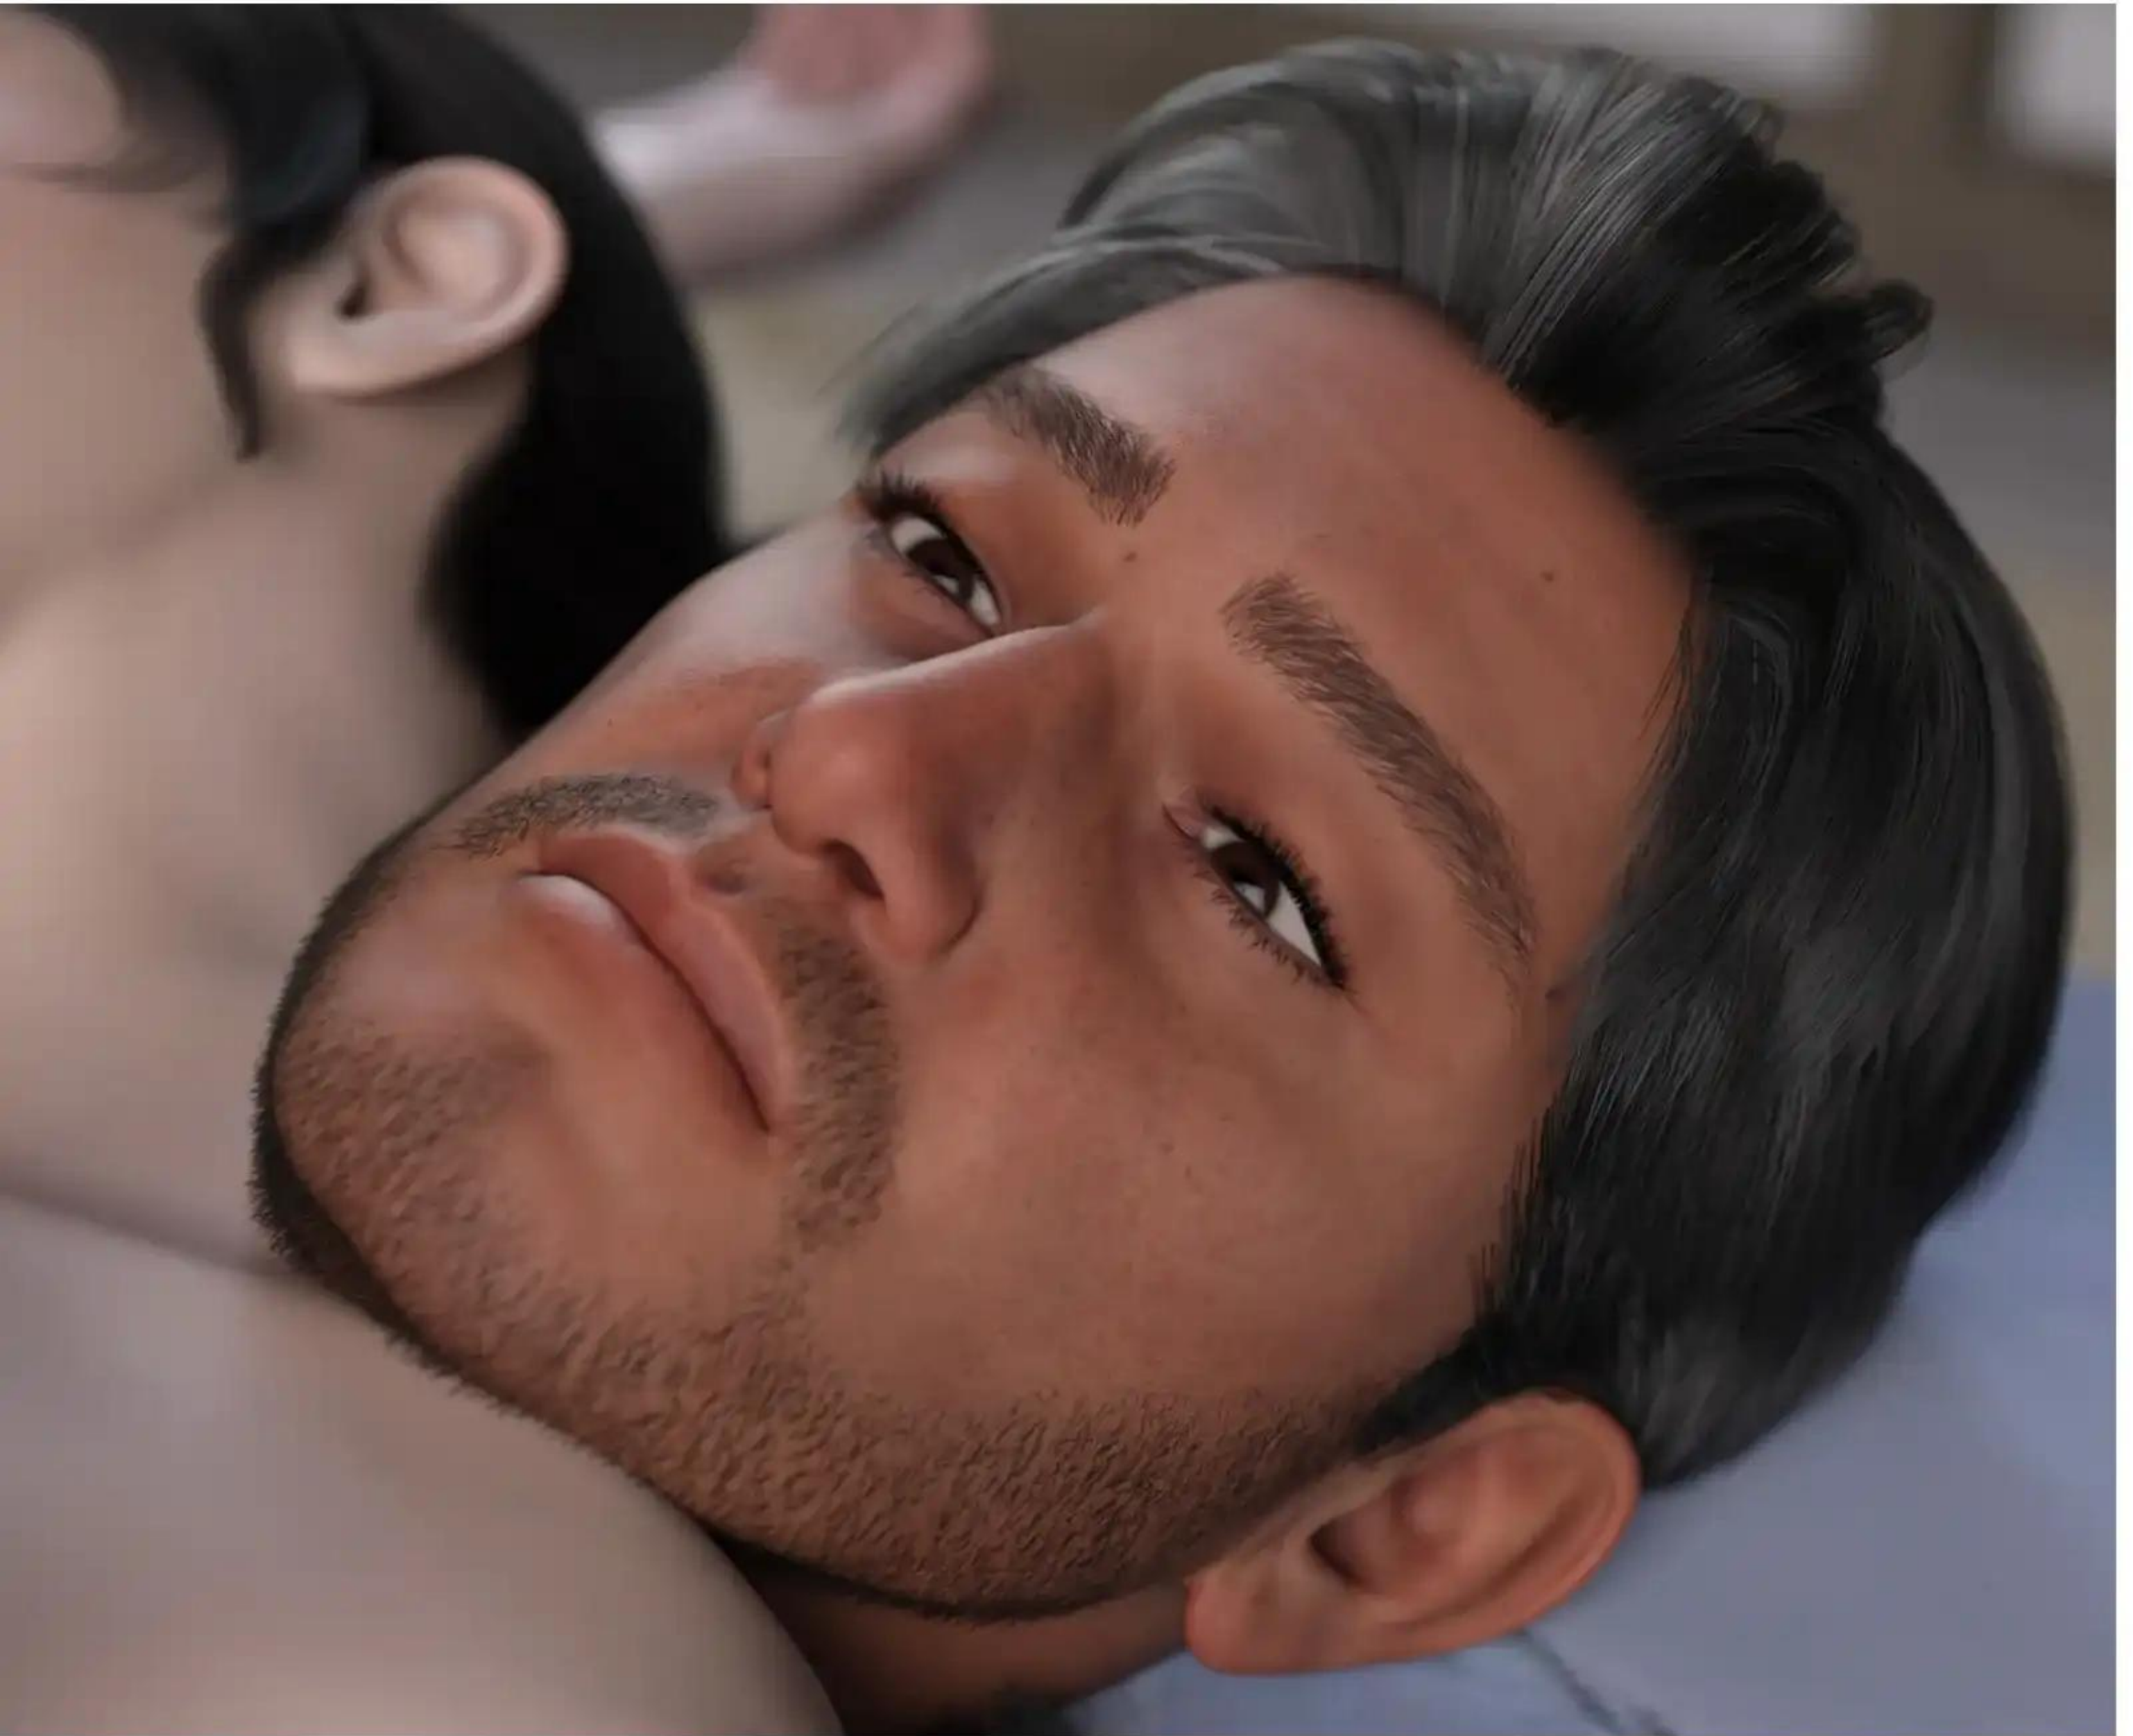

There's really nothing I can do about you...Okay, just do as you say! You are consistent in this kind of crooked idea, pfft... You guy, nothing else

Alas, seeing how sincere Lao Shao is, why would he be my only good friend? Forgive him for his sake.

bedroom

Lift it over to me! Ouch...
why is it so heavy... Hey,

Um...I, did I just fall
asleep...hiss...why did I feel so cold...

Where did the dick go?
I... I'm not still dreaming, am I?
I go...what the fuck is going on?
! What's wrong with my body... Damn it!

It's really hard to stuff that beer belly of yours in. Hey, don't move around, okay? I'm exhausted, but luckily I have a little helper, hehehe! It took a lot of effort for me to help you put on the holster!

You...what are you doing behind me? Why? Xiao, Xiao Shao?! Is this your fault?

Your current moral character is all something you brought upon yourself! Old man, there's something you need to figure out first

Let your son respect you now! If you were willing to be a normal person and a normal father, I wouldn't have punished you like this. But you, the old pervert, insist on doing random things to my friend... Okay

ah? Wait... why does it sound weird...

Woohoo——!
I don't... um
ming ming...
oh oh oh!

Be good, don't
bother, wait until
you wear it before
you talk!

How can there be such a thing... I have really turned into a girl! ? Um...my, my voice...?

Hehe~ Dad, should you wake up from the wine? Do you still remember who this is in front of you?

Thank you uncle for the hospitality just now. Uncle, you... look better this way than before... Hehe! He's Shao Yuchen's friend, haha...Hello, uncle, my name is Zhou Ming

A man with short reddish-brown hair, wearing a white button-down shirt, stands behind a nude woman with black hair. He has his hands on her head and shoulders. The woman is looking towards the camera with a neutral expression. The background features a corkboard with several papers and a blue bedsheet.

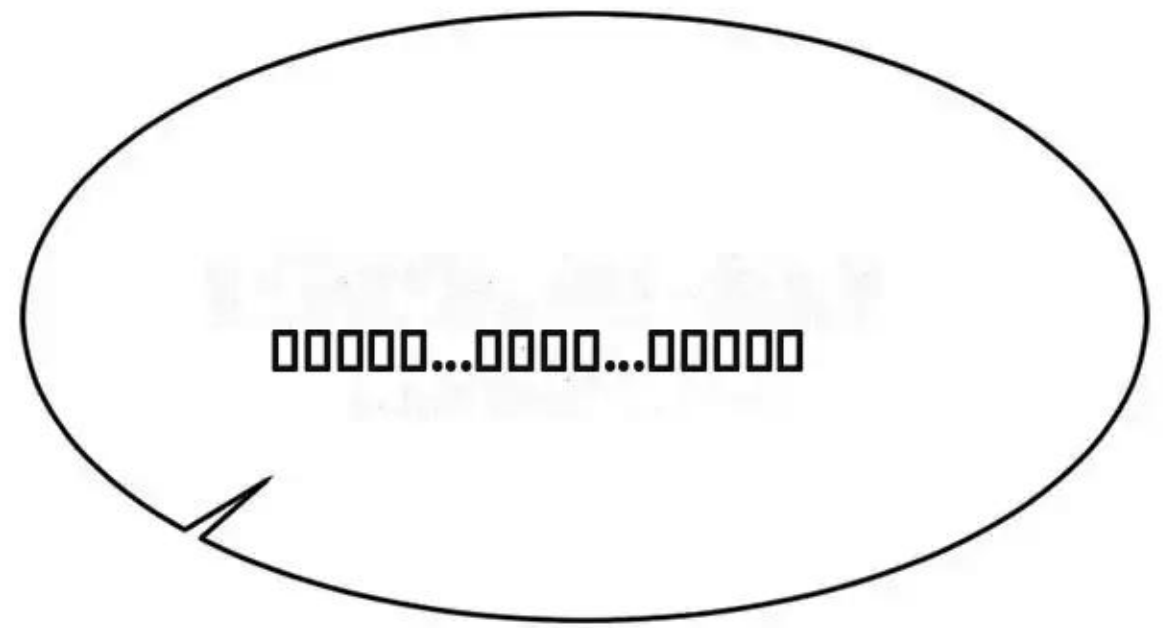

Lao Zhou, you idiot...
Why are you pretending to
be good at this time? Why
don't you take off your clothes
quickly? It's time to get
down to business!

? W-what
the hell? What
are you going
to do? Answer
me quickly!
