

Capitolo 48: Dinner

Art. Story and Editing by Giginho
Editing by Wrexstatic
<https://giginho3dcomics.blogspot.com/>

Did I get here
too early?

Not at all... but... is this
what you call casual wear? You
look incredible.

Well, I thought about it...
You're the first guy to ever cook
for me, you know? I decided to
wear something nice.

Nice? Fantastic, I'd
say! Everything's almost
ready to eat. I couldn't wait
for you to get here.

Great! I'm already
hungry... but why don't
you show me your house
first?

There isn't that much to show... This is the whole house... I've only just moved in, I unpacked the last box this morning.

So this is a housewarming! Nice! What a nice place!

A woman with short brown hair, wearing a purple strapless dress with gold lace detailing, stands in a kitchen. She is looking towards a man whose back is to the camera. The man has dark hair and is wearing a grey shirt and a black vest. The kitchen has white subway tile backsplash, dark wood cabinets, and a white door in the background. To the right, there is a dining table with a red and white checkered tablecloth and two black chairs. A potted plant sits on the table.

Other than me, you're the first person to enter this house so we could say I'm having a housewarming, yeah.

I'm honored...
And what have you cooked for me?

Sit down, I'll be right with you.

I still don't have the oven working, so I could only use the stoves.

I went easy on the carbs to keep it light. Let's start with fillet steak, salad, and creamed potatoes.

Interesting.

Impressive plating as well... are you going to join me or are you just going to be my waiter? I don't want to eat alone.

Sorry... I was looking at your new haircut... it suits you... very much.

I'm glad you like it! The hairdresser really took their time with it, you know? I thought I'd never get here on time.

So I wasn't the only one being impatient today... So... What do you do for a living? They told me that you work in a gym?

Yes, I've been doing that for years... I'm a personal trainer. And you?

Me? I work in a restaurant while studying to be a chef. You're my first guest. And how did you meet Lucia and the others?

That's my cousin! It's her fault! Lucia and I fucked her boyfriend and gradually met everyone else.

I never knew how much I loved sex until that day... And since then I have never stopped.

She must be an interesting woman. So she has a boyfriend... And you choose to be single, right?

Yes. Look: I don't have anything against my friends' boyfriends. I've had sex with most of them. They are all cool guys, but if Lucy wants to screw you and Wally, she has to ask Nico. Or tell him, I don't know how they do it.

I just love my freedom. I can do what I want when I want with whomever I want.

And that's the same for the guy too, come on! If I were your girlfriend, would you like me to put a bow on my head and be Tommy's birthday present?

I... don't know. Never thought about it actually.

Yup. I'm sure you'll let me do it, eventually, and tell everybody you're ok with that. But what's the point?

I like you. I came all the way to your house wearing this really uncomfortable dress just to have sex with you. And this steak is awesome. But should we really need to name everything?

What's the difference, after all? Just have fun, and let's see how it goes.

We can be together without BEING together, right? We can go to the movies or have a drink with your friends - as long as they're not all horny teenagers. But there's no need to rush.

You and Tommy asked me out at the exact moment you knew I was single, and you both knew NOTHING about me. For all you knew, you wouldn't like me at all when I'm dressed up.

I don't think that's possible.

But you can't be sure! You asked me out, but you should have asked, "Do you want to fuck me again?" And I would have said yes right then and there.

I really wanted to go out with you. Get to know you better when you're dressed... if you want.

I came to Wally's house after dinner, don't you remember? I want to know you better too. If I had known you could cook so well, I would've come here for lunch.

What a wonderful dinner... Can we move on to the next course?

I can't wait...

Sure! Great! Here's dessert!

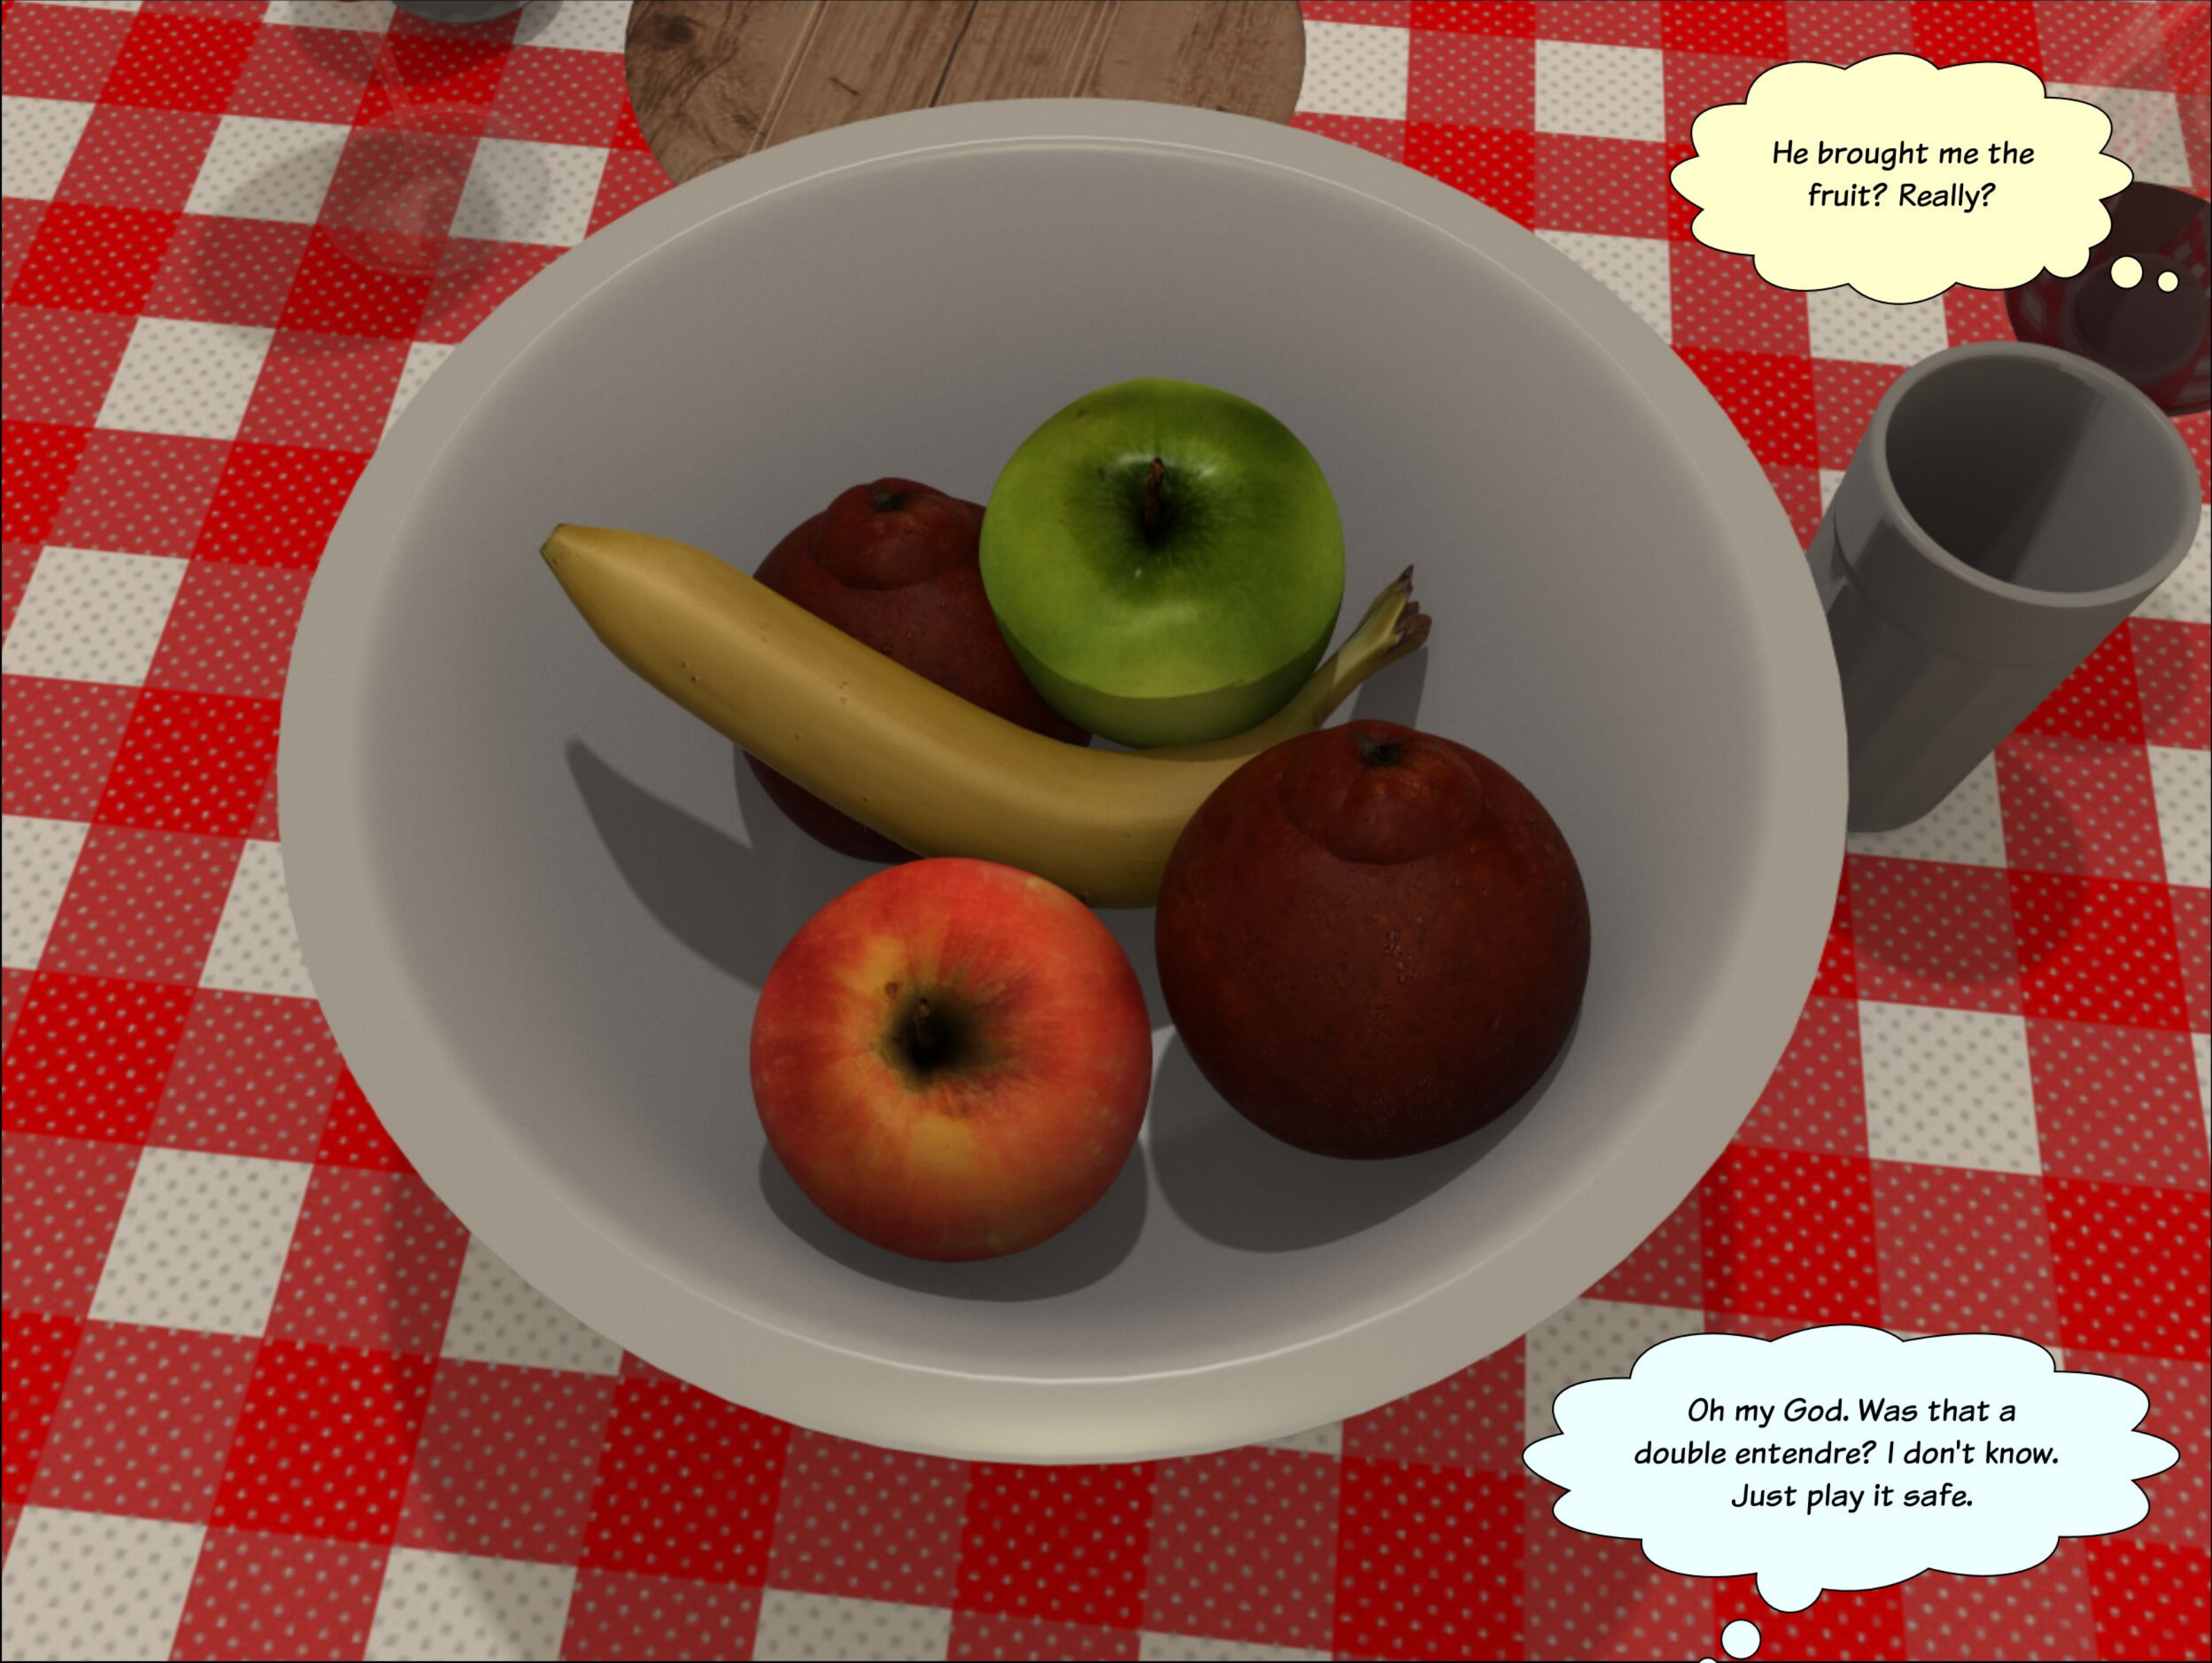

Oh. This kind
of dessert. What
is it?

Strawberry shortcake with
whipped cream. It should be taller,
but I had to make it in a pan.

Fuck, my boy. A man who can
cook like you can bed me anytime
he wants. Time for some fruit?
Maybe a banana?

Right
now?

A white plate sits on a red and white checkered tablecloth. The plate contains a banana, a green apple, a red apple, and an orange. A grey cup is visible to the right of the plate. Two thought bubbles are present: a yellow one at the top right and a white one at the bottom right.

He brought me the fruit? Really?

Oh my God. Was that a double entendre? I don't know. Just play it safe.

Mmh... I think I could manage with this.

Are you playing hard to get now?

aaah...

Mmh...

Are you waiting for me to make the banana cum? What are you doing?

I didn't want you to stop. I've never seen anything so hot in my life.

I was afraid you didn't want to fuck me after all! Instead, you seem to be ready for it.

I've been like this since you came in.

Poor boy. I'll make you cum..

Cum? Right now?

Right now. I want to thank you for dinner.

I can make you hard again in a few moments anyway.

Are you sure?

You're already so hard
and I'm still wearing my
dress. No worries.

You can't imagine how much I want to take it off.

Bet you're glad I didn't wear a jumpsuit, right?

FAP
FAP

Aaah... You must have really loved the dinner...

WAWINGHI!

You have no idea how much I loved it.

NGGGH!

But I'll try to make
you understand.

NGGGH! NGGGH!

No one ever cooked for me except my mother. And she never made anything that good.

Add in that I haven't been alone with a man in over a year and my expectations for tonight are SKY HIGH.

Fuck... A year is a long time...

I haven't been bored in the meantime... You know that. But you're the first interesting boy I've met in a long time.

A woman with short, reddish-brown hair is shown in profile, sitting on a brown couch. She is holding a purple cup to her lips and drinking. She is wearing a black top and a necklace with a circular pendant. The background consists of grey curtains and a white wall. Two speech bubbles are present: one white bubble on the left and one yellow bubble on the right.

This is such a responsibility.

Oh, yeah... a big one. I expect to have a lot more fun than I did yesterday, you know?

MUCH MORE than
yesterday? There were
three of us yesterday,
remember?

Today, I feel much
hornier.

And I think you're going to have a lot more fun, too. I can't wait for you to fuck my ass.

Wow, you really like the
sound of my voice...

gulp!

gulp!

gulp!

Aaah...
Haa...

Gosh, I'm sorry... haaa...
this is too much...

mmh?

Sorry for
what?

I never came so fast
in my life... what... what
are you doing?

gulp!
gulp!
gulp!
gulp!

It tastes like
shit, right?

I actually like it. I just
wanted to rinse my mouth.
Get undressed.

You're so hot...
I don't care about
your breath...

It's already poking
me again. And I'm still
dressed.

I've never been so horny
in my life.

Thank you.

So, in that gym where you work, is there anyone who can do anything other than stare at you?

I wouldn't even be able to count the reps...

The gym is full of pretty girls... They're not all looking at me.

Fuck! Maybe I should go there.

You don't want to... I don't hang out with the members outside work.

But... what about a private lesson?

Would you like to
sit on the couch with
me?

Take me wherever
you want.

First day in the new house and she's here with me... If I'm dreaming, don't wake me.

What a month, huh? Lucia, Maria, and now me... You're having a great time.

Lucia made my biggest dream come true and Maria is spectacular. But today, here... with you... this is the best day of my life.

If Lucia were here, it would be even better...

I want you... just
you...

Mmh... You're not
just saying that to
fuck me...

Are you finally taking my dress off? I don't want to go home tomorrow with a dirty dress.

Tomorrow? So you'll stay here tonight...

I don't like to drive at night... would that be a problem?

Of course not! You can stay as long as you like! I can even sleep here on the couch...

Do you think I
want to stay here
and sleep?

Even better... this
is beyond my wildest
dreams...

But I'd rather not
sleep at all...

I agree with you...
mmh...

Danny...
Aaah...

You're ready, right? I want your dick, now.

mmh!

Fuck... Miriam...
finally... aaah...

God... I can't believe how
hard you are, Danny...

I think I'll pay you a visit again... aah...

A good meal... and a good fuck to work it off...

You can come anytime you like... you can even move in here...

Aaah! I'll think
about it...

Turn around... I want
to look at you...

Look at you... you're perfect!
Perfect! Lucia's tits may be
bigger, but you... my God.

mmh... fuck... you are hot, you know?

Do you... really think so?

I'm... I'm just very
horny... don't mind
it...

Now I'm going to
take my shoes off
and fuck your brains
out.

Yeah...
Okay...

I didn't do that
yesterday...

What?

I rode both Tommy
and Wally properly, but
not you. And I promised
you.

But tonight I'm
going to do it... a
lot.

AAAH!

AAAH!

Aaah... wow... I'll go first today.

FLOP!

FLOP!

FLOP!

FLOP!

FLOP!

FLOP!

I dreamed of you
last night.

Aaah... really?
What kind of
dream?

HAA...
HAA...

You're not
dreaming right
now...

I know... I never had
dreams like this...

WHY?!
WHY?!
WHY?!

Danny... having you
inside me is so good...
fuck me...

Yes... yes...
don't stop...

hag

hag

hag

hag

DANNY!

You screamed
a lot in my dream
too...

Get me a small
towel.

Now come and sit here. Give it to me.

And what are you going to do now?

Mmh...

What do you think?

Oh, my god...

This is so good...
aah... between your
breasts...

Lucia told me that
when she made you cum
this way, you made a big
mess...

I hope the towel
will help... but I want
you to shoot like a fire
hose.

And then we'll
break in your new
bed...

lick
lick

Anything you
want... We have all
night...

Right... We have
all the time in the
world.

HAHA...
HAHA...

There you go...
good boy...

SPLAT
SPLAT

HAHA!
HAHA...

So good...

Miriam... aah... that
was the best titfuck of
my life...

The best titfuck of
your life *so far*.

Let's go to
bed now..

You know... I think
my *cousin* would dig
you.

You mean Lucia's
friend?

That's the one... I
could introduce you to
her at some point...
Maybe...

A man with a goatee is sitting up in bed, looking towards the right. He is partially covered by a teal blanket. A speech bubble is positioned above him. In the background, a large mirror reflects the same scene. A woman's legs are visible at the bottom right of the frame.

Do you think I need
to try harder to earn
it?

I think you *should*...
And I think you're already
on the right track.

I don't know how you do it. As soon as I start imagining something, you're already doing it to me.

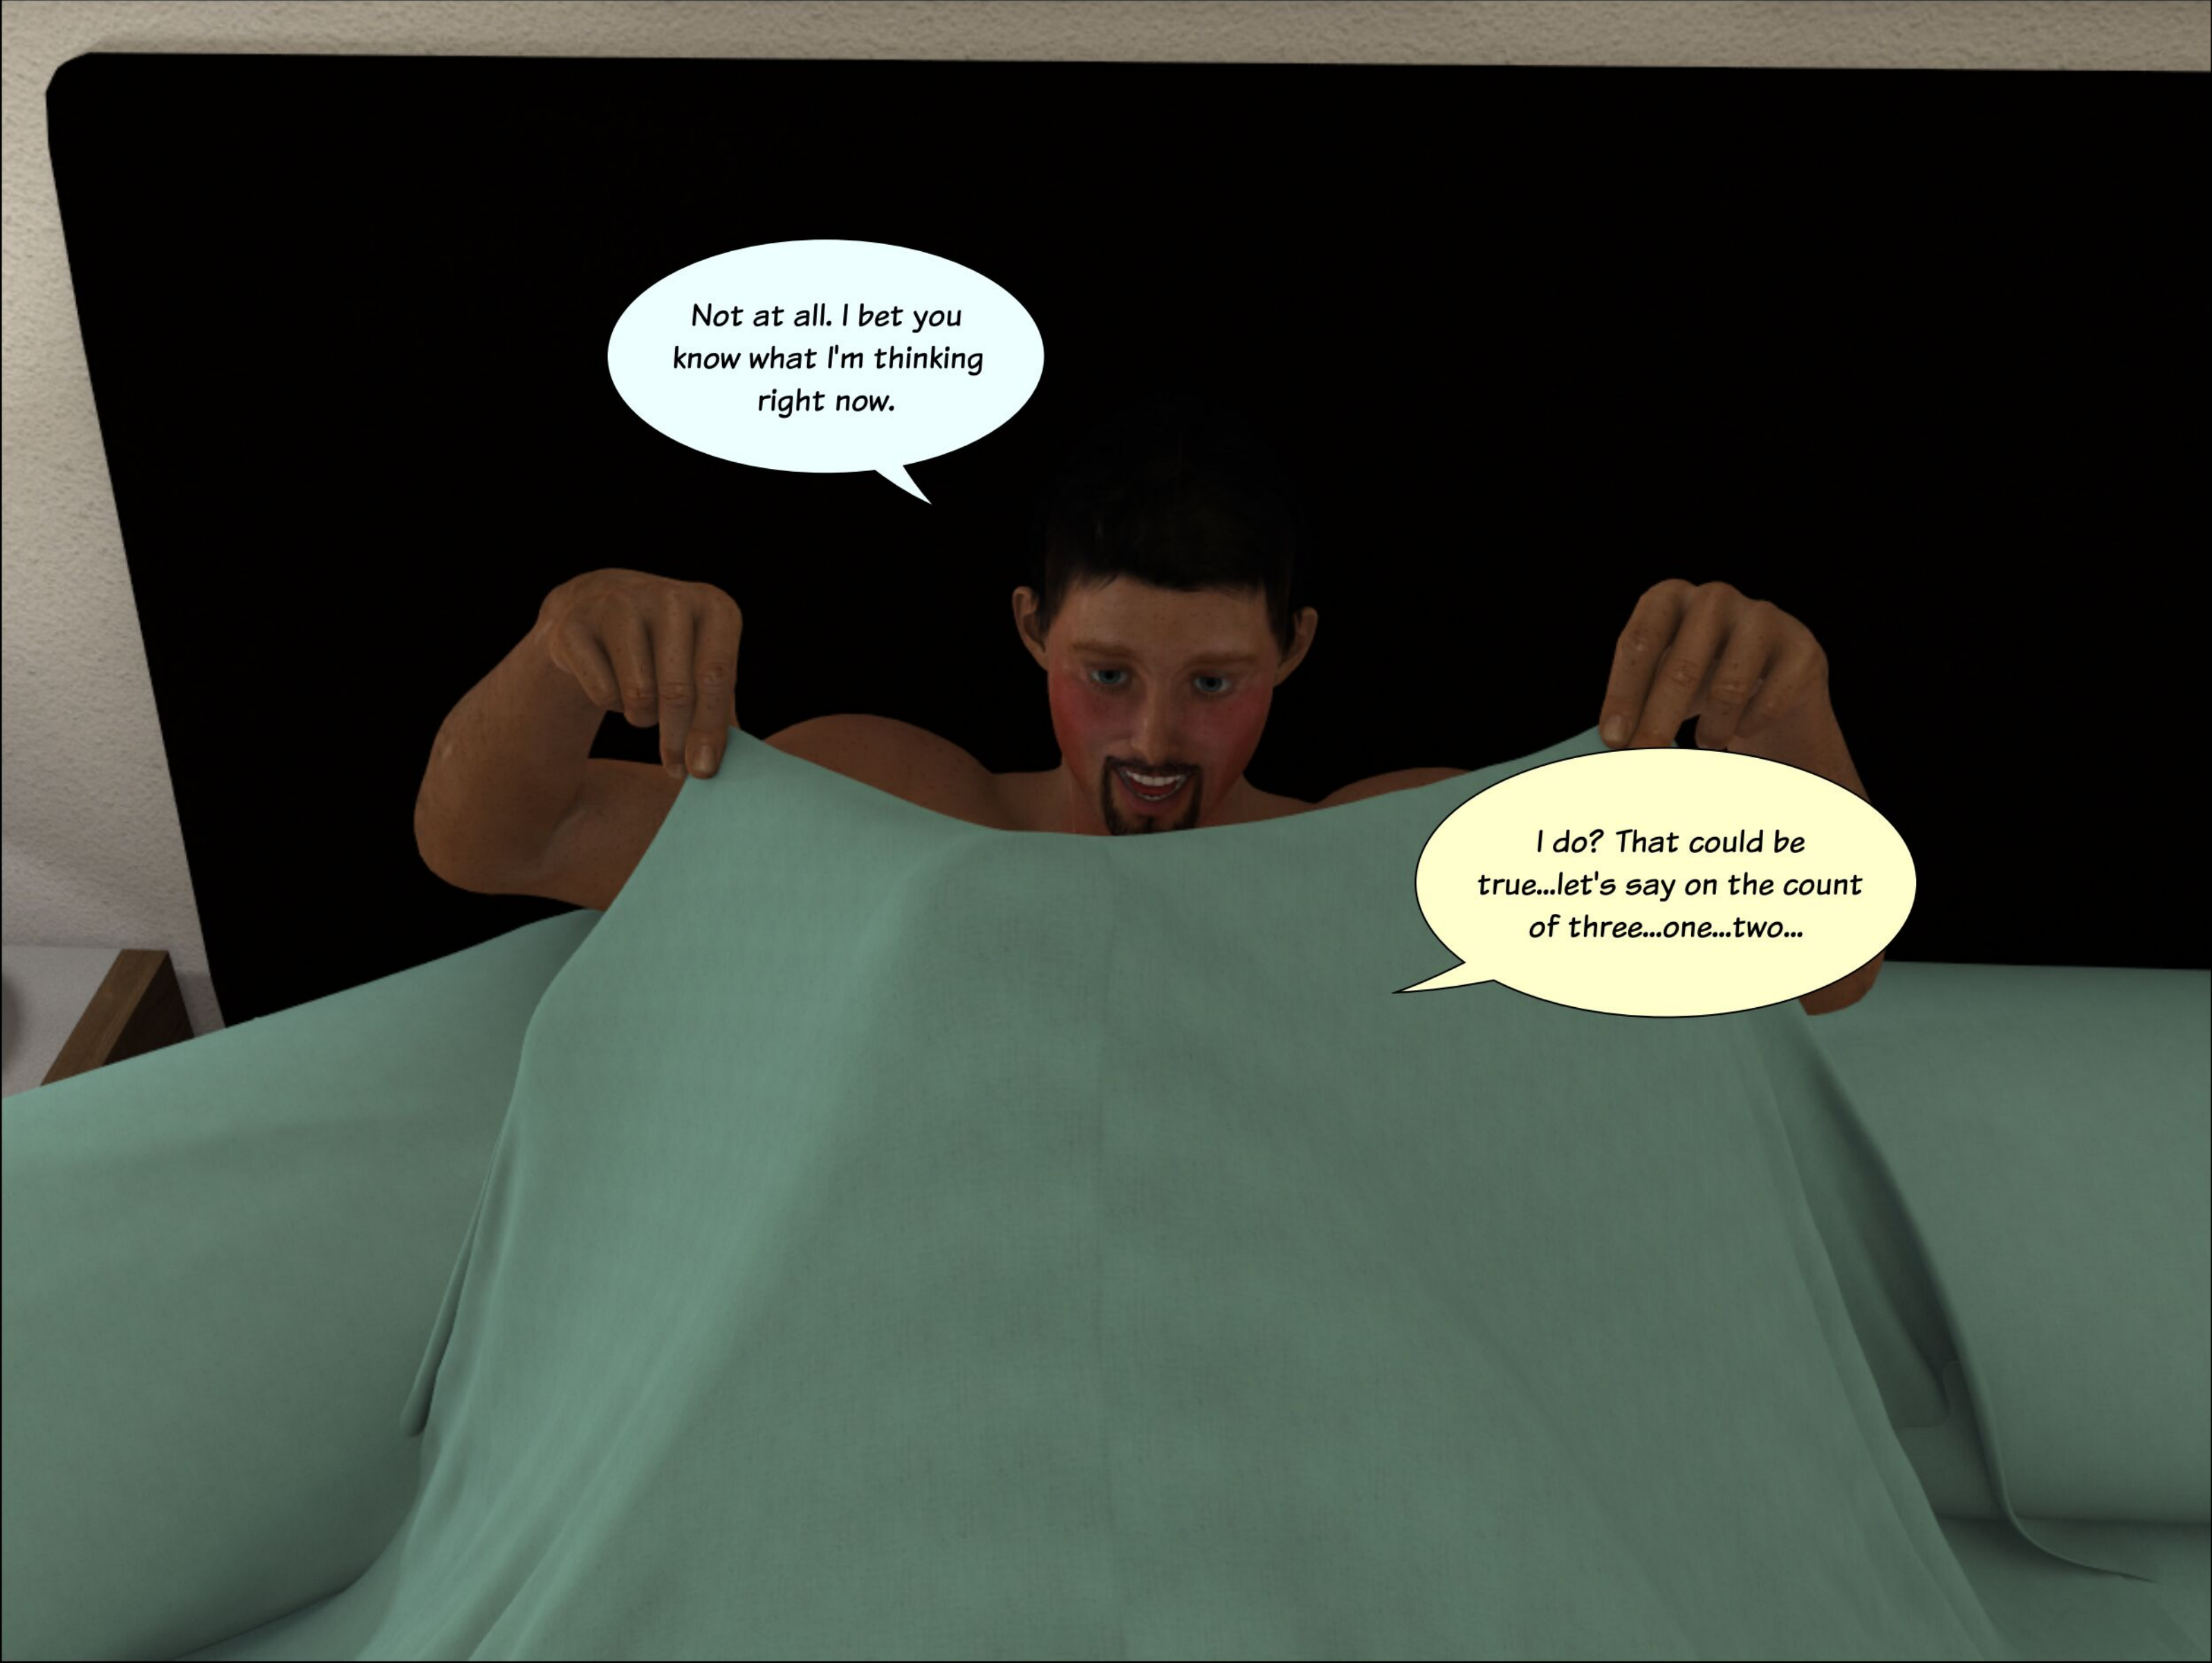

SUCK!
SUCK!

You're not reading my mind, are you?

Would that bother you so much?

Not at all. I bet you
know what I'm thinking
right now.

I do? That could be
true...let's say on the count
of three...one...two...

Ride me again.

Sit on my dick.

So it's true... aaah... I have superpowers...

Some BIG superpowers.

hqa...

hqa...

hqa...

Can you really read my mind? Let's try again: smother my face between them.

Danny... what's going on? I can feel you getting bigger and bigger...

You keep reading my mind...

I don't need
superpowers for that,
Danny. When guys are under
me, you all think of the
same thing.

Well, no shit.

God... you're perfect...

aaah... will you cum again?

I'm going to make you cum... again...

Just soaking up this perfect sight..

mmh!

I really like this bed... I love it...

WHDD!

WHDD!

WHDD!

WHDD!

Aah... are you
trying to hold
on?

HAA...
HAA...
HAA...

HAA...
HAA...
HAA...

If you were me, you
wouldn't want this to end
either...

If I were you, I would
just want to explode
inside me...

HAA...
HAA...
HAA...

And I just want to
watch you cum again.
This is the best sex of
my life.

DANNY!!

And it sounds like you're having some fun too.

This is so hot...
You don't know how
much...

Fuck... You weren't
like this yesterday...
Not at all...

mmh...

You don't need to make me cum again... Come back on top, come on...

You don't understand.

Fuck my ass,
now.

Fuck, yeah...

I may not have Maria's hot ass, but I think it's good enough...

Your ass looks really delicious...

Aaah... I really
needed some of
this...

Happy to
help... fuck... it's
so tight...

Mmh... do you like that?

Miriam... this is great... could you...

Squeeze a little
harder? Sure...
mmh...

I meant squeeze
less, but I'm okay with
that too...

**AAAAAH!
YES!**

**MORE!
HARDER!**

SBAM!

SBAM!

DANNY!
DANNY!

A close-up, cinematic-style photograph of a man and a woman. The man, on the left, has dark hair and a goatee, and is shirtless. He is leaning in and kissing the woman on the cheek. The woman, on the right, has short, reddish-brown hair and is also shirtless. She is looking upwards with her mouth slightly open, as if in a state of pleasure or surprise. She is wearing a thin necklace with small, dark and light beads. The background is a plain, light-colored wall with a window visible on the left. The lighting is soft and intimate. Two speech bubbles are overlaid on the image: a white one near the man and a yellow one near the woman.

Let me fuck
you... Haaa...

Standing up? Are you
sure you still have
enough?

Do you think I still have it? Why don't you tell me? Haaa...

More than enough...

SBAM!
SBAM!
SBAM!

SBAM!

You're capable of everything today, my boy... Think you can cum in my ass?

Mmh... that would be easy...

Haa... If you don't break it in half with your butt first...

HAA!

HAA!

HAA!

MIRIAM!

DANNY!

You were
fucking amazing...
the best...

I don't want
to stop yet...
could... could we
continue?

You can still fuck?
Sure I can! Go clean
yourself up and hurry back
to me, I'll help you.

So you think you're
going to pop out from in
between them??

Just give me a few seconds... My God, you're so hot...

Danny... When are you going to cooking school tomorrow? Or the restaurant, I don't know...

This week, I'm free every morning... And you?

I only work in the
afternoon... what if... I
stay until lunch?

Tomorrow's lunch?
Sure! You can stay
forever... as long as you
want!

Thanks... Fuck, look at this. Looks like we only just started.

suck!

suck!

suck!

I think I can have
another ride, tonight...

Great... what do you want for tomorrow's dinner?

Whatever you want... My God... what's up with you today? You're going so hard and fast and you never stop...

A completely different man from yesterday... and a better fuck...

It's just you and
me today... no
distractions...

Don't you like fucking
together with your
friends? Mmh...

I prefer this...

You can call
whoever you want... I'll
adapt...

But I'll always
like this better.

I'm sure that *cockless*
distractions wouldn't bother you
as much, am I right?

Now don't move...
stay still...

My god... I'm
almost... there...

WHDD!

WHDD!

WHDD!

WHDD!

WHDD!

Just a minute...
another minute...

Fuck... a minute
is a long time with
you... mmh...

HAHA!

HAHA!
HAHA!

HAHA!

Hang on...
hang on...

So good... now you
can cum... aah...

Thanks...
aah...

A 3D rendered scene of a woman with extremely large, muscular breasts and a very large, muscular buttock. She is standing in a living room, looking down with a determined expression. The room contains a grey sofa, a black chair, and a window with curtains. A speech bubble is positioned above her head, and another is near the bottom right.

I still have enough strength left... to do THAT...

What?

What the fuck...
what the... aaah...

**MIRIAM!
MY GOD! MY
GOD!**

Aaah... so you
like this too?

Aaah... and tell me, does that mean I get the meal for free??

END OF CHAPTER
