

morning.....

EXIT

Haha...

Hey!

Good  
morning,  
Old  
Zhou!

Morning,  
morning...

It'll be troublesome if I get caught by the old witch! Hey, lend me those math papers from last week. I've been so busy these past two days and completely forgot about it.

**It's a ghost if  
you have time to do  
homework! Nonsense,  
I was busy playing my  
mom all weekend**

Then you still remember that there is a Chinese language test today, right?

Oh fuck! Isn't it? ! It's over, it's over...

**There is always a sense of unreality...but coming to school again is obviously just a short weekend.**

TO

Especially looking at Lao Shao's usual appearance, everything that happened in the past few days seemed like a dream.

NO

recall

**Lao Shao!  
You actually  
used my  
mother's body  
to fuck other  
men!**

**How could  
you do this? You  
are causing my  
mother to betray  
my father!**

Wouldn't you just  
treat them as a one-night  
stand? You don't have any  
feelings. There's no such  
thing as betrayal.

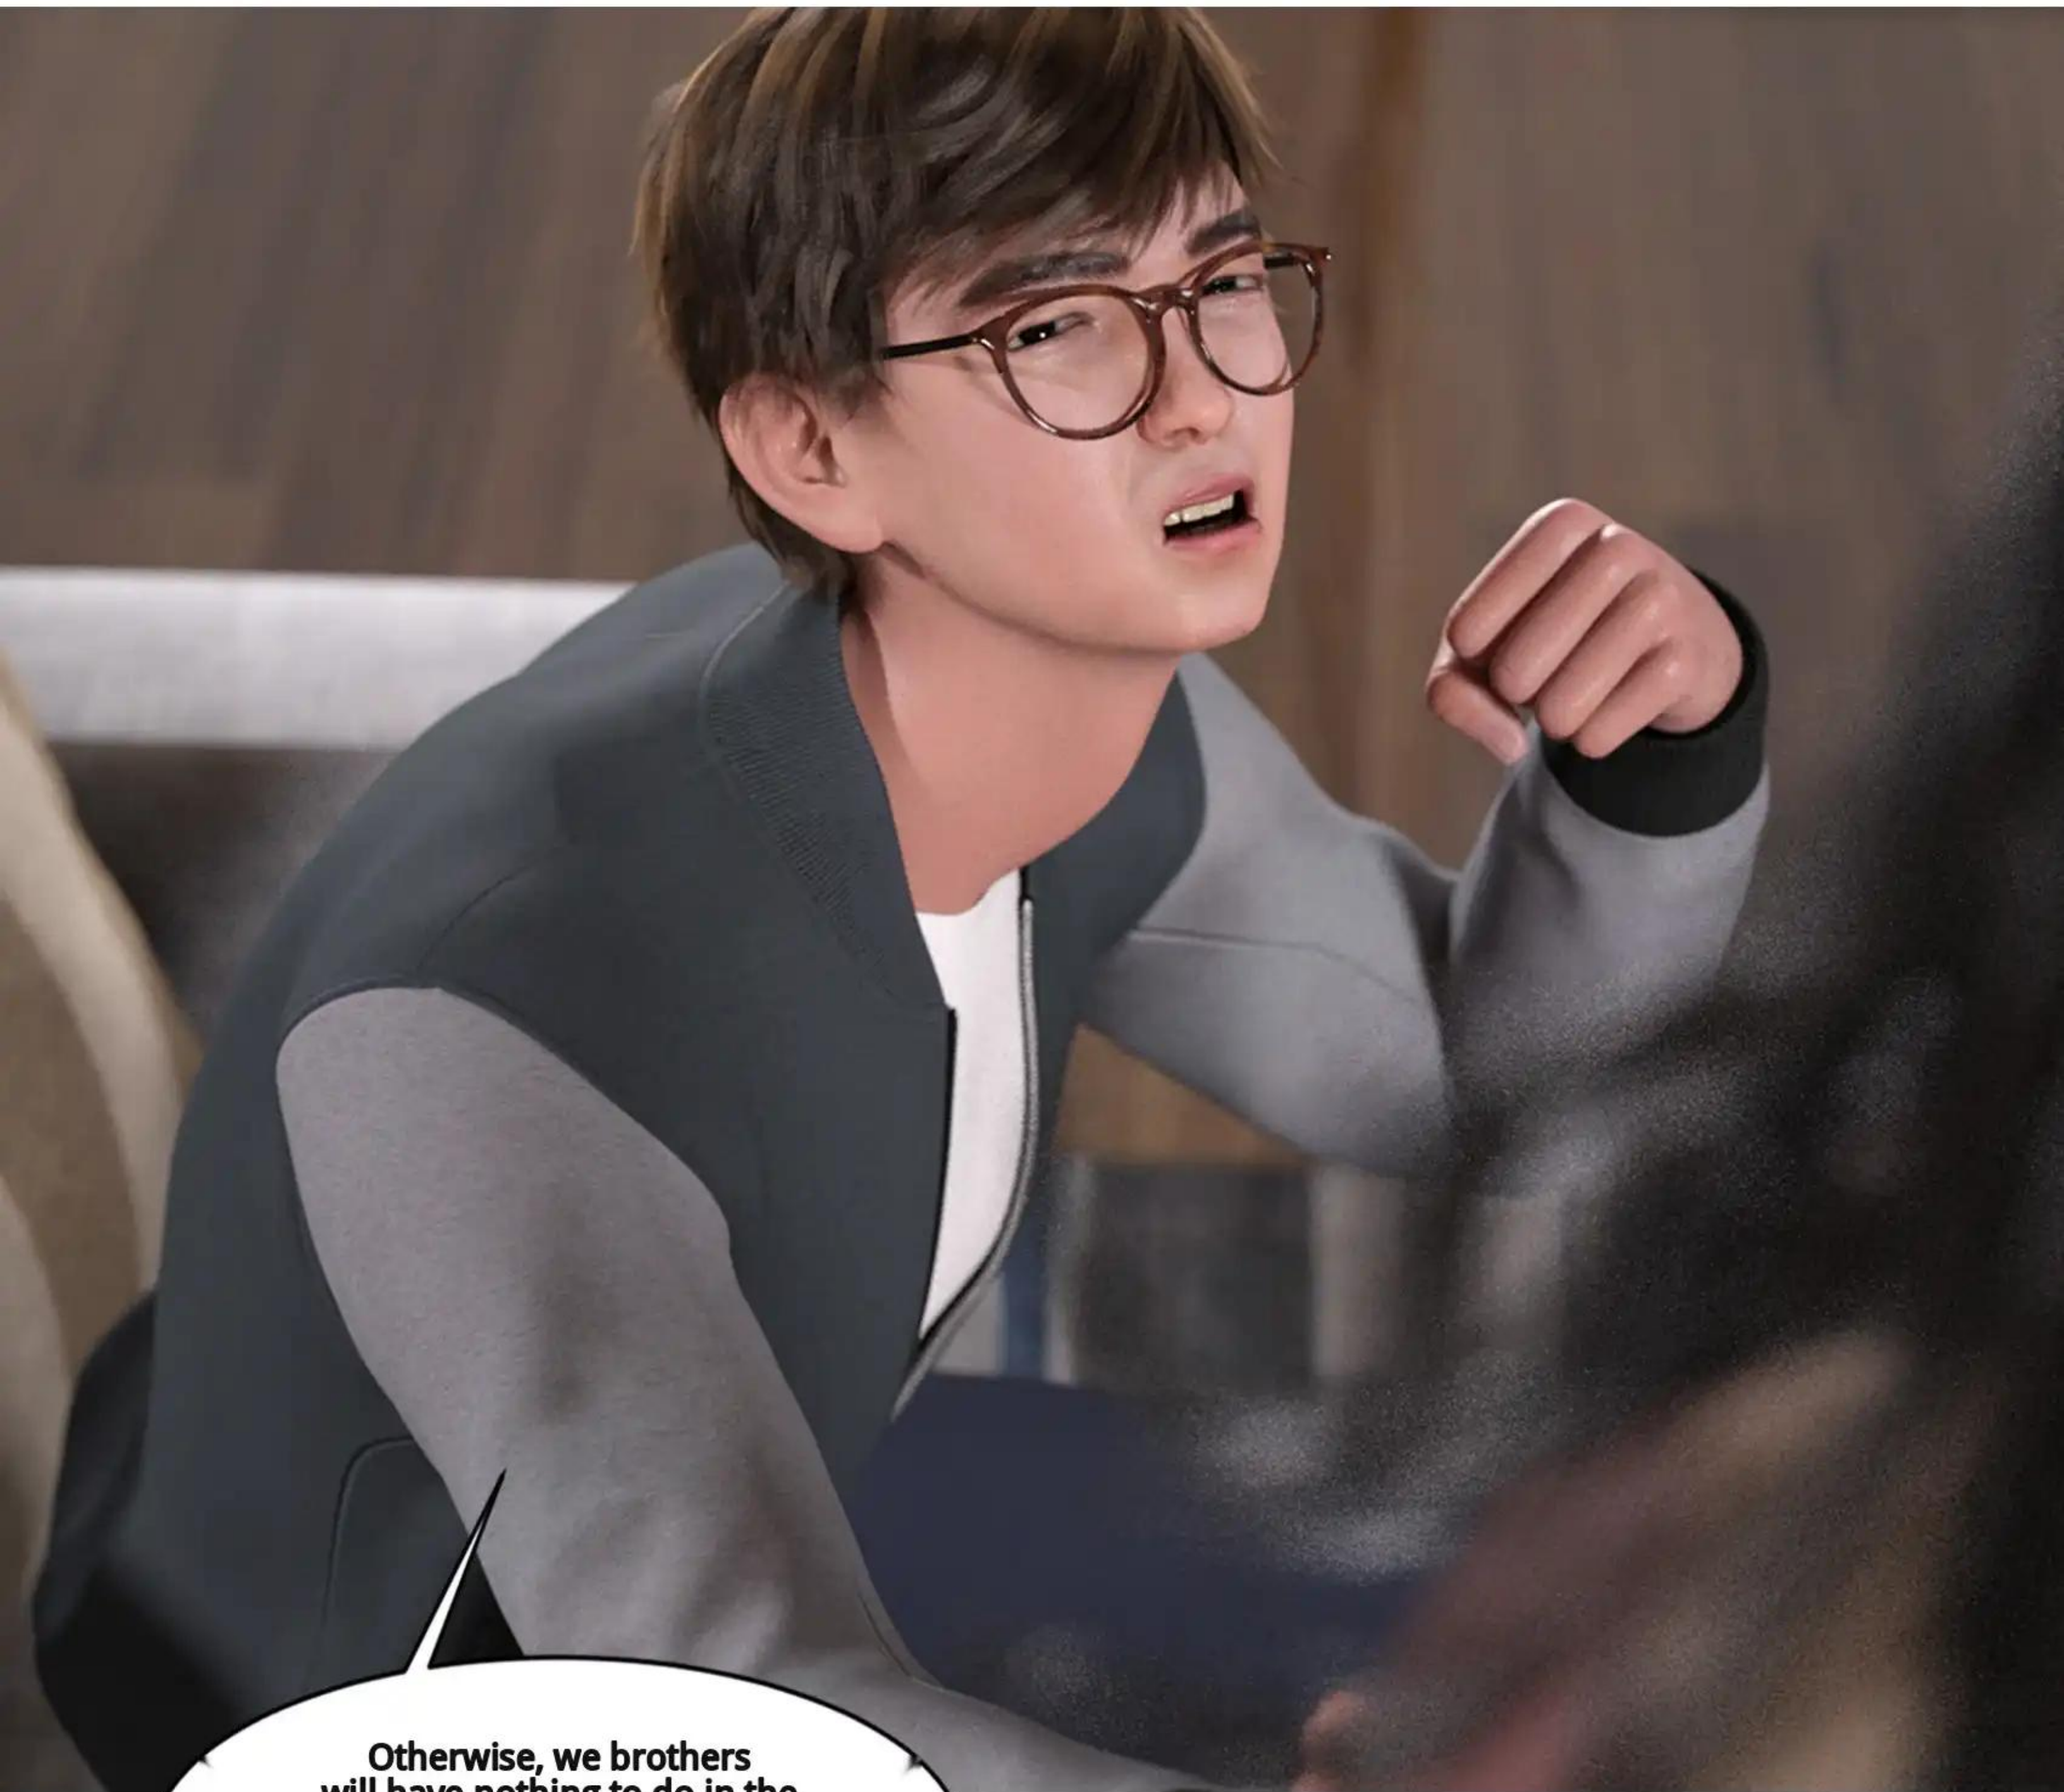

You and I are  
not the same...  
Besides, if you  
want to talk about  
messaging around,

Today I must ask you  
to change my mother back!  
Anyway, we can't go on like  
this, you, me...! That, that's  
different!

Don't you  
want to leave  
your good son ~  
our happy time,  
are you sure?

**Otherwise, we brothers will have nothing to do in the future! I'm warning you, don't come here, I won't let you get away with it today! Restore my mother immediately,**

A woman with long, wavy black hair and red lipstick is wearing a purple sequined dress with a large backless cutout. She is looking down and to the left, with her right hand near her shoulder and her left hand on her hip. She is wearing gold jewelry: a watch on her right wrist, a ring on her right hand, and a bracelet on her left wrist. A speech bubble is positioned above her head.

Is it okay if I take off  
my skin now? Yo...okay! I  
have to go to school  
tomorrow anyway,

But I really can't  
bear to part with it.  
Although I've only  
been with this skin  
for a few days,

Don't try to tempt me! I just ejaculated once in the parking lot, and now my head is very clear, hum! I want to pretend to be pitiful again, but I won't be fooled again!

Just follow him for now! It would be trouble if he caused trouble, forget it! This guy, Lao Zhou, didn't take the bait?

Hey..

I'm really not used to it! Huh ~ suddenly it changes back to my own voice

**You move faster!  
I'm even less used to  
it! Seeing my mother's  
body connected to  
your head,**

I know,  
why are you  
urging me?

This skin is so  
tight, it's hard to take  
it off! It's not like you  
don't know your  
mother's figure

Take  
it off~

**Sure enough, I am more accustomed to my original body!**

As long as you put it on, you can become your mother. This... this is your mother's human skin

Do you want to wear it and see your mother's skin? Now, Lao Zhou, this opportunity is rare,

You promise to  
change my mother back!  
I-I don't want it! It's you,  
you, what are you talking  
about?

Don't worry,  
when have I  
ever let you  
down?

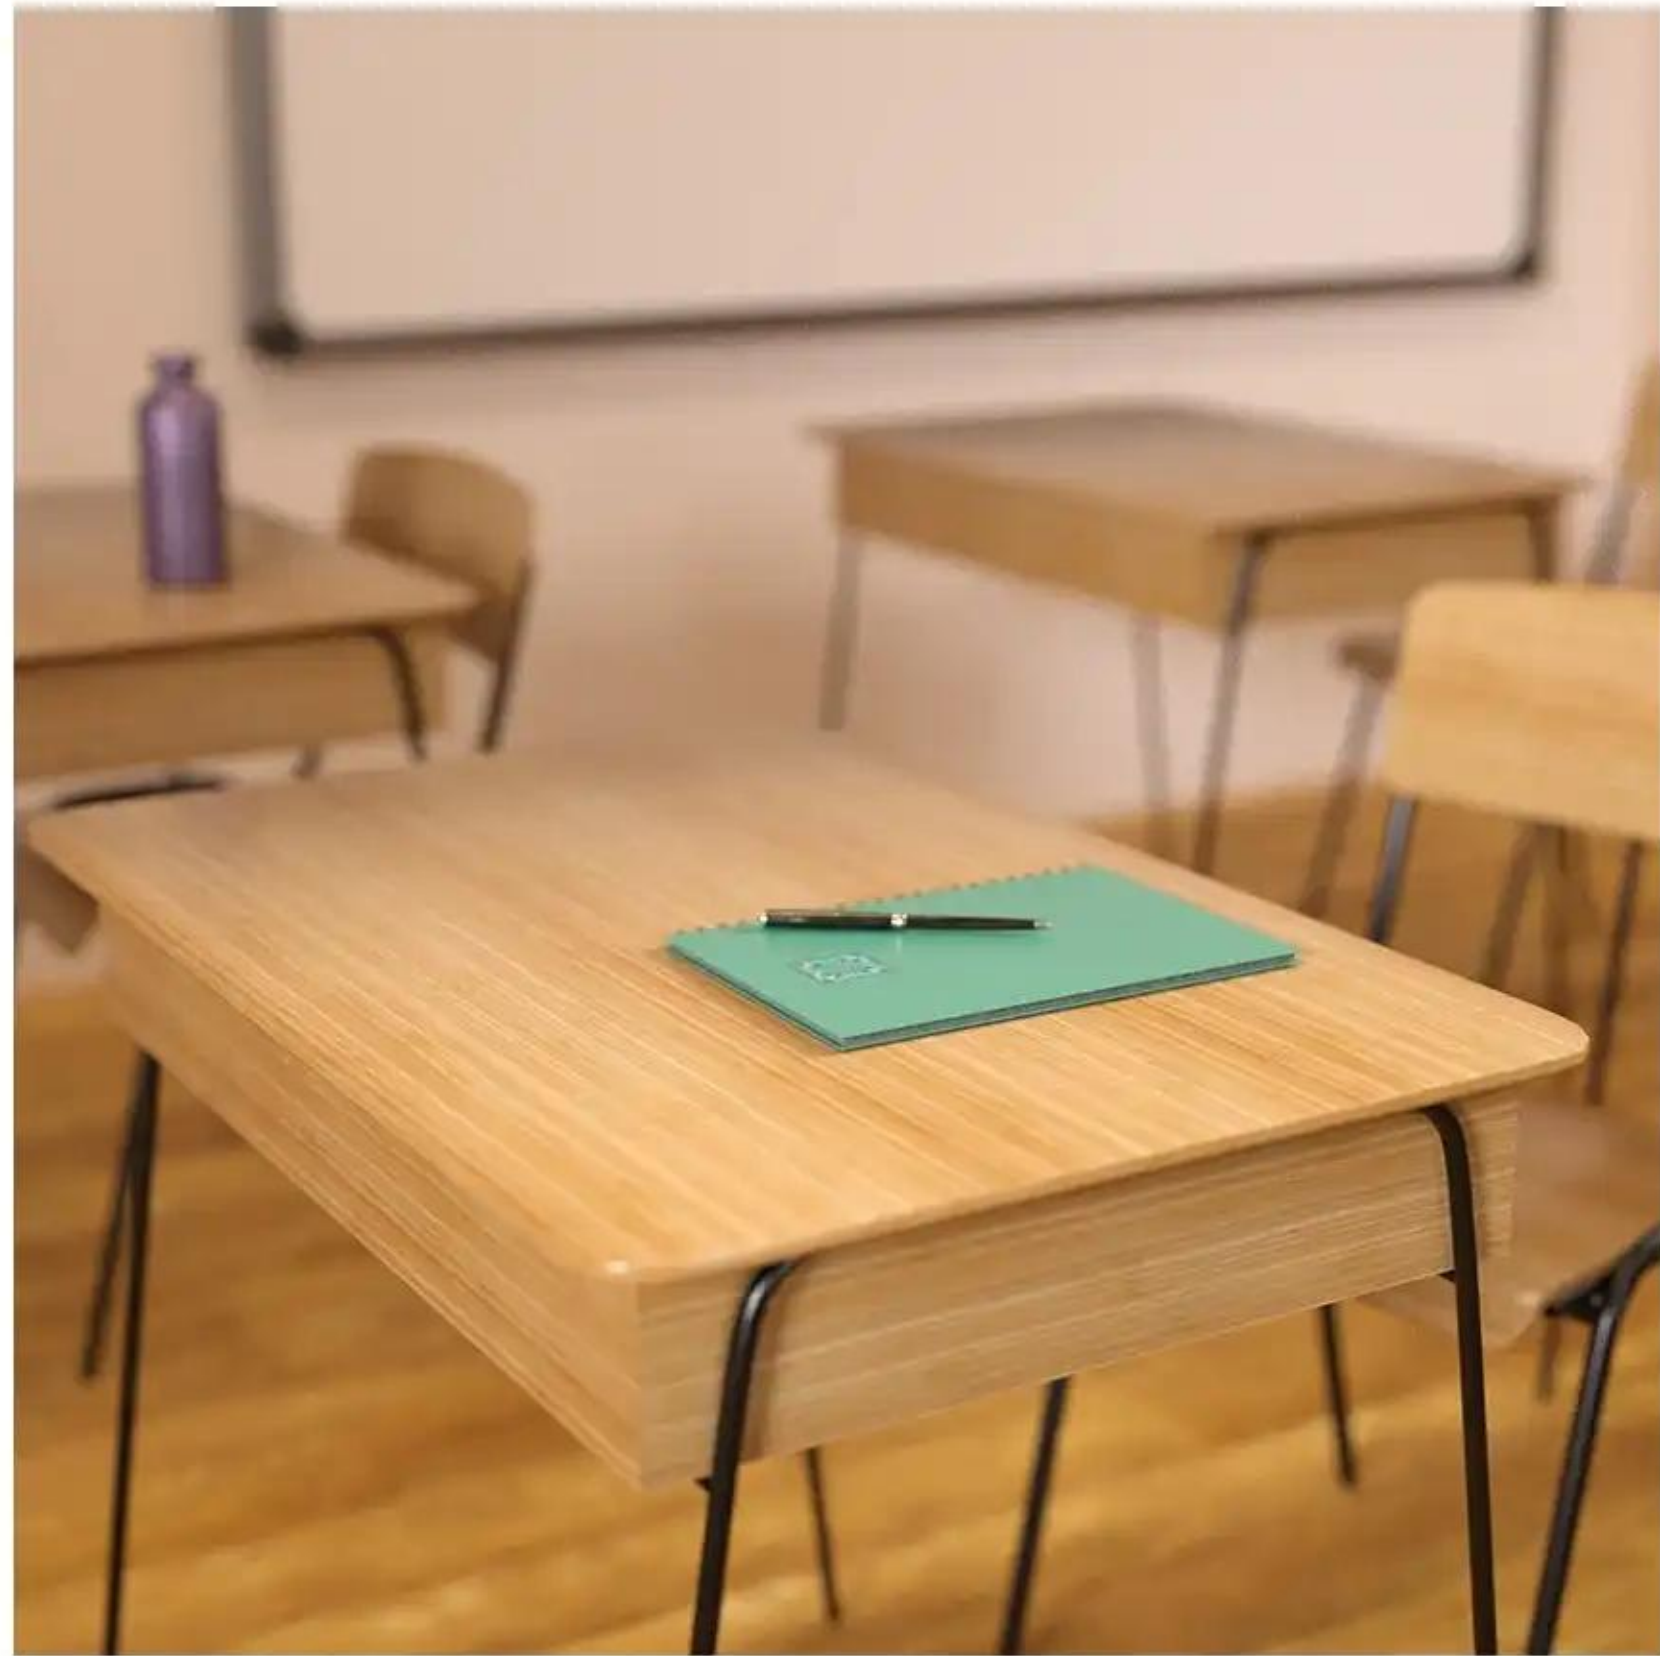

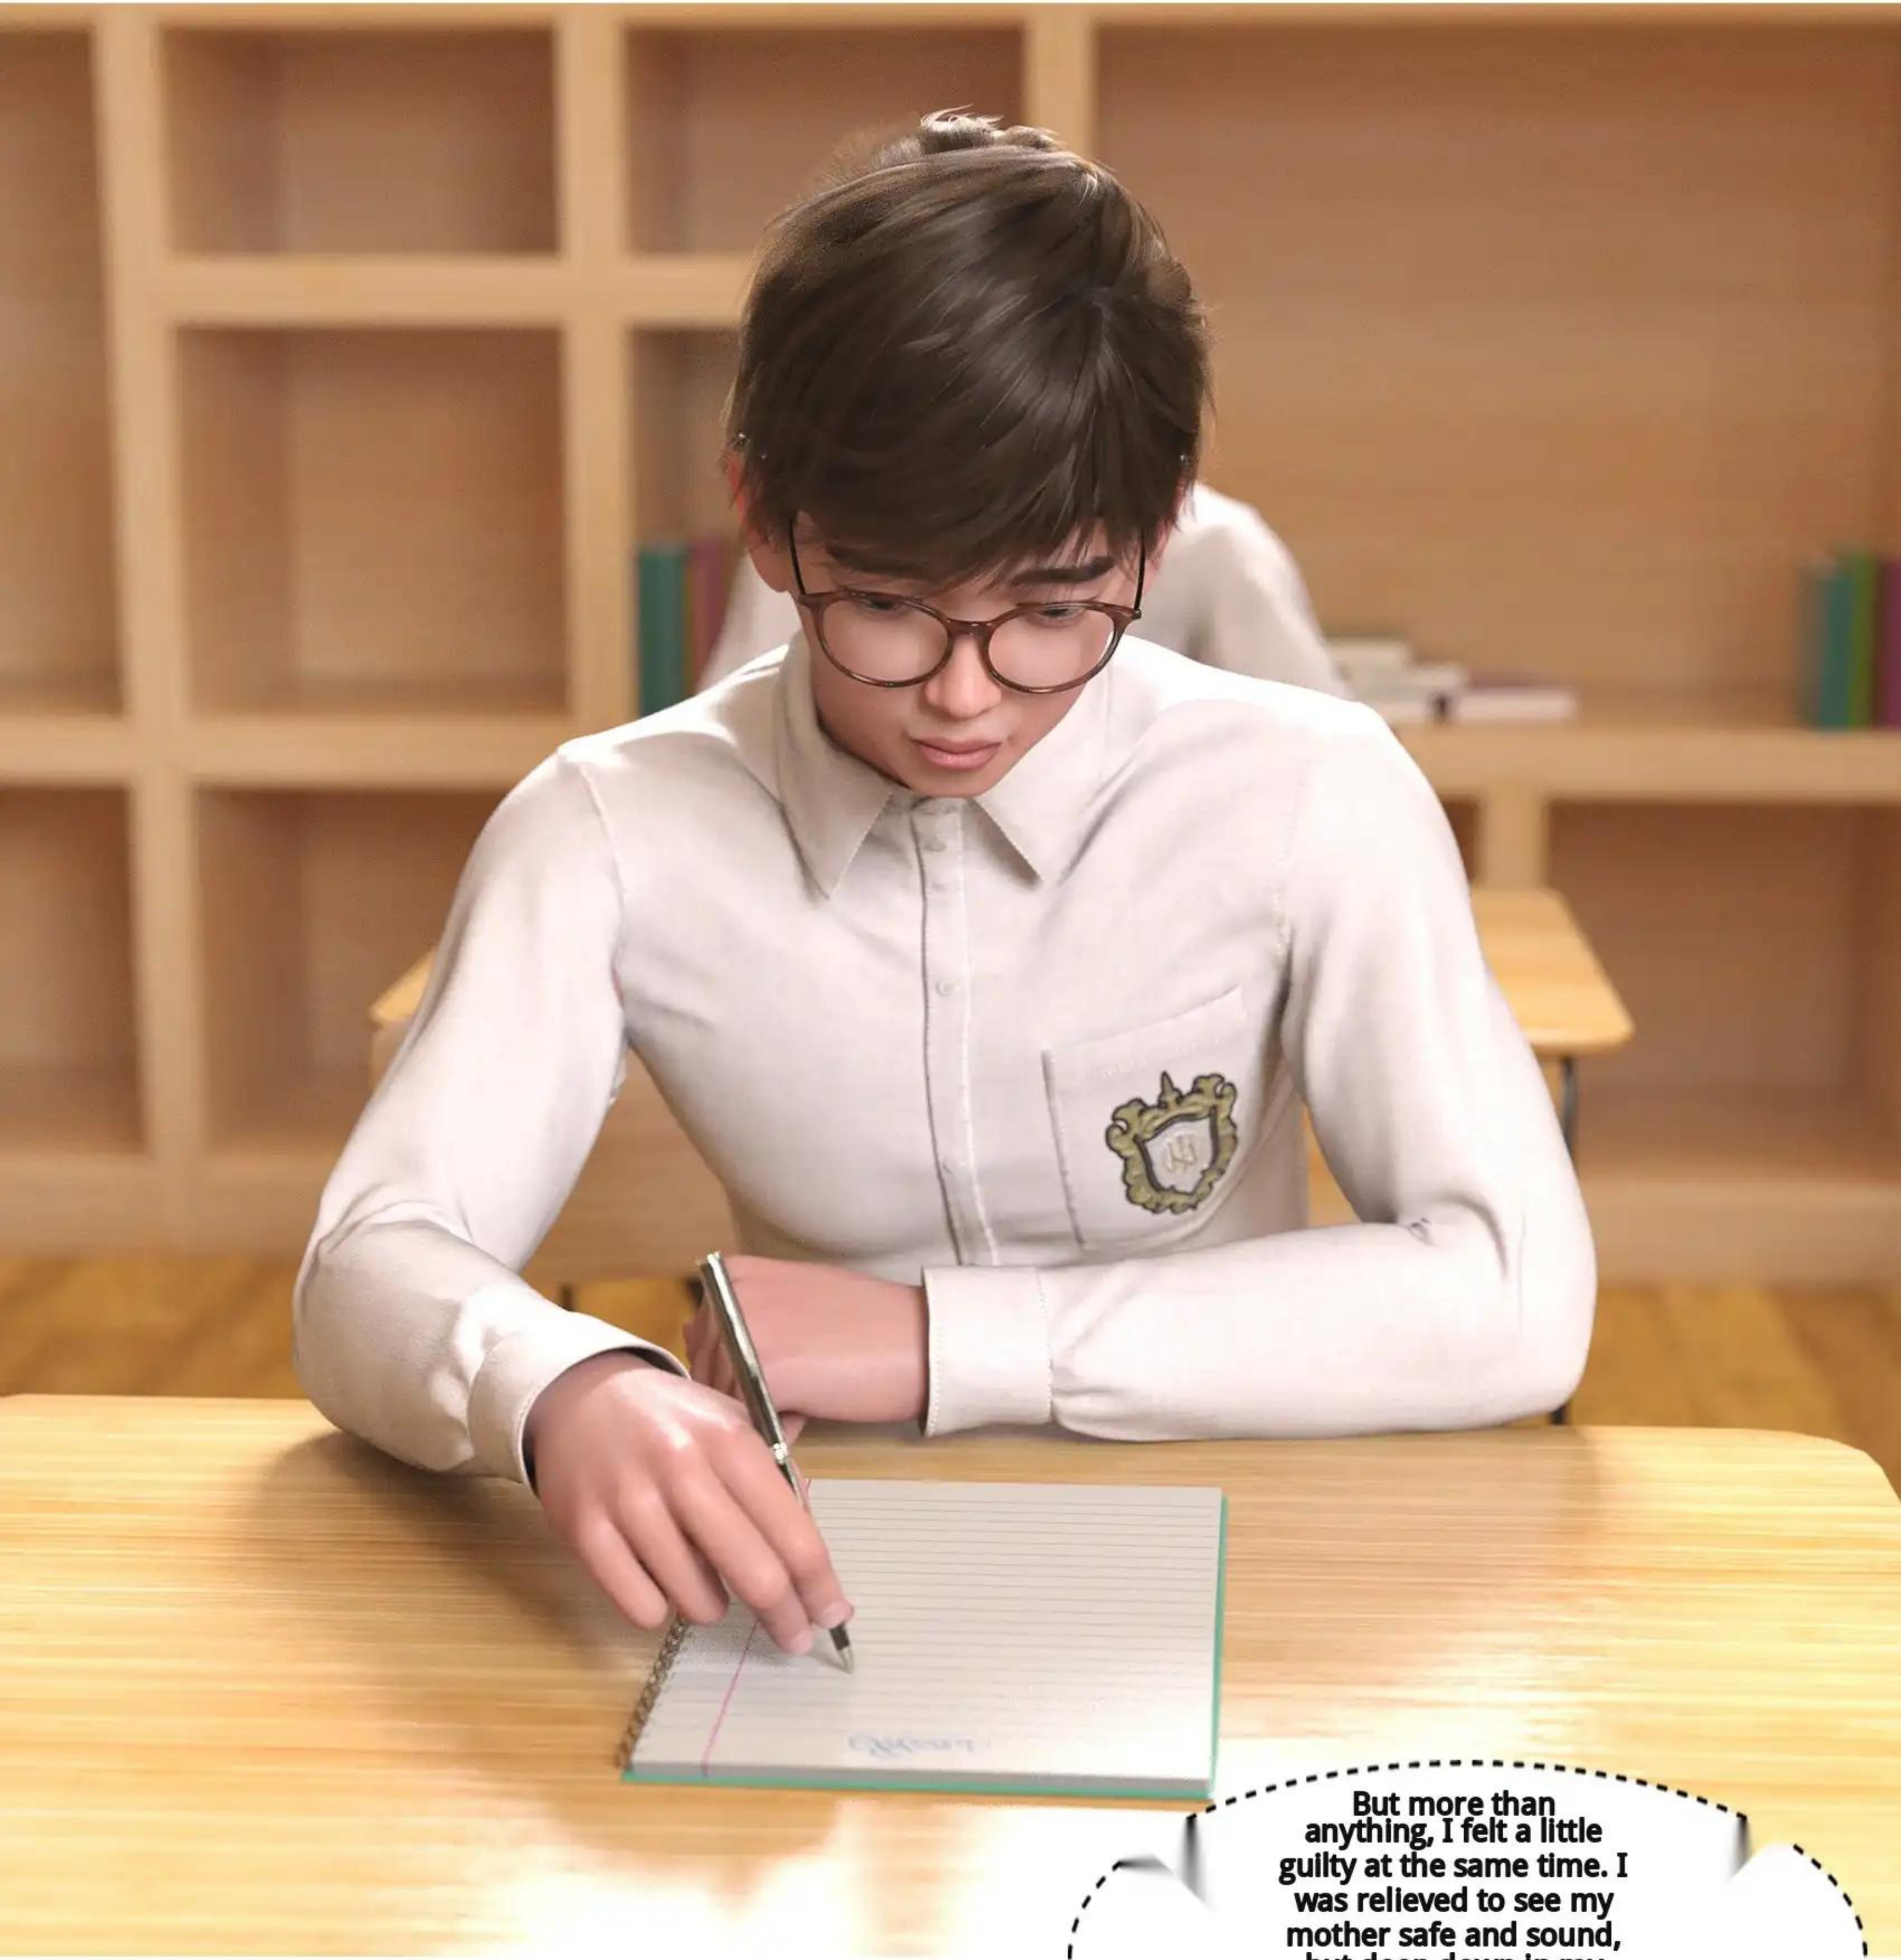

**Humph, thank you for  
your hospitality these days,  
auntie! But, I think... we will  
meet again soon!**

**She changed back to her original self...Mother's originally limp body gradually expanded as the leather gun in Lao Shao's hand emitted a strange light.**

**But more than anything, I felt a little guilty at the same time. I was relieved to see my mother safe and sound, but deep down in my heart I couldn't ignore the reluctance and disappointment.**

But I didn't notice anything wrong. Although I was a little confused about the memory loss of two days, fortunately, after my mother regained consciousness,

This also made me see the greatness of that leather gun again! It was completely impossible to tell that she had been invaded by a male high school student. Her body was still beautiful and tight.

Replace  
leather eaves  
for use

Where did Lao Shao get such a magical thing? If you have a chance, you should come and ask him! Speaking of him, I haven't seen him since the last class. He just skipped class again as usual.

Click  
one

**Classmates,  
come to  
class!**

Huh?

Did Witch Ginger change her gender today? Why are you dressed like this? Doesn't she always like to dress up in an old-fashioned way? (Zhou Ming thought) No, I usually scold any student I see who is disheveled!

**Did he attack the witch Jiang? Could it be that...! It's Lao Shao,**

whispers

Wow! Real or fake? Does the teacher have a partner?

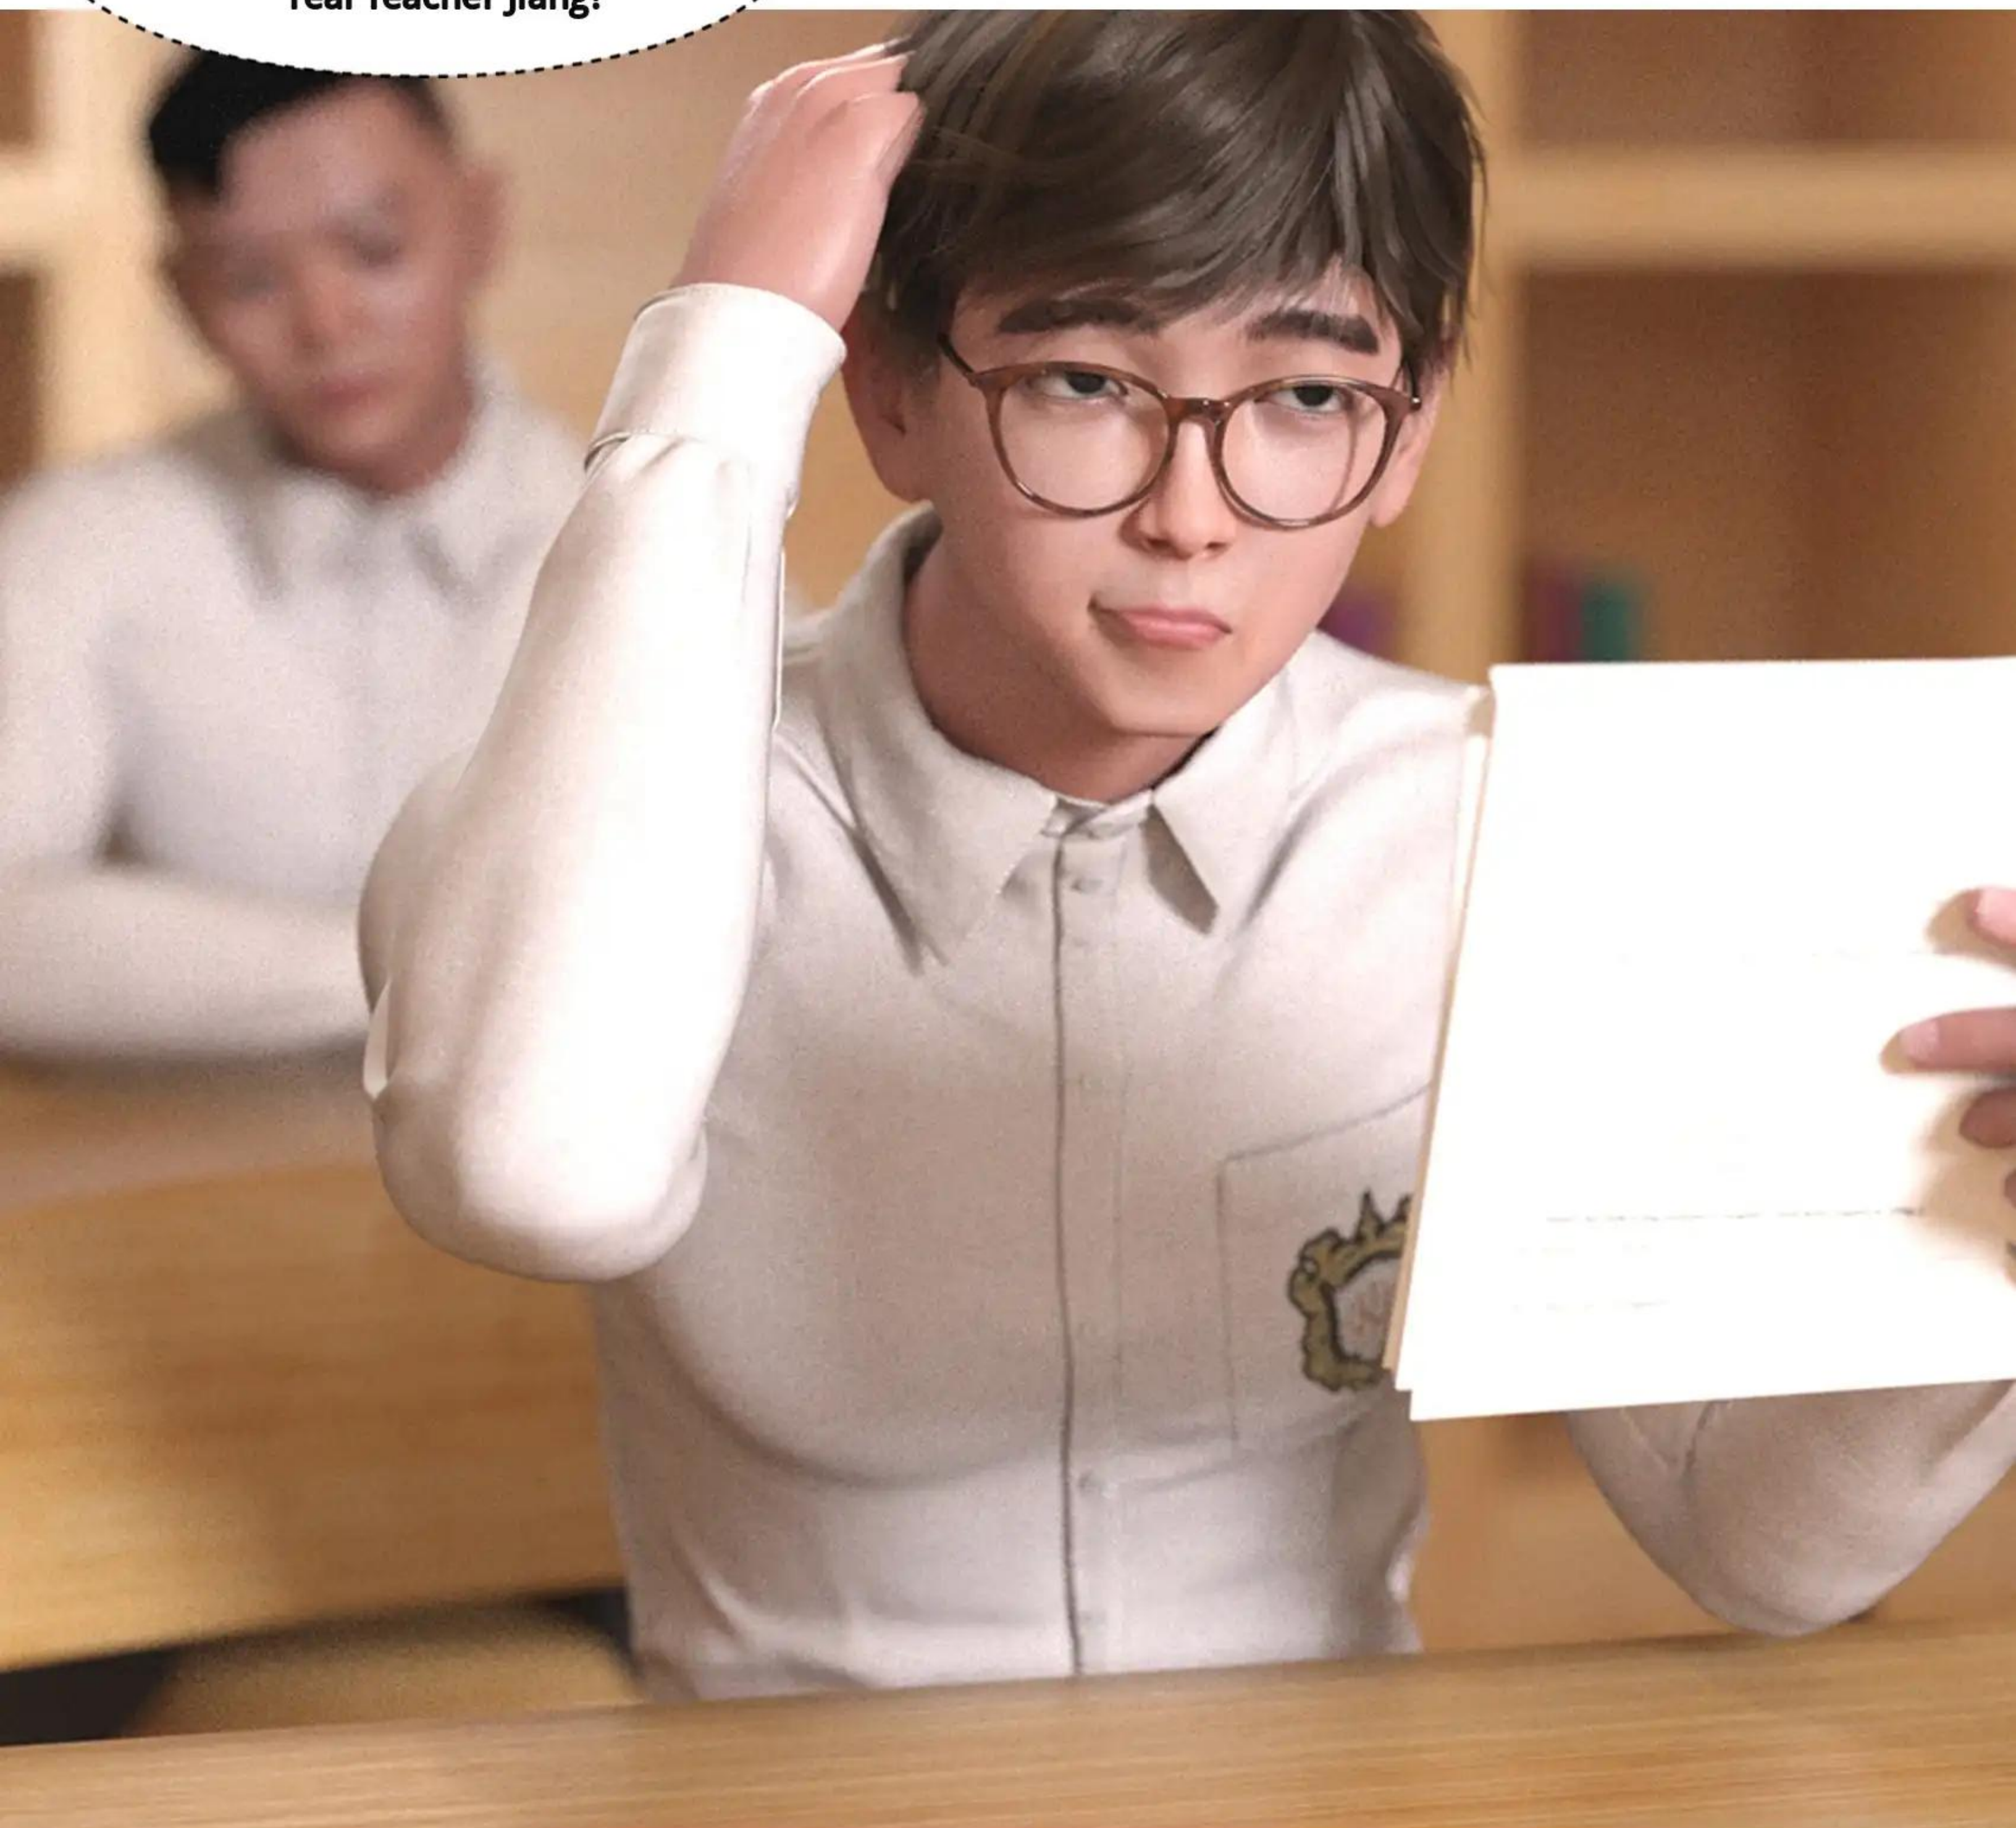

Oh~ Teacher, are you going on a date tonight? How come you are so beautifully dressed!

**Be quiet! Don't focus on dressing or love gossip all day long! It has nothing to do with you how the teacher dresses up. As students, you should study hard when you come to school.**

Okay, take out the textbook. Today we are going to talk about the use of attributive clauses. ....

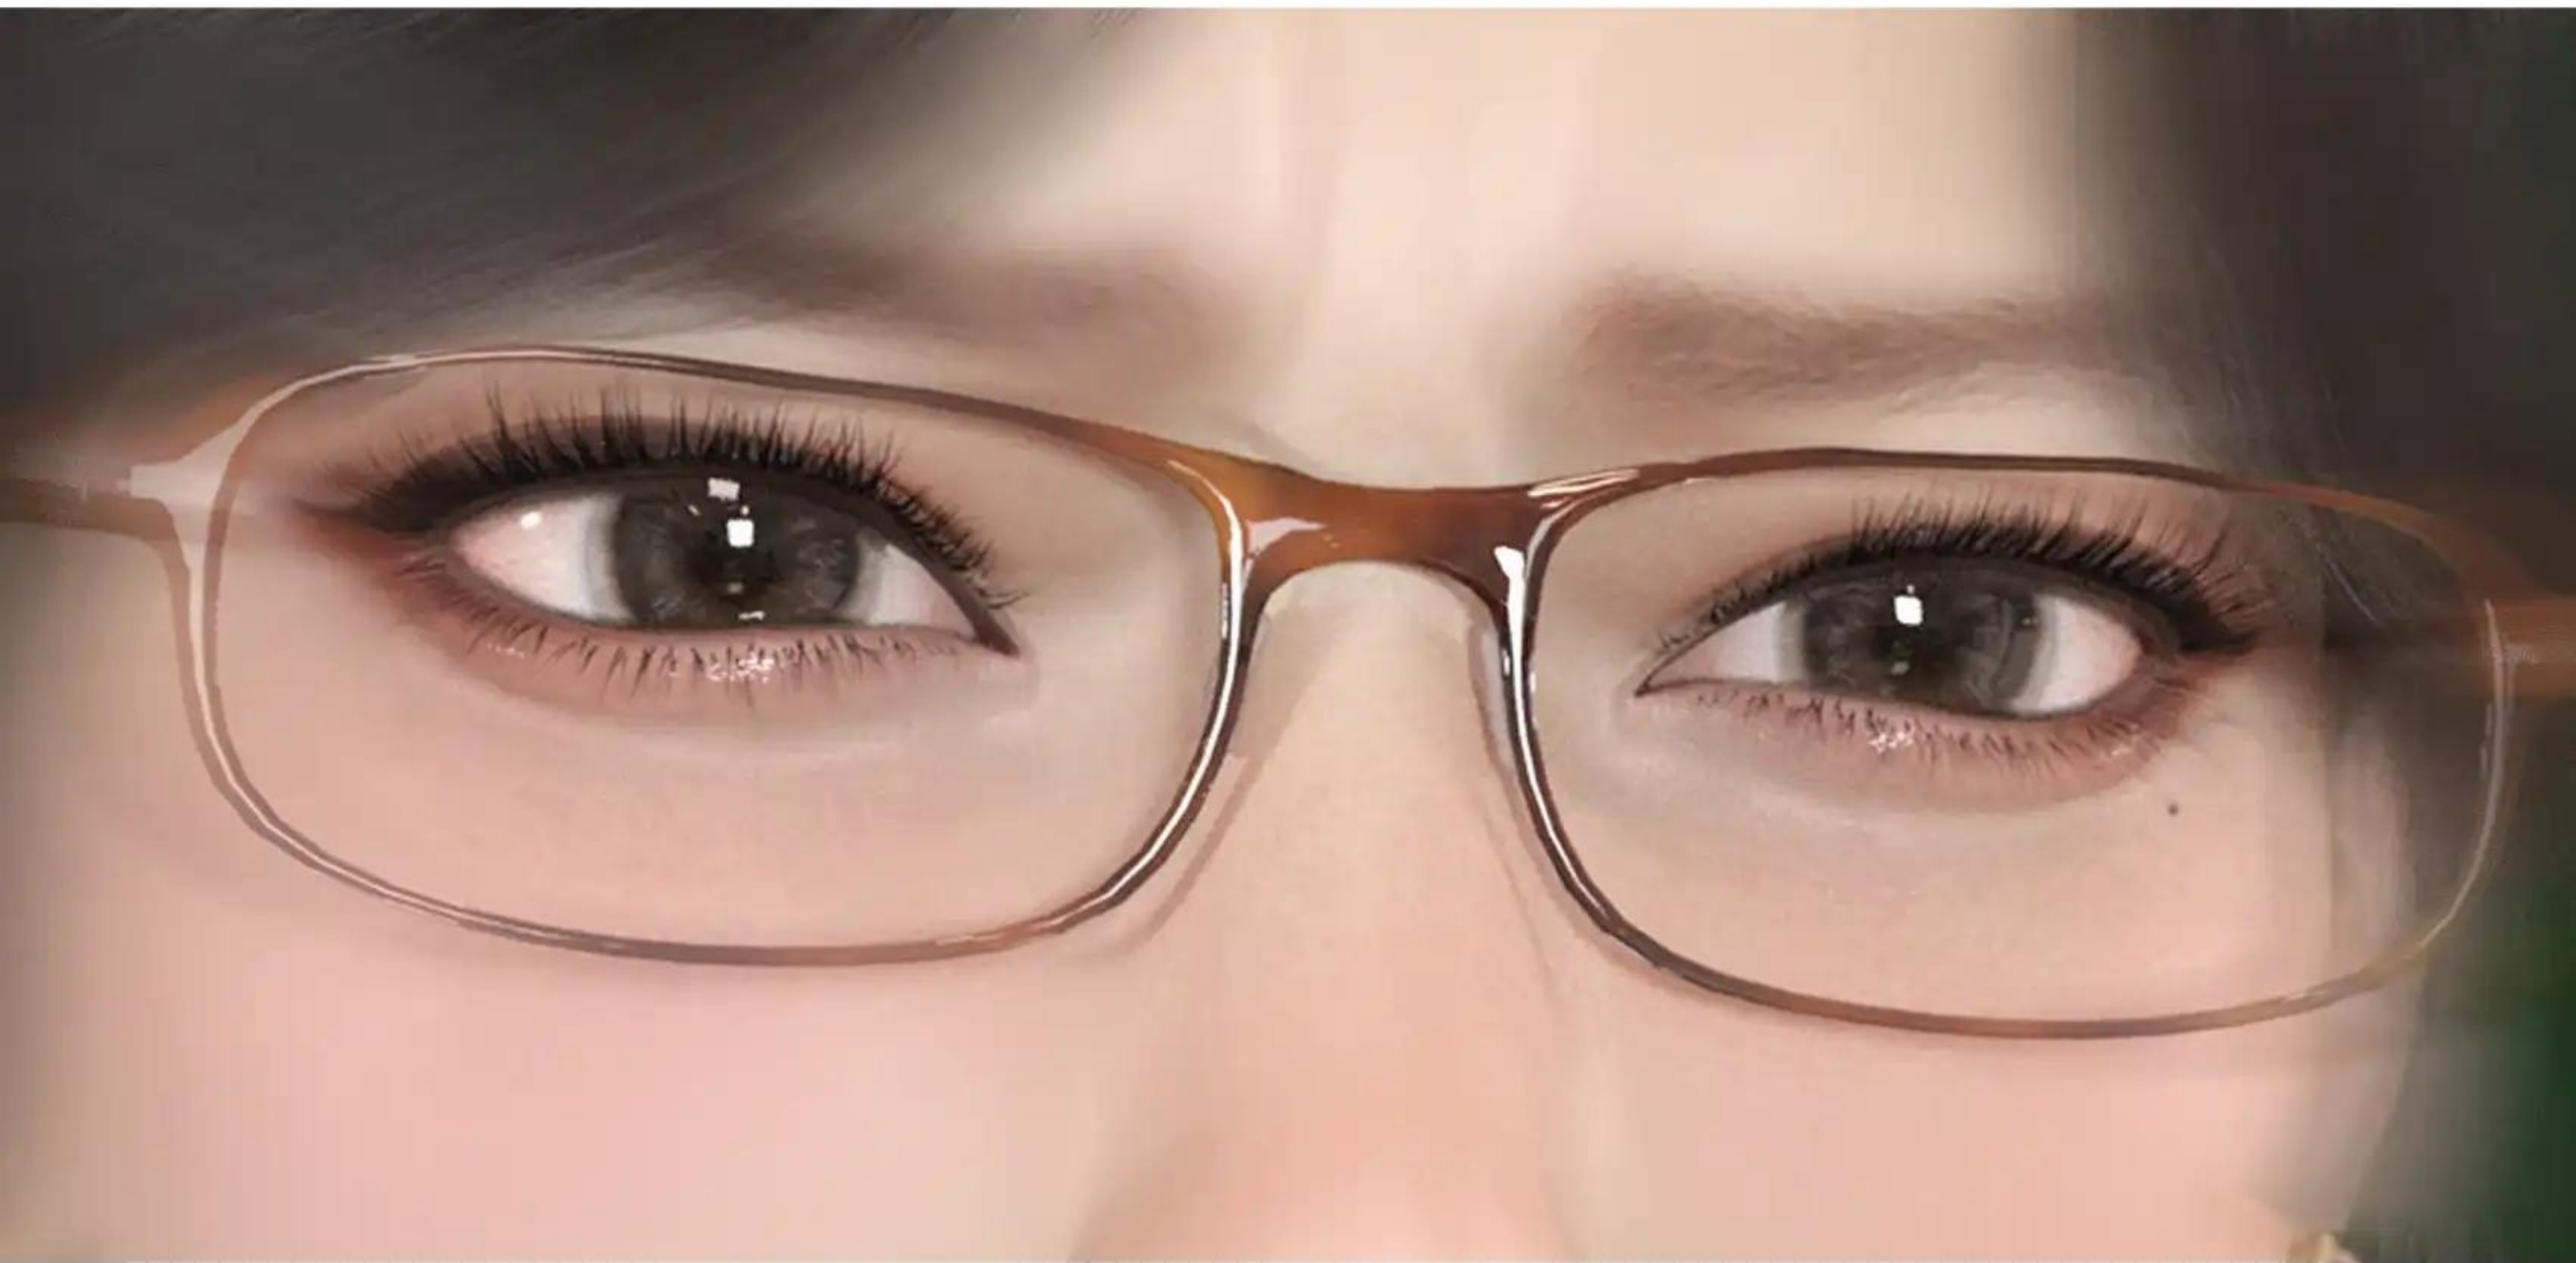

.....  
What she said was  
really the content of this  
class. Could she be the  
real Teacher Jiang?

**This dress is so different from her usual appearance, but if it was really Teacher Jiang, there would be no way she could speak such fluent English! But as for Lao Shao's poor performance,**

...Zhou Ming, what are you doing if you don't pay attention in class and keep staring at the teacher?

I'm thinking about  
the content of the  
textbook...Ah...Teacher,  
I, I was just...

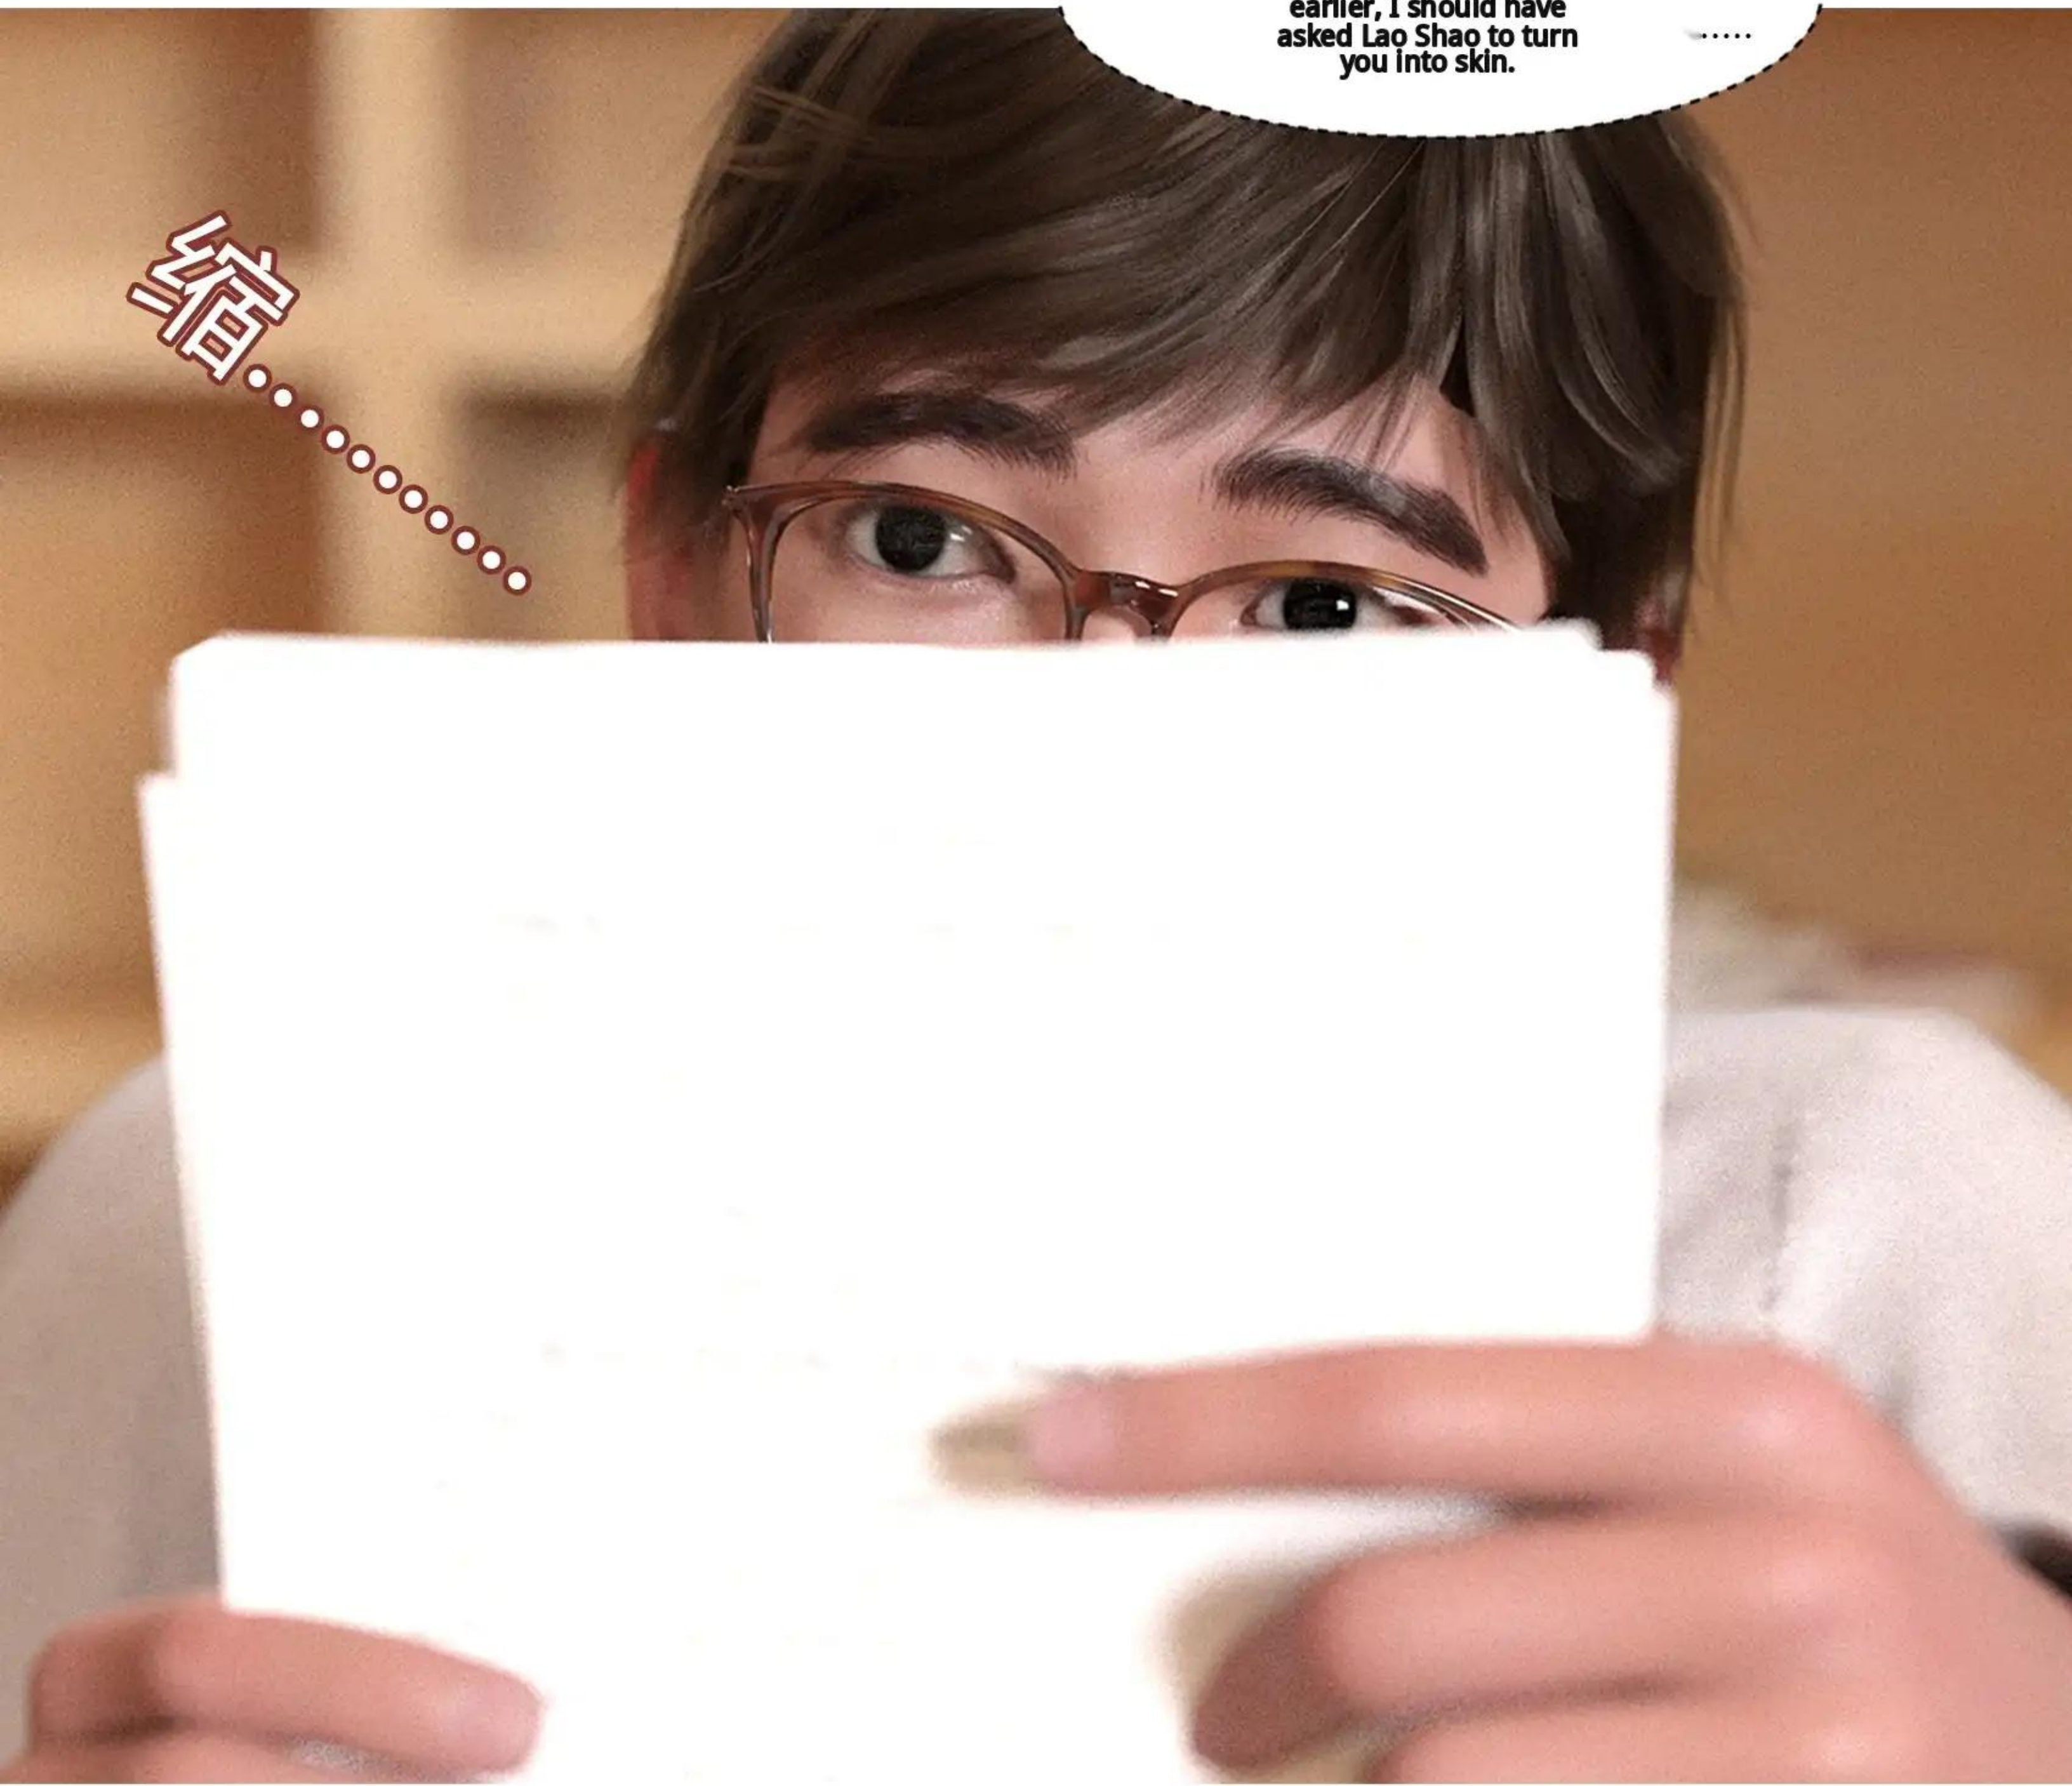

You can stop paying attention to class! snort! Some students should not think that they have good grades;

It's you who suffer! What the teacher said in class didn't sound good to me.

.....  
It's not like  
menopause is coming  
early and you are so  
fierce. If I had known  
earlier, I should have  
asked Lao Shao to turn  
you into skin.  
.....

**.Hiss, this  
acrimonious  
tone is indeed  
the Witch Jiang  
herself!**

缩.....

**Lao Shao wonders  
how cool it would be to  
use a leather gun outside!  
Alas, here I am tortured  
by the witch ginger,**

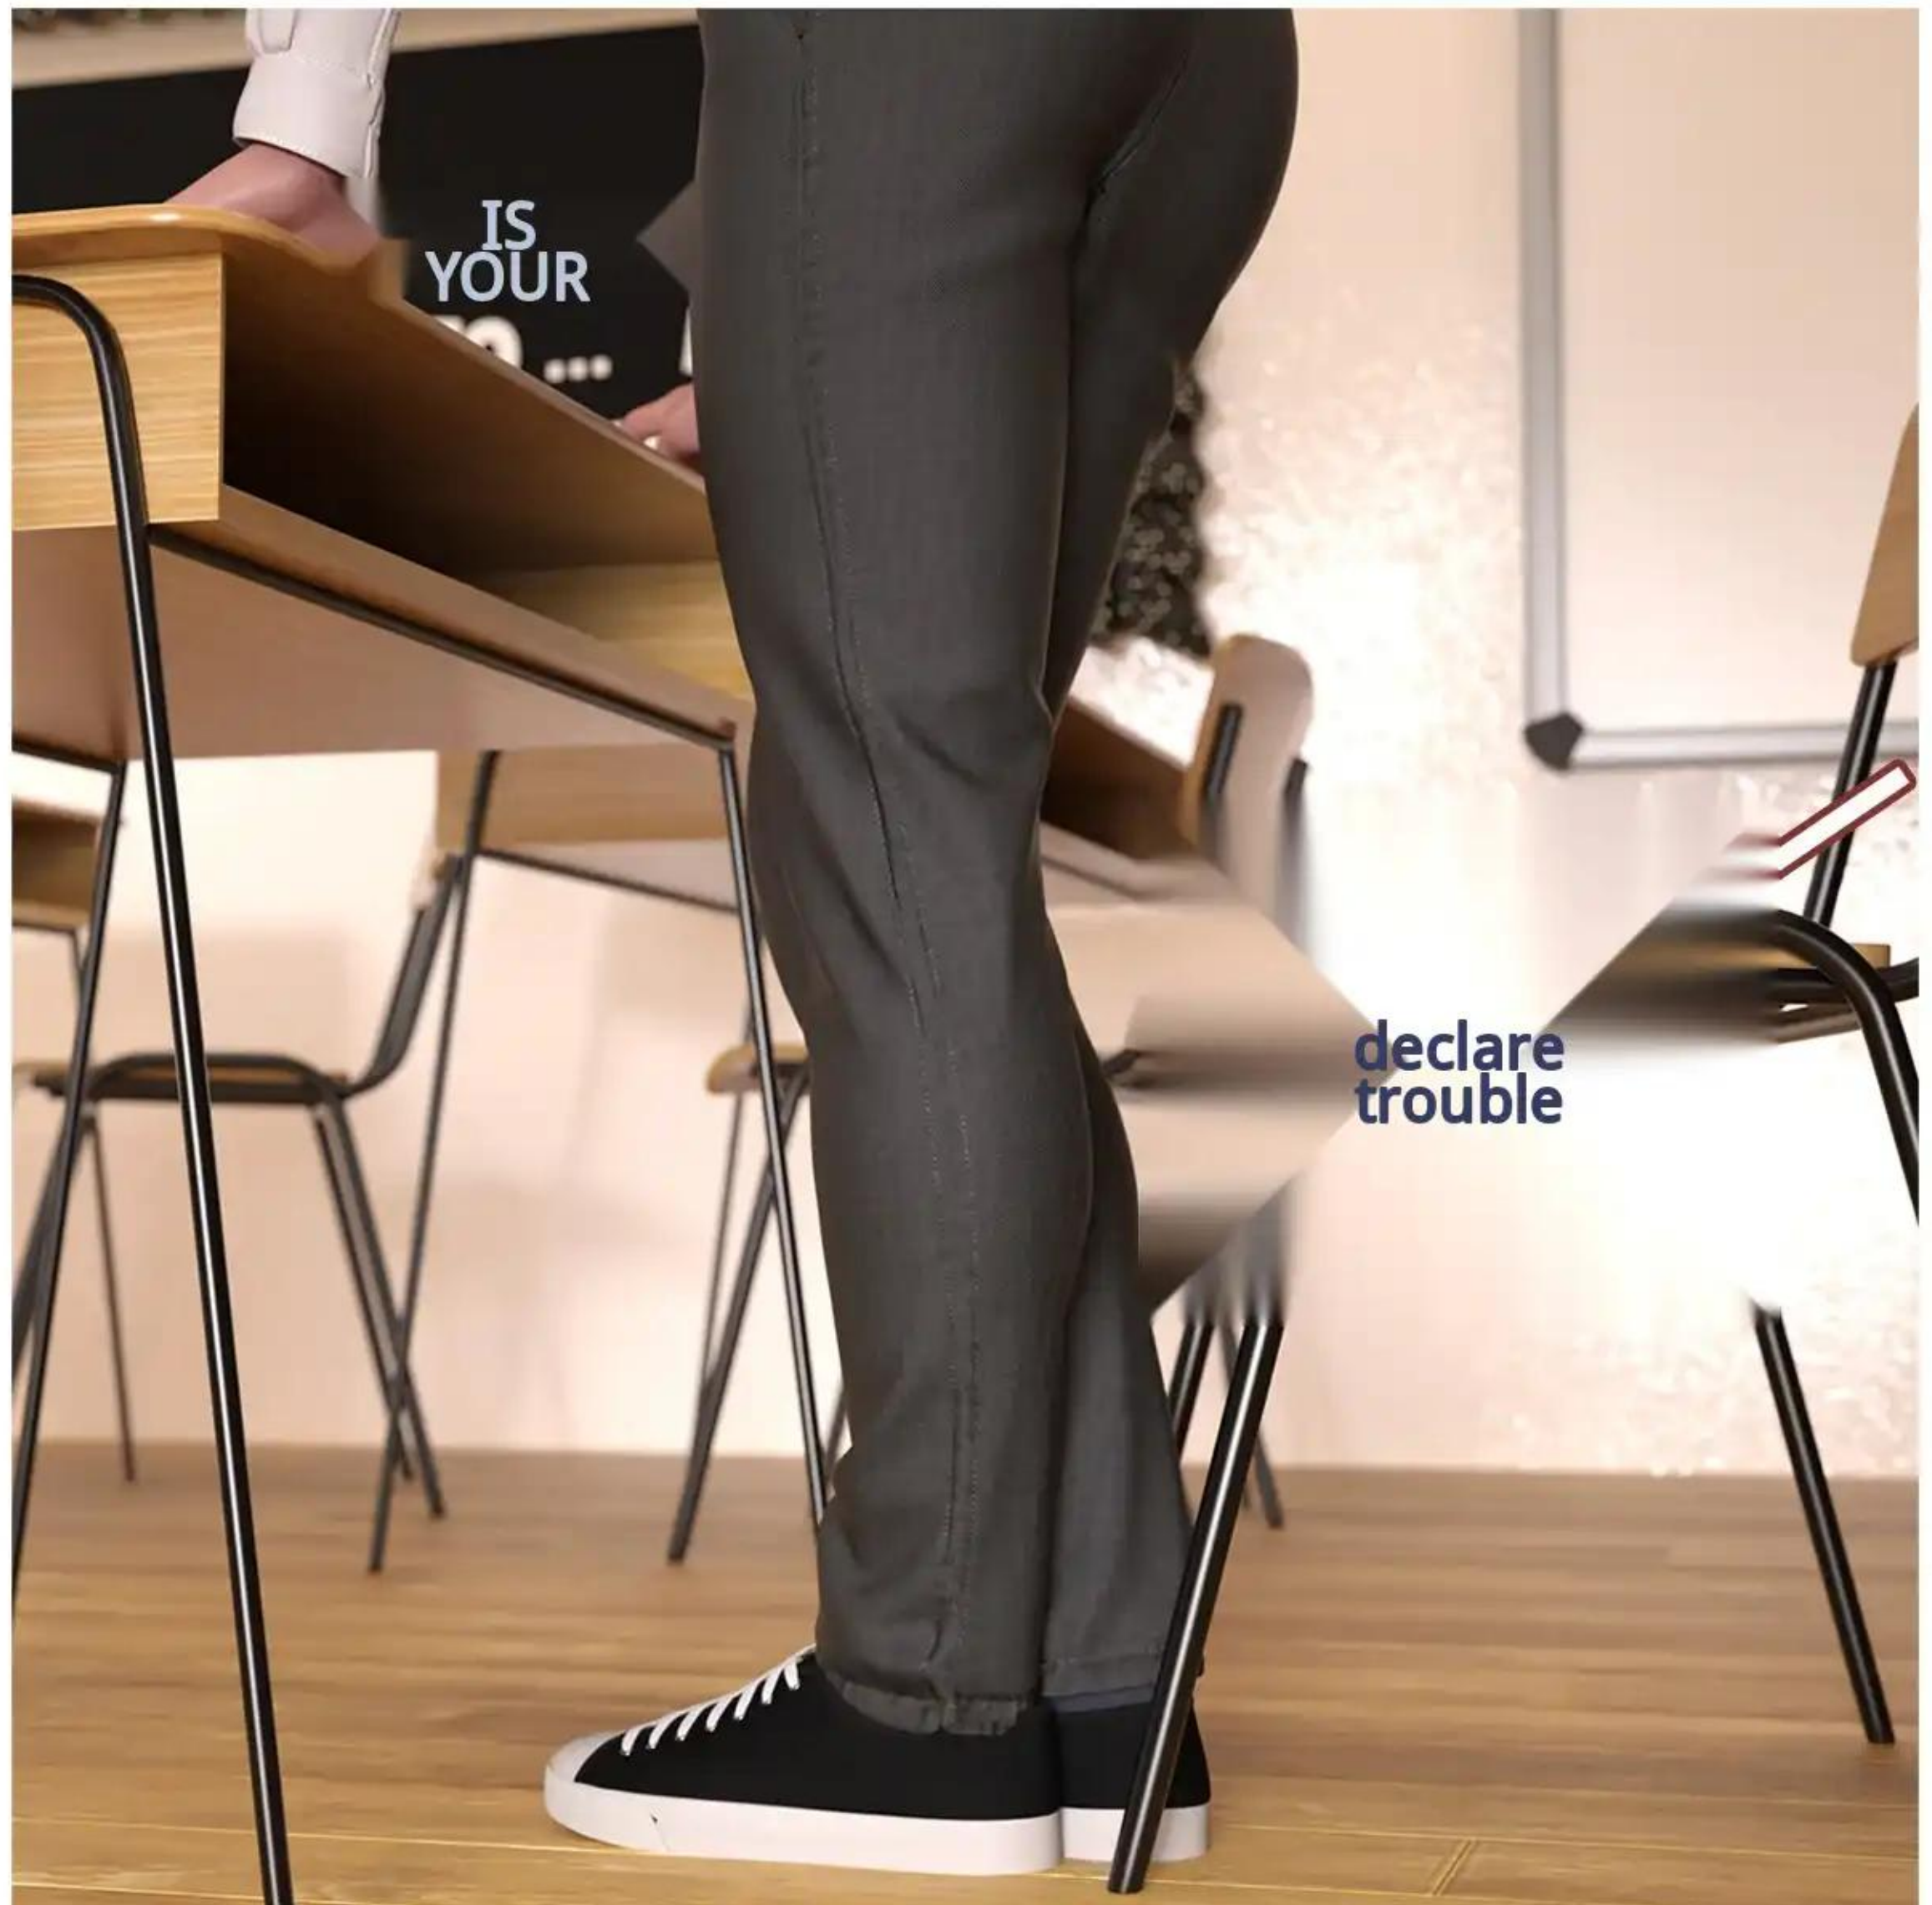

Zong~~ticket

Let's go  
change clothes!  
yeah! Let's go,

Let's go quickly!  
The physical  
education teacher  
said we can play  
ball today

A woman with dark hair pulled back, wearing glasses and a white short-sleeved button-down shirt, is pointing her right index finger towards the viewer. She has a serious expression. In the background, there is a green chalkboard and the back of a person's head with long dark hair. Two speech bubbles are present: one above her head and one below her chest.

**Zhou  
Ming,  
wait a  
moment!**

**I left Zhou Ming to  
come down and talk! Monitor,  
help me tell your physical  
education teacher,**

old,  
Teacher, it's my fault for being distracted in class. It depends on whether you want me to write a self-criticism or whatever! I, I apologize to you, Ming...

.....Ah?

Hehe...I didn't keep you here just to distract you from class!

Let me ask you, you and Shao Yuchen are good friends, right?

As a result, the director happened to catch him! Shao Yuchen intended to do something wrong to me. Just before class,

And confessed everything you two did to your mother! In addition to explaining the weird leather gun, he

What to do, what to do! How could it be discovered! Depend on? ! Lao Shao was too careless and he even told everything about what happened in the past few days.

**It's simply disgusting! You should figure out how to explain to them! How dare two students do such a thing to an adult? The police will be here soon.**

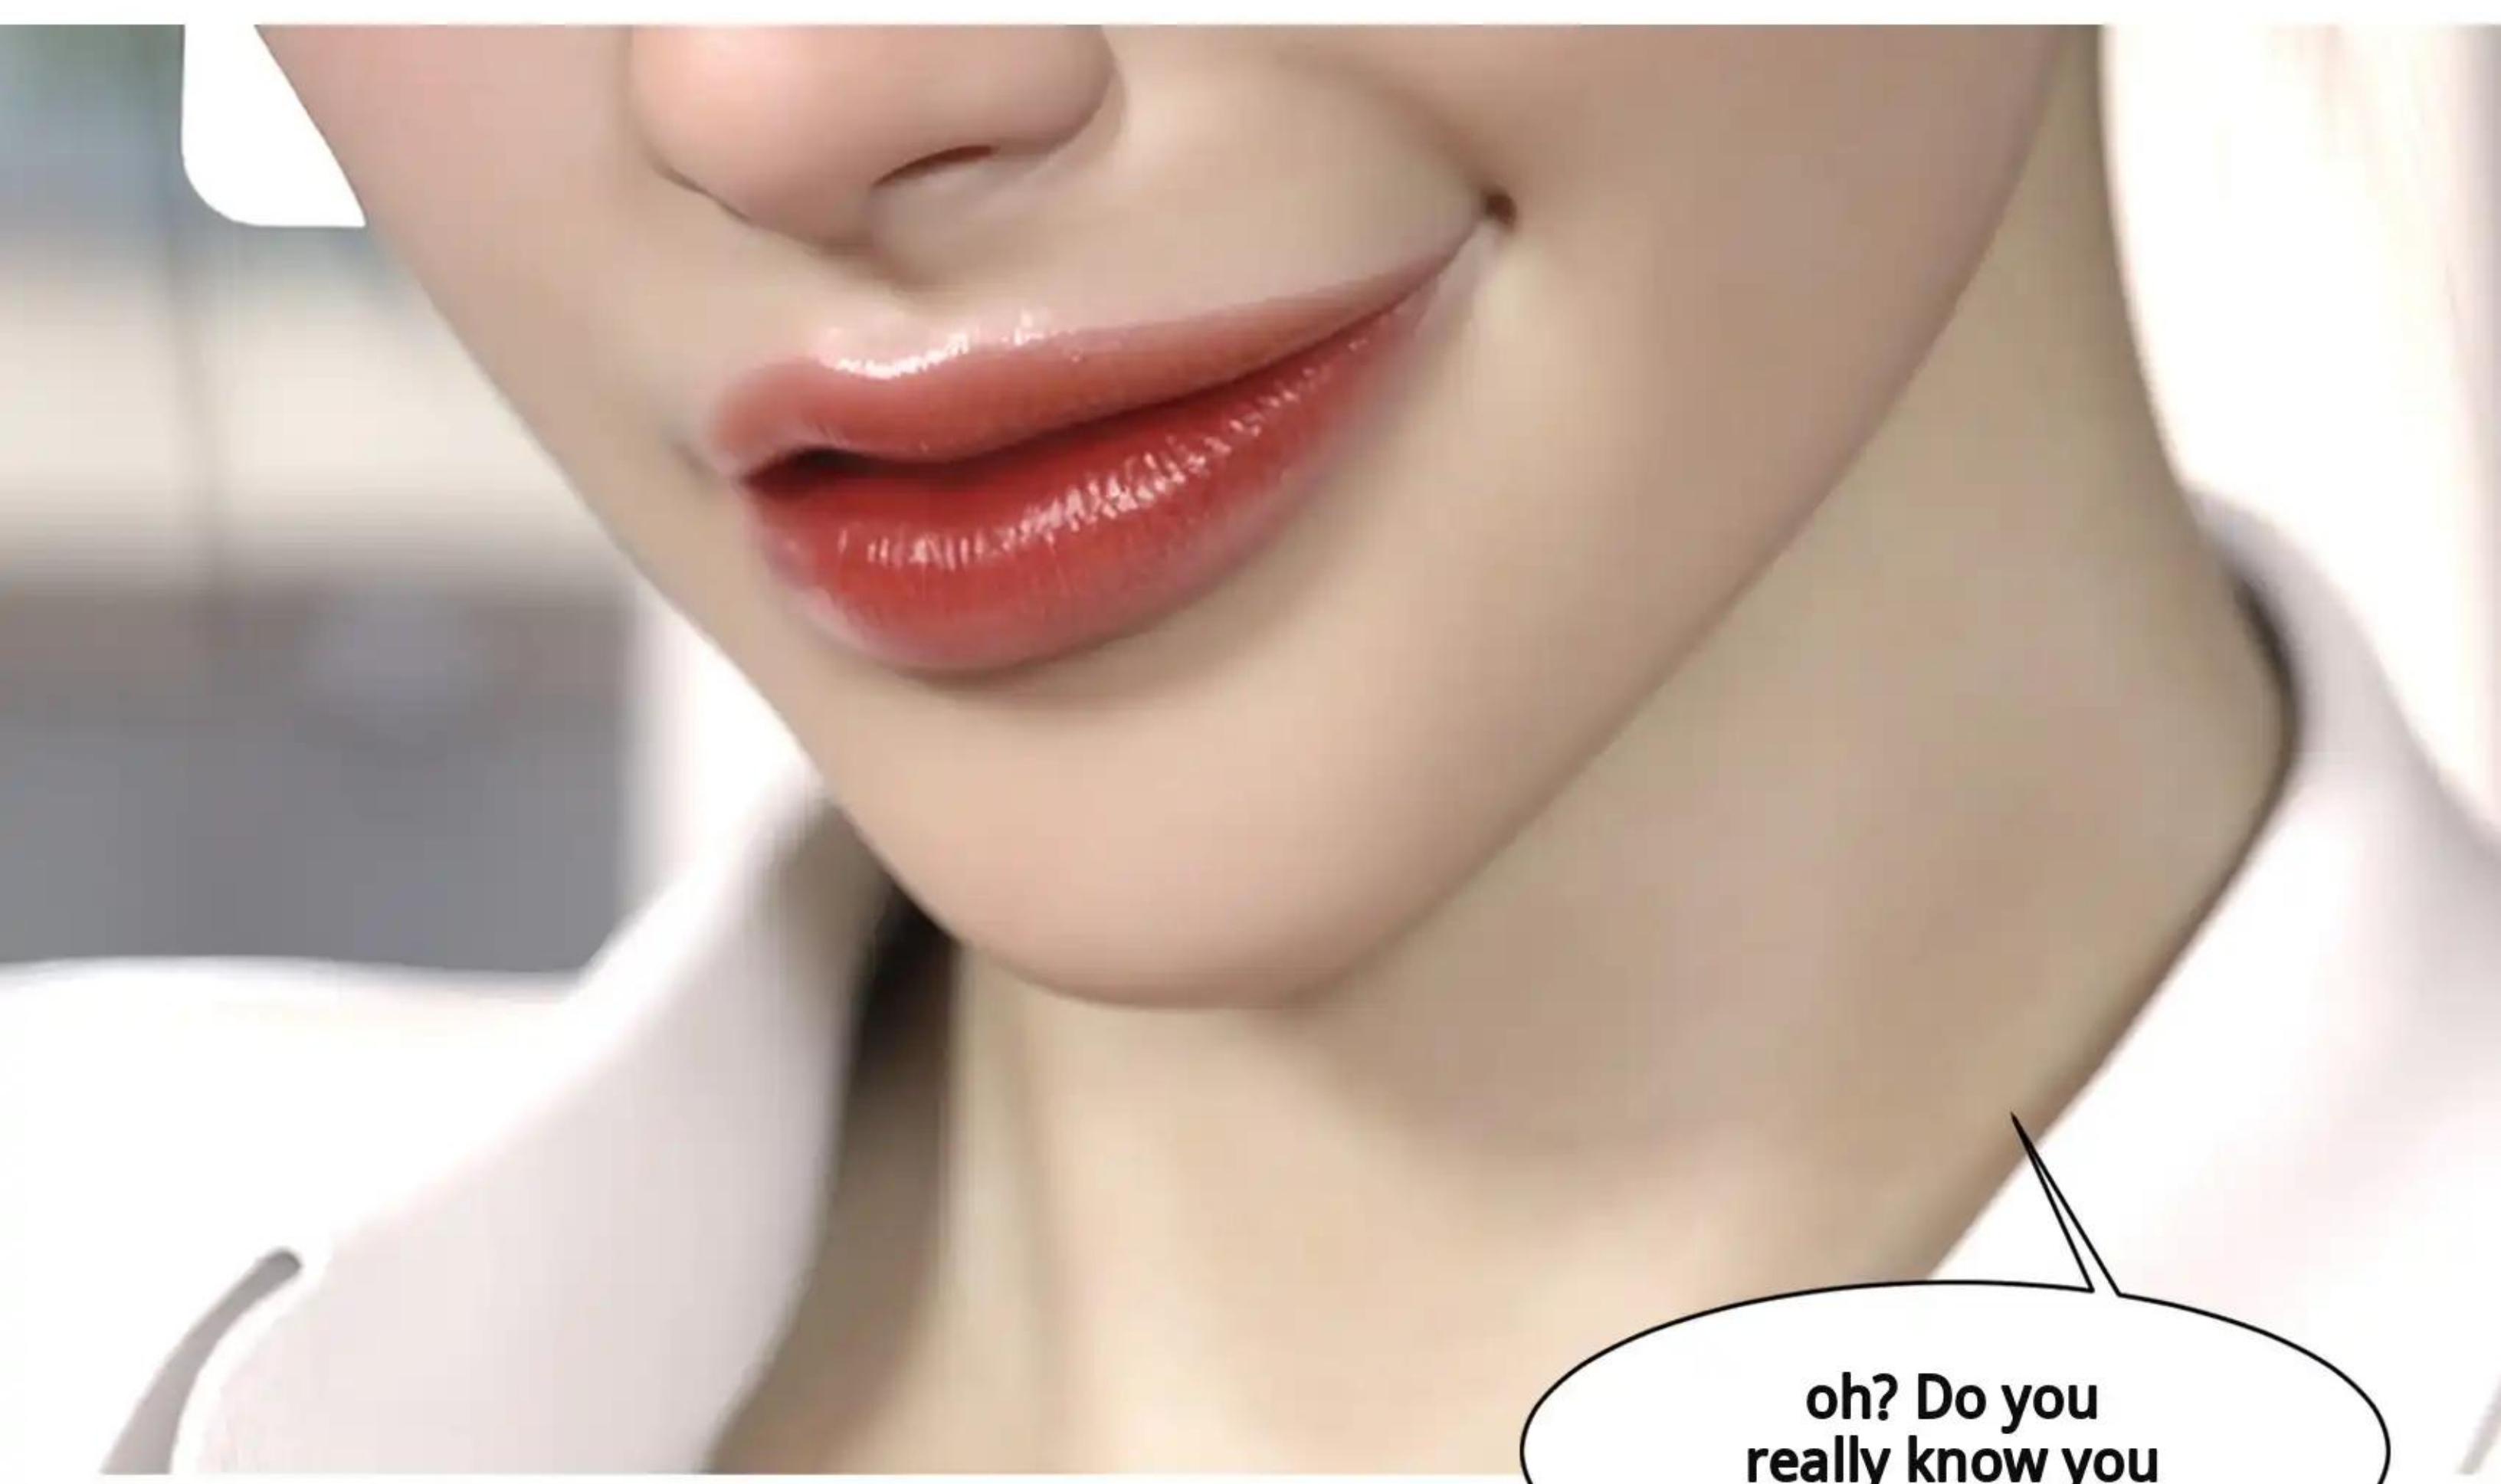

teacher!  
No!

kneel!

Please don't call  
the police! I, I beg you,  
Lao Shao and I don't dare  
to do it anymore, Mingwu!  
Please don't call the  
police. We really know  
we were wrong.

oh? Do you really know you are wrong?

Really, really! We will never dare again!

Take off your  
clothes here! I have  
to see your sincerity!  
Even if you know you  
are wrong, the matter  
is serious, so be it,

?!  
W-why?

The teacher now wants you to experience this feeling firsthand before you know the pain! You treat girls as playthings and disrespect women.

If you don't take it off, I'll call the police now! Should you take it off or not?

I'll take it off! I'm taking it off now...

time  
passes

How dare you  
have sex like adults?  
It's simply overestimating  
one's abilities! It's just  
young boys like you! Look  
at your own ugliness!

Woohoo...so  
shameful, I, I was  
actually naked in front of  
the teacher at school...so  
embarrassing. I really  
want to die...

Do you particularly like mature women's silken feet? Listen to Shao Yuchen

!

He said, you have dirty sexual desires for your mother... Just ejaculate until you pass out... He fiddled with you a few times with his silk feet,

抖~~~抖~~~抖.....

He also ignored me after ejaculation... Not only is he a premature ejaculator like your dad, but he also likes stockings, mature women, and even incest and voyeurism.

Zhou Ming,  
you are really a  
pervert!

Hard!

A young man with short brown hair and round glasses is shown from the chest up. He has a blushing, awkward expression on his face, with his mouth slightly open as if he is speaking or reacting to something. He is shirtless. To his left, a large, out-of-focus portion of a woman's leg in a black skirt is visible. The background is a warm, indoor setting with soft lighting.

**But my body actually feels excited? It was obvious that his inner sexual fetish was exposed, why was Ming... why was he scolded like this by the teacher?**

**Are you still a pervert who shakes pussy? I'm a pervert. I, am I really what the teacher said?**

, being told this  
by me actually  
made you  
excited?

The talented student  
turned out to be such a  
perverted and disgusting  
student! I really didn't  
expect that,

No, no,  
I am... I  
am...

It seems like your  
cock is more honest  
than your mouth! Hehe,  
why, do you still want  
to deny it?

**There must be a lot  
of things accumulated  
in it. Looking at you like  
this, who would believe it?  
Say you are not a pervert,  
you are so hard-core and  
you still want to deny it**

Let the teacher teach you well today! He will become a perverted high school student! I guess you just don't know how to vent normally.

Ah...um...t-teacher  
don't  
want it!

Rub  
it~

Don't you want me to step on your cock with my silken feet? What don't you want? Why don't you rub your glans?

But when sexual  
desire comes, the mind  
cannot think! Ah! No, it's  
obviously in front of that  
terrible witch Jiang

**It's so comfortable, so comfortable! Being rubbed back and forth by the teacher's silky feet,**

**If this continues... I will really cum! If this continues,**

**I will call the police  
Immediately! Classmate Zhou  
Ming, the teacher must warn you  
first, if you dare to ejaculate  
without permission**

What?  
!

Please, please  
let me cum! But  
teacher, I, I really  
can't stand it  
anymore,

**Do you know that the teacher is helping you train your endurance? Especially a premature ejaculation man like you, who has sperm in your head all day long! You teenage boys just don't have enough willpower, so that's not going to work.**

circle

**What should I  
do if it makes me  
even more excited!  
Ah! As soon as I  
heard the teacher's  
humiliation**

**My whole body is going to  
be broken! I can't stand the  
double attack of physical and  
psychological pleasure.**

This good-for-nothing  
premature ejaculation man like  
me is going to be stepped on  
and shot by the teacher!

噴～～抖～～抖～～

All the semen was ejaculated on the teacher's silk feet! Oh oh oh oh!!! Cum, cum all out!

It's so, so exciting...  
Ha, ha... Even if I get  
arrested and imprisoned, I  
don't want to care about it  
anymore. ....

Ejaculation...ejaculation...it feels really good, hehe...
