

Strange...it
doesn't seem to
hurt anymore...

Uh-huh! It feels so weird!
Azin, stop it!

Bang bang bang!

I'll feel better after just enduring it, right?
You are about to start having fun, how can you stop!

What's wrong with my head? It actually feels like being a woman being fucked Feel...

Moreover, it is too abnormal to do this kind of thing with Shi. We must find a way to make him stop, otherwise our relationship will never be restored!

Ajin's expression is so genuine. I've known him for many years and I've never seen him so focused. It's because of my fate.

So?

Whoosh...

He is obviously the person I am most familiar with, but now he is so strange. His whole person exudes an indescribable charm, which is a bit attractive! people....

Azin is my most important friend. Even though many people laughed at his height and appearance, I never thought he was ugly.

But...he is indeed neither angry nor handsome. Why does my heart beat faster when I see him? Completely out of control!

No! Even if he is handsome, I shouldn't be tempted! What's wrong with me? My heartbeat is getting faster and faster, something is wrong!

Street stab!

Ah ah ah no more! Azin, let me go! I don't want it anymore! Get out quickly!

Ajin's cock is so big, he really penetrated me. This is because the fake vagina is so realistic, we look like we are having sex..

bang
bang
bang

His body is feeling hot. Even if he knows that I am a man, can he still be excited enough to desire me? Seems a little happy, how could this be?

No more! What a shame! I can't look at you directly, Ajin, I'm getting so weird, please stop for a moment and let me return to normal!

You remember that I am Ai, your brother, right? How can any brother have sex? You get up first and we have a good talk, we can't go on any further.

Don't be shy. Is there anything that brothers can't do? You are the one who has not forgotten our purpose, right? You can't be a waitress like this.

As a hostess, you have to pay attention to the guests at all times. Okay, take your hands away! Look me straight in the eyes!

How can you pretend to be someone who has been avoiding you all the time? Look into my eyes and learn to serve the guests!

pull
apart

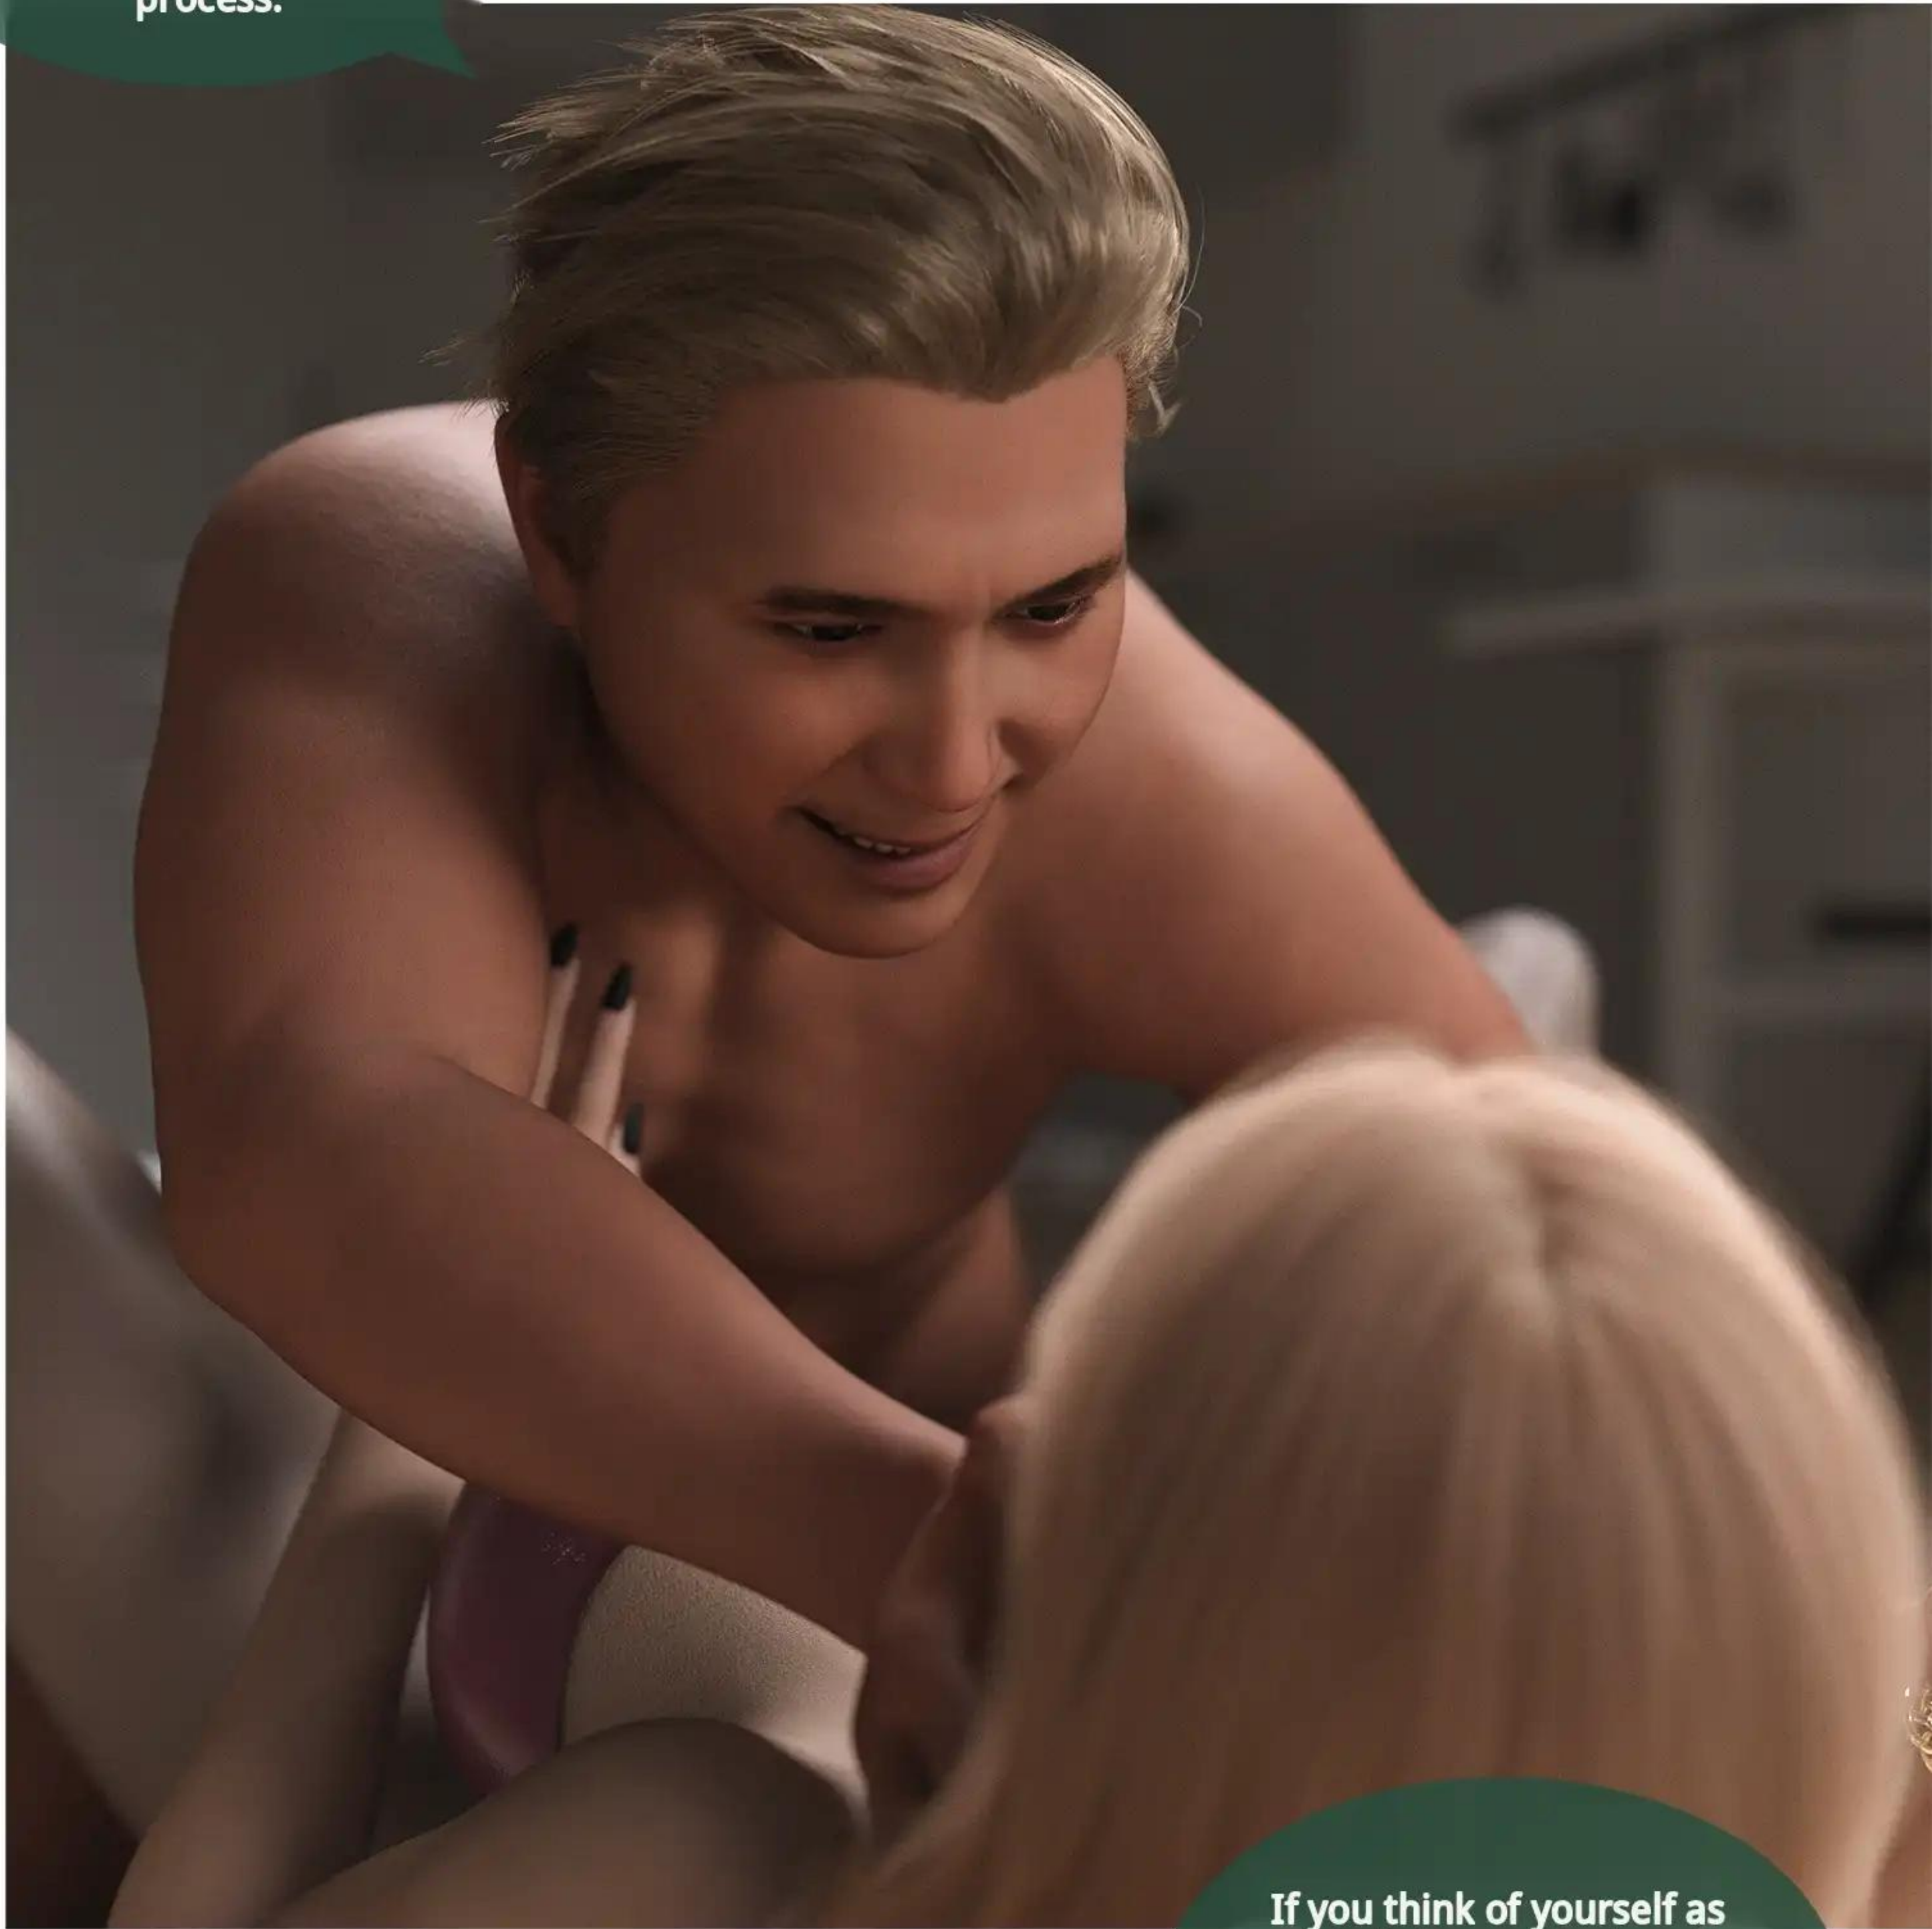

it hurts!
Don't be like
this Atsu!
You hurt me!

The more you resist, the more excited you will be. Men will want to conquer a silent woman. If they don't want to hurt you, just cooperate.

When you go to work, you will definitely meet men who are rougher than me, and some may be rough with you. You have to cater to them so that the customers are happy and will not be beaten.

talk! Spread your legs! A man will let you go when he is satisfied. You are not really being fucked, and you will feel comfortable in the process.

If you think of yourself as a bitch, it's not bad at all if you can achieve your goal, right? Why do you still need to be beaten when you feel good?

Ajin's strength is so strong. Even though I'm an adult male, I was suppressed by him to the point where I couldn't resist. Is this the power that a mature man should have?

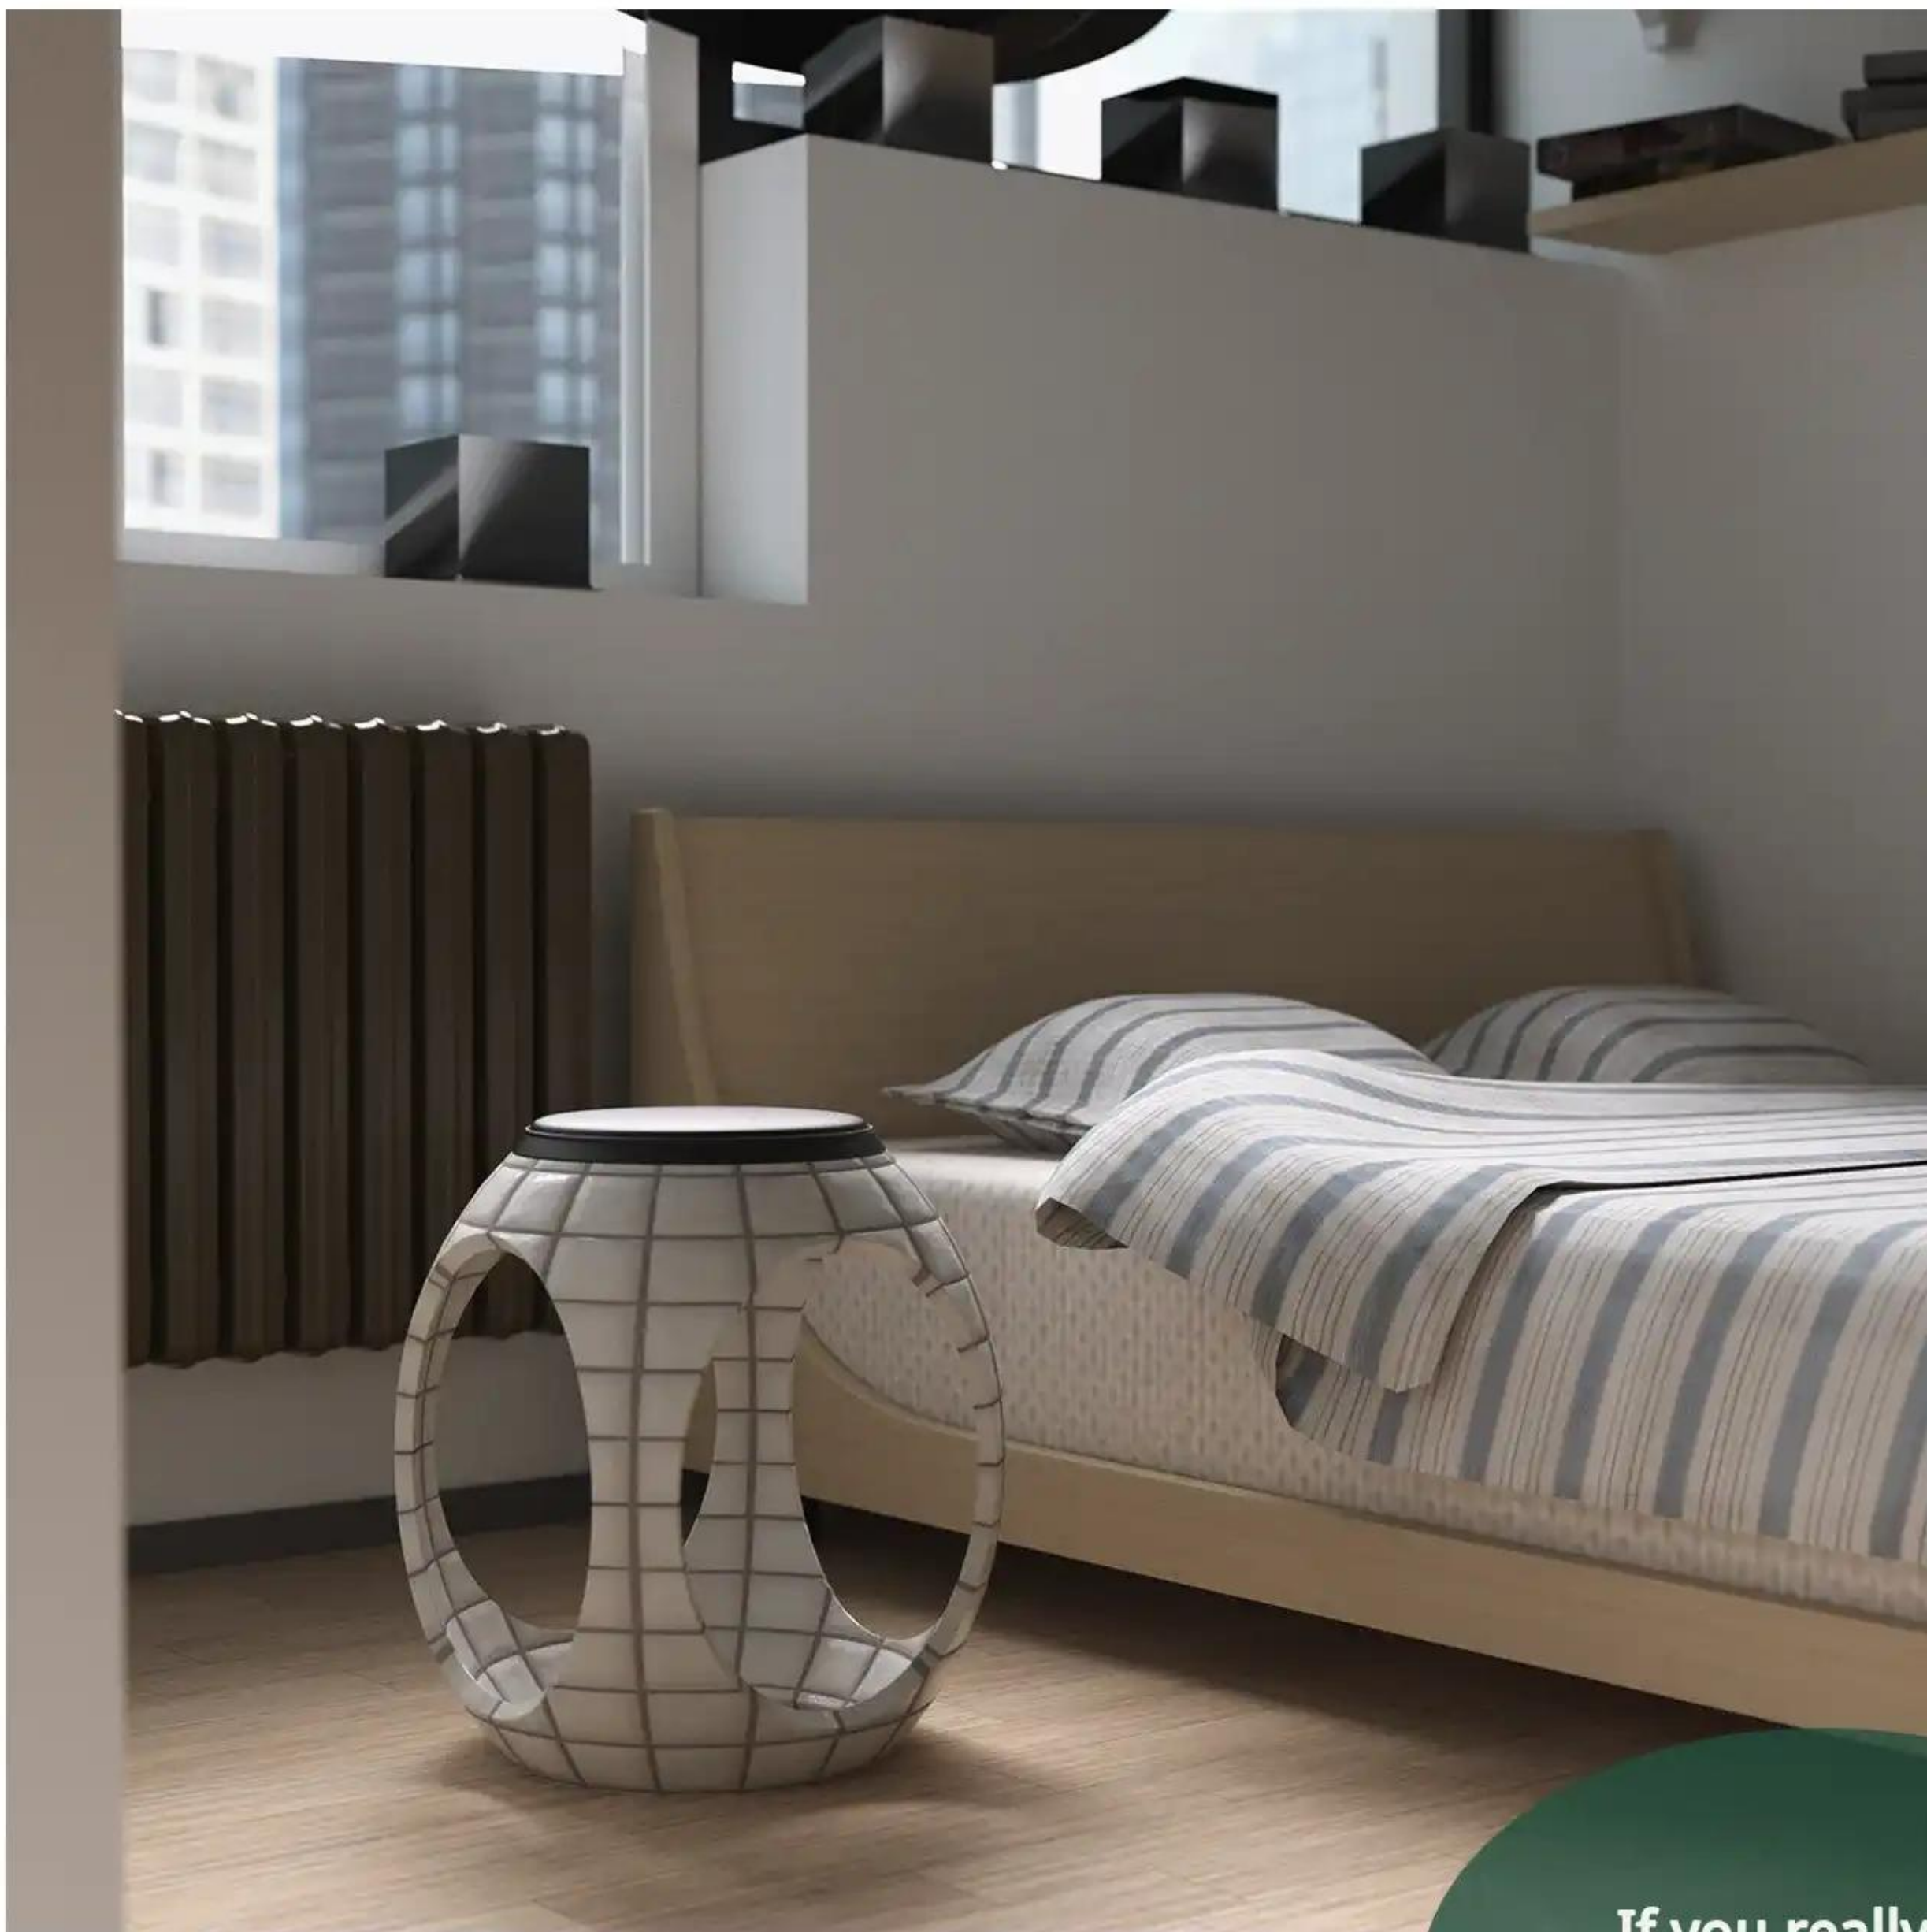

Don't be ridiculous! Take your hands away! If you go down further, I will follow you!

I don't seem to want to be suppressed by a man...His tough Xiongdu is also quite charming. I even wish he could be rougher. Am I crazy?

Ajin's chest is so wide and sexy... It's not good. His sexual desire is about to explode. I have never experienced this kind of pleasure when I had sex with Xiaoyi!

If you really can't
accept it, let's change
the position, right?

Turn around and raise your ass! Ha, you should really look at yourself like this. The scenery is so beautiful that I want to Photographed.

What are you going to do again! No photography allowed! To no!

I was just joking, you have no sense of humor, right? When the time comes when you pick up passengers, they will also treat you with some difficulty. If you are flying, I am just trying to get used to you!

But your posture is indeed true: if you are afraid of facing guests, use this trick. You don't have to look at them and it can also increase the interest of the guests. It's perfect!

Ah, you can ejaculate just by looking at it and feeling it. You are really born to seduce men. Don't pretend to be innocent. You are a real person at heart.

Oh oh oh this smell! Your irritation is coming out, do you really want to be fucked? Shake your butt and beg the customer to insert his cock! Bitch!

Where is he smelling?
Did Azin take the
wrong medicine?
Totally unavailable!
Can he wake up by
taking it over? Damn it!
I can't use my legs
anymore.....

If you can't lift your legs
at all, how can you sit
upright? Ajin is too
involved, what will the
escort girls experience?
Embarrassed me to
death
Can't
do it!

Can you still be distracted?
It seems that I am not very
ruthless in my work. It is
basic to please the
customers. You still have a
lot to learn! Be a good bitch.

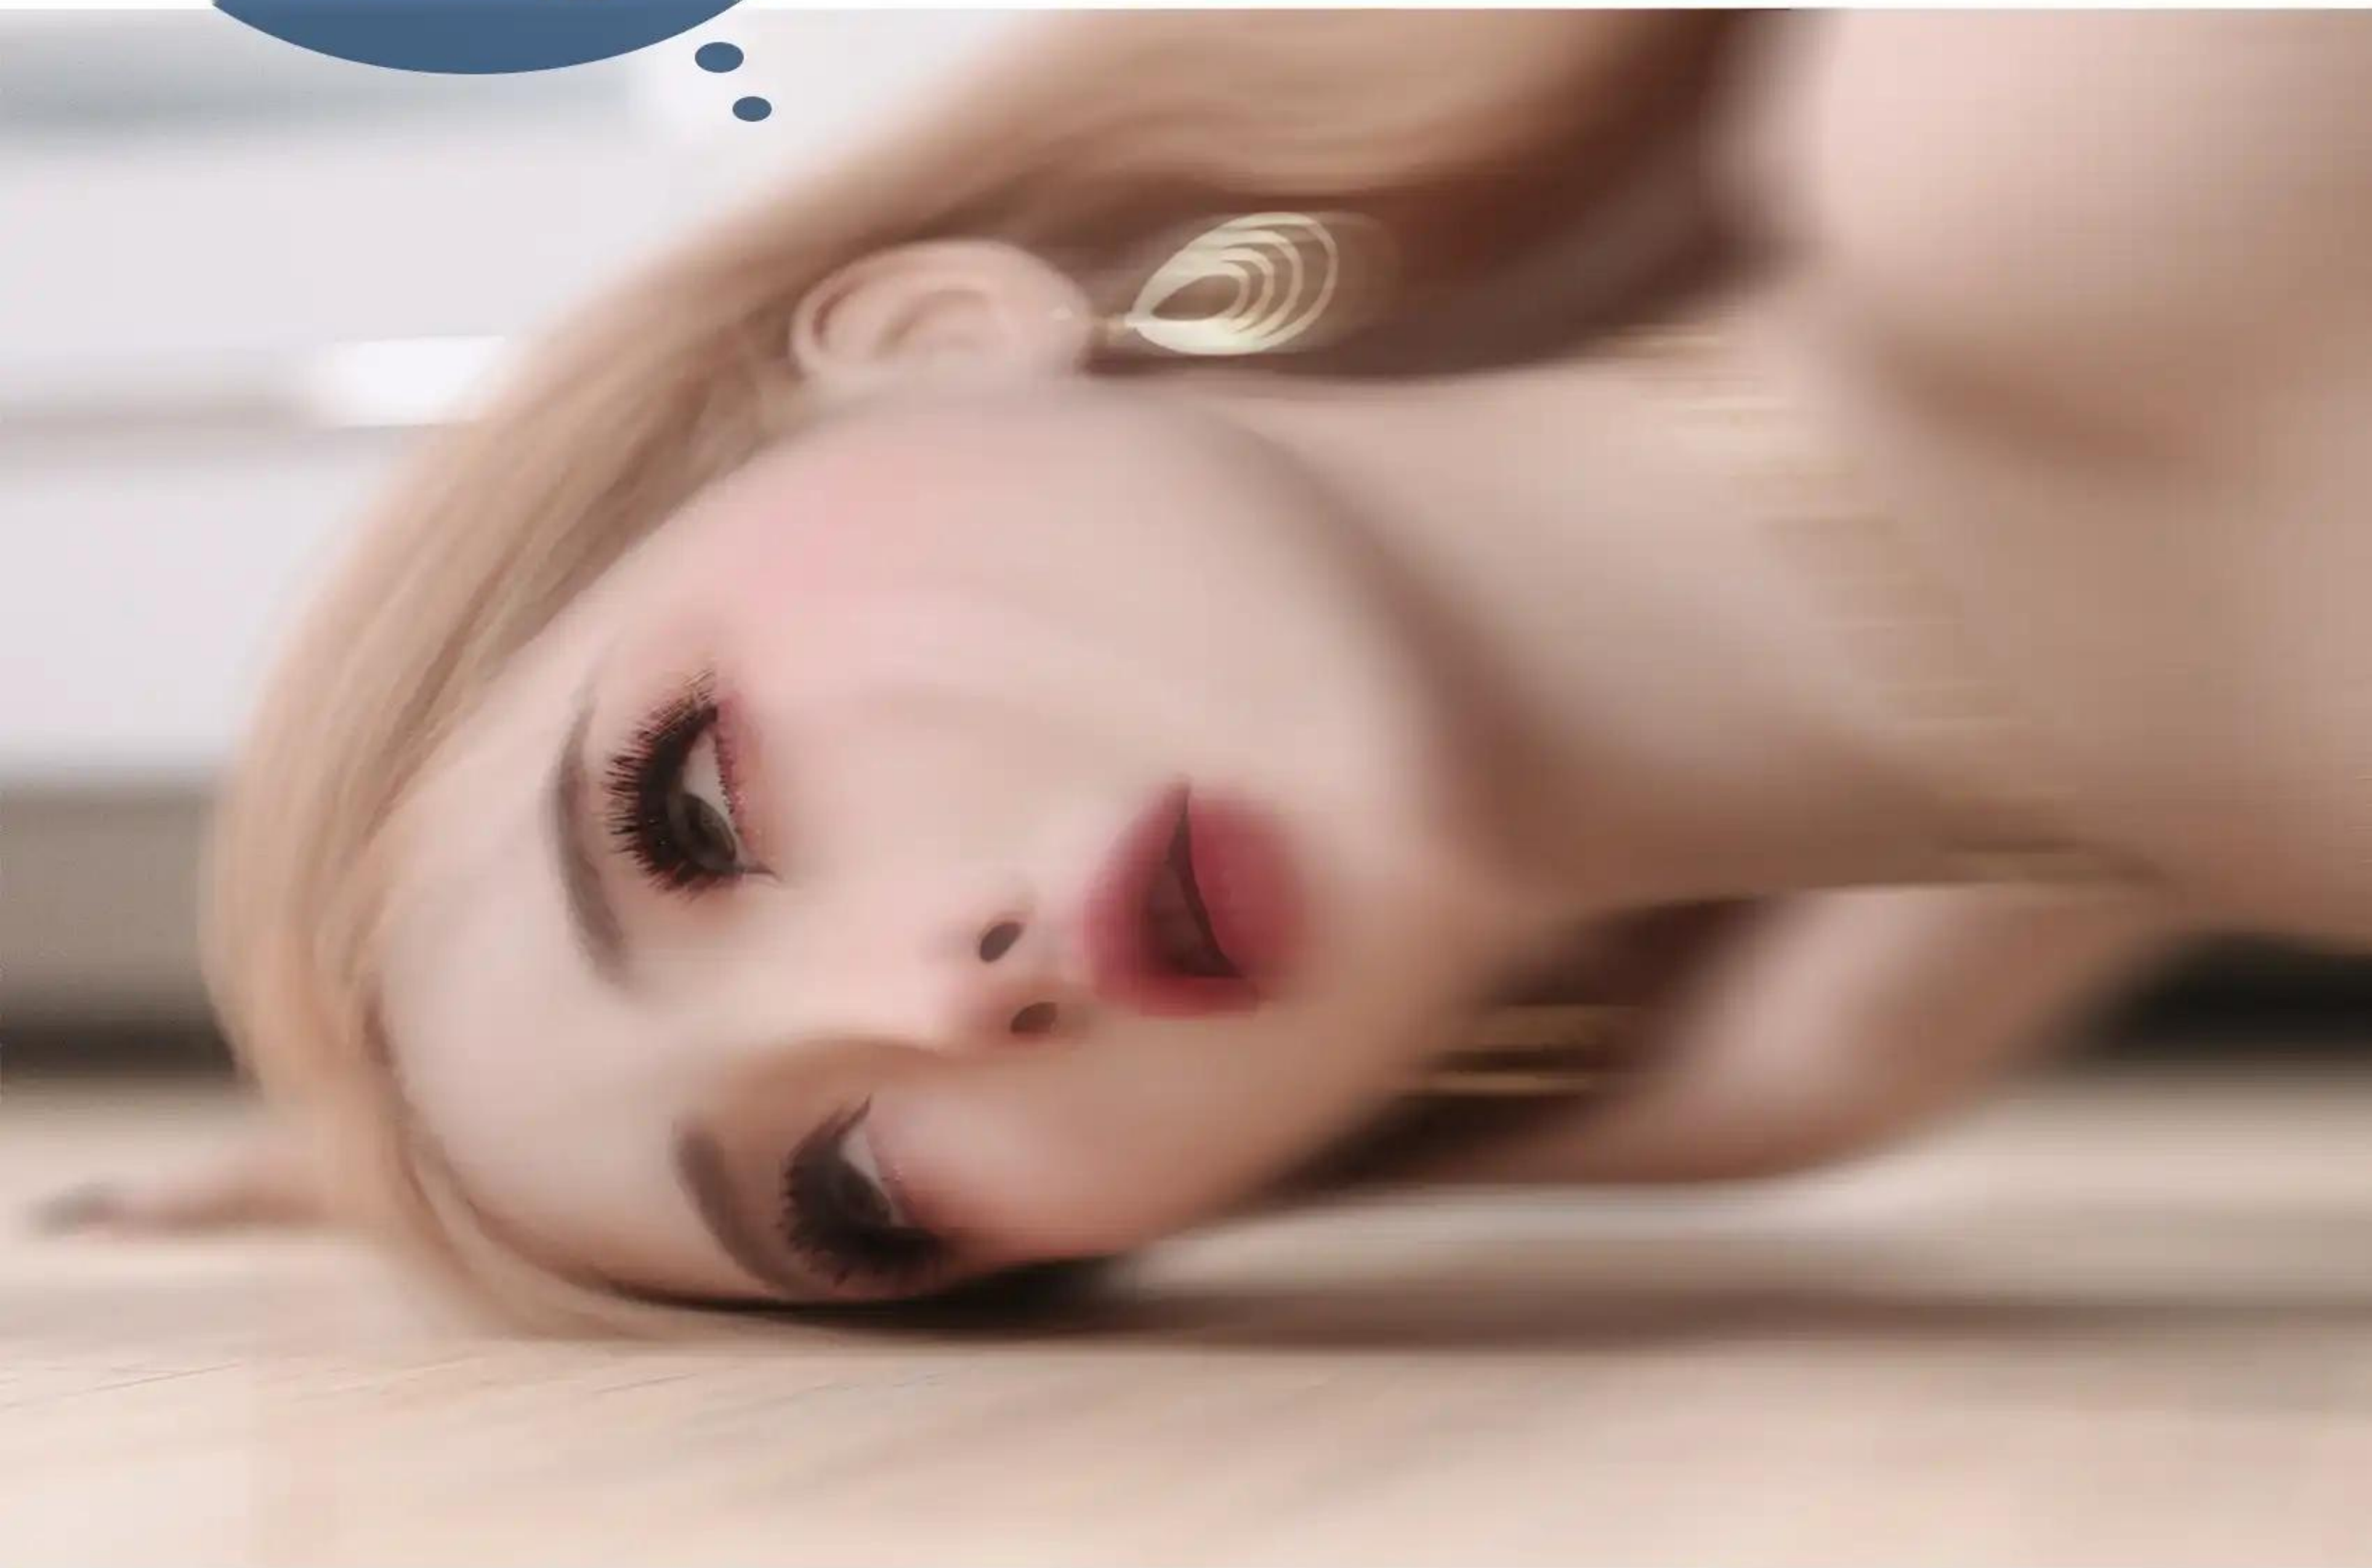

When wearing a dildo, you
must be prepared to be
fucked at any time. The
customer is God and your
master. You have to thank
the master for giving him a
cock!

It's your honor to be
fucked by your master.
You can't live without a
cock in Han's hole! Ah ah
ah fuck you to death
This guy!

bang
bang
bang

Uh-huh! Azin
doesn't want it! Too
fast, too hard! I'm
going to be killed!

He's going crazy. Ajin looks like a different person. Will he be able to fake a vagina? But I feel so comfortable and those humiliating words also make me happy.

Am I really a slut by nature? I actually have the urge to be a bit more arrogant. Am I being fucked to the point of losing my mind?

I told you to say thank
you but not see you!
Hurry! Thank you
Master for your cock!

Oh oh oh! I can't
stand it anymore!
Ajin let it go
Me!

Ungrateful bitch! It
feels so good to eat
the cock, isn't it?
Old
treasure!

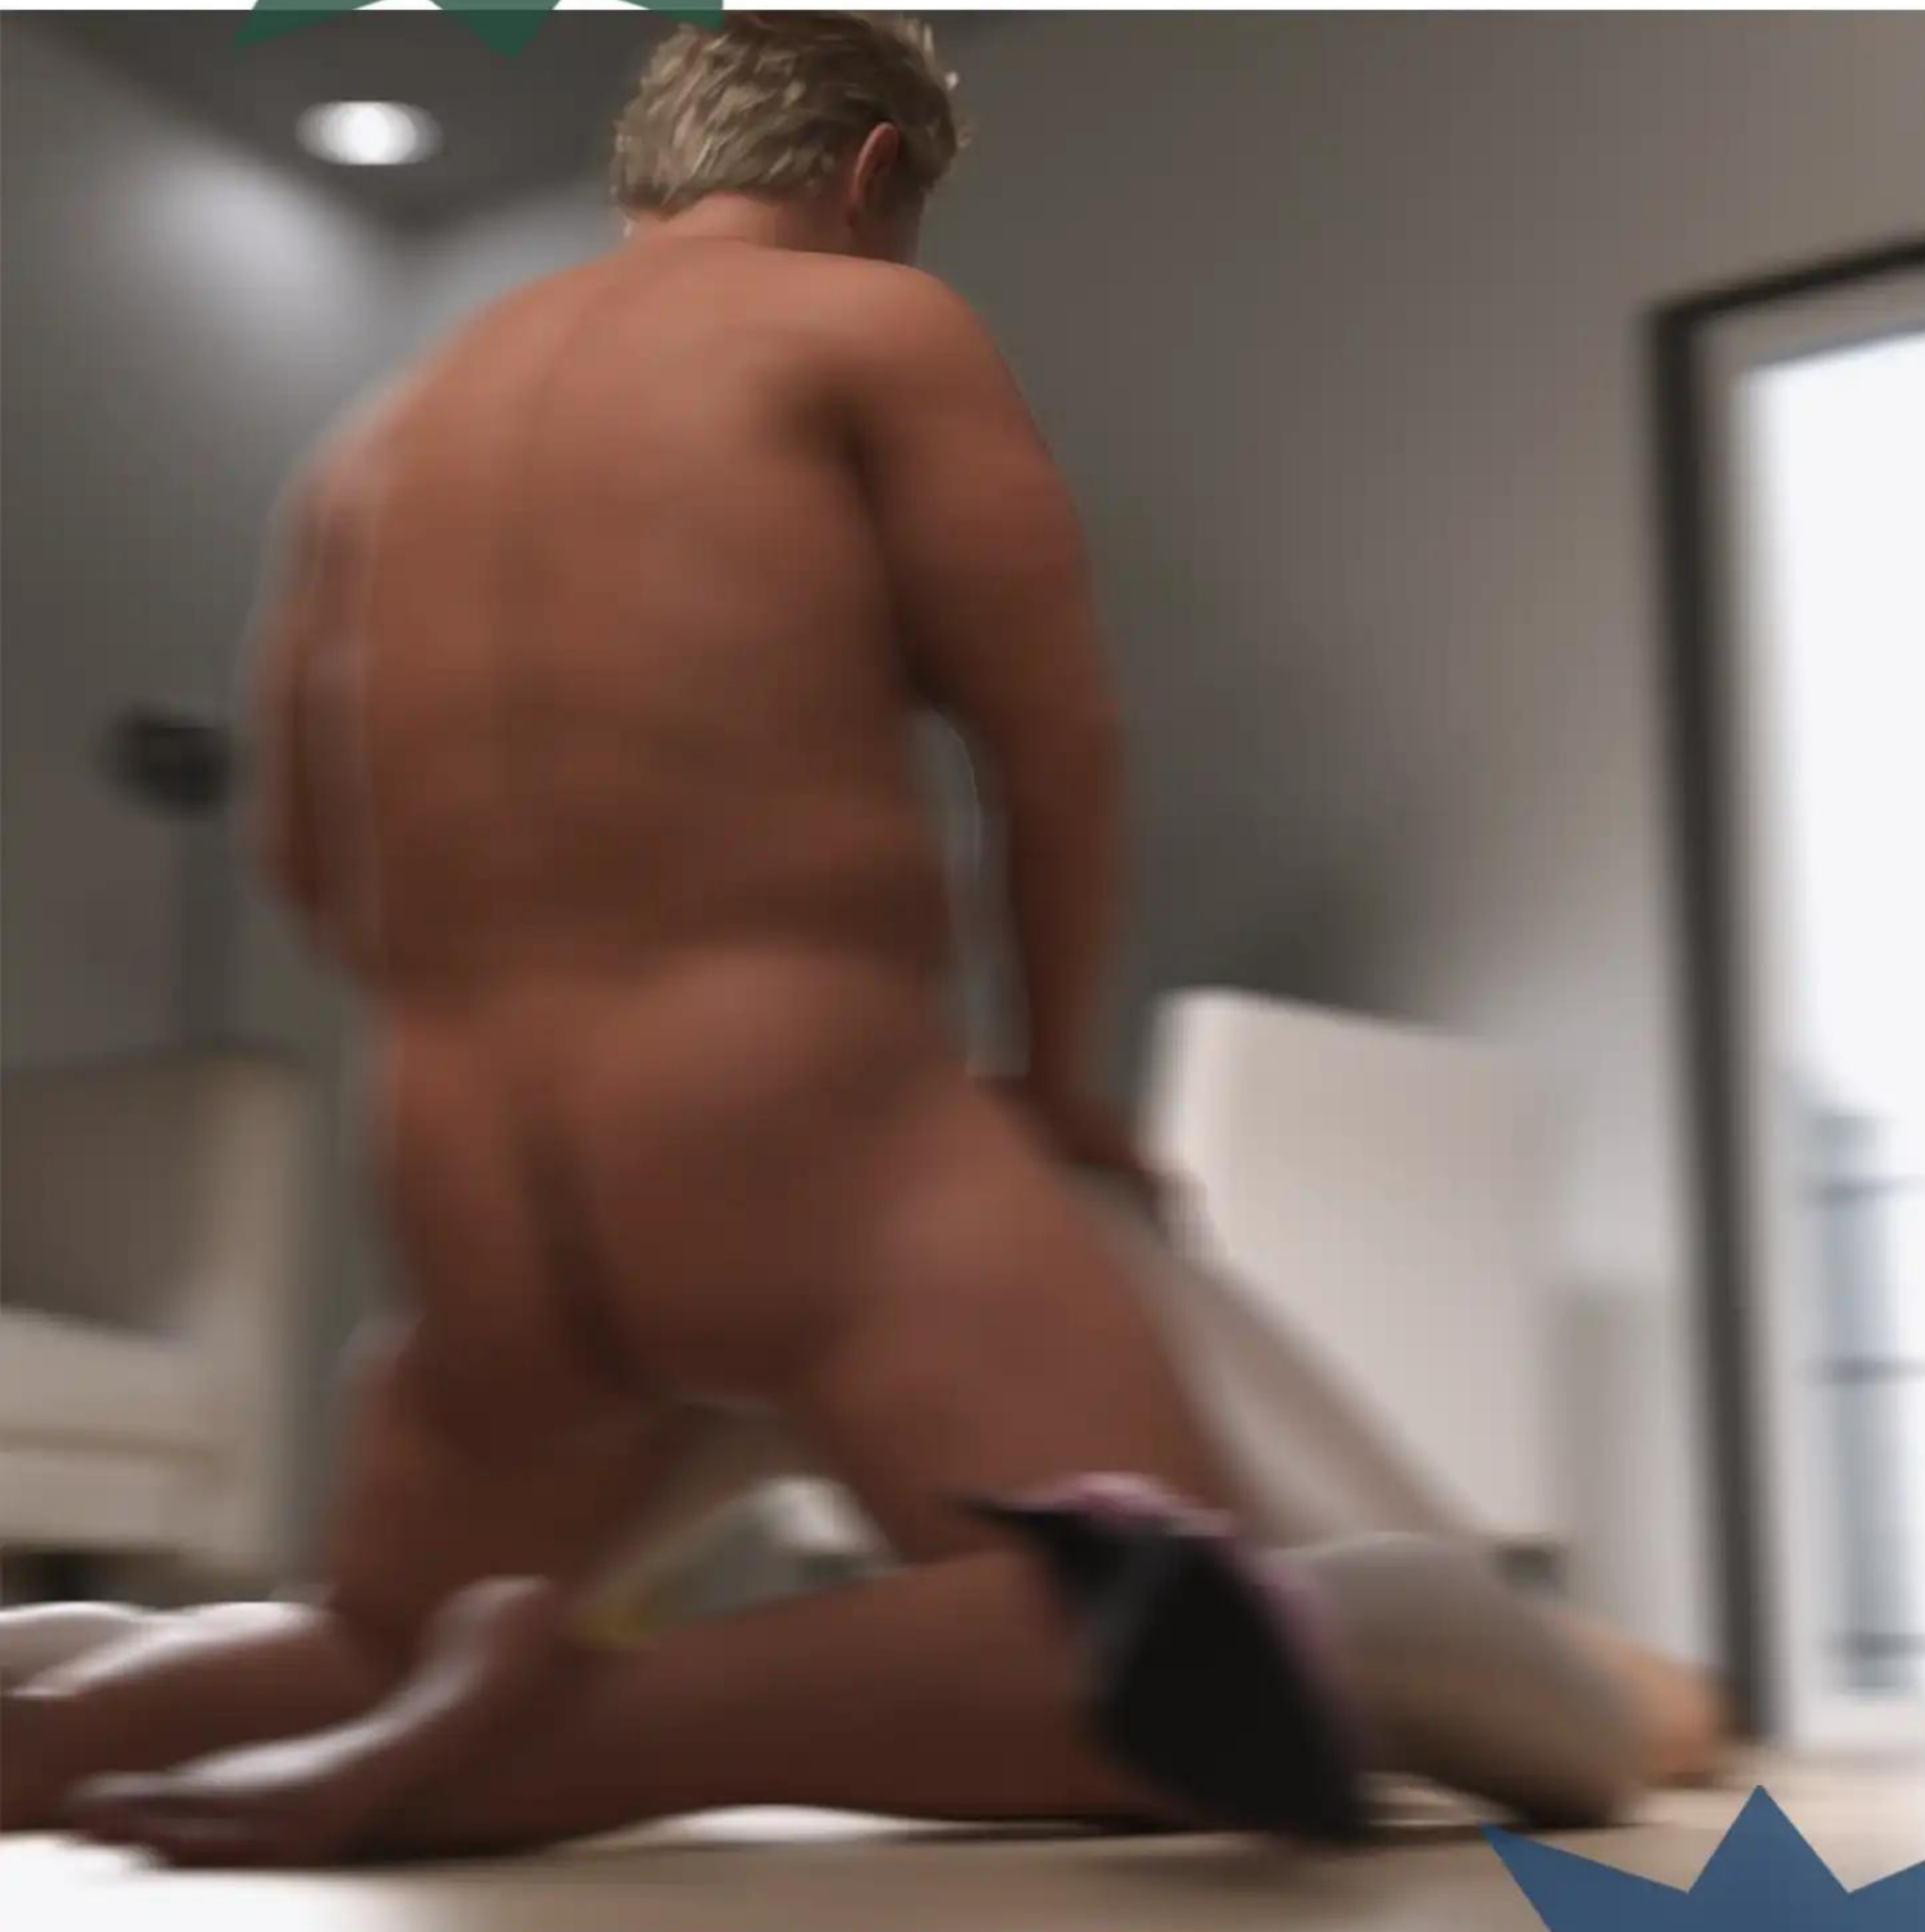

Get your ass up! If you can't be a bitch, what else can you do? Go be a bitch, wagging your tail and begging for cock all day suits you best!

bang
bang
bang

From now on, I'll lock you up in Longzi. If you're in a good mood, your cock and semen will be all you need. If you want to make me unhappy, I'll find a wild dog to rape you!

How dare you not like
it when you suck it?
You bitch that drools
at the sight of a cock!

Uh-huh! Help! It's
too deep! Oh oh
oh how about
That's it!

It's terrible... My vagina seems to be leaking like crazy. I haven't even taken aphrodisiacs, right? Do I have this weird fetish?

I have to escape before I still have sense! Otherwise, I don't even dare to think what would happen to me. I'm afraid I would be enjoying moaning like a prostitute. Call....

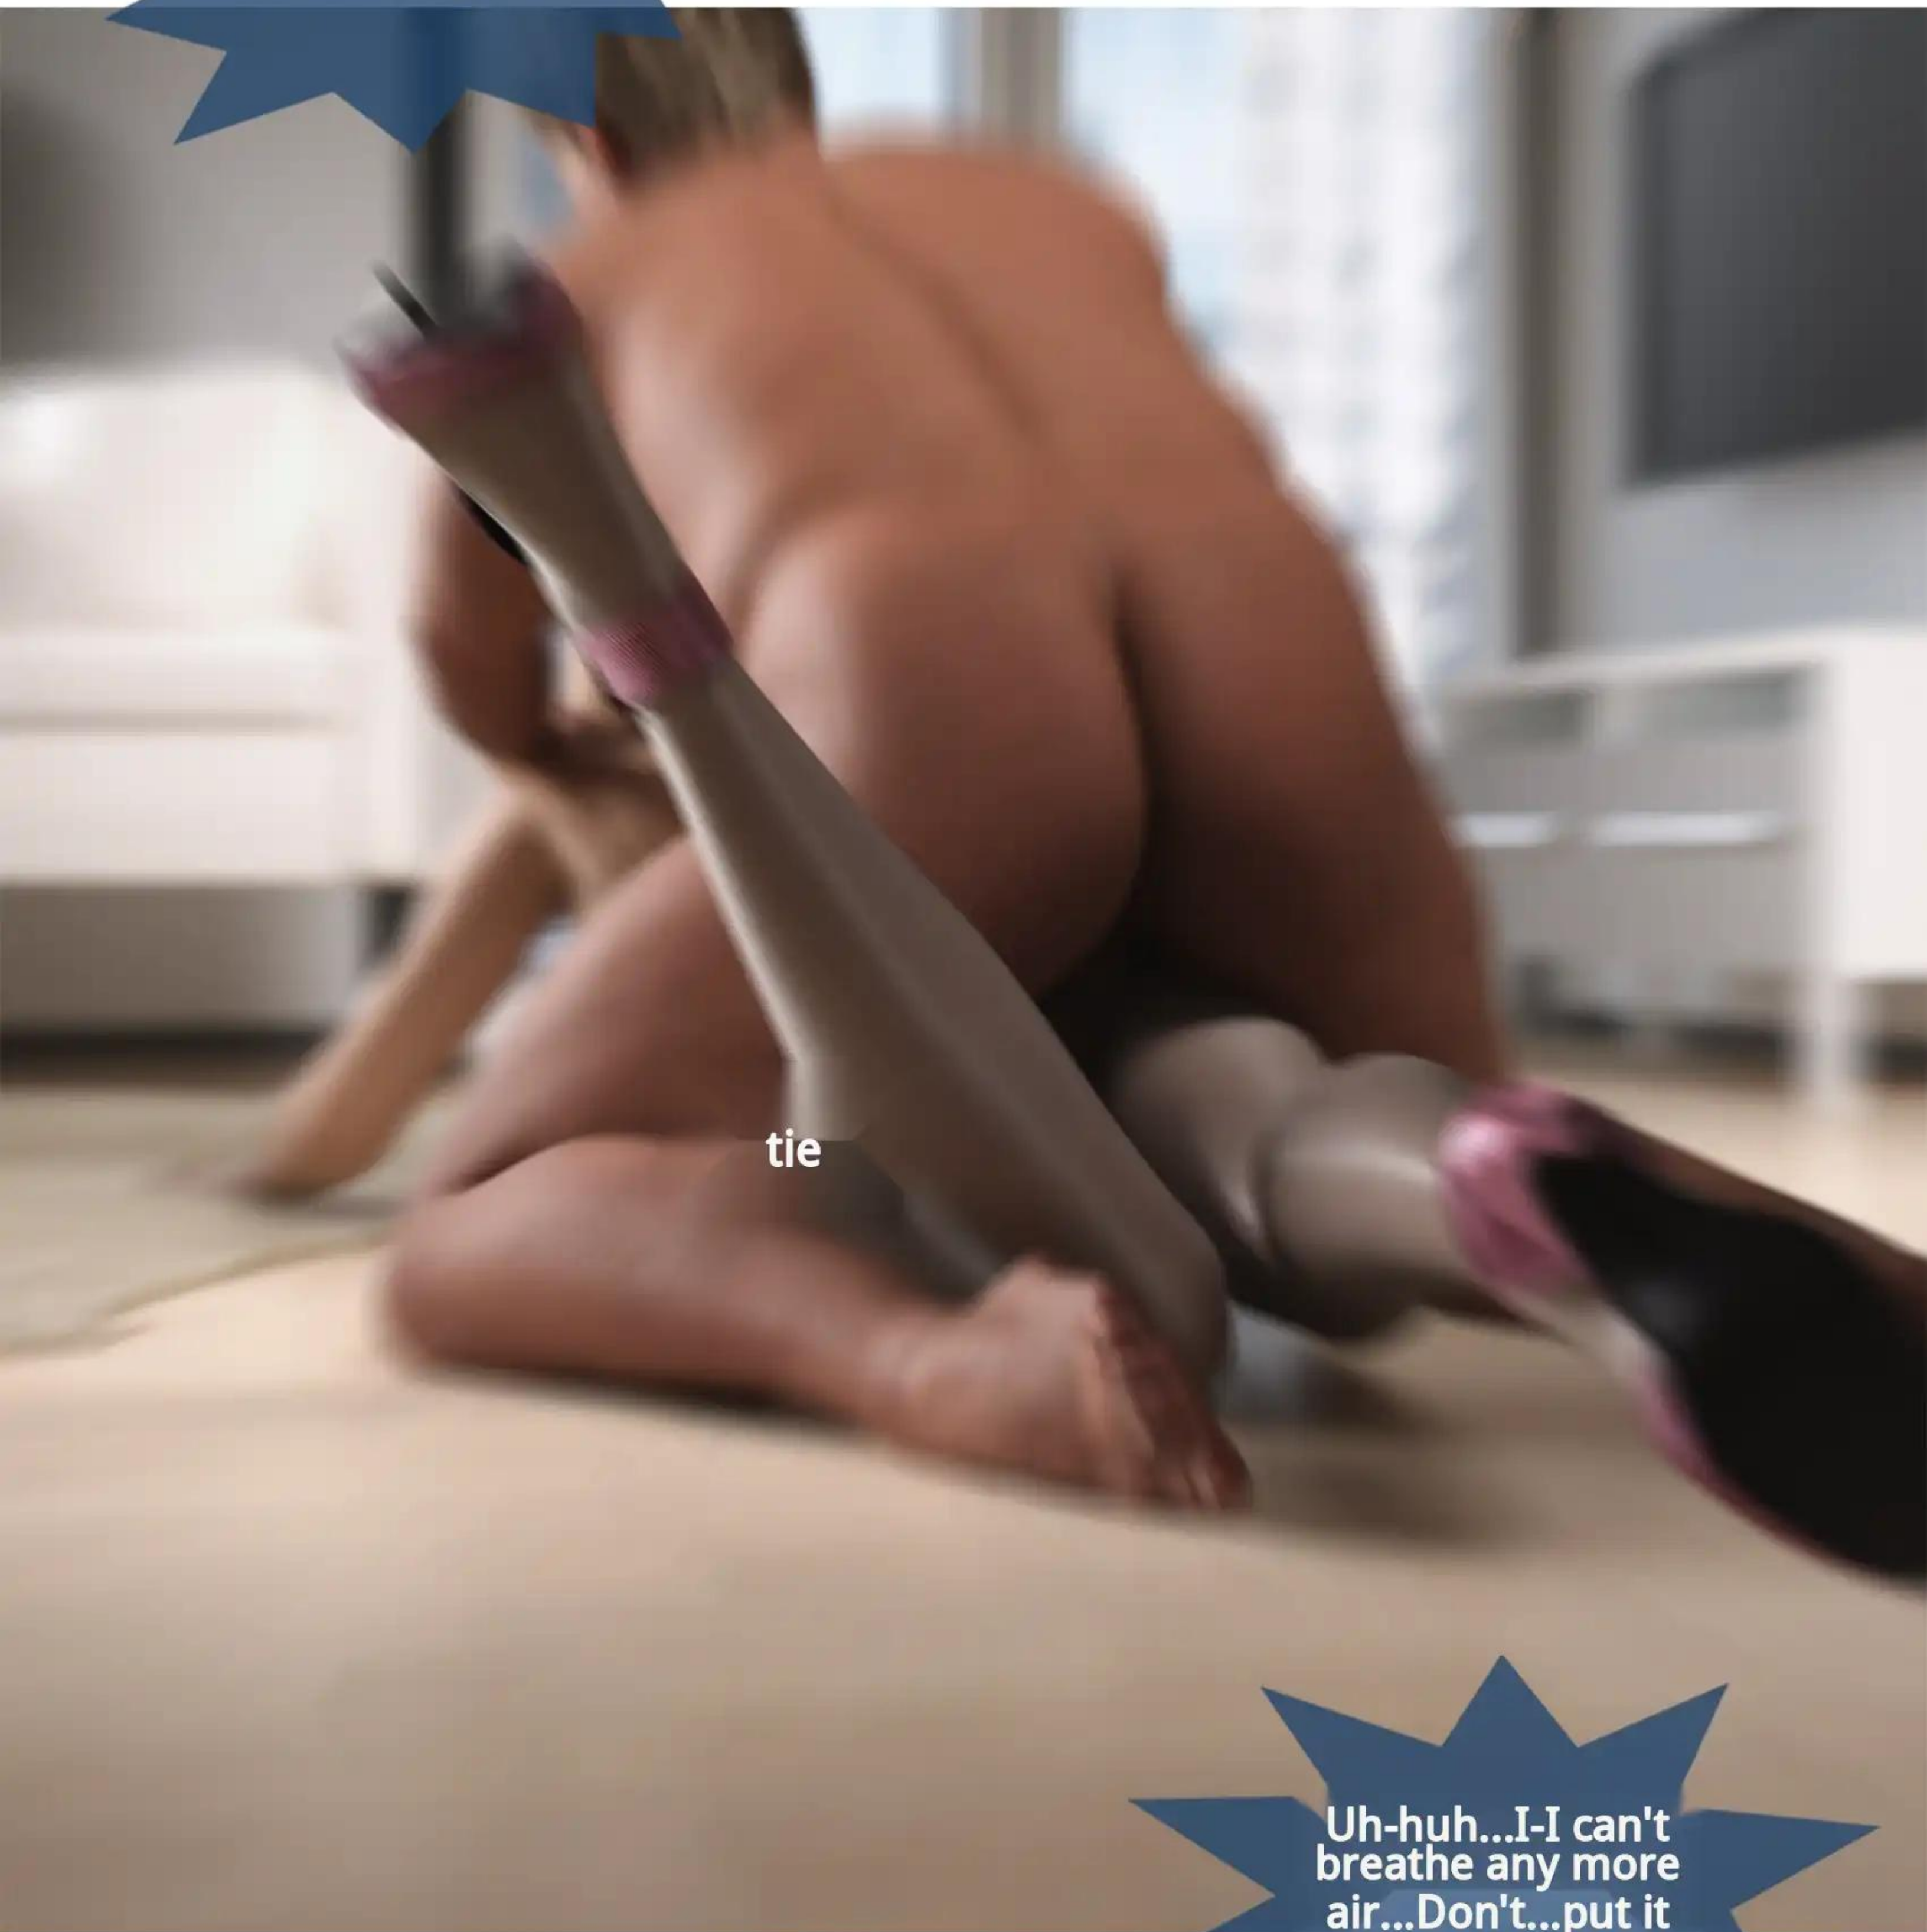

Do you still dare to resist? It seems I need to teach you a lesson! You can do whatever I want from you. Without my life, you can only stay there like an inflatable doll!

pinch!

Do you understand one finger and one action? A dog that resists its owner is worthless. Be careful, I will throw you into the garbage dump and give it to a homeless man to be his concubine!

it hurts! Let me go!

tie

Uh-huh...I-I can't breathe any more air...Don't...put it out quickly...

Okay, so uncomfortable...
Will I be strangled to death?
How could things develop to
this point? After it was over,
my eyes started to turn black
and I couldn't see
anymore.....

Haha, I was suppressed
immediately, and there
is no rain with women.
Like!

Not very rebellious?
Why aren't you
moving? It feels so
good to be fucked,
doesn't it?

Oh ah ah ah, the
dry pussy feels so
good! You bitch can
only suck cocks!

Totally inescapable! I must be quite strong! Or has Azin become stronger? Could it be because of the hormone injection?
relation?

Hey, ah, ah... !
Ahem...Stop,
ooh...come,
save Ahem.....

How could Ajin be so scary? The pain and pleasure are almost killing me! I won't be fucked until I'm completely weak, right? impossible! too
lost it!

You women just need to be taught a lesson, you have to be fucked before you can talk! Let's see if you still dare to resist me, bitch son!

Ohhhhh! It's so cool for me! Korean women are so cool! Shout louder! Goods!

Gonna
cum!

Oh oh oh! Damn
I cum so much!
Bitch, pick me up
Good
cum!

What a great sucker! I can't overstate the quality, wow! Al, your pussy is shaking so bad! I'm relieved to see that you're enjoying yourself too.

Have you ever felt your vagina twitching? The aftermath of a woman's orgasm seems to last for a long time. You should rest first and get used to it.

But it was great, the function of the fake vagina was normal, and I didn't feel any discomfort during the process. I have to say this was the most enjoyable ejaculation I have ever had.

You can rest assured to go to work in Fengyue, I guarantee that no one will find out! You are a professional escort girl from the inside out.

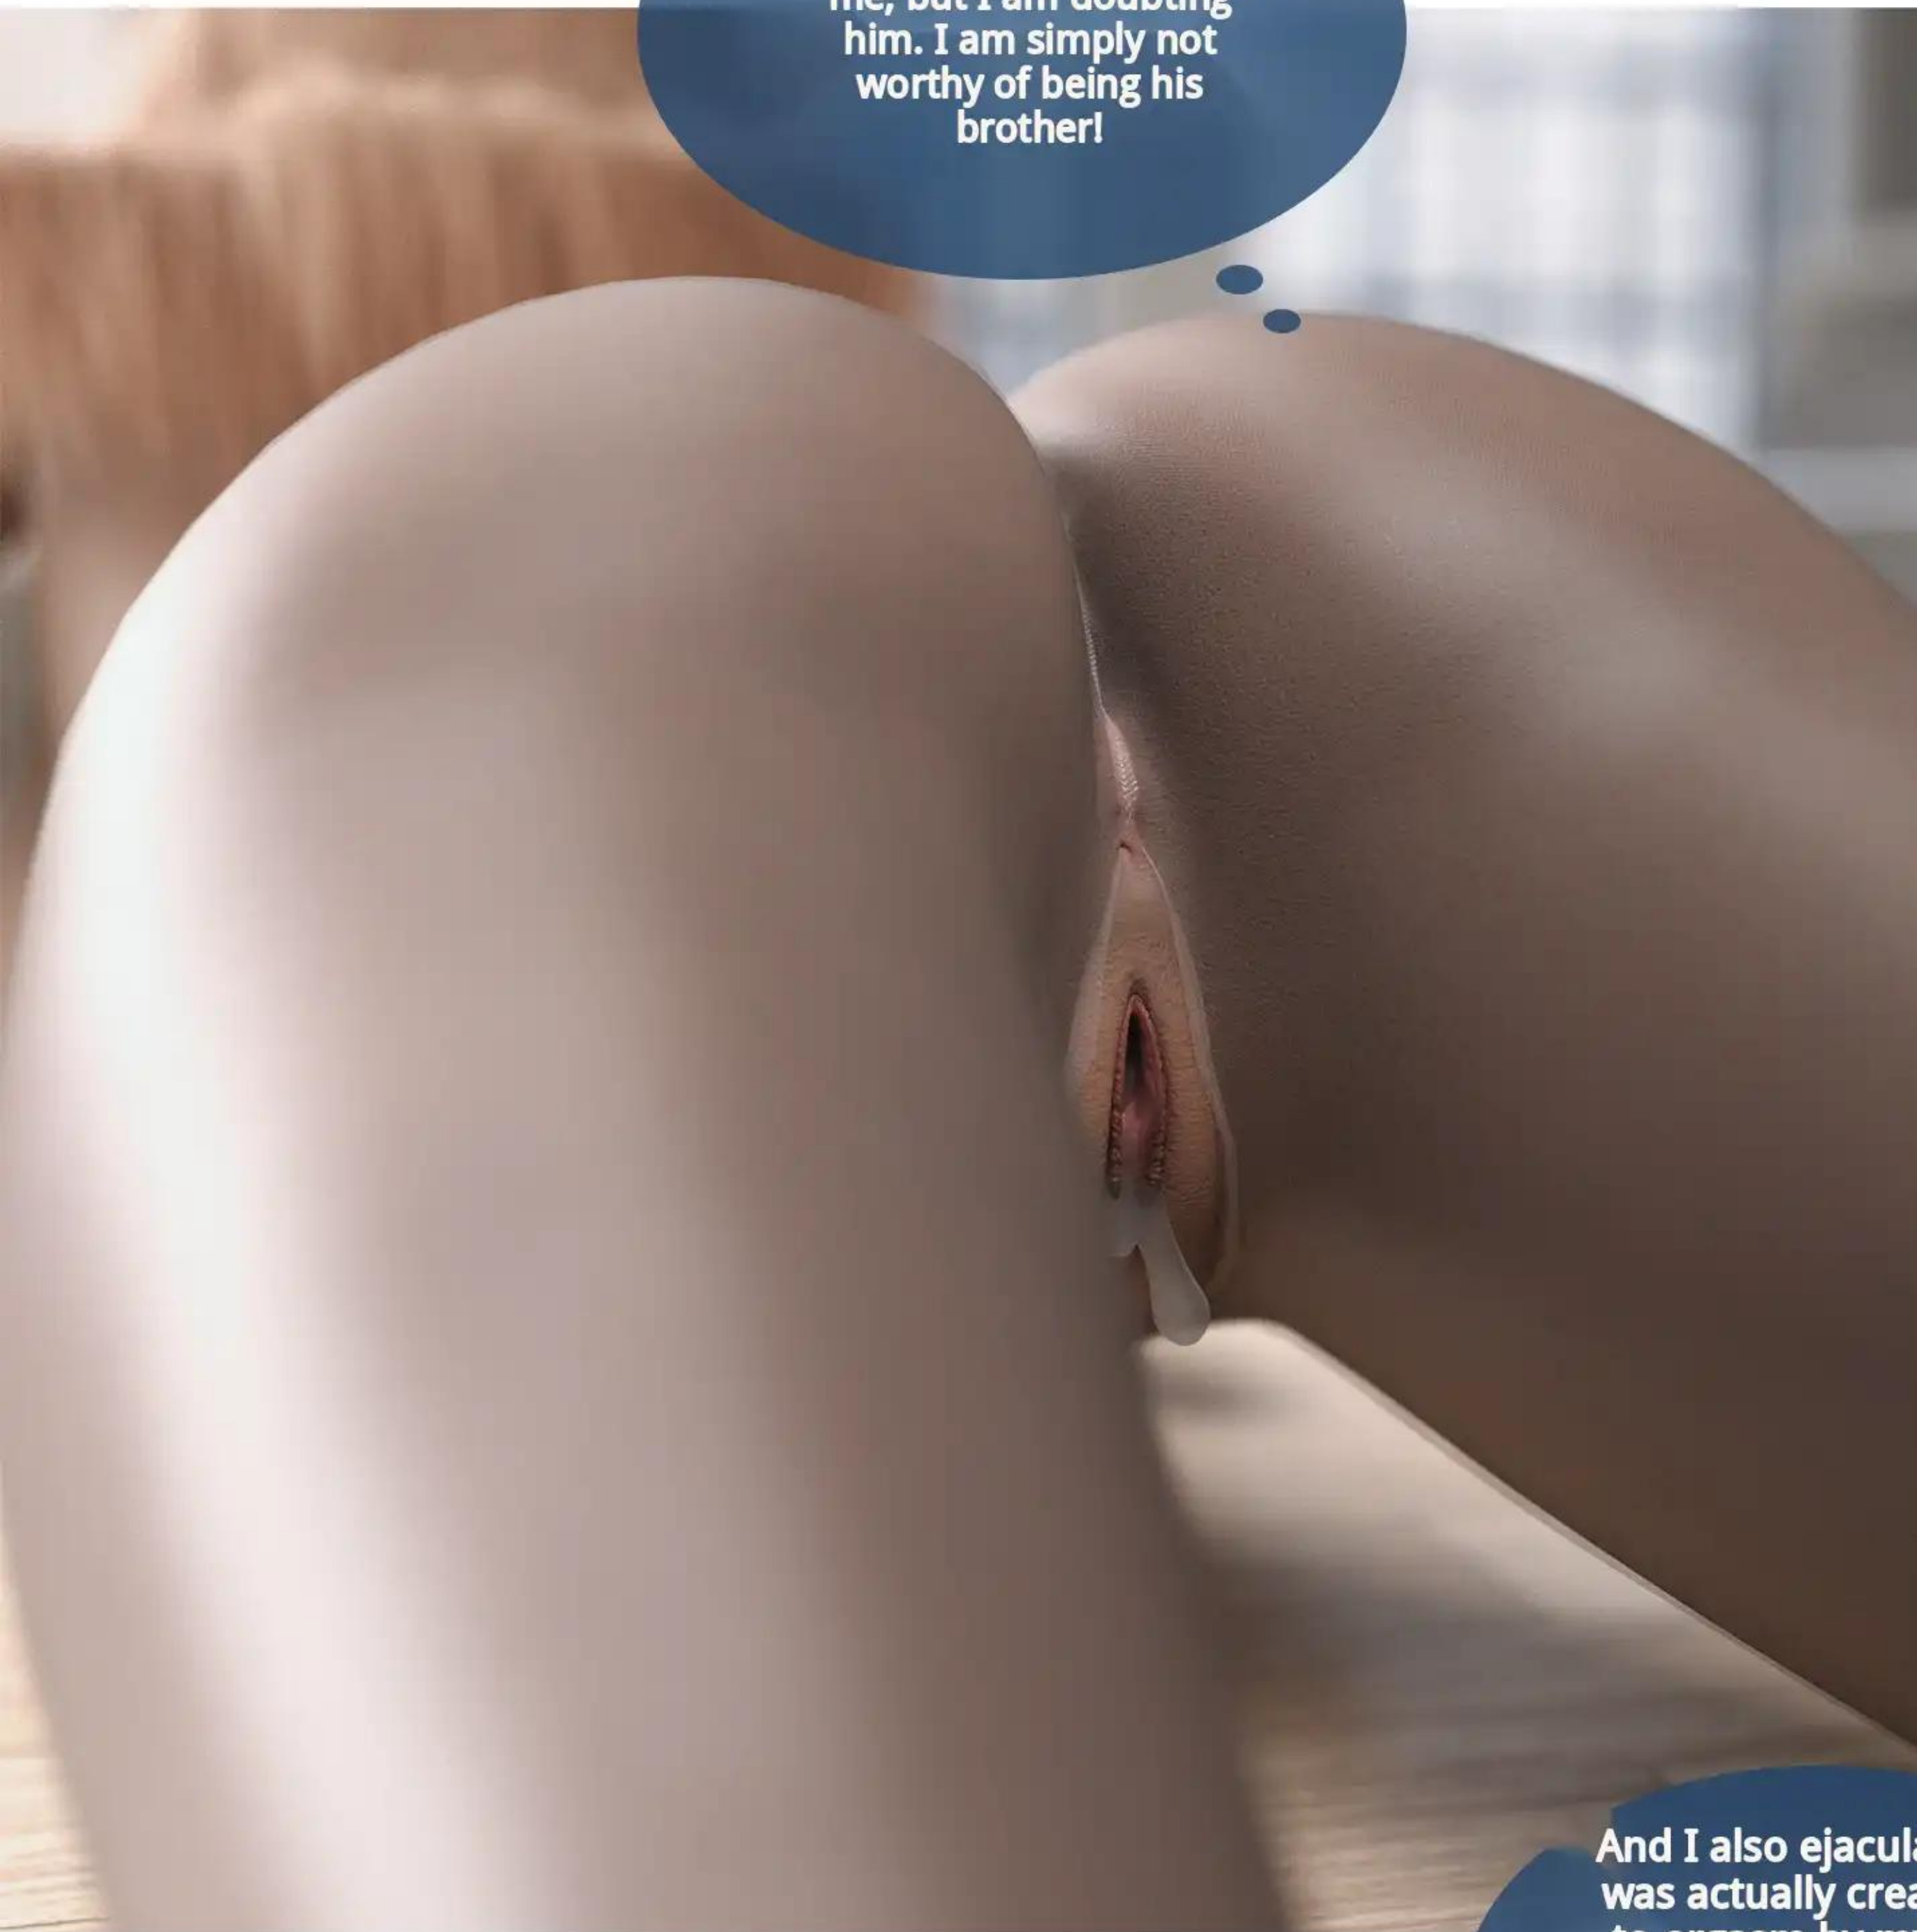

I-I was cummed by Azunai? ! How could he still act like nothing was wrong? I don't even dare to look back
He...

His tone was the same as usual. Was he really just pretending to be a guest? Did I get used to it? Am I too sensitive and think too much?

Why is the fake vagina still shaking? Good wing, it's exactly the same as a woman's orgasm, right! Azin seemed to think that this was the latest high-tech simulation prop.

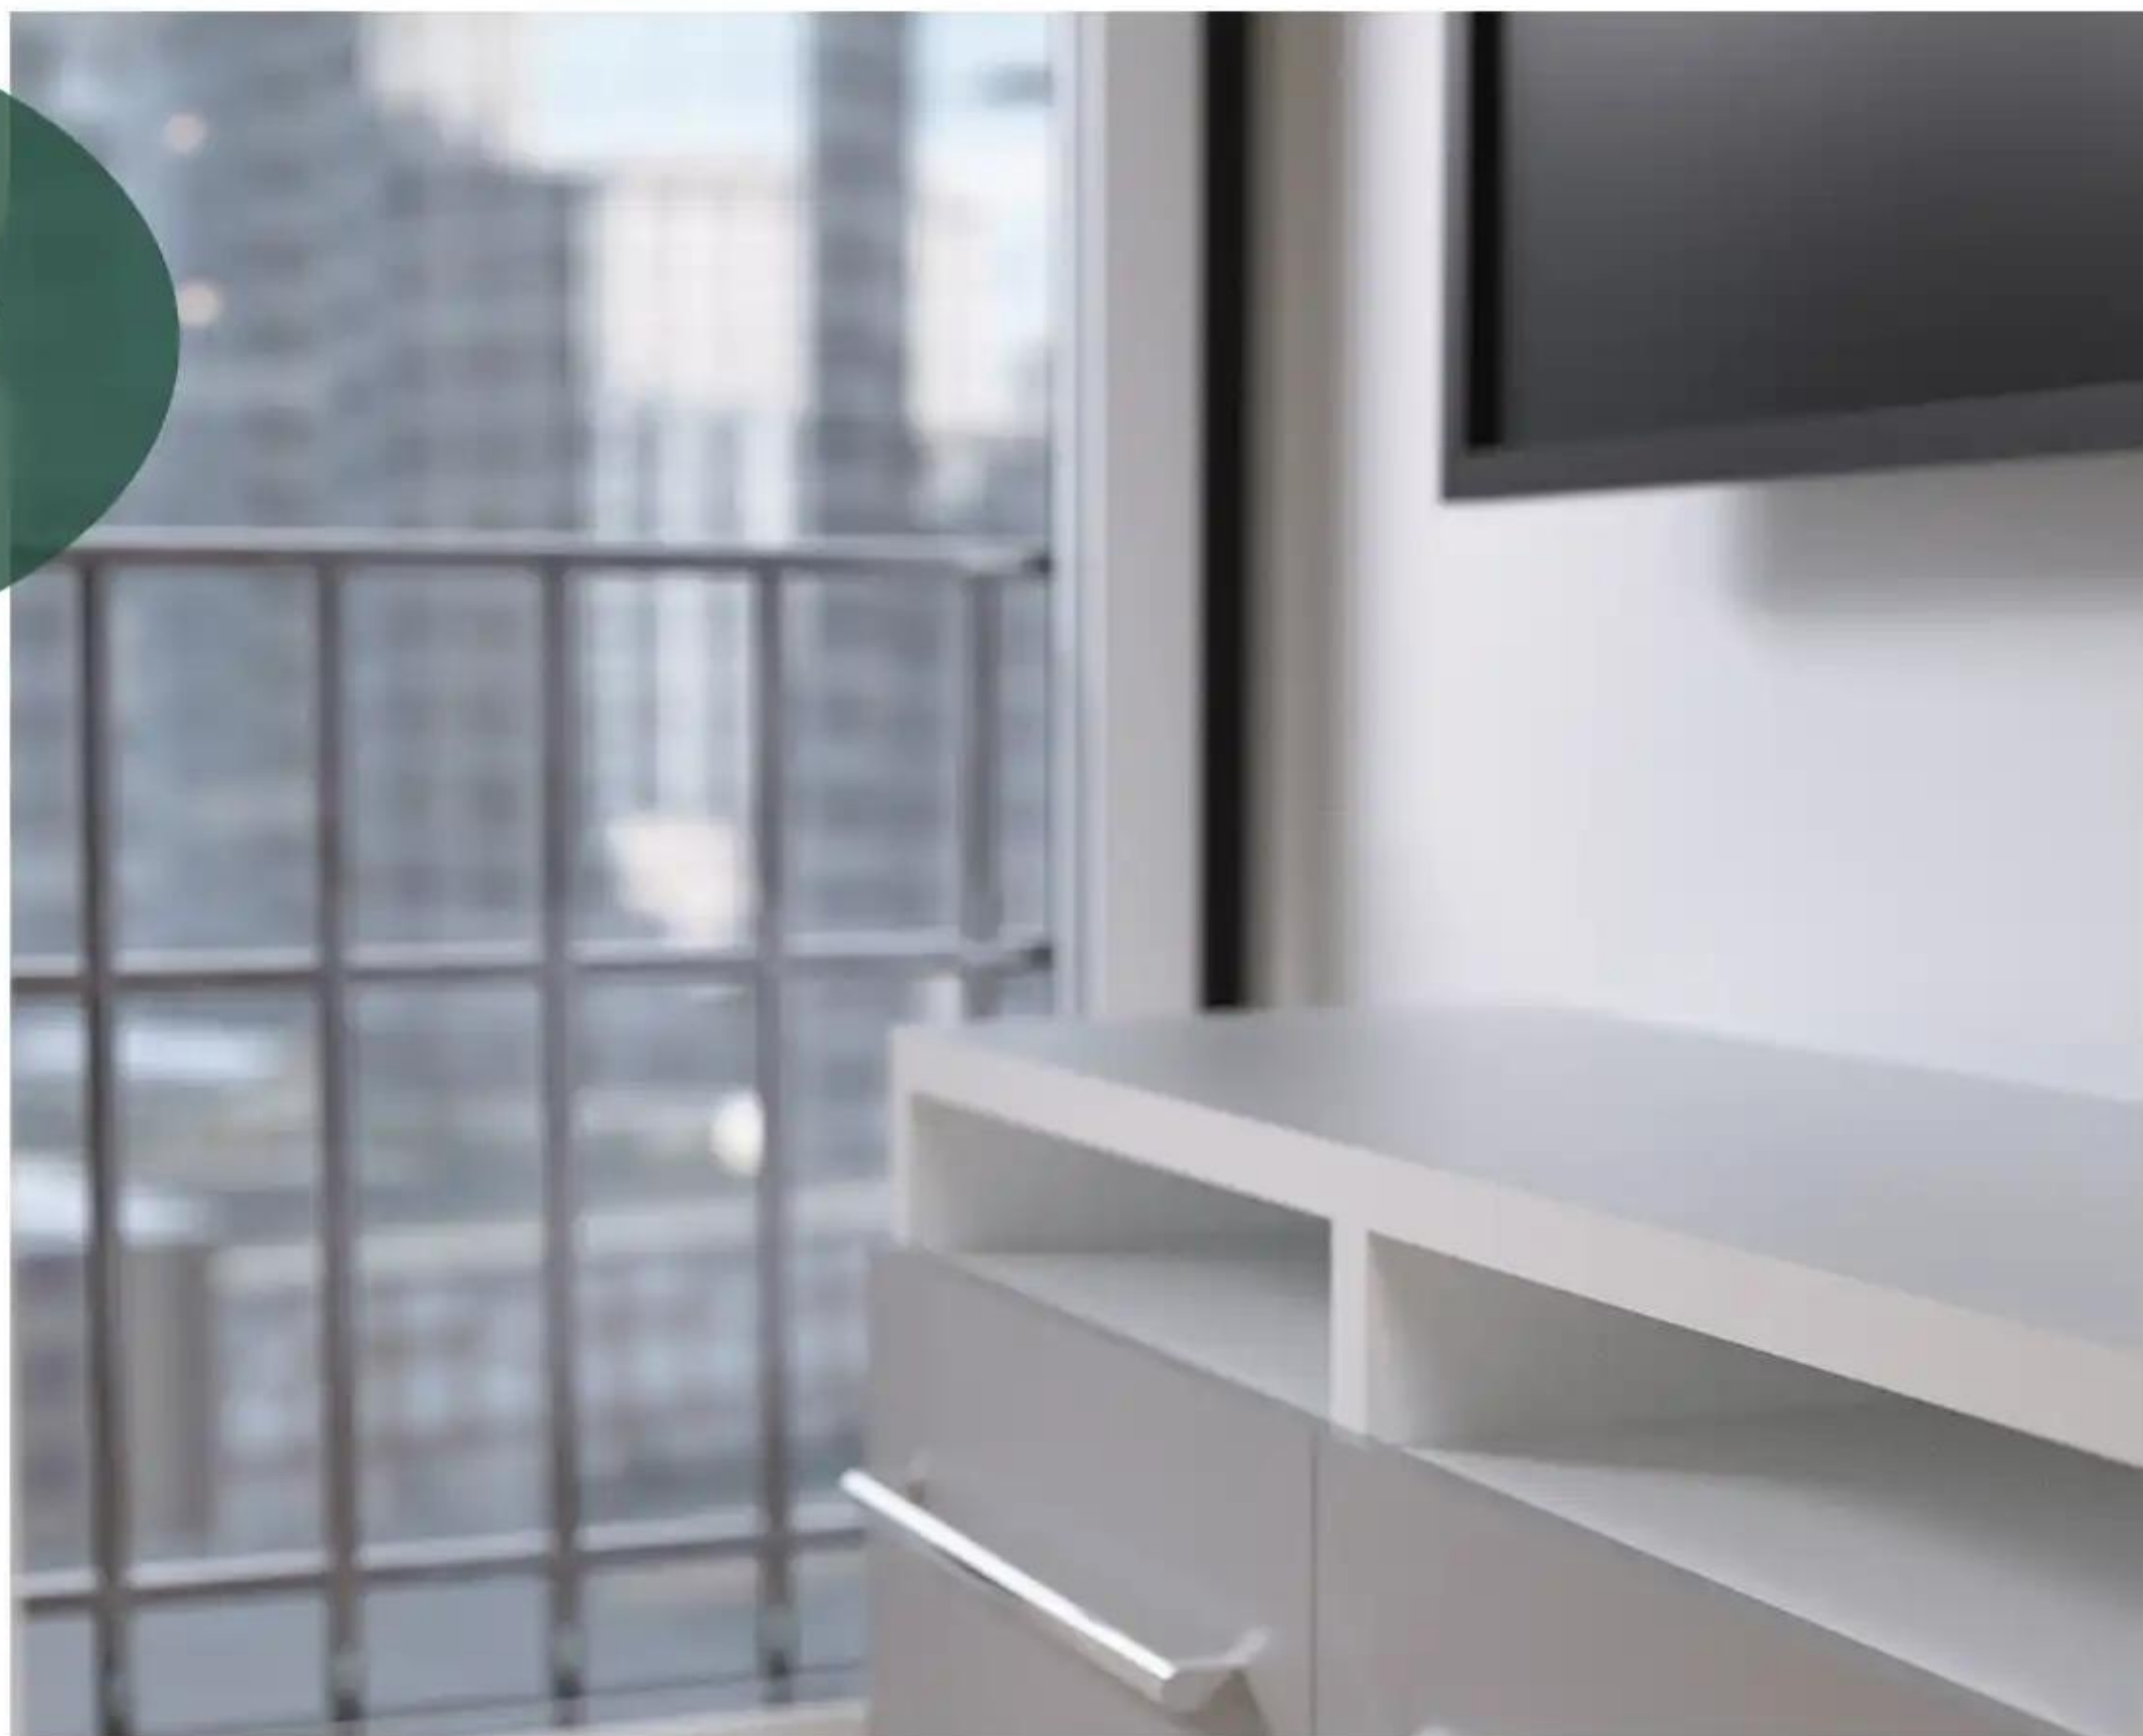

He is trying his best to help me, but I am doubting him. I am simply not worthy of being his brother!

And I also ejaculated... was actually creampie'd to orgasm by my good brother. What seemed abnormal was that I was not him, damn it! I really want to find one

How to hide!

You take off the
dildo first and rest.
I'll take care of the
rest.
Just
fine.

Don't take it to heart
that I was a little rough
on you just now. I did
everything for your own
good.

Well
acted.

ah?
Oh...okay...

I have a bad head and can't calm down at all. I feel so good when I go to bed with my best friend that I ejaculate... How could this happen?

Even if I wear a dildo, I am still a real man. Although Ajin is just testing the function, it is wrong to do that with him who is also a man, right?

Is this fake vagina easy to use? High technology is indeed different, but I knew it was very harmful before, but after actually experiencing it, I was still shocked!

I will return it to you after I clean it. With this tool, you can sneak in with confidence. Even if you wear it, no one will believe you even if you are a man.

Azin's ejaculation was due to a false vagina, and my orgasm could also be explained as a normal male physiological reaction, but... I knew it was not just this.

I was completely immersed in the pleasure of making love, and I also enjoyed being suppressed until I couldn't move. I also had a strange feeling for Atsu.

It was obviously a familiar voice, but I felt more moved than usual. I actually heard those humiliating and difficult words. Don't feel angry.

Seeing his fascination with my body, I felt an unprecedented sense of joy and accomplishment from the bottom of my heart. As soon as he touched me, his heartbeat would suddenly speed up. It had never been like this before!

We used to make dirty jokes to each other, and we were just good brothers when we got along, and physical contact was normal.

Boys would also look at each other's private parts when we were having sex. I didn't feel shy at that time, so I showed it to him openly. Why now.....

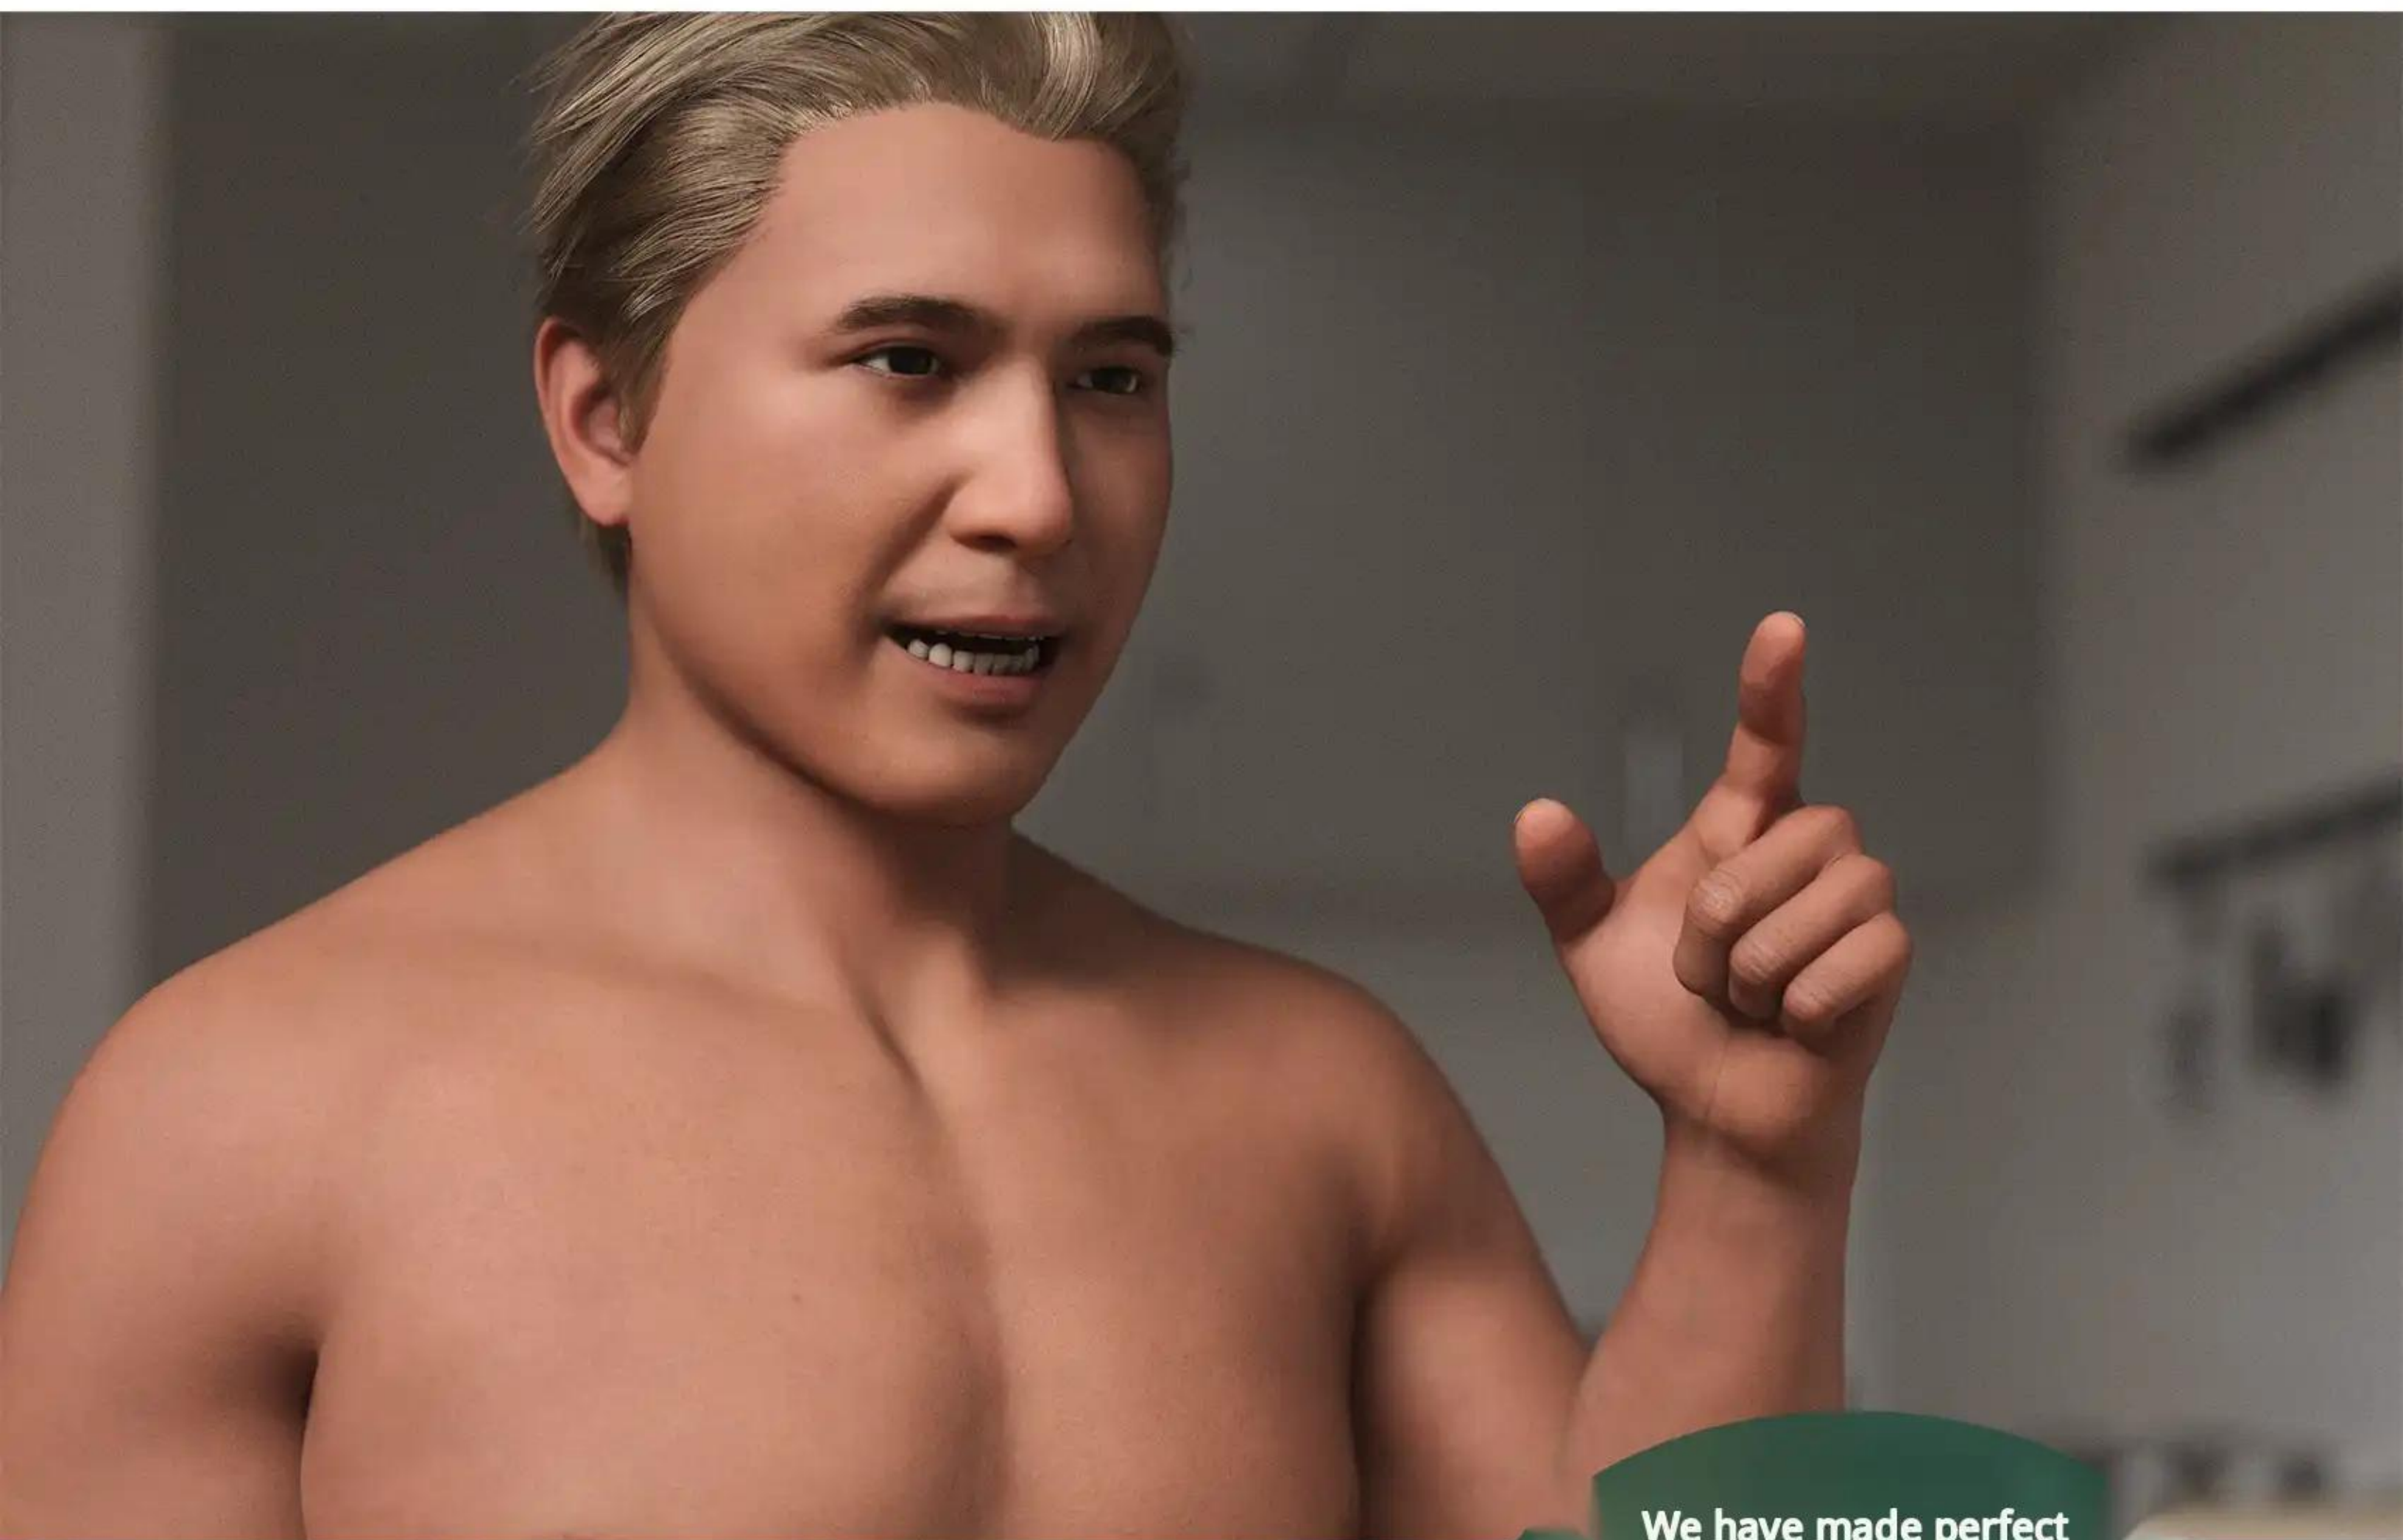

I seem to have inappropriate thoughts about Azin. Is it because my body has changed too much? I was still a normal man a while ago!

How could I turn my ordinary male college student into a bitch with big breasts? What am I doing? Is it too late to regret now?

Then I got in touch with that friend. He was very satisfied with your look and will be able to go to Maple next Monday.

Happy to go to work.

We have made perfect preparations in advance and have taken care of everything we can think of. All you have to do is behave well.
Set the question!

Al! Are you there?

ah? Varied?
Oh...I'm here!
Sorry for being a
little distracted
Already....

You still remember that
you want to sneak into
Yue and find out if Xiaoyi
works there, right? Don't
take it lightly! Be careful
of big trouble!

In order to investigate Xiaoyi's current situation, I finally tried to put all the doubts aside

The back of the head.

The day finally came when I sneaked into Yue. I would step into the nightlife that I was unfamiliar with as a bartender...

Hahaha~

Brother
asks for
it.

Come,
come, have
more drinks!

Chatea

My sister has
a good
figure~

Hahaha~

Brother
Xiang, touch
it!

Shi... Shili is Feng Yue? Although I was mentally prepared, it was still a bit shocking to see it in person...

Is it possible for Xiaoyi to work in such a mixed place with such a mess of etiquette?

A woman in a red dress is performing a hula hoop routine on a stage. She is holding a glowing white hula hoop around her waist. The background is a blurred crowd of people in a dimly lit club or bar setting.

This place is simply a paradise for male desire. The ladies who serve here feel like they are working hard to satisfy the male customers.

The loud music, wine and women deeply satisfied the stimulation of the five senses, and even I was infected by the overall atmosphere.

This is my first time coming to a place like this. How can a stupid student like me who only knows how to study really cope with the people and things here?

Al, don't be nervous. I know that a good student like you will not be used to everything here.

But I've already told my friend here that he will ask his colleagues here to take good care of you, okay?

Something happened.

And you look like a very coquettish young girl now. Basically, as long as you look good, no one will be too harsh on you!

Hmm... I should cheer up. I've helped you like this, Atsu, and I can't back down...

Are you Azin? I am a cadre of Fengyue. I have been told to take special care of the young lady you brought. Just ask her to follow me.

Ah, okay, I'll hand it in later
There you have it.

Alright, go quickly
AI, don't forget that
your mission is to
find Xiaoyi.

Wow... What should I do if I
suddenly feel so
complicated? Although I look
like this now, I am actually
still a man. Is it different?
Wear
carefully....

Okay, Miss, please come with me. Let me first introduce you to our environment and services.

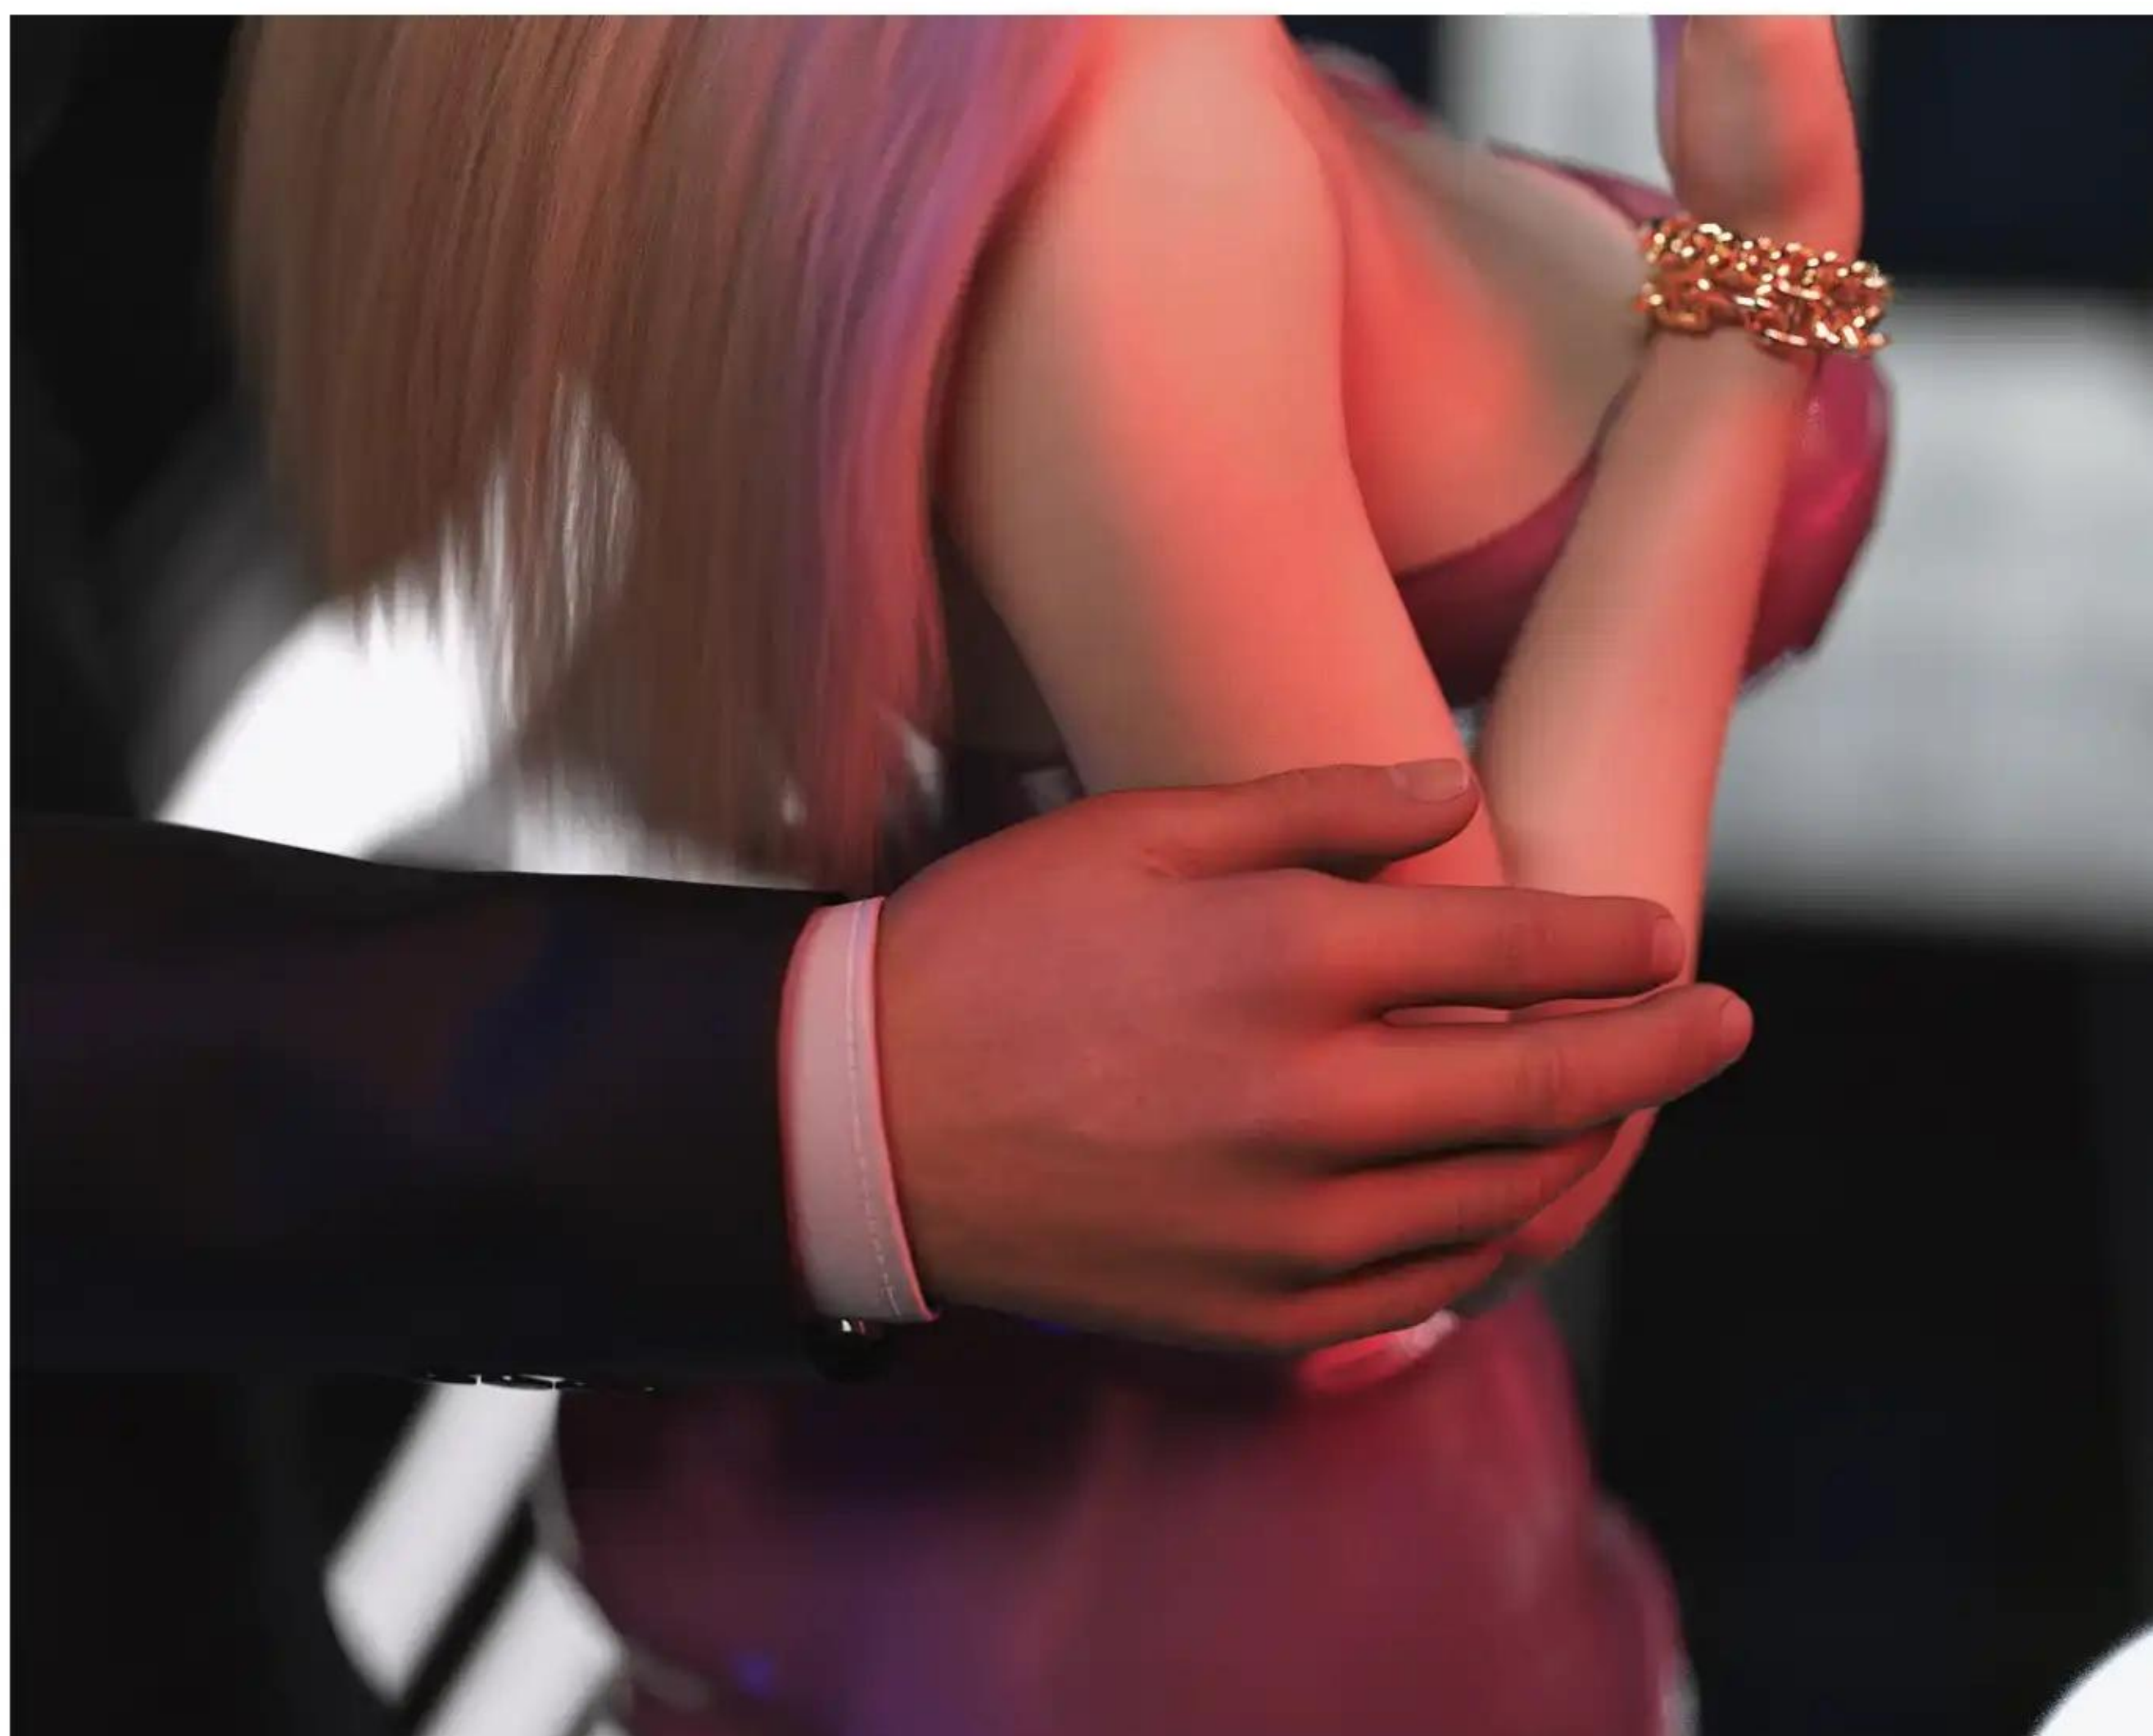

After you get familiar with it, I'll ask you to try to receive guests... By the way, I haven't asked you what your nickname is?

Ah... flower name, I... my flower name is... just call me "Honey"!

Honey is? Okay, please follow me first. I have a lot to explain to you. Please concentrate.

...

Alas, how could I have chosen such a stupid name? I couldn't think of anything good at the moment...Forget it, I'm only doing it today.
...

After I get the news about Xiaoyi, I must get up and leave this place quickly.
square...

Follow me after it's over, and I'll come find you again. During this time, I'll hang around nearby

shake.

If you have any emergencies along the way, you can call me.

Ajin is so kind to me. He helped me so much after thinking of so many ways. I hope I can't live up to his expectations.

see!

Finally... finally
we've come this far.
Don't spend all this
hard work in vain.

Don't blame me,
Al, it's quite a long
night...

Hahaha~

How about one more
drink with Myolie~
My good brother
~

As expected, Myolie has a good drinking capacity. I'm here to drink more with you!

Hey, why did the cadre bring over a young lady whom I have never seen before... Is she a newcomer?

Hi, Brother Kai, we have a new lady here today. Do you want to give it a try? We recruit
Treat you.

Oh, is she a young sister? These days, more and more young people are joining the Eighth National Congress of the Communist Party of China! Then give it a try, bro. I love the youthful body the most.

Well, Honey, this is your first guest. You have to serve me well!

This guy looks really nice, but I feel like he should be a regular customer. Maybe I can find out about Xiaoyi from him...

First think of ways to please him and get to know him well, then let's have a look...

Oops, this girl looks quite young, with a pretty good figure and good looks. I feel like she can do well here!

I'm so lucky that it was given to me for the first time...
Come and enjoy it!

Al, you have to calm down. Don't be nervous. Your dress is perfect. It will be revealed!

sit down

As long as you are normal and pretend to be a girl to make the other person happy... yes, this kind of trivial matter will definitely not trouble a top student like me!

Sister, is this your first time working? He looks very nervous, but don't worry, my brother will take good care of him
your...

Wow, this guy smells like alcohol. He really stinks... I really don't want to get so close to this guy, but at least this guy didn't see that I was pretending to be a boy.
of.

Come, let's have
a drink with
brother first!

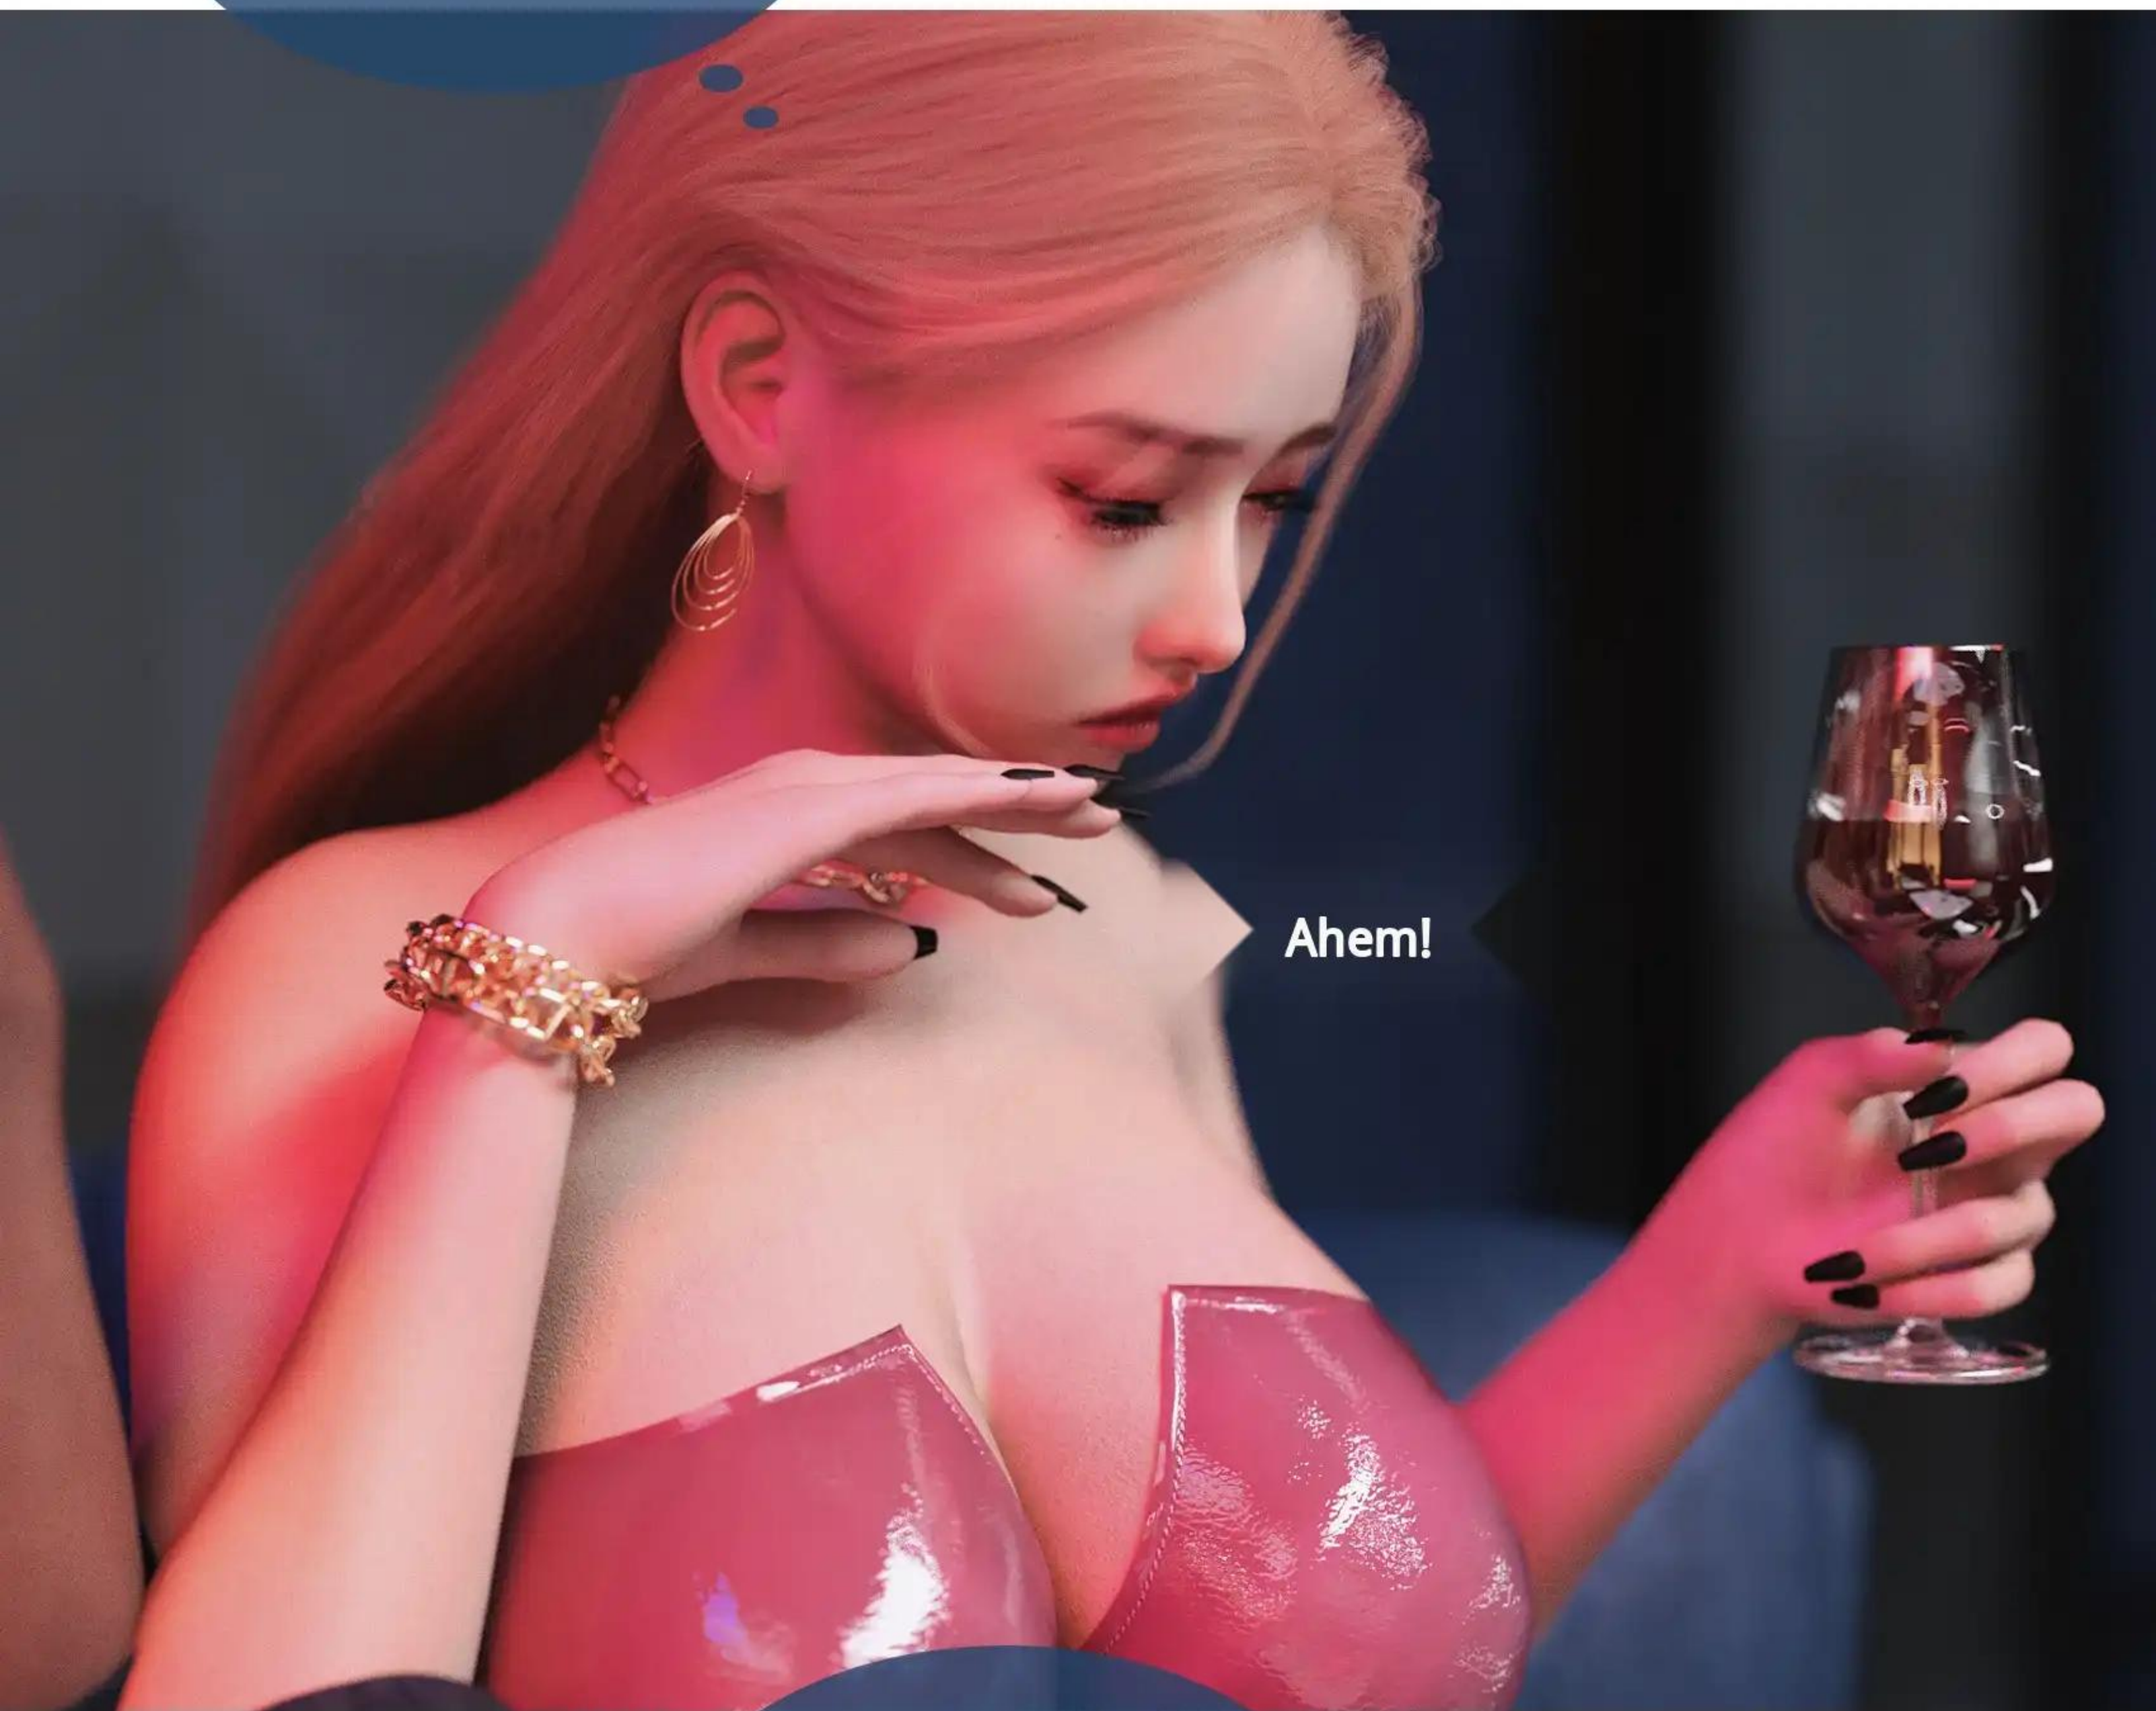

Okay brother, just
Hani... Let's toast
with brother
bar!

Ugh...the wine is too
fucking awful! It's
bitter...why can't you
just drink soda...

Ahem!

God, I'm not going
to drink this awful
stuff all night
Bar...

Oh, sister,
aren't you
used to
drinking?□□□□□□□□,□□□□□□□□□□□□□□□□□
ah..

Okay... Honey
will try her best.
...

Since you're not good at
drinking yet, I won't force
you. Let's try another way
and be happy, right?

Hmm... As expected of a young man, his legs feel really elastic....

touch!

Is this guy touching my thigh now? Are you kidding me...
The more you touch me, the more you make an appointment...

Damn...I shouldn't be afraid of wearing a dildo, but it makes me so uncomfortable to be touched by a boy, so stop it...

Isn't it? The more I touch it, the closer I get to touching my vagina.. Is the scale here so big?

Sister, you are so cute, why don't you move? Are you shy? The shyer you are, the cuter you are!

You smell so good, sister. What kind of perfume did you use? It smells so good that my lower body reacted... Wait, do you want to accompany me to have a tan?

So... so kind, being sexually harassed by a strange boy like this... I am also a boy, how can I bear it!

Sorry brother, Hani will go to a concubine first and come back to accompany her brother later!

Okay sister, brother is waiting for you here. Get up and come back soon. I can replenish your body... Hey Hey..

My heart is really turned into a bear, ^{Want to} don't want to come back...

What on earth is this woman here for? You are kidding if you can't drink and don't want to be touched.

Humph, it's not as easy to get out here as it is here. Do you still want to escape? Wait, she must be taught a lesson...

Huh... I finally escaped from the bear-turned-bear for the time being. Let's take this time to see if we can hit the little one in other ways. According to the news...

As soon as I get the news, I will leave here immediately. As a man, I don't want to endure it anymore when I drink with you and get touched.

I really hope that Xiaoyi is innocent and everything will be okay, and then after today I will remove my breasts and restore them to look like a boy....
