

You, where do we start looking for that traitor?

Do you have any references that I can use as a reference? Information about that traitor,
Next, what should we do if we really find that person? Also, we need to discuss it first
Bar!

Almost all the information we have has been shared with you, what else do you need to know?
Can't you see what's really underneath the skin? Can't you use your ability to directly find out the organization's goals?

But I have to meet people with this ability. I can't look for a needle in a haystack and check everyone, right?

Wei, I will go there again to use my idea. My idea is to see if you can find out the possible activities of the traitor...…

Next, as long as you can't match them, it means that it should be the traitor or his hands. As long as someone is found on the outside and inside, their stronghold will be broken in one fell swoop!

, if they find out while following me, I can immediately take this human skin and put it on them at any time, how about it?

Well...it sounds like a very thorough plan, which can increase your probability of finding someone and save a lot of time...…
And if we control their base, the initiative will be in our hands!

, their previous record of pen shopping was in the market...·According to the information found by the company

There is a very famous medical center there, maybe we can start from there.

investigation...

Based on my understanding of the other party, he will definitely not wrong himself just to hide. Instead, he will stay in a big city because he cares about his living standard!
We don't know that there are people like you. Not to mention the large population of the metropolis, it is also beneficial to their hiding, but he can see through their hands!

Let's get up and go to the city. Now that we've decided, let's go to the city!
Get up
, I will order you to prepare some tickets now...

Oh, young people, don't be anxious about that monkey! To know how to enjoy life, do you know the principle of combining leisure and leisure?
I'm not in a hurry when it comes to things like preliminary investigation. If you're in a hurry, go ahead by yourself instead of using Yu personally, right?

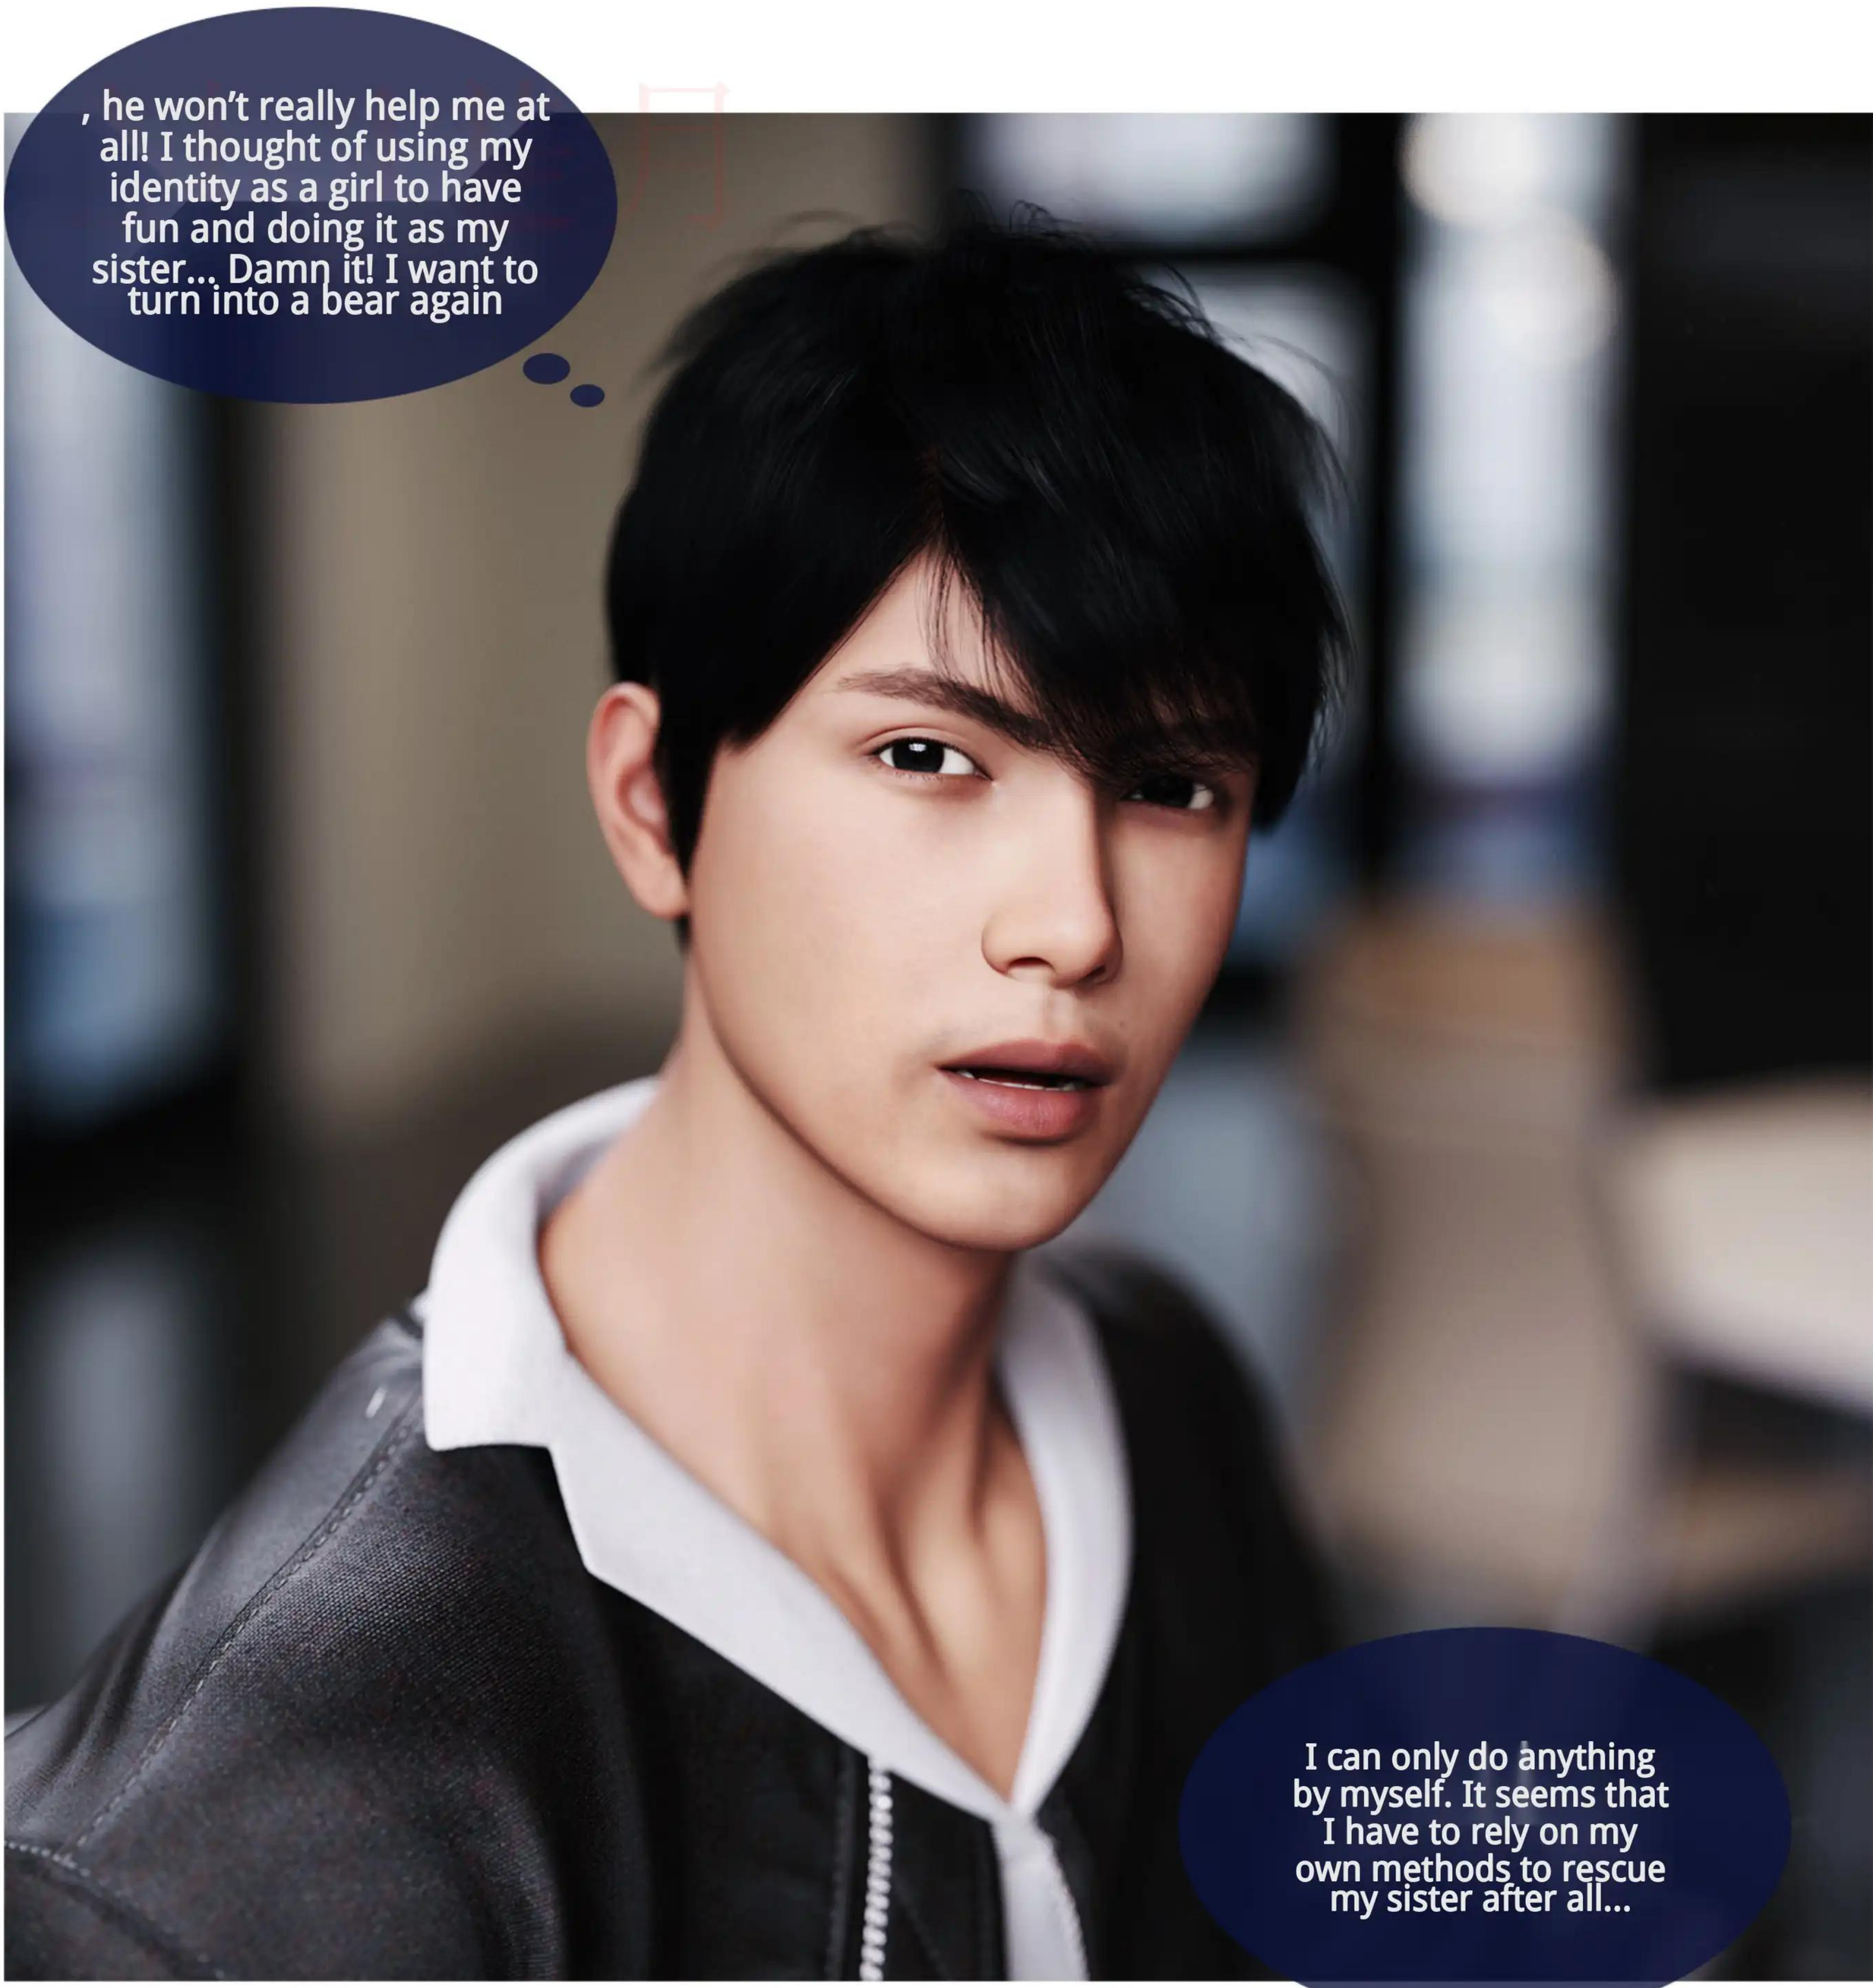

What's more, I already have a date with a beautiful woman~
I've been waiting for a long time. I'm really looking forward to it. I'm late. Do you have a date tonight? Hehe~ Sister! Sorry, man.

As a newcomer, just work hard and find someone. If you have nothing to do, don't come to fight. Anyway, that's how it is. You

My sister!

, sister will take you to a good place, let's go quickly, little beauty

hey-hey!

, he won't really help me at all! I thought of using my identity as a girl to have fun and doing it as my sister... Damn it! I want to turn into a bear again
I can only do anything by myself. It seems that I have to rely on my own methods to rescue my sister after all...

center

Phew, after riding in the car for so long, we finally arrived at our destination!

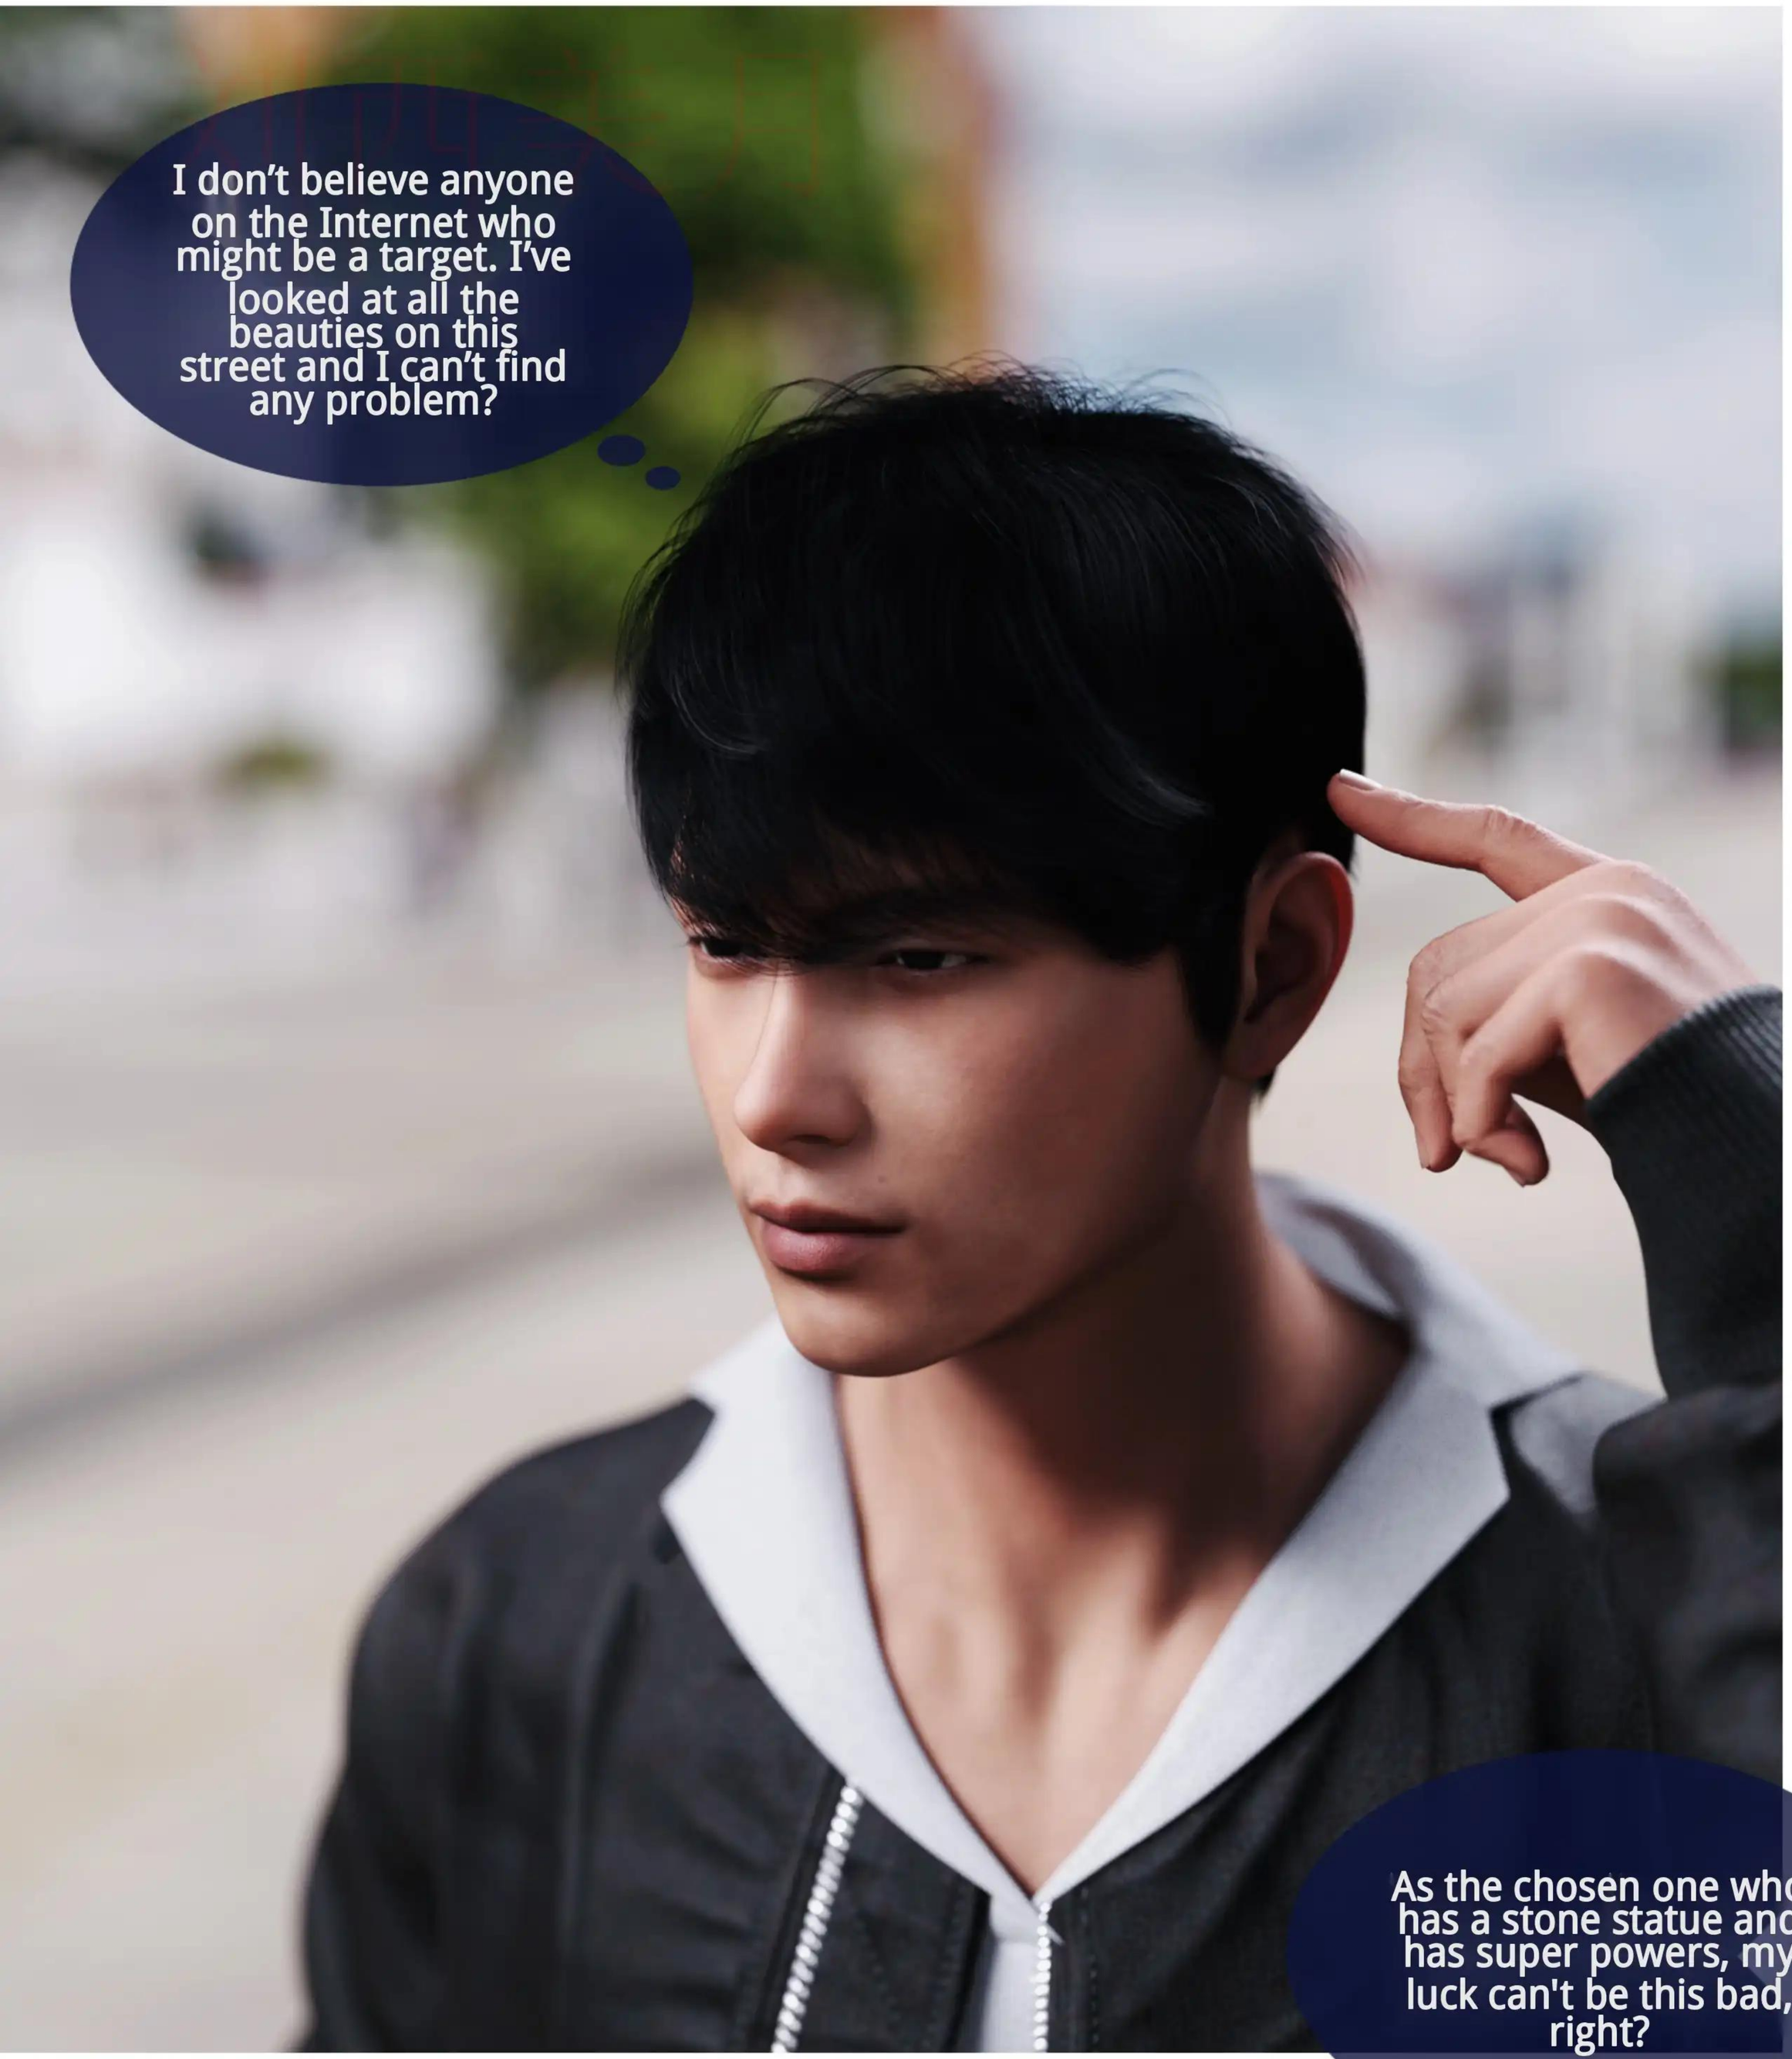

This is my first time in this city, but unfortunately this is my first time. I really have no intention of sightseeing...…

If that's not appropriate, let's activate the ability first and see!

Get rid of distracting thoughts, concentrate, concentrate...

Fortunately, as long as the stone statue is still in my hands, this ability to see into people's hearts will not disappear. I can rely on it to save my eldest sister now!
M
Well, this girl doesn't seem to have wings, let's look at the next one...·

Well, this girl looks fine too...
I haven't been too infiltrated by those perverts, but I want to quickly find out the whereabouts of those bad guys in this city!

I don’t believe anyone on the Internet who might be a target. I’ve looked at all the beauties on this street and I can’t find any problem?
As the chosen one who has a stone statue and has super powers, my luck can't be this bad, right?

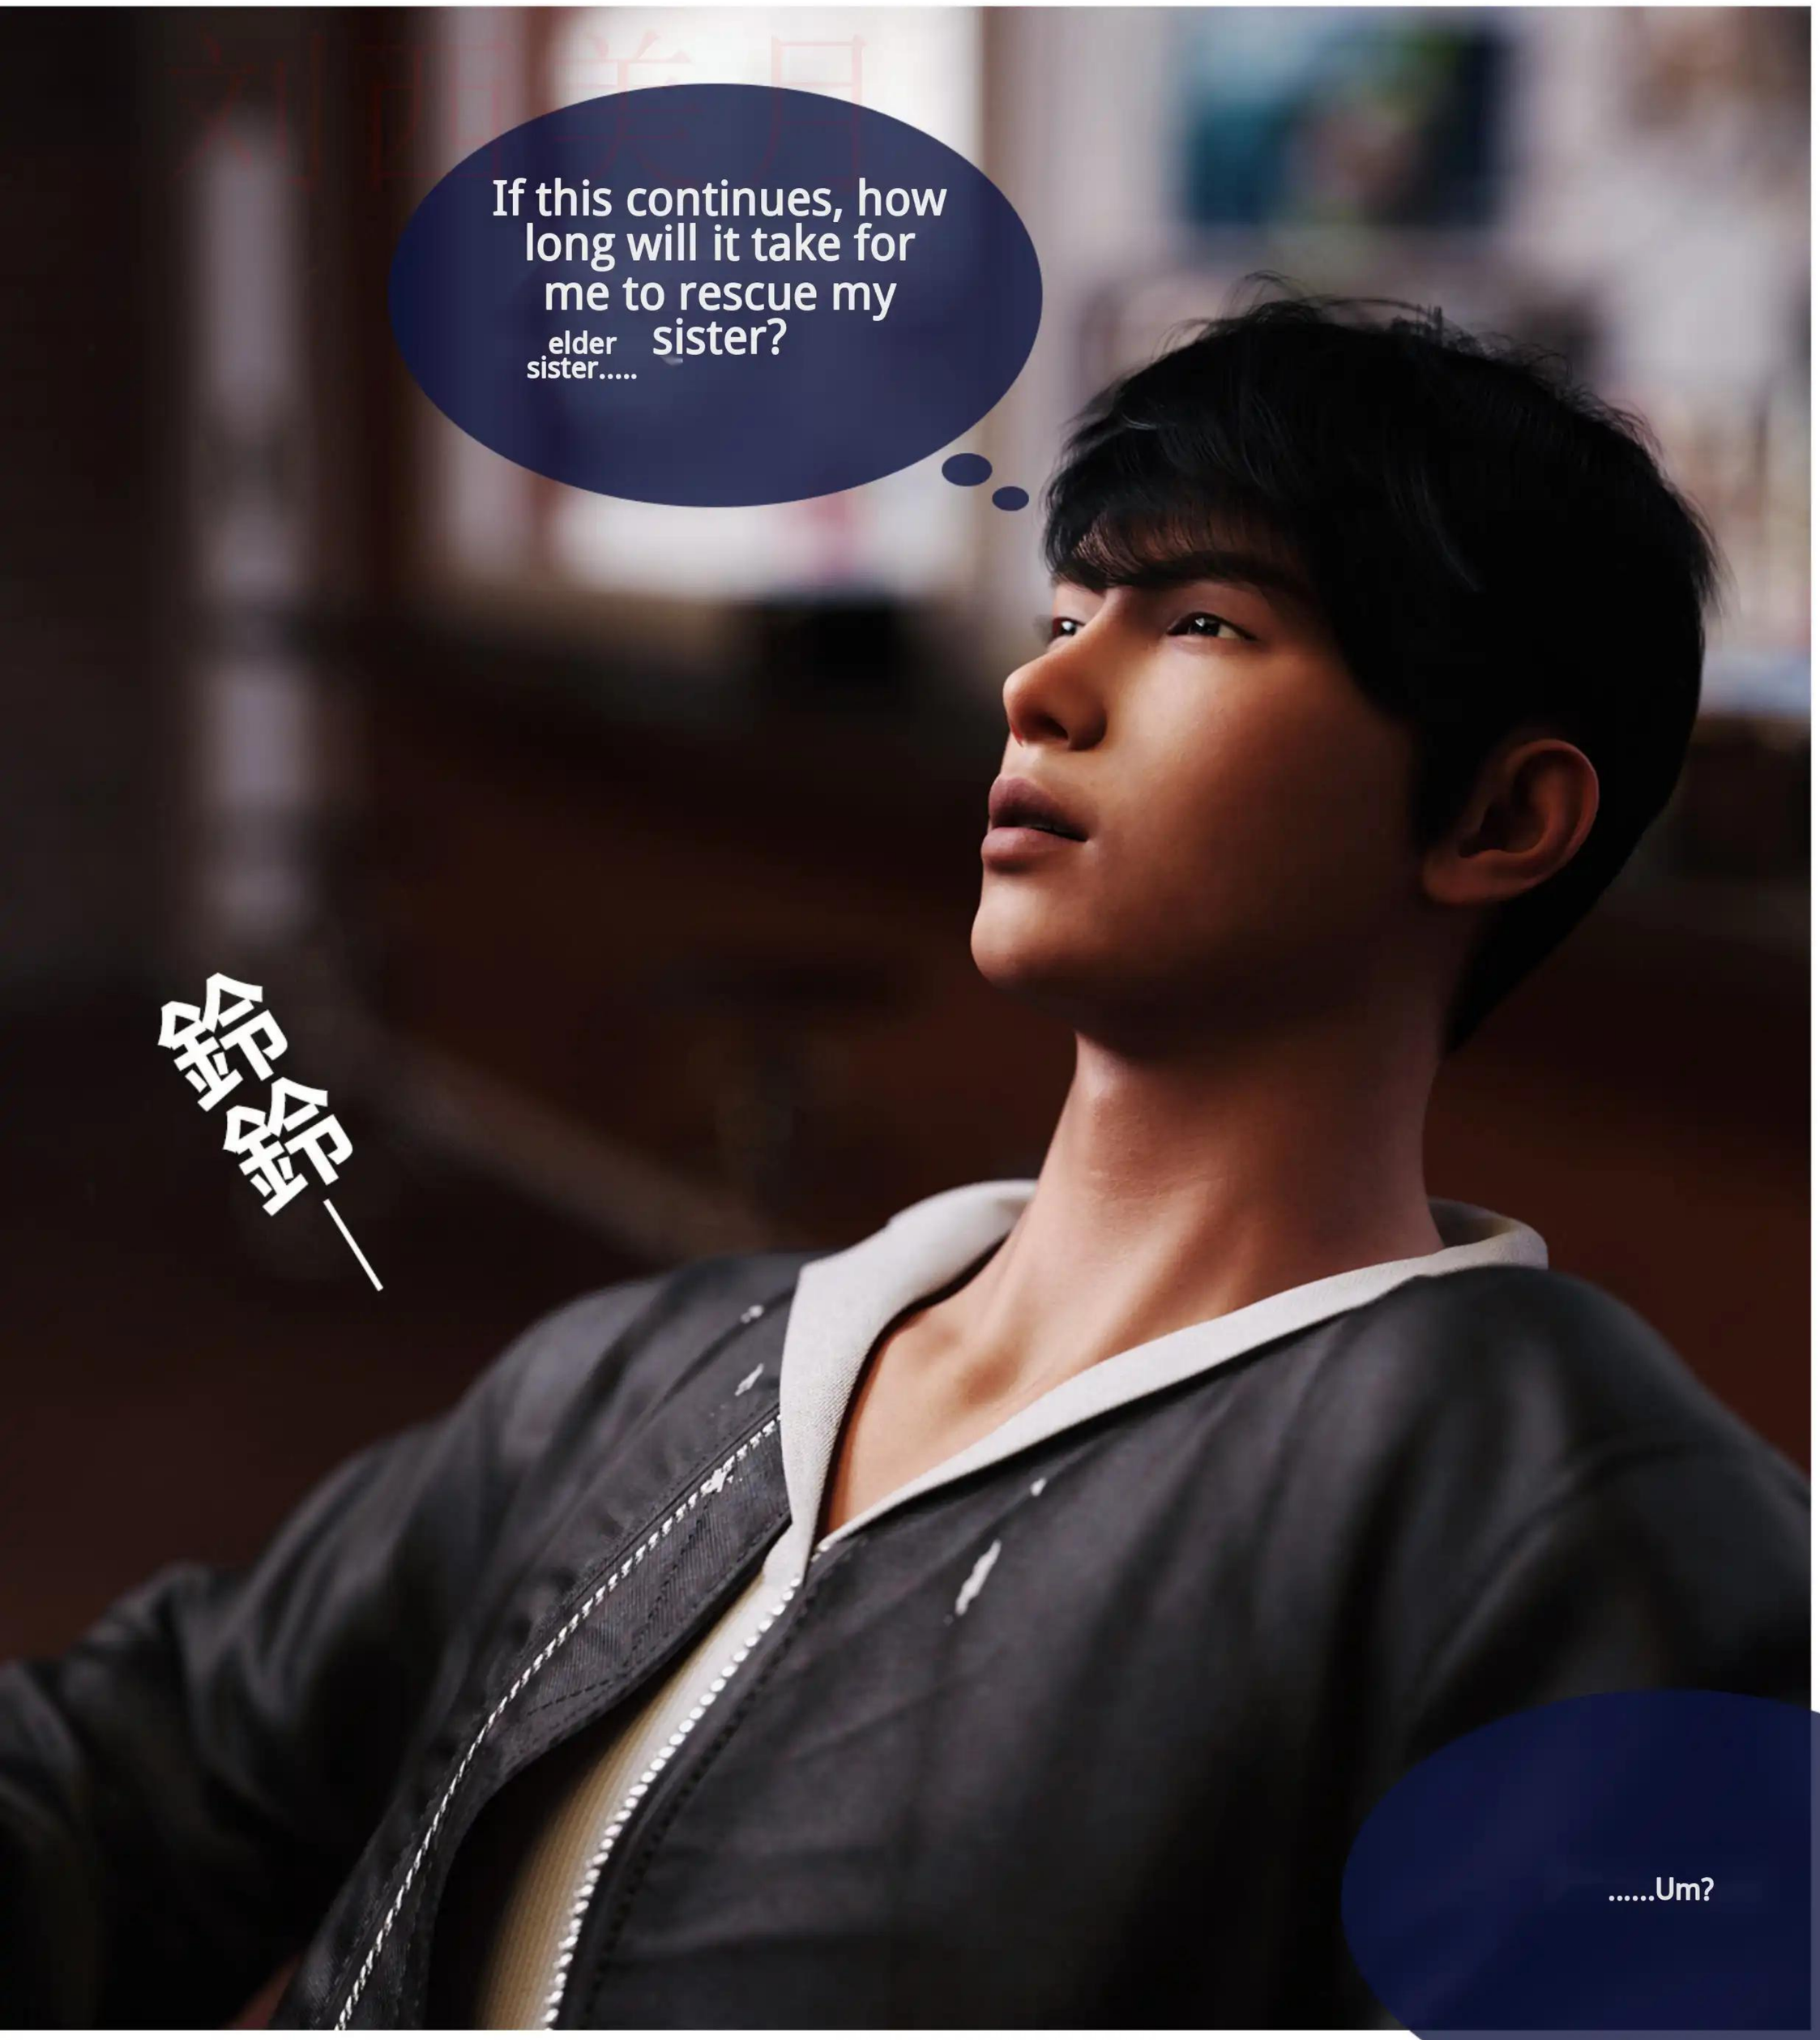

Liu
Ximeiyue

After being in the city for a long time, I didn't even see the person with the problem.

None!

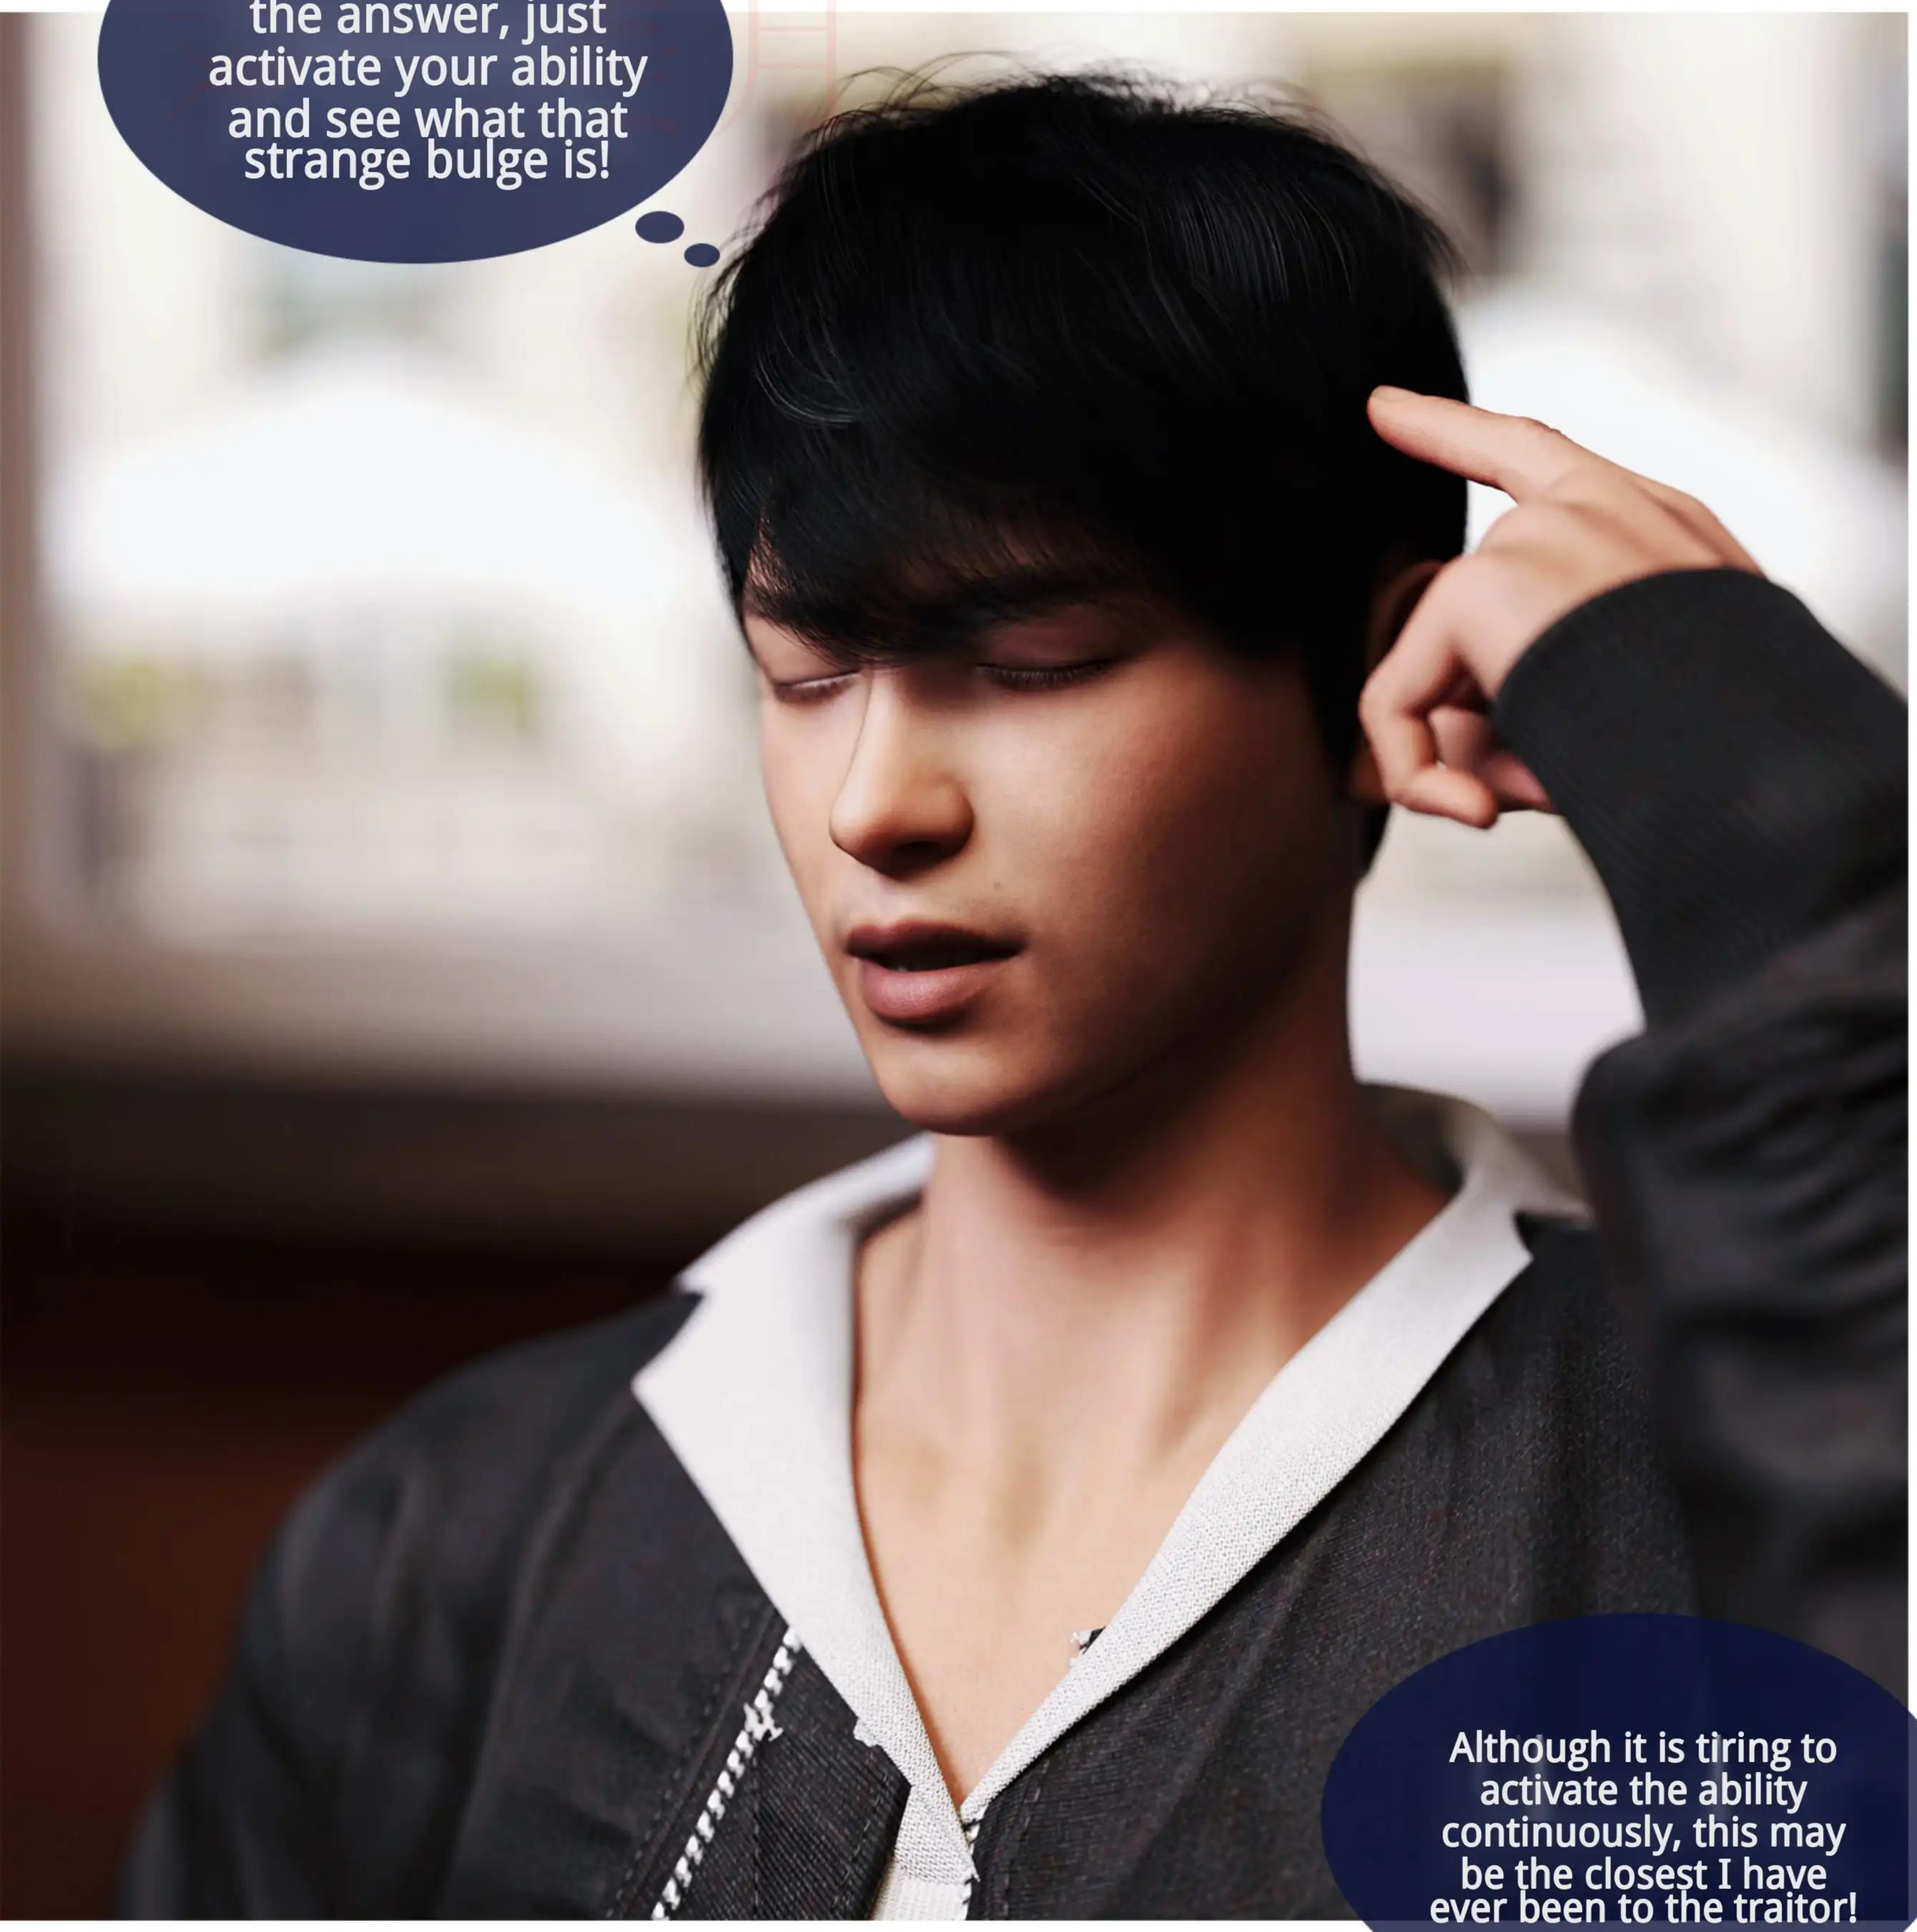

The information about the bear transformation can't be wrong, but now I have no other clues...·.·

If this continues, how long will it take for me to rescue my elder sister?
elder sister.....
舒舒
.....Um?

The type that all men will like.. The girl who comes in now is so beautiful, I feel like she is everything
There seems to be something strange about her body and I don’t know why, her aura...?

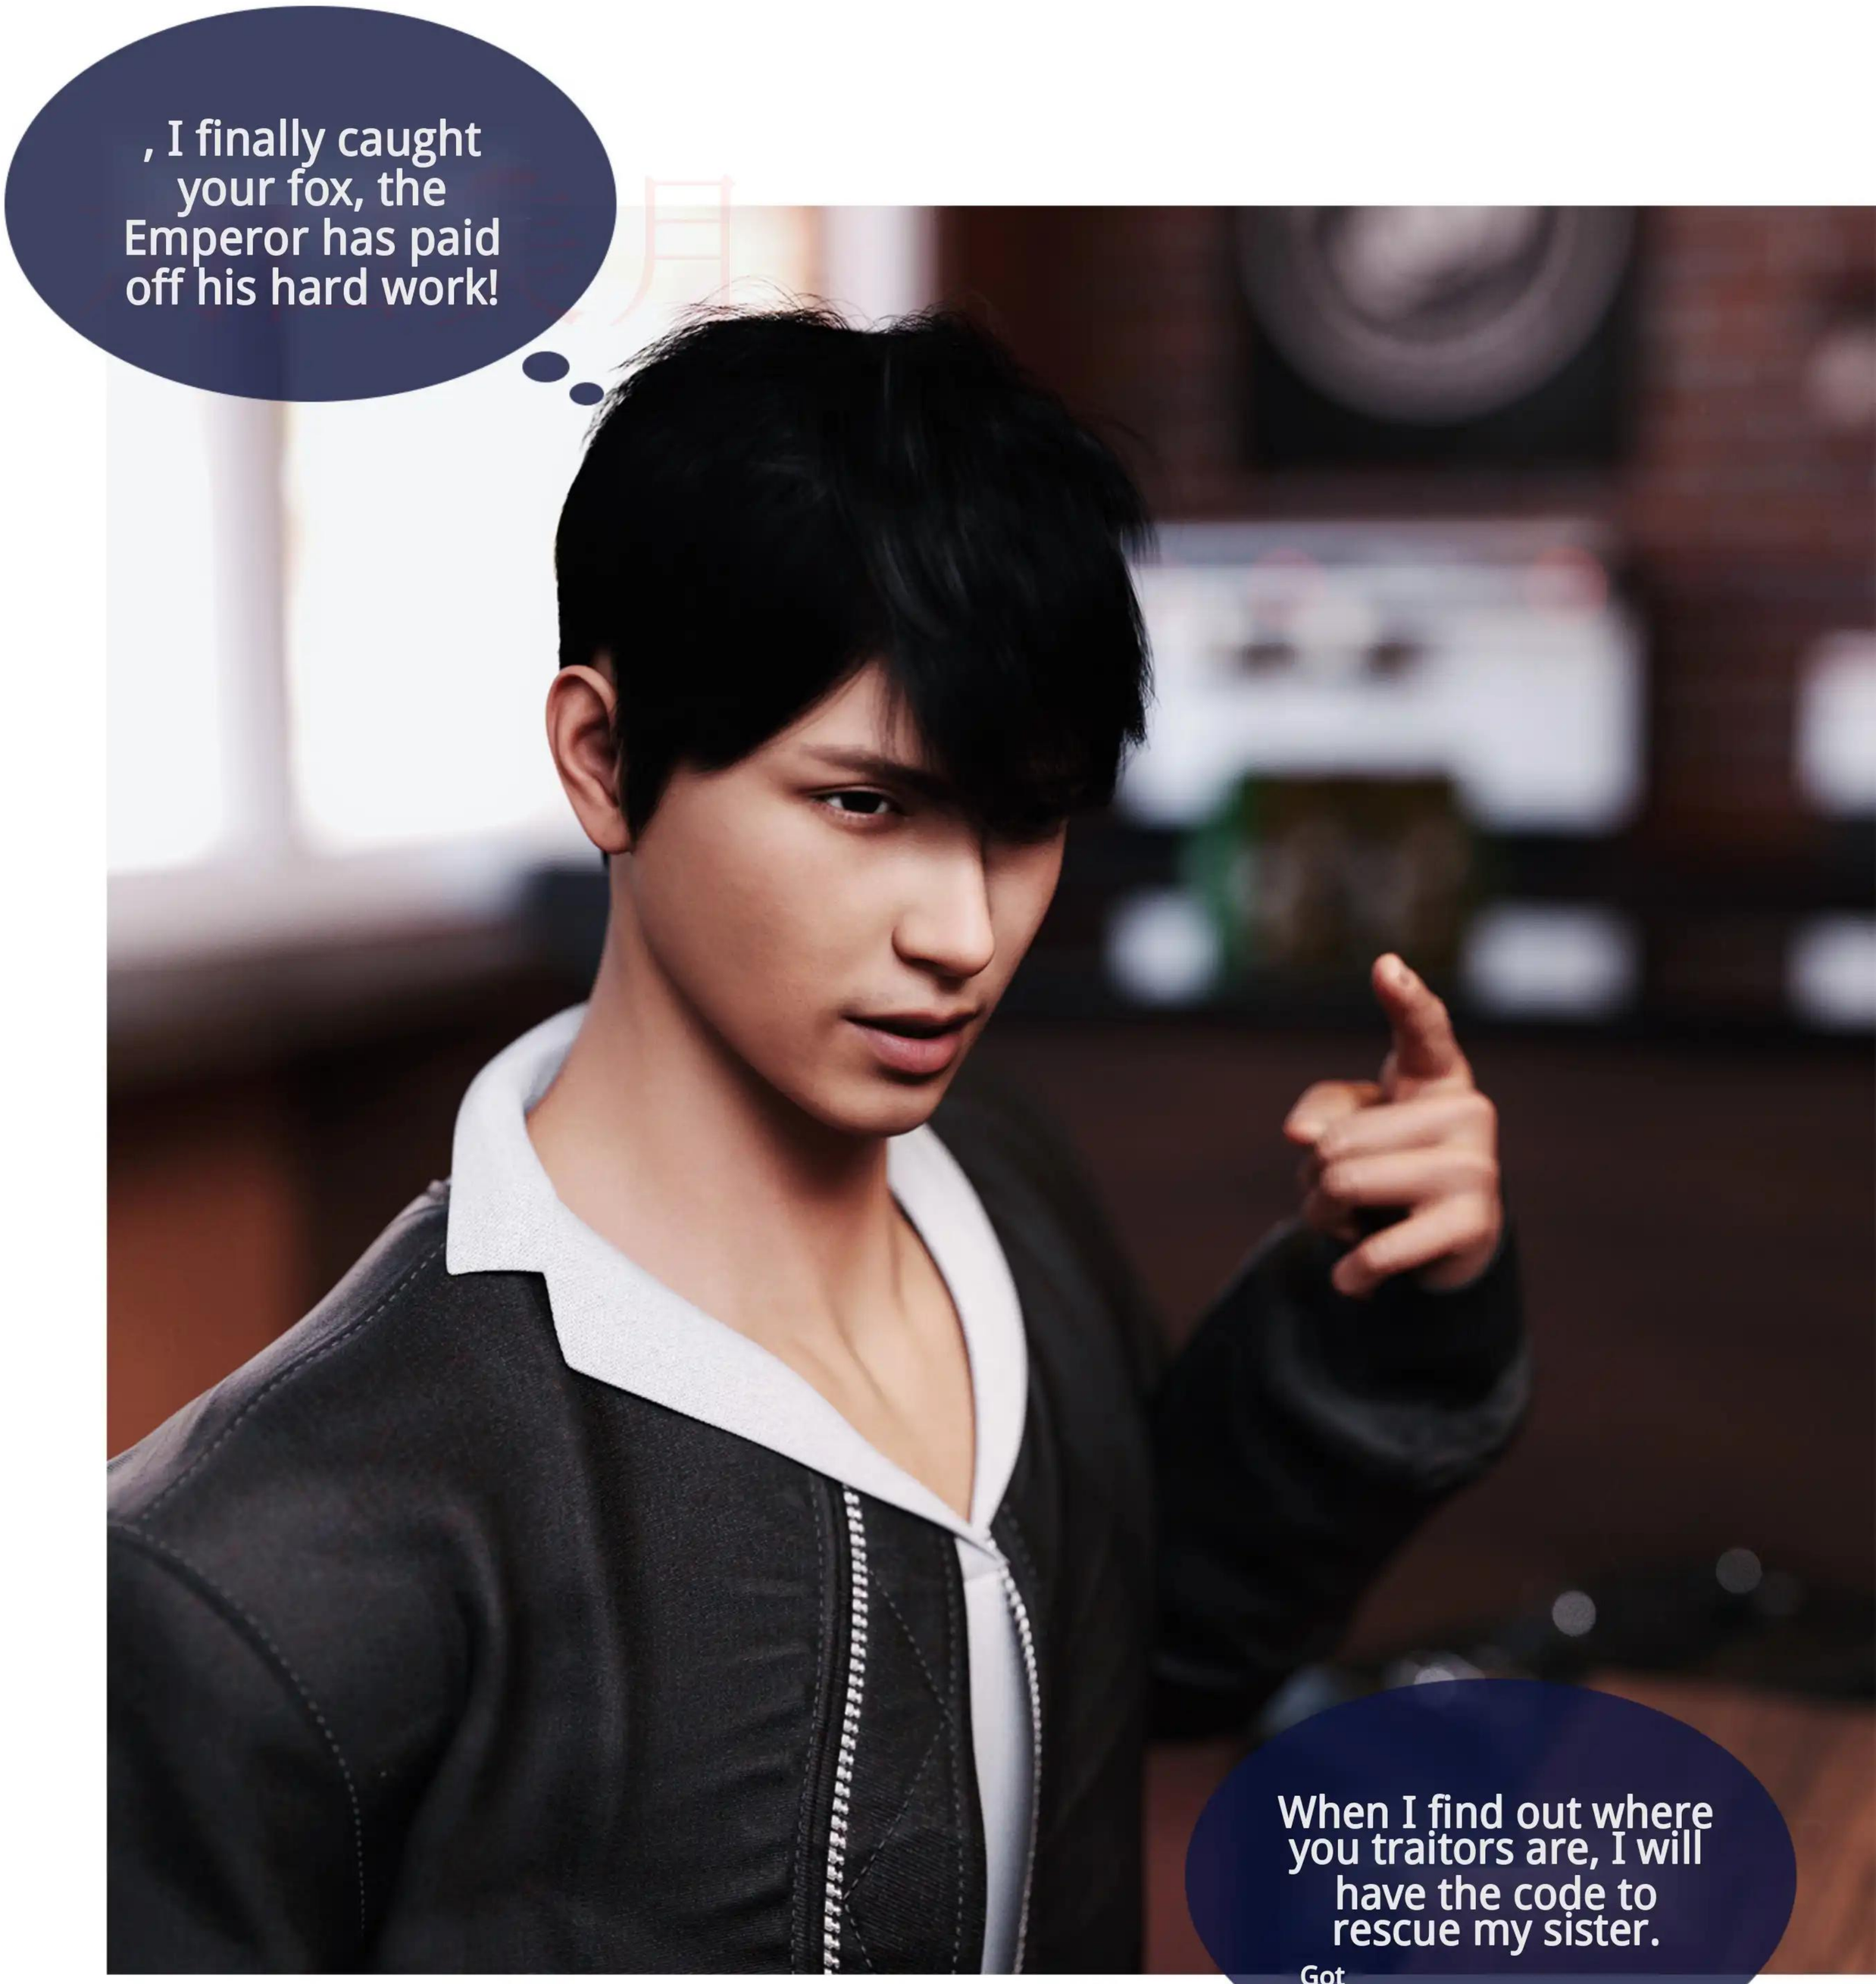

Wait, isn't that girl's cock weird?
Are those wrinkles in the skirt? Or....

If you want to know the answer, just activate your ability and see what that strange bulge is!

Although it is tiring to activate the ability continuously, this may be the closest I have ever been to the traitor!

It is indeed a man wearing human skin! This beauty is also pretending!
That strange bulge in her skirt must be a man's thing!

, I finally caught your fox, the Emperor has paid off his hard work!
When I find out where you traitors are, I will have the code to rescue my sister.
Got it!

Oh, she's leaving!

I have to keep up! Yes...yes, you can't run away!

kanximei

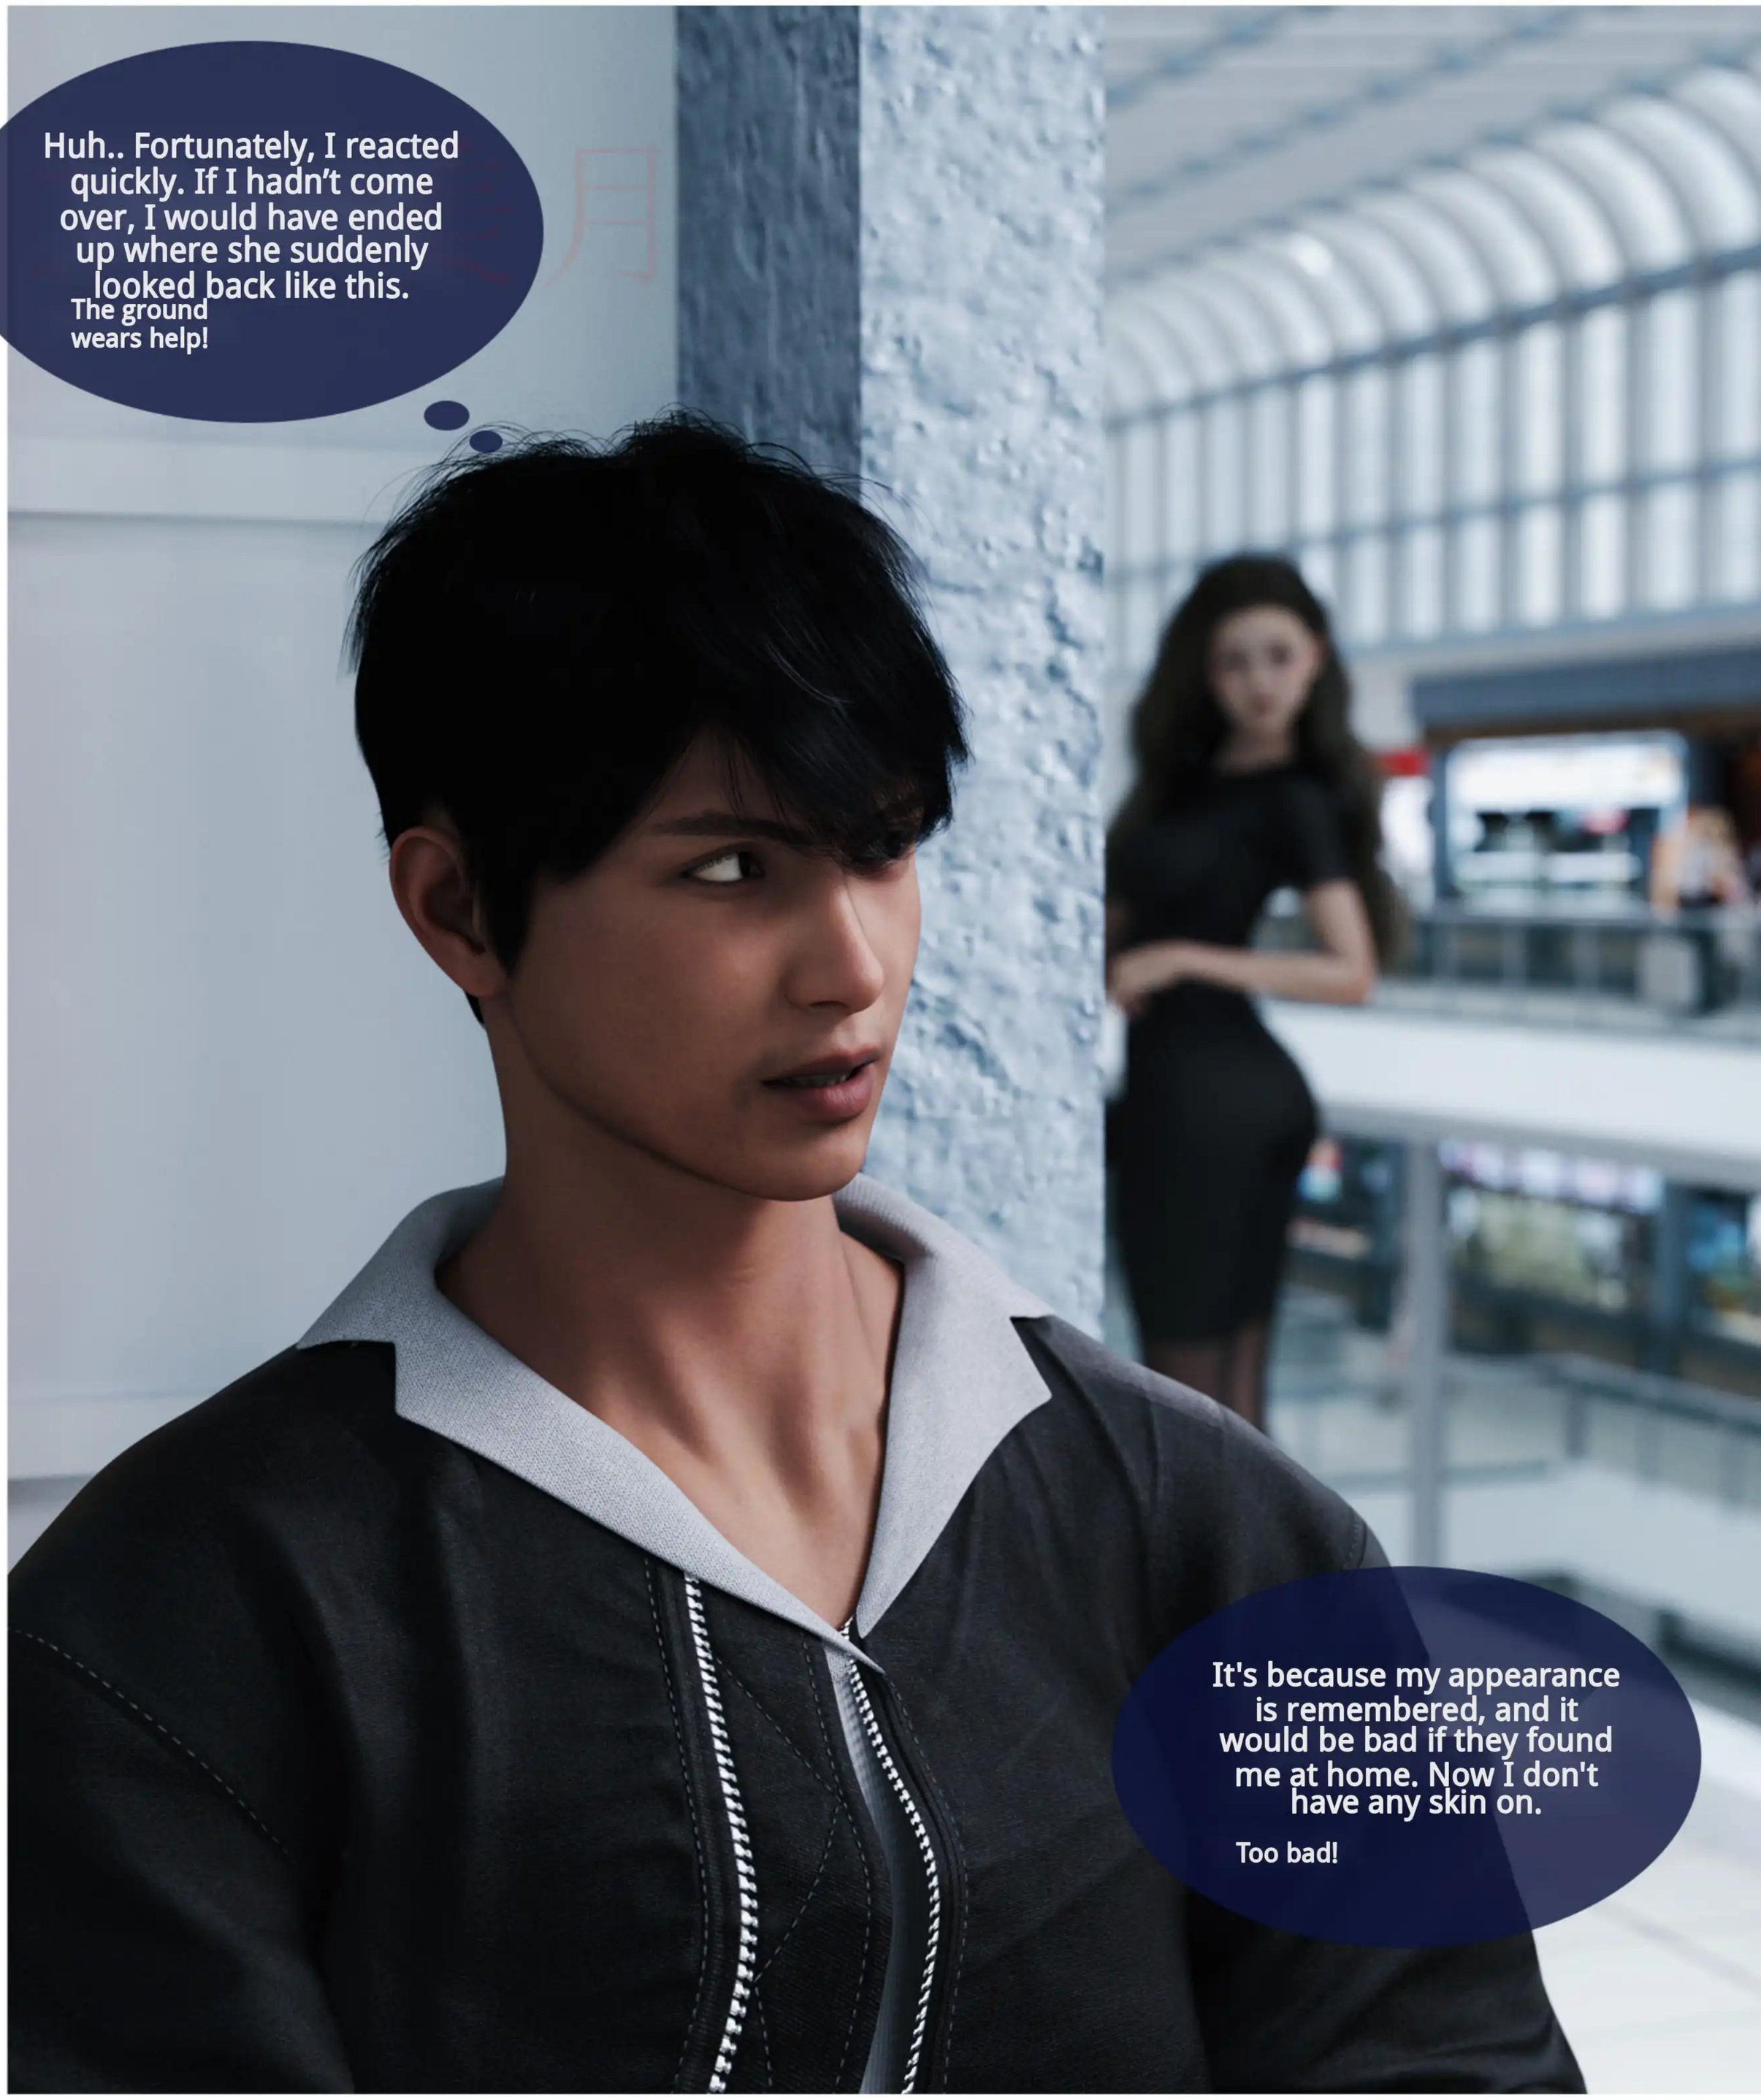

, and sure enough, because there is a man inside the leather...he steps too fast, I almost couldn't keep up with the box containing the leather!

It's just that she comes to this shopping mall to come and go, so it's impossible to guess what's going on? Let’s set up the people here!

I don’t have much experience with this my first time, so I probably won’t be discovered...ah!

...Strange, I always feel like there is some strange sight following me?
look back
Am I simply coveting the beauty in human skin, or am I being targeted? Um..·...

Huh.. Fortunately, I reacted quickly. If I hadn't come over, I would have ended up where she suddenly looked back like this.
The ground wears help!
It's because my appearance is remembered, and it would be bad if they found me at home. Now I don't have any skin on.
Too bad!

·.....Forget it, maybe I'm overthinking it!
I came to see where it was, just in case.
Woolen cloth?

Where is he going? The further we go, the fewer people there will be. If it continues like this, it won't be conducive for me to follow!

If I had known this would happen, I would have applied for a transmitter from that perverted company in advance!

Liu west

With her words and deeds, I really can't tell that this beauty is actually a woman at heart, but I have to, he alone

Man!

Um? Wait, where is he going? !

Damn it, how can I keep up with him now that he's in love with her? I can only stay outside.

The face has been waiting.... ••

He shouldn't be able to jump out of the window and escape, right? As long as I wait outside, he will always come out

Come on time!

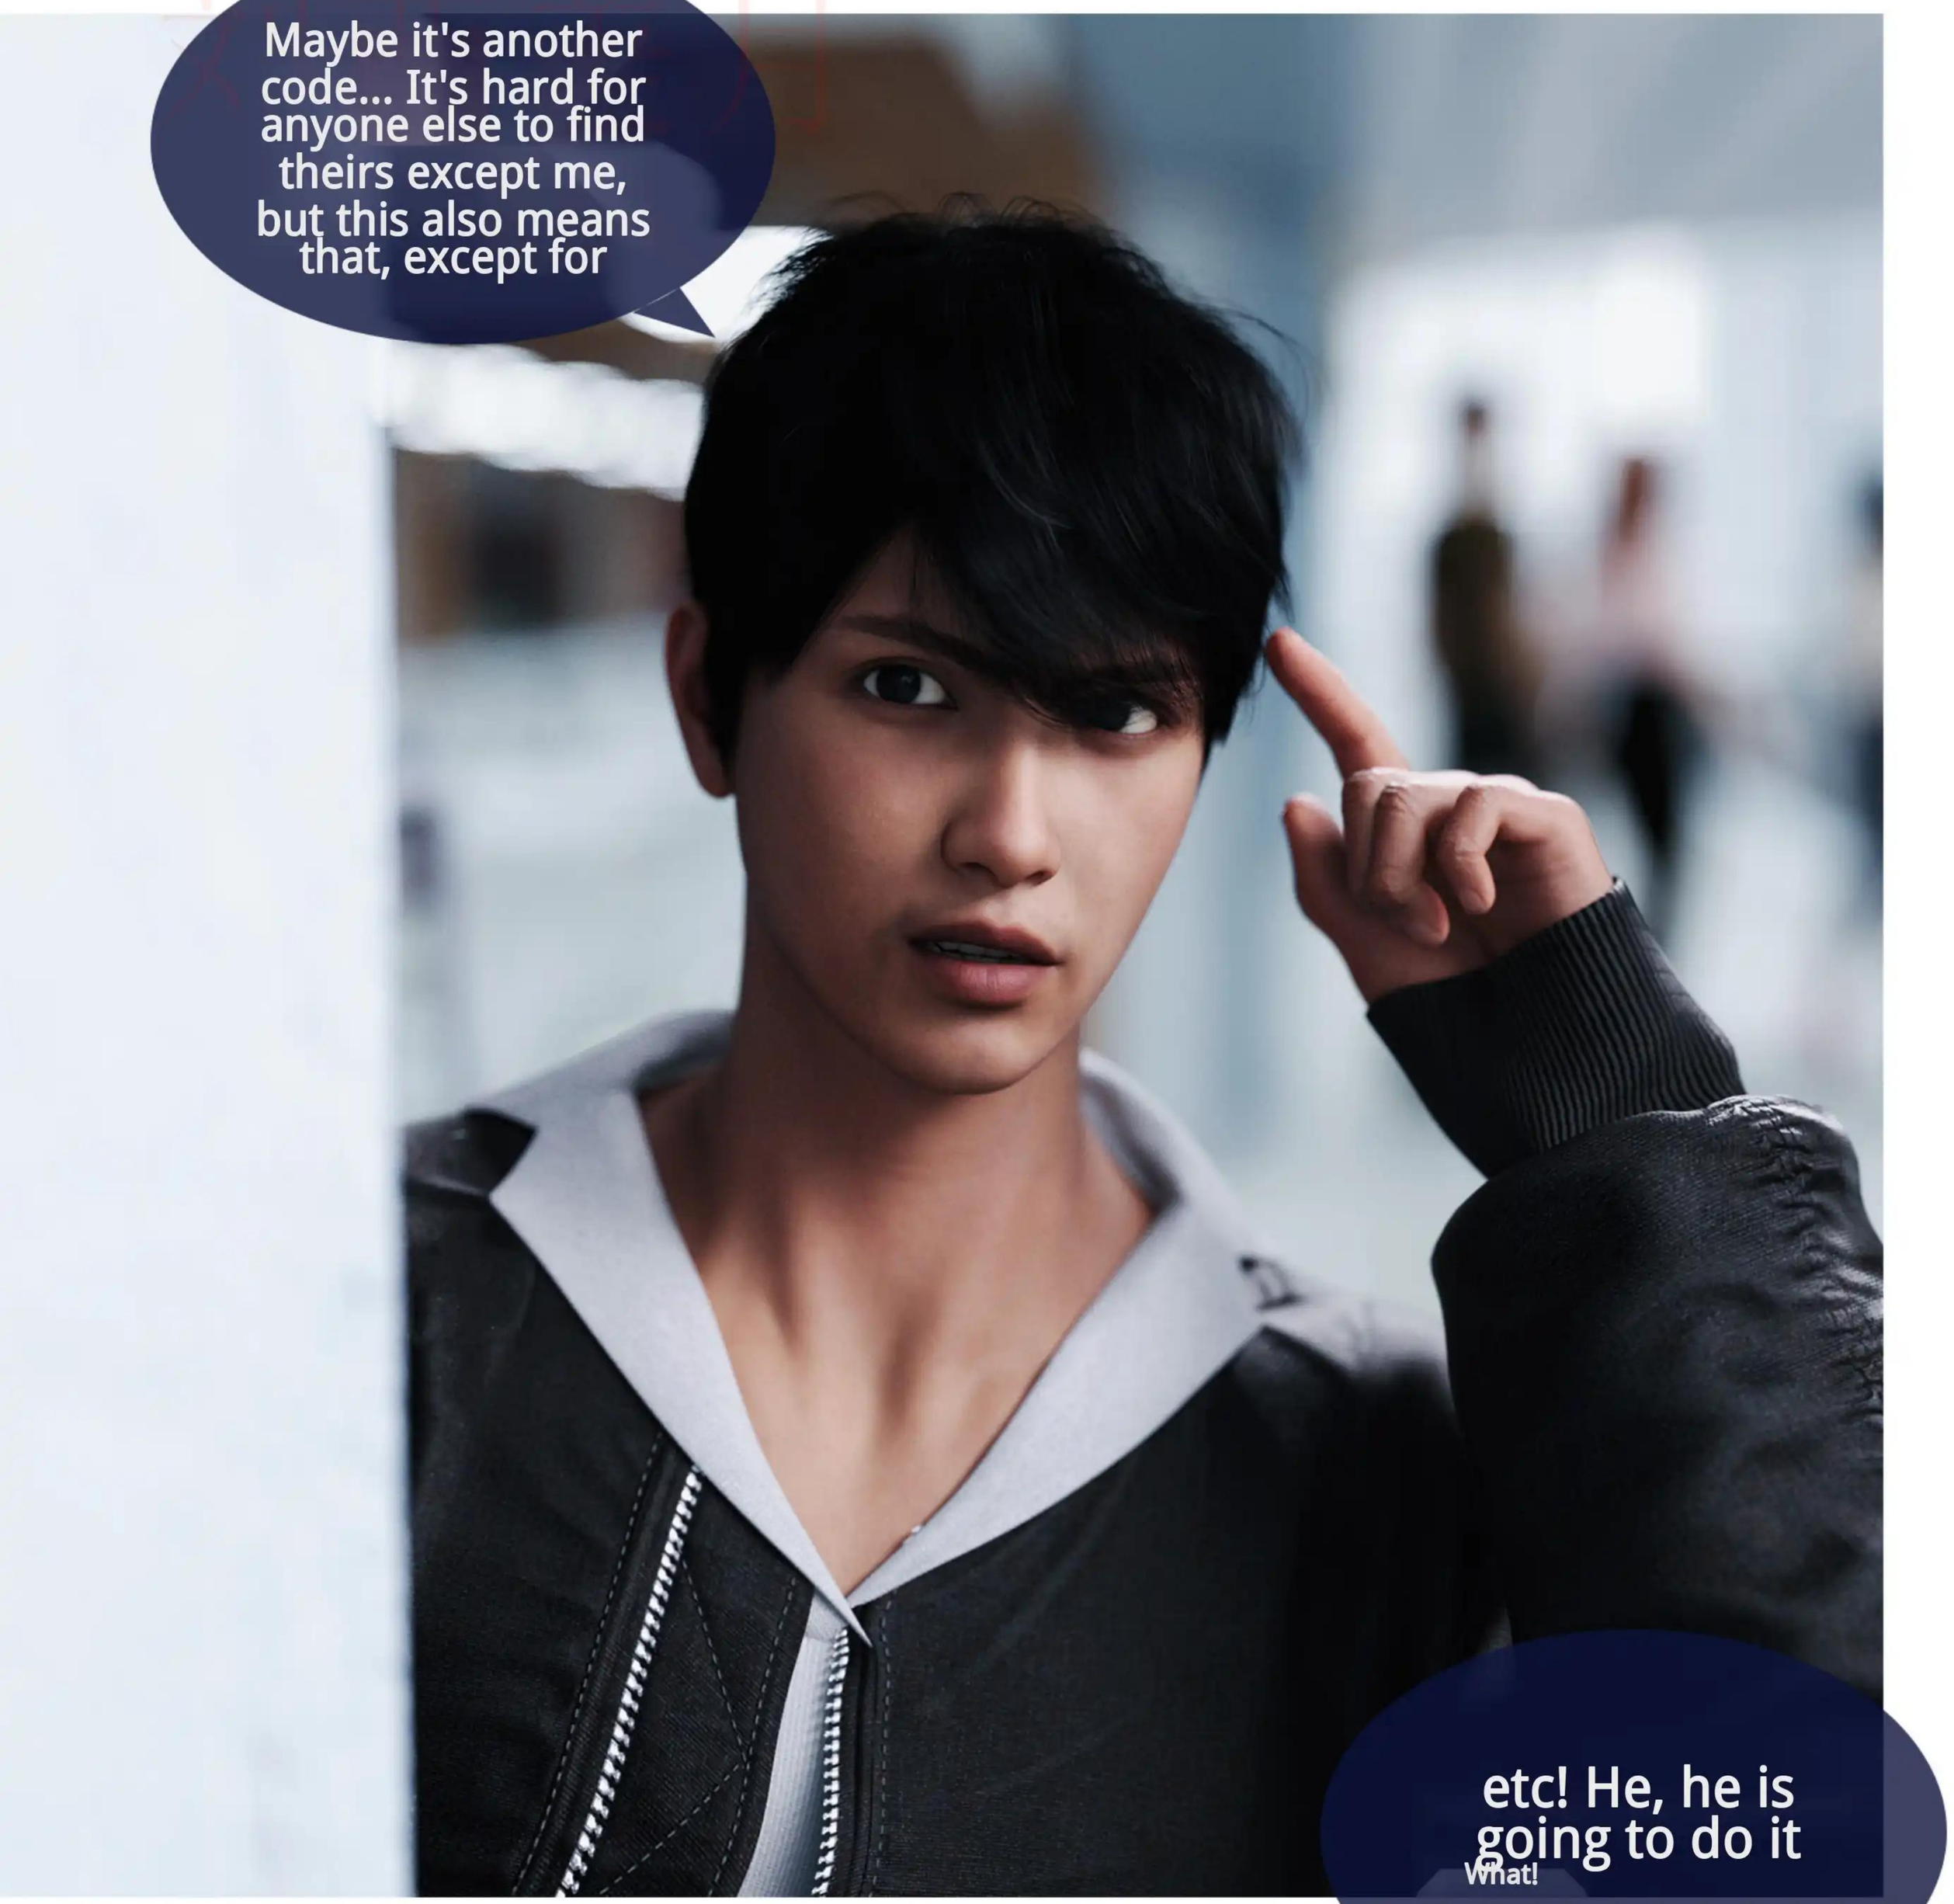

Hum hum
~ hum ~ ~

Yeah~ Sure enough, this kind of sexy clothes is the most suitable for my demonic body!
His man, even I would drool when I look at clothes like this, hehe!

Um? I didn't see this girl enter the office just now. How did she appear suddenly?
Or was she already in the toilet before I came?

It feels like there's that familiar protrusion underneath her!
I realized that he was here again just now. Could it be that he was afraid that his head would change his appearance?

You are indeed the same person using this method! Is Shilai able to evade detection?
But it's a pity that you met me. I won't let you escape!

Maybe it's another code... It's hard for anyone else to find theirs except me, but this also means that, except for
etc! He, he is going to do it
What!

He actually lifted up his skirt directly outside.

Come?!

Something, could he be? And look at what Siwei wants...!

Uh-huh~ This sexy dress makes me so happy, Siweili's cock is starting to stir!

, I'm coming now, don't be in a hurry, my good brother, please feel free, hehe...·

The feeling of touching the cock is so yummy! It's so cool to be separated from Si Wei!
Especially wearing my own body fragrance and using my own little hands to fuck... ...

It feels so good, my cock is oh oh oh oh oh oh! If you can't do it, your silk will be broken!

Trick!

Masturbating your body, using a woman's body outside is so exciting and fun!

Hiss...are these transforming bears really not afraid of being discovered? I'm sick, but I started playing in public

There is something coming out of the private parts of the body. I can't help but feel this scene no matter how many times I watch it. Moreover, women find men's genitals scary...‥

Hum~ My cock is so good that it's juices are flowing. It tastes so strong, so smelly, so erotic...··
The smell of sex... Just the thought of having sex with a beautiful girl like me, who has become an uncle, makes me happy!

It's so bear-like, so erotic, so cool, hahaha!
The ejaculation from this woman's body makes me want to shoot him directly like this. It feels so good!

Um...the agreed place is here, right? Or is hers the corner at the other end?
Wait, that must be her, right? Hey!

I didn't come until I was about to cum, so I had to come late, but it's my mom, this iron cock shouldn't have gone against me, right?
Okay, just wait for me and see how I deal with you today!

But I, my brother, am still here. If I don't ejaculate at night, I'll have to go back and find a girl to have sex with!
Damn it, this cock is hard and it's really hard to push it back, but if you don't hurry up, that iron cock is going to come over...

, this touch is really painful...woo! I finally got it back and it felt so good. I really don't want to go through it again...…
Looking at the flat bottom, I guess it won't be worn. As for the taste, screw it, haha!

If my body comes to greet me, then I will use this perfect old friend!

Ahem... Hi~ Hello, you are Dong Jin, right?

You are exactly the same as in the photo, you are me, exactly the same!
I noticed your beauty from a distance, but I didn't expect that you are even more beautiful up close!

However, because of your beauty and honesty, I thought your charges were a bit high at first, but it is worth the price!
I'm happy, I don't mind giving more, even if you give me a little pleasure today hehe...

real? Mr. Jin, you are such a kind person. I will definitely work hard today!

The parking lot downstairs, let's not waste time and go get a room quickly. Hey, my car is parked here.

Hehe...·.

No, are you moving your position again? I've traveled a lot today!

And this suitcase containing human skin is very heavy. Please walk slower!

Now, I had no choice but to drag the suitcase to death. In order to prevent them from shouting...huh... I really had to go down the stairs!

Judging from the appearance of that man, he should be just an ordinary person, and he has no idea what the treasure of the beautiful woman in front of him is.

A man?

To myself...But aren't they going to check out a room? What do they want to do there without driving and seeing the state of his quilt?

Oh, Mr. Jin, why are you in such a hurry? Do you really want to do this?

Damn it, it's all your fault. You dress like this sexy and confuse me in front of me, right?

, and the naked body is not as exposed as the rain. There is so little fabric, look at your clothes, it shows so much.
That's it!
, after putting on the black suit, you keep twisting and turning when you walk, and you can tell that your restless butt is in need of sex, right?

We will get up before officially signing the contract, and we businessmen will deliver the goods...····

If it's the goods, I believe you will accept it in advance if I ask for it here, right?

It's so exciting to be here, Dong Jin is really good at playing!

People are very confident in their own bodies, but Jin Dong is careful and patient, so please show them to me!

It's a process, don't worry, even if you don't, I will still enjoy it. It's quite a experience!
Mmm~ It smells so good! Sure enough, the smell of young girls is so fascinating to today's people!

There are also these breakable muscles and a firm and soft ass, let me enjoy it!

lick!

Your juices are starting to flow wildly, and the smell is so fishy. It seems that you are also a naughty pussy~ I just licked your pussy, haha!

My tongue is so good, I'm so happy! Jin Dong, Jin Dong is so comfortable, hmm!

You'd still show such a proud expression and hum, if you knew you were licking a man's butt,

Affection?

But Iron Rooster, just take advantage of it and I will definitely make you pay for it, because the price is so high!

I am different. Lao Jin, who is good at business, comes from a fellow villager. Lao Jin and I, who work hard, came from the same place and soon became famous!

Out of friendship from my fellow countrymen, Lao Jin and I agreed without hesitation and took out the funds. Unexpectedly, when he approached me about doing business together, he said this was the wrong start!

Lao Jin was stingy about giving me dividends from his business, but no, he still took all the losses from failed investments on me!

The first time I tried to talk to him, he used sweet words to fool me. In the end, I couldn't even get back the money I invested in the matter!

It was only later that I found out that Lao Jin had a hard-earned character and would not share even half of the profits... His nickname Iron Rooster refers to him.

Such an ending caused the seeds of hatred and trust in fellow villagers to quietly take root and sprout in my heart...

However, at this moment, I encountered the starting point of life change!

After seeing what happened to me, my elder brother, who was very sympathetic to me, decided to help me and introduced me to the magical leather knife in his hand...…

Liu

Mitsuhi

Hiss...oh my
God!

This, this is what Big Brother said, using a leather knife to turn people into human skin? !

And the tree is as raw as looking at the cruel touch, ..

If you put on this human skin, you can look like this girl and look like your big brother. I just want it, right?

Go back for revenge, take back everything that originally belonged to me because of her!

Hiss...it's just that this piece of human skin can really be penetrated by legs. It can't be damned, I'm so rough and crazy.

Brea
her?

I don't care about the magical thing like human skin. I believe it, brother, even if it really exists, there is nothing else.

Possible!

Huh...this skin is too difficult to wear, and it will really kill me!

With regard to my figure, all the hard work is worth it just to look at this curved front and back hehe!

Now, there's just one last step left... Hey!

My whole head is tightly bound... This is really good, stop, my voice, my sight...ah!

The cock can't match my body, Lao Jin's pair of irons! Look at my beauty

Haha!

Life as a woman, then Lao Jin, you can set me up with me to get used to it, and then Mei will wait for me, and be ready for my revenge, haha!

Liu
Ximeiyue

People's pussies are very sensitive. Where and where can't be done, ah ah ah~
My tongue plays with my little Jin Donghao, and I keep using my clitoris, please!

No way, I can't even stand anymore because of Jin Dong~

The softness of the device!

Mr. Jin, you have been selling this product for a long time. Are you satisfied with this product?

Everyone is satisfied, but hey, of course, I haven't tasted the interior of the product in detail yet!

It's so bad that your body has been transformed into such a golden look by you, and you still want to torture me like this~

Water has been flowing out of the house, and I can't wait to have it decorated with gold!

Hehe, since you are like this, then I will respect you as much as my life!
insert!
ah!

People like it so much... If you do it a little more, they want it! Jin Dong's cock is so harmful,

The sensitive points of this body are all the same, even if you want to fuck them! It's really useless for Lao Jin's dick to force himself with his people!

It's so wet and hot, sucking and sizzling! Your cunt feels so good to me!
It’s such a satisfying hole for me. I really have good taste, haha!

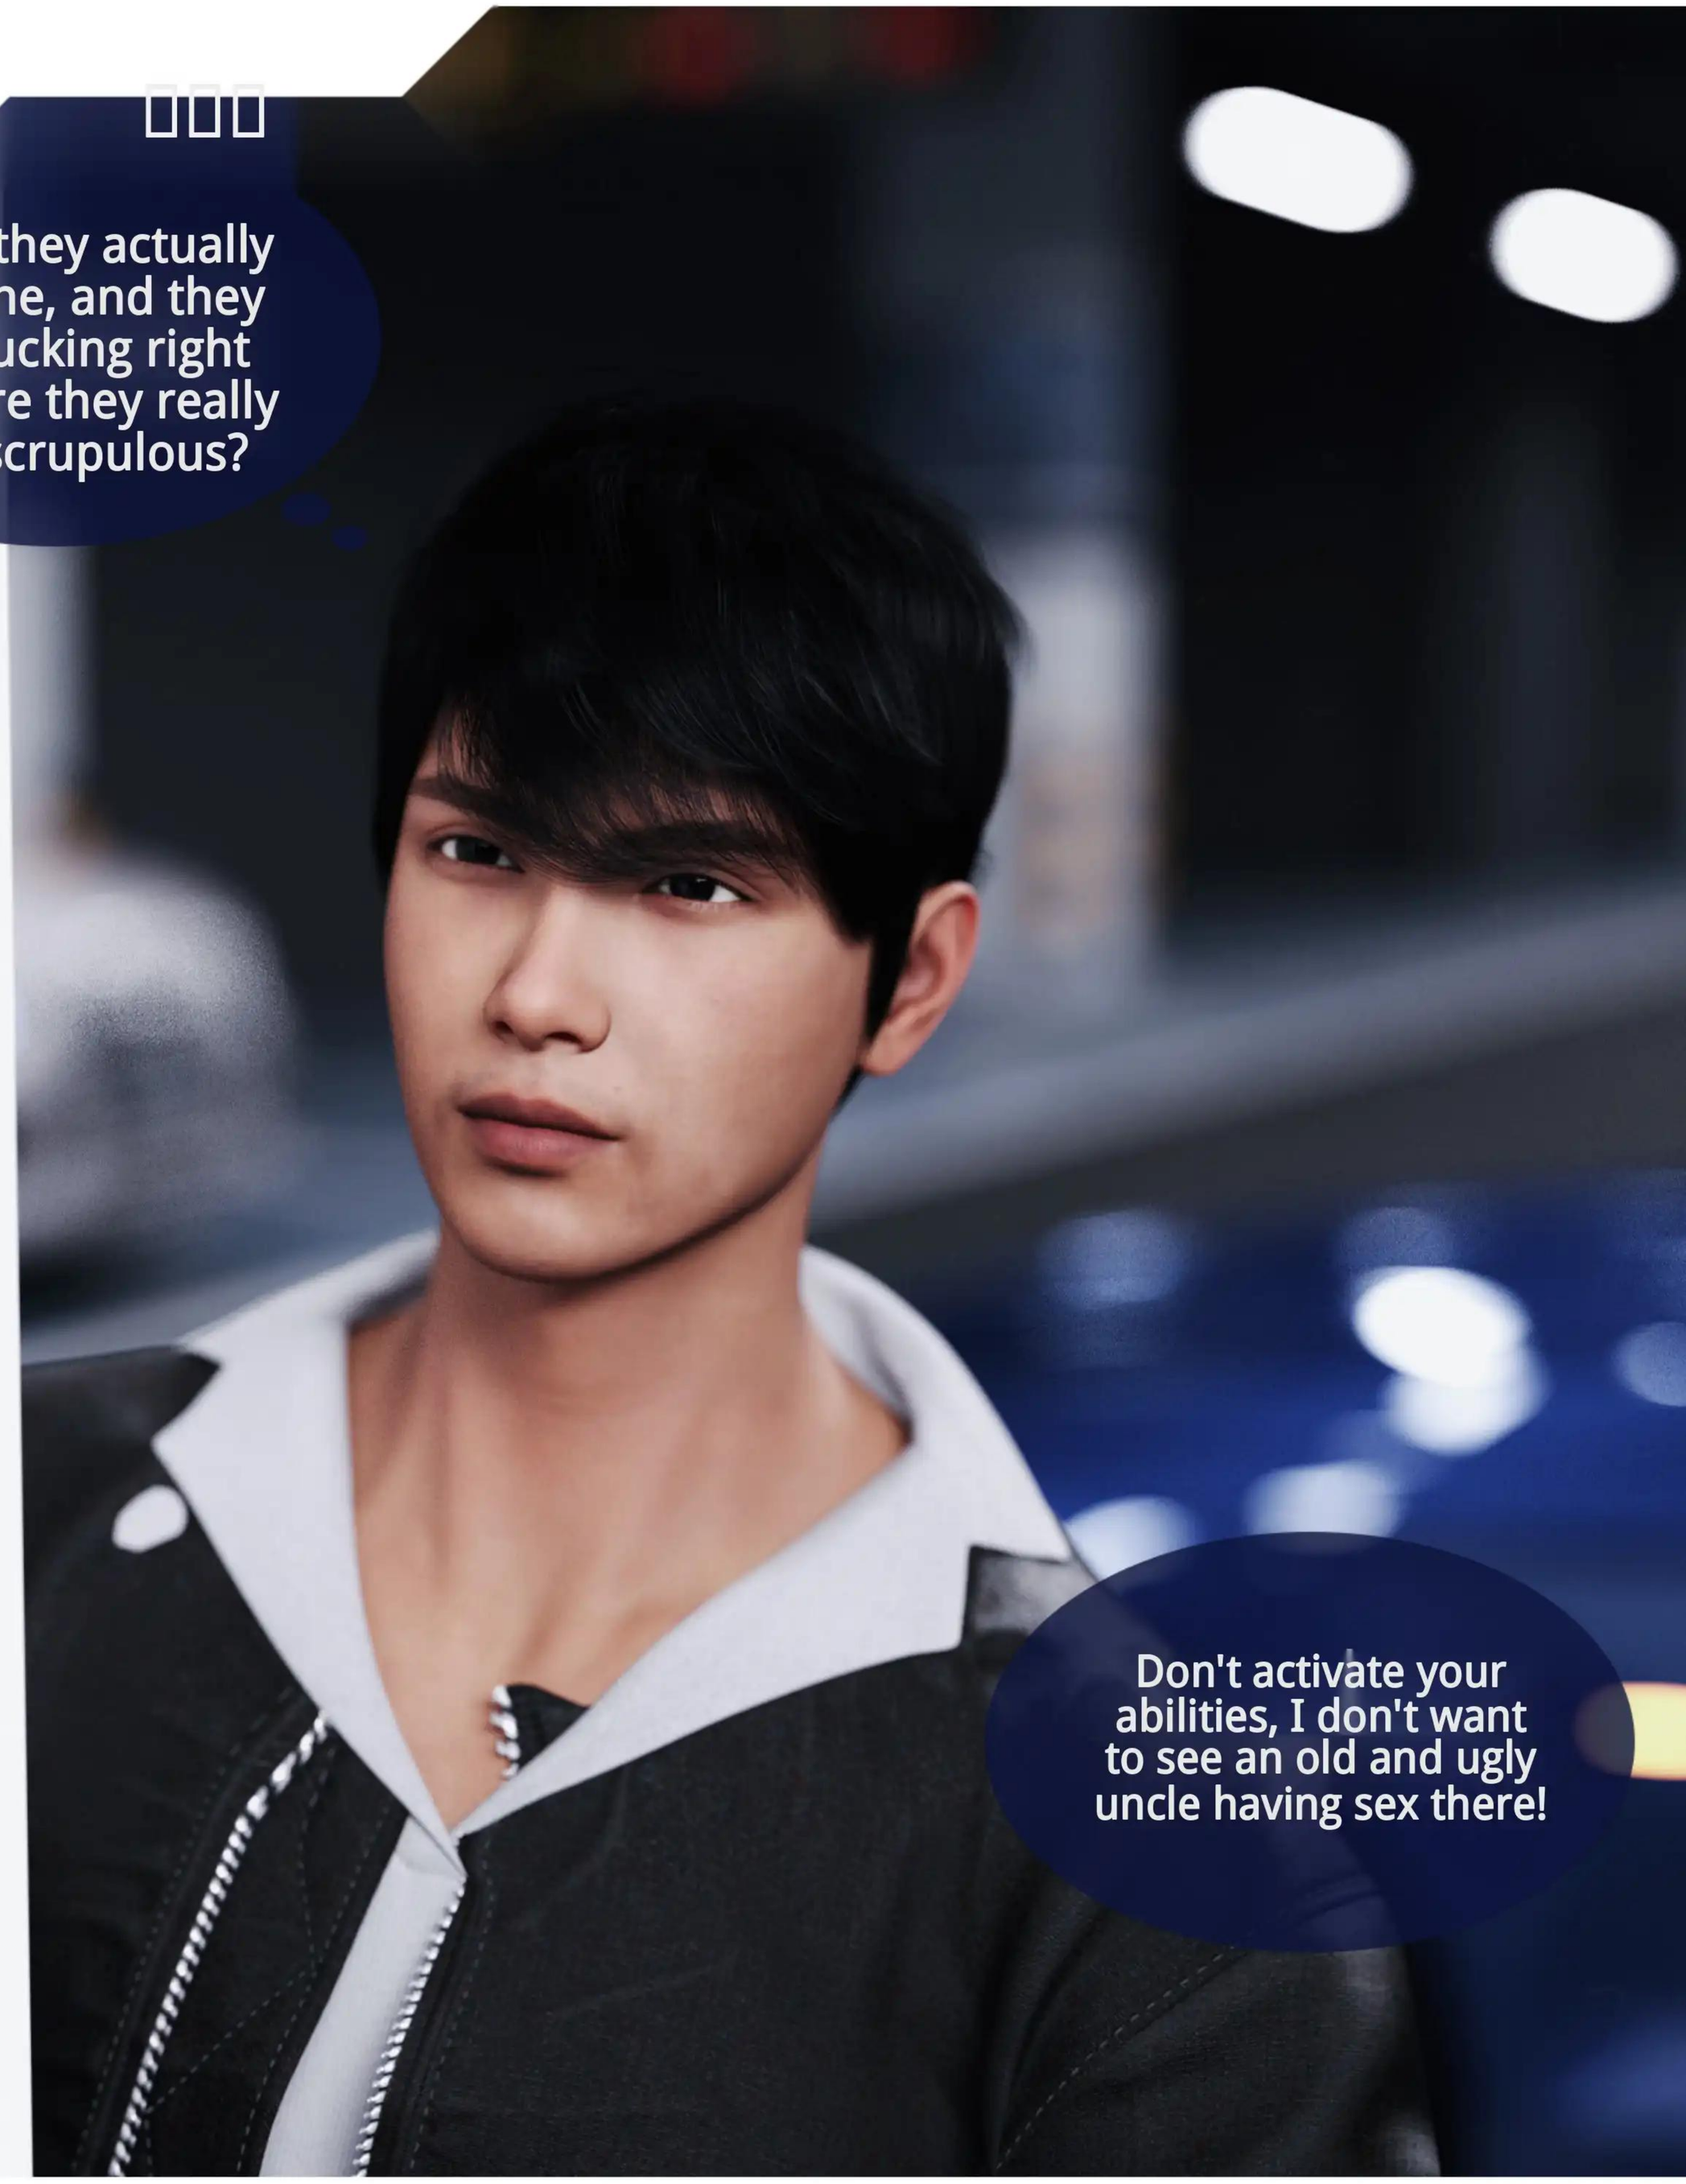

Jin Dong, I want you to come from behind, please. This position is more exciting and I like it better~
In fact, it's because your cock is too big. If you don't change positions, you won't be able to get the pleasure of fucking this body!

, you little slut is so naughty, look at the way you lift your butt up to beg for sex, it's so true!
To satisfy you, a little slut, I will show you my mercy today, hahaha!

How about you, do you like me fucking you from behind like this? You little slut!
Fuck!
Body...people's holes, ah! Great, it feels so comfortable to be fucked!

You want to use this girl's body to fuck me! Finally, I finally feel the pleasure of being fucked, I really want to climax, haha!

Oh oh oh oh oh! If you come in, just fight him to death and leave him alone!

Damn, they actually have one, and they start fucking right here. Are they really so unscrupulous?
Don't activate your abilities, I don't want to see an old and ugly uncle having sex there!

Liu

The sound of the machine? Could it be that I just got someone else here besides me?

The sound seems to be coming from that direction. Fu Nayu, Han DeZi, probably didn't notice it. Let me take a look.

Did you come here?

Liu Ximei

Damn, that girl is holding a cell phone! Sure enough, there was someone there. Could it be that they were filming secretly?

Otherwise, what if things get serious and I finally get this, I have to stop her, and what if the clue escapes?

Hey, I you...

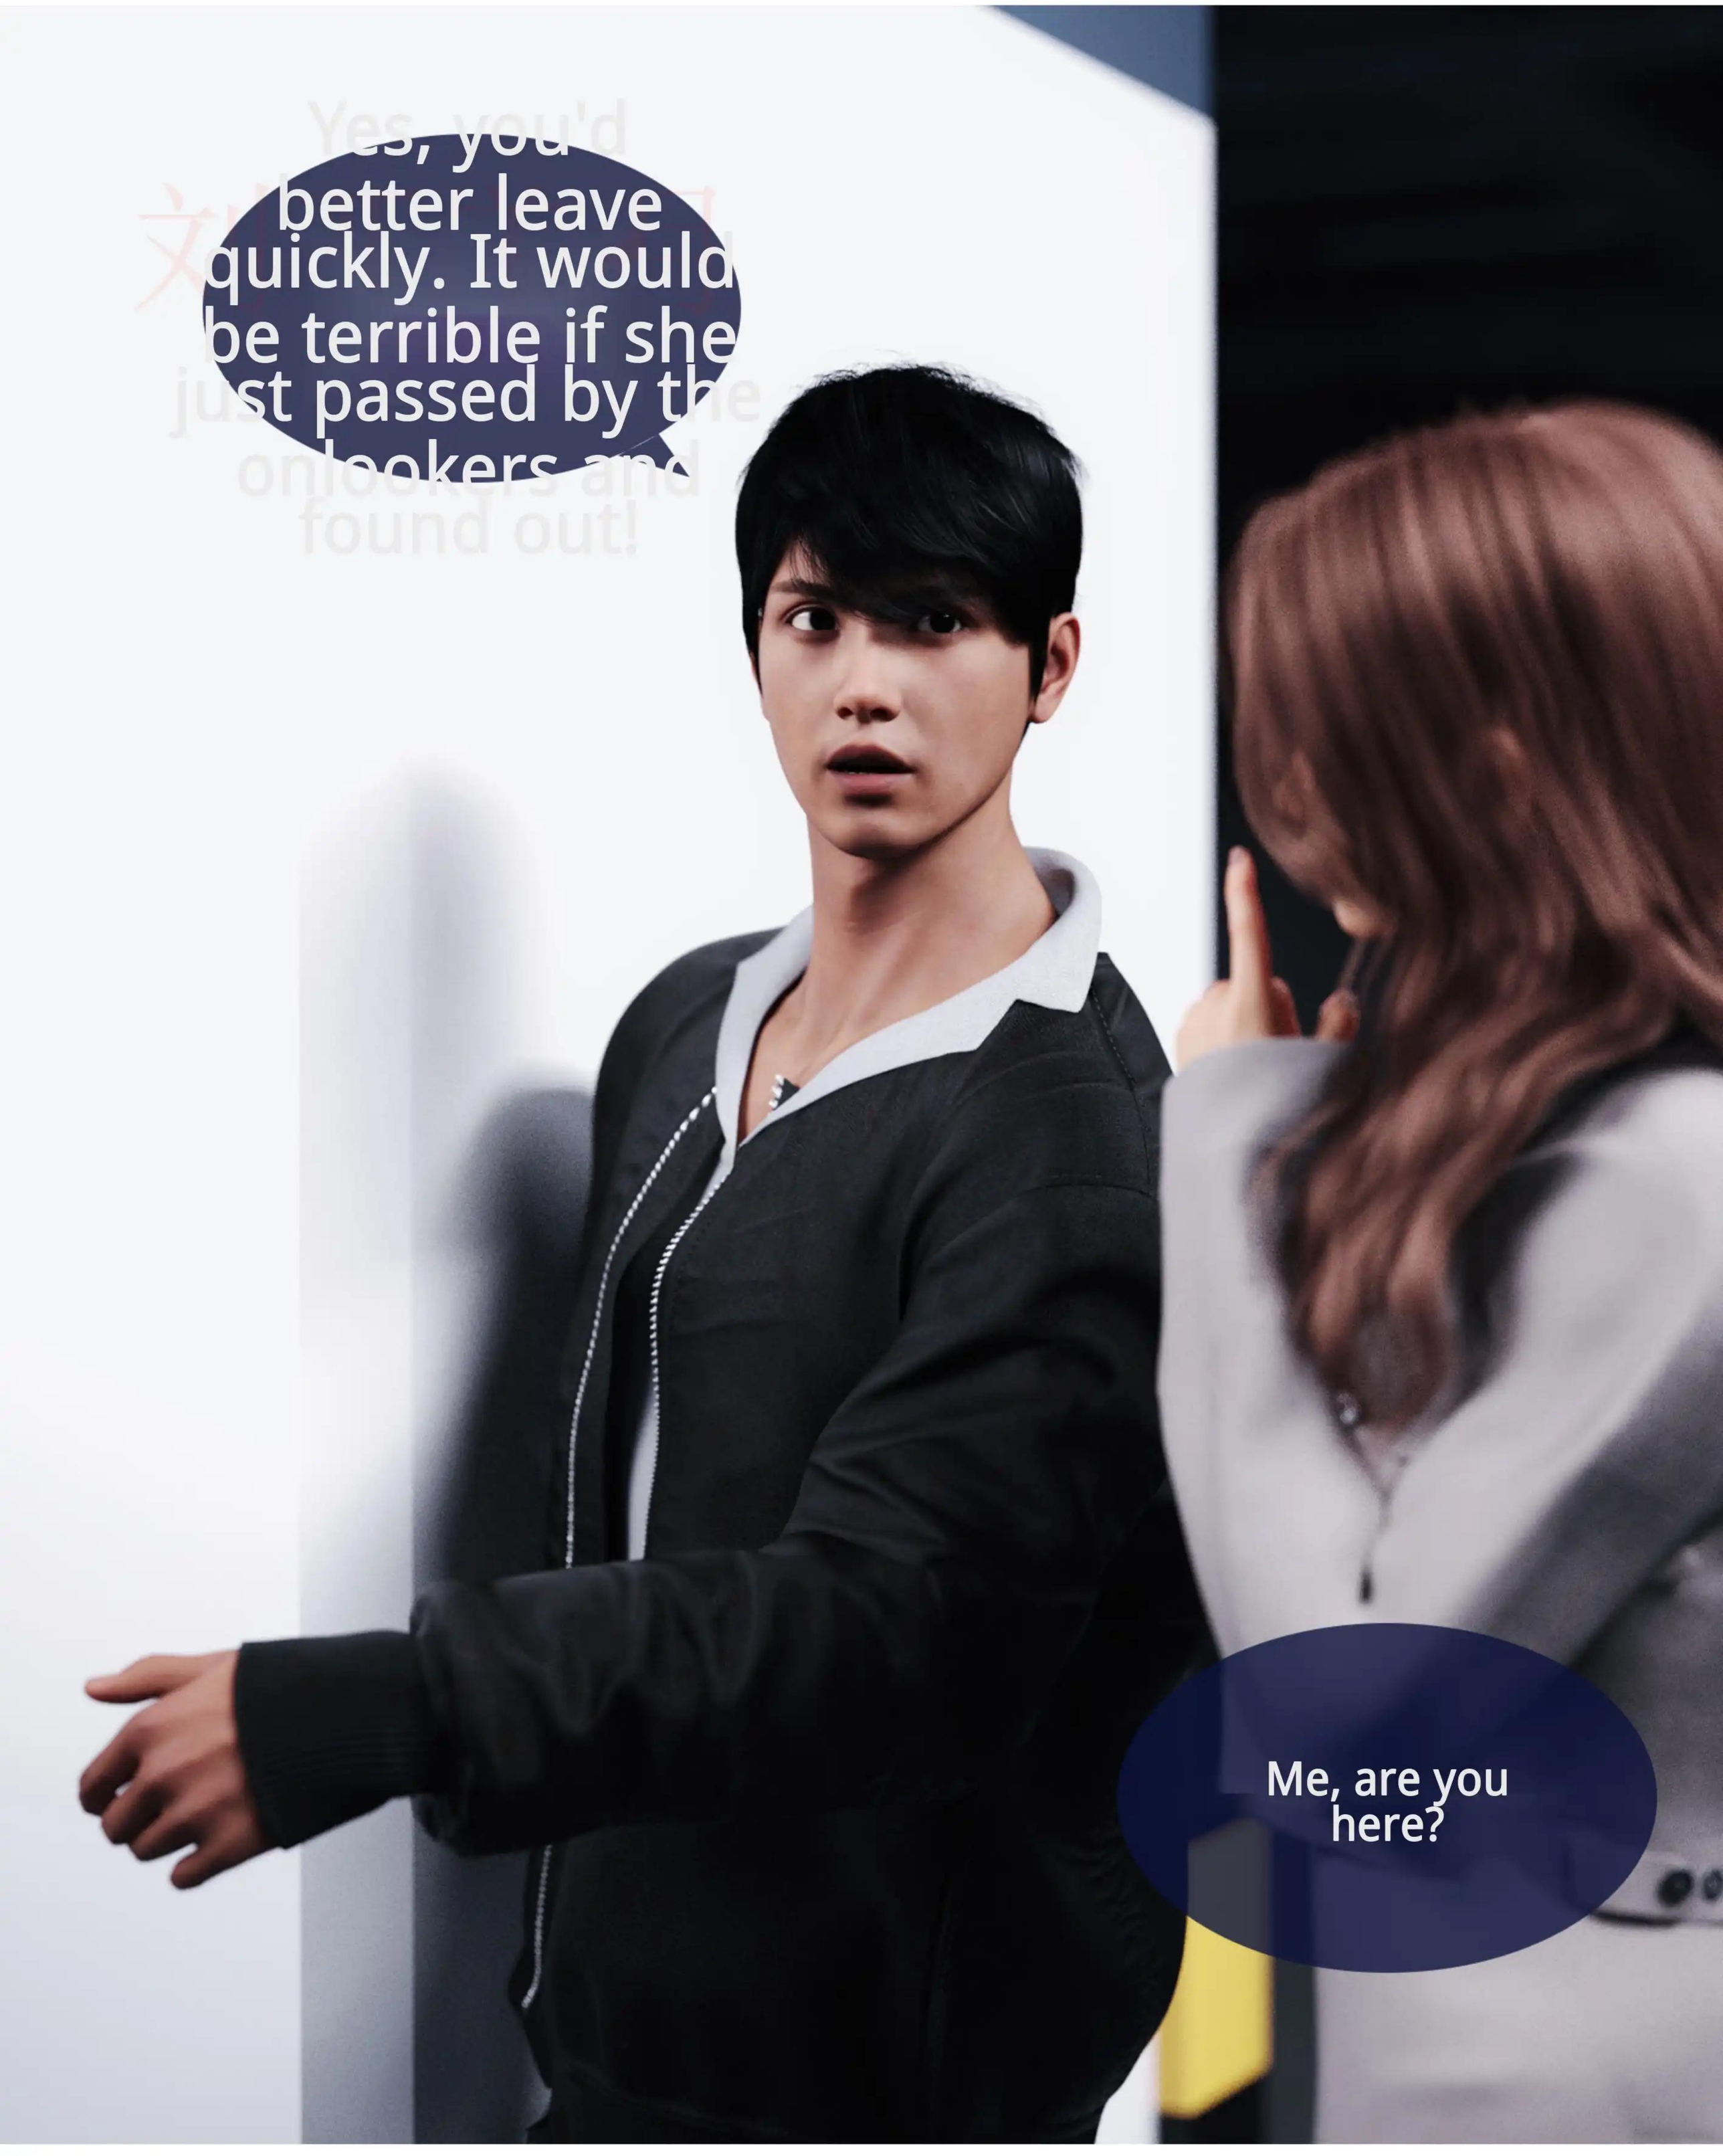

Liu Ximei

We'll all be doomed if it rains, shush! Please be quiet and don't make any noise, in case you are discovered, is it clear?

I'll explain to you later. Just be quiet and don't disturb me!

From the look of you, you must have followed that woman secretly.
Right?
The importance of leaving evidence, since you are like this, you should know that I will finish filming the video first!

It's so tight! Damn it, your cunt likes to be fucked?

Cock, you are such a slutty little slut who actually indulges in my cunt!

Uh-huh! Jin Dong's big cock is so harmful, I won't be able to stand it!
I can't do it anymore, I have to go, I have to go~

Little slut, you're going to reach orgasm, then I'll give you this
Ha ha!
Cum!
Use your hole to receive my precious semen!

Yeah! Jin Dong is so good, he cums so much~

Of course, you don't even look at me, haha...haah...that's right, haha!

It's really hard for me to be harmed by you acting as Sumajin Dong. I'm powerless. You see what I'm going to do~

My pussy can't fit in it at all, it can only flow out, and you can ejaculate so much,

Coming!

You ejaculated so well that you ejaculated all over, hehe, that means I didn't waste what I had, haha!
Yes, but now it seems that it is really worth it! I originally thought that the asking price was a bit high!

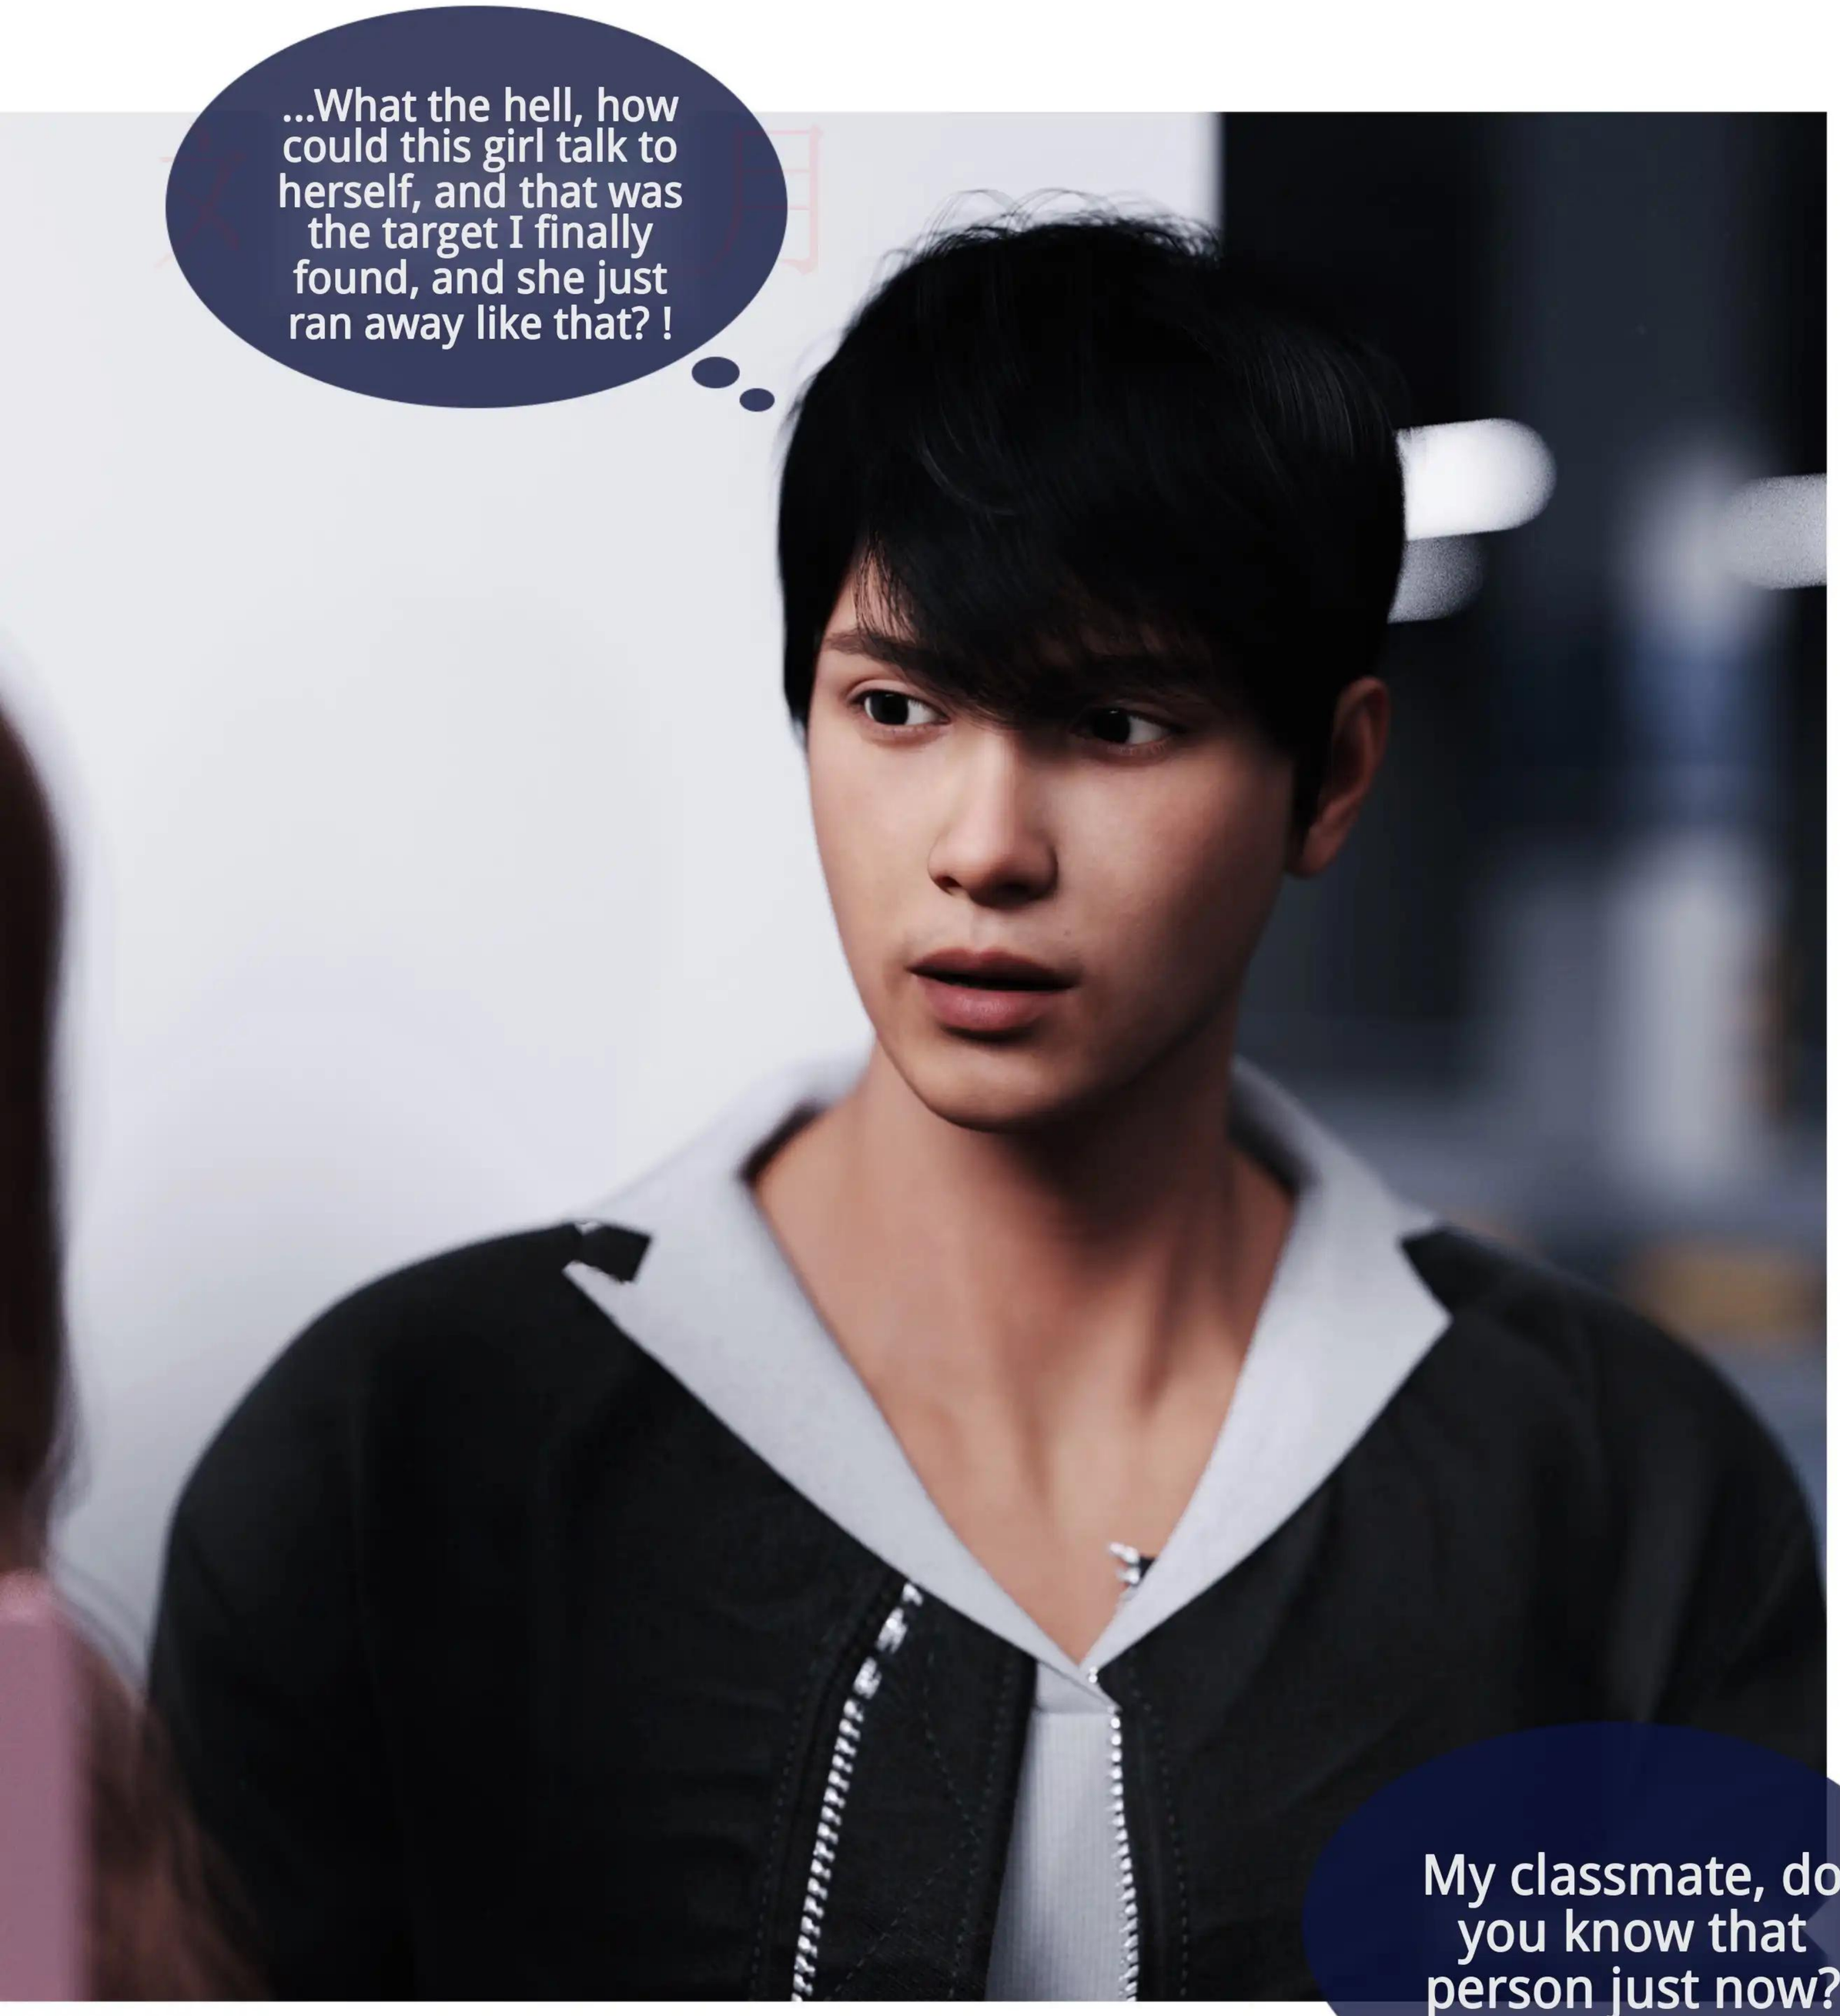

Show all your strength! I guarantee that I will decorate it with gold. If you hang around, I won't forget to take it back, and I won't miss it!

Okay, how many do you want? As long as you take care of me, I can afford it!

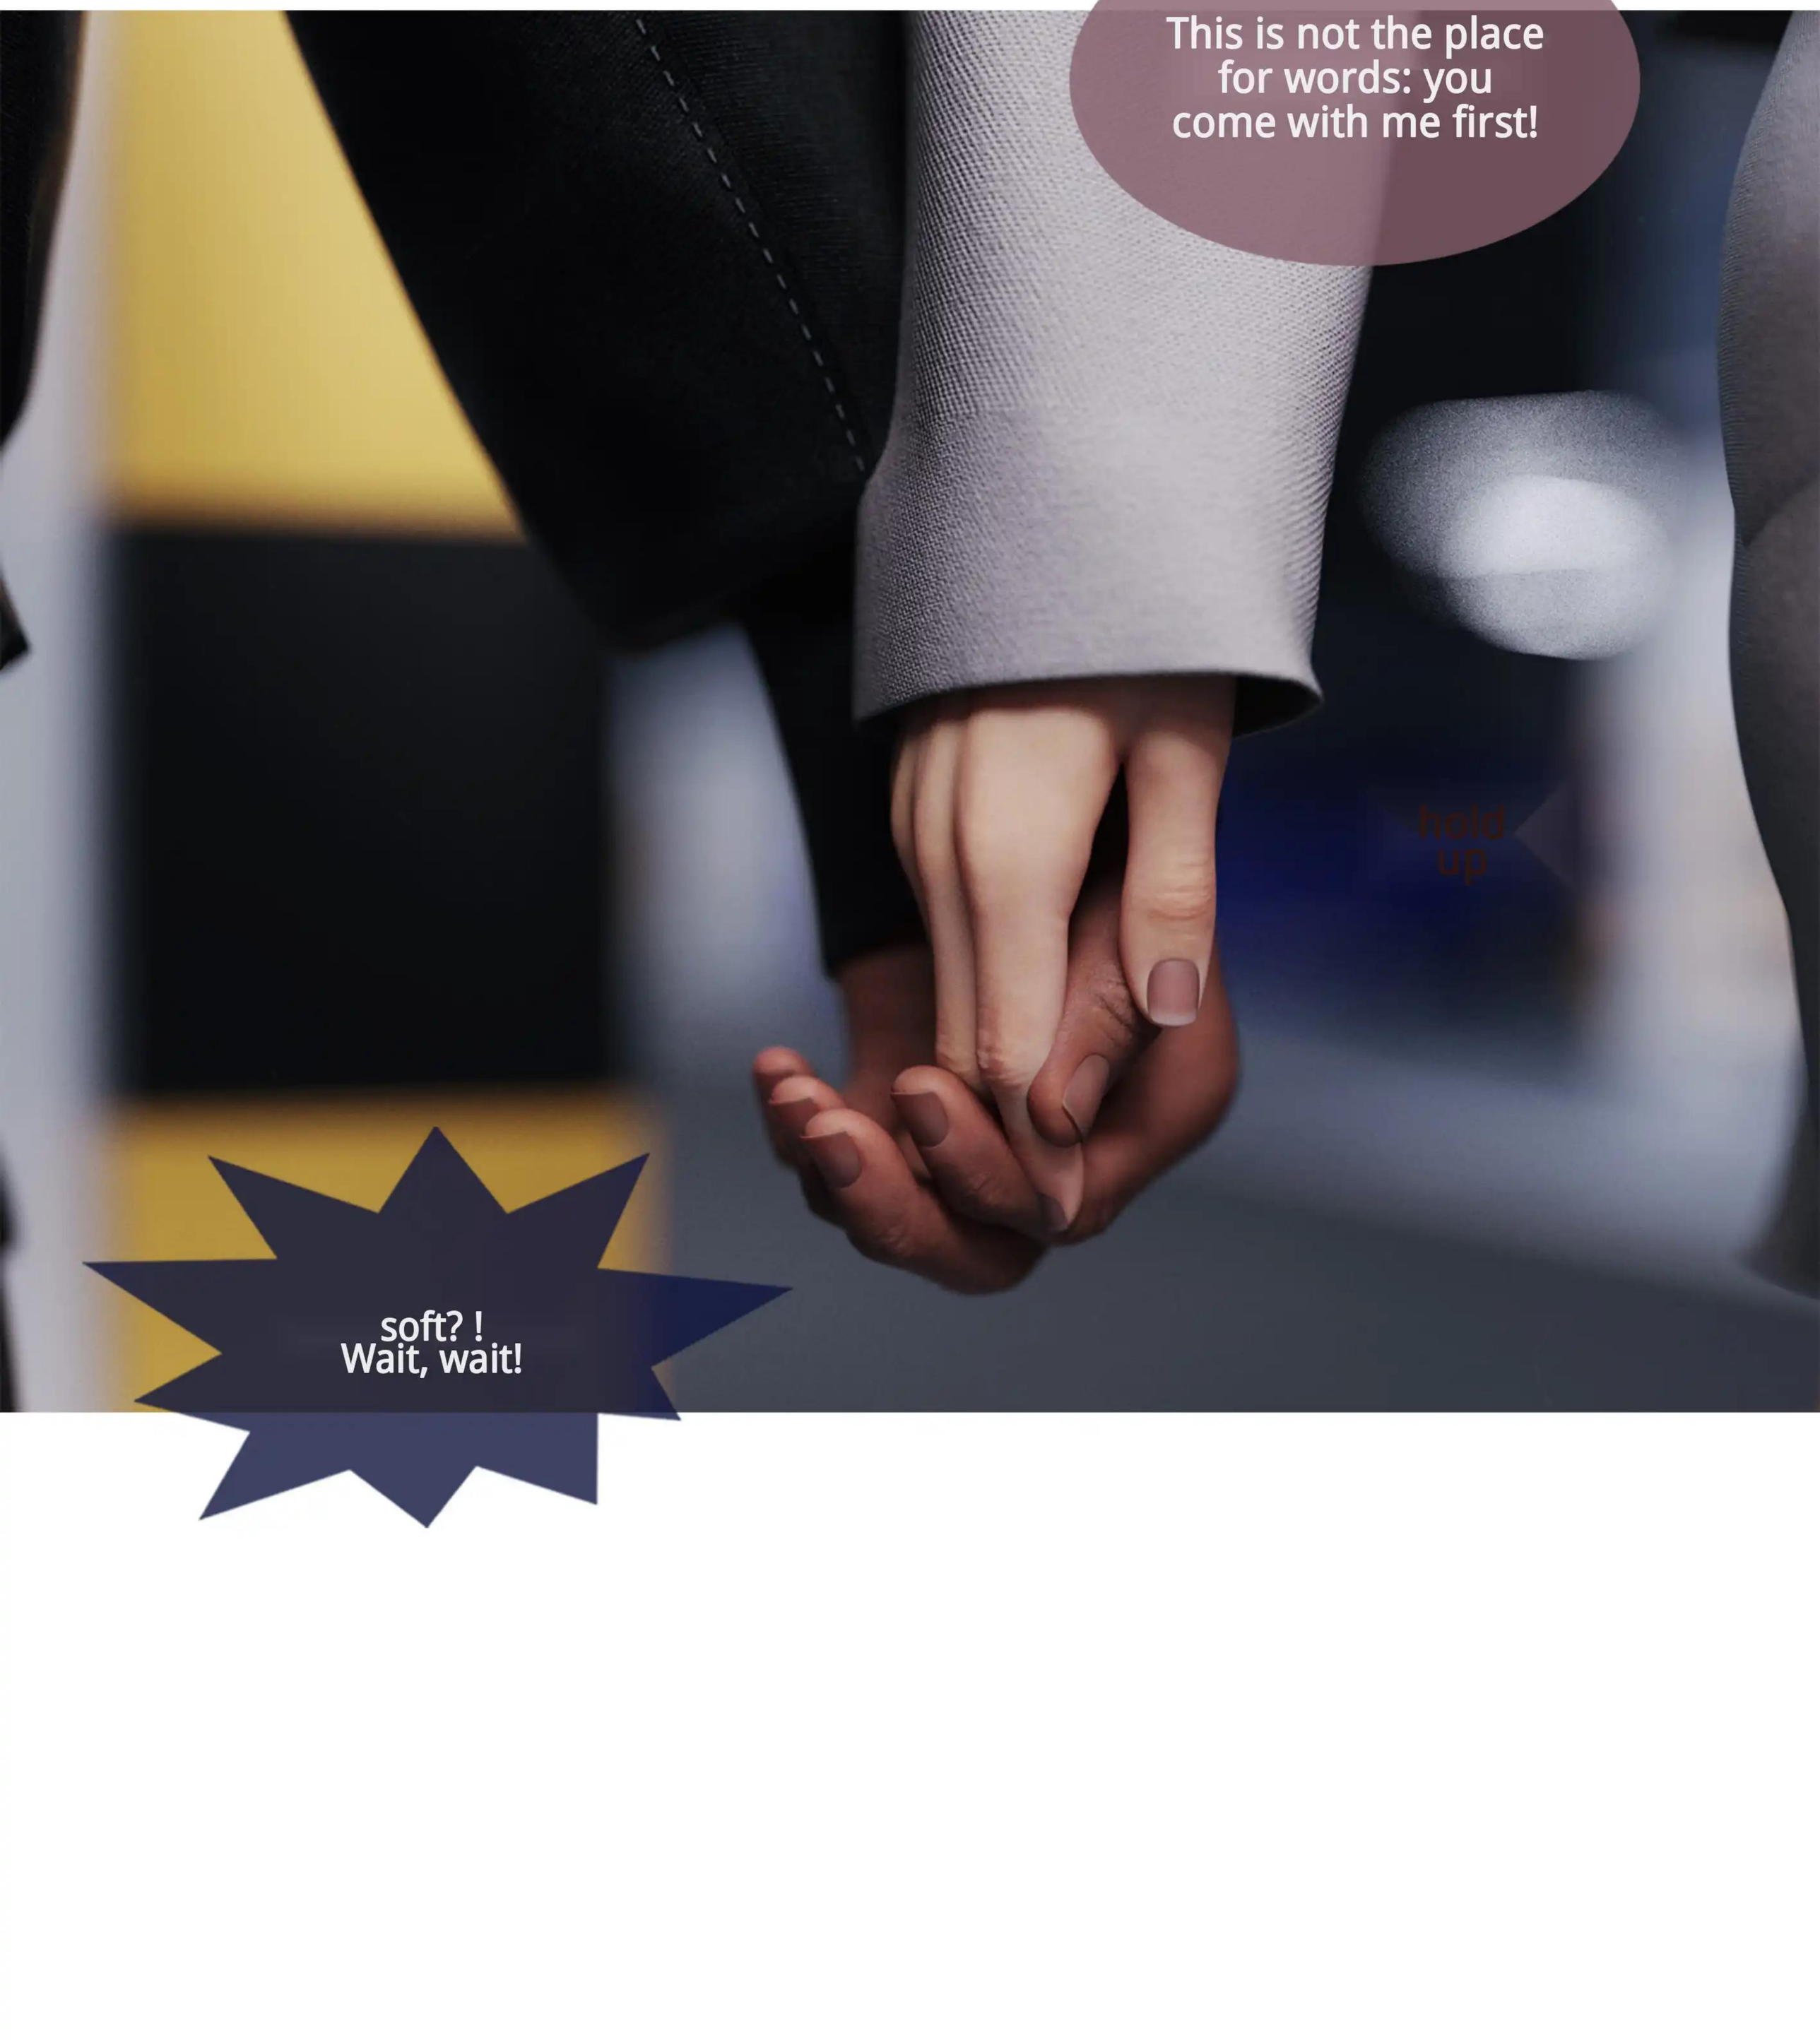

They seem to be coming to an end. Hide quickly before being discovered!

ah? No, let's not care about Na Na Yu's personal matters, you haven't yet, what are you doing?

Well...they all got on the bus in the rain. Unfortunately, I don't have a car. It seems that it will be difficult to catch up. Alas!
It seemed like I was going to check out a room. Even if I gave it up, it looked like I couldn't get in even if I followed them.

...What the hell, how could this girl talk to herself, and that was the target I finally found, and she just ran away like that? !
My classmate, do you know that person just now?

Liu
Ximeiyue

Where are you taking me, hey!
Come on, let me get your luggage and wait for me!

Liu
Ximeiwu

Listen... In the end, I just followed this girl in a daze, not expecting that she would take me there.

Come to her house!

This house is not big, and it is an apartment. It looks like a small suite rented to students...…
, I just don't know what she is like. Is she still in the book? Does it matter that she looks like a young traitor...·

I am quite impatient, and when I encounter something, I just head towards the front street... Sorry, I am such a person

You sit down and take a break: the coffee will be ready soon!

Come on, please use it, and I'll explain the ins and outs to you while you're drinking coffee!

Thank you, I'm sorry for you

There is no truth to it, especially after I experienced so many troubles here and there, I deeply realized that it is not necessary to be on guard against others. This was the first time I met a girl...

What about? What if she was in the coffee, what if she and the group were drugged together?

...No, I was too suspicious of the stone statue's ability. She was a ghost, and I even used it as her own person!
What's more, judging from her appearance, she seems to have some information in her hand. I have to get it for my sister!

drink

Wait, why can't you keep up with me? Before I understand my situation, I want to get to know that girl first?

You know that girl...she's not a real girl?

You think, that girl is actually a middle-aged man who put on human skin and pretended to be that girl, right?

When I go to work with the company I work with, of course I know that all this business will start...·

Liu
Ximeiyue

In short, this is what happened. In order to save my sister, I came to this city to look for the traitors of that organization.

.Oh my God, both parents died, and in the hands of a bear, my sister who was transformed into a dependent sister fell into the hands of a bear again.
For the hostages!
You... not only have you endured this much alone, but now you have to do your best to hide others...··

How could they do this to you? Oh wow, it's so abominable to you! Ooohhhhhh! you

, when I think of you suffering... I feel so wronged for you, I feel so sad, woo woo!

ah! You, don't cry, don't cry!
Still fine? It's okay for you and me, so don't cry!

Wow...I'm sorry,
I'm a little rude,
you're laughing...

Liu Ximei

It's just that I didn't expect that such excessive and abominable things could exist in this world!

Don't worry, now that I know, I will do my best to help you!

Liu Ximeiyue

Are you a journalism student at T University? !

Isn't that the top Shinma Department in the country?

Humph, it seems that you also know that I am an outstanding student in our department and a harm to our school! He is very capable~
, I have won it many times. Don’t look at me as a student now, you think I am incapable of giving birth to a new child!

Especially in this age of advanced information, new rooms exist in the lives around us!

I have recorded many wonderful new things, such as this mobile phone of mine, which is a major contributor to my reporting career!

Originally, I shouldn't reveal information casually, but you actually revealed the victim's home of the exclusive information I tracked down...·.
With little information, if I don't share anything, it will also bring trouble to me.
Don't go there!

What happened to you and me, tell me about the etiquette exchanges, and how I met those perverts

Yes!

There is still a dreamlike and unreal feeling to it, but now that I think about it, it feels like a real treasure...

Liu
Ximei

What happened to me in a well-known medical center was half a month ago...

A friend recommended me to go there for medical treatment...·At that time, I often suffered from toothache.

I felt a strange atmosphere... Maybe it was my intuition as a Shinjian person, I felt it as soon as I entered

, it's the hot nurse lady on the Taiwanese TV station whose eyes always make me feel something is wrong...··
Hello Miss Bai, today is an appointment for dental treatment, right? Please wait a moment!

Um? This nurse lady is so beautiful, and her hair color is very cool!

I just always feel like she looks at me weirdly, I shouldn't

Do you know her?

Miss Bai, please, I will take you into the clinic~

…..? She actually wore shoes with heels. As far as I know, nurses usually don’t choose shoes like this because they have to stand all day!

Wei is considered a standard outfit, but her outfit is a bit too sexy and she doesn't care about the nurse uniform and white silk stockings.

Already?

, it's really strange that the hospital or the sergeant don't care if their skirts are so short that they are almost exposed!

The business policy is to attract customers with beautiful taxis!

Using the latest sleeping therapy...Ms. Bai, in order to reduce the patient's discomfort during the treatment process, our medical center has specially explored

With the help of anesthesia, all kinds of treatments will be painless and conducive to wound recovery!
We use the latest anesthetics, so the treatment process is quick and recovery is quick, and you don't need to be accompanied by family members!

The anesthesia seems to... It seems to be starting to whine... The amount of numbness on the head seems to be taking effect...····

You should have felt a strong sense of relief to have a good sleep without any resistance, right? Go to sleep, hey hey hey.

Wait a minute and you'll be able to love this beauty again. I'm really looking forward to playing with her. She's so pretty, haha...

How do you feel...that smile...good, good feeling...huh? She...what is she?

Woo...·...No, Ran·Ran feels very...but Bao Zai can't hold on any longer...··

At least.. At least put the phone. No, call the phone before I pass out...

As the anesthesia took effect, I quickly fell into sleep...

There are men's rough’ and unfamiliar laughter and women's shrill, high-pitched screams.

Liu
Ximeiyue

My&%S#eldest brother, he@#S%&fortunately didn't...

.....

..Um? Yes, are you talking?

·Don't worry, I will help take care of all of this

Cut it!

Hiss, my head hurts. I-where am I? I seem to have had a very strange dream?

Ugh...I remembered, I was anesthetized because I had to go to the dentist, so now is the treatment

Is it over?

Miss Jean... □ □ ..well. She couldn't make a sound, she didn't pay attention to the method, her body was completely weak, and I woke up?

She...she's there alone what to do?

She...she is touching her own private parts. This is a hospital. Is she touching her private parts? It's impossible for Ban's place to be soft!

? But it's impossible. Even if I'm dreaming, I won't dream of this. Am I actually still dreaming?

A sight, right?

Ah hiss... Siwei's slightly rough feeling rubs her lower body back and forth, it feels so comfortable!
Seswei, I really want to use my Hang Teng's juice to taint it, especially Sister Shi's, hehe...….

I originally thought it was a pity for this beautiful girl to only be a nurse!

But wearing this uniform and masturbating in the hospital is really exciting, haha!

The touch, everything is so smooth and comfortable with Siwei's touch and fingers!

touch

My cock, my cock was about to die, I couldn't bear it anymore and ran out!

Oh oh oh oh oh! It's out, it's out!

The skin of the cock comes out

Yes!

Ah hiss! Just now, Siwei felt so good when she pressed against the silk-covered cock, and she felt even more comfortable!

She suddenly turned into a bear at the same time. With such a beautiful body and my huge cock, it was really exciting, haha!

Liu Simeyue

What...what? ! There is a boy's genitals in the nurse's private parts

Ran out?

I'm still dreaming. Why do I, I feel more and more that this kind of thing might be true?

But people are secretly playing with cocks here. I'm such a bad person. The patient is still here and the nurse is so bad~

trick

But judging from the experiences of other patients, it will take a while for her to wake up, so I can still play slowly hehe!

But to be honest, the boss has good taste, and the girl he picked also needs to have good balls and a good figure!

With her appearance, people really want to do whatever they want to her when they see her unconscious, hehe!

I took advantage of her to have a little sexual intercourse before she woke up. The boss probably wouldn't blame her!

Or continue to pretend not to know... her! What is she going to do? I should pretend to wake up and run away from her,

The thugs in front of me are fair and square! Shooting in front of a beautiful woman, it's amazing!
I want to cum all over her face, I want to cum on her face, use my little one, hey!

刘晓芳月

Tikka

Hey, the patient is awake?

What! Aren't you still awake? You are fishing here alone!
There are still many things going on in Taiwan. You and I are easy to bully, so we just leave everything behind. What's going on recently? Don't leave me alone!

Hey ~ our lovely nurse, don’t be angry, sister is here. Are you angry? Don't be angry, let me comfort you!

Take your hands away, I don't like it! What are you doing to put your arms around like this?

Don't resist! You see, you just don't take good care of your body, that's why you're so stressed!

Grasp!

I really enjoy your young and beautiful body. You should learn more from me instead of just thinking about work all day long!

Liu
Ximeiyue

Otherwise... just ask the nurse to help colleagues relieve stress and show some friendly spirit, hehe!

Ding
Ding!

Touch me, that's... Yeah! what do you take

Human sexual organs? Oh my God! Then, how can a man have that thing!

Let me go quickly and don't touch my body with that thing!

..·Smelly bitch, if you don't want to die, get up and fuck your mouth!

Ah...this, this is...this is a gun? No, don't kill me, please.

As long as I feel comfortable, I won't want to die and just be obedient. Ha, now I know I'm afraid? I will consider letting you go.

Press!

Now squat down for me and take good care of my cock,

To no!

Liu
Ximeiyue

Be good to you, please me, I know, I will not hurt me...·.

I, let me help you with my hands...···

It's much better than the bearish attitude just now, where he asked questions and hummed, "Now you're being good!"

We are all colleagues, isn't it just you and me helping you? Is there anything that cannot be discussed?

I am a beautiful nurse like you, but now I am a handsome nurse...·

trick

But the feeling of giving someone a handjob is still different from doing it yourself, haha!

It's raining right here in front of us! Playing with the cock in front of the patient...…

We are really bad nurses, haha!

Oh my God, that nurse actually has a gun? And forcing another nurse to serve him?

I'm sleeping, I hope my phone can take a picture of the whole thing, so why don't I just wait and continue to install this, this is big news! I

It's a process!

Whoa whoa! Miss Shi's soft hands and the bonus of this sexy uniform...

It's so exciting to be able to do whatever you want with your body and to feel like you're using someone else!

I would rather try some other ways to play than being served!

Especially with a beautiful nurse accompanying you, how could you miss this good opportunity? Hehe!

Liu
Ximeiyue

Stand up for me and get you you! Be good, my shoes!

It is difficult for bears to find people to play with.
…… Yeah, but it's a pity that this gameplay is too different. I've long wanted to try the feeling of being fucked by Si Wei's beautiful legs and feet.
I have to be satisfied now. If I don't do it now, when will I wait? Only if you have a sexual fetish!

Have you seen my horny cock?

I order you to step on it with your silken feet, so that you can feel good about stepping on it!

You, you want me to use that thing to step on you, are you serious?

Of course, but you have to pay attention to your strength, I want to feel good, if you dare to step on me and hurt you, you will be finished!

I...I know, I will control my strength well and won't get any pain from stepping on it

your!

Then, I really stepped on it?

Oh oh oh oh oh! That's it, keep stepping on me, step on me with your silk feet!

Step on it!

Use your beautiful silk feet to be stronger, use your cock, oh yeah!

So cool! My sexual fetish is so satisfying, it feels so good to really be satisfied!

Being double pressed by Si Wei on me and Miss Shi's silk feet, I felt like I was about to ejaculate at any time!

Whoa whoa! I want more, I want more!

Come on, use your rain to play with me!

Ugh... This position is so shameful, why do you have to do it like this? It's so obscene, I, I can't....

The smelly and sticky vaginal fluid is so good, and it's all covered in my heart, so I'll turn into a bear, woo hoo!

Use your hands to rub back and forth, ah! That's it, rub my cock!

It's so comfortable, it feels like I'll ejaculate at any time, please give me more!

Not only did a female colleague in the hospital suddenly grow a penis, she also forced me to serve her...·.

But if you want to become this bear-turned-monster, you have provoked me. What on earth is going on here?

plaything!

Whoa whoa! You, you really get better and better the more you use it, the more comfortable you become!

Her body is definitely the most correct choice I have ever made for this woman!

Not only can you wear beautiful and sexy nurse uniforms, but you can also like patients and obscene colleagues...

This medical center is really the paradise that a pervert like me has dreamed of, haha!

It doesn't work anymore, water keeps leaking from my cock, and I'm going to cum if I keep playing with it!

Juice

As my first time with the nurse, how could it end like this?

Sex, this exciting way to play, I believe you would also like to try Lily between beautiful nurses, hehe!

You, what are you going to do? Don't come over!

What to do? Of course I have to use my cock to fuck you

Make love!

Don't you think I'm in pain? As a soldier, you look at it and it's so hard that you can express your feelings, haha!

Don't worry, although my cock is big, but if your pussy is damaged by me, this is the hospital where you can treat it haha!

No! Only this, only this is not allowed, please let me go!

……No way, did he just forget that there was still sex to be done in this room? Is he the third person?
When will the drama end? Do I have to keep pretending to sleep like this?

Liu
Ximeiyue

Man, I can do it openly and honestly. Wake up quickly and escape from this medical center that has turned into a bear again!

Please, please let me go. If it's really not possible, please, please, okay?

I, I promise I won't give your secret away, please let me go!

Or...or if you really want it, can I continue to use mine, or can I help you with my hands?

It really doesn't work, I beg you... I just want to have sex or something, I beg you not to do it...

ah!

If you want to send me away with your hands, you think so!

My dick is my cock today. I will definitely fuck you if I put it here!

Liu west

No...No...‥...·Can you come and save me...

I will definitely try my best to ensure that you don’t have to be afraid. As a colleague, Han is happy!

Lily sex with beautiful nurse, here I come!

ten

Come and save me..Ugh! Ahhhh! It hurts, it hurts!

It's so noisy. If you don't want to die, just be quiet!

掐！

Panting... out of breath... ah! Let...let me go,

Whoa whoa!
Every time I pinch your neck, you will feel pleasure down there!

bang
bang
bang

I didn't expect that the nurse lady, who looks innocent, actually likes this kind of hardcore play?

Since you like it, then let me satisfy you!

Cough, cough! I, I don't, let go... !

The pussy sucks me so good oh oh oh! The nurse is so comfortable and it feels so good!

I have a feeling that if it rains today, we will definitely have a wonderful time hahaha!

Liu
west

··□ □ Bye, bye,
stop first, I can't
do it anymore!

It's done, it's already been fucked down there, it's really going to be fucked down there so hard that you can't even feel it anymore!

If it falls, it will be fucked to death... When will it end if this person is really going to die?

Miss Shi is also being fucked like this by my meat mouth. Doesn't it make the rod feel good?

Bang bang bang!

I made you wet during a secret meeting, otherwise your little pussy would be so wet, haha!

Liu

If you want it to end early, then work harder and shake it like a commodity!

Come out and sit down at any time. I feel so happy that I ejaculate and it ends, haha!

No.. I don’t have the strength anymore.. No, no, I’ve already

It's related, hurry up, I can't get married, I'll cum inside her, please, please hurry up and cum well

End it!

Really, it seems I can only move it myself!

bang bang

Oh oh oh oh oh oh!

Ah! Han De feels so good, so good that he wants to ejaculate

Yes!

Turn over

Come and change your position so that I can cum in your hole just like you do!

Feel the feeling of being creampied!

Cum!

Oh oh oh! Cum, cum, cum!

Liu Ximeiyue

A lot of semen was ejaculated into Miss Jinshi's hole. It felt so good!

No, don't cum again, ahhhhhh! No, ah ah!

Phew~ It feels so good to ejaculate like a beautiful lady!
Especially the lily sex with the cute nurse lady, it seems to be addictive hehe...

It seems like...it seems to have been fucked until I lost consciousness. I, I can't be pregnant...
Ahhh...I, I was actually creampied by my shemale colleague in the hospital...'.
Liu Ximeiyue

I seem to be able to feel the semen flowing out one after another, the sticky and warm feeling on my lower body...

flow out

Even if my vaginal subconsciously wants the strength to control my body...it feels good, but I don't have it anymore.

Haha, look at you, you were fucked until you were speechless!
I will spend a very happy time long ago, our time, do you think you are so happy now?

I still want to have sex with you, Miss Nurse, but I think we have to wait...

Calculating the time, it should be almost there~

You...what...ah!

Tinea
soft

my hand! How
could my hands
become like this!

Xinyeiyue

My body, how come I still have my legs! I can't feel it anymore!

? ! Help, come on, what did you do to me? Help me!

The reactions were pretty much the same, they were all like hehe, you and your colleagues were in a panic!

It's normal to be afraid, right? It's no wonder that you will eventually turn into a piece of skin. Watching your body collapse gradually,

.What happened to them? I really wanted to turn around and look, but I was afraid of being discovered!

Why is the voice of the murdered nurse getting smaller and smaller? What happened to her?

The bag...is so heavy...the consciousness seems...to disappear...

It’s a piece of beautiful human skin, hey! Done, again

Hands!

If you're in a hurry, wait a minute and give him the skin of the nurse who is supposed to be there.

Put it on!

The beautiful nurse she pretends to be has an uncle who transforms into a bear. Then the hospital will be hahaha again!

Human skin? Pretend? What does she mean by that, that weird nurse is actually an uncle pretending to be?

And now she uses some method to turn another scholar into a piece of skin so that her colleague can pretend to be a woman?

Her footsteps were like going to take the nurse's skin away, right? I, I have to get out of here...‥

Hello, I want to check out...‥‥

Hello, Ms. Bai, here is your receipt and health insurance card. Today's treatment went very well...

If you have any questions after returning, you are welcome to contact us, hee hee...·

, your sleeping therapy is really, haha, thank you, it's so bad, I woke up and found that my teeth no longer hurt haha...

I have to be calm, don't let them see the clues, and leave this place safely first!

Ah, welcome to come see you again next time, hehe, we are seeing such a beautiful patient!

Another taxi driver? She actually used her naked eyes to express her voice. She just stared at me...

A piece of skin, and then some pervert so she was really turned into a man and put on it?
If I still have problems with my teeth, I will come back to you. Okay, okay, if I call you next time...·

At first I couldn't believe that this Zhang thing happened, but the nurse's obscene expression and tone really looked like a man's!
Hmm...hmm...her breasts are so big, so nice to touch...

The fake girl can't tell that anyone is pretending to be a man. The person in front of her looks like this.

mark....·.

It's really terrible that he could be replaced so quietly. I, I won't encounter such a thing one day, right?

Liu
Ximeiyue

·...So, this is what happened to me in that hospital.

I'm pretty sure that I turned on the video recording function on my phone before I fell into coma. I swear by my instinct as a journalism student!
I'm afraid... I'm afraid it was sent by them. But when I got home, I found that there was nothing on my phone, and then deleted it...

That's it... But you can delay the time you turn into skin... That nurse can actually cut someone without a skin knife.

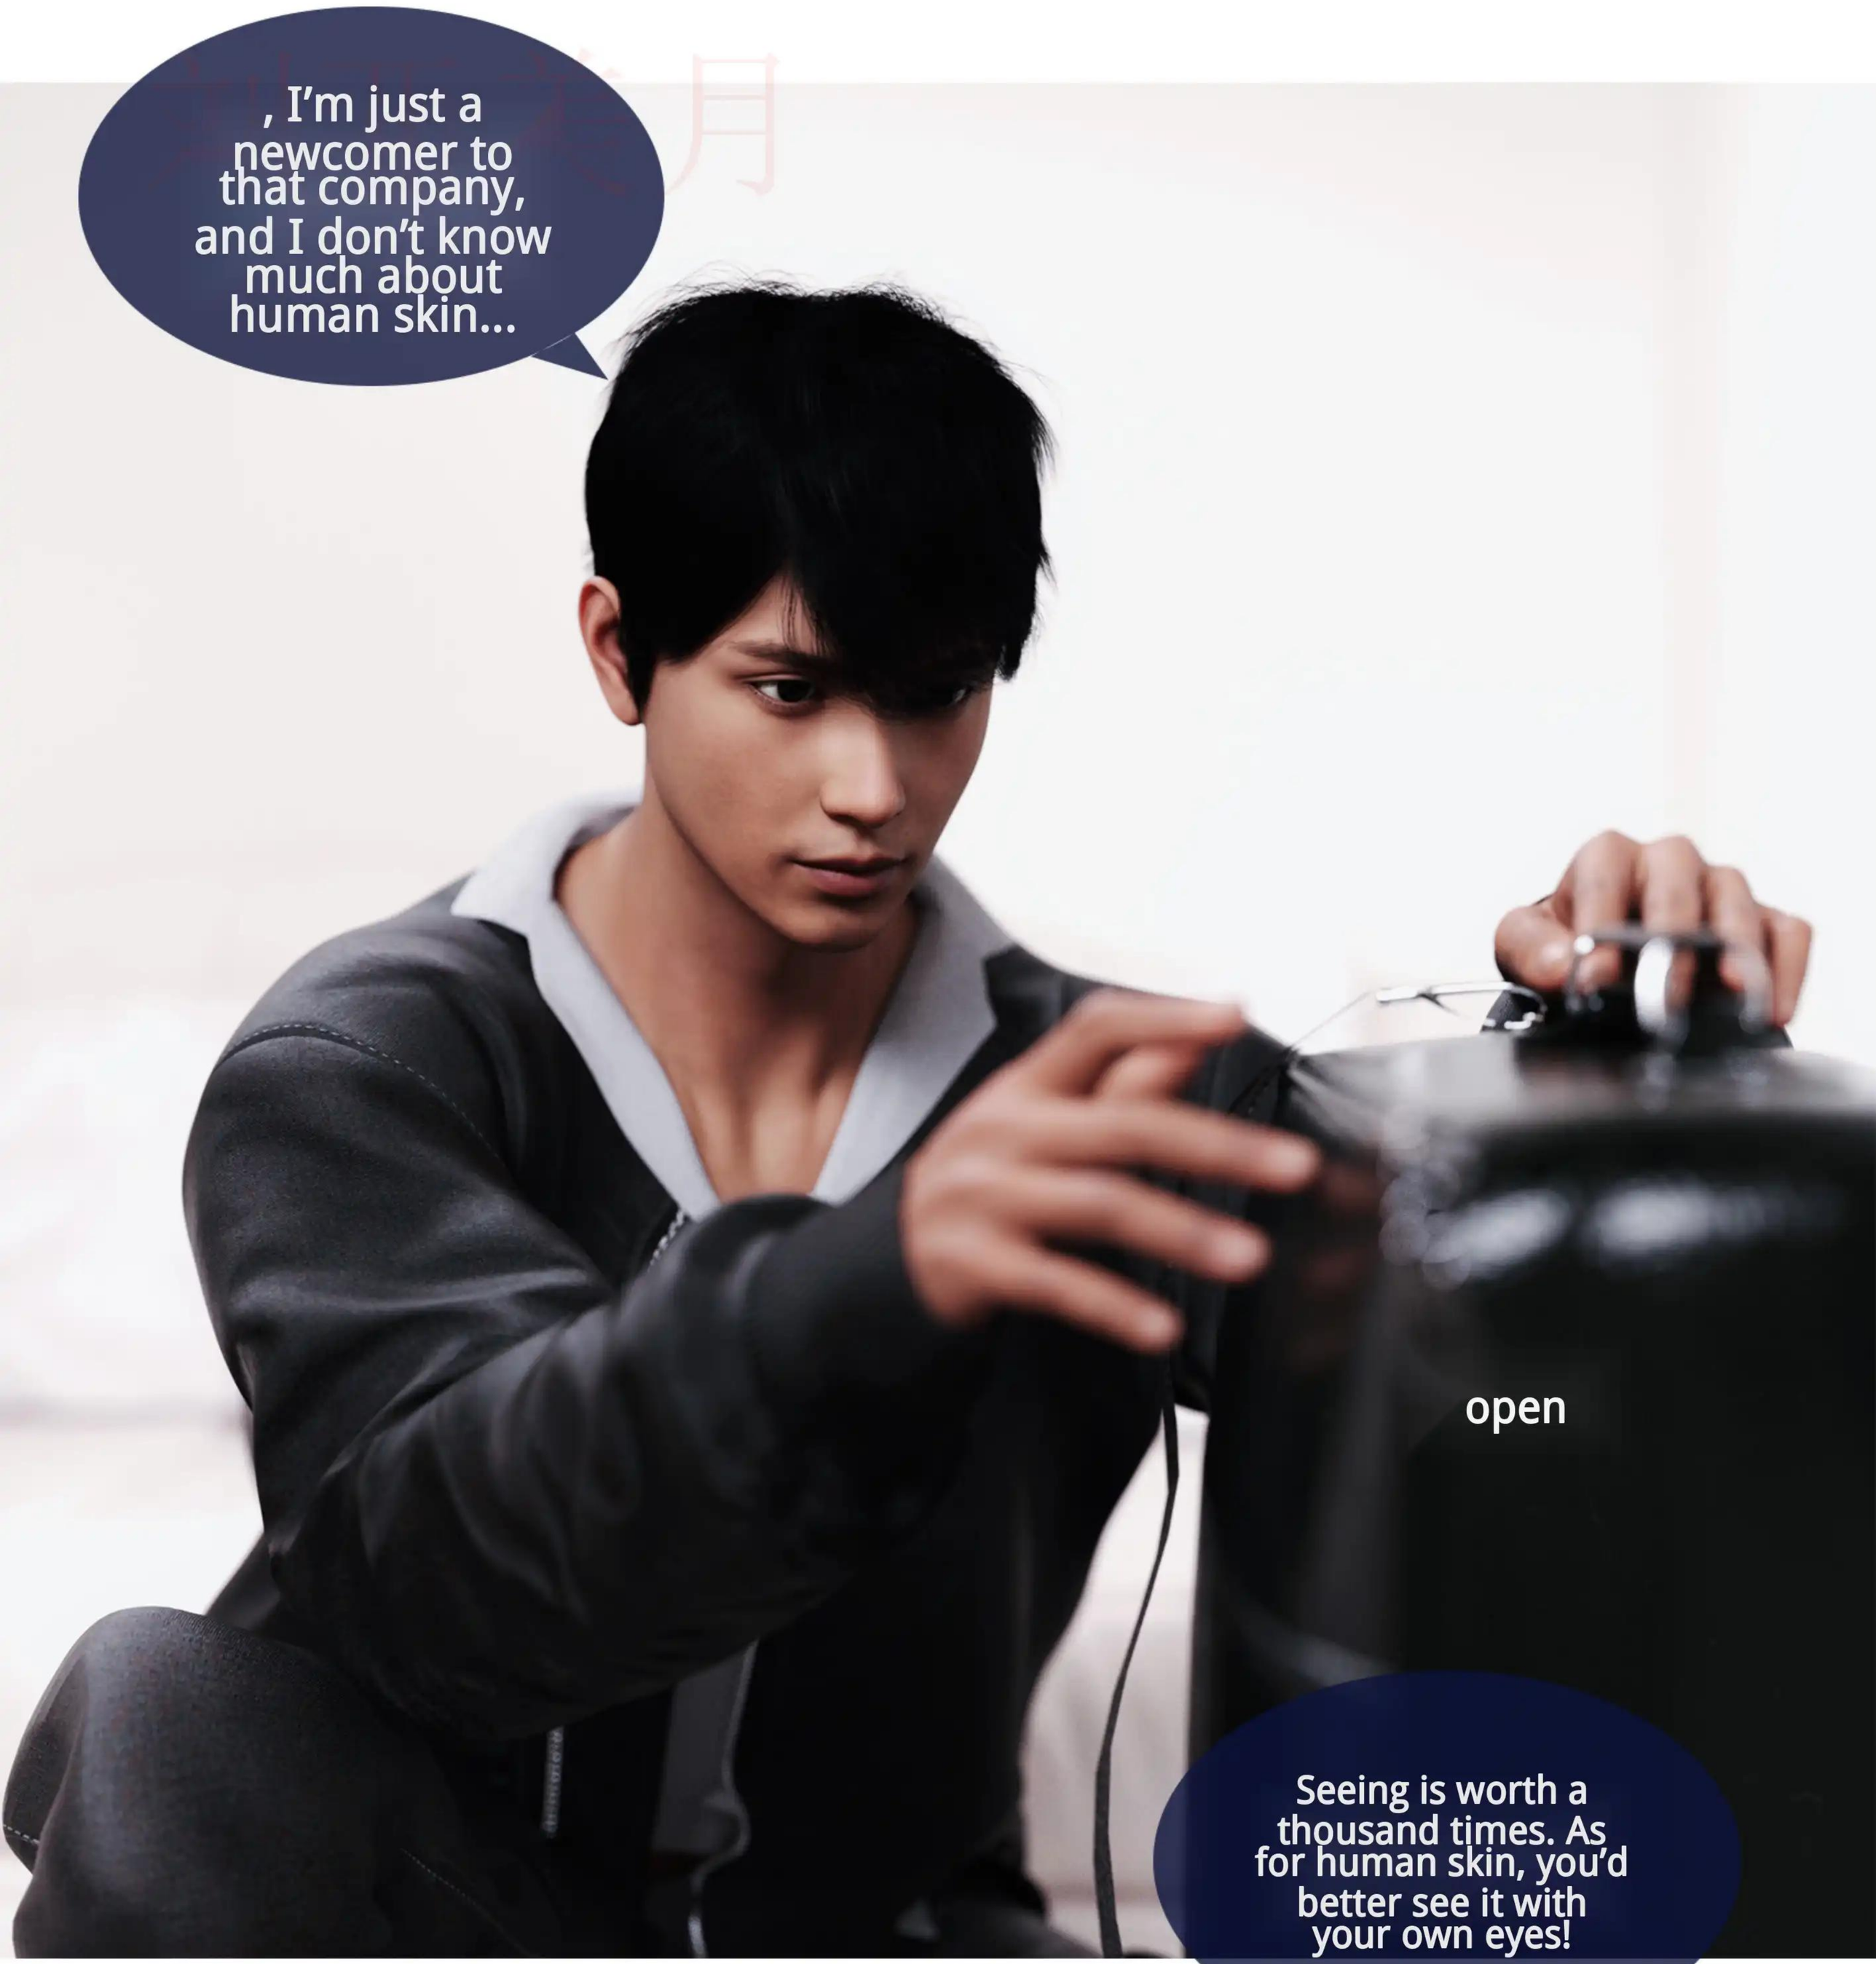

Occasionally there will be some special abilities, maybe the extended skin means different people wear different skins. I was indeed one of them in the company!

That's the thing. If they look back one day and find out that I secretly recorded the video, they will be turned into skins!
Because of the harm, I started to investigate the nurse for my own safety and to prevent other girls from being harmed.

Liu Ximeiyue

Now that I have help, I finally have a handle on those people and organizations. But now that I have met you, I have come to a conclusion...…

But what information do you have about human skin? Is there any way to recover?

, I’m just a newcomer to that company, and I don’t know much about human skin...
open
Seeing is worth a thousand times. As for human skin, you’d better see it with your own eyes!

Oh my God! This, this is human skin?

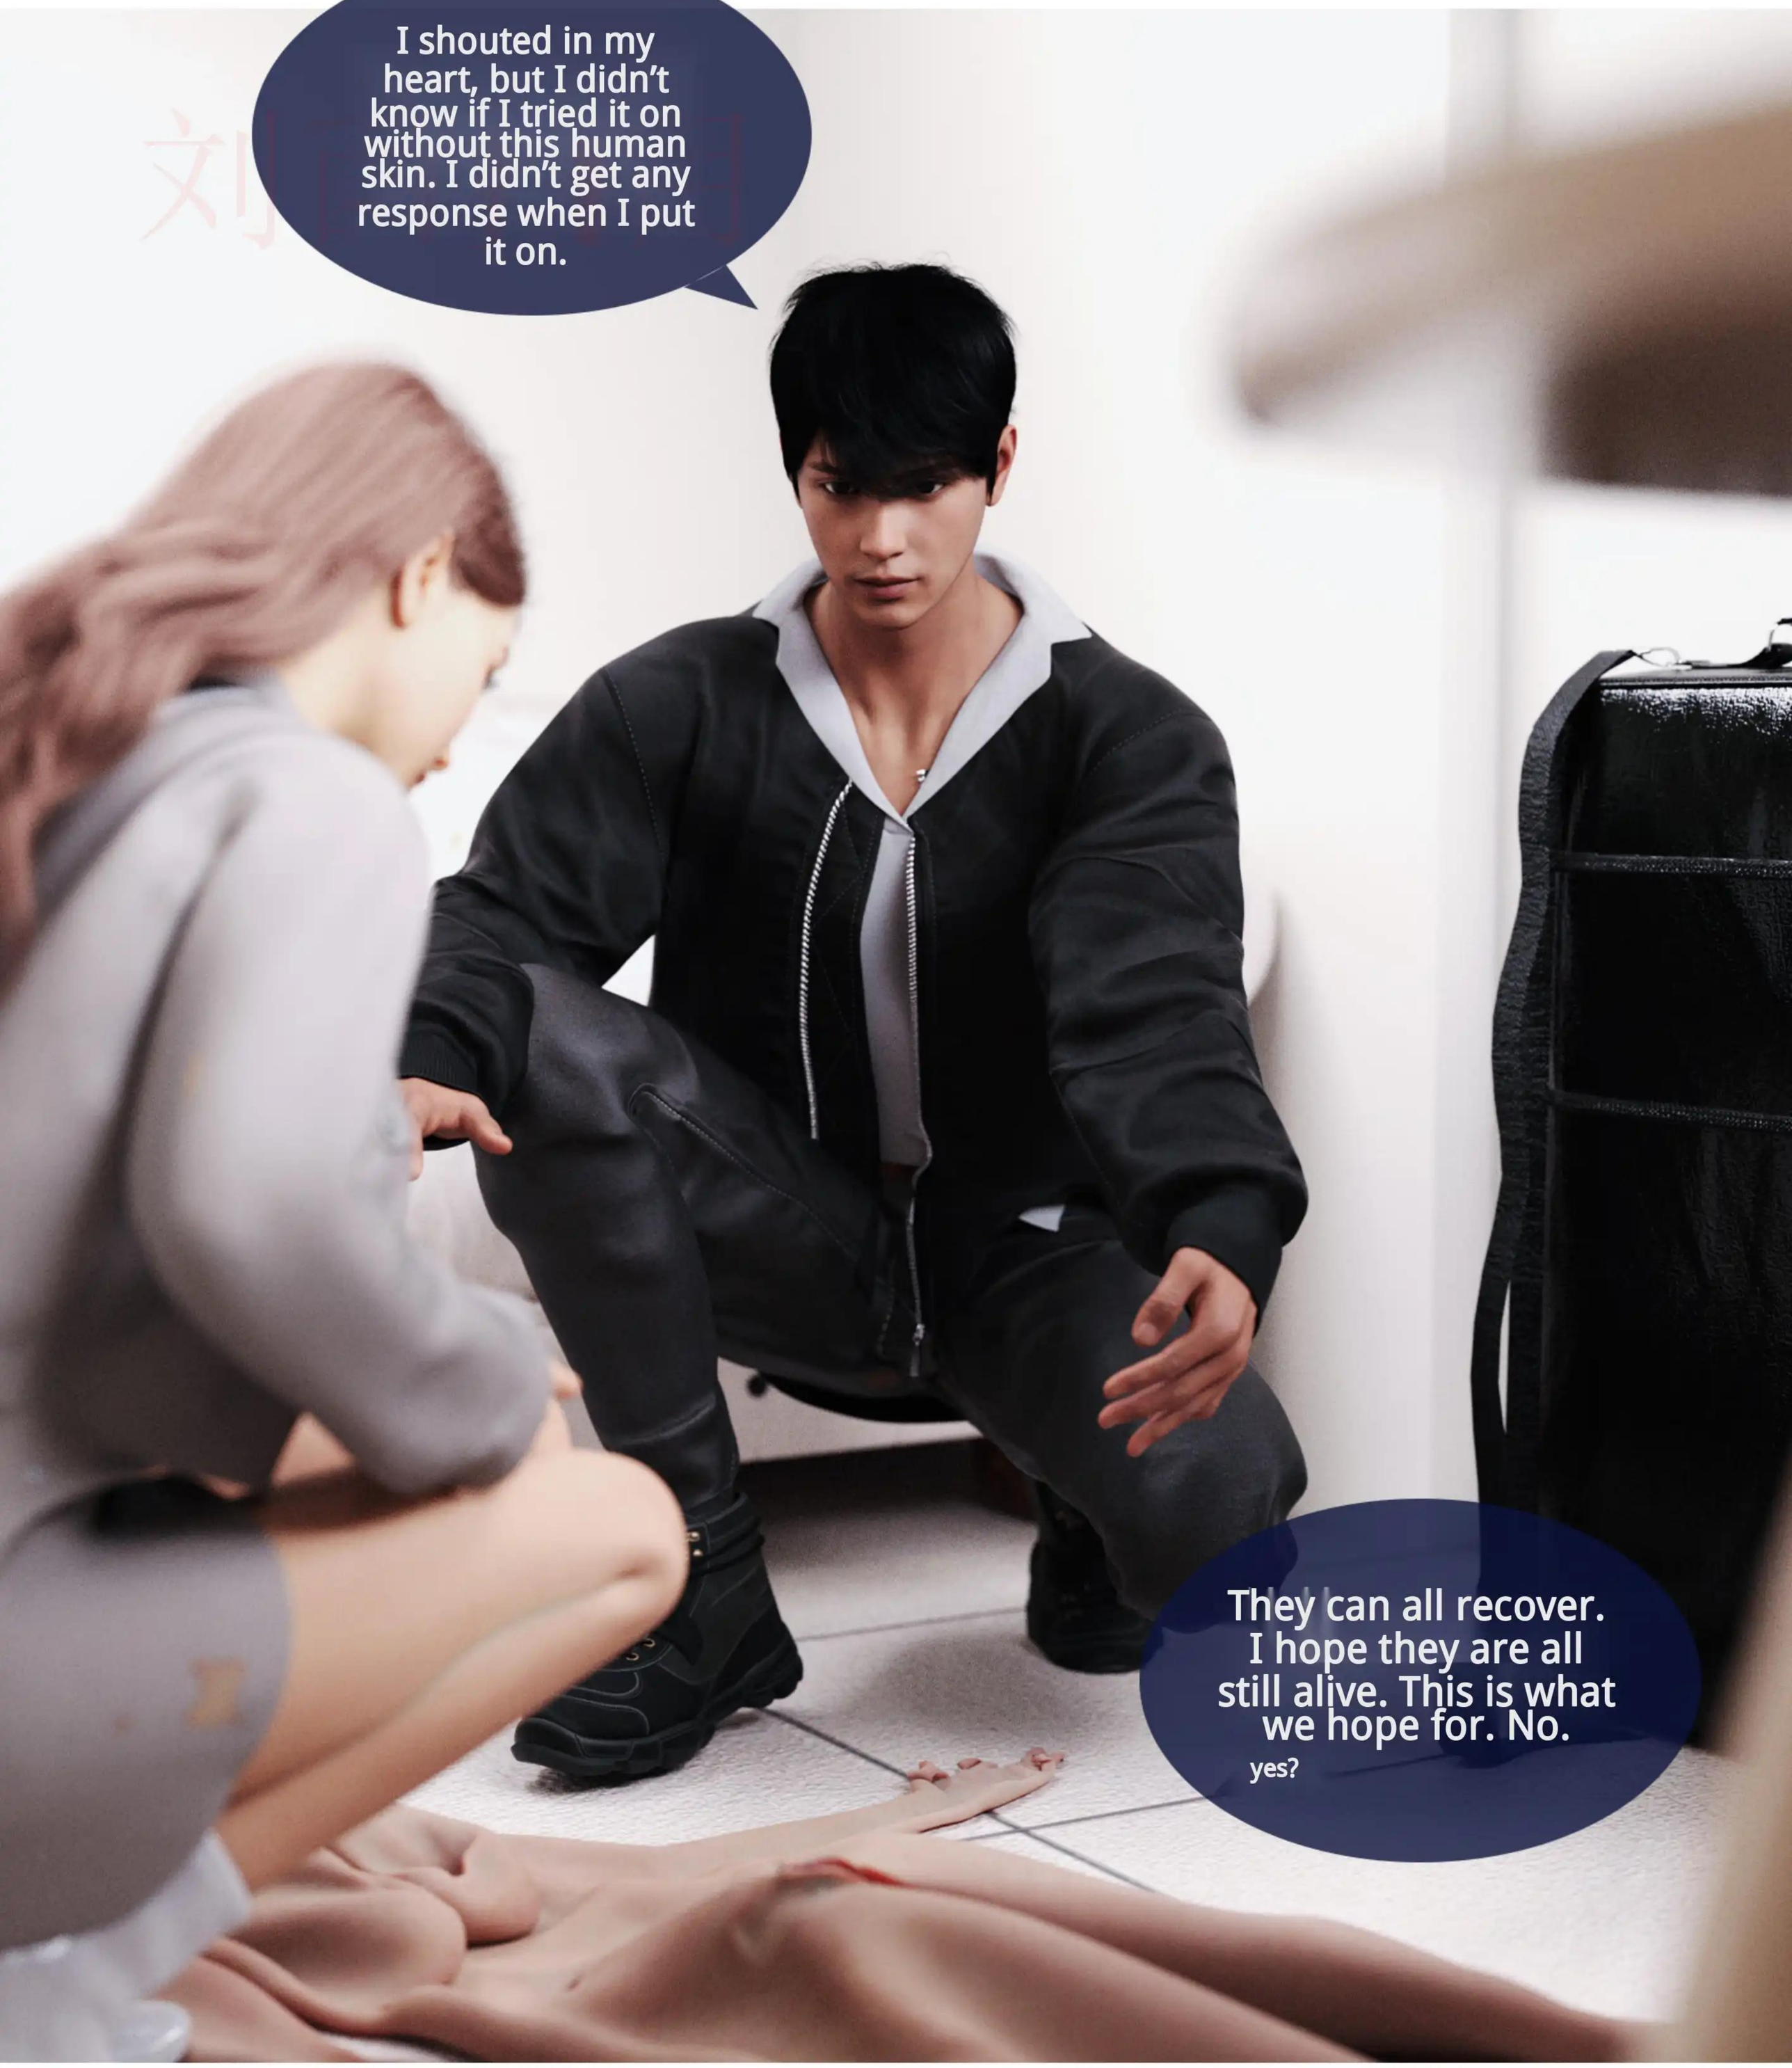

He actually turned into a lifeless person, now a heavy human skin...

刘西美月

The skin still feels as it is, and there is even a bit of body temperature, but there doesn't seem to be any blood color on the surface...

Is the person turned into skin still alive? She will still retain consciousness and be able to get the voice of the outside world.

sound?

I shouted in my heart, but I didn't know if I tried it on without this human skin. I didn't get any response when I put it on.
They can all recover. I hope they are all still alive. This is what we hope for. No.
yes?

Don't worry, we will definitely find a way to restore human skin, including rescuing your sister.

victim!

But at present, we only have Yu Yu alone, so we need to collect more information first!

The characteristics of human skin transformation, etc.. Honestly, I have a grudge. I want to know more about it.

hold up

If you don't mind, you can put this piece of human skin on me.

have a look?

ah? ! You want me to put on this human skin now?

Ugh...compared to the last time I wore it for the first time in the company, this time I had to wear it in a girl's room. It felt even more twisted!

My skin turned into that of a girl.. In front of girls, I, a grown man, wanted to put on a human body.

I'm embarrassed to talk, but I'd better hurry up. This is really too bearish and too ugly.

Decide quickly!

, it’s still good, my legs are tight... I haven’t worn leather for a while and they are tight...…
Inexplicably, I will react a little bit, but also, I have to hold back my body during the skin piercing, and I can't expose my penis in front of other girls!

This should be the fastest time I have ever worn skin. If I drag it on any longer, I will really die...·
Woo... Hurry, get dressed...

Oh my god...if I hadn't seen it with my own eyes, it would be hard to imagine that the girl in front of me was a fake man.

Dressed up!

Although I have a good height and body shape, I automatically become a girl's bad wing, but after wearing leather

Appearance...···

Well... Anyway, after putting on the skin, it will look like this, and the appearance and sound will become the original appearance of human skin...····

It would be difficult to tell with the naked eye if you don't have the special ability to see through people's minds like me, but if it comes out it's my own!

If anything is broken, you and I are close, but we haven't even observed it from a distance, so can I use external force to take off the skin?

, maybe human skin! No, if you use external force to peel off the skin, it will be damaged!
pinch!

I see, but seeing you like this, I have a good idea!

You and I, wait a minute, you can wear human skin and use the appearance of this girl, we will be like this...··

Liu
Ximeiyue

Well, luckily I have all Yi's clothes with me...··

However, this kind of shame of being dressed as a woman is really hard for people to adapt to...

Vi, can I wear this suit...?

you! Are you Wei?
How come you are dressed like this?

Liu
Ximeiyue

For future big reporters, through Qiao Bie, it is a necessary skill to dress up and obtain news materials!

It's natural to come to the door looking like Ben, not to mention that I just went there to see it, so I can't use my original disguise anymore!

Let's go there under the guise of sales promotion. Let's just pretend it's a digital marketing business and let the hospital do some investigating!

, you can't reveal your secret. When you get there, you have to remember that you are just an ordinary female salesperson and act according to the circumstances!

Liu
Ximeiyue

.....I'm all done. We appreciate the sales here. You guys

Please
come back!

Oops, little sister, please go and meet the doctor or supervisor at the hospital. It's just us and you.

Let's have a face!

Give me a few minutes, and I won't delay your work, just give me as much time as you need!

Our doctors and supervisors are very busy and cannot meet everyone!
, you'd better not waste time, and we have no plans to do additional marketing and promotion, so hurry up and leave!

That's right, we know that the law promotes efficacy, but our company cannot arbitrarily circumvent this by appointing medical institutions...
I believe that as long as our company is given an opportunity to display, your hospital will also have one.
Interested!

Otherwise, we won't embarrass you, we will just sit there

Wait?

When the doctor is finished or the supervisor is free, just leave a few minutes for us!

go! Whatever you want, you can wait as long as you like, it's just a waste of time!
Anyway, just don't come and hit me, and don't affect other patients, hum!

…..call! Great, I managed to sneak in without them raising any suspicion!
It seems that the taxi driver didn't miss me at all. My disguise turned out to be true.
Perfect hehe!

There is nothing we can do if we stay here, but this is only the first step. However, if we successfully sneak in, what are we doing!

Tikka

Wei, look, someone is coming!
STR
Seeing patients, or... Let me see, the people who come here are innocent

After seeing the doctor, I will take you shopping and play. Xiaojun, please hold your mother's hand and don't run away! Mommy tool, okay?
I don’t want toys. I want to buy a gift for the baby in my mother’s belly. Is that okay?
Of course, baby! Mom, just like you, is looking forward to the birth of her baby!

It looks like she hasn't been replaced by some pervert who is pregnant with a child, right?

No, that's not the case. What if they want to pretend to be pregnant women? This is also possible!

It doesn't matter, I will know at a glance whether this pregnant woman is the real deity or not!
Don't talk to me yet, I have to concentrate...concentrate...

...Woo! I saw it!
The pregnant woman and the child are still the same person, without the marks of being turned into skin.

It won't be certain in the future. I am myself now, but let's go into the clinic and take a closer look!

Crazy enough to attack a pregnant woman. I hope those perverts won't mind.

Bar.…

Liu Si

The mother and son who went in came out! ·..Hey, look at that, just now

But I don't know if it's my imagination. That mother looks a little weird?
Hmm... My sixth sense is that if you activate your ability again, there must be something wrong with it.
have a look?

Okay, wait for me, I'll watch it again...·

ah!

That pregnant woman has really become another man inside!
They actually dare to attack her even if she is pregnant. How cruel!

…...Mom, I have seen the doctor, why are you not as brave as me?
Also, are we going to buy a gift for the baby now? Where are we going to buy it?

Already want a shit? If he is really dead, he needs to see a doctor. But the dead child is a dragon!
Also, your hands are sticky with sweat, so don’t keep coming here, okay?

Woo! You, you are not my mother. My mother wouldn't do this, so I won't hold you accountable!
cry
When mother comes back, give me back the mother I want, the real mother you want!

If you cry again, be careful, I'll just lean on you! Open your mouth and leave you here!

, I don’t have time to play pretend with you, I’m in a hurry to go back and enjoy this new body.

House wine!

The pregnant woman was obviously also turned into skin, and then she was put on by those fellows!

Let's see if we can get some clues from her! Let's secretly follow her!

The body is a bit heavier, but the appearance is still well maintained, especially the breasts are really not small! This woman is pregnant,
Taste, let's get into it today, I'm not even pregnant yet, let's try it!

Liu
Ximeiyue

, Mommy can’t help but brat, come up and taste my new body!
