

The music is so
loud...and there are
too many people.....

The lights were a bit dim, and there was no figure who looked like Xiaoyi. Although I didn't want to get close to the crowd, I had no choice but to send a message.

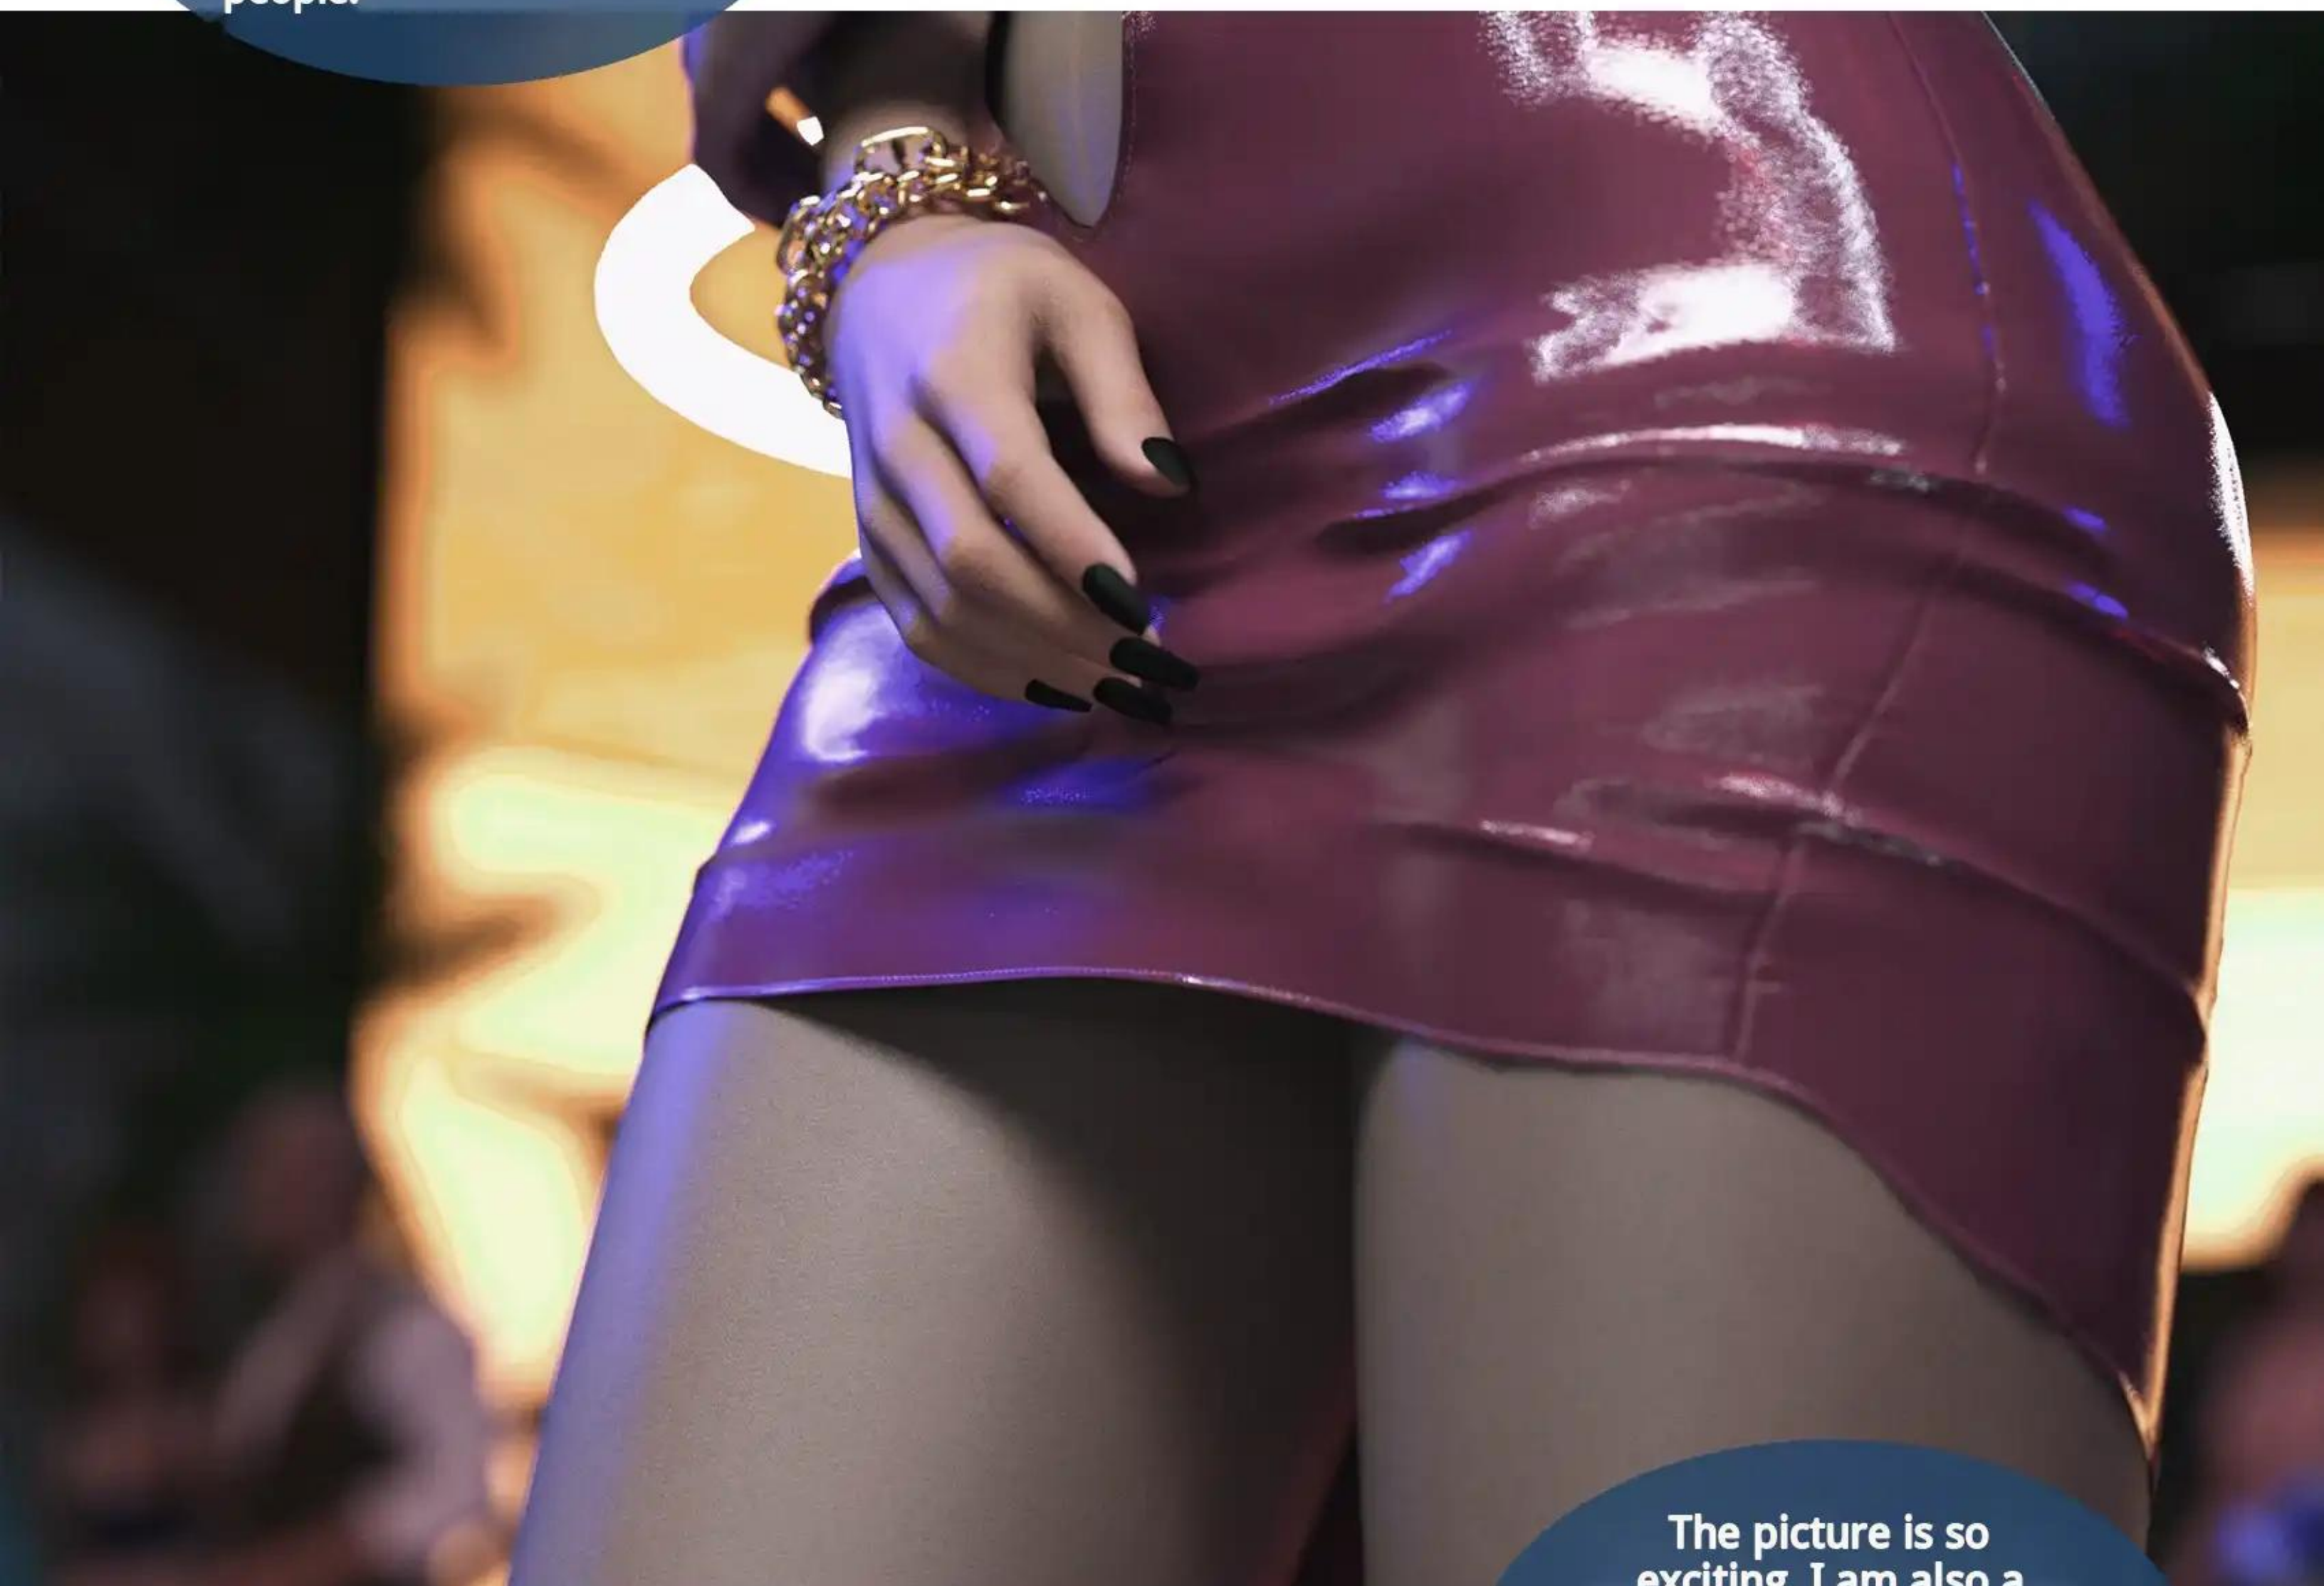

What should I ask? It feels like each of them is immersed in their own world, playing until they forget themselves...how can they talk to each other!

And, besides, they were too exposed, as if they were naked, and they kept twisting their waists and hips to seduce people, and they were too big!

Brothers,
look at me~

Those postures in such a large area... I really don't fit in here. I feel so twisted just standing aside. I really want to go home.

How can they not be ashamed at all? His eyes, movements, and voice are all very nervous. He is from a completely different world from me. people.

The picture is so exciting. I am also a man. I will definitely react after watching it for a long time. It would be terrible if the erection is discovered!

When the time comes, not only will I be taken out by Cheng, but also Ajin, who came in when I came in, will be implicated. I can't cause trouble for him anymore.

Must be resolved quickly! I am an upright man and a top student. It is not difficult for me to shrink back when encountering difficulties. Come on...

Huh...so
tired.

I plucked up the courage to ask a lot of people, but I didn't get offended by the customer's rudeness, but in the end I didn't get any news about Xiaoyi.

This place is so scary. Someone would put their hands under my skirt if I wasn't paying attention. I'd be beaten to death quite a lot. I can't get angry yet, Xiaoyi...

It is impossible for a pure and good girl like Xiaoyi to come to such a shady place. As her boyfriend, I am the one who knows her best.

She might have never been to such a place, so how could she come to work? Even if she encounters difficulties, she will choose other jobs.

AI, look at you,
you are so
embarrassing! 0000000000000000,00000!

I hope Xiaoyi is
innocent and this
nightmare will end
soon, and I can
return to normal
campus life after
everything returns
to normal...

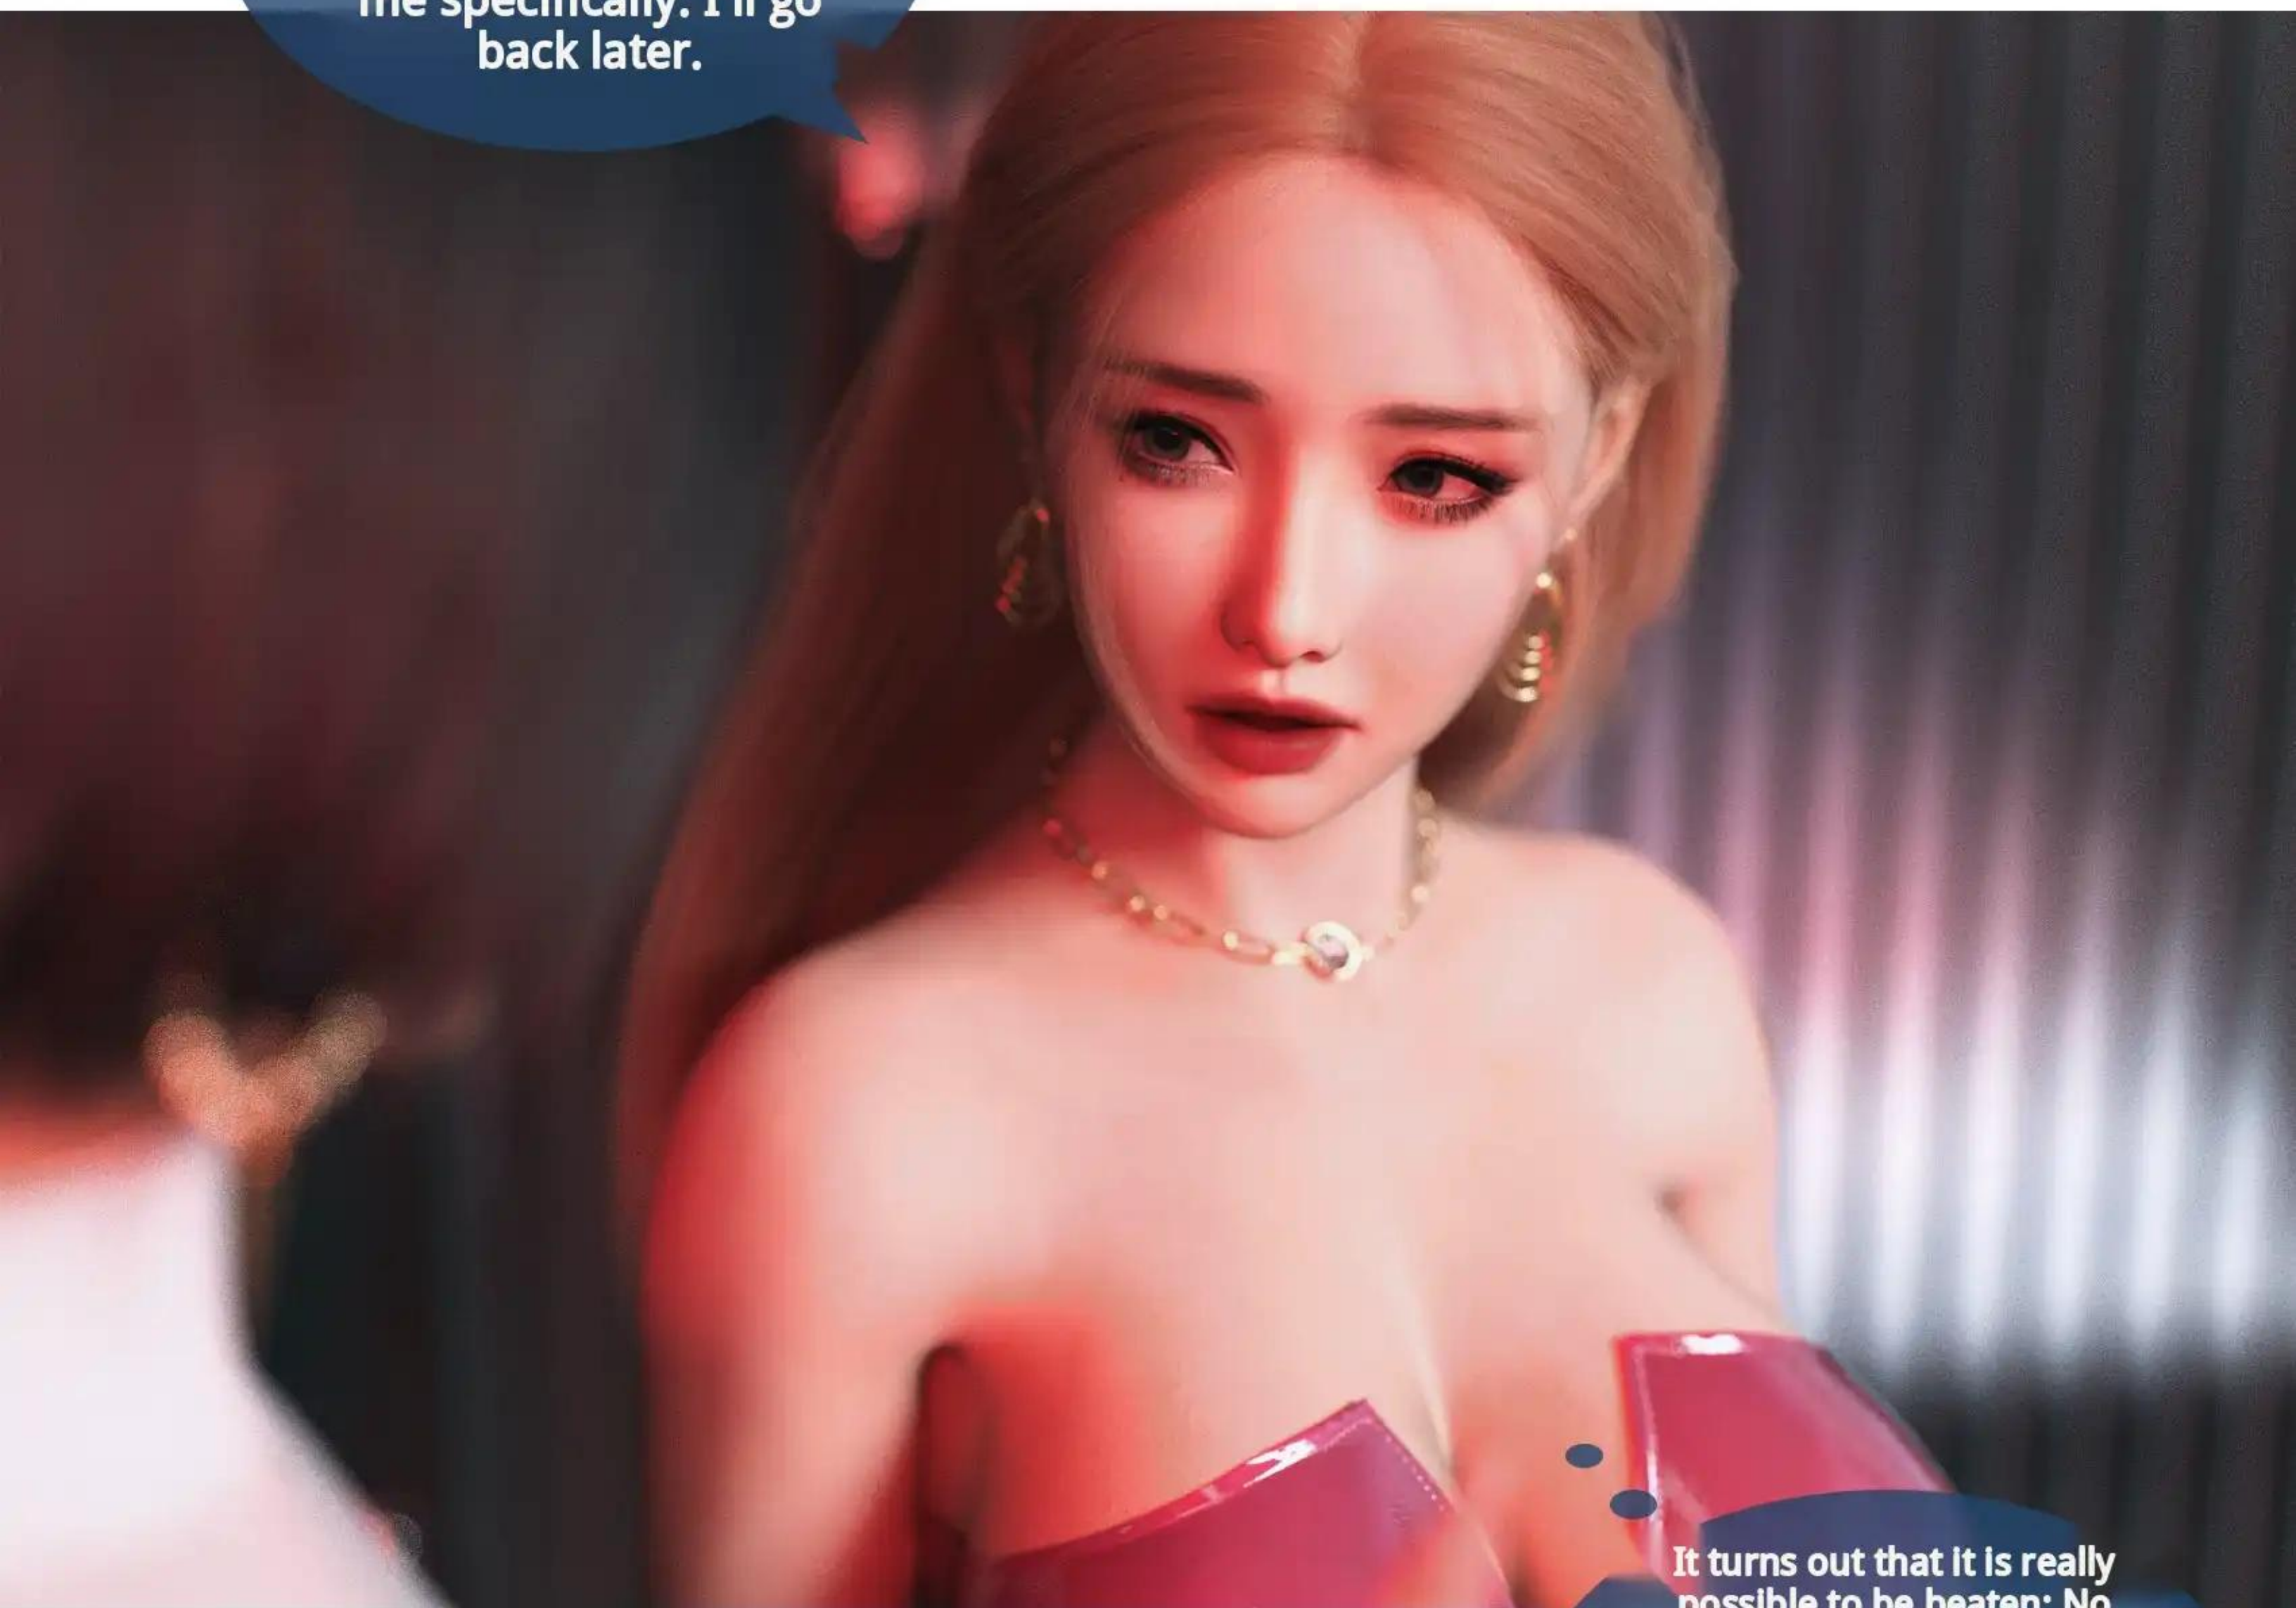

Oops, sister,
are you okay?

You look very bad. Is it because you are not used to drinking? But you may not know it on your first day at work, but we can't stay there Too long.

It is very impolite to remove a guest. If you offend someone with a bad temper, you will probably be slapped, right? Be more careful, Ming white?

ah? Hug, I'm sorry, I didn't know there were these rules, and I'm sorry you came to me specifically. I'll go back later.

It turns out that it is really possible to be beaten: No wonder Ajin wants to be so harsh on me, Fengyue is simply not a place for humans, if you ask anyone again, I will Go back.

It's fine if I'm wrong, but
why did you come to
work in Fengyue? Is
there anything hard to
say? Don't take a photo
of my sister

Take care of
you.

In fact, the most
important thing here
is to please the
guests. Just be
sweeter and more
proactive. Men all like
the delicate
appearance of
women.

Just like when Brother Kai touched you just now, you immediately ran away and were very happy. Next time, please let go and touch me more obediently. Do you want me to have sex with you?

Sister, sister,
you...don't
Already.... touch

My sister's skin is so smooth and cute. She's young and looks great. She doesn't even need plastic surgery. You're so envious of me. It makes me want to do it to you. Something.

But if your breasts are so big, they must be fake, right? Haha, I guessed it right. I can tell you have had plastic surgery by just touching it. You are quite good at it.

Well~

Scratch and rub!

You~what are you doing!

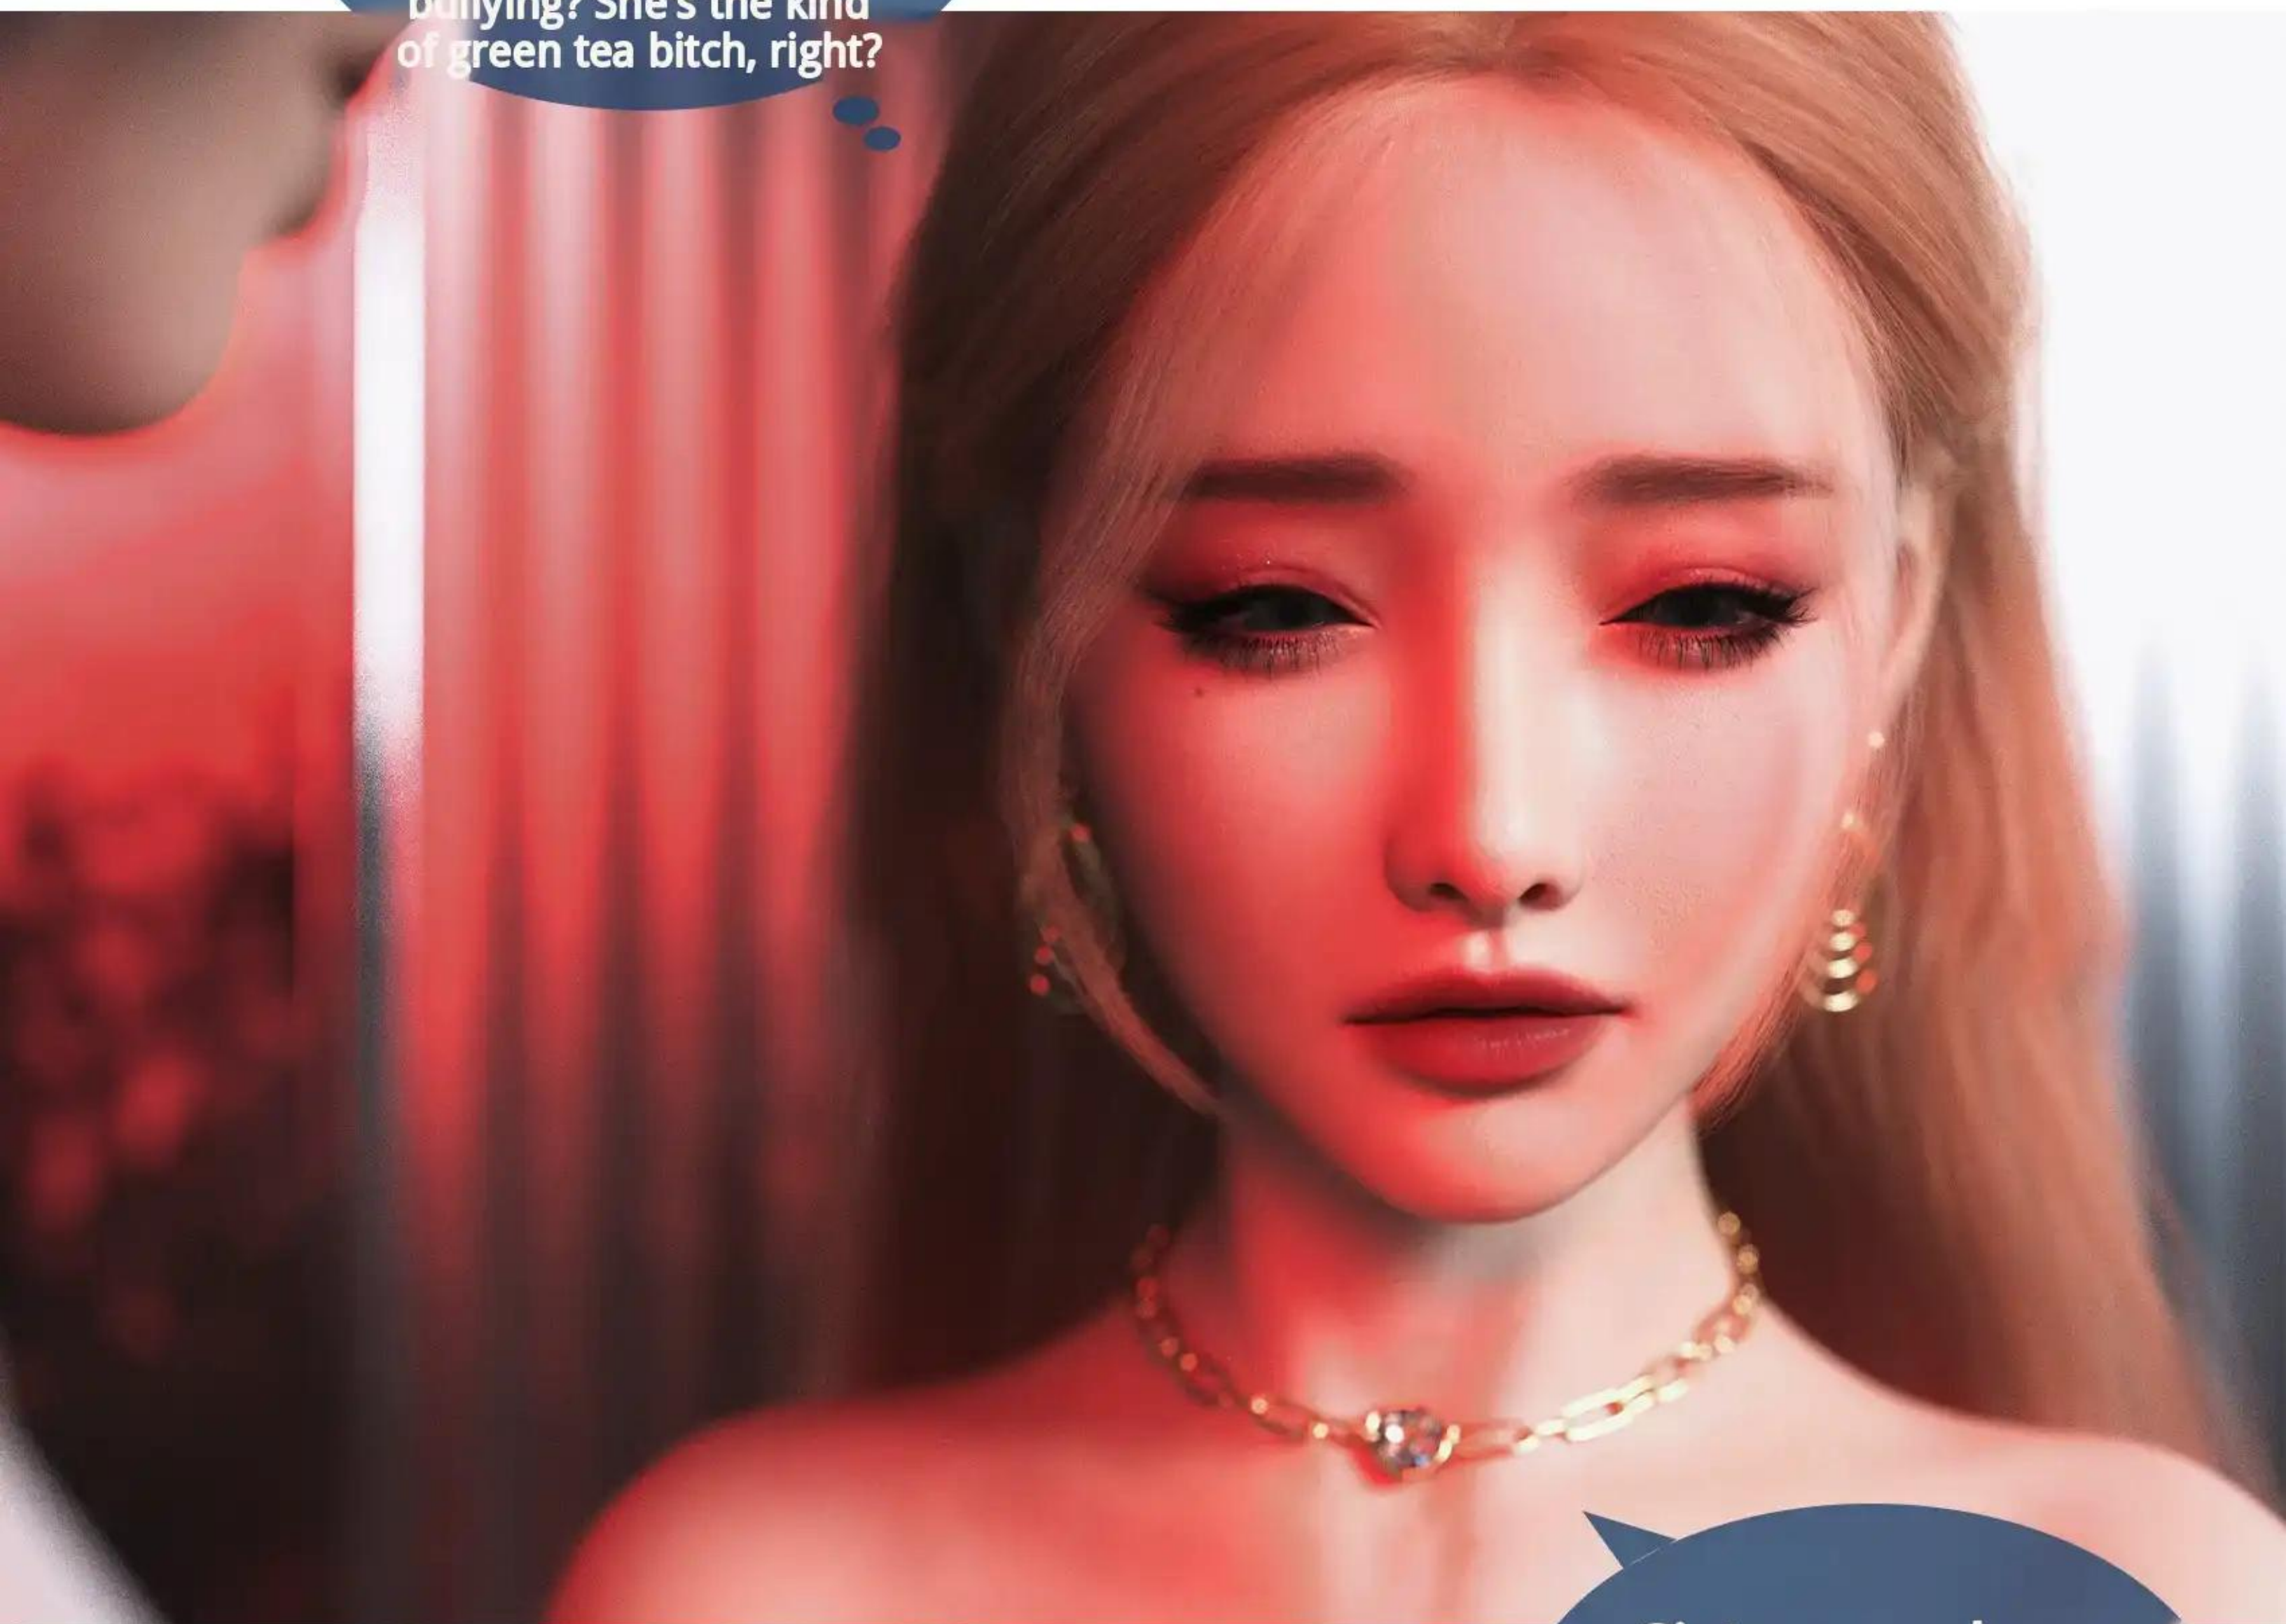

It doesn't look like you're pretending anymore. Isn't it because you want to be touched when you go for breast augmentation? I can't tell that you look innocent but are actually a scheming bitch, sincerely.

From now on, I'll call you Fake Breast Girl. Isn't this a good number? It suits you very well. From now on, everyone will call you this, okay?

Why did San Xiaola,
Xiong Du, suddenly
change? Weren't you still
caring about me just
now? I-have I
encountered workplace
bullying? She's the kind
of green tea bitch, right?

Sister, you know
it, I...I'm not, I'm
just, just.....

It's terrible! How should I deal with this situation for the first time? Although she is a tea bitch, she is also too close and smells so good.....

erection

!

She even rubbed my breasts, ah! The cock...the cock is about to come out of the dildo! I can't control it, what should I do? Can't be found!

I don't know why my sister is talking nonsense? Do you want people to think I'm bullying you? You are really soft-hearted, fake-breasted girl.

Nothing, thank you sister for your advice, I, I will return it first, the guests are still waiting.

Okay, fake breasts girl,
let's go together, don't
wait too long with
Brother Kai

How could my
sister smell so
good? I can't hold it
anymore! Xiaoyi,
I'm sorry, I didn't
want to cheat but...

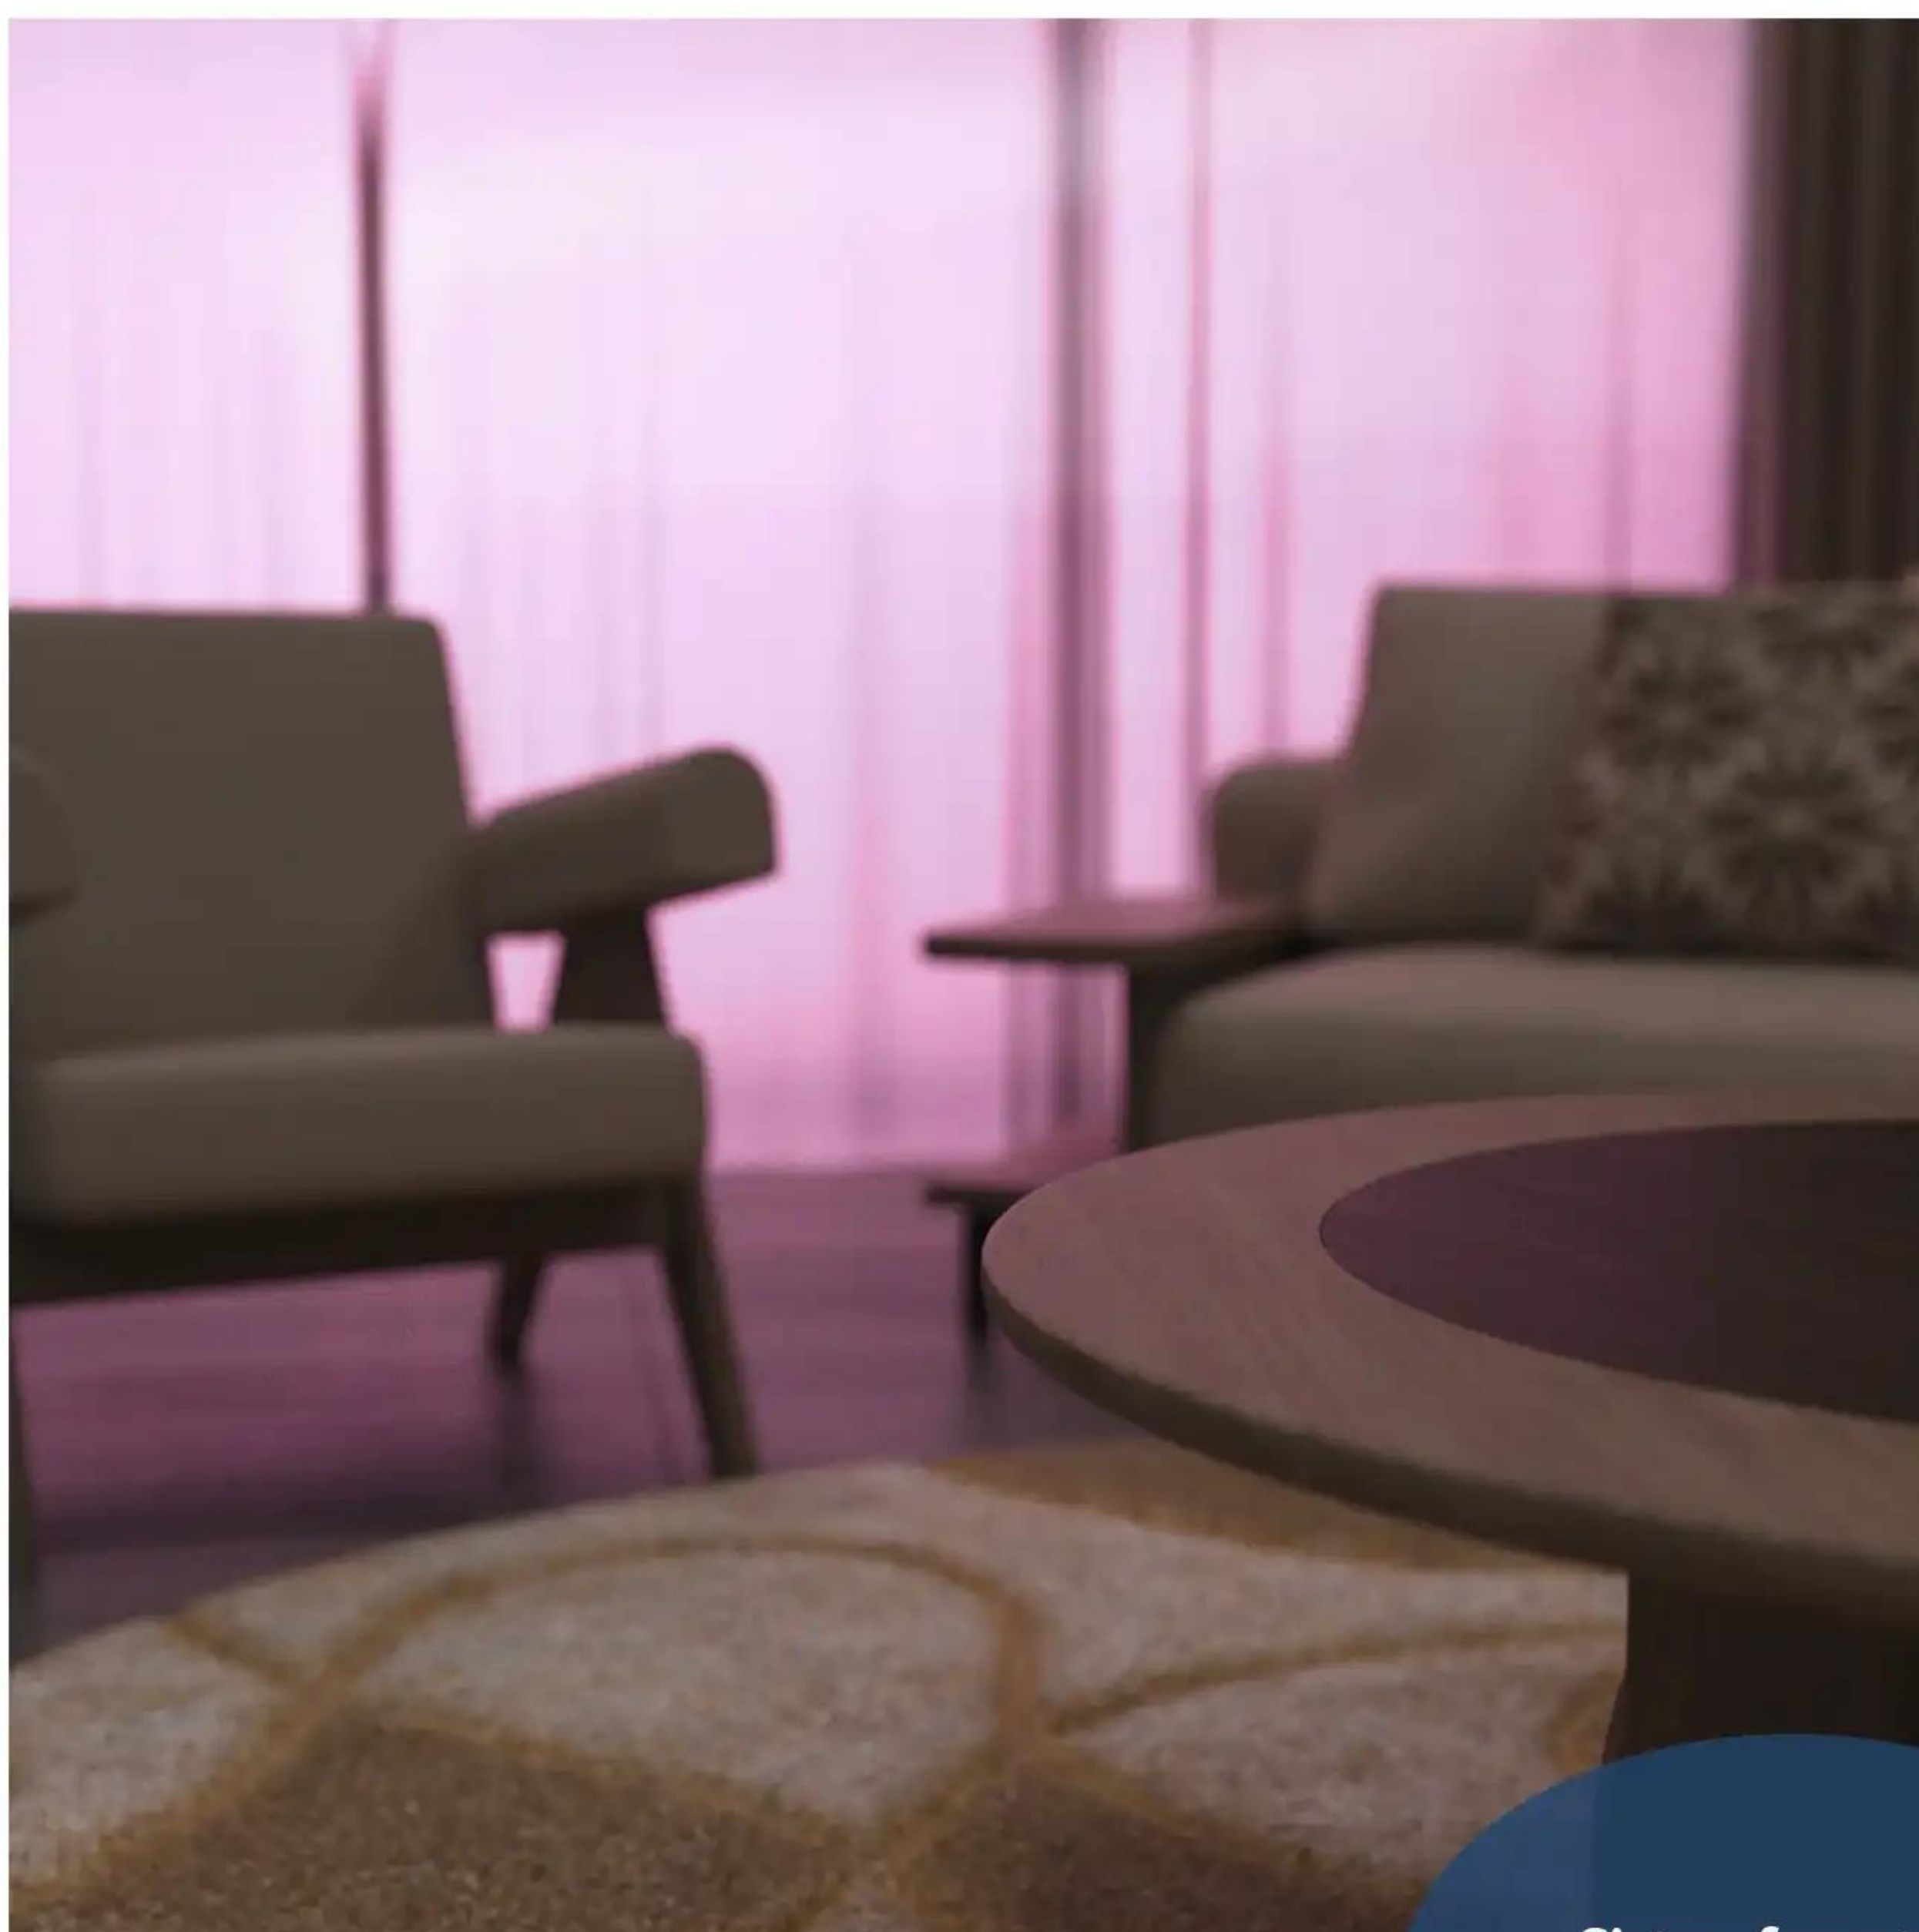

My sister's skin is so
elastic and her butt is
so nice! Coupled with
the smooth touch of
the silk machine, you
can't stop!

It seems that my sister is very satisfied with her sister. She is so happy. Let's go there while we have some time now and no one will take care of her. How about playing in the car?

After playing, I will take care of it for you, and I will take you back to work later. You don't have to carry anything with you, right?

Ah, but...

Sister, forget
it

Oh my, sister, you have quite a big dick down there. It's been a long time since I've played with such a high-quality cock.

... It looks really delicious

Yeah! Sister,
don't be so
sudden...

rub

A lot of juice flowed out.
My sister is very happy
and it looks very dry. My
sister pays great
attention to cleanliness.
She likes you even more.

Oops, this feels so
comfortable... My sister
is so fragrant and
beautiful... I can't stand
it....

Ah! So, so
exciting
elder

alley

No... I'm here to see
Xiaoyi... How can I do
such a thing... But
I...

So comfortable! My
sister's skills are so
good. Am I dreaming?
So happy and great!
Ah, I can't even think
about it!

This high-quality
beauty is helping me...
No! I'm going to lose
control if I think about
it any more. I'm sorry.
Xiaoyi...

Uh-huh, uh-huh!
Stop it! The meat
and cock are out!

tear
apart

Wave!

I just want my cock to
come out. Isn't it
uncomfortable to
hold it inside? Sister,
please bring out some
more, ah, sister is
getting harder again~

My sister's vagina smells so good. I can't bear it anymore. How am I doing? My sister really wants to eat a big cock! My sister satisfies me.

lick!

Ah, ah, sister, you can't lick there! My head is very sensitive, I, I can listen! So comfortable! No more!

You can't stand it at the beginning, and you will go crazy when the excitement becomes more intense. Ah, it tastes so good. My sister's cock is so delicious!

swallow

Ohhhh! Sister~Sister, your mouth is so hot. Please swallow a little more. I like it so much. Sister, I like it so much...

Oh oh oh! All inserted
into my sister's
mouth! So wet and so
good!

??????? How could
I betray Xiaoyi? I
know I should stop,
but... I really
It can't be
done!

Since becoming this kind of person, my resistance to sex seems to be getting lower and lower, and before with Ajin... I am so sorry for Xiaoyi.

I'm a failed boyfriend, I can't even do the most basic loyalty, I feel like I'm going to lose it, Xiaoyi...

Uh-huh! The cock feels so good! Can't stop! So comfortable!

Uh-huh!

Haah...haah...my sister
is so powerful, but it
must be uncomfortable
to just use her mouth.

Sister, want to try
more? Sister, I
can put you in
there.

Ding
Dingru

Insert...insert it in! I
really penetrated my
sister's body when we
met for the first time...!

I actually entered the
body of a woman other
than Xiaoyi... What
happened to me... I'm so
conflicted...

But...you can't
blame me, right? I
am actually a man...!
Can resist this desire
see...

My sister's lower
part is so wet. It
feels so comfortable!

Haha... Sister...sister,
you push me so
deep, so harmful...

Sister, I can't
stand it
anymore...

Ahh...it's so
exciting, sister
station
Can't stand it
any longer.

癱軟

How could this happen?
It was even more
comfortable than
Xiaoyi...! There is a fatal
attraction underneath
my sister...

So deep...so
comfortable!

bang bang
bang

!

Uh-huh! I'm
sorry, sister...! I
can't help it...

bang bang

Sister.....My sister is
so beautiful, but her
cock is worse than
most men I have ever
seen...!

Just...just keep
fucking me like
this!

So...
so
comfortable!

If sister is tired,
let me do it
instead!

Sister...you are so delicious!
Originally I just wanted to
help you masturbate, but
you're like my sister

Happy...

You made your sister so
happy...you must bear
the consequences to
the end!

Ah! Sister, I can't
do it...! This is so
sensitive!

Bang bang
bang!

Ahhhhhhhhhh!

Sister...since you want
to cum...just cum
inside your sister.
Bar!

Wait, I...I
actually have a
girlfriend.I
can't...can't...

It doesn't matter if you have
a girlfriend. You've already
come out to be a young lady,
so of course you have to...
Yeah...

Uh-huh... I'm
about to die
too... Uh-huh!

I...I can't sink. I'm
obviously here to
find Xiaoyi...I must
be quick...

I can't live up to Ajin's
expectations for me
and Xiaoyi's trust in
Ren... me.
