

Turn around and pounce on your mother!

Hold on tight!

Let go!

Hmm  
2

trip over legs

fall!

Bang!!

It hurts so much! You  
bitch, let me go!

Press firmly!

You think your little tricks  
will i be fooled

The needle fell to the ground

What's going on!!!

Xiao Ming came in and saw his mother being pinned to the ground by his aunt.

What are you still doing there, you useless son!  
**No, no, dear son, come and save me**  
Mom, my aunt is crazy!

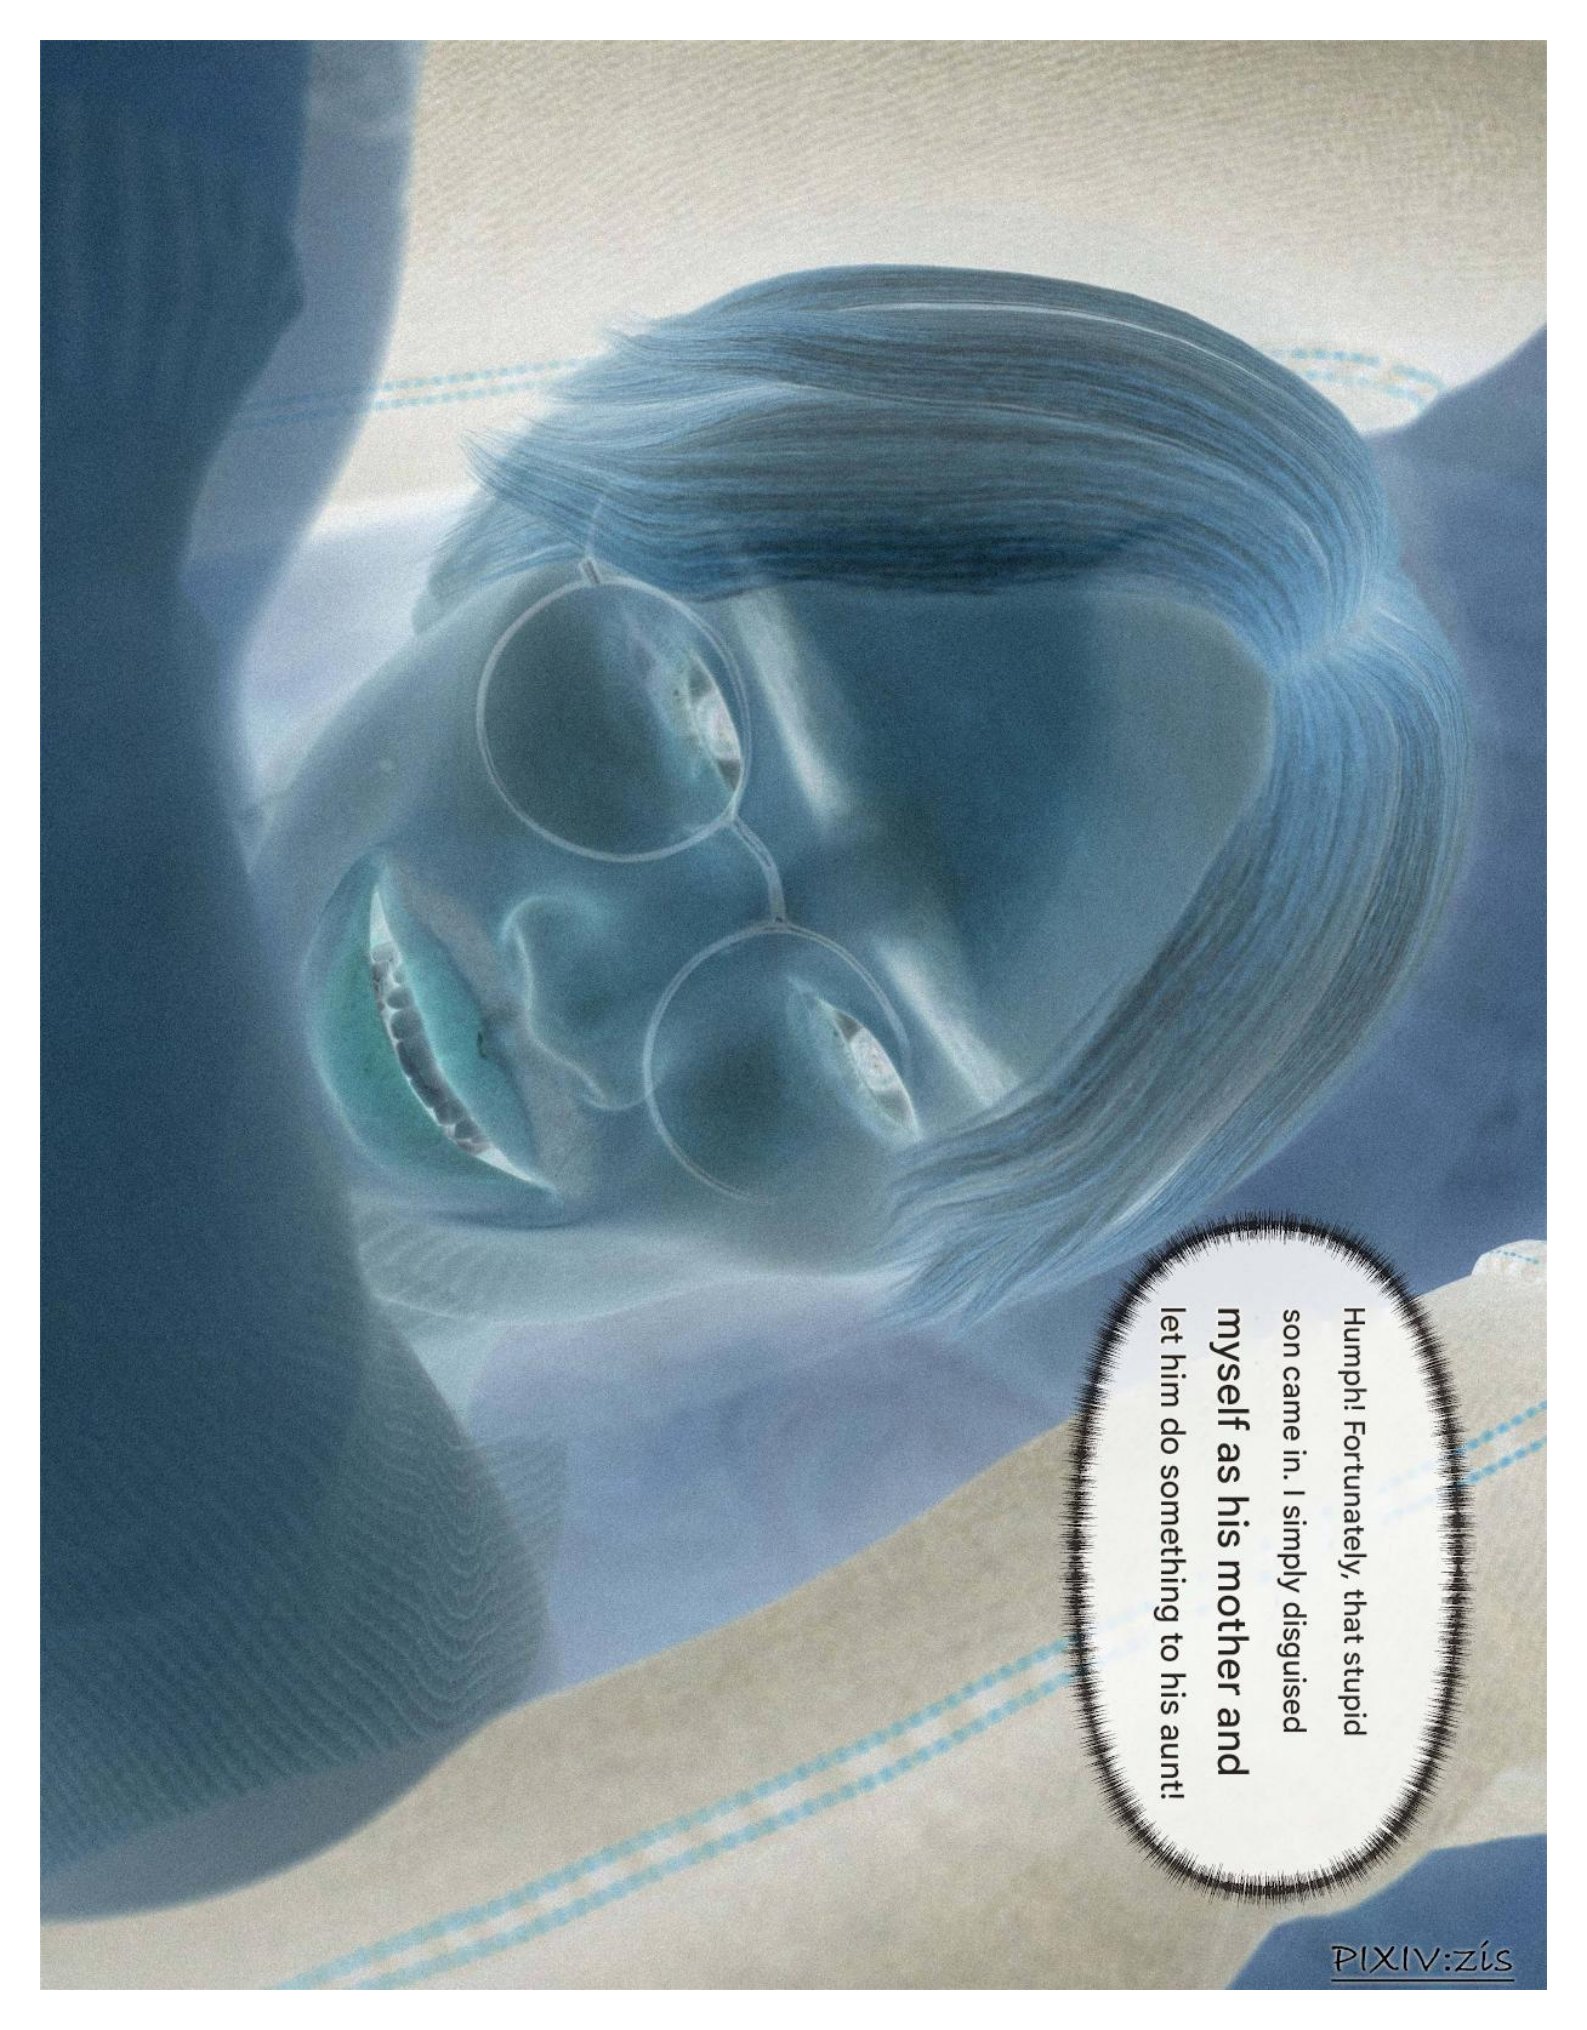

Ah Ming, your mother's body is  
probably taken over by someone, don't trust her!

Hurry up and pick up the one on the ground, touch my aunt~ and she will be back to normal~

Mingming, hurry up and save mom, you have to believe in mom~ Mom loves you~

Deliberately pretending to be the original tone

Humph! Fortunately, that stupid son came in. I simply disguised myself as his mother and let him do something to his aunt!

Hurry up, Mom.  
It hurts so much, please help  
mommy quickly~ wuwu~

Is this what it is?

Pick it up~

Ah Ming, don't listen to her lies. She is lying to you on purpose. If you touch her with that thing, it should be able to pull the bastard out of my sister's body.

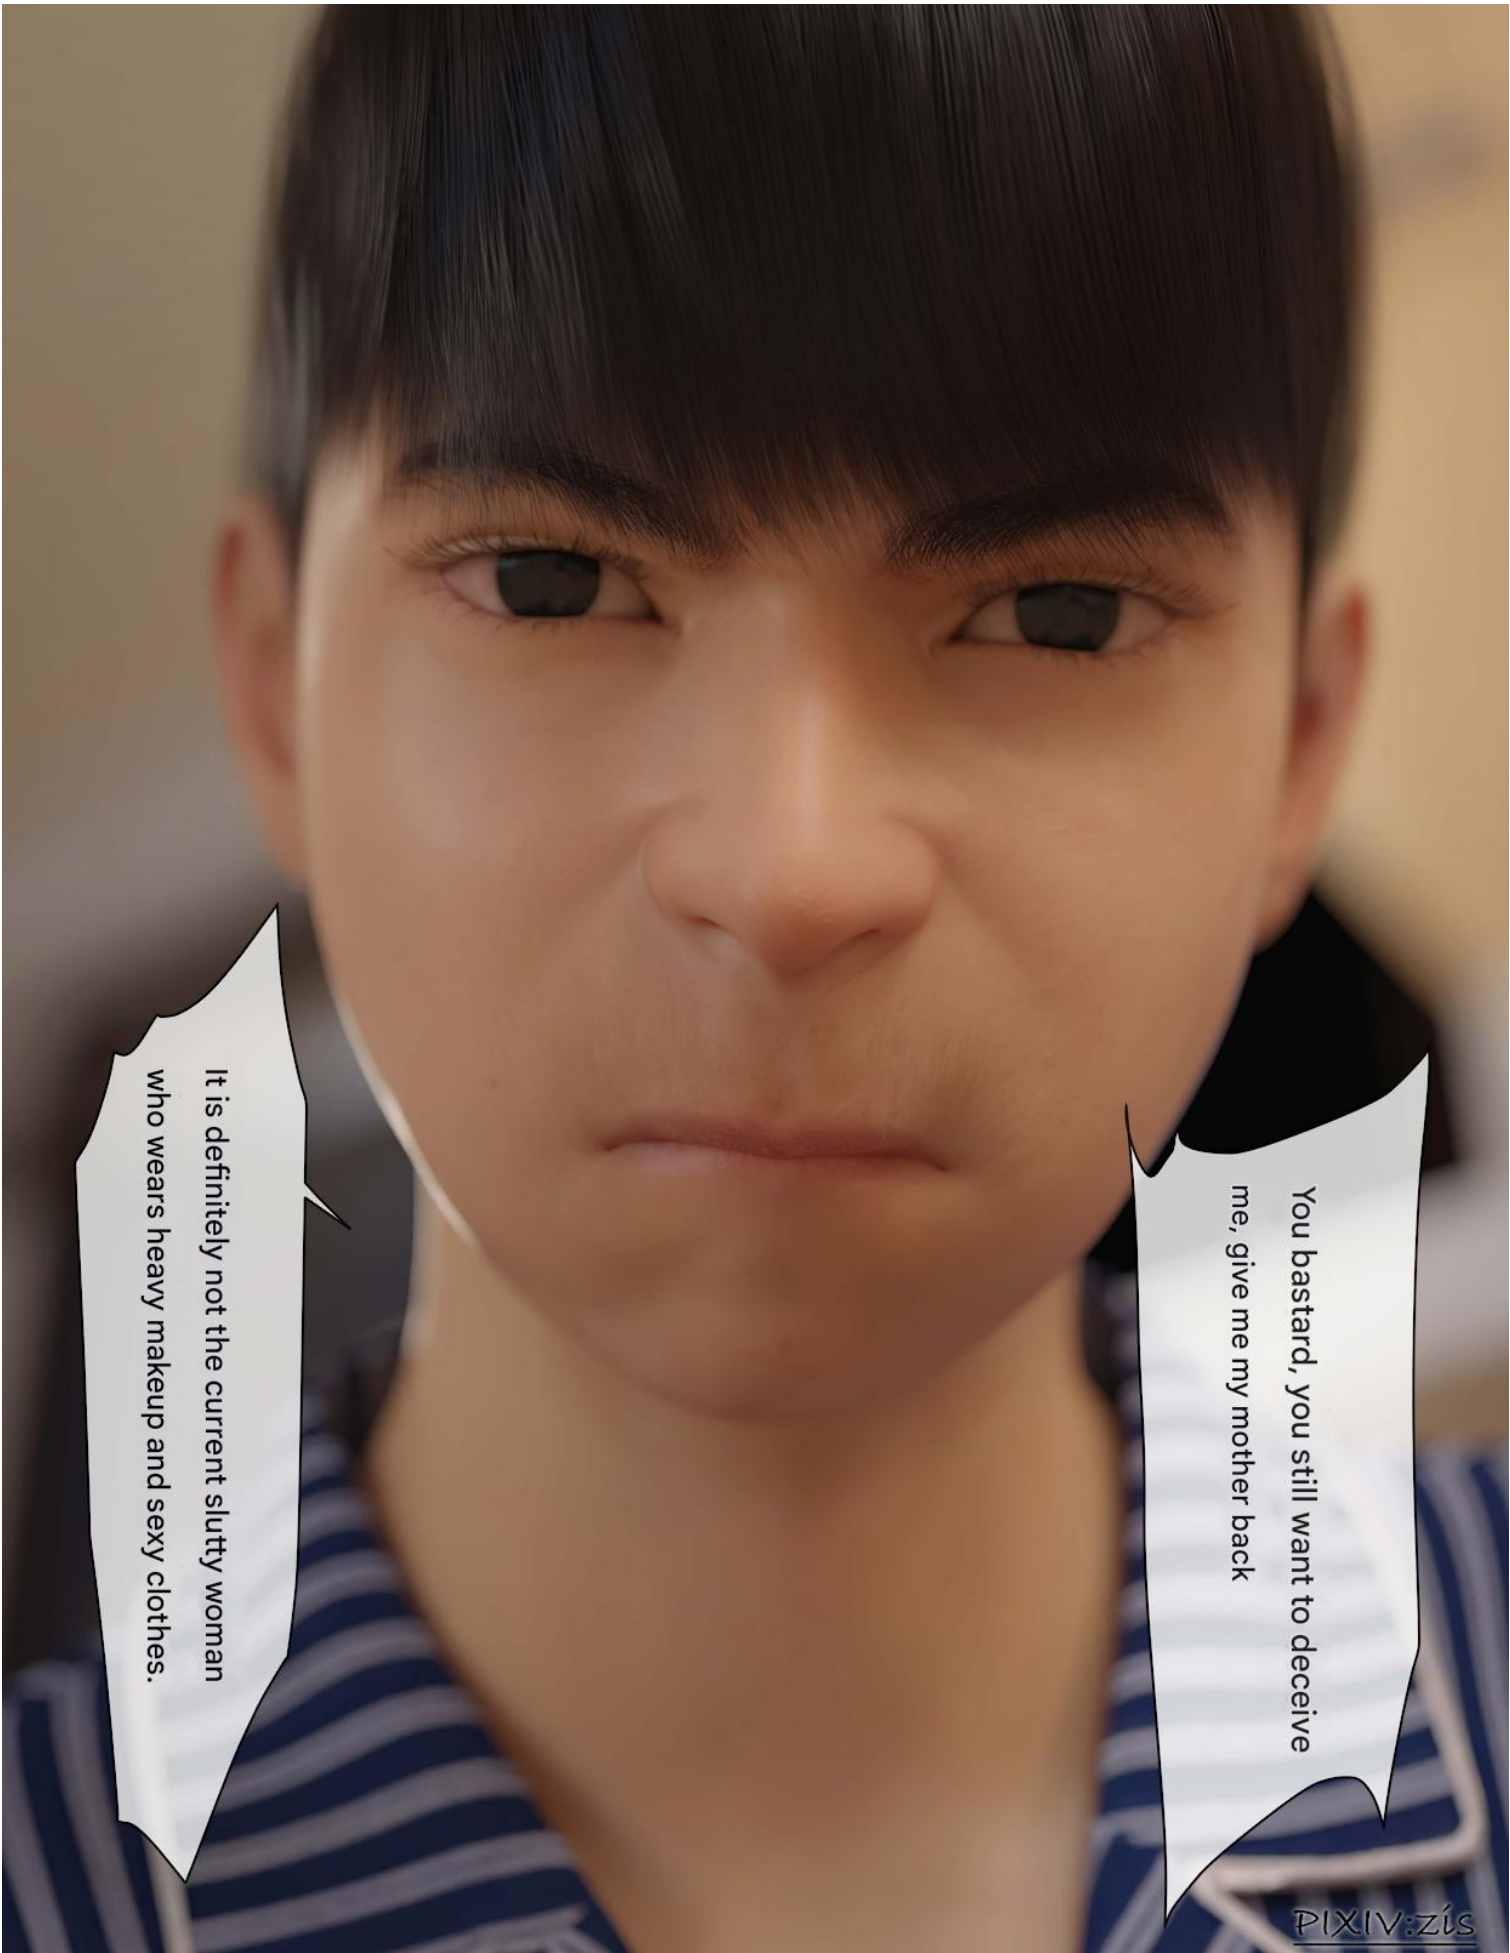

Mingming~Don't  
believe that fake one~

Hmm

I also recalled my mother. She was conservative, optimistic, and loved to laugh. She was always very gentle to me. Although she was sometimes strict, I still loved the days I spent with her.

It is definitely not the current slutty woman who wears heavy makeup and sexy clothes.

You bastard, you still want to deceive me, give me my mother back

等...!! 等等...!!  
Stop!! Ah!!!

prick!

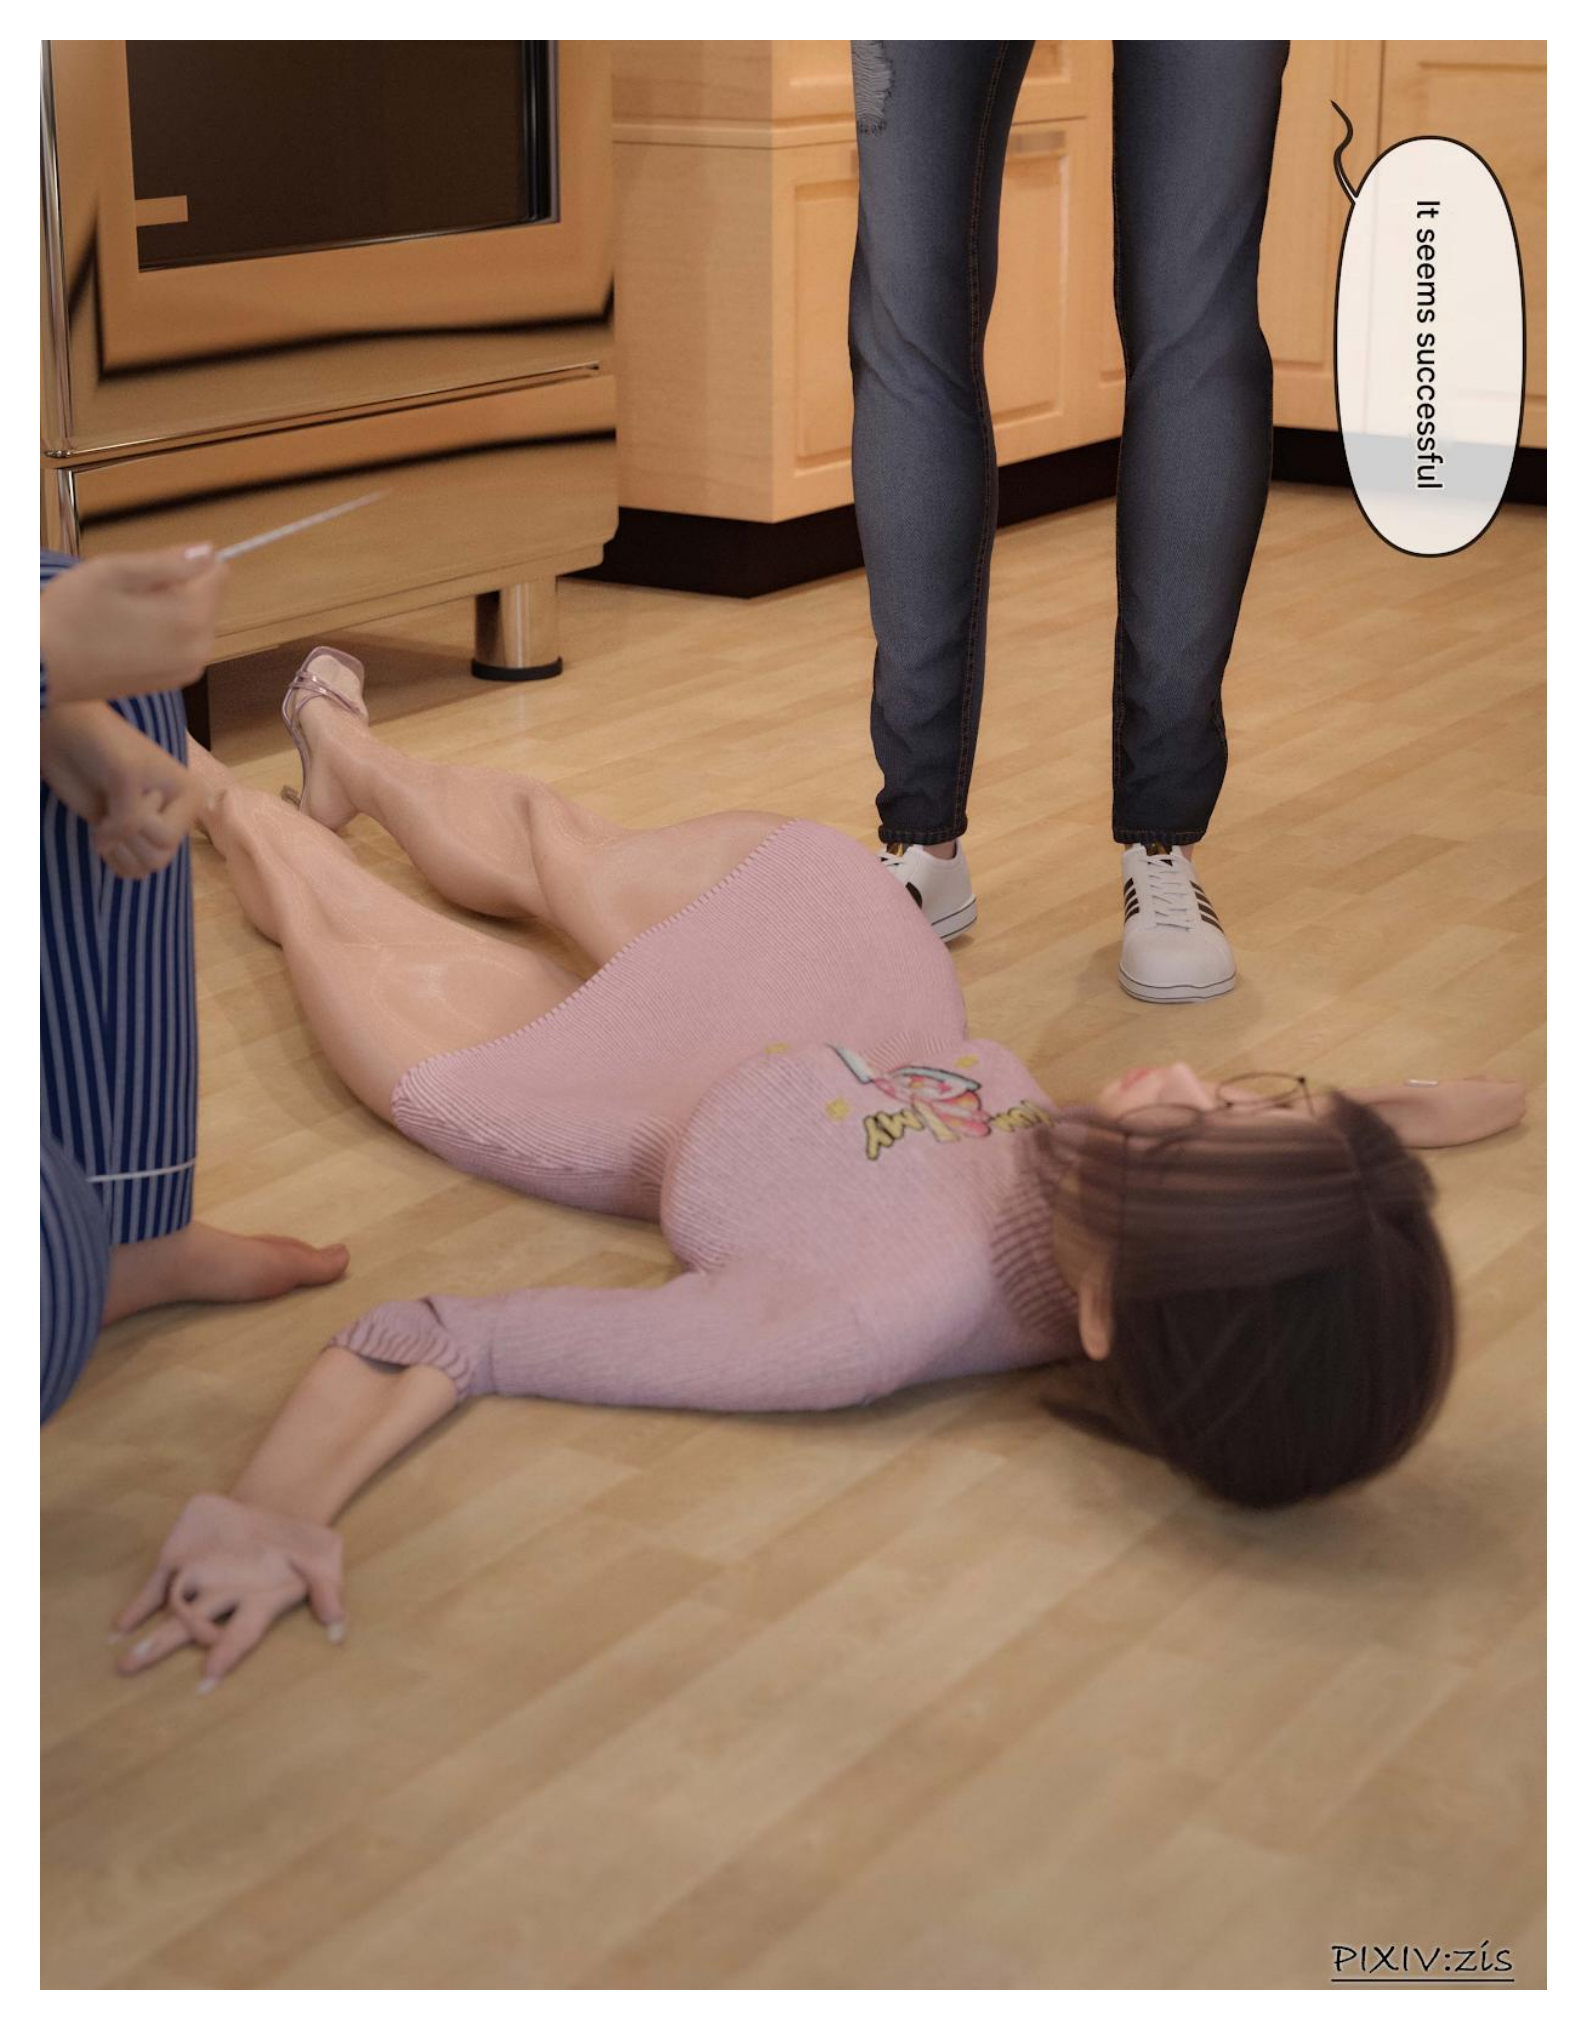

shriveled~

Discouraged~

哦哦哦!!!

It seems successful

Auntie, how should  
mom recover next?

I have read this kind of record in a book before, but I didn't expect it to be true. Fortunately, I remembered the method of recovery. You turn around first, and leave the rest to me.

Squat down

It should be like this

reach out

Cut it apart~

Pull up~

Pull out~

Ugh!

I'm so sorry, sister. I was just joking before. Can you spare my life?

What do you think~

Throw it out!

ah :! -

restore to original

It's okay, I'll educate the ignorant child first

Wait, wait a minute, sister!

Got it done?

There were screams coming from the corner!!

Be honest

Damn woman, I will  
definitely take revenge

Okay, Xiao Ming, your mother has recovered,  
you can take her back to the room first.  
let her rest well

I'll take this bastard to the bureau,  
and study that weird thing while I'm at it!

mother lying on the ground

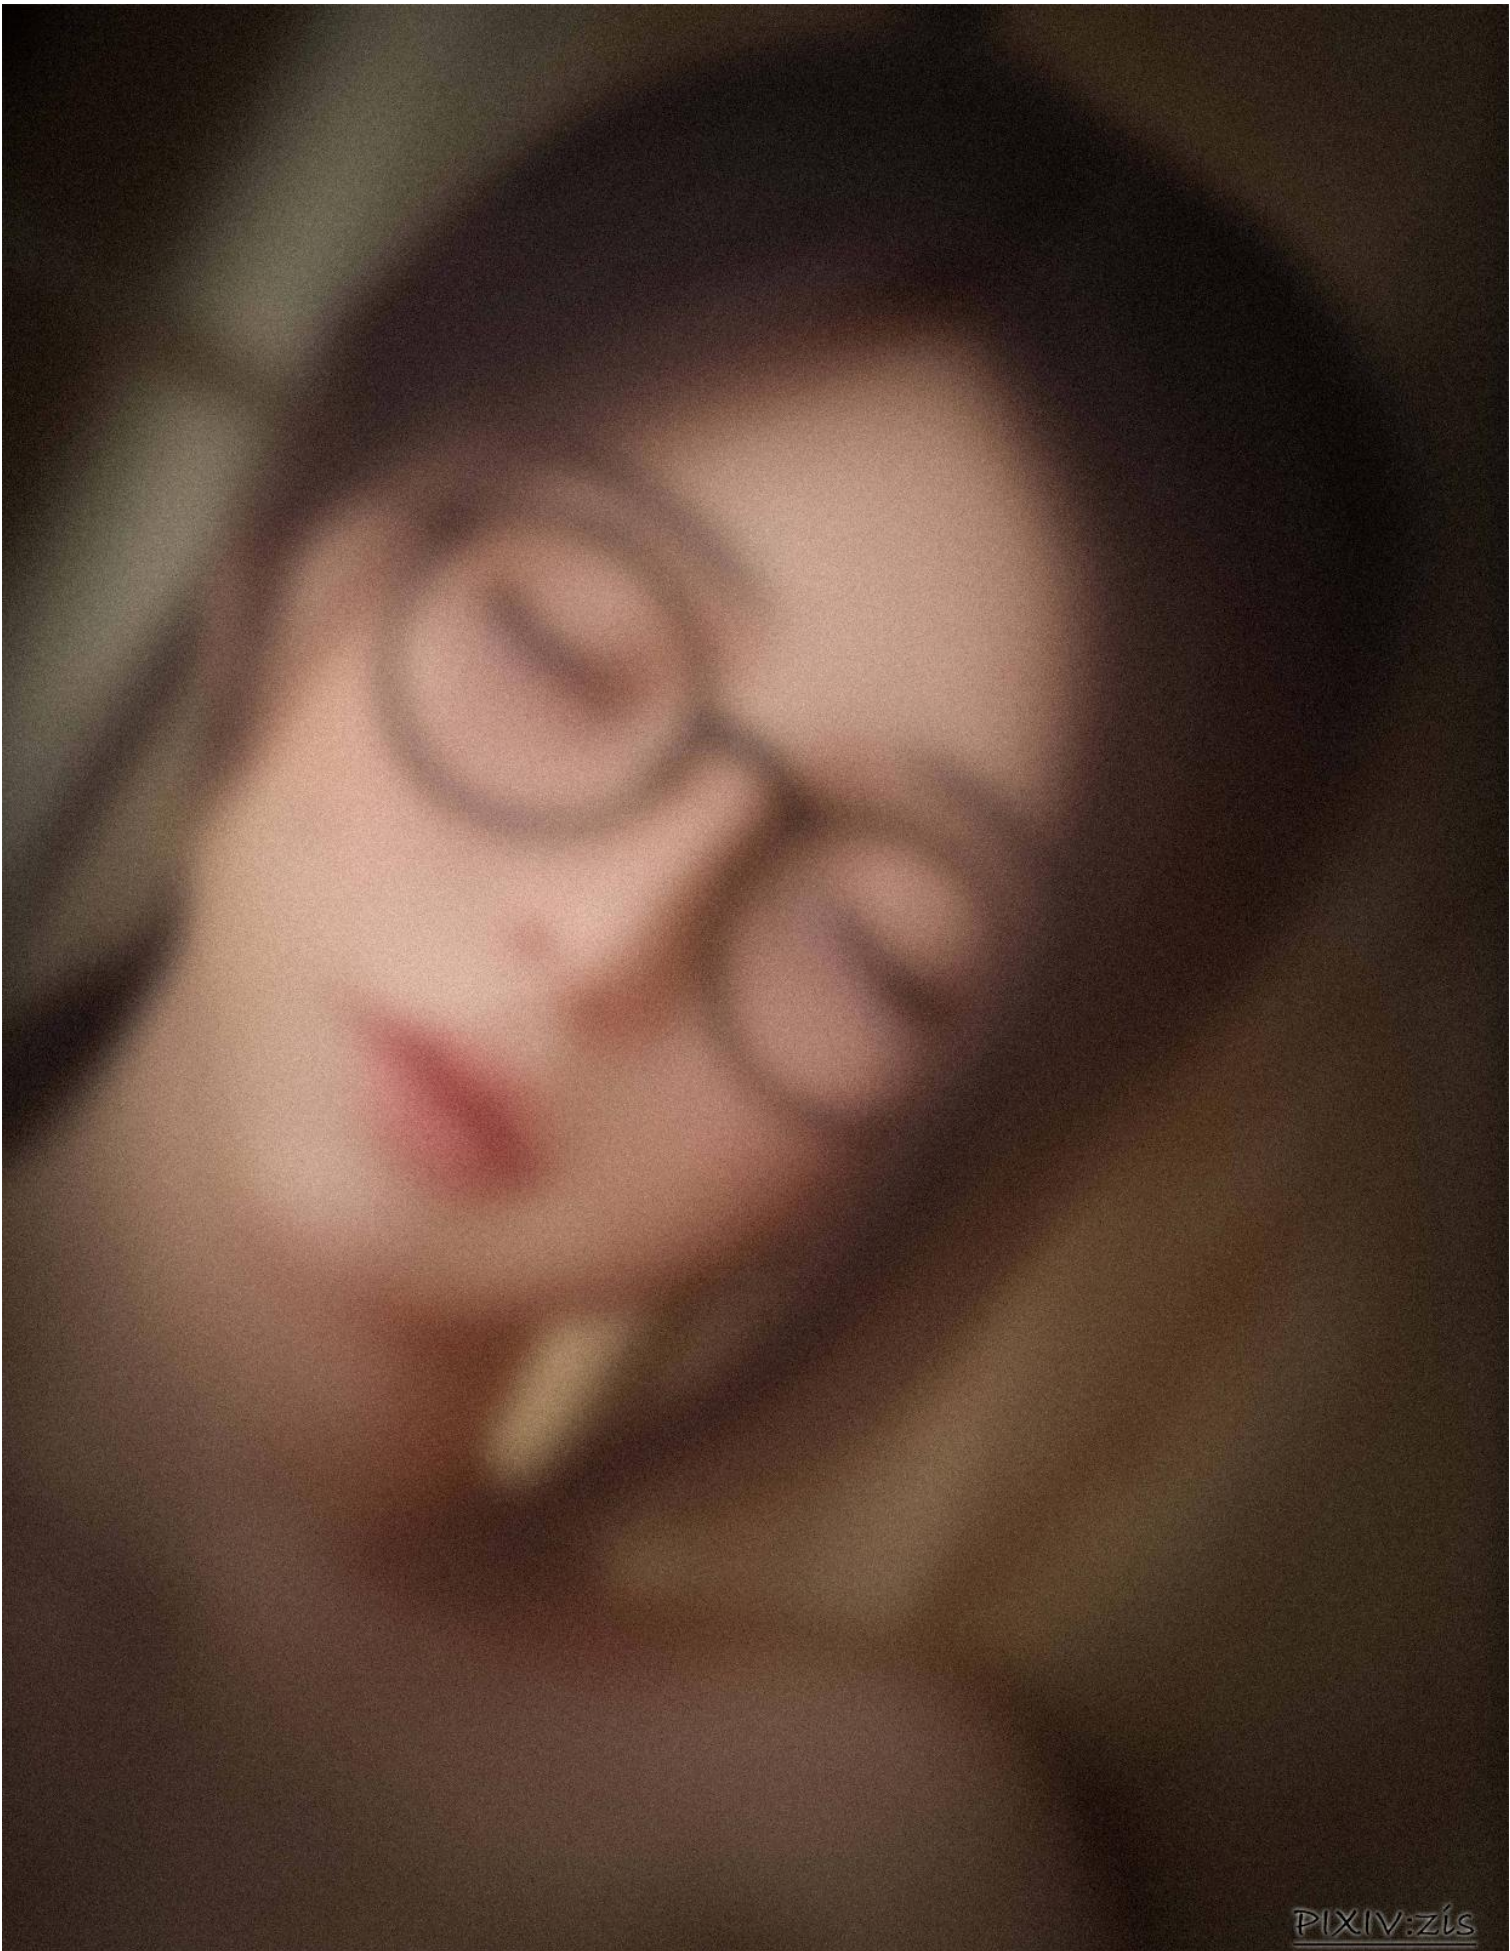

OK

Great, mom finally  
Recovered!

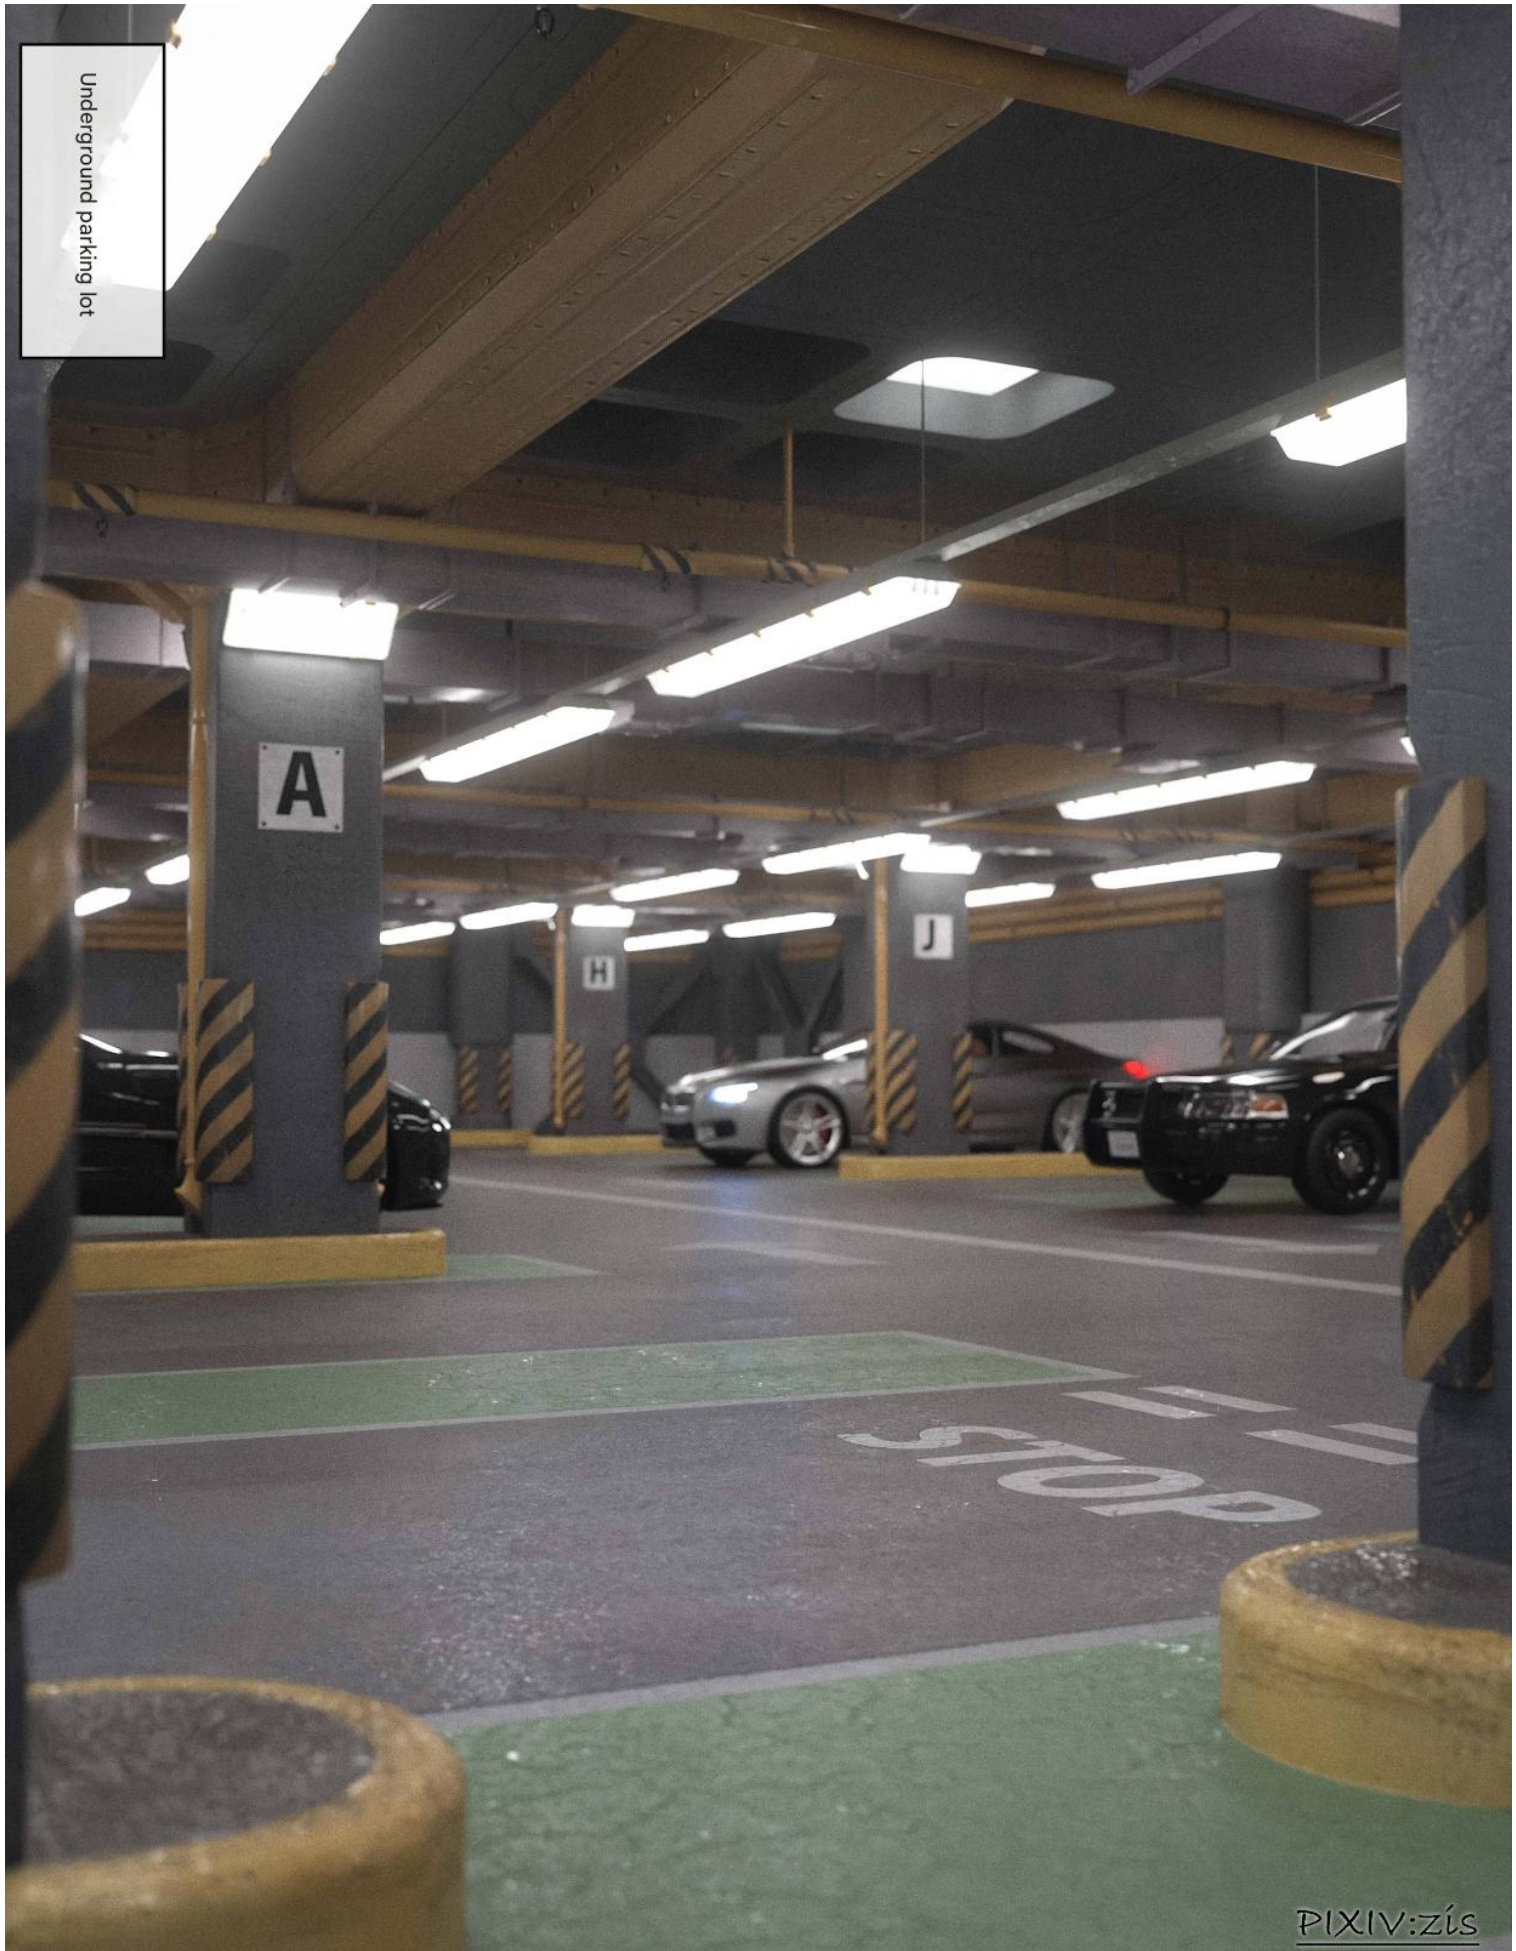

Looking at my mother quietly closing  
her eyes, I finally felt relieved.

Underground parking lot

K

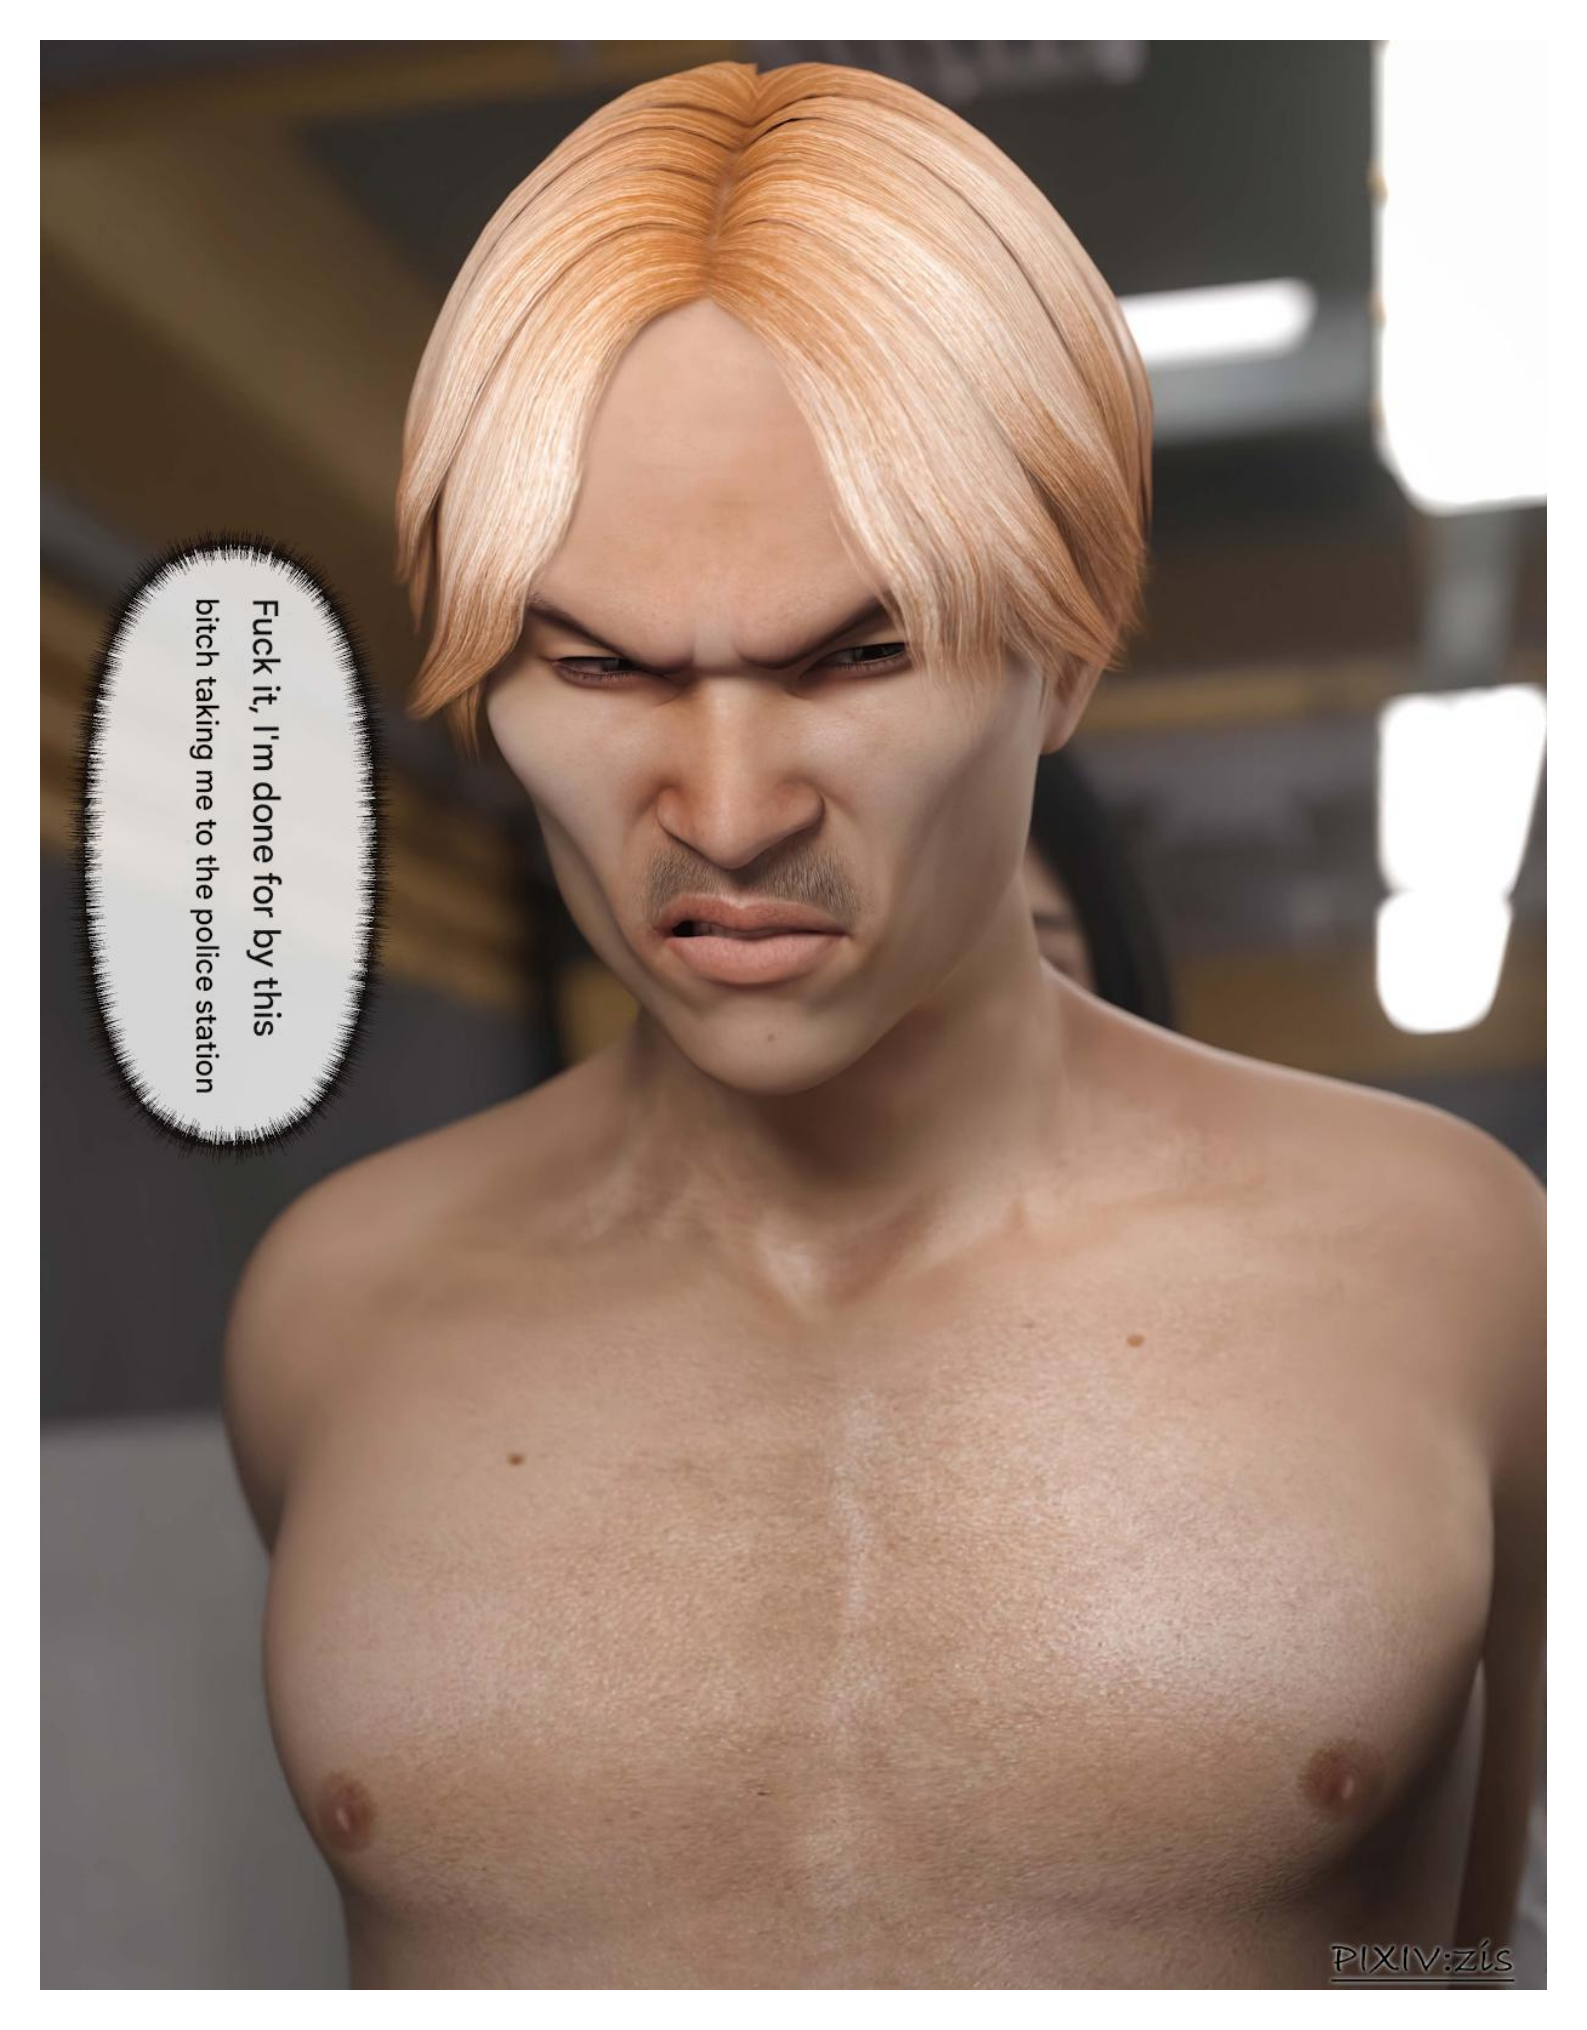

At this time, I was seen by a senior who was passing by the underground garage~

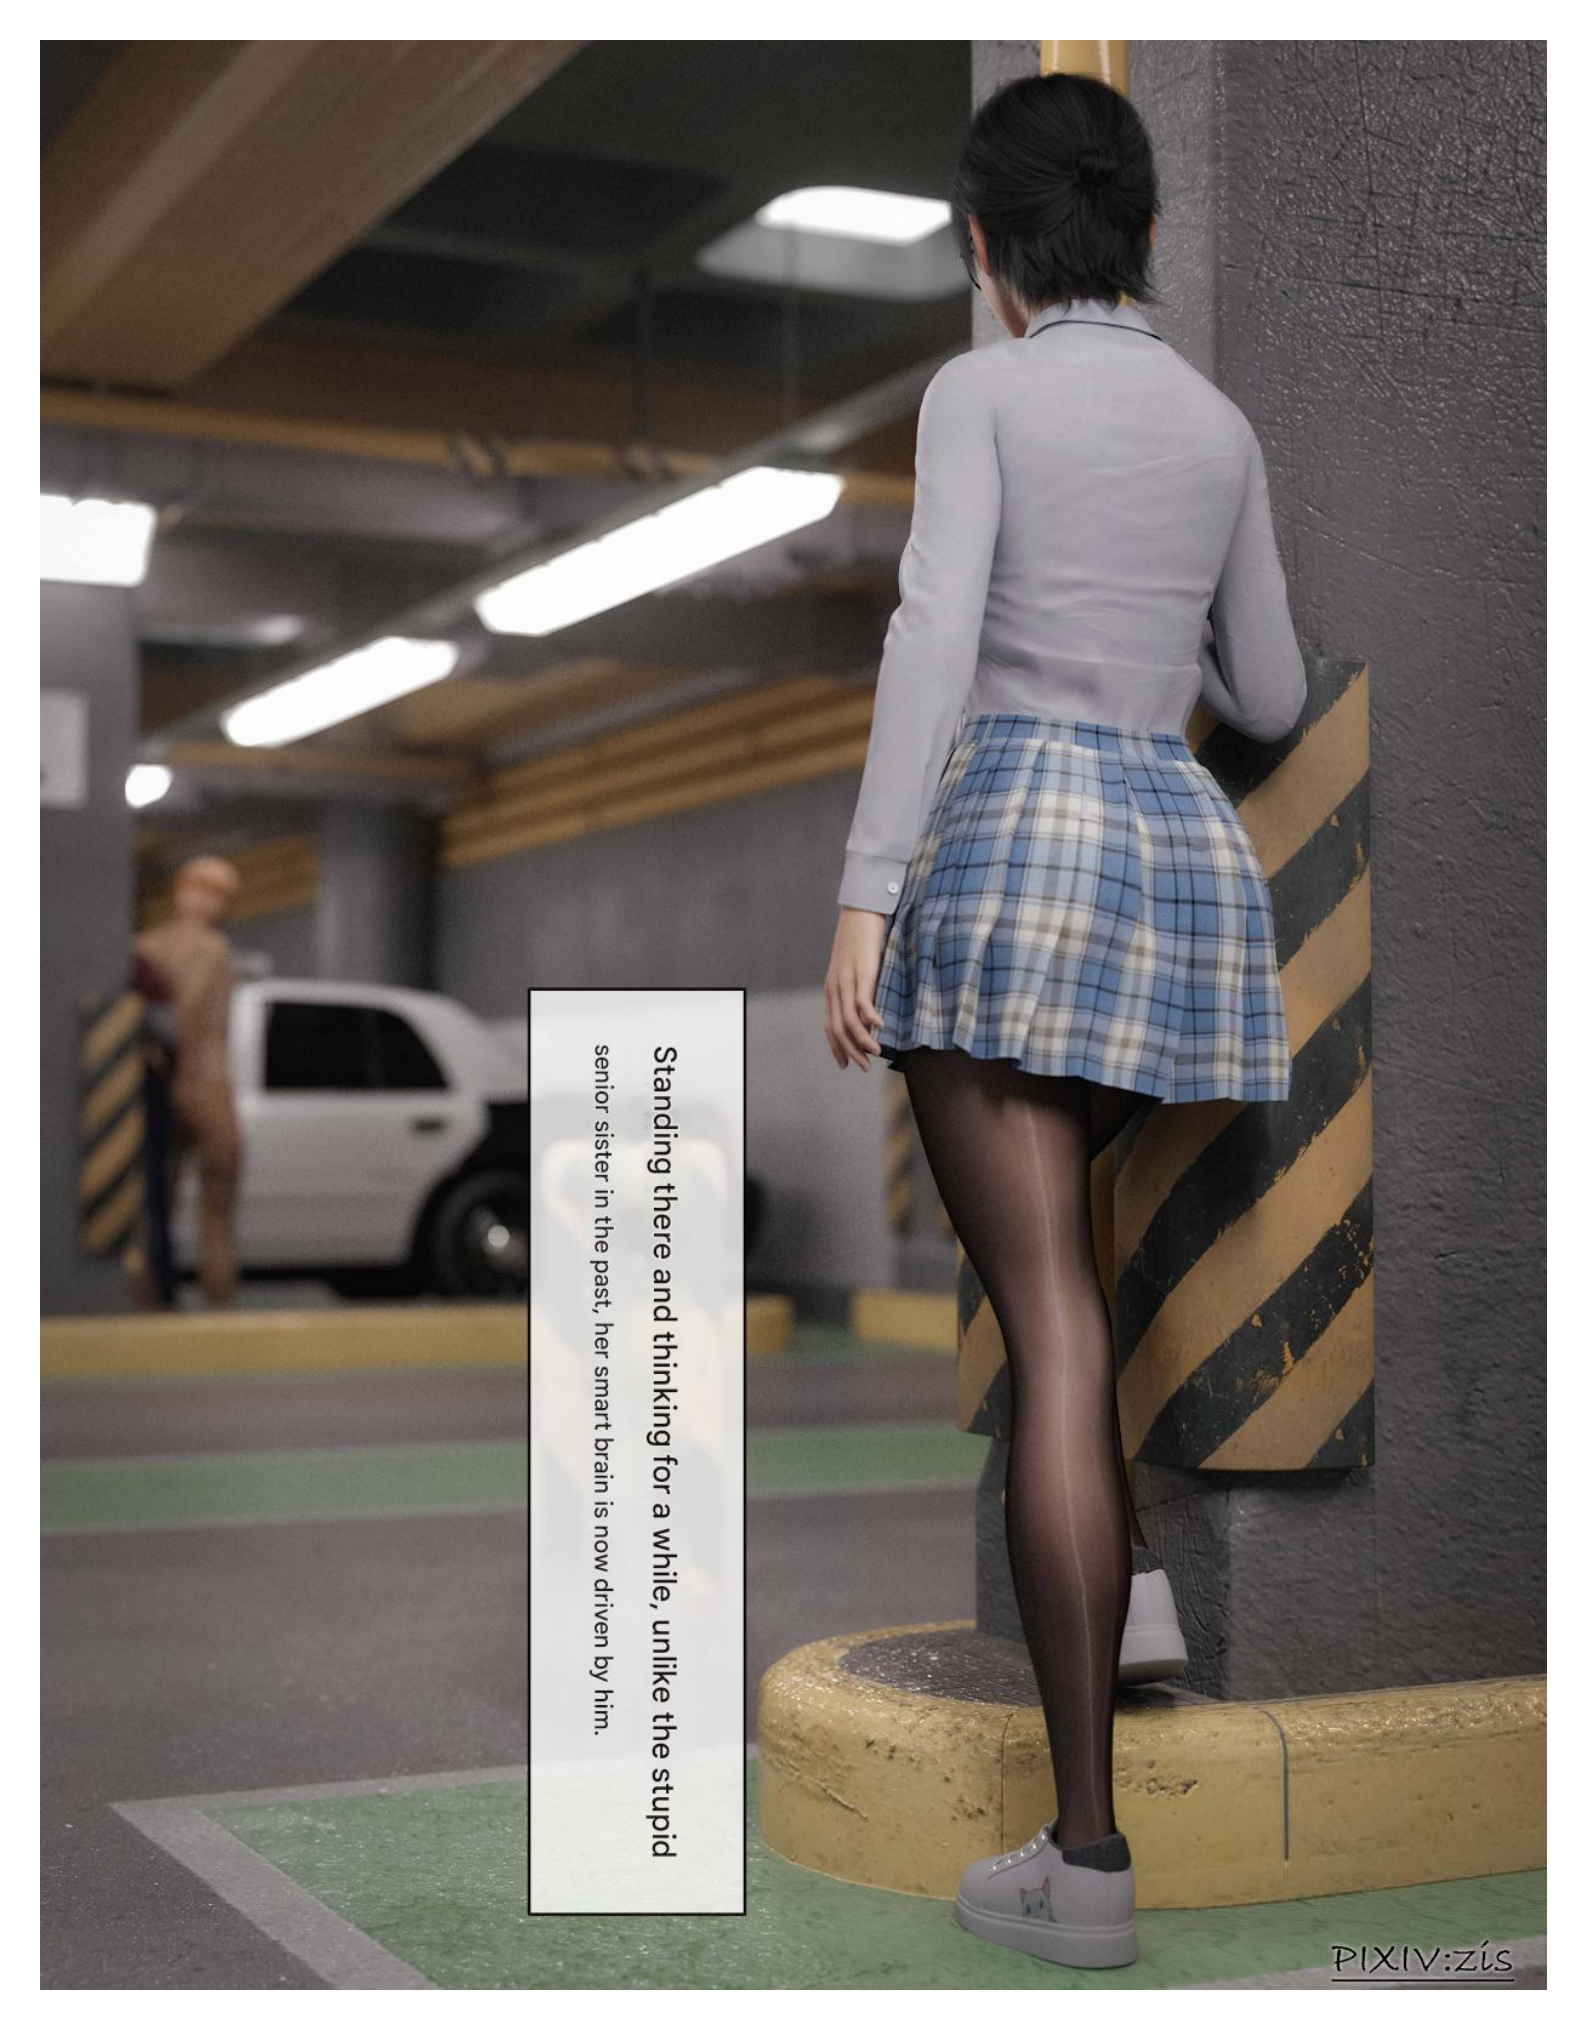

What happened? How did the boss  
take off the skin of that woman?  
And he was caught. No, I have  
to find a way to save him.

Fuck it, I'm done for by this  
bitch taking me to the police station

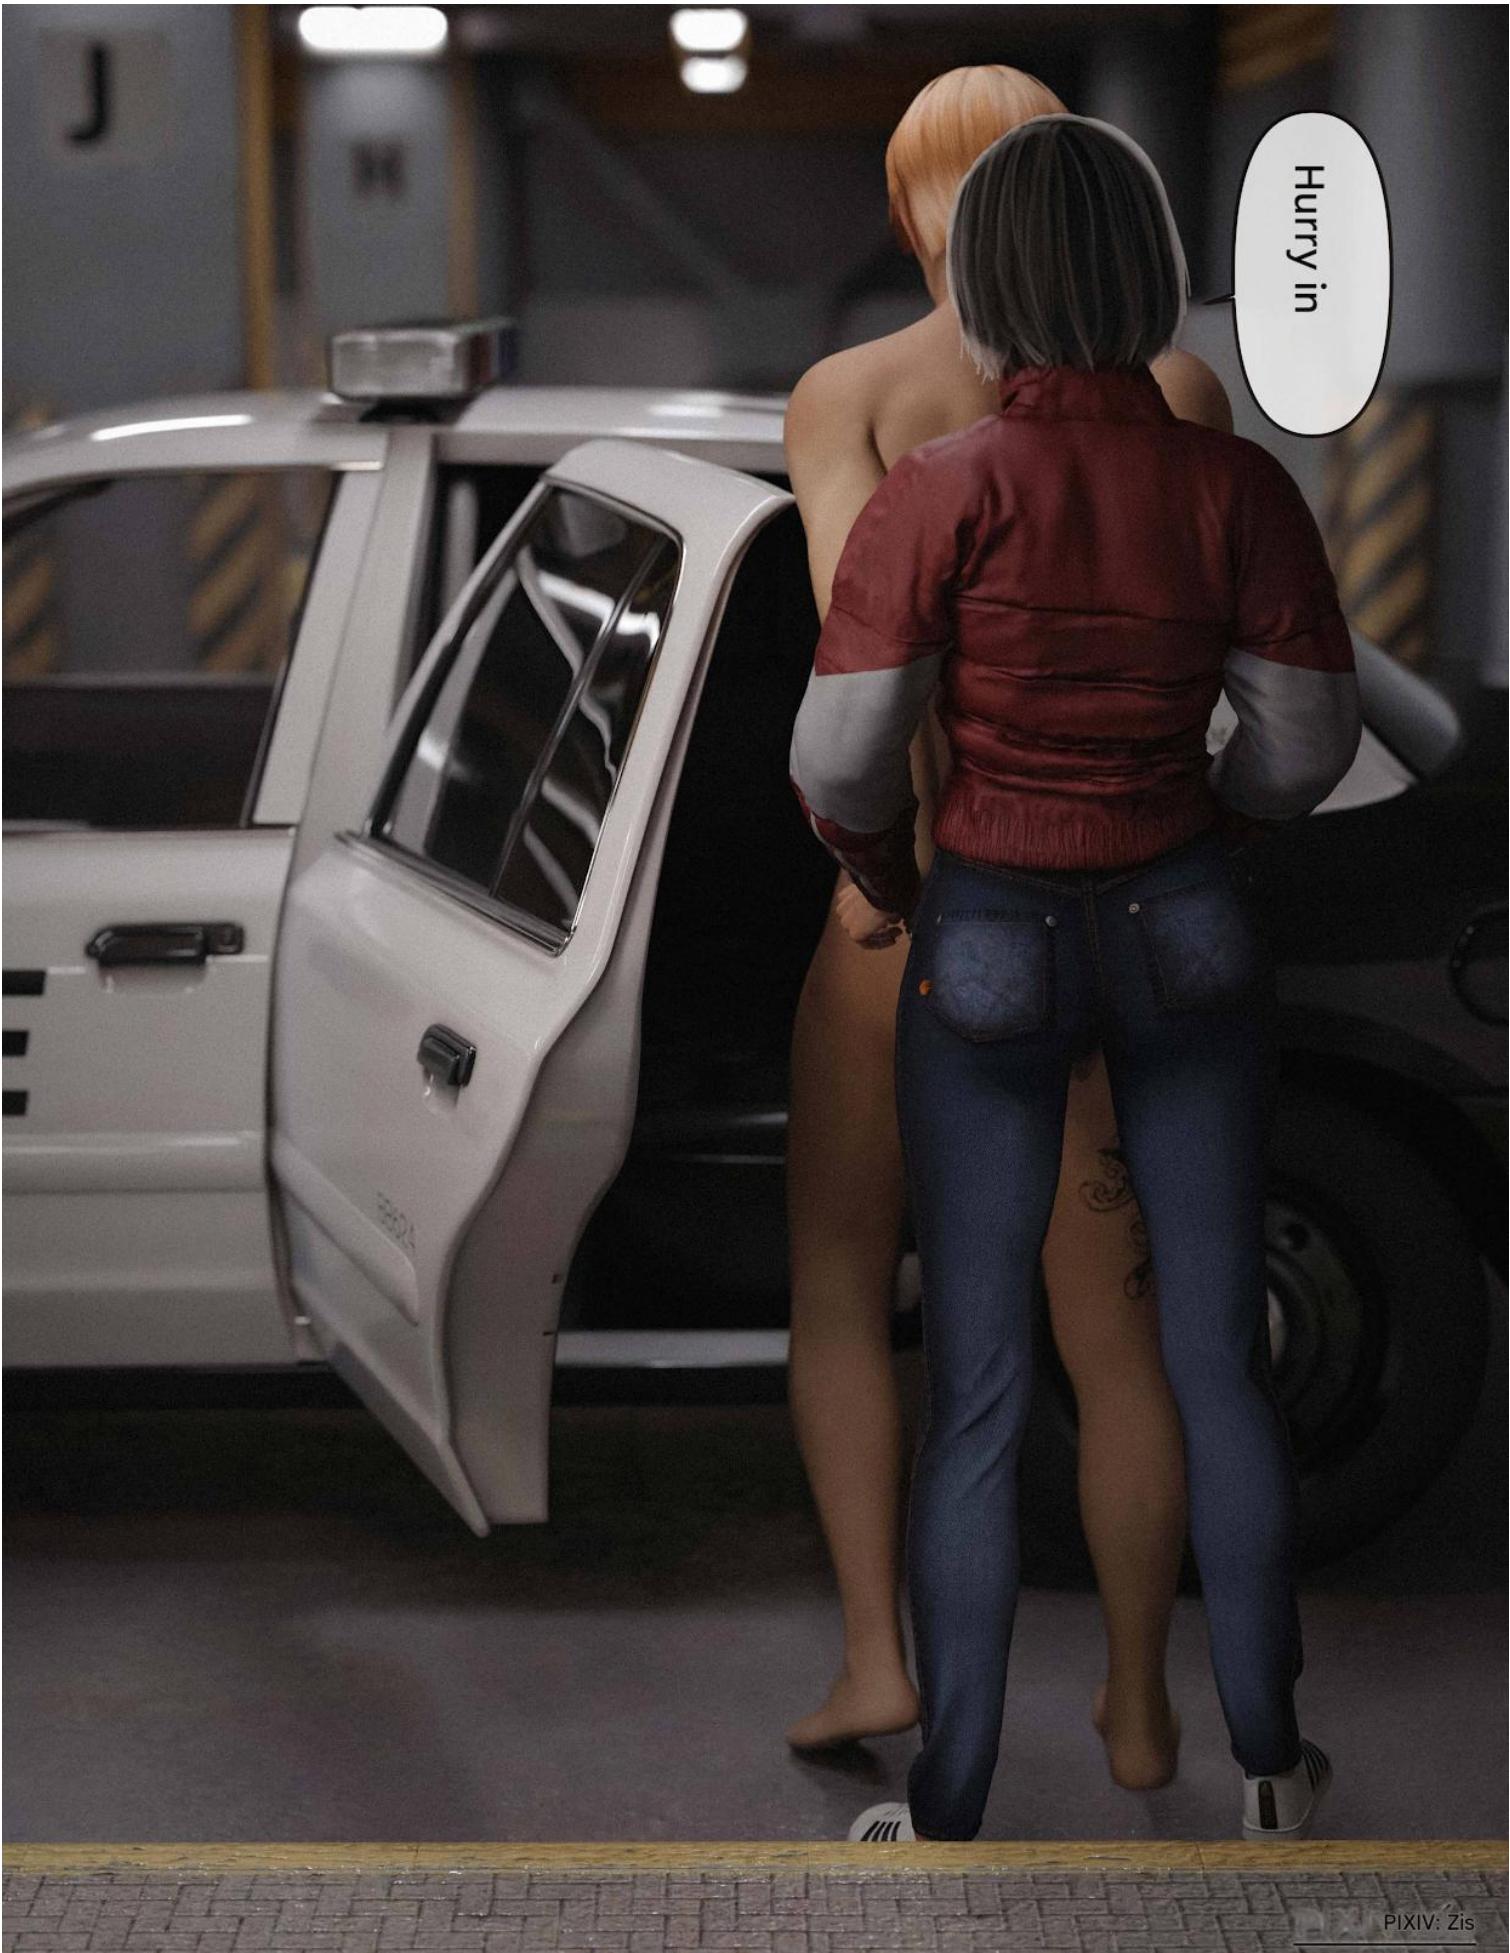

What are you dawdling about?

A young woman with dark hair in a bun, wearing a light blue long-sleeved shirt and a blue and white plaid skirt, stands with her back to the camera. She is leaning against a yellow and black striped pillar in a parking garage. She is wearing dark tights and grey sneakers with a small cat illustration. In the background, a white car is parked, and another person is visible in the distance. The scene is lit by overhead fluorescent lights.

Standing there and thinking for a while, unlike the stupid  
senior sister in the past, her smart brain is now driven by him.

Got it. Top students have good brains. They can come up with bad ideas so quickly. Fortunately, I didn't dress too exaggeratedly today, hehe~

Hurry in

Cao Nima's

Oh, what a shame, my rare  
vacation was ruined by this guy

Police sister, excuse me, can I  
ask you a question?

Sure, just ask, as long  
as I know

Seeing the girl's dress, the aunt  
did not suspect anything.

I just want to ask for directions. My classmate's home is in Building 7, Room 802. I don't know how to get there. It's my first time here.

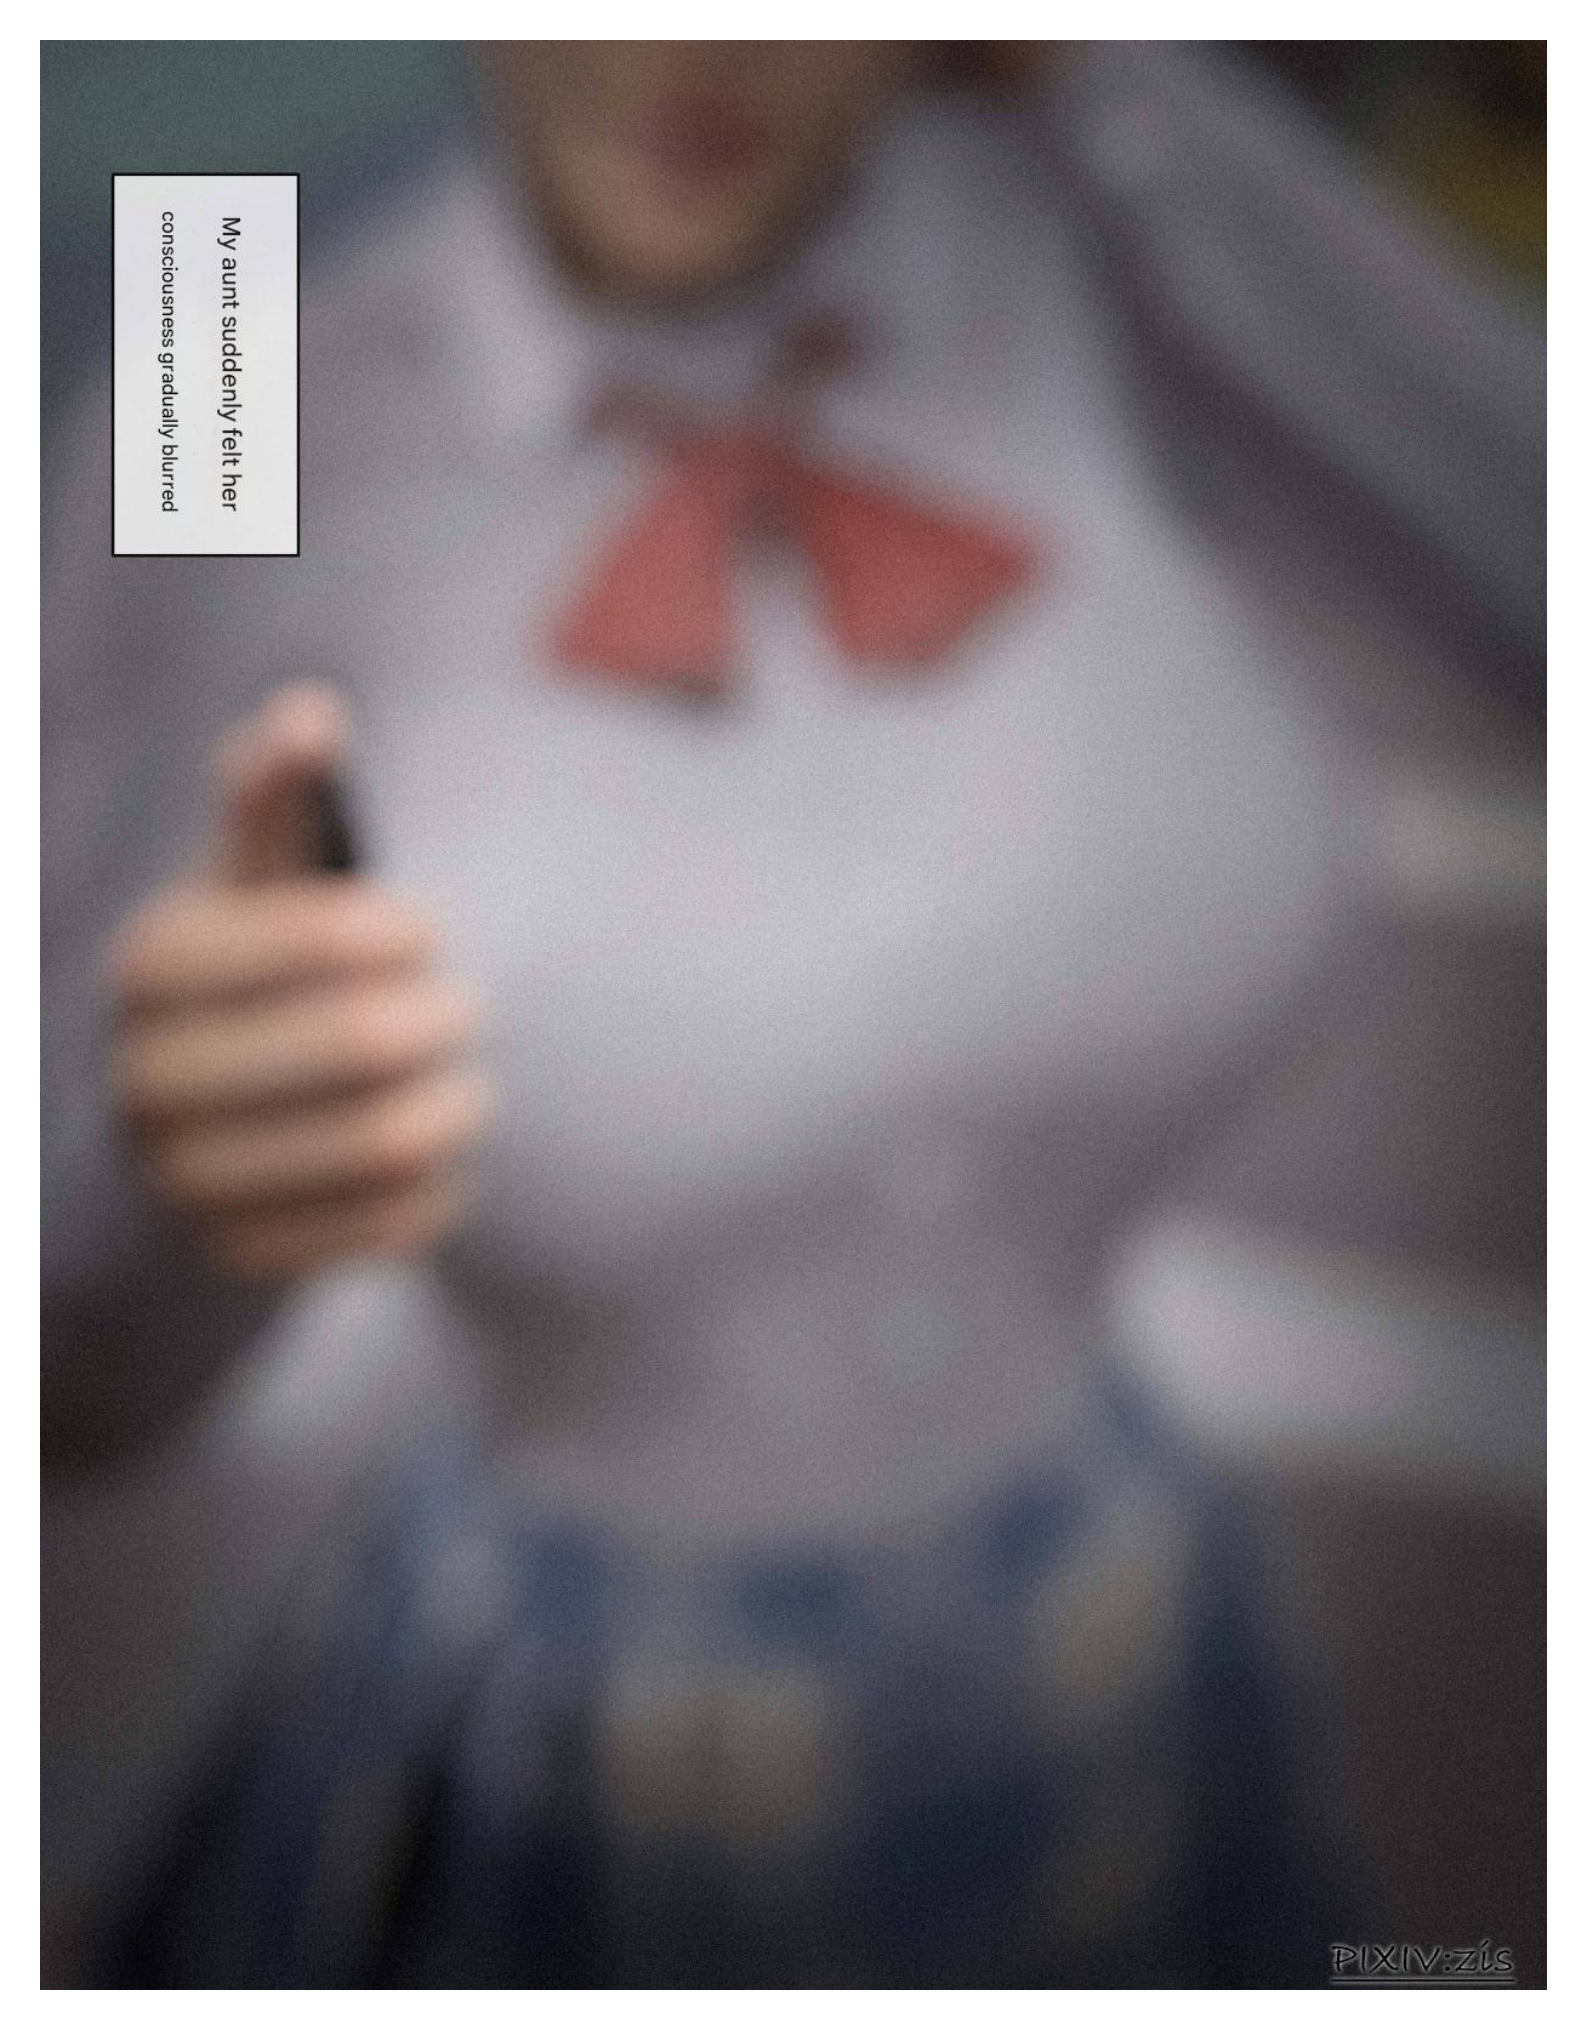

Building 7, 802? It seems that  
there is only 801 in Building 7?  
801 happens to be my sister's house, weird?

Successfully distracted

Press the spray!

A blurry photograph of a person wearing a white shirt and a red bow tie. The person's hand is visible in the foreground, holding a small, dark object. The background is out of focus, showing indistinct shapes and colors.

My aunt suddenly felt her  
consciousness gradually blurred

Hmm

2

slowly open your eyes

哦  
哦  
哦  
~

You bastard, oh~  
The big cock is coming ❤️  
in~ I am the principal's precious  
granddaughter, you will be dead when  
that happens!

Damn rapist, oh~ I'm going to call the  
police to arrest you! Put you in jail~ um~

What do you mean call the police? Our female police officer is right next to us. Tell her quickly.

Ah~oh oh oh~hmm~  
Slow down, bastard. Your  
cock is too big. Fuck me.  
It's someone~  
♥♥

**Officer, I want to report it.**

Hurry up and catch it~ um~ the big cock comes in again

**Come on, arrest this guy**

Gangster!! Otherwise he will fuck me to death~

My aunt had already guessed that they were in the same group and were deliberately playing this kind of trick. I guess the girl has already been killed.

It's really disgusting

Wrong, I'm wrong, don't pull it out~♥  
My husband's cock is so good~

A slutty bitch wants to be fucked by her husband every day

He's an excellent student, so awesome?  
**Apologize to me, or I will**  
Just pulled it out

Isn't she a member of the Discipline  
Committee? She even has nipple rings  
on her breasts. Isn't she a slut who seduces men?

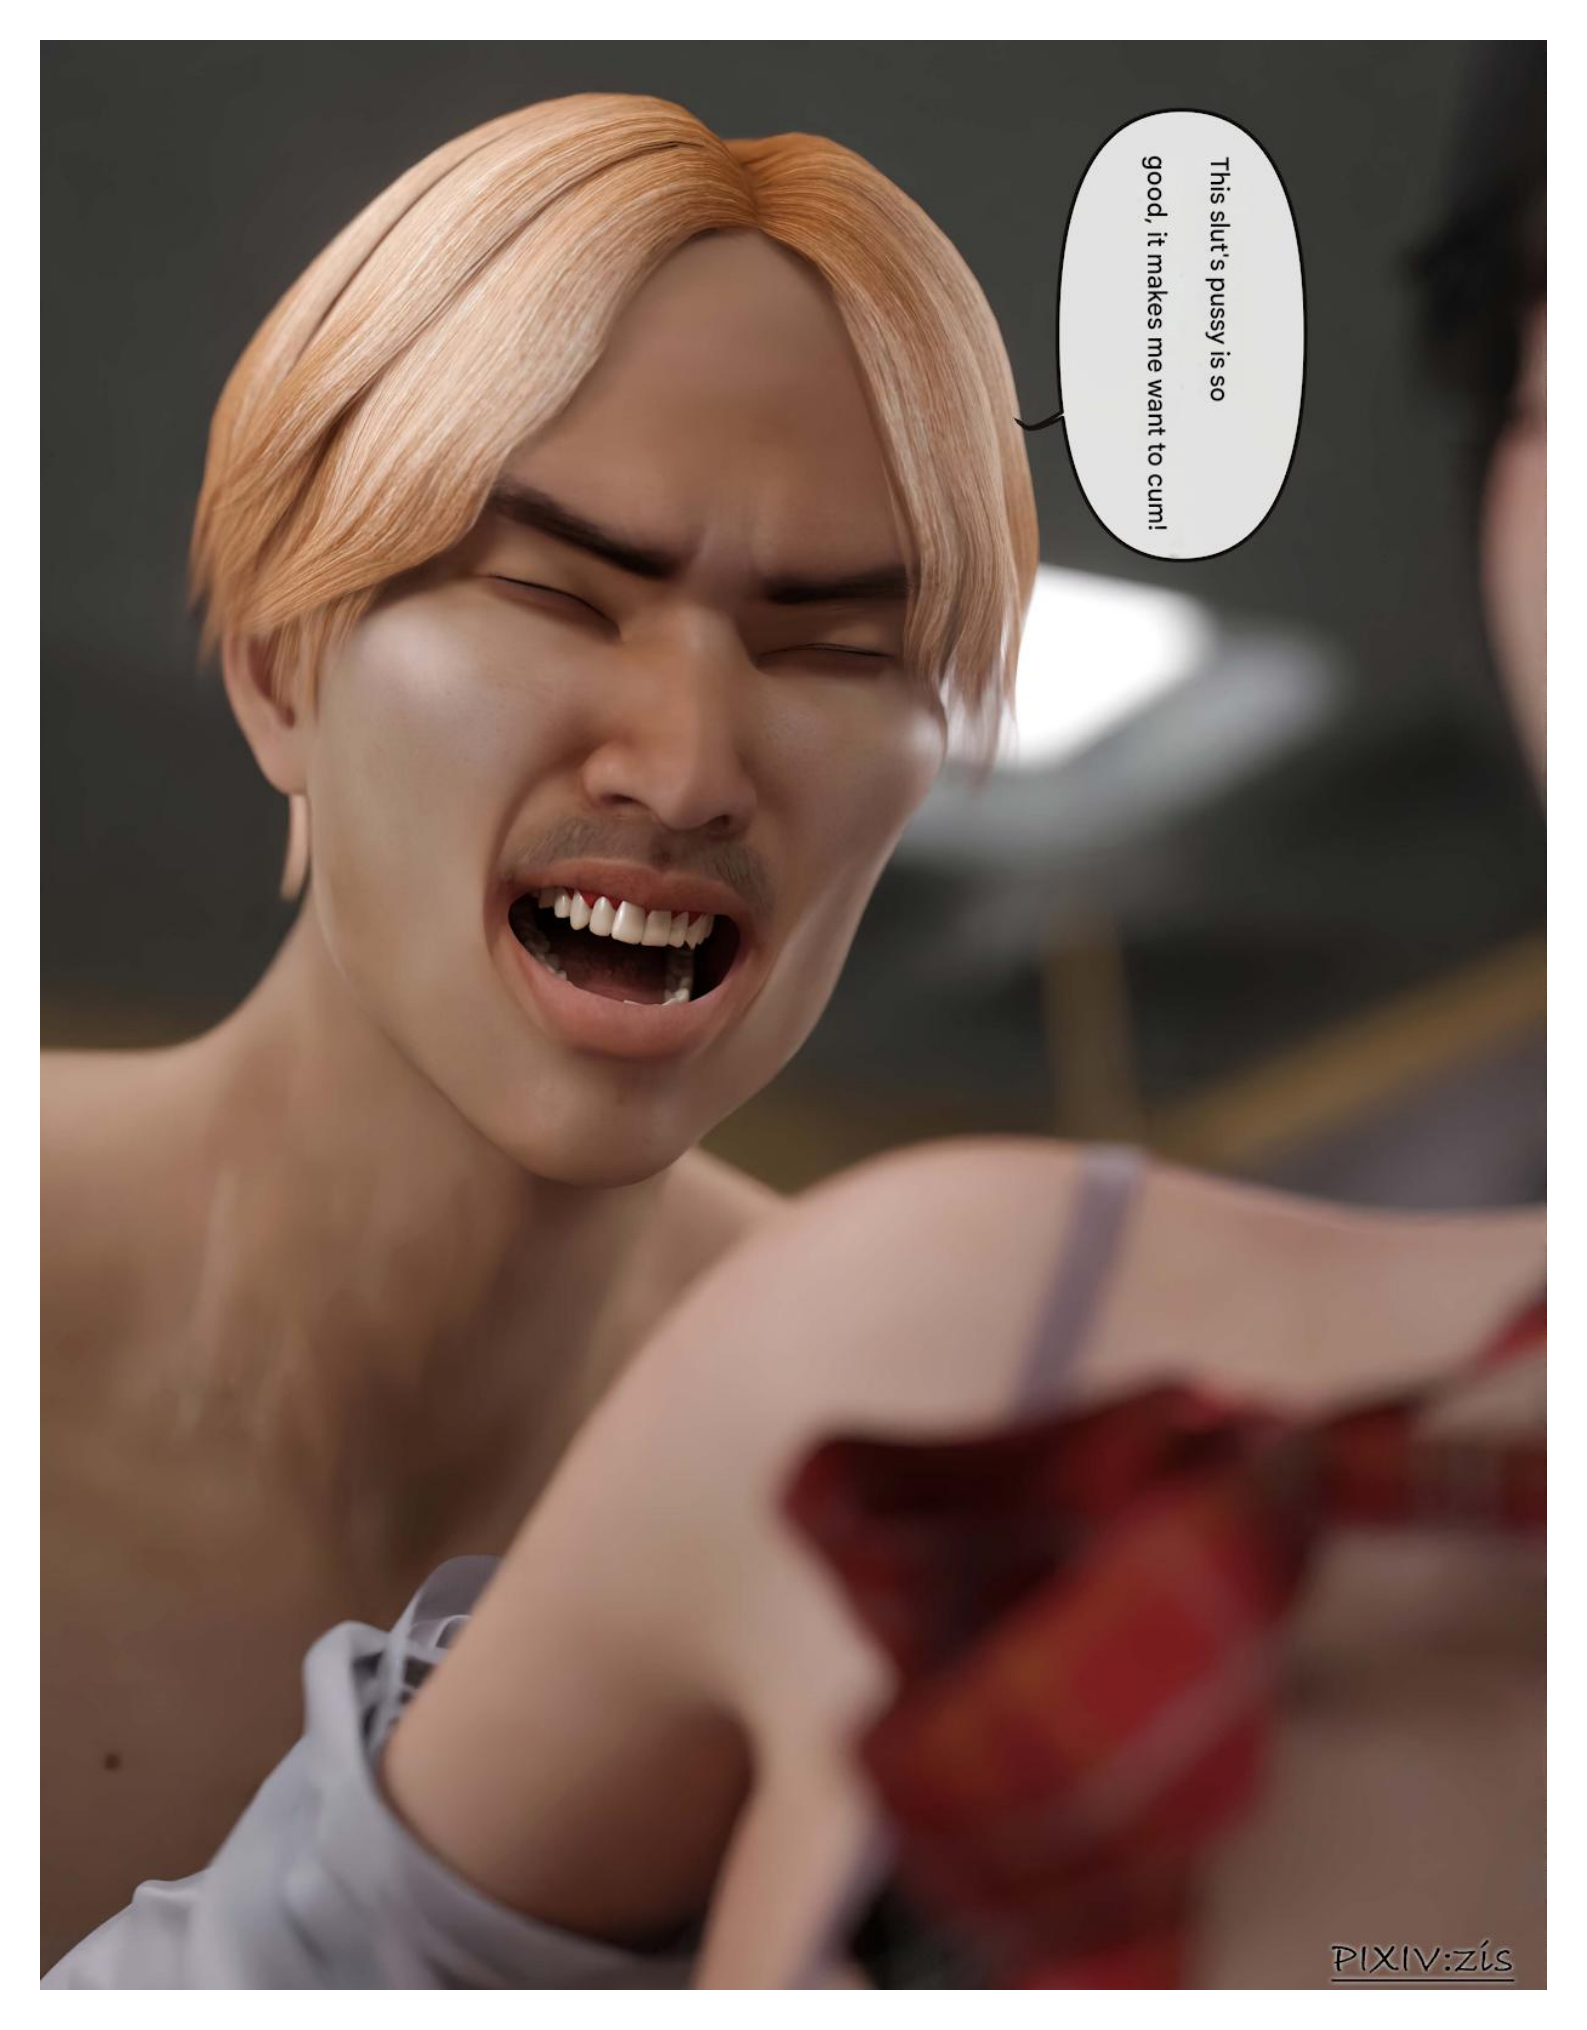

pinch~

It's not that you like it, husband, so  
I just wear this nipple ring~  
Oh, stop talking nonsense, husband.  
The nipples are so sensitive~ ♡ ♡

You slut, you actually know my  
little quirks. I've spoiled you for nothing.

Bang bang bang!!!

This slut's pussy is so  
good, it makes me want to cum!

I can't take it anymore, big  
brother. I'm going too. Ah, ah, ah~~♥♥♥

That thing is evil, you  
can't control it, it's  
too late for you to stop  
now.

Damn, please leave some  
for our dear policewoman.

Cum!!

What I fear least is any evil thing. I don't  
care what it is. I'll just use your body  
to enjoy it first.

asshole!

It's time to put on your clothes.  
The body I've always wanted, but  
your breasts are too small.

Put on

Look, you are still going against me. Now your body and everything about you has become mine. Haha.

I have a good idea. Let my stupid nephew go for now and use the policewoman's identity to have some fun.
