

Mmm...ahhhhhh,
sister, my sister's cock
makes me feel so
good!

Oh oh oh so cool!
Sister, you are so
good!

Um...ah, ah, sister,
why are you doing
this? How great!
It's cool!

A woman with long blonde hair, wearing a shiny purple bikini top and a gold chain necklace, is lying on a gold sequined surface. She is looking up and to the right. A man's hand is visible on her hip. The background is a gold sequined surface.

Uh-huh...oh, ohhhh,
sister...sister, please
slow down, I can't
stand it anymore, it's
too, too intense!
Uh-huh, uh-huh!

My sister's voice is so
magnetic, and her
body is so soft and
fragrant! I, I really
have no way to
refuse!

My sister's pussy feels
so comfortable!
Uh-huh... I'm going
crazy. It's so hot,
uh-huh!

Oh oh oh no... not
anymore! Too
much pleasure! It's
going to the limit!

Uh-huh! Sister,
don't be so
quick... Uh oh oh!

Oh oh so deep, so... so
deep! I'm going to be
fucked by my sister
Ah!

My sister's appearance is very weak, but she is very powerful when fucked. You fucked my sister so hard that she lost her mind.

I'm obsessed with your body and cock. The harder you are, the harder it will be for you!

Oh oh oh yes!
Just...that's it!
Fight me hard!

Bang bang
bang!

Uh-huh...me; I'm going
to hurry up too,
uh-huh, sister, I want
to.....

Oh oh oh
ejaculation ah ah
ah!

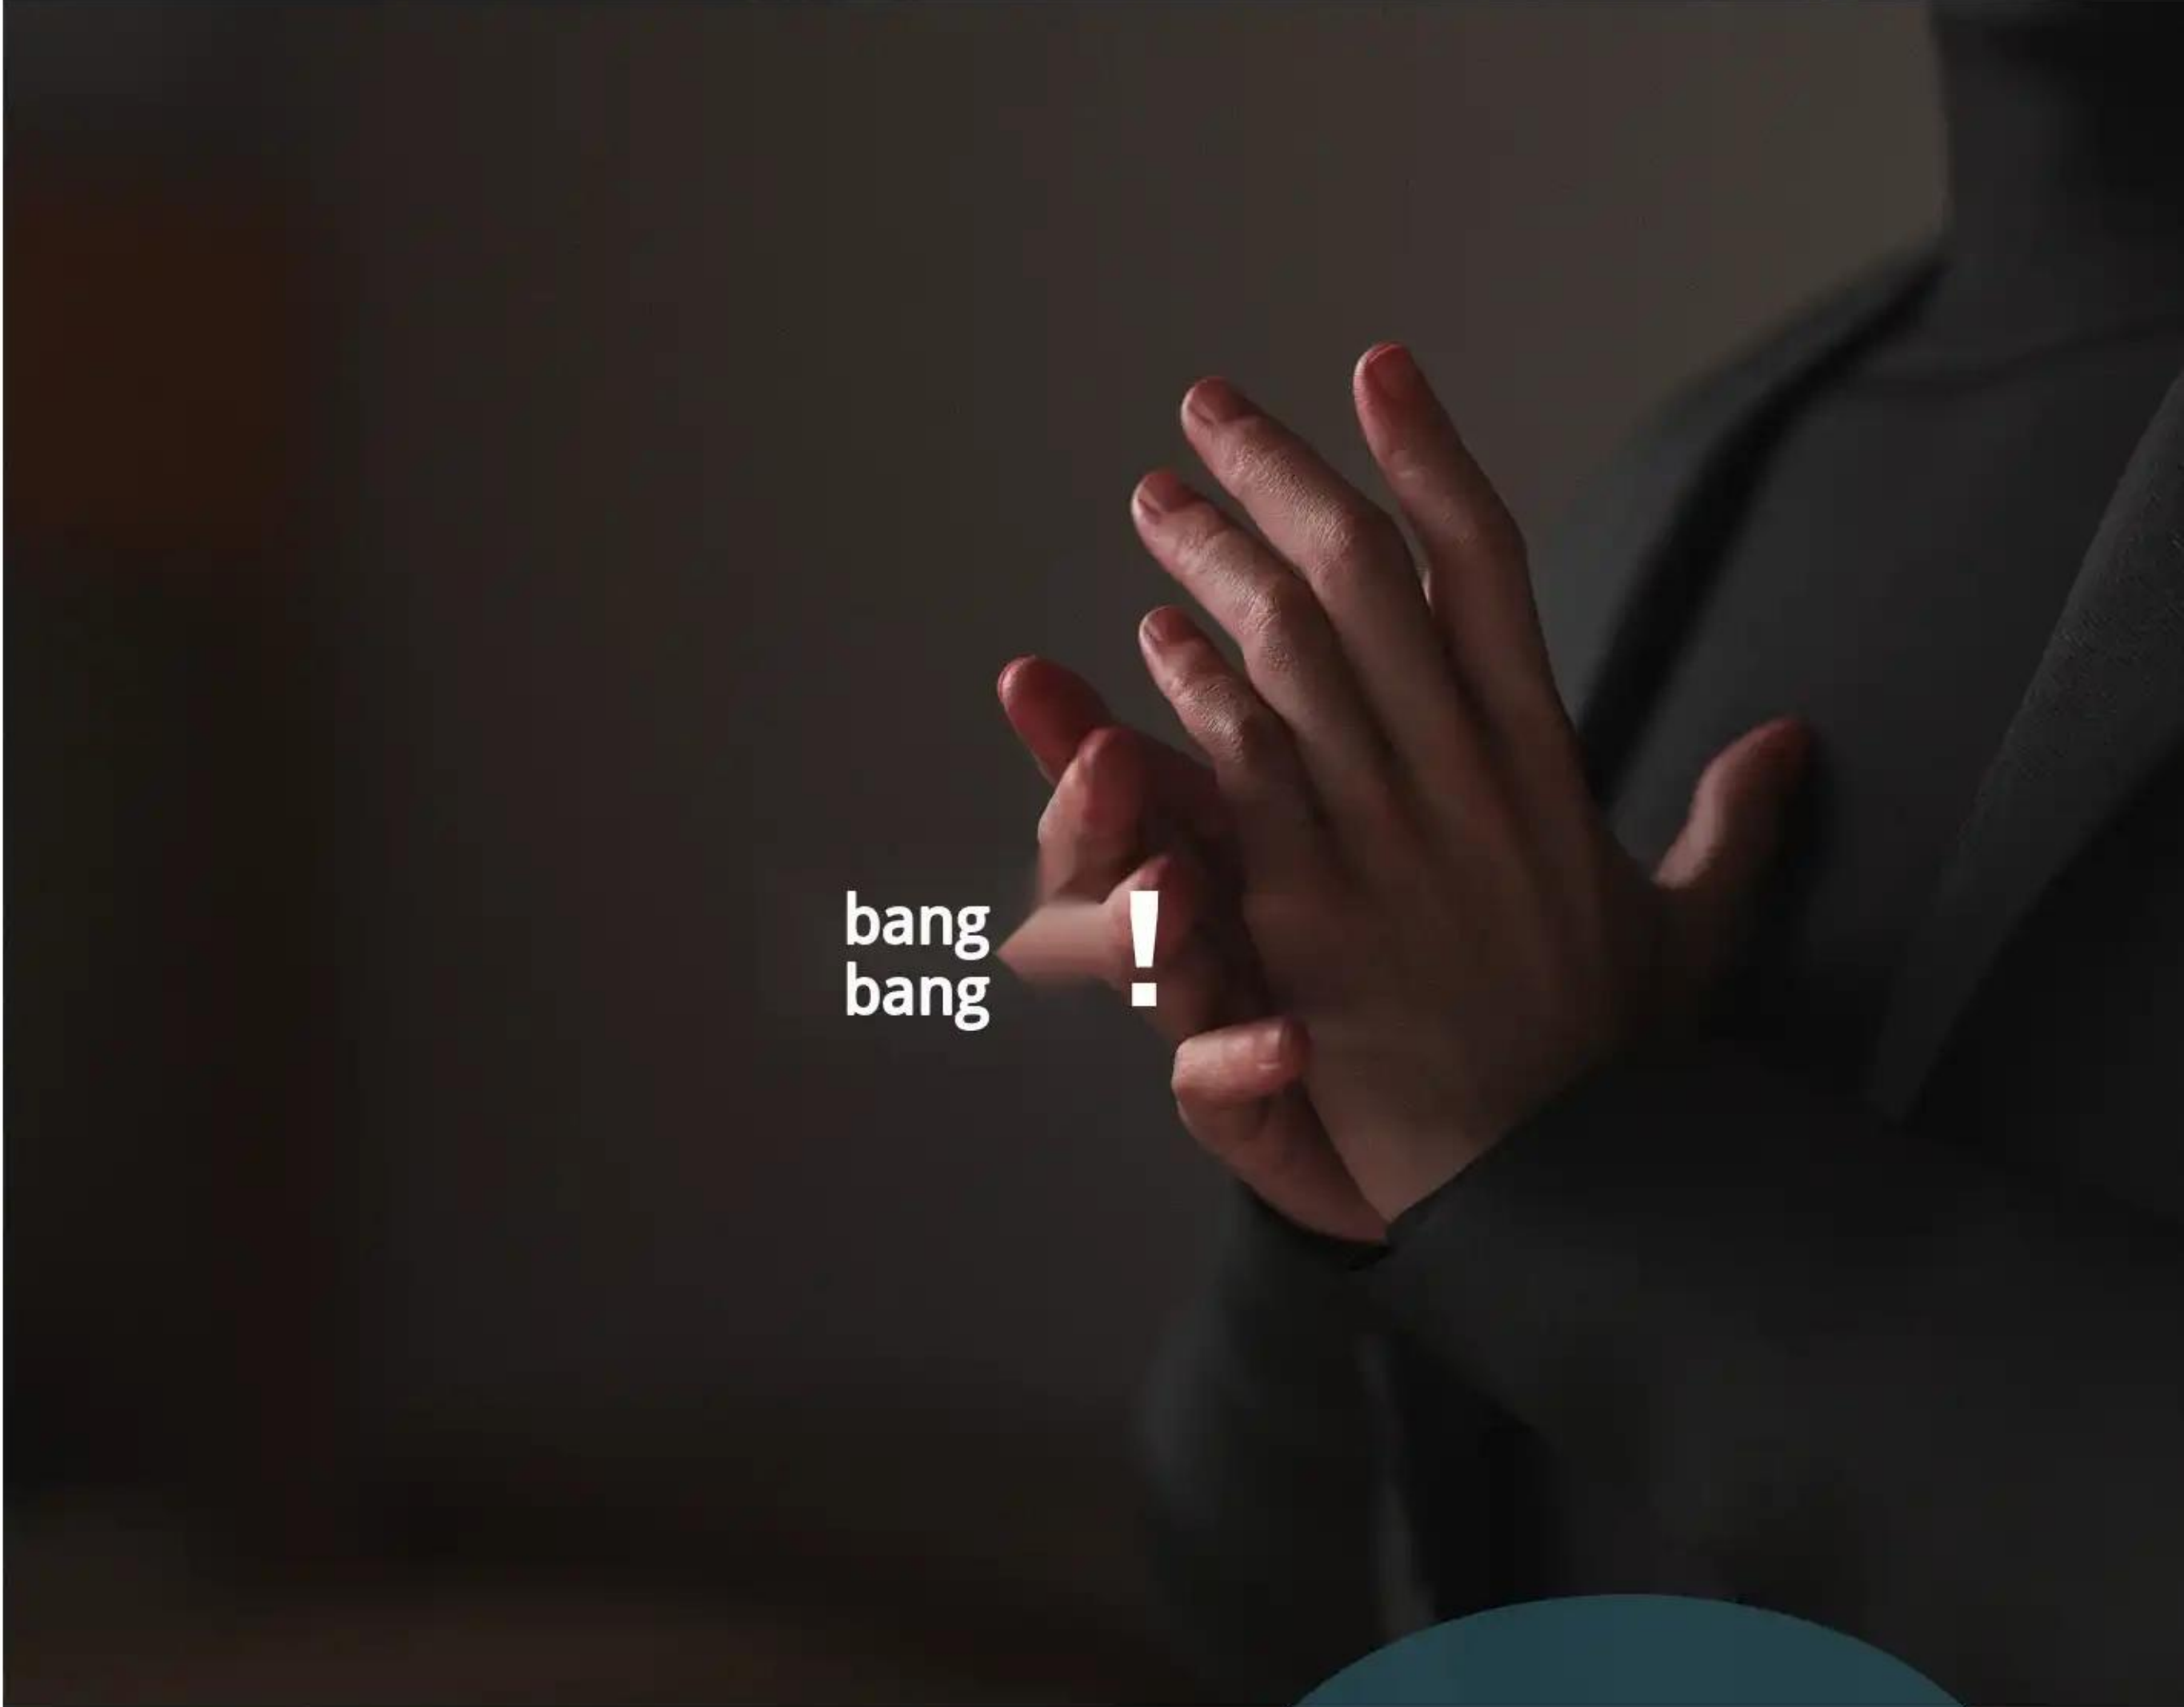

Haha...haha...I haven't felt this comfortable for a long time, but I have no strength and can't move at all...I really want to sleep...

Uh-huh... My sister smells sweet too. It smells so good. I really want to sleep on you like this. You are so cute...

Sister, sister, stop
joking, get up
quickly, I...I still
have things to do
and I have to go
back quickly...

I...what have I done!
If Xiaoyi knew,
would she be right
to me? And
Azin...his hard work,
I...

bang
bang !

Thank you both
for your hard
work.

A man with dark hair and a slight smile is shown from the chest up, wearing a black turtleneck sweater. He is clapping his hands together in front of him. The background is a plain, light-colored wall.

Hello, what a wonderful sex show, Angel. I was so fascinated that I couldn't bear to interrupt it.

You and this little sister are having a lot of fun. I see you are completely immersed in it, so happy that you forget yourself. Right?

A woman with brown hair in a high ponytail, wearing a black halter-neck dress and a gold chain necklace, looks shocked with her mouth open. She is holding a lit cigarette in her right hand. In the background, another woman with red hair is visible, wearing a purple top. The scene is dimly lit, suggesting an indoor setting like a club or bar.

**Boss? !
You...how could
you.**

**I always act according to
your request! If there is
anything I did wrong that
made you unhappy, I
apologize to you! It's all
my fault!**

What are you doing Angel? Zhang Cheng behaves as if I were a human being, which makes me very sad.

It would be bad if people knew it. Don't ruin my image. Just calm down and say something nice. Know?

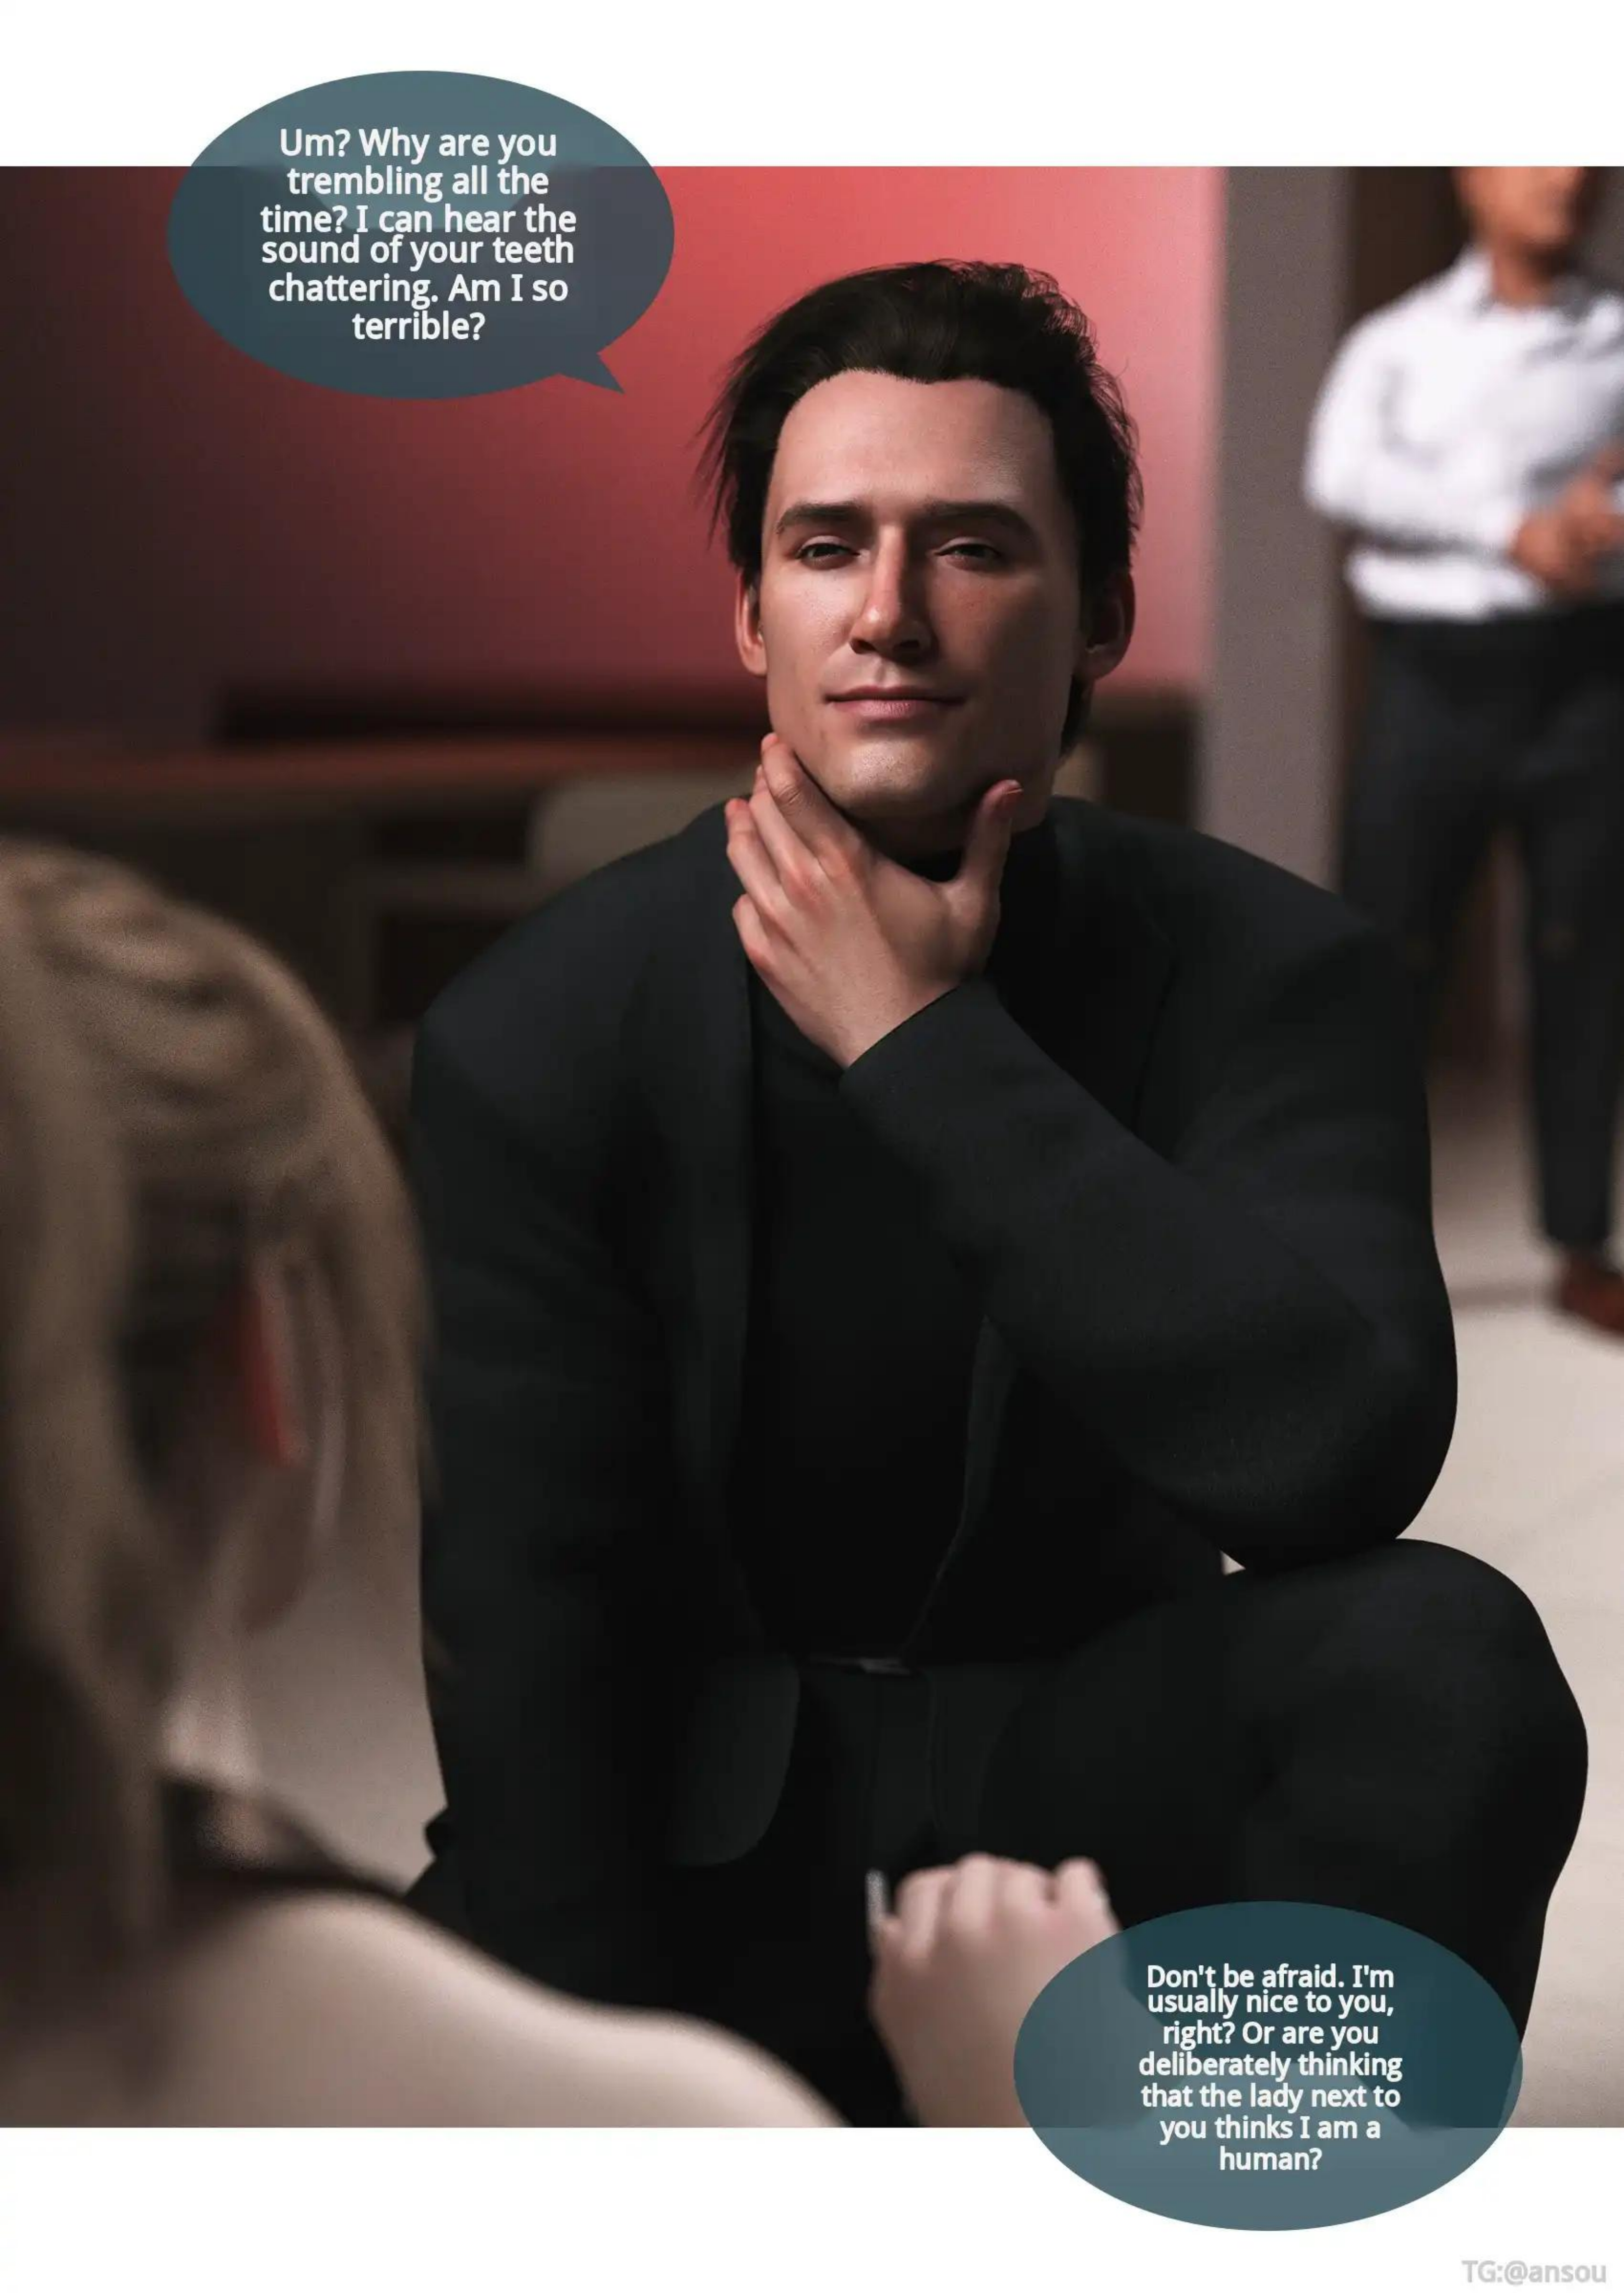

You, you are? Why did you come in suddenly?

Azin? ! Why are you here? What are they?

.....

Don't say anything for now, Al. If nothing happens, just watch and don't move rashly.

Um? Why are you trembling all the time? I can hear the sound of your teeth chattering. Am I so terrible?

Don't be afraid. I'm usually nice to you, right? Or are you deliberately thinking that the lady next to you thinks I am a human?

Grasp!

I told you to say
goodbye.....☐

You don't
understand
human languagei

Ah one! pain!
Old, boss...

Since you can't calm down, I have no choice but to help you. Whatever I ask you to do, you do it immediately, understand?

You are just a plaything, do you still think you can be as arrogant as before? I haven't forgotten what you did to me.

ah! Sister,
sister...!

Do it! What's the
situation now? !
Have I met a
madman? Or did I
do something
wrong? What to
do.....

So you should know how to be a good talking dog, right? I'll forgive you this time, get up and stop pretending.

Don't steal while you're still at work. I'd like you to accompany the bartender, Ms. Ren, and come over to serve me. I'll let it go.

Okay...Okay, I understand, boss. Thank you for pardoning my unreasonableness...I will behave.

I, I will clean up the place immediately and prepare wine for you. Please wait a moment....

Let's have fun, drink

I asked my men to

Why doesn't anyone

A woman with long, straight blonde hair is shown from the chest up. She is wearing a shiny, purple, strapless top. Her expression is thoughtful and slightly concerned. She is wearing gold hoop earrings and a gold chain necklace. Her right hand is resting on her left shoulder. In the background, a man in a white shirt and dark vest is holding a glass of red wine, looking towards the woman. The setting appears to be a dimly lit club or bar.

Azin, please explain to me what is going on now? What is your relationship with this boss?

Quietly

What to do now? What did I do to make him angry? I was kind-hearted and he suddenly turned over...

It's okay. Just calm down. I've already made peace with the boss. When he gets up, he will tell us whether Xiaoyi works here.

As long as we play with him and make Boss Xiang happy, don't worry about the rest.
Something happened.

A man with dark hair, wearing a black turtleneck and a dark suit jacket, is shown in profile, looking upwards and to the right. He is pointing his right index finger upwards. The background is blurred, showing other people in a social setting. Two teal speech bubbles contain text.

It seems that the new friends are still a little shy. Angel, please go up and dance to liven up the atmosphere.

You have to dance beautifully to make everyone happy. You should be familiar with the pretense thing, so don't disappoint me.

Right! As expected,
you are very suitable
for a dirty thing like
Han. You are tall, tall
and fair, and you are
good-looking.

twist

Looking sexy makes
people happy. Pairing
beautiful women with
good wine is one of
the great pleasures in
life. Everyone, right?

Do you know? That woman was my enemy before, and I spent a lot of effort to turn her into such a well-behaved person.

tap

You...what are you doing...

Let me show
it to you.

A woman with long, wavy brown hair, wearing a black, shimmering, halter-neck dress, is looking towards a man. The man is in profile, wearing a dark suit jacket, and has his hands clasped in front of him. The background is dark and out of focus.

She used to be extremely arrogant, cruel and merciless in her actions. I could only dream of her... Kill her!

But that was all in the past. Now she knows how to take my life. If you don't believe me, just take off your clothes!

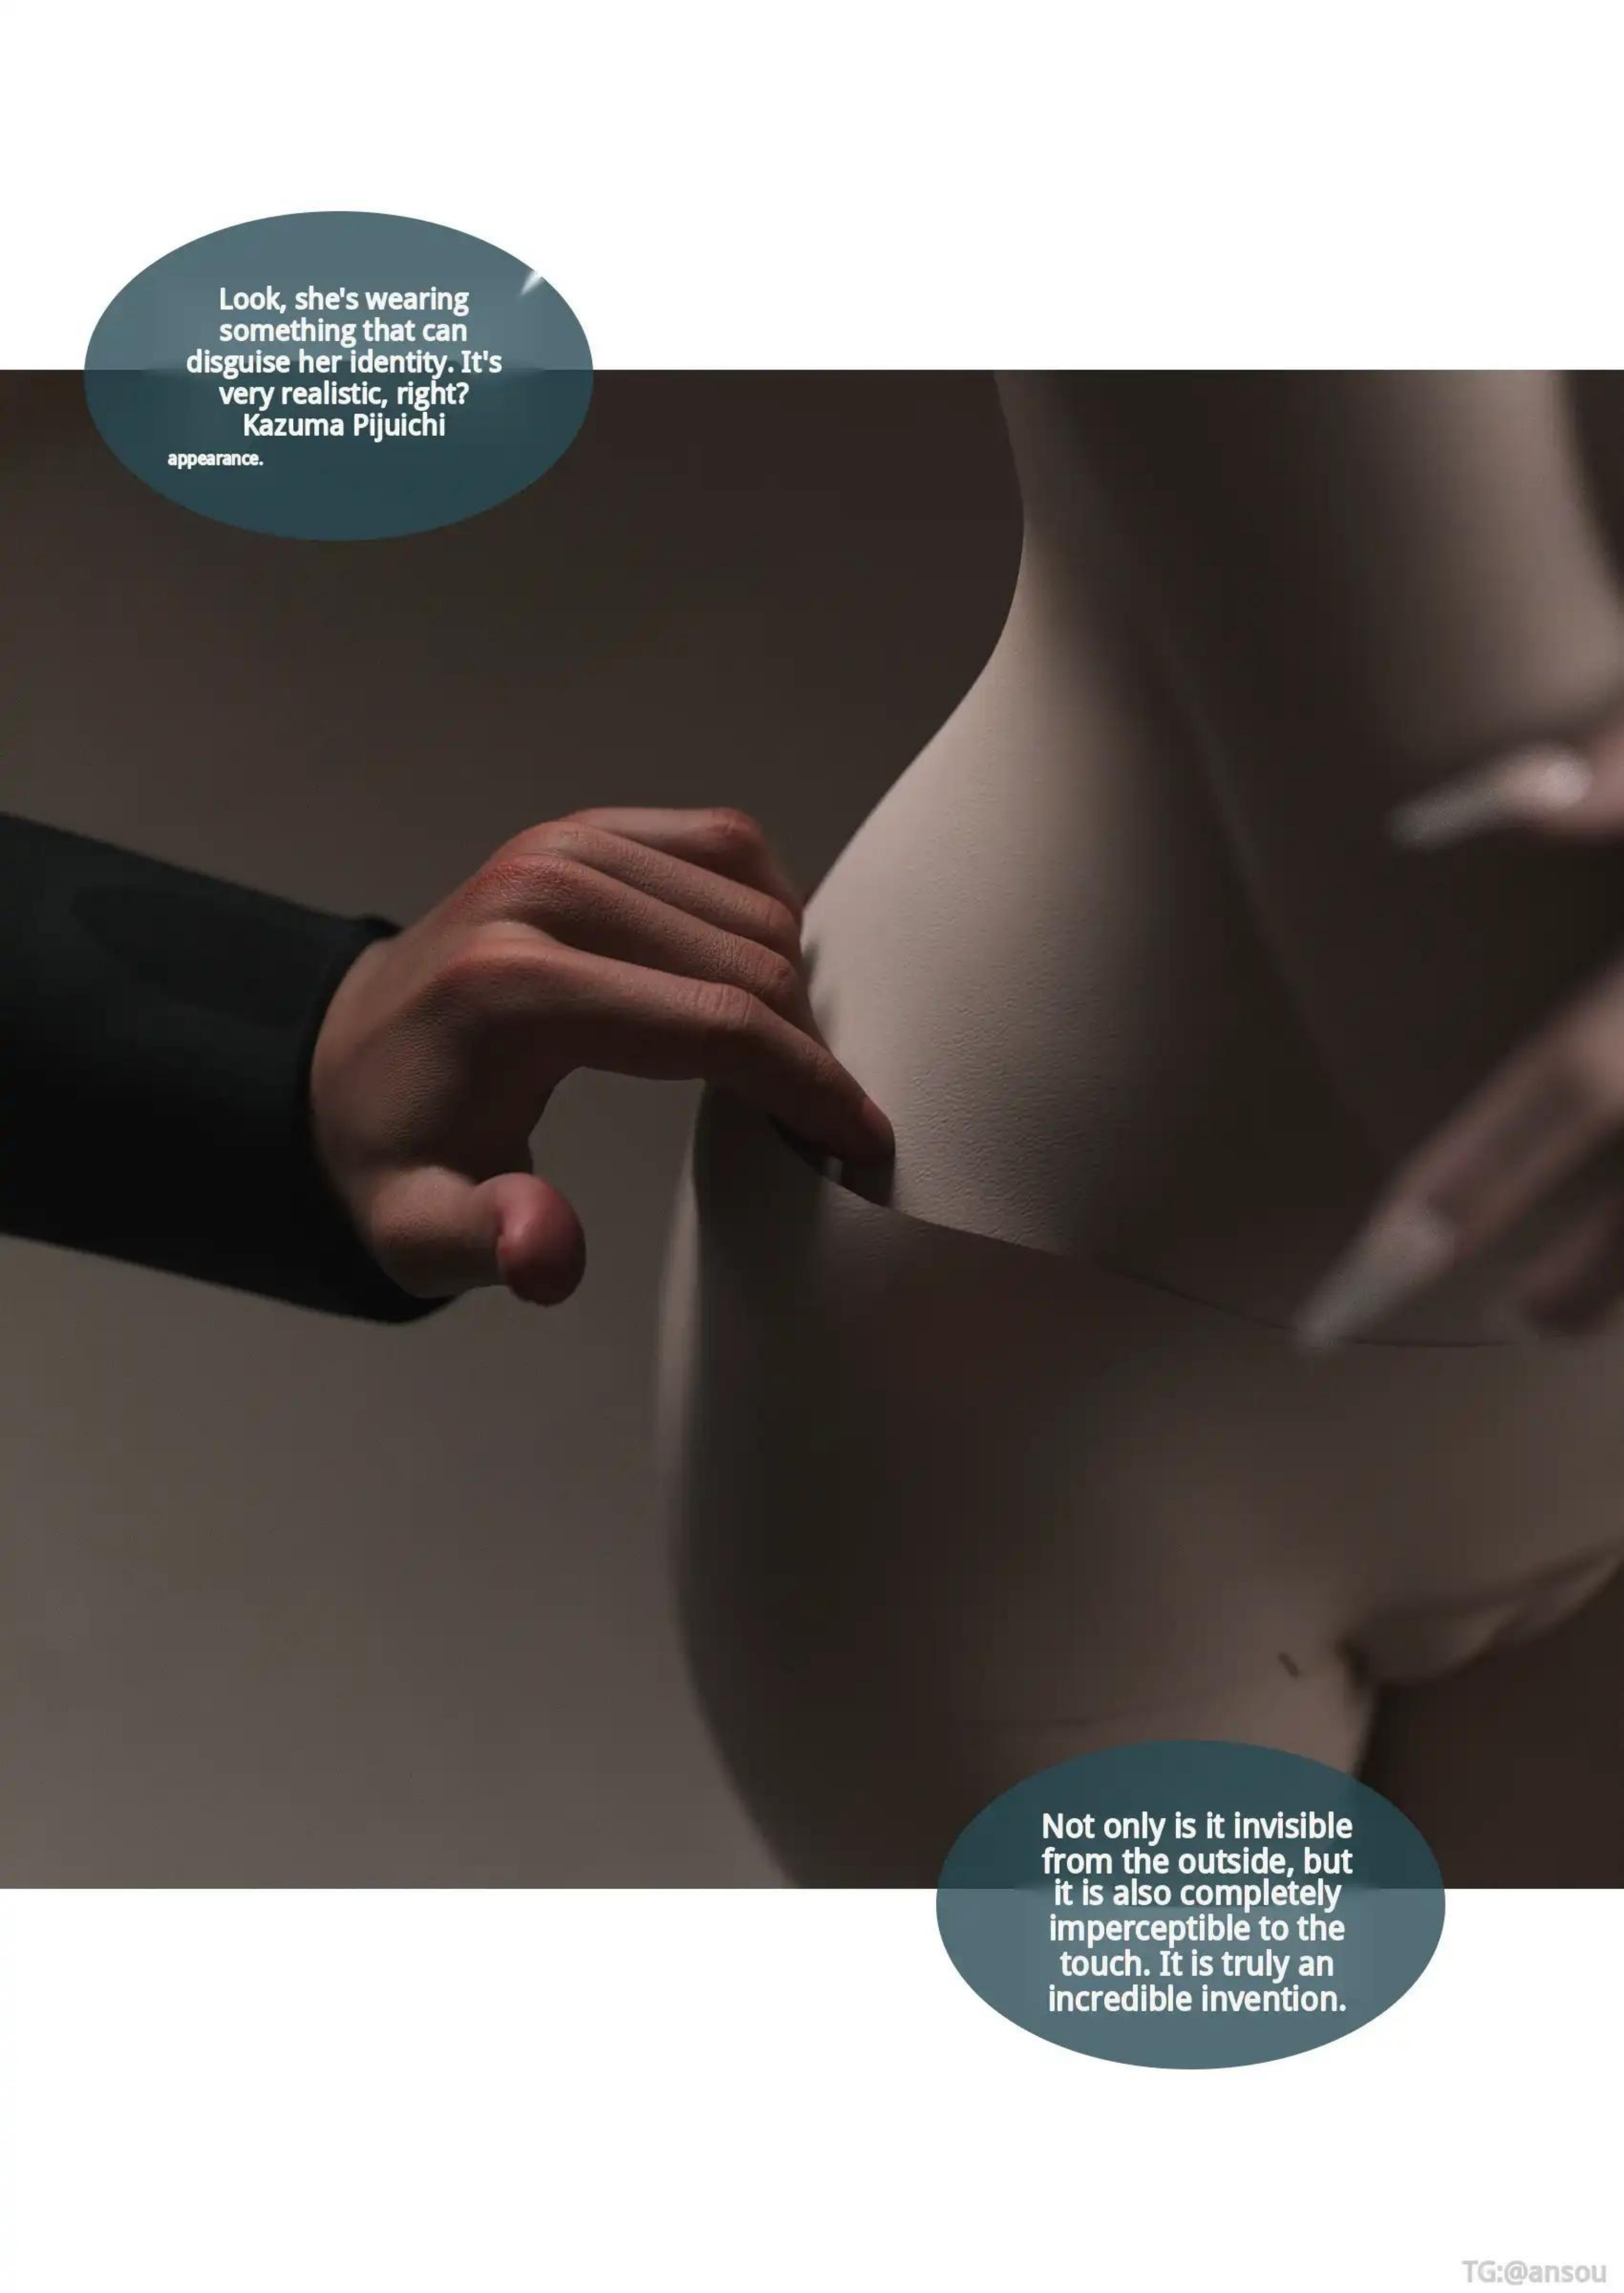

Ha ha! Look, is she talkative than a dog? It's hard to imagine that she was once such an arrogant person who often looked down on others, right?

Take off all my clothes! Let's all admire your graceful figure. Anyway, this is not the first time that you have been shown naked to others.

A man in a black turtleneck and suit jacket stands on the left, looking towards a nude woman on the right. The woman has her hair in a high bun and is wearing a gold necklace and bracelet. She has her arms crossed and is looking back at the man. The background is a dimly lit interior with wooden railings.

No matter how many times I look at it, I miss your charming body. Your delicate look is really pleasing to the eye, and you are much cuter than before.

Do you also like yourself like this? But she is beautiful on the outside, but the reality may be different from what everyone thinks.....

Look, she's wearing
something that can
disguise her identity. It's
very realistic, right?

appearance.

Not only is it invisible
from the outside, but
it is also completely
imperceptible to the
touch. It is truly an
incredible invention.

This is what it means to be fake. I think even Angel forgot that he was wearing this extra thing.

Little sister, you didn't notice any discomfort when you had sex with her just now? Just take this thing off and you'll

will find

A woman with long, dark hair styled in a high bun, wearing a dark, form-fitting, and revealing outfit. She is standing in a dimly lit room, possibly a bar or club, with a dark background. She has her arms crossed and is looking slightly to the right. A large, blue, multi-pointed starburst graphic is positioned to her left, containing the text "He is actually a man!". Another similar starburst graphic is located at the bottom right of the image.

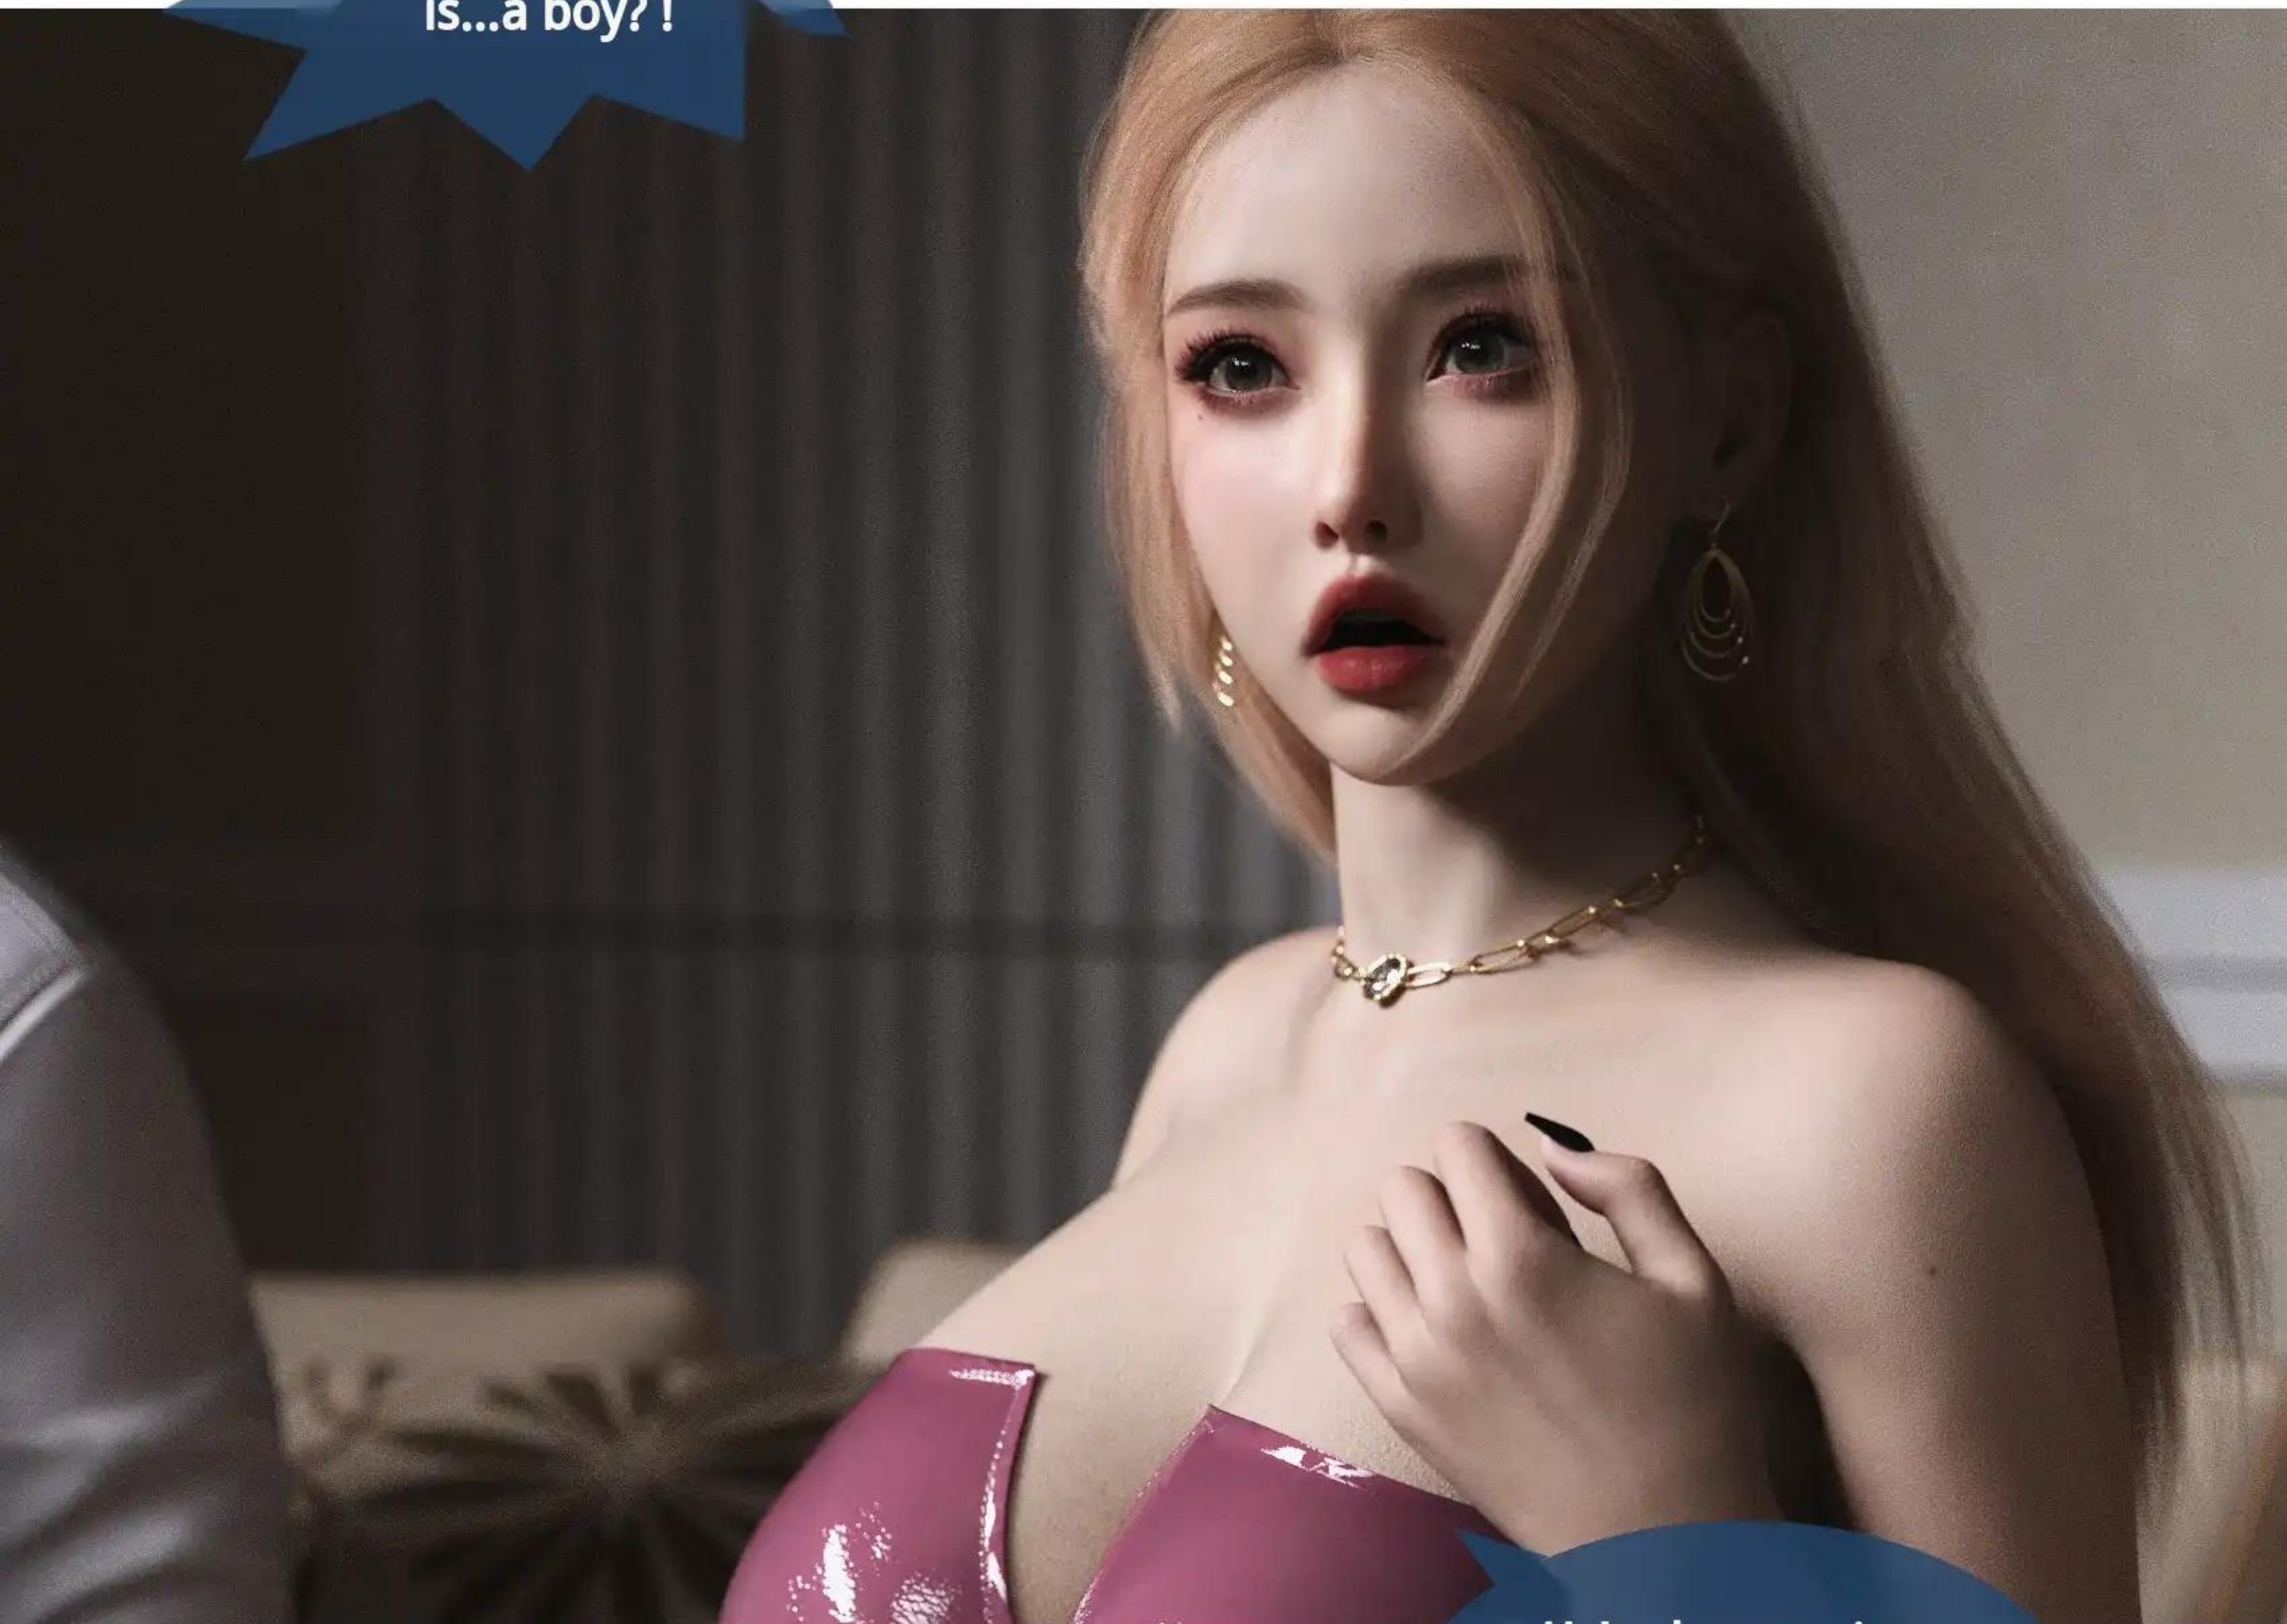

He is actually
a man!

Quite right? He is a woman and he has a penis. If he doesn't look like a man, he is a monster that is neither male nor female.

It's so heartwarming, the cock is still so small, you really can't see it unless you magnify it, his manliness has completely disappeared, haha!

What, what's going on! Sister...Sister is...a boy?!

He's also wearing a dildo...? It's the same as what Azin gave me...How could it be? Why are bears and me like this...

I like your reaction very much. You are a good observer. I am more interested in telling the story.

But he's hiding more than just his gender. The whole thing starts next. Do you want to get closer and take a closer look?

It's so easy to disguise one's identity these days, there are countless ways to change your appearance, and all kinds of high-tech and convenient products are emerging one after another.

With a little effort, you can transform a person into a person who doesn't even know your relatives and friends... You've experienced this, haven't you?

Look carefully and don't blink, you will regret if you miss him. He is not clean at all, and his gentle and kind appearance is all an illusion.

wipe
away

Some things are just like nature, no matter how much you hide them, you can't change them. Just like I will always remember, he is a damn bastard.

Alas, it's a pity that it's like this. It's too ugly. The fair skin is just pleasing to the eye. What do you think?

This, this tattoo

impossible! How
can I be a tough
guy like my dad?
It will
be....

He
obviously...obviously
likes those feminine
things the most, and he
keeps asking me to be
more masculine. It's
impossible for him to...

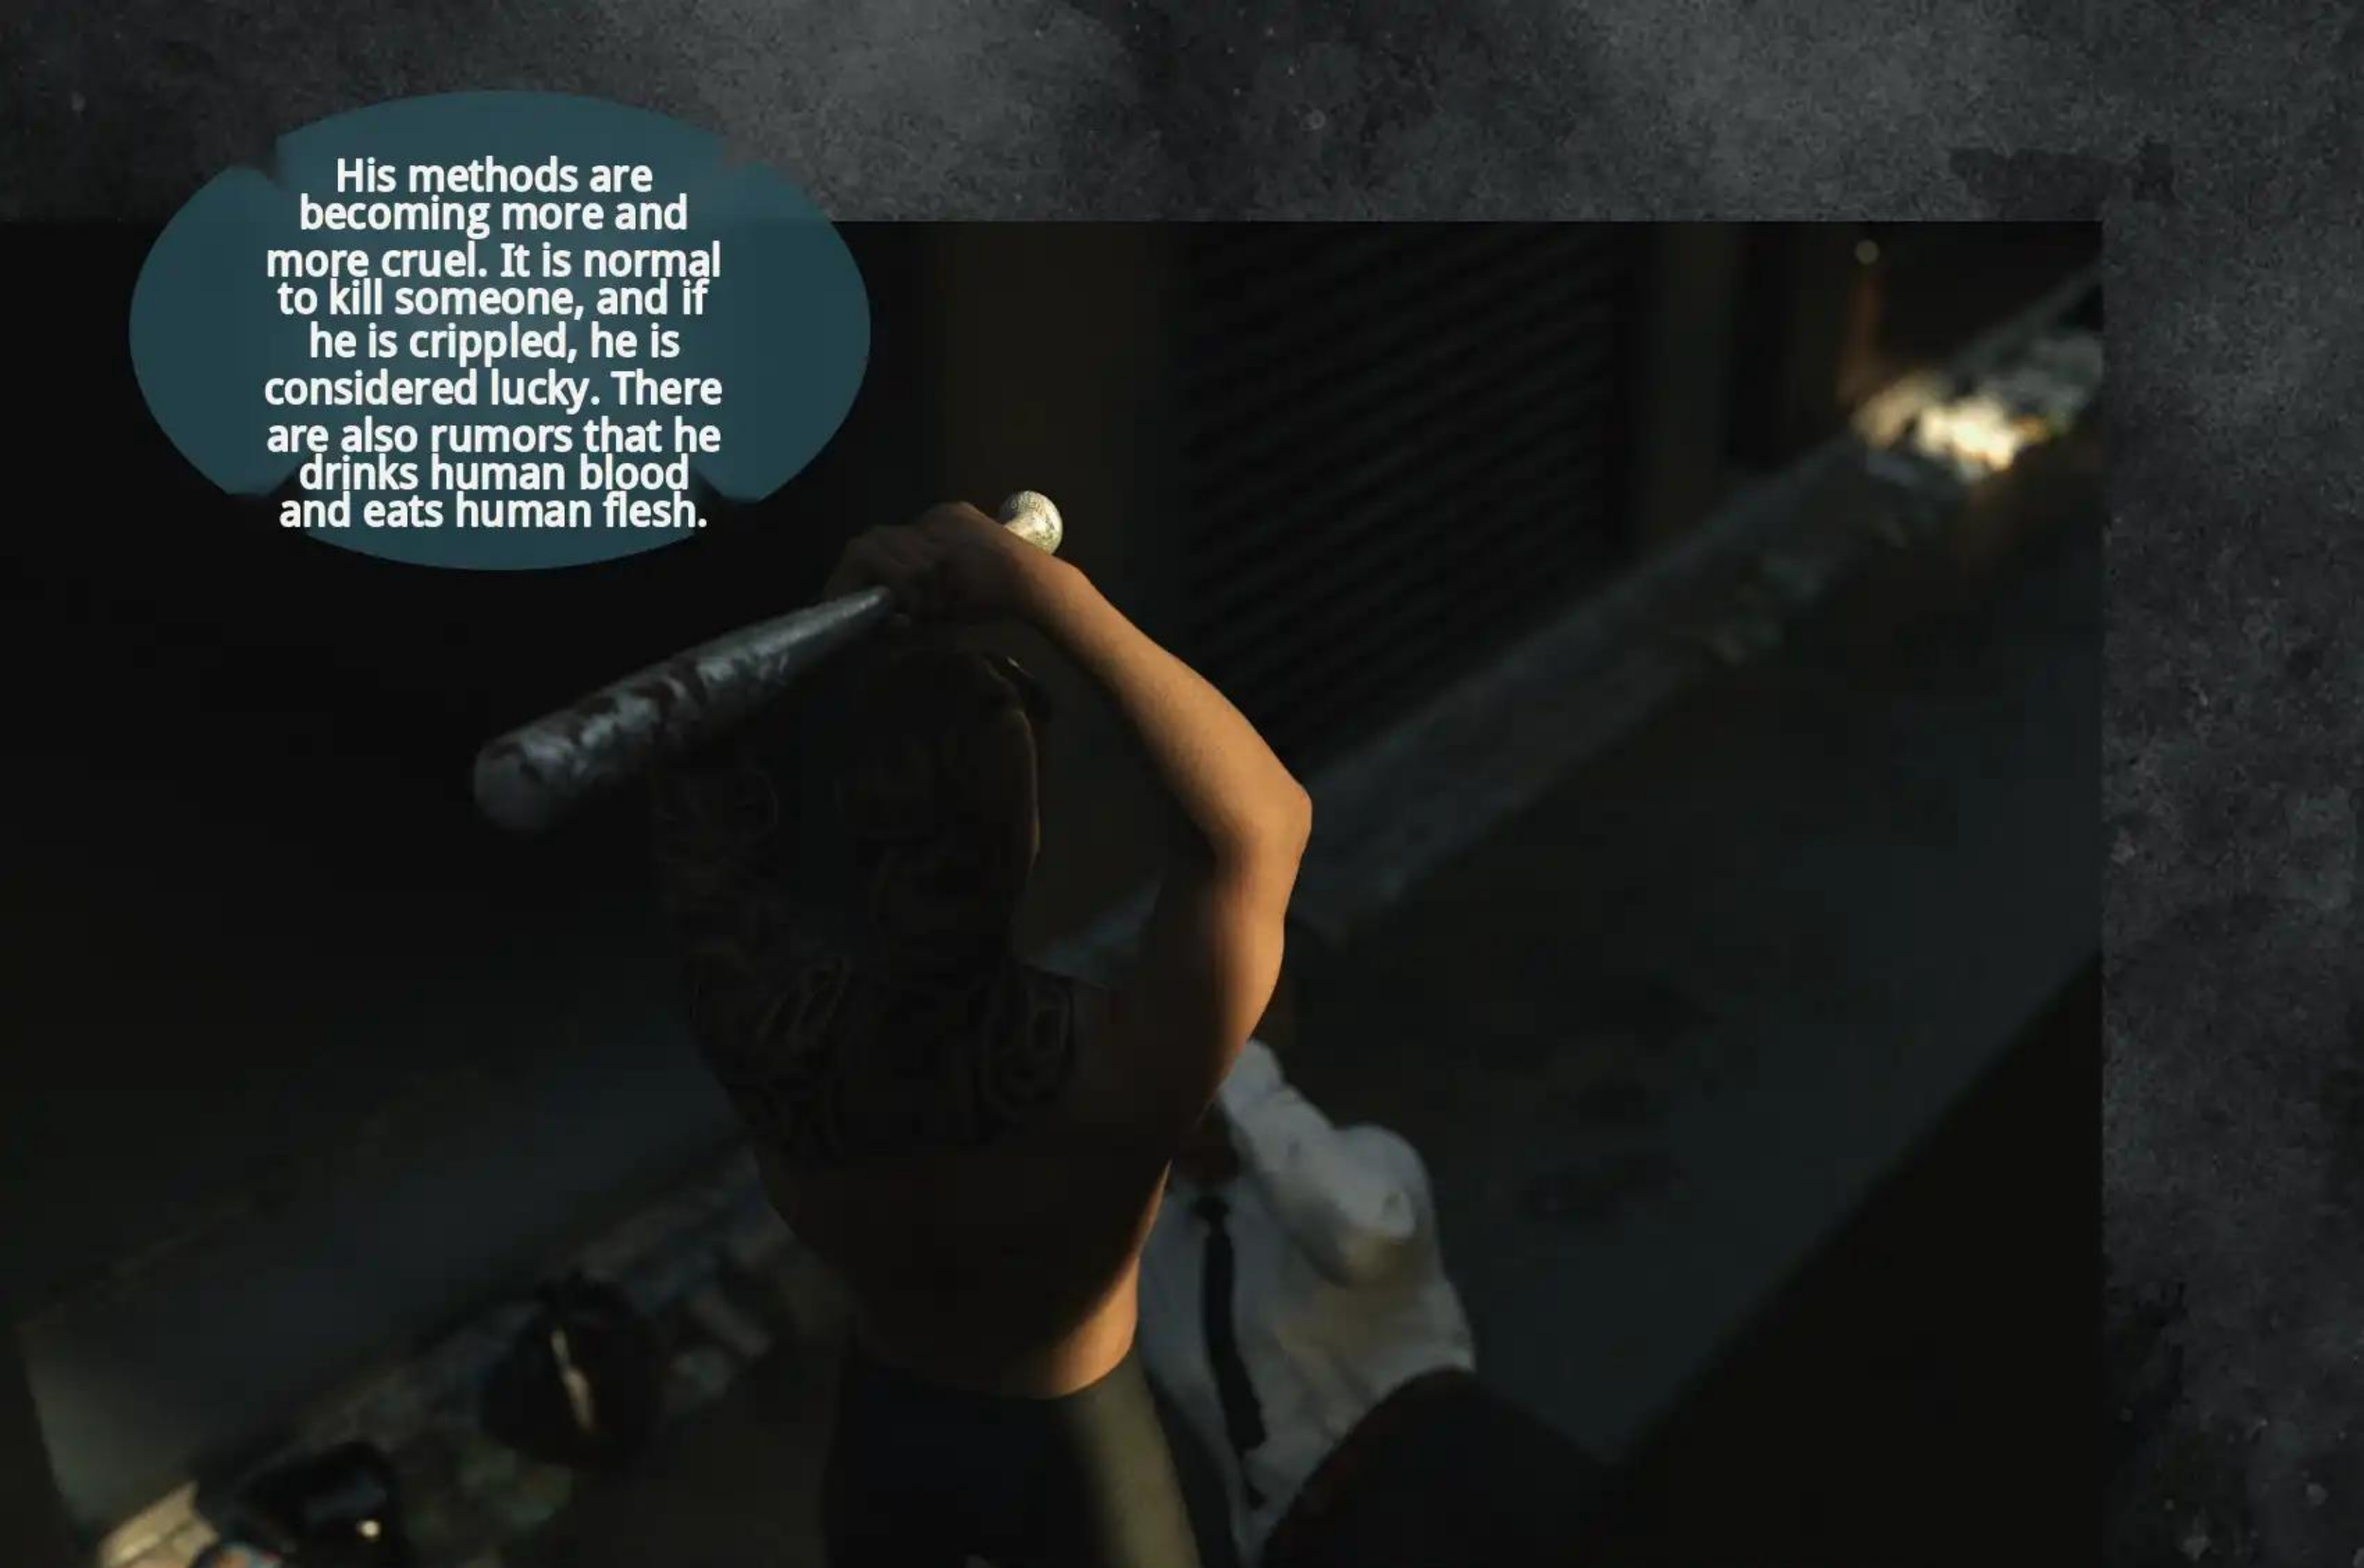

Be good, don't get excited, I will slowly tell you the story between me and your dear father.

This is a heart-wrenching story about revenge, so please be quiet....

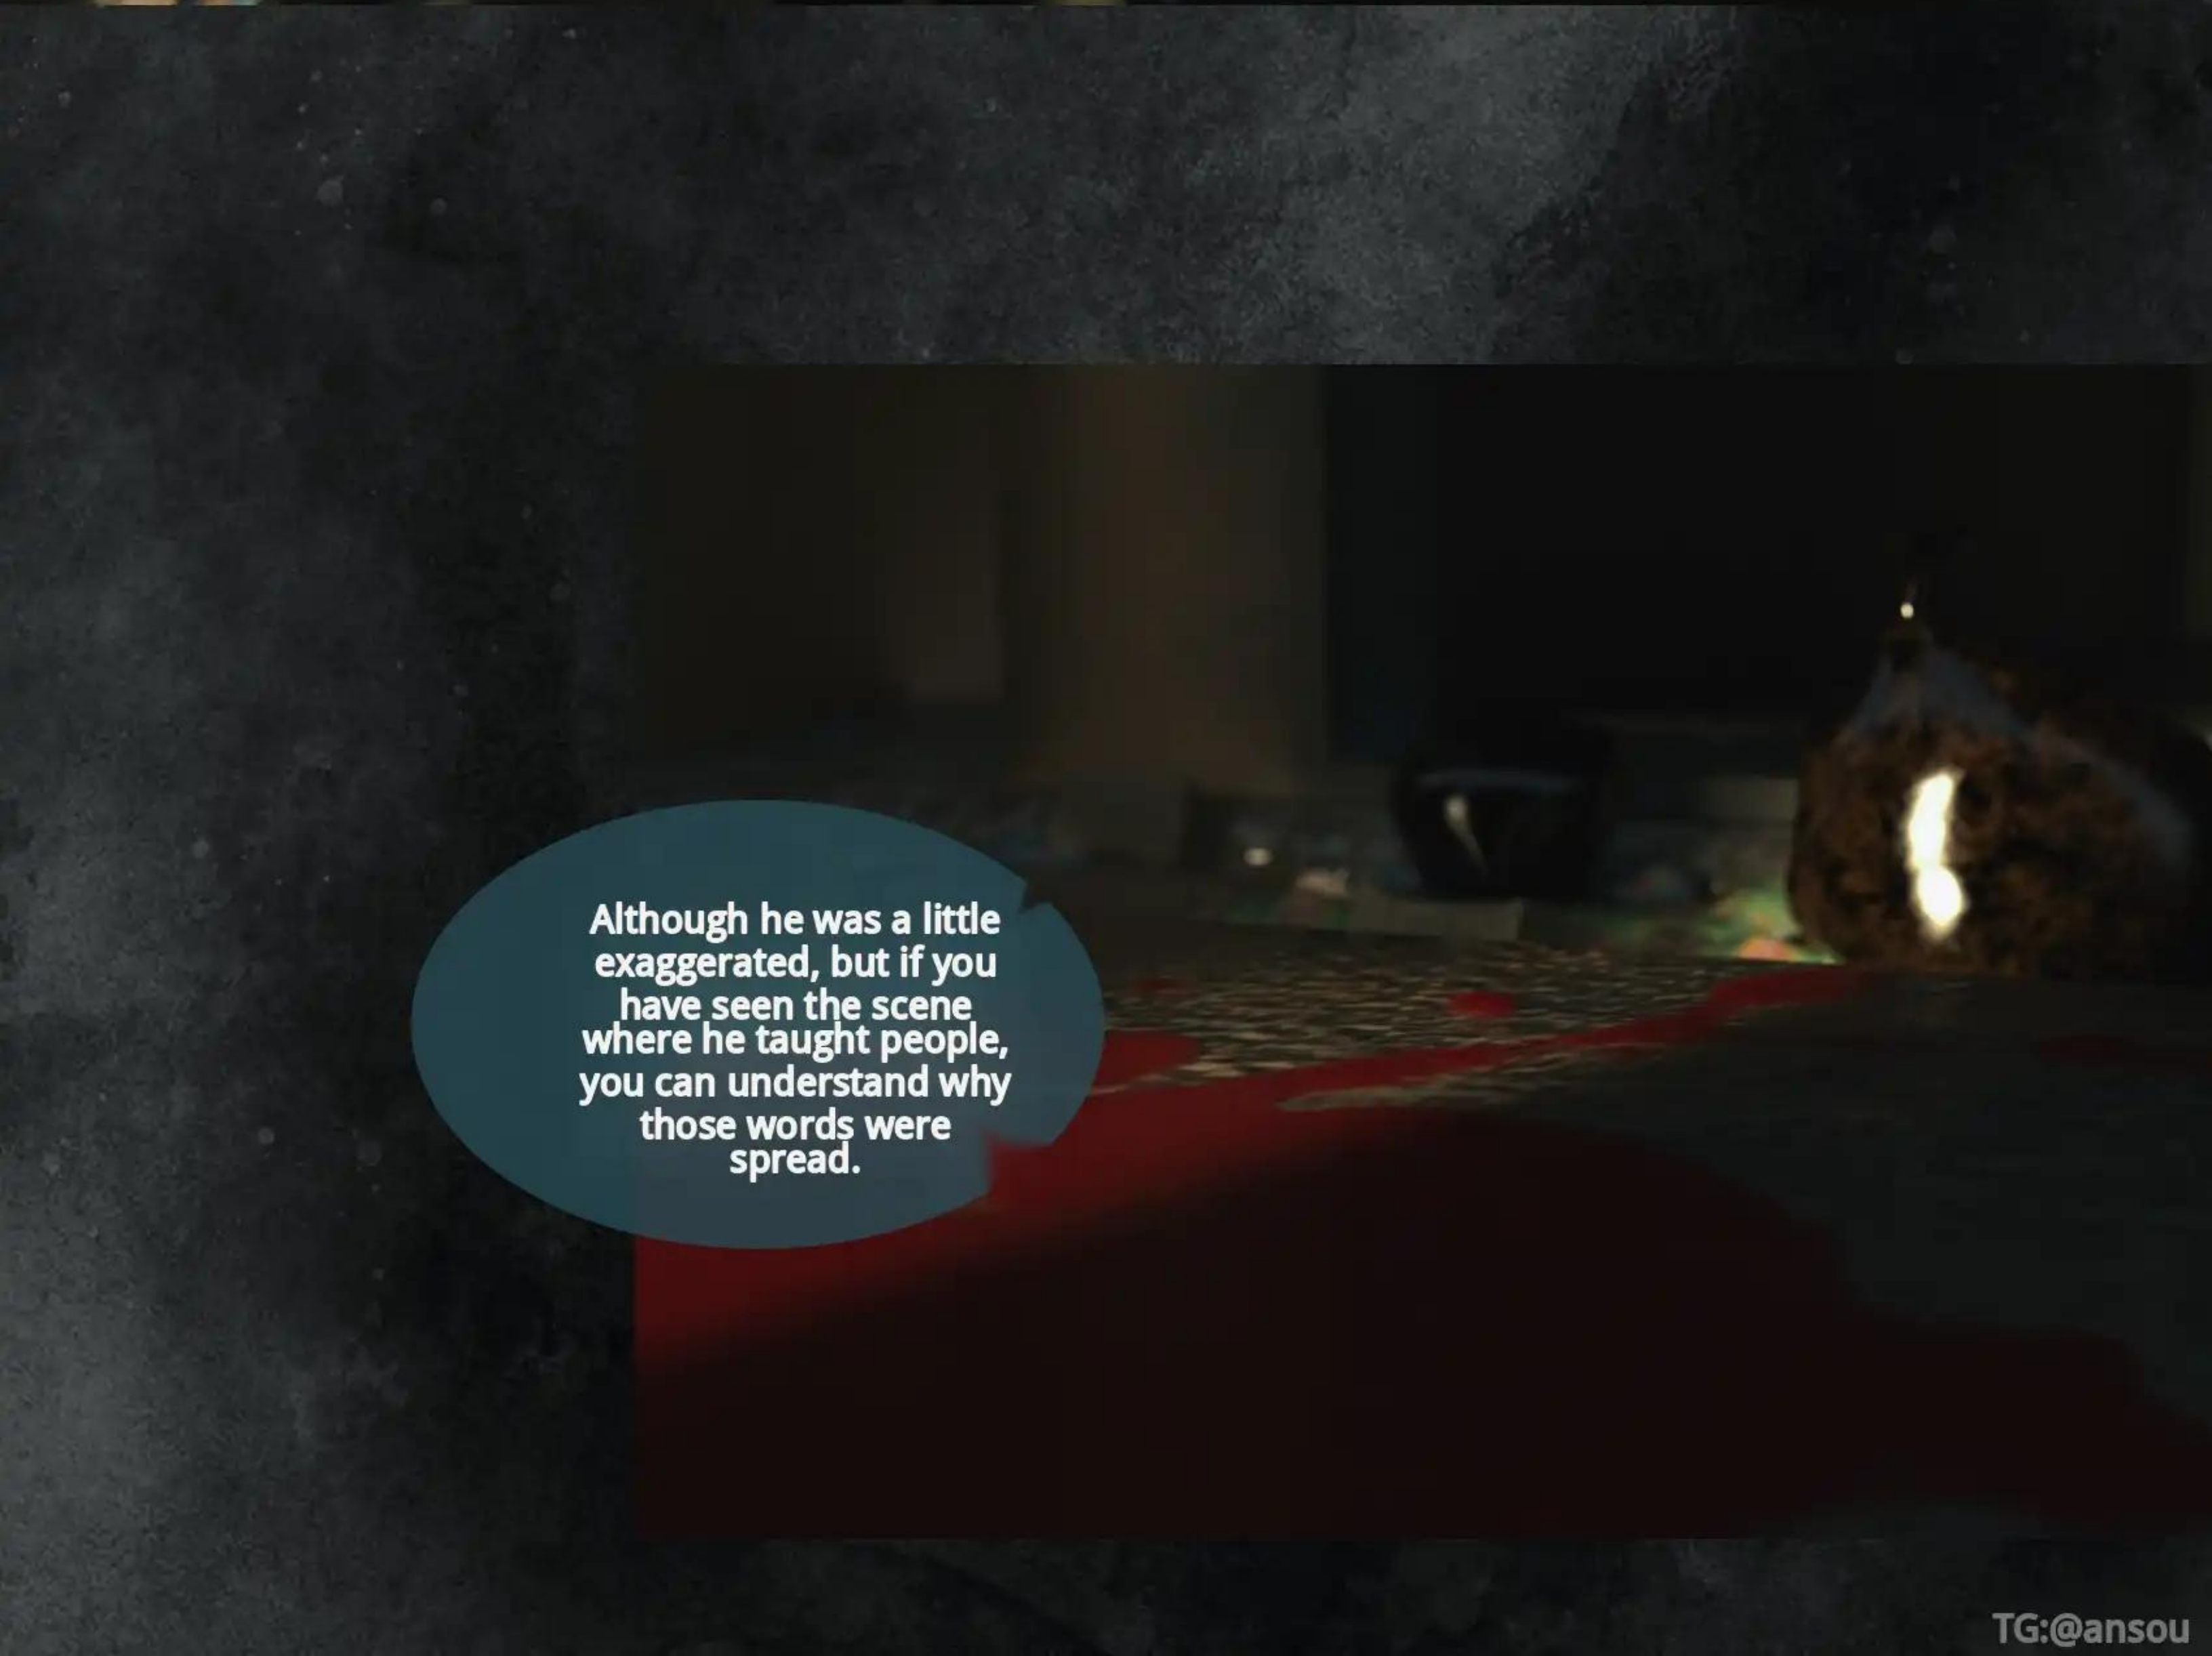

A young man with a short haircut and visible tattoos on his neck and chest is the central figure. He is shirtless and has a baseball bat resting on his right shoulder. He is looking upwards and to the right with a serious expression. The background is dark and industrial, with some blurred figures of other people in the distance. The lighting is dramatic, highlighting the man's features and the texture of his skin.

Your father is a well-known figure in the street, and he is known as a fierce thug. His life-threatening personality quickly caught the attention of his superiors.

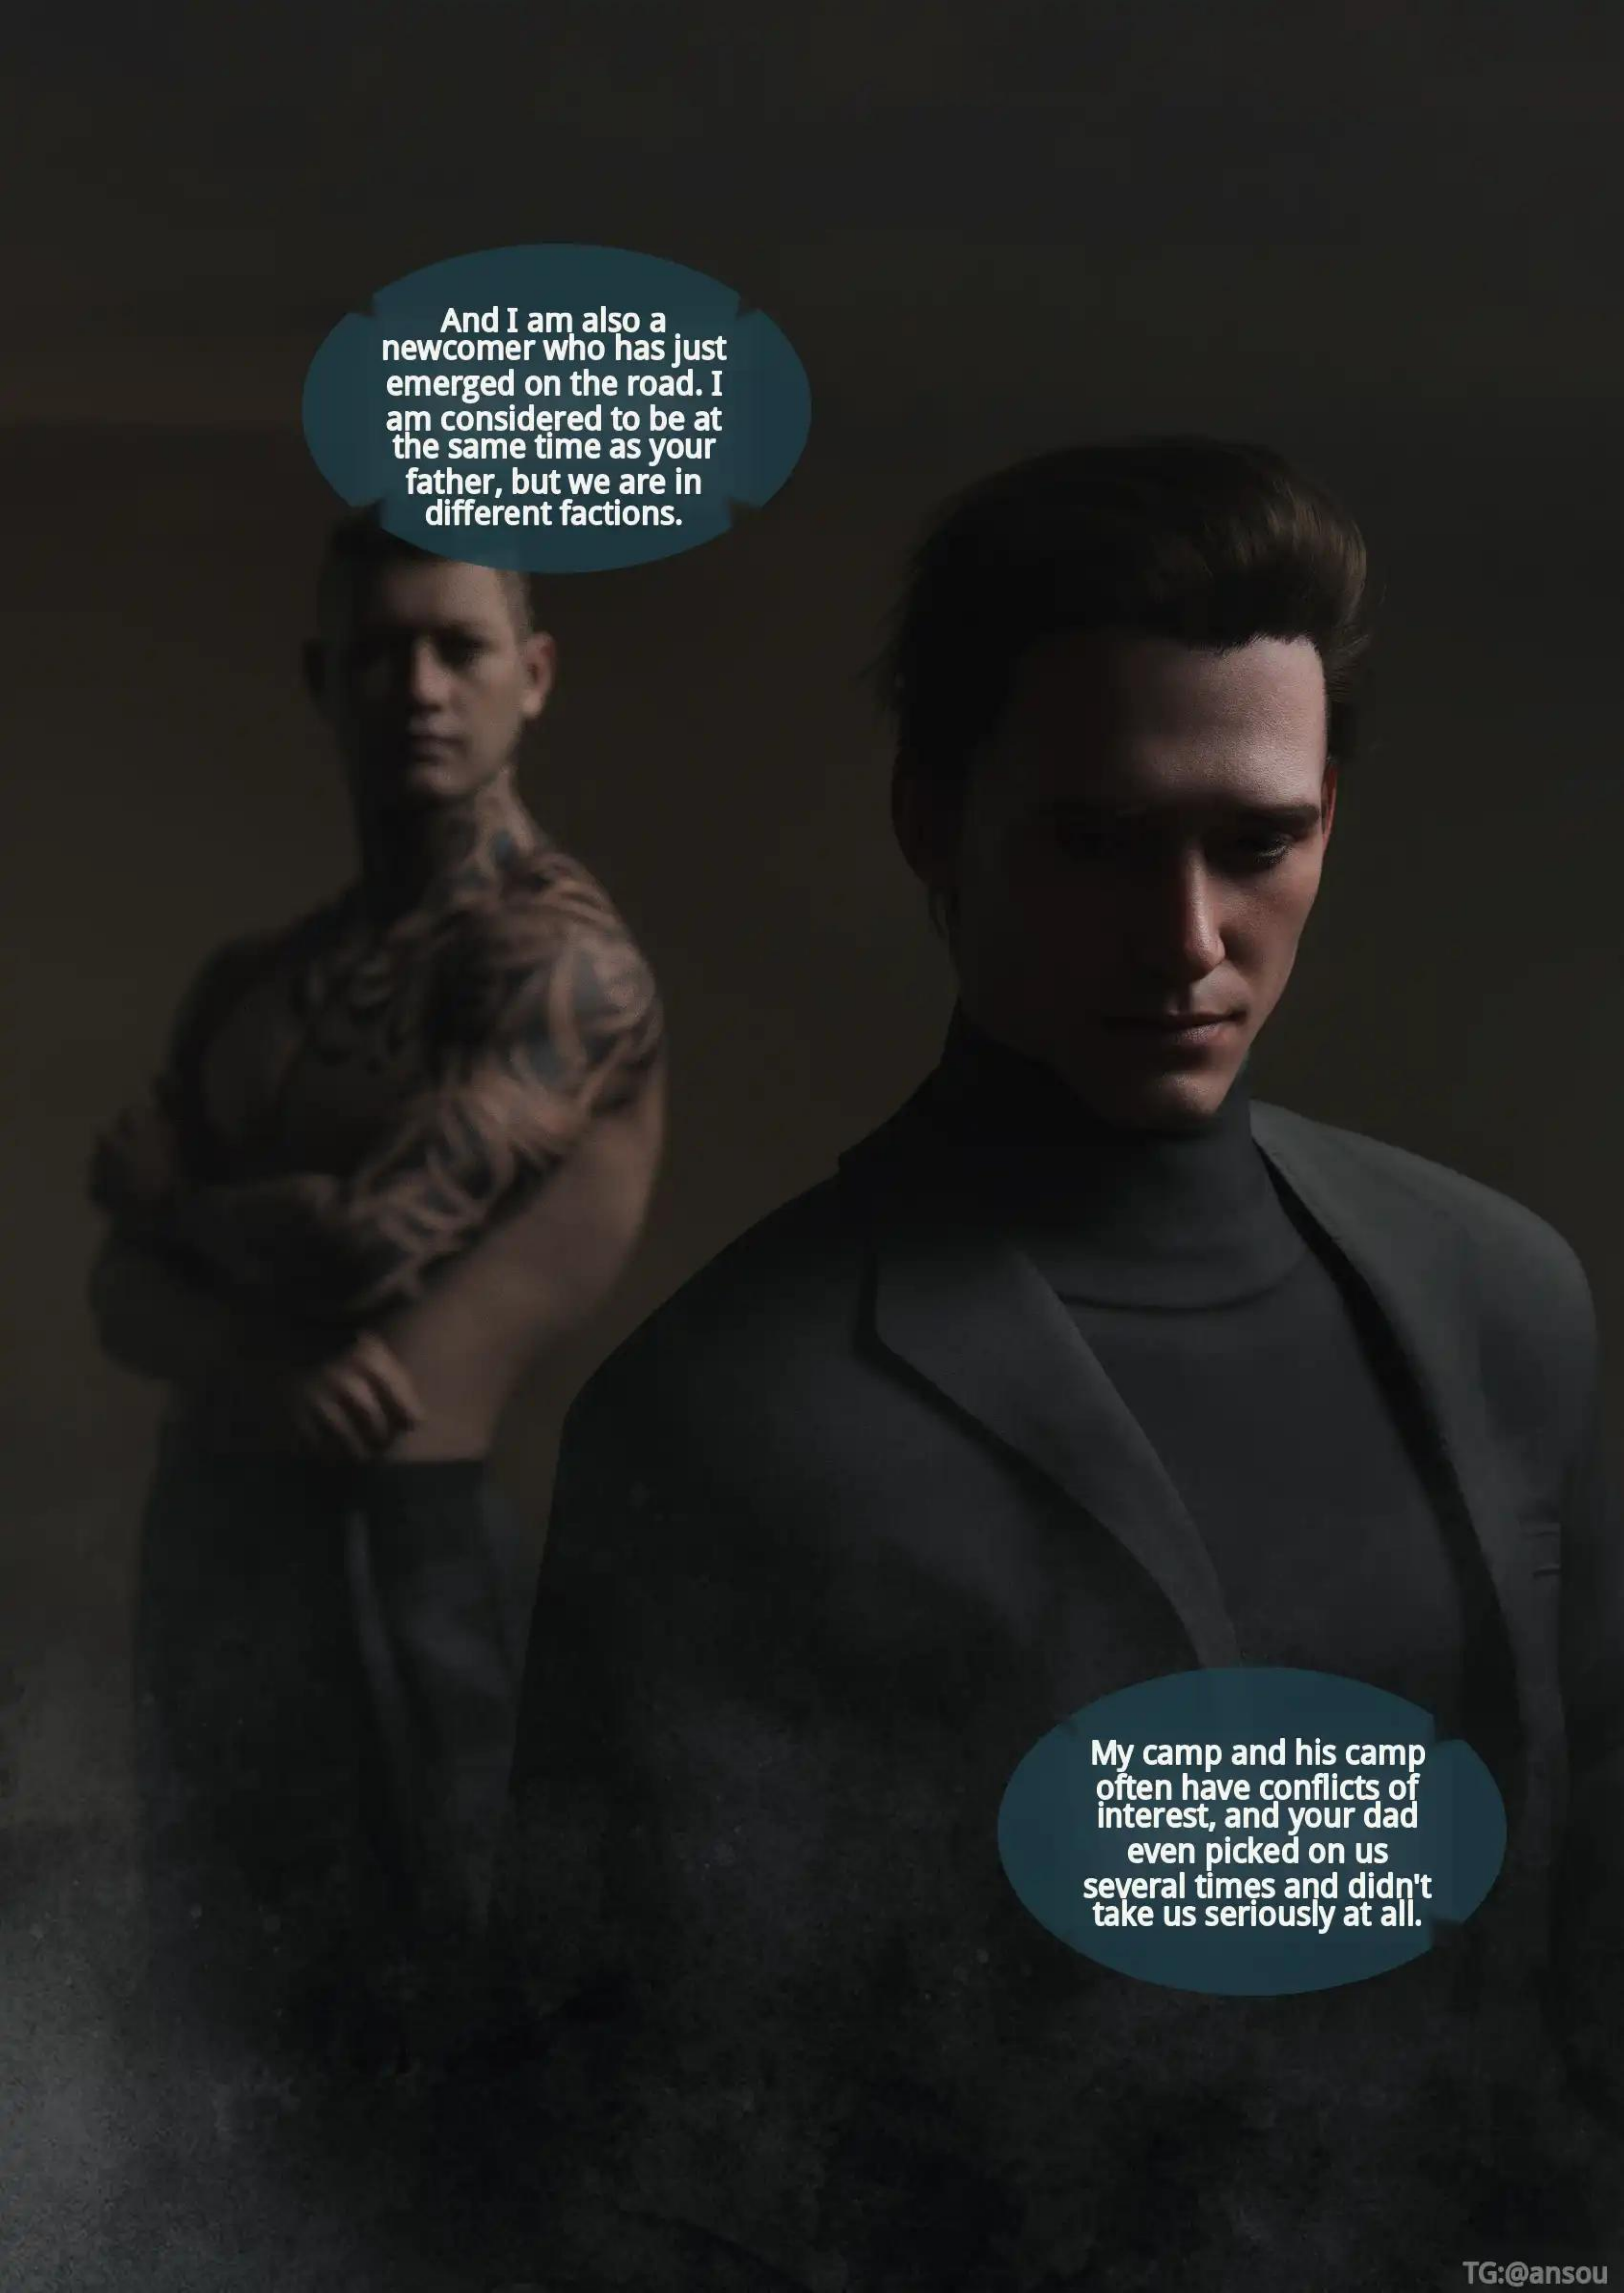

As his status continues to rise, his reputation becomes more and more famous, and he has an unbelievable number of younger brothers and followers. Those who are more successful in the world must be better than him.

A close-up shot of a hand holding a lit cigar. The hand is positioned in the center-left of the frame, with the cigar held between the fingers. The background is dark and out of focus, showing some architectural elements like a window or door frame. The lighting is dramatic, highlighting the hand and the glowing tip of the cigar.

His methods are becoming more and more cruel. It is normal to kill someone, and if he is crippled, he is considered lucky. There are also rumors that he drinks human blood and eats human flesh.

A dark, atmospheric scene showing a red carpet or rug in the foreground. In the background, there is a glowing object, possibly a lamp or a piece of furniture, which is partially obscured by shadows. The overall mood is mysterious and ominous.

Although he was a little exaggerated, but if you have seen the scene where he taught people, you can understand why those words were spread.

And I am also a newcomer who has just emerged on the road. I am considered to be at the same time as your father, but we are in different factions.

My camp and his camp often have conflicts of interest, and your dad even picked on us several times and didn't take us seriously at all.

A dark, moody photograph of a muscular man with a baseball bat on his shoulder and another man looking at him. The scene is dimly lit, with the man's face and muscles highlighted by a soft light. The background is a textured, dark wall.

His and I were evenly
matched, but he
deliberately targeted us
and even entered the
Our
camp.

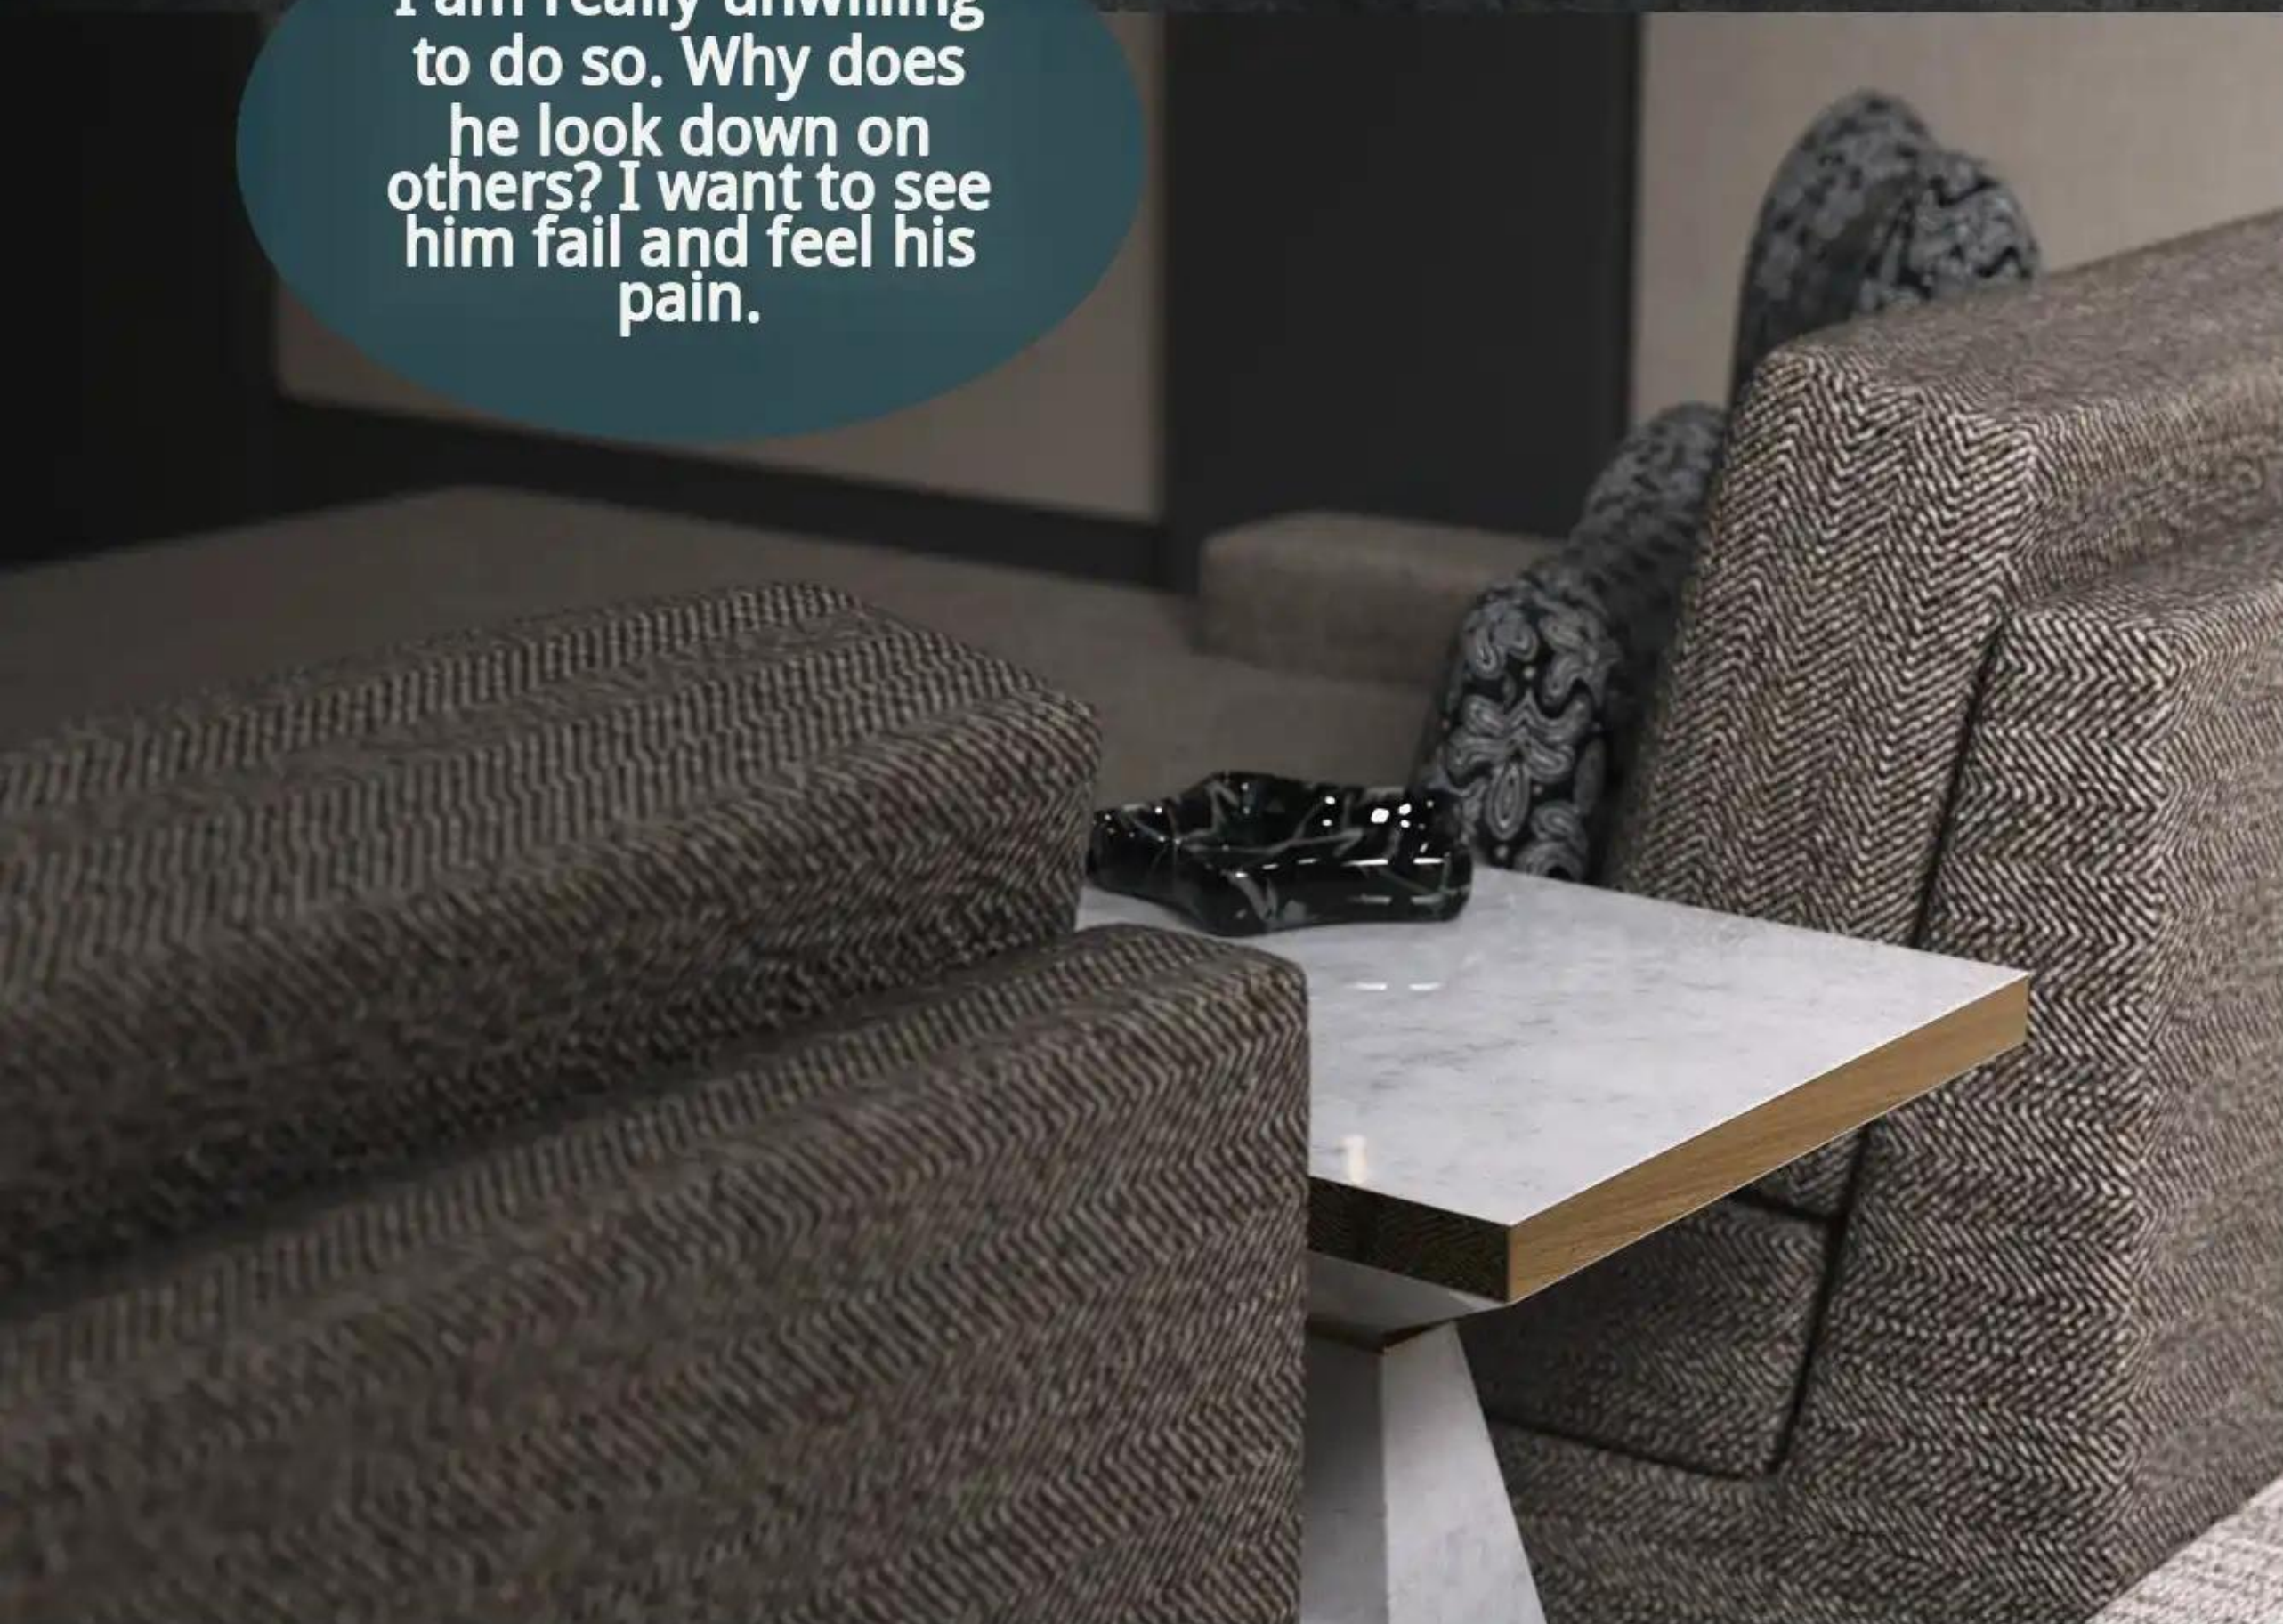

I thought he was a
respectable opponent,
but I didn't expect him
to be just a beast that
enjoys violence and
can't get through.

Even though we had agreed to give up part of our territory, he still refused and took pleasure in torturing us.

All kinds of beatings, sweat and humiliation, completely crushing our dignity and trampling it underneath, and then showing our happy expressions again.

I am really unwilling to do so. Why does he look down on others? I want to see him fail and feel his pain.

It is impossible for a person to have a smooth life. He will kick the iron plate one day, and I believe that I am the one who can completely beat him.

A man with extensive black and grey tattoos on his neck, shoulders, and arms is sitting on a black chair. His hands are cuffed to the backrest of the chair. He is wearing black shorts and a black wristband. The background is a plain, light-colored wall.

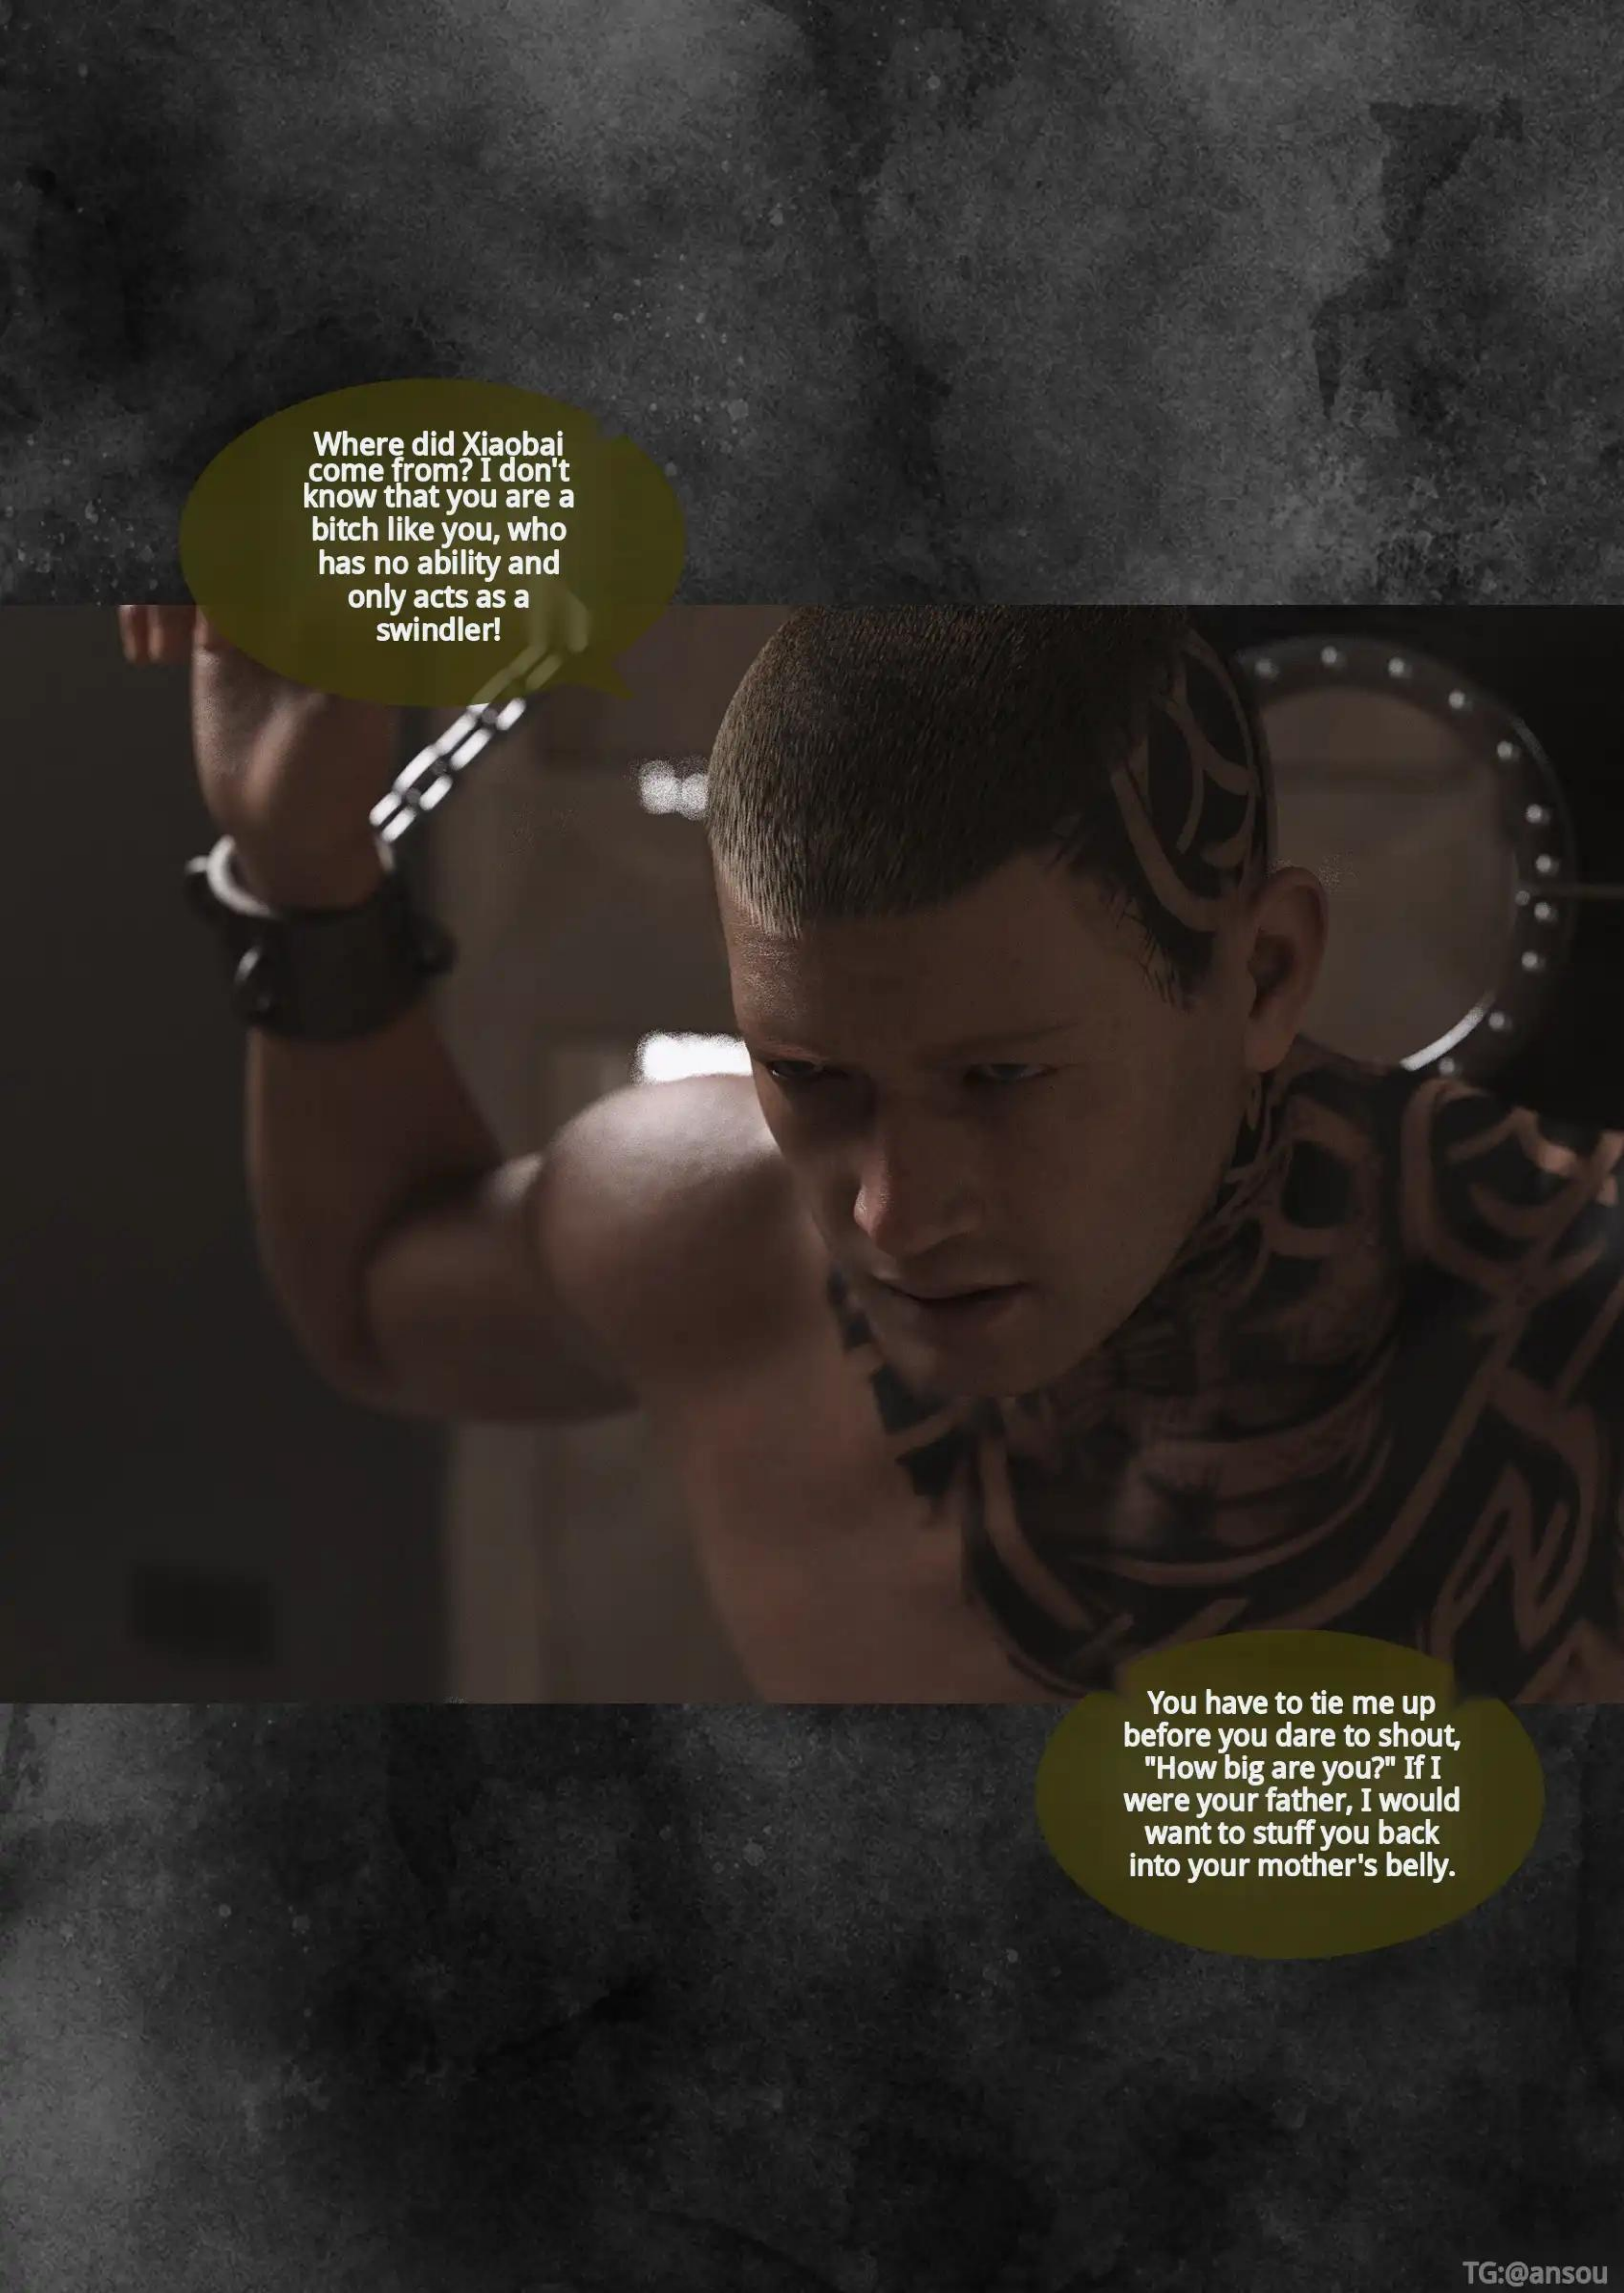

I endured the humiliation and patiently waited for the opportunity, and finally in the recent success game, he came to me turf.

It's really difficult for him, he caused me a lot of losses, but if it falls into my hands, I have plenty of time to get it back from him.....

Long time no see, you
didn't expect it to fall
into my hands, right?
Haven't you always
looked down on me?
How do you feel now?

But it's useless no matter
how hard you try, your
defeated generals will end
up being slaughtered by
others. I will make you
regret everything you did
before.

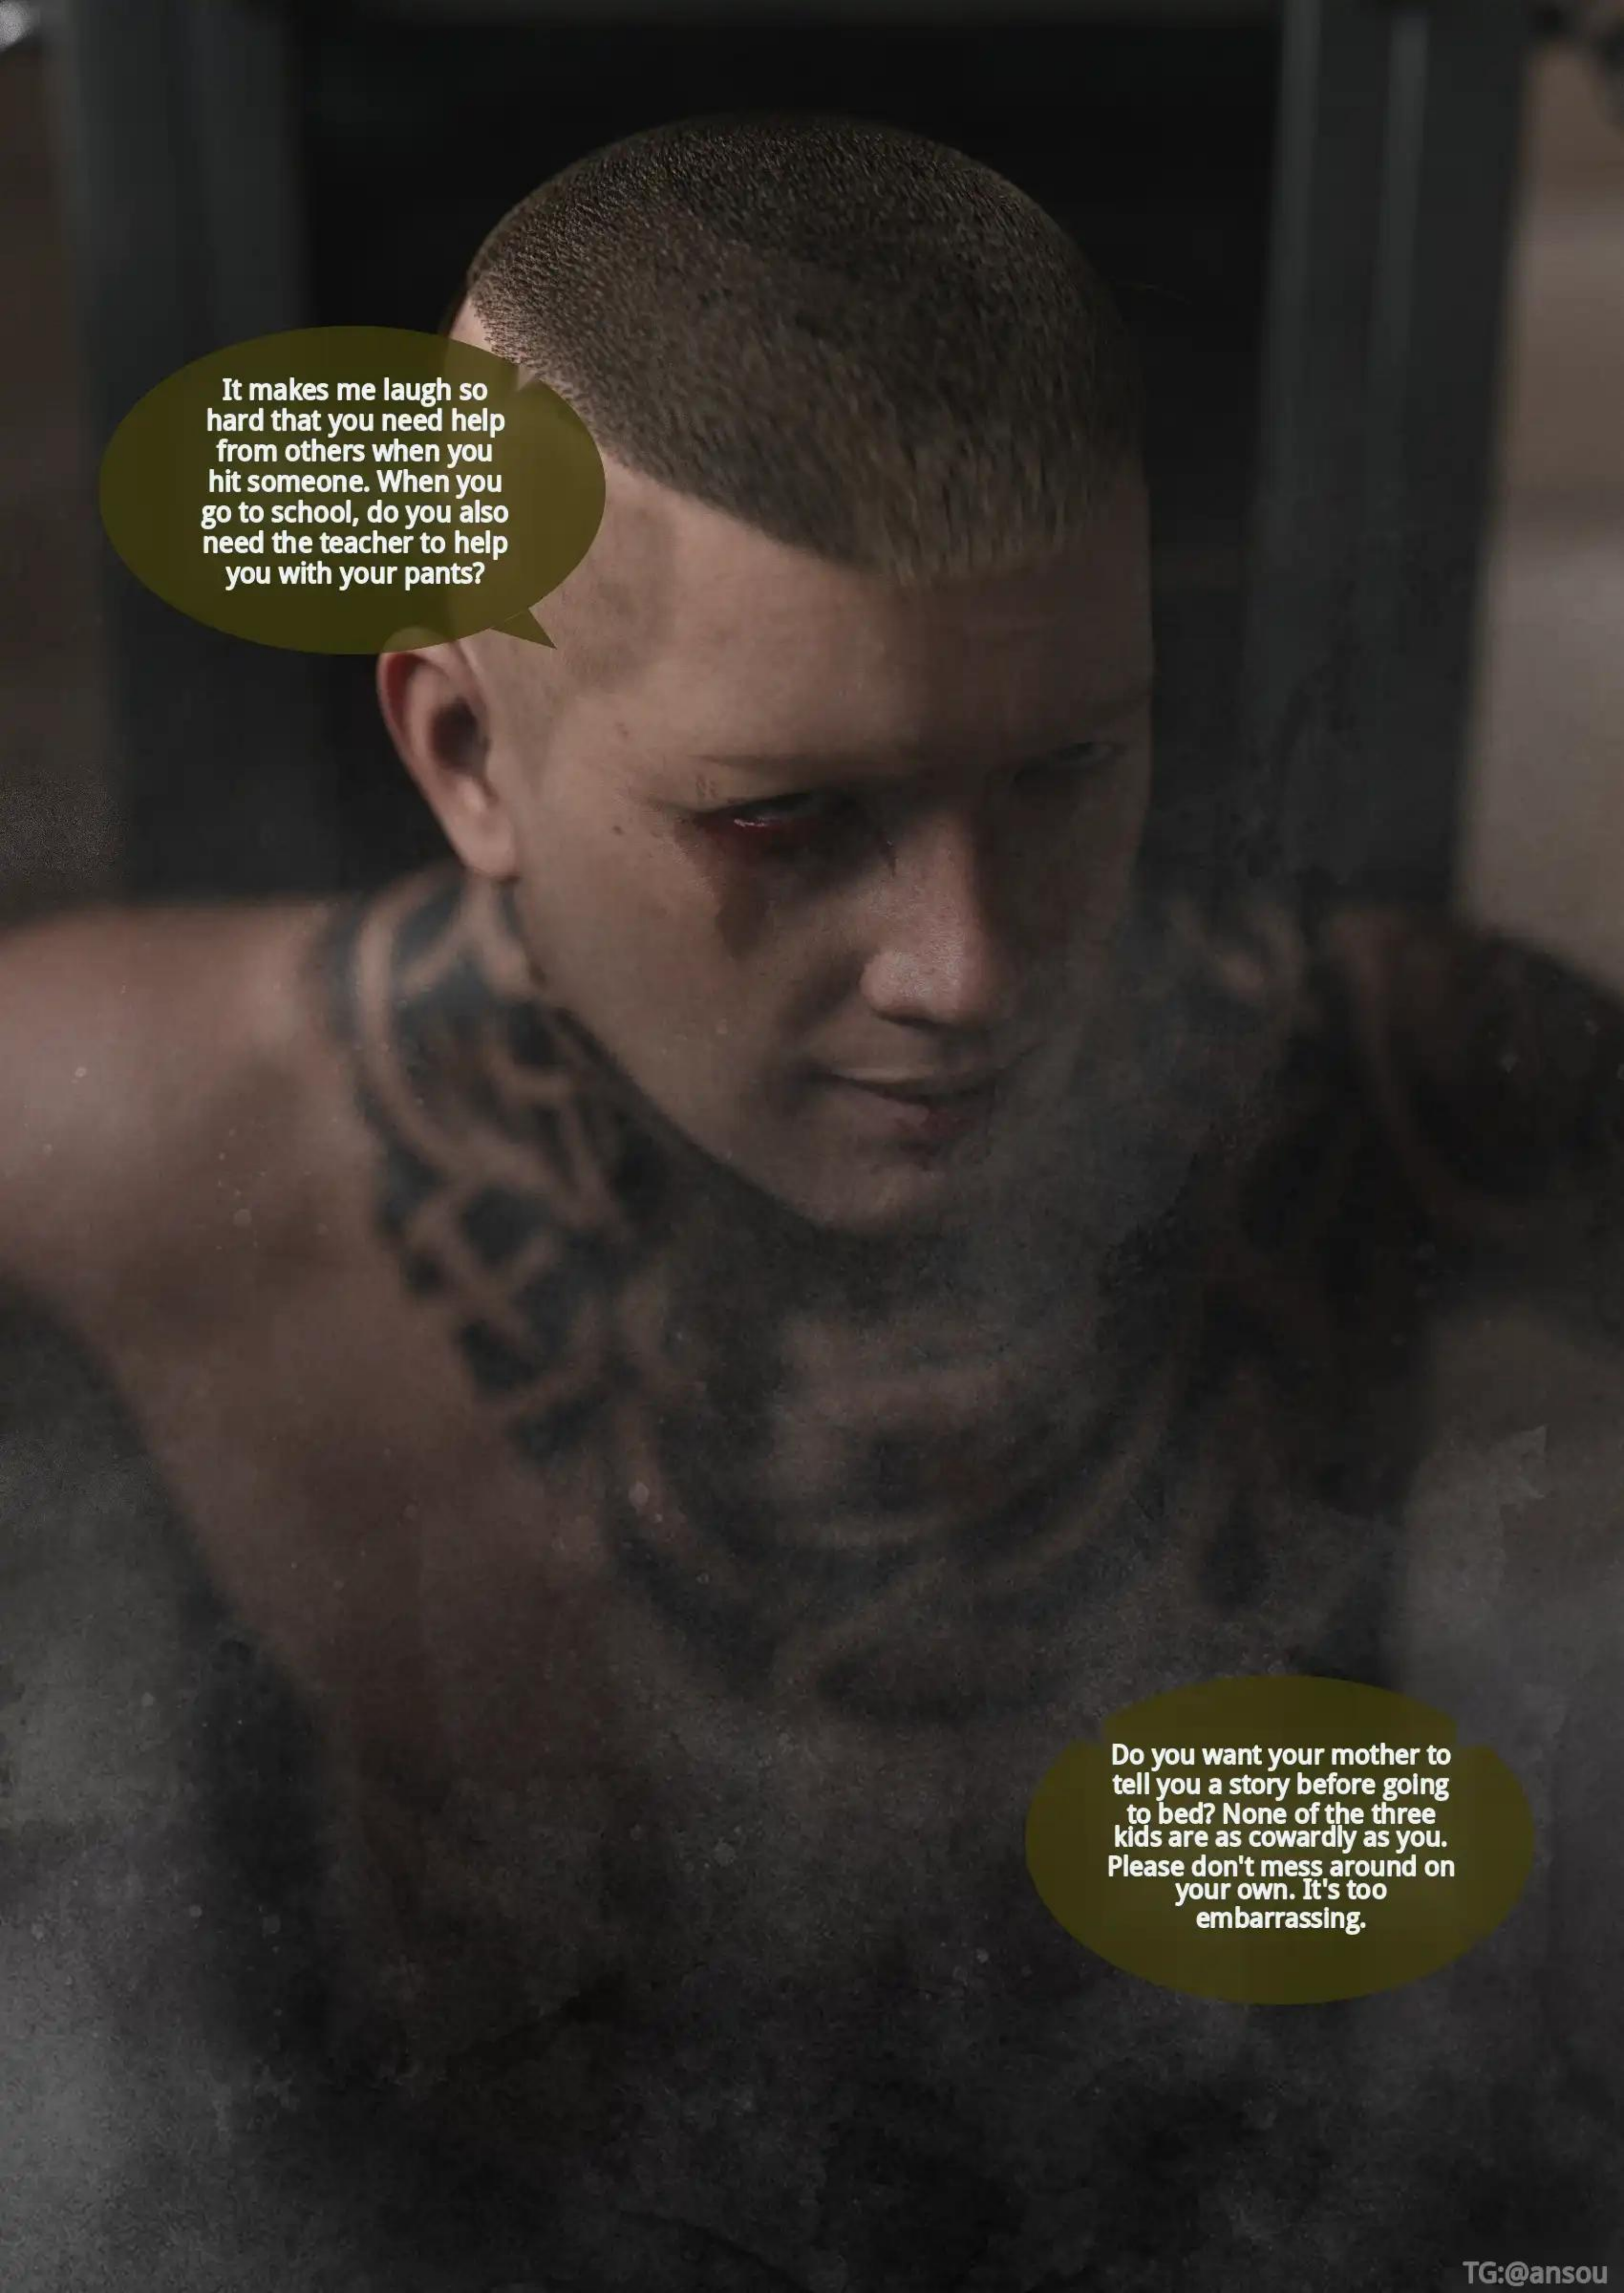

Where did Xiaobai come from? I don't know that you are a bitch like you, who has no ability and only acts as a swindler!

You have to tie me up before you dare to shout, "How big are you?" If I were your father, I would want to stuff you back into your mother's belly.

It seems you still don't understand the situation... Take action! Give him a long memory and stop him from barking!

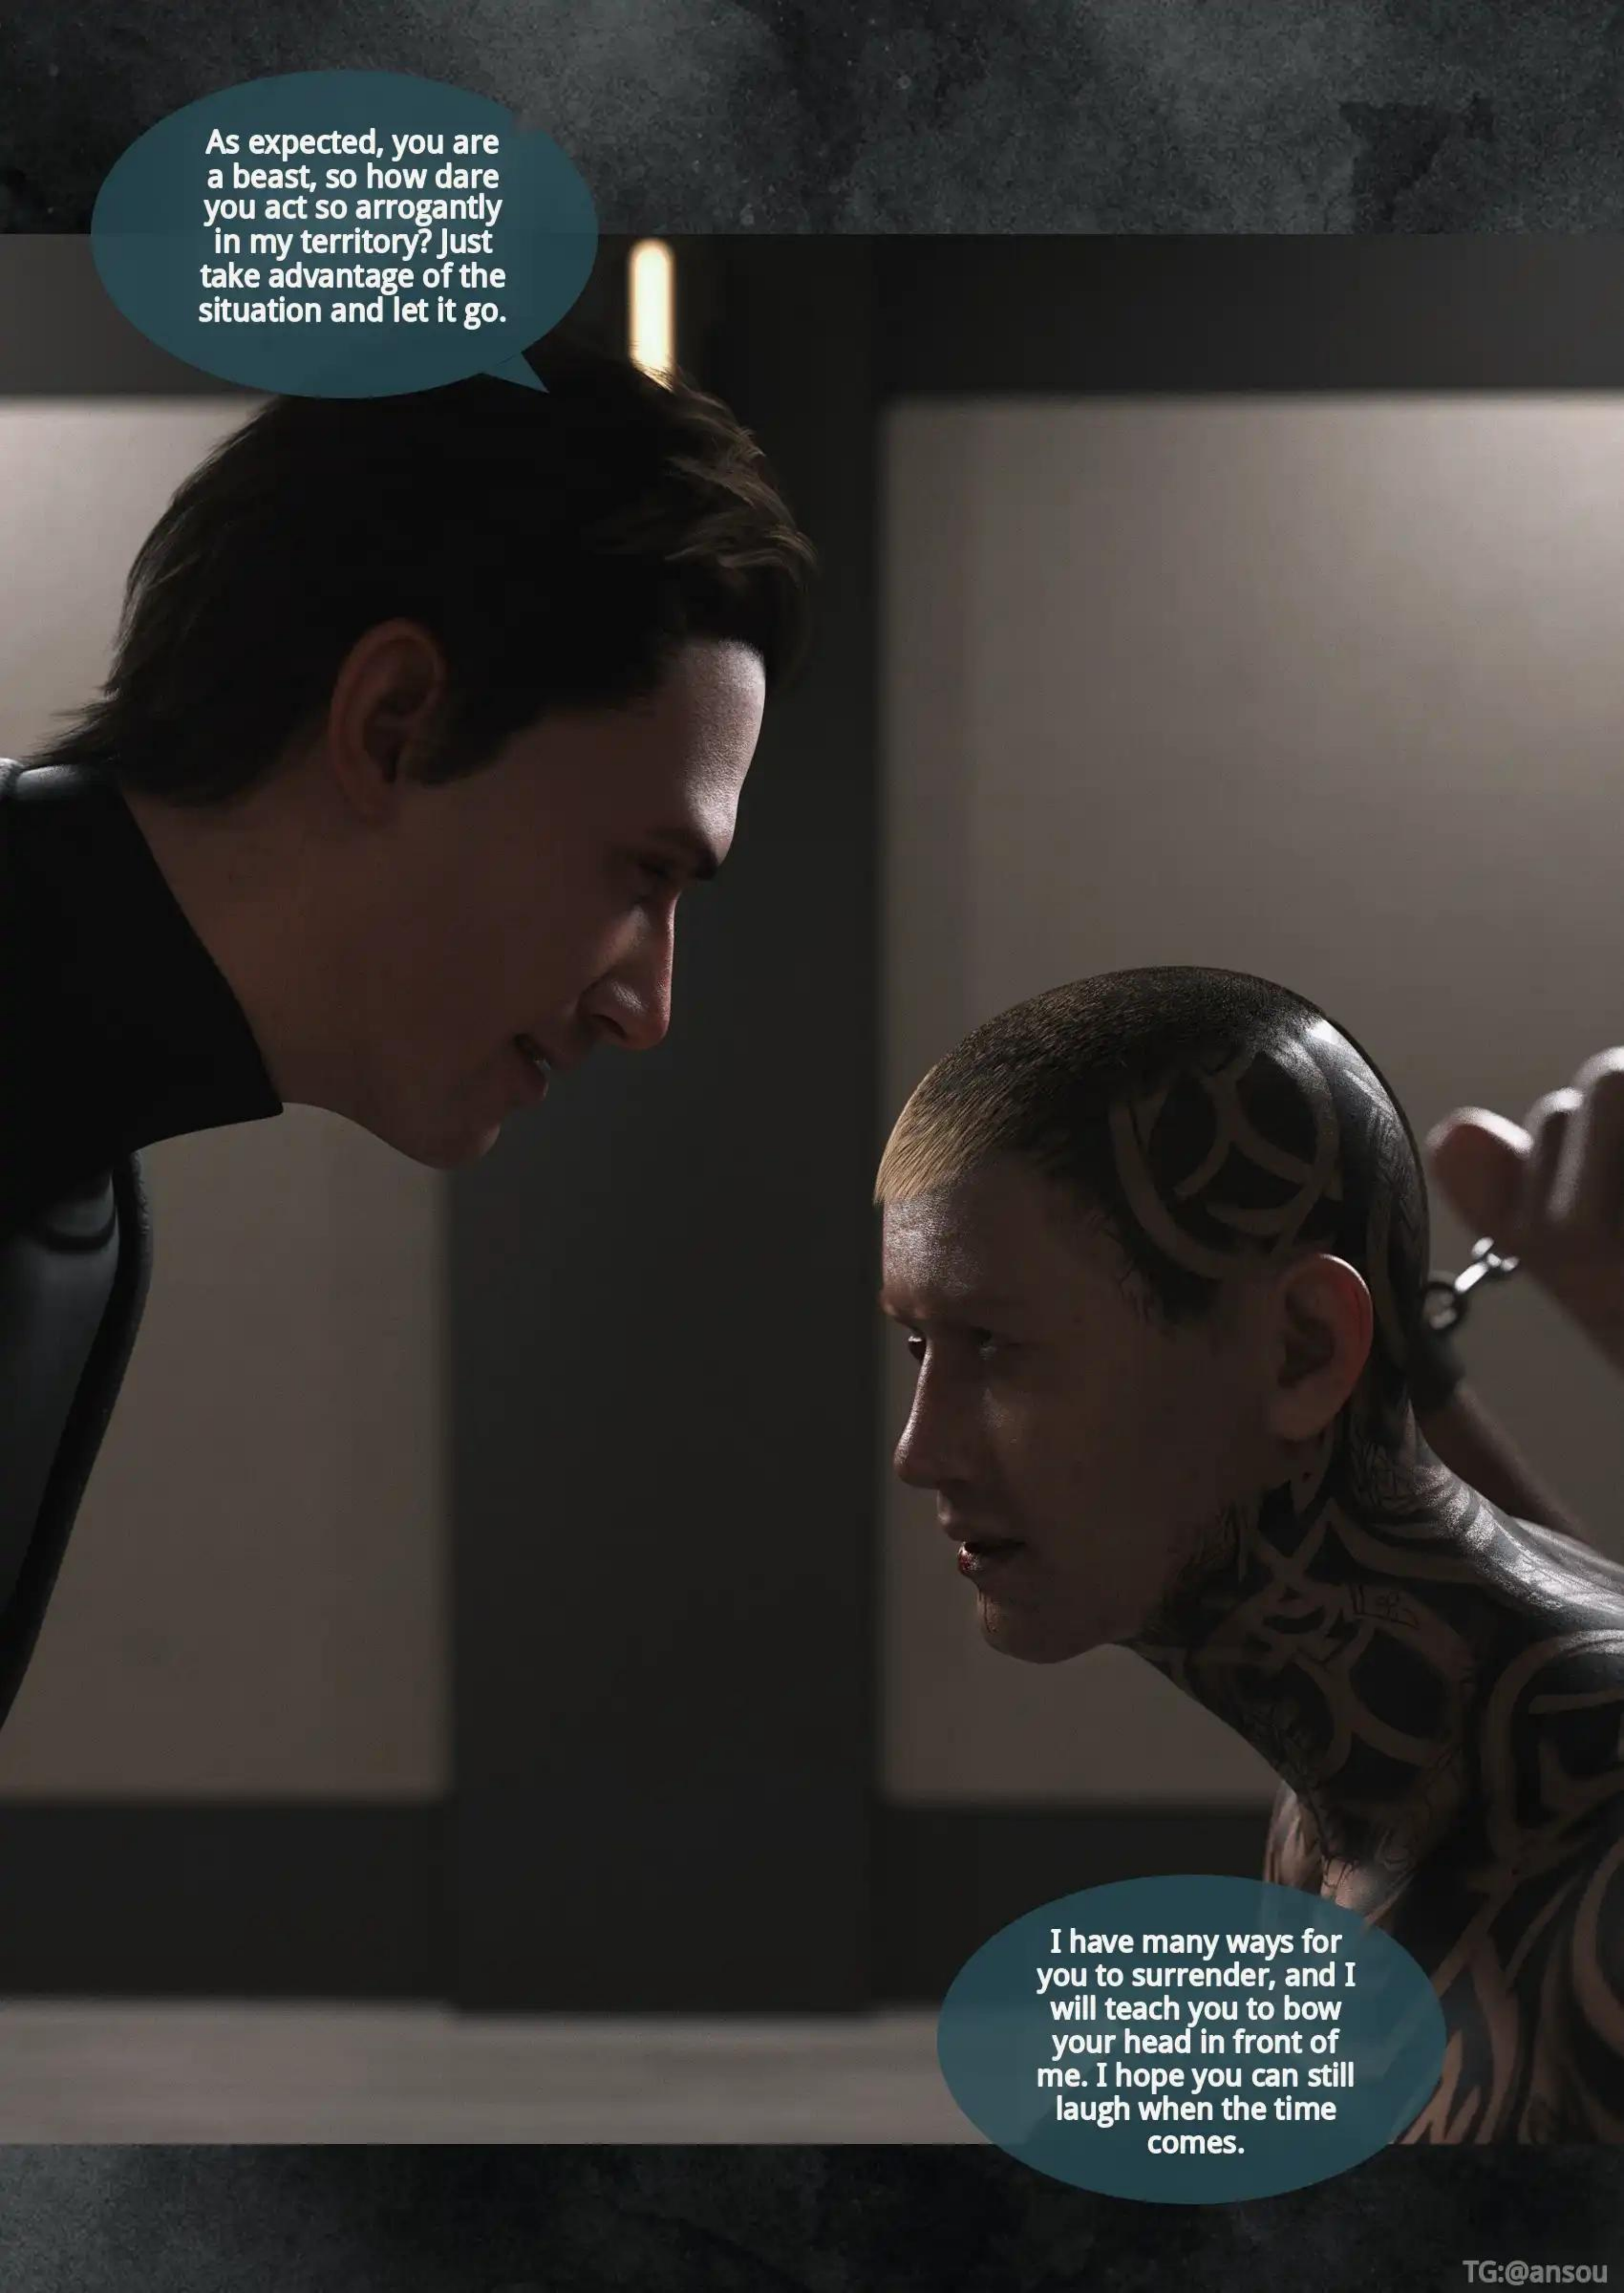

Woohoo...!
Hold!

It makes me laugh so hard that you need help from others when you hit someone. When you go to school, do you also need the teacher to help you with your pants?

Do you want your mother to tell you a story before going to bed? None of the three kids are as cowardly as you. Please don't mess around on your own. It's too embarrassing.

As expected, you are a beast, so how dare you act so arrogantly in my territory? Just take advantage of the situation and let it go.

I have many ways for you to surrender, and I will teach you to bow your head in front of me. I hope you can still laugh when the time comes.

A man with extensive tattoos is lying in a black restraint chair. His arms are held out to the sides, and his hands are secured with metal cuffs and chains. A hand is visible on his forehead, suggesting he is restrained or being examined. The background is a dark, textured wall.

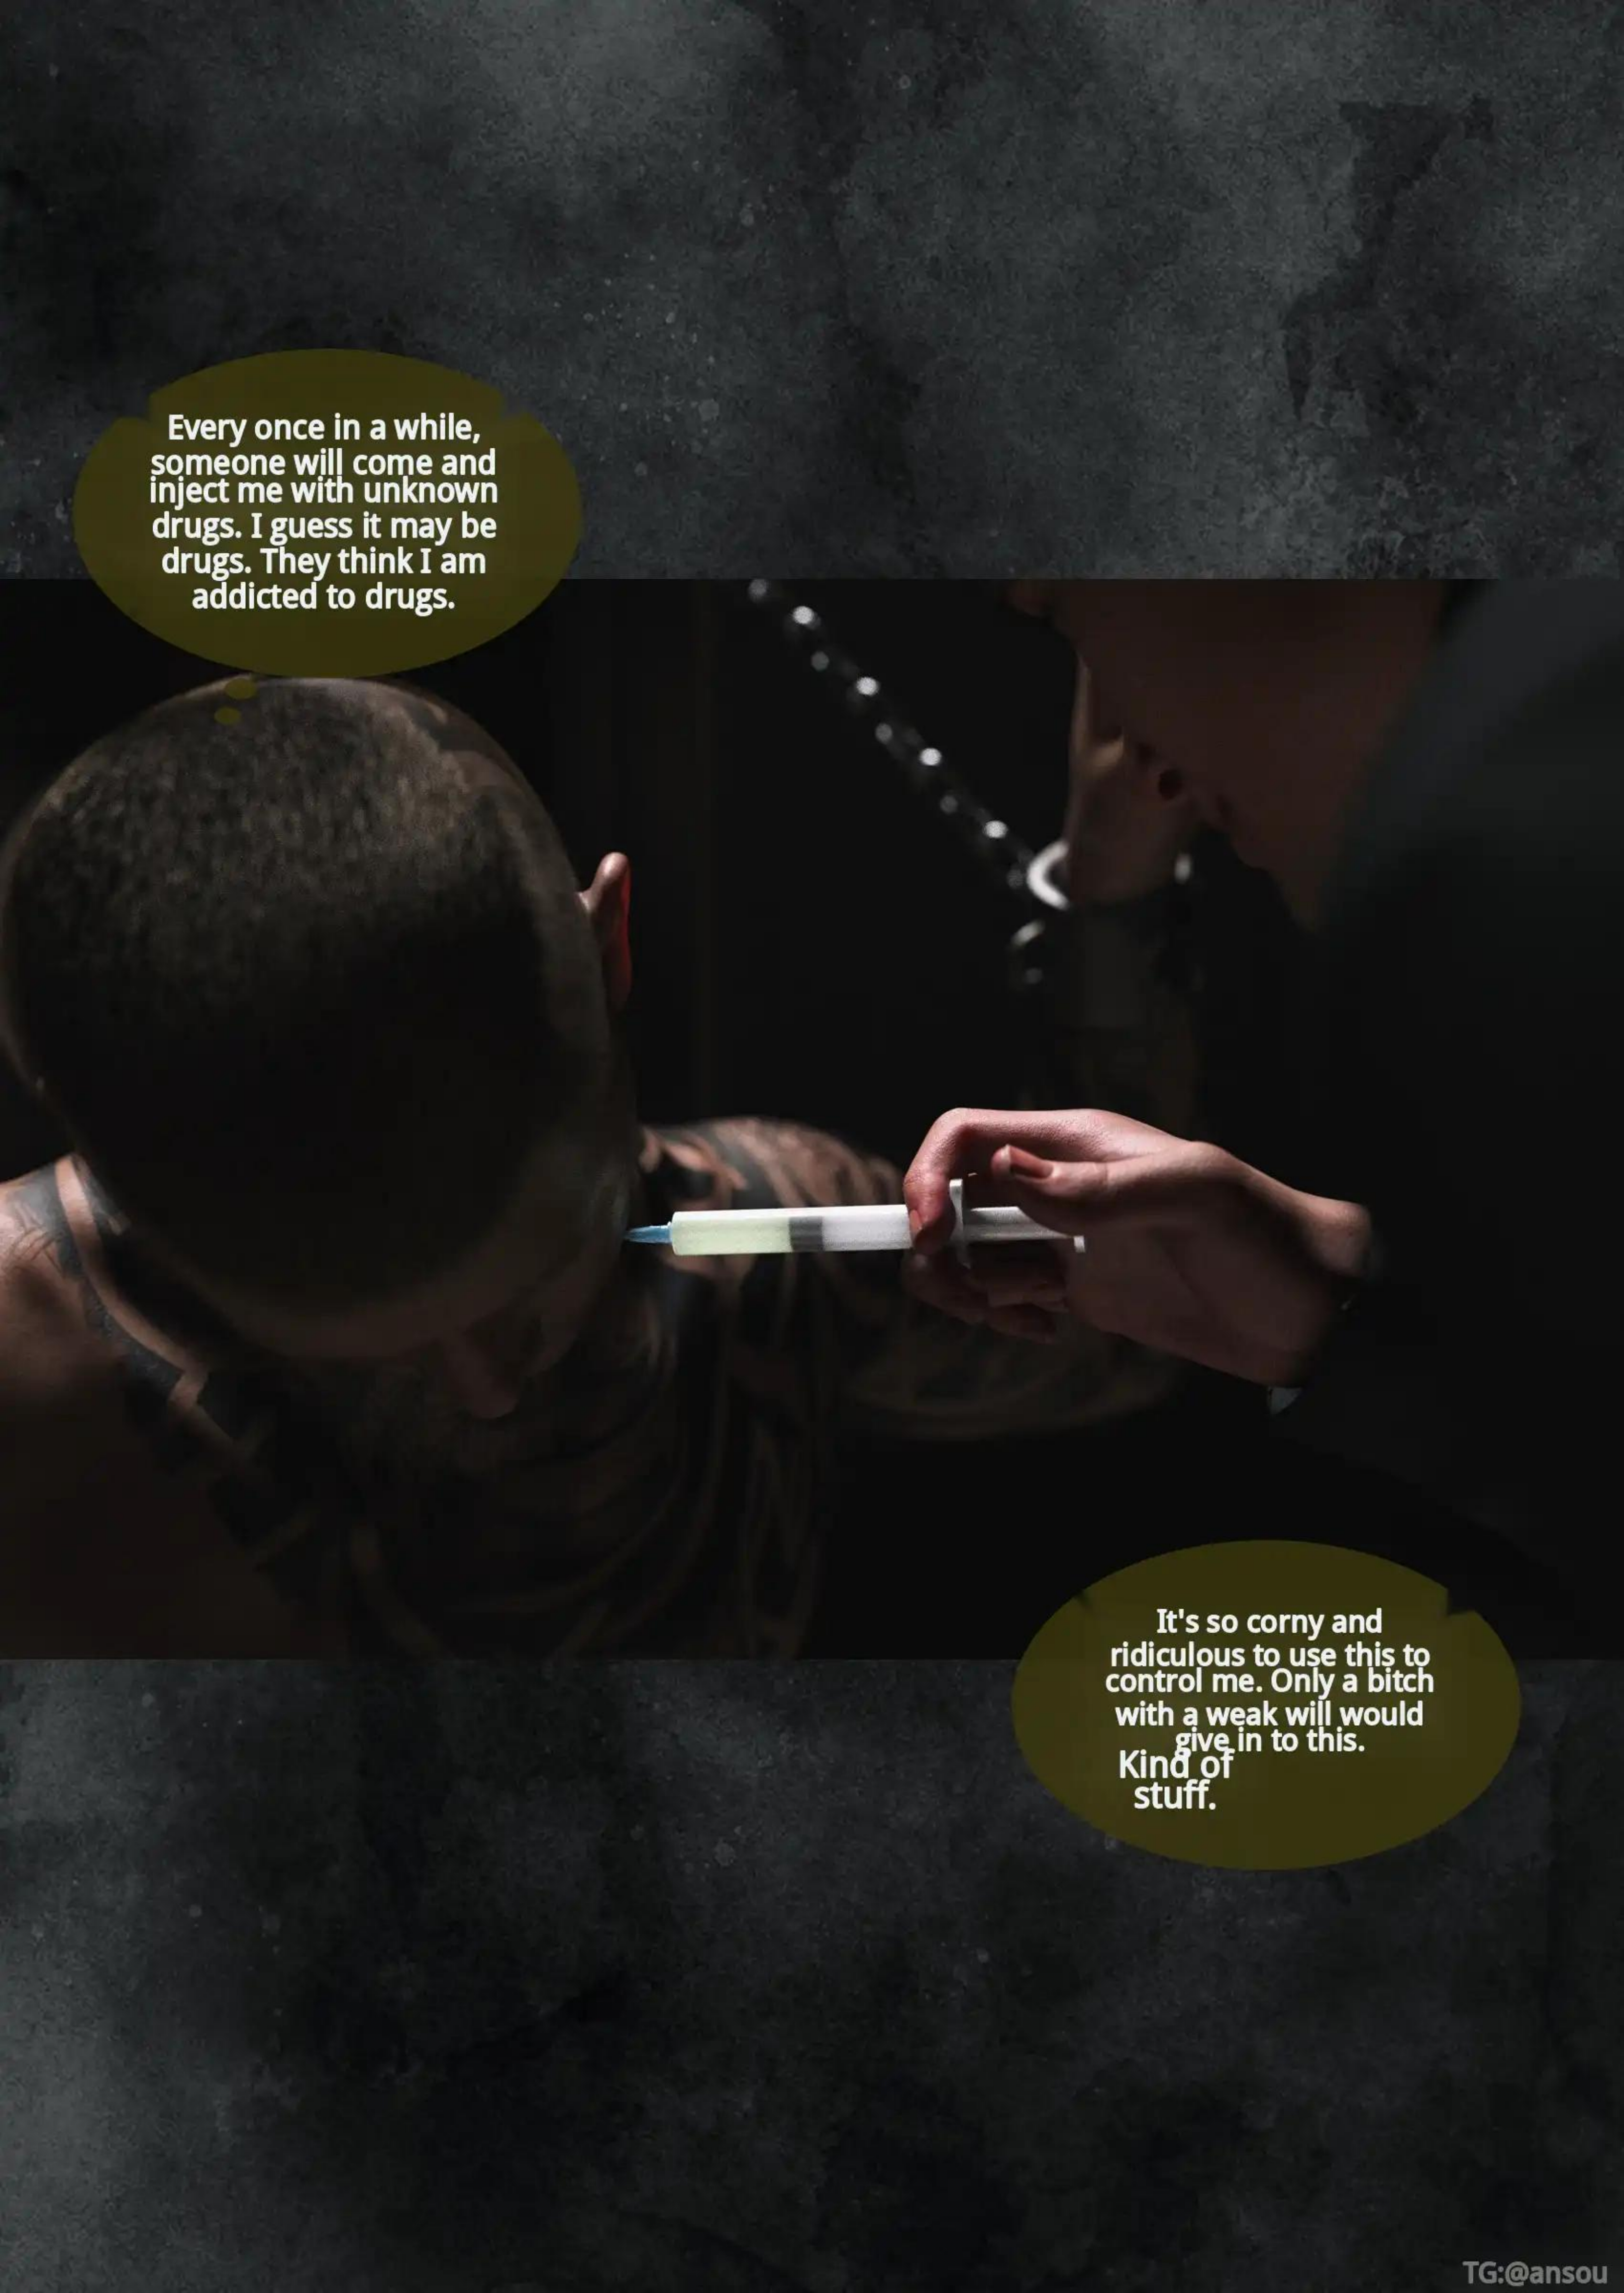

One day you will be obedient to me. From now on you, this mad dog, can only be happy with your tail and beg me to give you pleasure.

I'm looking forward to that day. Until then, hold on, enjoy it, and don't die.
On the way.

A man with a shaved head and tattoos is shown from the chest up, sitting in a dark, windowless room. He is shirtless and has his hands cuffed to a horizontal metal bar above his head. The lighting is very dim, creating a somber and claustrophobic atmosphere. The background consists of dark, vertical panels, possibly part of a prison cell or a secure facility.

I didn't see that damn bitch again after that. I was locked in a windowless place, which seemed to be a basement.

The lights here are dim and I can't tell the difference between day and night. I don't know how much time has passed, maybe it's days or months.

A dark, moody photograph showing a person from behind, wearing a striped shirt. A hand is holding a syringe with a yellow plunger, injecting the person's neck. The scene is dimly lit, with a chain of lights visible in the background.

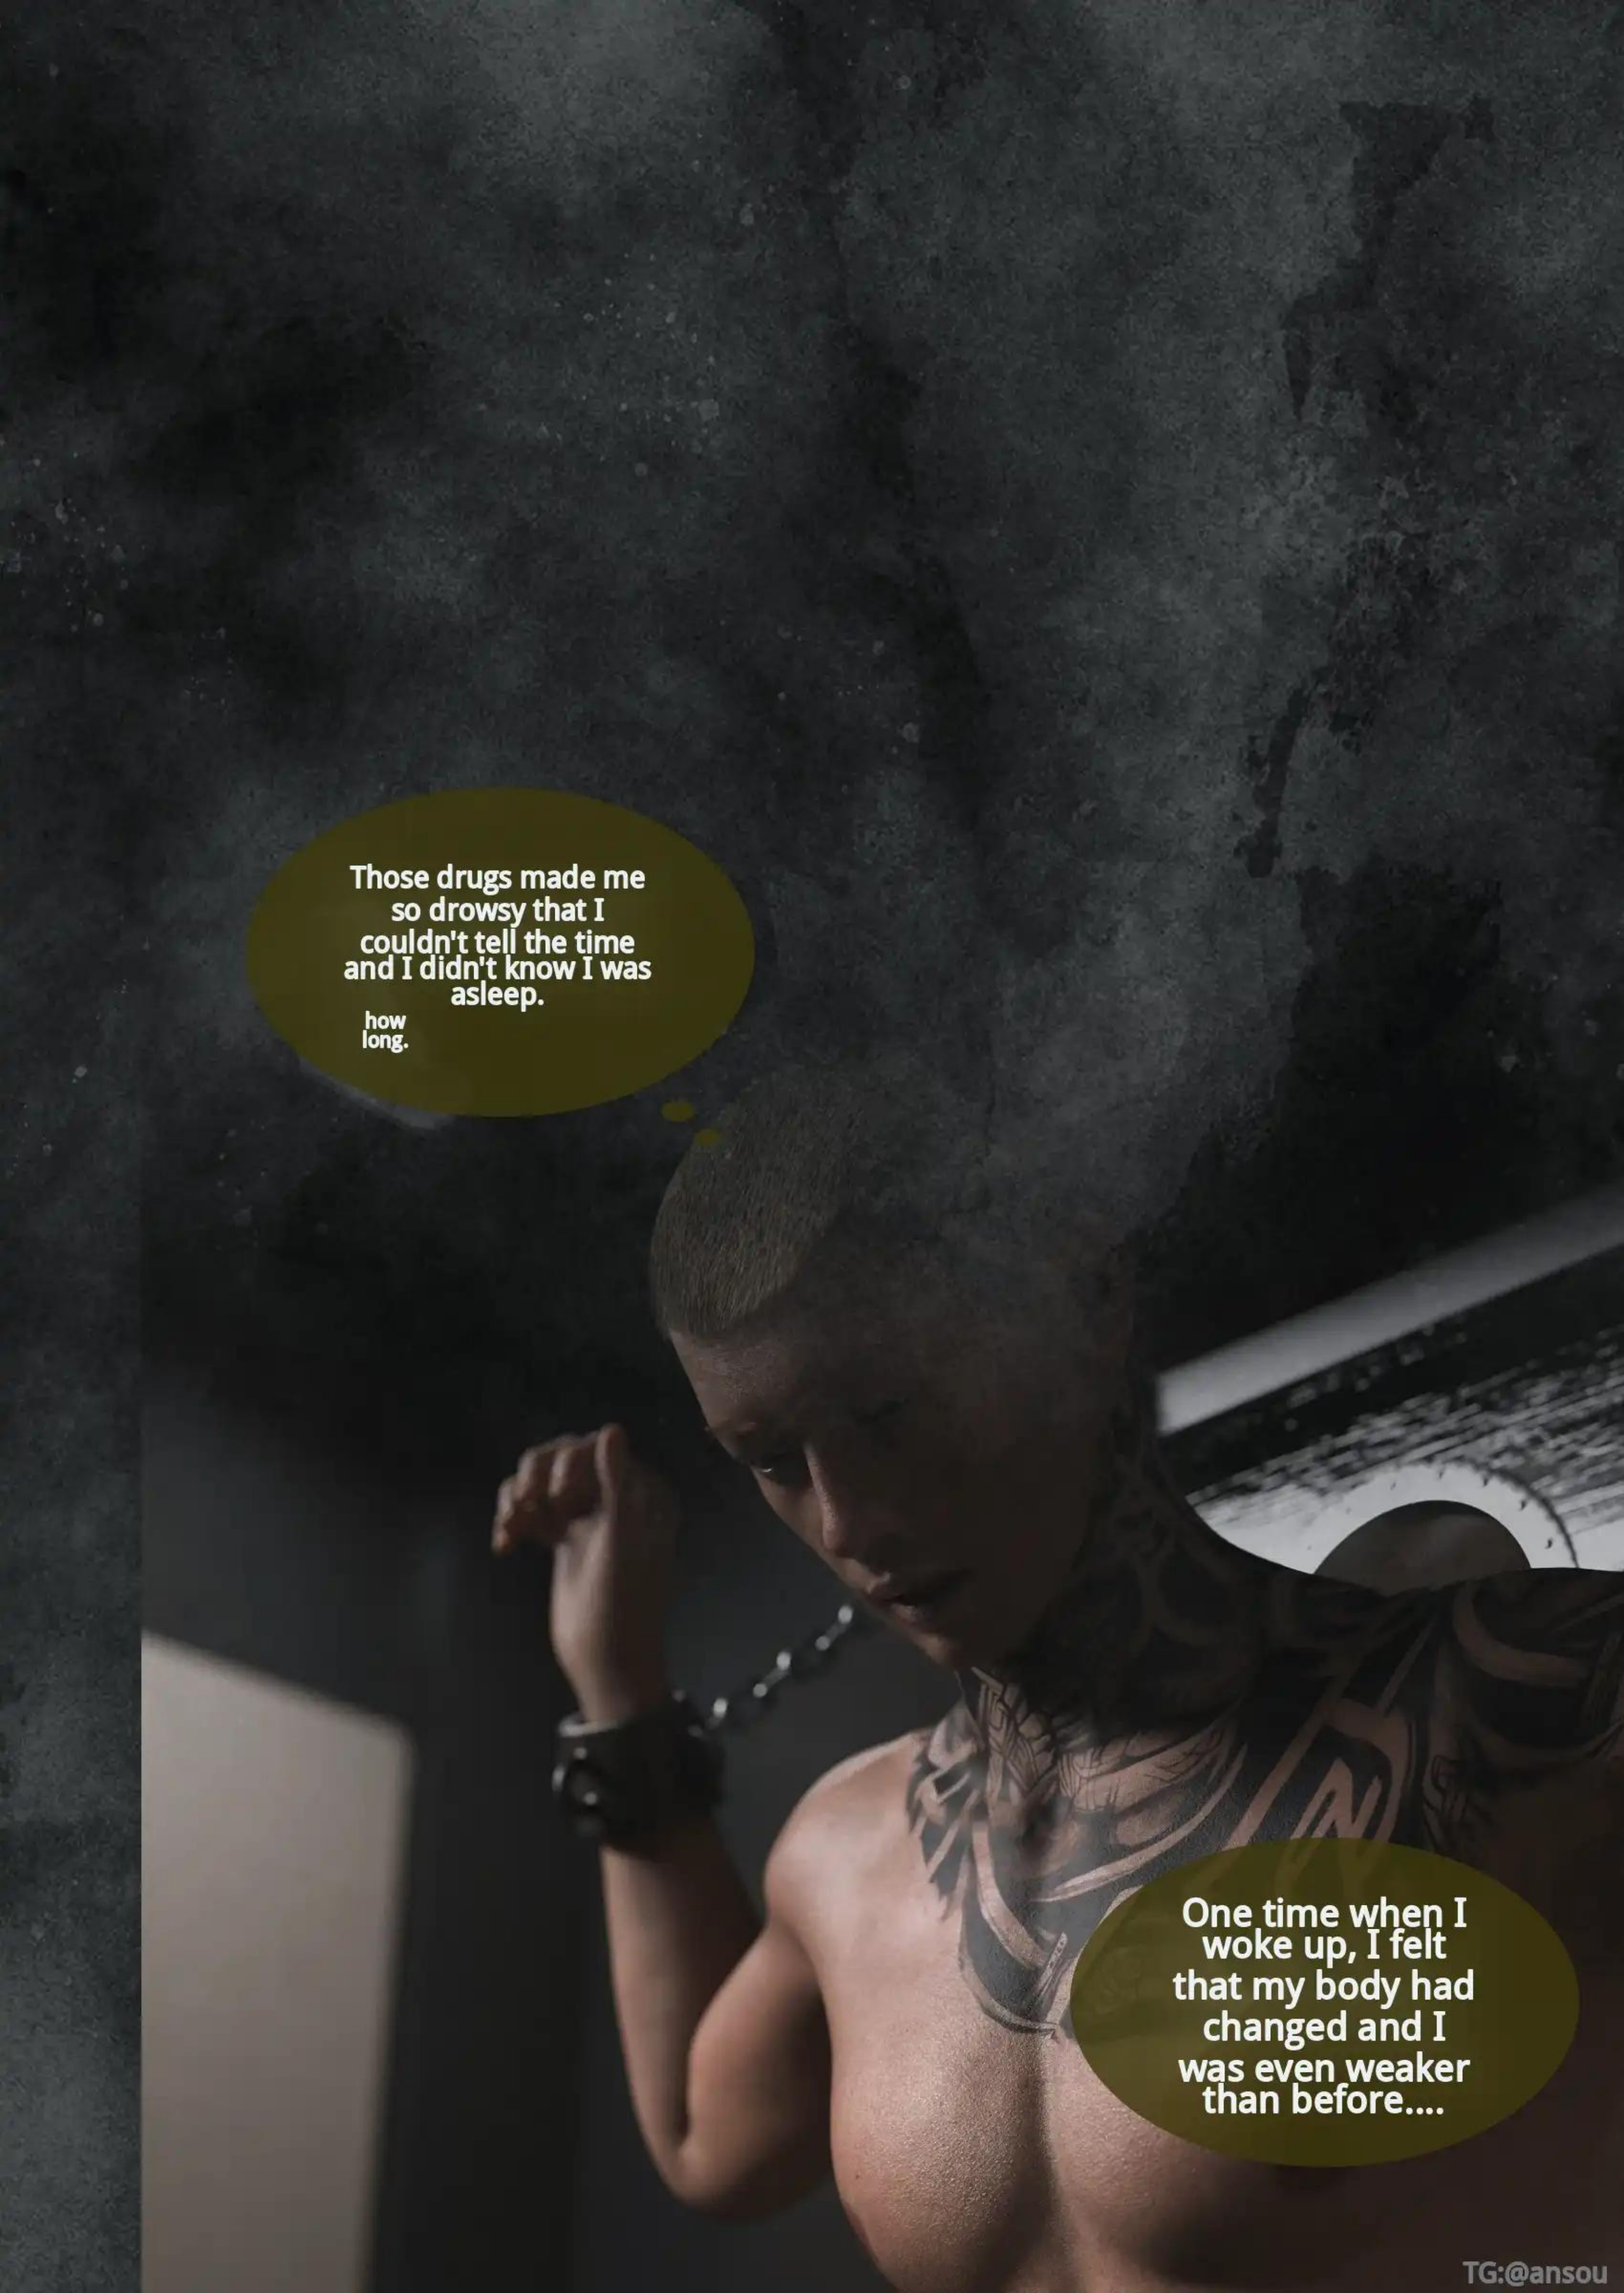

Every once in a while,
someone will come and
inject me with unknown
drugs. I guess it may be
drugs. They think I am
addicted to drugs.

It's so corny and
ridiculous to use this to
control me. Only a bitch
with a weak will would
give in to this.
Kind of
stuff.

A close-up, profile view of a man with a shaved head drinking water from a clear glass bottle. The lighting is dramatic, highlighting the contours of his face and the texture of his skin. The background is dark and out of focus.

But I waited for a long time, but the drug addiction didn't kick in, and the water they gave me seemed to have something strange added to it.

The taste makes me want to vomit, I'd better not take the chance, otherwise I will definitely kill them all!

Those drugs made me
so drowsy that I
couldn't tell the time
and I didn't know I was
asleep.

how
long.

One time when I
woke up, I felt
that my body had
changed and I
was even weaker
than before....

A man with a very short haircut and extensive tattoos on his neck and arms is sitting on a wooden chair. He is wearing black shorts and has black handcuffs on both wrists. He is looking down with a somber expression. The background is a dark, industrial-looking room with a large white panel on the right wall.

My body has visibly lost weight. I don't know if it's due to the medication or because I've been inactive for too long.

But I can notice that my condition is very bad. I always feel tired for no reason, and then I fall asleep unconsciously.

I don't know how much time passed, but suddenly that damn bitch came to me. I knew this was my chance!

You don't seem to be doing well. I've told my men to take good care of you. How can you still be in such a bad state of mind?

Fuck you!
Stop
talking!

If you dare to do
this to me, you
^{It's}settled! Will die.

Impossible...how
could my right
fist be caught
so easily....

Grasp !

I...my strength
feels like...

Finally discovered it?
You are so stupid.
Your strength is not

your body.

There will be
unexpected joys. Of
course, this is not the

What the fuck
are you doing?

Why is my body...
getting thinner again? !
Fuck you! What did you

What's more, you don't have the slightest ability to fight against me now. You can save yourself the trouble by talking more. Go back and be patient!

It would be better for
Mad Dog to get up. Do
you feel humiliated?
You will never go back
to your previous
majestic appearance!

Fuck you!
Let me go!

A man with dark hair, wearing a black turtleneck and a dark suit jacket, stands in a gym. He is holding a syringe with a blue plunger and a needle, containing a yellow liquid. He has a slight, confident smile. The background is a gym with various equipment and people, slightly out of focus.

It is this medicine that changes your body. Are you looking forward to turning your tough guy into a weak girl?

Even if you are weak, you can step on one. This is your retribution. Come on, I will inject it for you myself.

Feel it? Your breasts are swelling, they are bigger than before. They are really getting sexier.

Let me go! I want to kill
Got you!

Okay, if you can do it, try it. Let me see what you can do. Go and drive him away.

A young boy with short dark hair is lying on his back on a white, textured carpet. A black dress shoe is placed on his forehead. The boy's eyes are open, and he has a slightly pained or frustrated expression. His right hand is raised, with fingers spread, resting against the side of the shoe. The background is dark and out of focus, suggesting an indoor setting.

Alas, the opportunity
has been given to you.
Why are you so
hopeless? You were
subdued in an instant.
You are so picky.

I was stepped on by
this guy! Why do I
feel... getting weaker
and weaker? What
will happen to me?

A woman with extensive tattoos on her neck, shoulders, and arms is standing in a gym. She is wearing a black sports bra and black shorts. She is holding a silver baseball bat with both hands. The bat has some red stains on the barrel. To her left, the arm and hand of a man in a dark suit are visible. In the background, there is a piece of gym equipment, possibly a pull-up station. The lighting is dramatic, with strong highlights and deep shadows.

After a while, I was
so weak that I
couldn't hold the bat
I used to dance

Damn... my whole
body looks like a
pussy...

After knowing my condition, I simply took off the piercing, because I knew that I couldn't get rid of it with my current physical strength...

I can only follow their wishes first, they can't lock me up anyway

They brought in a beautician and it was bad... my body had changed like this...

I really can't imagine what I'll look like after having my makeup done...

This dull and rough skin is not enough. It will take a lot of effort to change it. Made!

First of all, exfoliate, take in more vitamin C, and then apply whitening lotion every day for maintenance...

So the beautician started coming to me every day for full body beautification. Damn...it's really like a pussy Same...

They smear all kinds of shit on my body every day...

In addition, he
also helped me
with everything

You actually forced me to
endure all this humiliation.
After I take it off, I will

After a while, I started
to see the effects of
the intense beauty

My skin has become

This is the kind of skin

Now it is growing on
my body...

A man in a black suit stands on the left, gesturing towards a woman on the right. The woman has short hair and extensive black tattoos on her neck, shoulders, and right arm. She is wearing black underwear and stands in a locker room with lockers in the background. A bright light is visible in the upper right corner.

Coupled with the beauty treatment and those drugs, I now look like a girl with short hair.

Already...

It's really embarrassing. What on earth do they want to do to me before they are willing to leave?

Haha, look at how funny you look now. You probably didn't expect that you would also have this day!

You have to remember this, this is what will happen to me
