On a very hot summer afternoon in Japan, she was trained in the dojo of the Tendo house, a girl named Akane, a young woman very temperamental and eager to become stronger every time, who stimulated by the spirit unleashed by finding a wild and bestial man that he should dominate her, every effort was made to find the energetic man who undressed her and made her his vile slave. Such a masochistic desire, more and more stimulated and wetted her, since in her house lived Ranma, a young egomaniac, intriguing and with the most notorious penis she had seen held by the fabric of blue Japanese-style pants that he used. In this way she felt saved, because a sexist, seductive man, expert in martial arts and penis as huge as the size of a large meat baguete, was hanging around the rooms throughout his house.

Akane felt so much excitement that it was reflected in each of her martial arts kicks she made; since when lifting each leg when kicking, you could see a slightly whitish moisture stain that dirtied her training suit. Said stain formed from the lubricating fluid of her pussy, warm sweat that the pores of the skin of her vaginal lips issued in each movement of rubbing by exercise and a little escaped urine when relaxing her orifice of urinal of so much emotion, which was accumulated and curdled like milk cream between her panties.

That whitish liquid that had fallen from her vagina passing between her swollen intimate lips, gave off a smell so strong that it captivated and drove every man crazy and you could even think that she had the power to make any man more than 500 meters smell that intoxicant and tasty aroma, awakening in them the animal need to want to quickly and abruptly penetrate Akane's fragrant vagina.

As if the former was not suffering, she was so willing to make this wish fulfilled, since she had not showered for 7 days, so that the smell was so concentrated that it was so inciting, that any man would rush to lick it between her legs like a thirsty beast,

for the mixture of sweat and lubrication by so much excitement, is so powerful that a man could be immediately dominated by the visibility and aroma of that stain, surrendering and licking her feet for only having the opportunity to taste the viscous nectar she possessed among her legs to lose a bit like someone who tries a drug for the first time.

That enigmatic aroma had finally reached the nostrils of Ranma, who when he was asleep outside the dojo, opened his eyes instantly, losing at the same time the awareness of his actions, by the stimulating aroma that manipulated him, but At the same time he put him as a wild wolf in heat, which encouraged him to run after that female with the power of her vagina, and he also wanted to return his prey; So excited was he with a leap from the window of the second floor of the Tendo house, to go in search of dominating the owner of the vagina so fragrant that his large, fat testicles swelled like two red balloons filled with very hot water, for while he was running on his way to the dojo, his two big swollen balls were shaking and by the movement between them caressed each other, making them release a salty sweat like mineralized water, waiting to be licked by Akane that so captivated them.

Once at the entrance to the dojo door, Ranma as a wild beast in heat, launched himself at Akane, who was waiting for him in an attack position compressing all the muscles of his body, including his swollen vaginal lips, which he tightened abruptly, when she saw how Ranma was throwing himself at her, he instantly launched a strong kick and with it a stream of urine that was directed straight at Ranma's mouth, but he cleverly swallowed all the half a liter of hot, yellow urine she he had thrown him; then Akane when contemplating Ranma's feat immediately took off the tape of her uniform jacket, exposing her breasts the size of his head, put in her mouth the tip of her two index fingers and once muddied with her warm saliva , take them out of her mouth and caress lightly the tip of her nipples, before which her two breasts reacted and began to swell and grow in an accelerated way like two large air pockets, thus it was that

huge breasts, was just a simple false appearance that Akane had to hide at that power.

In Ranma's struggle and desperation to get out of Akane's two big breasts, to be able to smell and penetrate her, he realized that he was being sucked into her huge tits the more he moved in them, so he decided to stop moving and use Saotome technique of licking so he pulled out his tongue that it looked like a viper and began to lick around it, with a saliva so viscous and hot that it would melt any frozen palette with a single puff, but that did not stop Akane, as her breasts they began to swell even more, since saliva was what helped her breasts to grow more and more; as Ranma did not want to lose before such a meeting with her pussy, he decided to change technique, before he was suffocated by Akane's two large breasts; thus just in that moment by the asphyxia that began to feel Ranma the huge penis reacted and throwing some pre-semen towards the breasts of Akane, so before such a situation Akane began to relax taking both her hands to cover her vaginal lips that now They were swelling, so that their fat tits like two huge pumpkins began to deflate.

So Ranma, driven by his hands that he placed instantly on Akane's chest once he could move them, took momentum and was able to get out of two large tight breasts pushing hard enough to jump in the air. Akane half-knocked out by the deflation of her breasts was the perfect time for Ranma, who was the one who was now recovered, while flying through the air, under his pants together with his boxers, decided to face Akane to leave her totally out of action ; So it was that he took his huge cock and thought of the sensation of feeling when his huge straight member began to feel the warm and slimy lubrication of an excited vagina; then with his right hand began to rub the rooster with his Kachū Tenshin Amaguriken technique which made his testicles swell like two footballs.

Once Ranma felt his testicles very hot like two loaves filled with cream fresh out of the oven, take the index finger of his right hand to his mouth, fill it with saliva and massage them lightly; so he automatically managed to get a stream of boiling pre-cum out of his penis towards Akane's face, when Akane reacted, she opened her mouth and into it all the hot pre-cum stream that Ranma had launched. Thus, Akane's mouth began to fill with pre-cum, so Akane in one gulp drank it completely, the pre-cum was as thick as curdled milk.

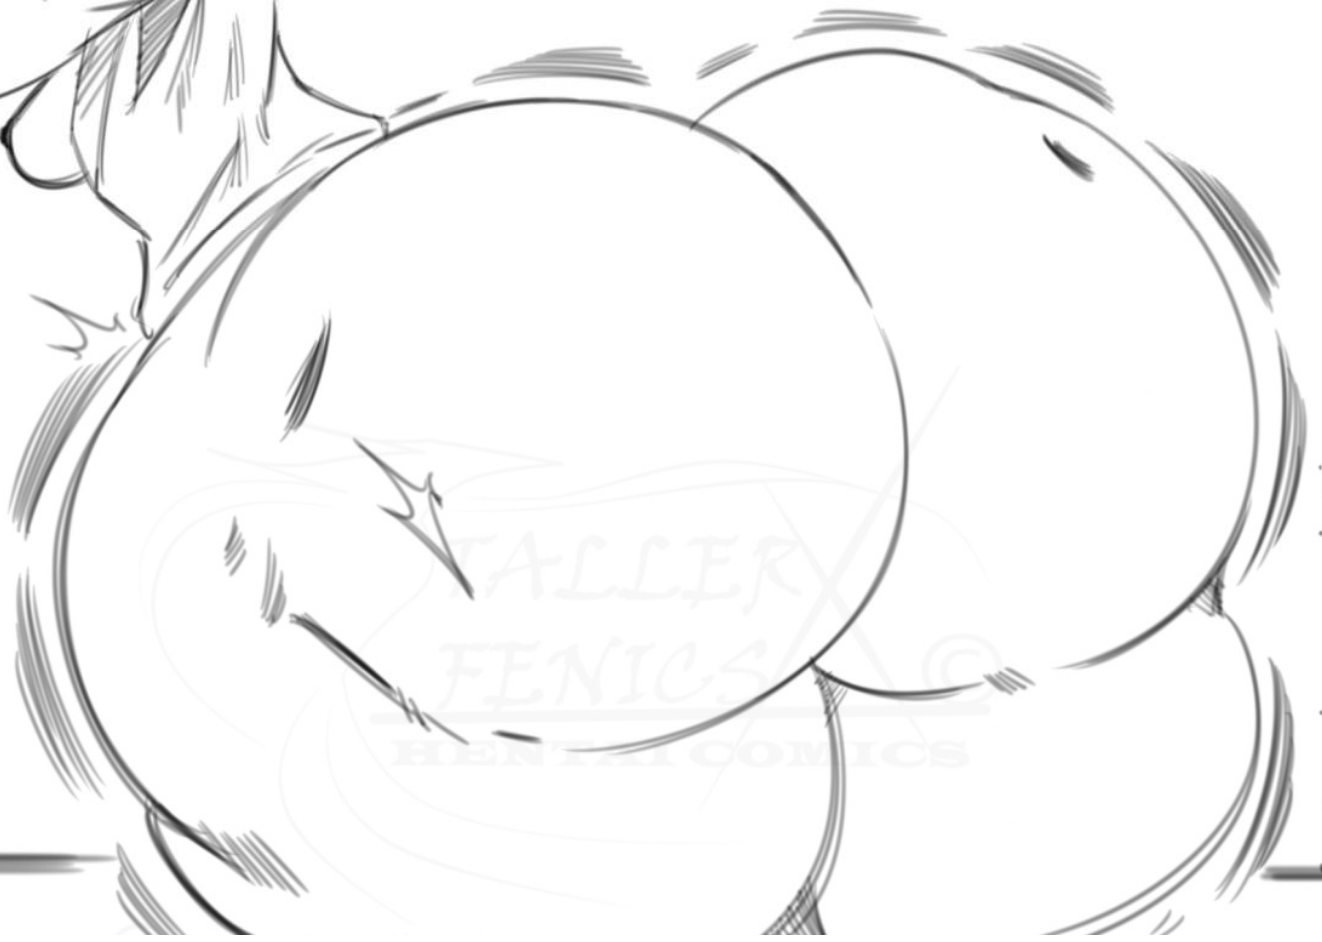

Then, Akane very angry got up from the ground and as a protective shield against the attack of Ranma, Akane with the pre-semen that had been taken achieved that her hips were quickly widened to 1000% of its original size, resulting in that when Ranma finished falling, was introduced between her huge buttocks, but this time was not stuck between them, because Ranma still had much semen in the testicles, so he could raise another jet to be entering between the buttocks of Akane with He was able to lubricate the ass and be able to move between them until he reached her anus.

Once in front of Akane's anus, moving between hurriedly he did a little backwards and penetrated Akane very strongly, so Akane reacted very wide-eyed at the unexpected attack.

In spite of how tight the ass of Akane was, the sensation was very pleasant for Ranma, who let out a cry of satisfaction: "Damm Akane this goes beyond what I imagine, I feel as if my penis was melting, you are the best girl with which I have been".

Akane was overwhelmed by the incomparable feeling of having a 25-inch penis completely, in that virgin hole, her surprise increased when she noticed that she did not feel even a little pain, the only thing she found in her was pleasure, she could feel the thick ones veins around her anal wall, throbbing and giving her a pleasure she could not imagine, the sensation of the huge hot tube of flesh in her anus, sent a

powerful impulse to her other erogenous zone, wetting that pussy crying even more for the same pleasure, Akane's eyes closed, and pressed hard, the tremor began to travel her body, which falls just right into her vagina, in a powerful shock of pleasure both exploded, her vagina throwing a strong and powerful jet that completely soaked, the ground and the bottom of Ranma in a single moment, as a source was shot, her anus was contracted in Ranma's cock that was so hard Like a rock, Akane's ass began to have strong contractions, and finally she squeezed it with enough force to crush a steel tube, Akane's body trembled, she had never experienced such a thing, she had her first anal orgasm and vaginal at the same time, her mind clouded, her eyes went blank as the sensation slowly disappeared.

The effect of the pleasures that caused to Akane but the way in which her ass wanted to squeeze the milk from his penis, did not succeed more than to take to Ranma to a limit that did not know, it was as if the conduit of the ass of Akane wanted ripped off his member, but he could not contain himself, shooting this time in the deepest part of Akane's colon filling her immediately, the pressure was impressive, he had never felt such a powerful ejaculation, more than a gallon and a half came out of his cock, it was as thick as jelly, the pleasure was about to leave him unconscious if it was not because at that moment the seed poured into Akane's ass caused a bigger and more powerful orgasm than the previous one.

The blow came to Akane just as her orgasm faded, incising her intestines with what could be appreciated a bit in her stomach by the amount of milk deposited in her, the cream boiling inside her, made her burst again, "THIS IS TOO GOOD FILL MY ASS, I BEG YOU "shouted Akane, opening her mouth beginning to drain saliva, she no longer controlled her body could only feel the pleasure, extreme pleasure.

Without any warning their breasts that had returned to their normal size expanded again, in this multiorgasmic journey, they grew faster and faster, soccer balls, basketballs, until they stopped at the size of beach balls, legs Akane could not resist but yielding and falling on her knees.

Ranma felt that he would ejaculate again but, that sensation was interrupted, when he noticed what was happening to Akane, he could not see her face but he knew from the moans that she was having a great time, another shudder, strong when he felt that his feet were not touching the floor, Akane was growing not only her tits, she was getting taller, really huge, the smell that produced became stronger and stronger, Ranma did not know if it was the combination of juices that Akane blasted, but the whole dojo smelled of sex, while he thought, he realized that he was only supported by Akane's huge buttocks so soft and fat they were like bags of pudding into which he could sink his hands. If it had not been because he had his huge cock submerged in Akane's ass he would surely have fallen, Akane's proportions were now unreal, he seemed to be 4 meters tall, he could not know it well since Akane was on her knees, her buttocks were gigantic, and her tits could shame the beach ball more than he had seen, despite that his anus had tightened much more.

Akane was very busy in her orgasmic paradise, to realize her own growth, the spasms stopped, a massive amount of her love liquids covered the entire floor, and there was a haze full of pheromones, Akane came back to reality, surprising herself So much so, that the shock took her to give impulse in the anus that sent Ranma and his huge cock out of her crashing against the wall. Ranma recovered slowly opening his eyes, to contemplate the huge woman with the greatest proportions he had ever seen, was a huge Amazon, almost touched the roof of the dojo with her head, her huge breasts were consistent with her great height, her waist had

sharpened, her abdomen was defined by showing a four pack, her huge and wide hips gave her the perfect figure of an hourglass, a large hourglass, her pussy looked big and fat, Ranma could contemplate, how wet she was simple sight, juices dripped from her, and despite being far away felt as if a heat emanated from him, this woman could easily crush him if she wanted.

Akane walked slowly towards Ranma, her footsteps shuddering the floor, it was clear that she was really heavy now, given her normal attitude Ranma hoped that this huge goddess not would beat him to death; Ranma thought.

Akane shouted, I CAN NOT HOLD IT ,I WANT IT I NEED IT, and without saying more, Akane's huge pussy hit Ranma's face, covering his face completely, Ranma felt soaked, it was so soft so moist and hot that it almost burned , PLEASE RANMA I WANT YOU, GIVE ME MORE, I WANT YOU TO GIVE ME THAT PLEASURE, MAKE ME YOURS, I WANT TO BE YOUR PERSONAL SLUT, I WILL DO ALL YOU WANT, GIVE ME WHAT I ASK FOR YOU, despite all this Ranma could not hear a single word, but his instinct led him to stick his tongue as deep as he could taste the juices of Akane, began to lick with all his strength, and with both hands, pinching the clitoris of Akane rubbing it hard, moving his head with the greater speed than I could.

Akane bit her lip, that was what she wanted; to be treated only as a sexual object, and nothing else mattered only the pleasure she felt, while Ranma worked the delicious pussy, his cock got even more excited touching the back of Akane's ass as it vibrated with pleasure, Akane felt the hit the head slug, and immediately had another great orgasm but this was different had managed to dwarf the previous two, shouting YESSSSSSSSSS, the jet shot off soaking the face of Ranma, with the liquid.

Ranma could taste it was salty, a delicious and bittersweet combination, when she wiped her eyes Akane was back on her knees, wagging her ass, "Ranma, I know I've always been very rough with you, but this is my way of compensating you, I want you fuck me as hard as you can, in the ass, fill me up, I want you to use my dirty pussy to cum whenever you want, if you do it for me today I will be your slave, just fill me with sperm ", the message does not need to be said twice , in a blink Ranma was standing behind the giant ass, his balls had been filled even more than before, they could feel how Akane's ass and pussy called him.

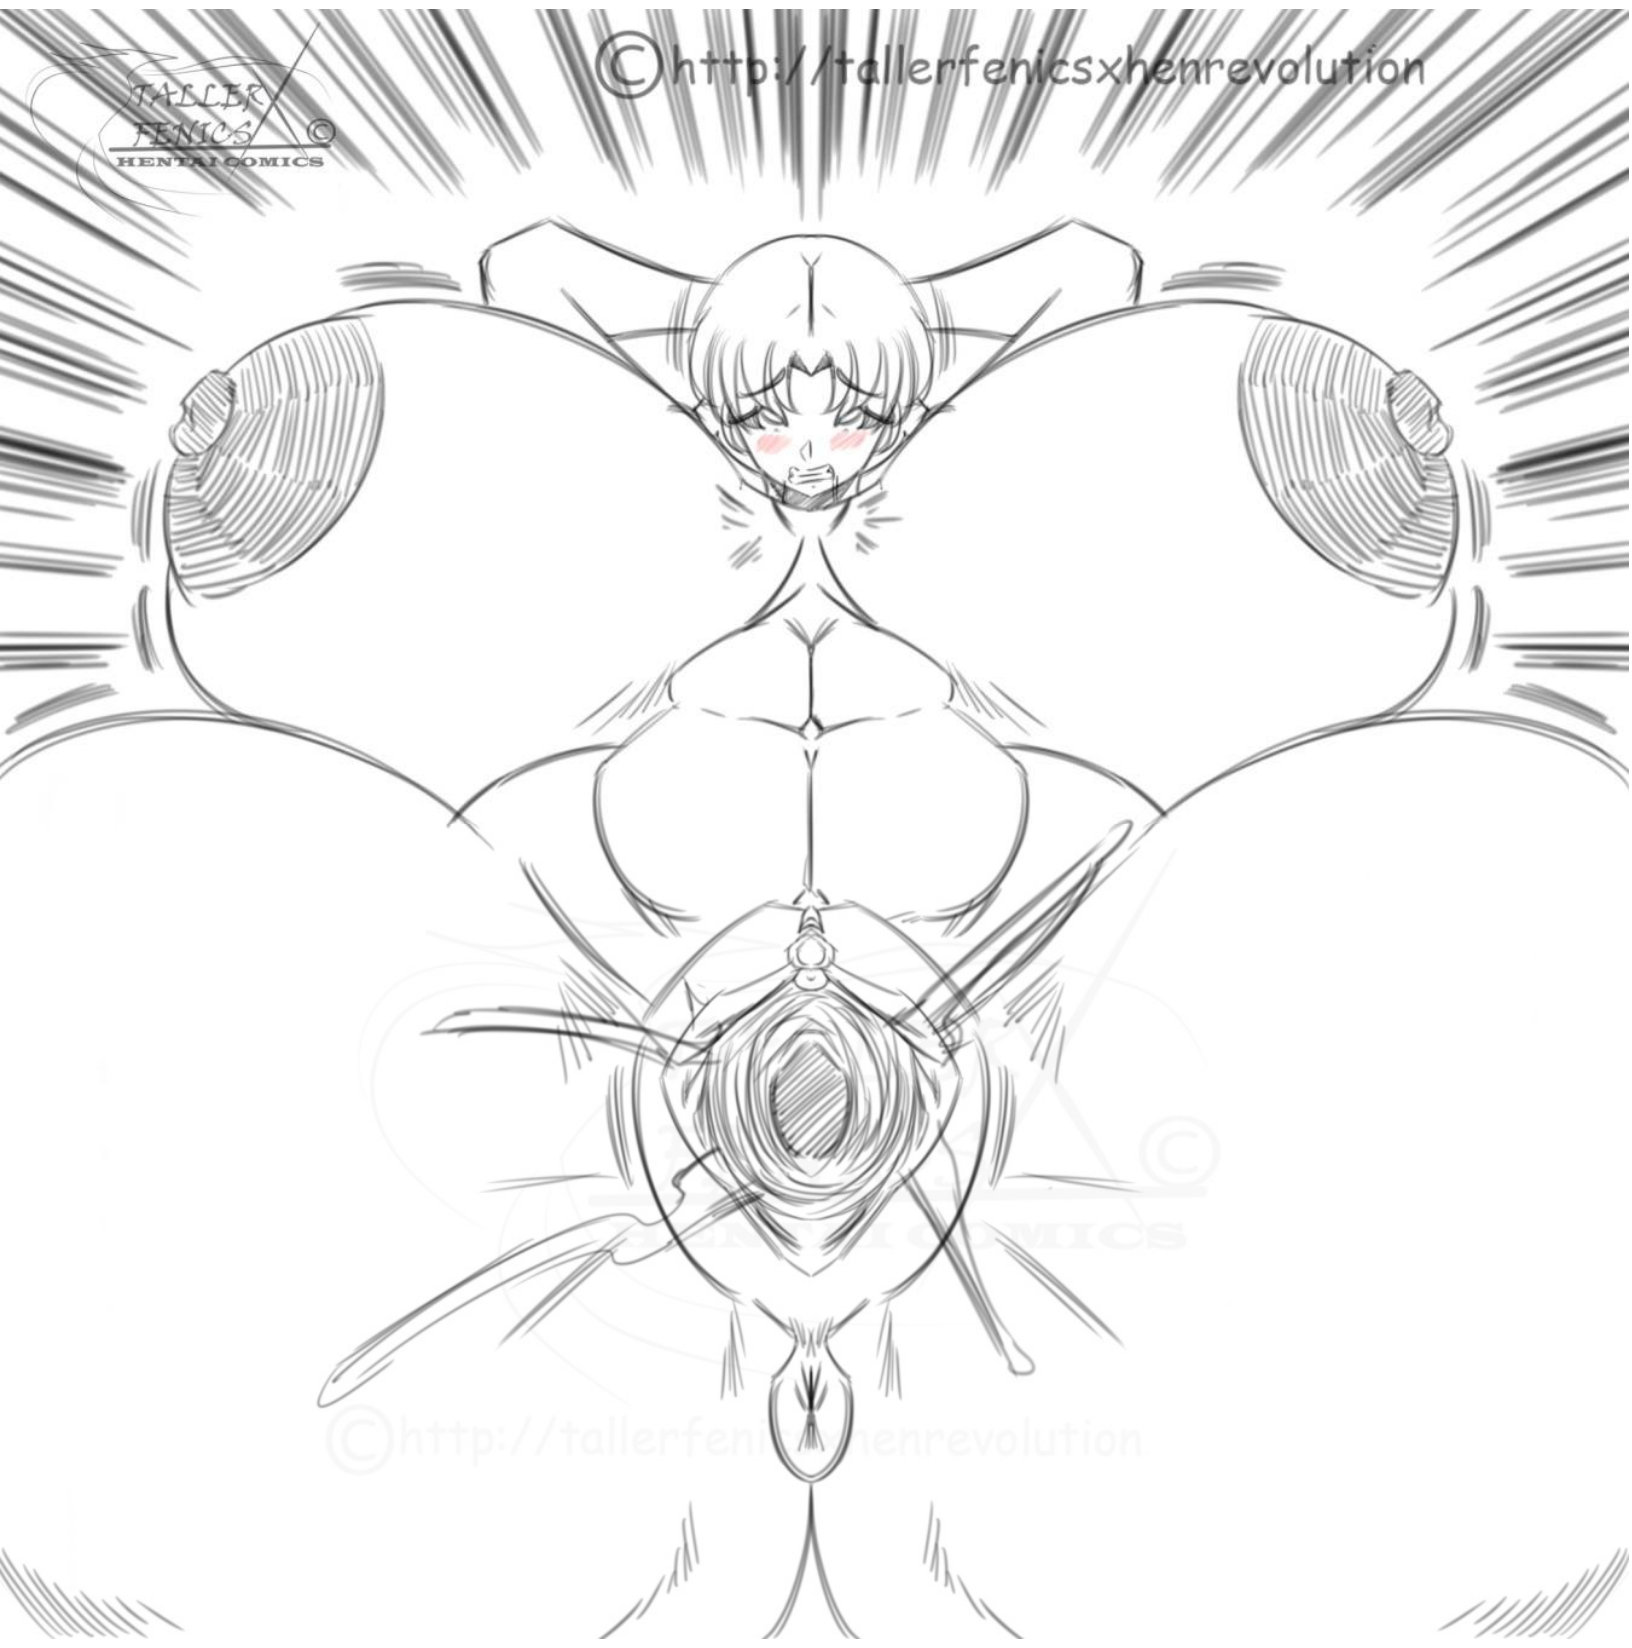

Akane was moaning, in her eagerness to be penetrated, "WHAT THE HELL YOU'RE WAITING TO DIP IT INTO MY ASS NOW," SMACK, the sound of a loud hit echoed throughout the dojo, Ranma's cock had hit Akane's ass making him move like jelly, for Akane was just pleasant, she thought to herself, "this is who I really am" when Ranma hit again the other fat cheek, "You will be my personal slut, but you must understand that the boss in this is me , so it's better to shut up and respect me bitch. "Yes master; very well now let's do it as it should, Ranma walked forward to meet Akane's mouth," very well, this will be your first task cleanse it ", Ranma bring the head of the fat cock to Akane's mouth, the scent was strong she could smell a mixture of semen and her own liquids in the huge cock, this just increased her aroused , stick her tongue out and lick the tip, the taste was so sweet, that as in only one impulse, she open as wide as she could and with a single slash she managed to put the huge 25 inch penis all the way to the hilt, Ranma had never been able to get it full, a warm feeling from Akane's throat ran through him ,he did not have enough time to get used to when Akane started moving her head back and forth in a rhythm that constantly accelerated, without any reflection of nausea, Akane managed to cover the huge cock without any effort, making every thrust go almost to the head, Ranma clenched his fists, pleasure provided by Akane's blowjob was really very strong, her balls were swollen more

it was clear that he was about to come again, suddenly he stopped Akane's head, "wait I want to cum in that juicy pussy you have, I can smell it from here, I want to taste it more", with a lot of effort Akane stopped, leaned on The floor, and spread her legs as wide as she could to show her huge juicy pussy dripping, and boiling, without saying anything, she could only stare at Ranma, without waiting a second Ranma approached her.

His cock gently massaging, Akane's clitoris to provoke her, STOP OF TEASE ME AND DO IT! With these words, Ranma penetrated her in one fell swoop, he knew that his body was insignificant compared to the huge woman that he was trying to fuck, with much effort he raised her legs, the big buttocks trembled like jelly, and so he began to hit with All the strength he could, at each stroke, the fat thighs, shook and the pleasure received increased not only by the sheath around his penis that sucked him, but by the spectacle of watching a huge mountain of flesh shaking with each hit, Ranma realized that he was not the one who was holding her legs Akane kept unconsciously for him to penetrate deeper, Ranma walked forward pushing more his cock that arrived just at the entrance to the womb of Akane, who was hit hard, Akane let out a big grunt, she had never felt that, the heat of a cock in her pussy and the blow in the womb took her to another powerful orgasm,

This was what it felt to be the whore of Ranma ,someone who only thought of pleasure, if this was the payment for being submissive and to let go by her instincts and carnal desire she would accept without hesitation, the body of Akane twisted with strong grips to Ranma's cock, which made him hit her faster, Akane was ejaculating around him and the hot liquid only made his cock move faster, the shaking stronger, moving up and down, the massive tits with a Hypnotic rhythm, Ranma tried to hold them but his hands were too small to hold the massive orbs of flesh, although he grabbed them most of them bounced, Ranma felt a great energy boost, smack

smack smack smack smack, the hammering intensified more and more, Akane's uterus was being beaten with each impact, and she had an orgasm, with each stroke, her mind went away and her face reflected the pleasure giving her a silly expression, pulling the tongue drooling, and the eyes looking nowhere, smacksmacksmacksmacksmack, the pace doubled its speed. Ranma knew that the moment was near and could not hold it anymore, until with a blow finally her uterus gave way giving the entrance to the giant penis causing Akane to roll over with pleasure, the sudden sensation also ended with the resistance of Ranma, taking out a great creamy load just inside Akane, her belly started to swell with the massive load, Ranma just could not stop, like Akane's orgasms, tears of happiness and pleasure came out of her eyes, finally a minute later the giant Ranma's ejaculation ended, slowly pulling his penis out of Akane's interior, it came out making a loud pop, and the sperm gushed like a source from Akane's pussy, Ranma's penis was clearly exhausted and Akane was unconscious from the huge pleasure, Ranma thought that this would be the beginning of a new life, for him, with his huge and thick sexual slave, Akane's body still had spasms of her orgasm, Ranma got up, put on his pants again and wondered what he would do, if he could not move Akane's massive body, which was already on the floor, but without realizing, among a small opening, a girl named Nabiki Tendo, had observed the entire show: "You bitch Akane, I will not allow you to monopolize all the fun, she thought as she gently massaged her pussy
