It was a day practically like any other, our protagonist Takuma Sakamoto was immersed in his favorite game, as every day he stayed in his dark room without having contact with anyone, the only thing that existed for him, was the life of his character called "Diablo" the self-proclaimed demon king, and his constant fantasies with the incredibly voluptuous women that appeared on the screen of his game called Cross Reverie. Being a complete Hikikomori never had contact with real women, his whole world was in front of that screen.

In a normal game session, something strange began to happen, he did not know if it was fatigue but his screen began to shine, lights and lightning were scattered in his room the power of the light increased every moment, he could not open his eyes, but he could feel that something was different He heard the singing of birds and felt the breeze on his face, slowly opened his eyes only to see two beautiful women kissing his cheeks.

The surprise was such that with a jump he stood up, he did not know what was happening, now he was outside, his surprise became even greater, when he put his eyes on the two beautiful girls who kissed him. One of them was a beautiful elf with long ears blonde hair, white skin and beautiful blue eyes, any man would fall for her beauty only with these characteristics, but everything pales to see the giant breasts that the elf girl possessed, at first glance they looked soft and fluffy they bounced with every word she said, barely supported by a green dress that tried to contain her curves, only with the view it was appreciated that they were very heavy, maybe ten kilos each one, going down to her midsection there was a soft and fleshy abdomen with a fold of fat, the elf was sitting on her giant hips.

He had never been good at judging but it was easy to say that her ass could crush a person if she wanted to, her white panties exposed half of her buttocks that were shaking with the slightest movement.

The other girl had a sweet face, but with a strong expression, her hair was long black, with cat ears, tail and green eyes, unlike the busty elf that was at her side, the cat girl was completely flat, but even so she wore a small purple top that highlighted her nipples, they were arguing:

Busty elf: "I was the one who invoked him so he is mine, stop trying to take my stuff Rem"

Flat cat: "stop saying nonsense, stupid Shera, I am stronger than you, it is obvious that I invoke him, so he is mine".

Both girls fought for him as if he were a toy, at that moment he realized that his body had changed, now he looked like his character "Diablo" he asked himself:

"So these girls are from Cross Reverie, how is that possible? Am I in the game? His thoughts were interrupted by a sweet voice.

"Tell this fat dumb elf, that I invoke you and you are mine"

Rem looked at him with her penetrating eyes, she was not as small as Diablo thought, Rem had a height similar to his, but like a thunderbolt the elf of incredible proportions came up standing next to Rem, she was much taller than Diablo imagined, maybe 9 feet tall, her breasts were bigger than the demon king's head, she turned to Rem and said:

"I invoke him he is my beast", both repeated the same thing again and again, until Diablo decided to end that absurd fight saying:

"Enough stop arguing, fix your problems now"

A green flash covered both girls, forcing them to shake their hands with a smile asking for an apology, a necklace materialized around their necks.

Everyone had an expression of bewilderment, apparently the Diablo's ring, had reflected the magic of slavery and now they belonged to him.

Without being able to do more they went to the town, Rem and Shera walked in front of Diablo guiding him, they were still talking about, to whom this powerful man belonged, the show was something Diablo had not had the chance to live before, Shera's fat buttocks swayed and bounced back and forth , they were so big, they really overshadowed the tender cat girl Rem, who looked more like a bone next to the stuffed elf.

After a while, they arrived in the city of Faltra, in the inn a predicament that the Diablo did not imagine happened, he had to share a single room with both girls , our Hikikomori, was living his dream, but he did not know how he would handle that situation, a roar echoed throughout the room, both girls' stomachs were screaming with hunger, Rem sighed and said:

"It would be better if I go for some food, if the silly Shera goes, she will eat everything before arriving here" when saying this Rem left the room leaving Shera and Diablo alone.

Diablo's heart and stomach could not resist the pressure, the huge elf girl was at his side, the scent of Shera filled the room, without warning Shera began to undo her dress. Diablo could see how the skin of the elf was being exposed.

The first thing to be released were her giant breasts that bounced off when she disengaged from the cloth, each firm holding on to her position, defying the laws of physics , as it was possible that those giant tits did not give in to their own weight, a loud sound of clap echoed in the room, Shera's buttocks applauded loudly . When the dress finally touched the ground, large masses of flesh with the texture of a snow-white bonbon greeted Diablo by shaking in front of him.

"Diablo san, do you like them? , I've noticed that you have not stopped looking at me since we met, it's because of these, right? "

Shera slapped her fat ass making him shake from side to side, so soft and gelatinous, she even shook her hips, moving her buttocks up and down, applause filled the room , CLAP CLAP CLAP CLAP, the two obese buttocks collided with each other without mercy.

"Wait what are you doing? Said Diablo with a trembling tone in his voice.

"Since I saw you I have not been able to stop feeling tickles in my crotch, and I only know a way to calm those desires, and it does not seem to bother you" Shera pointed to Diablo's trousers , a tent had already formed in his pants.

"This can not be me I was never so big" the tent was formed by a massive 24 inch cock, throbbing intensely , the giant attributes of the elf girl had completely awakened the Diablo member.

"Do not be shy, I bet you also like these, everyone likes them"

Shera next to both arms, tightening her tits, her nipples stood out immediately, they were pink and they were completely hard, a few drops of sweat ran through each tit of the elf.

"Why do you make me wait? It's rude to do this to a girl." Shera, holding each heavy chest with her hands and shaking them up and down, seeking to further incite Diablo.

The false demon king did not know what to do, it was clear what Shera wanted, but a virgin like him could satisfy this goddess who was in front of him? . While he meditated, impatience gripped Shera.

The two huge tits beat Diablo, Shera's tits were hot, her softness wrapped around Diablo's head, just a little shove in the face made him bounce to the bed.

"To be a powerful demon king, you are very slow, I do not care if you are afraid, I can not wait anymore"

Shera released Diablo's cock that hit her face, the imposing cock was right on the lips of the elf girl.

"I understand why you are a demon king, this thing is huge and full of life, it is the first time I will have such a big one, the elves of my town do not reach even half of you, seeing this I can not contain myself, I want your cock inside me "

Shera placed herself on top of Diablo with her legs spread, her wet vagina kissed his cock in front of him, the juices from Shera's pussy soaked the penis until he was bathed and glistening ready to enter her cavern of love.

"You're already well lubricated, let the fun begin" Shera placed the head of Diablo's penis right in the entrance of her pussy, introduced it slowly, Diablo could feel like a heat was beginning to envelop him , without saying more Shera was introduced all the member with a single blow, reaching the base, hitting her fat ass against Diablo's groin, a cry of satisfaction echoed throughout the room.

"Deep, it's so deep, I feel like my whole pussy is stretched to the maximum, you're breaking me in two, and I love that"

Diablo's penis had hit Shera's interior causing her a powerful orgasm, her pussy was narrowing right around Diablo's cock head ,the Hikikomori without any prior experience could not handle how pleasant it was to have a pussy around looking for milking, and released all his load inside Shera.

SPURT SPURT SPURT, the thick white substance fills Shera's uterus, making her pleasure more intense, with her face looking towards the ceiling , her eyes blank, and panting, she collapsed on Diablo's chest, completely covering him with her titanic breasts.

For Diablo the ejaculation had left him exhausted, his pathetic resistance was not in line with a demon king, but he was satisfied at last

he lost his virginity and apparently had done a good job, since the elf girl succumbed to the pleasure or so he thought when the pussy clenched again, even more than before, when looking up a little Shera's face was right in front of him, panting she said:

"That was a very good warm-up, you filled me a lot, I think I'm going to squeeze you until you're dry"

Shera grabbed both hands of Diablo, raised her hips with a quick movement, leaving only the tip of the penis inside her pussy, and then lower them with a single powerful blow, having a satisfied face, Shera repeated this over and over again until she started to generate a rhythm.

Shera's pussy opened wider, as she swallowed Diablo's cock, her fat gelatinous buttocks shaking up and down, they were so soft, they were completely deformed with every thrust she made.

Shera released Diablo's hands, to expose her giant tits that shook with the same wild rhythm, she took the Diablo's hands to hold both bags of meat, Diablo's hands were not small but it was impossible to cover the huge tits, his touch felt Shera's nipples and sweat wrapped around the palms.

"Squeeze them " Shera groaned, Diablo could only follow the orders unconsciously, with two fingers, squeezed the fleshy ends, while still massaging the huge tits, an energy surrounded Diablo's body, he had not only managed to get used to the pleasure, now his only wish was to moan the elf girl more.

Diablo played with the obese tits of the elf, squeezing her nipples, the cock of the demon King got even harder when he decided to lash out with his own lunge, both powers collided allowing Diablo to give him a direct beating at the entrance of the elf's womb.

"FASTER, MORE, GIVE ME WITH ALL THE STRENGTH YOU HAVE, I'M GOING TO CUM"

The incessant hammering of Diablo increased its speed and power, the elf could not contain the pleasure that was taking her to the limit, she placed her hands on top of Diablo's and with even more strength, she pushed them against the disproportionate breasts, her orgasm was imminent, a single push more was enough for the elf to writhe completely, her pussy released a powerful jet that soaked the bed beneath them squeezing so hard that he forced a second load of Diablo that came out like a missile.

As her uterus filled again, the tongue came out of Shera's mouth, her eyes met and her saliva dripped, sex was one of her favorite activities but never before was this intense, Shera had reached an ecstasy, which only This giant cock could give her.

Diablo could control himself perfectly now, the enjoyment of seeing Shera cum on him, only increased his desire to continue fucking her until she was unconscious, Diablo squeezed Shera's breasts again, getting a squirt of milk right in the face, the intense pleasure had made the busty elf produce large amounts of milk.

Shera's body was still trembling slightly, the intense orgasm still had her imprisoned, a wicked smile appeared on Diablo's face, her tongue clean, the remains of milk coming from Shera's tits, and suddenly bit hard, another jet flooded his mouth, the amount was huge but devil could swallow it skillfully, and then start sucking the chest with force.

"Wait, I'm still very sensitive, do not suck," another moan of satisfaction came from Shera's wet mouth, Diablo did not seem to mind, as he began to massage the chest that was free. , Shera used both arms to hold Diablo's head, unconsciously the elf girl's hips, began to move again despite her protests her pussy was ready for more.

"Diablo San Diablo San Diablo San, I am very happy to have summoned you and your big cock"

Diablo stopped sucking the fat breast full of milk, Shera's face only expressed ecstasy, the sweat ran through her, she was so hot that even her breath came out like a vapor.

"You started this, so I'll give you what you want"

Diablo laid Shera on his back with both legs fully open to accommodate Diablo's big cock, and without mercy hammering again with all his power . This time the elf could not move, her mind and conscience were being fucked to infinity. SMACK SMACK SMACK, the meat was pounding incessantly.

"Tell me if you like it, big girl, this is what you get for challenging a demon king"

In an act that only someone could achieve, with a level as high as that Devil possessed, he increased his speed, shaking off the massive body of the massive elf.

The biggest surprise is that Shera was still conscious and with eyes in the shape of a heart, sticking out her tongue, to which Diablo responded with a kiss, his hips continued to crash for several minutes , Shera's back arched again, at this point she had lost count of how many times she had cum.

Even for Diablo there was a limit which he was about to reach, his blows lost the rhythm, becoming more erratic with every second that passed. Diablo broke the kiss to say:

"Shera do not forget that from now on you are mine, receive my last gift, deep inside of you"

A few last thrusts and Diablo's cock inflated completely to the thick elf, SPURT SPUURRRRTTTT , the abdomen protruded as if Shera had an abundant dinner, the elf crossed both legs, pushed Diablo forward, Shera wanted him deep inside her.

The powerful ejaculation lasted a whole minute, which for both was an eternity, panting Diablo was the one who collapsed this time between, the fat breasts of Shera.

"I can not believe what I did," Diablo thought, "I think the hentai is good for learning something after all"

He came out slowly from Shera's still tight pussy, PLOP, his cock was soaked in their juices, despite all the exercise he did, Diablo still felt strong, Shera was in a different situation, extreme pleasure had led her to unconsciousness.

"It would be better if I let her rest, I still have to think how I will explain this to Rem, it will be impossible for her not to notice what happened here"

The bed and part of the floor had traces of the action taken recently, not to mention that the whole room smelled of sex.

A creaking sound from the bed, caught Diablo's attention, Shera had turned around, leaving her fat ass exposed pointing up at the ceiling, this view was too tempting for Diablo.

Shera's breasts were certainly out of the ordinary, but Diablo had always been more of a lover of huge asses.

As two giant marshmallows trembled in front of him, as if they called him.

"I guess I do not have to hold back after all I've done"

His trembling hands, came to hold the fat buttocks of Shera, at the time of touching them they sank by the softness in the voluminous masses of flesh.

"This is incredible I did not know that the asses could be so soft it's like a cushion"

Diablo began to shake Shera's buttocks that danced for him as he shook them, like two huge water balloons, up and down, from one side to the other.

Diablo was hypnotized, being a lover of huge butts he took it further, his hands stopped, but the massive buttocks of the elf were still shaking wildly.

Without saying more Devil, he placed his head right in the middle of Shera's ass, his head was being swallowed by the meatballs, the sensation of warmth, and comfort enveloped Diablo, he dreamed of the day when he could admire a butt so close, but now even, he was satisfying these desires with such a big ass that could never exist in his world.

A sweet smell filled Diablo's nose, the scent of Shera's ass was so sweet, he could live there forever, with both arms pressed more to Shera's buttocks, crushing his head more and more, the minutes passed, and an idea hit his mind.

Diablo freed himself from his hot and humid prison, to contemplate the big fat ass. His cock was as hard as it had been at the beginning, even more, Diablo held it with both hands, and let it fall with a single blow between Shera's buttocks.

He placed his hands back on the heavy buttocks, beginning to move them up and down, his entire cock is covered by Shera's obese backside, he was getting an assjob of two hot cream buns. SMACK SMACK SMACK, Shera's buttocks pounded against Diablo's groin.

"It feels almost like her pussy, but it's so different, I will not be able to resist much time"

After saying this another creamy load was shot from the diablo's penis, Spurt, a thick jet of cream hit just with the opposite wall.

"This felt even better than before"

Shera's buttocks were bathed in the semen of Diablo, this heat woke the fat elf girl.

"What happened Diablo?" Shera turned around again, sitting on her fat ass.

"You received all the power of a demon King you should be grateful"

Shera turned to see his huge ass glazed, and then his gaze went to Diablo.

"I think I have not learned my lesson yet, you should give me a little more of that power"

Shera went straight to Diablo giving him a big deep kiss, at the moment when Diablo was going to hold the massive tits again, in the background was heard "COF COF"

Rem stood at the entrance to the door with two bags of food.

"How dare you have fun without me"

The cat girl had an expression of discontent on her face, but despite that she kept her composure, placed both bags on a small table that was in the room, then she placed herself in front of the lovers' couple, taking out a bright bottle, from the small leather bag that she had hanging on her waist.

"So what attracts you, are the women with big tits and fat asses, are not you Diablo? , then, I'll have to become one "

Rem opened the bottle and drank all its contents in one gulp and .....
