VORE STORIE

This is an ancestral history, it happened when the human and spiritual worlds had not separated, the holy knights defenders of the kingdom of Lioness possessed an immeasurable magical power were feared and at the same time venerated; but there were seven souls who betrayed the kingdom and are known as the "seven deadly sins."

Meliodas, the Dragon and the sin of wrath, who is one of the legendary rebels of the seven deadly sins, in search of other sins, next to Princess Elizabeth , passing through the village Vania famous for its beer, Meliodas there helped the people whose water supply had been confined by a holy knight, but what was the real reason why Meliodas gave help to the village of Vania? ... this is the story.

Meliodas arrived at the village of Vania with Elizabeth, the landscape reminded him of the great moments with Diane the snake and the sin of envy, a girl of great size like that of a building three stories high (30 feet), coming from the giant caste and whose clothes were some boots oranges with laces that reached below her knees and to show off her huge and fleshy long legs, some blue vambrances with steel points like ornaments and protection of her arms and a tight orange leotard, so much so that anyone who stopped underneath it, could see how was tucked between two huge vaginal lips, giving them to notice even more, it also reduced her waistline and finally made her two huge breasts stand out, as they came together so much that they could crush anyone.

Actually that village was a special place, because the liquor was the best, since Vania's beer was prepared with the best water from Lioness and with the malt that grew beside the river, that's why Meliodas and Diane had decided to visit that place , especially Diane who was a lover of very good beer. Meliodas had owned a tavern which he called the "boar hat" because he loved being able to see, smell and hear the belches of all beautiful girls with big breasts and wide hips that came in to drink a little liquor, that excited him so much that caused his penis to rise up

imagine how the gas that had been produced in the entrails of a girl, traveled through his stomach to his throat to get that smell and sound characteristic of each of them by their sensual mouths.

When Diane and Meliodas arrived in Vania, Diane said:

-Captain!!! I die for drinking beer, in these summer days that the heat makes me sweat so much, I need to freshen my throat.

To which Meliodas replied smiling:

- Diane is fine you can take all the beer you want.

-I'll do it, Captain, but first I'll go bathe in that river, the heat that I suffered during the way to Vania was a lot , now my Leotard is very sweaty has made it stick even more to my body and it is very itchy.

So Diane, began to undress, took off the vambraces, untied the shoelaces and stripped her boots , then began to lower her leotard slowly dropping her two huge breasts that looked like two huge soft spheres , while she watched with discretion if Meliodas watched her, or her "Captain" as she called him, because Meliodas was not just a member of the seven deadly sins , but he was the strongest of them and for that reason also their leader. Diane stopped when she took off her leotard when she reached her hip and shouted:

-Captain!!! I want you to take a bath with me, you have to be with me ... !!!

And Meliodas replied:

Okay, Diane, I will, while Meliodas made a half smile.

Diane, very happy began to jump in the river, making the water splash together her two huge breasts that began to swing like two bags filled with jelly , then she took both her hands and

leaning a little and reaching her two huge buttocks up, began to lower her leotard that was very stuck and buried between her genitals until reaching her vagina due to the mineralized and salty sweat that she gave off from the pores of her body.

And again Diane shouted:

-Captain, my leotard is stuck in me, you must go in and take it out.

So Diane took it, with her left hand I dip it in the water and put it between the space of her leotard and her hip ,Diane took it to her swollen vaginal lips that seemed to be caramelized.

Beginning to rub it between her lips, as if he were a soap to take off the leotard that seemed to be attached to her vagina . When her leotard was taken off, Diane took the impulse with her left hand and introduced Meliodas with great force into her vagina, which is still a little stuck.

While Diane squeezed and relaxed her pussy at the same time, rubbing Meliodas against her lips , so that it aroused her so much that a large jet of viscous and creamy vaginal fluid came out of it, propelling Meliodas against the ground.

Diane then innocently and ashamed said:

-I'm sorry captain, I got a little excited !!!

Meliodas replied while he smelled and licked from his fingers the liquid that had expelled him from Diane's vagina.

-I'm fine Diane, now get dressed and we go to one of those taverns of Vania the beer awaits us.

Diane smiled again with flushed cheeks and said:

-All right Captain

At that moment Diane took out a clean leotard that she was carrying in a yellow backpack with brown dots that she carried on her back and began to dress.

While she was doing it Diane began to think about the excitement that her Captain produced, she said to herself:

"When I get to the tavern, I'll drink as much beer and eat as many drunk humans as possible.

Diane knew that this would cause more gas, so much, that her stomach would produce such a strong and powerful burp, that arouse so much to its captain as to penetrate it by itself and finally he would be totally of her.

Diane finished dressing, but when she was arranging her leotard on her big breasts, with the left hand holding the body of Meliodas and put it right in the middle of her tits.

-Captain will be faster if I take you, I hope you're comfortable.

Diane shook her fat breasts a little, while Meliodas lost himself in the softness and warmth that enveloped him.

"It's fine, Diane, but you did not need to do this," Meliodas answered as he snuggled up.

Step by step, Diane's body was shaking, her curves trembled, she had an athletic body, but it paled before the massive tits and buttocks, which they bounced as if they were stuffed with pudding.

The village was not as close as they expected, after a while of walking, Diane's cleavage was beginning to fill with sweat, Meliodas did not bother him at all, on the contrary he could not say it was the sweetest smell but it was nice.

-Captain is still missing a lot, I'm dying of thirst and is starting to feel hungry.

While she was saying this, a farmer was passing by with his son and a cow, he felt how the earth trembled a bit because of the giant's weight.

- Look at that son, a fat monster. Hey giantess, why do not you diet? , in this country we do not have enough food, and because of the size of your ass and your breasts, it shows that you do not moderate with food.

Diane and Meliodas heard this, Meliodas expressed great annoyance.

-Diane let me go down I'll give a lesson to this stupid, no one can offend my partner.

Diane smiled at him again

-Captain, it is not necessary for you to do something, I can defend myself.

Diane took Meliodas from between her obese tits and placed him on the floor, then she walked towards the farmer, her buttocks danced with each step, when facing him, Diane said:

-Hello, my name is Diane, I understand why you told me that, I am so huge and voluptuous that I need a lot of food just to fill me up a bit, and you know little man, I'm glad you offended me, just when I was starting to get hungry, so I have the perfect excuse to be able do this.

Diane with two quick movements, she grabbed the farmer and the cow at the same time. The view changed completely for the farmer from that height he could fully appreciate Diane's massive tits, he could not look away, but it was too late, Diane's stomach roared again.

-I think I can not wait anymore- the giant's mouth opened, her long tongue spread as something of saliva dripped down the corners, the little man quickly deduced that he was about to be devoured by the obese giant.

Wait, please, it was just a joke. I'm so sorry. "Diane did not care about this, as the farmer began to fight to try to escape, the Diane's hunger only increased.

- Keep trying to run away, I like that. The smile on Diane's face disappeared when she introduced half of the man's body, which followed writhing inside, only its middle section was out of the giant's mouth now.

The man was being bathed in Diane's saliva, he breathed the giant girl's breath as the giant tongue began to taste it.

The farmer's son looked in amazement at Diane, he was not scared in the least, on the contrary his heart beat very hard when he contemplated his Father stuck in the mouth of the giant.

Using only her mouth Diane began to engulf the man, she could feel the man's body enter her throat, still struggling and writhing, being a useless effort that only excited the giant.

Diane's cheeks bulged to accommodate the man's entire body, the little feet disappeared, a visible bulge appeared in Diane's throat , showed very well how her food goes down to the stomach, she would lift her head to finish swallowing it.

Finally the lump of the throat disappeared, GLUP a sound reached to be heard, Diane's stomach grew a bit for the food that ends having. She had a big smile on her face, which did not last long, an expression of surprise was drawn on her when ...

BOOOOOOAAAAAAAAAAAAAAAAARRRRRRRRRRRRRRRRRRRRRRRRPPPPPPPPPPPPPP
PPPPPPPPPPPPPPPPPPPPPP!!!!!!!!!!!!!!!!!!!!!!

A massive burp came from the mouth of the giant, the power of the gas that came out of Diane was so great that it shook the surrounding trees. Not only the sound was intimidating, with a long duration of approximately one and a half minutes, not to mention the fragrant aroma that spread rapidly,

-HA HA HA HA HA- Diane laughed loudly - I understand, you got excited watching me eat, did not you? - Diane's mouth opened again, the interior of her jaws could hold the boy full of a bite, if she wanted to, her fragrant breath enveloped the boy in front of her, Diane closed her mouth and said:

- Would you like to see how I eat my food again? –

The boy who had another erection nodded his head gently.

-Good boy- Diane stood up, raised her arm with the one holding the cow, leaving it hanging just above her open mouth, Diane shook the cow a little, playing with the huge animal that would be her food, that rocking also shook her big, gelatinous body, including that new bulk of her previous appetizer.

The boy observed every detail with attention, he could even notice something in Diane's belly, what seemed to be protuberances, as if something in her interior will fight to leave.

The boy raised his head to watch as Diane dropped the big animal inside, she could accommodate him without any effort, only her cheeks swollen, Diane closed her mouth trapping the cow, the giant's gaze went to where the little man was, moving the cheeks Diane played with her prey and watched as her observer enjoyed it.

Finally Diane began to swallow, she could gobble up anything without chewing, her digestive tract was as strong as she was, her throat was bulked again, you could see through the skin, as the animal fought fiercely, her prey had settled into her throat, Diane's mouth was free, she directed her gaze to the farmer's son and without saying anything, winked at him, her relaxed expression changed again, frowned the frown, placing more power in his throat, little by little the huge bulge began to descend, but this time, you could observe the trip full of the food, through the chest a great bulge formed that faded finally between her incredibly fat breasts.

GLUP, the farm animal came to Diane's stomach to keep her owner company.

The boy was anxiously awaiting the release of Diane's gas, he thought his father had provoked that monstrous belching at the time, that huge animal could only double or triple Diane's belches.

A loud growl came from Diane's stomach, her belly had relaxed even more, now her big belly was easily visible through the Orange leotard, she gave a soft tap to her stomach and said:

-Delicious, those little snacks are enough, to support my trip to Vania - a big smile was drawn on her face, she had almost forgotten the boy who stared at her.

The boy took courage, to shout something to the beautiful giant

-Why? why did not you burp? –

Diane's eyes widened in surprise

-I understand, so that's what you like most, is not it? , you like the belching of beautiful girls like me, very good boy, , you know if I really want to burp , I feel like a great mass of gas is inside me, but if you want to have the honor of receiving it, you must beg me. And my name is Diane.

-Please Miss Diane bathe me with your noisy and stinking gases, I implore you-

The boy ran to Diane's feet, and began to kiss and lick the giant's boots imploring, for the pleasure of feeling her belches.

burp came shaking everything around her, Diane hit her breast, the gas took
her by surprise and she was not prepared for this massive release of air, on
the other side the boy flew out of Diane's mouth soaked in saliva and along
with the remains of his father's clothes, falling in some bushes.

The giant held her big belly while belching, her whole body shook, the vision,

the gas came out of Diane's interior until Urp, the belching ended
abruptly.

-Uff, I think rustic food does not sit well with me, I'll need several hundred
gallons of beer to digest this, but where did that little boy go? –

Diane saw him even aware and said, "dear little baby, you were very unlucky
that it would come out just when I was going to swallow you, but as a reward
I'll give you something special."

Diane turned around, showing her giant buttocks, they shook without any
resistance, she got on her knees her leotard stretched more, showing her fat
vaginal lips Diane glanced back, and with one hand removing the cloth from
the giant donut.

- Here it is, I have been practicing this for some time - the massive anus pulse,
-very good, what are you waiting for? , go in there, my ass is hungry too –

The boy was determined to please Diane as it should, with the strength that he had on his trembling legs, he reached Diane's soft and fat buttocks, she opened her legs wider until they were at an accessible angle, so that the little man will enter, he could pick up the smell of Diane's wet pussy, the gigantic anus opened a little so that he could let in his future snack.

Diane was anxious to eat something for her butt, it was always a fascinating experience, and before she could continue thinking the boy half an arm went inside Diane's ass which gave a moan of approval, before the pleasant sensation that approached her , the other arm of the young man easily entered all the Diane saliva he had in his body was the perfect lubricant.

The grimace on Diane's face expressed all her feeling, an expression of effort was put on her face, and without further ado the little human began to be sucked into Diane's hungry anus, he could not resist the force of suction, it was too much for the young boy, his head was swallowed by the giant donut, with another contraction of her buttocks Diane managed to get more of the boy inside, leaving only visible the legs Another push of suction and only the feet were outside.

Diane now had an expression of pleasure, her pussy moistened more, releasing small jets of vaginal fluid in the green field, another contraction in her ass made half of the boy's body come out again.

-Oh no, I will not let you escape this time - Diane exclaimed angrily, this time her buttocks moved violently, and the human entered full in her intestine, Diane was still contracting her ass, so that the boy reached his final destination and made company, to her previous foods , Diane's stomach grew even more abundant, she had finally swallowed the human thugs that crossed her path, but it seemed too early to celebrate, GRROOOWWWLLLLL, a strong pain pierced Diane's belly.

God this is very shameful, I thought I could control it-
Diane's face turned as red as a tomato and drops of sweat ran down her forehead.

- Please that the captain does not listen to me, I will not bear the shame, but I can not take it any more-

Diane sat down on her ample backside, put a steady hand on the floor, to just lift one of her fat buttocks, she had finally settled into position.

-I can feel it, here it comes, I'm going to fart - and with these words, her anus opened again to release a big noisy and stinky fart that rivaled her earlier belches.
