-Hello my name is Silence Suzuka, it seems that you were very tired - Suzuka finished this with a smile.

Silence Suzuka was a girl with an angelic face, her deep green eyes made her look extremely attractive, not to mention her proportions, since she has huge and fat breasts, nipples that were transparent through her shirt at all times, along with fat and provocative buttocks, which together with her imposingly strong legs made her irresistible to anyone who saw those unmistakable curves.

This aroused enormous curiosity and desire in Special Week from the first time she saw her, she was captivated by the beauty of Suzuka and now was right in front of her, however she decided to hide her feelings.

The days began to happen in the academy, Special Week looked at Suzuka every day, without her noticing, almost at all times, especially while they warmed up together in training.

Special Week paid more attention when Suzuka stretched her strong legs, moving her fat ass, thighs and thick calves back and forth. Suzuka's huge ass widened as she flexed against the ground, seeming to grow at twice her usual size. Although that was only a tiny part of the show because when she ran across the field Suzuka's breasts moved uncontrollably shaking her little shirt that could barely contain them, the biggest basketballs, tits dancing in unison in their footsteps, bouncing up and down.

Special Week could barely contain that tingling in her pussy every time she saw Suzuka, for several weeks the trust between them grew more and more, until they considered themselves best friends.

One day being alone in the bedroom, Suzuka decided to take the initiative, she shared the same feelings of Special Week, from the first moment that she saw her asleep with her abundant body spreading in the bed, she realized that that girl was something special, before

she woke up, Suzuka approached Special Week a little, her carrot breath only aroused Suzuka's instincts more, in that moment she made the determination that the great girl she was already doing in that bed would be her personal pet.

In the present, Suzuka really enjoyed playing with Special Week, she without much effort noticed the desire that the country girl reflected for her, giving small samples, just to instill a deeper desire in Special Week.

When they trained, changed clothes or bathed in the bedroom, Susuka always wanted to provoke Special Week by shaking her butt on purpose, or drying her body in the most perverse way after a bath, since long training day they were completely soaked in their juices.

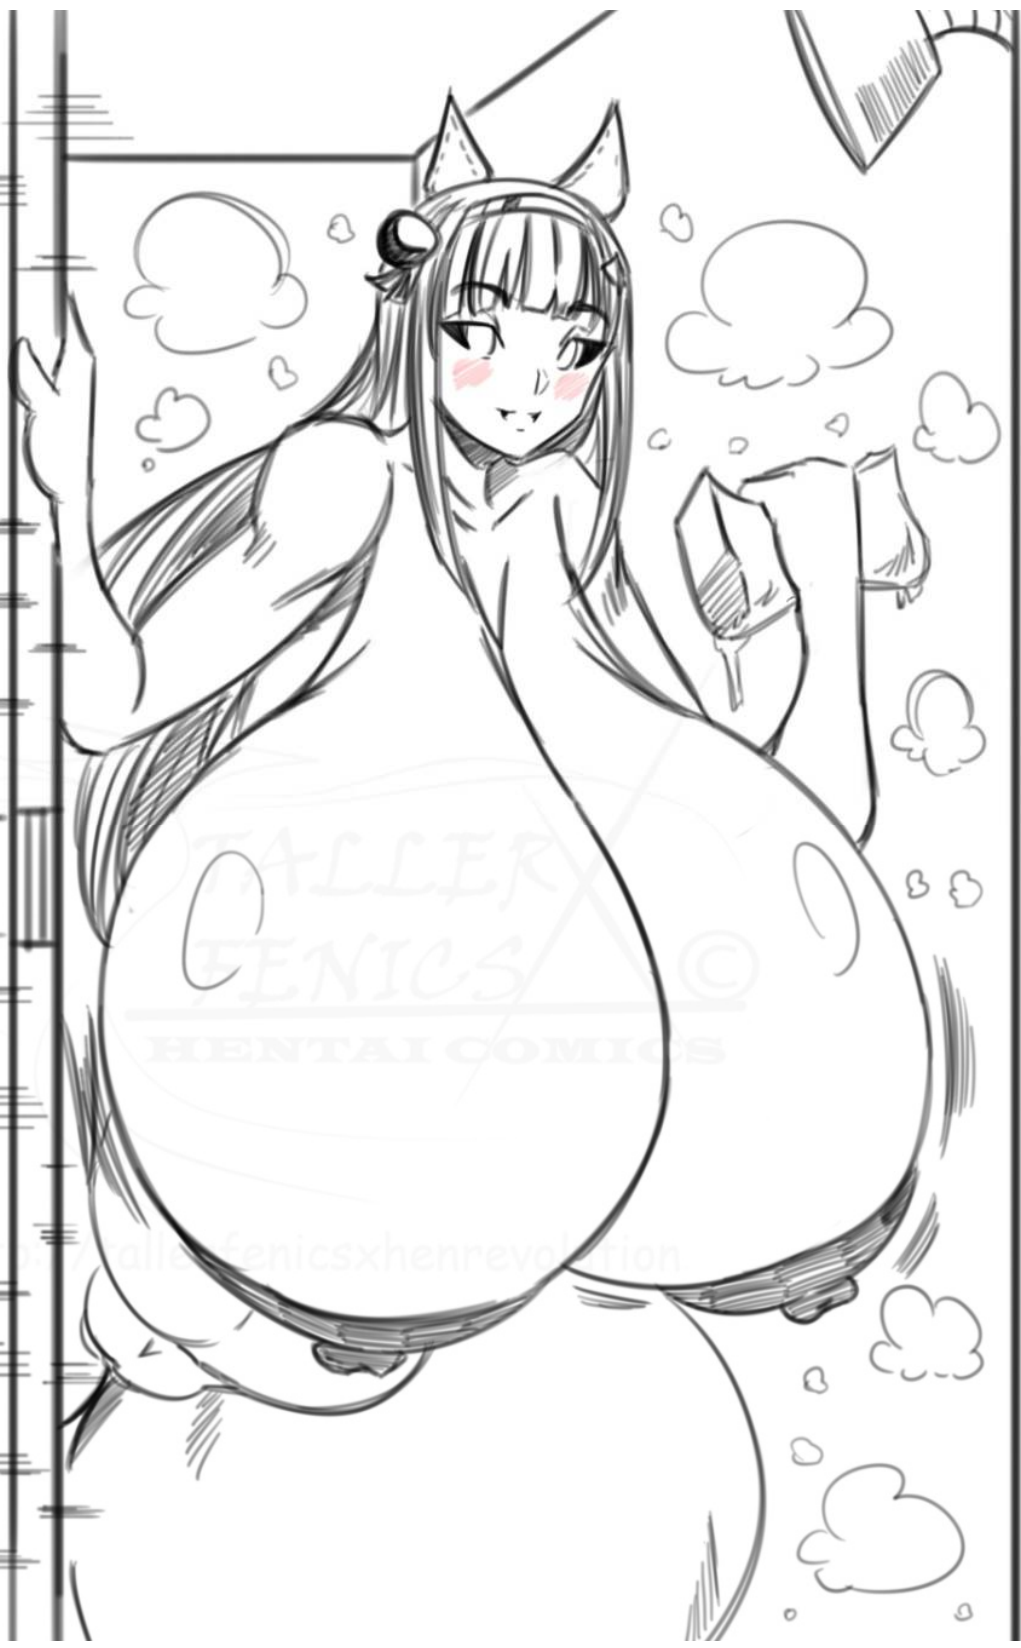

Special Week had decided that this would be the day she would dare to go further with Suzuka, she could no longer contain her desires, the masturbation sessions were no longer enough to calm the heat between her legs, while Suzuka took a shower, Special Week entered the bathroom and stood next to the shower completely naked, the silhouette of the massive breasts and obese ass were easy to distinguish for Suzuka who drew a smile on her face.

The heart of Special Week hit so hard that she felt it echoed throughout the bathroom, she together with all her willpower and with a tender voice said:

"Can we share the shower? It's just that I was a bit late"

Suzuka savored the moment, knew that soon she could taste the erotic girl, clarified her guarantee and answered:

"Yes, no problem, come in the water is hot"

Special Week opened the shower door slowly, for luck of both was a space large enough to accommodate both girls.

Inside the shower, Suzuka did not miss the opportunity to observe her roommate in all its splendor, she saw that her breasts looked like a marshmallows that denoted great softness bouncing only with the Special Week's breathing, her nipples just a little darker than her skin tone looked inviting for Suzuka, yet Special Week's back was slim and framed her narrow waist, while her hip and thighs were extremely thick which caused their buttocks to collide with each other and move with great ease, similar to a pudding.

Suzuka's pussy moistened, and her sexual hunger grew with every second, wanting to touch her partner's skin, she asked:

-Do you want me to soap your back? –

Special Week put on a surprised face and only nodded timidly:

-Yes, please- turning until her back to Suzuka, the buttocks of special Week trembled, closely the two huge fat deposits swayed, making Suzuka drool.

Suzuka began to lather her in a delicate and affectionate way, while both laughed, starting from the neck of Special week, going through the back, the soap dripped down the body of Special Week until reaching the fat ass, where it disappeared in the middle of the buttocks.

The face of Special Week showed how pleasurable this feeling was, until a blow of pleasure suddenly enveloped her, one of Suzuka's hands, had slid down to her breasts and now held and squeezed slightly chubby breast of Special Week.

Suzuka was massaging him without saying a word, she slowly approached her body to Special Week, when they were against each other, the formidable breasts and nipples of Suzuka hit the back of Special Week, causing the excitement of both to increase swelling the lips of their pussies, this reflected in the blush they both had on their faces.

The whole room was flooded with steam from the hot water, this was caused by the body temperature they had reached. The moaning of Special Week, became stronger, appreciating throughout the room.

Suzuka walked the body of Special Week stopping with special attention, in her soft and big fat buttocks, caressing and squeezing them, ending in the back of her legs, the breasts and nipples of Suzuka rubbed the lower part of the legs of Special Week ; Suzuka decided to lather the pussy of Special Week a couple of times with gentleness, which caused her lips to begin to swell even more and acquire a deeper tone, with wide-eyed Special Week she let herself be carried away by Suzuka's caresses, while saliva dripped from her mouth.

Suzuka was running up and down Special Week with a face of excitement and satisfaction, Special Week was ready to give herself to her, her whole body was screaming, but suddenly Suzuka stopped standing and said:

-You are clean Special, I'll let you finish bathing- without saying more Suzuka left the shower leaving Special Week, with a great feeling of frustration.

Special Week had finished her bath, the thoughts of everything that happened was still in her head, she did not understand what happened, why Suzuka did not finish what she started ?, absorbed in her thoughts, she kept dressing, with the oversized clothes that could barely cover her curves, when she was about to put on her training shirt, Suzuka approached without making a sound, and took her face firmly giving her a big kiss on the lips.

Suzuka's lips were soft, and her saliva was getting into the mouth of Special Week, she was not putting up any resistance, she quickly put aside her surprise, and stuck her tongue inside Suzuka's mouth, both tongues struggled to please each other the tongue of Special Week was short and small, similar to that of a puppy, while that of Suzuka was the opposite, it was longer and stronger could almost touch the whole inside of the throat of Special Week.

While they were kissing, Special Week was still bewildered and excited so that at no time closed her eyes, noticing this Suzuka, decided to hold the small ears of Special Week, which shook expressing their happiness.

Suzuka broke the kiss and said:

-You are beautiful Special, it's time for us to get to step two –

Special Week confirmed shaking her head while Suzuka's wicked smile appeared again, she began to lower her tight shorts, showing her fat pussy to Special Week, Suzuka was soaking wet, her pussy drained a clear liquid.

-And well, what are you waiting for- the lips of Suzuka's pussy throbbed with every word-

Special Week followed the order without objection, leaned into the boiling pussy and began to feast on Suzuka's vagina, her tongue was small and soft, which made Suzuka laugh at the tickle she caused, it was clear that Special Week only had the impetus, but not the experience.

Suzuka held the Special Week's hair closer to her wet pussy, which had a strong essence.

-Special Week if you want to make a girl feel good you need to put your tongue deeper, do not be shy, just suck and lick me, show me your love –

Special Week took these words to unleash all her passion, began to lick more strongly, sucking and sipping, the sounds of moisture came from her lips, soon one of her hands seemed to come alive and squeezed Suzuka's clitoris hard, she did this again and again without stopping to satisfy Suzuka, even though her tongue was small did not mean that the movements she made did not send much pleasure to Suzuka's brain, because Special Week took great pains to do so, focusing on her clitoris, at the same time massaging her vagina with her index finger up and down, to try to make Suzuka cum, which caused that her vaginal lips will go from a pink tone to a deep red and begin to swell, causing Suzuka, will begin to ejaculate.

Suzuka's body was shaking like crazy, a big jet of vaginal fluid burst into the mouth of Special Week flooding it completely, she tried to swallow but it was too much, until it separated from Suzuka's groin to get some air.

Special Week could no longer think well, she was completely clouded by her excitement, she stood up deciding to explore another part of Suzuka's anatomy, she went to her massive breasts, which by that time had increased in size.

Suzuka's giant tits were producing milk for excitement, both huge breasts were placed on the sides of Suzuka's torso, dripping and wetting the bed she had lain on, the face of Special Week, blushed, the vision of the beautiful redhead girl panting as her breasts ejaculated the impulse like lightning towards one of the massive breasts.

Special Week held with both hands, one of the tits inflated with milk, squeezed and massaged with both hands intensely, Suzuka's nipples were more erect than ever, her previous orgasm and this massage brought her back to another climax.

The mouth of Special Week opened to start tasting the nectar that flowed from Suzuka, the knowledge was sweet, so much that she thought she could become addicted to this, and without saying more her lips closed the swollen nipple of Suzuka, beginning to suck , with strength to quench her thirst.

The hot liquid was filling her stomach as it began to distend a bit from the amount she was swallowing, Special Week had no intention of stopping, and Suzuka's moans were proof of how much she was enjoying it.

Special Week released Suzuka's dripping nipple and began licking it with her small tongue, leaving a thin layer of saliva around as she watched Suzuka's face, whose mouth was open, breathing and panting heavily, but before she could recover her consciousness Special Week began to suck the other huge boob, which was still swollen by the milk production she had and at the same time with her other hand massaged the other breast, which was swelling again .

This was repeated in a constant cycle, Special Week changed her breast to suck milk and continued to massage the one that was free, Suzuka's pussy was shooting more and more, constant orgasms had affected all her sense of reason.

After a while of hard work Special Week had drunk until the last drop that came out, Suzuka's nipples were erect and emitting palpitations.

On the other hand, Special Week was recovering from the experience, the milk that she drank, she had inflated her belly giving her a big belly, the belly of Special Week roared loudly, she felt like she was going to burst suddenly a big contraction strongly shook her belly, the cheeks of Special Week inflated and she released a big belching that was heard until the training camp.

-Now apologize with my ass-

For Special Week this punishment was no more than a prize, so she began licking her huge buttocks, surrounded by folds, until approaching her anus, which she explored with her fingers, repeatedly as a swing from top to bottom, feeling it tremendously tight and throbbing, that it got lubricated little by little.

Special week, licked her finger and then approached Suzuka's anus, while her tongue savored them in circular motions, until satiated, Suzuka was moaning with pleasure, her massive buttocks contracting around the head of Special Week.

While Suzuka moaned, her swollen and throbbing anus gave Special Week an idea, she wanted to be able to penetrate Suzuka, so she tensed her tail, and decided to use it like a penis.

The tail of Special Week had become hard and with a thickness similar to an erect cock, and with a quick movement she introduced it into the wet anus of Suzuka, in her ass it prized the folds that surrounded it of an intense pink color .

The tail of Special week, in and out of the anus of her roommate, she bit one of Suzuka's ears, which moved, when she moaned with pleasure.

With each thrust, Special Week's pussy rubbed against her tail-cock giving her the same pleasure as Suzuka, the euphoria and rhythm of the thrusts gradually increasing.

After a few minutes Special Week had built a whole rhythm to fuck Suzuka, first she took her fat breasts that she squeezed without stopping, and then do exactly the same with her nipples.

Special Week beat savagely Suzuka buttocks that shook as if they were jelly, her power did not decrease on the contrary every minute her hips moved faster, in her face was appreciated her frown and flushed by the effort with which she introduced her tail, her teeth tightened, with each push.

SMACK SMACK SMACK Special Week was giving the best fucking of her life to Suzuka, who shouted:

"Stop"

Suzuka's vagina was totally soaked, Special Week decided to pull out her tail slowly, when it finally came out of Suzuka's ass, Special Week rubbed it as if it were a real cock, while she put on an expression of dissatisfaction as she was about to come.

Suzuka looked at her with her face flushed, no doubt that face of tantrum towards looking at Special Week even more innocent.

"Come on, do not get mad, but if we're going to do this, you'll need a proper tool, although your tail is better than many cocks I've tried," Suzuka said with a smile.

Suzuka opened a drawer of her bureau and took out a dildo of approximately 25 inches, which she placed in the narrow waist of Special Week held by her fat buttocks and hips.

Suzuka licked the tip and then introduced it completely in her mouth, like a large ice-cold palette, and then licked it up and down, as if it were a delicious sweet, which she left very well lubricated with her saliva, then she reclined, opening her legs the best she could showing her pussy that throbbed craving something to fill it.

Special Week looked at Suzuka and without thinking, she approached her vagina with the massive fake cock bouncing between her thighs, began exploring her by clutching her clitoris and with her fingers, opened her lips to introduce the huge dildo.

Both girls were reclining in the bed Special Week had removed the dildo and now only shared a hug.

-Special Week that was fantastic, I hope we can repeat it soon-
Suzuka told her with a smile

-Of course, I hope we do it again and again, I really like Suzuka-

Suzuka broke the hug and got up from the bed

-It would be better if we hurry, we already lost half of the day, the coach should be wondering where we are-

The head of Special Week, back to reality, -the TRAINING- she jumped up and started looking for her clothes to get dressed as soon as possible, which unleashed several laughs from Suzuka.

But what they did not count on, is that the coach was out of his bedroom, thinking.

-Well, it seems that girl will be a champion, I want you to show me what else you can do Special Week -
