The noisy streets

A person is sitting on a blue bench, viewed from behind. They are wearing a dark jacket and light-colored shorts with blue stripes. They are holding a red and white striped cup with a red straw. The background is a bright blue sky.

Is it today?
It's been a year since that disaster.
Without the bullies' interference,
my life has gradually gotten back on track.
I became boyfriend and girlfriend with
my childhood friend Komo,
and my mother found a steady job.
Things are getting better.

It's all over. Looking back,
it feels like it happened yesterday,
but in the end, I won. My friends and
family got a happy ending, and they
don't remember or carry that pain.

I'm no longer the
pitiful person
who was pushed
around. That experience
made me stronger.
I won't let that
happen again! Never.

But that knife still stays with me.
I try to throw it away,
but it always comes back the next day.

Then I'll send you back now.
As for that knife,
consider it a gift.

Forget it, I'm just fighting myself.
As long as I don't use it, it's fine.
Having power in my own hands
is better than in the hands of a bad person.

A close-up, low-angle shot of a person's legs from the knees down. They are wearing dark blue, straight-leg trousers with a thin brown stripe near the hem. They are also wearing white sneakers with brown accents on the soles and laces. The person is walking on a rough, textured ground that appears to be a mix of brown, tan, and grey. A dark shadow is cast on the ground to the left of the person's feet.

Ah~ Xiao Chi, sorry to keep you waiting.
My stomach wasn't feeling too good.

But that place is
really good.
I couldn't help it.

I told you not to eat
such spicy food.
You never listen.

Haha, Xiao Chi, you look really pretty today. Did you do something different?

You already said that before we left. Are you an idiot?

No, I'm not!
I just think you're getting
more and more beautiful.

Ha~ What an idiot
you are~So hopeless.

It's about that time.
How about we take a walk
together and grab a bite to eat?

A person is sitting at a light blue table. They are wearing white leggings and brown Mary Jane shoes with white socks. Their hands are resting on the table. In the background, another person's legs and brown sneakers are visible. A speech bubble points to the person at the table.

Sure,
I'm getting a bit hungry too.

An anime-style illustration showing two characters from behind. The character on the left has short, dark brown, wavy hair and is wearing a white t-shirt and dark blue pants. They have their right hand on their head and their left hand on their hip. The character on the right has short, dark brown hair and is wearing a light brown sweater over a white collared shirt. They are standing on a paved surface, possibly a sidewalk, with a blurred background of a building and a green sign with white Japanese characters on the right.

Hey, Xiao Chi...
I like you.

Don't say something so blunt
when it's still just ambiguous!

An anime-style illustration featuring a young man and a young woman. The man, on the right, has short brown hair and is wearing a white t-shirt. The woman, on the left, has short brown hair and is wearing a brown jacket over a black top. They are standing in front of a building with a red sign that has white Japanese characters. A speech bubble from the woman contains the text "Everything was so beautiful, everything was heading in the right direction." In the bottom right corner, the text "Dead End Ahead" is displayed in red.

Everything was so beautiful,
everything was heading in the right direction.

Dead End
Ahead

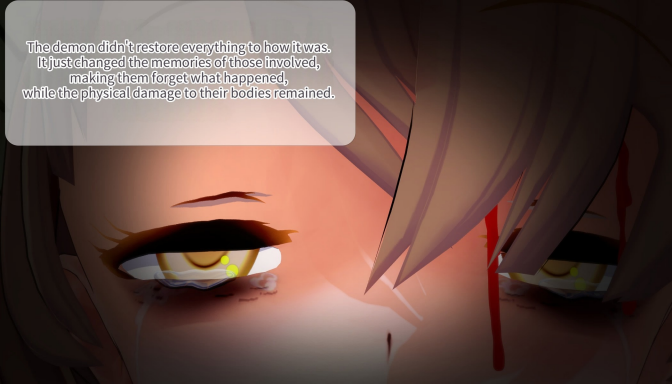

What a wonderful day it was...
If only that were really the case...

The demon didn't restore everything to how it was.
It just changed the memories of those involved,
making them forget what happened,
while the physical damage to their bodies remained.

Her expression was a bit ugly,
but the feeling of being tightly
held by that pussy
was amazing!

The defilement of my body by those bastards
still remains. It's left me unable to bear
children and unable to have sex,
and for the rest of my life, my lower body
will ache from time to time.

Could be the womb too~
But no big deal~

The most pitiful is my mother.
Her body was hurt the worst,
and her appearance changed a lot.
Not only does she not suspect
anything, she thinks she's always looked like this.

I'm cumming!

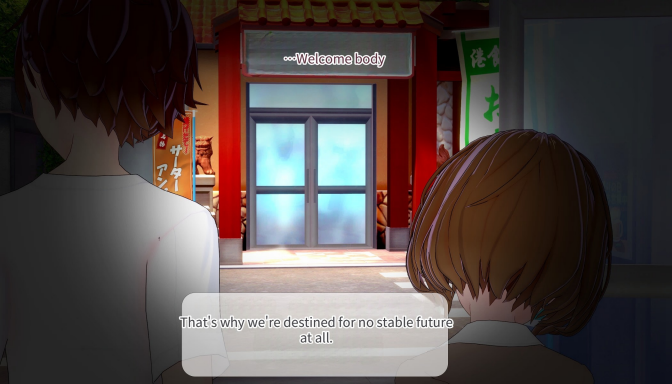

It took me a long time to settle
my mother. Those bullies deserve
to die, sure, but as victims, do
we just have to suffer?

A person with short, layered brown hair is shown from the back, looking towards a bright, circular light source in a dark environment. The person's skin is a light, warm tone. The background is dark and out of focus, with the light source creating a strong glow and lens flare effect.

What if Xiao Mo finds out the truth?
What if he doubts my purity?
Because of this, I struggle every day.

An anime-style illustration from a third-person perspective. Two characters are seen from behind, looking towards a building entrance. The character on the left has dark, spiky hair and is wearing a light grey shirt. The character on the right has brown, wavy hair and is wearing a dark jacket. The building entrance has a red frame and a sign above the door that reads "...Welcome body". The door is open, revealing a bright blue sky. To the left of the entrance, there is a sign with Japanese text "サーターアンダー" and a small statue. To the right, there is a green sign with white Japanese text "港食".

...Welcome body

That's why we're destined for no stable future
at all.

Hm? Xiao Chi, is something on yo
ur mind?

Huh? No, I just spaced out.

To settle my mother
and clean up that mess, I took a year off school.

After a year, I'm stepping onto campus again.
I thought I'd never come back.

An anime-style illustration of two female characters in school uniforms. On the left, a girl with long black hair is seen from the back, looking towards the right. On the right, a girl with short brown hair and glasses is looking back at her. They are standing on a paved area with a fence and trees in the background.

Xiao Chi? It's really you!
You actually came back!
Long time no see, are you okay?

Shi Niang? It's you.
I'm fine.

Dropping out without saying a word,
it was so sudden.
Whatever the reason, I'm really glad to see you.

Yeah, I'm happy to
see you again too.

An anime-style illustration showing the backs of two characters. On the left is a character with long, straight black hair, and on the right is a character with short, wavy brown hair. Both are wearing white school uniforms with dark collars. They are standing in front of a green wall with a window on the left. The scene is brightly lit, suggesting daytime.

So what really happened?
You seemed weird before you left.

A lot happened.If I told you,
you definitely wouldn't believe it.

And some things are better left unknown. The more you know, the more dangerous it gets.

Is it really that serious?
You make it sound so dangerous.

Also, your partner chose to forget
without any hesitation.

Is that even a question?
Who would want these
damn memories? I just want to go home...

Back then, you chose to lose those memories
so you wouldn't have to suffer anymore.
I respect that, so I'll carry them for you.

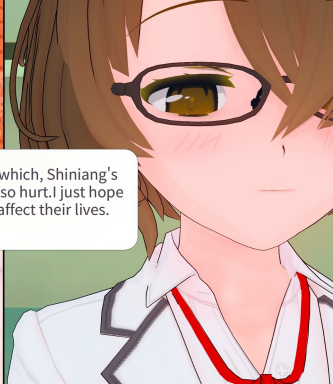

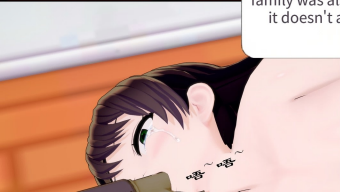

I'm kidding.
Actually, I had some
family stuff to deal with,
but it's all sorted out now.

I see.
Glad you're okay.

Speaking of which, Shiniang's family was also hurt. I just hope it doesn't affect their lives.

There's a big crowd gathered there.
What happened?

I'll teach you a lesson!

I recognize them. The pink-haired one is supposedly someone with a record. No one really knows what she did back then.

As for the white-haired one,
we all call her Sister Xue. She's
the younger sister of that Sister
Peng who went missing a year ago.
Not as much of a jerk as her sister,
but still a bad person.

Like sister, like sister.
They're all cut from the same cloth.
You'd better stay away
from them, or they might mess with you.

She's Sister Peng's sister?

After being stepped on
for so long and not moving a muscle,
you really are a dead fish, huh~

Why does this dead fish
have to be in my cleaning area?
She can never pay up
on time. Can we switch?

Huh? That white-haired girl
from last semester. She had
two lackeys. I remember you
guys used to hang out
together all the time. You
should know who I'm talking about.

I remember them. They're
all a bunch of scumbags.

Those are some bad memories,
really.

You're Miao Chi, right?
Nice to meet you.
Everyone calls me Sister Peng.

My two friends here are
a bit rough around the edges.
You'll get used to it.

Good riddance she
disappeared. At least
she can't hurt anyone else now.

Looks like they don't know yet
that Sister Peng was killed by a demon.

Um, I need to go to the bathroom. You go on ahead.

Okay, I'll head to class first.
See you later.

The bullying continues, and
people are still getting hurt.
This world shouldn't be like this. It's wrong.

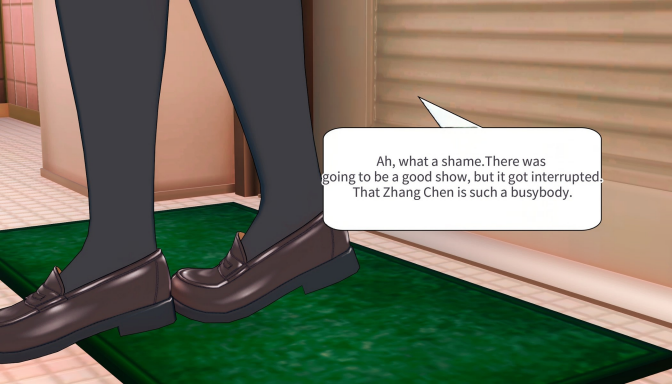

Why can they act so high and mighty,
and get away with everything scot-free?
Even if they die, what do the victims gain?
Bloodstained hands and traumatic
experiences? Why?!

Maybe I can use it to do something,
instead of standing by and watching.
If the victims are the bad guys,
then this would be serving justice, right?

But who should I start with? Sister Xue?
No, I'll save that bastard for last. Besides,
I've never tried pretending to
be someone before...

A close-up illustration of a person's lower legs and feet. They are wearing dark grey or black trousers and brown leather loafers with a small tassel. They are standing on a green, textured rug. The background shows a light-colored tiled floor and a wall with horizontal wooden slats.

Ah, what a shame. There was going to be a good show, but it got interrupted. That Zhang Chen is such a busybody.

But just wait, I'll make you pay sooner or later. Making Sister Xue look bad— I'll definitely make you regret it.

Yo~ yo~ if it isn't Little Slut?
You're a big shot at our school,
so why are you back?
Looking for another man already?

Do I know you? And what are
you talking about? I took a
leave of absence for legitimate reasons.

I'm talking about what you did before.
You know damn well what you did.
Can't own up to it and still trying to play dumb?

I don't know what you're talking about. If you don't have anything important, I'm leaving.

Ah~ of course, a lot of people at school don't know about this, including your little sidekick. I only found out a few months ago myself.

Sleeping with three guys at the same time,
that's really something, huh? All classmates
too, and I heard even outsiders joined in.
Hmph, absolutely shameless.

Enough, stop talking nonsense.
I don't know you, and I don't
know what you're slandering me about.
If you keep this up, I'm telling the teacher.

Yo~ got quite the attitude.

Think about your attitude now
versus back then. Ahhh, what a contrast.
Did you get a new master or something?

I'm not just making this up.
The photos on my phone aren't fake.
Who would've thought a transfer student
had this side to her? Really shocking.

Photos?

So that's it. The demon erased the memories, but didn't destroy the evidence. That bastard really left photos behind.

Even dead, you still have
something on me?
You just won't leave
me alone, will you?
I really regret not killing
you with my own hands.

Looks like you already know,
so I won't beat around the bush.
From now on, you'll do everything I say.
I'm your master now, understand?!

Hmph~ You guys are all
the same, you know
that? So damn full of yourselves.

You arrogant beast.
How can someone like you
ever change? Only death!

Hey, what do you think you're doing? Put the knife down!

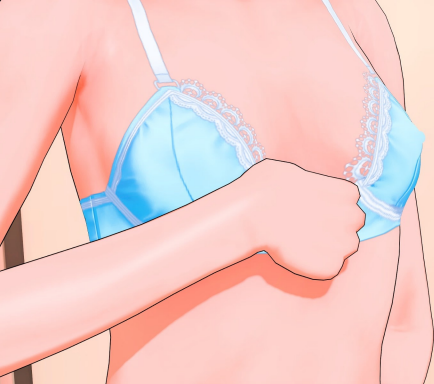

You know what?
I just changed my mind. You get to live.

I won't kill you. Death would be too easy for you. I'll ruin your reputation bit by bit, destroy your lives, just like you did to me.

I'm taking back everything
you stole from me!

Starting with your body...

It's so unfair. Why do the
bad guys get perfect bodies
while the good ones get bullied?

A person wearing a blue bikini is sitting on a large, shiny, pink, skin-like object that resembles a giant leg. The person is in a bathroom, with a white sink and a tiled wall visible in the background. A speech bubble is positioned to the left of the person.

Wearing someone
else's skin again,
just like last time.

An illustration of a person from the waist down, standing in a bathroom. The person is wearing blue underwear. The background features a white sink, a faucet, and a shelf with two blue bottles. The walls are covered in pinkish-red square tiles. A speech bubble points to the person's lower body.

I can't feel any pain
down there anymore.
The skin has already fused.

And then your body...

My chest feels heavy.
So this is what big boobs feel like?

And then this annoying face
of yours.

So tall. This is the first
time I've seen this view.

トイレ
使

Almost there.
I've already become her.

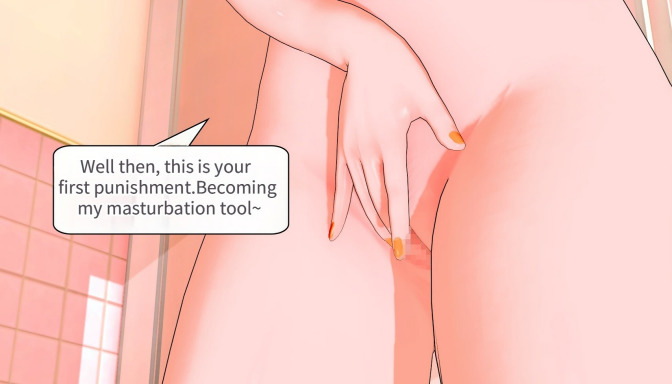

レはき
をいまし

Looking at my body in the
mirror feels so strange.
Not only am I taller,
but I'm heavier too.

A person is shown from the waist down, sitting in a sauna. They are scratching their right buttock with their right hand. The sauna has pink tiled walls and a checkered floor. A speech bubble is next to them.

Especially down there...
It's actually kind of itchy,
so weird~

An illustration of a hand with orange nail polish touching a person's thigh. The background is a soft, warm-toned gradient. A speech bubble is positioned on the left side of the image.

Well then, this is your
first punishment. Becoming
my masturbation tool~

A person is shown from the waist down, standing in a shower. The background consists of pink square tiles. The person's skin is wet and glistening. A speech bubble is positioned to the left of the person's legs.

So... so intense!
I'm gonna cum!..

I'm coming!

I sprayed so much~
Got my clothes all dirty~

Whatever, since my clothes are dirty,
I might as well not wear them.
It's not my body anyway.

A person wearing a light blue jacket and a dark pleated skirt is standing in a hallway. Their right hand is clenched into a fist, and a purple ring is visible on their ring finger. A speech bubble points to them from the right.

Hey, are you done yet?
I've been waiting five minutes.

Oh my god! What are you doing?
Why aren't you wearing clothes?
Did someone attack you?

Nothing much, I was
just masturbating.
That's normal, right~

Masturbating? Here?
Stop joking around.
What really happened?

I'll block the door for you.
Hurry up and put your clothes on~

Don't order me around.
Who do you think you are?
I have questions for you.

About Xiao Chi's photos.
What do you know?
Do you have any backups?

Don't put that thing
in your mouth.
That's disgusting~

Wrong answer.
I don't want to ask again.

Who's Xiao Chi?
I don't even know her.
What's wrong with you?

Fine, since you don't know,
it's okay. I'll investigate myself.
But before that...

Let me run around naked
and proud in this body

Look!
Someone's naked!

Everyone, come look! Another
pervert without clothes, that's me!
If you have a phone, go ahead and
take pictures! I don't mind at all!

What the hell?
Dressed so lightly.

A nude anime-style girl with long blonde hair in pigtails, tied with blue and pink ribbons. She has bangs and is smiling with her eyes closed, making peace signs with both hands. She has orange rings on her index fingers. Her skin is very pale and has a glossy, shiny texture. The background is a simple green wall with vertical lines.

This is gonna be good!
Take a picture!

Send it to anyone you want~
I'm totally fine with it!
I give full permission!

Trying to get famous?
But this is way too crazy.

That's so lewd!
She's a total slut!

Is she having another episode?

Hey!
Don't you have a boyfriend?

He won't find out anyway.
Don't you dare snitch on me~

Listen, stop messing around.
I don't know what happened to you,
but you need to snap out of it!

Who the hell do you think
you are? Are you my mom? Mind
your own business.

Stay out of my affairs.

Stop it, I'm your friend.
I'm genuinely worried about you!

Now you have a choice:
take your dirty hands
off me and get lost, or I'll
beat you up, strip you naked,
and then make you get lost.

A cartoon illustration showing the lower legs and feet of several people standing on a green floor. On the left, a pair of pink legs is barefoot. Next to them, a pair of dark purple legs wears dark brown shoes. On the right, a pair of bright blue legs is barefoot. The background is a simple green wall with a black baseboard.

Haha, I love watching girls fight!

Weren't they getting along fine just this morning?

You're such a jerk.
I hate you.

A manga-style illustration of a nude anime girl with blonde hair and bangs. She is standing with her hands on her hips, looking slightly to the right. In the background, there is a pink silhouette of a person on the left and a green wall with a window on the right.

Thanks, I hate you too.
We're both scumbags.
Don't pretend otherwise.

After running around naked for
so long, I'm sure plenty of
photos and videos were taken.
In a few hours, you'll be the
center of attention at school.

Is bullying the weak fun?
This is what happens
when you threaten me.
But this isn't nearly enough.

Perfect timing, I need to pee.
Before you change back,
you'd better catch it all.

Now that you're a perfect skin-suit,
drink it all down without spilling a drop!

How is it? Tastes good, right?
Still want to be my master?

A close-up illustration of a person's lower body. A urinary catheter is inserted into the urethra, and a hand is holding the tubing. The catheter is connected to a collection bag, which is partially visible. The person's skin is light-colored, and the catheter is clear. The hand is fair-skinned with red-painted fingernails. The background is a soft, out-of-focus pinkish-red.

You'll recover soon, but the
urine stays. Guess where it'll end up?

If it stays inside, you'll get a severe infection.
If you're lucky, it'll enter your
digestive tract and you might survive.
But if you end up wearing it as a skin,
I'm curious to see what happens.

A 3D-rendered anime-style female character with blonde hair in pigtails and blue eyes. She is standing in a room with a grey floor and a green wall. To her left, there is a black and white striped pole with a black handle, a green and yellow volleyball, and a green circular object. In the bottom left corner, there is a wooden structure. A speech bubble is positioned to her right, containing text.

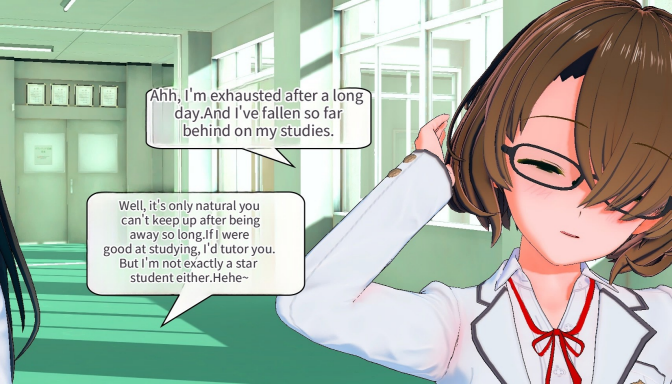

For now, just lie here.
I'll come see you tomorrow—
or maybe a teacher
or student will find you first.

I still have homework to do,
so I'll let you off for now.
But none of you are getting away.

I haven't been to school in
a year, so I'm way behind.
Looks like I'll be busy
for the next few days.

Ahh, I'm exhausted after a long day. And I've fallen so far behind on my studies.

Well, it's only natural you can't keep up after being away so long. If I were good at studying, I'd tutor you. But I'm not exactly a star student either. Hehe~

Too bad my grades
aren't great either.Hehe~

It's okay.I'll do my
best on my own.

Um... excuse me, are
you Miss Shi Niang?
I need to talk to you
about something.

You're... the one who
was being bullied this morning.
What do you want from me?

You're Zhang Chen's girlfriend, right?
I have something very important to tell you.
Please come with me.

Zhang Chen?
Is it about him?

Alright then, Xiao Chi,
go home on your own first.
See you tomorrow.

Okay, see you tomorrow.

One bastard taken care of.
She'll be ruined in a few days at most.
Time to find the next bastard.

Hey! Watch it!
You looking for a fight?

Going back on your word now?
You really are a piece of shit.

I'm sorry...
I didn't mean to!

My mom saw me writing three assignments,so she went to the teacher.I didn't rat you guys out!

A deal's a deal.
Can't you just lie?
Stop making excuses.

Ease up, Ella. You've scared her enough,
and she's got a pile of homework waiting.

This one needs to learn her
lesson. If you're too nice,
she'll forget her place.

You're Sōne, right? We're friends here.
If you don't finish this semester's work,
you'll lose credits. You trying to get
us all held back, or get us caught?

I'm not!
I do everything you say,
I just... I just need more time!

I'm so sorry.
Please, forgive me!

But our time is limited.
These are obstacles
you need to overcome yourself.

Oh~ Forgive you?
Will forgiving you make you more obedient?
If I get upset, I might pay your house a visit.
Guess what I'd do to your mother.

I'll do whatever you say!
Just don't hurt my family!
I'll do anything!

Put your stuff aside for now.
Hey, that classmate over there,
how long are you gonna watch the show?
You heard everything we said, right?

By your uniform,
you're from the school
next door, aren't you?
What's your name?

Where the hell did
you come from?

Don't wanna talk? That's fine,
I'll find out anyway. Why don't
we just go our separate ways?
You've got your own
stuff to do, right?

Say a word,
and you'll be the
one on the ground.

That's right.
Go on home.
Pretend today never happened.

Just letting her go like that?

I know plenty of people at that school too. If she's a pushover, just do what you do best.

Got it.

Just like that day.
What should i do with these two?

The end.
