8. You a (be) good at Maths.

3. Make the following sentences negative and interrogative: (10p.)

My father writes books.

has a nice bungalow.

What should I do? I got like this in this quiz.

But this score is too miserable!
Although I have been mentally
prepared for a long time,

**It's all
Lao Shao's
fault! ah!!!
After all,**

I can't concentrate on class at all! Ever since he dressed up as Witch Ginger to tease me last time, I will think about what happened at that time every time I go to class.

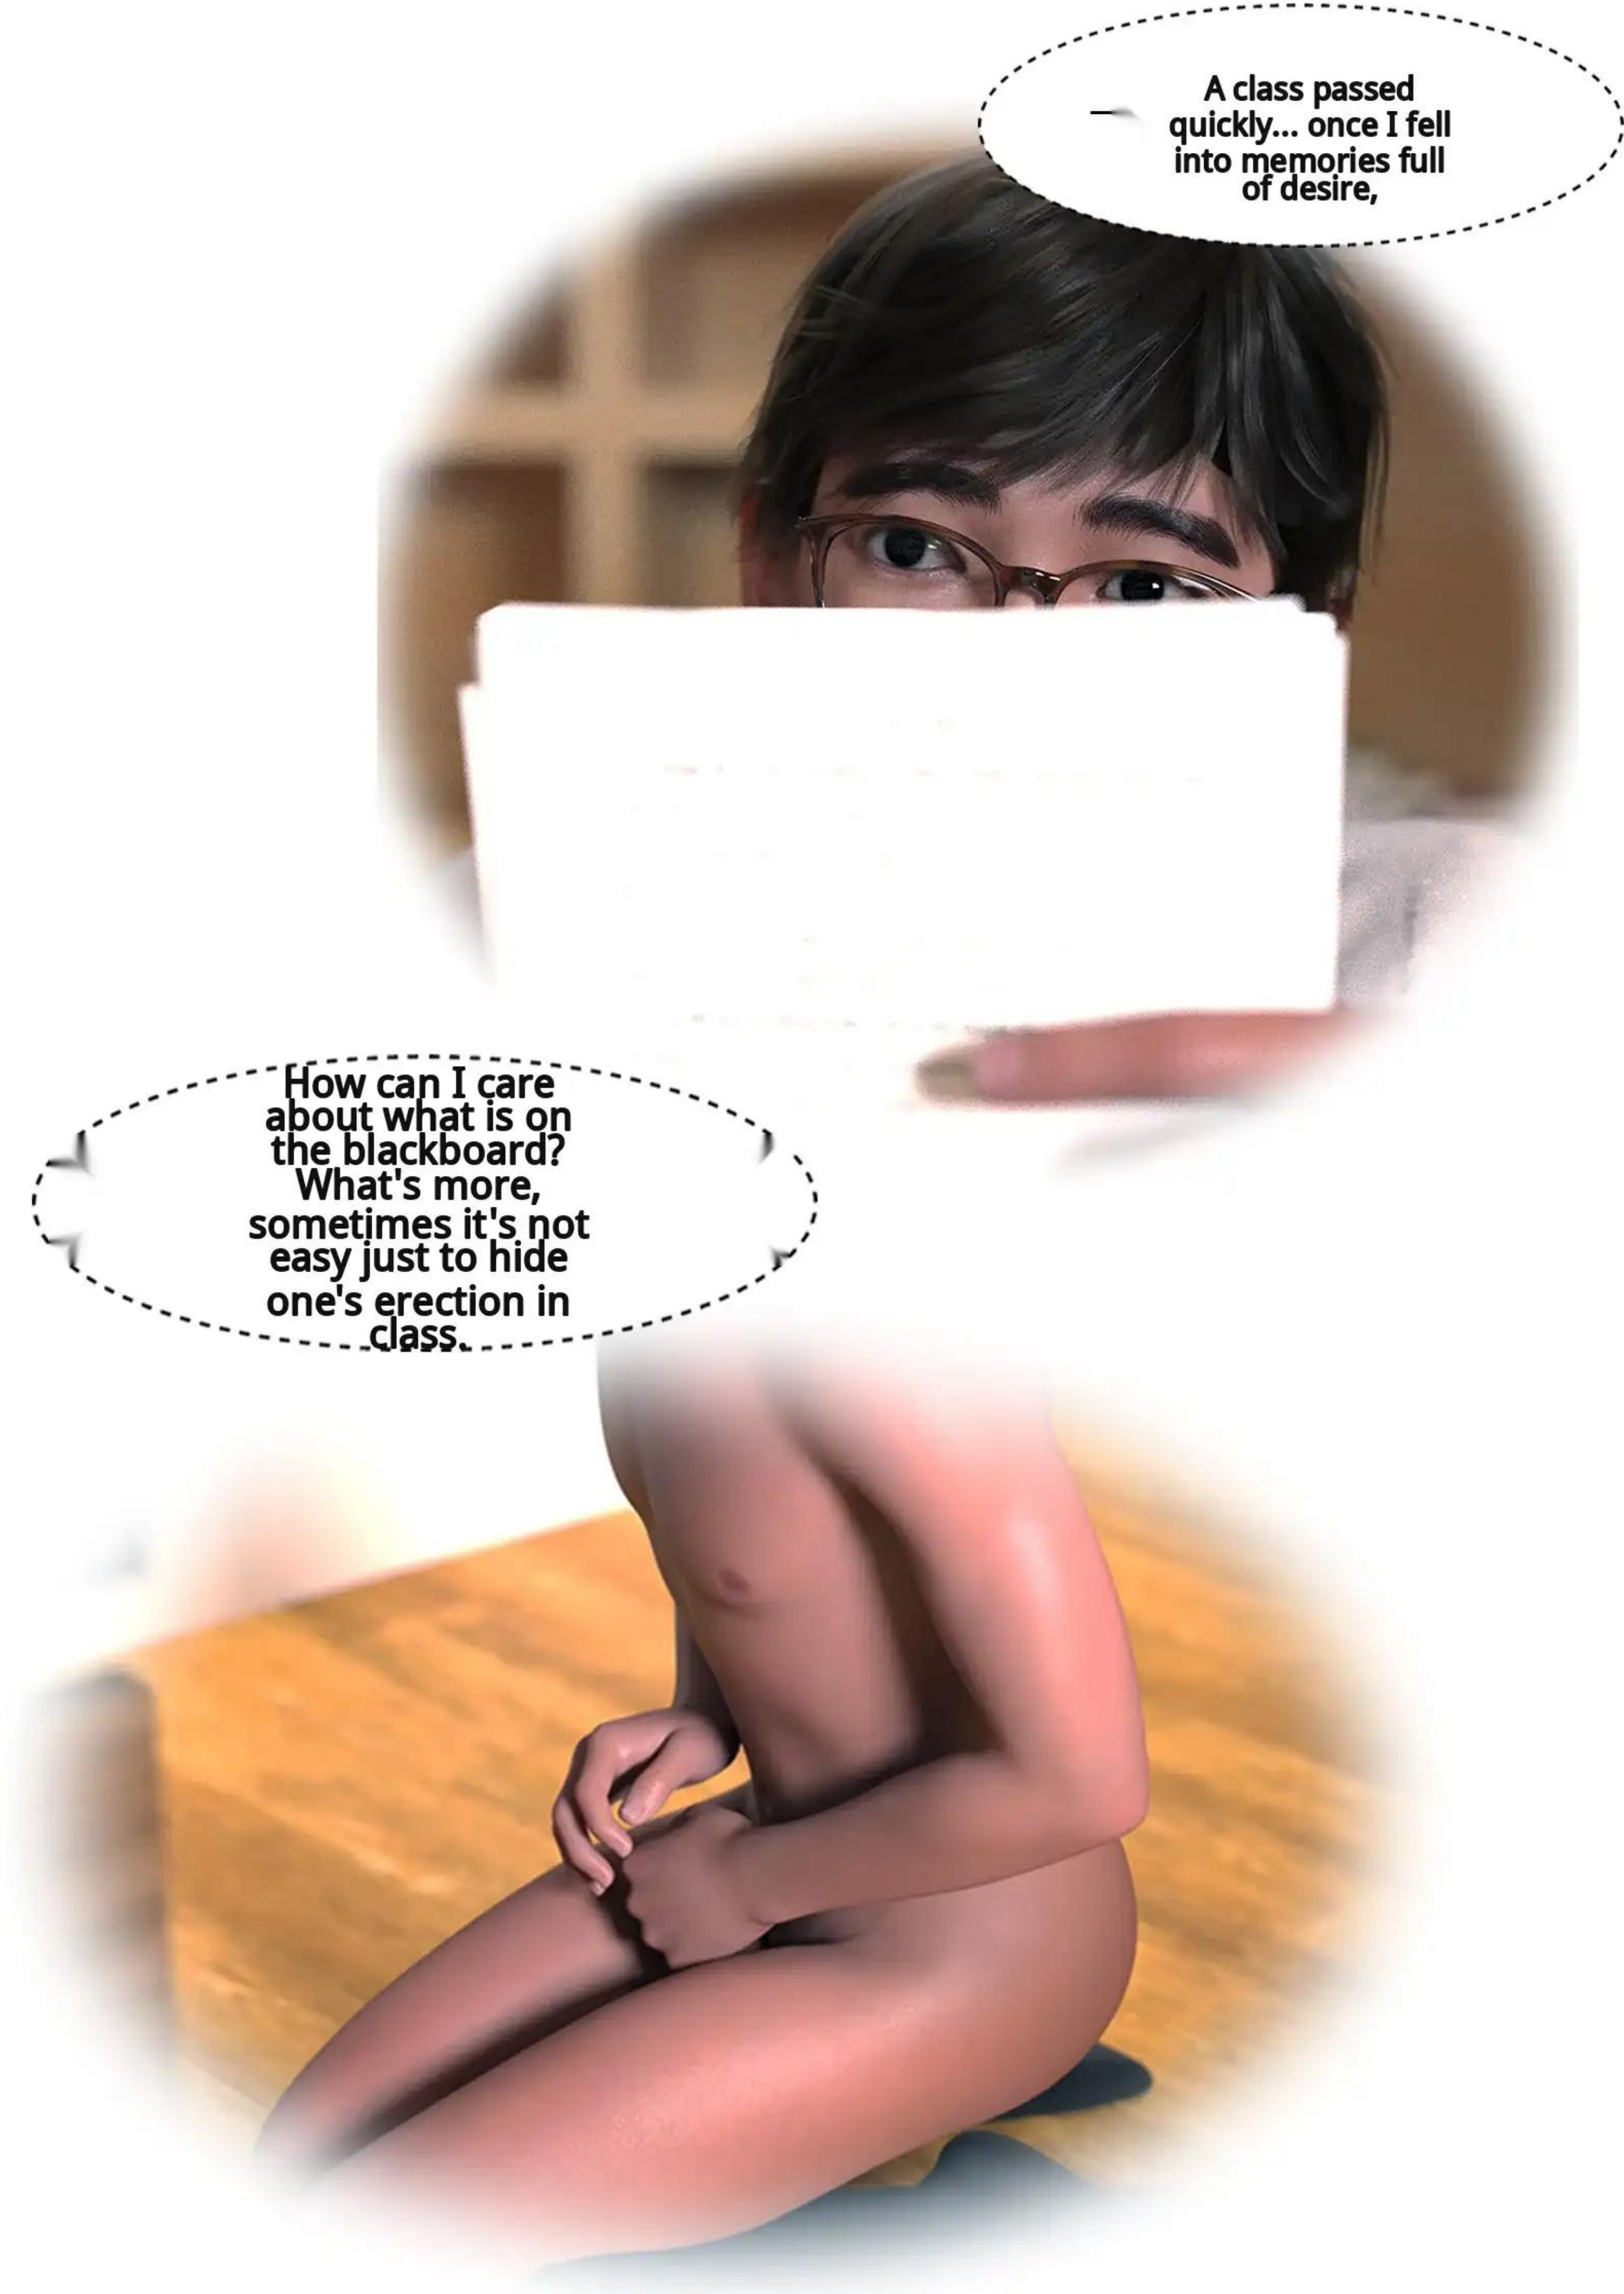

Teacher Jiang's
alluring body is as
high as a queen's
charming
appearance

I will never
forget it...as well as
the pleasure brought
by that footjob and her
slender and sexy silk
feet.

A class passed quickly... once I fell into memories full of desire,

How can I care about what is on the blackboard? What's more, sometimes it's not easy just to hide one's erection in class.

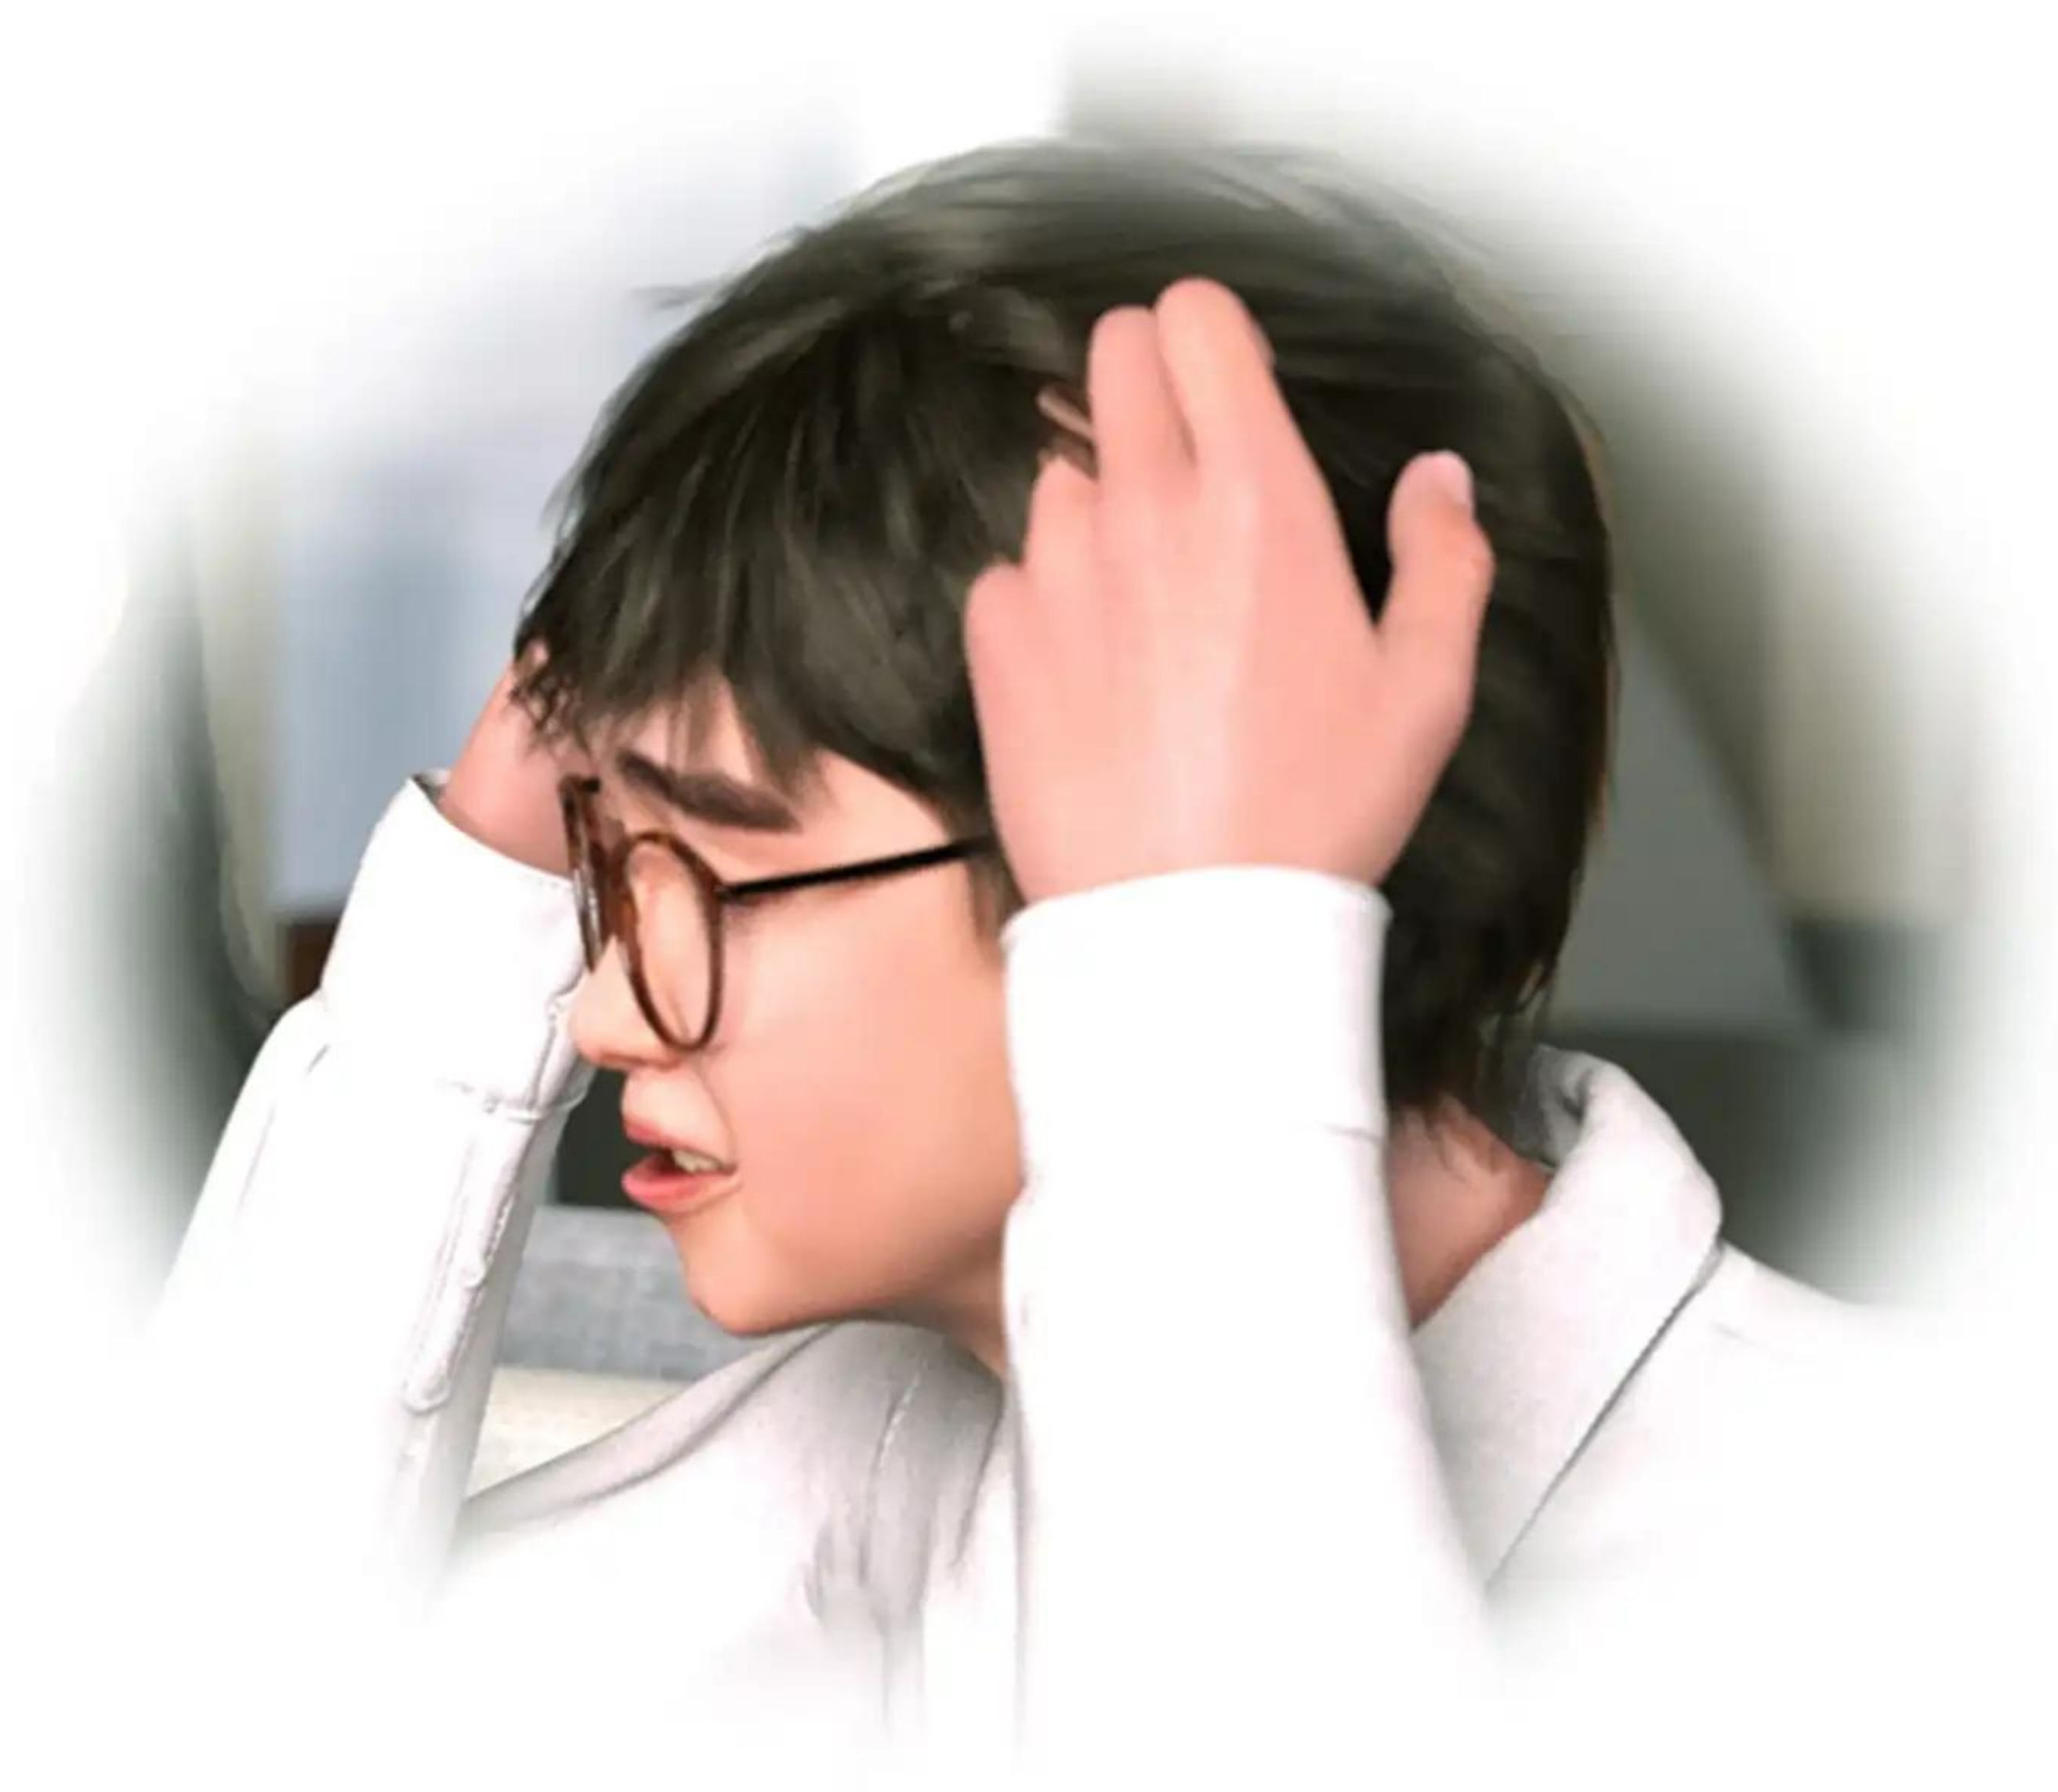

It's okay if I can't listen to the class well at school, but I can't concentrate on my review when I get home.

When I see my mother now, all I can think of is the scene of having sex with her.

**That beautiful figure makes me upset!
Every look in my mother's eyes, every word she says, even just where she stands.**

Several times my mother almost noticed something strange about me! I can't remember how many times I got erect in the middle of talking to my mother.

**My mother's graceful
body, sexy voice and the
pleasure of making love
made it impossible to review
my lessons... They were all
lingering in my mind and I
had to cum several times
almost every day.**

Why are you sitting here moping?
What's the matter, Lao Zhou?

...It turns out to be you. Why are you looking for me?

What's going on...Hey, why are you so angry? I see you making a face at the paper,

The day you failed the exam, you, a gifted student, actually had this test paper for you? Ah ha ha ha! Damn, no,

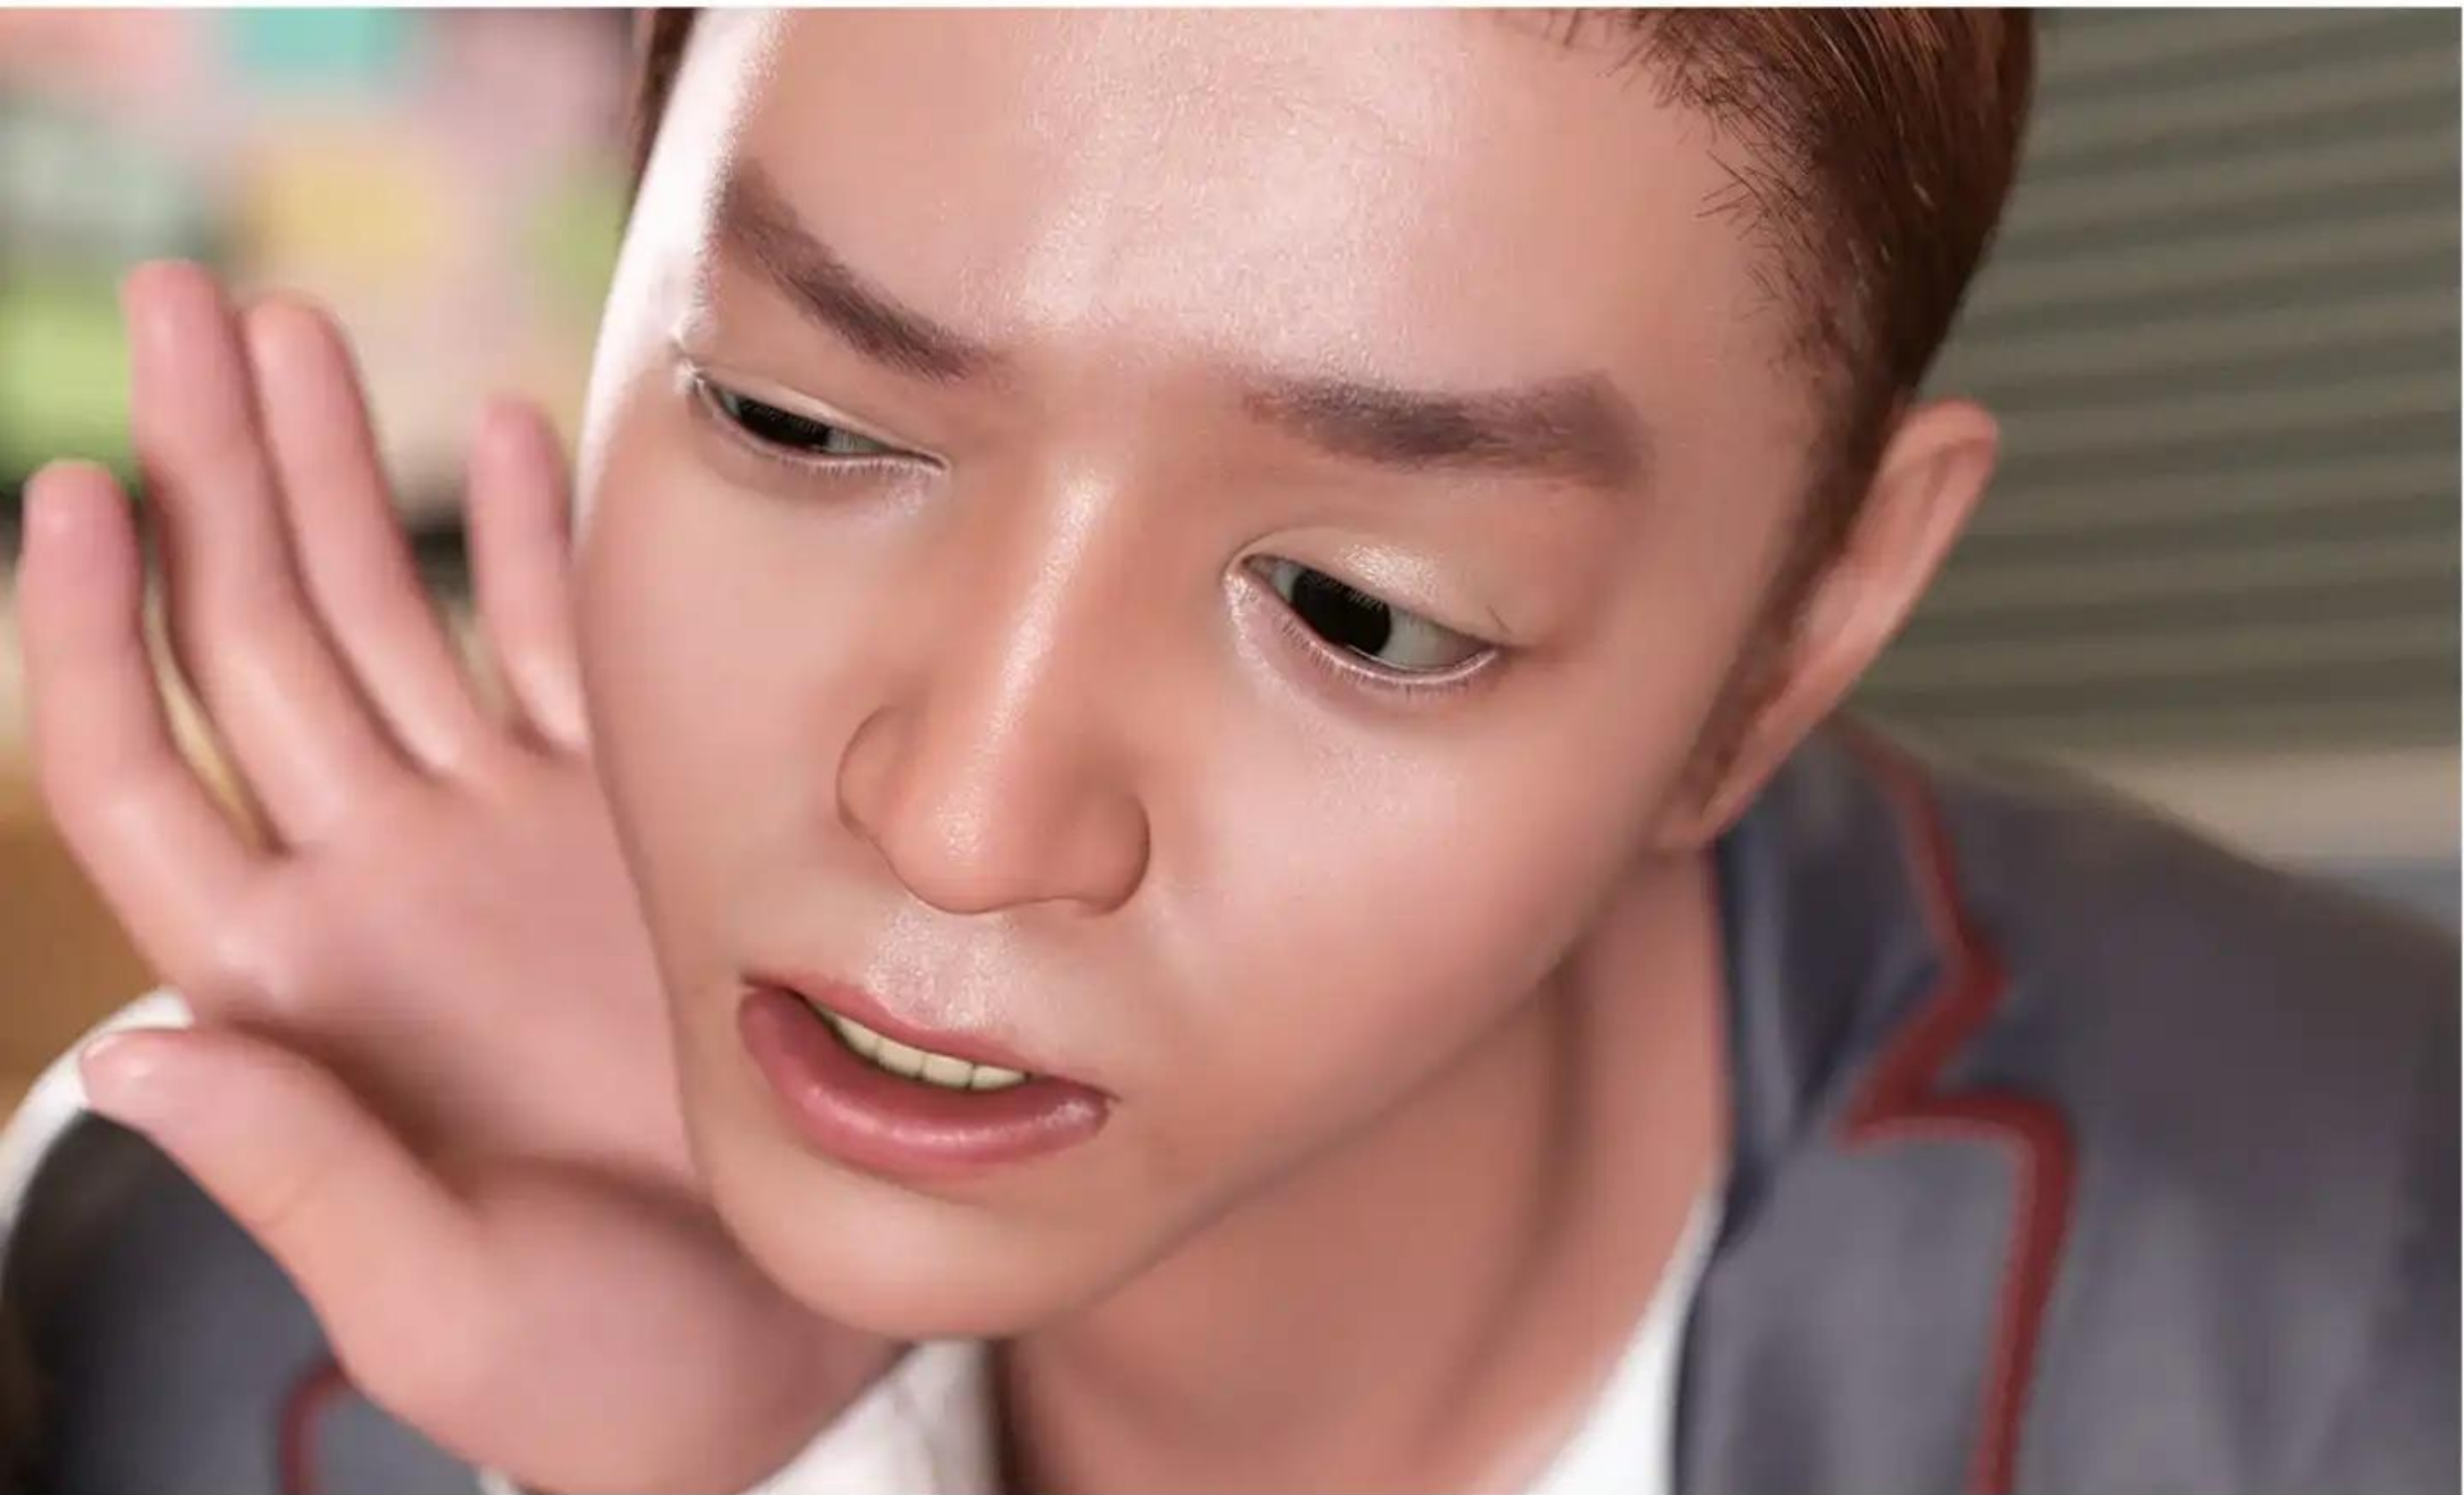

And after all, it's not all because of you.

.....

You are still gloating over there! Get lost, I'm going to be called a parent.

There is no
need to call the
parents, right? What
the hell, I just failed
the test once

I don't see the
teacher having any
objections! Like me
always fluctuating on
the passing line,

Alas, this is not something I can decide. Anyway, the teacher has already said that he is going to my house for a family visit.

.....
Once my mother found out that I failed the exam, ahhhh! I must be doomed!

...What
can you
do?

Haha, just wait
and see, I guarantee
that this family visit
will pass easily.

Zhou Ming,
is the teacher
here? Go and
open the
door!

call..... .This day has
come, please
don't make any
mistakes! God is
above,

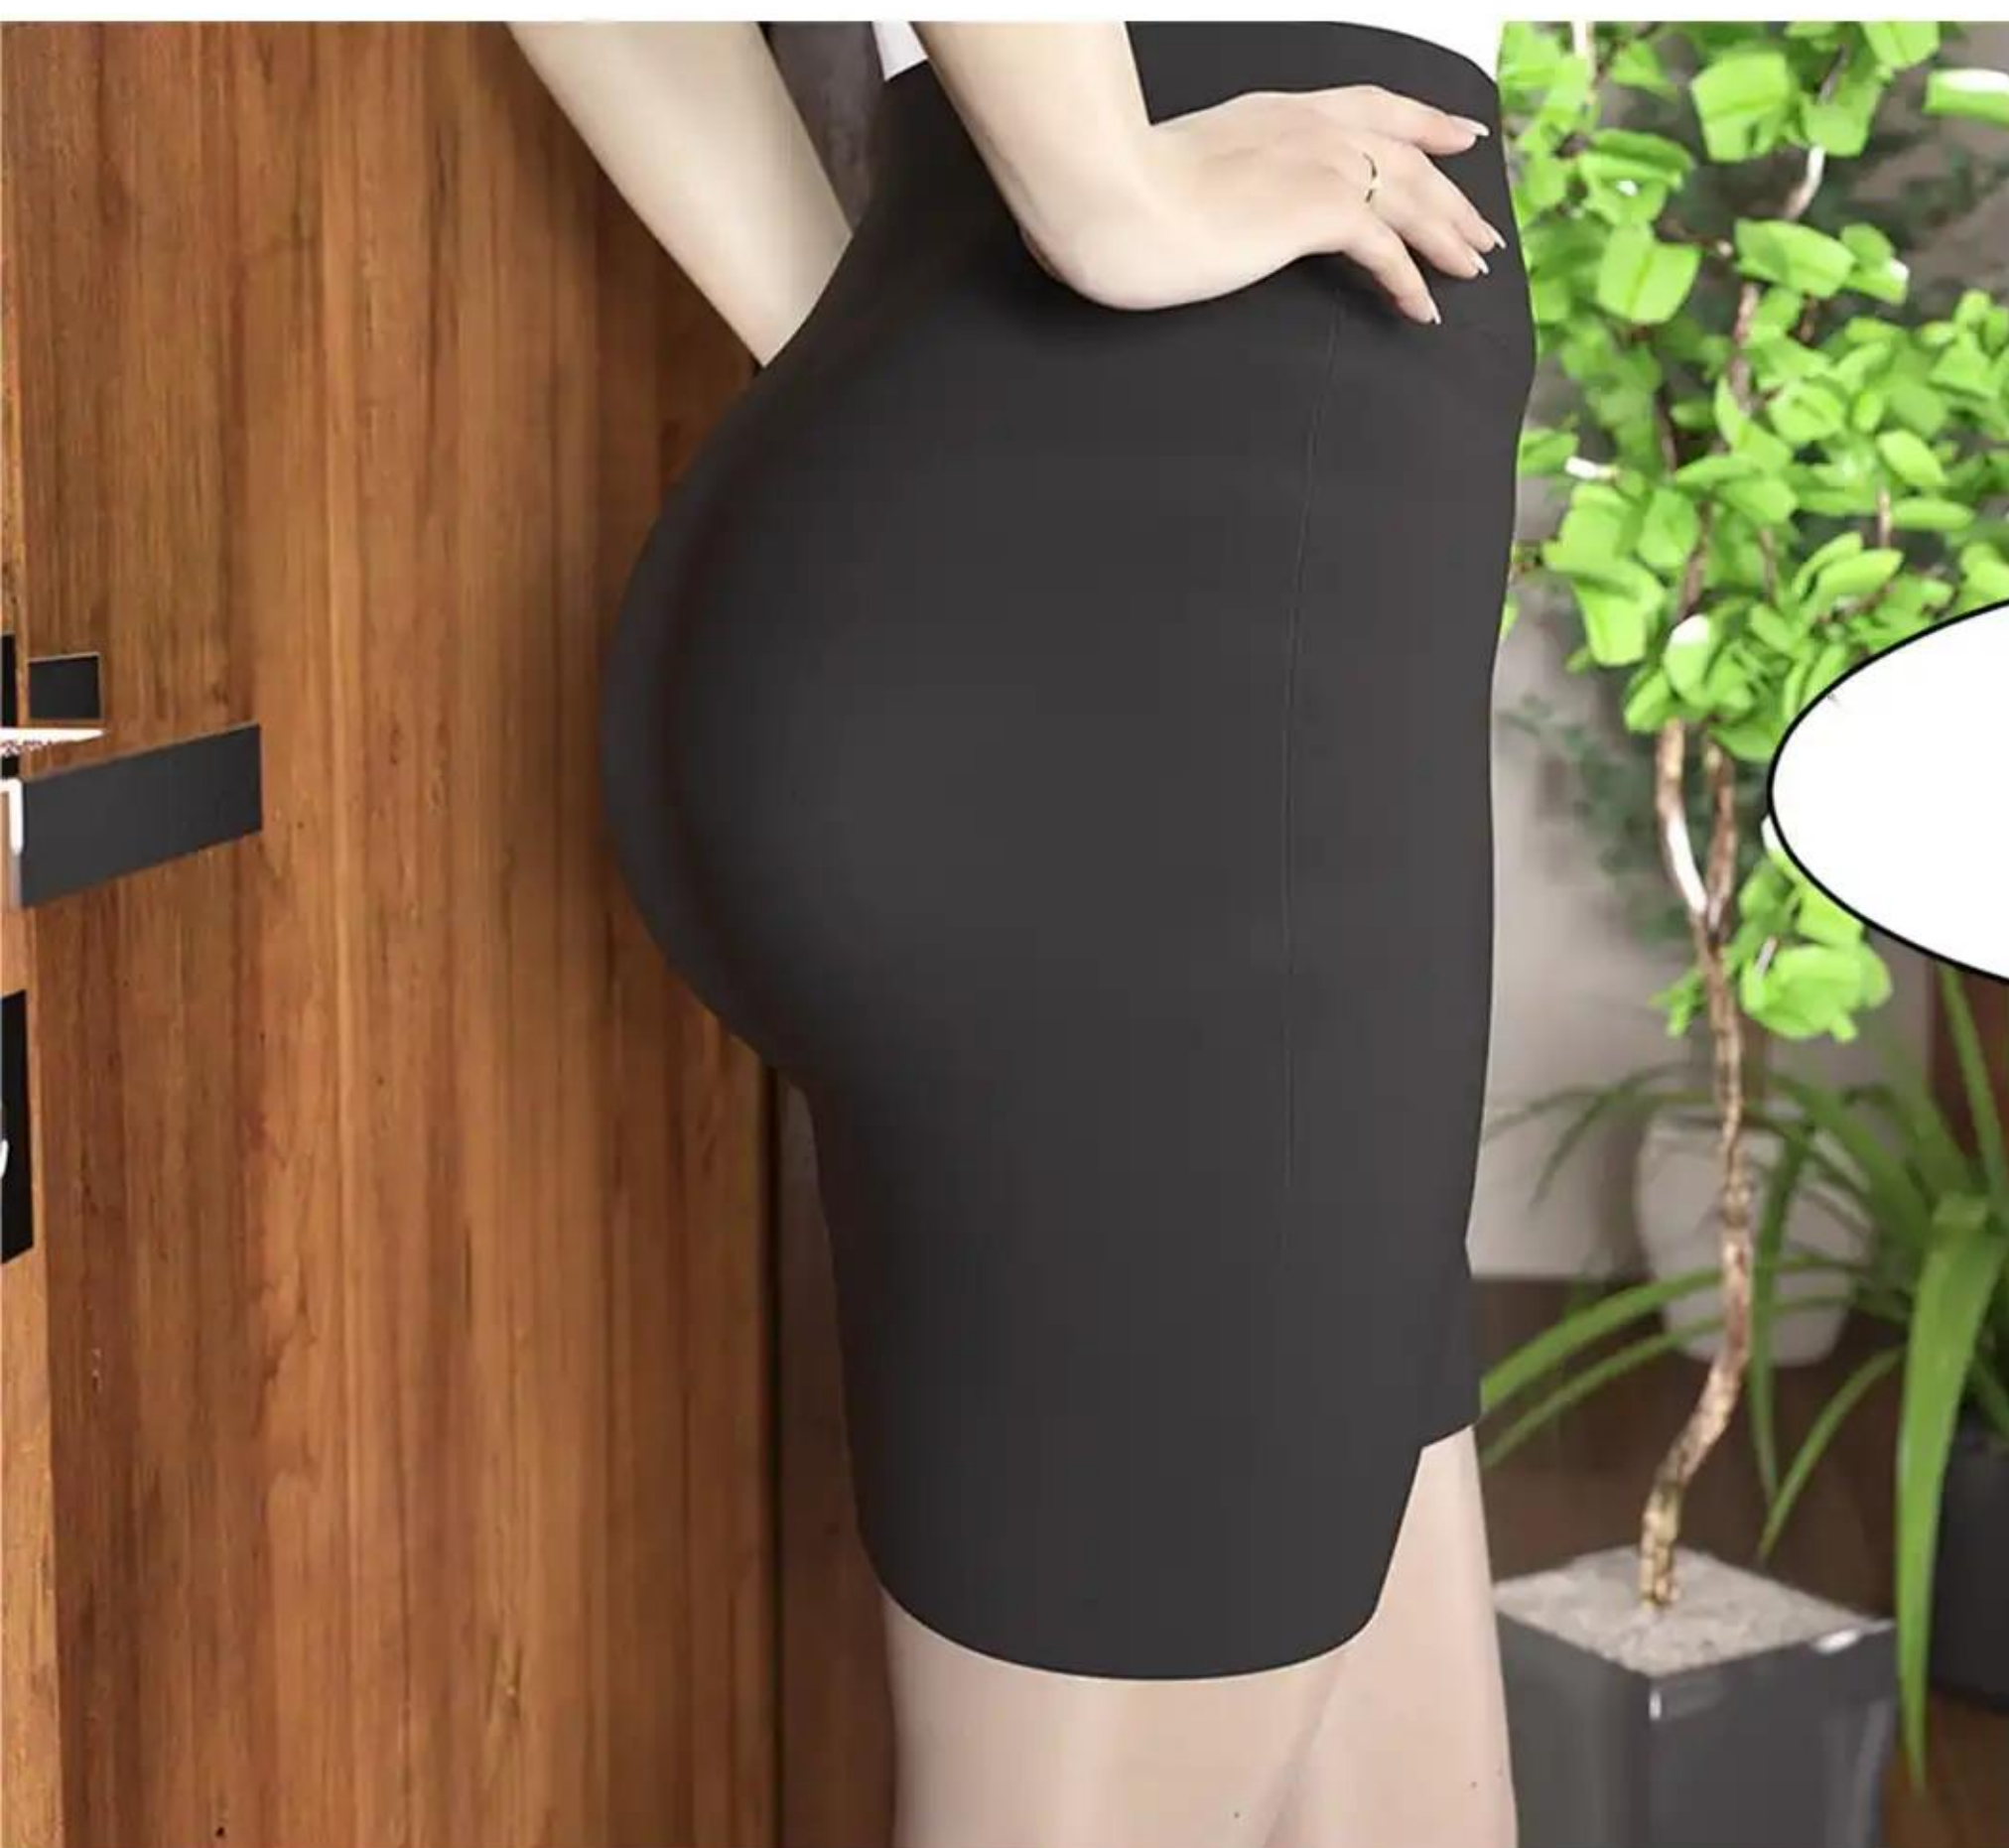

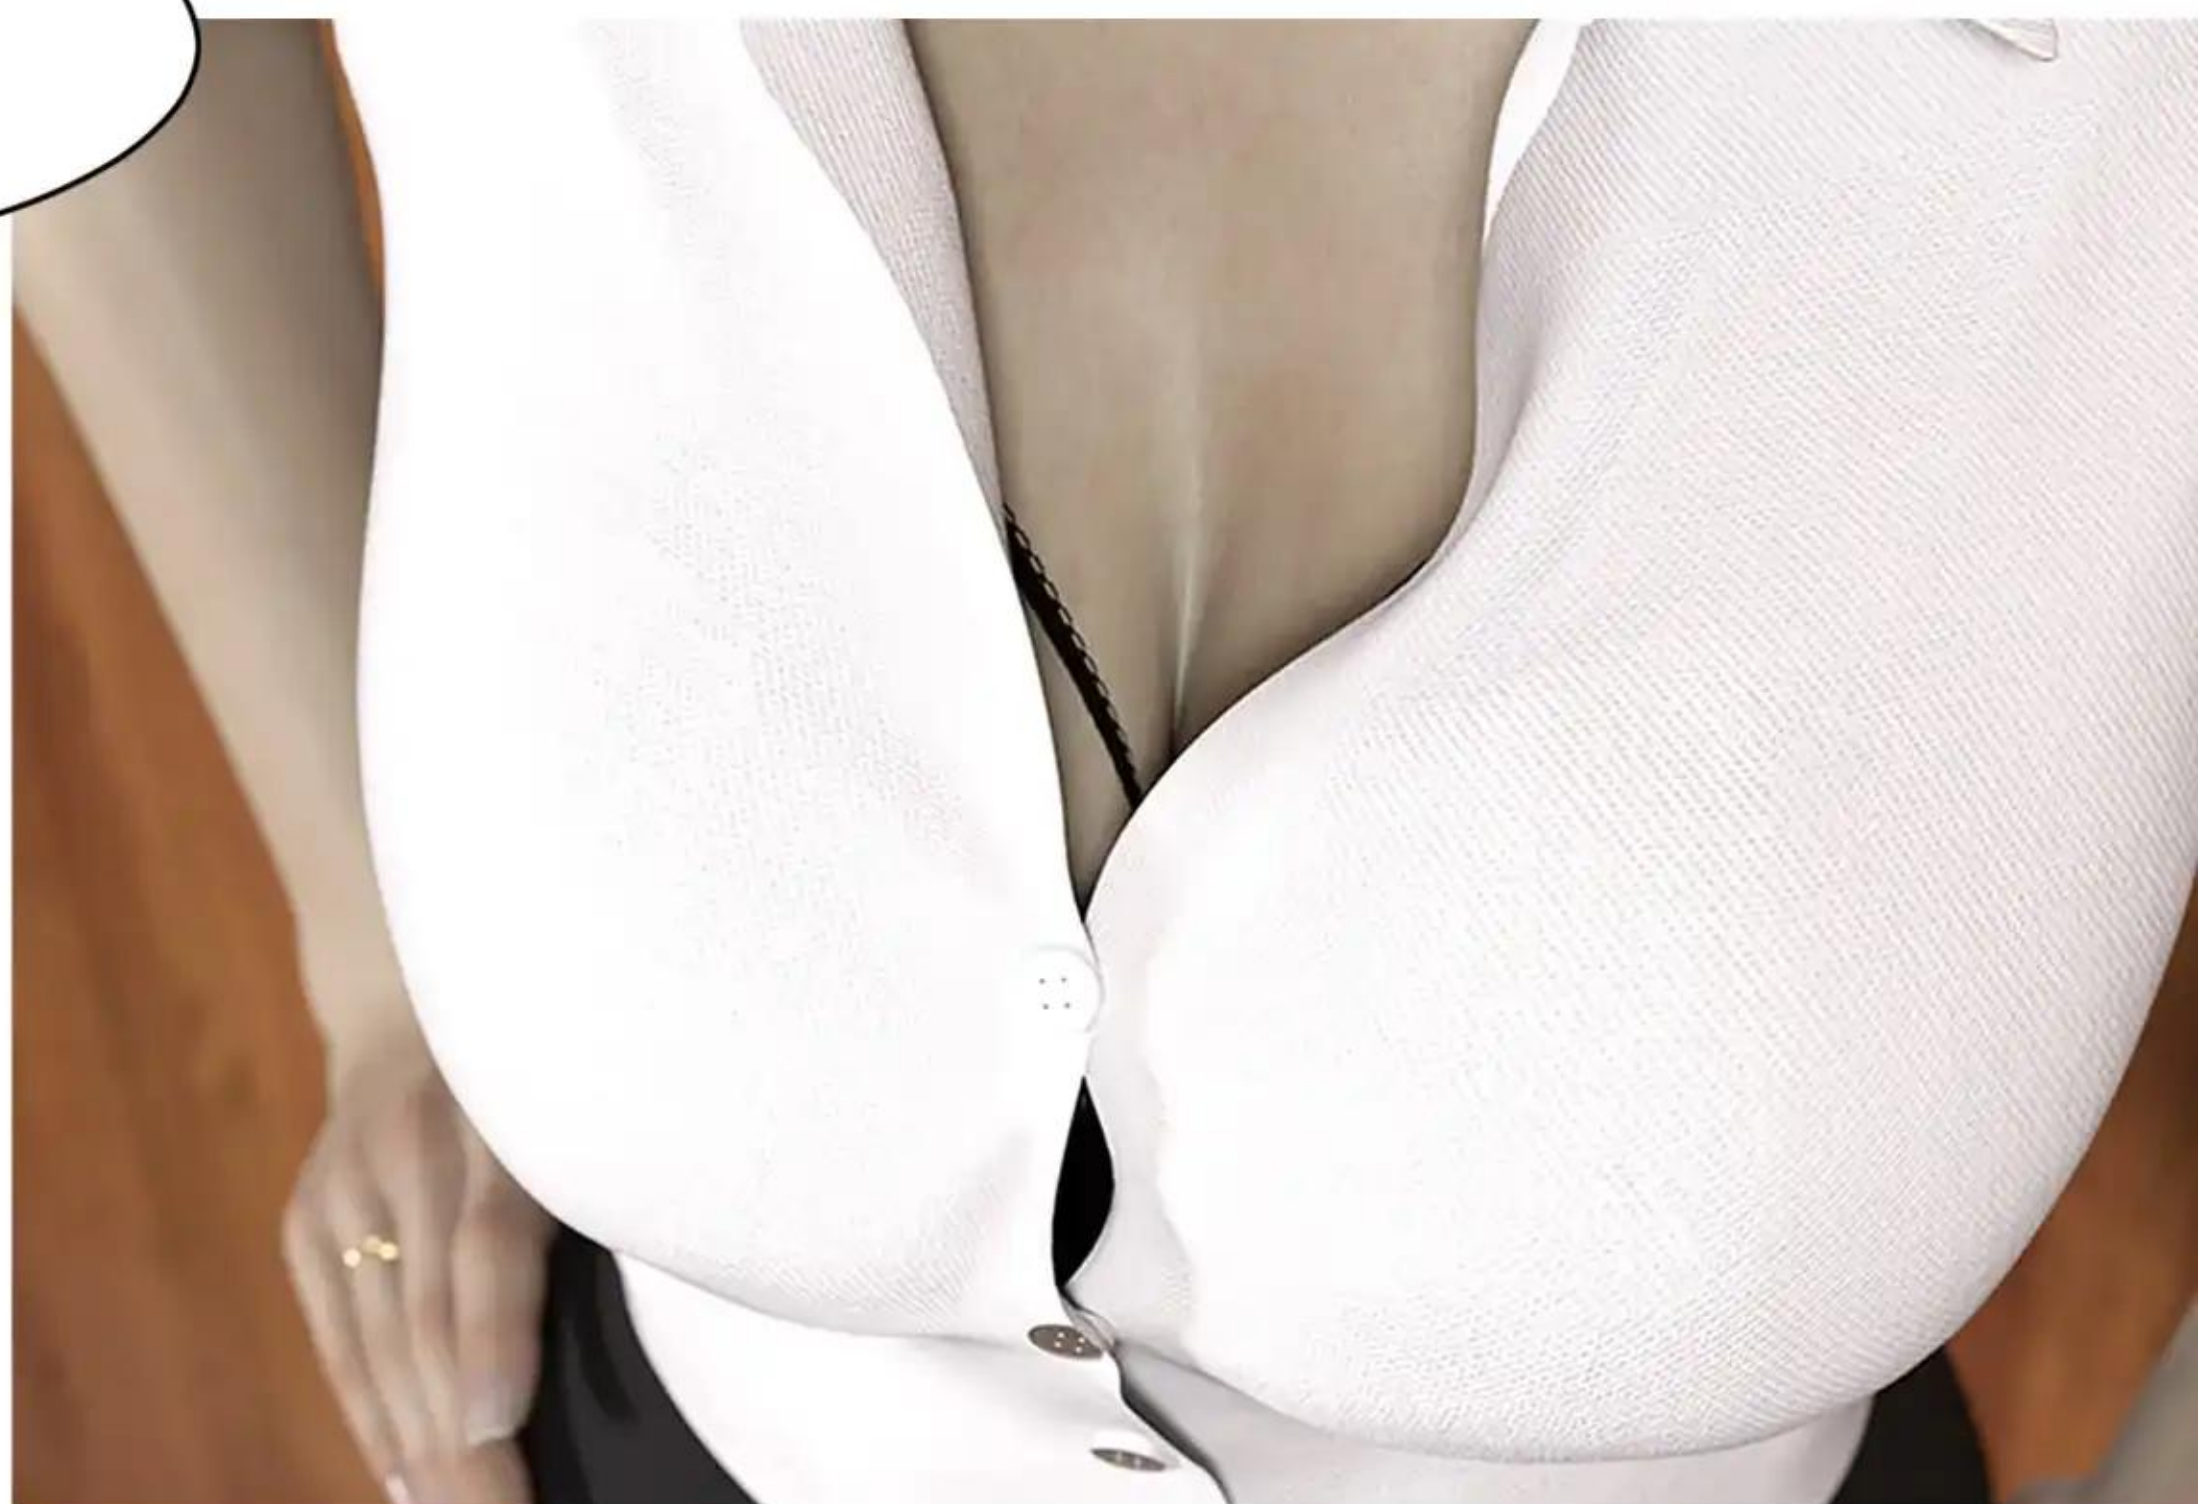

Yo ~ Good afternoon!

Beautiful
teacher
appears!

How about it? I look good today!

It took me a long time to pick out this sexy and beautiful outfit! Witch Ginger's wardrobe is so boring

How could Teacher Jiang really be like you? Damn, old Shao, can you be more serious?

Your mother has never met Teacher Jiang, so she doesn't know how to cheat! Hey, we're not in school now.

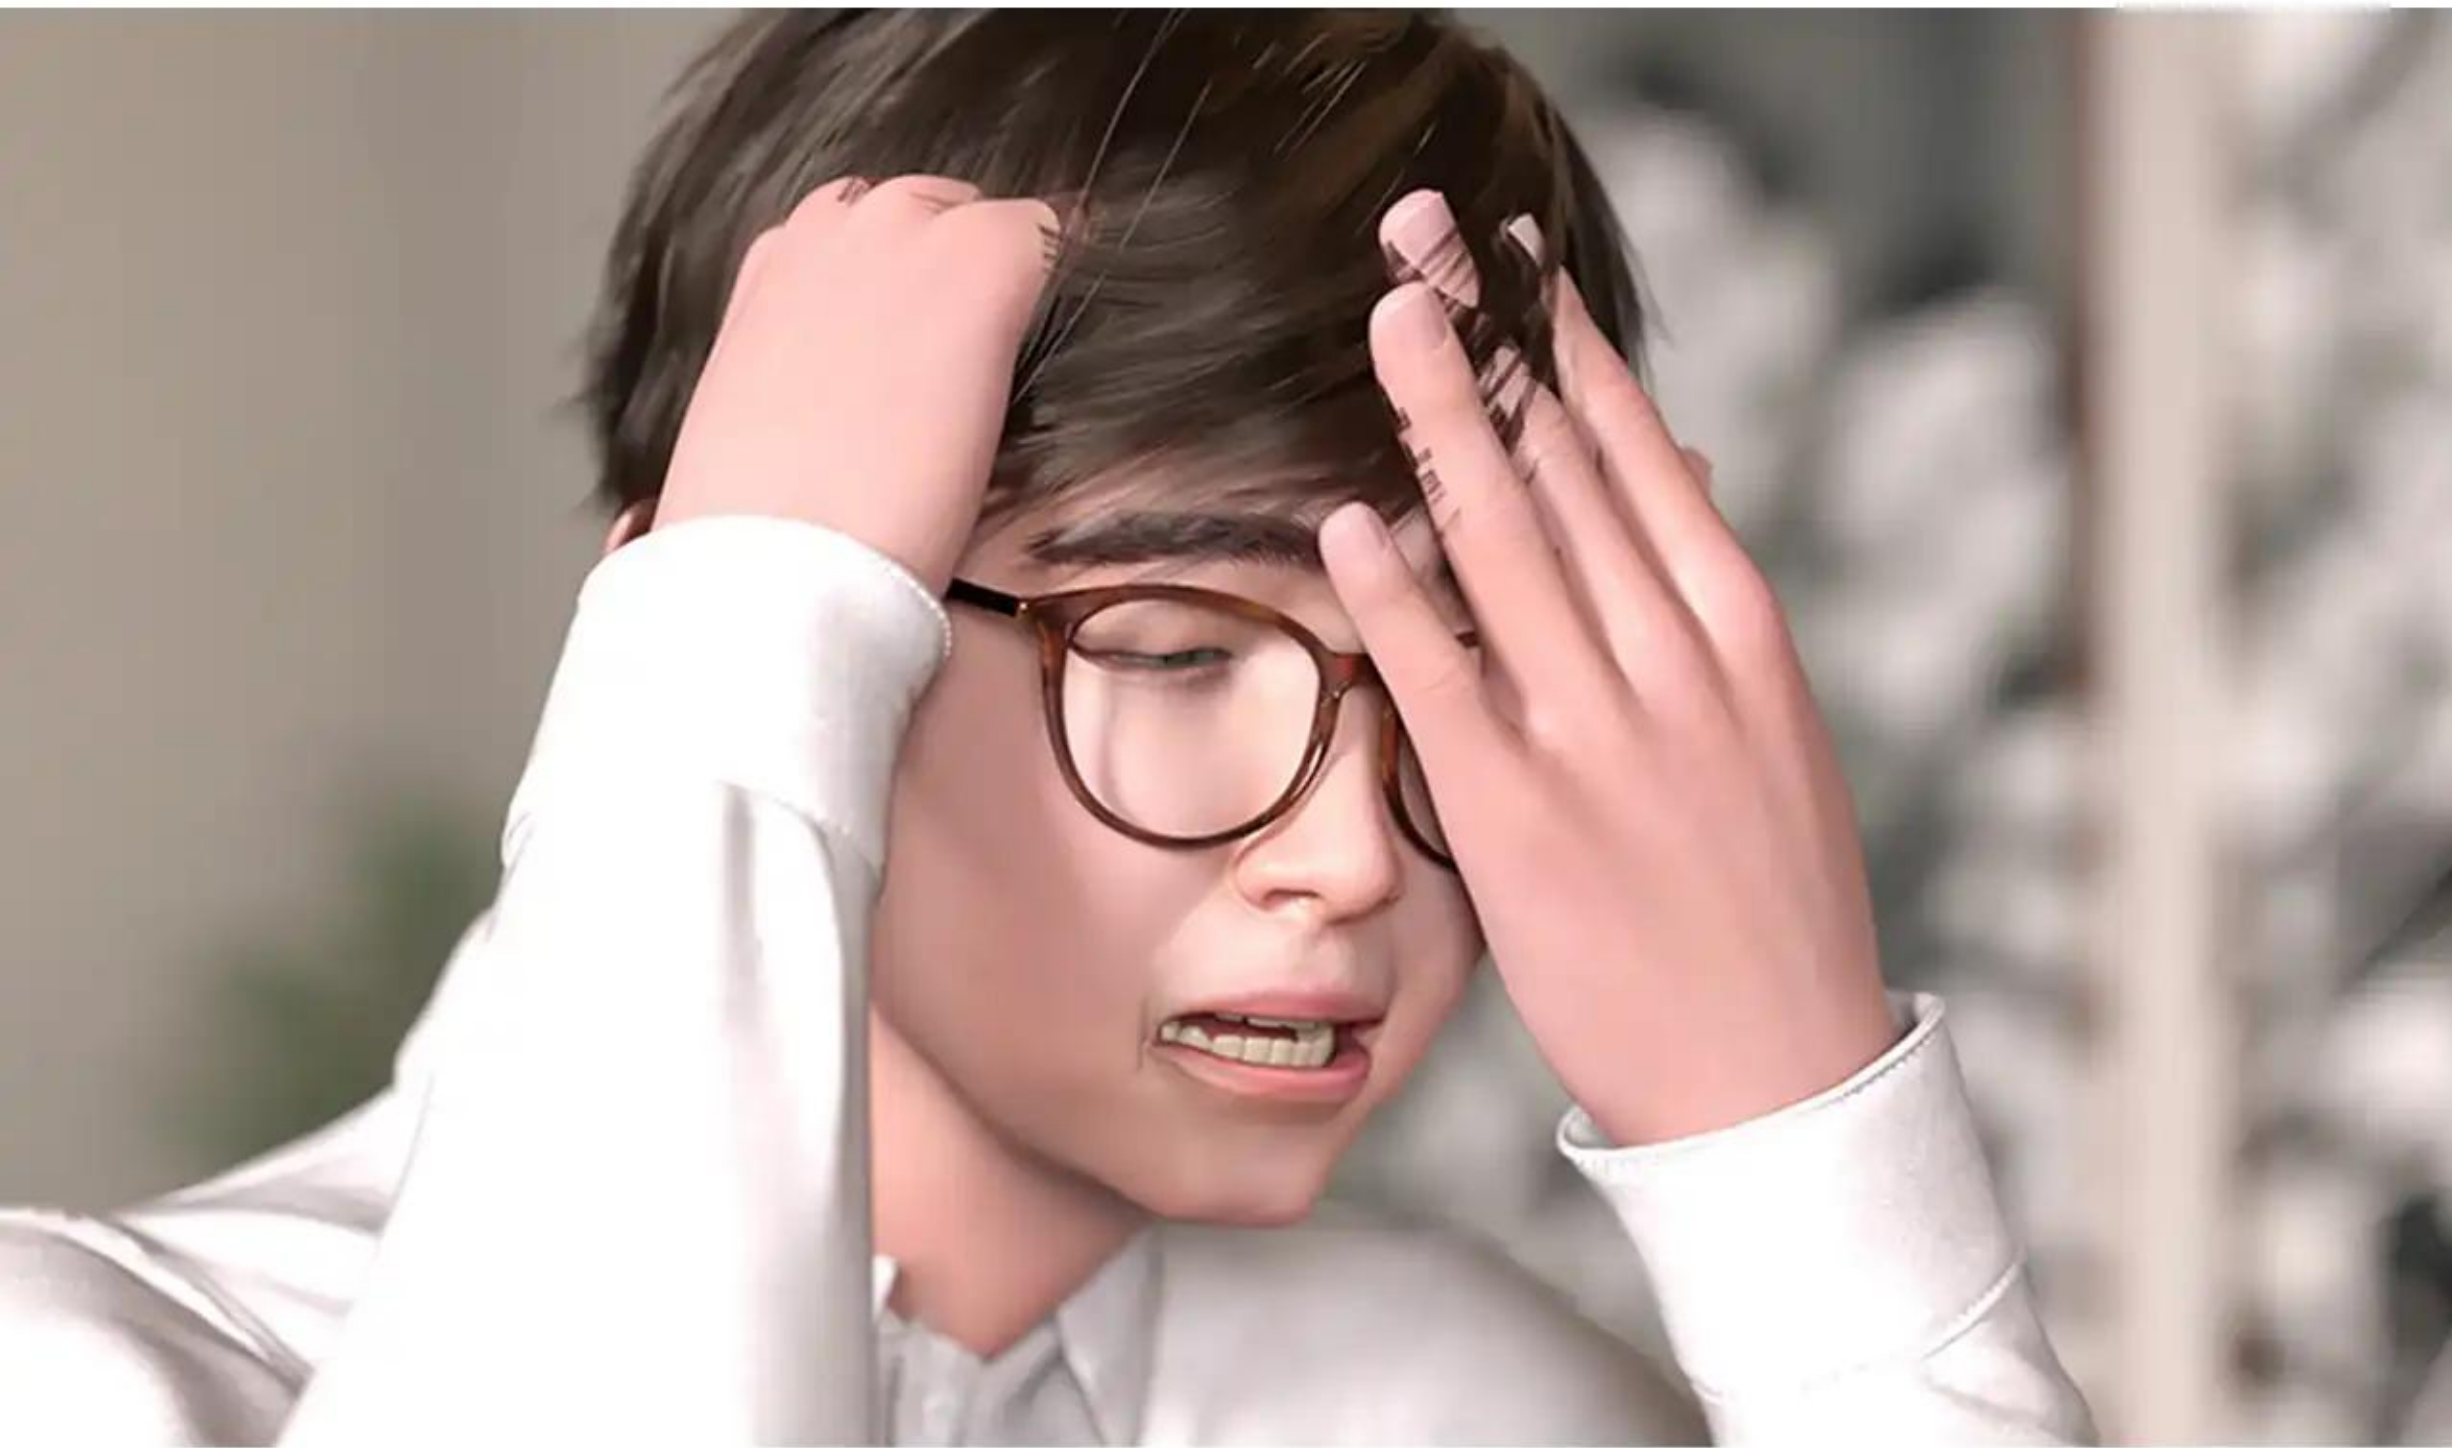

Lao Shao, please
don't let me down
today! It's definitely a
complete package of foot
ban, kneeling, and
punishment! What if my
mother finds out that
I failed the exam?

**I will definitely
coax your mother
into submission! Just
watch the show next
to you! Don't worry,
I'm here to help**

Alas, I didn't expect that I would let my mother see what's wrong with me! I can only pray that he will give me some snacks. My fate is entrusted to Lao Shao.

I couldn't go to the door to greet you, please come in! Sorry, I was busy with work just now. Hello, teacher,

hello
hello,
I am Zhou Ming's
English teacher, my
surname is Jiang. This
must be Zhou Ming's
sister! Wow, she looks
so beautiful,

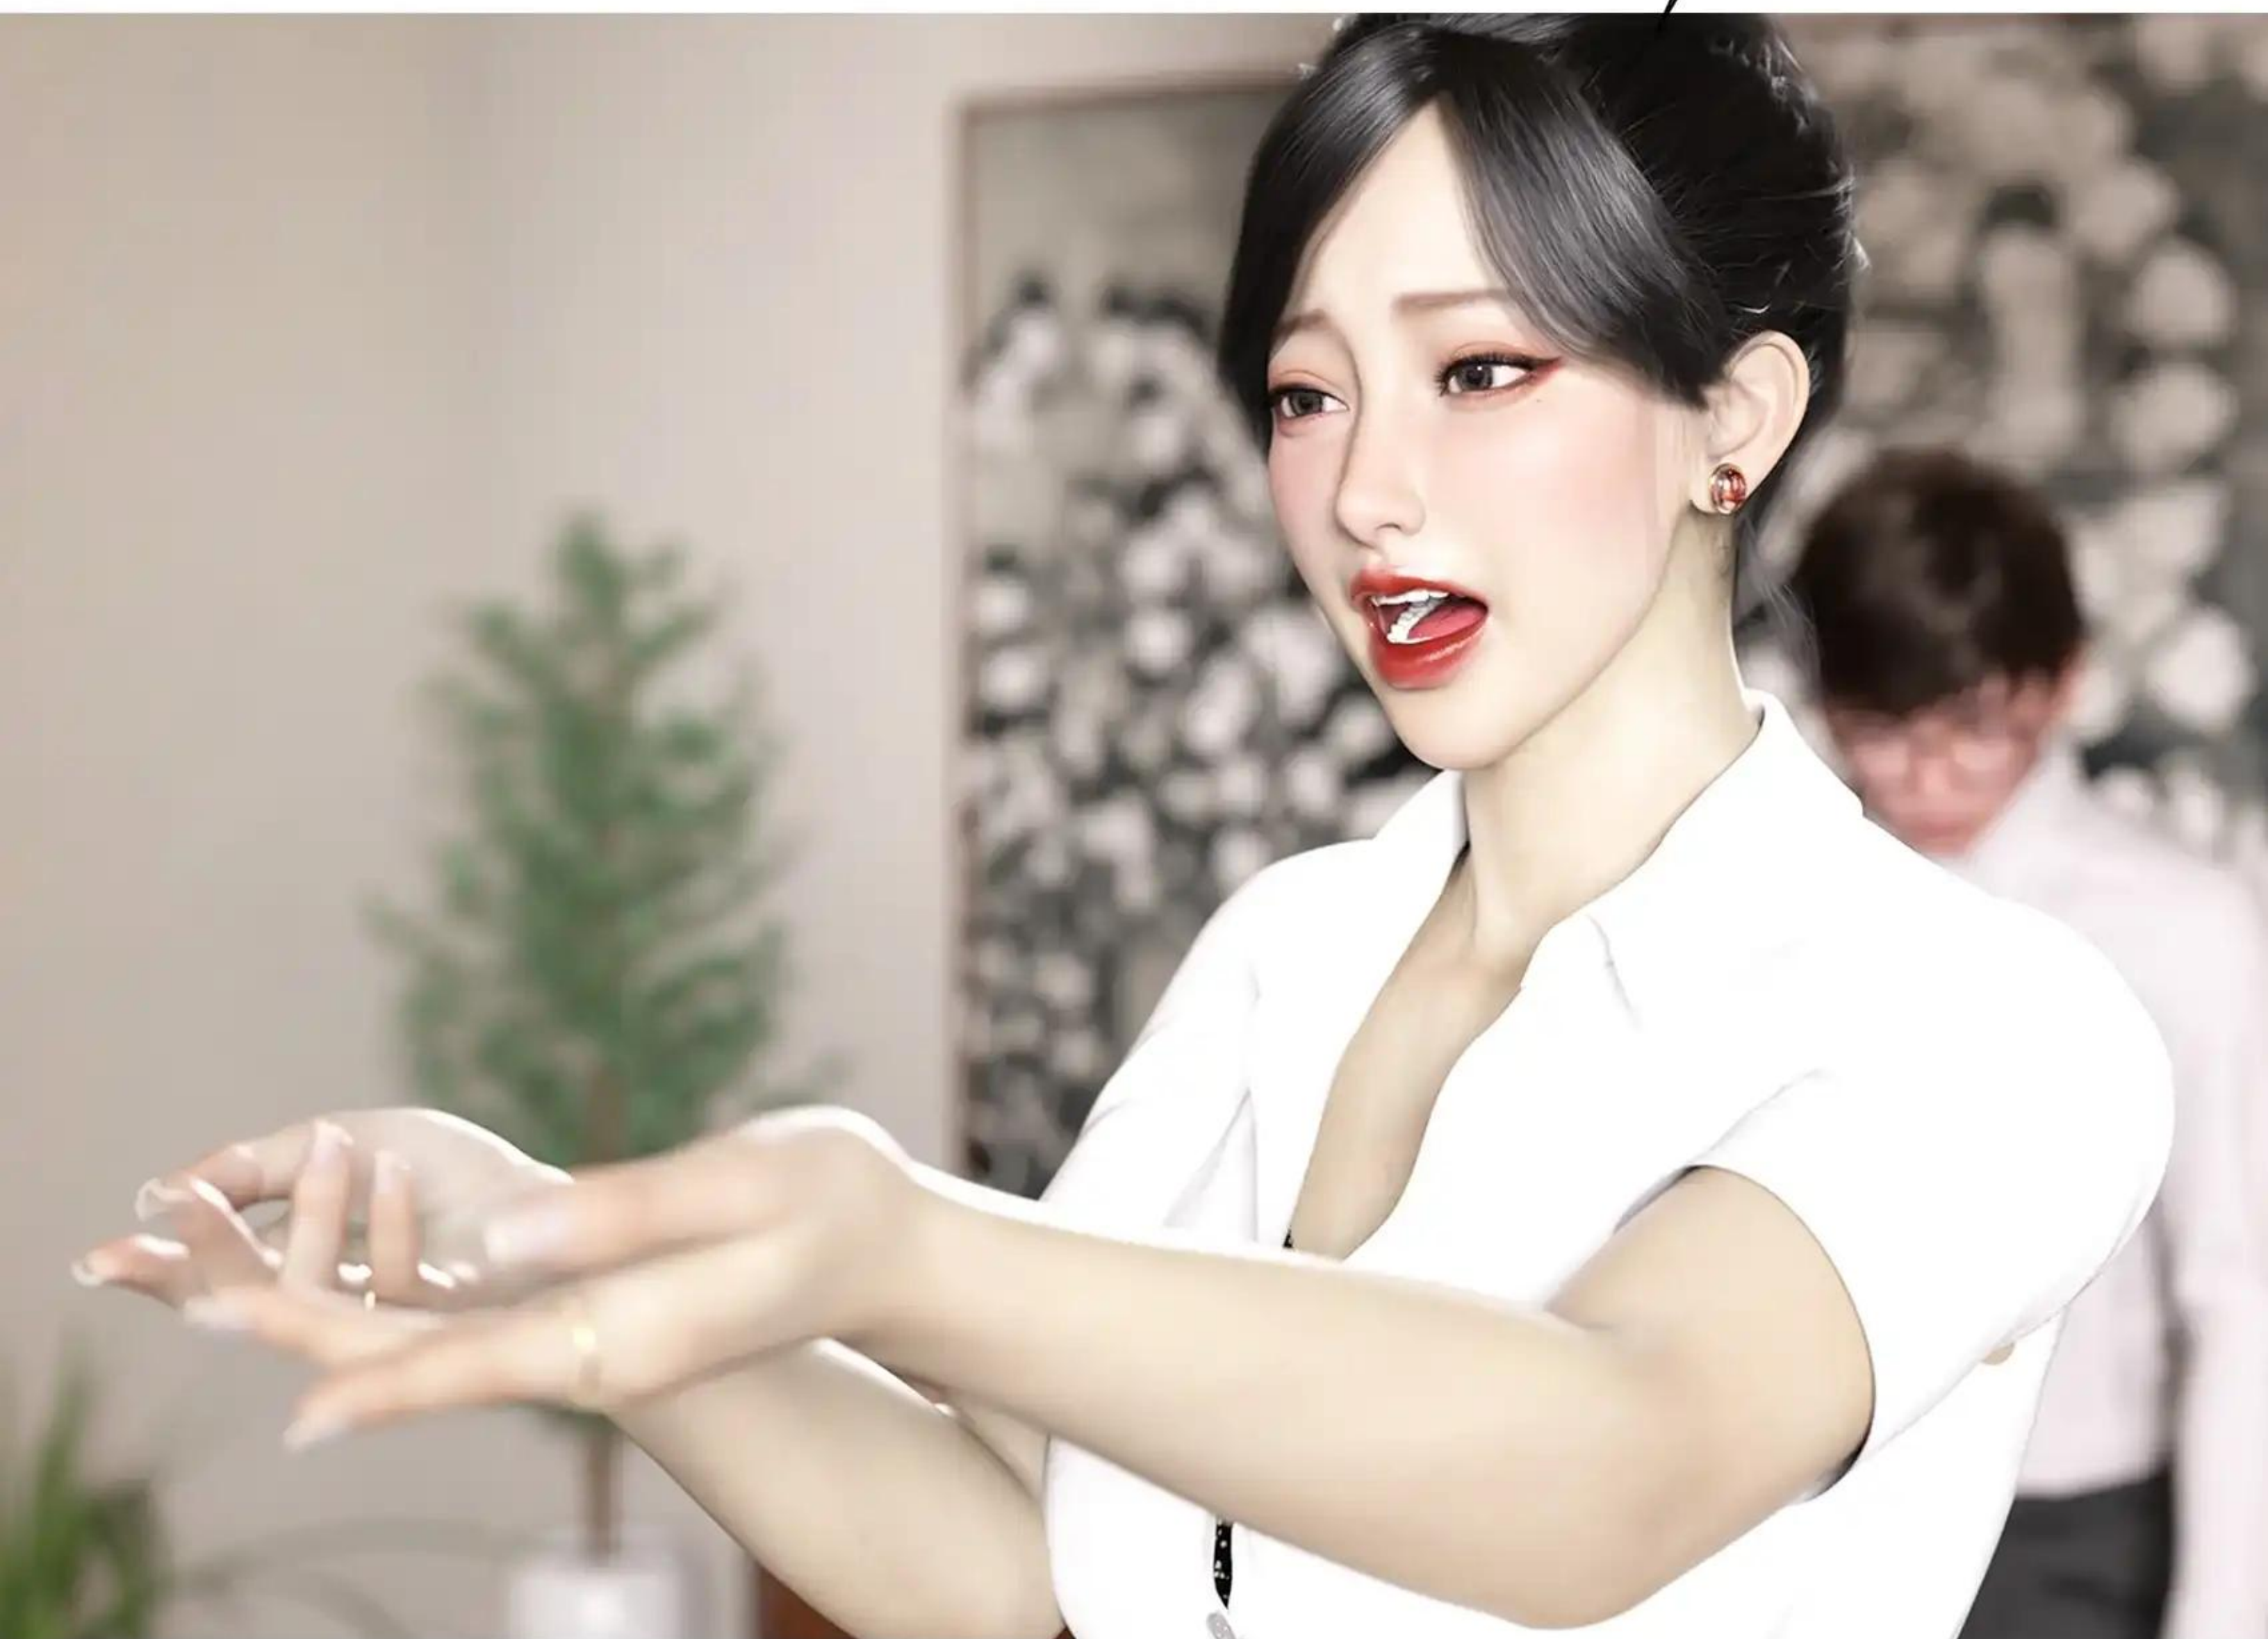

I'd like to trouble
you to come over today.
I'm Zhou Ming's mother
who contacted you before,
ah? Ha...haha...Mr. Jiang,
you really love to joke.

I really would have thought you were a college student! If you don't say it,

So beautiful! Hey, are you Mrs. Zhou? You look too young,

**, Teacher,
thank you very
much... Please sit
down inside, and
I'll prepare some
refreshments!**

Okay, okay,
Mrs. Zhou,
please take
your time!

How embarrassing
it made my mother!
Look, you speak in a
slippery tone, Lao Shao,
what are you doing? You
should at least pretend to
be more like Teacher
Jiang!

Excited for a moment! Lao, it hasn't been too long since I've seen your mother.

You can naturally speak more casually! Besides, my relationship with your mother now is that of peers.

Are you being more casual? I think it's a lot! Seriously, get serious! OK? Please be more dignified.

There are still so many demands? I'm here to help you for free! instigate! I said you figure it out for me

If I had known earlier, I would have done it first! As a result, you still had this attitude and finally turned Teacher Jiang into a skin and put it on. You came to your house before you even had time to feel comfortable.

My mother is back. Sit down quickly!

Play however you want! Damn you! Please don't put your hands in that place. If you want to play, wait until the home visit is over.

**Sorry, teacher,
I kept you waiting
for so long.**

I don't know if you are used to drinking it. This is this year's civet cat coffee. Teacher Jiang, please use it.

We hope this dessert will suit your taste. A time-honored store near our company,

Thank
you very
much, I'm
welcome!

Is there no
Coke?...Ming!
It's just that this
coffee is too
bitter. Well, it's
delicious!

**Look at the way you
eat, you're still having fun!
Please talk to me about the
business and leave
immediately! Give me
almost a little,**

Minding one
thing and
another...
Humphi

I'm here today. Zhou
Ming has excellent grades in
school... Ahem, Mrs. Zhou
mainly wants to talk to you
about Zhou Ming's study
situation.

**.According to
his current results,
he has a chance to
go to Tsinghua and
Peking University!**

Return to Tsinghua and Peking University! But isn't this praise too exaggerated? Although he said all good things, Lao Shao can really say it.

Anyway, at least I didn't let my mother know that I failed the exam! never mind,

There are really few students as smart and sensible as Zhou Ming! I have to say that Mrs. Zhou is really good at teaching children!

How lucky you are to be so smart and virtuous! Mrs. Zhou is not only beautiful, your husband can marry a wife like you,

Thank you to the teacher. Zhou Ming's achievements today are all thanks to the teacher's guidance.

Ring
ring ring

I may have to
leave the table for a
while! The company's
phone number, um...
I'm sorry, Teacher
Jiang,

Just in time for
me to have a good
chat with classmate
Zhou Ming! It's okay,
Mrs. Zhou, you are
busy

....Okay,
then Zhou
Ming, please
entertain the
teacher
well!

Hello,
hello...

Yes, yes, manager,
no problem! I'll give
you the information
later.

Which teacher would hook up with students like this? Damn, I told you to be more serious.

Then I'm really finished! In case my mother gets suspicious and asks the guidance counselor,

Don't make such a fuss! Besides, this also means that our teacher-student relationship is good, so we are used to it.

Just leave as soon
as possible... When
my mother comes back, I
will have said everything
that needs to be said.

you!
What are
you doing
!

That touch is really...ahh! The cock is super hard in the skirt, especially when it's stuck in the stockings. When I was talking to your mother just now, don't make any noise, don't you see the butt gun?

It reminds me again
how great it is to wear
her human skin! Especially
when I see your mother's
coquettish appearance, ahhl
So cool! Sure enough, it's
great to use a girl's hand
to cum!

What if my mother comes back and sees me? Lao Shao, what are you doing! You are so crazy, this is my home! Stop it quickly

It feels so good that I can't stop! You don't understand, it's really nice to put on a woman's human skin, and it's even nicer to take the cock out of the pussy.

Don't make a fuss here! If you want to play, you go home and play with Lao Shao, that's enough

You hurry up and leave. When my mother comes back, I will find an excuse to tell her that you have to leave beforehand.

Sorry, teacher, for
keeping you waiting...
Huh? Zhou Ming, what
are you doing standing
up?

I just had a question with the teacher! No, it's okay, I,

Don't let my mother find out! Damn it, old Shao, hurry up and hide that thing of yours.

My mother would be scared to death if she saw a female teacher's lower body! He actually has a man's cock,

How could you lie to your mother? This is not a bad thing, it's okay, Zhou Ming,

Actually that's the case, Mrs. Zhou... ..

stand up

It made me react
accidentally. Hehe!
Hug, I see you look so
beautiful.

ah!
Teacher
Jiang,
you...!

RITA

**Below
you...what
is that
below
you!**

What should I do?
What should I do? Lao
Shao's ghostly
appearance was actually
seen by his mother! Oh
my God! It's over!

Let me help you
take some sexual
health education
courses! Why can't you
recognize a man's cock?
You ask this? I said to
Mrs. Zhou, the child is
already so old

Teacher Jiang,
what are you
doing? Ahhh!
Teacher Jiang,

It makes my cock
harder and harder! Mmm~
Madam, you smell so good.
The unique fragrance of a
mature woman is like a
stimulant.

Same

It will definitely give you a good lesson and lead you into unknown areas! To tell you the truth, I am actually very familiar with your body.

Just enjoy it!

Are you
lonely without my
company? Ah ~
long time no see,
As long as I lick ~~here~~ ^{your} cunt,
you will feel so good that
your water will flow
non-stop! I know it,

Let my mother go!
Lao Shao... No, Teacher
Jiang! You, you stop it,

Yeah~

Yeah

Yeah~

They are very sensitive there! The teacher hates it! If you lick like this, people won't be able to bear it! It doesn't work there,

The tongue is so flexible! Ah, you lick me so much, you are worthy of being a teacher

Now, lick it deeper, I want it

...?!
Mom,
Mom, how
do you...

Just lick it and it will make you feel so good! Hehe, a woman's pleasure shouldn't be covered, right?

I will definitely make you, a slut, very happy! Wait until I insert my dick,

人、
The water keeps flowing down there, I can't wait! Haah, haah, Please hurry up and fuck me with your big cock! beautiful teacher,

So who are you?
Lao Shao is obviously
Teacher Jiang! You, are
you Lao Shao? wrong,

How can you deny your mother because of this? She is your mother! It just became a little bit lewd. What are you talking about? My dear son, it became a little bit perverted.

He's a pervert who put on my mother's skin and pretended to be him, right? Come less! You must be like Lao Shao,

Recruit me honestly. Who are you? !

Oh, okay,
if you want
to know so
much.

Then let
me tell
you!
