

You really
look like this
So cute. ^{now}

Her skin is smooth and fair, and she is a little girl who pays attention to maintenance, but her height and hair shape don't quite match her.

Hmm...I feel more like the bad girl in the movie, haha, it's much better than your previous appearance!

Would you believe you were a man if you didn't have a dick? I'm kind enough for you to keep that one, so you can miss your former glory.

Damn it, when have I ever been insulted like this? I really want to hit him in the mouth! ...No, I have to hold back.

When I get out and get back to my original state, I'm going to cut this son of a bitch into pieces!

I won't care about the rest for now, I have to help you transform the other parts so that you look more like Yan Didi's girl.

Go put the things I prepared on him! This is a gift I carefully selected. You want it? Cherish it.

Yes boss! Is this
okay? Do you
still need
adjust?

Okay, you did a
good job, step
aside for now. I
want to take a
closer look.....

Hahaha! I have a
really good eye!
Perfect for you!

If you are like this, no
one will ever think that
you are that famous
strong man on the
road!

I really didn't expect you to become such a human being. It made me feel unbearable. So I knelt down with him and let's have some fun.

Didn't get the boss's order? Kneel down!

Really, don't be
rude to girls. You
make our little
cuties so cute that
they dare not
speak.

But I often
fantasized about you
kneeling in front of
me, and now it
finally comes true
Now!

Don't be afraid, I'm very gentle towards women. Of course, the premise is that you want to be compliant. Good boy.

How about this? Just serve me with your mouth. When I'm satisfied, I'll give you a lot of benefits. Maybe you can also take a look at the scenery outside?

You...don't bully others too much! How could I do something with such a heart! I'm a real man!

Do! I can't bear it anymore! This guy is simply a perverted lunatic, I'm going to find a way to kill him!

You don't want to
eat and drink when
you toast, right?

ah! it
hurts!

I really don't know what to do. It seems that I need more training and some tough measures...

You're beautiful, the harder it is to convince you, the more challenging it is. I'll see how long you can hold on. I'll soon turn your heart into a woman.

Woo...listen...!
My head
hurts...I fainted?

It's so humiliating to be knocked down with just one slap... What's the difference between this and a girl? How should I escape?

Hold! They tied me up again! Do you want to inject me with medicine again? My strength is already weak, if I continue like this

That's... a mirror? Could it be me inside?!

How could I become like this? I am a bitch from a custom shop! And... where's my tattoo? They're all gone!

Haha, you know you look like a bitch, right? Then it's your duty to be a bitch. As for your tattoo...of course it's my work.

I used strong concealer to cover it up for you. Those ugly tattoos can't stain your fair and tender skin.

It's the gift from last time that you didn't seem to like. This time I prepared something more special, something that can make you feel like a woman...Bring that thing!

Do you like it? This size should satisfy you, right? If I want something bigger, I'll replace it immediately.

I blame myself for hitting a girl, so I will use this automatic vibrator to apologize to you. Enjoy it.

What the hell is that!
I'm warning you not
to come here!

You are crazy!
I'm a man! Male!
Let me go!

Don't get excited, is it too early to call now, or are you already impatient? Sigh...it's my fault that I'm waiting for a girl.

Why don't you go and adjust the chair quickly? His vagina must be treated seriously. This is his first body.

Let me see...a little further back...it's ok, perfect! This angle is really just right and will definitely bring you a wonderful body.

Let's prepare to start. What are your thoughts on the magnitude of the earthquake? Do you want to take it slow or go straight to the excitement?

No kidding! Get that thing away!

no! This really doesn't work! Don't...

Ah ah ah no! Don't
come in! It doesn't
work there!

Push
in!

Stop it! Stop it!
Come on it
stop!

Mmmhhhhhhhhh...
so fast!
No! Oh oh
oh stop,
stop...

Bang bang
bang!

Oh no... no more!
It's too, too
intense... I can't
stand it anymore...
Uh-huh!

How could this happen...I've never felt like this before!
My whole body is numb and numb, obviously I feel very uncomfortable, but

I can't bear the sound at all! I...how could I scream like a bitch? It's completely different from my previous voice!

**Hahaha! That's it!
That's right! This
is your nature!**

**Take it! You are
suitable to be a slut
who is loved by
others!**

Open your mouth!
Don't... Uh-huh, don't
be ridiculous! I, I oh
Ah!

I won't let you
go! Oh, oh...
Oh, stop, stop!

What are you pretending to be? If you're hard down there, why don't your mouth follow suit? You must be so happy that you can't get enough of it, right?

It feels so good to have a vibrator inserted into this place, and you dare to say that you are a man, and women are not as sensitive as you.

No...I didn't uh uh
oh oh I...I can't
possibly...Stop!
Stop it quickly

Come
on!

I, I'm not...
Uh-huh!
No...oh oh
no! No
more!

You're so comfortable now and you're still being stubborn. Didn't you see a lot of your juices leaking out? Be honest!

I, um, ah, I'm... not feeling well at all!

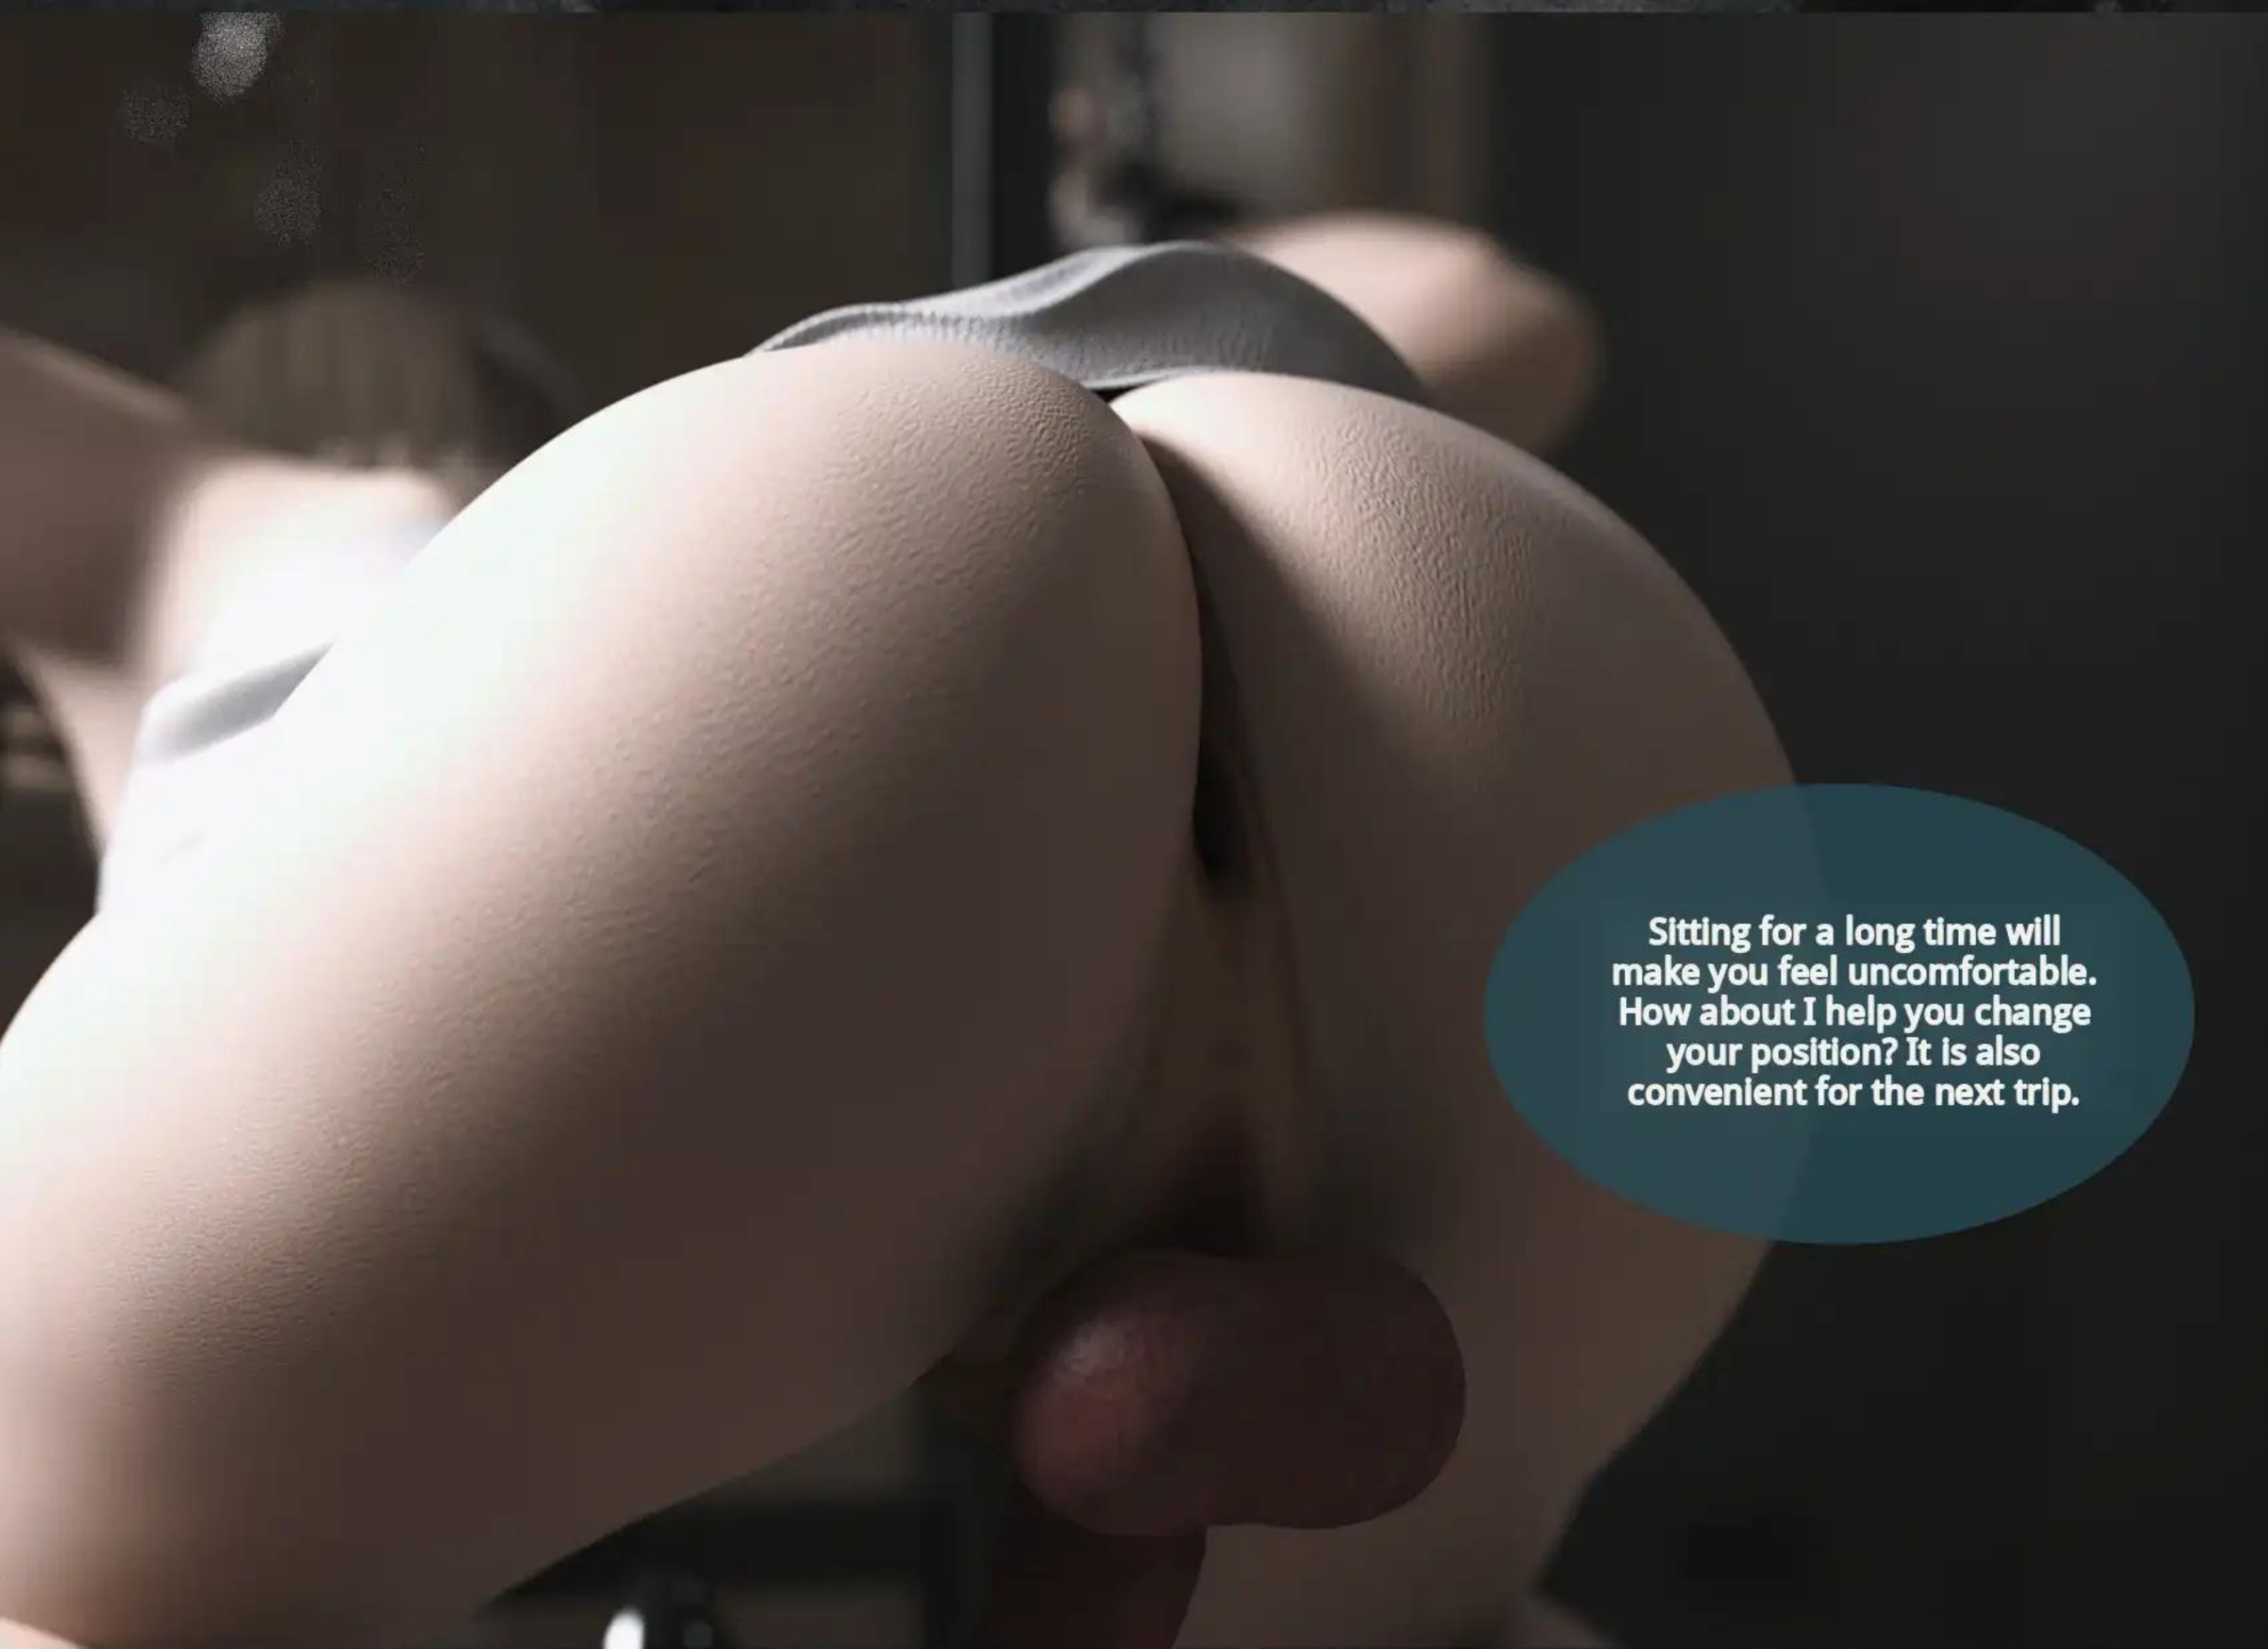

I quite admire your perseverance, but what's the point of doing this? I saw all your reaction.

Not only do you breathe better than a woman, but you also lose more water than a woman. You won't even feel comfortable, right?

Isn't it good to just
enjoy the pleasure?
You look almost
like a woman, so
just be a slutty
bitch.

Uh-huh!
Don't...don't touch!
Take your hands off
me!

Haha, your
personality is really
hot, so let's do
something else.

Sitting for a long time will
make you feel uncomfortable.
How about I help you change
your position? It is also
convenient for the next trip.

What do you want to do! Put me down!
This posture... too

Heartbroken!

Damn... all of them are there, you might as well give me a damn beating! I tell you to let go to the extreme!

You are shouting in such a panic, are you embarrassed? You're not used to showing your butt to others, are you? Qin, you'd better practice it early.

According to your current situation, it is easier for you to be a woman. Which man would expose his buttocks?
People are happy?

Open your mouth!
I'm a man! Nothing
can change this
Real!

It's useless what
you're doing. I'll
remember the
shame of this
period and pay it
back to you twice
as much!

OK, I'm looking forward to it and I hope you can hold on until the end. Wasn't it because the massage stick just now didn't feel good? I'll give you another one.

To become a woman, you still need a real cock. I found this thick and crazy black man specially for you. You will definitely fall in love with it.

You are so damn
crazy! Don't come
here! i am a man
ah!

You have to
understand Chinese!
Do not touch me! Let
go

Ah!

Farewell! That thing is
so big that it's
impossible to get in!
If you want to kill me,
just go ahead and
stop doing this!

Hello! Black person!
Are you there yet?
Do you want to fuck
this man like me?
Don't let that
bastard get you!

Oh oh oh so, so
violent! I'm gonna...
I'm gonna die
Ah!

bang
bang
bang

No... Uh oh oh
oh I'm going to
get penetrated!
No...stop, stop!

This feeling is actually much stronger than a massage stick! This...is this a woman's pleasure? I really want to be fucked into a woman Already?

Ah, my mind is in a mess! My body is even hotter than before...It's completely different from the previous sex. It's the first time I feel this kind of pleasure.....

**I'm almost...I can't
keep my mind. How
could I shed it like a
woman's urine?**

**A bunch of
juice!**

**I can't control it at all!
Why does the cock feel
so good without
touching the cock?
I...Am I so happy being
fucked by a man?**

Oh oh oh stop,
stop! Um, um oh
something is going
to happen! Stop it!

It's so hot...my body
is so hot! It will fall
off... and you won't
be able to go back,
huh!

It seems that the training was quite successful. Now you fully understand the pleasure of a woman, right? Is it so comfortable that you can hardly stand it?

Scream, scream lovingly! You will be a real woman from now on! She is a woman who has no power to resist after being fucked!

Ohhhhhh it's so comfortable!
So...so cool! Meat and cocks turn out to be such harmful things!

Yeah! Uh oh oh don't stop!
Oh...harder! H-hurry up! I want...

Hahaha! You are
so happy! real
Joy! person

You are indeed
fit to be a
woman! Our
black friends
are so happy
that your pussy
makes us cum!

Just now... was that
my voice? It's exactly
like a woman's lustful
scream when being
fucked! It's
impossible how
could I...

And I couldn't help but
shout out, "It feels so
good. How can a
woman's pleasure be so
terrible... I can still
return to my original
state...."

Come here and
put this dress
on.

Sure enough,
beauties look good
no matter how
they dress up! This
costume shows off
your good figure.

I don't know how
many men will go
crazy. If I let you out
now, you will
definitely be raped
immediately, haha!

Can this be called clothes? No seats can cover it at all! If you're not used to it, only a bitch who comes out wears it, right?

Especially if the lower part is exposed, the cock cannot be covered at all. The slightest movement will touch the fabric, and it feels like it will react at any time.

Why are you so coy?
Don't you like these
pretty clothes? Be
generous! What a
sexy figure you
have.

It's not like you to
have no
confidence. Come
and give me a
lesson. Show me
how you behave..

Why don't you say anything? Judging from your expression...Is it unkind? How long has it been since I learned the lesson?

Training?

Do you want to be beaten to a pulp, or do you want me to find more black people to take your turn to death? since
Make your own choice.

Wait...wait! I do! I...I'll just do it. I, your, this, is this okay?

I've finished yours, don't... don't call anyone else.

Where did this go? How can it end if you still can't let go? You can do more other postures, and I'll record your slutty looks.

I'll leave this as a souvenir for you, so that I can always remind you that you are a free girl!

you...! I, I understand, I just cooperate! If you want to do anything else, I will do it...

Haha good! So cute! You are also a girl who likes to take pictures! Come on, be more muscular!

What a shame! Not only do I have to dress revealingly for others to see, but I also have to be photographed... How did I end up in this situation?

But...it seems that I don't feel as angry and worried as before. Shouldn't I...No! I'm just pretending to cooperate!

The photo is almost done, let's move on to the next step! Take off all your clothes, then turn your back to me and raise your butt.

Well done! You finally know how to give commands, so I'll give you some for this two-talking little bitch.

I promise you'll be very comfortable, I won't bully you this time, and the size of the vibrator won't be too big.

You should be able to stuff it in easily now, right? This product is very popular with girls, and it can be remotely controlled.

Uh-huh! So...so
icy! Slow down!
Uh-huh, uh-huh,
wait a minute!

Don't be merciful, you
can even eat a black
man's cock, you'd better
get used to it early,
otherwise you will have
to live with it in your
mouth.

I feel that the acupuncture point on the back is being stretched open little by little...the temperature of the massage stick is also the same as that inside my body....

How could this happen...I was not as repulsed by this thing at first...but I was asked to live with it...

It was stuffed in right away! You already love the feeling of being penetrated, right? Looking forward to the next thrill?

Your white butt looks so charming with the pink vibrator! It would be great if you go for sex toys!

Seeing as you can't wait any longer, I'll stop talking and let's get started!

according to!

Screaming better really feels like it! I'll tell you my thoughts later, haha!

Uh-huh!
So...too sudden!
Wait! So
exciting, no...

Shock!

Stop it! Oh...oh
ah ah, I really
don't want it
anymore! Stop it!

So comfortable too!
It's so unbelievable...I
can hardly stand still!
It feels so good...I
really want it to be
more intense...

shivering

It's addictive...I'm
addicted to
vibrators and
cocks...This thing is
too scary. I-if I
can't do it
anymore...

Uh-huh! Climax!
Ejaculation!
Oh...ohhhh it feels
so comfortable!

Damn...it feels
so good!
Cum... I can't
stop cumming!

I...I ejaculated before
I was even hard?
Prostate orgasm is
so terrifying, I can't
stop feeling this kind
of pleasure!

I have...I can't go back to
being so weak...I really
want to completely
become a weak woman
even in my heart.

Already.....

It's so comfortable...
It's so refreshing... How
can this place be so
comfortable in the
world... If you can't
stand it anymore,
please give me more.....

I'm a woman...I'm
totally a
woman...and a
bitch...give it to
me! Give me more
pleasure!

The training is almost done, it's time for the results to come. Next, you can become a bartender.

Although I was released, there was no way I could escape! And this outfit is too revealing...

Is this something you can wear? Why is it so short? Will it be exposed? What if someone discovers your dick?

The massage stick stuffed in the back is also vibrating non-stop. Now it is difficult for me to even walk, and my whole body is shaking.

Strong...

Vibration

Although the music here is loud, will anyone hear the vibrating sound of the vibrator? How complicated it is..

It feels like it's about to stick up. Damn it, the skirt is already too short. If it gets erect again, it will definitely be seen. I have to hold it down!

I don't want to be discovered in public as a cross-dressing bear with a penis and a vibrator stuffed in it!

Uh-huh, uh-huh,
damn, it feels more
comfortable when I
touch it. My body has
become so
sensitive...I can't
stand it anymore....

I really can't walk
anymore...I really want
to have sex, it feels so
good! Why does it feel so
good to touch a cock?

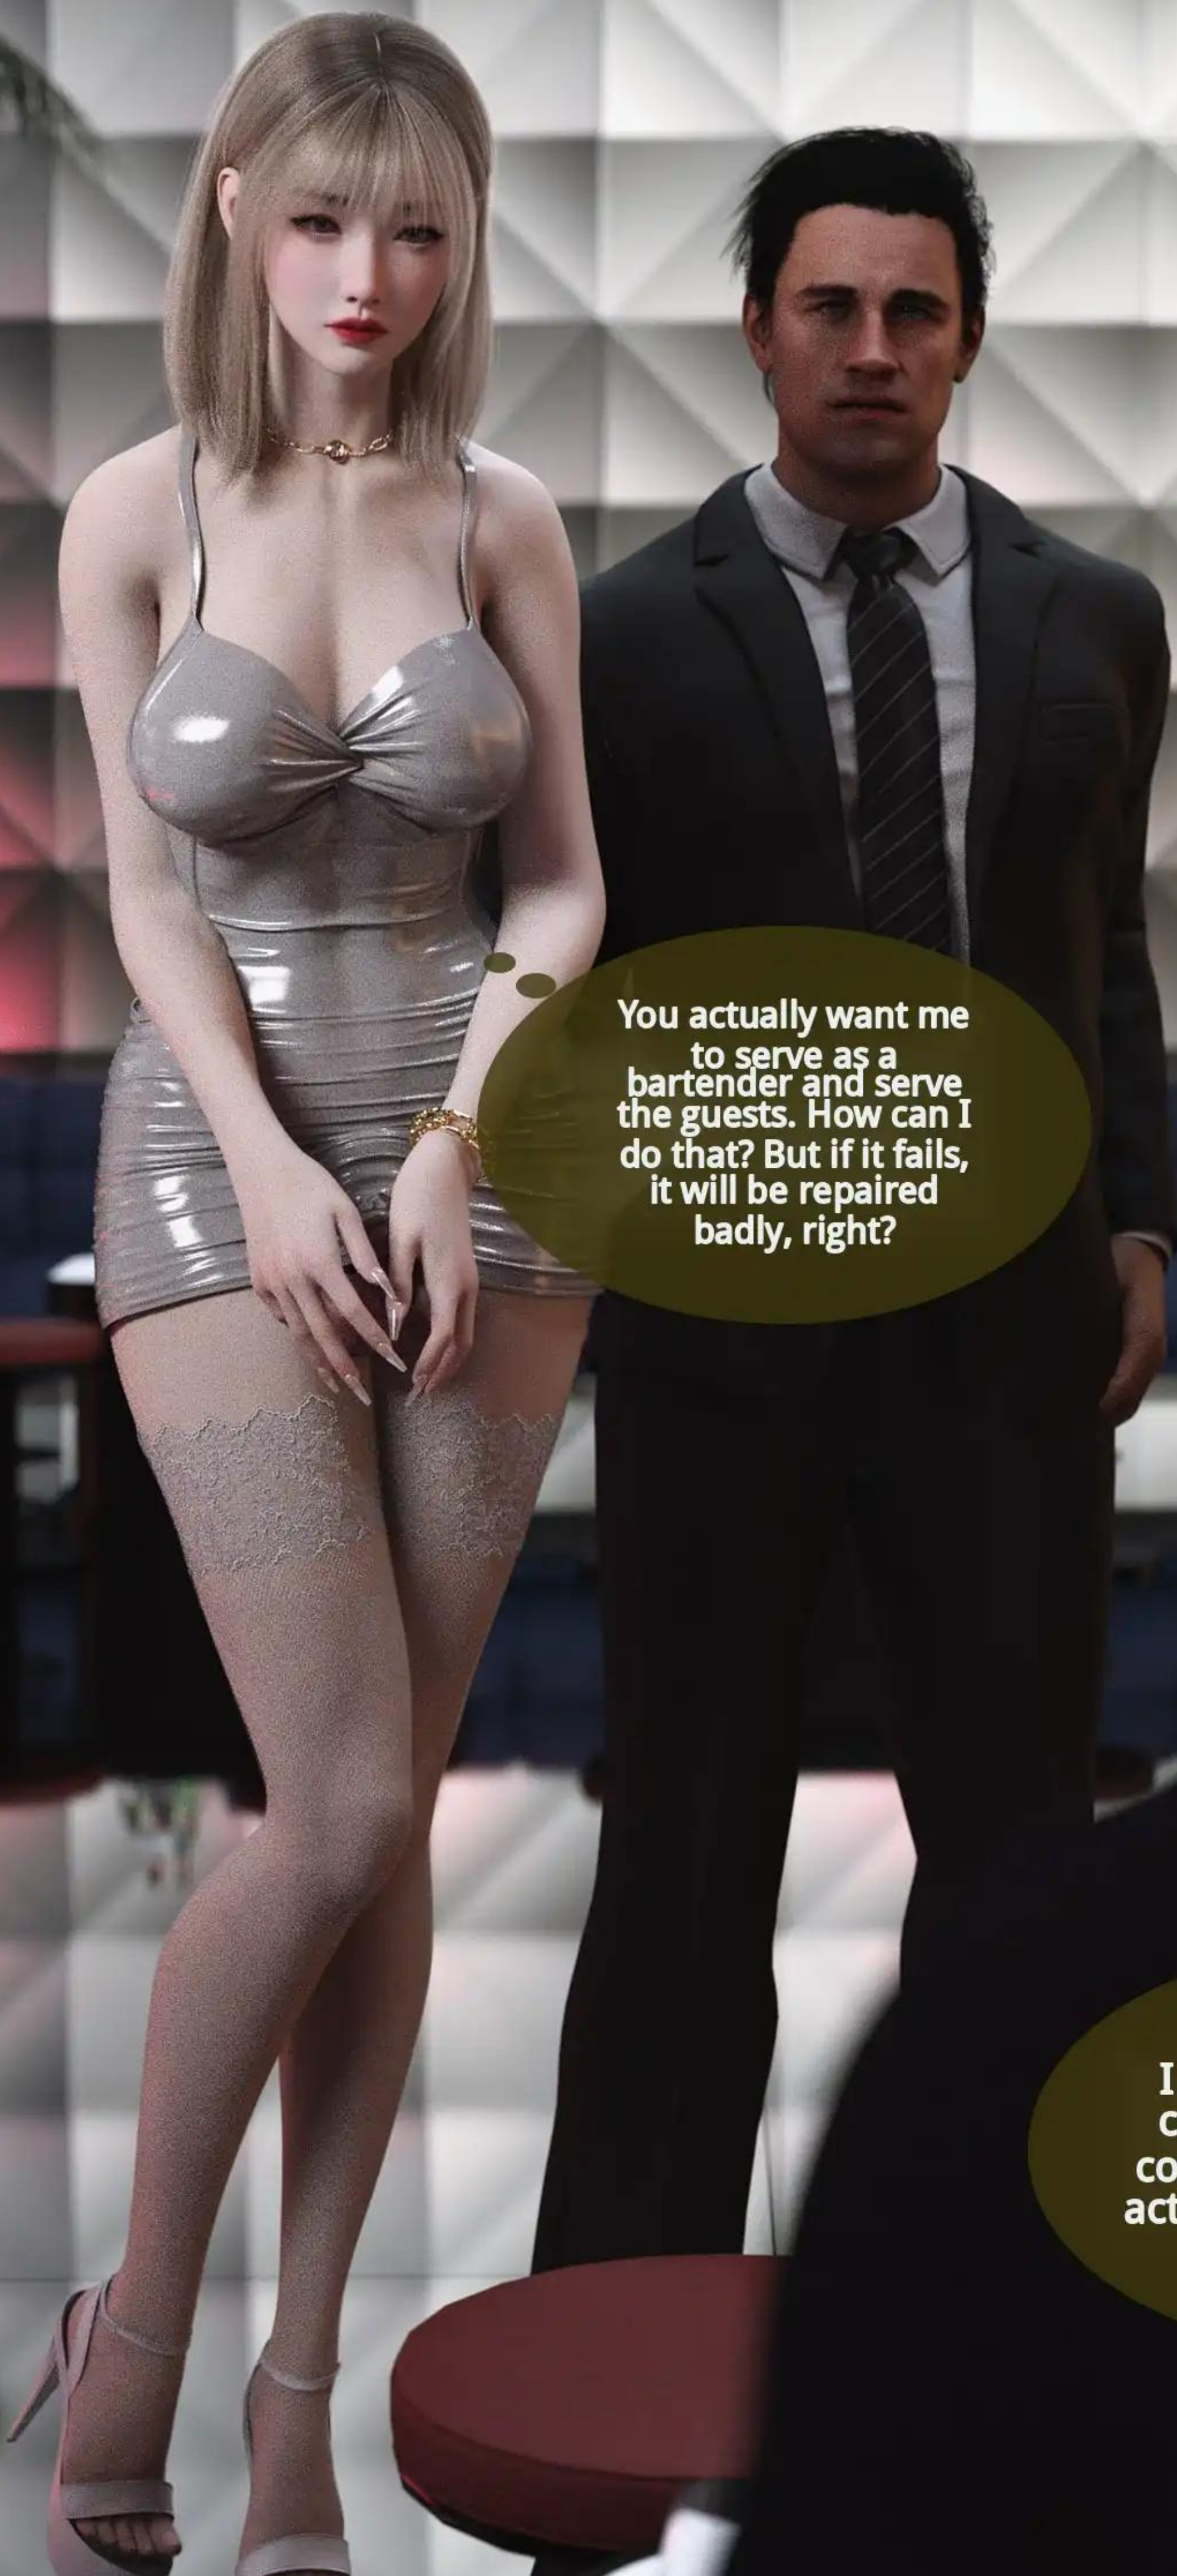

.....

Oops! I'm so excited that my juices are flowing. If I touch it again, something will happen, but it won't work if I don't describe it! What to do?

Why doesn't the massage stick stop when it's seated? This constant pleasure is driving me crazy!

Hmm...oh oh oh so excited that my body started to tremble... um, um ah ah, how could I sit there so much that my mind went blank.....

It's like I'm being watched... I'm about to ejaculate! Hurry up... Uh-huh, no, I have to go to the place the boss told me first.....

You actually want me to serve as a bartender and serve the guests. How can I do that? But if it fails, it will be repaired badly, right?

I had to be careful, cover my cock so it couldn't be seen, and act like a real little girl.

Too close! Why does this guy get so hairy as soon as he gets up? Where is he looking? It should be my breasts, right?

You must not let him see your dick... How long will it take to end? I can't go down anymore

.....

I can only try my best to keep my gray thighs from showing my dick during this time...

I really can't believe that one day I will be selling my body and self-esteem in front of other men like I am now...

Seeing the drinker in front of me so close to me, and looking at me with a leering look, I really have

Heart...

But there is nothing I can do...like a cowardly mother-in-law, I can only let myself be slaughtered...

Vibration

Damn...that guy actually flipped the switch at a time like this! It's so comfortable that I can't help it

Yes!

Ah... cum... cum again! I am so shameless in talking in front of other men
Cum....

Cum!

So shameful and so comfortable! How could it become like this...

So I became a hotel lady and lived under their training for a while.

In order to better serve the guests, they gave me a prop called a high-tech fake vagina.

...

As long as I wear it on my body: I can completely disguise the lower part into what a real woman should look like...

According to them, this is so that I can use my body to provide most of the sexual services to the guests...

After putting it on, the feeling of emptiness underneath was really unpleasant... My brother, who had been with me for a long time, was hidden like this...

Will I have to be fucked by other men in bed like a woman in the future...?

No... How
should I face
my son if I sink
like this...?
