If you want  
to know so  
much, then I  
will tell you!

...Hey!

**It seems that  
beauty is not so easy  
to be! Phew~ This  
person's skin is really  
stuffy inside.**

**Akai? ! It's you  
who is wearing my  
mother's clothes!**

What, are you surprised to see me?

Do you still consider me a brother? You don't even come to me when you have such fun things. I said to you, Lao Zhou, this is so uninteresting.

**What are you  
talking about?  
I'm coming to find  
you right now?**

**Looks more like me  
than me! But I have to  
say, your performance as  
Zhou Ming is so damn  
lifelike.**

**That is, I  
have worked  
hard to  
study it!**

**It will definitely  
make you  
suspicious! How do  
you look like Lao Shao?  
If the person here is not  
me, pretending to be  
Teacher Jiang will  
be full of flaws.**

Turned my mother  
into skin again! You...you  
are actually carrying me  
behind your back,

Isn't it fun to  
tease me like  
this? explain! What  
are you two trying  
to do by hiding  
this from me?

A woman with dark hair styled in an updo, wearing a white short-sleeved button-down shirt and a black skirt. She has a thoughtful expression, resting her chin on her hand. A speech bubble is positioned above her head.

That's why I asked classmate Huang Kai to help~ Oh, classmate Zhou Ming, don't be angry! It's not because I'm afraid that this home visit won't go well.

Lao Zhou, why  
are you so angry?  
Yes, and it's not  
impossible to  
recover,

I can't wear it?  
Could it be that  
only Lao Shao can  
wear your  
mother's skin?

Can't I be  
angry anymore?  
how? You kept  
Can you not be in the dark  
be angry? What if  
it were your mother  
who was turned into  
human skin and was  
dressed and played  
with at will?

As a brother, I will definitely give it to you with both hands! Don't tell me, what if my mother was as beautiful as your mother?

But who calls my mother an old woman? You can't eat it either! Even if I want to,

Lao Zhou, you think so? How could such a powerful thing like a leather gun be hidden from Kai? Yes, not to mention that we Ren are good brothers.

You can't attack me without saying anything, right? Don't they say that friends' wives are not to be played with? By the same token, the same goes for your friend's mother! Even so,

After all...don't you like your mother the most? Lao Zhou, you will be happy, oh? I thought we did this,

you! What did you say, what did I say...I just.....

Who among us is following whom? There is no need to be duplicitous in front of brothers. Well, Lao Zhou, I will definitely be tempted, okay? Besides, it's not your fault. If my mother were so sexy and beautiful,

evil. .Can you please put your hair back on before we talk? I almost threw up my breakfast! I can see your face touching Auntie's head,

Now I feel what I felt before! snort! Still saying,

**I'm a little  
uncomfortable  
with this look.  
Don't tell me  
about you.**

**I can feel the human  
skin slowly fitting...me, my  
voice! Ming... so tight.**

**Haha, it's my  
aunt's beautiful  
voice again!**

Now that I have changed back...should I continue? So, Teacher Jiang, what was interrupted before?

I'm going to taste your body in a different way! Hehe, of course! This time,

How can this be done? Wait a minute, you two! My mother, my mother, she.....

Hmm~ It seems that classmate Zhou Ming also wants to join us. What do you say, Mrs. Zhou?

But inside he is a perverted male student! Hee hee, it's not impossible for my good son to join if he wants to, but... Although my mother looks like a beautiful young woman,

If you want to join us, don't you look like this? Even though I'm a woman now, I still don't have the hobby of being gay.

You...what on earth  
are you talking about, I  
don't understand. ....

What we're talking  
about...is this!

The most beautiful school beauty in our school! Qiang Qiang, this is what we specially prepared for you,

W-what did you say?

Is this Bai Yiyi's skin? The human skin of the school beauty...could it be said that,

But the school beauty who is loved by all the boys in the school is not bad either! yes! Although she is not your favorite mature woman,

Brother, that's interesting! Only then did I find an opportunity to attack Bai Yiyi. Today I just wanted to have a good time with Ren.

I originally wanted to attack Sister Xiao Cheng... I went to the health room, the day I turned Teacher Jiang into skin for the first time.

I almost pulled out my gun! Sister Xiao Cheng didn't suspect anything at all. With that exciting feeling, I used my identity as Witch Jiang to take the opportunity to finger oil,

I didn't succeed because I didn't know she had something to do and she left, but Bai Yiyi came to the health room feeling unwell... ..

Of course I won't miss this good opportunity! But she fell asleep in front of me. Originally, I wasn't very interested in the school beauty.

He even ejaculated onto Bai Yiyi's face! At that time, I was also in my head, so I fucked right next to Bai Yiyi.

I screamed on the spot. I saw a female teacher erecting her penis. Such a big movement even woke up the school beauty even if she could sleep again.

In order to prevent the secret from being leaked, I can only turn her into human skin! So there is no way,

And why did you wake up just when I finished cumming? Who told her to come to the health room at that time? If you want to blame her, you can only blame her bad luck.

I'm afraid you can't even think of me! Still saying it! She urgently needs someone to wear her. If you hadn't impulsively turned the school beauty into human skin,

I didn't expect it to be such a good thing! I thought I had gotten into some trouble again because I was temporarily called out of class.

It must be very  
unsatisfying! Hehe, so  
how about it, Lao Zhou,  
before you were just  
watching me wear it

Are you happy or  
surprised? Now I finally  
have the opportunity to  
wear human skin too

This...I...can...

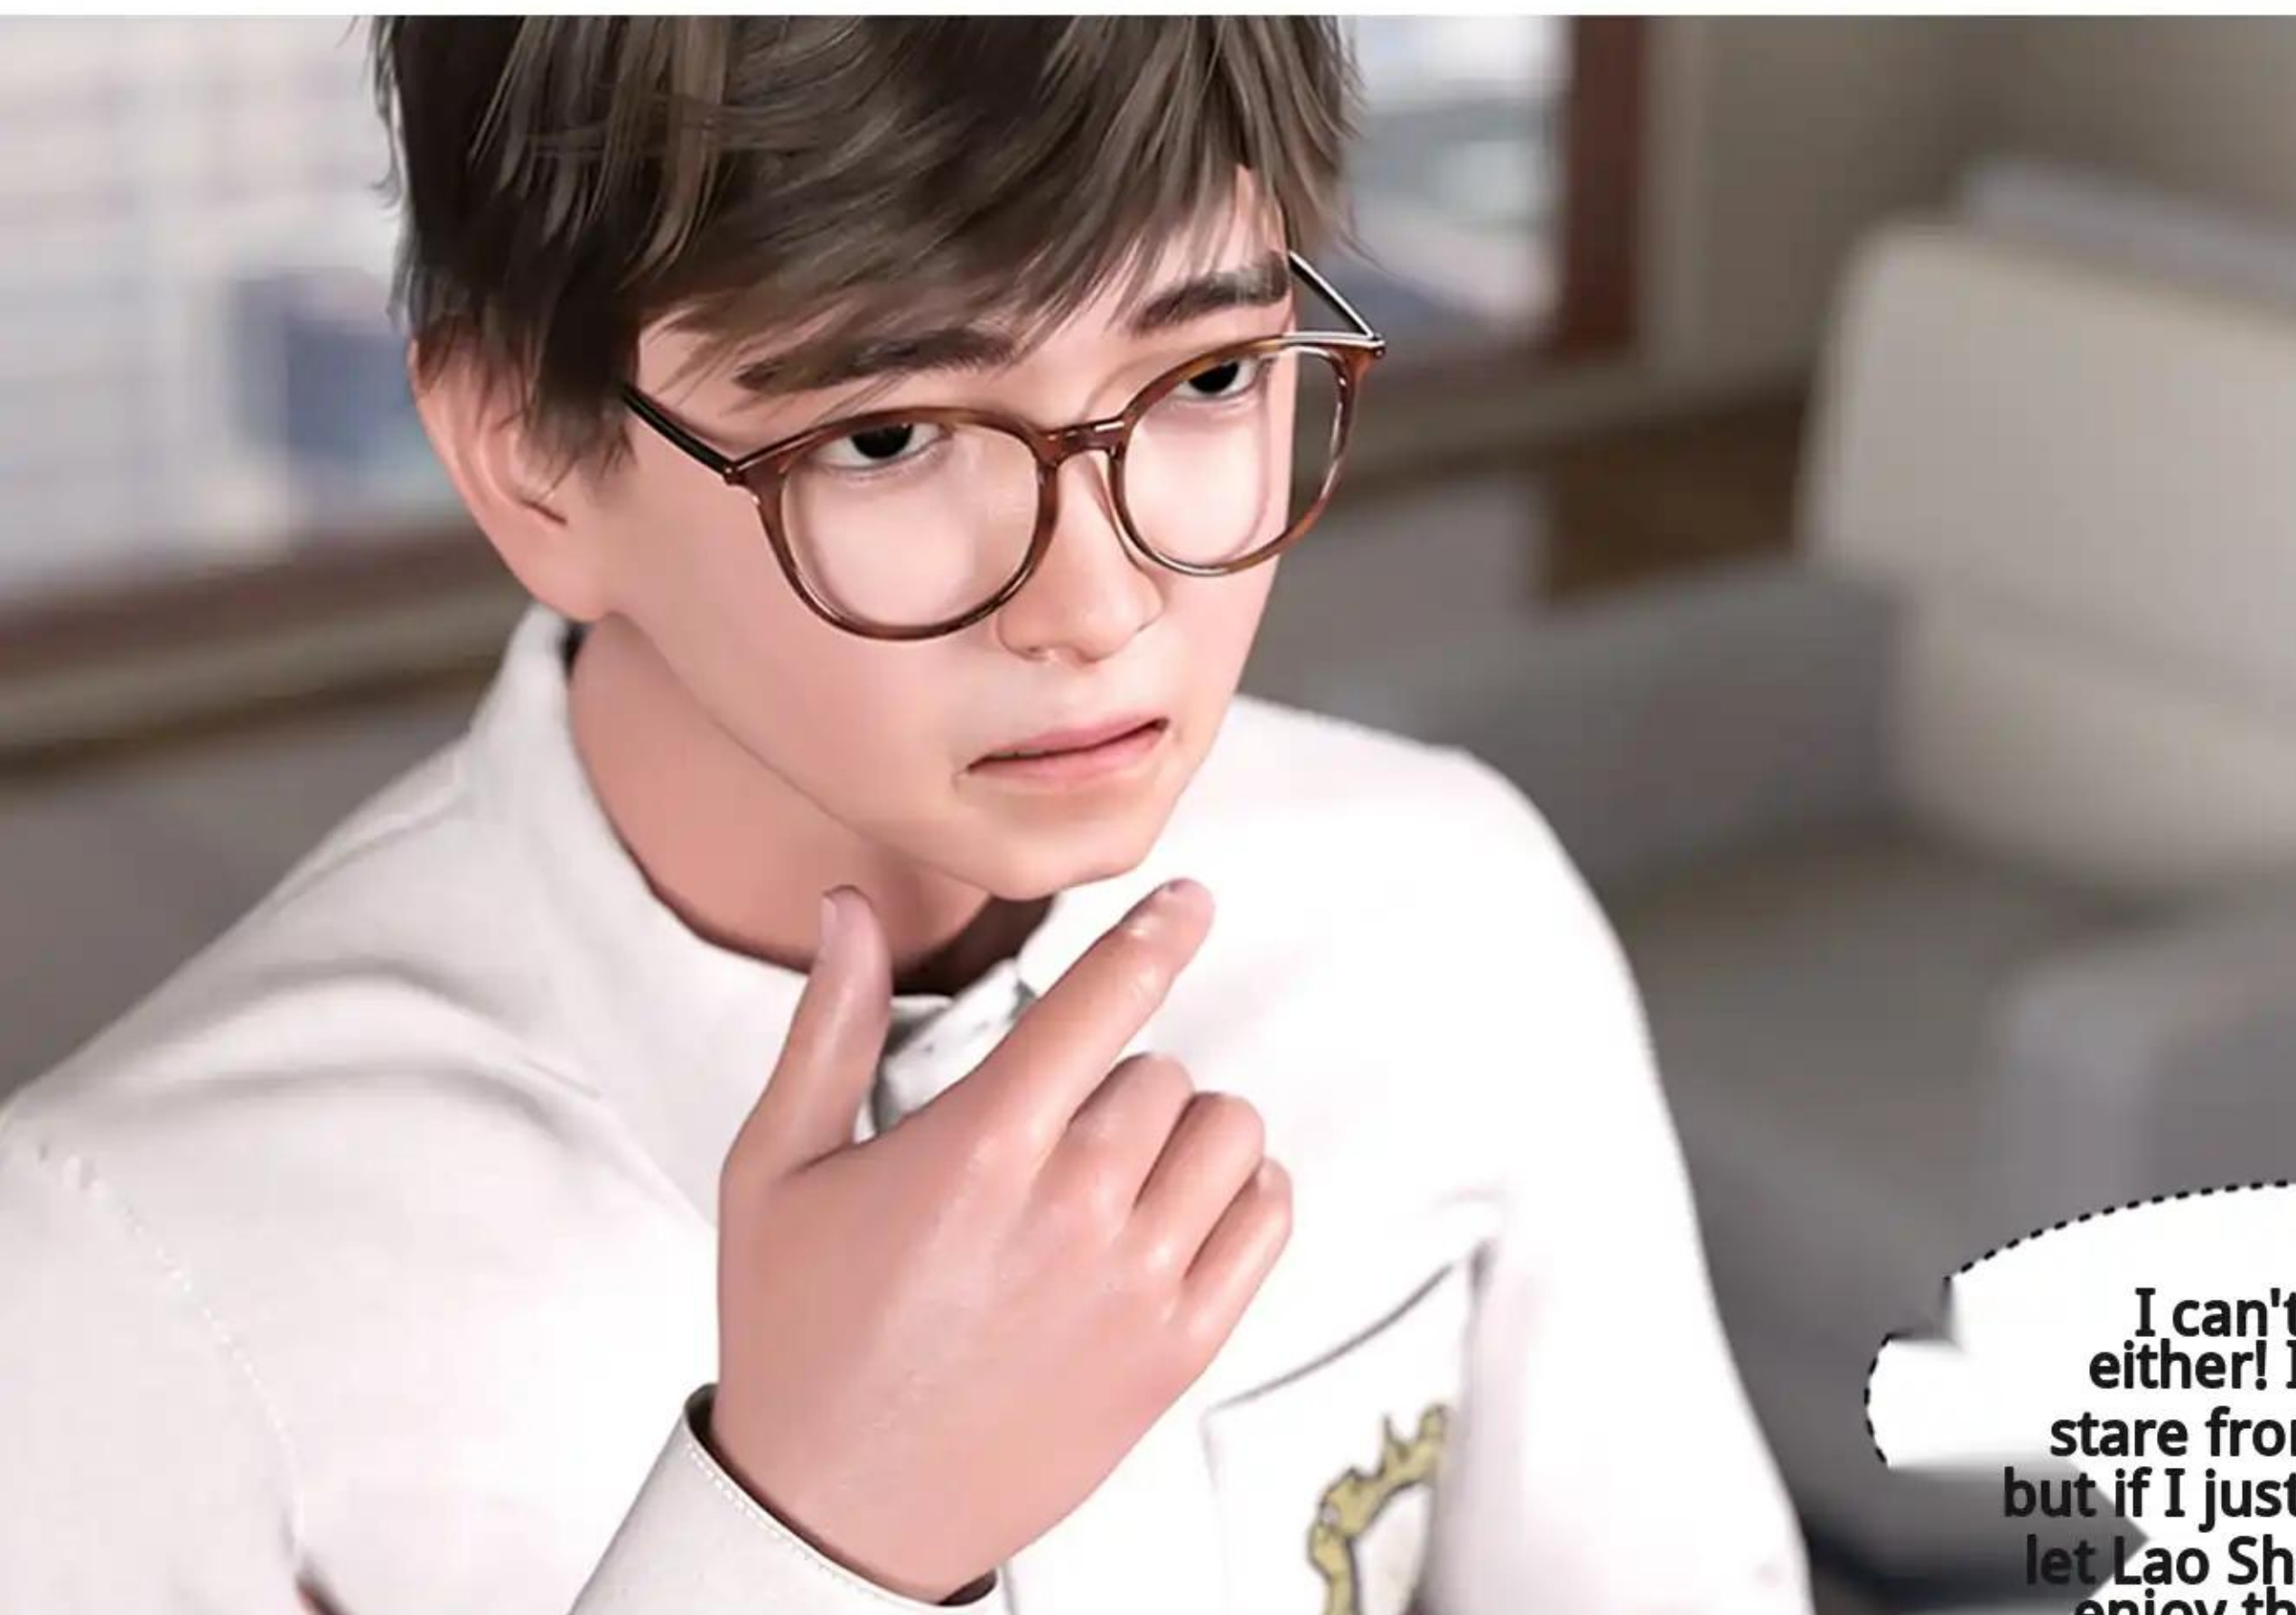

I...should I put on Bai Yiyi's human skin?  
Wearing human skin, you can become that beautiful and elegant school beauty and experience the pleasure of the female body.

Is Akai the same? I won't just follow Lao Shao, but in this way,

How can I accuse them of playing tricks on their mother? Taking over Bai Yiyi's body regardless of her wishes,

I can't do this either! I can only stare from the side, but if I just give up and let Lao Shao and Akai enjoy themselves, what should I do? What should I do?

Lao Zhou,  
you are really  
annoying! Bring  
it! Oh, it's  
true,

**School beauty!  
This is the human  
skin of the school  
belle, take a look.**

**You just can't even  
talk to her, right? You're just  
an otaku who can only study  
hard, let alone become a  
school beauty that everyone  
admires.**

A woman with dark hair styled in a bun, wearing a dark blue long-sleeved uniform with a red V-neckline and cuffs. She has a name tag on her chest that says "RITA Motors". She is wearing gold jewelry: a ring on her left hand, a bracelet on her right wrist, and earrings. She is looking towards the camera with a slight smile. The background is a blurred indoor setting, possibly a restaurant or office.

You can also use her body to have sex with your mother! When you put on this human skin, you will not only become the school belle,

Is it because your mother is so unattractive? I really don't understand what you are hesitating about, such a rare opportunity

Yes, Akai is right,  
an ordinary boy with a  
humble appearance like  
me simply cannot reach  
such a high level! If she  
were to be a beautiful  
woman like Bai Yiyi,

But actually...I am  
actually jealous of him! Besides,  
watching Lao Shao put on my  
mother first, and then Teacher  
Jiang, although I really don't  
want to admit it

Let her originally youthful and energetic body plump up again! Her hollow facial features are like a black hole that keeps attracting me, as if she is clamoring for me to quickly put on the human skin-precipitated dress on her hand. It feels warm and smooth to the touch, so tempting...

Just stop  
dilly-dallying! Okay~  
Judging from the look  
on your face that you  
want to wear it,

Let your mother  
have sex with your school  
beauty classmate! Come on,  
dear son, mommy really  
wants it now,

Even the teacher  
can't wait to meet  
classmate Bai Yiyi!

Take  
off one

I really can't wait any longer! The teacher's cock is super hard now,

Mom can just play with the teacher by herself! If you don't hurry up,

**I didn't expect that I would experience this feeling myself today! Before, I could only watch from the side as Lao Shao put on human skin.**

**My life will completely change! At this moment, my heart keeps beating wildly. As long as I wear her, it seems that my body is warning me,**

**This little bit of fear and nervousness is nothing at all! But compared to the desire that keeps clamoring deep in my heart,**

**Ah! I could feel the school belle's skin clinging to my body, and I was gradually merging with Bai Yiyi -**

Is it such a comfortable thing?  
So cool! So cool! It turns out that he transformed into another person

I'm afraid I'm going to cry out in shame! If Lao Shao and the others weren't still here,

**But when I wear her, I feel so happy, as if I am a butterfly emerging from a cocoon! It's obviously just a piece of human skin**

**I really can't go back! After experiencing this kind of pleasure, there is nothing I can do if it were me! Now I can understand why Lao Shao is reluctant to take off his skin.**

But, but I really can't wait to be you now! Classmate Bai Yiyi, I'm really sorry. You probably don't want to be worn by a boy like me.

Joooooo

The skin color  
gradually  
recovered as well!  
Me, my voice...

**I...did I really  
become Bai Yiyi?**

Then we can start hehe, since classmate Bai Yiyi is ready

Finally, my mother couldn't wait any longer!

Hey, school beauty,  
are you ready?

I...wait,  
I...

Yeah...  
Yiyi's lips  
are so soft,  
hee hee!

Teacher..Yeah

The teacher's lips are so soft and fragrant, they smell like a girl. The feeling of kissing is so, so comfortable.

This unfamiliar touch on the body, is this what a girl feels like? Her hands and feet were kissed until they lost all strength.

But you can't neglect your mother either! Alas, respecting teachers is a good thing

ah.....

Ming!

The lily kiss with my mother, Ming...I, I'm actually kissing my mother? There's something different about the excitement, which is different from Teacher Jiang's comfortable feeling.

Hehe, it seems that my new daughter likes to develop a relationship with her mother!

Haah...haah... ..

Mom is also excited! Seeing the lustful expression on the school beauty daughter's face

**My dear daughter,  
come and serve your  
mother's little pussy.**

.....  
..Use a girl's body to lick  
mom's pussy? What should I  
do? My body feels as hot as a  
fever! So perverted but so  
exciting,

It kept me awake  
countless nights! I  
still remember the last  
time I licked my mother  
to orgasm, the taste of  
the cum and her  
lustful screams.

Now I  
finally have  
another chance  
to taste my  
mother's  
pussy!

Suck-suck-suck-

Mom felt so good being licked!  
Yeah! Good, so exciting, my good daughter's tongue is so good

-Serving a beautiful girl and enjoying the pleasure of the female body at the same time, it's so exciting! Ah hiss, it feels so good!

Play with mom's pussy! Come on, stick your school beauty's lustful tongue in,

Hey, hey, don't just leave me aside when you start playing with yourself!

Since Bai Yiyi is being filial to her mother, then as a teacher, I will teach you a lesson!

Let you experience it for yourself! Where does it feel good to have your pussy licked? Our innocent school beauty classmate

Yeah! Wait, wait!

What a pity!  
Well...well...the school  
beauty's pussy smells so  
good. Last time, the  
teacher only used your  
beautiful legs to cum

Well... now you  
know how good a girl's  
pleasure is! Haha~How  
are you, Lao Zhou?

**It's very sensitive there! Ah! Teacher, it doesn't work there**

Everyone is excited! Haha, it seems that my good daughter also realizes how wonderful it is to be a girl.

My mother also got into heat! Seeing you like this,

-It stimulates the sensitive areas so much that it makes you want to clench your legs in shame! Ah ha, it's so comfortable, pleasure keeps coming from down there

I really want it...  
I really want it... That kind of full and empty pleasure is completely different from the stimulation of a cock,

ah! No more,  
I can't stand it  
anymore!

?!

.....what are  
you up to? ! ah!  
Lao Shao, no,  
teacher

do what? Of course,  
I used the teacher's cock.  
My cock was already so hard  
that I couldn't bear it, haha!  
The perverted cock comes to  
taste the pussy of the school  
beauty classmate!

**But I am still a man! No, I can't, I... Even though I'm like this now, wait a minute! You want me?**

**-A slut who constantly seduces people with her pussy! The person in front of me is obviously a man? There are no men here.**

**Do you really want a big cock to satisfy you? Tell yourself, is your vagina itchy and empty now?**

The torture makes me feel like I'm going crazy! But the difference in pleasure, even though it was just a lick, made people feel itchy and unbearable... She was right.

But if I was really fucked by a cock, I would feel so terrible and ashamed. I really want it, but...

As a senior, I can assure you that the pleasure of having your pussy fucked is really super refreshing! Don't worry

Do you still remember how I was fucked to orgasm by a strange man? Do you still remember how you fucked your mother? How could I scream like that if I wasn't happy!

**.Lao Shāo is right, the pleasure in the vagina must be really good! He loves being fucked so much after putting on the skin. He is usually so messed up with a hot, thick penis... The itching sensation down there makes me unable to think. I need something to relieve the itching. If it doesn't work, I'm really going crazy.**

**Then, please be gentle...**

After all, this is  
classmate Zhou  
Ming and classmate  
Bai Yiyi's first time  
together! Heehee,  
don't worry,

You will definitely  
fall in love with the  
feeling of being fucked!  
Teacher me,

Uh-huh!

insert!

**It's really tight enough,  
it can suck my cock tightly  
and won't let go! oh! I'm Rui! As  
expected of the school  
beauty's virgin vagina,**

**It's going to  
be broken! Yeah!  
Too, too thick**

**this,  
Is this what it feels  
like for a girl to be  
fucked? It felt as if I was  
getting an electric shock!  
But with every impact deep  
inside the body, the lower  
body is burning.**

My waist can't stop at all! She has long since become a qualified female! Ah! Your virgin pussy is really warm and slippery for my flesh! Me! Listen to your own gasping. You are no longer the original Zhou Ming.

The shame is accompanied by the pleasure, which is unbearable! Me, am I a female? ! What should I do? After hearing this, I couldn't suppress my moans even more.

Hello?

**Mom's slutty cunt can't  
be left alone to play with! A  
good daughter can't just care  
about her own pleasure.**

**Come on, use  
your cute little  
mouth to kiss  
mom's pussy!**

**Wait...Ming!**

It's so cool! My pussy was being penetrated again and again, the unfamiliar body and the unknown pleasure, my breath was enveloped by my mother's lustful smell,

It's a female begging for human flesh! Now I am a slut, I just want to be fucked by cocks all the time!

**I still  
want...**

I  
want  
more...

Not  
enough...still  
not enough...I  
want to keep  
having sex!

**I want to  
keep having sex  
with a girl's body  
like this**

**Gone  
ah ah ah  
ah!**

After  
some  
time...

Huh...huh...

**It's really... it  
feels so good... the  
pleasure lingers in  
the body for a long  
time... as if it's  
about to fall  
apart...**

How are you, Lao Zhou?

Isn't it really nice  
to have a girl's human  
skin? The soft body, the  
beautiful face and the  
lustful pussy.

Do you still  
want to take it  
off now? Tell  
me,

**They still can't bear  
to part with my good  
daughter! Huh?**

**More extreme  
pleasure? Don't you  
want to continue to  
taste more exciting  
things with your  
mother?**

I...I...

Of course I  
am...
