

Unexpectedly, they
were so
unscrupulous!

The person wearing that pregnant woman outfit is really arrogant. She has no intention of hiding it at all, so she's not afraid of being discovered?

His mother was replaced by someone else, and the child realized that he was not moving. It was natural. Look at that little boy, he is really cute...

The child was seriously injured, but we can't kill the snake, we can only pay more attention, don't
Damn...

.Woo, woo!
Mom·Mom,
I...you are not my
mother anymore!

In the past,
whenever I cried, my
mother would come
and hug me. Why
didn't you hug me?

Is it because I'm not
good? Or does my
mother not love me
anymore because I
have younger siblings?

Be careful, I'll leave you on the street, you damn kid. If you make any more noise, you'll have to fend for yourself!

Enjoy my new body, you and I have to go back and stay away from this damn brat Tim!

A young woman with dark hair tied up, wearing glasses and a white collared shirt, is shown in a close-up shot. She has a pained expression, with her eyes closed and her hand pressed against her forehead. The background is a blurred indoor setting.

It's really too much.
He can intimidate a
child like this without
fear of inflicting
psychological trauma
on him... Hiss!

My my head...woo!
How come it
suddenly... suddenly
hurts?

A woman with dark hair styled in a bun, wearing a white button-down shirt and a gold necklace, is sitting at a desk. She has a pained expression. A friend with glasses, also in a white shirt, is leaning over her, massaging her neck. The background shows a window with a city view.

I have a headache. Do you want to go first? Are you okay? Why did you suddenly go to the hospital to take a look?

hiss! I don't know why I got a headache all of a sudden. I never had this before...."

Maybe it's because I've been nervous since I came back from that dental appointment and didn't have a good rest!

What a big problem, don't worry about us, why don't I just follow the mother and son first... Hiss!

This time it was a real treasure! The house looks pretty good, huh huh... this house

A pregnant woman with long black hair, wearing a beige, form-fitting, off-the-shoulder dress, is sitting on a white leather sofa. She is looking towards the camera with a slight smile. The background shows a modern living room with a white wall and a framed picture of a snowy landscape. The lighting is soft and natural, coming from the left side.

Looking at these furniture pieces, you can tell that the house is beautifully decorated. This woman has a very good home!

With such beauty, it's also a bit heavy not only to be pregnant, but also to maintain a healthy body:
Wrong!

I originally thought that all pregnant women would gain weight, but now it seems that this is because of people!

Her legs are still long and slender, otherwise why would her legs look so good? Haha!

I really can't believe this is mine~ My favorite silk feet are my own!

touch

The mother's sex... completely penetrates the body, coupled with the beautiful and sexy balls, it appeals to my sexual fetish!

I have thought about actually practicing... to realize my desires, but I didn't rely on fantasy works on the Internet. Before, I only knew

, I'm afraid I would never have taken this step if it weren't for the accident that day. This can be considered a blessing haha..."

, I often fantasize about turning into a woman. I have been obsessed with sex-transformation works since I was in high school..."

, I am most interested in images such as mothers and wives... among all female roles

With the development of the Internet, you can also find many exciting and exciting comics with such small themes...".

trick

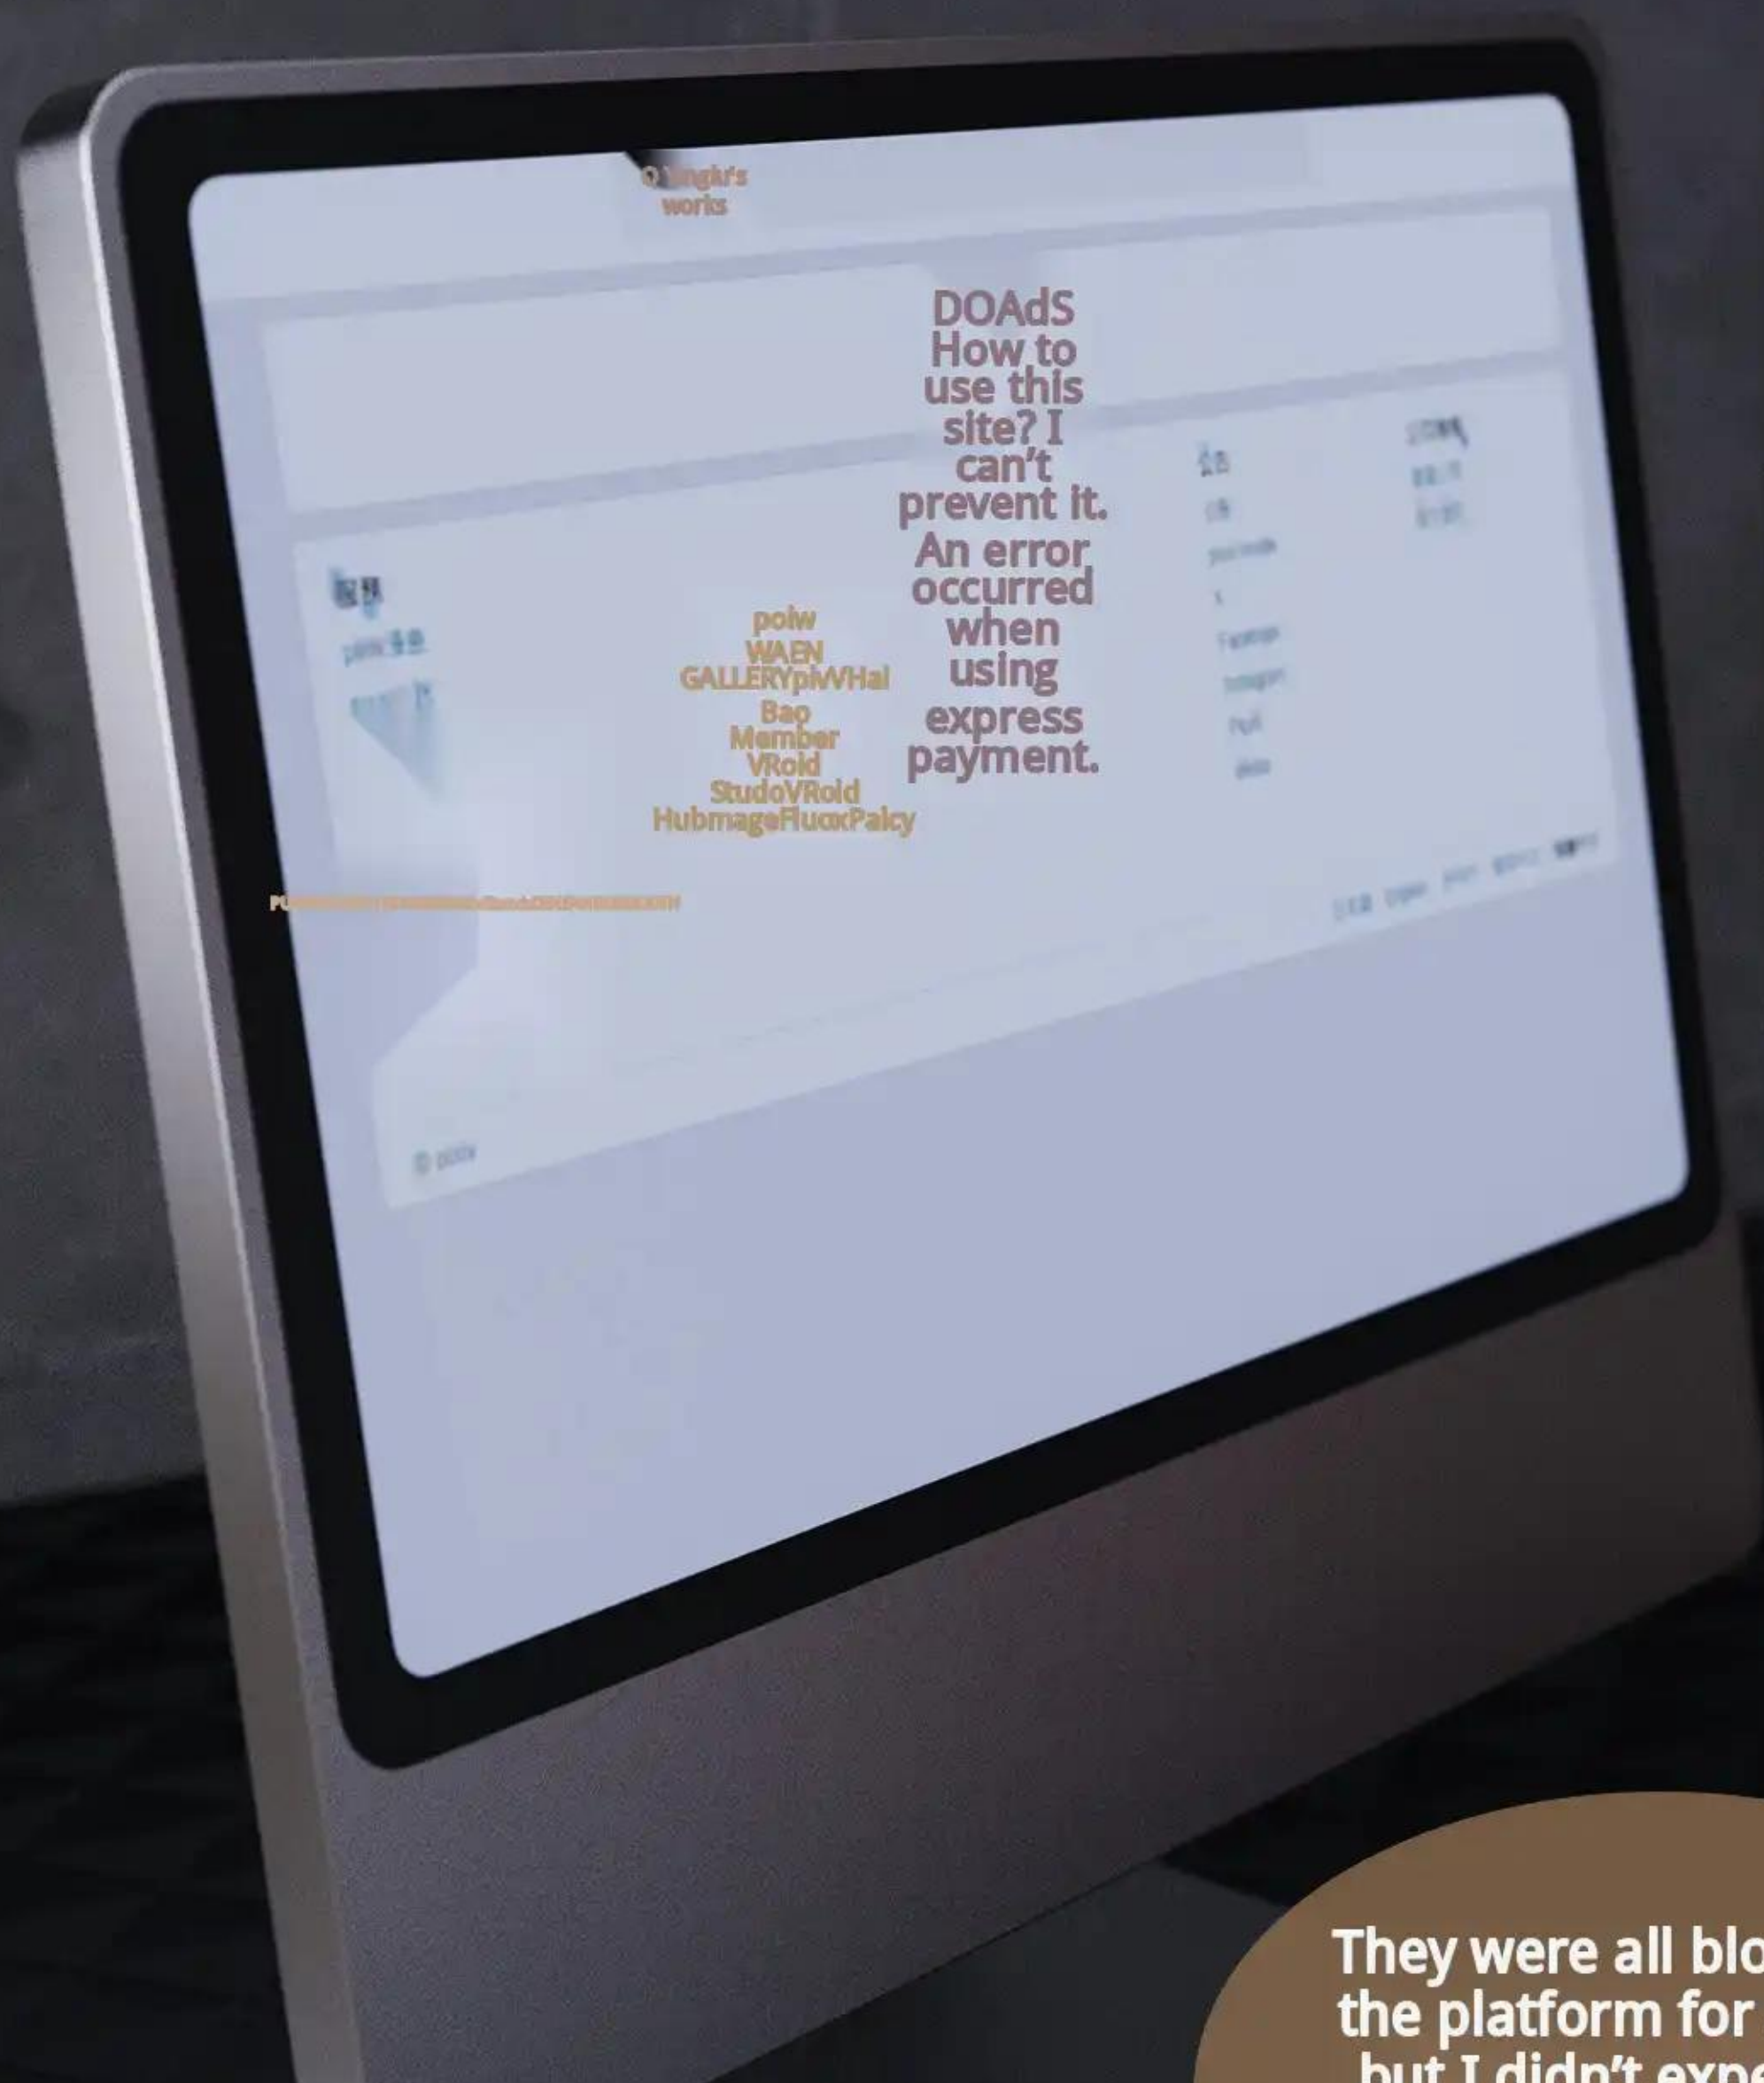

Masturbating alone in the room with those sex-changing adult comics has become a must-do for me every day!

My sexual fetish will last forever... Originally, I thought that I could satisfy this peculiarity through those works.

However, accidents often come so suddenly that people are caught off guard..."

That day, I was sitting in front of the computer, having already mastered my street thinking, and was planning to take a look at whether there were any new comics..."

They were all blocked by the platform for a while, but I didn't expect that all the authors I liked would be completely deleted in one night!

After being in front of the computer for a long time and unable to react, I was suddenly faced with the bad news. I sat over here and realized that everything was fine yesterday, right?

No matter how I try, those removed works will be Can't come back!

I no longer have the desire to ejaculate, I just blame myself in my heart for not saving the work earlier due to this sudden change!

Only then do I know how to cherish it. Soon, maybe people will find out after losing it that the regret in my heart is heavier than I imagined!

Don't think that this is just a problem of not having any side dishes. For people with special sexual habits like me, it's just as difficult as it is!

Without those works, it would be impossible for me to produce them just by relying on my poor imagination. However, my desires will only grow more and more...

Maybe I was almost tormented by desire but I agreed without hesitation... When a good friend asked me to meet, I must have gone crazy.

If I put it first, it was because of this that I could not go to the appointment in the new world, but Yemen just opened in front of me...

A pregnant woman with long dark hair is lying on her back on a light-colored wooden floor. She is wearing a light-colored, strapless, form-fitting dress. Her hands are behind her head, and she is looking up. A man with short dark hair, wearing a light blue shirt, is standing in the foreground, looking at her. The background is a plain, light-colored wall.

When they put the human skin of this pregnant woman in front of me, I couldn't believe my eyes!

Skin, that's human skin right in front of me! It originally only existed in fantasy works, waiting for me to put it on!

I have lost important works that I relied on for my livelihood before, so naturally I will not miss this great opportunity this time opportunity!

Human mother, no matter what I have to pay to become the young beauty I am most attracted to, as long as I can wear human skin, the price doesn't matter!

I didn't choose her because she was pregnant, but other people didn't know because she was pregnant, which just gave me an advantage!

Nothing embodies the glory of motherhood more than a pregnant woman! The tenderness and love mixed with beauty in the alliance are simply the best!

.Mom, Mom, are you going to go back to your original mother?

Or...are you controlled by the boss of an evil organization like what was shown on TV?

, I'm very familiar
with superheroes,
Dan, I'm very
familiar with you!

Get my mother
back as soon as
possible, or I will
call a hero to
defeat you!

You're pretty close to guessing, but you're such a bastard! I watch so much TV, what can ghosts do to me?

I'm warning you, get away from me, don't hit me and enjoy your mother's body!

Woohoo! , Bad
guy, bring my
mother back,
come back!

Kneel
down

I beg you, I want
my mother, give
my mother back
to me, woohoo!

A woman with long, dark, wavy hair is shown from the chest up, wearing a light-colored, possibly white, dress. She is looking slightly to the right with a soft expression. Her right hand is raised to her neck, and another hand is visible on her left shoulder. The background is a snowy, winter scene with trees and a path. A large brown thought bubble is positioned in the upper left, and a smaller brown speech bubble is in the lower right.

Oh, but this brat can't do it. He has to tear him apart and continue the quarrel. It seems that he can just open his mouth...

Having said that, the temperament and image of the role of mother, I can't lose the charm of that kind of gentleness and loving-kindness, haha!

Mom is just teasing you. Why don't you respond to this? It's all better~ Baby, stop crying and be the big brother!

In this way, it's really woo, woo! What's wrong with me, mom!

A woman with long, wavy black hair is shown from the chest up, hugging a man from behind. She has a soft smile and is looking down towards the man. Her right hand is resting on the man's shoulder, and she is wearing a ring on her finger. The man's back is to the camera, and he is wearing a grey t-shirt. The background is a blurred indoor setting.

Damn it, but the
essence of maternal
works is hum, but I
really understand it very
well!

Remember, coaxing a
child is as simple as
breathing, and maybe
it's the muscles of this
body that make me
more interested, hehe!

Woo. ·...The delivery is not delicious·I want to eat what my mother cooked.

I don't like to eat
the food that my
mother brings out.
It's cold and not
delicious!

Can you eat it for
me...Mom, I want to
eat cake. Mom, bake
it. Are you there?

Tian was sleeping in the guest room. Was he asleep? Why? Mom didn't answer. I'm too tired to go out?

Then I have to keep my voice down so as not to wake my mother up. As you all know, it's very hard for mothers to have babies!

Yeah~ Yeah~ I'm right,
the pregnant mother
has a high sexual desire,
but it's very hard!

After that, that kind of
perverted desire,
especially when I
turned into skin and
wore it, kept coming.
My body felt so good!

, his mother actually knew why, that little devil must have unexpectedly pretended to be asleep just to masturbate secretly, haha!

Pumping my pussy back and forth, he probably wouldn't understand what I was doing even if I used my fingers in front of him! But for children of this age,

Haha~ Just touching
this pregnant belly
gives me a sense of
happiness as a mother,
which is perfect for a
mother like me!

Sex, with the maternal
love of a beautiful
pregnant woman, the
inversion of identity and
the new body of an adult
man, it's so exciting!

They originally lived a happy and secure life, and they were fully looking forward to the arrival of a mother and son, a good family, and a new life!

A kind and gentle mother who accompanies him to grow up and takes him and his younger brother. That kid could have a sister to travel with...

It's a pity that all
this happiness and
contentment was
ruined by me,
haha!

Starting today,
your selfish
and nasty
mother will
turn into a
bear, haha!

I can't help but smile when
I think about the evil
pleasure life that will be
mercilessly collected by
me in the pocket of this
beautiful pregnant
woman!

Ah~ I can't help it
anymore, my desire is so
high! Come on, my first
female body
masturbation will
explode if I don't
masturbate...

Hmm... Just rubbing my clitoris with my fingers on my body makes me tremble uncontrollably. Come on, it feels so good!

The smell keeps coming out, and the water in the air will move up and down on its own along with the bad waist, full of lustful smell!

Whoa whoa!
Madam, your
body is so sexy, I
feel so
comfortable!

The lower body
traced by the
pregnant belly
should be a mess
now, haha!

It's so comfortable,
I can't even stop
my hands! The
clitoris cannot be
rubbed off!

It's so bad, I
really want to
penetrate a
good girl's cunt!

It keeps making strange noises, huh? It's strange, what's wrong with mom? Sound?

The baby in my belly is really not good. Is it a dream? Or is mom uncomfortable?

In fact, there is a bad man inside her, and he is not showing up. Haha, my mother feels uncomfortable, and she looks like a bear, haha!

She couldn't stand the toys she found in her clothes, so she used me to comfort her naughty body!

The semen arouses a little desire. Playing with women has always relied on shooting people's vaginas with guns. This is the first time that their bodies have been penetrated!

However, the pregnant belly does not reach the lower part, so I can only use my hands to determine its position... Wow! It's so big that I can't even see it

Oh oh oh! Right,
right there, the
massage stick
touched the pussy!

, it seems that with
a gentle push, it
feels so numb and
comfortable that it
can be inserted...

Okay, insert it into the slutty mommy, ahhhhh! The cunt was penetrated!

insert

Cool! It feels so good that a child would feel so good. How could this house be shaken out?

It's true, the
female body's
fastness is so cool
just like in the
comics!

It was obviously my
first time, but I was
already slightly in love
with the pleasure of
my pussy!

My body is going to
play havoc with me,
hmm! This
pregnant woman
has fallen out!

bang
bang
bang

My wife, I want to
become a
coquettish, gentle,
mature and slutty
wifel

Wow... Mom is so weird today. She obviously wouldn't be like this before. It must be the baby in her belly that's causing it!

Well, are you not feeling well? Mom, are you okay and comfortable?

Haaaaaaaah...it's
not about mom,
it's better for
mom to feel
comfortable now!

But then again,
why don't you also
feel comfortable
with your mother?
Haha!

Ding
dong

Huh? Mom, someone
rings the doorbell. I'll
open the door!

A woman with long, wavy black hair is sitting in a chair, looking off to the side. She is wearing a light-colored, off-the-shoulder top. The background is a blurred indoor setting with warm lighting.

I'm just about to have fun, it's best not to be a door-to-door salesperson!! This will take time,

You sit and eat obediently, but I want to come and see if you are here to beat me, hum!

Here we go,
where are the
thingseats?

Hello, sorry
for calling...

Make an appointment with our company, right? Before the home appliances are carried out, the house has been repaired and tested by our company, right?

We sent a specialist to handle it, and asked me to come over today to record the problem and report it to the company, so that he can ask if it's convenient now?

A woman with long, wavy black hair and a pale complexion stands in a room, looking towards a man whose back is to the camera. The man is wearing a dark suit. The room has a window with blinds in the background. A thought bubble is positioned above the woman, and a speech bubble is positioned below the man.

What? Could it be that
this woman had made
an appointment
before? This is too
Just right!

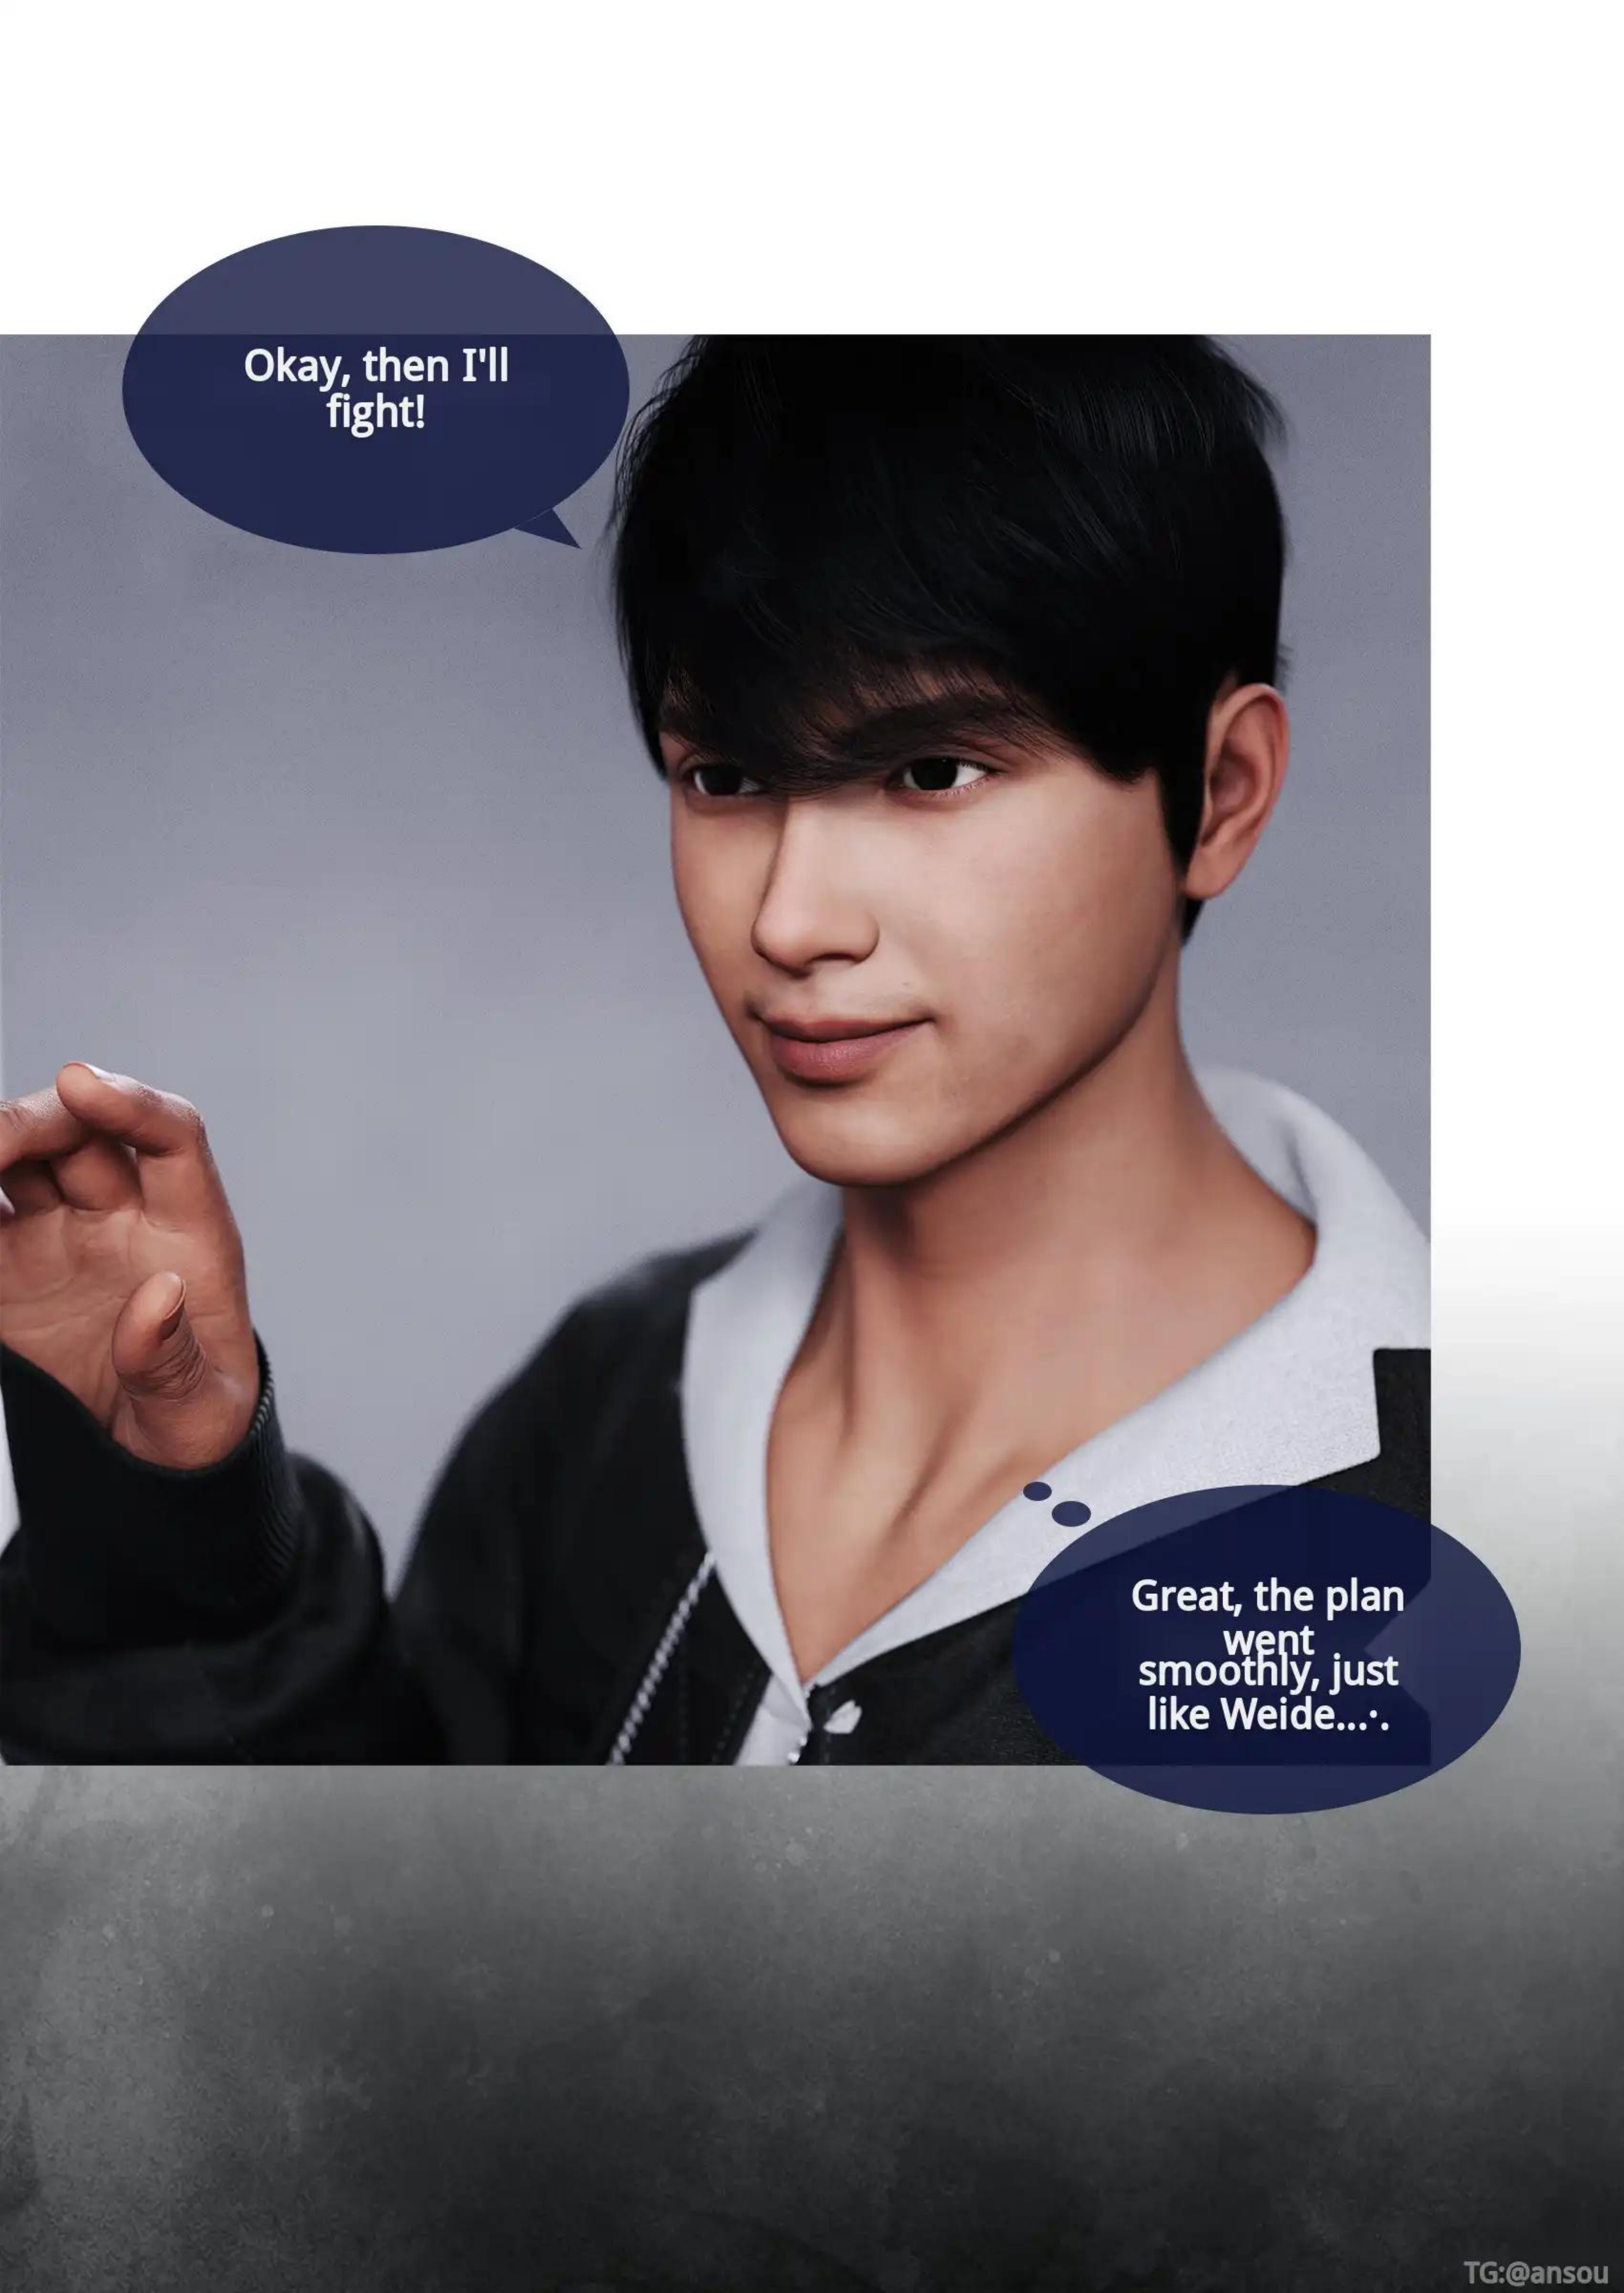

Just find a reason to send
him away quickly, otherwise
it will be really stupid down
there. I think it's better to
just let him go.

Get up... · ·

Wife, isn't this the royal plot of porn movies? Anyway, I want to find it, right? Wait, it's better for a plumber to have sex with someone alone...

As long as my son and I are at home, of course it's okay, but right now I just
Please come in!

Okay, then I'll
fight!

Great, the plan
went
smoothly, just
like Weide...:

A close-up photograph of a woman with dark hair pulled back, wearing large, dark-rimmed glasses and a white collared shirt. She is looking slightly to her left with a thoughtful expression, her right hand raised near her chin. The background is blurred, suggesting an indoor setting with windows.

Weiwei took advantage of the opportunity when the pregnant woman had just been put on and the people in Pili hadn't fully grasped her information...

Otherwise, a reason as simple as maintenance of electrical appliances may not be able to get past the other party once they become familiar with the original owner's life!

The person's
identity, as well
as his
connection with
the traitor!

Of course, it would be
even better if we could
find a way to restore
the skin and rescue the
mother and son!

This person in human skin is simply a stranger. We don't know anything about wearing a pregnancy, and we don't have any information at all...

Under such circumstances, one can only act randomly! What kind of information does he have?

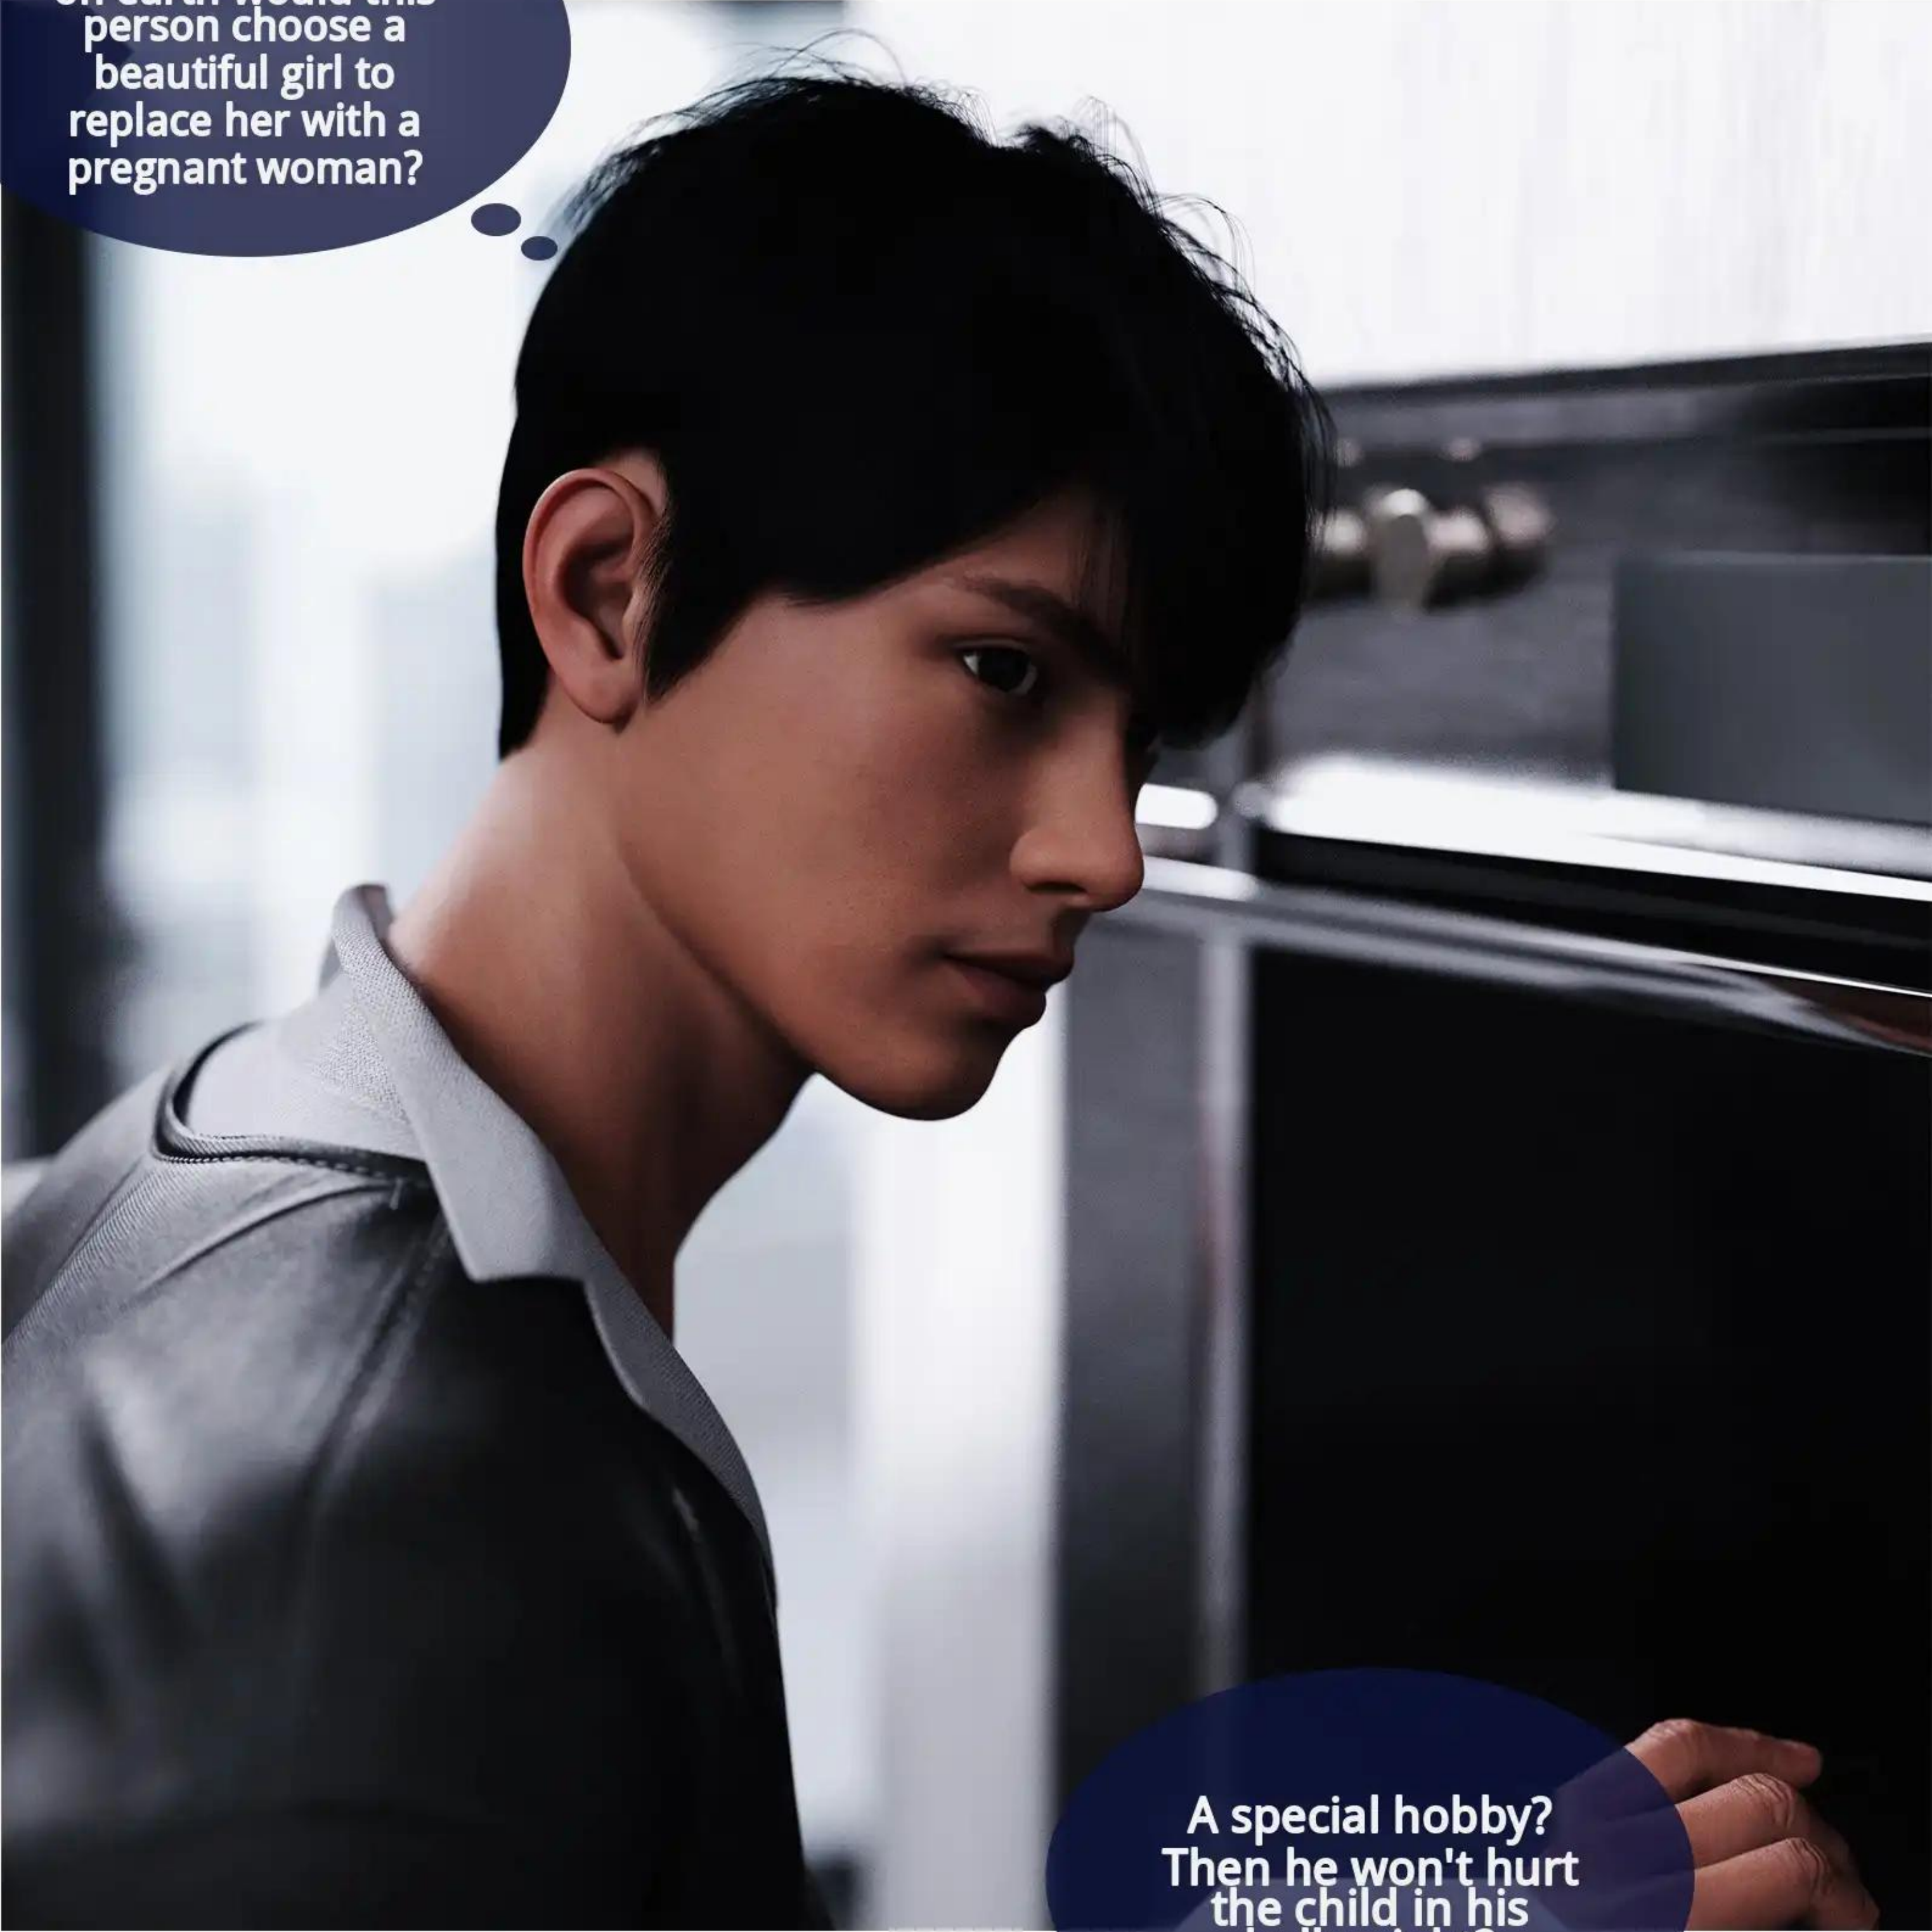

**, if there is any problem
in the process, I will start
the kitchen maintenance
first and then let you
know.**

A man with dark hair, wearing a dark grey sweater over a light-colored collared shirt, is seen from the side, looking towards a black oven. The oven has a digital display and several knobs. The background is a bright, slightly blurred kitchen area with a window.

....He shouldn't be paying attention to me, right? There's nothing about me that would make anyone suspicious, right?

If any part of my original appearance is exposed, then I can contact them, in case it goes bad! I have to be careful...

A young man with dark hair, wearing a grey jacket over a white collared shirt, is shown in profile, looking towards the right. He is in a kitchen, with a dark oven visible in the background. The lighting is soft and natural, suggesting a window nearby. The overall mood is contemplative.

But then again, why
on earth would this
person choose a
beautiful girl to
replace her with a
pregnant woman?

A special hobby?
Then he won't hurt
the child in his
belly, right?

A woman with long dark hair, wearing a light-colored, sleeveless top, is sitting on a wooden chair with a dark seat cushion, viewed from behind. She is seated at a white dining table. In the background, a young boy in a grey t-shirt is sitting at the same table, looking down at a plate of food. The room has a modern aesthetic with a dark grey bookshelf filled with books and decorative objects. The floor is dark with white grid lines.

Well...there is nothing wrong with the current observation. The child did not cry anymore, but was eating obediently..."

Originally, he was so concerned that he would completely ignore the child, but he didn't expect to prepare food. Instead, people became more and more confused...".

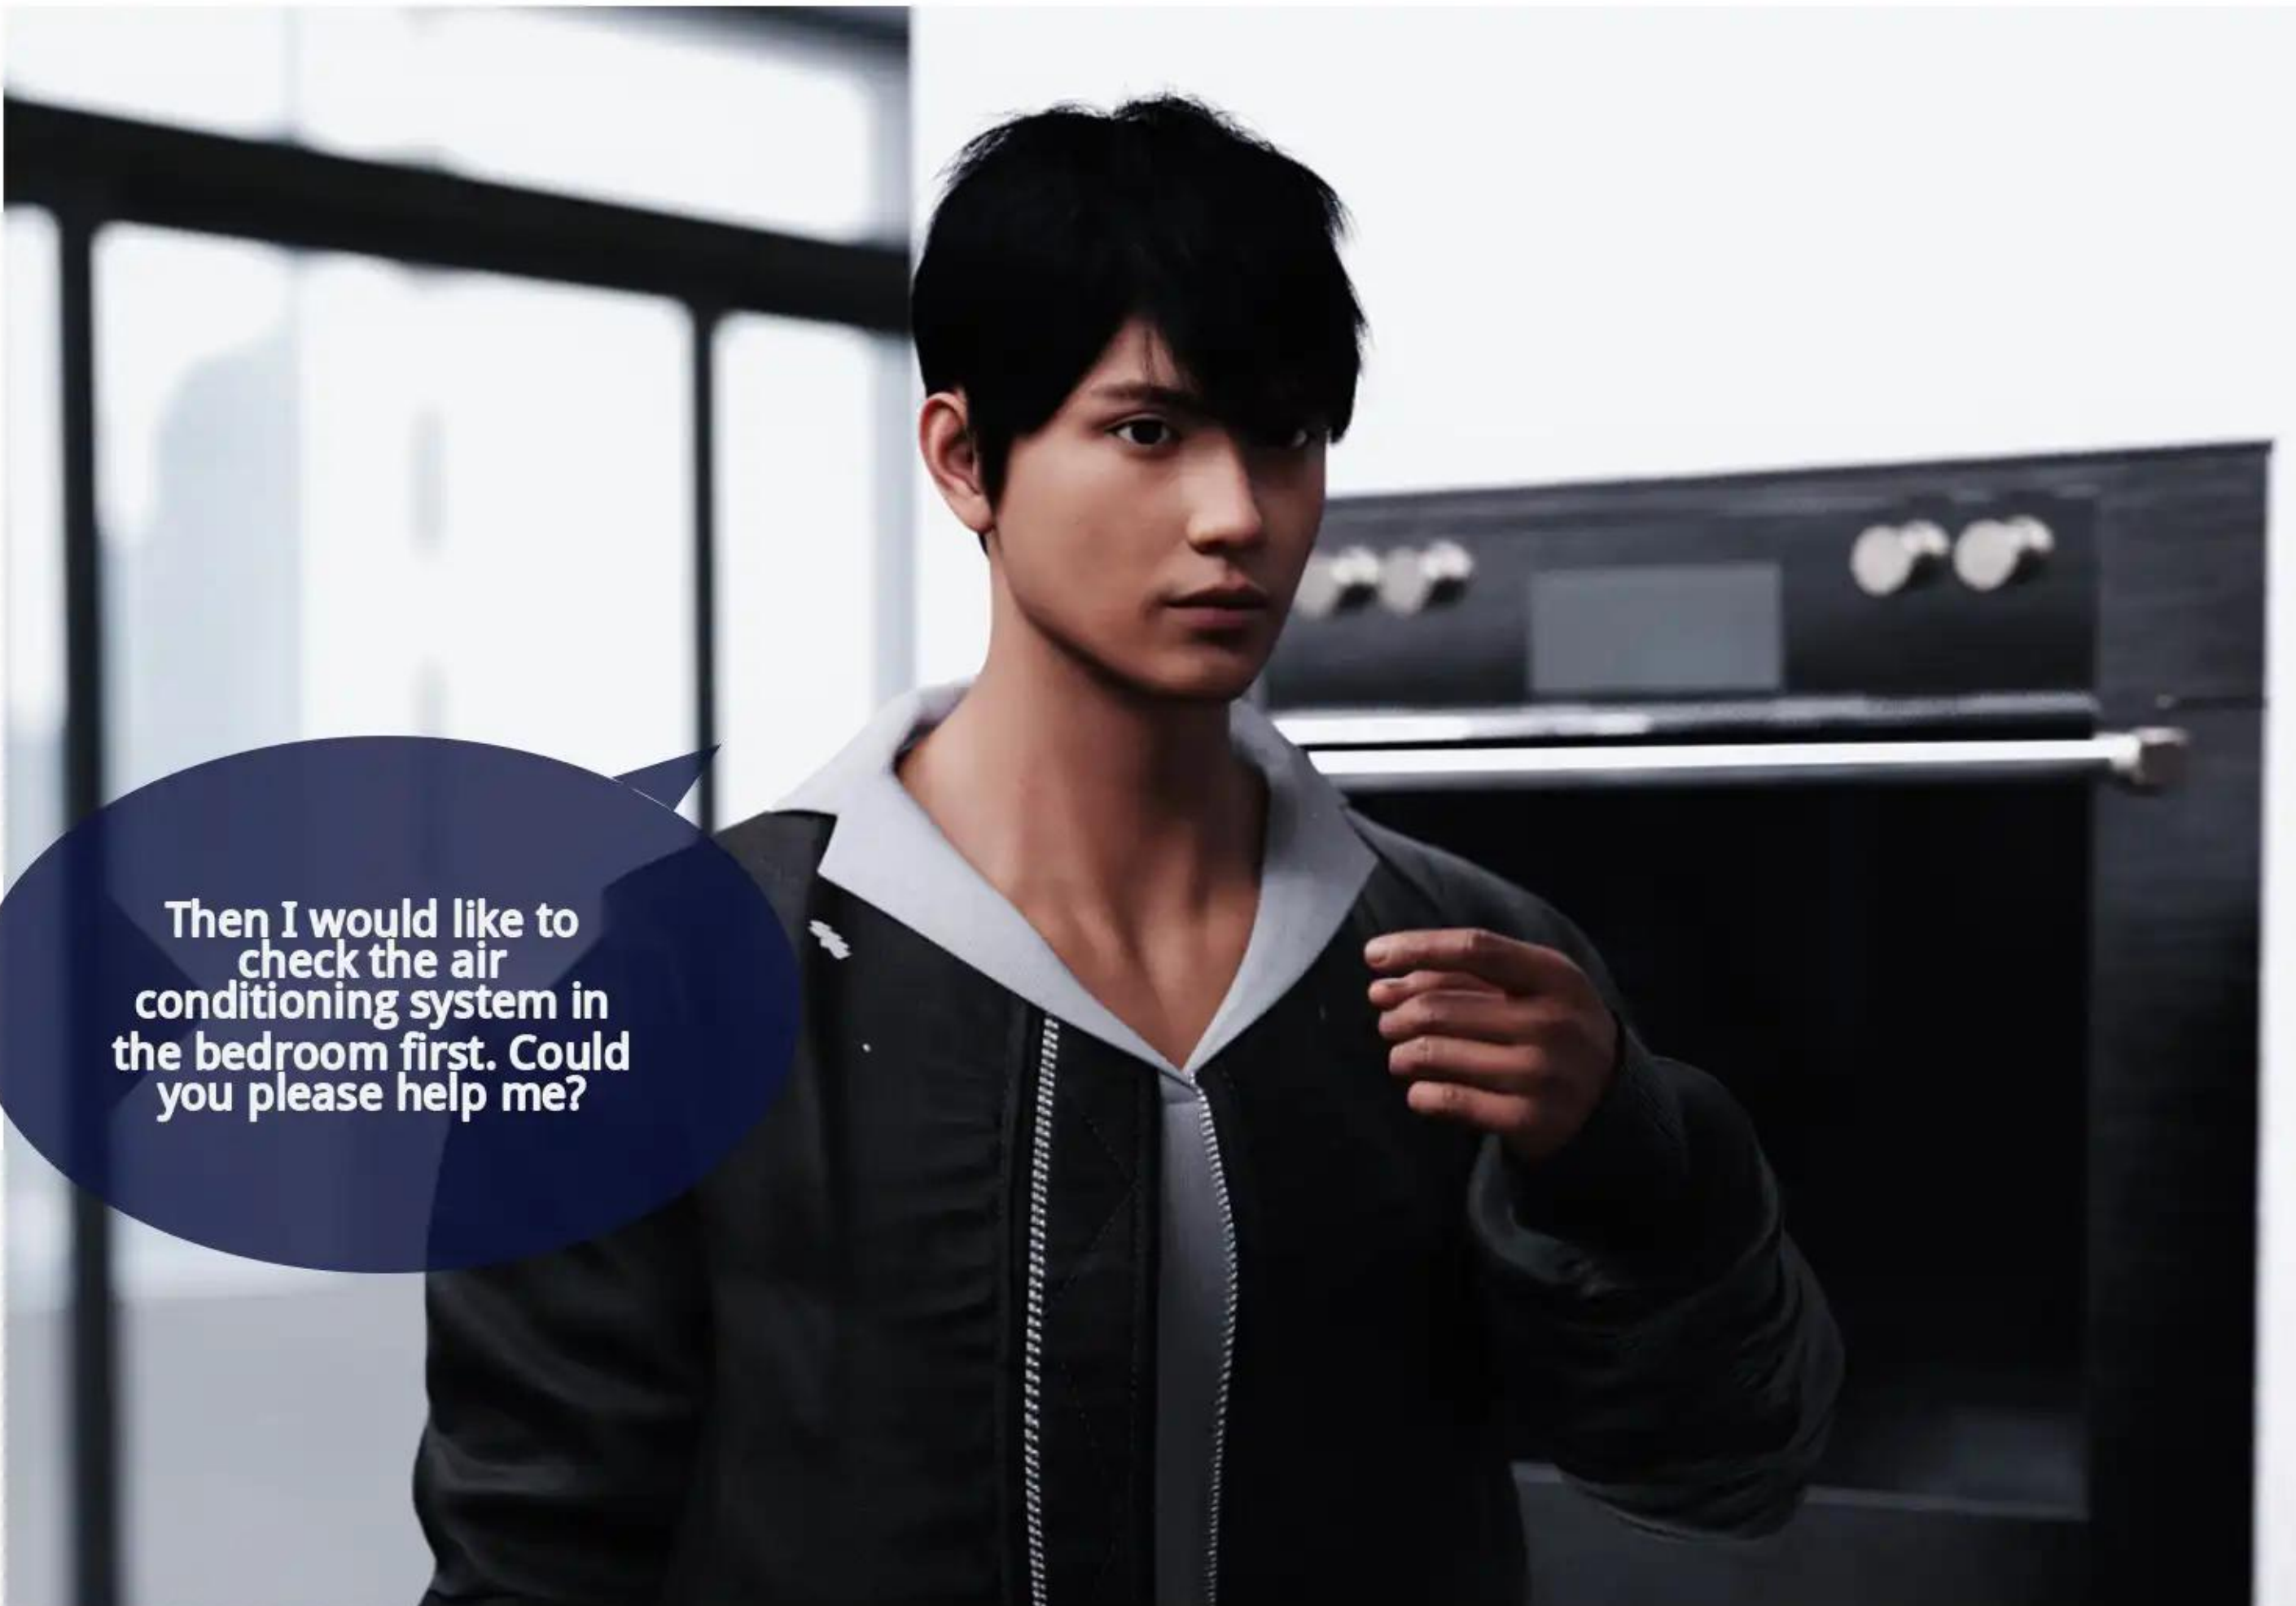

Wow, my sight is so hot
right now! There's
nothing we can do about
it, haha, what a young
and beautiful mother
came from behind me!

Now that your eyes are
open, it should be easy
to look at this guy and
be reluctant to move,
hehe! Find a reason to
take him to bed,

, so far it seems that there are no questions about the kitchen equipment and have been checked, so you can rest assured..."

Then I would like to check the air conditioning system in the bedroom first. Could you please help me?

A pregnant woman with long dark hair, wearing a light pink, form-fitting, short-sleeved dress and high-heeled shoes, stands in a modern kitchen. She is looking towards the camera with a slight smile. Behind her, a man with dark hair, wearing a black jacket with a white collar and black pants, stands looking at her. The kitchen features white cabinetry, a black oven, and a dark tiled floor with a white grid pattern. A speech bubble is positioned above the woman, and another is in the bottom left corner.

Of course, as for the
bedroom...here!
Please come with
me!

I want to invite you to
a problematic place.
There is another one
in the bedroom, take
a look, hehe!

A photograph of a bedroom. In the foreground, there is a dark, tufted ottoman. Behind it is a bed with white linens. The room has a dark carpet and a dark headboard. A dark blue speech bubble is overlaid on the top left.

This is your
master
yes? bedroom

A close-up photograph of a man with dark hair, wearing a dark suit jacket with a white collar. He is looking slightly to the left with a serious expression. A dark blue speech bubble is overlaid on the right side.

So what do you
want me to
check?

In fact, I wasn't in the bedroom just now, haha, little brother, don't be so impatient! This thing of mine is only here now..."

, I would like to ask you to carefully examine this in depth, that is...

...It's
me!

ah! This, this lady,
what are you
doing?

A man and a woman are shown in a close embrace. The woman, on the left, has long dark hair and is wearing a light-colored, possibly pink or peach, dress. The man, on the right, has dark hair and is wearing a dark jacket with a light-colored collar. He is looking towards the woman, and she is looking towards him. The background is dark and out of focus, with some lights visible. A speech bubble is positioned in the upper left corner, containing text.

How? Do you think you won't be caught peeking at others?

There will be times when the streets are turbulent, and it's no wonder that you don't care. Young people are full of blood, so it's inevitable, isn't it?

Come, Auntie, take a look, what good things are hidden under you?

What about the West?

Wait, wait a minute, where are your hands touching?

I, what should I do now? Is this person interested in me and wants to have sex with me? !

That's great!

People who sneak in easily can't just leave immediately. If I refuse now, I will definitely come back empty-handed!

Why, could it be because I'm pregnant now? Are you being suspicious of Home? me?

But look at my full butt, it's not what those little girls outside can compare to!

Due to the pregnancy, the butt looks really good, maybe because it's round and plump, it's really good... Wow!

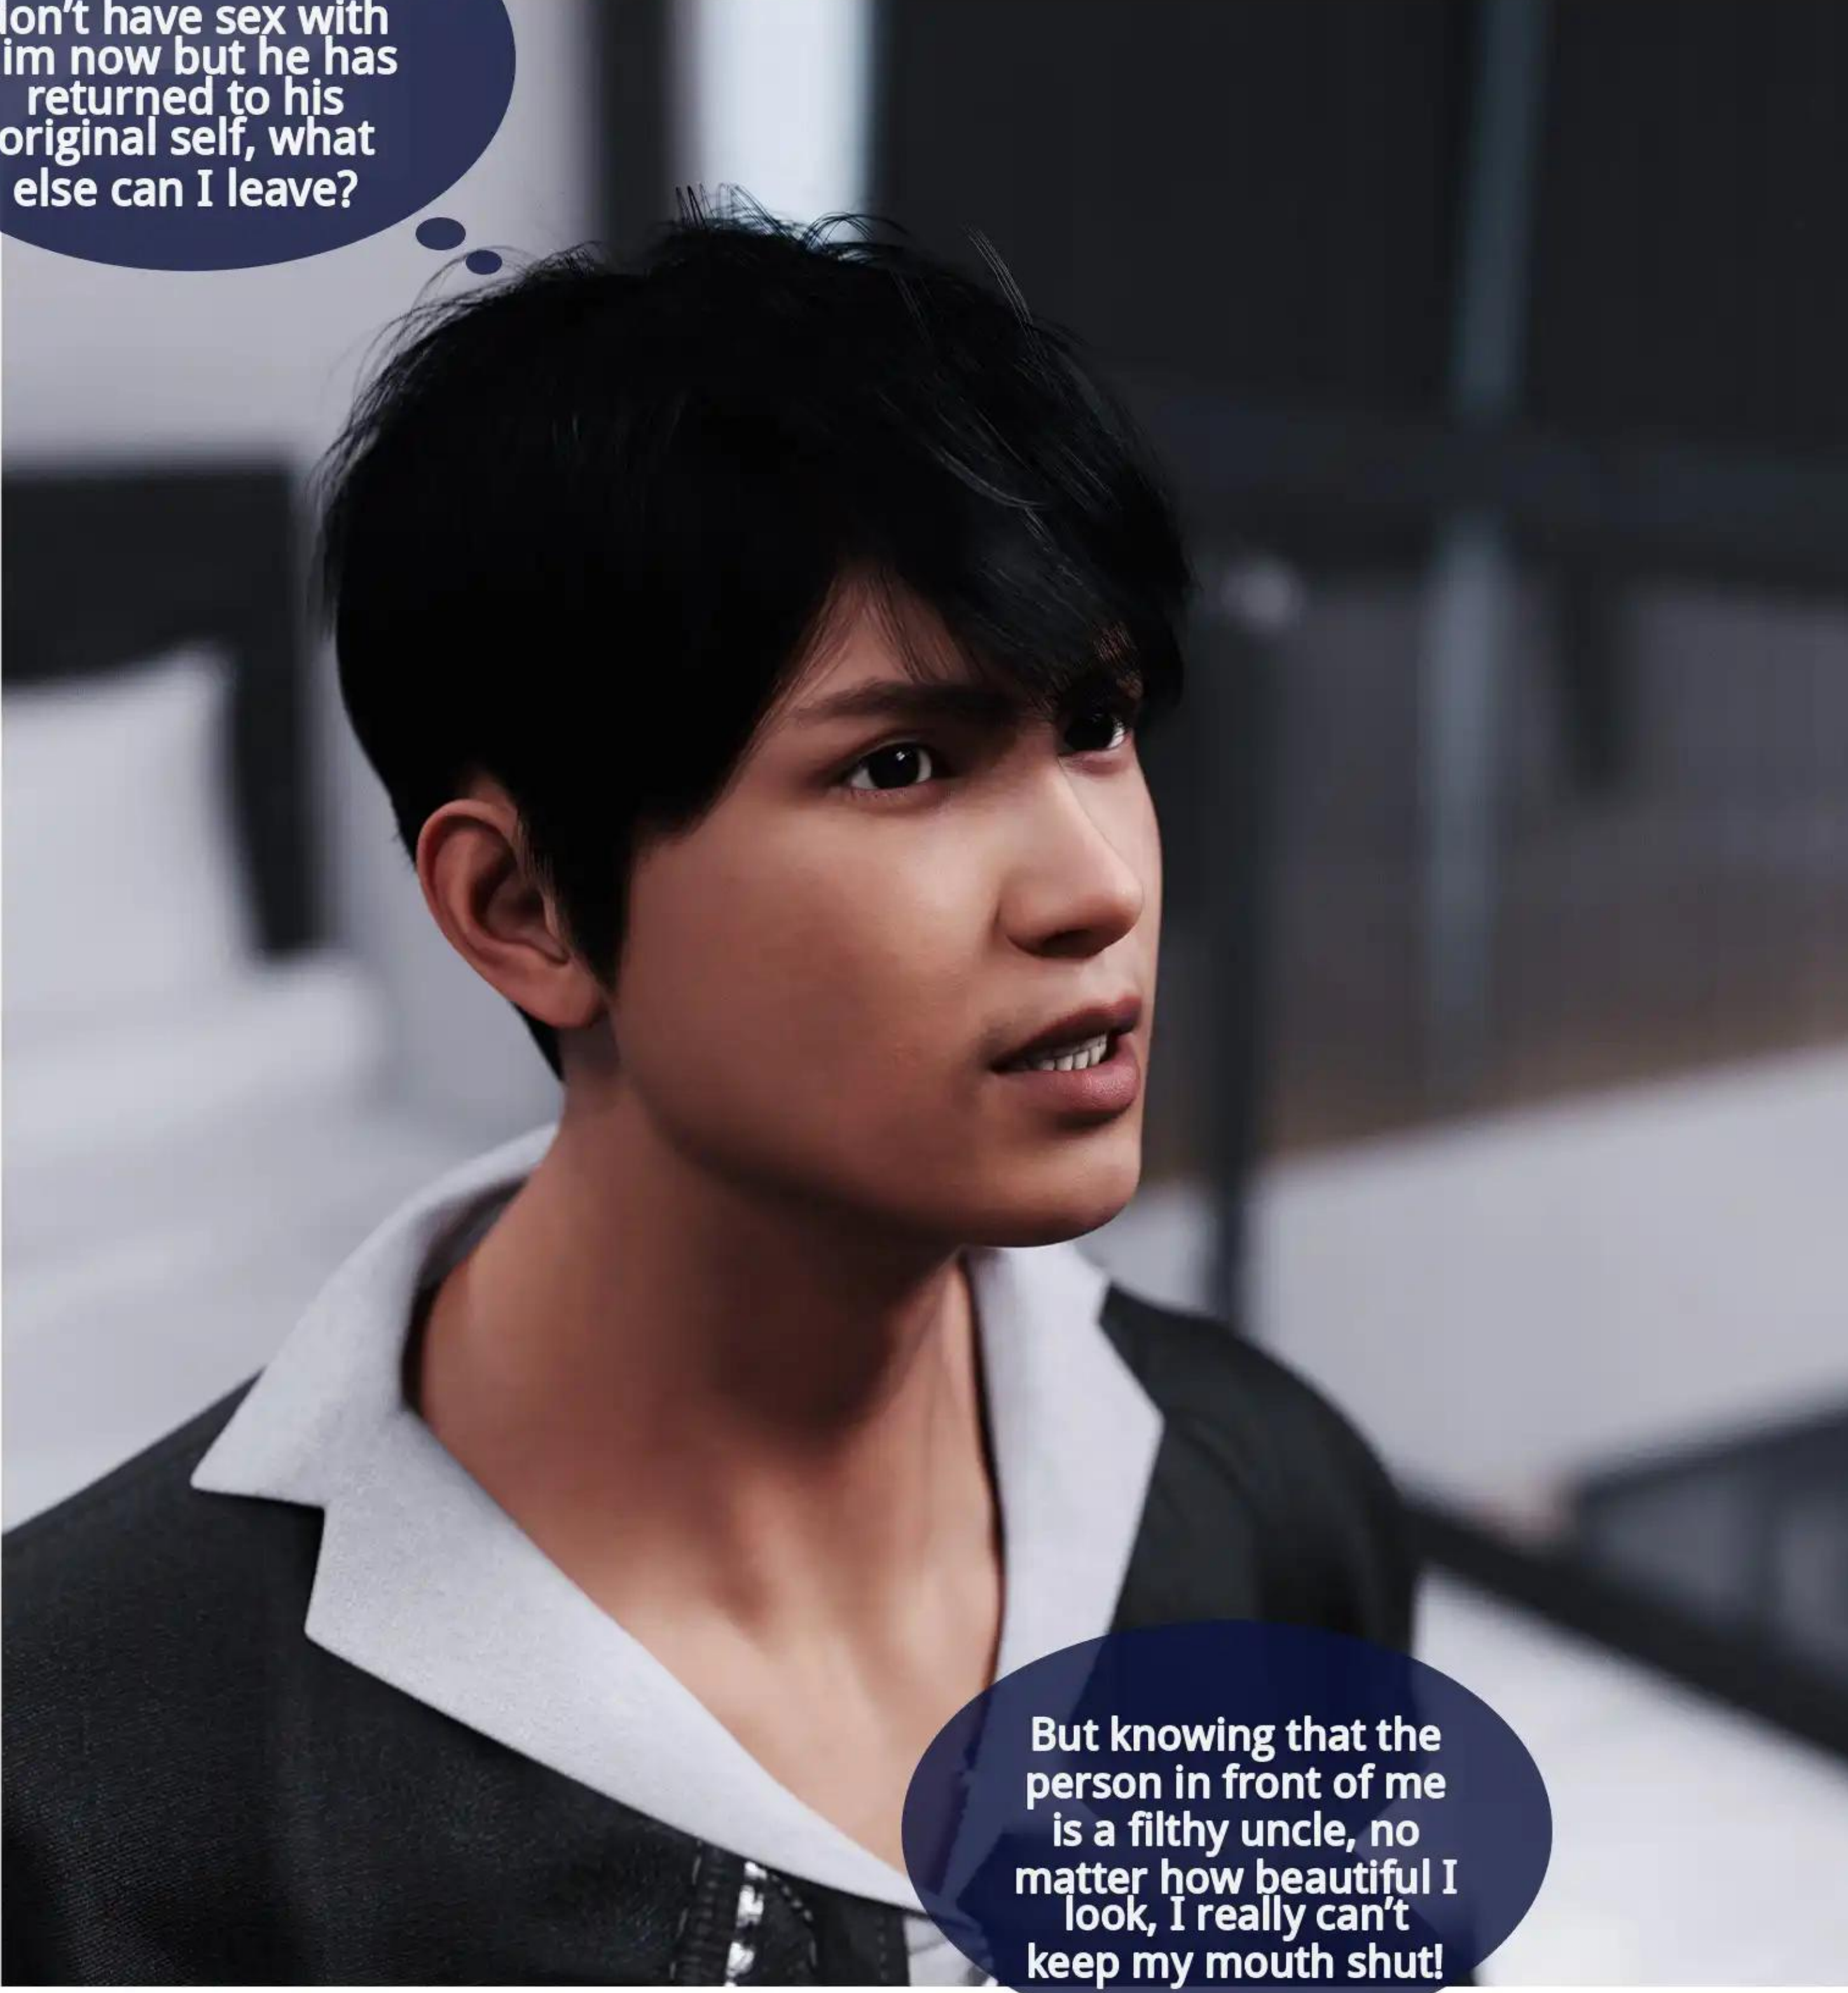

I was seduced by her beauty, knowing that the beautiful pregnant woman in front of me was not good inside, how could I be fooled by the fact that she might be a perverted uncle!

really! After activating the ability, you can see the person inside the human skin!

Hiss...seeing his serious mouth, now there is no evil thought at all!

The question is, if I don't have sex with him now but he has returned to his original self, what else can I leave?

But knowing that the person in front of me is a filthy uncle, no matter how beautiful I look, I really can't keep my mouth shut!

But the eldest sister is still waiting for me to speak. The eldest sister will always be saved by a man who pretends to be a man if I don't work hard!

Keep an eye on me... If I don't allow it, even my second sister might be allowed to do this!

A man with a mustache and a woman in the background. The man is in the foreground, shirtless, with his hand near his chin, looking slightly to the right with a thoughtful expression. The woman is in the background, out of focus, with her hand near her mouth. The background is a blurred indoor setting.

However, at least it won't be worse than being corrected. It's not like I'm a man without being a man!
The anti-Mr. Gao blowback was returned!

I have to get an erection quickly. For the sake of my sister, I must not show my nakedness!

Wow, little brother,
you are also very
sexy down there. It
seems like it will
definitely make
Auntie happy, right?

erection

Look, you're so
hard. Come on,
auntie, help you
relax!

And you are still pregnant and the child is still outside, and this, this lady, yours, does it really matter?

It's too unsentimental! Since it gave me an idea...but you mentioned the child, oh, you called me Mrs.

Of course we are probably about the same age, but I think you call her "Mommy"!

Considering the hard work of pregnancy, a good son will satisfy mommy's request, right?

I...I
know,
Mom...Mommy...

Say hello to your younger
brother and sister, be
good, come here to meet
your younger brother,
but you are waiting for
you to come in with your
big cock!

Damn...this is such a weird hobby! But this just gave me the opportunity to explore the condition of the fetus in her belly...:

, can the fetus still survive? Even if a pregnant woman is turned into human skin, she can feel the fetal movement inside. This is amazing!

Your younger siblings?
Mommy, hehe, my
good son feels so
happy about this!

Insert your wife's big
cock to accompany the
baby. In order not to
cause the baby to feel
lonely, I need to get him
quickly, how about you?

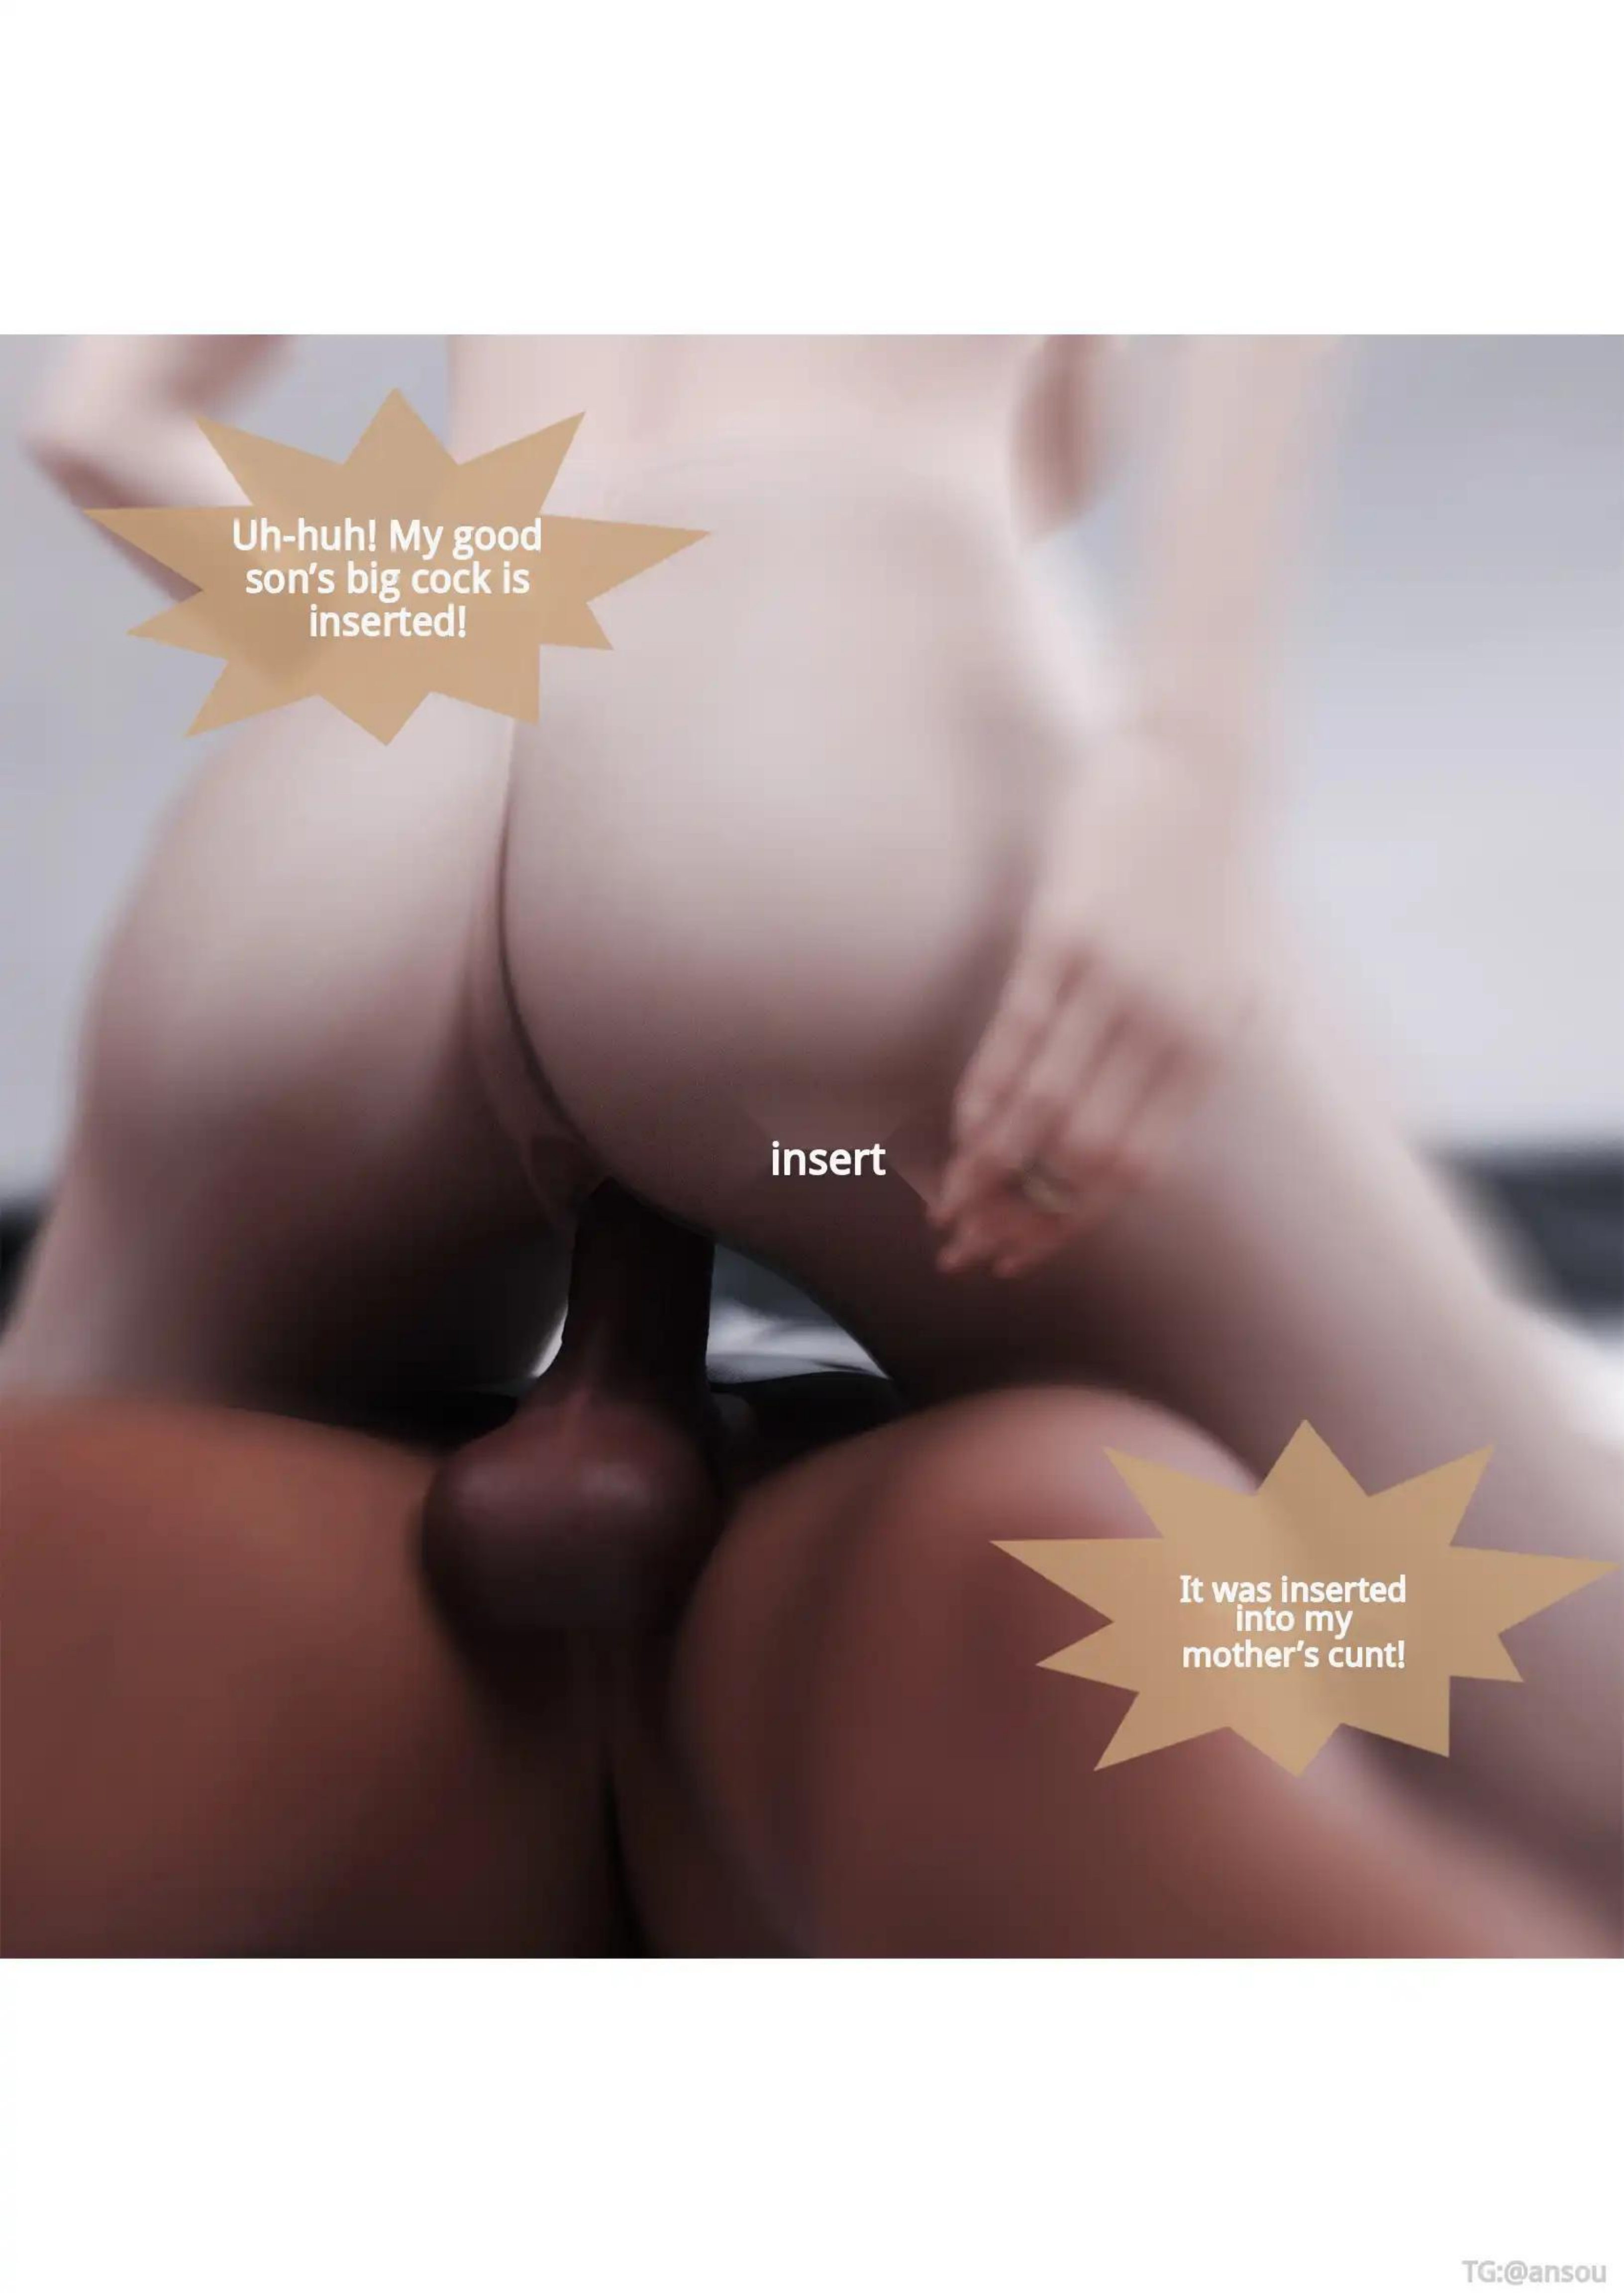

Phew... I didn't expect
that I would actually have
to use a girl's body to
have sex with a man for
real!

, but I feel so happy
when I think that I am
pretending to be a
promiscuous mother
even though I have no
interest in men!

My lower body, and my pussy also expects me to feel the hot temperature of his cock, which is pressing against mine, waiting for its insertion!

Love, I can finally feel the pleasure of a female body that is full of fear and excitement!

Uh-huh! My good
son's big cock is
inserted!

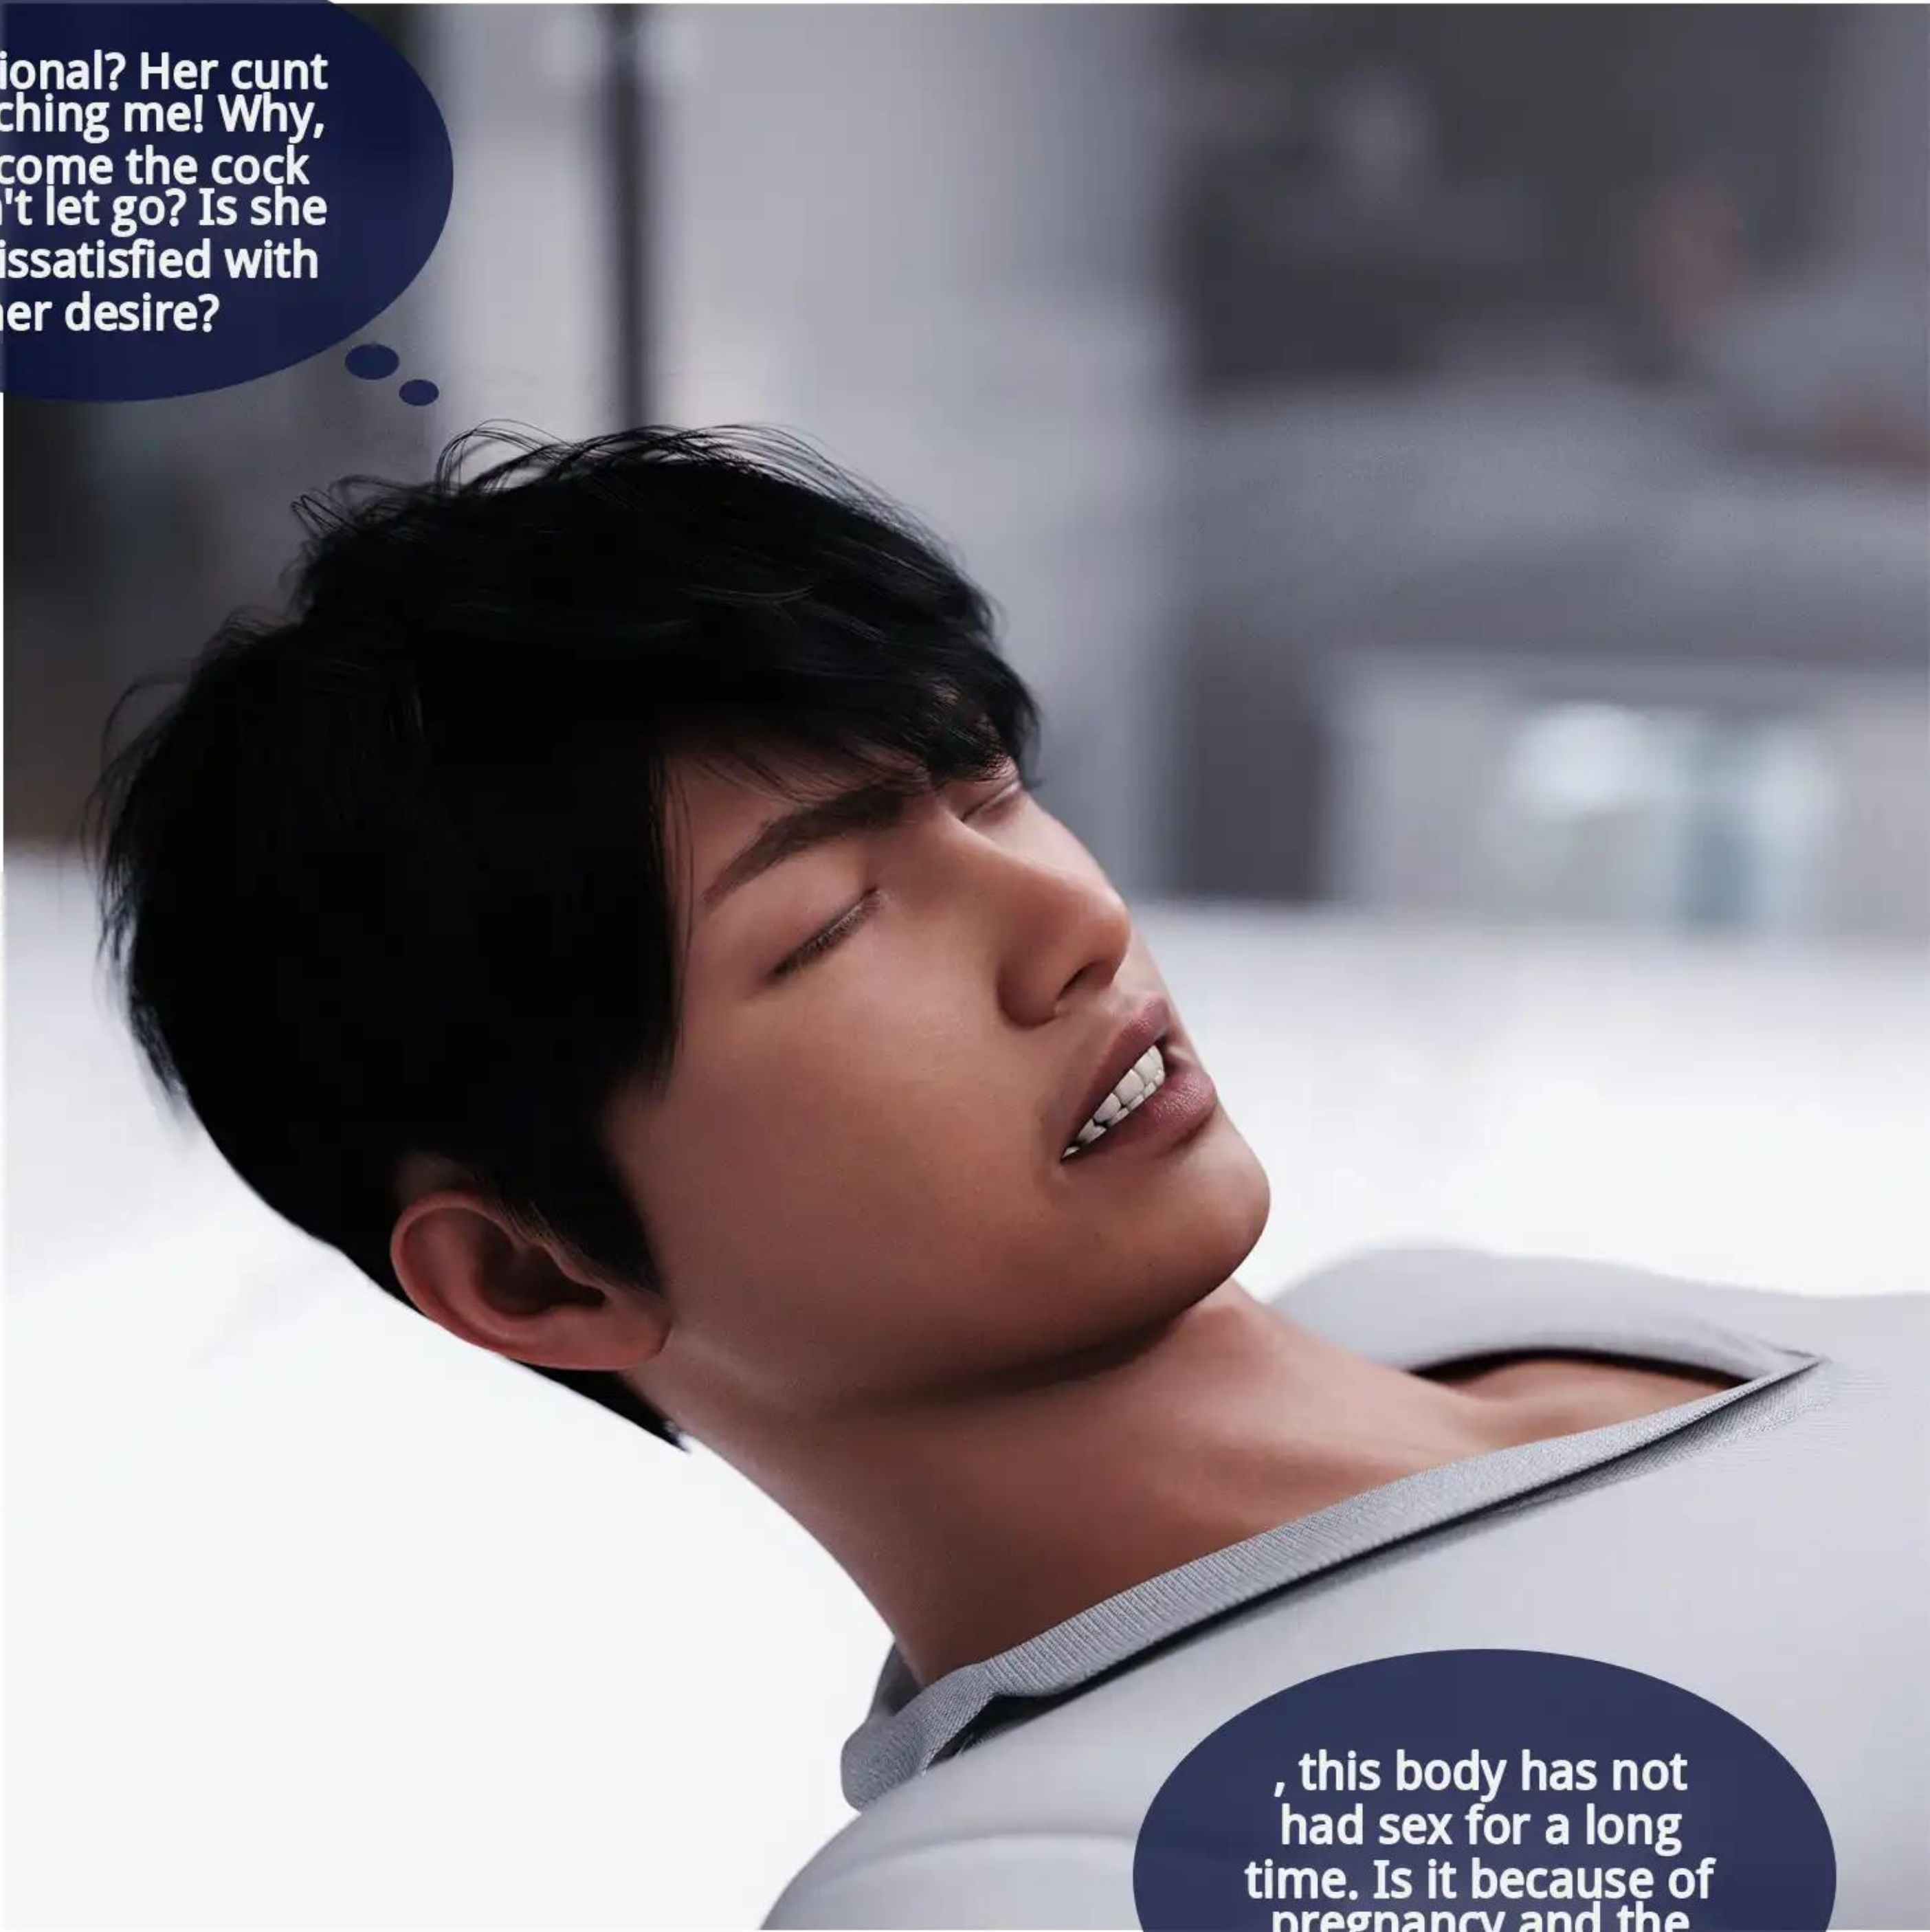

insert

It was inserted
into my
mother's cunt!

There is something deep in the body that cannot be satisfied! So this is what it feels like for a girl to be fucked by a cock? He was constantly hit by the street!

This body is eager for the other person's penetration, and the pussy is constantly being squeezed by itself. It feels so good! And I can even feel:

A close-up photograph of a man with dark hair lying down, his head tilted back and eyes closed. He has a pained or frustrated expression. A dark blue thought bubble is positioned above his head, containing text. The background is a blurred indoor setting.

Traditional? Her cunt is touching me! Why, how come the cock doesn't let go? Is she just dissatisfied with her desire?

, this body has not had sex for a long time. Is it because of pregnancy and the influence of hormones? Ah hiss!

It's so good, Han De's mother, oh! My good son's pussy feels so good and comfortable!

bang
bang
bang !

Come on, go deeper, use your big cock to make mommy feel comfortable!

Your cock has
become even
bigger inside my
body. Isn't
Mommy's pussy
great?

Bang bang
bang!

Look at how
much my pussy
is sucked and
filled with
pussy. Isn't it
emotional?

A woman with short brown hair, wearing a red thong, is riding a man on a bed. The man is lying on his back, wearing a grey t-shirt, and has his eyes closed. The woman is facing away from the camera, and her hands are on the man's shoulders. The scene is set in a bedroom with a white bedsheet and a dark headboard.

Slow down, if you
keep doing this,
ugh! You, please,
I will cum...

It's not cool yet, I
can't cum yet~
No, it's someone
else's cum!

The cock penetrates deeper and deeper, but my body cannot press down anymore, ahh! The weight of my pregnant belly made me so happy that I almost ran out of energy. ...

Love, that kind of unparalleled happiness, especially using my identity as a mother to feel blessed, makes me feel like I am about to
It's a climax!

Then my dear good son,
get ready to have the
most exciting orgasm
with mommy, hehe!
