

Now you won't even believe that you are a man, right?

I didn't expect that after putting this thing on, my lower body would actually become exactly like a woman's, even my sex.....

□□□□□,□□□□□□□□□□□□□□□□.
Feeling empty below
There is Xuni

So soft and tender...it's obviously just a prop, but it's so lifelike, and I can feel the pleasure when I touch my lower body...

Am I really going to completely become a woman? She turned into a woman who was so weak that she could be pushed down and yet still be fucked by others casually.

Just touch it and get familiar with it, do you like it? This false vagina will become part of your body from now on.

Don't underestimate this thing, it not only allows you to pretend to be more like a woman, but also allows you to fully experience the pleasure of women.

I just want to check this thing, why can't I stop? I'm such a horny bitch!

It's so comfortable...it fits this inner hole...my vagina is also so comfortable! It's so hot and humid inside! It was so good that I almost couldn't stand upright!

Hmm...hmmmm,
that's great! What
does this feel like?

I can't stand it
anymore! A woman's
pleasure is wonderful!
So wanting more! Oh,
oh, ah, it feels so good!

It didn't take long for them to start picking up S. As long as they gave me a certain amount of money, I could have sex with the escort girl.

The store even had a room specially prepared for this purpose, and I also welcomed the first customer who specifically wanted my sexual services.....

Hello, little beauty, I have been your pussy every night since we last met. Fortunately, you are picking up S. I am so happy.

Please...please give me more advice. This is my first time picking up S. Please forgive me for any shortcomings. I...I will Work hard!

Damn it! If you dare to ask me to have this kind of attitude, in the past, I could kill this skinny monkey with one punch.

Your voice is so small. Are you shy?
You're so cute.
Brother, I'll have to work harder later and fuck you until you scream loudly.

Little sister, your skin is so good and your butt is so elastic. Is this really the first time for this sexy body? Not human, right?

Yeah! Guest...Guest,
please slow down...This
is really my first time
picking up S. I don't
know what to do.
Please...please teach
me.

After their "employee
training" again and
again, I can now say
these words casually.
How can I be like a
man like this?

Why do guests visit so many people? We all need to have a frank relationship with each other. Just call me brother. You see, brother. big cock,

You're so hard when I touch you, come on! Sit on my brother's lap, I already want to taste you!

This is your first time picking up S, but it shouldn't be your first time having sex, right? Do you have a boyfriend? He must be harmless to me, right?

Brother, I promise to make you more comfortable. Be good, spread your legs wider, and use my big cock to check your hole.

Oh ah ah ah ah ah ah ah
ah ah ah ah ah ah...
insert it in! What a
gathering! Little sister,
are you a virgin?

Your cock will be
so gray that you
can't even move
it! Oh oh oh so
cool! Brother is
here to help you
break it!

Uh-huh! Brother,
slow down!
Uh-oh... Uh-huh,
so fierce! I can't
stand it!

I'm going to be
fucked until I can't
stand it! Ohhh...
it's so... so intense!

So comfortable!
The big cock
makes me feel so
good! Don't stop!

Mmm...ahhhh it
feels so good! I feel
so happy! It feels so
good to be fucked!

You are really good at barking. It seems that you have been taught well. No one will be disappointed in your store. I am so happy to raise my butt!

My pussy has been fucked to the point where it can't be closed. Are you comfortable with my brother's big cock?
Still miss me
Keep fucking you?

If you want, raise your butt higher and seduce me like a bitch. It must be hard for you not to be fucked by a cock, right?

Okay, okay, since this is your first time with S, I won't bully you. I actually endured it until my cock almost exploded.

The little beauty has a real butt! Just by rubbing it, I got harder again, let's keep having fun, haha!

Yeah, brother... my cock is so good! My pussy can't hold it anymore, please fuck me, brother, come in quickly
Please satisfy me!

I really want...I really want to be fucked by my brother! I really want to be filled up with cock! Please, brother!

Oh ah ah I can't
stand it anymore!
Give me your
cock quickly!

Is this a woman's
pleasure? It's so
terrible that I can't
hold it any longer! I
have been trained in
various ways before,
but now I can't resist
the desire at all!

Oh ah ah so intense!
To... to be fucked! I'm
going to be fucked badly
by my brother's big
cock!

Bang bang
bang!

How could it
be so cool?
How harmful!
Oh...ohhhhhhhhhh,
harder!

Hold! Damn
you Han, you
slut! Oh ah ah
So wet!

The little bitch
really deserves a
fuck! Watch me
fuck you little bitch
in heat!

I can't do it anymore...
I'm going to be
completely immersed in
female desires. I... will I
never be able to change
back to the tough guy I
used to be?

It's so comfortable... I
can't think about
anything except
wanting to be fucked.
I can't go back... I
really can't go back.....

After that sexual service, I began to frequently pick up other clients.

I completely acted as an escort girl, letting the customers have sex while at work, and then I could provide sexual services as long as I was in place.

I have accepted all kinds of guests, young and old, and there are also many second-generation rich people who look hard to describe...

I was awkward and uncomfortable at the beginning, but later I was able to please them easily, and it became so familiar to me that it was incredible.

I also gained some popularity because of this. Not only new customers, but also many repeat customers named me. I can't count how many customers I received.

Uh-huh, no... not anymore! Will...will be fucked!

Oh, ohhh... so... so fast! How harmful! Uh-huh, I can't do it!

Being pinned down by a man and being so wet by his cock that I couldn't stop moaning, I was even worse than the average woman.....

I almost couldn't feel the cock that had been on my body since I was born, as if I was a woman from the beginning and the man's self was just a dream.

How could I be a man with my legs open like this? As soon as the cock was inserted, I was so happy that I couldn't care less.

I just want to have sex... I just want to feel more pleasure... It doesn't matter if it's an ugly, fat second-generation rich man, as long as he can fuck me well.

Oh...ohhhh it feels so good! It feels so comfortable to be fucked by a cock!
Continue! I want more!

No! Push harder!
Fuck me to death!
Uh-huh...fuck me to death with your cock!

Let me do the work next,
right? You are a guest,
just sit back and let me
serve you, I will definitely
work hard
You're comfortable.

Your big cock really
fucks me so well,
um... ahhh, it's so
long and thick, it can
almost penetrate my
uterus.

Ohhhh it feels so good!
My pussy is going to be
fucked badly

ah!

I'm addicted to
being fucked by
a big cock!
Mmmhhhhhhh...so
good!

Oh...ohhhhhh I'm
going to be fucked till
I'm weak! Going crazy!
It feels so good!

Bang bang
bang!

You want...come
again...ahhhhhh,
come on, cum in
me! Fill me with
cum!

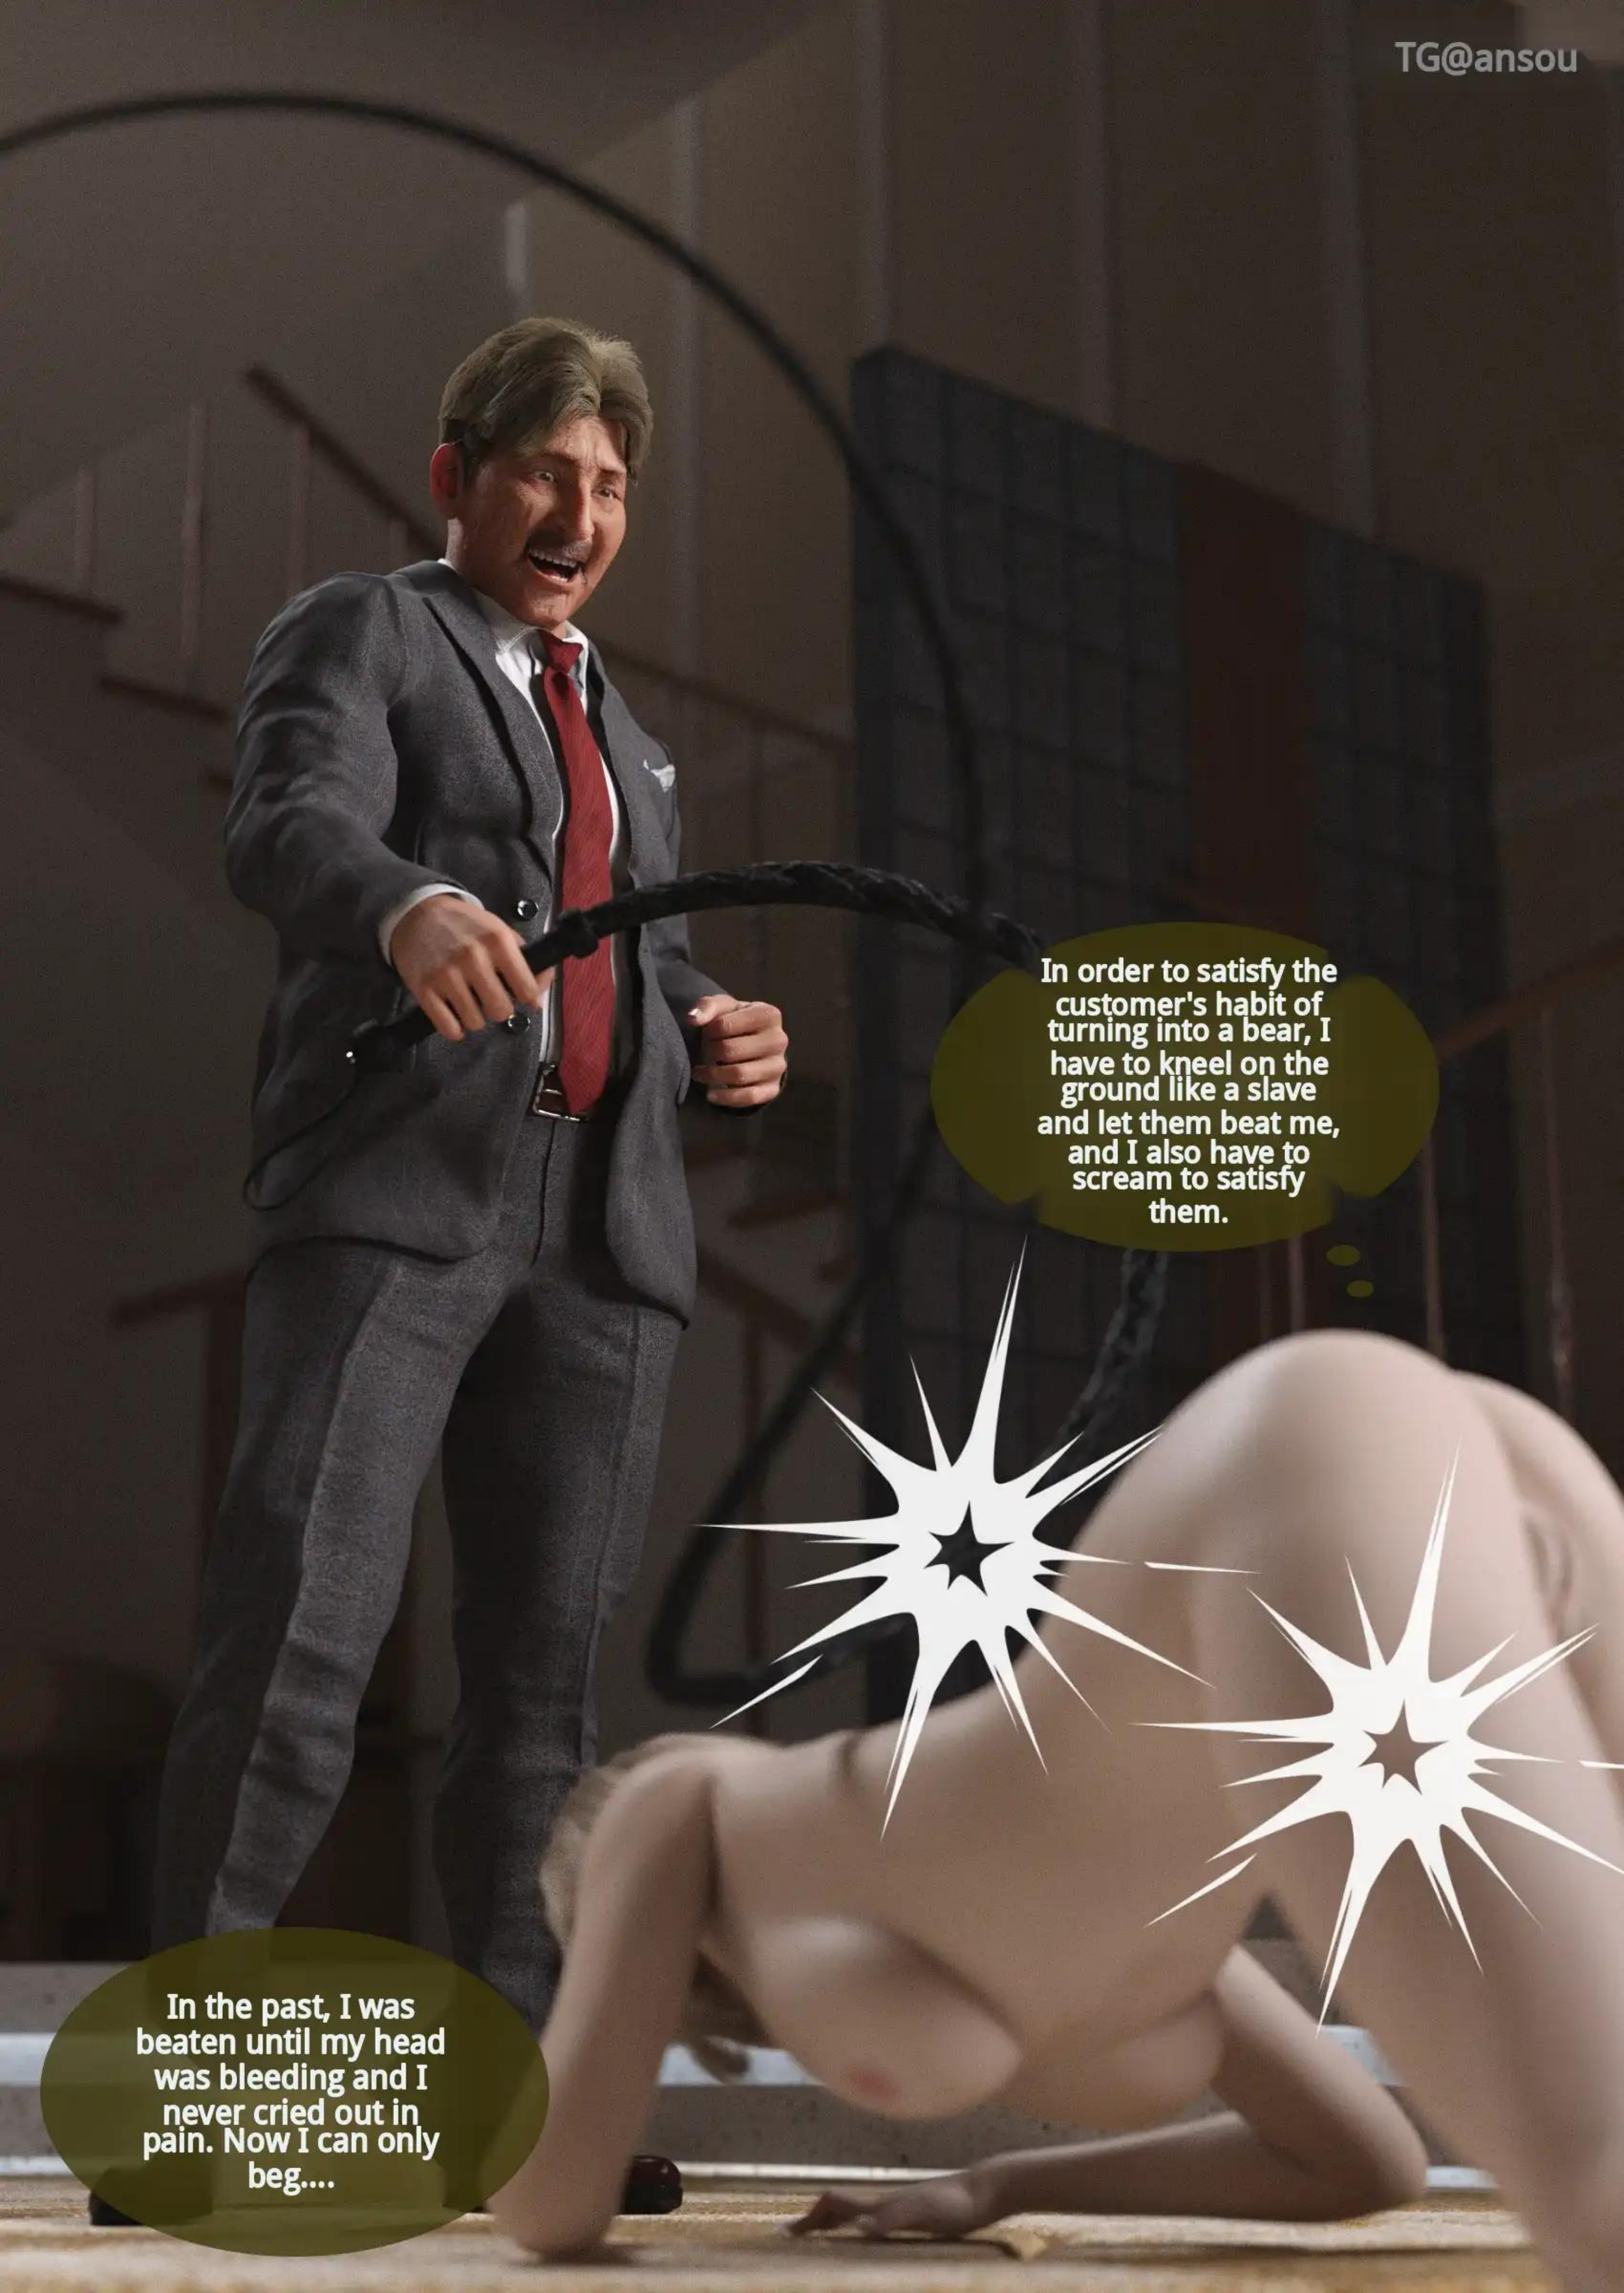

So happy... Being fucked
by a pussy turns out to be
such a happy thing... It
really feels so good! Be a
woman's treasure
So good!

I want the pleasure
of a naked woman!
Just sink in like
this...become a real
woman...I don't want
to resist anymore...

Just like that... As the number of guests I accepted increased, my reputation became greater, and I received all kinds of strange guests....

Snap!

Yeah! pain! It hurts so much...please...master, please let me go.

In order to satisfy the customer's habit of turning into a bear, I have to kneel on the ground like a slave and let them beat me, and I also have to scream to satisfy them.

In the past, I was beaten until my head was bleeding and I never cried out in pain. Now I can only beg....

Even if I am stepped on like a dog, I will always thank my master. Over time, I not only adapted to this kind of life,

As a woman, I also understand men's preferences. Regardless of their sexual preferences, I am confident that I can satisfy them.

Of course, there are customers who have sadistic tendencies, and there are also masochistic customers. Everyone's point of turning into a bear is different. I have also met people who are fascinated by Chang.

Before picking up the customer, the person asked me to put on the silk machine that had not been washed for a long time. In the past, I probably couldn't figure out how someone could spend money and be tortured.

However... the fat man who looked at my heart was fascinated by my original silk, and I actually felt proud that I was an attractive woman.

I was content with being a woman and was happy with my popularity. I seemed to no longer regard myself as a man.

How could I become like this one day? Thinking about the words that asked my son to be like a man in the past, I feel really stinging.

If I meet my son, he won't be sorry for me, right? But I also met him, and I hope AI can survive Well done....

I will probably never see my son again. After all, it is impossible for him to come to such a perverted and dangerous place. He has always been a good boy.

Unlike me, he is both sensible and motivated. He will definitely live a happy life in a place that I cannot see....

I don't know when, I completely gave up the idea of escape. I am completely accustomed to being a woman and the life here.

I also take the initiative to take care of my body and try on other hair styles and dress up my clients to keep them feeling fresh.

The notorious men in the underworld no longer exist, and instead they are found in sensual places such as
A fish in water,

Escort Girl I will probably spend the rest of my life here.....

That's how
it is

how? Isn't it a very satisfying story about an arrogant bastard getting his comeuppance? But this is reality, not a story.

Everything I just said was the personal experience of the "beautiful woman" next to me. It's wonderful and interesting, isn't it?

You...you are
human, right?
How could such
a thing happen!
That tattoo...
that tattoo...

It's fake,
right? It must
be you in me!
Hurry! It's all
fake!

Oh, Al, calm down.
It's not like you to yell like this. Don't you pay attention to politeness?

I know it's hard to accept, but you'd better come to terms with the reality quickly, that person is your dear Dad was wrong.

Not anymore! I
don't believe it! You
all are with me! I
won't believe it!

That person can't be
my dad! If he were
my dad... wouldn't I
just... ugh!

I...did I have sex
with my father?
No way... I'm
too worried...

Fake! It must
be fake! It's a
lie to sue me...
哇哇哇我.....

Hahaha! I
absolutely love
your reaction!
This is what I
want to see!

What a touching
reunion! Why don't
you, the shemale
father and son, go hug
each other?

You...what are you doing? Could it be that the girl...is AI? Is it my son? ! How could...

I actually didn't come out at all... Could it be that Alnanda was... transformed into a female just like me...

Al, aren't you happy that you haven't seen your dad for a long time? Weren't you still worried that he would get injured in a fight?

Now he is standing in front of you intact. Isn't this a good thing? Why are you so excited?

Atsu, why do you say such sarcastic words? And why are you not surprised at all? Did you already know this?

You can't do this to me, right? We are friends! Why...why does this happen?
It's something.....

Why don't you sit there all the time? Can you really not see that I have been unhappy with you for a long time?

Are you not a gifted student? The truth is right in front of you, why do you keep asking, okay, I have to be clear.

Don't you know how many people you are speaking to? If you have a good mind, you can make books and exams very easy.

I was able to get top marks in the exam even though I didn't read much. I couldn't understand how someone could study so hard and still not do well in the exam.

You don't know how to
look at people at all, and
treat those of us who
have not achieved good
results through our
efforts as
Become a
fool!

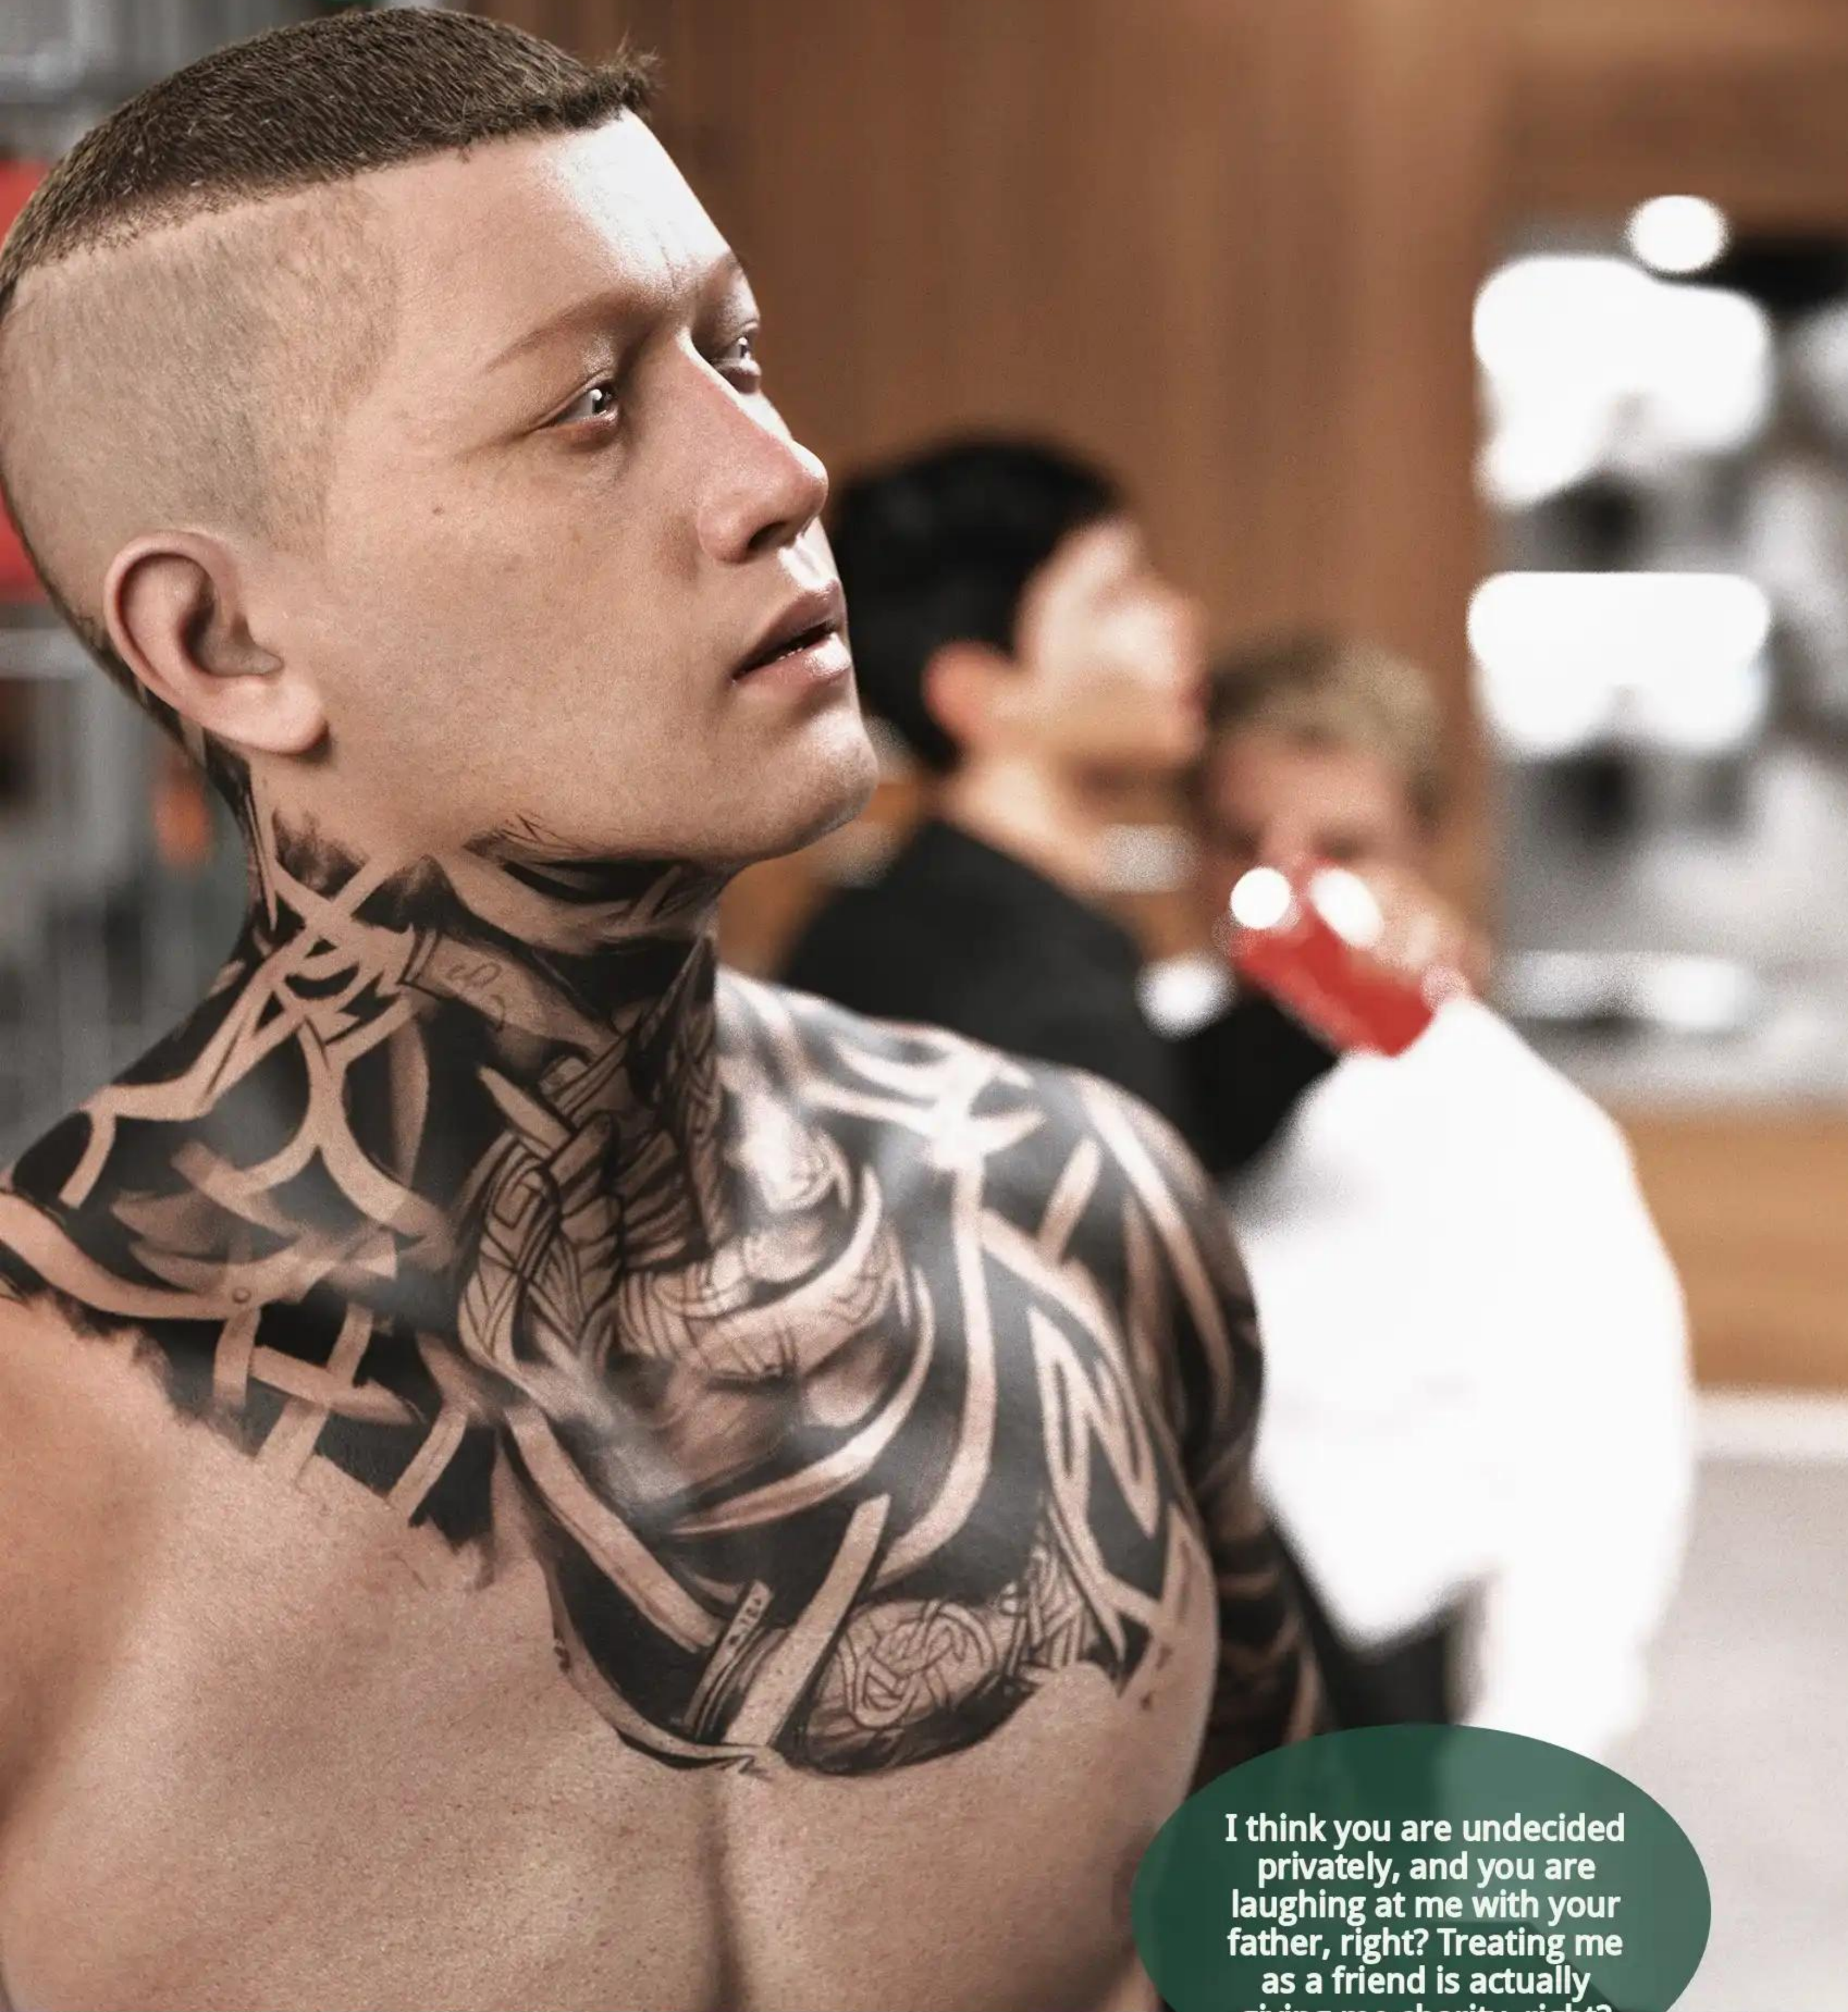

My head is not
good. What will I
do in the future?
Are you caring
about me? It's
just a joke!

Not only that, you also often make fun of my height. I am short and fat, so I am afraid I will be taller at a young age.

Under the guise of being considerate, you are actually showing off your sense of superiority. You are really infuriating!

Even your dad does the same! You are looking down on me! He humiliates me every time we meet! You father and son look down upon others!

I think you are undecided privately, and you are laughing at me with your father, right? Treating me as a friend is actually giving me charity, right?

I want to take revenge on you every moment! Fortunately, God probably can't bear to see you being so arrogant. I met you by chance.

This boss, who also had a grudge against your father, was different from your hypocrisy. He decided to help me as soon as I experienced it.

We hit it off immediately and worked out a perfect revenge plan. He was responsible for training your father, and I was responsible for leading you to sinking step by step.

In the end, you, the father and son turned into goods, have sex! Everything was perfect and smooth, hahaha!

Azin, how could you
do this to me? you
have been there
!!

I really consider
you a friend!
You...how can
you grind...

It's really noisy, you just don't want to face reality, but don't collapse too quickly, the show is not over yet.

Don't you want to know about Xiaoyi?
I ask you to see her...come in!

Coming~
coming~

Hello AI, why have you become prettier than me after not seeing me for a while? It's so beautiful that I can't even come out, haha.

Are you happy at work? It's much easier here than working outside, right? You have to thank Azinyou for pushing you here.

Xiaoyi, you...why...you
should stay away from
Ajin! He is human!

Were you brought
here by him too?
Get away from him!
He will hurt you!

Ouch, I'm going to die laughing, your brain only works normally when you're reading? Sure enough, it was the right choice to be with Azin.

I've been in love with you for a long time. I only dated you because you were relatively rich. How can you compare to Ajin?

He brought me to work here, and the work he did in one day was more than what those social beasts spent in a month! And It feels much more comfortable to have sex with him!

What...Xiaoyi, what are you doing? You...did you really betray me? And still with Azin? !

You're with me, right? Aren't we always good? Those memories of us...you...you don't even remember them?

recall? Are you one of those dates that you think is romantic but is actually boring? It's fun to be with Azin.

I saw a different world with him, and he also made me realize the joy of being a woman. Don't you know how comfortable it is to have sex with him?

How did you know that
Azin and I...were you
informed from the
beginning? I dress up
as a girl to meet you...
you all...

etc! You...what
are you doing!

What else can I do? Of course I want to do something happy. Xiaoyi often complains to me that I don't even feel happy having sex with you.

You should also take this opportunity to learn how to make women feel comfortable. Aren't you very clear? You must be able to learn it quickly, haha!

Stop it! How could you...do such a thing in front of me? !

One of you is my friend and the other is my daughter
Friend!

Do you still consider us friends and lovers? Then shouldn't you be happy that we have a good relationship? Or are you actually jealous?

It's normal for you to remember how powerful Ajin's cock is, but it's a pity that it's me who has to enjoy it now!

Haha, Xiaoyi, your mouth is still as comfortable as ever! Sure enough, it's the best to do it with you!

Al, have you never been served by Xiaoyi? She can do it That's a lot.

Uh-huh! Such a nostalgic taste!
Azin's big cock is the most delicious!

It's much better than Al's!
Uh-huh, uh-huh, so... so big! I can't swallow it!

Got it! Stop
being ridiculous!
How ridiculous!
Stop it!

You are crazy!
No more! How
could it become
like this.....

AI, are you still so selfish? You can't help your girlfriend to be happy, and you can't allow others to be happy with her either? Look how comfortable Xiaoyi is.

Doesn't loving someone mean to fulfill the other person? Just open your eyes and watch Xiaoyi's happiness
Look!

Oh, ah, Xiaoyi, your hole is still so easy to fuck no matter how Hanci it is!

It feels so good to suck my cock! Oh oh oh, Al isn't as happy as you are!

Arna couldn't compare to you before he was weak. Now that he has become such a dead demon, who is neither male nor female, how can he compare with you?

I had sex with that guy before, and I had to act to satisfy his vanity. I was exhausted! Look at my hole, only Ajin can fuck me so well!

The comfort and pleasure I had before were all yours! I'm just looking at you, and I don't want to hurt your self-confidence. You are not qualified to be a man at all.

It's a good time to become a woman, haha! Look carefully, you've never seen someone really get fucked like this, right?

Mmmmm, it feels so good!
Only with Ajin
can I experience
the happiness of
a woman!

It's not fun to do
it with you, there's
no pleasure at all!
Oh oh ok

Great!

impossible! This is not true... This is not true... My girlfriend is obviously a gentle and kind girl! How could...

My best friend and the woman I love the most are actually having sex right in front of me. This is really evil... It's impossible for such a thing to happen....

They don't take you to play in the rain. Are you lonely? Then don't hesitate to join us. You can go to your dad for comfort.

Go for it! Take him to find his father. Aren't you father and son still reminiscing about old times? There must be a lot to say
Think about it.

Ahhhhh it hurts!
What are you
doing! Don't pull
my hair! Let go!

What do you want
to do? Do not
touch me! Let go! It
hurts so much! Let
go!

Be quiet! You didn't follow the boss's orders! Don't make any resistance.

Open your mouth! If you don't want to get beaten, just be wise and come here!

Seeing such a hot scene, wouldn't you agree? Didn't you guys have a lot of fun before? Continue.

Don't be embarrassed. Isn't it right for a son to help his father feel better? You can also reacquaint yourself with the thing that gave birth to you.

Wait...wait!
Please...please wait a
moment...I haven't
figured out the situation
yet...He...this girl is really
is...

Al was actually
transformed into a
woman! How could this
happen... He is my
flesh and blood, how
could I be with him...

A man with dark hair, wearing a dark turtleneck sweater, is shown from the chest up. He is looking upwards and to the right with a serious expression. The background is dark and out of focus.

Are you trying to resist me again? If you want to be trained again, you don't have to do it. As long as you can hold on, it's up to you.

But you pretend to resist the useless thing down there, aren't you still getting hard? You can also be in heat with your own son.

No! I...how could I have an erection in front of my son? No Al! I didn't...that's not the case...

How will my son treat me now? My image in his mind was completely ruined! I really didn't face him anymore.

Am I going to be
forced to have sex with
my son? And I also feel
like, am I falling out?
Yeah.....
