You can also touch my breast if you want!

*Awesome!*

I'm touching real breasts for the first time!

I'm in heaven..

Can I grab your ass?

Go for it!

Dude, You're the best!

Take it easy buddy, I have a little show for you. Wanna see it now?

Yes, please!

*Please take a seat, you're about to experience  
the best live show in your life*

A 3D rendered scene showing a woman with long dark hair and bangs, sitting on a wooden floor. She is looking towards the right. A hand with a silver watch is visible in the foreground, resting on a person's leg. A speech bubble points from the woman to the text.

I know I'm not a real girl but I hope you still enjoy this

Bro, this is the best gift I have ever received!

*You can take your cock out and stroke it  
while you watching.. I won't mind*

If you say so..

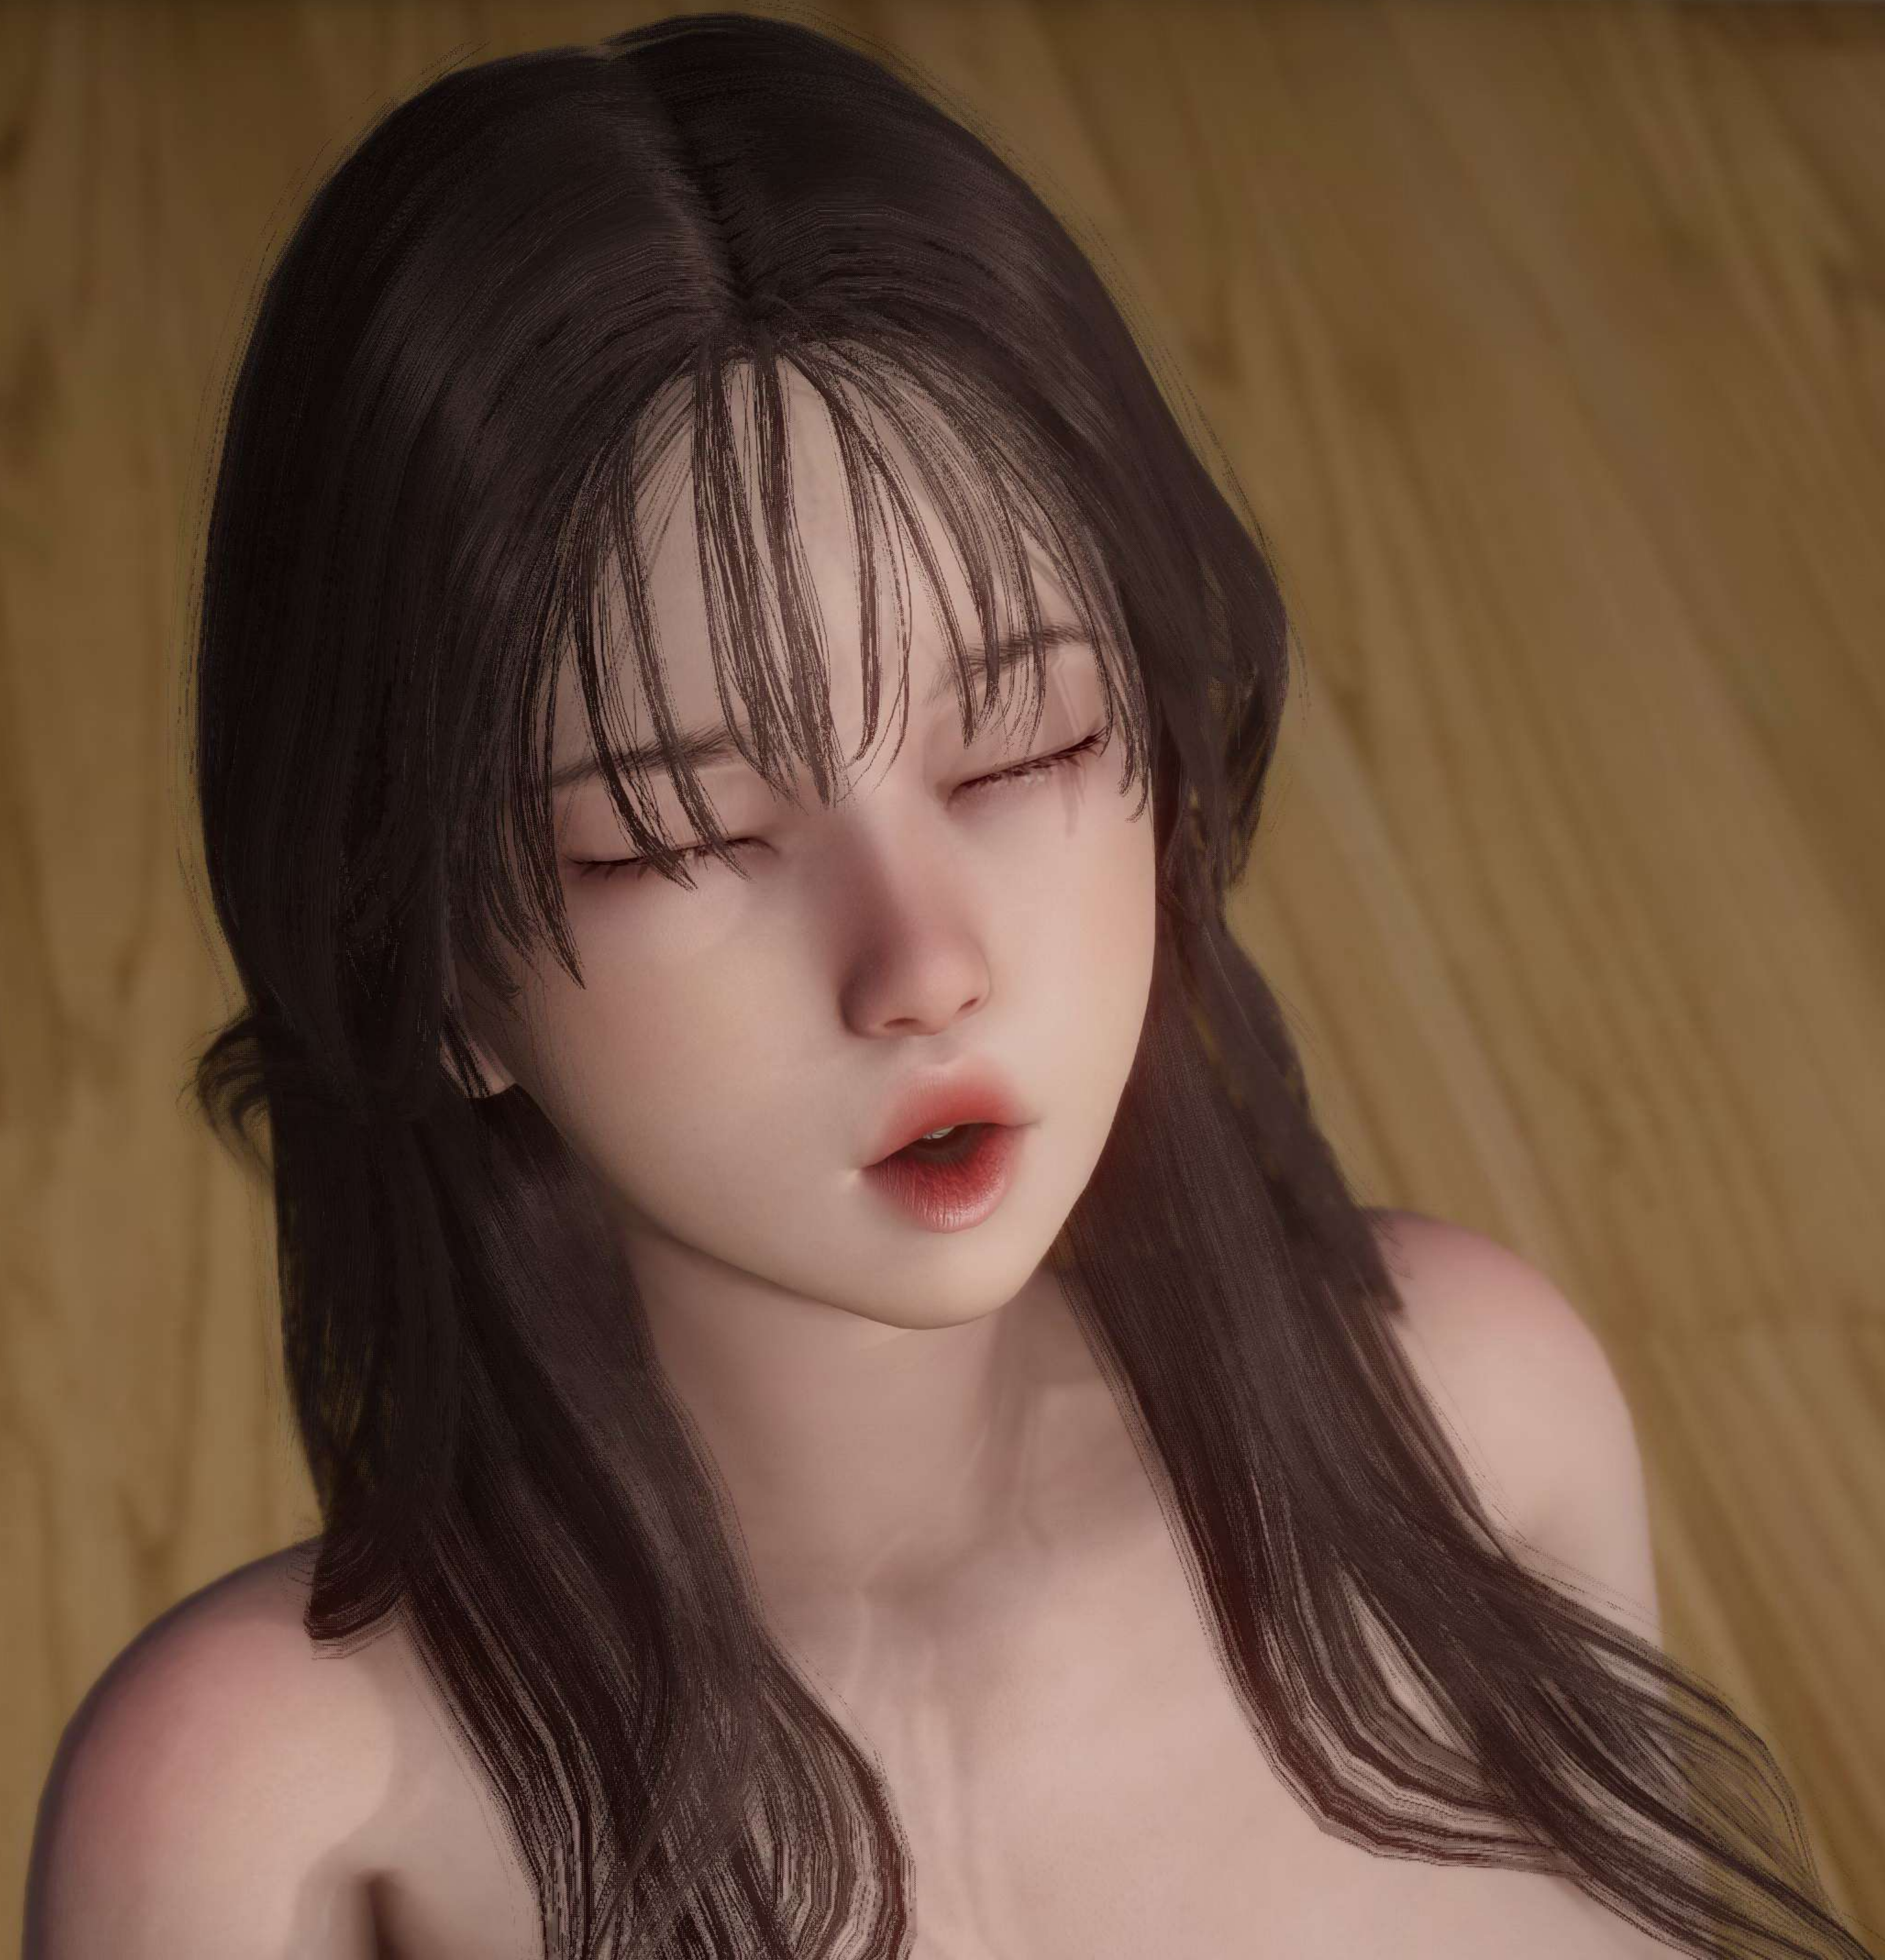

Did you enjoy the show?

I loved it.. but can I.. you know.. put my D in your V?

*I'm afraid I can't. But there's something that I can do for you*

I can make you cum without putting your dick in me

Oh wow!

How do you feel? Rubbing your dick  
on a girl's ass for the first time

*It feels so good..*

*Let's change the position for the better experience*

Much better right?

Can I suck your breast, please?

Why not?

Thank you!

Here you go!

I'm cumming!

Do you like your Christmas gift?

*This is the best thing that ever happened to me on Christmas!*
