Doll's Mischief

**This was shortcomic
centered around a poll.
Just like BTB was!**

**Voting is no
longer possible
as it is finished.**

Uhhh...

Master, I've brought you a new soul.

**W-WHAT'S
HAPPENING!**

EH

**Another
Doll?**

As you wish.

Vote: *Feminine Body*

Huk?!

Fwoosh!

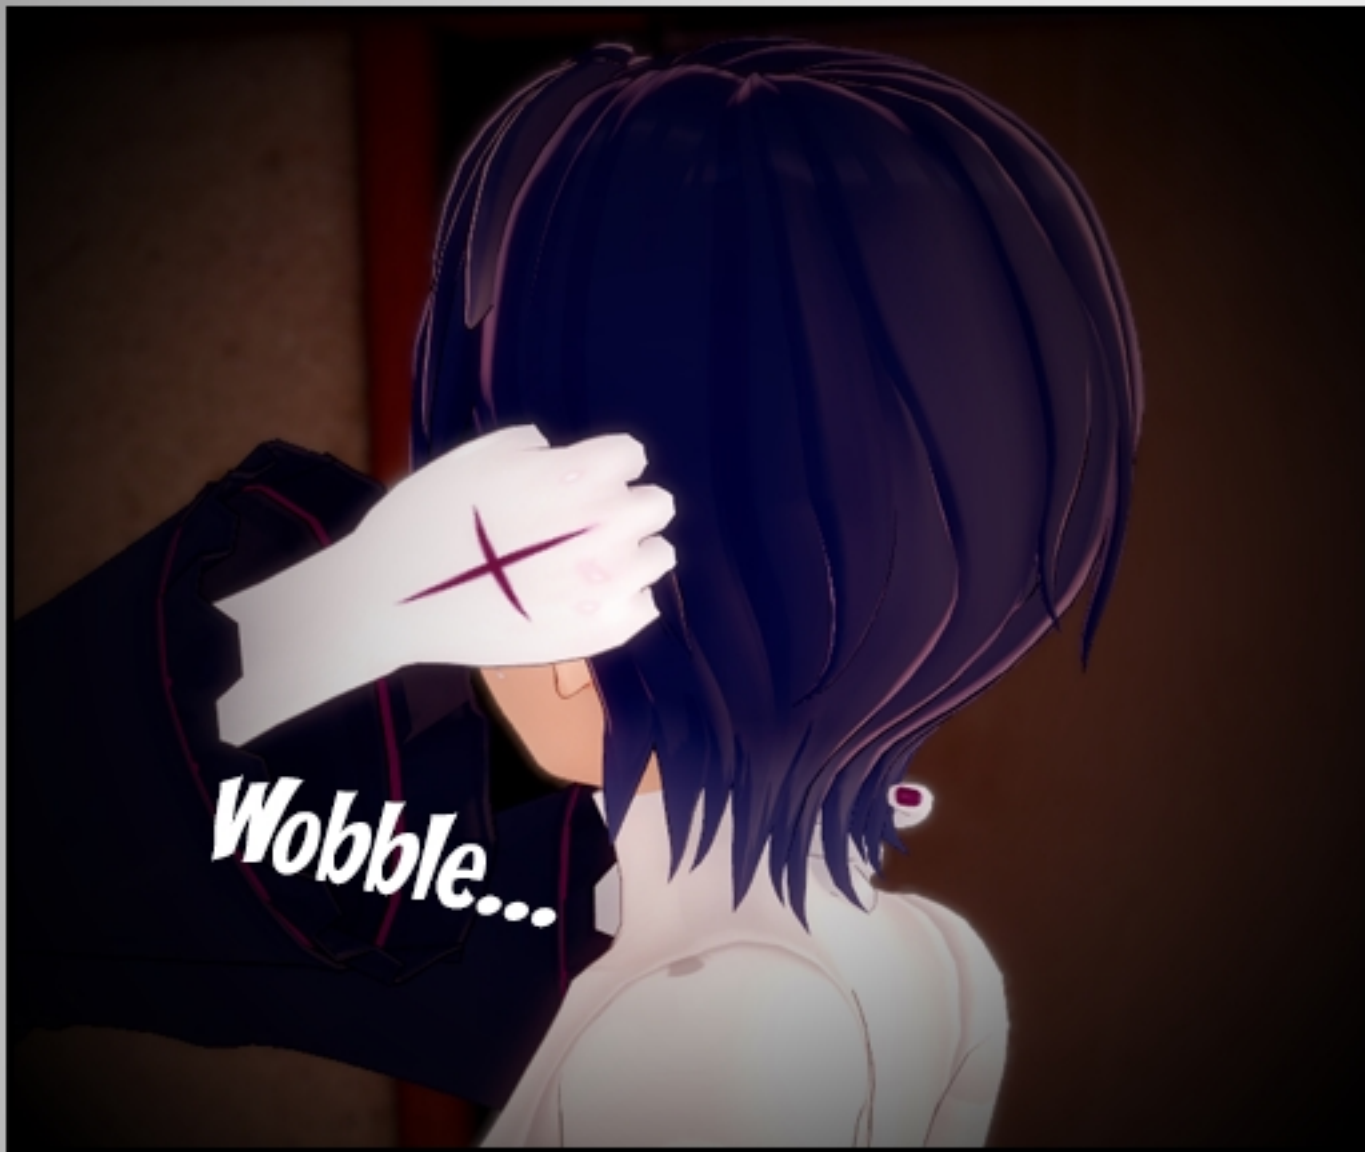

It surpasses your
failed vampire form
by far, doesn't it?

Don't you
agree?

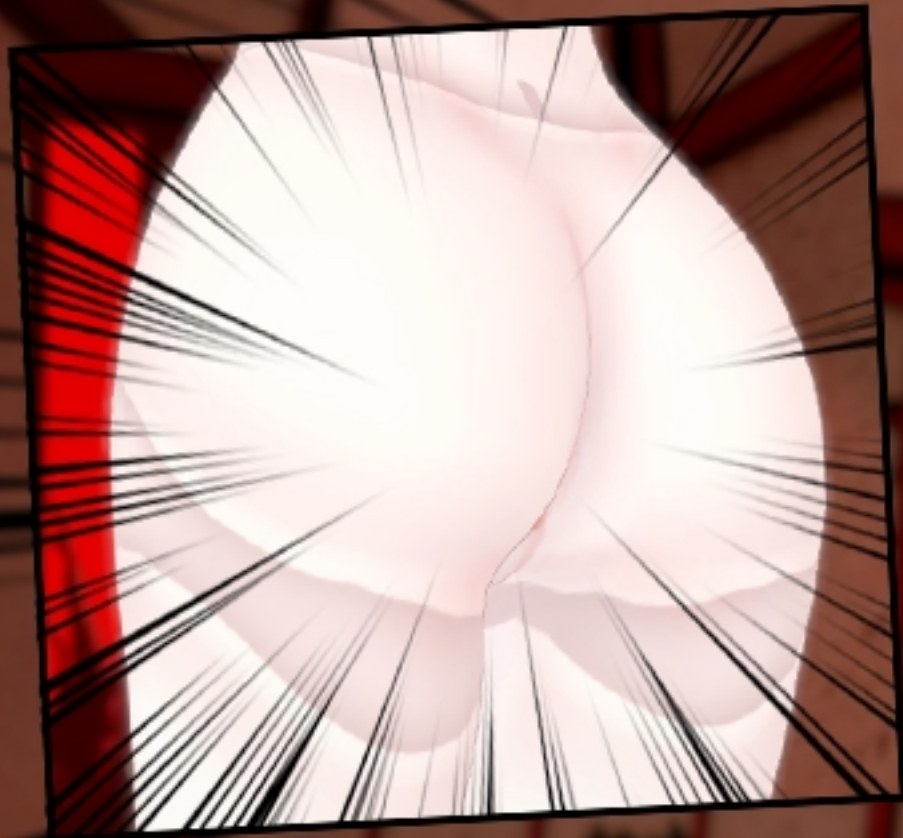

Oh, it seems
you've fainted.
Silly me

Ah!

What have
you done
to my body?

Ahhh!

Ahhh!

I have merely
refined your
form.

Does it not
bring contentment
to bear such
delicate grace?

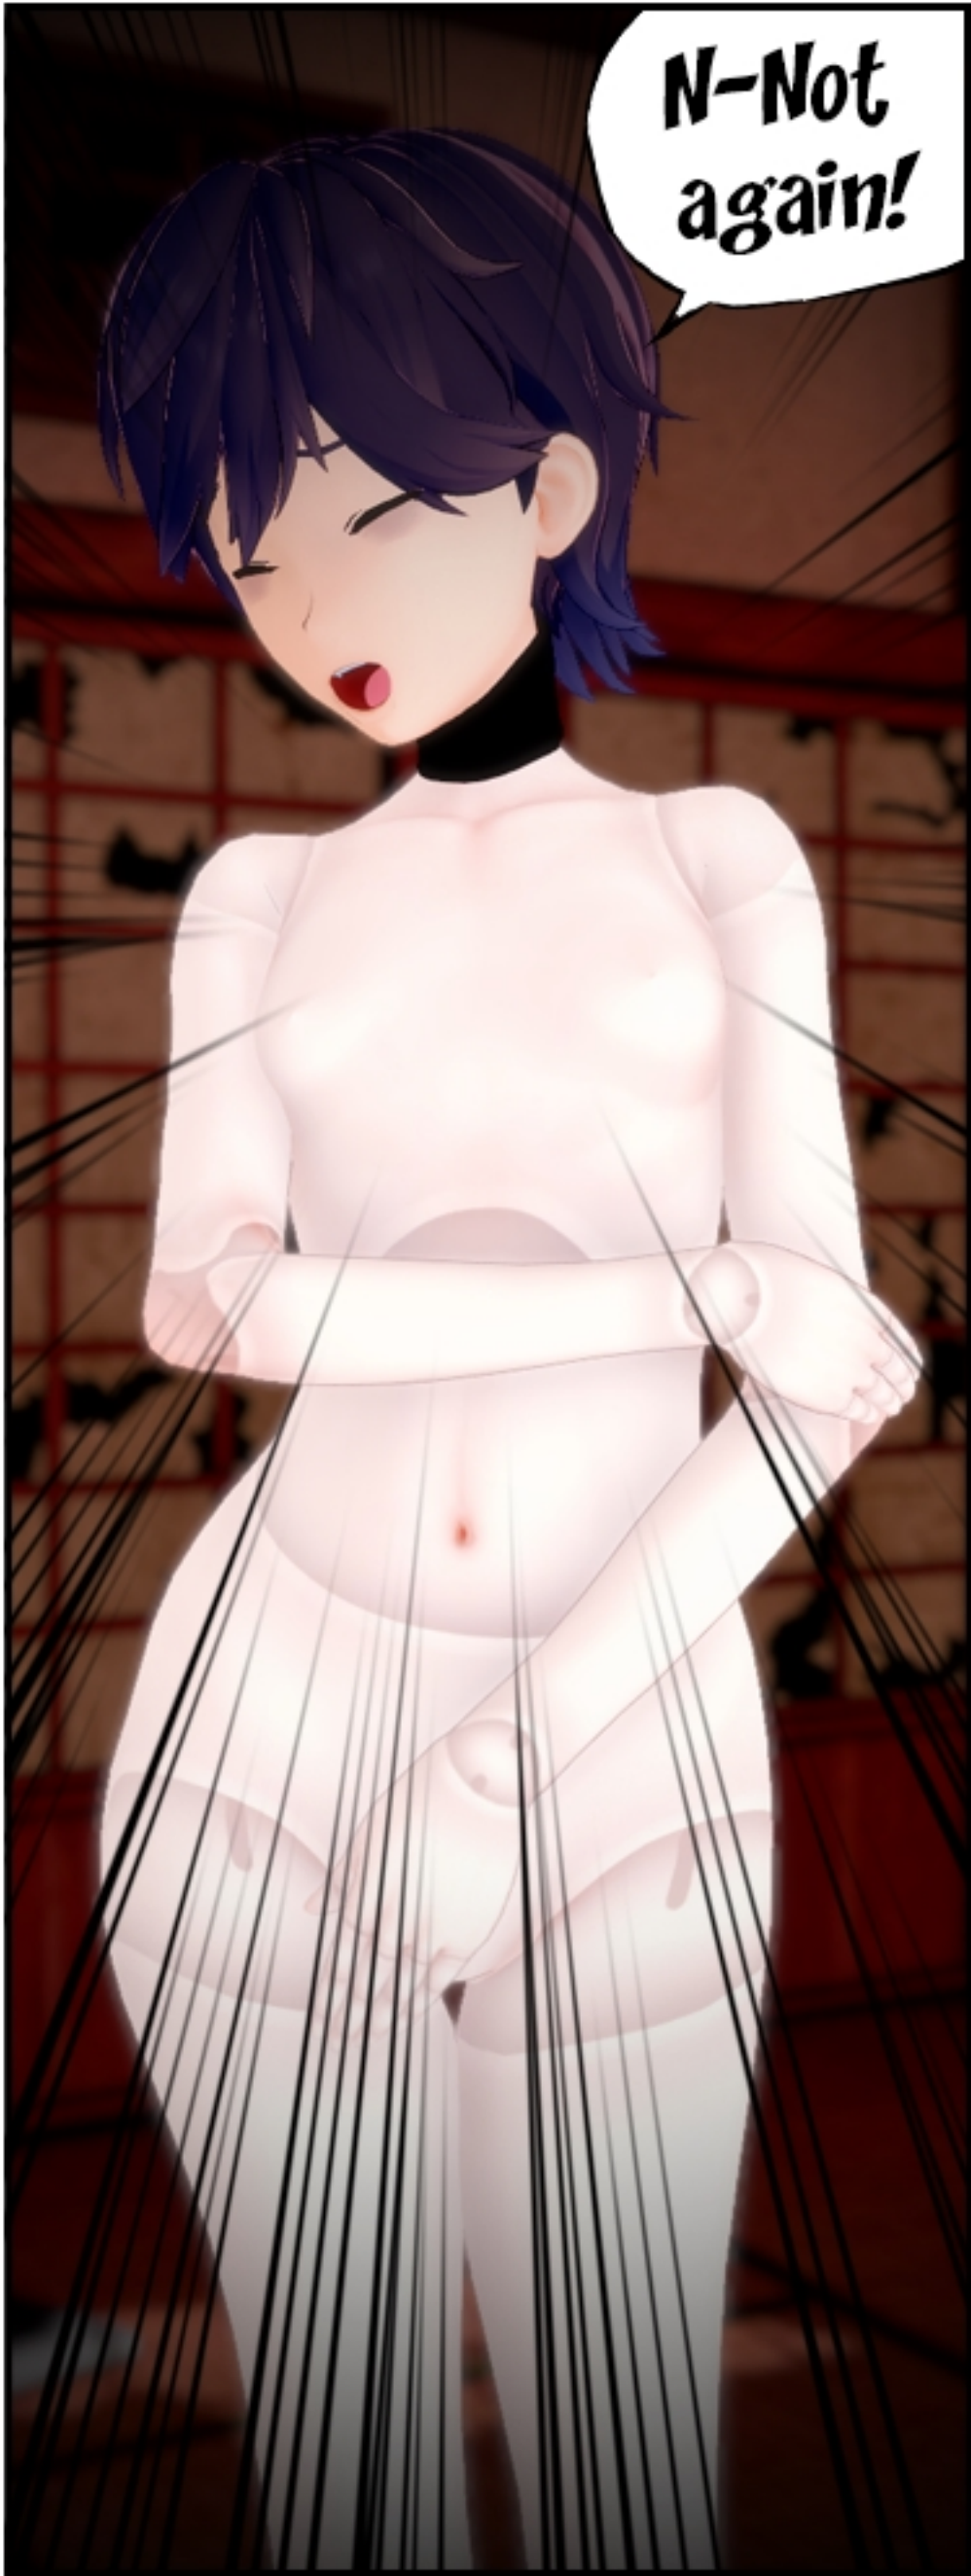

You've turned
me into a
FREAK!

How cute.*

*Just you wait

*Once I'm back to
normal I will take Alice
and turn her into my
thrall.*

*Then
I'll turn your
head into my
personal BJ

*I cant wait to
see you choke on

*As a doll I
cannot choke.*

read your
thoughts?

my **Doll**.

M-My body

do **ANYTHING.**

**DARK
THREADS

AHK!

Bitch?!
No I SISTER!
W-What?!

s-Sister!

Perfect.

A comic panel featuring two anime-style girls. On the left, a girl with long black hair in pigtails and large red eyes looks surprised, with her hand near her face. On the right, a girl with long red hair, pale skin, and red eyes looks smug, also with her hand near her face. The background is a dark, stylized setting with a red lattice and green foliage.

Wah?! Uh,
sister... it seems
I've—ahem—lost
my eloquence?!

My dearest...
Your former speech
lacked elegance.
Thus, I took it upon
myself to... enhance
it

Master's
choices are truly
exquisite.

What more do
you plan for me?

My voice... I
don't have control
of it anymore!

If she can easily
control the way I
talk... Could she turn
me into a mere
puppet?

I've tried to fight back
but failed... The only option
left is to give up... No!
The illusion of me giving up
might be enough to
drop her guard!

I just
need to make
her believe that
I've given up...

Sister... May I
have a moment of
your time?

Sister dear,
what troubles
thee?

**A WHOLE
FUCKING LOT!**
Calm... Calm...

Your mammary glands are a bit overproductive. Don't worry they should relax after 100 years.

Ah!

Squirt!

Squirt!

An anime-style illustration of a young woman with long, dark purple hair in pigtails and red eyes. She has a surprised expression with wide eyes and a slightly open mouth. She is unclothed, showing her breasts with pink areolas. Her arms are raised in a gesture of surprise or shock. The background is a dark, textured wall with a grid-like pattern.

**M-Mammary
glands?**

**S-She turned
them into actual
breasts?!**

Sister, Please!
I dont want to have
motherly breasts!

Motherly...?
Yes, All in due
time my dear.

Thwack!

**A MAN NO
MORE A DOLL
TRANSFORMED
FROM MY HANDS
A WOMAN BLOOMS**

**S-Sis! What
are you
doing?!**

**You're whole now!
A woman true! From
breasts to womb,
anew!**

Hngh!

Shlick!

1
It would simply
not do to dispatch you
without proper attire.
Oh no, we mustn't have
that.

2
You must
be adorned in a
garment befitting
your new form.

3
One that will
lovingly envelop
your curvaceous
physique

4
Ah, and most
crucially, one that
will meld to you
intimately

...And most importantly
sexually~

YOU ARE

COMPLETE!

*Alas,
It's time to say
goodbye.*

Return
from whence
you came.

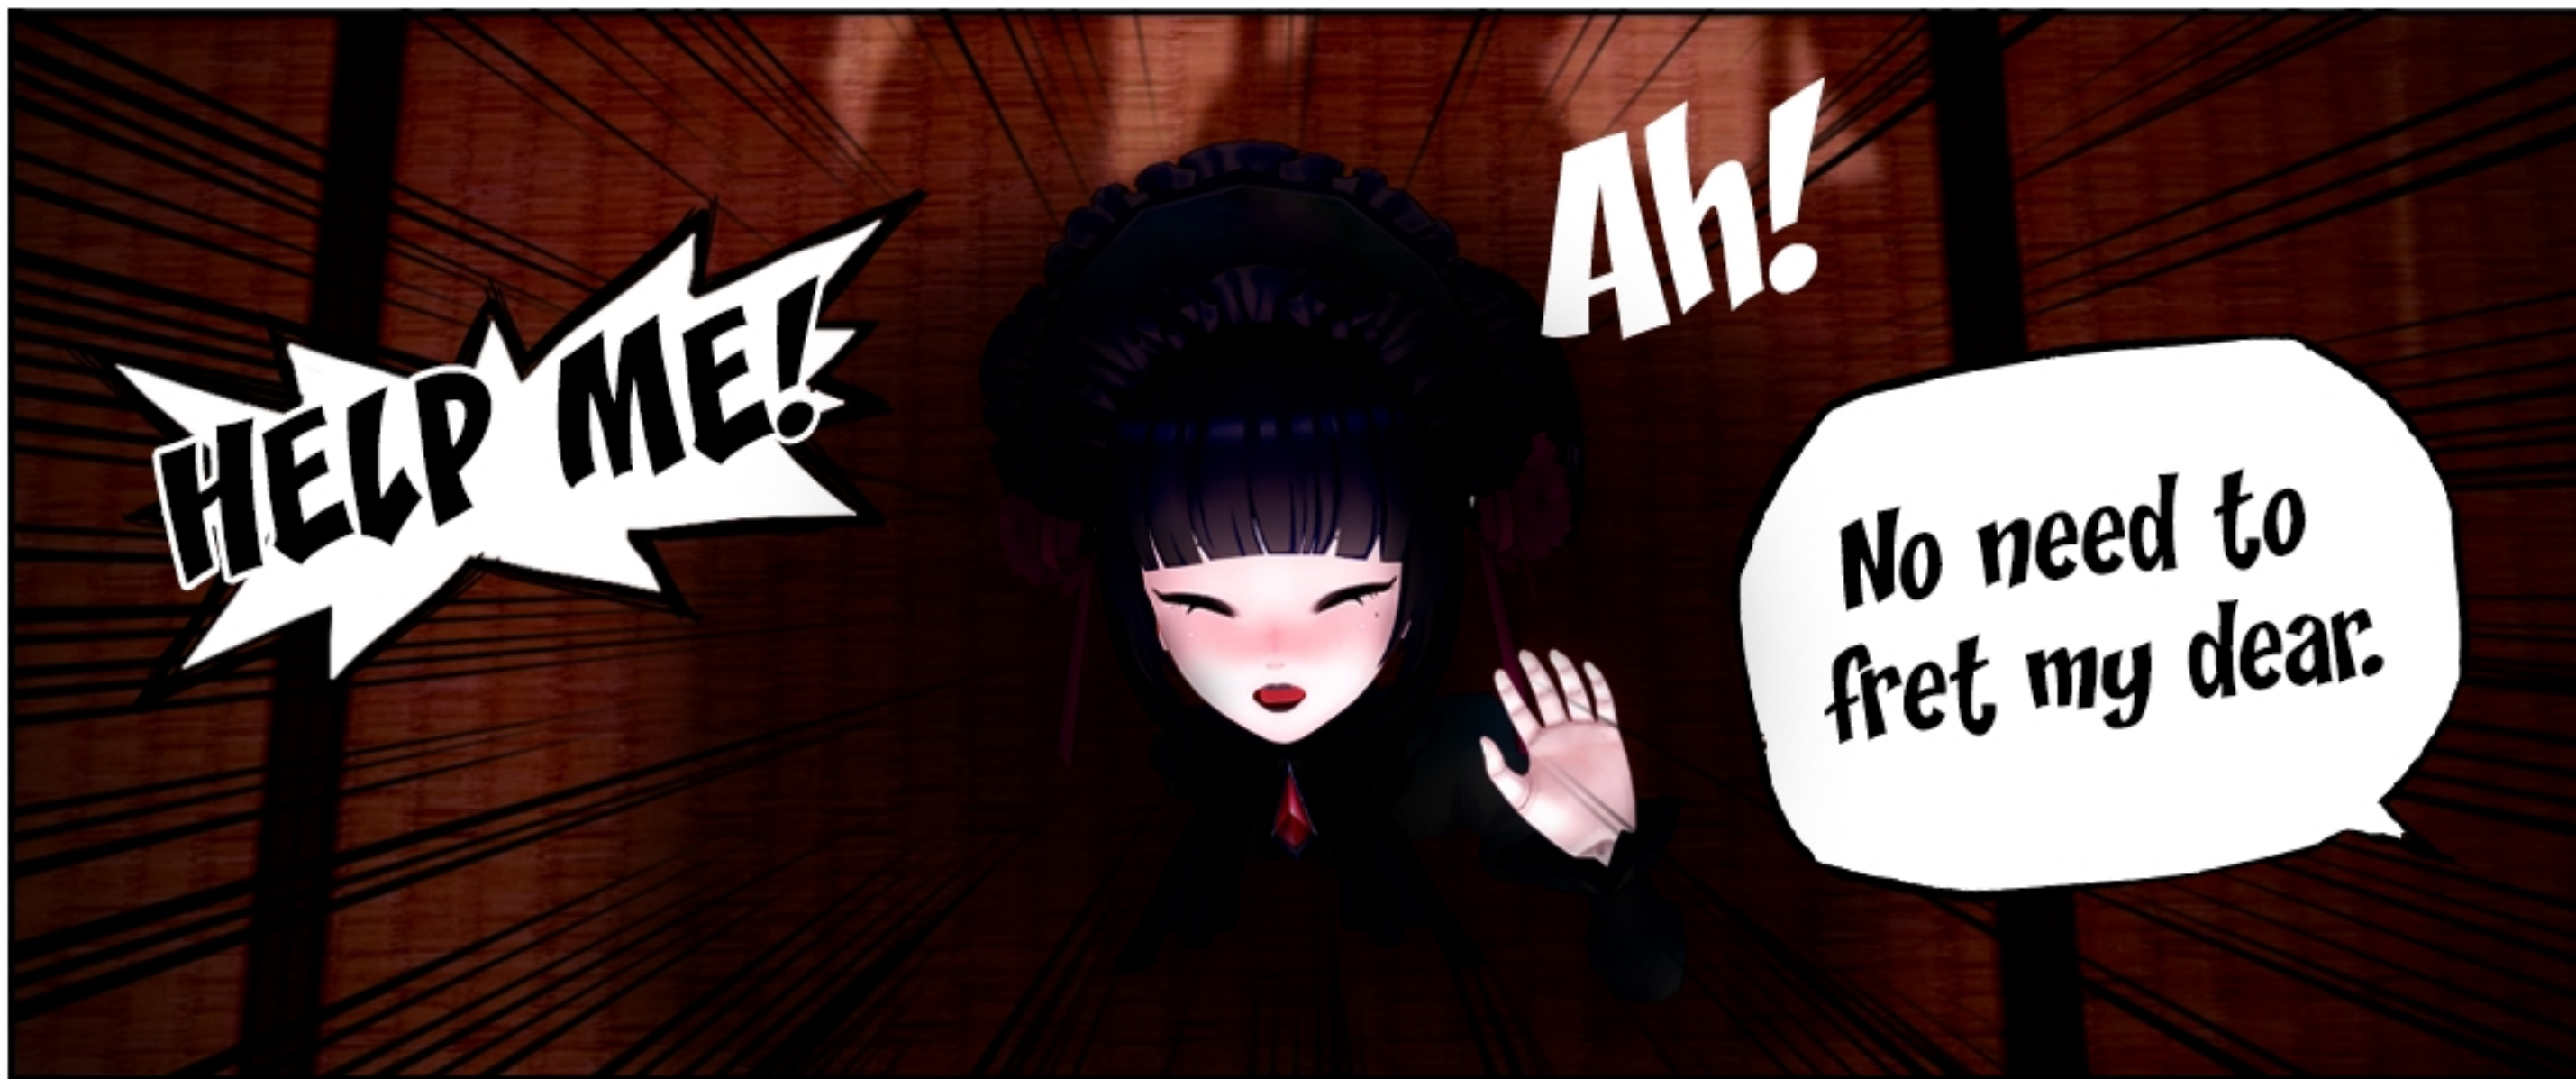

Sink...

Huh?

Ara? Awake
so soon?

It might feel
tight at first but
dont worry!

She'll take
good care
of you!

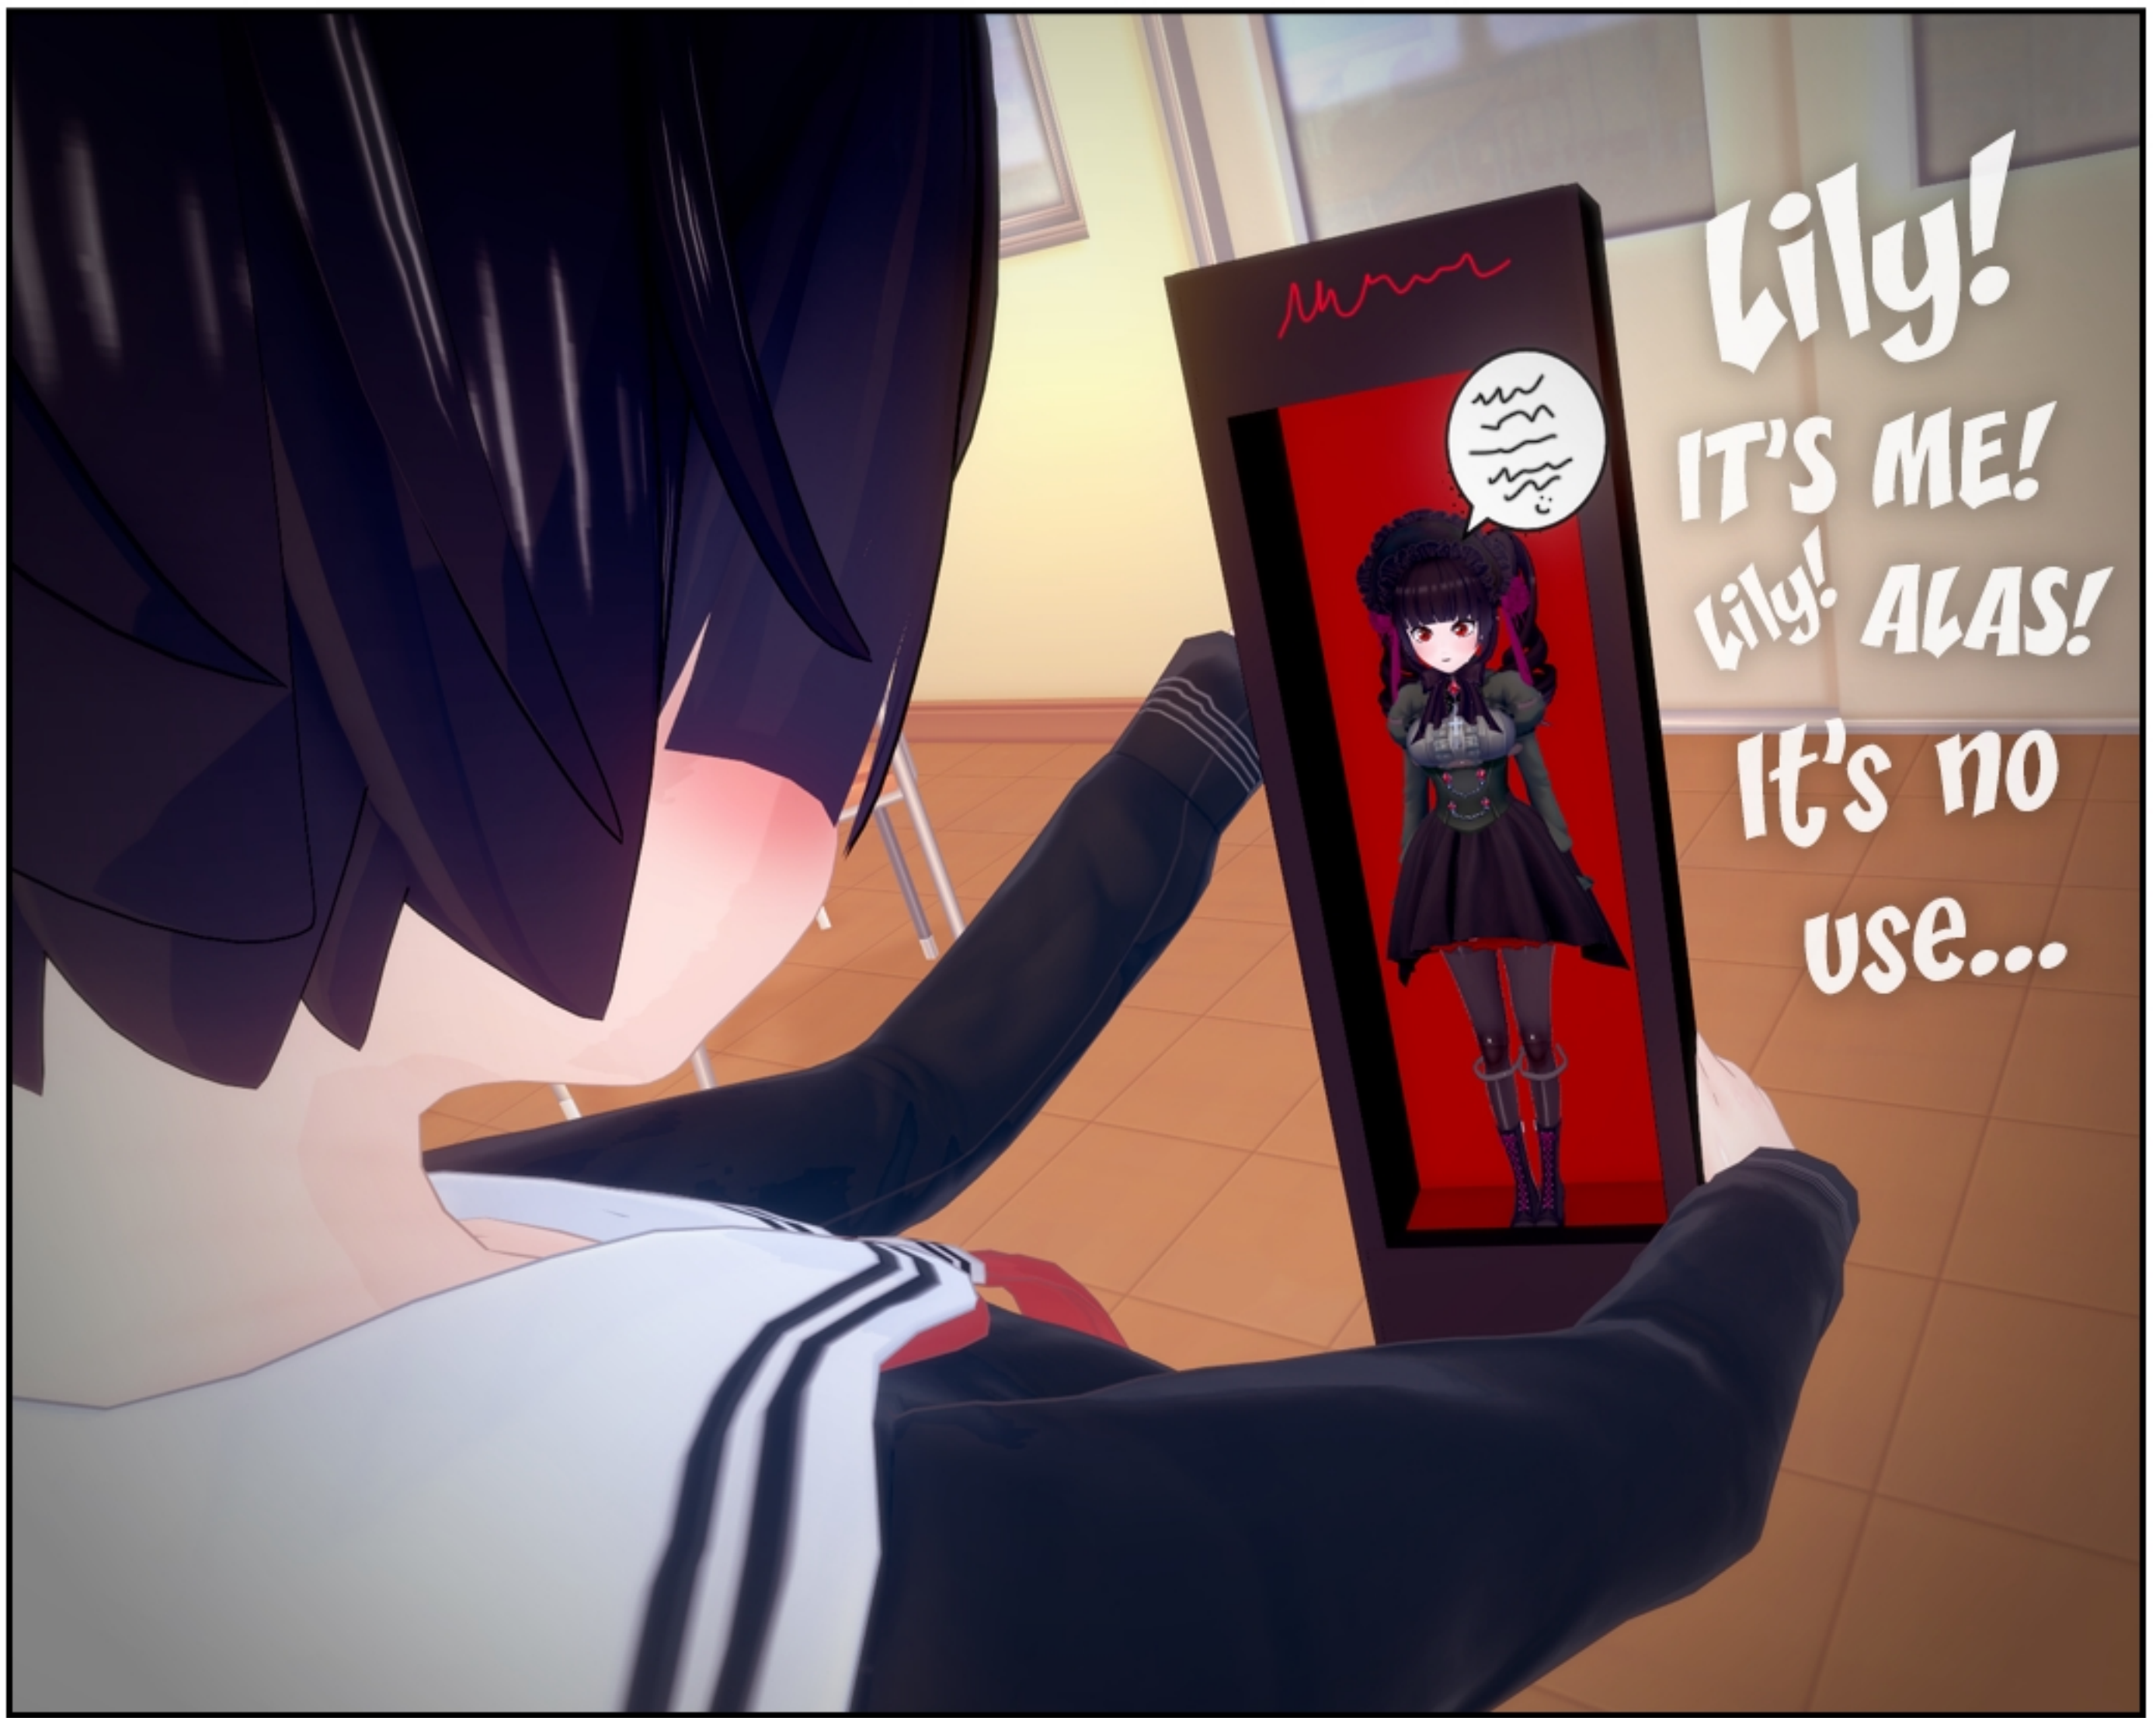

AHHH!

May we
meet again.

Lily!
IT'S ME!
Lily! ALAS!
It's no
use...

My whole
body is
frozen.

E-Even if Senpai
got me this doll...
I... I won't forgive
him for what he did
to Alice... Alice...?

LILY! WHAT DOES IT SAY! PLEASE JUST READ IT!

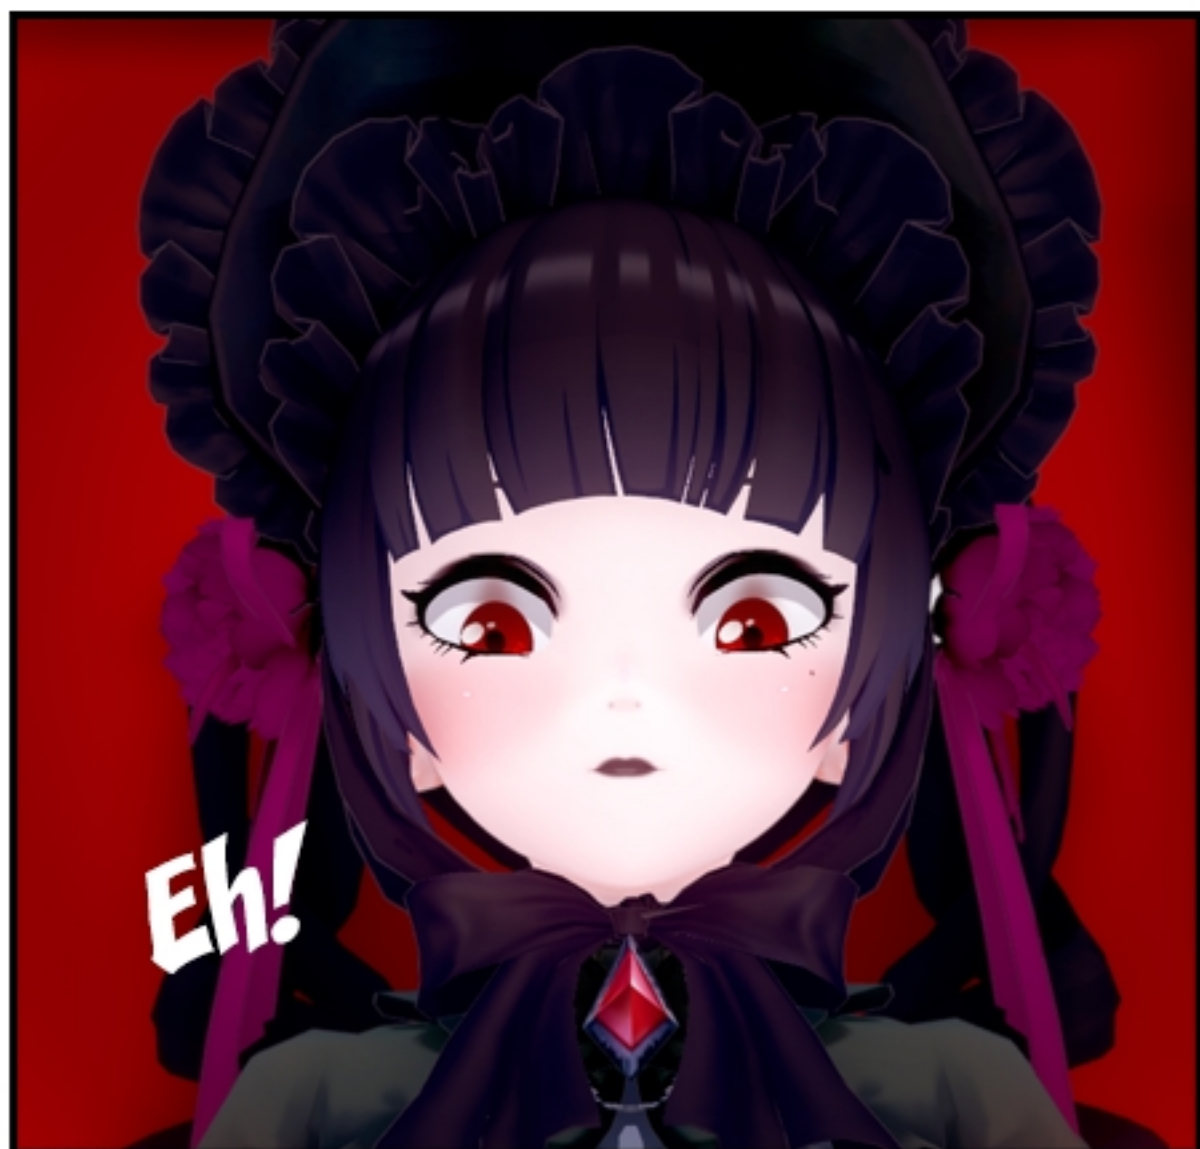

Breed me
Mistress
Lewd Doll

W-What does that mean...
Like I can...
Senpai... Did he?

Even if It says that...
Lily's a lady she wont do that kind've activity...
Thus, I still have control I believe I can regain control eventually.

Know I'm a
Futanari!?

Later...

You're so beautiful Alice-chan!

I-I'm not Alice! S-Stop touching me!

I wish I was as beautiful as you...

You are... Wait! Ah-Stop that!

Now leave!
Else I rid you
of your filthy
member!

EH!!

She's cute
when she's
angry~

Not only are you pregnant, but you're also a doll! If anyone discovered that you came to life, they would take you away from me!

I know you've been transforming more and more into a real girl, but we don't know when it will happen completely, so we need to be careful.

I... I know b-but I'm sure if we do it one more time!

Ah... So that's why you came. Fine, but let's make it quick. Go on, bend over.

And with that...

Alice eventually became a real girl, her memories of the past gradually blurring, except for one steadfast anchor: her love for Lily. Occasionally, she is troubled by dreams of another life, one where she lived as a man. Despite these unsettling visions, she dismisses them as mere nightmares...

To be man... What a dreadful thought.
