A Fateful Encounter

Hmm...
I thought
I heard a voice
over here

Are there even anyone in here!?

Huh....
Is that book glowing?

I guess someone must have left it here

WHAT!?
Why is there light coming out of it....

It's
too bright
I can't see...
...Did
it already
stop?

It really stopped fast... What was the point of that light just now?

I don't feel any different to how I normally do

Huh!?
Wait the
book dissapeared!
How... Why?

A few moments later

So what was the purpose of that weird book exactly?

Oh thats Tamamo! She might know about the book

I need to find Kiyohime so I can help her with that "thing"

Hey!
Wait up
Tamamo
I need your
help with
something

Huh?

Sory to bother you Tamamo But...

...I really need your help figuring something out...

Huh!? Where did she go? And why do I sound different?

What happened? Did she dissapear? But then why do I feel so... different now

My voice sounds different and my body feels different...
...And Tamamo vanished into thin air... Wait could it be that...

Did I swap bodies with Tamamo? No no no... I would be able to see my own body in that case

?

Don't tell me I somehow possessed her!

Ooohhh!
This is
deffinetly
Tamamo's
body

I should probably find a way to leave her body

But I'm sure she won't mind if I stay for a little while

Hmm...
Lets go
somewhere
more
private

Moments later in a private room

That weird book 100% has something to do with this

I wonder... Since I'm now in Tamamo's body...

Can I also use her powers now!?

Lets try transforming into someone else to start

Did
it work?
I do feel slightly
different
I guess

My voice sounds a little bit different now as well

Lets take a look at the transformation

Huh!
Wait a minute
I turned into
Mash?

This reflection is showing Mash... Which means I transformed into her

I guess when I thought about transforming into someone else she was the first person I thought about

This confirms it I can use Tamamo's powers

Lets try
and change
just the outfit
and see if
it's possible to
change only
certain
parts

This
is so
exciting!

I think it worked! My outfit feels a lot tighter than before

Wow!
This outfit
is soo tight
around certain
areas...
How does
she walk and
fight like
this?

Her chest is soo tight int this outfit...

I can't stop myself from wanting to feel what it's like to fondle my own breasts

I can't help but want to explore more of Mash's body

Ahh~
I've haven't
even started
properly yet
and that one
touch felt
so good just
now

Lets get rid of the clothes for now they're just in the way

Ahhh~
Thats better...
My body feels
weirdly hot
even without
the clothes

Ahhh!
This... This...
Feeling...
I only stuck
my fingers
in a little

I...
I can't stop...
Fingering
myself...

I wonder...
Does it always...
Feel this...
Good for women
when... They
do this?

Huh...
Ahhhh....
Did... I...
Transform
again?

This voice...
This hair...
Am I....
Artemis
now?

AHHH~
Uhhh...
Her body...
It's more..
Sensitive

I can't stop... This pleasure.... It's too much~

I transformed again!? I can't control Tamamo's powers anymore

Ahhh...
I can't...
Hold it back...
Much longer

It...
Feels soo intense but...
Also so addictive

AHHH!
Ahhhh....
Sooo close!
I'm almost there
I can feel it

Ahhhh~
Uhhhh....
Wai...
I'm Tamamo
again!

AHHHH!
I...I..I CAN'T
HOLD IT IN...
I'M CUMMING

Uhh...
Ahhh...
That was crazy...
But the pleasure
was almost
intoxicating

Ahhh...
Phew...
Maybe I
should stay
a bit longer
in Tamamo's
body

I wonder what other exciting new things I can experience as Tamamo

I should probably get dressed before I head out again

Being
able to transform
is super convenient
for so many
different things

I almost don't want to leave this body and give up on all of the perks that comes with owning it

A few moments later in a hallway

Hold on!
Is that who
I think it is?

Is that
Artoria?

She might be the perfect cadidate for testing my power to possess others

BY TSF AI

Time to see just what this new power of mine can do

To Be Continued?
