

*a Girl's view*

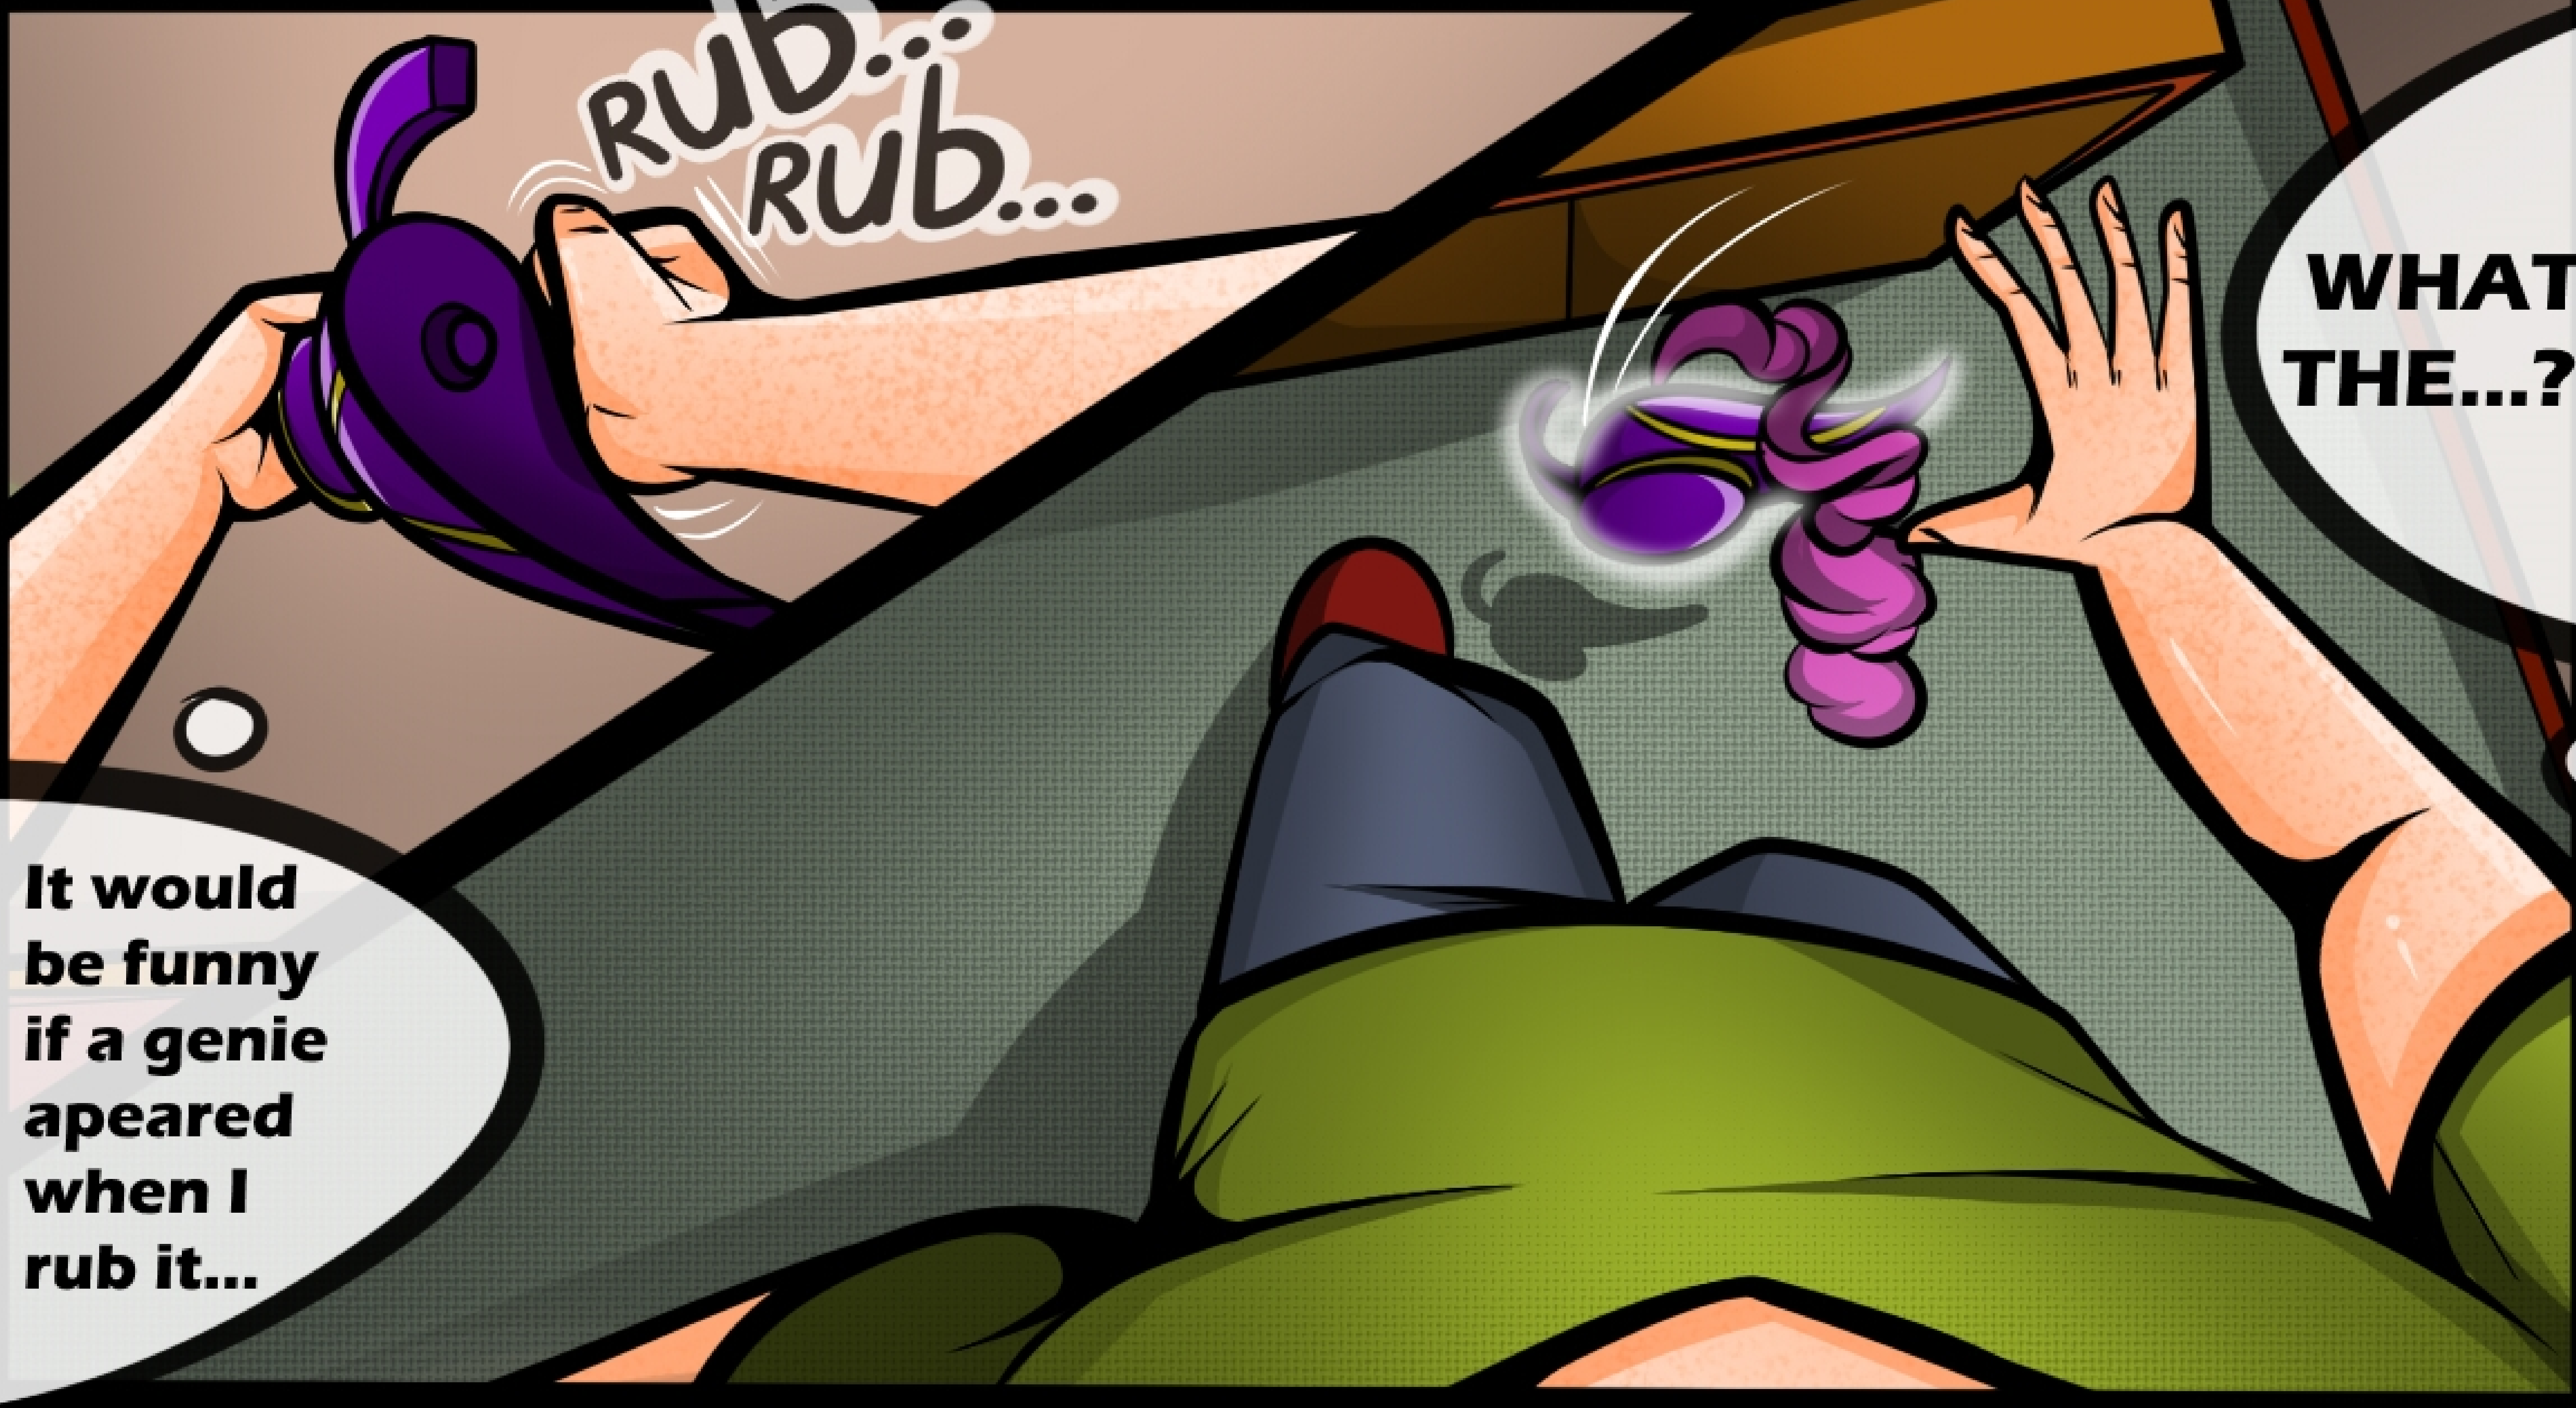

So this is what my parents bought from the market.

an arabic lamp...

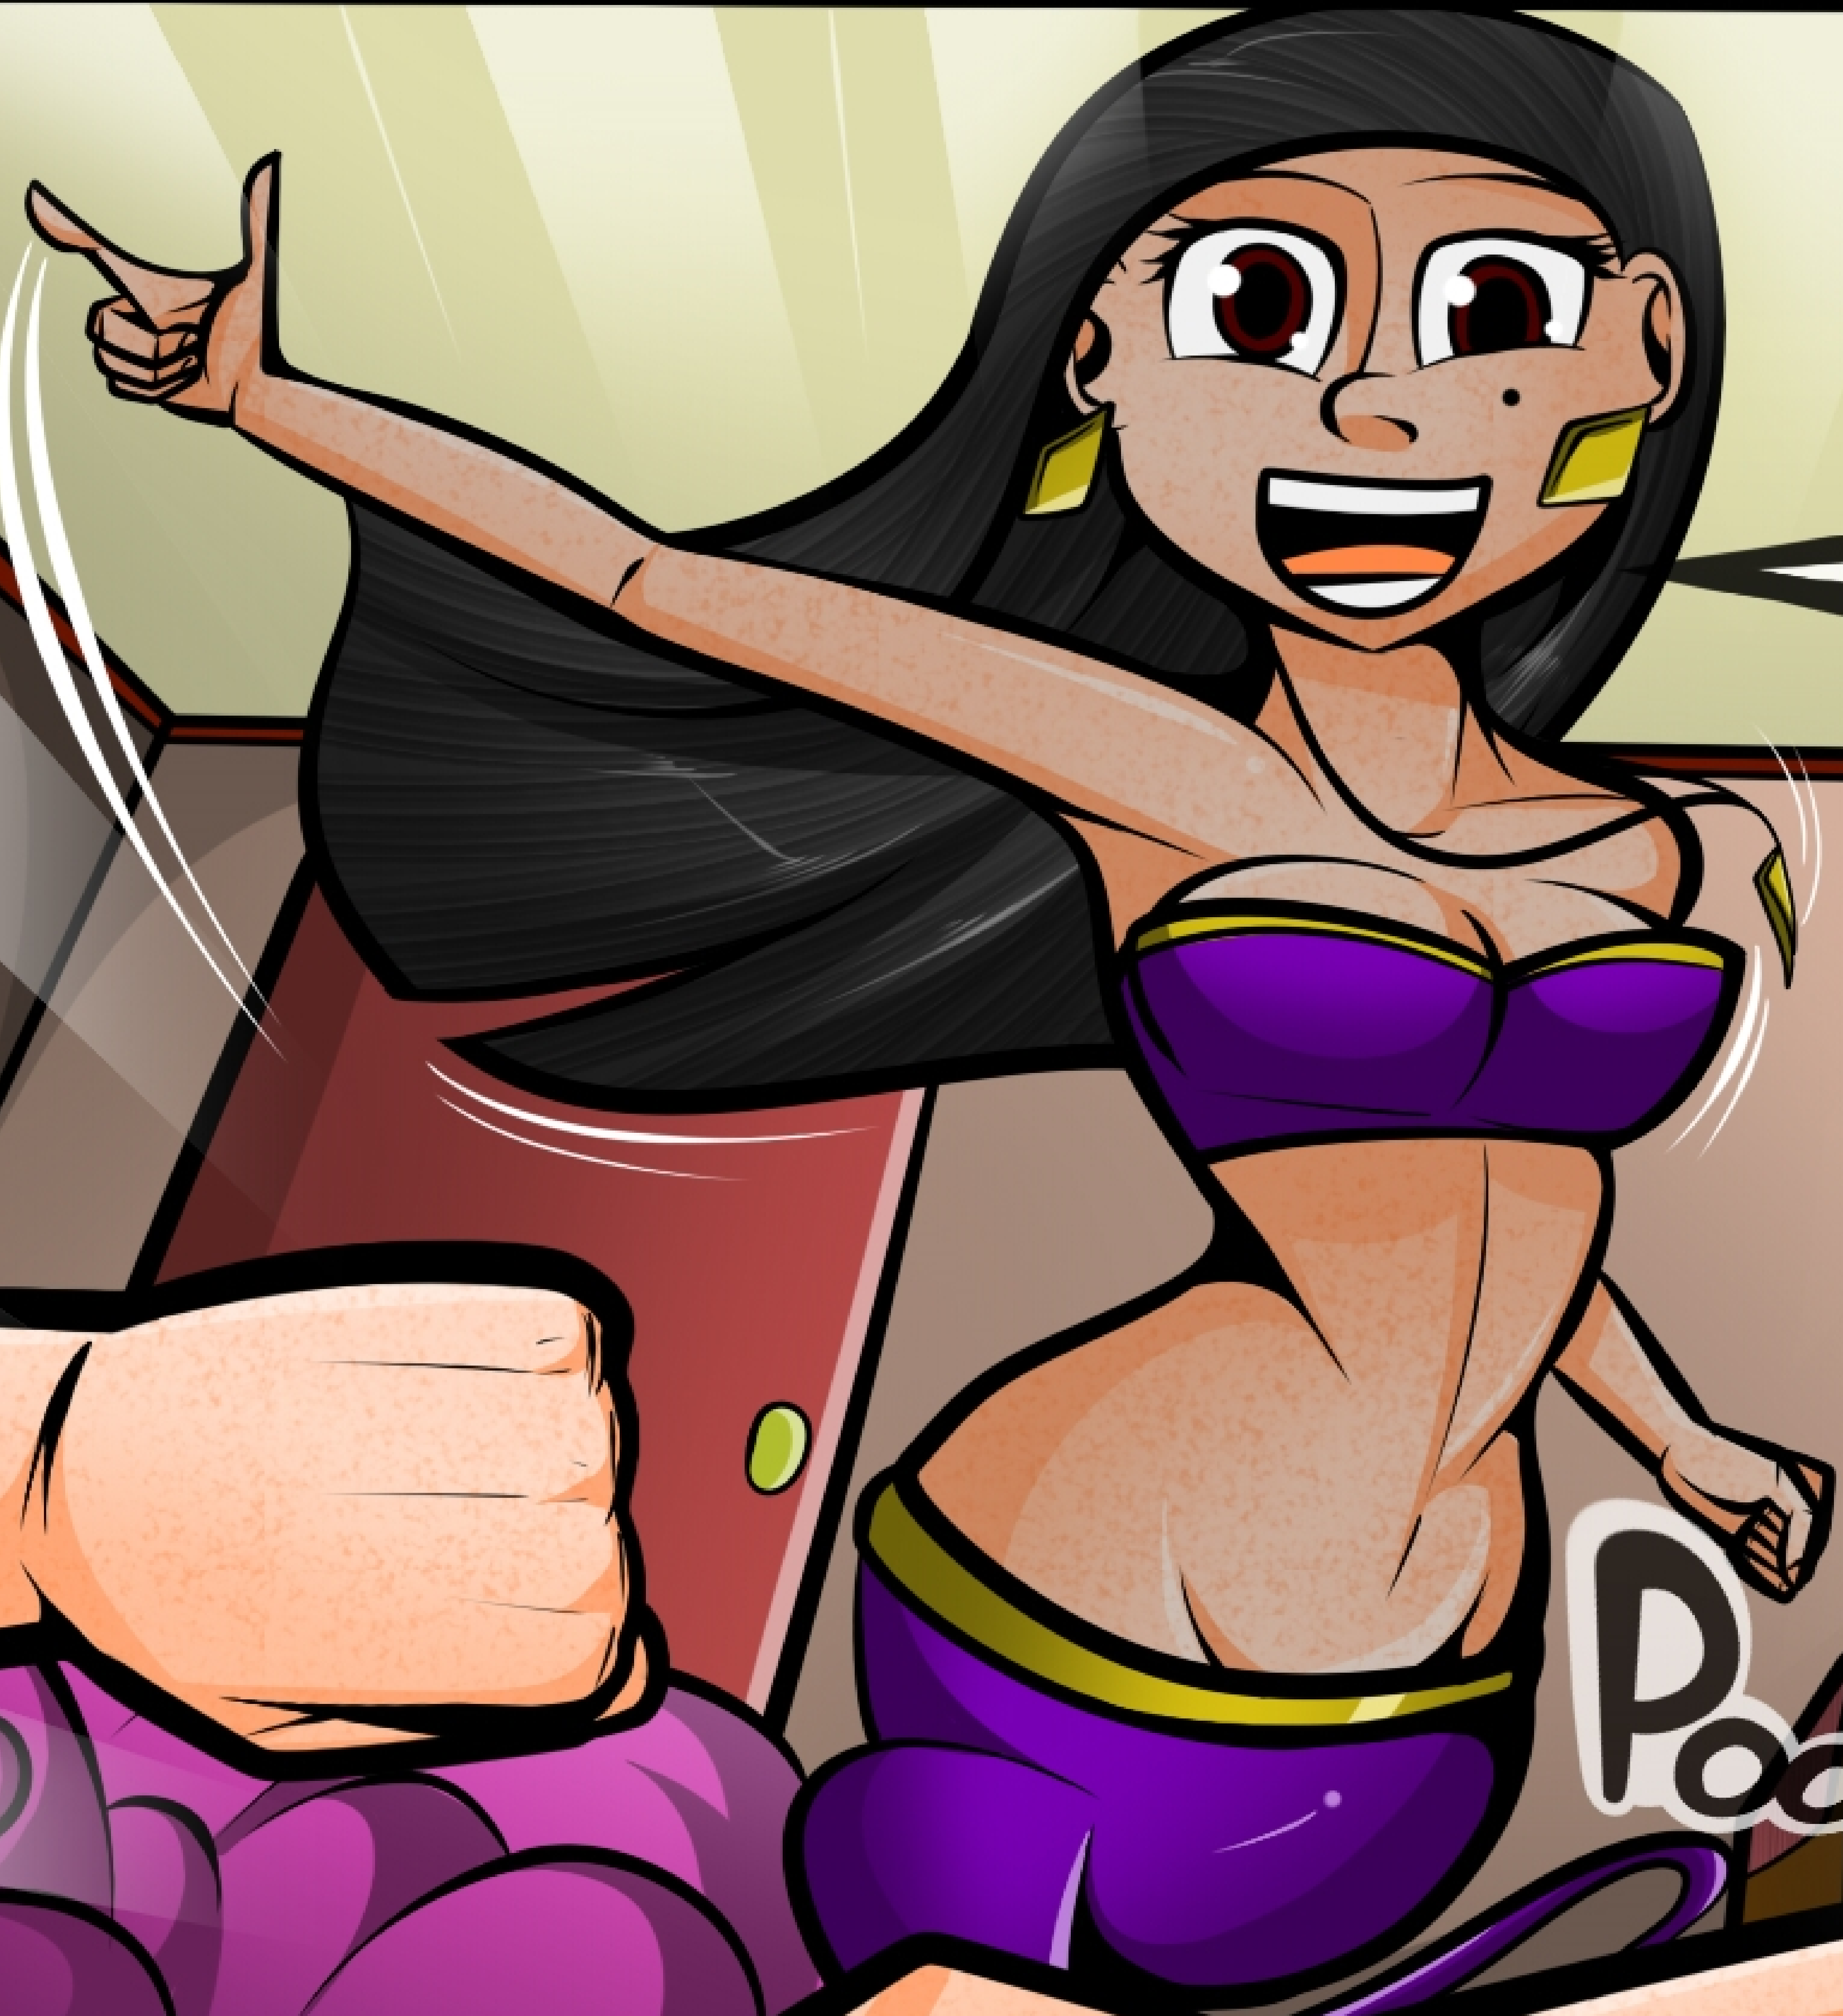

Rub... RUB...

WHAT THE...?!

It would be funny if a genie appeared when I rub it...

I'm finally free, thanks to you! For your heroic deed, you get three sexual wishes as a reward.

Poof!

Well mister,  
your wishes have  
to be about sex.  
So, what do y  
ou want for  
your first sexual  
wish?

Squeeze...

Uhhh... what do  
you mean with  
"sexual" wishes?

Hmmm... Since I can't  
wish a ton of money, maybe  
I can wish to be my ultimate  
fantasy... I really wonder what  
it feels to have the body  
of a sexy girl. Oh god,  
let's do this!

Well  
genie,  
I wish I  
have the  
mind of a  
man and  
the body of  
a sexy  
woman!  
oh god...

Your  
wish is my  
command  
mister.

With  
me, you  
fantasies  
are forever  
free,  
a woman  
with large  
bossoms,  
you shall  
be!

BOING!

*AAAAH!*

**ZAP!**

**Holy crap!  
I really have been turned  
into a girl! My god, my  
voice is so feminine!**

**POOF!**

**Urgh...  
Where  
is she?  
Did the  
wish  
work?**

**BAM!**

myself inside the mirror!  
Wow everything looks  
more bigger now!**

Oh my god...

**A huge wall of light will swipe across the planet...**

**Everyone's gender will be switched after the wall made its turn!**

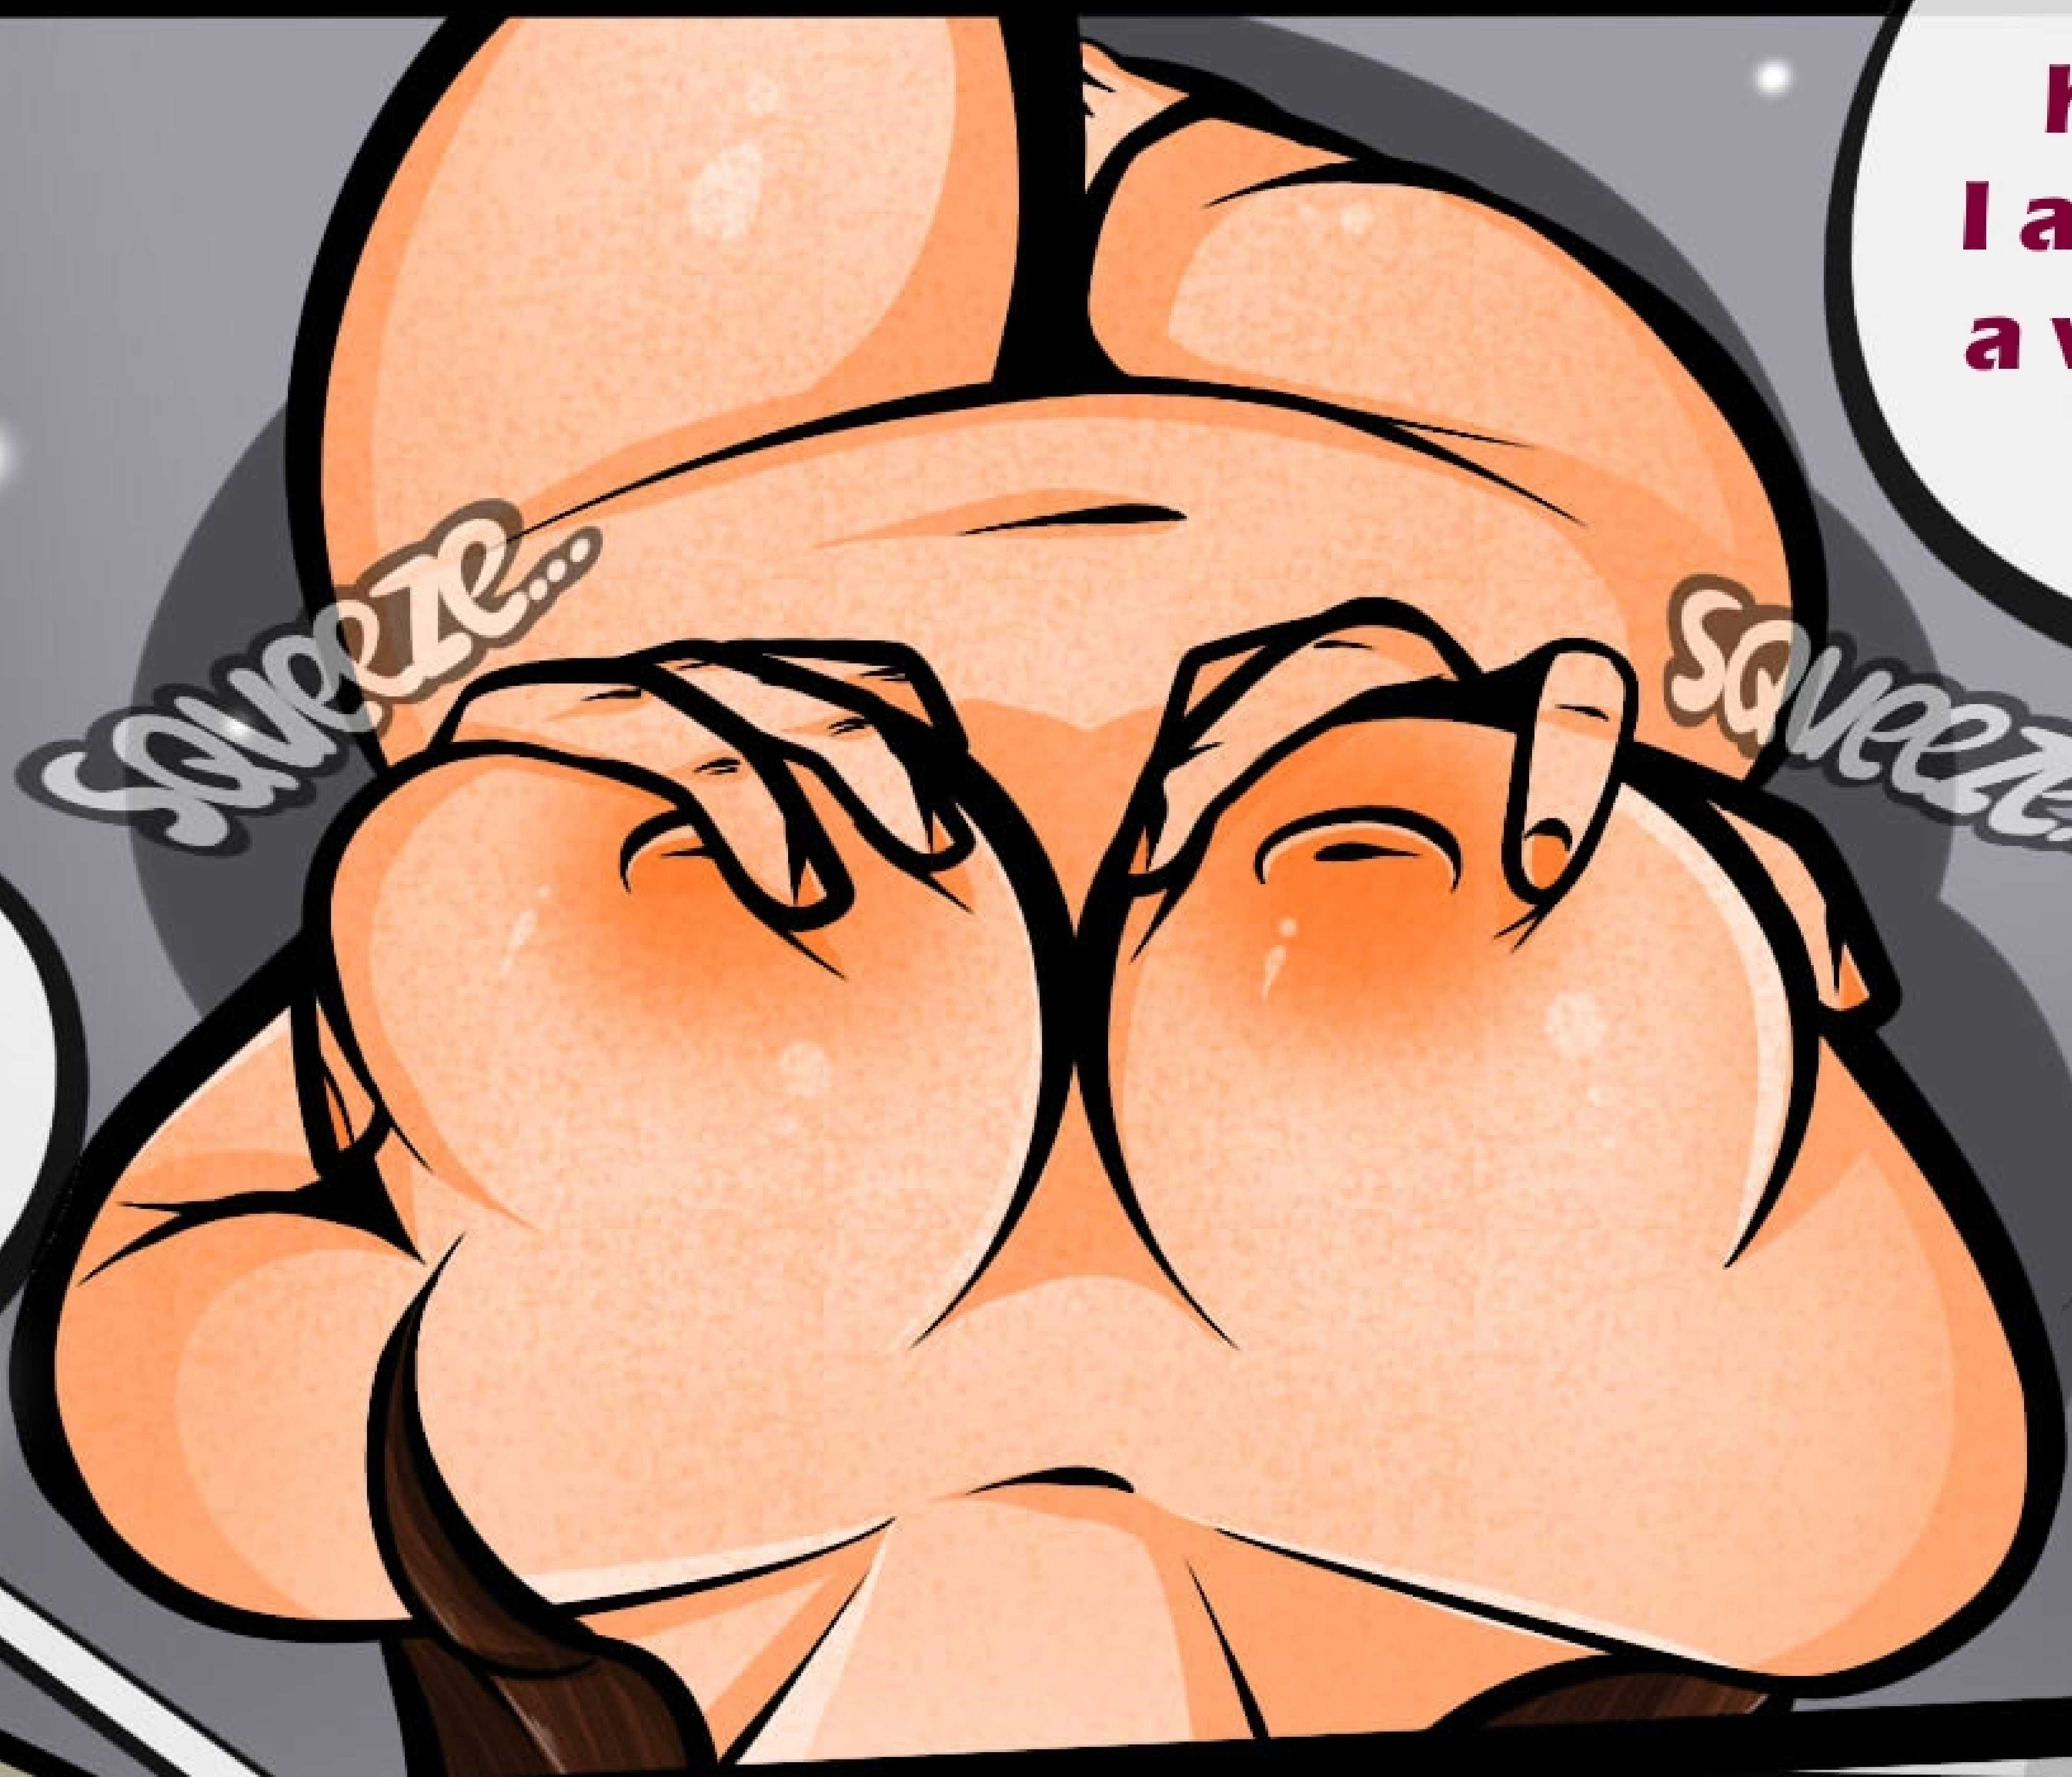

**No wait! I didn't meant to wish that!**

**huh?!....  
I am still in  
a woman's  
body!**

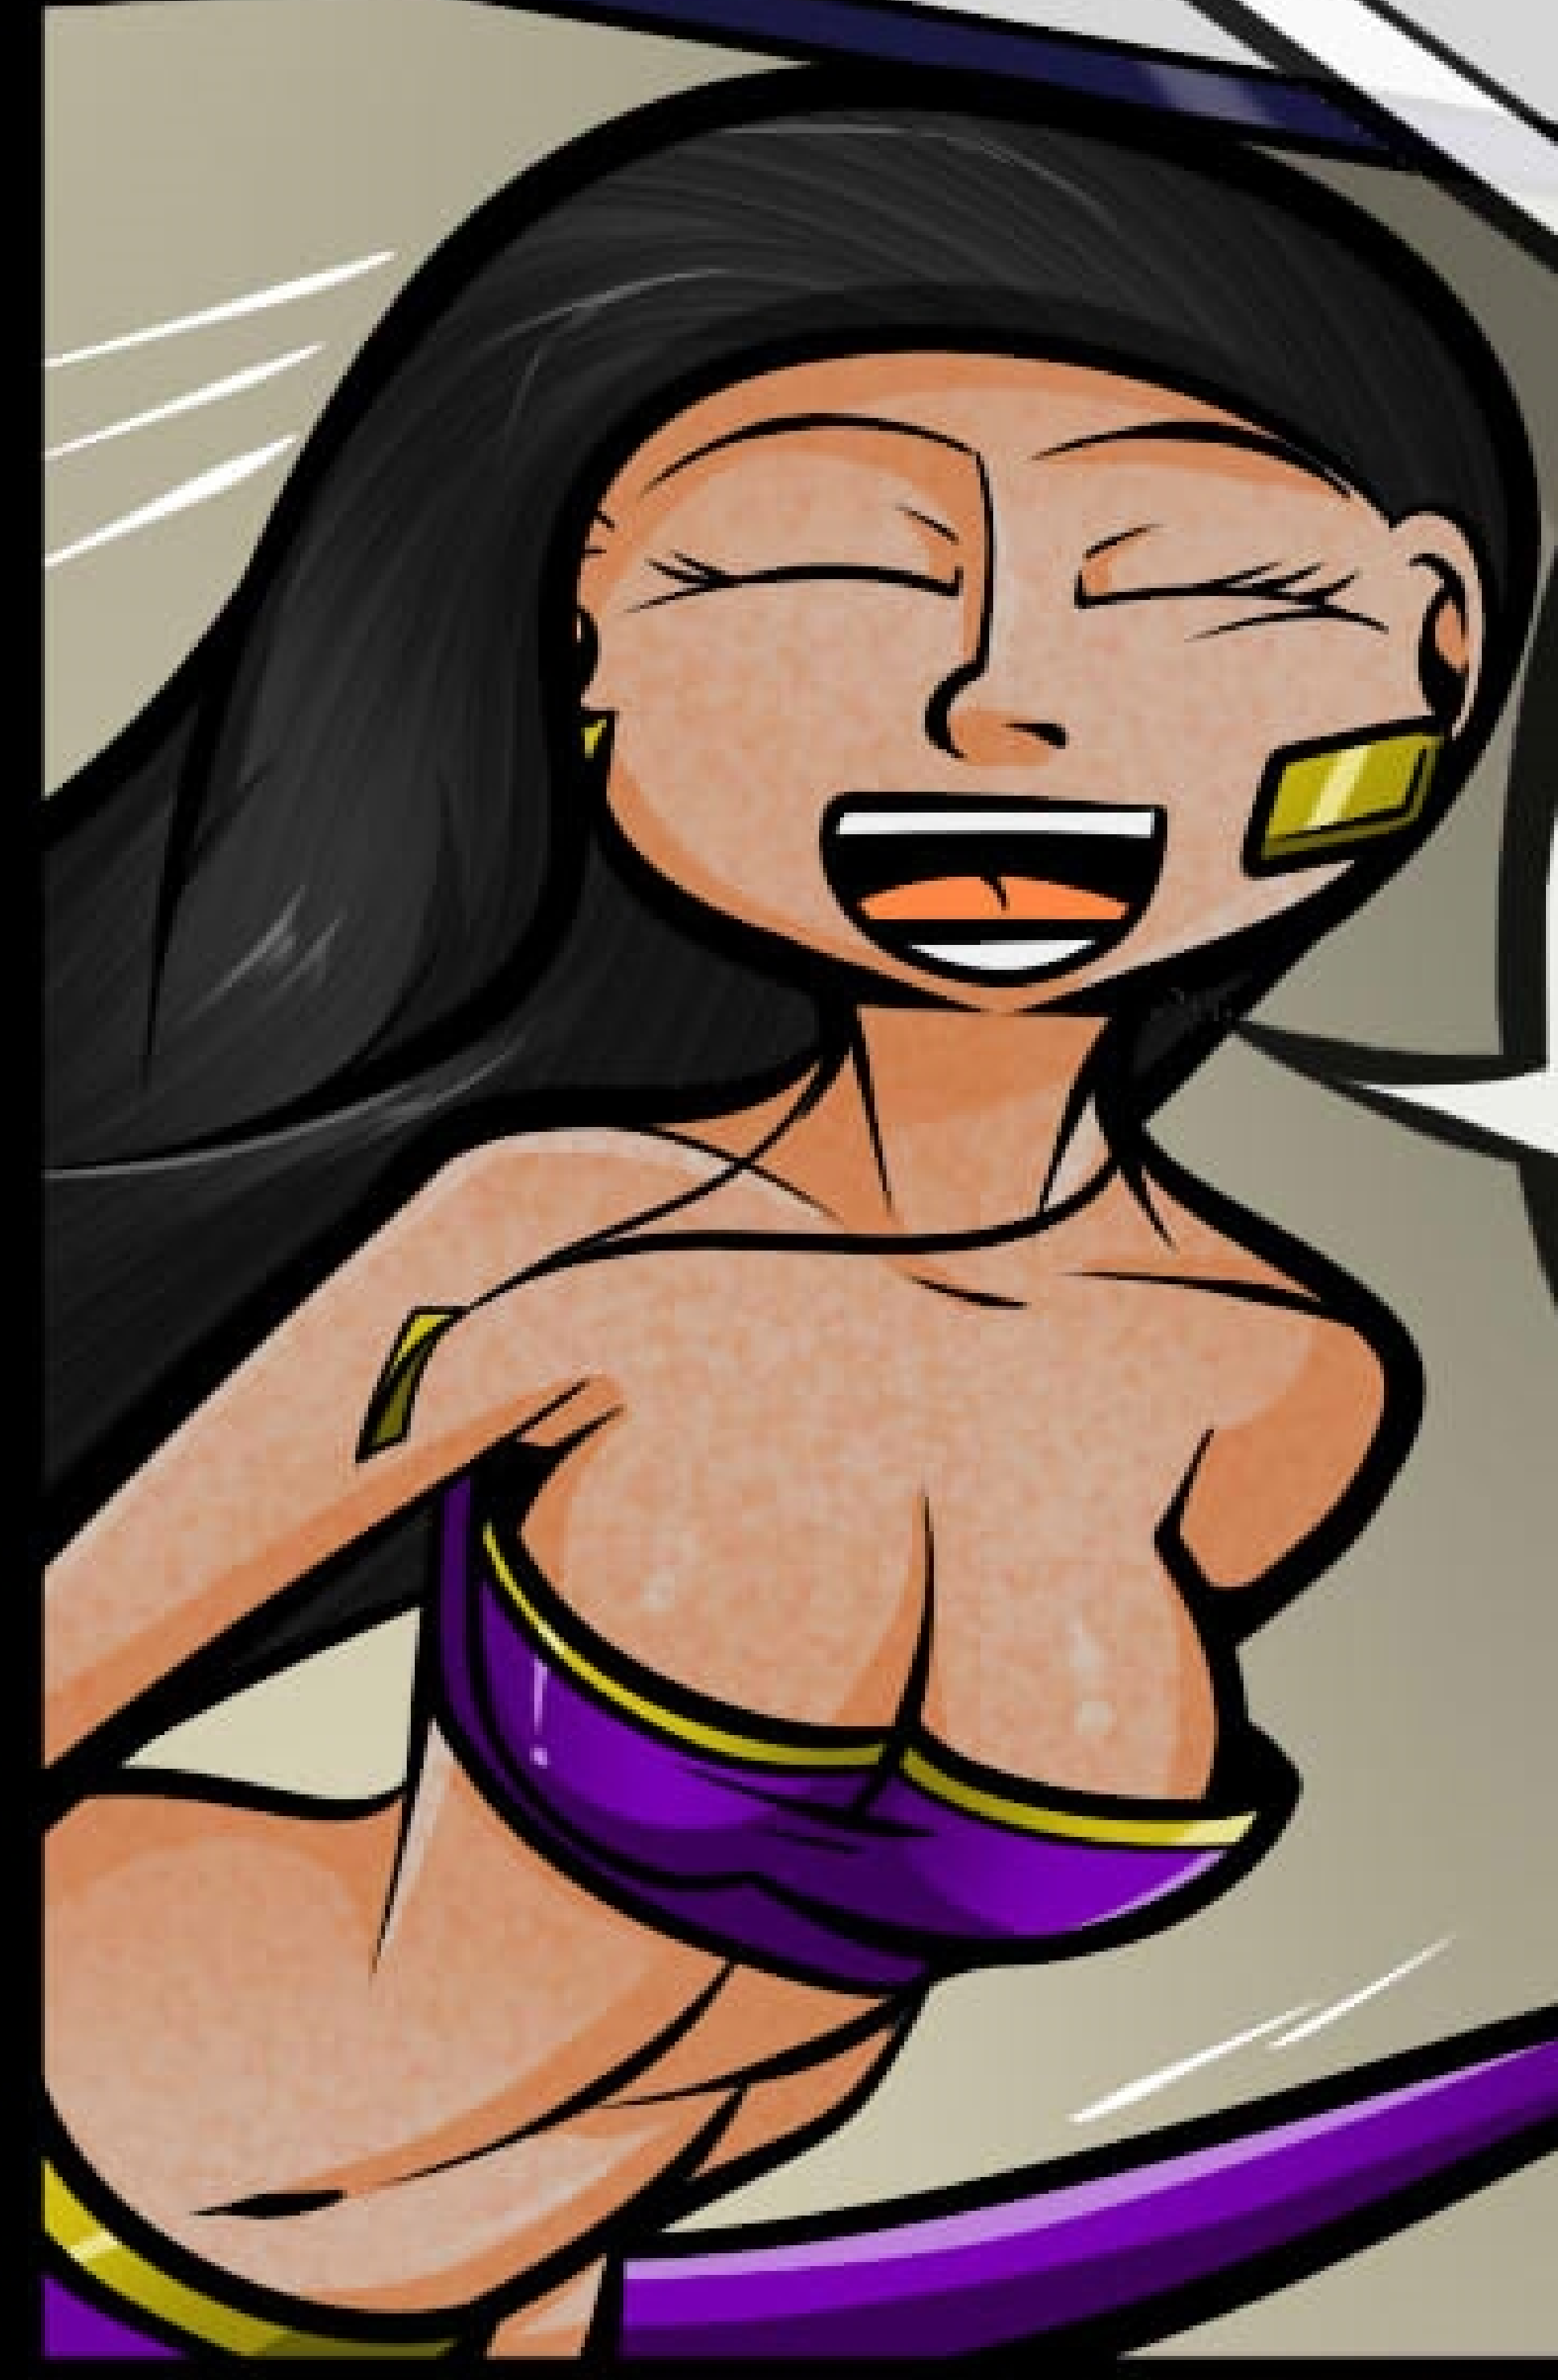

*Squeeze...* *Squeeze...*

everyone will  
experience  
the other

Isn't it great?

**Oh no...**

**What have
