

A GUY IN A DRESS...

That sounds like a fun prank!

All right! That lazy old dog is sleeping!
Time to set up my greatest Prank on Bubba...

I told him I was gonna hook him up with a gorgeous gal
for tonight's ball... but he's gonna lose his shit once
he realizes his date is just a pig in a dress.

Or maybe not, he's so stupid
he'll probably fall in love with it.

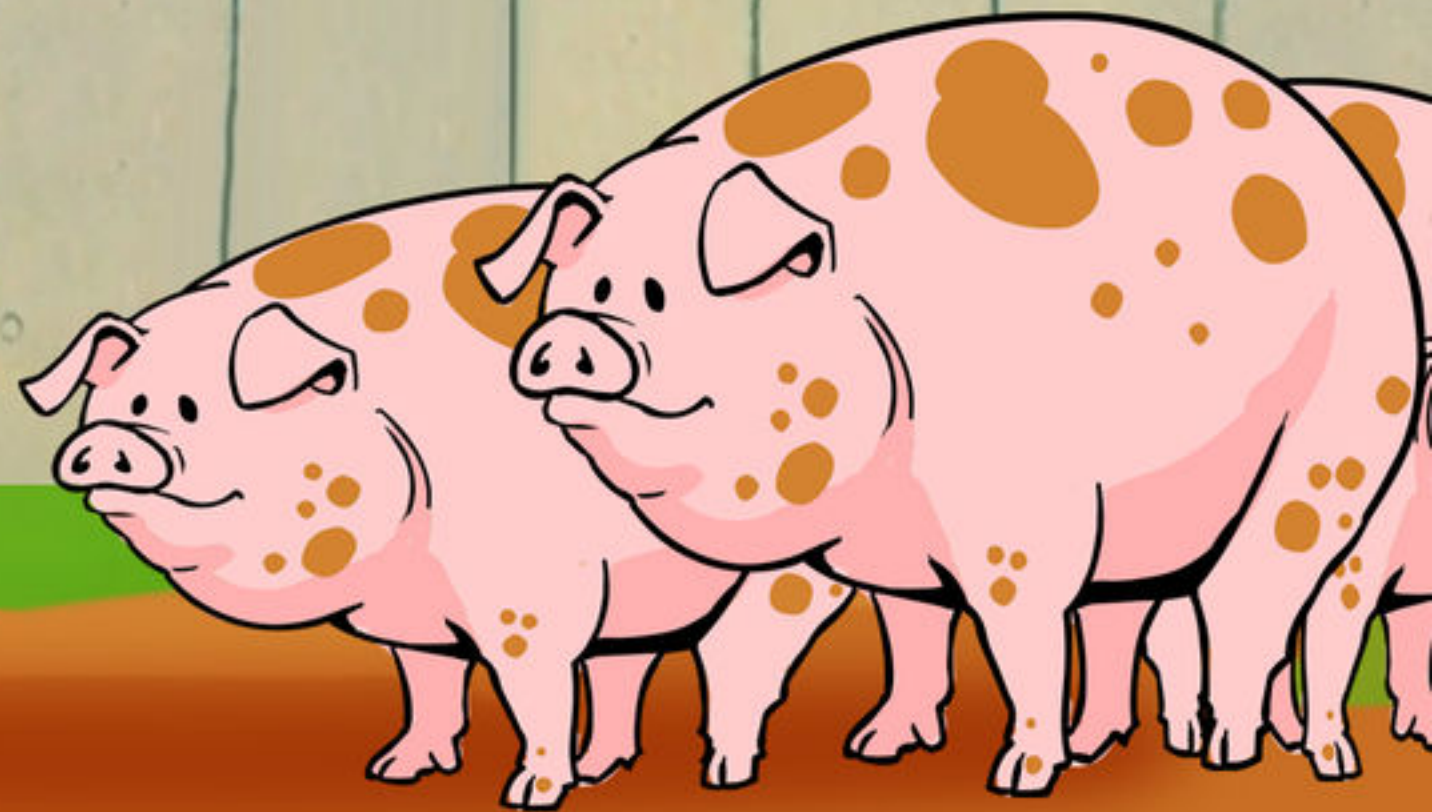

This prank is perfect, and there's no way it can get me in trouble.

...Unlike like last time.

I almost burned Town's Hall with those firecrackers. But It sure was fun to see Bubba running on fire like a headless chicken. Good thing Momma talked my way out of jail with the sheriff.

Let's see...
which one of you wants to become
Bubba's date for tonight?

Billy Bob Thomas!
Are you trying to steal my pigs
for one of your silly pranks?

No, Ma'am I'm no thief.
I'm just trying to fit this dress on one of these pigs
so Bubba can have a nice date for tonight's ball...

Well that sounds like fun, son.
But I don't think a pig in a dress
as his date would be as fun as...
A GUY IN A DRESS!

A guy in a dress as Bubba's date?
Oh that sure sounds funnier than my idea.
I can't wait to see when he tries to kiss "her".

Well, I think I can help you with that.
I know the perfect sissy boy for the job!

He doesn't know it yet,
but he'll look amazing in
a dress and high heels.

You do? That's great!
If he's such a sissy as you say maybe we could convince
him to become Bubba's girlfriend... or even his bride!

Bubba's so dumb he won't even notice
he's marrying another man.

This will be my best prank EVER!
Thanks Auntie Martha! Let's go get that sissy!

It's like you're reading my mind, boy! He's already nearby. In fact he should be right over there, inside that barn, in just a few minutes. I think you should go there and send "her" a message. Take this paddle and make sure "she" gets a good spanking before she meets her man.

We need our sissy to be on her best behavior.

Will do , ma'am!
I'm gonna go there right now and "send her a message".

I'll go get Bubba, he's going to be so excited when he gets to meet his darling, Annabelle.

All right, sissy boy!
Get ready to become Bubba's future wife!

Where are you hiding little faggot?

WHAT THE HELL?

Thank you Auntie Martha, when Billy Bob told me he'll set me up with a date for tonight's ball I was sure this was just another of his stupid pranks. But since you're involved, I think maybe he's trying to make up for all these years of making fun of me.

He can be such a pain in the butt sometimes. But he's changed his ways. In fact, I heard he just left town to find a job in Success City.

The girl you're about to meet is actually his cousin Annabelle. She's not much of a talker and a little shy.

So her parents decided to send her under my custody to give her a well deserved make over, train her as a good housewife and make sure she finds a good husband.

And I think you are the perfect man for the job!

Oh boy! I can't wait to meet Annabelle! I hope she's got the looks from Billy Bob's mother side of the family!

She does! You are going to fall in love with her! Just promise me you'll take good care of her. I'm sure she'll make a wonderful wife for you.

Look, here she comes!
Ain't she an angel?

This little dolly is Annabelle!
She's kind, loving...
...and looking for a husband!

Hello dolly!
I'm Bubba.

Bubbu!?

Bubbuh, wuut,
Ut's mu...
U'm Bullu Bub...

Don't be shy, girl.
Go get your man!

SPANK!

Yes it's you! Billy Bob's
gorgeous little cousin, Annabelle!
I can see the resemblance.

Don't worry! I'll take
good care of you.

Huuswf?
BUT U'M A MUN!

It's a shame Billy Bob ain't here to see what a wonderful couple you two make. I can hear wedding bells in your future. But for now... have lots of fun tonight.

Make sure to bring her back by midnight. She needs to be well rested to begin her training as a housewife tomorrow.

That's right! A man!

You need a good man in your life to discipline you. As a matter of fact, the whole town believes it too. We decided on it at a Town Hall meeting last night. Your *moth..* I mean your dear Auntie, **Mrs. Thomas** and I have planned a wonderful training for you. We're going to help you become an obedient, submissive and well-behaved housewife. This way we'll make sure we keep living in a peaceful, quiet town.

Oh you're so beautiful, Annabelle!
I'm so happy you didn't turn out to be
one of your cousin's stupid pranks!
I guess the joke's on him this time.

Yuuuh. Yuu cun suy thut uguun...

C'MON GIRL!
Let's go to the ball!

SPANK!

mmky, Bubbu.
