In the morning

Umm, they won't... That is kinda taken care of... You know, you might be a little surprised when you see me next time.
Surprised?
Yeah... It was mostly Maria's idea... In short, we decided to go a little further into my disguise... Umm... Though it was a big mistake to ask Sam for help.
Sam? Your ex? What does she have to do with this?
Uh, Maria convinced me that Sam is the best person who can set up the makeover... And she kinda did... But that bitch decided to make it a little too good...

Ouch!
Slap

Hey! Why'd you do that, Lola?
Don't even think about doing it again!
Yeah, right... I see someone's head is filled with fat.
Giggle Sorry, chica, but dat juicy booty of yours just made for eet. You should be more careful sticking eet out like dat.
I can't promise anything... *Giggle* Gee, I just love what you did to yourself! Though you could ask to put some of dat fat into your boobs too.

No, really... Look how tiny dey are... Mine were bigger where I was, like, fourteen.
Hey, don't touch them!..
Giggle I see dey're as sensitive as before... The new piercing really suit dem.
T-That's enough, you can't just squeeze them like that.
Shh... Dere's no need resist eet... You should play with dem more often, chica... Just like dis...
Moan No, I won't let you do what you did last time!
C'mon, don't run away from me! Oh, Maria said dey also did something to your little thingy! Show eet to me!
Fuck off, Lola!

Uh... Sorry, that girl is just unbearable... So where were we?
Oh, sure... She totally is! I thought I'm gonna kill her when I saw those tattoos!
Yeah, they're so girly!.. And those piercings too! Gosh, she just had to make me look like a Latina, but not a slutty one... Ugh, she's gonna pay for it!
No, I'll deal with her myself when I come back from Mexico. Right now I have other things to worry about. Actually, I gotta get ready for the plane.
You were talking about Sam being a bitch.
Tattoos?
Shit... Ghm... It sounds terrible... So what are you gonna do? Look, if you need help to pressure her...

I see... Umm... So we won't have time to meet before you leave?
Of course, I understand...
Yes, yes... Umm... Of course, I'll come!
Yeah... Umm... Take care out there, Daphne!
Bye!
I'm sorry... You know, it's better not to attract unnecessary attention right now.
You'd rather visit me later in Mexico when I settle in. You'll come to visit me, won't you?
Great, then I'll be waiting for you, cariño.
Uh-huh. See ya!

Oh, shit...

At the airport

Whistle
Look over there, dude!

Hey, not everything ees about you, Dee. Dey look at us too.
And, chica, you wore such skirts before, no?
Well, get used to eet, chica. Dat's de longest skirt you can wear.
Si, you gotta match our vibe, Dee.
I told you this skirt is too short, girls! Everyone is looking at me!
Yeah, but there was the hip shaper under them and now... Umm... It feels totally different.
No way, I'd rather match my sister's vibe, right, Maria?
Wear what you want, cariño, but I think dis ees not de way you should talk, no? Where ees your accent, chica?

Sophisti-what? Listen, Hermana, I'll tell you secret... You just need smile and giggle when you talk. Dat make you look like you know something.
Oops, I forgot about eet, lo siento.
Well, those thugs won't listen to dese excuses. And get ready, once we're in Mexico, only Español should come out of your mouth, got eet?
Sure... Umm... De problem ees, I still don't know many words and have some troubles wiz making sentences... I'm not sure I'll manage...
Eet's okay, nobody's expecting sophisticated talk from a girl like you. Look at Lola and Tali, dey've lived to dese days without knowing what ees "Sophisticated".
Eet doesn't help you, Lola...

Hmm, Camila Ramirez, is that right?
Just a minute, I'll check the database... Also could you take off your glasses, Miss Ramirez?
Si, dat ees me, señor.

Uh... Ees dere any problem, señor?
Aaand... Do I look fine?
Ghm... N-No, not at all... I just... I just had to check if you look like...
Yes, yes, very fine... I mean... Everything is in order here... Umm... I won't delay you any longer. Have a smooth flight, miss!
lunch
lunch
break
meeting

Oh, dere's no need...
Giggle Just my stuff, actually. I barely squeezed eet dere.
Oh, muchas gracias, señor!
In fact, let me help me with your luggage, miss!
I'd insist! A lady like you shouldn't lift such a weight... Oh, what's in there? Stones?
Don't worry then, I'll take care of it. You may proceed to the plane.

Whew, it actually worked!.. I never thought that Rosalinda's tricks from "Rosa, la flor del amor" would ever come in handy. *Giggle* He totally fell for that...
Wait, why am I so happy about that? I was just flirting with a dude!.. Okay, this was just one time thing due to the emergency and you better forget about it, girl!

Really? Den why he smiled from ear to ear?
Si, you gave him your number, didn't you?
Hey, chica, what you chirped about wiz dat cute guy?
What?.. Umm... Nothing...
Did he? I didn't notice.
Sure, sure... Listen, eef you liked him we're not gonna tell anyone.
What? Oh gosh, let's hurry up, chicas, we're gonna miss de plane!

Adiós, Los Angeles, I'll see you in a year, I guess... Gosh, I hope Granny eesn't looking at me from up dere.
Really? Oh, so where exactly are we gonna live?
Well, if dis isn't de adventure she wanted for you, den what ees?.. Trust me, time will fly by quickly. You won't even be able to miss LA. Besides, I think you're gonna like your new home.
You'll see. Dat's de place where I grew up... So many memories about eet...

An hour later

Pant
Pant

No! *Pant* There was a set up!.. *Pant* Are they... Are they gonna kill us? I gotta run! I gotta tell father!

Hello, father!
Daddy, you're home!
Camila! Come here, sweetie.

What? No, my dear...
Wait, what is it, daddy? Y-Your hands... You were doing bad things again, weren't you?
Sob You promised me... You promised you're not gonna hurt people... *Sob*

Shh... I'm sorry, sweetie... Some things have to be done, whether I like it or not... But soon it'll be changed. I'm gonna end this madness for you, my dear.
Sob... *Sob*...

Argh!.. No, stand up!.. I don't have time... I gotta run to my father... Ugh... Why don't my legs listen!?

Did you want to see us, Leader?
Ghm... I did... Victor, Antonio. You're the ones who never failed me. I have a matter to discuss with you.

Yes, Leader!
Yes, Leader!
Things aren't looking good for me. My heart… looks like the fucking thing's quitting on me. Damn it, I was sure I didn't even have one... Ghm... So the doctors give me no more than three months. You understand what that means, don't you?
Good... I've already made my choice... The one who'll take my place, who'll lead our clan forward... I believe it's the right one... Tony, my boy... Are you ready to carry this burden?

Yes, my Leader! That'd be an honor...
Quiet, Victor! Are you questioning my words?
But Leader, may I know what led you to this decision? If I've disappointed you at any point, I'd like to know. I believe I've proven myself enough to claim that role just as...
No, I wouldn't dare, my Leader...

You've never let me down, that's true, but you're too weak to lead the clan yet. Don't forget the rules: you never let emotions control you, and you never put your interests above the clan's. You'll learn that from Tony while you serve as his second. Understood?
Yes, my Leader...
Great... Now that is my final order.

Oh no, it's too late! Father! Father, do you hear me?! They're behind you! Turn around! Please, father!.. Please, turn around!

Nooo! Father, noooo! Please! Please, don't die!

Aahhhh!

Shit... Everything is fine, Maria... It was just another dream...

Huh? Why is Camila's bedroom opened?

Oh no, where is she?! Where is my little sister?!

Mother! Mother, Camila isn't in her bedroom! She's nowhere to be found!

M-Mother? Oh mother...

Oh mother, what have you done?
MEDICINE BOTTLE

Why? Why did you do this to me!? Mother! Why!?

Hey, are you alright, chica?
Aaahhh!

I didn't know you talk in your sleep. Must have been a bad dream, huh?
Nothing I could make sense of. Your moans were scary though.
Shit, dat's nasty... Anyways, I think we've arrived in Mexico city.
Uh... Yes, yes, I'm fine...
Uh-huh... Did I... umm... say something?
I bet dey were... A giant hairy spider was after me, can you imagine?
Great... Just give me a moment... to catch my breath.

A few hours later
Oh, don't be like that, Maria, it's charming here. And the folks are really friendly.
Yeah, it look not that disgusting... Not like LA, but still...
Giggle
What? I say something wrong?
Here it is, my ladies, the city of Poza Rica! Of course, it's not the capital of the world and some would say it's a boring place...
I see you weren't lying about your Spanish, were you, Dee?
Sigh Just try not to talk much until you get better, okay?.. Alright, let's go! Our place is a few minutes from here.
The characters now speak Spanish

Listen, Maria, I just think... You still not tell me where your sister is.
But I think I need know that, if I pretend be her, right?
What? But why?
Uh, you again with that. She kinda left us... I'd rather not talk about that, sweetie... You know, family stuff.
Well, it's good that you've brought it up... Camila's identity helped us to cross the border, but now you'd rather... you'd rather not to be her...
Umm... It's just that some people know her in this city and it will be hard for you to... umm... imitate her. So you better give me back her passport, okay? And also take off your lenses.

Fine, but now I really not understand what the plan is.
Don't worry, I have everything sorted out.

Now look at you, my dear niece Daphne... umm... Ortega from... umm... Buenos Aires. You've grown into such a charming young lady.
It's okay, we'll polish your biography later. As for the documents, now that we're in Mexico, I know people who can get them for you.
No way, we just made you get used to this one. Also you should start calling me aunt Maria.
Seriously?
Oh, it mean I can choose a new name!
Na-ah, I'm a rebellious niece.

Who you take me for? Of course I do.
Entre-who?
Whatever... But don't think that's all I have for you. You do remember that I owe you one, right?
Then you're gonna be happy about this one. The place we're heading to is my grandma's house. Your granny was an entrepreneur, right? You can say the same about mine... Well, sort off...
Uh, like a businesswoman... So she'll be able to give you, or rather Nick Simmons, a job. Of course, it'll be only for the record. Meanwhile, you'll be staying at home drilling your Spanish, so you can get that diploma at the end of the year, got it?

Wait, really!?
Gosh, thank you, Maria! I just worried how I get a job here.
Uh-huh, it surely does... Gee, now it look like a vacation for me.
Yeah, I thought you'd prefer this over an actual job.
No problem... I hope it evens things out.

Five minutes later
Yeah, what's wrong?
I did tell you she's an entrepreneur, didn't I?
Holy shit, Maria, you sure this is right address?
What wrong? It's a fucking mansion! Now I have lot of questions to you.
I see... And what she sell? Guns? Or worse?

Don't be silly, she doesn't sell anything... She's a witch.
I'm totally serious. She's been working as a witch for forty years already.
Oh, she is a real one! C'mon, are you coming in or not?
A witch? What you mean, a witch? It's not funny, Maria, I ask you seriously!
But witches are not real!

Land sakes, look what the cat dragged in...

Maria? Why on earth did you decide to show your face here?
Staying? What is the meaning of this, honey? And mind you telling me who those three are?
Gosh, she really look like witch...
Nice to see you too, Granny. You're in a great mood as always, aren't you? The girls and I need a shelter, so we're staying here for a bit.
Uh, they're my friends. It's alright, I wouldn't bring anyone here I couldn't trust.
Uh-huh...

What did you just say?
Your face... For a second I thought my eyes were playing tricks on me... But you're not her, so who the fuck are you?
Gulp Umm... Nothing...
I'm... It's just...
Easy, Grandma, let me just tell you what's going on...

Still only worrying about your old ass, aren't you?
Relax, no one is after me, it's solid. It looks like you were right about Carla. As for the girl... Well, she isn't actually a girl... Remember I told you about the ritzy guy I met?
Shh... I made a deal with him... A good one... Let me tell you about it, but not here.
Yeah, you better do, sweetie. I told you, didn't I? If you got a tail, don't lead it here! But not only you did that, you also brought this someone looking like a spitting image of Camila! Do you still have at least a piece of common sense in that silly head of yours?!
Your father! He brought this on us. I've had enough of it!
Hmm... The one Victor is looking for? Maria, tell me you're joking!

What?
Granny...
Fine, I guess I'll let you come in... at least until we clear things up with Maria. But don't touch anything here or I'll turn you into frogs!
Just joking... You can sit yourselves down while you wait.

Umm... I think that woman not very happy see us here.
What? Of course I not scared! Like, I not a kid to trust such things, okay?
I were not!
Gosh, it because it cold here.
Oh, Dee, are you scared that she'll turn you into a frog?
Really? You were trembling like a puppy when she talked to you.
I saw it, girl.
Sure, sure...
Gosh, who knew that Maria comes from fancy folks. I can't believe we're gonna live in a place like this!

Yeah, some things don't change.
We didn't have many options. He needed a solid disguise to get into Mexico. Don't worry, we've got a big family. No one's gonna be surprised if some 'niece' suddenly shows up.
...So you decided to babysit him after all. That's very you.
You're playing dangerous games here, Maria. What is this masquerade?
My God, why'd you bring him to Mexico in the first place?

Here's the funny thing. He has to spend a year here to get the money. Spend it working. That's part of his inheritance. Victor knows that so he wants to prevent it.
Listen, no one's gonna look for him here. Not when he looks like this. We put a lot of effort into his disguise, you saw it yourself. So yes, my friends, my niece and I want to stay here for a year. Is it too much to ask from you?
He's my best chance, Granny. He promised to cover my debt. Entirely.
Honey, are you planning to keep this guy in my house for a year?
My goodness, so much fuss because of one guy. Is he really that big of a deal?

Really? And you're so naive to believe that?
I'm doing your job, sweetie. Gonna ring the right number and see if we can work out a good price for that guy of yours. Without waiting a whole year.
Hey, what are you doing?
THE PENDULUM AND THE COMPASS

Hmm, is this a threat, honey? In my own house?
Do I care about you? Did I care about your mother?
No, you better not do that!
No, it's just a warning. I have an agreement with Nick. He's a good guy... A little spoiled, not the brightest, but still decent. So I'm gonna keep my part of the promise. And you're gonna help me... You're gonna help me if you still care about your only granddaughter in the slightest!
I don't know, you tell me.

Screw the clan! Screw Victor! I'll let him choke on that money, but won't sell out my friend! That's what my father would do!
Are you gonna help me or not?
Maria, if only I could... I'd love to see you living without any worries. But you know it as well as me... Once you're in the clan, it doesn't work like that...
You haven't grown up at all, have you?

Alright, girls... As Maria assured me you're trustworthy, you're gonna stay here as my guests.
But... You'd better not cause any trouble for me and my clients, got it? Because I know you, girls. No drunken parties, no fights or any other nuisances and most importantly, no bringing your boyfriends here, do I make myself clear?
Yeah, very clear, ma'am!
Gee, thanks, ma'am!
Totally clear, madam!

And you!
You need a job, don't you?
No, no, no, why should we fake it when I have a real job for you? Do you know how to cook?
It's okay, Maria will teach you. And I think you have no problems with performing other chores, do you? Catalina, that old hag, has got lazy as a flea. Comes here twice a week and asks for a bag of money for that. It's high time for me to replace her.
W-What me?
Umm... Yeah, but Maria say it gonna be fake one... Just on paper.
Umm... A little...

I gonna replace?
Housekeeper?.. Umm... What it mean?
Yeah, you're gonna be my new housekeeper, got it?
Oh, dear... Maria, are you sure she'll manage?
Go easy on her, Grandma. A few months ago she couldn't say a word in Spanish... It's like a maid, sweetie? Do you understand?

C'mon, Dee, it's the best we can find right now. I mean, this isn't worse than serving drinks in a bar or whatever else you're capable of.
And there won't be any questions about your documents.
As I said, nothing a girl like you can't manage. You just gotta keep this place neat and running.
Delacruz... I'm Beatriz Delacruz. Then it's decided. I'll prepare all the paperwork, so you can get ready to start your duties tomorrow.
Me? Maid? I not sure...
Well... this is totally better than bar...
Umm... You are right, I guess... And what about my duties?
Okay, it not sound bad... I gonna work for you, madam... umm...

Now make yourselves at home. If you need anything, you can find me in my office... But from eight to four I'm not to be disturbed as I see my clients. Go ahead, pick whatever rooms suit you.

Not so fast, girlfriend, I'm not letting you steal it from me!
Got it, the biggest one is gonna be mine!

You know, Maria, longer I know you, more I feel like I not know you at all.
Yeah, why you not told me that you were rich too?
So how it happened that you in debt now?
Oh, I sorry...
Is that so?
Well, you never asked, honey.
How? Eleven years ago my father was set up and killed by the mafia... Since then, everything has been a fucking mess...
It's okay, you just asked.

Well, it really doesn't look bad... Except a little old-fashioned.

Whew... Now to bear a year here... It's not how I expected it, but without Maria's help it could be worse, right? I was really lucky to meet her.
Her granny is a little grumpy, but she agreed to take us in, so I have no right to complain. I wonder if she's a witch for real... I mean, of course not... Probably she's just playing a part and takes money for that.
And this job... That means I don't even have to leave the house, talk to people and take any risks. All I have to do is a few chores. How hard can that be?

The next morning
...So, mopping the floors and dusting - once a week. Changing the bedding is also once a week.
My office is to be cleaned daily, after I've seen all my clients.
Don't forget that the bathrooms have to be kept tidy as well. Naturally, all the laundry is also on you.
About meals... We'll discuss it later. Hmm... What else...
Uh-huh...
Okay...
Gosh, it is a lot...
There is more?!

Oh sure... If someone is staying, you're about to take care of their mess too. That includes your friends.
Of course, who else do you think is gonna do that?
Wait, after them too?
Giggle
Giggle

Hey, what so funny there?
You can only dream about it! What you two even do here? You were gonna find job for yourselves.
Ugh... I not pretty little...
Did you hear that, Dee? You're gonna be our personal maid now. Look, I need you to wash my panties...
Yeah, who knew we're gonna have such a pretty little maid.
Well, now it can wait.

Uh, excuse me...
Umm... One more question... I really need look all this fancy for job?
Uh-huh...
I mean... Yes, madam.
Don't get distracted when I'm talking to you, young lady.
So, is everything clear to you?
Obviously... I deal with all kinds of clients here and that includes very important people. So you need to look presentable and neat, be polite and friendly, understood?
What? I don't hear you.

Now this place could use some dusting. Also the first clients will be here soon. You are to greet them and lead them to my office.
Wonderful. Now chop, chop, missy. I'll be inspecting your work later.
Yes, madam.

Gosh, where to start...

Nice try, girls, but you not who can tell me what to do.
Oh, and don't forget to prepare the bathtub for me, maid. With bubbles and rose petals, just how I like it.
Yeah, so naughty... Should we punish her?
You can start from massaging my feet, missy.
Look at her, Tali!
Obviously...

Remember what madam Delacruz said? No fights.
And who do you think she's gonna believe? It's two against one.
Hey, stay far from me! I gonna fight!
You starting this! I gonna tell her!
Yeah, you gotta be a docile little maid, DeeDee.

Thank God you here, Maria. Help me, these two wanna assault me!
Actually, where you go so early?
Oh no, you can't leave me alone with them.
Hey, you look nice, Dee. Excited for the new job?
No can do, sweetie, I'm kinda in a hurry.
To Mexico City. I need to order new documents for you and do a few other things.
C'mon, you're a big girl, Daphne. I'm sure you can stand up for yourself.

Stop running from us, maid!
Yeah, you won't go far away on those heels!
Your job is to serve us!
C'mon, girls, let me do the job!

Mexico City, a few hours later

You're new here, aren't you? Name is Maria Ramirez. I'm here to see Victor.
Ma'am, this part of the restaurant isn't open to guests. You're not allowed to go further.
Ghm... Miss Ramirez? Oh, excuse me... The Leader is waiting for you.

...And that's when he realised he should've taken my offer... Too late, though. The stone was already pulling him down, ha-ha-ha...
Giggle
Giggle

Looks like I interrupted something...
Leader, you have a visitor.
Maria? Well, well... I was wondering if you'd show up.
No, not at all. The girls must've gotten hungry already.

Yeah, honey, we don't need anything else.
But the most delicious thing is here, daddy.
Ladies, would you go and order yourself something delicious to eat? My treat.
And that's why I love you, girls. Don't go too far. We'll pick this up later.

Would you like something to drink? Whiskey, tequila or wine?
No, thanks.
Suit yourself. I'm gonna have some though.

C'mon, are you just gonna stand there? Sit down, make yourself comfortable.
Bhrr... You're as cold as ever, Maria. Relax, I invited you purely for friendly reasons.
Get down to the business, Victor. Why did you want to see me?

First of all, I have to apologize for that blast in your house. It never meant to happen. My wife Carla... She did that behind my back. When I found out I was furious.
And I was relieved to know you came out alive and unharmed. Carla, on the other hand, has already paid for her mistake with her life.
How thoughtful of you. If I hadn't gone to the cellar to get wine, I wouldn't be standing here right now.
You don't seem very heartbroken about it.

So you're back to Mexico, aren't you? Planning to stay here for a while?
Don't make me laugh. They're just mere entertainment. A way to kill boredom. I'm looking for something more...
Me? No, grief doesn't suit me. Besides, Carla was too crazy to be worth mourning. You see, that's just my terrible luck with women. It's hard to find love when you hold so much power.
Hmm, you sure that's your problem? Those two "ladies" seem to worship you though.
Well, good for you.

Yeah, as long as nobody tries to kill me again.
Don't worry about that. Nobody touches you, that's on me now.
I didn't come here for apologies. Your lackeys mentioned you wanna discuss my debt.
Of course, your debt... Quite a sum, isn't it? Let's be realistic, Maria, I'm not getting that money from you anytime soon, am I?
Who knows...

Listen, what I want to propose to you is not a deal, but rather a chance for us both to move on... I get that things are a little tense between us, given everything that happened...
Don't you think it'd be best to leave the past behind? You should know that I adore you, Maria. I wish I could get to know you better...
A little tense, huh?
Really? I thought you didn't like me before.

Well, my tastes have changed and let's be honest you've grown up too. I want us to start over. Stay with me, be my woman! And I'll erase your debt like it never existed.
Don't put it like that, Maria. As I said, I want more than that. I'm looking for a soulmate. Someone who'll stand by me no matter what. Wise, caring and goddamn beautiful. You.
No, it's not like...
So that's what this is all about... You just want to fuck me after all. To get the most expensive slut you've ever had, right?
You should know that money and power won't give you everything in this life... To leave the past behind, right?.. To forget what you did to my family?.. To swallow it... To swallow it and betray all my beliefs, that's what you want me to do?!

Go to hell, you filthy pig!

Why are you crying? We both know there's nothing down there!
You lost your chance! Ten years ago I offered you myself, but you wanted Camila. Now you'll get fucking nothing, do you hear me?!
Argh...
You, bitch...

It's okay, Miguel, there's no need...

You should be grateful that I gave her time until she's eighteen.
You know, I'm risking a lot just by letting you live, not to mention what I'm offering you right now. But there's no guarantee I'll always be this generous.
Let go of me, you bastard!
Screw you! I'm paying off my debt and I'm out of the mafia, got it!?

Good luck with that... You know very well, Maria... There's only one way out of the mafia. You're not getting away from me. Not ever. So think carefully about my offer.

Fuck! Fuck! Fuck! One day I'll kill that bastard, I swear I will!

The next day

Oops, it look like I gotta come later after all.

Dee? Come in, don't be shy. I'm just getting ready.
Ghm... Maria, you remember that I was a guy, right? I mean I still am... I am a guy.
Hmm, were you though? Honestly, it was so long ago that I'm not sure anymore...
Haha, very funny... Well, it not that I mind... I have to say they're... umm... magnificent.
Learning big words, aren't you? Okay, I'll cover them up so you don't get jealous.

Ah, to be honest, I expect it to be little more easy... And I need tell you, your granny is not the sweetest lady. I think she don't love me from the start.
Hmm... I wonder if she give me some vacation, if I be nice to her.
I know, I just thinking...
So how are you doing with your work? Is everything fine?
Oh, trust me, that's her being nice. Just don't pay attention to it and you'll get along just fine.
It's your second day, Dee.

Really?
My backstory?
Okay, so what is up with this Josefa?
Well, the good news is, your new documents will be ready in a few days. Your birth certificate and ID.
Yeah... And I thought it'd be great to go over your backstory while we're waiting for them, shall we?
It's just so you're prepared if anyone starts asking questions. I dug through our family tree and found exactly who we needed. Her name is Josefa Rosales and she's my distant cousin from Argentina. Very distant and luckily very unremarkable.

You're gonna play a part of her daughter... Actually, she never had one, but that will be fixed.
Ghm... It's not a big deal... My family just have a lot of connections, that's all.
Whoa... Umm... You really can arrange it just like that?
And what this lady think about it? You asked her, right?

Not much, she's already dead. As I said, her life wasn't very... umm... sparkling. She got kicked out of college for bad grades. After that, she tried working as a waitress, which apparently wasn't her thing too. Eventually she ended up in some cheap nightclub... God knows what exactly she was doing there.
Also she loved to drink... a lot. But even more than that, she loved men. Seems like she slept with just about every guy she met. So your father could easily be among them. But of course, you've never seen him.
Okaaay... This everything I need to know?

Umm... Maria, you can't find anyone more... normal?
C'mon, what's the difference? Most importantly she fits our story. Anyway, over time, her drinking got worse. She developed cirrhosis of the liver and eventually died. That's pretty much everything we know about her.

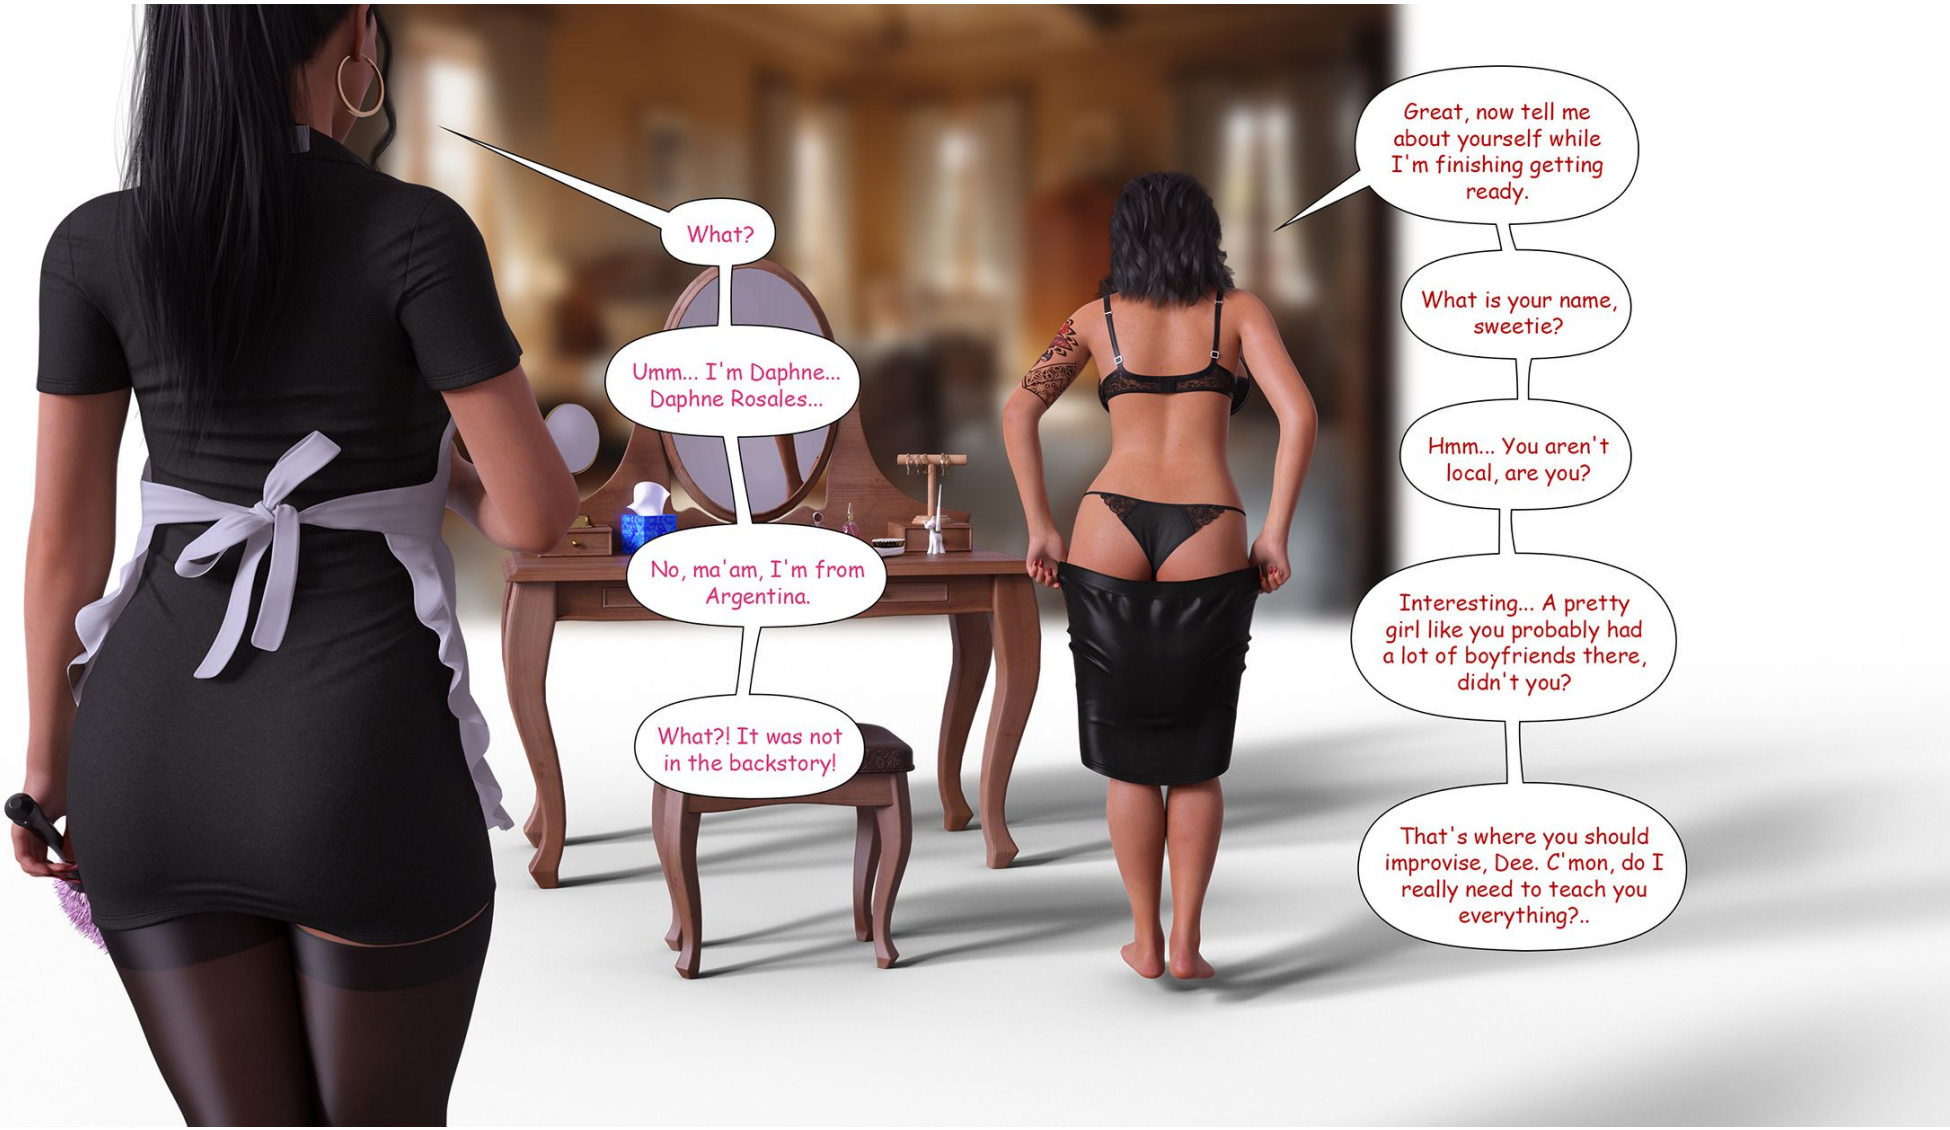

Okay, now about you. Your name is, of course, Daphne Rosales. You were born in Buenos Aires, and you're nineteen.
Yeah... Not much to brag about, I guess...

Well, your mother would be thirty-seven now, which means she had you at eighteen. That woman could've done it earlier, sure...
Good, what else?.. Oh, what do you think we should do about your education?
Nineteen? Hey, why nineteen?
I got it... Nineteen it is then.

My edu-what?
Hey, I not a ditz!
Uh... Nevermind... It seems you've got your mom's genes. So you made it through school more or less, but then you quit studying, because you had to look after your sick mother. That'd explain why you're such a ditz.
Sure, sorry... You just had a tough life, sweetie, I understand. That's why I agreed to help you after all.

Seriously?
Yeah! Who the hell gonna ask me all that?
Yeah, when your mother died you had nowhere to go and then you found out you have relatives in Mexico. You contacted me, told me your story... Gosh, such a poor thing. The least I could give you was a roof over your head and a job. So now you're here... Do you have any questions?
You never know, Dee. You're going to be here for a whole year. What if someone wants to get to know you? You need to sound confident when you talk. Now have you remembered all this?

It's alright, I'm gonna text the whole thing to you, Lola, Tali and Granny, so we're all in the loop. Go over it when you have time and make sure you don't forget your mother's name, okay?
Umm... Yeah, most of it... I think...
Uh-huh...

Great, now tell me about yourself while I'm finishing getting ready.
What?
What is your name, sweetie?
Umm... I'm Daphne... Daphne Rosales...
Hmm... You aren't local, are you?
No, ma'am, I'm from Argentina.
Interesting... A pretty girl like you probably had a lot of boyfriends there, didn't you?
What?! It was not in the backstory!
That's where you should improvise, Dee. C'mon, do I really need to teach you everything?..

Twenty minutes later
Maria?.. Where are you going?
You went to Mexico City yesterday to see Victor, didn't you?
Uh... I can't just sit around doing nothing. Gotta find some work too. Why do you ask?

As always, nothing gets past you.
Oh, you know Victor. Nothing good comes from that bastard...
Sigh Looks like he's not gonna leave me in peace anytime soon. He wanted to buy me... The same way as Camila.
Chuckle What do you think?
What did he want from you, sweetie?
Maria, I don't like being led around in circles.
And you?

I told you I'm sticking to the plan with the kid.
That won't work. Just looking at him makes me want to throw up. I couldn't pretend, even if I tried.
Pity... That could've been a good opportunity for you.
That's not what I meant. You could play along. Make him believe you. And stab his heart when he least expects it.
For God's sake, you think I liked every man I dealt with? Maria, sometimes things have to be done, whether you like it or not.

You should stop trying to teach me how to live. That time has passed.
Exactly. See you later, Granny.
Yeah, you're right. You're not a child anymore. You'll figure it out yourself.

She won't figure out a damn thing... Will do what she thinks is right. And in the end, I'll be bringing flowers to her grave too... She's too soft for this life...
If only Camila hadn't run away... Everything would've been different... Dumb little brat... If only...

Hmm?

Is she fucking sleeping in my chair?
My goodness, she looks so much like Camila... They really did an excellent job...
Almost the same beauty... The very same beauty...
Hey, wake up, girl!

Huh? Oh, sorry, I fell asleep? I just cleaned here and then... Umm... Your chair is so comfortable, madam.
It's okay, I know it is. Now would you stand up for me, young lady?

What? Actually, all the girls in LA were crazy about me... It's just those pills... And the diet...
I wish I know... Some botox thing or something... It has go away with time.
Hey, what are these questions, ma'am? It very well hidden, if you worry that someone can notice something.
You know, you're awfully pretty and delicate for a boy in a dress. You weren't much of a macho before all this, were you?
Pills? Interesting... And what about your face?
I see... And down there... Do you look like a girl too?
Good, I just needed to make sure your disguise is solid. You can go back to your chores, missy.

Perhaps I know how to help you, Maria... Yeah, it's worth a try... But she's not ready yet. Gotta do some preparations...

So days started flying by one after another...
Tali! Where you think you go in your dirty shoes? I just mop the floor here!
Oops...

Here. Put the slippers on, girl.
Of course, 'cos Grandma gonna yell at me, not you.
Gosh, Dee, you're so serious about it.

C'mon, Tali, do you joke with me? What this mess you made in here?
Gosh, you're the worst...
Well, missy, I figured now that we have a maid, I don't have to worry about it. It's your job after all.
Giggle I wouldn't say that. You should check Lola's room first.

Wait, girl! I forgot about this pair.
Yeah. But wash all this very carefully, maid. If you ruin something, I'll have to punish you, got it?
Is it all?
Just put it on top, Lola. I can barely hold it already!

Here's your coffee, ma'am.
What a nice young lady you've got as a maid, Beatriz. Is she a relative of yours?
Oh, Buenos Aires? My son studies there. Perhaps you know him, sweetie? Which university did you go to?
Yes, Daphne's our distant cousin from Buenos Aires. She's not exactly the sharpest needle in the sewing box... but very helpful around the house.

Aw, honey... You're so young to have all that on your shoulders. And it must've been difficult leaving your hometown. What street did you live on? Was it anywhere near the coast?
You don't remember where you lived, dear?
Umm... I did not... I just finish school, ma'am, and then I had take care of my mom.
Street? Yeah, the street... I... umm... I not remember...
Didn't I tell you, Ramona? You know how the girls her age are. She can barely remember what she ate for breakfast, but can tell you everything about her makeup routine. Her head is full of other things... You better go now Daphne.

C'mon, Maria... Is this actually necessary?
Alright, tell me more about yourself, dear. What do you do in your free time?
Want me to remind you how you almost blew it with Grandma's guest? If you can't improvise, then you need to have answers ready.

Okay, okay... Umm... What I like...
What?.. Oh, yeah... I just like practice my makeup, I guess...
A girl like you probably spends a lot of time in front of the mirror, right?
Oh no, it doesn't sound like you really love it. No one's gonna buy that.

Listen, it not that easy for me, okay?
Ugh... Lola and Tali? Yeah, I know exactly how they talk... And I rather not...
Fine, fine... I'll try... But not laugh, okay?
You heard a million times how Lola and Tali talk about stuff. That's what you need. Worry less, just say it like you mean it.
Dee, it's just pretending. You'll be alright.

Omg, yes! I can spend hours in front of mirror, try on outfits and practice my makeup. It literally my therapy!
I... Umm... Like, are you kidding me? Shopping is totally my weakness. Honestly, I could live in a store... Umm... Like, there's everything I need: mirrors and tons of pretty clothes.
See? Now that's a lot better, girl. Now I believe you... Hmm... Something tells me you're into shopping too.
Keep going, girl. What else do you like to do for fun?

Uh... What else?.. Gosh, I'm obsessed with those romance movies. Like the really spicy ones with cheating and drama and super hot relationships.
What? No way! When they fight and then they make up and it's all intense and passionate. I literally can't look away.
Yeah, I watch them with Lola and Tali all the time and we're like, "Girl, don't trust him!" and then five minutes later we're like, "Okay but he's hot though." And then they kiss and it's like, "Yay! Finally!". *Giggle* It's sooo much fun!
Hmm... I thought they're a bit boring...
Really?

Oh... Umm... Maybe I went too far.
Umm... We should probably keep cooking, Maria. The breakfast won't make itself.
No, no. That actually sounded very natural. Go on, if you want.
Fine, fine, we'll talk another time. I want to know all about you, sweetheart.

Is everything alright, honey?
You've been scrubbing the house for two hours already. Maybe you should rest a bit?
Indeed, the air here is really wonderful... Then I won't bother you.

Yeah, why you ask, Grandma?
No, no, I not tired... I don't know, I got so much energy lately. Perhaps the air of Poza Rica has good effect on me.

Gosh, girl, you can be such a drama queen sometimes. Even if it is a side effect of the pills, it doesn't sound very serious. It'll probably go away on its own.
Mhmm... Careful, Maria... Mhm... I think it still because of that damn hormones!
Yeah, but what if you keep me on them for so long that it start backfiring now?

You can't just say that! Look, I think I should see a doctor to know for sure what wrong with me... And maybe do something about these things on my chest too.
Oh no, Dee, it's too risky. No one can find out you're not really a woman. Not even a doctor. The mafia has eyes and ears everywhere and they're just waiting for you to slip up. I promise we'll get you to the doctor as soon as we finish things here in Mexico.
No way, that too long! I... I gonna lose my mind until then... Okay, forget about the chest. I just tell the doctor about my lips. He not know a thing!
Sigh

Huh? Where?
Actually, Maria, I not really believe in that kind of stuff.
Alright, girl... Come with me.
You know, I barely ever went to doctors when I was a kid. If something was wrong, I went straight to Grandma and she always knew what to do. Trust me, she's really good with all kinds of herbs and other natural treatments.
And yet, look at me - perfectly healthy! Let's go, I'm sure she'll sort this out.

Another weird thing is that her breasts are more sensitive too. Maybe it's connected somehow. She was on those hormone pills for quite a while, but it's not the case anymore.
Umm... About a month I think... At first they started feel kinda tingly... but now it a lot worse.
Ghm... Sensitive lips, huh? And how long has this been going on?
Indeed, you shouldn't have been stuffing her with those pills so carelessly. Female hormones can increase breast sensitivity... But lips?.. Especially if you say she's not taking them anymore... No, it's something else.

So... Are you gonna take a look at her or something?
There's no need for that... Say, young lady, when exactly did you do the procedures?.. You know, on your face.
Umm... Like... It was right before we go to Mexico.
Thought so... Tsk, tsk, tsk, women these days... Putting all sorts of chemicals into their bodies and then crying when something goes wrong.
Wait, do you think it's all because of the fillers?

Of course, what else can it be? I bet those lips are pumped full of that crap. And her face too. That's a huge amount of toxins the body isn't meant to accept. Naturally, it'll show up as irritation in the most delicate areas.
Don't panic, sweetie, it's not that serious. The only thing you can do is to wait until that junk fully dissolves... And in the meantime...
Oh... Oh my gosh, and what we gonna do?!

Here. Apply this ointment to the irritated areas three times a day.
Yes. It should ease the discomfort for a bit. Go on, try it right now.
Ointment?

Uh-huh! It actually help. I can already feel them going numb a little.

Umm... So it go away on its own later, right?

Yeah... I think... I think it's totally fine if I get such a relief from time to time... There's no harm in it... I'm still the same gi-... umm... the same man inside, right?.. Like, of course I am... You really should stop overthinking it, Dee... Just focus and get back to work, girl.

My, my… a young lady as lovely as you, and no gentleman in sight?
You know, my son is a very nice young man. Would you like me to introduce you to him?
Oh, you say that now, but you haven't met him yet. Go on, tell me what kind of man you're looking for. I'm sure you'll end up describing my boy.
Oh gosh... You know how guys are these days... It's, like, super hard to find... umm... the right one...
What?.. Well… I don't know, ma'am… Just 'nice' isn't really enough for a girl like me…
Well... Umm...

Five minutes later
Well… I suppose that explains why you're still single, dear… Yeah, now I see that my son definitely isn't your type… and you're not his…
…and obviously he has to think only about me… umm… I wanna feel like I'm the only girl in the world, okay? *Giggle* Hmm… Is it all or I forget something?
Yeah, yeah, whatever… Now I really need to get back to work, ladies.
There's nothing surprising about it, Ramona… That's just how this younger generation is… So spoiled… They want everything handed to them… Send them back to the old days… They'd learn fast what life really is.

Huh? That's weird... My butt... It's still tingling after I wiped it... Wait... No, no, no, don't tell me... Is it, like, another sensitive spot?!.
Okay... Umm... It's fine, girl... You already know how to handle this... Meanwhile, you gotta be really careful with that place...

Fuck... I can feel it tingling... even just from sitting... Ugh... How am I supposed to bear with it?.. Mhm... I need... I need to get off again...

Ugh... Now that my Spanish is kinda better, Maria lets me go out more... She even sends me grocery shopping... Not like I'm thrilled about it... Duh, I have literally nothing normal to wear... Everything I own is either, like, super tight or basically showing everything...
And the worst part? The girls won't even let me buy anything normal, 'cos: "Dee, that's not your vibe, you are not some boring girl." And also: "Do you want those bandits to get suspicious or what? Trust me, no one's gonna question you if they're too busy staring". I swear, they're having way too much fun with this...

Gosh, now look at me... These shorts barely cover anything... My slim legs... My round butt... My flat tummy... Everything's just on display... Hmm... Looking at it like that... It really would be a crime to hide a body like this *Giggle*... Wait, I mean... Ugh... Those idiots are really getting into my head...

Okay... This one looks good...

Ha, I knew there's something different about the way you talk...
Giggle Oh... I not really from here... I'm kinda staying here at my Grandma's... umm... for work... Actually, I'm from Buenos Aires.
Really?.. Umm... Yeah, I still, like, getting used to how people talk here...

Don't worry, your accent sounds very cute... I'm Leo, by the way, and you?
That's a very beautiful name... It really suits you.
I'm Daphne... Umm... But friends just call me Dee. *Giggle*

So, how do you like it here so far?
Hey, you okay, babe?
Gee... This guy... He seems really nice...
And look at him... He's, like, sooo tall and... umm... big... I feel tiny even in my heels...
Actually... He's kinda cute too... Stop!.. What am I even thinking!?

Nevermind... I were just saying that you probably don't really know the city yet, right?.. I could show you around sometime, if you'd like.
No worries, babe... How about you give me your number?.. So we could set something up later...
Oh! S-Sorry... What did you say?
Oh... Umm... That sounds nice, but... I've been really busy lately... Yeah... Maybe some other time...

No way, right in the water?
Shit... It happens... Then why don't you take my number? Just give me a call when you're free.
M-My number?.. umm... I don't... I don't really have one right now... I mean... I mean... My phone... Like, I was kinda taking a selfie... And dropped it in the bathtub... Yeah!..
Yeah, so it's totally dead now, you know...
Umm... Yeah... Yeah... That's a great idea... Go ahead...

Dropped in the bathtub? Seriously, Dee? You couldn't come up with something better? And why was I giggling like some airhead? What's he gonna think about me now?.. No, wait... I don't care what he thinks!.. Ugh... What the hell is wrong with you, girl?

Ten minutes later

Looks like someone could use a ride...
Hey, don't underestimate this little guy. He can get you wherever you need in a minute. But, of course, I'll be extra careful with such a special passenger like you.
W-What? On that thing? Like, no way!
Umm... I don't think there's enough room for two...

Don't worry, little thing, you'll fit just fine... Now give me this...
Too late, babe. I'm not letting you carry all that by yourself... C'mon, your pretty little hands are gonna fall off before you get home.
Then don't be shy. Hop on!
Wait, I didn't agree to anything yet!
Umm... Yeah... Like, I was kinda thinking the same...
Ugh... Okay...

Nope, that's not gonna work... Unless you wanna fall off, you'll have to grab me tighter.
I can tell you've never been on a bike before, right? C'mon, move a little closer and wrap your arms around me. I won't bite you.
W-What?

Yeah, that's perfect. Hold on tight there, we're moving!
Umm... Like this?

Wow... His back is so firm... and broad... He must work out a lot... Also... Mmm... He smells really nice... No... What am I?.. Again?.. Shit, you need to get it together, Dee... Wait... Why... Why is my body getting hot all of a sudden?

Five minutes later

Shiiit... Riding this thing waaas... a reaaally bad idea after all... Mhm... It's... It's getting hot again... Gosh, Dee, just don't make any weird sounds...
Rub
Rub

Here we are, babe. Delivered safe and sound, just like promised.
Uh, are you okay? Your knees are kinda shaking... I didn't go too fast, did I?
Hold on a second... Aren't you forgetting something?
Y-Yeah, thanks... thanks for the ride...
Oh, no... I'm totally fine... Just feel a little dizzy, that's all... Umm... Alright, I should probably get going...
H-Huh? What?

A tradition?
What?.. No way, you just made that up!..
N-No, I... Umm... You can't just say something and... I mean... If it's just a quick kiss on the cheek, then maybe I coul-...
Don't tell me you don't know. There's a very important tradition here in Mexico. We can't break it, babe.
Yeah... Ghm... If you give a beautiful girl a ride home... hmm... she owes you a goodbye kiss.
So you say you don't respect our culture, is that right?

Huuuh?!. Hey, he's kissing me!.. C'mon, I should... I-I should stop him right now... But... But... My lips...

Mmmm... My lips feeel gooood... Whaaat... Whaaat waaas I just thinking about... Nevermind... His lips and his tongue... Mhmm... He's sooo good at it... No wonder, he's suuuch a man... Sooo confident... His hands are squeezing my butt, I hope he likes it *Giggle*... Mmmm... This feels amaaazing...

It was nice meeting you, babe! See ya around!
Y-Yeah... See ya!

Whaaat the... whaaat the hell was that?.. I've never acted like that around a guy before... Ugh... It's all 'cos of this pretending!.. I need to start thinking like a man again!.. B-But first... I need... I need to cum...

In the evening
Yeees... Yeess... I needed this sooo much... It feeelss sooo gooood... Keep going, girl... You just gottaaa stroke faster down theeere... Waaait, my fingers... Whaaat are they...

Aaaahhh...

Ngghh... Nooo, what am I... My fingers are inside!.. They're inside my ass! I should take them out... Right now!.. Ughhh... Screw it, I caaan't stoop pushing them in... Not when it feels like this...
Oooohhh...

Mhmmm... My aaass... How caaan it... How caaan it feel better than anything else? Sooo goood that it's haaard to think... Yeess... Deeper... Gooo deeper, girl!.. You're almost... almost there!
Mmmhhhmm...

Yeess, I'm gonna... I'm gonna cuuum with my ass... My dick... It's useless now... Why do I need it, when my ass feeels ten times better!..
Mmmmhmmm..

The next day, three months since arriving to Mexico
...I'm a man and my name is Nick. I'm a man and my name is Nick. I'm a gir-... Ugh, focus, Dee!.. I'm a man and my name is Nick!
Alright, girl... that's enough for today. You just need to stay focused all the time, that's all. If a guy talks to you - you just tell him to get lost. No smiling and no giggling. No touching and definitely no more kissing... Umm... Even... Even if it feels goood... No, no, it's, like, totally disgusting!..

And most importantly... Mhmm... You're not putting anything there, like, ever again!.. Yesterday... Yesterday you just got carried away a little... It happens... But you can't make the same mistake again... Using that place is totally wrong, got it?
Sigh Alright, Dee... time to get to work...

Meanwhile, outside...

Thanks, Tony. I'm not sure how long this will take, so you can go kill some time somewhere. I'll call you if I need you.
Got it, boss!

Whoa... That's quite a house... I didn't get the wrong adress, did I?

Man... It's been a while since we last saw each other... I hope Daphne will be surprised... Hmm... I wonder what she looks like now...
I mean... He... What he looks like... I shouldn't forget that it's still Nick! No matter what he looks like... He's my friend and I'm here just to check if he's alright.

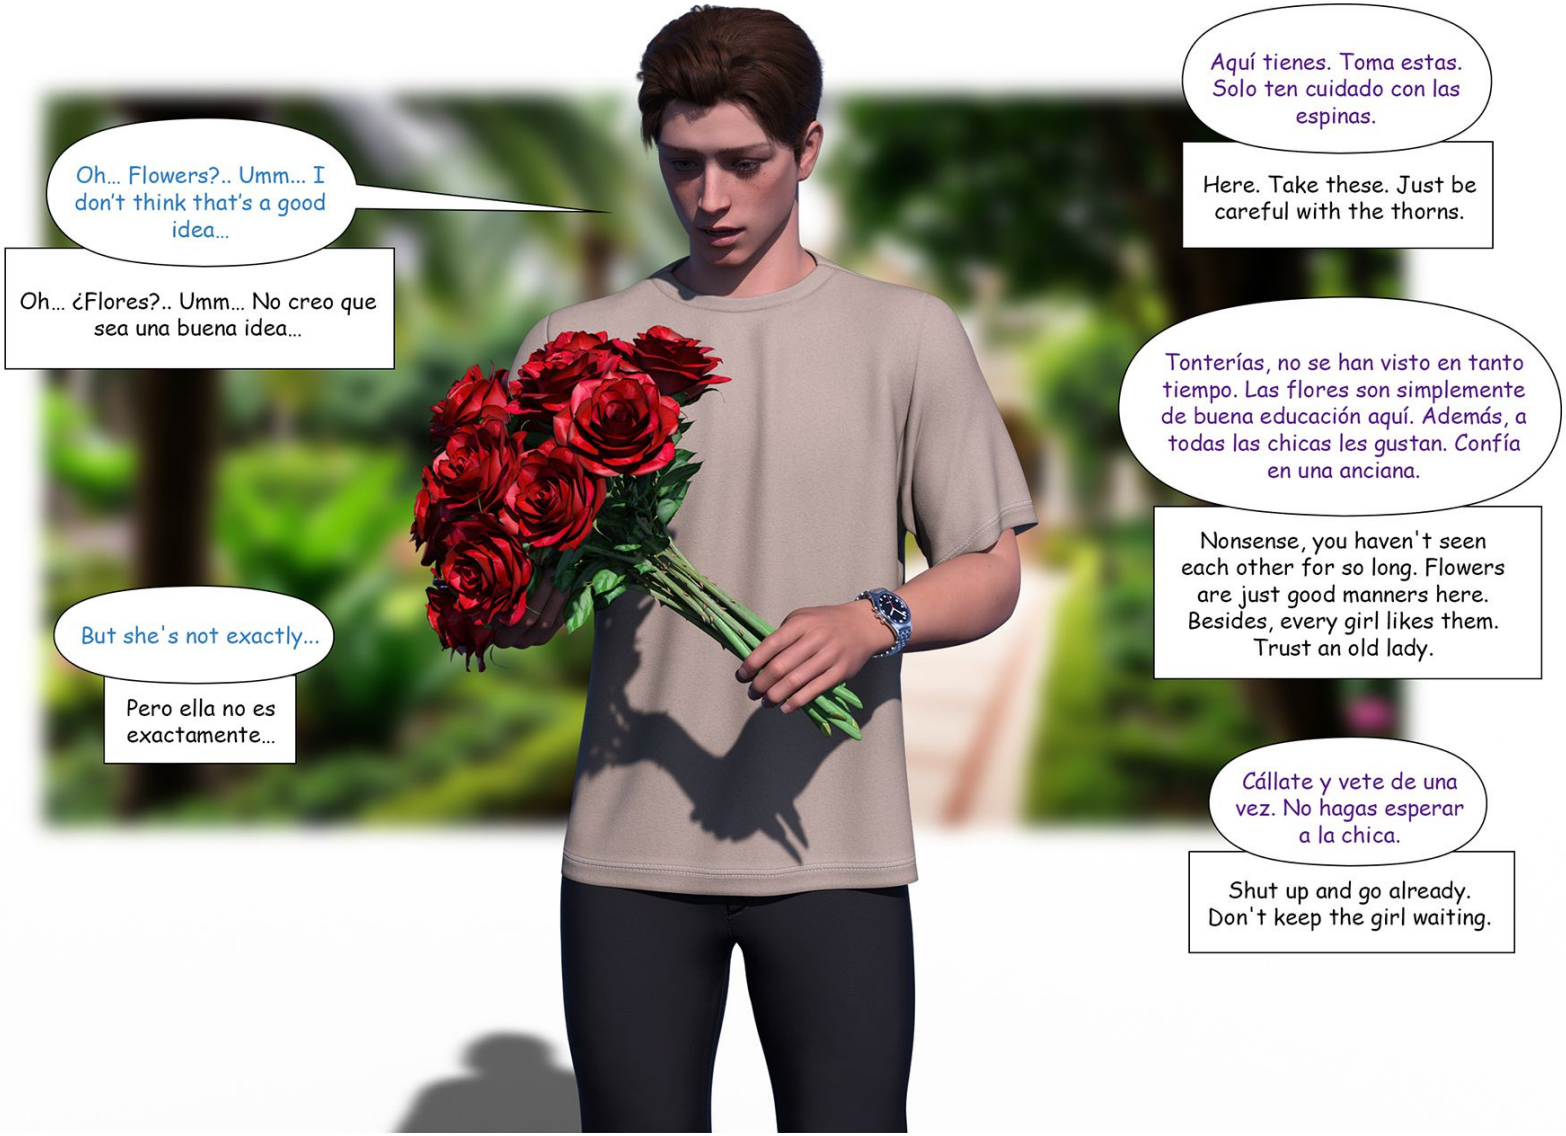

Huh?
Disculpa, joven... ¿a dónde crees que vas?
Excuse me... Where do you think you are going, young man?

Oh, sorry, ma'am!.. I didn't see you there. I guess you're Granny Beatriz, right?
Shit... This might be difficult... I'm looking for Daphne... Daph-ne... Do you understand me?
¿Qué? No entiendo ni jota de lo que dices. ¿Qué se te perdió aquí, gringo?
What?.. I don't understand a damn thing you're saying. What did you lose in my garden, gringo?
¿Daphne? No conozco a ninguna Daphne. ¡Lárgate de aquí antes de que agarre el bastón!
Daphne? I don't know any Daphne. Get out of here before I grab my cane!

Umm... Wait a second, ma'am... I just need to... Uh-huh... There we go ...
My name is Kevin and I'm Daphne's friend. I came to visit her.
Me llamo Kevin y soy amigo de Daphne. Vine a visitarla.
I just wanted to surprise her. We've known each other for many years. You can go ask her.
Solo quería darle una sorpresa. Nos conocemos desde hace muchos años. Puede ir a preguntarle.
¿Amigo, dices? Ella no mencionó que vendría alguien.
Friend, you say? She didn't mention anyone coming.

Yeah... Umm... Like I said we've been friends since childhood... He... I mean... She asked me to come visit her... so I finally found the chance.
Sí... Umm... Como dije, hemos sido amigos desde la infancia... Él... quiero decir... Ella me pidió que viniera a visitarla... así que por fin encontré la oportunidad.
R-Really? I mean... She did tell me she looks different now...
¿De verdad? Quiero decir... Ella sí me dijo que ahora se ve diferente...
Hmm... Entonces has venido desde Estados Unidos solo para verla, ¿verdad?.. Ustedes dos deben de ser muy cercanos...
Hmm... So you've come all this way from the States just to see her, haven't you?.. You two must be really close...
Bueno... Puede que te lleves una sorpresa. Tu vieja amiga... ahora es toda una joven señorita.
Well... You might be in for a surprise. Your old friend... She's now quite a young lady.

Oh, no es solo la apariencia... Parece haberse vuelto bastante cómoda... hmm... en su papel. A veces incluso olvido que solía ser otra persona. Bueno, no es de extrañar... Viviendo como mujer durante tanto tiempo... Puede que uno de estos días empiece a fijarse en los hombres.
Oh, it's not just the looks... She seems to have gotten quite comfortable... hmm... in her role. Sometimes I even forget she used to be someone else. Well, it's no wonder... Living as a woman for so long... She might start looking at men one of these days.
W-What?.. Haha, that's very funny, ma'am... The old Nick would never... He would never act like that... Umm... Actually, would you let me see her now?
¿Q-Qué?.. Jaja, eso es muy gracioso, señora... El viejo Nick nunca... nunca actuaría así... Umm... En realidad, ¿me permitiría verla ahora?
Claro, claro... Pero mírate. ¿Cómo puedes visitar a una amiga con las manos vacías, eh? Eso no está bien. Espera aquí un momento.
Of course, of course... But look at you. How can you visit a friend with empty hands, huh? That won't do. Just wait here for a moment.

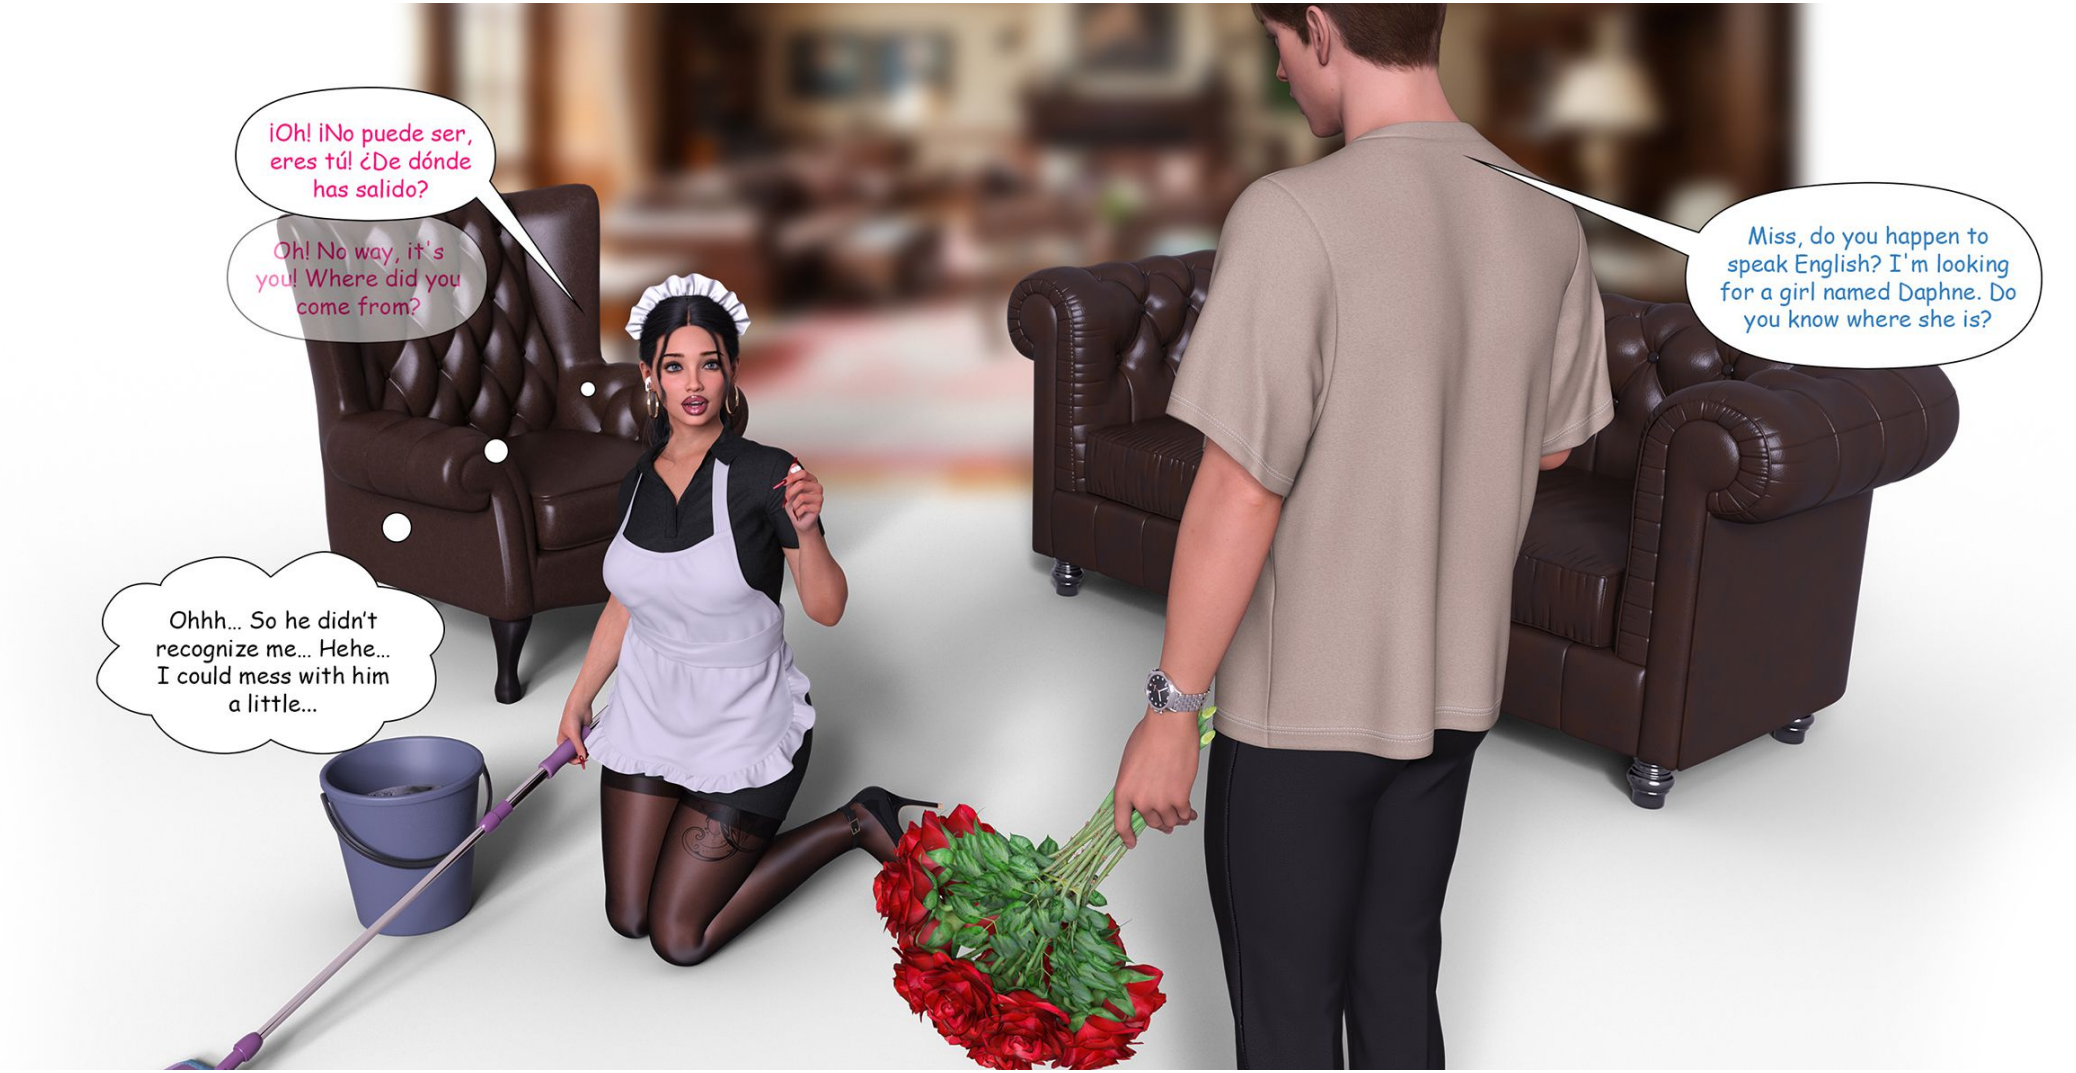

Oh... Flowers?.. Umm... I don't think that's a good idea...
Oh... ¿Flores?.. Umm... No creo que sea una buena idea...
But she's not exactly...
Pero ella no es exactamente...
Aquí tienes. Toma estas. Solo ten cuidado con las espinas.
Here. Take these. Just be careful with the thorns.
Tonterías, no se han visto en tanto tiempo. Las flores son simplemente de buena educación aquí. Además, a todas las chicas les gustan. Confía en una anciana.
Nonsense, you haven't seen each other for so long. Flowers are just good manners here. Besides, every girl likes them. Trust an old lady.
Cállate y vete de una vez. No hagas esperar a la chica.
Shut up and go already. Don't keep the girl waiting.

Friends, huh? Good... I think we might get something out of this.

Hello! Daphne! Are you here?

Oh... Ghm... D-Daphne? Is that you? Hello?
♪Hhhm-hhm-hhm♪

♪Hhm-hhmm-hhhm♪
Uh... S-Sorry... I didn't mean to look... Y-You might wanna... t-turn around?.. Ghm... Daphne?
Shit... Looks like she can't hear me... Wait... What if that's not even Daphne?.. Right... I can't imagine her mopping the floor... That must be just some maid...

¡Oh! ¡No puede ser, eres tú! ¿De dónde has salido?
Oh! No way, it's you! Where did you come from?
Ohhh... So he didn't recognize me... Hehe... I could mess with him a little...
Miss, do you happen to speak English? I'm looking for a girl named Daphne. Do you know where she is?

Engleesh? Si, a little Engleesh... You need Daphne, cariño?

W-Wait... I-I don't... I-I can't...

Hahaha... Of course it's me, dummy! What, you really think someone will actually hit on you like dat?
Whaat!? Daphne, is that you?!
Hey, that's not like... Okay, fine, you got me... I mean... I never expected you to hold a mop, let alone to be working as a maid... How did that even happen?

I... Uh... They're... They're kinda for you...
R-Right... Haha... So what? You don't like them? I thought girls like you loved roses.
Yeah, yeah... I'll tell you... Just let me catch my breath... Whew... I don't laugh like that in a while... Oh, what's up wiz those flowers?
For me? Really?.. I see... So you can joke too, huh? Haha, nice one, Kev... I guess we're even now.
Well... The bouquet could've been a bit bigger, but whatever... I'll take it... *Giggle* Alright, let's sit down to the table, I have sooo much to tell you.

Flowers, huh?.. *Giggle*
What an idiot...

I gotta say... You landed yourself in a pretty nice place. Is Maria really that wealthy?.. Hmm... Then why did she work as a waitress?
I was surprised too... But trust me, dat's a nasty story... Her family cross the mafia somehow, her dad got killed, and now she stuck wiz the debt. So she's actually in pretty deep trouble.

Shit, that really sucks... Where is she, by the way?
Uh, I just wanted to surprise you... Wait, what do you mean 'set the table'? Don't tell me you can cook now?
Ugh... She and the girls are at work, like, aaall the time... Eet gets kinda boring here sometimes... So I'm really glad you come to visit me... *Giggle* But gosh, you could at least tell me you come. I would set the table... and changed into something nicer.

First cleaning and now cooking?.. No, no, no... Who are you and what did you do to Nick?
I see... Guess she's not as scary as she looks... I'm pretty sure she would've hit me with a stick if I didn't explain myself in time.
Excuse me? I'm actually pretty good at eet. It's part of my job, so Maria teach me.
Giggle Like, I not really have much choice, okay? I'm already grateful Grandma took me in and even got me a job... So yeah, I gotta earn my keep.
Oh, so you already meet her? *Giggle* Yeah, that's totally her. Don't worry, she just likes to act cool, 'cos she's a witch and all... But she's actually not dat bad.

Mírenlos a ustedes dos... Charlando tan dulcemente, casi como un par de tortolitos. ¿Quizás debería volver más tarde?
Look at you two... Chatting so sweetly, almost like some lovebirds. Perhaps I should come back later?
Ah, hablando del rey de Roma.
Oh, speak of the devil.
Jaja, muy gracioso, abuela. ¿Qué necesitas?
Haha, very funny, Grandma. What do you need?

Solo quería recordarte... Si tu amigo se va a quedar, deberías preparar una habitación... Hmm... A menos que, claro, prefieras que se quede en la tuya...
I just wanted to remind you... If your friend is staying over, you should get a room ready... Hmm... Unless, of course, you prefer him staying in yours...
¡Abuela! ¡Claro que no se va a quedar conmigo! ¿Qué te pasa?
Grandma! Of course, he's not staying with me! What's wrong with you?
Oh, está bien... Supongo que ya ni siquiera puedo bromear... ¿Me perdonarás si te traigo un poco de té y galletas? Para que no estés aquí con el estómago vacío.
Oh, fine... Guess I can't even joke around anymore... Will you forgive me if I bring you some tea and cookies? So you're not sitting here on an empty stomach.
Hmm... Sí, supongo que eso servirá.
Hmm... Yeah, I guess that'll do.

What were you talking about?
Oh, that's nice... She can be really sweet indeed.
Umm... Nothing... She just wanna make us some tea...
Well, no wonder, I'm already her favourite. *Giggle*

Ten minutes later
No way...
Shit... That must've been terrible... I mean... I still can't really believe it's you... You look sooo... umm... different.
Ghm... Y-Your... uh... nipples?
...So den I wake up at home, my head is totally killing me and Maria just stand over me... And I'm like, 'Oh no, something went wrong'.
Yeah, so I literally run to de bathroom, looked in the mirror and... Well, you see the result... The bitch do all dis while I was totally helpless.
Uh-huh... If only it was all... Then I think, like, 'okay, maybe I can handle this...'. But I suddenly feel something cold on my chest... I look down and see... My nipples are pierced! And there's this stupid tattoo between dem!.. Gosh, I swear I almost fainted.

D-Damn... She really went all out on you... I mean, piercings are one thing, but another tattoo?.. You're gonna have to remove that somehow, right?
Four!? You can't be serious!
Yes! And my belly button too! Trust me, eet looks really slutty... And the worst part? It not even come off... Ugh, whatever... I kinda got used to it.
Ugh... I hope I will, but currently I'm stuck wiz them... I mean, if only it was just one small tattoo... but now there are, like, four of dem.
Yeah... One on my chest, two on my back and the last one... Oh, it's really the worst. Well, I guess I can show you...

Look... Isn't it a total disaster? I'm not even sure this can be removed... Ugh... I swear I'm gonna kill that bitch Sam...
Ghm... Y-Yeeahh... I mean... T-That's... That's really terrible...
And hot... This is sooo damn hot... I wish I could see her piercing...

Y-Yeah... I was just thinking the same...
Whew... Is it me, or eet's kinda hot in here?

It's okay, I'm gonna open de window...
Uh-huh... That's a great idea...
Look at that ass... It's fucking gorgeous... I wanna... I wanna...

No... Shit, what the hell is wrong you, Kev?! Why are you... rock hard? And what are this stupid thoughts...

Umm... Synthetic?
Unnecessary?
And of course... There's also what they did to me, like... umm... here... Maria said they put some kind of... umm... how to say it... You know when it's something not natural...
Oh sure, thanks... Synthetic fat that is... And she say eet can be easily removed, but I still think that was totally... Like... Gosh, what is the word...
Yeah, dat's exactly what I mean. So now I'm stuck wiz this bubble butt too...

Y-Yeah, I actually noticed that you talk kinda differently now... You even have a bit of an accent like Maria...
Well, at least they took care of you being safe and this is most important... I mean... This whole thing... It doesn't change who you are, right? You're still the same old Nick.
Gosh... I already starting to forget English words, aren't I?
Really? Uh, what can I do... I not heard English in, like, three months. And with those girls around all the time... I hope I'm not gonna start sounding exactly like dem soon...

Yeah, of course.... Like, I totally am... I mean... Sure, it's been messing wiz me a little and sometimes I get those weird thoughts... But I'm fine, really!.. Except... It's still so damn hot in here...
Uh, n-nevermind... Just random... umm... stuff... Gosh, we can't talk about me all the time. How are you doing?
Y-Yeah, even the window doesn't help... But what exactly... umm... weird thoughts are you talking about?
M-Me? Well... Umm... Fine, I guess... Nothing compared to your crazy adventures... To be honest though, the classes have been pretty rough lately... We've got this one professor who just...

...So he threw the chalk and it hit him right in the...
...and then the professor said we have to redo the whole thing, can you believe that?
Shit... I can feel it's coming again... Why do I... Why do I feel sooo hot... ever since Kevin got here?.. And it just keeps getting worse...
Ugh... What is he talking about?.. My head's getting all fuzzy again... I need to focus... But... It's totally haaard when he's this cuuute... No, I mean...
Did he just ask me something?.. Crap, what was it?.. Just nod, Dee... Smile and nod... Gosh, I hope he won't notice anything weird...

Look at him... Has he always been sooo... Sexy?.. Gosh, what am I... Mhmm... My sensitive spots... They're like on fire again... They need something... Ugh... Is he still talking?.. He could... He could just kiss me already...
Daphne?..
Mhmm...
Hey, do you hear me?
He could put his hands on me... and squeeze me...
And then... He could... He could pin me down and make me his...

Hey, Daphne, are you okay?..
I'm... I'm gonna go use the bathroom real quick, okay?.. Umm... Actually, where is it?
O-Okay, thanks...
Y-Yeah... I just...
I-It's... umm... down the hall... S-Second door on the left...

Shit... What is this?.. What's going on with me?.. C'mon, she's not even a real woman, so why am I... Ugh... But she looks sooo fucking hot... God, I can't help it... I want... I want her...
No, no... It's still Nick!.. I need to calm down... I just need to think about something else... About something really nasty... Cockroaches... Or spiders... Dirty rats...

Five minutes later
Where is Daphne?
¿Dónde está Daphne?
Bueno, de repente salió corriendo hacia su habitación, toda roja de la cara... Quizás no se sienta bien... Tal vez deberías ir a ver cómo está.
Well, she suddenly rushed to her room, all red in the face... Maybe she's not feeling well... You might wanna go and check on her.

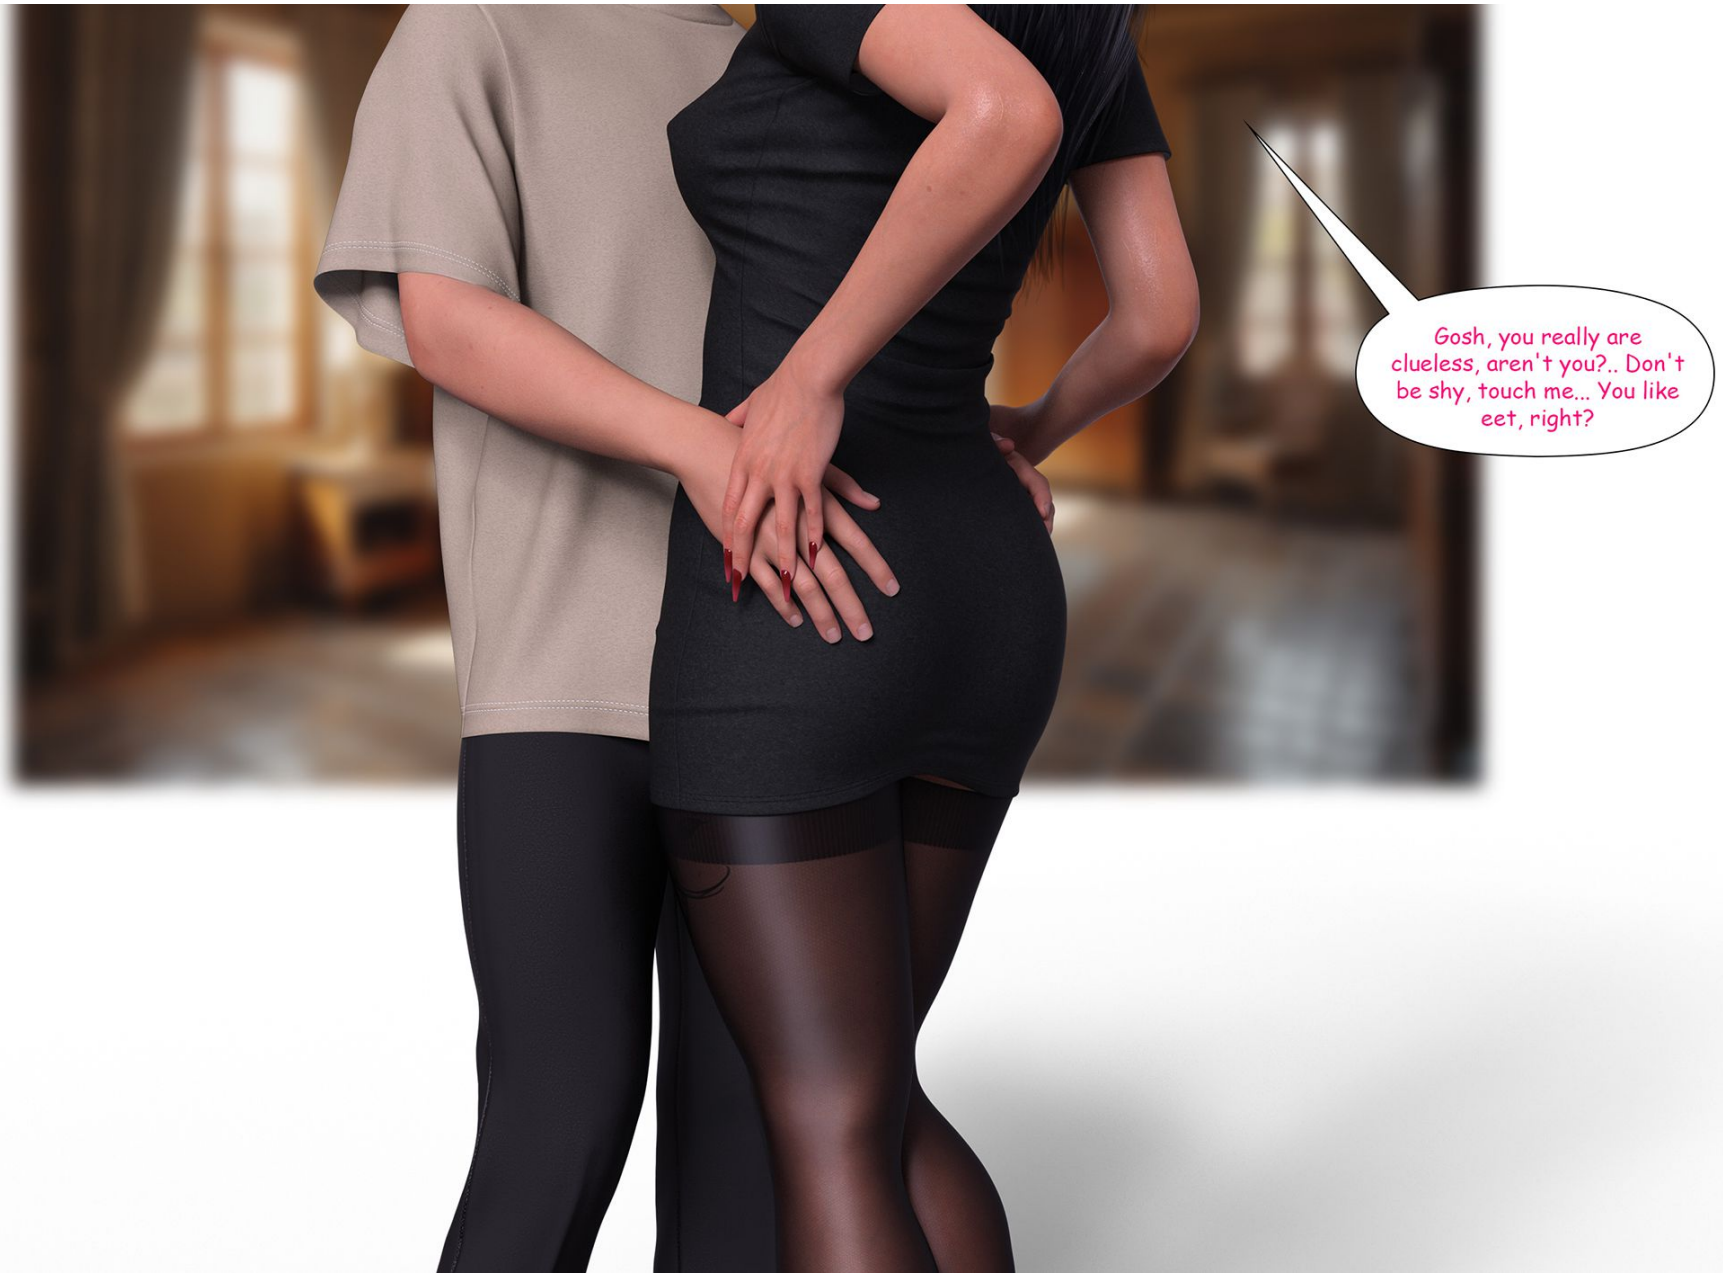

Daphne? Granny said you might need my help... Wait, what are you...

W-What are you doing?
Aaahhh... This heat is unbearable... I caaan't...

W-Wait, do you feel the same?
Are you... Are you gonna be okay? Should I go out?
Huh? Kev?.. Aahh... I'm sorry... I caaan't stop... I just I need... I need a release...
Whaaat? I don't know... I'm just sooo fucking horny...
N-No, wait... D-Don't go... You said you wanna help, right?.. I might... Aahh... I might need it...

No... I mean... I-I'm... I'm sorry, I just can't help it... This new you... You're like a real chick... And not only that... Umm... Y-You look so fucking hot...
W-What?.. W-Why are you asking that?
So you say... So you say you're horny too? Ees it because of me?
Mhmm... Do you really think... Ghm... I mean... You still haven't found anyone, have you, dummy?

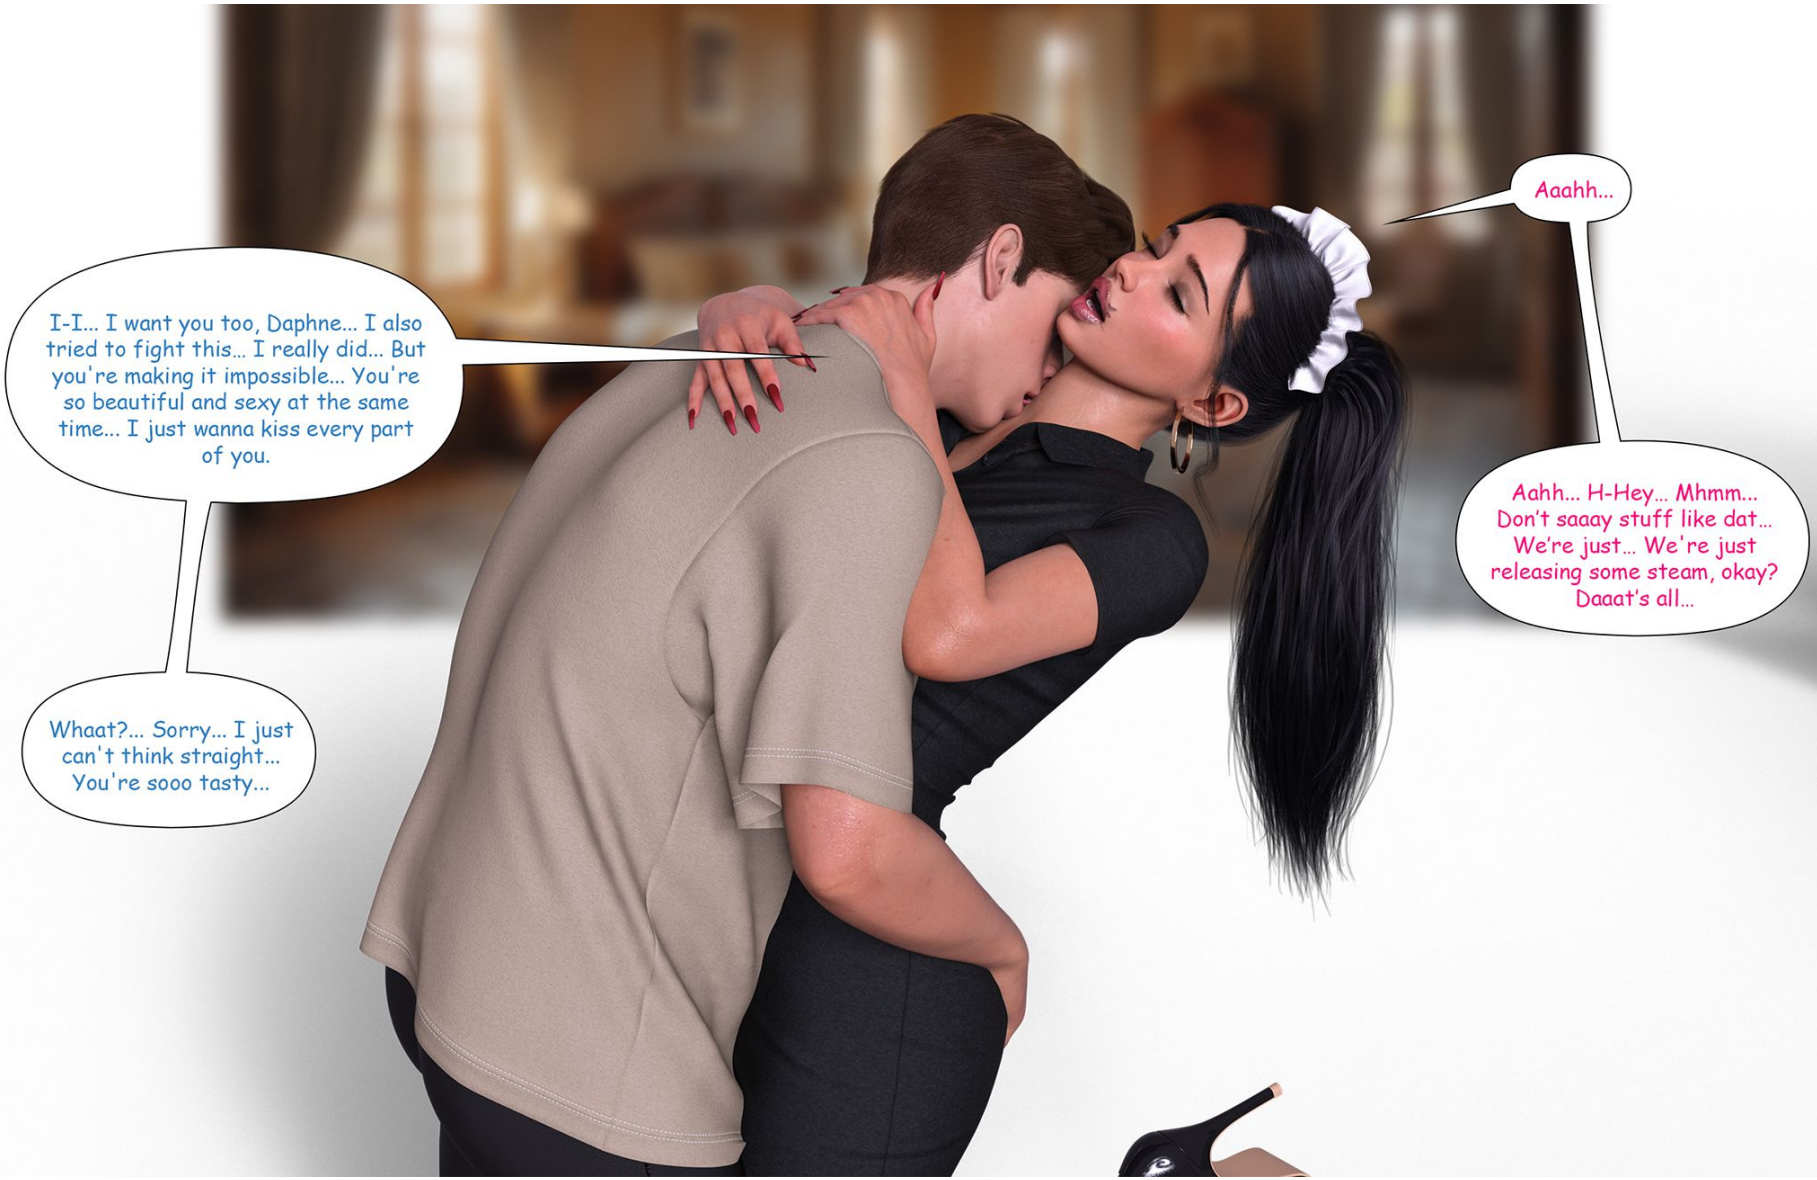

H-Help each other? H-How exactly do you wanna...
I guess you haven't... Look like you could use some practice, right? And lately I have these... needs dat are getting harder and... mhm... harder to take care of... So I think we should help each other... Like friends...

Gosh, you really are clueless, aren't you?.. Don't be shy, touch me... You like eet, right?

I-I... You're acting really weird right now... I think we should...
W-Waaait, it's just one of your jokes, right? This is not funny anymore, really...
Shhh... You have to help me... Eet's all because of this heat... It's driving me crazy... I'm... I'm so tired of fighting eet... Mhmm... I want you sooo bad, Kev...
Mhhm, you smell sooo nice, cariño...

Huh? It's not a joke!.. She's really kissing me... What should I do?.. Isn't this... wrong?.. But... But... It doesn't feel wrong at all... Fuck it... Why am I even hesitating? I wanted this... I wanted this for sooo long...
Yeeees... This is... This is what I neeeded... My lips feel sooo goood... And my breasts... They are rubbing against his firm chest... Mmm... I'm getting even more turned on...

Whooa... Now thaaat he took the lead... I have to say... He... He really is a great kisser... Where... Where did he learn these things with his tongue?.. Gosh, my knees are getting weak...

I-I... I want you too, Daphne... I also tried to fight this... I really did... But you're making it impossible... You're so beautiful and sexy at the same time... I just wanna kiss every part of you.
Whaat?... Sorry... I just can't think straight... You're sooo tasty...
Aaahh...
Aahh... H-Hey... Mhmm... Don't saaay stuff like dat... We're just... We're just releasing some steam, okay? Daaat's all...

Aaah... Kev, are you... Are you sure you never was with anyone? 'Cos you seem pretty... goood wiz what you doing...
Mhmm...
Mmm...
Ugh... My whole body ees like on fire... I think I need to get rid of the dress... Aahh... Could you... Could you help me?
Hey, do you even hear me?

Sorry... I kinda... I kinda got carried away...Did you say something?
Yeah... Eet's, like, too hot in here. Help me to get out of the dress.

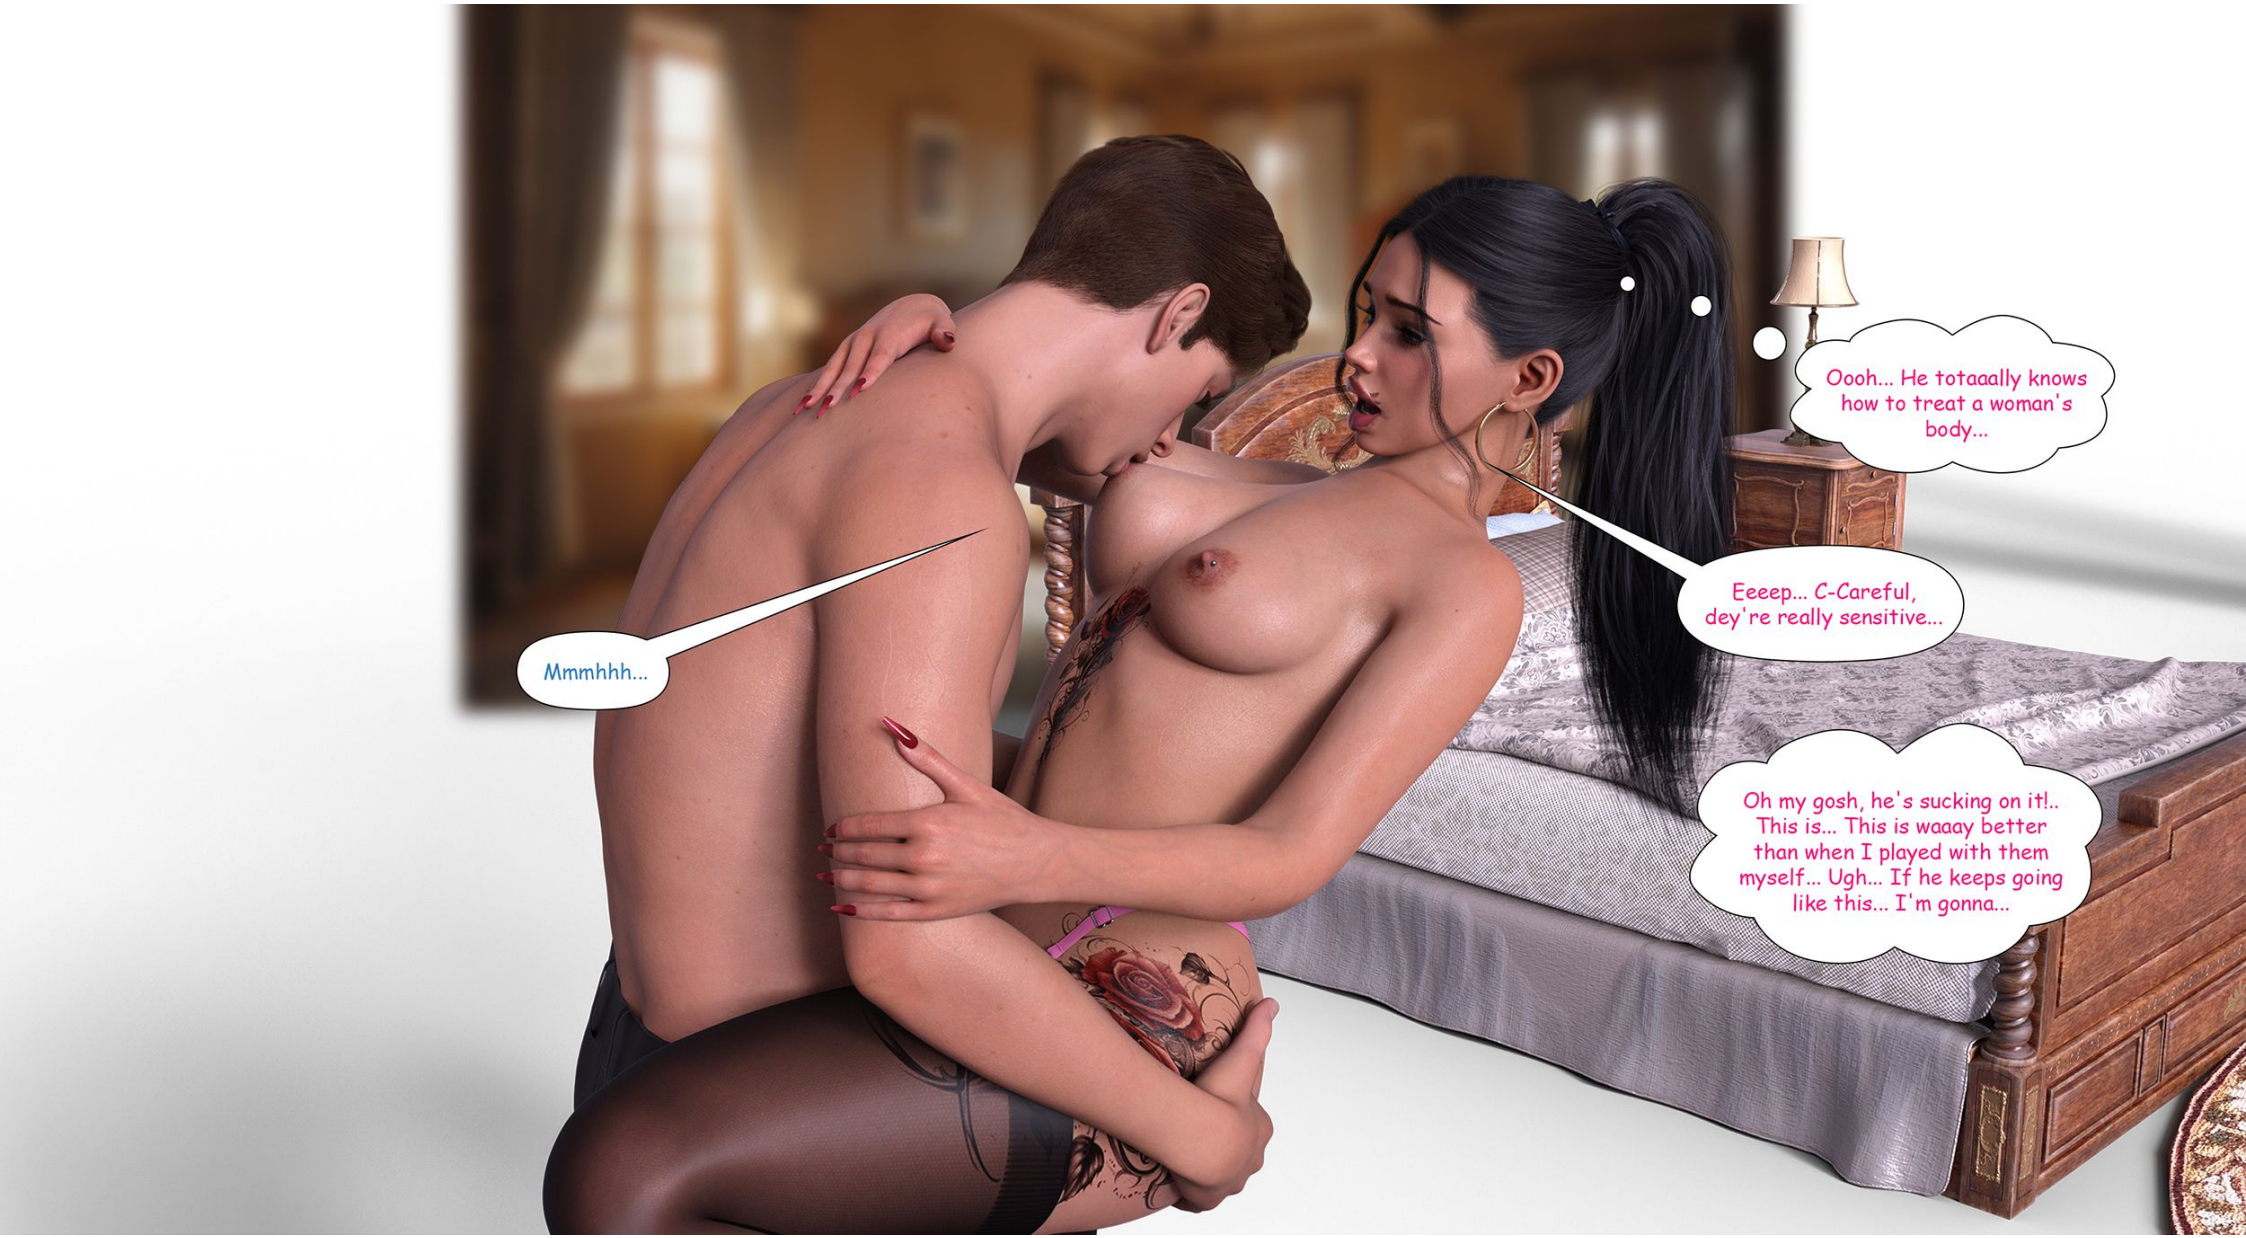

No... I just...
You... You have no idea how sexy your ass is...
Hey... de bra too, silly... Do I really have to tell you everything?
What's wrong? Why are you just standing dere?
Huh? S-Stop eet... W-We don't have all day... Let's just get de job done...

Whoa...

Oh no, w-why did we... Gosh, what have we done?!

Gosh, wake up, Kev! Wake up!
C'mon, how can you just sleep like nothing happened?!
Huuuh?.. Dee?..

Oh my gosh, dis ees a disaster!.. A total disaster!.. What the hell we thinked?!
W-What happened?

What happened?!. Are you kidding me? We had sex, Kev! Like for real!
Gosh, of course I am mad! And hey, don't just stare at me! Turn around, I wanna get dressed!
Wait... Are you... Are you mad because of that?

What?! It wasn't... It wasn't like dat! I was just really horny... I wasn't thinking straight, okay?.. But you... You were supposed to be the responsible one and stop me!.. Not... not go along with eet and let us do... all those things...
Sh-Shut-up, I just... I just lost control, dat's all... I didn't really mean it...
But... Umm... I thought you liked it, didn't you?.. I mean, it was you who started it... You kissed me... And then got on your knees...
I tried, but... You know, it was... It was kinda hard to do when you were literally begging... umm... for my cock.

But I don't understand how it could happen... Why couldn't we stop ourselves?..
I don't know... At one moment you started acting like a whole different person... I already thought you started enjoying... you know... living as a woman.

Shit... I-I... I understand... You know, it's probably my fault after all...
It... It wouldn't have happened if I could've held myself back... I'm sorry, Dee... You were sooo damn... hot... and tempting... I couldn't resist...
W-What?! It's... It's not like dat! I totally hate this! Eet's just... Lately I got this issue... My body became, like, really sensitive... It was really hard to hold myself together like that, okay? And now dis happened...
Exactly... I mean... I think we were like dat because we not saw each other for long... Yeah... We just got way too excited, and den the hormones took over... Eet was... Eet was just a silly mistake, nothing more...

Y-Yeah, sure!.. I was just thinking the same, really... You... You shouldn't worry about it!
I don't even know what you're talking about... I hope... I hope we can still be friends like before, right?
D-Don't... Don't say things like dat... Umm... I think it'd be better, if we pretend this whole thing never happened... I mean... We weren't really in control when we were doing it... right?
And it means... Not a single soul can know about this, got it?.. Or I'll kill you...
Yeah... Just friends... Umm... You should get dressed too...

Wait a minute... Is it already dark outside? How long did we sleep?
Shit, Maria and the girls are gonna be home soon! Dey can't see us like this!
It's almost eight right now.

Got it...
I gotta run to the shower! You clean everything up here in the meantime!

Fuck... And how am I supposed to forget it?..

Whew... I think I got rid of all the evidence... Just need to act normal now... Ugh... Though I feel like my ass is gonna hurt for days...

Oh, M-Maria... You're already home?
Hey, Dee!
Yeah... Actually, I've been back for a while. They let us leave earlier today.

R-Really? I... I didn't even notice you... *Giggle* It's such a big house...
A g-guest? Yeah, right... a guest!.. Wait... How do you know about...
No wonder, you were sleeping like a log. By the way, why didn't you tell me we were having a guest today?
Ghm... Granny told me that your friend Kevin arrived... So I only came in to see how you were doing... Next time, remember to lock the door, okay? Good thing you were already asleep.

Oh, gosh!.. N-No, no, no! Maria, you got it all wrong! It's not what you think at all!
I tell you, we were just talking and... and then we got tired and accidentally fell asleep together! That's it! Nothing happened! Really!
Honey, I'm not a little kid. I can put two and two together.
Listen, Dee, your personal life doesn't interest me. You're an adult and can do whatever you want... There's nothing wrong with exploring something new... Hmm... Was it good at least?

W-What?.. Of course... Of course not... It was... terrible!.. Actually, it happened totally by accident... And it was over so quickly that I'm not even sure it counts!
Oh my gosh, Maria, please don't tell anyone about this! If Lola and Tali find out, they'll be teasing me forever...
Uh, of course... So quick and unpleasant that you both just passed out from it... Totally makes sense...
Relax, I'm very good with keeping secrets. Just don't forget that we still have unfinished business. After that, you can start thinking about chasing guys, building a family and all that stuff.

Right... Right... Let's go, we need to introduce your boyfriend to the girls, don't we?
Sorry, just joking...
W-What?! Maria, I told you it was a one-time thing! It was literally nothing!
Maria! He's not my boyfriend!

So you're de same Kevin... It sooo nice finally meet you. I'm Talia.
You gonna live wiz us, cariño? You can stay in my room. *Giggle*
Uh, eet's really bad... Eet'd be more fun here wiz a handsome guy like you...
N-Nice to meet you...
And I'm Lola... Gosh, Dee not mention dat her best friend ees sooo cute... *Giggle*
N-No, I'm... I'm just visiting Daphne...
R-Really?.. I... Umm...

C'mon, chicas, leave him alone. Don't you see you're making him uncomfortable?
Huh? I think he not mind us at all... Wait a minute, ees someone jealous?
Gosh, look at her! She totally ees!.. Omg, is dere something we not know?

Relax, hermana... No one gonna steal your boyfriend. *Giggle*
Oh? So you saying we can go and have some fun wiz him, right?
W-What?!. No... It's... It's not like dat!.. I just know how annoying you two can be.
Si, you should have told us dat he's taken. *Giggle*
Gosh, dat's not funny, chicas! I don't have any boyfriend!

Oh, we'll see about dat... Kevin, cariño, do you wanna leave Dee here and come... play wiz us right now? But we need warn you dat we're very and very hungry... *Giggle*
I-I... Umm... I don't think... It's not what I...
I'll... I'll pass...
Of course... Of course you can... Like that's any of my business... In any case, he's not that stupid to do dat with you two.
Aww, don't be so nervous, guapo... We only bite if you ask nicely. *Giggle*
Duh, what did I tell you?

Hey, hey, chicas, you really shouldn't jump at Kevin like dat, he's our guest after all. Let's sit down and have some coffee instead.
Gosh, we were just joking...
Si, eet not our fault dey are so easy to tease.
Yeah... Thanks, Maria...

Five minutes later
...So you come all this way to surprise Dee? Aww... That's cute...
And what you two do here without us all day?
Y-Yeah... We hadn't seen each other in a while, so... we had a lot to catch up on... Umm... We didn't even notice how time flew by.
W-We?.. Nothing!.. Umm... We were just talking... about stuff... Right, Kev?

Sure, sure... Dee got a couple new things to discuss, right?.. Hmm... She already give you a good look at dem, no? *Giggle*
What? Dat's what best friends are for. I'm sure Kevin would love dat. *Giggle*
H-Huh?!.. Gosh, Lola! What are you...
Yeah, Kevin, you like Dee's new look, no?

C'mon, Kevin... On scale from one to ten, how hot ees Dee now?
No, no, you better tell... Eef you not know who Dee used to be, would you kiss her?
Aww, look at dem already whispering to each oder like little tortolitos. *Giggle*
Maybe we need give you some privacy, no? *Giggle*
O-Okay...
Are... Are they always like this?
You... You don't have to answer dat... They're just teasing us again.
Yeah... I kinda got used to eet... Just ignore dem and they...

Was I?.. I mean... Of course, I was... Y-Yeah, I have a lot of stuff... umm... to do... Besides, my parents are probably already worrying... So I think I should head out already...
Actually... Kev's really in a hurry... So he was already getting ready to leave, wasn't you, Kev?
Ghm!.. Exactly, chicas, you two should give dem a break, otherwise no one ees gonna visit us next time... Hmm... By de way, Kevin, how long are you planning to stay?

But...
What do you mean, already? No, no, dat won't do at all. You came all dis way to see your mejor amigo. It would be silly to go back so soon. You two barely saw each other.
Dere's no buts, cariño. You shouldn't be driving back dis late, especially not in dese parts. At de very least, you're staying de night and dat is not up for discussion.

Si, Maria ees totally right!.. Besides, dis ees your first time in Mexico, no?
Den tomorrow Dee could take you to de city, show you around a bit, maybe buy some souvenirs and stuff.
Y-Yeah...
Oh, dat's a great idea! What do you think, Dee?

Yay, Dee and Kev are going on a date!..
W-What?.. But what am I even supposed to show him?
You'll figure something out. Go to a café, walk around, maybe see a movie... Just make sure you two have a good time.
Don't listen to dem. I just think you need to get distracted a little and relax. You work all day and never leave de house. A nice walk wiz your amigo might do you some good.

Well... If you... If you don't want to, then...
I mean, we already talked about... umm... pretty much everything. I not think eet'd be that interesting, right, Kev?
Oh, right! Dee, you remember we have those cute photos from your little dance debut? Do you think Kevin should see dem?

Wait, you just said...
Umm... Yeah, that sounds great... I don't mind at all...
Ghm... You know what, Kev?.. If you think about it, dat's really a wonderful idea! Yeah, we should totally go out tomorrow.
Nevermind... I'll show you all de best parts of Poza Rica! What can be better, right?
Now dat's the spirit!.. See? You wanted to go back home already.
Gee, dat's perfect!.. Now we just need pick your date outfit, Dee. Not worry, we will find something dat make Kevin forget how to speak.

Hey, first of all, eet's not a date!.. And second, I can figure out what to wear by myself!
Don't forget about de photos, silly.
Gosh, you... You can't just keep blackmailing me wiz those every time!.. And anyway... umm... dat's enough of talking. Kevin's already tired and wants to sleep, right, Kev?
Y-Yes, I guess... Umm... Very tired...

Uh-huh...
Let's go, I'll prepare a room for you.

C'mon, girls, this is ridiculous! I can't go out like this!
Gosh, stop being dramatic, DeeDee, you look gorgeous.
I told you, it's not a date, you dummies! What is he gonna think of me? No, no, no I'm gonna get changed!
Yeah, it's your first date with Kevin. You gotta impress him.
It's too late, Dee, your man is waiting!

¡Oye... Ugh...! ¡Deja de empujarme! ¡Me dijiste que serías razonable!
Hey... Ugh... Stop pushing me! You told me you'd be reasonable!
¡Exacto, chica! ¡Esto es lo mínimo que puedes usar para un chico como Kev!
Exactly, girl! This is the least you can wear for a guy like Kev!
Sujétala bien, Lola. ¡Si no le gusta este vestido, traeré el rosa de látex entonces!
Hold her still, Lola. If she doesn't like this dress, I'll bring the pink latex one instead!
¿¡Qué!? ¿Estás loca?.. ¡E-Está bien! ¡Bien, bien, iré así!
What!? Are you out of your mind?.. O-Okay! Fine, fine, I'll go like this!

Whoa...
But... Uh... It's not bad... I mean... Umm... You look amazing, actually...
Well, practice makes perfect...
H-Hey...
Don't... Don't mind dis whole look... It's just those stupid girls...
W-What? S-Stop dat... You better say stuff like that to real girls, not me...

Sorry… I'm still recovering from the heart attack you nearly gave me walking out like that…
Fine, fine… No more compliments… But you're not exactly making it easy, okay?
Den… Den you're gonna need to sound way more confident than that… So, you just gonna stand dere staring, or are we leaving?
H-Hey… I didn't ask you to keep saying dis stuff!
S-Shut up!

Umm... Trust me, most people probably just think you look nice. You shouldn't be so nervous.
Gosh, I hate those two!.. Nobody dresses like this for a walk... I feel like everyone's staring at me...

Fair enough... But it's not fun to see you worrying about it. I just want you to relax and have a good time.
It's okay, this time you've got me around.
Uh-huh, it's easy for you to say. You're not the one wearing this.
Umm... I just... When I worked at de bar, I got those stares a lot... And sometimes worse dan stares, honestly... So I know what all men have in mind... Oh, shit... I really just sounded like a woman, didn't I?

I did a little boxing back in school, so if anybody tries to come too close to you, they're gonna regret it.
What, you don't believe me? Actually, I had a pretty solid jab back in the days... But it's all in footwork, timing... umm... and all that stuff, you know.
Giggle Seriously, Kev? You? Boxing?.. Please, I've never seen you hurt anything tougher dan a fly.
Giggle Sure, sure, now I feel totally safe, cariño...

What's wrong?
Oh, shit!
Shhh... Just... Just keep walking like nothing happened...

Hmm... Yeah, he did kinda look like those guys we saw at the bar...
Ghm... I think... We should keep holding hands... You know, so we look less suspicious...
Whew... I think we're okay... I swear that guy is one of the mafia thugs.
Honestly, moments like dis make me glad Maria insisted on the whole disguise thing. But we still gotta be careful...
Umm... Yeah... I guess, it's not a bad idea...

So where exactly are we heading?
Yeah, sounds good. Lead the way, my guide.
Umm... Dere's a market not too far from here. I think we should start dere and buy you some souvenirs.

Ten minutes later

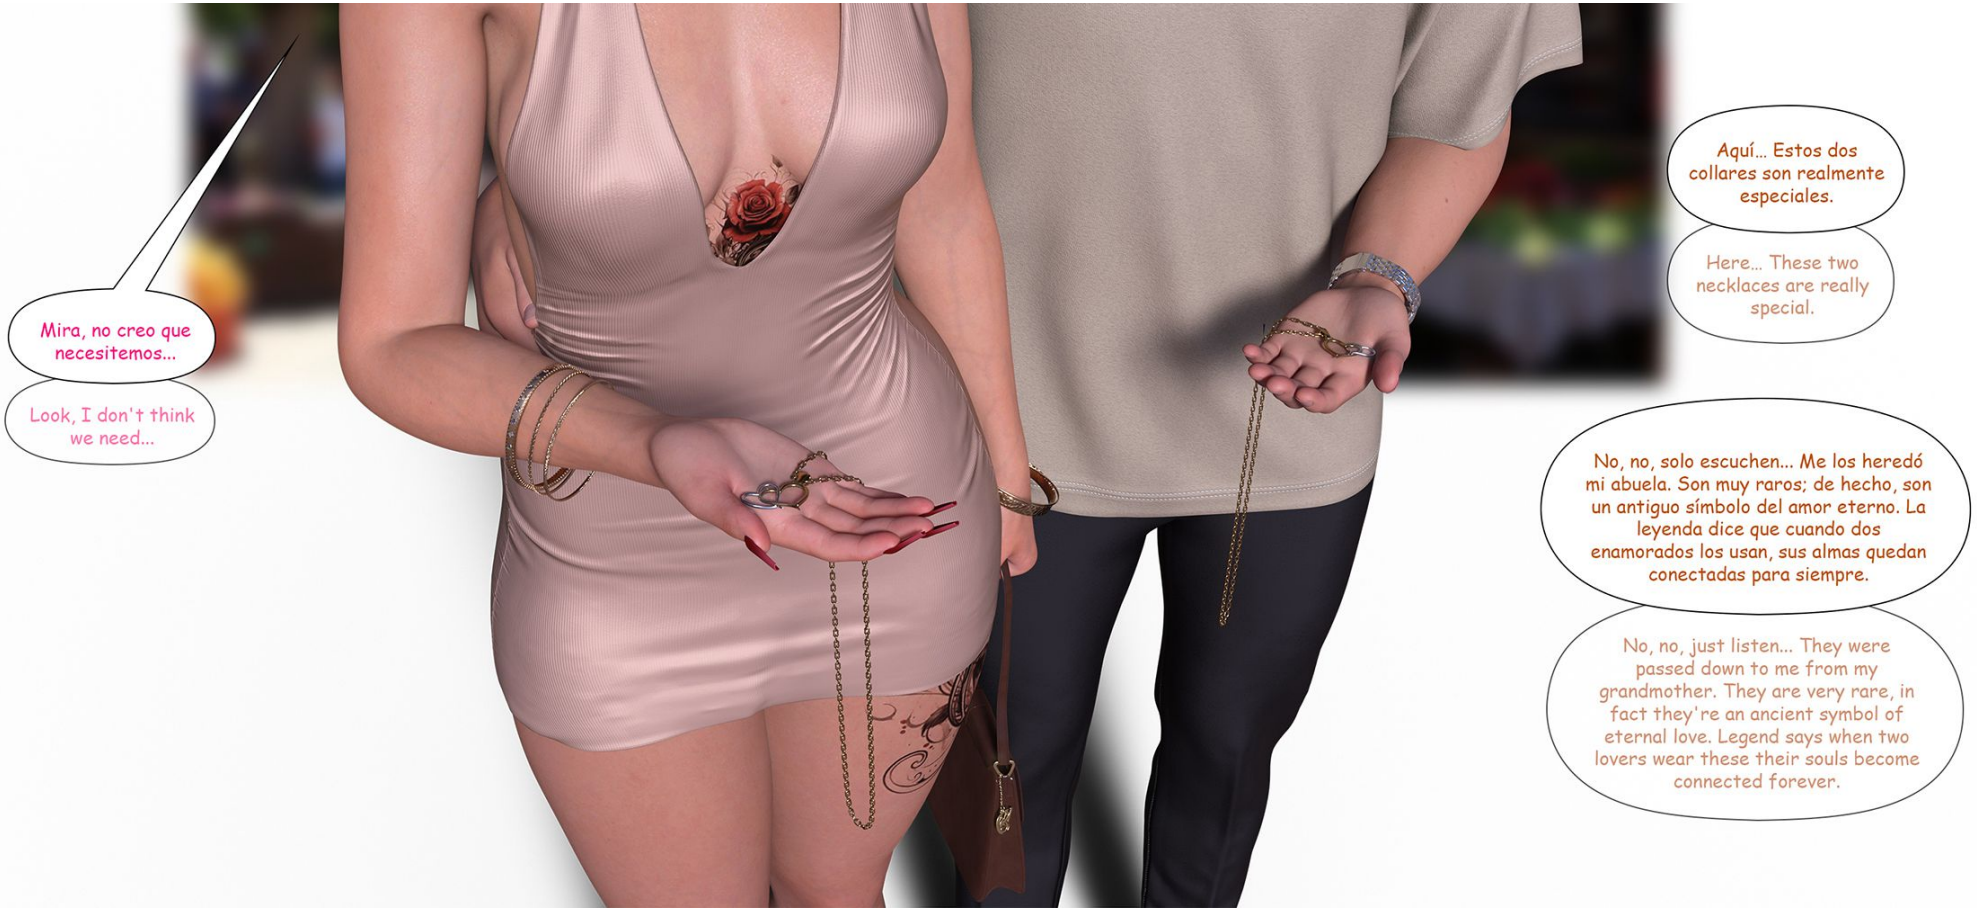

Giggle Whoa, the mustache totally suits you.
Hola, señorita!.. Mmm... Mucho bonita señorita!
Ghm... Muchas gracias, señorita!

Mmm... And what such a bonita señorita do here all alone?
Giggle Oh no, señor... I am not alone. I came here wiz my friend... but I think I lost him somewhere...
Ahh... Den your friend ees an idiot. How can you lose señorita with such mesmerizing eyes and cute smile like yours?
H-Huh? Yes, idiot indeed! I think the mustache is starting to affect your brain, Kev...
What, you thought you were the only one allowed to mess with me?

Ay, qué pareja tan encantadora... Pero si siguen probándose cosas, al final también tendrán que comprar algo.
Ay, what a lovely young couple... But if you keep trying things on, eventually you must buy something too.
E-En realidad, nosotros no...
A-Actually, we're not...
Por cierto, ustedes dos tienen suerte. Las parejas reciben un descuento especial del veinte por ciento hoy.
By the way, you two are lucky. Couples get a special twenty percent discount today.
¿De verdad? Ah, sí, ¡claro que estamos saliendo!..
Really? Ah, yes, we're totally dating!..
Hey, what are you talking about?

Shhh... Just smile and nod. We're gonna get a couples discount.
Señorita, también nos llevaremos los sombreros, las gafas y el bigote.
Miss, we'll take the hats, the glasses, and the mustache too.
Oh, great! Then I'm taking this whole Mexican gentleman pack.
Bien, bien... Hmm... Pero esperen un momento... Creo que tengo algo aún mejor para ustedes dos...
Good, good... Hmm... But wait a minute... I think I have something even better for you two...

Mira, no creo que necesitemos...
Look, I don't think we need...
Aquí... Estos dos collares son realmente especiales.
Here... These two necklaces are really special.
No, no, solo escuchen... Me los heredó mi abuela. Son muy raros; de hecho, son un antiguo símbolo del amor eterno. La leyenda dice que cuando dos enamorados los usan, sus almas quedan conectadas para siempre.
No, no, just listen... They were passed down to me from my grandmother. They are very rare, in fact they're an ancient symbol of eternal love. Legend says when two lovers wear these their souls become connected forever.

Wow... Suena muy... convincente...
Giggle Wow... Sounds very... Convincing...
Ajá... Todo eso es muy bonito, pero...
Uh-huh... That's all very lovely, but...
Está bien, está bien...
Okay, okay...
No, no, es verdad. Mi prima los usó con su esposo. Ahora tienen cuatro hijos.
No, no, it's true. My cousin wore these with her husband. Now they have four children.
Vamos, al menos deberían probárselos y entonces lo entenderán. ¿O acaso no se aman tanto?
C'mon you should try them at least and then you'll understand. Or do you not love each other that much?

Sí, sí... Lo sentimos toootalmente...
Yes, yes... We totaaally feel it...
Espera, ¿una foto?
Wait, a photo?
Umm... Está bien, supongo...
Umm... Okay, I guess...
¿Ahora lo sienten? ¿Sienten cómo el amor fluye por sus corazones y los conecta entre sí?
Now you feel it? Do you feel how love is flowing through your hearts and connecting them together?
Maravilloso... Ahora sonrían para mí. Les tomaré una foto para crear un hermoso recuerdo.
Wonderful... Now smile for me. I'll take a photo for a beautiful memory.

¡Perfecto! Ustedes dos se ven realmente adorables. Creo que necesitan unas cuantas más sin los sombreros.
Perfect! You two look really lovely. I think you need a few more without the hats.

Sí, así mismo!.. Ahora parecen más una pareja enamorada. Tomemos algunas más.
Yes, just like that!.. Now you look more like a couple in love. Let's take a few more.

Ay, las parejas jóvenes siempre son tan tímidas... Es solo un pequeño beso en la mejilla, ¿por qué se resisten tanto? Miren qué adorables se ven juntos.
Ay, young couples are always so shy... It's only a little kiss on cheek, why resist so much? Look how adorable you two are together.

¿¡Qué!? ¿Cómo puede ser tanto incluso después del descuento? Creo que ha cometido un error en alguna parte.
What?! How is it so much after the discount?! I think you've made a mistake somewhere.
Muy bien, déjeme ver... Hmm... serían 600 pesos por todo.
Alright, let me see... Hmm... that'll be 600 pesos for everything.
No, no, todo está correcto. Dos sombreros, las gafas, el bigote... cinco fotos románticas de pareja...
No, no, everything is correct. Two sombreros, glasses, mustache... five romantic couple photos...

¿Eh, fotos románticas?! ¡N-Nosotros ni siquiera le pedimos que las tomara! ¡Usted simplemente empezó a hacerlo por su cuenta!
Huh, romantic photos?! W-We didn't even ask you to take them! You just started doing it yourself!
¿¡Qué!? ¡No puede simplemente inventarse...!
What!? You can't just come up...
Bueno, aun así posaron muy bien para ellas. No hago reembolsos, cariño. Por cierto, una vez que los collares mágicos se usan durante más de cinco minutos, ya no se pueden devolver... Ahora también tendrán que pagarlos.
Well, you still posed very nicely for it. I don't do refunds, honey. By the way, once the magical necklaces are worn for more than five minutes, they cannot be returned... Now you'll have to pay for them too.
Mira bien, todo está escrito aquí mismo en la letra pequeña. Yo manejo un negocio honesto aquí, cariño. Así que les sugiero que paguen o...
Look closely, everything is written right here in the small print. I run an honest business here, sweetie. So I suggest you pay or...

Ugh... I can't believe she tricked us like dat! And seriously? Two hundred more pesos for dese stupid necklaces?.. Maybe Lola or Tali would want it. Otherwise I'm throwing it away.
Dere's no way!.. They're for couples in love, dummy.
Whoa, whoa, throwing away? Actually, I paid for those. The least you can do is wear it and think about me once in a while.

Very funny... I think you're getting way too comfortable with your jokes. I liked you better when you were flushed and shy...
Ugh... Don't think I'm letting you get away with this.
Waaait, you don't love me? After all we've been through? After a whole five romantic photos together?
Well, I have a friend named Nick who taught me a few confidence tricks. You should meet him sometime, he's a great guy.

Mira, este verde es sabor kiwi, pero este otro... Oh, este hace llorar a los turistas. Por favor, ten cuidado con él... Es chile picante...
Look, this green one is kiwi flavored, but this another one... Oh, this one makes tourists cry. Please, be careful with it... It's chili pepper...
Ajá, ¡entendido!..
Uh-huh, got it!..

Uh... She said dat this candy is like a super sweet strawberry. You should totally try it. C'mon, open up.
Hey, what did she say?

Hahahaha... That's what you get! You're... You're like a tomato right now... Hahaha...
Aghh... It fucking burns!.. I knew... Aghh... I knew something was up...

Espera... ¿En serio? ¿Degustación gratis de tequila?.. Umm... Tiene que haber algún truco...
Wait... Seriously? Free tequila tasting?.. Umm... There has to be a catch...
No hay ningún truco, señorita. Simplemente tengo plena confianza en mi producto. Una vez que lo pruebe, entenderá por qué. El mejor tequila de todo México, se lo garantizo.
No, catch, miss. I simply have complete confidence in my product. Once you taste it, you will understand why. The best tequila in all of Mexico, I guarantee it.
Bueno, si usted lo dice...
Well, if you say so...

Cheers!
Cheers!

Shit... Eet was a traaap too after all... Dat's totally not fair dat only the first shot was free.
Yeah... That tequila was illegally gooood. *Giggle*
Greaat... Den there's nothing else for us to do here... We should probaaably go eat something, 'cos those shots are startin' to feel a little... uh... heaaavy...
I'm pretty sure dere's a nice lil' caaafe at de end of this street...
Well, at least he didn't lie to us.
Honestly, those two bottles of it might be the best souvenirs we got today.
Yeah, honestly, I'm kinda eager to try Mexican food.

Ten minutes later
Hmm... Where ees it?.. I guess... uh... we haaave to go a little further.
Don't be silly, cariño, all dese streets just look kinda similar... I'm sure it's right around daaat corner...
Is it me or we've already passed this place?

Another ten minutes later
Hmm... Okaaay... I think... We got a little lost, Kev. Looks like the caaafe was on anoder street...
Craaap... All dis walking made me even more hungry...
Bhrrr...
Really? Isn't that exactly what I've been trying to tell you for the last ten minutes?

And... Ugh... Dese stupid heels are just unbearable now... Mhm... A few more steps and I'm totally gonna colaaapse...
What?.. And you wanna walk around barefoot?.. No, dat's not happening.
Okaaay... Just be ready to catch me, if I start faaalling.
Well... Umm... You can take my sneakers if you want...
How about we find a place to rest for a bit?

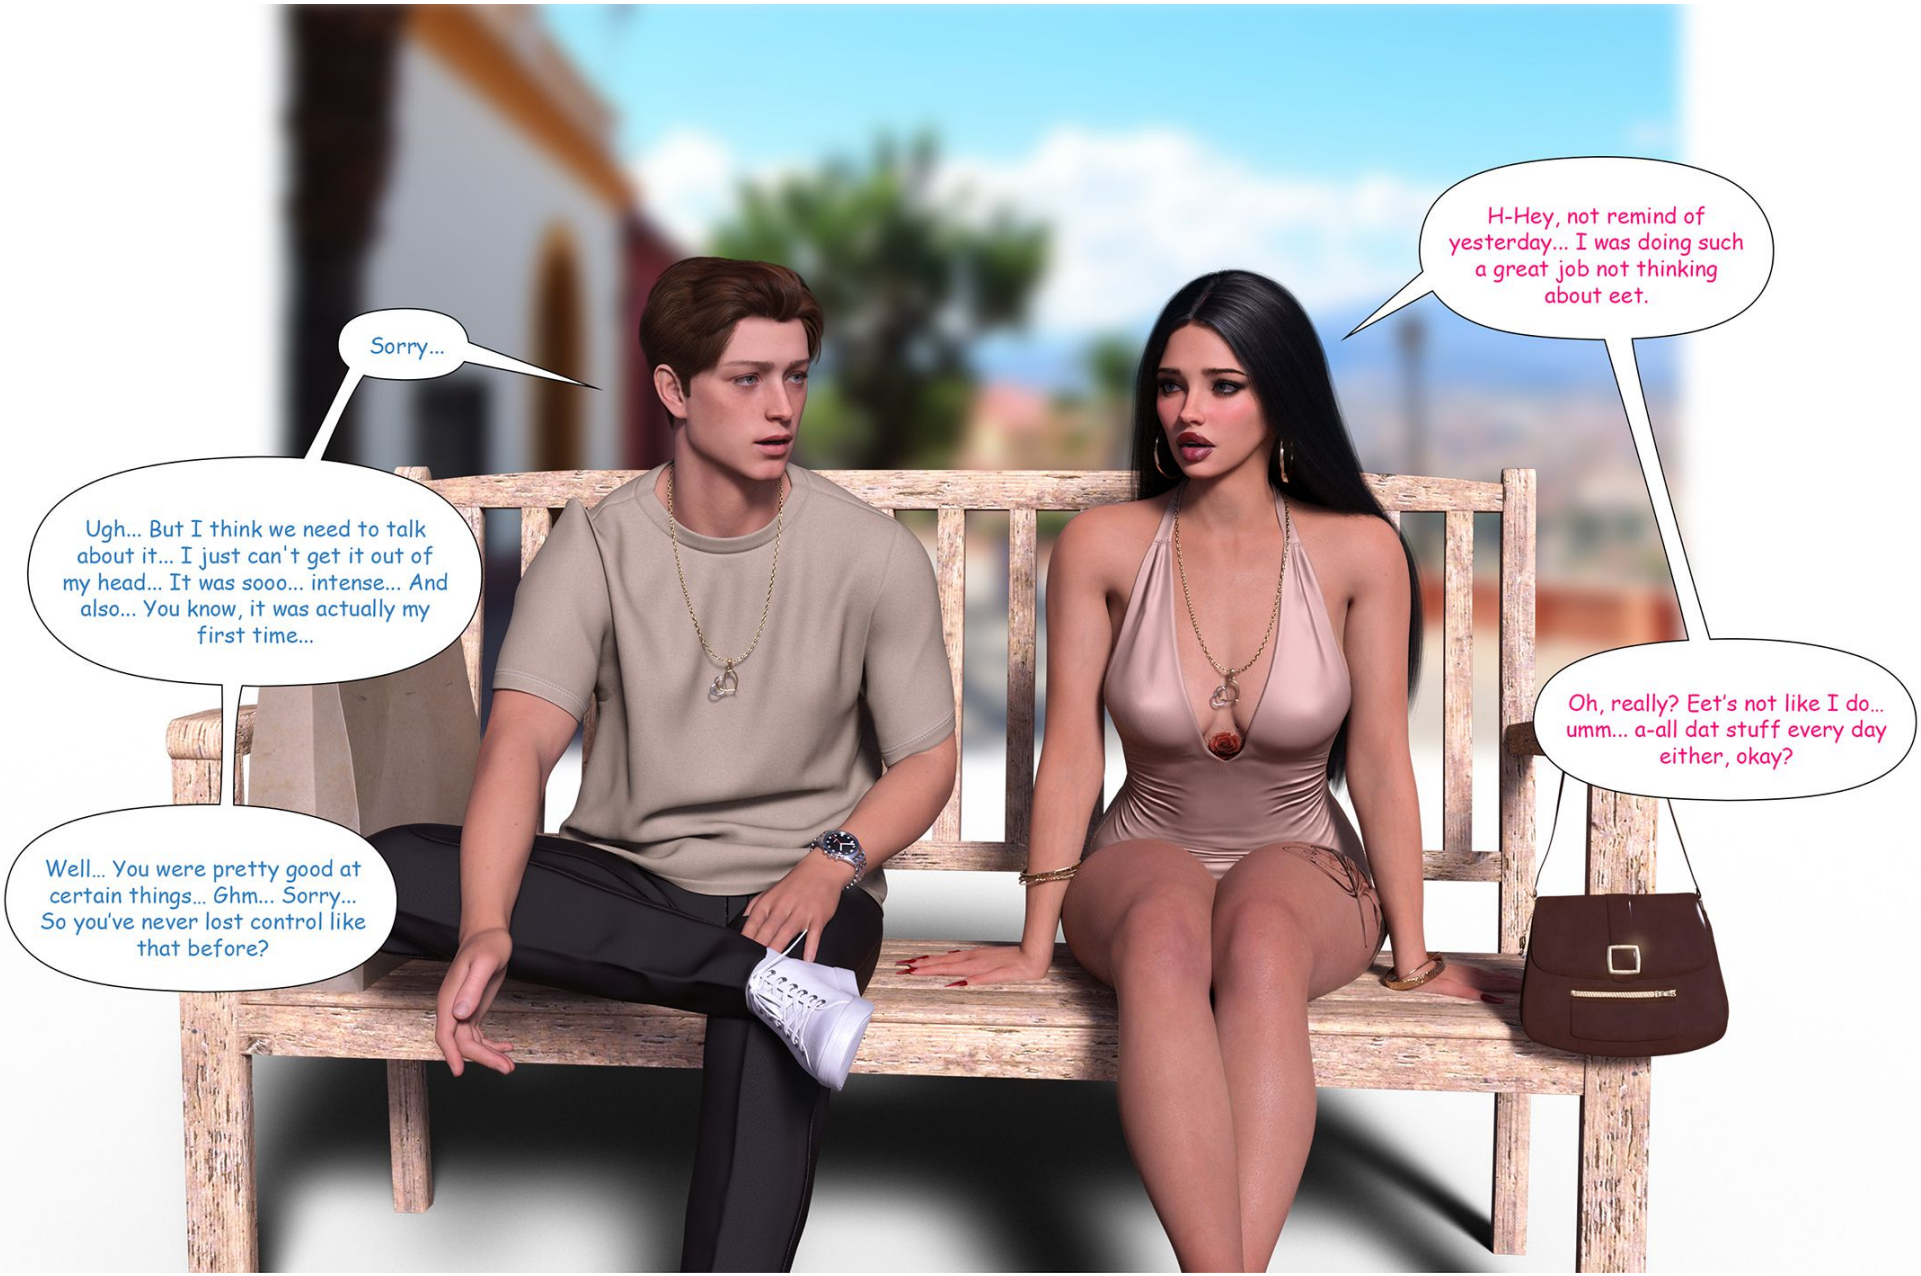

H-Hey, what are you doing, Kev!?
Then I'd better make sure you don't fall.
Don't worry, I'm just gonna carry you until we find somewhere to sit.

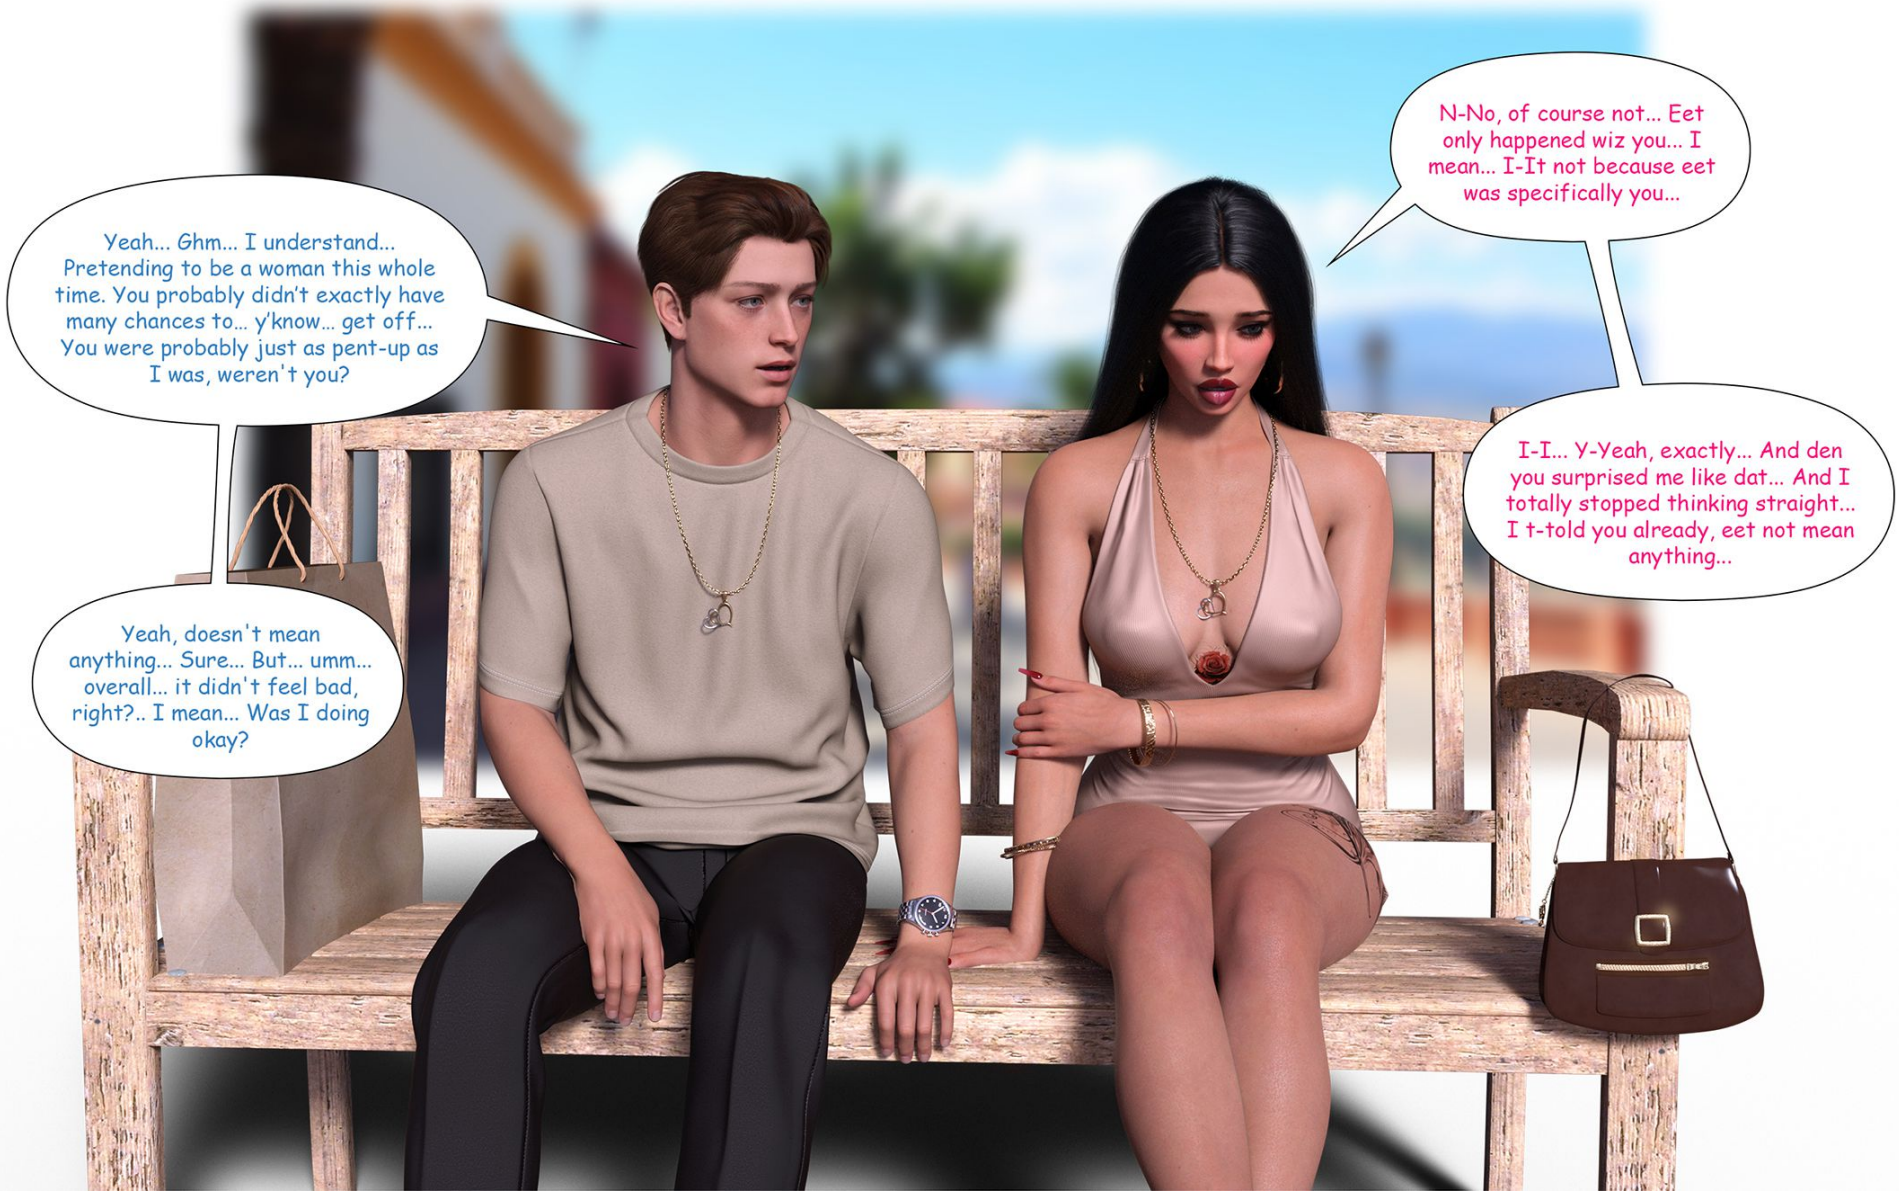

Carry me?! There's no way!.. I was just joking dat I can't walk! C'mon, put me down!
But... But dis ees embarrassing!.. I'm not a little kid to be carried around!.. People are starring!
Relax, I've got you. You're clearly suffering in those shoes. I don't want you falling over and breaking something. You're lighter than I expected anyway.
What do you mean? Delicate women like you are meant to be carried around.

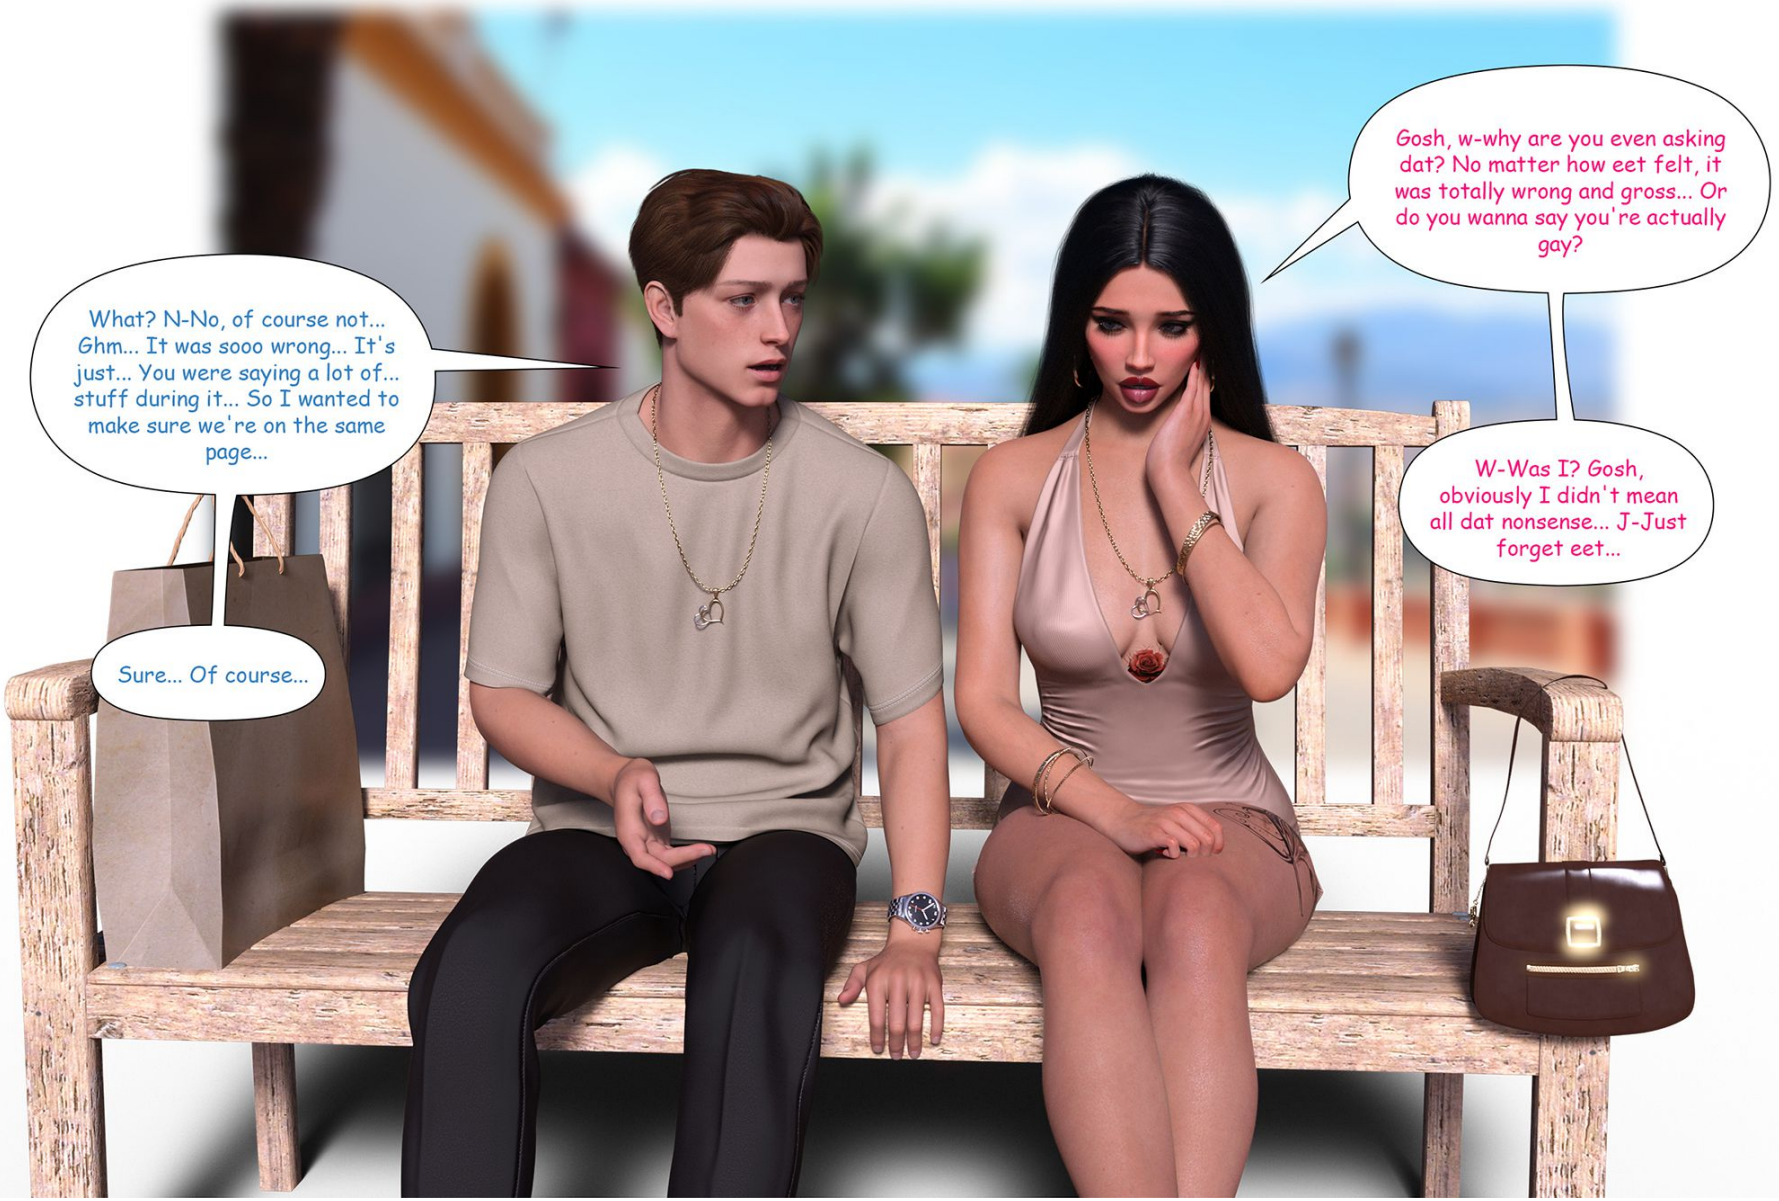

W-What?... Gosh, are you... Are you teasing me again? You are getting unbearable, you know dat?
S-Stop eet... Just hurry up and find us a place to sit, okay?
Who said I'm teasing? I just hope you're comfortable, princess.
Yeah, I think I see some benches over there.

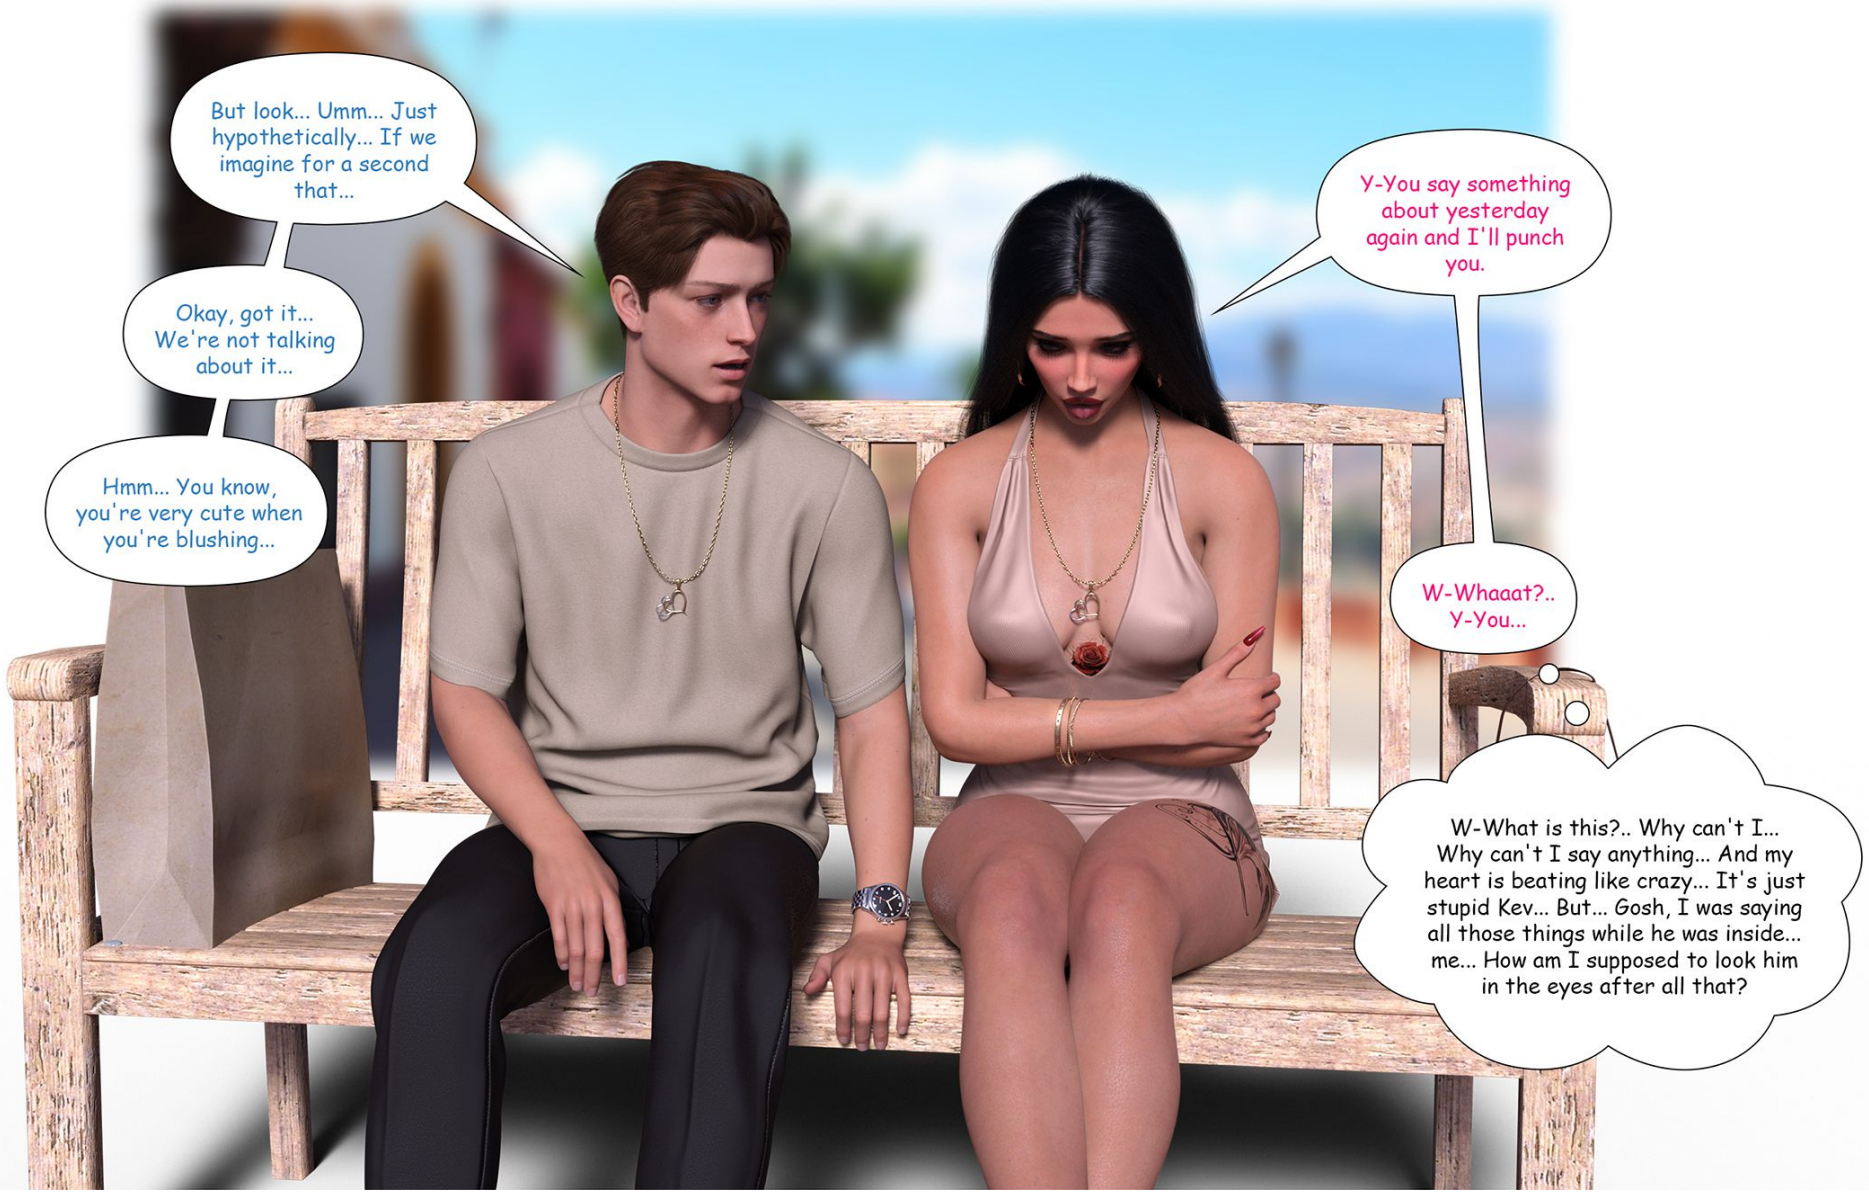

Gosh, he's such an idiot... Treating me like some helpless girl... Though... Ugh... My feet are really killing me... Well, maybe... Maybe being carried like this isn't... that bad...
Like, he's sooo gentle... and strong... Seriously, how is he this strong?.. He's holding me like I weigh nothing... Mhm... And his arms are sooo warm... And he smells sooo... manly... and... mmm... tempting...
Wait, wait, wait... You're losing track of your thoughts again, Dee! Gosh, it's because of this whole stupid situation... I need to stay focused all the time...

Wow, the view from here is actually pretty nice. We can see all of Poza Rica.
I'd say it was even kinda fun... And overall, I haven't had such a good time in a while... Well, aside from the part where you tried to kill me with that spicy candy.
Honestly, yesterday almost feels like some weird dream now, doesn't it?
Yeah, not baaad... Maybe getting lost wasn't a total disaster after all...
Hehe, dat's what you get for messing wiz me... But... Yeah... I guess eet's more fun dan I expected...

Sorry...
Ugh... But I think we need to talk about it... I just can't get it out of my head... It was sooo... intense... And also... You know, it was actually my first time...
Well... You were pretty good at certain things... Ghm... Sorry... So you've never lost control like that before?
H-Hey, not remind of yesterday... I was doing such a great job not thinking about eet.
Oh, really? Eet's not like I do... umm... a-all dat stuff every day either, okay?

Yeah... Ghm... I understand... Pretending to be a woman this whole time. You probably didn't exactly have many chances to... y'know... get off... You were probably just as pent-up as I was, weren't you?
Yeah, doesn't mean anything... Sure... But... umm... overall... it didn't feel bad, right?.. I mean... Was I doing okay?
N-No, of course not... Eet only happened wiz you... I mean... I-It not because eet was specifically you...
I-I... Y-Yeah, exactly... And den you surprised me like dat... And I totally stopped thinking straight... I t-told you already, eet not mean anything...

What? N-No, of course not... Ghm... It was sooo wrong... It's just... You were saying a lot of... stuff during it... So I wanted to make sure we're on the same page...
Sure... Of course...
Gosh, w-why are you even asking dat? No matter how eet felt, it was totally wrong and gross... Or do you wanna say you're actually gay?
W-Was I? Gosh, obviously I didn't mean all dat nonsense... J-Just forget eet...

But look... Umm... Just hypothetically... If we imagine for a second that...
Okay, got it... We're not talking about it...
Hmm... You know, you're very cute when you're blushing...
Y-You say something about yesterday again and I'll punch you.
W-Whaaat?.. Y-You...
W-What is this?.. Why can't I... Why can't I say anything... And my heart is beating like crazy... It's just stupid Kev... But... Gosh, I was saying all those things while he was inside... me... How am I supposed to look him in the eyes after all that?

Oh, shit, Dee!..
Some suspicious guy... Right behind us... I think he's watching us.
I can't tell... We probably gotta act natural, just in case... Maybe we should... We should do the same trick we did in the bar, don't you think?
W-What's wrong?
A-Are you sure? Y-You think he's one of the mafia?
H-Huh? The same trick?

Yeah... It worked pretty well last time...
W-Wait...

Mhm... Gosh, another kiss... But, it's only to fool that guy... You have nothing to worry about, girl... Though... It doesn't feel fake at all... Mmm... My head goes fuuuzzy agaaain...

I haaate to admit it… but kissing is totaaally my weakness now… *Giggle* Especially when he's sooo good at it… Mhm… Just a few seconds more…

Ten minutes later
W-Wait, Kev... Mmphh... Maybe he's gone already...
Mhmm... We can't be sure, Dee...
Mhm... S-Stop... Just... Just check if he's still dere...
Fine, fine...

Oh, yeah, he's gone now. Looks like our plan worked.
Mhmm... The kiss waaas sooo goood... I'm... feeling hooot... Sooo hooot... I need something... I-I... No, focus, Dee!.. You're in public!..

Crap… You're probably really hungry by now, right?
Then I think I should call my driver. He'll pick us up and take us somewhere nice to eat. What do you think?
Umm… Y-Yeah… Totally…
Oh, really? Dat actually sounds amazing right now. I already thought we were stuck here.

Mmmphh... Oh my gosh...
Yum Dis ees shooo good...
Everyfing ish shooo tafty...
Yum

Smirk Nothing... Keep eating, don't be shy... I can see Maria's been starving you or something?
Of course, of course... I just wanna make sure you get enough.
Sure, don't worry about it.
Whaf? Why awe you wooking at me wike dat?
Mhm, tell me about eet... Wike seriouswy, they check everyfing I eat wike I'm fome kind of modew... Shoo annoying... But hey, you eat somefing too.
C'mon, dere's enough food here to feed a whowe city... Umm... By the way, I shpent all my money at the mawket... Sho you know you're paying for all this, right?
Great, I'll owe you one, Kev!

Half an hour later
Yeah... We may have slightly overdone it...
Ah, we can't do that, they're gonna throw us out... So, how're your feet feeling now? Think you can survive a little more walking?
Ugh... My stomaaach... I think I just ate enough for de next three days...
I regret nothing... Compared to my usual diet, dis food tasted like heaven... Though I think I need a little nap now.
Yeah... Dey're a lot better. Just give me five minutes and we'll go... You still haven't seen the best parts of the city.

Some time later
Hey, gorgeous... You looked kinda lonely standing here like that... I could keep you company.
I'm pretty sure your friend will be fine... I promise, you'd have way more fun with me.
C'mon, you don't gotta act so cold. I saw the way you looked at me.
N-No thanks... I'm waiting for my friend right now.
I-I already told you... I'm not interested...

And dressed like this... You're clearly looking for attention, aren't you?

Relax, princess... No need to get all scared. I'm not gonna hurt you...
H-Hey! Get your hands off me!
D-Don't touch me... Ugh... K-Kev! Kev, help me!

Hey, you!
Whaaat?..

Arghhh...

Are you okay, Dee?
Well, didn't I tell you?.. And... I dunno... I just got really mad when I saw him touching you like that... Such an asshole.
Y-Yeah... I'm... I'm fine... Wow... So you can actually fight!.. Dat was... Dat was pretty cool...
Uh-huh...

Here's your ice cream.
I can't leave you alone even for a minute, can I?
Really? Because I'm pretty sure I heard someone screaming my name... Hmm... What are you gonna do after I go back home?
Thanks...
Huh? Eet wasn't, like, my fault... Actually, I could probably handle eet myself...
Shut up... I just got caught off guard, okay?.. Don't think I'm always dat helpless...

Mhm... Yeah, I gotta say, that punch was really impressive... I never thought Kev was the type to jump into a fight like that... And... Mhm... It was to protect me... I guess I'm pretty lucky to have him around...
I mean, he's an idiot, but... Sometimes he can be, like, sooo nice... and caring... And kinda hot, honestly... *Giggle* Not to mention... He totally knows how to make a girl feel gooood... Oh, the way he kisses your neck...

Hmm?..
Hey, Dee, why are you looking at me like that?

N-Nothing... I was just thinking... dat you're a dummy...
For... For asking stupid questions...
S-Shut up...
Hey, what's that for?
Whoa... You sound more like a woman with every hour...

An hour later

Oh... We're already home... I not even notice how we walked all the way back here.
Yeah, me neither... Honestly, I wouldn't have complained if we'd gotten lost again.

What?.. Oh no, I just noticed I can't feel my feet anymore.
Already? You know, you can come in for coffee eef you want...
Relax, I'm just joking. I think it's probably time for me to head out.
Ah, I'd love to... But I've already stayed longer than I planned to. Tony's probably dying of boredom by now... And my parents are probably starting to worry.
Umm... Okay...

Anyways, I had a really great time today. Thanks that you agreed to take me around the city, Dee.
No problem... I think I could come visit again sometime, if you'd like.
Mhm... yeah... it was pretty fun... *Giggle* Thanks for coming all de way here in the first place...

Uh-huh... It's just... We should be more careful next time... So eet not ends up... y'know... like yesterday...
Okay, then... Text me when you get home, alright?
Yeah... No more surprises, I got it...

Wait, Dee...
You know, there's a pretty good chance someone's watching us right now... So if we just say goodbye and leave, that might look weird.
But what if it wasn't? We can't be too careful, Dee. I know neither of us is thrilled about it, but I think a goodbye kiss is necessary.
W-What?
Wait, do you mean... I-I dunno... I not notice anyone suspicious all day... Maybe eet was just a random guy before.

Ghm... Not too quick though... We gotta make it look natural.
O-Okay, let's just make eet quick, not like the last time...
Just come here, dummy...

¡Chao, chao! ¡Buen viaje!

It's me, boss.
Yeah, I followed the guy, just like you asked.
I'm in Mexico right now. And I found something interesting...
Yes, it's gotta be her. I'm pretty sure she changed her appearance.
Oh, I think you're gonna like this.
Of course. I'll send you the photos right away.
Understood, I'll keep an eye on her. I'll report back soon.

A few days later

But after what happened with Kev, I have to be careful... Especially with my... back door...
Mhm... Even if... It felt sooo goood when Kev's dick was inside me... Huh?.. No, no, no, I shouldn't think about that...

Ugh, when are those stupid toxins finally going to clear out?.. It's been months already... I thought it would start getting better with time, but it's only getting worse...

Now we wait for the fumes to clear.

Forgive me, sweetheart... but you were unlucky... The thing is, you're gonna be our bait... And the fish we're after... is very big... and very careful... So if we want to catch it, the bait has to be irresistible.
You'd be surprised how many mothers come to me for help. Worried about their daughters. That they're too rough... Unladylike... Or even... That they're not interested in men whatsoever... Fortunately, I have some ways to... fix it...

For example... An extract of fenugreek, pueraria mirifica, and red clover. A rather effective combination... It rounds out those sharp edges, adds fullness in the right places... gives your hair and skin a healthy glow... And most importantly... It helps guide those thoughts in the proper direction.
Gulp

Next, we'll need a concentrated mixture made from maca root and damiana. It awakens desire... Heats you up from the inside... And fills you with irresistible lust... For many girls... this was already more than enough.
And another useful blend... Licorice root and slippery elm... Makes you sound softer... more breathy... inviting... Even when you don't want to...

With this ointment, you are already familiar. Thanks to clove, it first gives a slight numbing effect. But after just a few minutes... With the help of camfora and shavatari... It turns into a deep, intense heat.

Every touch, every breath of air on your skin feels ten times stronger… At the same time, lips are one of the most sensitive areas of the body… So I can only imagine how good they feel.

Oh... Look at that... Even being asleep, they already know what to do... Before long... you won't be able to tear them away from a man.

Since you've already gotten a little used to it... I think we can cover a larger area this time. We need your body to react properly when a man touches it.

Let's not forget about these little beauties... I bet they're driving you crazy too, aren't they?
Mhmm... Aaahhh...
Don't worry, dear, soon you'll get used to this pleasure... And won't be able to think of yourself as a man again.

But it's for the best, honey… With all those hormones you've taken, that little thing of yours probably will never work again. You'll never be a man again... This little hole… is now your only proper way to have sex… Although, it seems you've already figured that out quite well without me. *Smirk*

And finally… a mixture of lavender, muira puama, and passionflower… I don't use this one very often, but I must admit… You've been putting up quite a strong resistance. Most of the girls needed only a month of my "treatment". But this one will put an end to your struggles.

Gotta make sure she breathes this in all the time...

And a little bit here as well...

Or perhaps it's even better to add it to her perfume... I'm not overdoing it, am I?.. It's okay, the effect is temporary, so it won't do her any harm.

Wonderful... You're almost ready, my dear... Soon it will be time to throw in the hook.

Oh, crap... I fell asleep in your chair again. I wasn't out for too long, was I?
Sure, ma'am...
It's alright, dear. You looked so tired. I didn't want to wake you. Now you can get back to work.

Oh, gosh... Kev and I... T-Thank God, it was just a stupid dream this time... But now I'm even more worked up... Just great..

Man, you should've come to that party at Devon's. You missed out big time.
Really? And what happened this time? At least you made it out in one piece, from the look of it.
You bet, dude, that night was insane. First Devon nearly wrecked his new car trying to show off. Then his drunk sister got up on a table and started dancing... After that... Hmm... I think the cops showed up at some point... At least, that's how I remember it...
Yeah, yeah... Sounds like your usual weekend, man.
Most importantly, the place was packed with hotties. I tell you man, a party like this is your only chance to get laid... I mean, you still haven't met anyone, have you? At this point, I'm starting to worry about you, Kev.

Hold on!.. You're not kidding?
No way!.. Who is she? Is she hot?
Wow, so you found yourself a hot Latina? Good job, Kev!.. Though her name sounds really familiar for some reason.
Actually... I did meet some girl...
No, I think everything is serious between us... We even already had... You know...
Oh, she's gorgeous... She lives in Mexico and her name is Daphne.
You know, now that I think about it... You and her have a lot in common...

Haha! How exactly am I supposed to be anything like her?
What? Since when do I have...
Well... She's got the same long dark hair... And long, pretty nails... Just like you...

Not to mention that your voice is just like hers... So high and sweet... and you've got the same funny accent. Then again, you're both from Argentina, so I guess it makes sense that your English isn't exactly perfect.
Wait, Kev!.. S-Something is wrong... My hair wasn't this long before, was it?.. And my nails...

What are you talking... Ghm... I'm not... Ghm... I not from... Dios mio, what ees wrong wiz my voice?!
Actually, you even dress like her... Cute tops, tight short skirts, high heels... I don't think either of you owns a single outfit that could be called modest, right?

What the... N-No! I can't... I can't be wearing dis! I'm a man!
No, no, stop saying dis stuff, because...
A man? That's funny, because I was pretty sure you're a girl, just like Daphne. I mean with those soft perky breasts... long, smooth legs... slim toned waist... perfect ass... you can't call yourself a man, can you?

Aaahhh... Now I have breasts!.. Why... Why ees dis happening?.. Everything you say can't be true!
I'm not surprised you're confused. Let's be honest, you're kinda an airhead just like Daphne. The way you both giggle at every silly thing is kinda cute.

Gosh, dat's, like, not funny at all... *Giggle* I'm totally not, like... umm... an airhead... Ugh... Why am I...
Everything's fine. You and Daphne just have different priorities. You're the type of girl who loves being the center of attention, right?.. Flirty and playful... Those girls who completely lose their heads when they meet a hot guy.

What I really love about you is how easily you girls get turned on. A slightest touch, a compliment and you're getting wet and needy. I guess that's why you're both so talented when it comes to pleasing a man.
N-No... Like, stop dis... 'Cos you starting look kinda cute *Giggle*

Hmm... How come I never noticed that you're just like my girlfriend Daphne, huh? Honestly, you're so similar, now I'm starting to think you're the same person.
Like who?.. You're acting really weird today, Daphne. You probably shouldn't have had so much beer.
Mhmm... Gosh, you can't just tell all my secrets, guapo. *Giggle*... I mean...
Giggle Don't be silly, cariño, I can't be her... You're, like, mistaken or something... I'm totally not like dat girl.

Oops... I really drink a bit too much, no? *Giggle* I'm, like, so careless sometimes... You should be careful, 'cos when I tipsy I can do all sorts of reckless, naughty things... *Giggle*
What!? No, what am I doing? I can't even control myself anymore! And he thinks I'm his girlfriend Daphne.
Don't worry, babe, I can handle that. That's why I love you after all.

Aww, come here, mi amor...
No, no, no, don't listen to this, Kev... Ugh... Someone help me! I don't wanna be stuck as Kev's girlfriend!

Huh? Where am I?..

Mmm, your cock looks sooo yummy. *Giggle*
Oh no, just not that! I can't suck this delicious, juicy cock... Wait, my thoughts are changing too?
Then don't be shy, babe. Put that pretty mouth of yours to work.

Good girl!.. From now on you're gonna do it every single day.
Nooo, he must be joking... At this rate... I'll totally turn into his hot, ditzy girlfriend... Mhm... But it doesn't sound that bad... *Giggle*

Hmm? What happened? Now I'm at home, am I?

Ugh... I love it when you're on top, babe...
Huh?.. Wait, Kev.. Aaahh... Gosh, I can talk like myself again!

Kev, you have to... Aaahh... You have to listen to me! Eet's a mistake... Mhmm... I'm not your girlfriend!
N-No, you don't understand!.. Aahh... I somehow became a girl... But actually I'm... I'm...
You again with that nonsense, babe? Who else can you be moaning and bouncing on my cock like that? Just relax and let me fuck those silly thoughts out of your pretty head.

I'm gonna show you who you truly are, Daphne.
W-Wait, where are you taking me?.. Ngghh... Eet's still inside!.. And since when you're sooo jacked?

C'mon, look at yourself, don't be shy. Look how fucking gorgeous you are.
You can't keep lying to yourself, Dee.
N-No, I can't...

H-Huh? Ees thaf really me?.. Ugh... Shtop, smiling, you dummy!..
M-My pussy?.. No, I can't have a pussy!..
Aahhh... N-Nooo... Mhmmm...
See? Aren't you just a desperate little slut who's enjoying riding my cock and squeezing it with her pussy?
You're a woman, Dee, of course you have one. Look how wet and tight it is... How perfectly it grips me. Stop fighting it and just admit how good it feels to be my little slut.

It's okay, I know your other weakness... These beautiful tits... They're so sensitive, aren't they?
Aahhh... D-Don't do dat!.. I'm gonna lose my mind!..

I know how much you love them... You like them getting bigger and bigger, don't you?
Don't lie to yourself. You don't want them to stop growing, right?
Whaaat?.. Nggh.. No, stop dis!.. Dey're already big enough...

Aaahhh... Omg, dey're huge! I can't live wiz these...
W-What? O-Our baby?
Wait, he can't... Mhhmm... I shouldn't let him do that... But... It just feels sooo goood... Omg, he was totally right about me... *Giggle*
They're just perfect for you... As well as for feeding our baby.
That's right... Tonight I'll finally make you mine... I'll come inside you and put a child into your belly.

That's my good girl...
Aaahhh... Si, do eet, mi amor!.. Fill me up!.. I want you to breed me!..

I love you, Kev...
And I'm gonna be... a mother?!..
And I love you too, Dee... I can't believe I'm gonna be a father soon...

Wait, am I already pregnant?!.. No, no, no, it can't be happening!.. I'm not ready to this... I don't wanna... I don't...

Pant Oh my gosh... *Pant* Another... Another stupid dream... Of course, you can't get pregnant, dummy...
Pant Shit... Kev already went home but... Why can't I... Why can't I stop thinking about him?..

A few days later
Girl, you won't believe it!.. I met this guy yesterday... Gosh, he looked exactly like Lucas Ferrero!.. Or probably even hotter... You know, tall, black hair, big sexy arms and stuff...
Mmm... And the way he looked at me... Sooo confident, with that sly little smile... I got totally wet at that exact moment... *Giggle* After that we were talking about something, but I could barely focus and listen to him, can you imagine?..
Well, at least I remembered that he owns some restaurant here in Poza Rica. And it looks like he's really into me... He asked me out, so wish me luck, girl.
Hey, Dee!.. Earth to Dee!.. Daphne, are you even listening to me?!

Huh?.. Oh, sorry... I just got a little lost in... umm... thoughts...
W-What?.. No, why would I even... Gosh, it totally not like that!..
Again? You've been spacing out a lot lately, girl. Hmm... Are you missing your Kevin or something? *Smirk*

It didn't sound very convincing... You're hiding something from us, aren't you, girl?
Yeah, yeah... Hehe, let me guess... Your heart races, you suddenly get all hot and then cold... And sooo wet and needy... I know those symptoms all too well... The "issue" is that our little DeeDee is head over heels for Kevin, right?
Sure, sure, if you don't want to talk about it, that's fine. I was just trying to help, you know... Anyway, we should get going. The third part of "Hot nights in Rio" isn't gonna watch itself.
Gosh, I already told you about my sensitivity issue... Actually, it bother me, like, all the time, and I feel really weird because of it, okay?
Ugh... Y-You're really great at imagining things, Lola... You should stop treating me like some girl!.. Kev's just my friend, that's all. Now get off me, you're heavy!

Umm... You know, you can watch it without me...
I think these silly movies have a bad effect on me... I was only watching them to practice Spanish anyway. So I don't really need them anymore.
Umm... It wasn't like that...
What? But why? It's just about to get really good!
Duh, that's you're silly, Dee... You almost cried at the ending of the second part, remember? And you're trying to tell me you didn't like it?
Well, fine then... We'll watch it without you. But I think you should know something about the third part... Who Alejandro really is... Because he's not just a journalist...
FOREVER YOURS

Whaaat?!.. You don't say... Omg, I knew there was something unusual about him!.. So who is he? Tell me!
What?! Hey, that's not fair! Come on, Lola, just tell me!
I told you I'm not gonna watch it!
Uh, you know what... I changed my mind. You said you're not interested in these "silly" movies anyway. So I guess you'll never find out.
Na-ah... If you wanna know so much, you'll have to see it yourself.

Huh? What can be better than the third part of "Hot nights in Rio"?
Hey, girls, stop arguing. I came up with something much more interesting for us to do tonight.
Look, I found a deck of cards and I think we can play something fun...

Oooh, sounds interesting... What exactly do you have in mind, girl?
Omg, I'm in! That'd be totally fun!
Umm... Everything?.. Oh no, knowing you, I don't think it's a good idea.
Hehe, we're gonna play conquian, but with punishments... The loser has to do whatever the winner says... Nothing crazy, obviously. What do you think, girls?
Oh come on, think about it, Dee. You could finally get back at us for those photos and everything else. Isn't that a perfect chance?

Hmm... If you think about it... I was always pretty good at cards. I definitely not lose to girls like you... And you're saying you'll do whatever I want if I win, huh?.. Alright, I'm in.
Umm... Just explain the rules of this Con-...
Now that's the spirit, girl!
Conquian. Of course, sweetie, listen carefully...

Hey, Dee, are you here? It's your turn now or have you forgotten? You've been sitting like that for five minutes already.
I know... Ugh... Just let me... umm... think a little...
Why... Why is it so hard to focus?.. I've never had problems with games like this before... But now... It seems, like, sooo hard... Shit, what move should I make?..

...So you're the last with the cards, Dee. Do you know what that means?
Gee, so I won and it means I should come up with a punishment for you... Hmm...
Wait... Oh no, I already lost?.. Gosh, when did you guys manage...
Hehe, looks like you're not as good at this as you thought.

Wait here, I'll be right back!..

Here!.. You have to put this inside and keep it there until the end of the game.
Oh, that's clever, girl. *Giggle*

Huh?! A butt plug? Are you serious? Hey, we just started playing, girls, and I already get this?
B-But I don't wanna... Umm... You know, that place is... kinda sensitive... Can you pick something else, please?
That's right, sis, we're just getting started. Don't worry, it's not that big... yet. *Giggle*
Na-ah, rules are rules, Dee. You knew what you were getting into. Now be a good girl and put it in.

Mmhhhm!..
Giggle It doesn't sound like much of a punishment for you, girl.
FOREVER YOURS

J-Just shut up and deal the cards... I'm gonna get you back this time.

You okay there, Dee? You look a little distracted again. *Giggle*
Y-Yes... I'm totally... mhm... fine...
Shiiit... This plug made it even worse... Every time I move even a little... I feel it pressing inside me... Mmm... It reminds me when Kev... No, stop, Dee! You should focus on the game!..

Oh, look who lost again... Are you even trying, Dee?
Giggle You'd better stop daydreaming and focus, girl, or you'll end up as our little plaything tonight.
Look at her, I think she's still enjoying the last punishment. *Giggle*
So what are you gonna do to her? Have any ideas?
Yeah, I think since her night is going to be so fun, she needs to change into something more appropriate.
W-What? But... But I just got a good combination...
N-No, I...

Oh my gosh, w-what the heck is this, girls? Where did you even get this? A sex shop? I must... I must look ridiculous...
Yeah, you actually look perfect in this. Like a proper little slut. *Giggle*
Ridiculous? Oh no, babe... you look sooo fucking hot!

S-Shut up, you're making this even more embarrassing!.. I have to wear this until the end of the game, right?
N-No thanks... And don't even think about taking photos, do you hear me!?
Yeah, but if you like the outfit, I can give it to you. It suits you way better anyway. *Giggle*
Sure, sure, no photos... At least for now...

Stop talking to me, I'm trying to think!
Ugh, just focus on your cards, okay?
So... are you ready to lose again, Dee?
Let's be honest, sweetie, thinking is just not your thing. *Giggle*
Don't worry, I can play the game and tease you at the same time. *Giggle*
FOREVER YOURS

Yaaay, I won! Finally!
Hehe, so I have to come up with a punishment for you, Lola.
Well, looks like you got lucky with the cards.
Yeah, bring it on, girl. I hope it'll be something interesting.

It's okay, I like it too… Yeeah, there are at least two big reasons why I chose this punishment.
Gosh, I'm... I'm not, like, jealous... I was just saying that your tits look awesome and stuff...
Ugh... Let's just keep playing...
Seriously, girl? This isn't even a punishment for me. On the contrary, it was getting a bit hot here… but now it feels much better.
Aww, you're probably a little jealous, right? Don't worry, small boobs can be cute too, you know. Some guys really like them.
Sure, sure, girl...

Umm... Don't be so confident... I think I've finally got the hang of it.
By the way, how's that little plug feeling back there? Not too distracting?
It's... Mhm... It's totally fine... I've already... umm... got used to it...
Giggle Of course, you have, you little slut. Lola, I think we should replace that plug with a bigger one for the next punishment.
Okay, you got lucky once, girl, but don't think we'll let you win one more time.
Really? Perhaps you're not as ditzy as I thought.
Yeah, that's a great idea, girl!

Whew… I didn't win this time, but at least I didn't lose.
Sorry, girl, the cards were just awful this round.
Well, I guess I'll just have to take it like a good girl.
Whoa... For real?.. Thanks, girl!..
C'mon, Lola, you're losing your touch. I still have so many ideas for Dee.
Next time try harder… or you'll end up plugged like Dee. *Giggle*
I know you will. *Giggle* But relax, I have a much better punishment for you this time... For the whole next round, you have to sit on Daphne's face.

W-Wait, on my face?.. So we can ask for things like that?..
But it's, like, your punishment... What if I not agree to this?
A-Actually... I don't mind it...
Are you ready, sweetie?
Of course, silly. We said anything goes.
Then I guess I'll have to make you...

Whoa, I'm starting to like this game...
Wait... I just thought... How am I supposed to play when you're sitting on my...
Get ready, girl, I'm coming down... I'll try my best not to suffocate you.

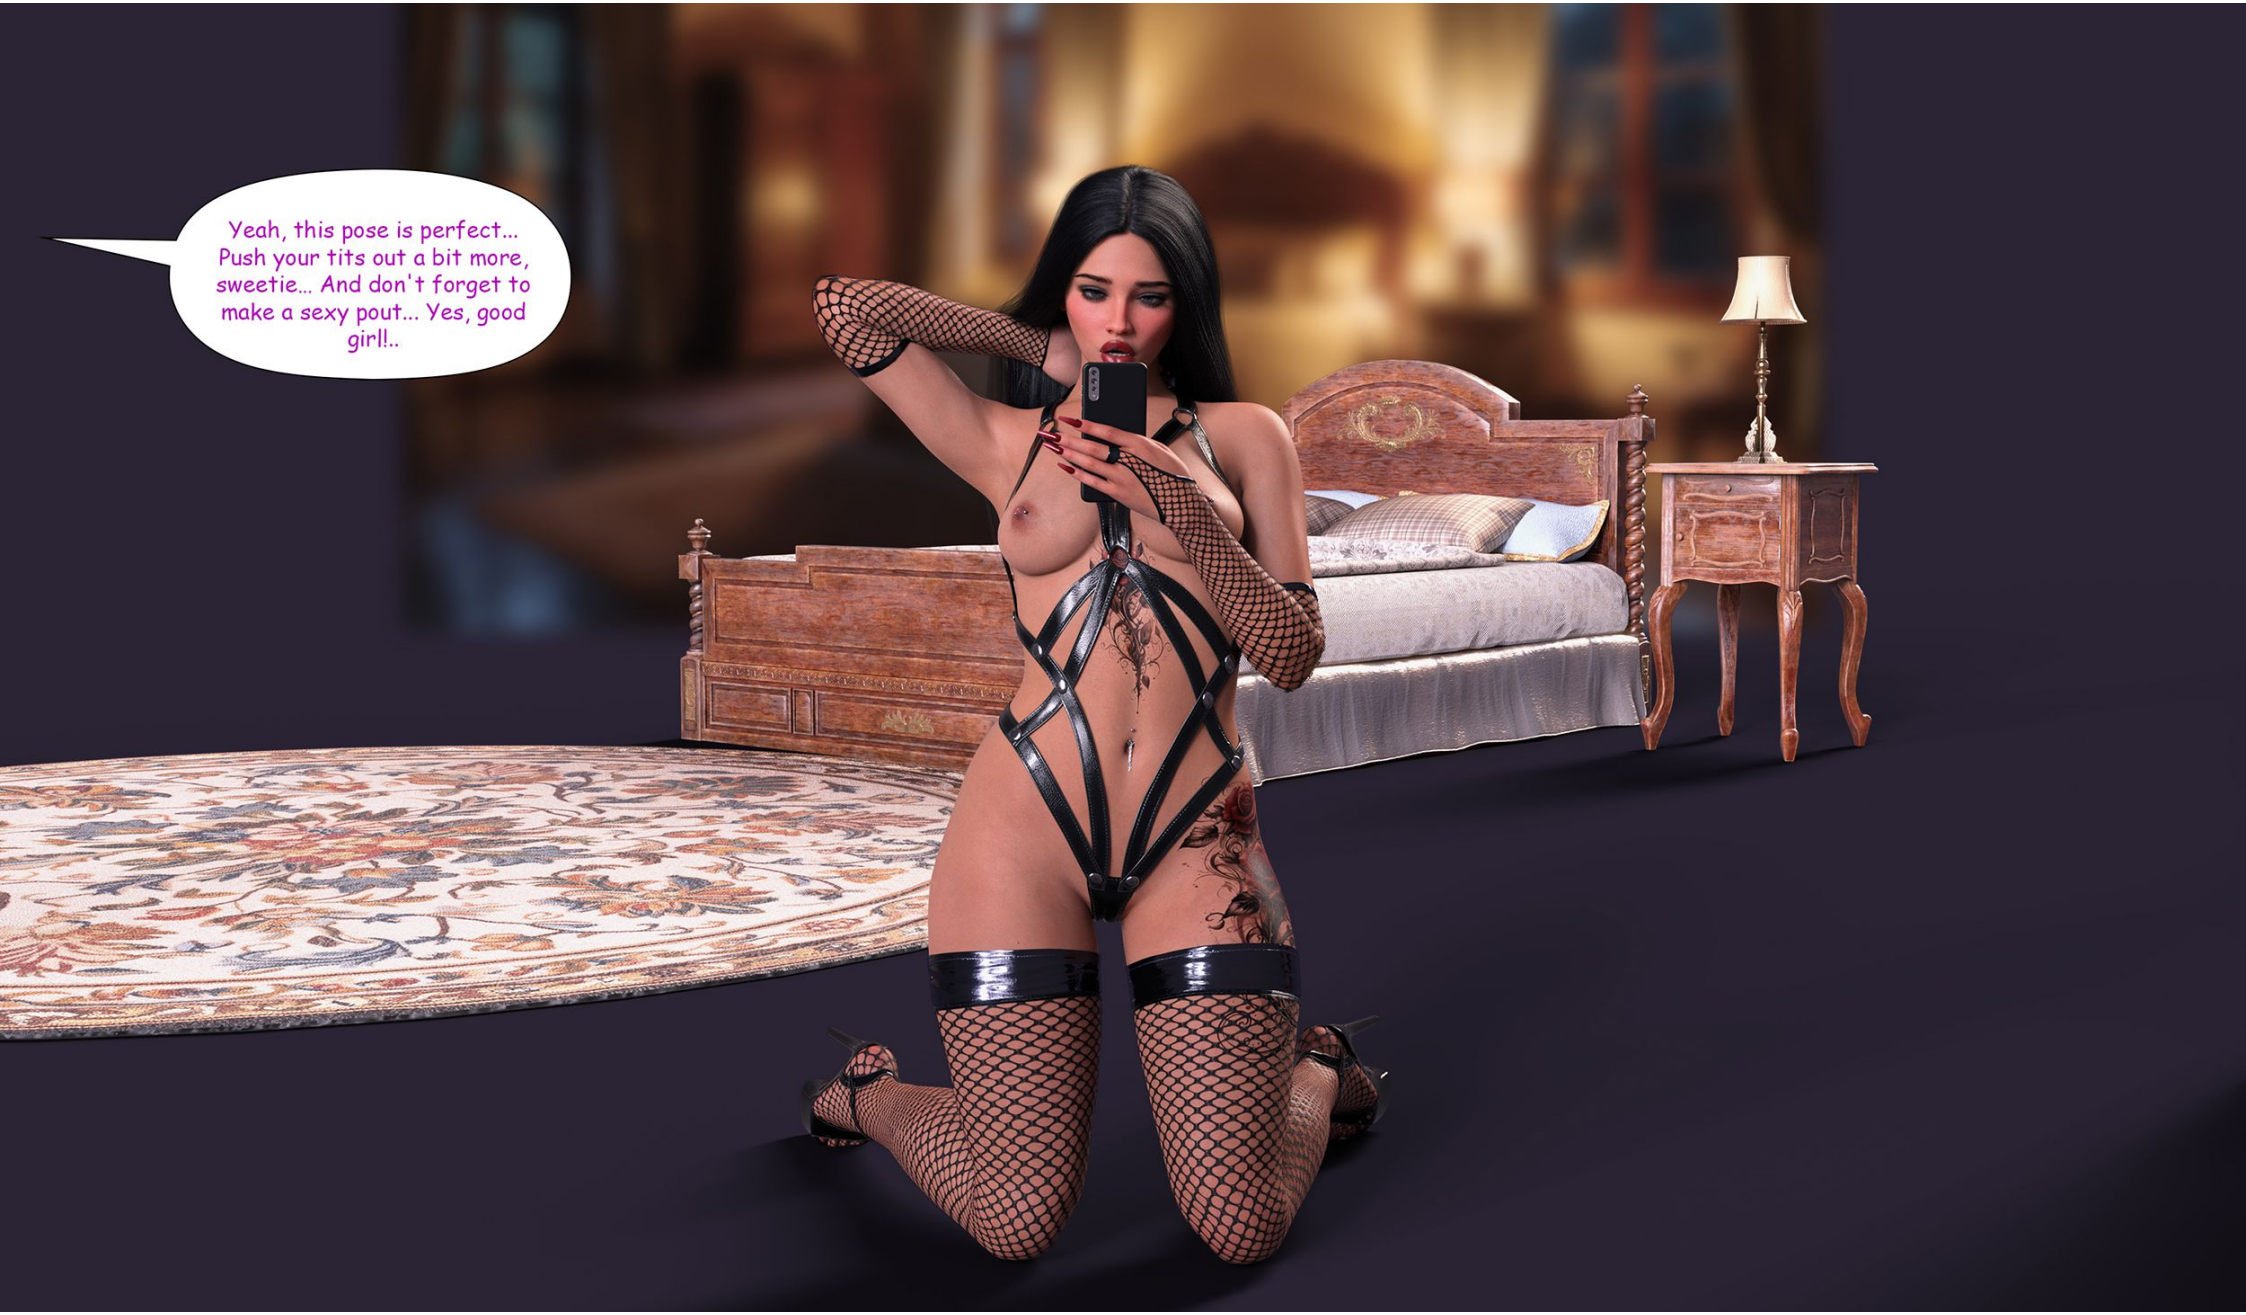

Mhm... Mhmmm...
Mhmm...
That's not my problem, babe... If you make me feel really good, I might go easy on you next time.
Mmm... Yeah, just like that, girl... Don't be shy about using your tongue... Alright, Tali, deal the cards...

Mmmhmm...
Aahh... I think she's a little busy right now... *Giggle*
Hey, Dee, it's your turn now. Are you gonna do something or just lie there?
Yeah, that sounded like "pass" to me... *Giggle*

Oh, looks like you lost again, Dee... Well, better luck next time.
Ah, you figured that out a little too late, babe. Now take your punishment like a good girl.
No, I thought that wouldn't be much of a punishment for such a little slut like you. I have something better in mind. And for that... you need to fix your makeup.
Yeah... Mhm... You're so much better with your tongue than with cards, Dee. *Giggle*
This... This wasn't fair at all... You chose this punishment for Lola on purpose so I couldn't play properly, didn't you?
Ugh, whatever... So what is it? A bigger plug?

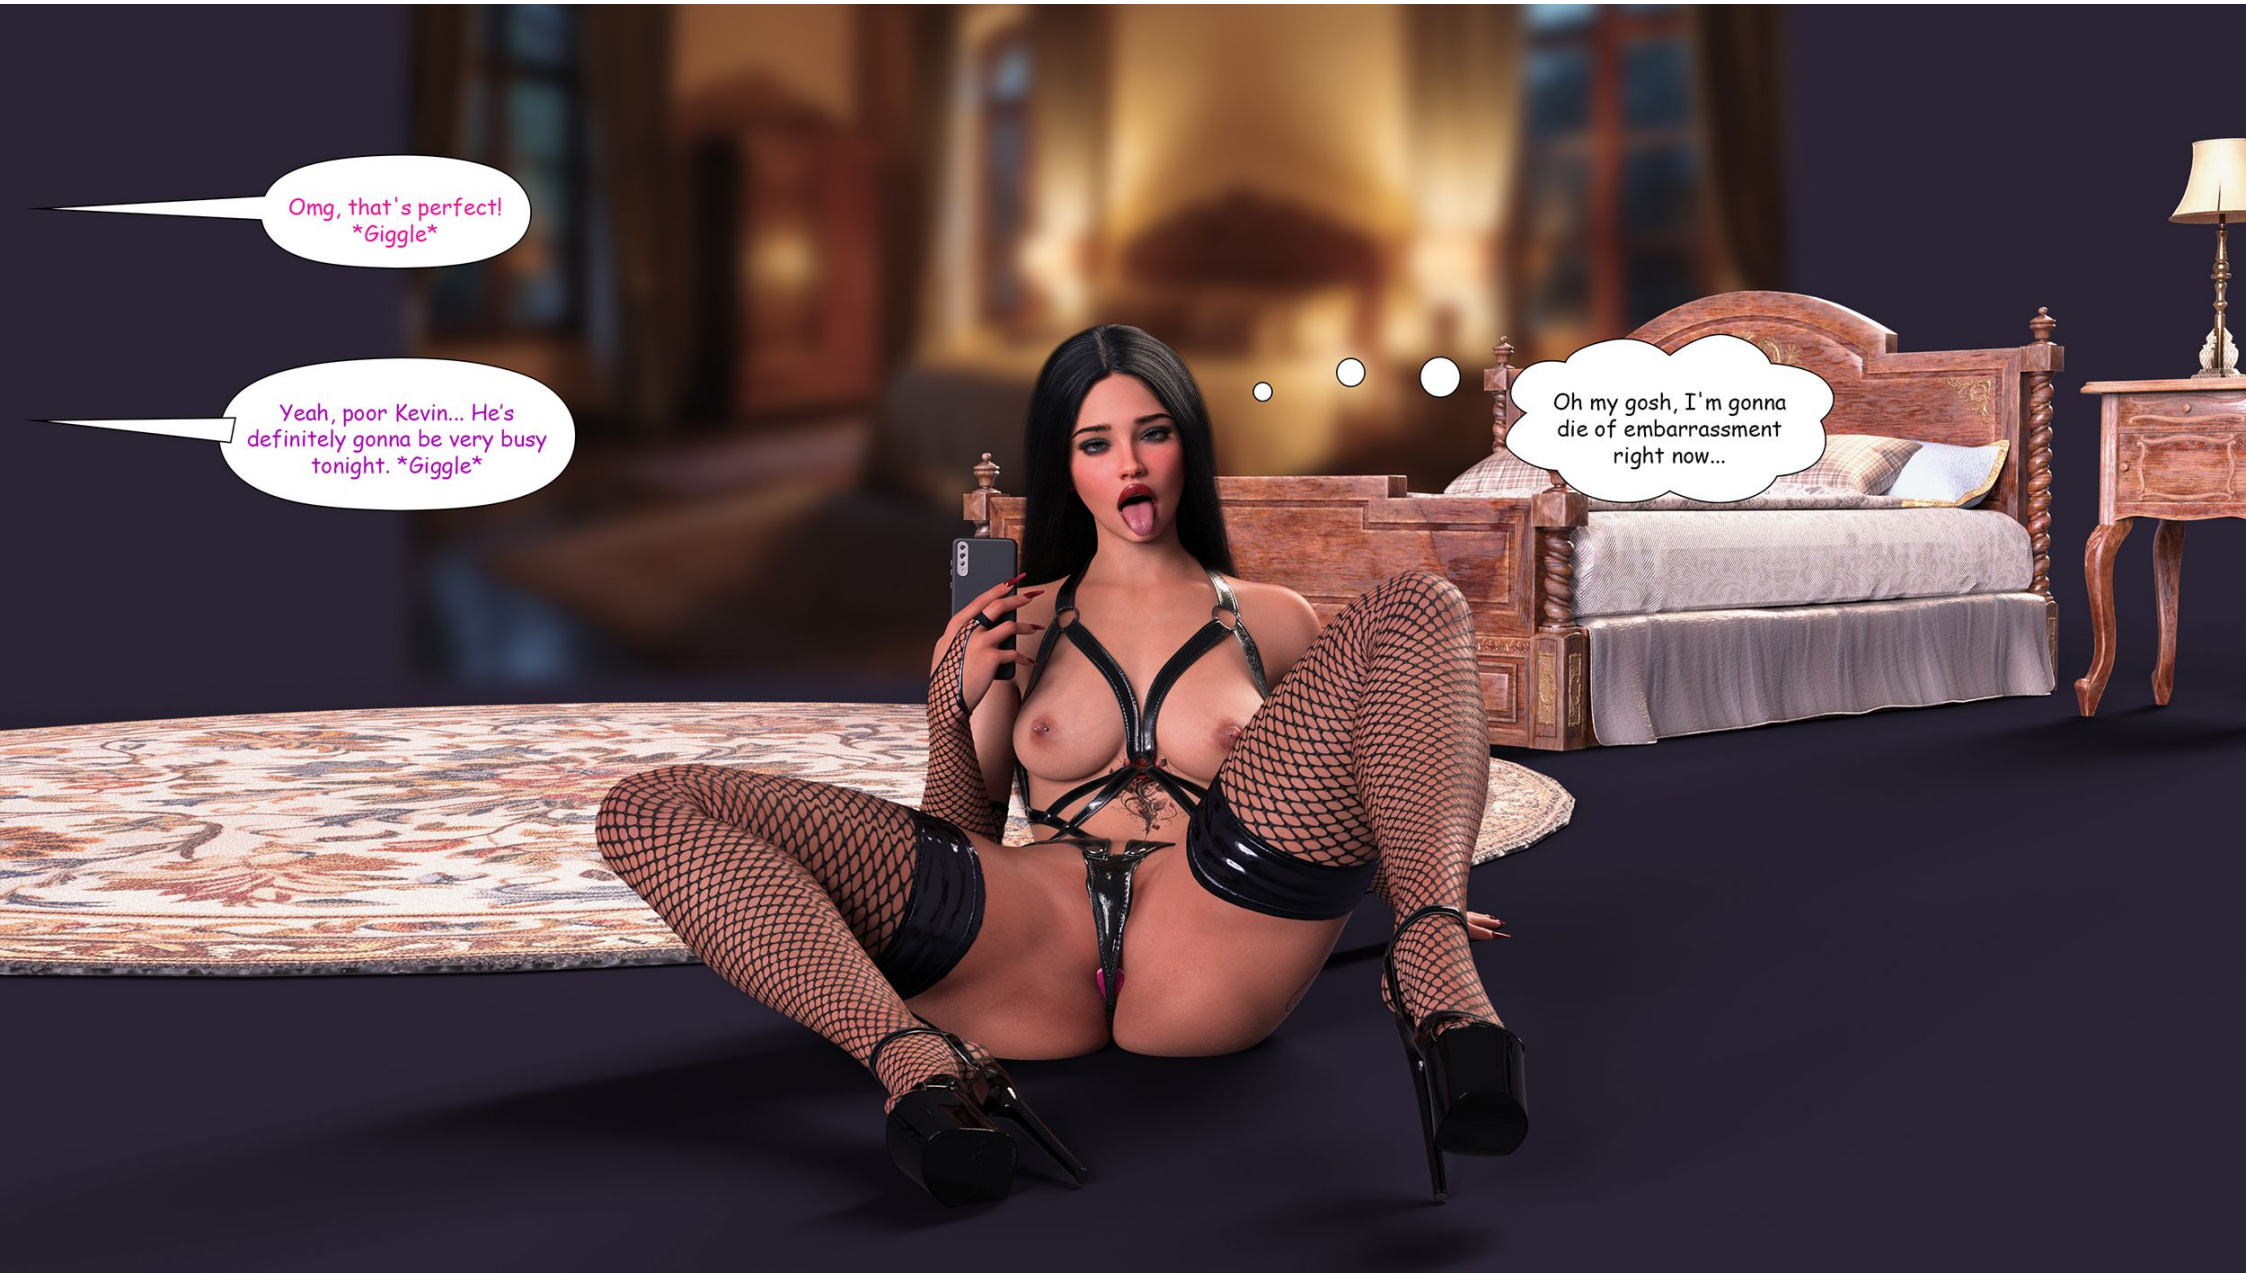

What!? No, no, no, you can't be serious...
Oh my gosh, looking like this!? What's he gonna think!?.. No way, that's too much, girls!
But... Ugh... You had all this planned from the start, hadn't you?
B-But... I don't... I don't know how to do it, okay?
You heard me right, girl. You have to take some spicy selfies and send them to Kevin. And he shouldn't know that this is a punishment.
Duh, that's the point of the game, honey. You could've done the same to us if you'd won.
Giggle Maybe... Now don't be shy and get to those selfies. Make them nice and sexy so Kevin likes them.
It's fine, we're gonna guide you.

C'mon, girl, arch your back a little more... Yeah, like that. Show off that ass. Kevin is gonna love it. *Giggle*

Yeah, this pose is perfect... Push your tits out a bit more, sweetie... And don't forget to make a sexy pout... Yes, good girl!..

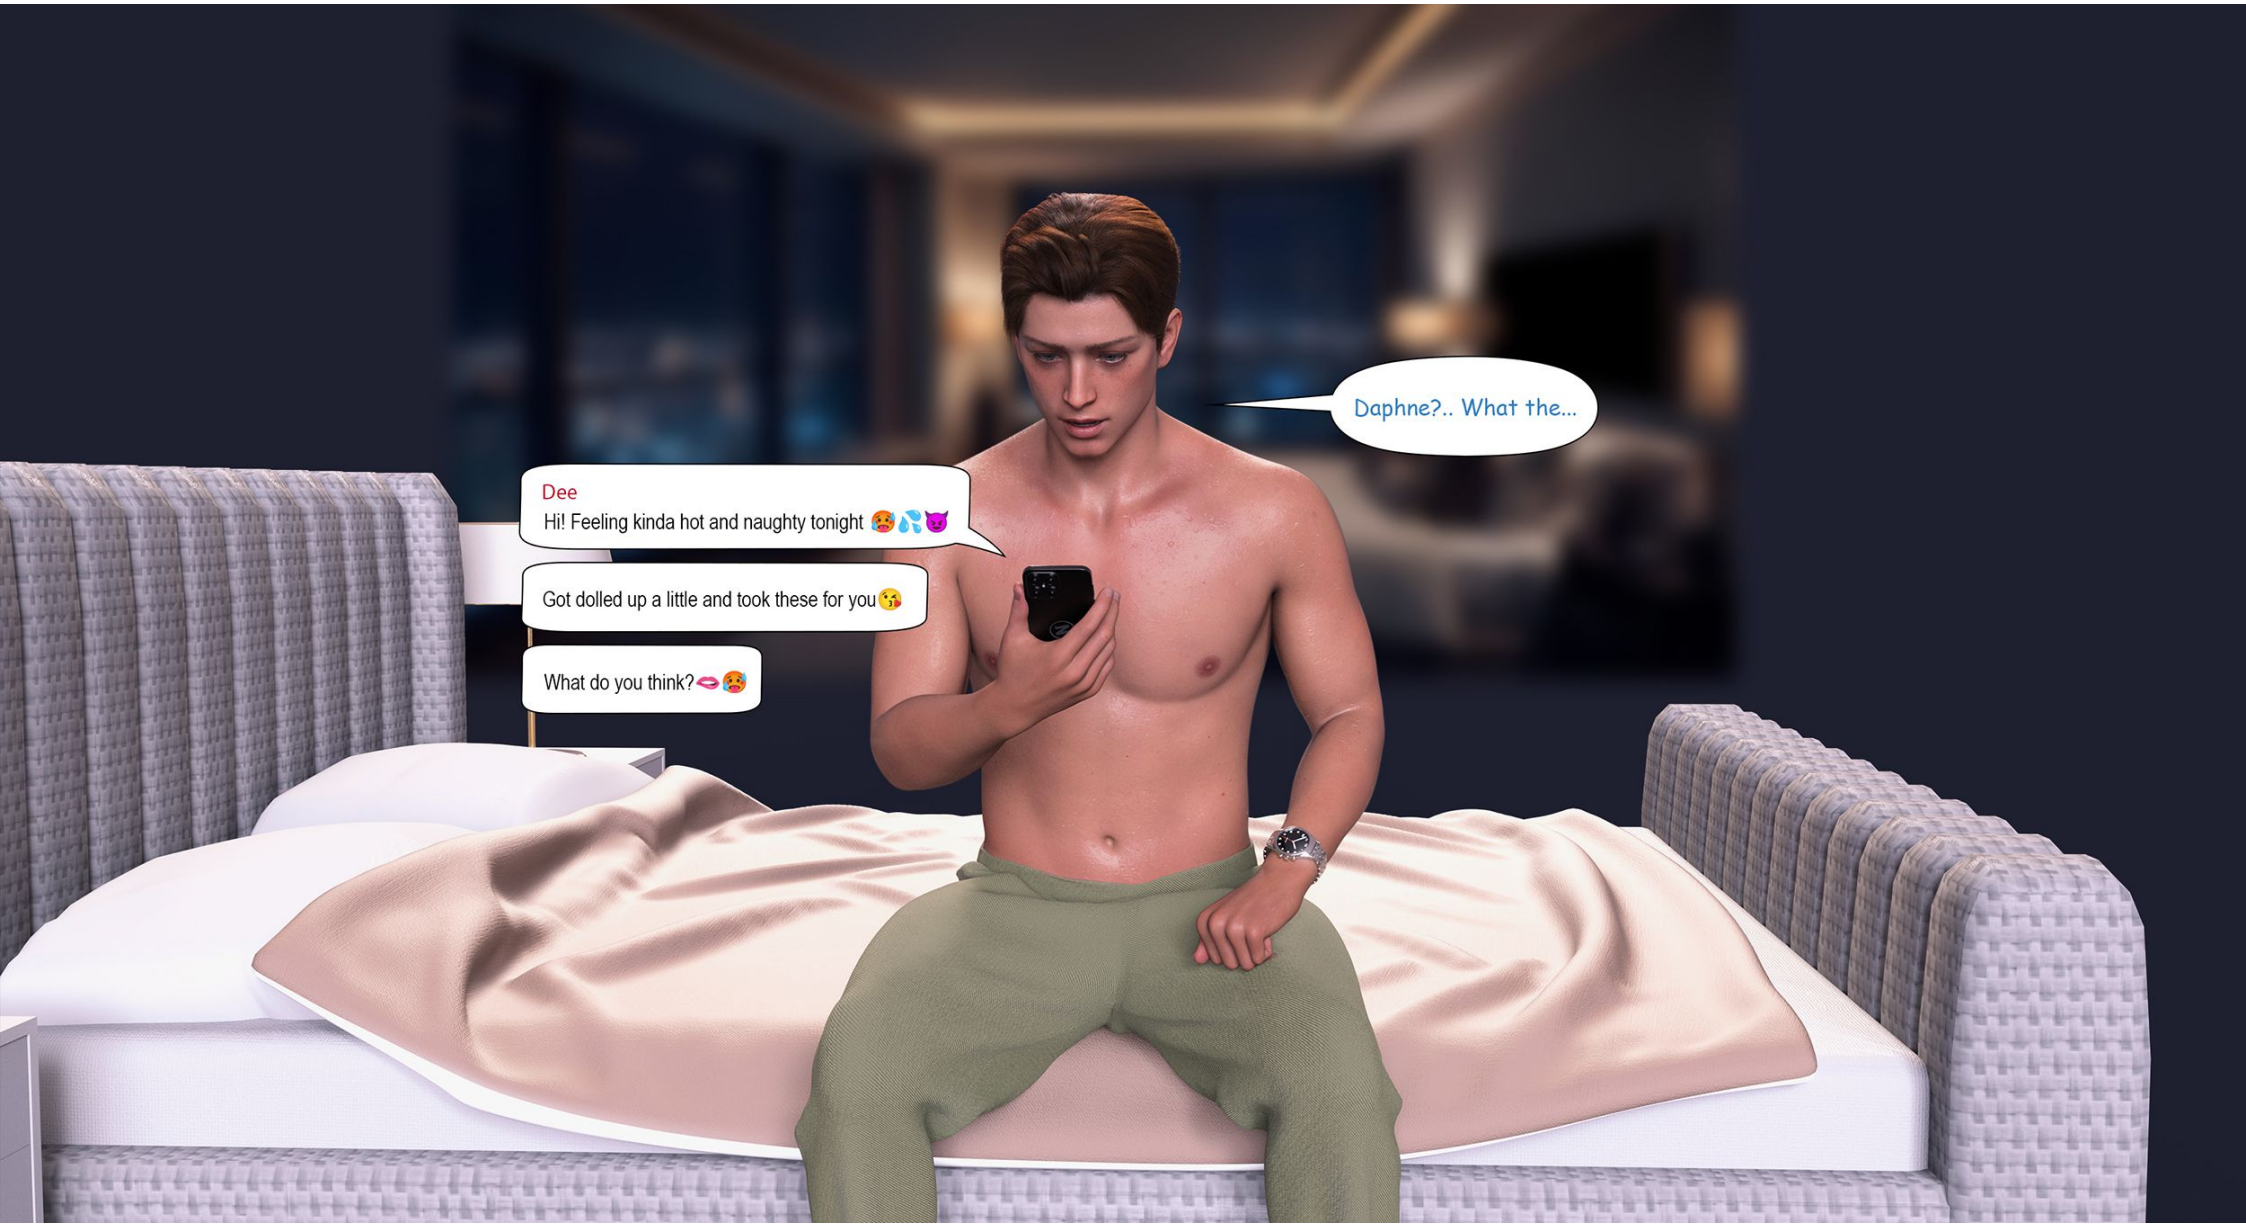

See? You don't even need us to tell you anymore. You're such a natural little tease, Dee. *Giggle*

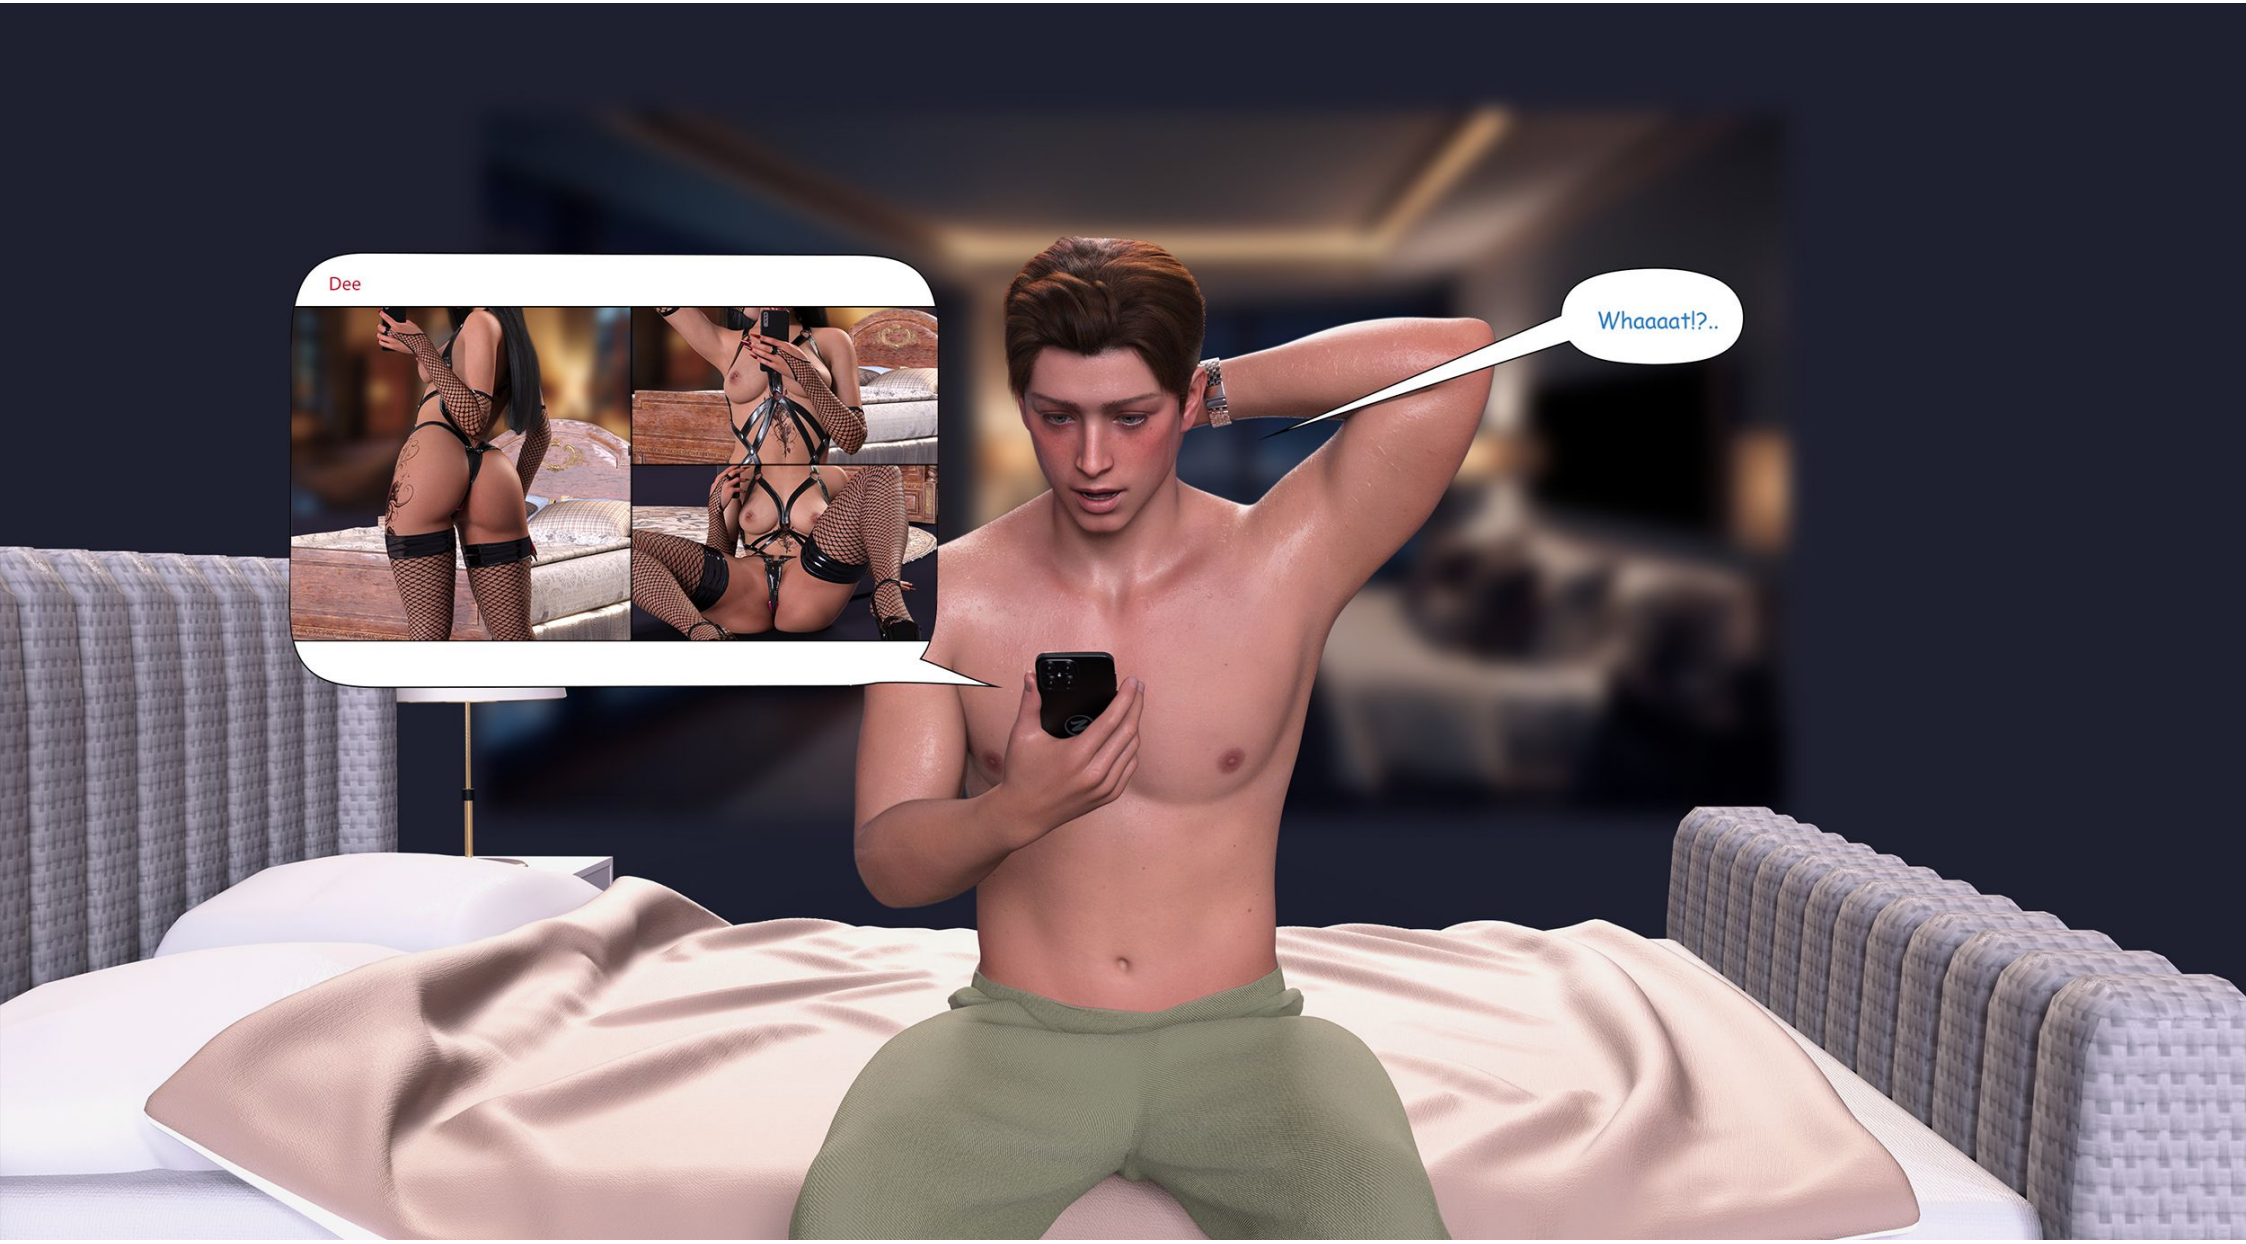

C'mon, girls, isn't that enough already? These photos are crazy!..
Okay, okay, just one last pose... Sit in front of the mirror and spread your legs seductively...

Omg, that's perfect! *Giggle*
Yeah, poor Kevin... He's definitely gonna be very busy tonight. *Giggle*
Oh my gosh, I'm gonna die of embarrassment right now...

Umm... Wait, girls!.. Just don't write him anything weird!..
Yeah, let's imagine your naughty side came out to play. *Giggle*
Sure, sure, we just need to make him believe that you decided to send these photos yourself.

Huh?
Beep
Beep

Daphne?.. What the...
Dee
Hi! Feeling kinda hot and naughty tonight 🥵💦😈
Got dolled up a little and took these for you😘
What do you think?👄🥵

Dee
Whaaaat!?..

Hey, what are you talking about? What did he say about the photos?
Kev
Hey, you're acting weird again.
Are you sure you're okay?
Kev
No, the photos are... Great!
It's just
You're acting like that time when we... did it. Maybe you should, y'know, let off some steam? I don't want you to get mad at me again 😅
What? Again? What does he mean by that?
Dee
What do you mean?
You don't like the photos?👉👈
I just kinda missed you👄
Shh, girl, let us sort this out...

Huh?! N-Nothing... We didn't do anything!..
Hey, stop it!.. I didn't agree to this! You can't just do whatever you want!
This is... This is none of your business! Give me back my phone, like, right now!
Giggle That's very interesting... And what exactly did you two do that we don't know about?
You know it's not nice to lie to your besties, Dee.
Fine, we'll just ask him ourselves.
Alright, alright, calm down... It's already obvious anyway. You two were having a lot of fun that day, weren't you?

Sure... Umm... You'll get it back after the game, so you don't get distracted. Meanwhile, I'll just wish him a good night.
Dee
You're right, I just need to play with myself sooo badly🥵💦
If only you were here to help👄
Kev
Damn, Dee
Let's talk when you feel better...
Dee
I'll be thinking about you doing it 😁
Actually, there's a way you can help😈

Gosh, why are you so embarrassed about you and Kevin? We're not, like, gonna judge you or anything. You can talk to your besties.
Yeah, we're actually happy for you guys. You two make such a cute couple.
Sure, sure, but how was he? Did he make you feel good?
Ooh, looks like someone got all fired up. Alright, try your best, girl, 'cos I'm already getting bored.
Shut up, we're not a couple! It was just a mistake, that's all!..
I-I'm not gonna tell you anything!.. Let's better return to the game. This time I'll totally get back at you!..

What? No, this can't be!.. How did I lose again?.. You must be cheating somehow... I was trying sooo hard... Why can't I... Why can't I win?
Hahaha, admit it, girl, cards are just not your thing. Or today is just not your day... But don't worry, your next punishment will be really fun.

Hey, what are you putting on me this time?
Huh? W-What role?
Just a little accessory. So you fit the role better.

Whaaat!?.. Hey, stop pulling!.. I'm gonna fall!..
Hehe, you have to act like my little bitch for... umm... five minutes.
Just be a good girl and get on all fours, DeeDee.

Hey, what do you mean "act like my bitch"?.. This is... this is totally ridiculous, Lola!..
Huh?.. There's no way I'm gonna...
Tsk, tsk, tsk, bad girl, DeeDee. First of all, bitches don't talk. They bark.
Shush, DeeDee!.. You better be a good little bitch!.. Or do you wanna add another five minutes to your punishment?

Oh my gosh, this is so humiliating... But... But why do I feel sooo hot?.. Am I actually getting turned on by this?.. No, it's all this stupid plug's fault... I'd better just listen to Lola so this ends faster...
Woof!.. Woof!
I don't hear your answer, pet.
Giggle That's much better! Now sit for me, DeeDee. And don't forget that bitches like you always stick their tongue out.

Woof! Woof!
Huuuh?!
Woof! Arf!
Goood girl, DeeDee! You're such a docile little pet!.. Alright, good girls deserve a reward. Wanna go for walkies?
Giggle Don't worry, just around the room for now.

Tali, could you bring her some toy while I walk her?
Sure thing. I'll find something fun for her. *Giggle*

Look at you, DeeDee. Don't you look perfect as my horny little bitch?
Giggle Sooo submissive... You're enjoying this, aren't you?
Shh, don't make me punish you, pet. Keep walking, we don't have all day.
Woof! Woof!
N-No... I can't... I can't bewieve I'm doing thif...

Look what Tali brought for you, pet. Isn't it your favorite toy?
Now, now, I wanna hear how much you're excited to see it, DeeDee.
Goood girl! Don't be shy, lick it.
Oh my gosh, you can't be serious...
Woof! Woof! Woof!

Yeah, just like that!..
Show me how much you
love your toy.

Mmm, look how easily you're taking the plug now.. Does it feel good when I move it like this?
Aaahh... Mhmmm... W-Wait, Lola...
Shh, why is your toy still not in your mouth? I want to see you suck it properly.

Good girl! Suck it nicely for me. You're such a greedy little slut, aren't you?
Slap
Mhmmm...

Hey, girls, who left the water running in the bathtub and forgot about it? Are you trying to flood the house or... Whoa!..

What in the fucking hell is going on here?
Mmhhm...
Keep going, pet! Go deeper!
Slap

Maria!?. Oh my gosh, this isn't what it looks like!.. I just lost at cards, I swear!..
Yeah, we're playing a little game here and DeeDee ended up as our pet. Isn't she cute?
Maybe you wanna join us, Maria?
Ghm... No thanks... You girls clearly are having... plenty of fun even without me. So who left the water running in the bathtub?
Shit, I totally forgot! I was supposed to take a bath... Okay... umm... I have to go...

C'mon, I need to take a bath, Lola!
Umm... Woof! Woof!
Oh no, I changed my mind... Umm... I'll let you girls win today.
Hey, where do you think you're going, DeeDee? The time isn't up yet.
Hey, let the poor girl go already. I think you've teased her enough already. You two can drive anyone crazy, can't you?
Alright, give me the last little bark, DeeDee.
Goood girl! Then we'll continue when you come back from the bath. You still want your revenge, right?

Smirk Yeah, I see... Did they really make you bark?
Giggle You'd better not play cards with them anymore. It looks like it's definitely not your thing.
Duh, says the girl who was dreaming of Kevin instead of playing.
Umm... Thanks, Maria... Trust me, they're just evil.
Uh-huh, and not only that... There were... umm... a lot of other punishments...
Ah, I was sure I could win, but... I think they were cheating. At least one round was definitely unfair...
Yeah, there's no way we could lose to such an airhead. *Giggle*

Gosh, you... Stop calling me that!.. I-I told you I wasn't... I wasn't dreaming about anyone...
Yeah, catch!
Wait, you forgot your favorite toy. You might need it, girl. *Giggle*

Very funny, girls... You better give me my phone back. I still have to see what you wrote to Kev.
Whatever... He must already think I'm crazy thanks to you.
Of course, sweetie, but remember he shouldn't know it was a game.

Oh my gosh, what did they... I never text like that!.. That's it, he really thinks I've gone nuts right now.
Dee
Hi! Feeling kinda hot and naughty tonight😍💦😈
Got dolled up a little and took these for you😘
What do you think?👄😍

Huh?.. That's not all?.. Tali!.. I'm gonna kill her!..
Dee
Actually, there's a way you can help😈
Dee
Maybe you can send me something too? It'd be fair😏
Dee
C'mon, you know what I talk about.
Show me how hard you got cos of me👄
Dee
Don't worry, I'm totally fine, honey😘
Just give me one picture, please🥺
It'll really help😍
Dee
Yeah, do it😈
Kev
What do you mean?
Kev
Something?
Kev
Dee, it feels like you're not thinking clearly right now.
Kev
Are you sure?

Oh gosh, he actually sent it. What an idiot... Mmm... It looks even thicker than I remembered...
Hey, stop staring at it like that, Dee!.. I need to answer him and explain everything somehow.
Kev

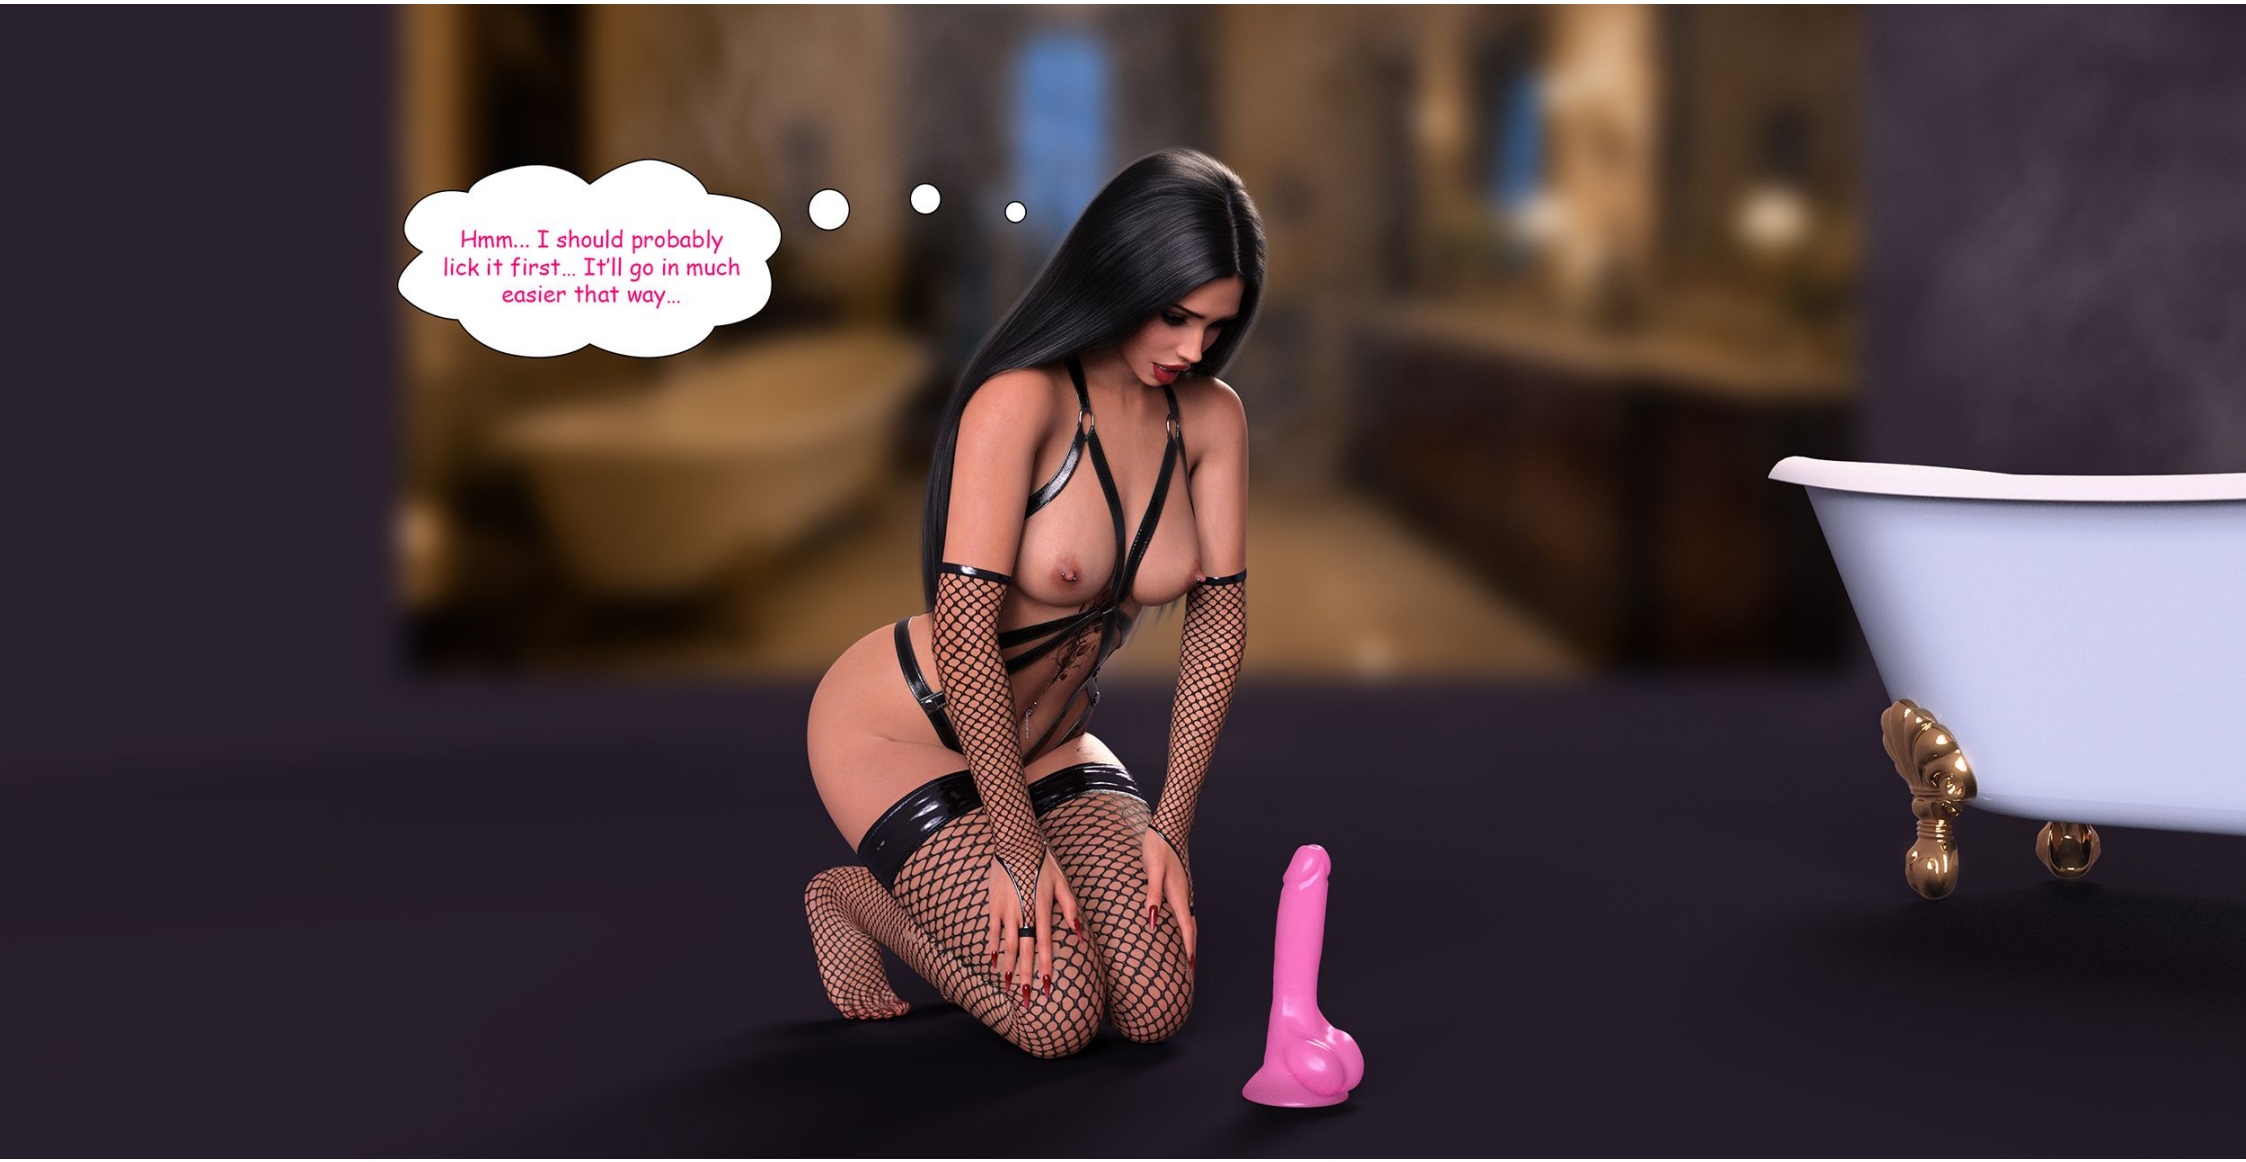

Ugh... If the girls find out I told him the truth, they're gonna come up with something even worse... Probably I should just go along.
Dee
Oh my gosh, Kev, I'm sooo sorry. I don't even know what came over me.
I totally shouldn't have sent all that.
I'm so embarrassed right now 😔
Kev
It's okay, I'm already starting to get used to it…
Glad I could help😅
Dee
Yeaah... It's not like it's gonna happen again.
But if I'm acting weird again, just ignore me, okay?
Kev
Got it. Don't worry, everything is fine.
Dee
Thanks, Kev❤️
Good night!

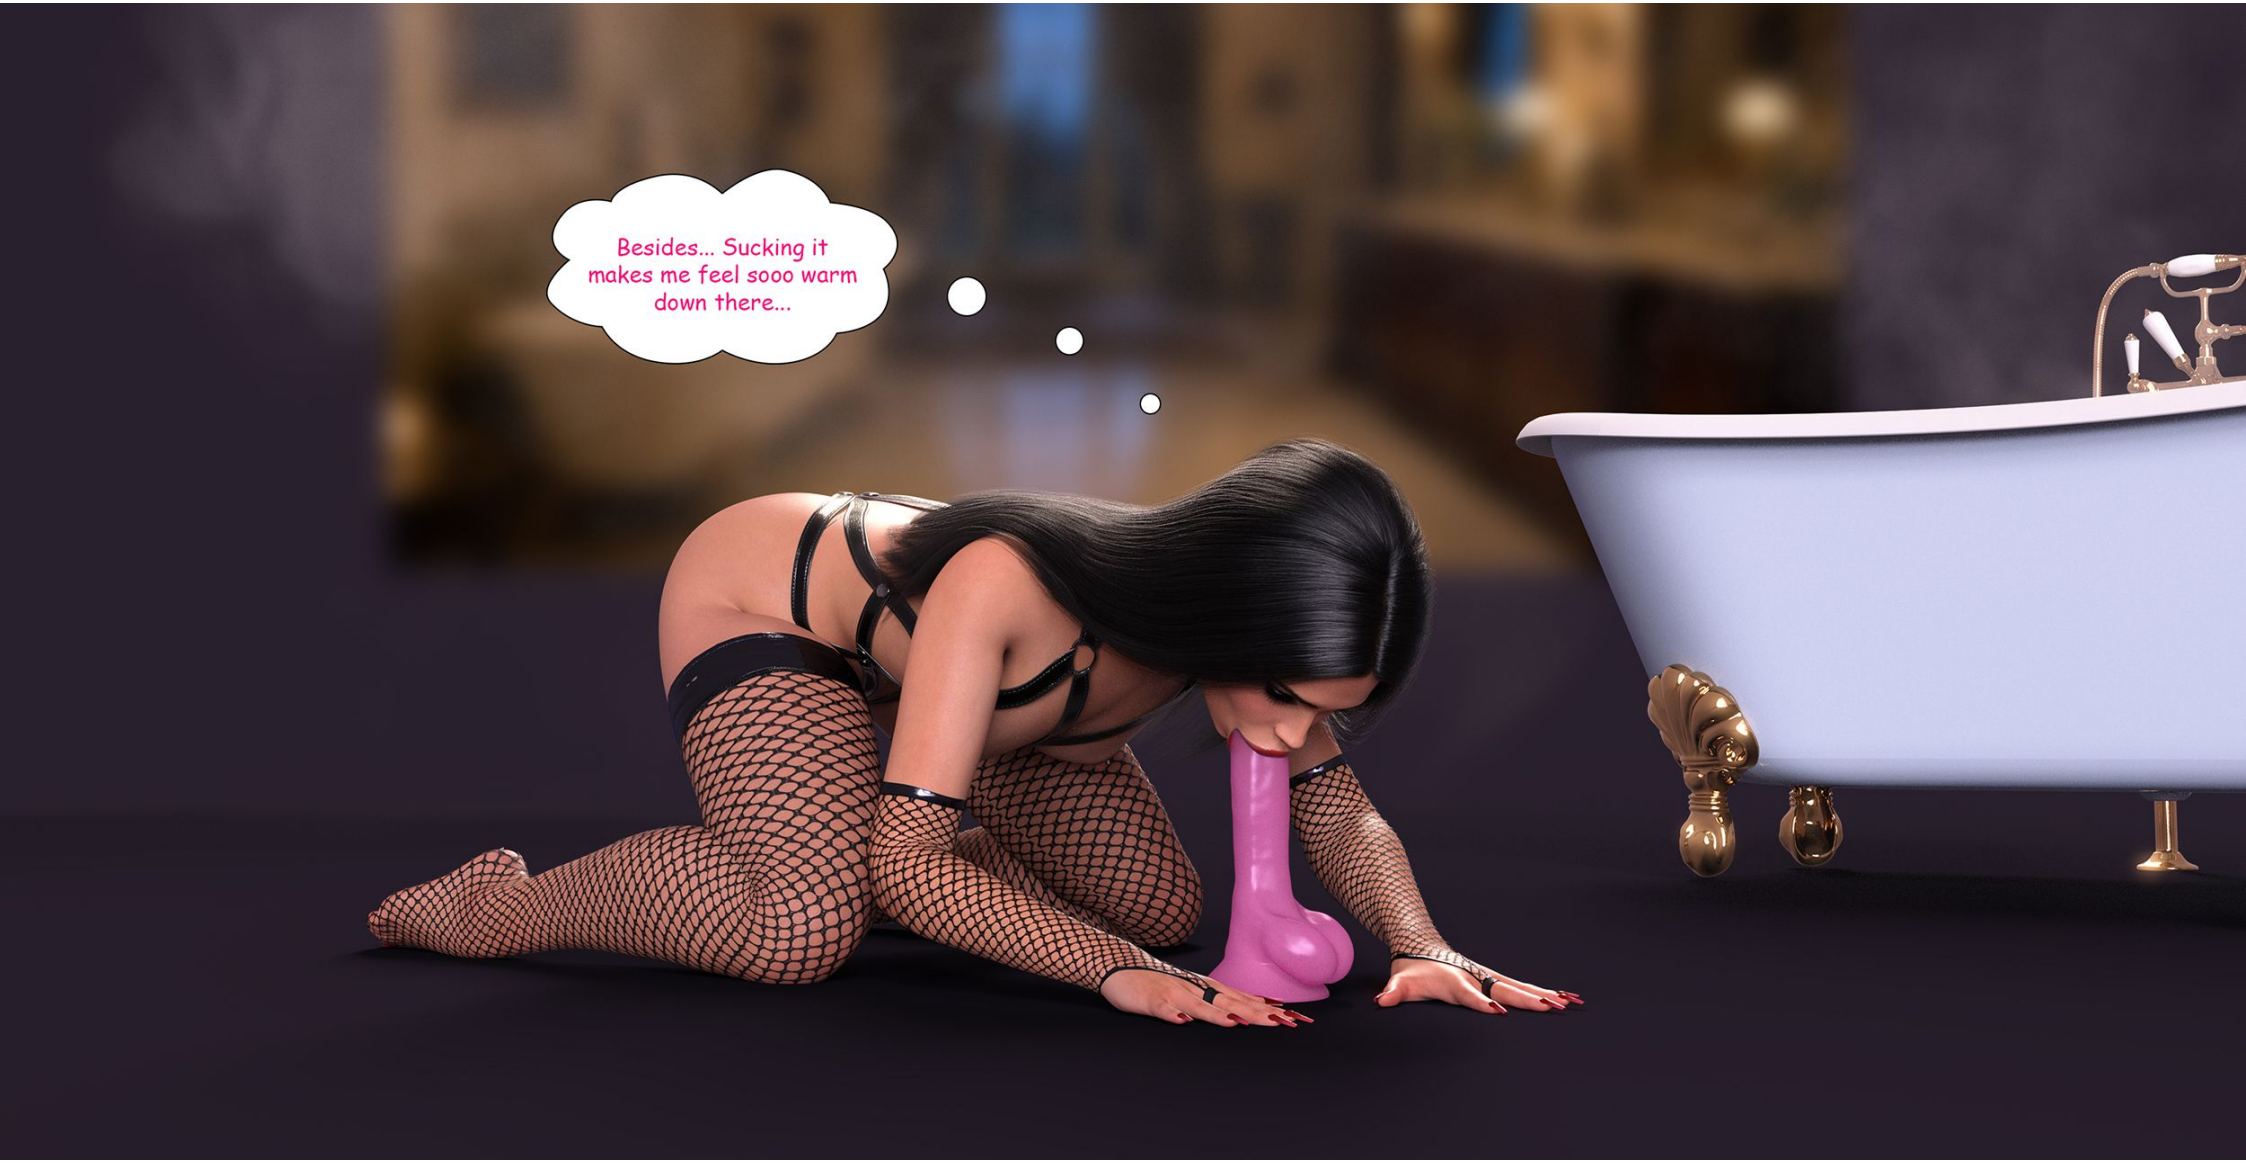

Alright... Now I need... Now I need to get this thing out... R-Right?..
Hmm... But doesn't it feel... sooo nice having my ass filled like this?..
N-Nooo, what am I thinking?.. I have to pull it out now... b-before I change my mind...

Mhmm... It didn't help at all... Now I feel sooo empty down there... And I hate to admit it... But those other punishments got me even more worked up... I need something... something inside me...

Mmmm... Something like this... Sooo hard and thick... I just can't stop looking at it... Imagining how it stretches me open again...
Oh my gosh, am I really turning gay because of all this?.. Because of what we did with Kev?.. And can I even call myself a man right now?

Ugh... I'm already sooo tired of all this thinking... Why can't I just let myself have a little fun?.. I totally know what I want right now... And this big guy will do just fine...

Hmm... I should probably lick it first... It'll go in much easier that way...

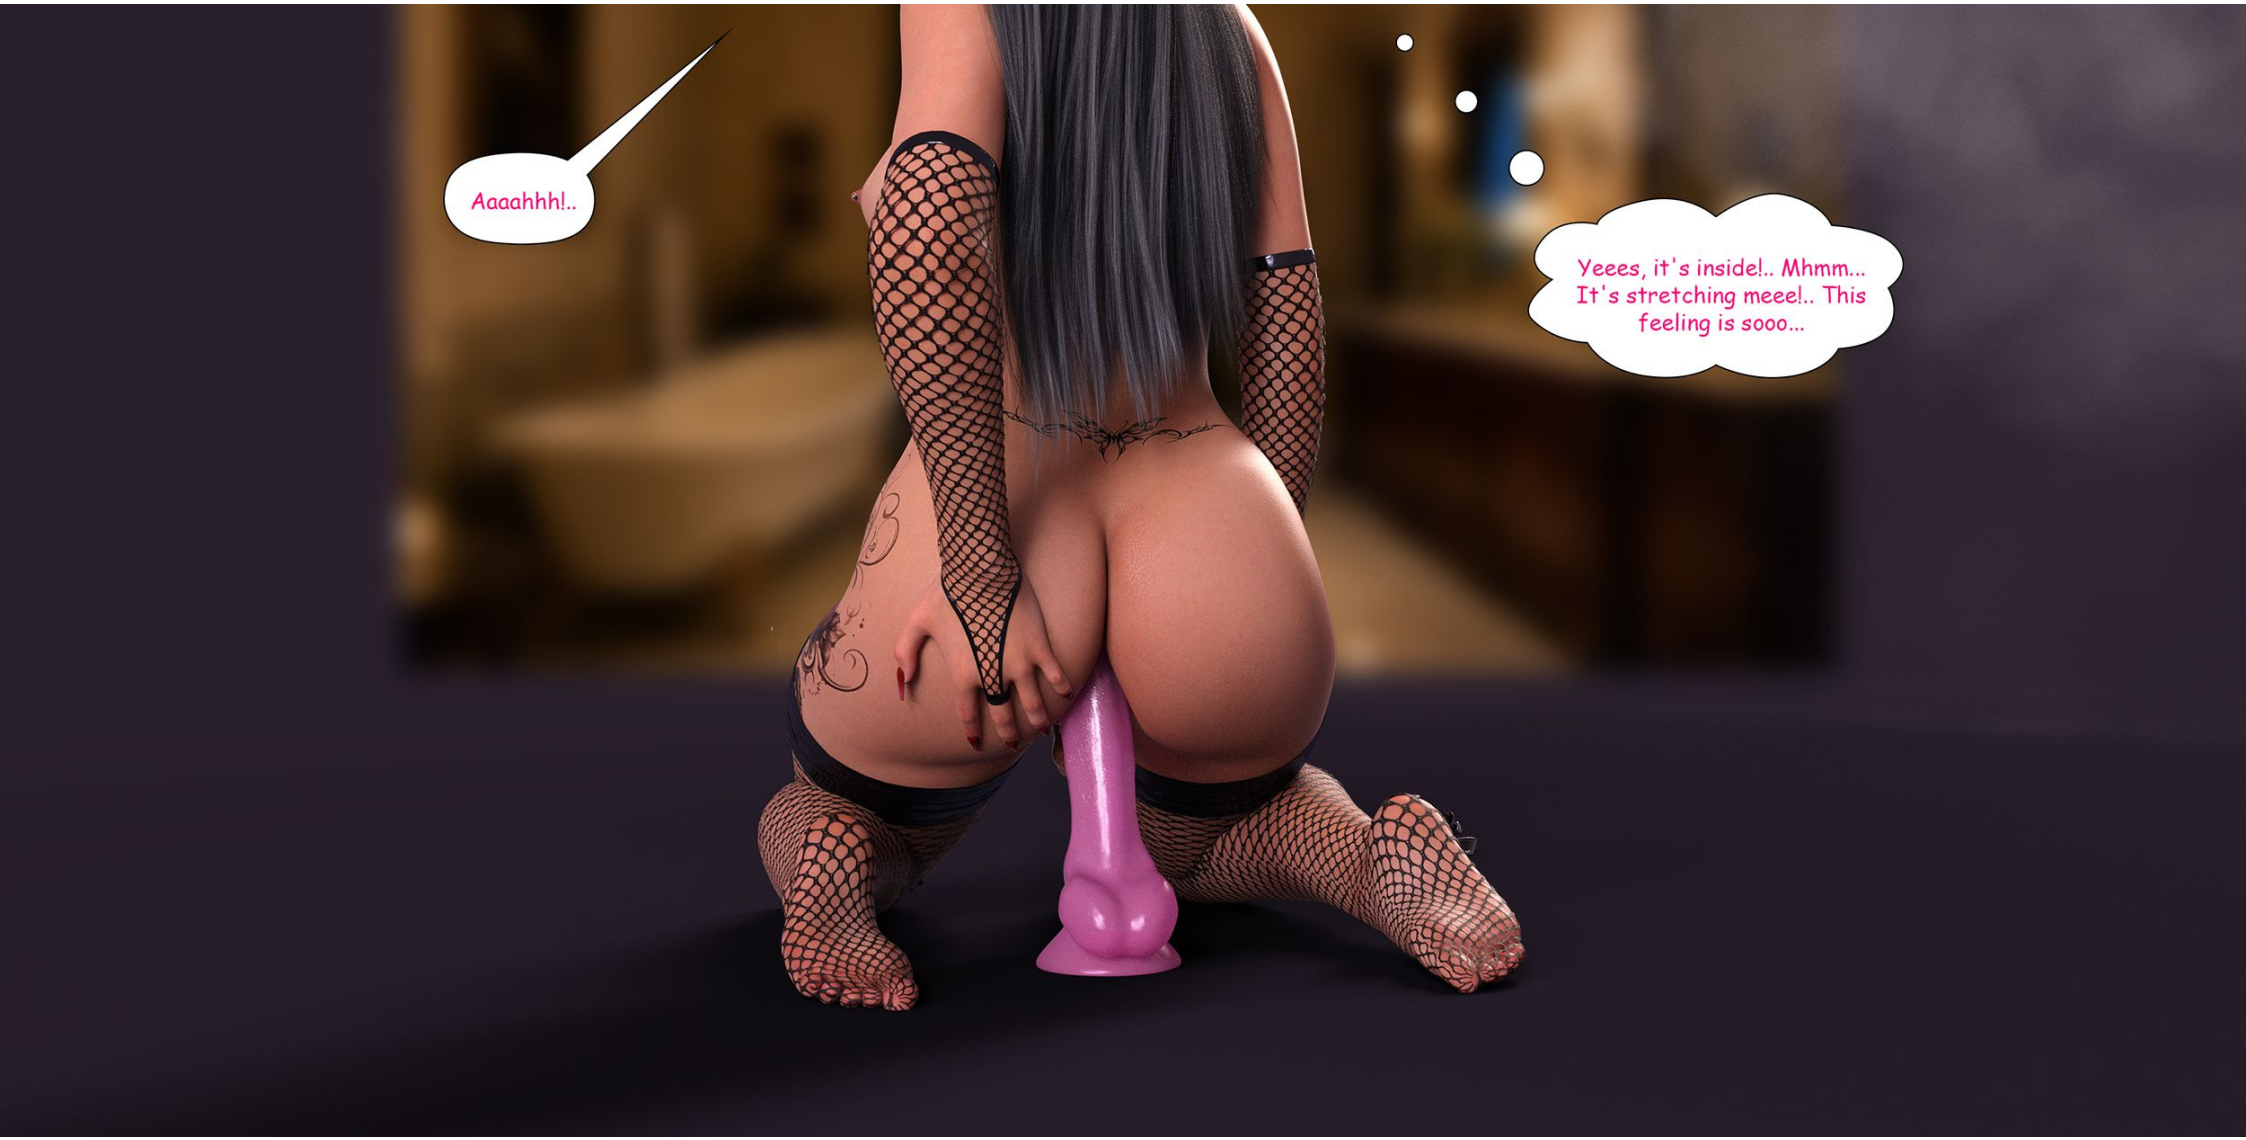

Besides... Sucking it makes me feel sooo warm down there...

Mhmm... The deeper I take it, the more my body tingles... Yeah, I get why some girls are really into it...

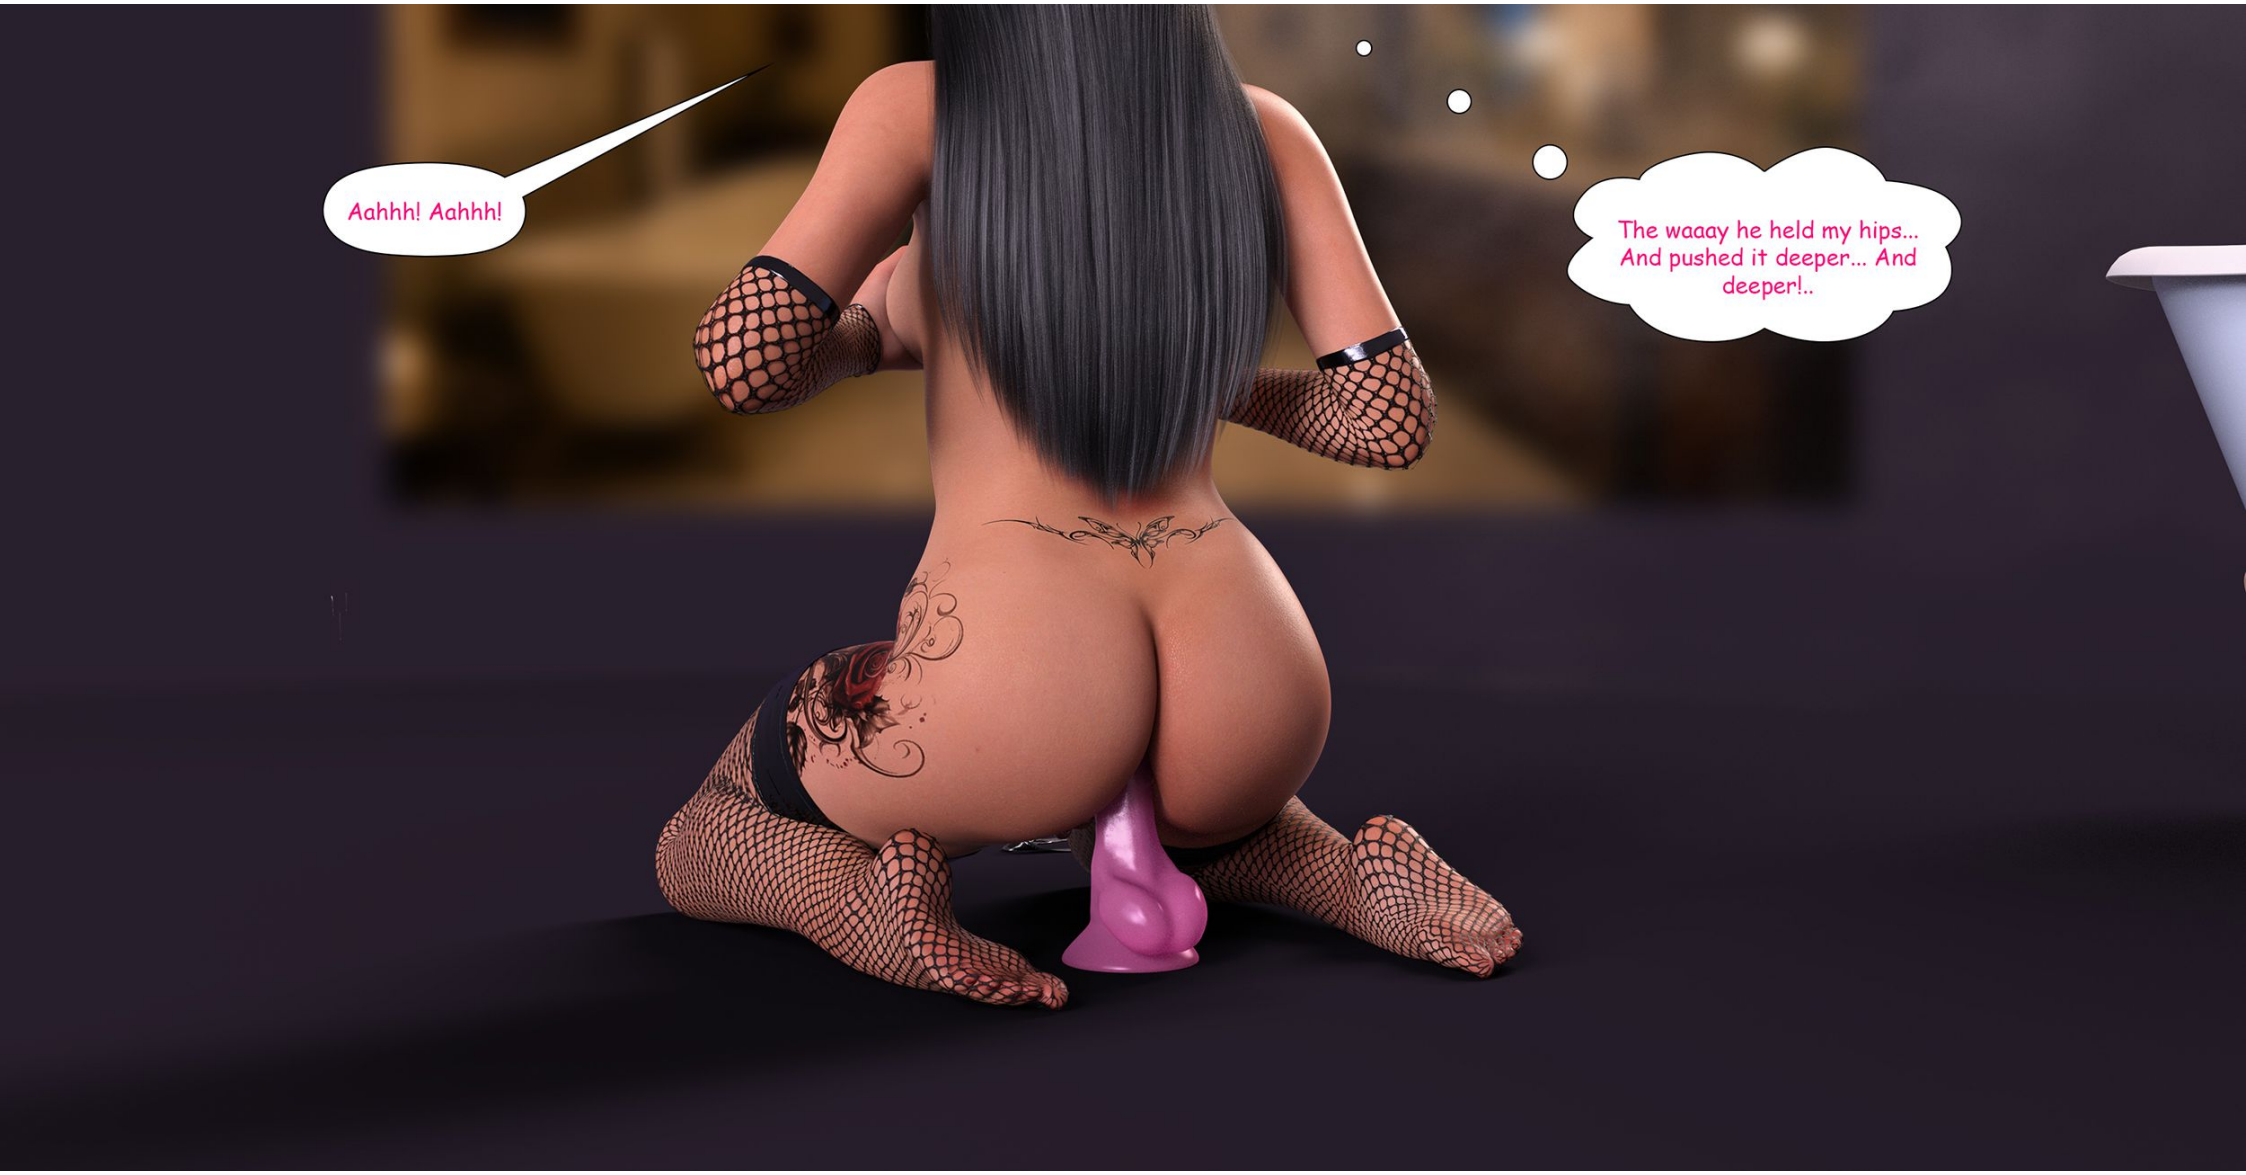

Alright, that's enough I guess... I can't wait any longer... I just need it inside...

Huh? My dick finally glued off?..
Gosh, it looks so small and soft even when I'm this turned on...
Ugh, whatever... I don't need it right now...

Right now I just need to get fucked... There we go...

Aaaahhh!..
Yeees, it's inside!.. Mhmm... It's stretching meee!.. This feeling is sooo...

Amazing!... Mhmm... Just like that time with Kev...

Aahhh! Aahhh!
The waaay he held my hips... And pushed it deeper... And deeper!..

Mmhaaaaah!..
Oh my gosh, my ass is squeezing even haaarder now... Am I... Am I coming already?

Aaaahhh...
But I need mooore!.. It just feels too good to stop...

Aaahh! Aaahhh!
My hole is sooo sensitive right now!.. It's perfect for stretching around this thick dildo... So why... why was I even fighting this?

I don't know... but right now... I just need to push it harder... And deeper!.. Mhm... Just keep going, girl... This is sooo goood...
Mmhhmm... Aaaahh...

An hour later
Huh? What's up, babe?
Girls... Umm... Can I ask you something?
Yeah, what is it, Dee?

Ghm... What do you do when you're... like... really horny?..
Oooh, and why are you asking? Did something happen in the bathroom?
Maybe Kevin sent you something interesting and you can't stop thinking about it? *Giggle*
What? N-No, that's something I'll talk to you about later, Tali... I meant my sensitivity problem... I thought you guys could give me some advice, but I guess I was wrong...

Alright, alright, of course we can help. What's wrong with your sensitivity, girl? Is it really that hard to handle?
Well, that's the biggest mistake, girl. Trying to ignore it never works. You gotta relieve yourself before it gets out of hand.
Yeaah... Recently I get worked up literally from anything... I try to ignore it, but it just builds up until I totally can't control myself... I don't know how to deal with it anymore...
Yeah, you need to satisfy yourself from time to time. That's how a woman's body works... including yours, it seems. *Giggle* We don't need to teach you how to use that pink toy we gave you, do we?
W-What?.. No... I mean... Ugh, I don't wanna use it every time I... There have to be other ways... Is that really all you can suggest?

Also you should avoid thinking about... ghm... certain people... Maybe try keeping yourself busy with something.
How? By scrubbing the house all day? Don't make me laugh, girl. Of course if you sit at home all day thinking about it, it's only going to get worse. You know, I think you should go outside and clear your head a little... Actually distract yourself.
Well, I like to take a cold shower from time to time. It calms things down a little...
Do you think I haven't tried?.. It doesn't help at all.

Hehe, of course it didn't help... Hanging out with the exact reason of your problem.
Yeah, that's, like, what I'm saying!
Huh? I already went out with Kevin. That didn't help either.
S-Shut up! I-I told you he's not a reason...
I think Lola is right, honey. Sitting home all day only makes it worse. The three of us should totally go out and have fun together tomorrow. It's been ages since we all hung out. Aren't we supposed to be besties?
Hey, stop acting like I'm one of you... Actually, spending a day with you two is the worst idea I've ever heard.

Ouch, that was mean.
It's fine, Tali. We'll have a great time without her. There's this amazing spa I know. Their full-body massage is just wonderful... It feels sooo relaxing... And after that you can jump into their pool or the jacuzzi. And they serve cocktails too.
Yeah, and here we are trying to help.
Oh, that sounds perfect, girl. Meanwhile Dee can stay home and keep scrubbing the floors while she's all hot and bothered.

Of course, and a bunch of other interesting places too. Trust me, babe, we know how to have fun.
Trust me, it's nothing a girl like you wouldn't love.
Wait, girls... Umm... I didn't say I definitely won't go... So a spa, you said? Are we actually going there?
Well, a massage and jacuzzi do sound pretty nice... I'm not sure about other places though...
Yeah, the main thing is that we'll spend time together and just enjoy the moment. You'll forget about your little problem in no time.

But you're not planning to tease me all day, are you?
Of course not... Just a little... *Giggle* So are you in?
Fine... Umm... I guess you convinced me...
Oh, I hope I'm not gonna regret it.
Yay! Then it's settled!.. Tomorrow is our day, sisters. Let's enjoy it to the fullest.

So this is the place I told you about, girls.
Duh, that's the point. We're treating ourselves today, aren't we?
Damn, it looks expensive.

Uh-huh... Sounds great... I not had a proper massage in forever... And I can't wait to see that jacuzzi.
Yeah, don't worry, we'll arrange everything for you, sister.
Alright, then you can take a seat, Dee. We're gonna sign you in.

Please make yourself comfortable, miss. Your masseur will be with you in a moment.
Uh-huh, thanks...

W-Wait... Umm... You're... my masseur?
Hey there, sweetie. You must be Daphne. My name is Marco and I'll be taking care of you today.
That's right, dear. Is everything alright?

Ah, your friends mentioned you can be a bit shy... But don't worry, dear, you're in safe hands. I've been doing this for years and I assure you, no one has ever left disappointed.
Umm... I... I just thought it'd be a woman...
Oh, so the girls arranged this?.. You know, I think I'd still feel more comfortable with a woman.

Umm... I'm not sure I wanna...
Umm... F-Fine...
Of course, I understand, sweetie. But I'm the only one qualified for a deep, full-body massage like the one you requested.
Shh... I get that some aspects of the massage can seem quite intimate, but I assure you, everything I do will be strictly professional. If at any point you want me to stop, just say the word. You're in control, okay?

Mhm...
Mhhmm...
Umm... A little...
Relax, sweetie... Yeah, just like this... You see, I know my way around a woman's body.
Does it hurt?
I see... There's a lot of tightness here. I can feel how much stress you've been holding. Let me handle it for you.

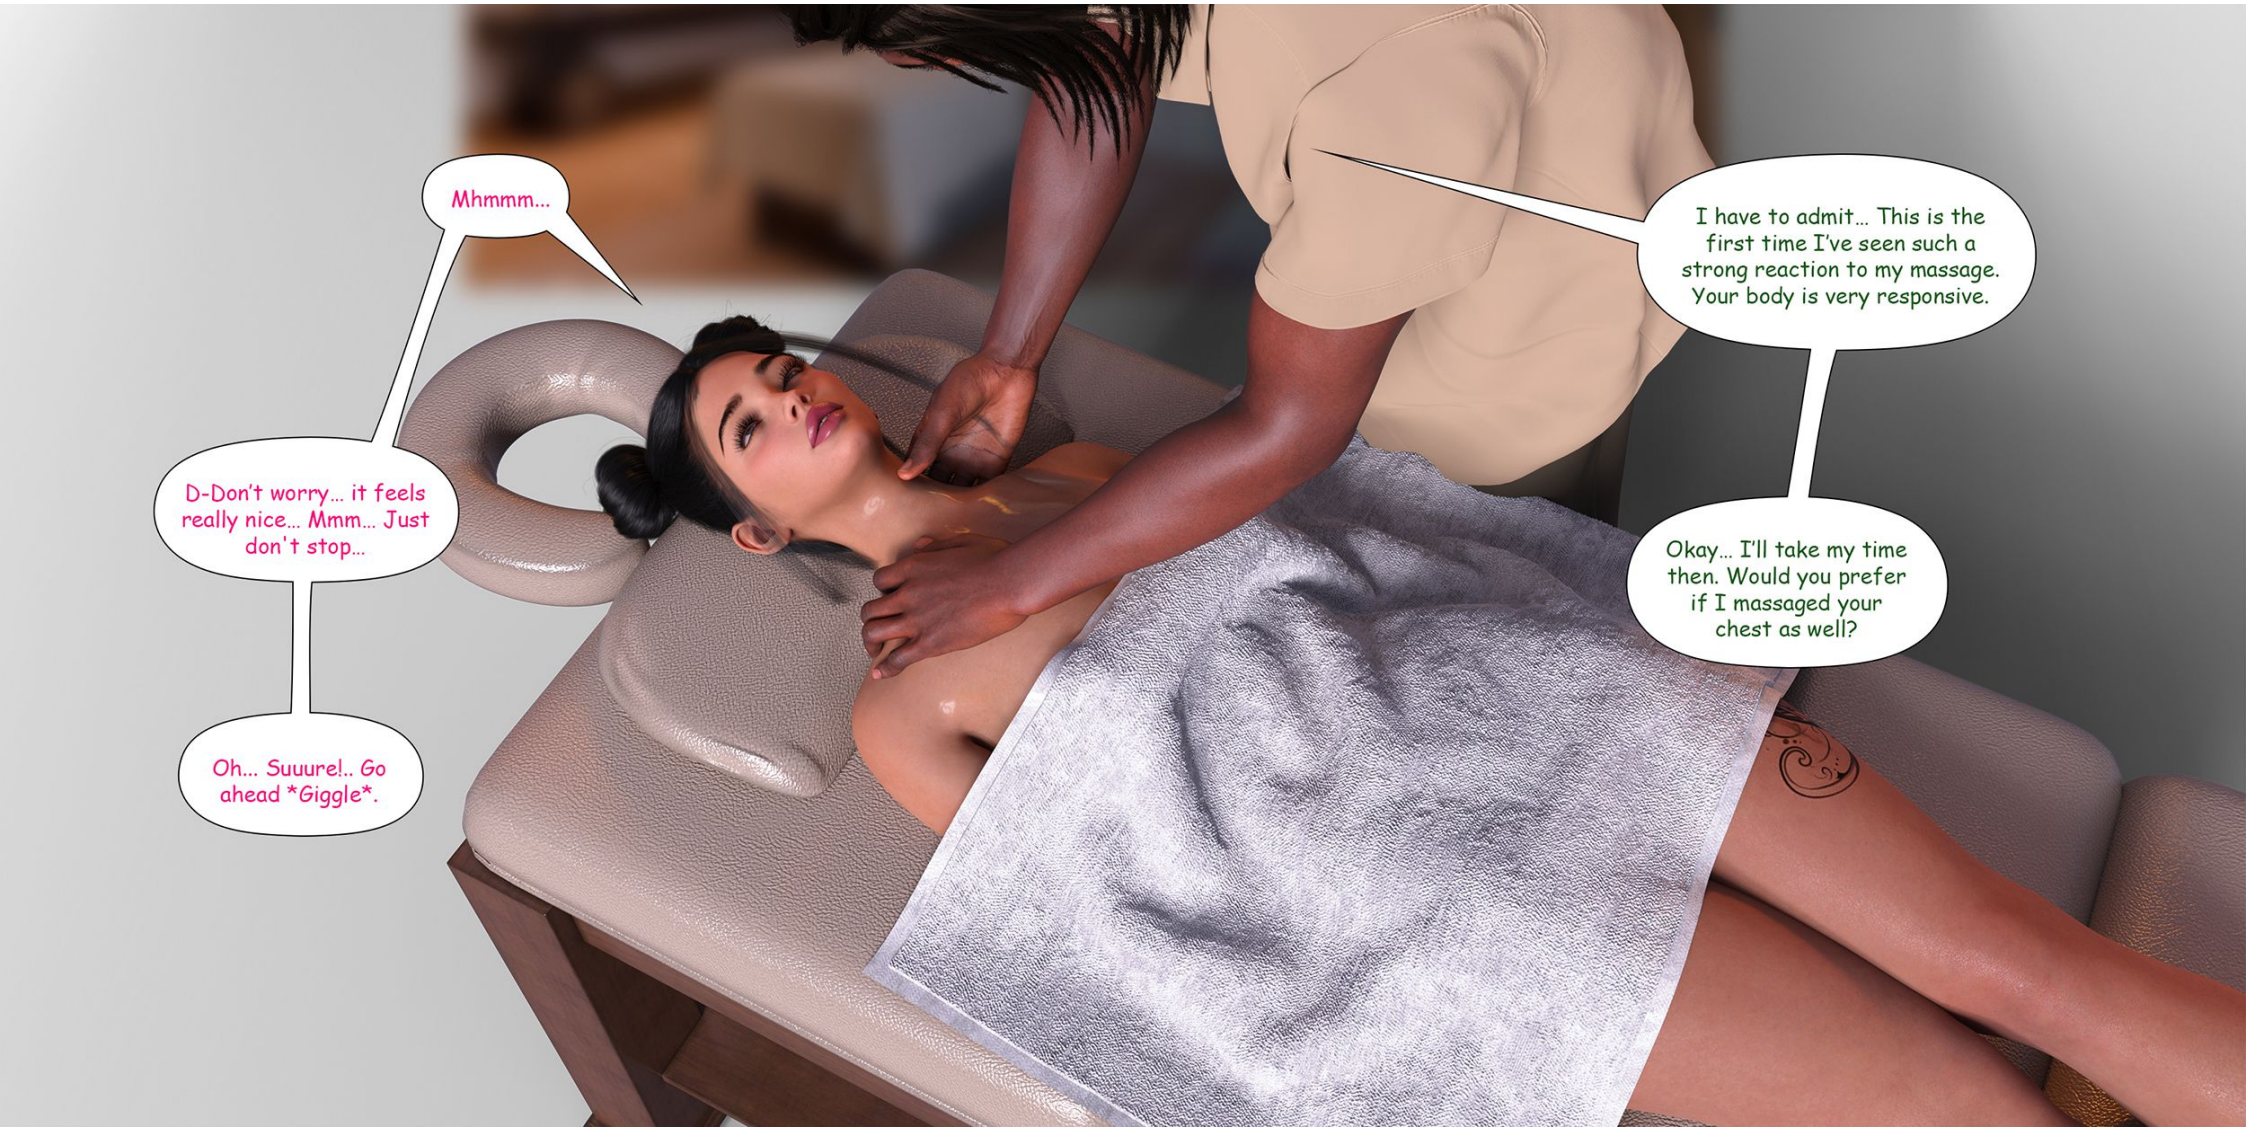

How does it feel so far? Is everything fine, dear?
Yeaaah...
Great... Sounds like you're a lot more comfortable now.
It's just... your hands... Mhm... They're really something...
I'm glad to hear that, sweetie. I can feel you're already softening under my hands. I'm gonna move a bit lower now.

Mhhmm...
N-No... Mhm... You can keep going... I just have some... umm... sensitivity issues... in that area...
Hmm... Your body is reacting quite strongly here... Is this uncomfortable?
I see... Then I'll be gentler...

Mhmmm... I can't believe I let another man touch me like this... But this is sooo gooood... This Marco really knows whaaat he's doing... And he's suuuch a nice guy... I wonder if he's cuuute too. *Giggle*

Giggle
It's okaaay... It feels goood
I know, I know, it can be a little ticklish. Just hold on a little longer for me, sweetie.
Alright, we've finished here... Now I need you to roll over onto your back.

Damn, love, your face is even more stunning than your... hmm... back side.
That's sweet of you to say. And there's no need to get flustered, darling. I like building a personal connection with the people under my hands. It makes the whole experience more enjoyable for both of us, right?
Alright... let's continue then.
Umm... T-Thanks... You look kinda... handsome too... Gosh, I mean...
Uh-huh...

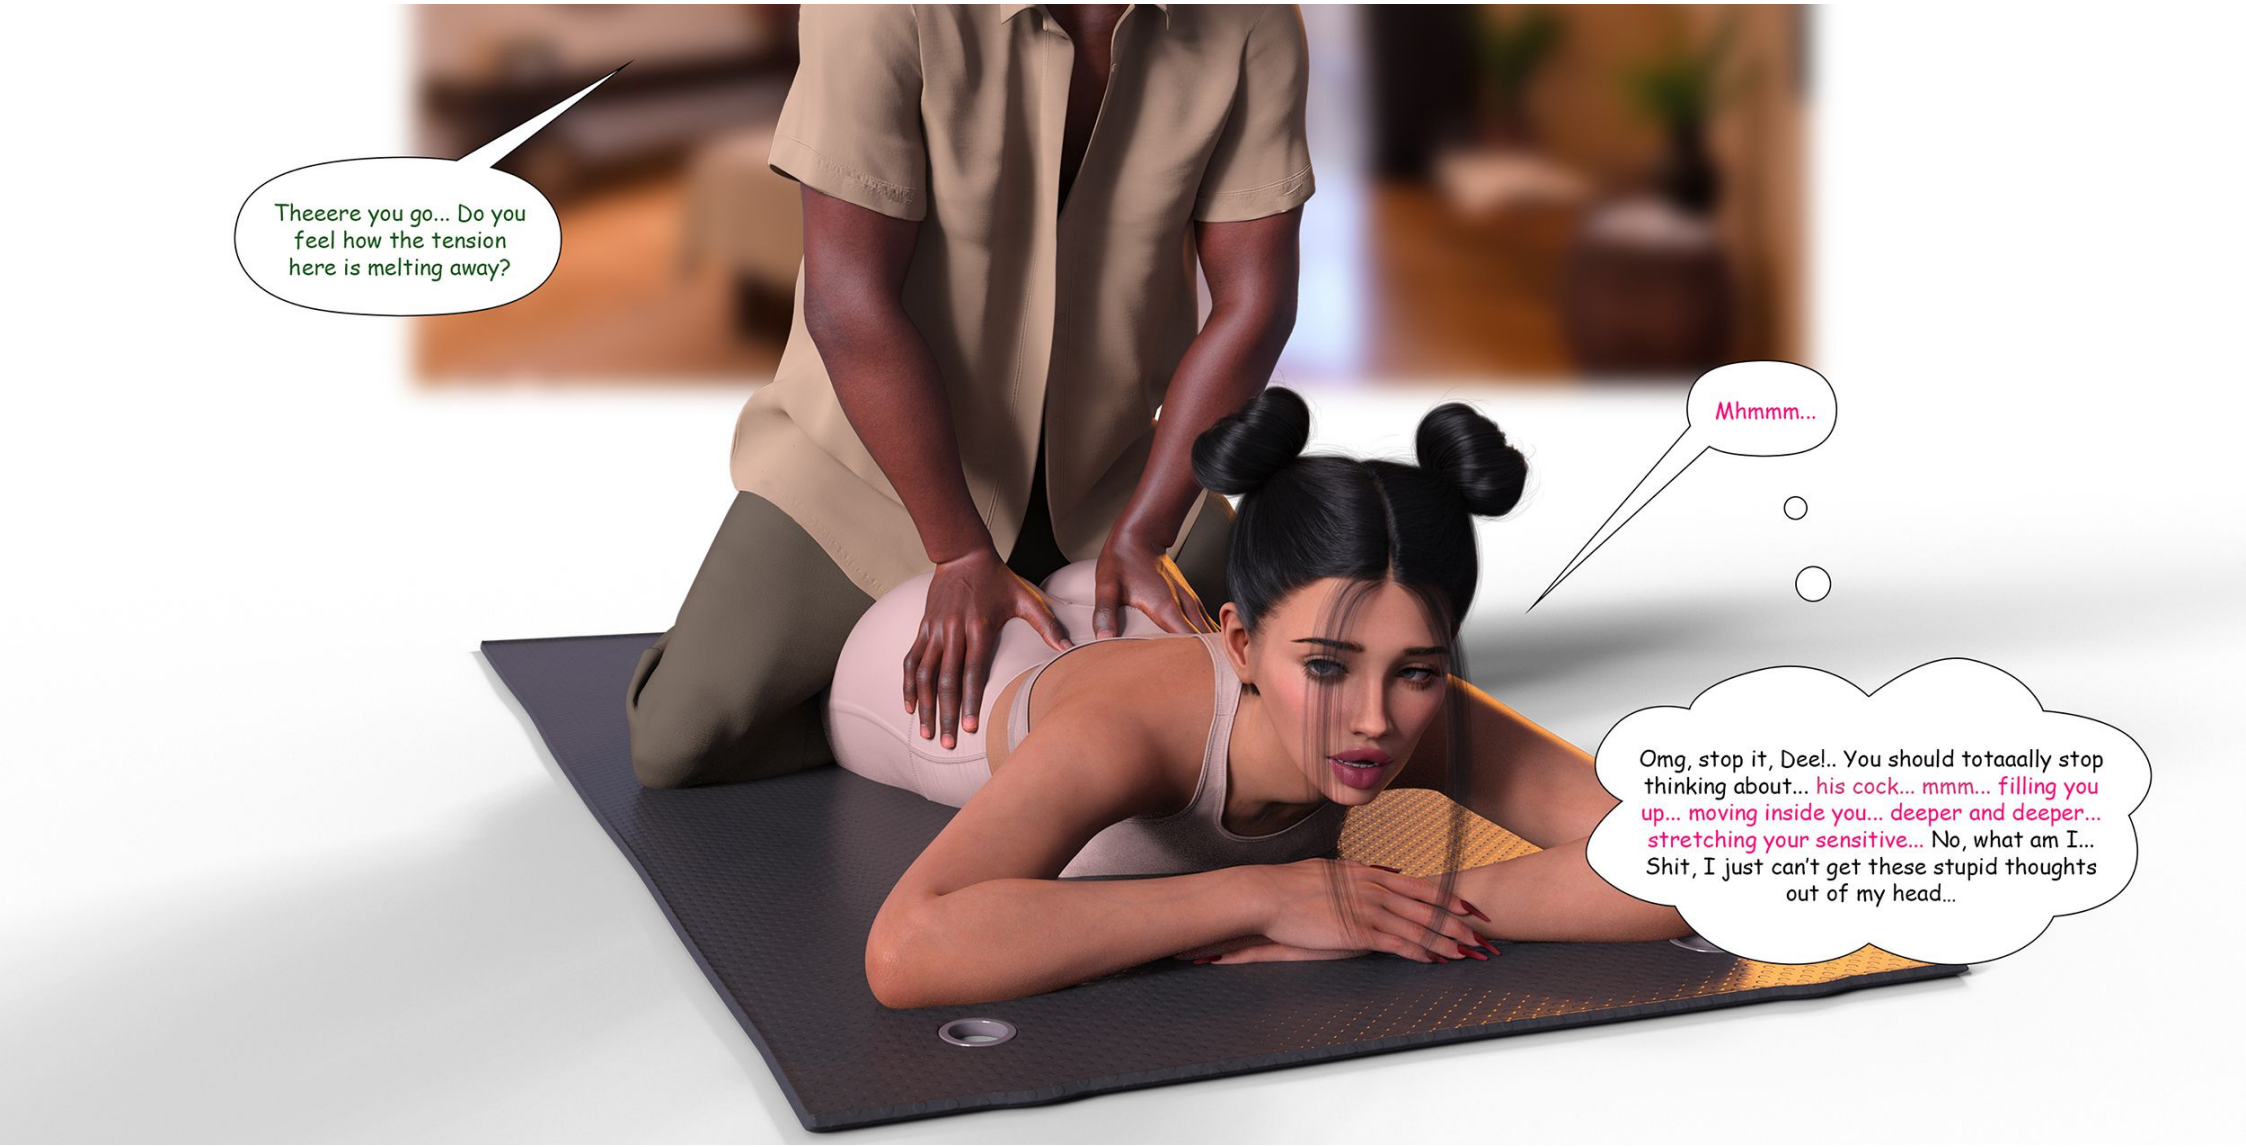

Mhmmm...
D-Don't worry... it feels really nice... Mmm... Just don't stop...
Oh... Suuure!.. Go ahead *Giggle*.
I have to admit... This is the first time I've seen such a strong reaction to my massage. Your body is very responsive.
Okay... I'll take my time then. Would you prefer if I massaged your chest as well?

Ahh... Mhmm...
Giggle I could stay like this forever...

W-Wait... Are we done already?
Umm... Yeah... It sounds great!..
Thai massage?.. I'm sorry, the girls did everything for me... Umm... Like, what is it exactly?
Uh-huh, sweetie, that's everything for today. But I'd strongly recommend a course of at least eight to ten sessions. Should I put you down for the next appointment?
Alright, let me see... Oh, wait... You're also signed up for a Thai massage today, aren't you? Why didn't you tell me earlier?
You'll see... It's a bit different from what we just did. Thai massage uses stretches and firm pressure to open up the body and improve energy flow. First of all, you'll have to get changed.

Alright, dear, all you need to do is to relax and let me guide your body, okay?
Good... Now lean forward for me... Back straight... Legs a bit wider, about shoulder width...
Uh-huh...
Mhm... Relax? But I can barely stand straight after that massage... Mmm... he's sooo close... and smells sooo sexy... Hmm... What is gonna do to me next? *Giggle* Ugh, calm down, Dee, you need to listen to him!

Yes, veeery good... Keep your back arched for me, sweetie... I'm gonna pull your arms up a little...
Yes, it can feel a little tense, darling... But you have to be a good girl and endure it for a bit. Perhaps you feel your body opening up already, don't you?
Gosh, I can't... I can't focus at all... What is he saying?.. And... Mhm... W-What is this pose?.. His hips are pressing right into my... ass... Mmm... Okay, it's kinda exciting though... Omg, I can feel he's very well-endowed down there *Giggle*. I wonder how good it'd feel if he just...
Aaahhh...
H-Huh?.. Yeees... I can... I can totally feel it...

Theeere you go... Do you feel how the tension here is melting away?
Mhmmm...
Omg, stop it, Dee!.. You should totaaally stop thinking about... his cock... mmm... filling you up... moving inside you... deeper and deeper... stretching your sensitive... No, what am I... Shit, I just can't get these stupid thoughts out of my head...

Yes, it's not an easy one, sweetie... Uh-huh... You're doing veeery good, love... Just a little more. This stretch will help you open your lower body. Just breathe and allow your body to soften.
Mhmmm... Aaahh...
Ugh... I can't take this... It's too much... I just need him to fuck me... No, I mean free me... from this stretch...

So, Dee... How did you like the massage?
Just "fine"? Girl, Marco has the best hands in the city. There's no way it was only "fine".
H-Huh? The massage?.. Umm... Y-Yeah, it was fine, I guess...
Duh, I tell you there was, like... n-nothing special... And I was actually expecting a woman... You guys totally set me up, didn't you?..

Yeah, you're a terrible liar, Dee. Marco gave you a proper kneading, didn't he?
Relax, sister, we can't judge you here. I get sooo fucking wet every time he massages me *Giggle*... One day I'm gonna lose it and just take him right there.
Duh, what can I do? *Giggle* The man's not just good with his hands, but also hot as hell.
Ugh... Fine. He's really good at what he does... And yeah... I kinda enjoyed it... umm... a little.
W-Whoa... Umm... Does it... Does it really get that bad for you?
Oh, please, we did you a favor, girl. You said yourself you need a proper massage. Now stop pretending you didn't enjoy it.
I totally get you, Lola. I only talked to him for like two minutes while we were signing Dee up... And he still managed to make me blush like a little girl. Next time I'm definitely booking him. *Giggle*

Whew... So I'm not the only one... I guess it's totally normal then, right?.. Yeah, anyone would get worked up around... mmm... such a man... What a relief... I was already worrying I was turning into some kind of slut *Giggle*.

An hour later
Gosh, those creams are crazy... My skin is so smooth and glossy... But this will go away with time, right?
Huh?
Just wait till you get a proper tan, sister. It'll look even better. 'Cos your old one is already fading.
Hey... Don't say you want to drag me to a salon.
Don't worry about it, girl. It'll easily last until our next spa day.
Not yet. We gotta hit the stores first, then we can get all dolled up.

What do you mean by "normal", honey?
Yeah, 'cos you're gonna ruin the whole shopping trip like the last time.
We already told you, you can forget about that, honey.
Oh, so we're going shopping? Okay, then maybe I can finally buy some normal stuff to wear.
Huh?.. Nothing... Uh... Just... never mind.
No, no, no, Dee, don't even think about it. We're not letting you pick a single outfit.
C'mon, that's not fair. I've been dressing like some doll for months already. I just want something regular for once.
Uh-huh. Have you even checked the mirror lately?
Duh, and what am I supposed to see there?

That hiding such a body is just a crime, sister.
Yeah, these things are made for showing off, girl. I'm sure "normal clothes" won't even feel right on you anymore.
E-Exactly, that's the problem... I think I'm getting, like, too used to this.
C'mon, girl, you're playing like you hate it, but don't tell me you've never caught yourself staring in the mirror thinking, "Damn... my ass looks crazy hot in this skirt".
Huh?.. N-No, why would I...
Be honest, girl. When Kevin stared at you in that little tight dress... Did you really hate it? Or wanted him to keep doing so?
O-Of course... I hated it... Can you s-stop with these questions?
The poor thing is so confused. Doesn't even know what she wants anymore.
Look, Tali, she's blushing already *Giggle*.

Yeah, let's find something short, tight and sexy. You gotta start thinking of it as your new "normal", babe.
Let's go, bestie, we're gonna help you figure it out. I'm sure you love looking hot, you just don't know it yet.
Ugh, I have to stop them... But... Maybe they're... just a little... right?.. I mean... You've seen that booty in the mirror, girl. It totally belongs in something short and tight *Giggle*... N-No, it's not... And those long legs... Stop it, Dee... That slim waist... Gosh, my head's been a total mess lately...

Ten minutes later

Okay, we're totally not leaving without this one.
Uh... But... M-My legs can't look that good...
I-I... Ugh, whatever... I'm already tired of arguing with you two... As if I'm not used to wearing stuff like this all the time.
Uh-huh, look at those legs! You can protest all you want, Dee, but we're not letting you keep all that beauty to yourself.
Trust me, they're gorgeous, babe. You should be proud of them.
That's our girl!

C'mon, girls, now this is, like, too much!
I-I look like... like some slut! There's no way I'm wearing this anywhere!
I-I don't wanna... Gosh, you make it sound too normal... L-Let's just go to the next outfit, okay?
What's wrong, babe? You look super glam in this.
A pretty slut, though.
Yeah, you say that like it's a bad thing. Looking hot isn't a crime, sweetie. Every girl deserves to look a little naughty once in a while.

Omg, this is even worse... I look like I'm heading out for night work on the corner! A-Are you just making fun of me at this point?
I'm... I'm not gonna show up anywhere like this... Na-ah... Nope, we're not buying these!.
Oh, don't be so dramatic, Dee. A girl just needs an outfit for every occasion. This one, for example, is perfect for a night out... I mean, not the "night out" you mentioned *Giggle*.
Yeah, babe, nobody's gonna side-eye you if you show up like this at a club. Girls there wear way less.
Okay, fine, leave the rest... But don't you agree that these boots are just super cute on you?

Hmm... Okay, maybe the boots aren't the problem... I mean... They do make my legs look longer... And I like the way they're hugging my thighs...
Really? Well, no wonder they sat sooo nicely right away. You know, I can imagine them with some cute skirt...
Uh-huh, sooo sexy...
Oh, trust me, they look even better from the side. It's like they were made for you, girl.
Oh, that'd be super sexy, right?
Giggle
Giggle

Umm... So what do you think about this one, girls?
A-Are you sure?.. Umm... But don't you think the top is a bit too open? I feel like one wrong move and everything's gonna fall out.
Omg, this is an instant yes... You look like a movie star who just walked off a red carpet...
Yeah, this one is unreal, babe. Your tats look sooo good with this.
Relax, girl, that's the whole point of this dress. It's meant to sit like that.
Yeah, and it works so well on you. Your beauties look a little dangerous and yet elegant.

And... the back looks okay too, right?
Mkay, if you say sooo...
Oh yeah, babe, everything's more than fine from here.
Trust me, you're never gonna find another one that sits on you like this.

Hey, Dee, stop covering yourself, let us take a good look.
Giggle Gosh, that's the point, honey. This isn't for walking around the house.
Yeah, babe, this is emergency lingerie. You know... in case Kev comes over again. *Giggle*
Sure, sure... It won't take much space in your closet anyway... You know, just in case. Better to have it than need it.
B-But this thing is... ridiculous... You can see... everything. And my... s-stuff is falling out!
W-What? Are you out of your mind? If he sees me like this he'd... I mean... There's no way he's seeing me like this! I told you we're not doing that again!

And this one's in case you two ever want a little roleplay. *Giggle*
But look at you, babe, you'd make such a hot little nurse!
Yeah, girl, you'd have patients lining up! *Giggle*
Ha-ha, very funny, girls.
Okay... Have you two had your fun already? Can I take this off now?

Hey, what the hell is this, girls? It's not even practical!.. And why do I even need a bikini? We don't have a beach anywhere near us.
Okay, that doesn't sound bad... Except this thing is for some porn shooting, not for hanging by the pool! Na-ah, we're looking for another one.
That's true, but in case you missed, Grandma has a giant pool in the backyard. It's high time for us to use it.
Yeah, we'll fill it up, grab some drinks and make it a girls' pool day!
Gosh, you're such a picky princess, Dee.

Whew, we clearly got, like, way too much stuff, girls. I'm sure half of this is just gonna sit in the closet.
Duh, I only went along with it, 'cos you two would never shut up and leave me alone, wouldn't you?
Ugh... Let's just get to that salon of yours and get this over with. I'm already tired.
Not yet, sweetie. We've got one more place to hit first.
Huh? What place?
At least you have something to choose from now. And don't pretend you hated trying it all on.
Whatever helps you sleep at night, babe.
You'll see.

Hey, what are we doing in a tattoo shop?! I'm telling you right away, I'm not getting another tattoo!
Relax, Dee, you don't want it, you don't get it. Nobody's dragging you into the chair.
O-Okay, I'll just wait for you.
Yeah, we're the ones getting inked. You can just sit and wait for us... Perhaps you change your mind once you see the designs.

Gosh, there's sooo much cool stuff. I don't even know what to pick...
Same here, babe. I guess, the hotter the better, right? Oh, Dee, come look! This one would look so good on you.
Duh, such a waste...
No, thanks... I already have enough.

Hey, how's it going, ladies? Did you pick something?
Sure, no problem... What about your cute friend? Not into tats?
Well, that's too bad... The shop is empty today, so we could've done all three of you. Actually, I just came over to offer you a discount because of that.
Give us a few more minutes, honey. It's sooo hard to find that one.
Uh, don't mind her. She's just not in the mood.
No, I'm not!

Did you hear that, Dee? He'll give us a discount if you get one too!
Come on, babe, this time you get to pick it yourself. Don't tell me you never wanted a cool, stylish tattoo.
Or it can be something super tiny. Nobody even has to see it. Instead we'd get a really nice deal.
W-What? I told you girls I don't wanna...
Oh no, I'm... I'm not ready to do that just like that...

I get it, babe. A lot of girls get nervous before their first tattoo. But don't worry, you've got a body that looks good with ink. Trust me, the right design would really make your figure pop.
Umm... I'm not sure...
Uh, c'mon, Dee, tell him this is not your first tattoo. You have a bunch of them, don't you? You're sooo into them.
Yeah... I guess she's just shy 'cos a cute guy is gonna do it. Nevermind, our Dee is just really weak for hot guys like you.

Whaat!?. S-Stop it, girls!
Well, thanks for that, ladies. And there's no need to be shy, babe. I don't bite. Just pick a design and I'll take care of the rest.
Oh, Dee, y'know you could show him your old tattoos, right? So he knows what you like... and check out... the canvas. *Giggle*
And don't tell us you're backing out just 'cos you've got a little crush on the guy. Be a big girl, Dee.

Oh, this one will look good on you!
Of course, girl. Whatever you like.
Think hard, bestie. Make sure it's something cute.
O-Okay, okay, I'll get one!.. Just sh-shut up...
I'm picking the design myself!

Uh, that's not quite your vibe, girl... But if that's what you want... I already picked mine too, by the way. And you, Tali?
Great, then let me take this over to the artist.
Yeah, this one's gonna look so fucking hot on my ass.
Okay, I think I want this dragon, like, on my whole shoulder. It looks pretty cool.

So this one is for me... Hmm... This is Dee's... And this one is Tali's...
Yep, we can do that.

An hour later
How does it feel? Not too painful?
Hmm. You're still a little tense... Just relax, babe... I can tell those two like messing with you, don't they?
You know, I thought a beauty like you would be the one bossing them around. Not the other way. It's weird that you're so unsure of yourself.
Uh, sorry, babe... Then you can tell me more about yourself. We've got plenty of time. Your friends said you love tats, right?
I-It's... It's fine...
Uh, you have, like, no idea. They can be sooo annoying sometimes.
I'm... I'm not unsure at all, okay?... You don't know what you're talking about...

Honestly, I was kinda surprised by what you chose today. You know, not a lot of girls would ask for something like this.
I see... What about your other tats?.. Are they in the same style?
Ghm... Even sluttier than this one? Damn, I guess you're not as innocent as you act.
Listen, babe, I like shy girls like you. The ones who act all nervous, but are actually pretty naughty inside. Maybe we could grab coffee sometime and...
Yeaaah... I guess so... I mean, if it's something cool.
Well, I'm not like all those other girls.
No, those are, like, more girly and even... slutty I'd say... Gosh, I don't even know what I was thinking when I got them.
Huuuh? What do you mean?

Wait, for real!? Shit... But I'm sure your friend said that's what you wanted.
I'm sorry, babe, it's too late. It's almost done, so I guess it's better just to finish it, right?.. Ghm... It doesn't look awful on you, to be honest.
Hey, what the hell is that?! That's not what I chose! It had to be a dragon!
Oh my gosh, Lola! Of course, she tricked me! Ugh... Can you still, like, redo it somehow?
Uh-huh... I'm totally gonna kill them!

You! You two did that on purpose, right?!
Huh? What happened, sweetie?
Yeah, what are you talking about, babe?

I'm talking about this! Why did you tell him I wanted this?!
Do you really think I'll fall for that?
Chica traviesa
Wait, that's the one I wanted. Crap, how could this happen?.. I must've gotten them mixed up. Or the guy heard me wrong. I'm sooo sorry, Dee.

Fall for what, honey?.. Told you it was an accident... And a lucky one too... Just look, this suits you way better than a dragon.
C'mon, sweetie, you know you're our bestie.
Yeah, we love you, Dee.
Uh-huh, of course it does!.. You just enjoy having a doll you can play with, don't you? That's all I am to you, right?
Besties would never do something like this! Ugh... I never should've listened to you and gone out with you.

Aww, don't be like that, babe. It's just a cute little tattoo.
Maybe just a little bit... But it also says that you're a bold girl. It shows you've got personality, you know.
C'mon, didn't you think even for a second that it's kinda... thrilling?..
To have such a daring thing carved on your skin... where everyone can see it... Doesn't this thought make you wet down there?
It's not cute, it's slutty!
What a nonsense...
Huh?

Gee, you're sooo cute when you're angry, princess. It's okay, babe, we'll make it up for you.
Yeah, doll. We'll take you to the salon and get you all pampered just like you wanted, okay? And we're even paying.
Sure, sure, just wait till you sit in that chair. You'll forget you were ever mad at anyone.
N-No... I-I didn't... I would never... think that... And hey, don't change the subject! I'm, like, super mad at you, no matter what you say!
That's... That's not what I wanted...

Don't worry, babe, she knows what's good for you.
Trust me, it's nothing drastic. Just the basic stuff to freshen up your look and make you feel pretty.
Hey, so what is she signing us up for? I don't want anything crazy, okay?
Really? I'm not sure she does...
Ugh, o-okay... If you say so... But I'm keeping my eye on you two.

Three hours later
Don't be silly, babe. This is literally the bare minimum for girls like us. And don't tell us you don't love the result.
Uh-huh, you seemed pretty happy to let them do whatever they wanted, if I remember correctly.
Gosh, this doesn't look like "the basic stuff", girls... I feel like you didn't skip a single thing they offer.

W-What? I just didn't wanna make a scene, okay? It doesn't mean... I like any of this.
I-I'm not... I'm just checking the damage!
I look like some... doll... I still don't get why we had to do all this.
Really? Because you've been checking yourself out for, like, five minutes now.
There's no need. You look freaking gorgeous, hon.

R-Relax? Do you... umm... really think so?.. Honestly, I'm sooo tired of... worrying... You can't imagine...
Yeah, babe, you should stop stressing over every little thing... Be honest, didn't you have fun today? Now just imagine how much better it'd be if you could relax and not worry about anything.
That's the best part of being a girl, babe. We don't need a reason for this. Just enjoy yourself!
I dunno, babe... If I were you, I'd stop beating myself up over it and finally have, like, real fun.

Uh, I haven't had real fun in sooo long...
I-I guess so...
I-I'm not sure it's gonna...
Okay... Umm... The only thing I'm gonna worry about from now on is how damn hot I look. I promise you.
Yeah, sister, you're clearly just suffering from it. Don't you agree that you deserve a break?
Then go for it, babe! C'mon, promise me that the only thing you're gonna worry about from now on is how damn hot you look. You'll feel such a relief.
Do it, Dee! Stop overthinking it!
Good, now say it again, but this time like you mean it!

Gee, the only thing I'm gonna worry about from now on is how damn hot I look. I promise you, girls!
J-Just a little silly, I guess...
That's my girl! How do you feel now?
It's okay, silly is better than stressed. I'm sure you'll get used to it...

So, ladies, we're all agreed that girls' day needs to become a regular thing, right?
Oh, yeah, that's a great idea, babe!
A regular thing?.. I'm not sure I...
Ghm... What should you worry about, Dee?
I-I mean... I'm just not sure I can wait until next time! *Giggle*
That's more like it, honey. Keep it up and you'll feel much better in no time!

Whaat?.. Wait...
Oh, yes! We need to get some cute pics for the memories!
Hey, right here, girls! Let's take some selfies.
C'mon, just make a cute pose, Dee! I'm gonna post this.

Wait a second... Dee, is that you?

Hey, babe! I'm Leo! Do you remember me? I gave you a ride home the other day... and got that little kiss from you afterward. You said you'd call me, remember?
Huh!?
Huh?
Huh?
